AMENDMENT NO. 1

AMENDMENT NO. 1. Amend Senate Bill 955 by replacing everything after the enacting clause with the following:

"Section 5. The Election Code is amended by changing Section 7-8 as follows:

(10 ILCS 5/7-8) (from Ch. 46, par. 7-8)

Sec. 7-8. The State central committee shall be composed of one or two members from each congressional district in the State and shall be elected as follows:

State Central Committee

(a) Within 30 days after the effective date of this amendatory Act of 1983 the State central committee of each political party shall certify to the State Board of Elections which of the following alternatives it wishes to apply to the State central committee of that party.

Alternative A. At the primary held on the third Tuesday in March 1970, and at the primary held every 4 years thereafter, each primary elector may vote for one candidate of his party for member of the State central committee for the congressional district in which he resides. The candidate receiving the highest number of votes shall be declared elected State central committeeman from the district. A political party may, in lieu of the foregoing, by a majority vote of delegates at any State convention of such party, determine to thereafter elect the State central committeemen in the manner following:

At the county convention held by such political party State central committeemen shall be elected in the same manner as provided in this Article for the election of officers of the county central committee, and such election shall follow the election of officers of the county central committee. Each elected ward, township or precinct committeeman shall cast as his vote one vote for each ballot voted in his ward, township, part of a township or precinct in the last preceding primary election of his political party. In the case of a county lying partially within one congressional district and partially within another congressional district, each ward, township or precinct committeeman shall vote only with respect to the congressional district in which his ward, township, part of a township or precinct is located. In the case of a congressional district which encompasses more than one county, each ward, township or precinct committeeman residing within the congressional district shall cast as his vote one vote for each ballot voted in his ward, township, part of a township or precinct in the last preceding primary election of his political party for one candidate of his party for member of the State central committee for the congressional district in which he resides and the Chairman of the county central committee shall report the results of the election to the State Board of Elections. The State Board of Elections shall certify the candidate receiving the highest number of votes elected State central committeeman for that congressional district.

The State central committee shall adopt rules to provide for and govern the procedures to be followed in the election of members of the State central committee.

After the effective date of this amendatory Act of the 91st General Assembly, whenever a vacancy occurs in the office of Chairman of a State central committee, or at the end of the term of office of Chairman, the State central committee of each political party that has selected Alternative A shall elect a Chairman who shall not be required to be a member of the State Central Committee. The Chairman shall be a registered voter in this State and of the same political party as the State central committee.

Alternative B. Each congressional committee shall, within 30 days after the adoption of this alternative, appoint a person of the sex opposite that of the incumbent member for that congressional district to serve as an additional member of the State central committee until his or her successor is elected at the general primary election in 1986. Each congressional committee shall make this appointment by voting on the basis set forth in paragraph (e) of this Section. In each congressional district at the general primary election held in 1986 and every 4 years thereafter, the male candidate receiving the highest number of votes of the party's male candidates for State central committeeman, and the female candidate receiving the highest number of votes of the party's female candidates for State central committeewoman, shall be declared elected State central committeeman and State central committeewoman from the district. At the general primary election held in 1986 and every 4 years thereafter, if all a party's candidates for State central committeemen or State central committeewomen from a congressional district are of the same sex, the candidate receiving the highest number of votes shall be declared elected a State central committeeman or State central committeewoman from the district, and, because of a failure to elect one male and one female to the committee, a vacancy shall be declared to exist in the office of the second member of the State central committee from the district. This vacancy shall be filled by appointment by the congressional committee of the political party, and the person appointed to fill the vacancy shall be a resident of the congressional district and of the sex

[May 31, 2004]

opposite that of the committeeman or committeewoman elected at the general primary election. Each congressional committee shall make this appointment by voting on the basis set forth in paragraph (e) of this Section.

The Chairman of a State central committee composed as provided in this Alternative B must be selected from the committee's members.

Except as provided for in Alternative A with respect to the selection of the Chairman of the State central committee, under both of the foregoing alternatives, the State central committee of each political party shall be composed of members elected or appointed from the several congressional districts of the State, and of no other person or persons whomsoever. The members of the State central committee shall, within 30 days after each quadrennial election of the full committee, meet in the city of Springfield and organize by electing a chairman, and may at such time elect such officers from among their own number (or otherwise), as they may deem necessary or expedient. The outgoing chairman of the State central committee of the party shall, 10 days before the meeting, notify each member of the State central committee elected at the primary of the time and place of such meeting. In the organization and proceedings of the State central committee, each State central committeeman and State central committeewoman shall have one vote for each ballot voted in his or her congressional district by the primary electors of his or her party at the primary election immediately preceding the meeting of the State central committee. Whenever a vacancy occurs in the State central committee of any political party, the vacancy shall be filled by appointment of the chairmen of the county central committees of the political party of the counties located within the congressional district in which the vacancy occurs and, if applicable, the ward and township committeemen of the political party in counties of 2,000,000 or more inhabitants located within the congressional district. If the congressional district in which the vacancy occurs lies wholly within a county of 2,000,000 or more inhabitants, the ward and township committeemen of the political party in that congressional district shall vote to fill the vacancy. In voting to fill the vacancy, each chairman of a county central committee and each ward and township committeeman in counties of 2,000,000 or more inhabitants shall have one vote for each ballot voted in each precinct of the congressional district in which the vacancy exists of his or her county, township, or ward cast by the primary electors of his or her party at the primary election immediately preceding the meeting to fill the vacancy in the State central committee. The person appointed to fill the vacancy shall be a resident of the congressional district in which the vacancy occurs, shall be a qualified voter, and, in a committee composed as provided in Alternative B, shall be of the same sex as his or her predecessor. A political party may, by a majority vote of the delegates of any State convention of such party, determine to return to the election of State central committeeman and State central committeewoman by the vote of primary electors. Any action taken by a political party at a State convention in accordance with this Section shall be reported to the State Board of Elections by the chairman and secretary of such convention within 10 days after such action.

Ward, Township and Precinct Committeemen

(b) At the primary held on the third Tuesday in March, 1972, and every 4 years thereafter, each primary elector in cities having a population of 200,000 or over may vote for one candidate of his party in his ward for ward committeeman. Each candidate for ward committeeman must be a resident of and in the ward where he seeks to be elected ward committeeman. The one having the highest number of votes shall be such ward committeeman of such party for such ward. At the primary election held on the third Tuesday in March, 1970, and every 4 years thereafter, each primary elector in counties containing a population of 2,000,000 or more, outside of cities containing a population of 200,000 or more, may vote for one candidate of his party for township committeeman. Each candidate for township committeeman must be a resident of and in the township or part of a township (which lies outside of a city having a population of 200,000 or more, in counties containing a population of 2,000,000 or more), and in which township or part of a township he seeks to be elected township committeeman. The one having the highest number of votes shall be such township committeeman of such party for such township or part of a township. At the primary held on the third Tuesday in March, 1970 and every 2 years thereafter, each primary elector, except in counties having a population of 2,000,000 or over, may vote for one candidate of his party in his precinct for precinct committeeman. Each candidate for precinct committeeman must be a bona fide resident of the precinct where he seeks to be elected precinct committeeman. The one having the highest number of votes shall be such precinct committeeman of such party for such precinct. The official returns of the primary shall show the name of the committeeman of each political party. Notwithstanding any law to the contrary, a person is ineligible to become a candidate for ward or township committeeman in Cook County if he or she has been convicted of an infamous crime.

Terms of Committeemen. All precinct committeemen elected under the provisions of this Article shall continue as such committeemen until the date of the primary to be held in the second year after their

election. Except as otherwise provided in this Section for certain State central committeemen who have 2 year terms, all State central committeemen, township committeemen and ward committeemen shall continue as such committeemen until the date of primary to be held in the fourth year after their election. However, a vacancy exists in the office of precinct committeeman when a precinct committeeman ceases to reside in the precinct in which he was elected and such precinct committeeman shall thereafter neither have nor exercise any rights, powers or duties as committeeman in that precinct, even if a successor has not been elected or appointed.

(c) The Multi-Township Central Committee shall consist of the precinct committeemen of such party, in the multi-township assessing district formed pursuant to Section 2-10 of the Property Tax Code and shall be organized for the purposes set forth in Section 45-25 of the Township Code. In the organization and proceedings of the Multi-Township Central Committee each precinct committeeman shall have one vote for each ballot voted in his precinct by the primary electors of his party at the primary at which he was elected.

County Central Committee

(d) The county central committee of each political party in each county shall consist of the various township committeemen, precinct committeemen and ward committeemen, if any, of such party in the county. In the organization and proceedings of the county central committee, each precinct committeeman shall have one vote for each ballot voted in his precinct by the primary electors of his party at the primary at which he was elected; each township committeeman shall have one vote for each ballot voted in his township or part of a township as the case may be by the primary electors of his party at the primary election for the nomination of candidates for election to the General Assembly immediately preceding the meeting of the county central committee; and in the organization and proceedings of the county central committee, each ward committeeman shall have one vote for each ballot voted in his ward by the primary electors of his party at the primary election for the nomination of candidates for election to the General Assembly immediately preceding the meeting of the county central committee.

Congressional Committee

(e) The congressional committee of each party in each congressional district shall be composed of the chairmen of the county central committees of the counties composing the congressional district, except that in congressional districts wholly within the territorial limits of one county, or partly within 2 or more counties, but not coterminous with the county lines of all of such counties, the precinct committeemen, township committeemen and ward committeemen, if any, of the party representing the precincts within the limits of the congressional district, shall compose the congressional committee. A State central committeeman in each district shall be a member and the chairman or, when a district has 2 State central committeemen, a co-chairman of the congressional committee, but shall not have the right to vote except in case of a tie.

In the organization and proceedings of congressional committees composed of precinct committeemen or township committeemen or ward committeemen, or any combination thereof, each precinct committeeman shall have one vote for each ballot voted in his precinct by the primary electors of his party at the primary at which he was elected, each township committeeman shall have one vote for each ballot voted in his township or part of a township as the case may be by the primary electors of his party at the primary election immediately preceding the meeting of the congressional committee, and each ward committeeman shall have one vote for each ballot voted in each precinct of his ward located in such congressional district by the primary electors of his party at the primary election immediately preceding the meeting of the congressional committee; and in the organization and proceedings of congressional committees composed of the chairmen of the county central committees of the counties within such district, each chairman of such county central committee shall have one vote for each ballot voted in his county by the primary electors of his party at the primary election immediately preceding the meeting of the congressional committee.

