Assistant Secretary of the Senate Scott Kaiser
Senator Julie Morrison
Senator Craig Wilcox
Senator John Curran

PRESENTATION OF RESOLUTIONS

SENATE RESOLUTION NO. 869

Offered by Senator Barickman and all Senators:
Mourns the death of Barbara J. "Barb" Milbauer of Dwight.

SENATE RESOLUTION NO. 870

Offered by Senator Koehler and all Senators:
Mourns the passing of James Carl "Jim" Helfers of Cuba.

By direction of the Secretary, the foregoing resolutions were referred to the Resolutions Consent Calendar.

Senator Lightford offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 871

WHEREAS, Public Act 100-0465, the Evidence-Based Funding for Student Success Act, created the Professional Review Panel (PRP), a body that is responsible for continually evaluating the State's K-12 public school funding formula, the Evidence-Based Funding (EBF) Formula, to ensure that it is capturing the costs of providing a high-quality education to all students and to ensure that the formula is working as intended to make progress toward adequately and equitably funding all schools; and

WHEREAS, The Professional Review Panel is tasked with studying and reviewing topics related to the implementation and effect of Evidence-Based Funding, as assigned by a joint resolution or Public Act of the General Assembly or a motion passed by the State Board of Education; and

[March 2, 2022]

WHEREAS, The importance of continuous improvement within education cannot be overstated, and a commitment to continually working to increasing equity, even within an already equitable funding system, is critical to close opportunity and outcome gaps for Illinois students; and

WHEREAS, Public Act 101-0654 charged the Professional Review Panel with conducting research and presenting findings to ensure that (i) the Adequacy Target calculation under subsection (b) accurately reflects the needs of students living in poverty or attending schools located in areas of high poverty, (ii) racial equity within the Evidence-Based Funding formula is explicitly explored and advanced, and (iii) the funding goals of the formula distribution system established under this Section are sufficient to provide adequate funding for every student and to fully fund every school in this State; and

WHEREAS, To consider these issues, the PRP formed an ad-hoc committee that was comprised of diverse stakeholders, including educators, school and district leaders, education advocates, and members of the State Board of Education, and that met biweekly from April through December of 2021; and

WHEREAS, The PRP Ad-Hoc Committee dedicated considerable time, capacity, and expertise to conducting a robust review of evidence and facilitating rich discussion of the issues under its charge; and

WHEREAS, The findings included in the committee's final report include potential opportunities for addressing trauma, accounting for the needs of students living in concentrated poverty, and increasing racial equity within the education funding formula, all of which require further detailed analysis and financial modeling and merit additional future discussion; and

WHEREAS, The findings of the report call for additional study and presentation of findings related to the appropriate levels for re-enrolling and graduating high-risk high school students who have been previously out of school by December 31, 2022; and

WHEREAS, The findings of the report suggest that the task of exploring the potential to increase efficiency and to find cost savings within the school system to expedite the journey to a fully funded system would require further review by a committee of diverse stakeholders convened by the Illinois State Board of Education; and

WHEREAS, The availability of publicly accessible, high-quality information about how districts allocate and utilize funding received through the EBF formula is critical for understanding how districts are working to support historically underserved student groups and to increase equity within their districts, including closing resource gaps by student race/ethnicity, socioeconomic status, and English-learner status; and

WHEREAS, The Illinois State Board of Education is in the process of revising EBF spending plans that districts are required to submit to the agency on an annual basis and increasing the transparency of this information by transitioning to the inclusion of these plans in the public budget process by FY23; and

WHEREAS, The Professional Review Panel has diligently and with dedication executed their task and delivered a thorough and thoughtful report and findings; and

WHEREAS, ISBE has made a concerted effort to increase the value and public transparency of the information reported through districts' EBF spending plans; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that in keeping with the spirit of the charge outlined in Public Act 101-0654, we direct the Professional Review Panel and Illinois State Board of Education to conduct the rigorous analysis and financial modeling required to evaluate the potential value, impact, and financial implications of implementing the findings in the PRP Ad-Hoc Committee's report related to adjusting the Evidence-Based Funding formula's calculations in order to more accurately reflect the costs of supporting students exposed to trauma and living in concentrated poverty (Charge B) as well as to close racial equity gaps in opportunity and outcomes (Charges C and H);

