AMENDMENT NO. 1. Amend House Bill 1293 by replacing everything after the enacting clause with the following:

"Article 1.

Section 1-1. Findings.

(a) The General Assembly finds that:

(1) Russia launched an unprecedented military assault on Ukraine that has left many dead, and the fighting in Ukraine appears to be some of the worst conventional warfare Europe has seen since World War II and the conflicts in the Balkans in the 1990s;

(2) Western leaders have been united in their swift and strong condemnation of Russia's military action;

(3) President Biden has stated that Russian President Putin had "committed an assault on the very principles that uphold the global peace", and the United States has, as a result, taken steps to impose harsh, new sanctions that are intended to punish President Putin for his actions;

(4) Secretary of State Blinken has indicated that there are credible reports that Russia has engaged in actions during its military assault on Ukraine that constitute war crimes under international law;

(5) Russia has used, during its military assault on Ukraine, weapons that have been banned by many countries, including cluster munitions;

[November 16, 2022]

(6) Russia has conducted direct attacks on major nuclear power facilities in Ukraine, which could lead to disaster and the spread of radioactive contamination across Ukraine and Europe;

(7) the United Nations has estimated that more than 14,000,000 Ukrainians have already been displaced within the country and more than 7,000,000 have left the country as a result of the Russian invasion;

(8) the international community is making preparations to meet the humanitarian needs of those refugees who are displaced by this conflict;

(9) Central Europe is welcoming Ukrainians, but the countries in that region are not currently equipped to handle the volume of refugees that are anticipated to arrive at their borders in the coming weeks, and European and U.S. leadership must help build that capacity; and

(10) Illinois is a welcoming state to refugees and immigrants and home to a robust community of Ukrainian immigrants and Ukrainian descendants, many of whom live in Chicago's Ukrainian Village neighborhood.

(b) For these reasons, the General Assembly urges:

(1) the pension funds and retirement systems established under the Illinois Pension Code to divest their holdings in any companies that are domiciled in Russia or Belarus and that are on the list of restricted companies developed by the Illinois Investment Policy Board;

(2) all municipalities to reconsider any sister-city relationships they may have with cities in Russia; and

(3) the United States Department of State to resettle Ukrainian refugees in Illinois.

(1) the United States Department of Treasury's Financial Crimes Enforcement Network found, in 2017, that 30% of all high-end real estate purchases in major metropolitan areas involved beneficial owners or purchasers who were the subject of previous suspicious activity reports;

(2) the United States, unlike Canada and several other jurisdictions, does not require real estate agents and brokers to file suspicious transaction reports;

(3) the lack of beneficial ownership transparency is an important factor in facilitating money laundering in real estate; and

(4) money laundering in real estate has negative consequences for local communities, including the dislocation of residents from and within major metropolitan areas.

Section 5-5. Money Laundering in Real Estate Task Force.

(a) The Money Laundering in Real Estate Task Force is created. The Task Force shall consist of the following members:

(6) one representative of banking institutions with assets of at least \$1,000,000,000, appointed by the Governor;

(7) one representative of banking institutions with assets below \$1,000,000,000, appointed by the Governor;

(4) assess the exposure of the residential, industrial, and commercial real estate sectors in Illinois to illicit Russian money, including, but not limited to, luxury real estate in Chicago and nonresidential real estate in downstate communities; and

(5) assess real estate due diligence and reporting practices, requirements, and laws in Illinois and recommend changes needed to eliminate systemic vulnerabilities that facilitate foreign money laundering.

Section 5-15. Reports. The Task Force shall submit a report to the Governor and the General Assembly not later than 12 months after the effective date of this Act. The report shall include the Task Force's findings and shall summarize the actions the Task Force has taken and those it intends to take in response to its obligations under the Act. The obligation of the Task Force to submit periodic reports shall continue for the duration of the Task Force.

Section 5-20. Dissolution of Task Force; repeal. The Task Force is dissolved on January 1, 2025. This Act is repealed on January 1, 2026.

(3) The retirement system may not acquire securities of restricted companies.