Judicial District Committee

(f) The judicial district committee of each political party in each judicial district shall be composed of the chairman of the county central committees of the counties composing the judicial district.

In the organization and proceedings of judicial district committees composed of the chairmen of the county central committees of the counties within such district, each chairman of such county central committee shall have one vote for each ballot voted in his county by the primary electors of his party at the primary election immediately preceding the meeting of the judicial district committee.

Circuit Court Committee

(g) The circuit court committee of each political party in each judicial circuit outside Cook County shall be composed of the chairmen of the county central committees of the counties composing the

judicial circuit.

In the organization and proceedings of circuit court committees, each chairman of a county central committee shall have one vote for each ballot voted in his county by the primary electors of his party at the primary election immediately preceding the meeting of the circuit court committee.

Judicial Subcircuit Committee

(g-1) The judicial subcircuit committee of each political party in each judicial subcircuit in Cook County shall be composed of the ward and township committeemen of the townships and wards composing the judicial subcircuit.

In the organization and proceedings of each judicial subcircuit committee, each township committeeman shall have one vote for each ballot voted in his township or part of a township, as the case may be, in the judicial subcircuit by the primary electors of his party at the primary election immediately preceding the meeting of the judicial subcircuit committee; and each ward committeeman shall have one vote for each ballot voted in his ward or part of a ward, as the case may be, in the judicial subcircuit by the primary electors of his party at the primary election immediately preceding the meeting of the judicial subcircuit committee.

Municipal Central Committee

(h) The municipal central committee of each political party shall be composed of the precinct, township or ward committeemen, as the case may be, of such party representing the precincts or wards, embraced in such city, incorporated town or village. The voting strength of each precinct, township or ward committeeman on the municipal central committee shall be the same as his voting strength on the county central committee.

For political parties, other than a statewide political party, established only within a municipality or township, the municipal or township managing committee shall be composed of the party officers of the local established party. The party officers of a local established party shall be as follows: the chairman and secretary of the caucus for those municipalities and townships authorized by statute to nominate candidates by caucus shall serve as party officers for the purpose of filling vacancies in nomination under Section 7-61; for municipalities and townships authorized by statute or ordinance to nominate candidates by petition and primary election, the party officers shall be the party's candidates who are nominated at the primary. If no party primary was held because of the provisions of Section 7-5, vacancies in nomination shall be filled by the party's remaining candidates who shall serve as the party's officers.

Powers

(i) Each committee and its officers shall have the powers usually exercised by such committees and by the officers thereof, not inconsistent with the provisions of this Article. The several committees herein provided for shall not have power to delegate any of their powers, or functions to any other person, officer or committee, but this shall not be construed to prevent a committee from appointing from its own membership proper and necessary subcommittees.

(j) The State central committee of a political party which elects its members by Alternative B under paragraph (a) of this Section shall adopt a plan to give effect to the delegate selection rules of the national political party and file a copy of such plan with the State Board of Elections when approved by a national political party.

(k) For the purpose of the designation of a proxy by a Congressional Committee to vote in place of an absent State central committeeman or committeewoman at meetings of the State central committee of a political party which elects its members by Alternative B under paragraph (a) of this Section, the proxy shall be appointed by the vote of the ward and township committeemen, if any, of the wards and townships which lie entirely or partially within the Congressional District from which the absent State central committeeman or committeewoman was elected and the vote of the chairmen of the county central committees of those counties which lie entirely or partially within that Congressional District and in which there are no ward or township committeemen. When voting for such proxy the county chairman, ward committeeman or township committeeman, as the case may be shall have one vote for each ballot voted in his county, ward or township, or portion thereof within the Congressional District, by the primary electors of his party at the primary at which he was elected. However, the absent State central committeeman or committeewoman may designate a proxy when permitted by the rules of a political party which elects its members by Alternative B under paragraph (a) of this Section. Registration record cards shall also be open to inspection by certified judges and poll watchers and challengers at the polling place on election day, but only to the extent necessary to determine the question of the right of a person to vote or to serve as a judge of election. At no time shall poll watchers or challengers be allowed to physically handle the registration record cards.

Copies of the tapes, discs or other electronic data shall be furnished by the county clerk to local political committees and governmental entities at their request and at a reasonable cost. Notwithstanding any other provision of this Code to the contrary, each election authority shall establish procedures for the registration of voters during the period from the close of registration for a primary or election and until the 14th day before the primary or election. During this grace period, an unregistered qualified elector may register to vote in person in the office of the election authority or at a voter registration location specifically designated for this purpose by the election authority. A registered voter may submit a change of address form in person in the office of the election authority or at a voter registration location specifically designated for this purpose by the election authority during this period as well.

The election authority shall register that individual or change his or her address in the manner provided by law. At the time a person has completed registration or has submitted a change of address during the grace period established under this Section, the person shall sign and receive a document dated and signed by the election authority or the election authority's designated representative that states the registrant's name and address and that the person is registered to vote and is eligible to receive a ballot at the next election or primary election after the date of registration or change of address. The election authority or the election authority's designated representative and the document itself shall

advise the registrant to retain the document and to have the document available for inspection upon entering the polling place on the next election day or primary election day after registration, but failure to present the document is not a bar to voting.

The election authority shall endeavor to complete all steps necessary to make that individual's registration information available within 48 hours after his or her registration.

(10 ILCS 5/7-8) (from Ch. 46, par. 7-8)

Sec. 7-8. The State central committee shall be composed of one or two members from each congressional district in the State and shall be elected as follows:

State Central Committee

(a) Within 30 days after the effective date of this amendatory Act of 1983 the State central committee of each political party shall certify to the State Board of Elections which of the following alternatives it wishes to apply to the State central committee of that party.

Alternative A. At the primary held on the third Tuesday in March 1970, and at the primary held every 4 years thereafter, each primary elector may vote for one candidate of his party for member of the State central committee for the congressional district in which he resides. The candidate receiving the highest number of votes shall be declared elected State central committeeman from the district. A political party may, in lieu of the foregoing, by a majority vote of delegates at any State convention of such party, determine to thereafter elect the State central committeemen in the manner following:

At the county convention held by such political party State central committeemen shall be elected in the same manner as provided in this Article for the election of officers of the county central committee, and such election shall follow the election of officers of the county central committee. Each elected ward, township or precinct committeeman shall cast as his vote one vote for each ballot voted in his ward, township, part of a township or precinct in the last preceding primary election of his political party. In the case of a county lying partially within one congressional district and partially within another congressional district, each ward, township or precinct committeeman shall vote only with respect to the congressional district in which his ward, township, part of a township or precinct is located. In the case of a congressional district which encompasses more than one county, each ward, township or precinct committeeman residing within the congressional district shall cast as his vote one vote for each ballot voted in his ward, township, part of a township or precinct in the last preceding primary election of his political party for one candidate of his party for member of the State central committee for the congressional district in which he resides and the Chairman of the county central committee shall report the results of the election to the State Board of Elections. The State Board of Elections shall certify the candidate receiving the highest number of votes elected State central committeeman for that congressional district.

The State central committee shall adopt rules to provide for and govern the procedures to be followed in the election of members of the State central committee.

After the effective date of this amendatory Act of the 91st General Assembly, whenever a vacancy occurs in the office of Chairman of a State central committee, or at the end of the term of office of Chairman, the State central committee of each political party that has selected Alternative A shall elect a Chairman who shall not be required to be a member of the State Central Committee. The

[May 31, 2004]

Chairman shall be a registered voter in this State and of the same political party as the State central committee.

Alternative B. Each congressional committee shall, within 30 days after the adoption of this alternative, appoint a person of the sex opposite that of the incumbent member for that congressional district to serve as an additional member of the State central committee until his or her successor is elected at the general primary election in 1986. Each congressional committee shall make this appointment by voting on the basis set forth in paragraph (e) of this Section. In each congressional district at the general primary election held in 1986 and every 4 years thereafter, the male candidate receiving the highest number of votes of the party's male candidates for State central committeeman, and the female candidate receiving the highest number of votes of the party's female candidates for State central committeewoman, shall be declared elected State central committeeman and State central committeewoman from the district. At the general primary election held in 1986 and every 4 years thereafter, if all a party's candidates for State central committeemen or State central committeewomen from a congressional district are of the same sex, the candidate receiving the highest number of votes shall be declared elected a State central committeeman or State central committeewoman from the district, and, because of a failure to elect one male and one female to the committee, a vacancy shall be declared to exist in the office of the second member of the State central committee from the district. This vacancy shall be filled by appointment by the congressional committee of the political party, and the person appointed to fill the vacancy shall be a resident of the congressional district and of the sex opposite that of the committeeman or committeewoman elected at the general primary election. Each congressional committee shall make this appointment by voting on the basis set forth in paragraph (e) of this Section.

The Chairman of a State central committee composed as provided in this Alternative B must be selected from the committee's members.

Except as provided for in Alternative A with respect to the selection of the Chairman of the State central committee, under both of the foregoing alternatives, the State central committee of each political party shall be composed of members elected or appointed from the several congressional districts of the State, and of no other person or persons whomsoever. The members of the State central committee shall, within 30 days after each quadrennial election of the full committee, meet in the city of Springfield and organize by electing a chairman, and may at such time elect such officers from among their own number (or otherwise), as they may deem necessary or expedient. The outgoing chairman of the State central committee of the party shall, 10 days before the meeting, notify each member of the State central committee elected at the primary of the time and place of such meeting. In the organization and proceedings of the State central committee, each State central committeeman and State central committeewoman shall have one vote for each ballot voted in his or her congressional district by the primary electors of his or her party at the primary election immediately preceding the meeting of the State central committee. Whenever a vacancy occurs in the State central committee of any political party, the vacancy shall be filled by appointment of the chairmen of the county central committees of the political party of the counties located within the congressional district in which the vacancy occurs and, if applicable, the ward and township committeemen of the political party in counties of 2,000,000 or more inhabitants located within the congressional district. If the congressional district in which the vacancy occurs lies wholly within a county of 2,000,000 or more inhabitants, the ward and township committeemen of the political party in that congressional district shall vote to fill the vacancy. In voting to fill the vacancy, each chairman of a county central committee and each ward and township committeeman in counties of 2,000,000 or more inhabitants shall have one vote for each ballot voted in each precinct of the congressional district in which the vacancy exists of his or her county, township, or ward cast by the primary electors of his or her party at the primary election immediately preceding the meeting to fill the vacancy in the State central committee. The person appointed to fill the vacancy shall be a resident of the congressional district in which the vacancy occurs, shall be a qualified voter, and, in a committee composed as provided in Alternative B, shall be of the same sex as his or her predecessor. A political party may, by a majority vote of the delegates of any State convention of such party, determine to return to the election of State central committeeman and State central committeewoman by the vote of primary electors. Any action taken by a political party at a State convention in accordance with this Section shall be reported to the State Board of Elections by the chairman and secretary of such convention within 10 days after such action.