[March 2, 2022]

this includes modeling options, including but not limited to those presented in the report for differentiating existing cost factors within and adding new cost factors to the formula's calculation of districts' Adequacy Targets in order to understand the implications for equity as well as the anticipated fiscal impact of said adjustments; this analysis is to be completed and shared by November 30, 2022; and be it further

RESOLVED, That we call on the Professional Review Panel to complete the study and development of findings related to re-enrolling students who have dropped out of school by the extended deadline included within the PRP Ad-Hoc Committee report of December, 31 2022; and be it further

RESOLVED, That we urge the Illinois State Board of Education to complete their revision of the district spending plans template and requirements and annually make all districts' spending plans publicly available on the Illinois State Board of Education's website starting with Fiscal Year 2023 by January 2023; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the State Superintendent of Education, the Chair of the Illinois State Board of Education, and members of the Professional Review Panel.

Senator Fine offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 872

WHEREAS, Many peoples with serious, chronic mental illness, such as schizophrenia and other schizoaffective disorders, bipolar disorder, or severe depression, require treatment with medications that work as dopamine receptor blocking agents (DRBAs), including antipsychotics; and

WHEREAS, While ongoing treatment with these medications can be very helpful and even lifesaving, for many people, it can also lead to Tardive Dyskinesia (TD); and

WHEREAS, Many people who have gastrointestinal disorders, including gastroparesis, nausea, and vomiting, also require treatment with DRBAs; and

WHEREAS, Treatment of gastrointestinal disorders with DRBAs can be very helpful, but for many patients, it can lead to Tardive Dyskinesia; and

WHEREAS, Tardive Dyskinesia is a movement disorder that is characterized by random, involuntary, and uncontrolled movements of different muscles in the face, trunk, and extremities; in some cases, people may experience movement of the arms, legs, fingers, and toes; it may affect the tongue, lips, and jaw; symptoms may include swaying movements of the trunk or hips and may impact the muscles associated with walking, speech, eating, and breathing; and

WHEREAS, Tardive Dyskinesia can develop months, years, or decades after a person starts taking DRBAs and even after they have discontinued use of those medications; not everyone who takes a DRBA develops TD, but if it develops, it is often permanent; and

WHEREAS, Common risk factors for Tardive Dyskinesia include advanced age and alcoholism or other substance abuse disorders; postmenopausal women and people with a mood disorder are also at higher risk of developing Tardive Dyskinesia; and

WHEREAS, A person is at higher risk for TD after taking DRBAs for three months or longer, but the longer the person is on these medications then the higher the risk of developing Tardive Dyskinesia; and

WHEREAS, Studies suggest that overall risk of developing Tardive Dyskinesia is between 10 and 30 percent; and

[March 2, 2022]

WHEREAS, It is estimated that over 600,000 Americans suffer from Tardive Dyskinesia; according to the National Alliance for Mental Illness, one in every four patients receiving long-term treatment with an antipsychotic medication will experience Tardive Dyskinesia; and

WHEREAS, Years of difficult and challenging research have resulted in recent scientific breakthroughs, with two new treatments for Tardive Dyskinesia approved by the United States Food and Drug Administration; and

WHEREAS, Tardive Dyskinesia is often unrecognized, and patients suffering from the illness are commonly misdiagnosed; regular screening for TD in patients taking DRBA medications is recommended by the American Psychiatric Association (APA); and

WHEREAS, Patients suffering from Tardive Dyskinesia often suffer embarrassment due to abnormal and involuntary movements, which leads them to withdraw from society and increasingly isolate themselves as the disease progresses; and

WHEREAS, Caregivers of patients with Tardive Dyskinesia face many challenges and are often responsible for the overall care of the TD patient; and

WHEREAS, The Legislature can raise awareness of Tardive Dyskinesia in the public and in the medical community; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare the week of May 1, 2022 as "Tardive Dyskinesia Awareness Week" in the State of Illinois; and be it further

RESOLVED, That we encourage the citizens of Illinois to become better informed about Tardive Dyskinesia.

INTRODUCTION OF BILL

SENATE BILL NO. 4184. Introduced by Senator Sims, a bill for AN ACT concerning finance.

The bill was taken up, read by title a first time, ordered printed and referred to the Committee on Assignments.