(4) The provisions of this subsection (f) do not apply to the retirement system's indirect holdings or private market funds. The Illinois Investment Policy Board shall submit letters to the managers of those investment funds containing restricted companies requesting that they consider removing the companies from the fund or create a similar actively managed fund having indirect holdings devoid of the companies. If the manager creates a similar fund, the retirement system shall replace all applicable investments with investments in the similar fund in an expedited timeframe consistent with prudent investing standards.

(f-1) The retirement system shall adhere to the following procedures for restricted companies that are expatriated entities or for-profit companies that contract to shelter migrant children:

(1) To the extent that the retirement system believes that shareholder activism would be more impactful than divestment, the retirement system shall have the authority to engage with a restricted company prior to divesting.

(2) Subject to any applicable State or Federal laws, methods of shareholder activism utilized by the retirement system may include, but are not limited to, bringing shareholder resolutions and proxy voting on shareholder resolutions.

(3) The retirement system shall report on its shareholder activism and the outcome of such efforts to the Illinois Investment Policy Board by April 1 of each year.

(4) If the engagement efforts of the retirement system are unsuccessful, then it shall adhere to the procedures under subsection (f) of this Section.

(f-5) Beginning on the effective date of this amendatory Act of the 102nd General Assembly, no retirement system shall invest moneys in Russian or Belarusian sovereign debt, Russian or Belarusian government-backed securities, any investment instrument issued by an entity that is domiciled or has its principal place of business in Russia or Belarus, or any investment instrument issued by a company that is subject to Russian Harmful Foreign Activities Sanctions, and no retirement system shall invest or deposit State moneys in any bank that is domiciled or has its principal place of business in Russia or Belarus. As soon as practicable after the effective date of this amendatory Act of the 102nd General Assembly, each retirement system shall instruct its investment advisors to sell, redeem, divest, or withdraw all direct holdings of Russian or Belarusian sovereign debt and direct holdings of Russian or Belarusian government-backed securities from the retirement system's assets under management in an orderly and fiduciarily responsible manner.

Notwithstanding any provision of this Section to the contrary, a retirement system may cease divestment pursuant to this subsection (f-5) if clear and convincing evidence shows that the value of

investments in such Russian or Belarusian sovereign debt and Russian or Belarusian government-backed securities becomes equal to or less than 0.05% of the market value of all assets under management by the retirement system. For any cessation of divestment authorized by this subsection (f-5), the retirement system shall provide a written notice to the Illinois Investment Policy Board in advance of the cessation of divestment, setting forth the reasons and justification, supported by clear and convincing evidence, for its decision to cease divestment under this subsection (f-5).

The provisions of this subsection (f-5) do not apply to the retirement system's indirect holdings or private market funds.

(g) Upon request, and by April 1 of each year, each retirement system shall provide the Illinois Investment Policy Board with information regarding investments sold, redeemed, divested, or withdrawn in compliance with this Section.

(h) Notwithstanding any provision of this Section to the contrary, a retirement system may cease divesting from companies pursuant to subsection (f) if clear and convincing evidence shows that the value of investments in such companies becomes equal to or less than 0.5% of the market value of all assets under management by the retirement system. For any cessation of divestment authorized by this subsection (h), the retirement system shall provide a written notice to the Illinois Investment Policy Board in advance of the cessation of divestment, setting forth the reasons and justification, supported by clear and convincing evidence, for its decision to cease divestment under subsection (f).

(i) The cost associated with the activities of the Illinois Investment Policy Board shall be borne by the boards of each pension fund or investment board created under Article 15, 16, or 22A of this Code.

(j) With respect to actions taken in compliance with this Section, including all good-faith determinations regarding companies as required by this Section, the retirement system and Illinois Investment Policy Board are exempt from any conflicting statutory or common law obligations, including any fiduciary duties under this Article and any obligations with respect to choice of asset managers, investment funds, or investments for the retirement system's securities portfolios.

(k) It is not the intent of the General Assembly in enacting this amendatory Act of the 99th General Assembly to cause divestiture from any company based in the United States of America. The Illinois Investment Policy Board shall consider this intent when developing or reviewing the list of restricted companies.