Except as otherwise provided in this Section for certain State central committeemen who have 2 year terms, all State central committeemen, township committeemen and ward committeemen shall continue as such committeemen until the date of primary to be held in the fourth year after their election. However, a vacancy exists in the office of precinct committeeman when a precinct committeeman ceases to reside in the precinct in which he was elected and such precinct committeeman shall thereafter neither have nor exercise any rights, powers or duties as committeeman in that precinct, even if a successor has not been elected or appointed.

The several committees herein provided for shall not have power to delegate any of their powers, or functions to any other person, officer or committee, but this shall not be construed to prevent a committee from appointing from its own membership proper and necessary subcommittees.

(j) The State central committee of a political party which elects its members by Alternative B under paragraph (a) of this Section shall adopt a plan to give effect to the delegate selection rules of the national political party and file a copy of such plan with the State Board of Elections when approved by a national political party.

The State convention of each political party has power to make nominations of candidates of its political party for the electors of President and Vice President of the United States, and to adopt any party platform, and, to the extent determined by the State central committee as provided in Section 7-14, to choose and select delegates and alternate delegates at large to national nominating conventions. The State Central Committee may adopt rules to provide for and govern the procedures of the State convention.

Pollwatchers may challenge for cause the voting qualifications of a person offering to vote and may call to the attention of the judges of election any incorrect procedure or apparent violations of this Code.

If a majority of the judges of election determine that the polling place has become too overcrowded with pollwatchers so as to interfere with the orderly conduct of the election, the judges shall, by lot, limit such pollwatchers to a reasonable number, except that each candidate and each established or new political party shall be permitted to have at least one pollwatcher present.

The county clerk shall (i) send the proclamation in a sealed envelope addressed to the State Board of Elections via overnight mail so that it arrives at the address the following day or (ii) transmit an electronic version of the proclamation to the State Board of Elections, but only if the county clerk receives verification the same day that the electronic version was received by the State Board and only if the county clerk also sends the proclamation to the State Board by United States mail. Not less than 67 days before the date of the general election, the State Board of Elections shall certify to the county clerks the names of each of the candidates who have been nominated as shown by the proclamation of the State Board of Elections as a canvassing board or who have been nominated to fill a vacancy in nomination and direct the election authority to place upon the official ballot for the general election the names of such candidates in the same manner and in the same order as shown upon the certification, except as otherwise provided in this Section.

Not less than 61 days before the date of the general election, each county clerk shall certify the names of each of the candidates for county offices who have been nominated as shown by the proclamation of the county canvassing board or who have been nominated to fill a vacancy in nomination and declare that the names of such candidates for the respective offices shall be placed upon the official ballot for the general election in the same manner and in the same order as shown upon the certification, except as otherwise provided by this Section. Each county clerk shall place a copy of the certification on file in his or her office and at the same time issue to the State Board of Elections a copy of such certification. In addition, each county clerk in whose county there is a board of election commissioners shall, not less than 61 days before the date of the general election, issue to such board a copy of the certification that has been filed in the county clerk's office, together with a copy of the certification that has been issued to the clerk by the State Board of Elections, with directions to the board of election commissioners to place upon the official ballot for the general election in that election jurisdiction the names of all candidates that are listed on such certifications, in the same manner and in the same order as shown upon such certifications, except as otherwise provided in this Section.

Whenever there are two or more persons nominated by the same political party for multiple offices for any board, the name of the candidate of such party receiving the highest number of votes in

the primary election as a candidate for such office, as shown by the official election returns of the primary, shall be certified first under the name of such offices, and the names of the remaining candidates of such party for such offices shall follow in the order of the number of votes received by them respectively at the primary election as shown by the official election results.

No person who is shown by the canvassing board's proclamation to have been nominated at the primary as a write-in candidate shall have his or her name certified unless such person shall have filed with the certifying office or board within 10 days after the canvassing board's proclamation a statement of candidacy pursuant to Section 7-10 and a statement pursuant to Section 7-10.1. No write-in candidate shown to be elected at the primary shall be required to file a statement of candidacy or a loyalty oath.

Each county clerk and board of election commissioners shall determine by a fair and impartial method of random selection the order of placement of established political party candidates for the general election ballot. Such determination shall be made within 30 days following the canvass and proclamation of the results of the general primary in the office of the county clerk or board of election commissioners and shall be open to the public. However, a board of election commissioners may elect to place established political party candidates on the general election ballot in the same order determined by the county clerk of the county in which the city under the jurisdiction of such board is located.

Each certification shall indicate, where applicable, the following:

- (2) If there is to be more than one candidate elected to an office from the State, political subdivision or district;
- (3) If the voter has the right to vote for more than one candidate for an office;

The State Board of Elections or the county clerk, as the case may be, shall issue an amended certification whenever it is discovered that the original certification is in error.

Failure to so transmit the resolution within the time specified in this Section shall authorize the certifying officer or board to certify the original candidate. Vacancies shall be filled by the officers of a local municipal or township political party as specified in subsection (h) of Section 7-8, other than a statewide political party, that is established only within a municipality or township and the managing committee (or legislative committee in case of a candidate for State Senator or representative committee in the case of a candidate for State Representative in the General Assembly or State central committee in the case of a candidate for statewide office, including but not limited to the office of United States Senator) of the respective political party for the territorial area in which such vacancy occurs.

The resolution to fill a vacancy in nomination shall be duly acknowledged before an officer qualified to take acknowledgements of deeds and shall include, upon its face, the following information:

Any vacancy in nomination occurring 15 days or less before the consolidated election or the general election shall not be filled. In this event, the certification of the original candidate shall stand and his name shall appear on the official ballot to be voted at the general election.

A vacancy in nomination occurs when a candidate who has been nominated under the provisions of this Article 7 dies before the election (whether death occurs prior to, on or after the day of the primary), or declines the nomination; provided that nominations may become vacant for other reasons.

If the name of no established political party candidate was printed on the consolidated primary ballot for a particular office and if no person was nominated as a write-in candidate for such office, a vacancy in nomination shall be created which may be filled in accordance with the requirements of this Section. If the name of no established political party candidate was printed on the general primary ballot for a particular office and if no person was nominated as a write-in candidate for such office, a vacancy in nomination shall be created, but no candidate of the party for the office shall be listed on the ballot at the general election unless such vacancy is filled in accordance with the requirements of this Section within 60 days after the date of the general primary.

A candidate for whom a nomination paper has been filed as a partisan candidate at a primary election, and who is defeated for his or her nomination at such primary election, is ineligible to be listed on the ballot at that general or consolidated election as a candidate of another political party.

A candidate seeking election to an office for which candidates of political parties are nominated by caucus who is a participant in the caucus and who is defeated for his or her nomination at such caucus, is ineligible to be listed on the ballot at that general or consolidated election as a candidate of another political party.

In the proceedings to nominate a candidate to fill a vacancy or to fill a vacancy in the nomination, each precinct, township, ward, county or congressional district, as the case may be, shall through its representative on such central or managing committee, be entitled to one vote for each ballot voted in such precinct, township, ward, county or congressional district, as the case may be, by the primary electors of its party at the primary election immediately preceding the meeting at which such vacancy is to be filled.

For purposes of this Section, the words "certify" and "certification" shall refer to the act of officially declaring the names of candidates entitled to be printed upon the official ballot at an election and directing election authorities to place the names of such candidates upon the official ballot. "Certifying officers or board" shall refer to the local election official, election authority or the State Board of Elections, as the case may be, with whom nomination papers, including certificates of nomination and resolutions to fill vacancies in nomination, are filed and whose duty it is to "certify" candidates.

Failure to report each contribution is a separate violation of this subsection. In the final disposition of any matter by the Board on or after the effective date of this amendatory Act of the 93rd General Assembly, the Board may impose fines for violations of this subsection not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported. Within 24 hours after the receipt of the certificate of nomination or nomination papers or proposed question of public policy, as the case may be, and the objector's petition, the chairman of the electoral board other than the State Board of Elections shall send a call by registered or certified mail to each of the members of the electoral board, and to the objector who filed the objector's petition, and either to the candidate whose certificate of nomination or nomination papers are objected to or to the principal proponent or attorney for proponents of a question of public policy, as the case may be, whose petitions are objected to, and shall also cause the sheriff of the county or counties in which such officers and persons reside to serve a copy of such call upon each of such officers and persons, which call shall set out the fact that the electoral board is required to meet to hear and pass upon the objections to nominations made for the office, designating it, and shall state the day, hour and place at which the electoral board shall meet for the purpose, which place shall be in the county court house in the county in the case of the County Officers Electoral Board, the Municipal Officers Electoral Board, the Township Officers Electoral Board or the Education Officers Electoral Board. The Township Officers Electoral Board may meet in the township offices, if they are available, rather than the county courthouse. In those cases where the State Board of Elections is the electoral board designated under Section 10-9, the chairman of the State Board of Elections shall, within 24 hours after the receipt of the certificate of nomination or nomination papers or petitions for a proposed amendment to Article IV of the Constitution or proposed statewide question of public policy, send a call by registered or certified mail to the objector who files the objector's petition, and either to the candidate whose certificate of nomination or nomination papers are objected to or to the principal proponent or attorney for proponents of the proposed Constitutional amendment or statewide question of public policy and shall state the day, hour and place at which the electoral board shall meet for the purpose, which place may be in the Capitol Building or in the principal or permanent branch office of the State Board. The day of the meeting shall not be less than 3 nor more than 5 days after the receipt of the certificate of nomination or nomination papers and the objector's petition by the chairman of the electoral board.

The electoral board shall have the power to administer oaths and to subpoena and examine witnesses and at the request of either party the chairman may issue subpoenas requiring the attendance of witnesses and subpoenas duces tecum requiring the production of such books, papers, records and documents as may be evidence of any matter under inquiry before the electoral board, in the same manner as witnesses are subpoenaed in the Circuit Court.

Service of such subpoenas shall be made by any sheriff or other person in the same manner as in cases in such court and the fees of such sheriff shall be the same as is provided by law, and shall be paid by the objector or candidate who causes the issuance of the subpoena. In case any person so served shall knowingly neglect or refuse to obey any such subpoena, or to testify, the electoral board shall at once file a petition in the circuit court of the county in which such hearing is to be heard, or has been attempted to be heard, setting forth the facts, of such knowing refusal or neglect, and accompanying the petition with a copy of the citation and the answer, if one has been filed, together with a copy of the subpoena and the return of service thereon, and shall apply for an order of court requiring such person to attend and testify, and forthwith produce books and papers, before the electoral board. Any circuit court of the state, excluding the judge who is sitting on the electoral board, upon such showing shall order such person to appear and testify, and to forthwith produce such books and papers, before the electoral board at a place to be fixed by the court. If such person shall knowingly fail or refuse to obey such order of the court without lawful excuse, the court shall punish him or her by fine and imprisonment, as the nature of the case may require and may be lawful in cases of contempt of court.

The electoral board on the first day of its meeting shall adopt rules of procedure for the introduction of evidence and the presentation of arguments and may, in its discretion, provide for the filing of briefs by the parties to the objection or by other interested persons.

When the State Board of Elections is serving as the State Electoral Board, it is authorized to receive electronic voter registration records with signatures from any election authority whose

jurisdiction includes any electors entitled to vote for or against the candidate or question against whose petitions an objection has been filed.

In the event of a State Electoral Board hearing on objections to a petition for an amendment to Article IV of the Constitution pursuant to Section 3 of Article XIV of the Constitution, or to a petition for a question of public policy to be submitted to the voters of the entire State, the certificates of the county clerks and boards of election commissioners showing the results of the random sample of signatures on the petition shall be prima facie valid and accurate, and shall be presumed to establish the number of valid and invalid signatures on the petition sheets reviewed in the random sample, as prescribed in Section 28-11 and 28-12 of this Code. Either party, however, may introduce evidence at such hearing to dispute the findings as to particular signatures. In addition to the foregoing, in the absence of competent evidence presented at such hearing by a party substantially challenging the results of a random sample, or showing a different result obtained by an additional sample, this certificate of a county clerk or board of election commissioners shall be presumed to establish the ratio of valid to invalid signatures within the particular election jurisdiction.

The electoral board shall take up the question as to whether or not the certificate of nomination or nomination papers or petitions are in proper form, and whether or not they were filed within the time and under the conditions required by law, and whether or not they are the genuine certificate of nomination or nomination papers or petitions which they purport to be, and whether or not in the case of the certificate of nomination in question it represents accurately the decision of the caucus or convention issuing it, and in general shall decide whether or not the certificate of nomination or nominating papers or petitions on file are valid or whether the objections thereto should be sustained and the decision of a majority of the electoral board shall be final subject to judicial review as provided in Section 10-10.1. The electoral board must state its findings in writing and must state in writing which objections, if any, it has sustained.

Upon the expiration of the period within which a proceeding for judicial review must be commenced under Section 10--10.1, the electoral board shall, unless a proceeding for judicial review has been commenced within such period, transmit, by registered or certified mail, a certified copy of its ruling, together with the original certificate of nomination or nomination papers or petitions and the original objector's petition, to the officer or board with whom the certificate of nomination or nomination papers or petitions, as objected to, were on file, and such officer or board shall abide by and comply with the ruling so made to all intents and purposes.

Pollwatchers must present their credentials to the Judges of Election upon entering the polling place. Pollwatcher credentials properly executed and signed shall be proof of the qualifications of the pollwatcher authorized thereby. Such credentials are retained by the Judges and returned to the Election Authority at the end of the day of election with the other election materials. Once a pollwatcher has surrendered a valid credential, he may leave and reenter the polling place provided that such continuing action does not disrupt the conduct of the election. Pollwatchers may be substituted during the course of the day, but established political parties, candidates and qualified civic organizations can have only as

many pollwatchers at any given time as are authorized in this Article. A substitute must present his signed credential to the judges of election upon entering the polling place. Election authorities must provide a sufficient number of credentials to allow for substitution of pollwatchers. After the polls have closed pollwatchers shall be allowed to remain until the canvass of votes is completed; but may leave and reenter only in cases of necessity, provided that such action is not so continuous as to disrupt the canvass of votes.

Candidates seeking office in a district or municipality encompassing 2 or more counties shall be admitted to any and all polling places throughout such district or municipality without regard to the counties in which such candidates are registered to vote. Actions of such candidates shall be governed in each polling place by the same privileges and limitations that apply to pollwatchers as provided in this Section. Any such candidate who engages in an activity in a polling place which could reasonably be construed by a majority of the judges of election as campaign activity shall be removed forthwith from such polling place.

Candidates seeking office in a district or municipality encompassing 2 or more counties who desire to be admitted to polling places on election day in such district or municipality shall be required to have proper credentials. Such credentials shall be printed in sufficient quantities, shall be issued by and under the facsimile signature of the election authority of the election jurisdiction where the polling place in which the candidate seeks admittance is located, and shall be available for distribution at least 2 weeks prior to the election. Such credentials shall be signed by the candidate.

Candidate credentials shall be in substantially the following form:

Pollwatchers shall be permitted to observe all proceedings and all records relating to the conduct of the election, provided the secrecy of the ballot is not impinged, and to station themselves in a position in the voting room as will enable them to observe the judges making the signature comparison between the voter application and the voter registration record card; provided, however, that such pollwatchers shall not be permitted to station themselves in such close proximity to the judges of election so as to interfere with the orderly conduct of the election and shall not, in any event, be permitted to handle election materials. Pollwatchers may challenge for cause the voting qualifications of a person offering to vote and may call to the attention of the judges of election any incorrect procedure or apparent violations of this Code.

If a majority of the judges of election determine that the polling place has become too overcrowded with pollwatchers so as to interfere with the orderly conduct of the election, the judges shall, by lot, limit such pollwatchers to a reasonable number, except that each established or new political party shall be permitted to have at least one pollwatcher present.

Representatives of an election authority, with regard to an election under its jurisdiction, the State Board of Elections, and law enforcement agencies, including but not limited to a United States Attorney, a State's attorney, the Attorney General, and a State, county, or local police department, in the performance of their official election duties, shall be permitted at all times to enter and remain in the polling place. Upon entering the polling place, such representatives shall display their official credentials or other identification to the judges of election.

Uniformed police officers assigned to polling place duty shall follow all lawful instructions of the judges of election.

The provisions of this Section shall also apply to supervised casting of absentee ballots as provided in Section 19-12.2 of this Act.

(10 ILCS 5/17-29) (from Ch. 46, par. 17-29)

Sec. 17-29. (a) No judge of election, pollwatcher, or other person shall, at any primary or election, do any electioneering or soliciting of votes or engage in any political discussion within any polling place or within 100 feet of any polling place; no person shall interrupt, hinder or oppose any voter while approaching within 100 feet of any polling place for the purpose of voting. Judges of election shall enforce the provisions of this Section.

(b) Election officers shall place 2 or more cones, small United States national flags, or some other marker a distance of 100 horizontal feet from each entrance to the room used by voters to engage in voting, which shall be known as the polling room. If the polling room is located within a building that is a private business, a public or private school, or a church or other organization founded for the purpose of religious worship and the distance of 100 horizontal feet ends within the interior of the building, then the markers shall be placed outside of the building at each entrance used by voters to enter that building on the grounds adjacent to the thoroughfare or walkway. If the polling room is located within a public or private building with 2 or more floors and the polling room is located on the ground floor, then the markers shall be placed 100 horizontal feet from each entrance to the polling room used by voters to engage in voting. If the polling room is located in a public or private building with 2 or more floors and the polling room is located on a floor above or below the ground floor, then the markers shall be placed a distance of 100 feet from the nearest elevator or staircase used by voters on the ground floor to access the floor where the polling room is located. The area within where the markers are placed shall be known as a campaign free zone, and electioneering is prohibited pursuant to this subsection.

The area on polling place property beyond the campaign free zone, whether publicly or privately owned, is a public forum for the time that the polls are open on an election day. At the request of election officers any publicly owned building must be made available for use as a polling place. A person shall have the right to congregate and engage in electioneering on any polling place property while the polls are open beyond the campaign free zone, including but not limited to, the placement of temporary signs. This subsection shall be construed liberally in favor of persons engaging in electioneering on all polling place property beyond the campaign free zone for the time that the polls are open on an election day.

(c) The regulation of electioneering on polling place property on an election day, including but not limited to the placement of temporary signs, is an exclusive power and function of the State. A home rule unit may not regulate electioneering and any ordinance or local law contrary to subsection (c) is declared void. This is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

An election judge must accept any information provided by a person who casts a provisional ballot that the person believes supports his or her claim that he or she is a duly registered voter and qualified to vote in the election. However, if the person's residence address is outside the precinct boundaries, the election judge shall inform the person of that fact, give the person the appropriate telephone number of the election authority in order to locate the polling place assigned to serve that address, and instruct the person to go to the proper polling place to vote.

(2) The person shall execute a written form provided by the election judge that shall state or contain all of the following that is available:

(i) an affidavit stating the following:

(ii) ~~(iii)~~ A box for the election judge to check one of the ~~4~~ ~~3~~ reasons why the person was given a provisional ballot under subsection (a) of Section 18A-5.

(iii) ~~(iv)~~ An area for the election judge to affix his or her signature and to set forth any facts that support or oppose the allegation that the person is not qualified to vote in the precinct in which the person is seeking to vote.

The written affidavit form described in this subsection (b)(2) must be printed on a multi-part form prescribed by the county clerk or board of election commissioners, as the case may be.

(3) After the person executes the portion of the written affidavit described in subsection (b)(2)(i) of this Section, the election judge shall complete the portion of the written affidavit described in subsection (b)(2)(iii) and (b)(2)(iv).

(4) The election judge shall give a copy of the completed written affidavit to the person. The election judge shall place the original written affidavit in a self-adhesive clear plastic packing list envelope that must be attached to a separate envelope marked as a "provisional ballot envelope". The election judge shall also place any information provided by the person who casts a provisional ballot in the clear plastic packing list envelope. Each county clerk or board of election commissioners, as the case may be, must design, obtain or procure self-adhesive clear plastic packing list envelopes and provisional ballot envelopes that are suitable for implementing this subsection (b)(4) of this Section.