(l) If any provision of this amendatory Act of the 99th General Assembly or its application to any person or circumstance is held invalid, the invalidity of that provision or application does not affect other provisions or applications of this amendatory Act of the 99th General Assembly that can be given effect without the invalid provision or application.

If any provision of Public Act 100-551 or its application to any person or circumstance is held invalid, the invalidity of that provision or application does not affect other provisions or applications of Public Act 100-551 that can be given effect without the invalid provision or application.

If any provision of Public Act 102-118 ~~this amendatory Act of the 102nd General Assembly~~ or its application to any person or circumstance is held invalid, the invalidity of that provision or application does not affect other provisions or applications of Public Act 102-118 ~~this amendatory Act of the 102nd General Assembly~~ that can be given effect without the invalid provision or application.

If any provision of this amendatory Act of the 102nd General Assembly or its application to any person or circumstance is held invalid, the invalidity of that provision or application does not affect other provisions or applications of this amendatory Act of the 102nd General Assembly that can be given effect without the invalid provision or application.

(75 ILCS 16/30-25)

Sec. 30-25. Vacancies.

(a) Vacancies shall be declared in the office of trustee by the board when an elected or appointed trustee (i) declines, fails, or is unable to serve, (ii) becomes a nonresident of the district, (iii) is convicted of a misdemeanor by failing, neglecting, or refusing to discharge any duty imposed upon him or her by this Act, or (iv) has failed to pay the library taxes levied by the district. Absence without cause from all regular board meetings for a period of one year shall be a basis for declaring a vacancy.

(b) All vacancies shall be filled by appointment by the remaining trustees until the next regular library election, at which time a trustee shall be elected for the remainder of the unexpired term. If, however, the vacancy occurs with less than 28 months remaining in the term, and if the vacancy occurs less than 88 days before the next regular scheduled election for this office, then the person so appointed shall serve the remainder of the unexpired term and no election to fill the vacancy shall be held. If the vacancy is in the office of a trustee of a library district with an appointed board, the vacancy shall be filled by appointment by the remaining trustees. Vacancies shall be filled within 90 days after a vacancy has been declared. If the trustees fail to appoint a new member within 90 days after a vacancy has been declared, the State Librarian shall appoint an individual to fill the vacancy within 60 days after the trustees have failed to fill the vacancy. If the State Librarian fails to fill the vacancy within the 60 days after the trustees have failed to fill the vacancy, the vacancy shall be filled at the next regularly scheduled election. Notwithstanding any other provision of this Section, if a vacancy occurred prior to May 27, 2022 and that vacancy has not been filled by the trustees before the effective date of this amendatory Act of the 102nd General Assembly, the State Librarian shall fill the vacancy within 60 days after the effective date of this amendatory Act of the 102nd General Assembly.

Sec. 30-40. Organization of board; qualification and oath of trustees.

(a) Within 74 days after their election or appointment, the incumbent and new trustees shall take their oath of office as prescribed by law and meet to organize the board.

(b) The first action taken at the meeting shall be the election of a president, a vice-president, a secretary, and a treasurer from among the trustees. The secretary shall then record the membership of the board. The board may, instead of electing a treasurer from among the trustees, by majority vote of the board, appoint and fix the compensation of a qualified treasurer that is not a trustee of the board.

(c) Trustees duly elected or appointed as certified by the appropriate election authority or appointing authority shall be qualified to serve as trustees under this Act. The required oath shall be taken and subscribed before a notary public or the secretary of the board.

(d) Within 60 days after the organization of the board, the secretary shall file, with the county clerk of the county containing all or a larger portion of the district and with the Illinois State Librarian, a statement listing the names and addresses of the trustees and officers and their respective terms in office. The secretary shall report a vacancy on the board to the county clerk and the State Librarian within 60 days after it occurs and shall report the filling of a vacancy within 60 days after it is filled.

(e) The first officers shall serve until the next regular election of trustees. Thereafter, officers shall serve for terms set by ordinance but not to exceed 2 years, ending on the third Monday of the month following each regular election or until their successors are duly elected by the board.