(5) The election judge shall provide the person with a provisional ballot, written instructions for casting a provisional ballot, and the provisional ballot envelope with the clear plastic packing list envelope affixed to it, which contains the person's original written affidavit and, if any, information provided by the provisional voter to support his or her claim that he or she is a duly registered voter. An election judge must also give the person written information that states that any person who casts a provisional ballot shall be able to ascertain, pursuant to guidelines established by the State Board of Elections, whether the provisional vote was counted in the official canvass of votes for that election and, if the provisional vote was not counted, the reason that the vote was not counted.

(6) After the person has completed marking his or her provisional ballot, he or she shall place the marked ballot inside of the provisional ballot envelope, close and seal the envelope, and return the envelope to an election judge, who shall then deposit the sealed provisional ballot envelope into a securable container separately identified and utilized for containing sealed provisional ballot envelopes. Ballots that are provisional because they are cast after 7:00 p.m. by court order shall be kept separate from other provisional ballots. Upon the closing of the polls, the securable container shall be sealed with filament tape provided for that purpose, which shall be wrapped around the box lengthwise and crosswise, at least twice each way, and each of the election judges shall sign the seal.

(c) Instead of the affidavit form described in subsection (b), the county clerk or board of election commissioners, as the case may be, may design and use a multi-part affidavit form that is imprinted upon or attached to the provisional ballot envelope described in subsection (b). If a county clerk or board of election commissioners elects to design and use its own multi-part affidavit form, then the county clerk or board of election commissioners shall establish a mechanism for accepting any information the provisional voter has supplied to the election judge to support his or her claim that he or she is a duly registered voter. In all other respects, a county clerk or board of election commissioners shall establish procedures consistent with subsection (b).

(d) The county clerk or board of election commissioners, as the case may be, shall use the completed affidavit form described in subsection (b) to update the person's voter registration information in the State voter registration database and voter registration database of the county clerk or board of election commissioners, as the case may be. If a person is later determined not to be a registered voter based on Section 18A-15 of this Code, then the affidavit shall be processed by the county clerk or board of election commissioners, as the case may be, as a voter registration application.

(10 ILCS 5/18A-15)

Sec. 18A-15. Validating and counting provisional ballots.

(a) The county clerk or board of election commissioners shall complete the validation and counting of provisional ballots within 14 calendar days of the day of the election. The county clerk or board of election commissioners shall have 7 calendar days from the completion of the validation and counting of provisional ballots to conduct its final canvass. The State Board of Elections shall complete within 31 calendar days of the election or sooner if all the returns are received, its final canvass of the vote for all public offices.

(b) If a county clerk or board of election commissioners determines that all of the following apply, then a provisional ballot is valid and shall be counted as a vote:

(1) The provisional voter cast the provisional ballot in the correct precinct based on the address provided by the provisional voter;

(2) The affidavit executed by the provisional voter pursuant to subsection (b)(2) of Section 18A-5 contains, at a minimum, the provisional voter's first and last name, house number and street name, and signature or mark ~~18A-10 is properly executed~~; and

(3) the provisional voter is a registered voter based on information available to the county clerk or board of election commissioners provided by or obtained from any of the following:

- i. the provisional voter;
- ii. an election judge;
- iii. the statewide voter registration database maintained by the State Board of

Elections;

- iv. the records of the county clerk or board of election commissioners' database; or
- v. the records of the Secretary of State.

(c) With respect to subsection (b)(3) of this Section, the county clerk or board of election commissioners shall investigate whether each of the 5 types of information is available and record whether this information is or is not available. If one or more types of information is available, then the county clerk or board of election commissioners shall obtain all relevant information from all sources identified in subsection (b)(3) or until satisfied that the provisional voter is registered and entitled to vote. The county clerk or board of election commissioners shall use any information it obtains as the basis for determining the voter registration status of the provisional voter. If a conflict exists among the information available to the county clerk or board of election commissioners as to the registration status of the provisional voter, then the county clerk or board of election commissioners shall make a determination based on the totality of the circumstances. In a case where the above information equally supports or opposes the registration status of the voter, the county clerk or board of election commissioners shall decide in favor of the provisional voter as being duly registered to vote. If the statewide voter registration database maintained by the State Board of Elections indicates that the provisional voter is registered to vote, but the county clerk's or board of election commissioners' voter registration database indicates that the provisional voter is not registered to vote, then the information found in the statewide voter registration database shall control the matter and the provisional voter shall be deemed to be registered to vote. If the records of the county clerk or board of election commissioners indicates that the provisional voter is registered to vote, but the statewide voter registration database maintained by the State Board of Elections indicates that the provisional voter is not registered to vote, then the information found in the records of the county clerk or board of election commissioners shall control the matter and the provisional voter shall be deemed to be registered to vote. If the provisional voter's signature on his or her provisional ballot request varies from the signature on an otherwise valid registration application solely because of the substitution of initials for the first or middle name, the election authority may not reject the provisional ballot.

(d) In validating the registration status of a person casting a provisional ballot, the county clerk or board of election commissioners shall not require a provisional voter to complete any form other than the affidavit executed by the provisional voter under subsection (b)(2) of Section 18A-5. In addition, the county clerk or board of election commissioners shall not require all provisional voters or any particular class or group of provisional voters to appear personally before the county clerk or board of election commissioners or as a matter of policy require provisional voters to submit additional information to verify or otherwise support the information already submitted by the provisional voter. The provisional voter may, within 2 calendar days after the election, submit additional information to the county clerk or board of election commissioners. This information must be received by the county clerk or board of election commissioners within the 2-calendar-day period.

(e) If the county clerk or board of election commissioners determines that subsection (b)(1), (b)(2), or (b)(3) does not apply, then the provisional ballot is not valid and may not be counted. The provisional ballot envelope containing the ballot cast by the provisional voter may not be opened. The county clerk or board of election commissioners shall write on the provisional ballot envelope the following: "Provisional ballot determined invalid."

(f) If the county clerk or board of election commissioners determines that a provisional ballot is valid under this Section, then the provisional ballot envelope shall be opened. The outside of each provisional ballot envelope shall also be marked to identify the precinct and the date of the election.

(g) The provisional ballots determined to be valid shall be added to the vote totals for the precincts from which they were cast in the order in which the ballots were opened. The county clerk or board of election commissioners may, in the alternative, create a separate provisional-voter precinct for the purpose of counting and recording provisional ballots and adding the recorded votes to its official canvass. The validation and counting of provisional ballots shall be subject to the provisions of this Code that apply to pollwatchers. If the provisional ballots are a ballot of a punch card voting system, then the provisional ballot shall be counted in a manner consistent with Article 24A. If the provisional ballots are a ballot of optical scan or other type of approved electronic voting system, then the provisional ballots shall be counted in a manner consistent with Article 24B.

(h) As soon as the ballots have been counted, the election judges or election officials shall, in the presence of the county clerk or board of election commissioners, place each of the following items in a separate envelope or bag: (1) all provisional ballots, voted or spoiled; (2) all provisional ballot envelopes of provisional ballots voted or spoiled; and (3) all executed affidavits of the provisional ballots voted or spoiled. All provisional ballot envelopes for provisional voters who have been determined not to be registered to vote shall remain sealed. The county clerk or board of election commissioners shall treat the provisional ballot envelope containing the written affidavit as a voter registration application for that person for the next election and process that application. The election judges or election officials shall then securely seal each envelope or bag, initial the envelope or bag, and plainly mark on the outside of the envelope or bag in ink the precinct in which the provisional ballots were cast. The election judges or election officials shall then place each sealed envelope or bag into a box, secure and seal it in the same manner as described in item (6) of subsection (b) of Section 18A-5. Each election judge or election official shall take and subscribe an oath before the county clerk or board of election commissioners that the election judge or election official securely kept the ballots and papers in the box, did not permit any person to open the box or otherwise touch or tamper with the ballots and papers in the box, and has no knowledge of any other person opening the box. For purposes of this Section, the term "election official" means the county clerk, a member of the board of election commissioners, as the case may be, and their respective employees.

(10 ILCS 5/19-2.1) (from Ch. 46, par. 19-2.1)

Sec. 19-2.1. At the consolidated primary, general primary, consolidated, and general elections, electors entitled to vote by absentee ballot under the provisions of Section 19-1 may vote in person at the office of the municipal clerk, if the elector is a resident of a municipality not having a board of election commissioners, or at the office of the township clerk or, in counties not under township organization, at the office of the road district clerk if the elector is not a resident of a municipality; provided, in each case that the municipal, township or road district clerk, as the case may be, is authorized to conduct in-person absentee voting pursuant to this Section. Absentee voting in such municipal and township clerk's offices under this Section shall be conducted from the 22nd day through the day before the election.

Municipal and township clerks (or road district clerks) who have regularly scheduled working hours at regularly designated offices other than a place of residence and whose offices are open for business during the same hours as the office of the election authority shall conduct in-person absentee voting for said elections. Municipal and township clerks (or road district clerks) who have no regularly scheduled working hours but who have regularly designated offices other than a place of residence shall conduct in-person absentee voting for said elections during the hours of 8:30 a.m. to 4:30 p.m. or 9:00 a.m. to 5:00 p.m., weekdays, and 9:00 a.m. to 12:00 noon on Saturdays, but not during such hours as the office of the election authority is closed, unless the clerk files a written waiver with the election authority not later than July 1 of each year stating that he or she is unable to conduct such voting and the reasons therefor. Such clerks who conduct in-person absentee voting may extend their hours for that purpose to include any hours in which the election authority's office is open. Municipal and township clerks (or road district clerks) who have no regularly scheduled office hours and no regularly designated offices other than a place of residence may not conduct in-person absentee voting for said elections. The election authority may devise alternative methods for in-person absentee voting before said elections for those precincts located within the territorial area of a municipality or township (or road district) wherein the clerk of such municipality or township (or road district) has waived or is not entitled to conduct such voting. In addition, electors may vote by absentee ballot under the provisions of Section 19-1 at the office of the election authority having jurisdiction over their residence.

In conducting absentee voting under this Section, the respective clerks shall not be required to verify the signature of the absentee voter by comparison with the signature on the official registration record card. However, the clerk shall reasonably ascertain the identity of such applicant, shall verify that each such applicant is a registered voter, and shall verify the precinct in which he or she is registered and

the proper ballots of the political subdivisions in which the applicant resides and is entitled to vote, prior to providing any absentee ballot to such applicant. The clerk shall verify the applicant's registration and from the most recent poll list provided by the county clerk, and if the applicant is not listed on that poll list then by telephoning the office of the county clerk.

Absentee voting procedures in the office of the municipal, township and road district clerks shall be subject to all of the applicable provisions of this Article 19. Pollwatchers may be appointed to observe in-person absentee voting procedures and all records relating to the conduct of the election, provided the secrecy of the ballot is not impinged, at the office of the municipal, township or road district clerks' offices where such absentee voting is conducted. Such pollwatchers shall qualify and be appointed in the same manner as provided in Sections 7-34 and 17-23, except each candidate, political party or organization of citizens may appoint only one pollwatcher for each location where in-person absentee voting is conducted. Pollwatchers must be registered to vote in Illinois and possess valid pollwatcher credentials. All requirements in this Article applicable to election authorities shall apply to the respective local clerks, except where inconsistent with this Section.

The sealed absentee ballots in their carrier envelope shall be delivered by the respective clerks, or by the election authority on behalf of a clerk if the clerk and the election authority agree, to the proper polling place before the close of the polls on the day of the general primary, consolidated primary, consolidated, or general election.

Not more than 23 days before the nonpartisan, general and consolidated elections, the county clerk shall make available to those municipal, township and road district clerks conducting in-person absentee voting within such county, a sufficient number of applications, absentee ballots, envelopes, and printed voting instruction slips for use by absentee voters in the offices of such clerks. The respective clerks shall receipt for all ballots received, shall return all unused or spoiled ballots to the county clerk on the day of the election and shall strictly account for all ballots received.

The ballots delivered to the respective clerks shall include absentee ballots for each precinct in the municipality, township or road district, or shall include such separate ballots for each political subdivision conducting an election of officers or a referendum on that election day as will permit any resident of the municipality, township or road district to vote absentee in the office of the proper clerk.

The clerks of all municipalities, townships and road districts may distribute applications for absentee ballot for the use of voters who wish to mail such applications to the appropriate election authority. Such applications for absentee ballots shall be made on forms provided by the election authority. Duplication of such forms by the municipal, township or road district clerk is prohibited.

(10 ILCS 5/19-4) (from Ch. 46, par. 19-4)

Sec. 19-4. Mailing or delivery of ballots - Time.) Immediately upon the receipt of such application either by mail, not more than 40 days nor less than 5 days prior to such election, or by personal delivery not more than 40 days nor less than one day prior to such election, at the office of such election authority, it shall be the duty of such election authority to examine the records to ascertain whether or not such applicant is lawfully entitled to vote as requested, and if found so to be, to post within one business day thereafter the name, street address, ward and precinct number or township and district number, as the case may be, of such applicant given on a list, the pages of which are to be numbered consecutively to be kept by such election authority for such purpose in a conspicuous, open and public place accessible to the public at the entrance of the office of such election authority, and in such a manner that such list may be viewed without necessity of requesting permission therefor. Within one business day after posting the name and other information of an applicant for an absentee ballot, the election authority shall transmit that name and other posted information to the State Board of Elections, which shall maintain those names and other information in an electronic format on its website, arranged by county and accessible to State and local political committees. ~~and~~ Within 2 business days after posting a name and other information on the list within its office, the election authority shall thereafter to mail, postage prepaid, or deliver in person in such office an official ballot or ballots if more than one are to be voted at said election. Mail delivery of Temporarily Absent Student ballot applications pursuant to Section 19-12.3 shall be by nonforwardable mail. However, for the consolidated election, absentee ballots for certain precincts may be delivered to applicants not less than 25 days before the election if so much time is required to have prepared and printed the ballots containing the names of persons nominated for offices at the consolidated primary. The election authority shall enclose with each absentee ballot or application written instructions on how voting assistance shall be provided pursuant to Section 17-14 and a document, written and approved by the State Board of Elections, enumerating the circumstances under which a person is authorized to vote by absentee ballot pursuant to this Article; such document shall also include a statement informing the applicant that if he or she falsifies or is

solicited by another to falsify his or her eligibility to cast an absentee ballot, such applicant or other is subject to penalties pursuant to Section 29-10 and Section 29-20 of the Election Code. Each election authority shall maintain a list of the name, street address, ward and precinct, or township and district number, as the case may be, of all applicants who have returned absentee ballots to such authority, and the name of such absent voter shall be added to such list within one business day from receipt of such ballot. If the absentee ballot envelope indicates that the voter was assisted in casting the ballot, the name of the person so assisting shall be included on the list. The list, the pages of which are to be numbered consecutively, shall be kept by each election authority in a conspicuous, open, and public place accessible to the public at the entrance of the office of the election authority and in a manner that the list may be viewed without necessity of requesting permission for viewing.

Each election authority shall maintain a list for each election of the voters to whom it has issued absentee ballots. The list shall be maintained for each precinct within the jurisdiction of the election authority. Prior to the opening of the polls on election day, the election authority shall deliver to the judges of election in each precinct the list of registered voters in that precinct to whom absentee ballots have been issued by mail.

Each election authority shall maintain a list for each election of voters to whom it has issued temporarily absent student ballots. The list shall be maintained for each election jurisdiction within which such voters temporarily abide. Immediately after the close of the period during which application may be made by mail for absentee ballots, each election authority shall mail to each other election authority within the State a certified list of all such voters temporarily abiding within the jurisdiction of the other election authority.

In all cities of less than 500,000, 20 aldermen shall be the maximum number permitted except as otherwise provided in the case of aldermen-at-large. No redistricting shall be required in order to reduce the number of aldermen heretofore provided for. Two aldermen shall be elected to represent each ward.

If it appears from any census specified in Section 5-2-5 and taken not earlier than 1940 that any city has the requisite number of inhabitants to authorize it to increase the number of aldermen, the city council shall immediately proceed to redistrict the city in accordance with the provisions of Section 5-2-5, and it shall hold the next city election in accordance with the new redistricting. At this election the aldermen whose terms of office are not expiring shall be considered aldermen for the new wards respectively in which their residences are situated. At this election a candidate for alderman may be elected from any ward that contains a part of the ward in which he or she resided at least one year next preceding the election that follows the redistricting, and, if elected, that person may be reelected from the new ward he or she represents if he or she resides in that ward for at least one year next preceding reelection. If there are 2 or more aldermen with terms of office not expiring and residing in the same ward under the new redistricting, the alderman who holds over for that ward shall be determined by lot in the presence of the city council, in whatever manner the council shall direct and all other aldermen shall fill their unexpired terms as aldermen-at-large. The aldermen-at-large, if any, shall have the same power and duties as all other aldermen but upon expiration of their terms the offices of aldermen-at-large shall be abolished.

If the re-districting results in one or more wards in which no aldermen reside whose terms of office have not expired, 2 aldermen shall be elected in accordance with the provisions of Section 5-2-8.

Sec. 5-2-11. In any village which adopts this Article 5, the board of trustees by ordinance shall divide and, whenever necessary thereafter, shall redistrict the village into 6 compact and contiguous districts of approximately equal population. Each of the districts shall be represented by one trustee ~~who shall have been an actual resident of the district for at least 6 months prior to his election.~~ Only the electors of a district shall elect the trustee from that district.

In the election following a redistricting, a candidate for trustee may be elected from any district that contains a part of the district in which he or she resided at the time of redistricting, and, if elected, that person may be reelected from the new district he or she represents if he or she resides in that district for at least one year next preceding reelection.

The provisions of Section 5-2-8 relating to terms of office of aldermen in cities shall also apply to the terms of office of trustees under this section.

Sec. 5-5-1. Petition for abandonment of managerial form; referendum; succeeding elections of officers and aldermen or trustees.

(a) A city or village that has operated for 4 years or more under the managerial form of municipal government may abandon that organization as provided in this Section. For the purposes of this Article, the operation of the managerial form of municipal government shall be deemed to begin on the date of the appointment of the first manager in the city or village. When a petition for abandonment signed by electors of the municipality equal in number to at least 10% of the number of votes cast for candidates for mayor at the preceding general quadrennial municipal election is filed with the circuit court for the county in which that city or village is located, the court shall set a date not less than 10 nor more than 30 days thereafter for a hearing on the sufficiency of the petition. Notice of the filing of the petition and of the date of the hearing shall be given in writing to the city or village clerk and to the mayor or village president at least 7 days before the date of the hearing. If the petition is found sufficient, the court shall enter an order directing that the proposition be submitted at an election other than a primary election for the municipality. The clerk of the court shall certify the proposition to the proper election authorities for submission. The proposition shall be in substantially the following form:

Shall (name of city or village) retain the managerial form of municipal government?

(b) If the majority of the votes at the election are "yes", then the proposition to abandon is rejected and the municipality shall continue operating under this Article 5. If the majority of the votes are "no", then the proposition to abandon operation under this Article 5 is approved.

(c) If the proposition for abandonment is approved, the city or village shall become subject to Article 3.1 or Article 4, whichever Article was in force in the city or village immediately before the adoption of the plan authorized by this Article 5, upon the election and qualification of officers to be elected at the next succeeding general municipal election. Those officers shall be those prescribed by Article 3.1 or Article 4, as the case may be, but the change shall not in any manner or degree affect the property rights or liabilities of the city or village. The mayor, clerk, and treasurer and all other elected officers of a city or village in office at the time the proposition for abandonment is approved shall continue in office until the expiration of the term for which they were elected.

(d) If a city or village operating under this Article 5 has aldermen or trustees elected from wards or districts and a proposition to abandon operation under this Article 5 is approved, then the officers to be elected at the next succeeding general municipal election shall be elected from the same wards or districts as exist immediately before the abandonment.

(e) If a city or village operating under this Article 5 has a council or village board elected from the municipality at large and a proposition to abandon operation under this Article 5 is approved, then the first group of aldermen, board of trustees, or commissioners so elected shall be of the same number as was provided for in the municipality at the time of the adoption of a plan under this Article 5, with the same ward or district boundaries in cities or villages that immediately before the adoption of this Article 5 had wards or districts, unless the municipal boundaries have been changed. If there has been such a change, the council or village board shall so alter the former ward or district boundaries so as to conform as nearly as possible to the former division. If the plan authorized by this Article 5 is abandoned, the next general municipal election for officers shall be held at the time specified in Section 3.1-10-75 or 3.1-25-15 for that election. The aldermen or trustees elected at that election shall, if the city or village was operating under Article 3 at the time of adoption of this Article 5 and had at that time staggered 4 year terms of office for the aldermen or trustees, choose by lot which shall serve initial 2 year terms as provided by Section 3.1-20-35 or 3.1-15-5, whichever may be applicable, in the case of election of those officers at the first election after a municipality is incorporated.

(f) The proposition to abandon the managerial form of municipal government shall not be submitted in any city or village oftener than once in 12 46 months.

Sec. 4a. Any fire protection district organized under this Act may determine, in either manner provided in the following items (1) and (2) of this Section, to have an elected, rather than an appointed, board of trustees.

(1) If the district lies wholly within a single township but does not also lie wholly within a municipality, the township board of trustees may determine, by ordinance, to have an elected board of trustees.

(2) Upon presentation to the board of trustees of a petition, signed by not less than 10% of the electors of the district, requesting that a proposition for the election of trustees be submitted to the electors of the district, the secretary of the board of trustees shall certify the proposition to the appropriate election authorities who shall submit the proposition at a regular election in accordance with the general election law. The general election law shall apply to and govern such election. The proposition shall be in substantially the following form:

 Shall the trustees of..... YES
 Fire Protection District be -----
 elected, rather than appointed? NO

If a majority of the votes cast on such proposition are in the affirmative, the trustees of the district shall thereafter be elected as provided by this Section.

At the next regular election for trustees as provided by the general election law, a district that has approved by ordinance or referendum to have its trustees elected rather than appointed shall elect 3, 5, or 7 trustees, as previously determined by the organization of the district or as increased under Section 4.01 or 4.02. The initial elected trustees shall be elected for 2, 4, and 6 year terms. The length of the terms of the trustees first elected shall be determined by lot at their first meeting. Except as otherwise provided in Section 2A-54 of the Election Code, thereafter, each trustee shall be elected to serve for a term of 6 years commencing on the third first Monday of the month following the month of his election and until his successor is elected and qualified.

No party designation shall appear on the ballot for election of trustees. The provisions of the general election law shall apply to and govern the nomination and election of trustees.

The provisions of Section 4 relating to eligibility, powers and disabilities of trustees shall apply equally to elected trustees.

Whenever a fire protection district determines to elect trustees as provided in this Section, the trustees appointed pursuant to Section 4 shall continue to constitute the board of trustees until the third first Monday of the month following the month of the first election of trustees. If the term of office of any appointed trustees expires before the first election of trustees, the authority which appointed that trustee under Section 4 of this Act shall appoint a successor to serve until a successor is elected and has qualified. The terms of all appointed trustees in such district shall expire on the third first Monday of the month following the month of the first election of trustees under this Section or when successors have been elected and have qualified, whichever occurs later.

Sec. 10-19. Length of school term - experimental programs. Each school board shall annually prepare a calendar for the school term, specifying the opening and closing dates and providing a minimum term of at least 185 days to insure 176 days of actual pupil attendance, computable under Section 18-8.05, except that for the 1980-1981 school year only 175 days of actual pupil attendance shall be required because of the closing of schools pursuant to Section 24-2 on January 29, 1981 upon the appointment by the President of that day as a day of thanksgiving for the freedom of the Americans who had been held hostage in Iran. Any days allowed by law for teachers' institute but not used as such or used as parental institutes as provided in Section 10-22.18d shall increase the minimum term by the school days not so used. Except as provided in Section 10-19.1, the board may not extend the school term beyond such closing date unless that extension of term is necessary to provide the minimum number of computable days. In case of such necessary extension school employees shall be paid for such additional time on the basis of their regular contracts. A school board may specify a closing date earlier than that set on the annual calendar when the schools of the district have provided the minimum number of computable days under this Section. Nothing in this Section prevents the board from employing superintendents of schools, principals and other nonteaching personnel for a period of 12 months, or in the case of superintendents for a period in accordance with Section 10-23.8, or prevents the board from employing other personnel before or after the regular school term with payment of salary proportionate to that received for comparable work during the school term.

A school board may make such changes in its calendar for the school term as may be required by any changes in the legal school holidays prescribed in Section 24-2. A school board may make changes in its calendar for the school term as may be necessary to reflect the utilization of teachers' institute days as parental institute days as provided in Section 10-22.18d.

The calendar for the school term and any changes must be submitted to and approved by the regional

superintendent of schools before the calendar or changes may take effect.

With the prior approval of the State Board of Education and subject to review by the State Board of Education every 3 years, any school board may, by resolution of its board and in agreement with affected exclusive collective bargaining agents, establish experimental educational programs, including but not limited to programs for self-directed learning or outside of formal class periods, which programs when so approved shall be considered to comply with the requirements of this Section as respects numbers of days of actual pupil attendance and with the other requirements of this Act as respects courses of instruction.

All competitive bids for contracts involving an expenditure in excess of \$10,000 must be sealed by the bidder and must be opened by a member or employee of the school board at a public bid opening at which the contents of the bids must be announced. Each bidder must receive at least 3 days' notice of the time and place of the bid opening. For purposes of this Section due advertisement includes, but is not limited to, at least one public notice at least 10 days before the bid date in a newspaper published in the district, or if no newspaper is published in the district, in a newspaper of general circulation in the area of the district. State master contracts and certified education purchasing contracts, as defined in Article 28A of this Code, are not subject to the requirements of this paragraph.

For purposes of this Section, the term "affiliate" means any entity that (1) directly, indirectly, or constructively controls another entity, (2) is directly, indirectly, or constructively controlled by another entity, or (3) is subject to the control of a common entity. For purposes of this subsection (b), an entity controls another entity if it owns, directly or individually, more than 10% of the voting securities of that entity. As used in this subsection (b), the term "voting security" means a security that (1) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (2) is convertible into, or entitles the holder to receive upon its exercise, a security that confers such a right to vote. A general partnership interest is a voting security.

To require that bids and contracts include a certification by the bidder or contractor that the bidder or

contractor is not barred from bidding for or entering into a contract under this Section and that the bidder or contractor acknowledges that the school board may declare the contract void if the certification completed pursuant to this subsection (b) is false.

(c) If the State education purchasing entity creates a master contract as defined in Article 28A of this Code, then the State education purchasing entity shall notify school districts of the existence of the master contract.

(d) In purchasing supplies, materials, equipment, or services that are not subject to subsection (c) of this Section, before a school district solicits bids or awards a contract, the district may review and consider as a bid under subsection (a) of this Section certified education purchasing contracts that are already available through the State education purchasing entity.

Equal access to programs supported from school district funds and comparable programs will be defined in rules promulgated by the State Board of Education in consultation with the Illinois High School Association. Notwithstanding any other provision of this Article, neither the board of education nor any local school council or other school official shall recommend that children with disabilities be placed into regular education classrooms unless those children with disabilities are provided with supplementary services to assist them so that they benefit from the regular classroom instruction and are included on the teacher's regular education class register;

Except that children may be committed to or attend parental and social adjustment schools established and maintained either for boys or girls only. All records pertaining to the creation, alteration or revision of attendance areas shall be open to the public. Furthermore, beginning in school year 1994-95, pursuant to a board plan adopted by October 1, 1993, the board shall offer, commencing on a phased-in basis, the opportunity for families within the school district to apply for enrollment of their children in any attendance center within the school district which does not have selective admission requirements approved by the board. The appropriate geographical area in which such open enrollment may be exercised shall be determined by the board of education. Such children may be admitted to any such attendance center on a space available basis after all children residing within such attendance center's area have been accommodated. The board is not required to give greater notice regarding the right of access to recruiting representatives than is given to other persons and groups. In this paragraph 16, "directory information" means a high school student's name, address, and telephone number.

(b) If a student or his or her parent or guardian submits a signed, written request to the high school before the end of the student's sophomore year (or if the student is a transfer student,

by another time set by the high school) that indicates that the student or his or her parent or guardian does not want the student's directory information to be provided to official recruiting representatives under subsection (a) of this Section, the high school may not provide access to the student's directory information to these recruiting representatives. The high school shall notify its students and their parents or guardians of the provisions of this subsection (b).

(c) A high school may require official recruiting representatives of the armed forces of Illinois and the United States to pay a fee for copying and mailing a student's directory information in an amount that is not more than the actual costs incurred by the high school.

The distribution of such proceeds between the employee and the school district shall be as agreed upon by the employee and the school district, except that neither the employee nor the school district may receive more than 90% of such proceeds. The negotiation for an employee who is represented by an exclusive bargaining representative may be conducted by such bargaining representative at the employee's request.

18. To delegate to the general superintendent of schools, by resolution, the authority to approve contracts and expenditures in amounts of \$10,000 or less;

19. Upon the written request of an employee, to withhold from the compensation of that employee any dues, payments or contributions payable by such employee to any labor organization as defined in the Illinois Educational Labor Relations Act. Under such arrangement, an amount shall be withheld from each regular payroll period which is equal to the pro rata share of the annual dues plus any payments or contributions, and the board shall transmit such withholdings to the specified labor organization within 10 working days from the time of the withholding;

19a. Upon receipt of notice from the comptroller of a municipality with a population of 500,000 or more, a county with a population of 3,000,000 or more, the Cook County Forest Preserve District, the Chicago Park District, the Metropolitan Water Reclamation District, the Chicago Transit Authority, or a housing authority of a municipality with a population of 500,000 or more that a debt is due and owing the municipality, the county, the Cook County Forest Preserve District, the Chicago Park District, the Metropolitan Water Reclamation District, the Chicago Transit Authority, or the housing authority by an employee of the Chicago Board of Education, to withhold, from the compensation of that employee, the amount of the debt that is due and owing and pay the amount withheld to the municipality, the county, the Cook County Forest Preserve District, the Chicago Park District, the Metropolitan Water Reclamation District, the Chicago Transit Authority, or the housing authority; provided, however, that the amount deducted from any one salary or wage payment shall not exceed 25% of the net amount of the payment. Before the Board deducts any amount from any salary or wage of an employee under this paragraph, the municipality, the county, the Cook County Forest Preserve District, the Chicago Park District, the Metropolitan Water Reclamation District, the Chicago Transit Authority, or the housing authority shall certify that (i) the employee has been afforded an opportunity for a hearing to dispute the debt that is due and owing the municipality, the county, the Cook County Forest Preserve District, the Chicago Park District, the Metropolitan Water Reclamation District, the Chicago Transit Authority, or the housing authority and (ii) the employee has received notice of a wage deduction order and has been afforded an opportunity for a hearing to object to the order. On these days representatives of local businesses and industries shall be invited to the school campus and shall inform students of career opportunities available to them in the various businesses and industries. Special consideration shall be given to counseling minority students as to career opportunities available to them in various fields. For the purposes of this paragraph, minority student means a person who is:

(30 ILCS 740/2-3) (from Ch. 111 2/3, par. 663)

Sec. 2-3. (a) As soon as possible after the first day of each month, beginning July 1, 1984, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from the General Revenue Fund to a special fund in the State Treasury which is hereby created, to be known as the "Downstate Public Transportation Fund", an amount equal to 2/32 (beginning July 1, 2004, 3/32) of the net revenue realized from the "Retailers' Occupation Tax Act", as now or hereafter amended, the "Service Occupation Tax Act", as now or hereafter amended, the "Use Tax Act", as now or hereafter amended, and the "Service Use Tax Act", as now or hereafter amended, from persons incurring municipal or county retailers' or service occupation tax liability for the benefit of any municipality or county located wholly within the boundaries of each participant other than any Metro-East Transit District participant certified pursuant to subsection (c) of this Section during the preceding month, except that the Department shall pay into the Downstate Public Transportation Fund 2/32 (beginning July 1, 2004, 3/32) of 80% of the net revenue realized under the State tax Acts named above within any municipality or county located wholly within the boundaries of each participant, other than any Metro-East participant, for tax periods beginning on or after January 1, 1990; provided, however, that beginning with fiscal year 1985, the transfers into the Downstate Public Transportation Fund during any fiscal year shall not exceed the annual appropriation from the Downstate Public Transportation Fund for that year. The Department of Transportation shall notify the Department of Revenue and the Comptroller at the beginning of each fiscal year of the amount of the annual appropriation from the Downstate Public Transportation Fund. Net revenue realized for a month shall be the revenue collected by the State pursuant to such Acts during the previous month from persons incurring municipal or county retailers' or service occupation tax liability for the benefit of any

[May 31, 2004]

municipality or county located wholly within the boundaries of a participant, less the amount paid out during that same month as refunds or credit memoranda to taxpayers for overpayment of liability under such Acts for the benefit of any municipality or county located wholly within the boundaries of a participant.

(b) As soon as possible after the first day of each month, beginning July 1, 1989, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from the General Revenue Fund to a special fund in the State Treasury which is hereby created, to be known as the "Metro-East Public Transportation Fund", an amount equal to 2/32 of the net revenue realized, as above, from within the boundaries of Madison, Monroe and St. Clair Counties, except that the Department shall pay into the Metro-East Public Transportation Fund 2/32 of 80% of the net revenue realized under the State tax Acts specified in subsection (a) of this Section within the boundaries of Madison, Monroe and St. Clair Counties for tax periods beginning on or after January 1, 1990. A local match equivalent to an amount which could be raised by a tax levy at the rate of .05% on the assessed value of property within the boundaries of Madison ~~County, Monroe and St. Clair Counties~~ is required annually to cause a total of 2/32 of the net revenue to be deposited in the Metro-East Public Transportation Fund. Failure to raise the required local match annually shall result in only 1/32 being deposited into the Metro-East Public Transportation Fund after July 1, 1989, or 1/32 of 80% of the net revenue realized for tax periods beginning on or after January 1, 1990.

(b-5) As soon as possible after the first day of each month, beginning July 1, 2004, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from the General Revenue Fund to the Downstate Public Transportation Fund, an amount equal to 3/32 of 80% of the net revenue realized from within the boundaries of Monroe and St. Clair Counties under the State tax Acts specified in subsection (a) of this Section and provided further that, beginning July 1, 2004, the provisions of subsection (b) shall no longer apply with respect to such tax receipts from Monroe and St. Clair Counties.

(c) The Department shall certify to the Department of Revenue the eligible participants under this Article and the territorial boundaries of such participants for the purposes of the Department of Revenue in subsections (a) and (b) of this Section.

(d) For the purposes of this Article the Department shall include in its annual request for appropriation of ordinary and contingent expenses an amount equal to the sum total funds projected to be paid to the participants pursuant to Section 2-7.

(e) In addition to any other permitted use of moneys in the Fund, and notwithstanding any restriction on the use of the Fund, moneys in the Downstate Public Transportation Fund may be transferred to the General Revenue Fund as authorized by Public Act 87-14. The General Assembly finds that an excess of moneys existed in the Fund on July 30, 1991, and the Governor's order of July 30, 1991, and the Governor's order of July 30, 1991, requesting the Comptroller and Treasurer to transfer an amount from the Fund to the General Revenue Fund is hereby validated.

(30 ILCS 740/2-6) (from Ch. 111 2/3, par. 666)

Sec. 2-6. Allocation of funds.

(a) With respect to all participants other than any Metro-East Transit District participant, the Department shall allocate the funds to be made available to each participant under this Article for the following fiscal year and shall notify the chief official of each participant not later than the first day of the fiscal year of this amount. For Fiscal Year 1975, notification shall be made not later than January 1, 1975, of the amount of such allocation. In determining the allocation for each participant, the Department shall estimate the funds available to the participant from the Downstate Public Transportation Fund for the purposes of this Article during the succeeding fiscal year, and shall allocate to each participant the amount attributable to it which shall be the amount paid into the Downstate Public Transportation Fund under Section 2-3 from within its boundaries. Said allocations may be exceeded for participants receiving assistance equal to one-third of their eligible operating expenses, only if an allocation is less than one-third of such participant's eligible operating expenses, provided, however, that no other participant is denied its one-third of eligible operating expenses. Beginning in Fiscal Year 1997, said allocation may be exceeded for participants receiving assistance equal to the percentage of their eligible operating expenses provided for in paragraph (b) of Section 2-7, only if allocation is less than the percentage of such participant's eligible operating expenses provided for in paragraph (b) of Section 2-7, provided however, that no other participant is denied its percentage of eligible operating expenses.

(b) With regard to any Metro-East Transit District organized under the Local Mass Transit District Act and serving one or more of the Counties of Madison, Monroe and St. Clair during Fiscal Year 1989, the Department shall allocate the funds to be made available to each participant for the following and

[May 31, 2004]

succeeding fiscal years and shall notify the chief official of each participant not later than the first day of the fiscal year of this amount. Beginning July 1, 2004, the ~~The~~ Department shall allocate ~~55%~~ of the amount paid into the Metro-East Public Transportation Fund to the District ~~servicing primarily the Counties of Monroe and St. Clair and 45% of the amount to that District serving primarily the County of Madison.~~

(30 ILCS 740/2-7) (from Ch. 111 2/3, par. 667)

Sec. 2-7. Quarterly reports; annual audit.

(a) Any Metro-East Transit District participant shall, no later than 60 days following the end of each quarter of any fiscal year, file with the Department on forms provided by the Department for that purpose, a report of the actual operating deficit experienced during that quarter. The Department shall, upon receipt of the quarterly report, determine whether the operating deficits were incurred in conformity with the program of proposed expenditures approved by the Department pursuant to Section 2-11. Any Metro-East District may either monthly or quarterly for any fiscal year file a request for the participant's eligible share, as allocated in accordance with Section 2-6, of the amounts transferred into the Metro-East Public Transportation Fund.

(b) Each participant other than any Metro-East Transit District participant shall, 30 days before the end of each quarter, file with the Department on forms provided by the Department for such purposes a report of the projected eligible operating expenses to be incurred in the next quarter and 30 days before the third and fourth quarters of any fiscal year a statement of actual eligible operating expenses incurred in the preceding quarters. Except as otherwise provided in subsection (b-5), within ~~Within~~ 45 days of receipt by the Department of such quarterly report, the Comptroller shall order paid and the Treasurer shall pay from the Downstate Public Transportation Fund to each participant an amount equal to one-third of such participant's eligible operating expenses; provided, however, that in Fiscal Year 1997, the amount paid to each participant from the Downstate Public Transportation Fund shall be an amount equal to 47% of such participant's eligible operating expenses and shall be increased to 49% in Fiscal Year 1998, 51% in Fiscal Year 1999, 53% in Fiscal Year 2000, and 55% in Fiscal Year 2001 and thereafter; however, in any year that a participant receives funding under subsection (i) of Section 2705-305 of the Department of Transportation Law (20 ILCS 2705/2705-305), that participant shall be eligible only for assistance equal to the following percentage of its eligible operating expenses: 42% in Fiscal Year 1997, 44% in Fiscal Year 1998, 46% in Fiscal Year 1999, 48% in Fiscal Year 2000, and 50% in Fiscal Year 2001 and thereafter. Any such payment for the third and fourth quarters of any fiscal year shall be adjusted to reflect actual eligible operating expenses for preceding quarters of such fiscal year. However, no participant shall receive an amount less than that which was received in the immediate prior year, provided in the event of a shortfall in the fund those participants receiving less than their full allocation pursuant to Section 2-6 of this Article shall be the first participants to receive an amount not less than that received in the immediate prior year.

(b-5) With respect to the District serving primarily the counties of Monroe and St. Clair, beginning July 1, 2004 and each fiscal year thereafter, the District may file a request with the Department for a monthly payment of 1/12 of the amount appropriated to the District for that fiscal year; except that, for the final month of the fiscal year, the District's request shall be in an amount such that the total payments made to the District in that fiscal year do not exceed the lesser of (i) 55% of the District's eligible operating expenses for that fiscal year or (ii) the total amount appropriated to the District for that fiscal year.

(c) No later than 180 days following the last day of the Fiscal Year each participant shall provide the Department with an audit prepared by a Certified Public Accountant covering that Fiscal Year. For those participants other than a Metro-East Transit District, any discrepancy between the grants paid and the percentage of the eligible operating expenses provided for by paragraph (b) of this Section shall be reconciled by appropriate payment or credit. In the case of any Metro-East Transit District, any amount of payments from the Metro-East Public Transportation Fund which exceed the eligible deficit of the participant shall be reconciled by appropriate payment or credit.

AMENDMENT NO. 3

AMENDMENT NO. 3. Amend Senate Bill 0943 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Design-Build Procurement Act.

Section 5. Legislative policy. It is the intent of the General Assembly that the Capital Development Board be allowed to use the design-build delivery method for public projects if it is shown to be in the State's best interest for that particular project. It shall be the policy of the Capital Development Board in the procurement of design-build services to publicly announce all requirements for design-build services and to procure these services on the basis of demonstrated competence and qualifications and with due regard for the principles of competitive selection.

The Capital Development Board shall, prior to issuing requests for proposals, promulgate and publish procedures for the solicitation and award of contracts pursuant to this Act.

The Capital Development Board shall, for each public project or projects permitted under this Act,

[May 31, 2004]

make a written determination, including a description as to the particular advantages of the design-build procurement method, that it is in the best interests of this State to enter into a design-build contract for the project or projects. In making that determination, the following factors shall be considered:

- (1) The probability that the design-build procurement method will be in the best interests of the State by providing a material savings of time or cost over the design-bid-build or other delivery system.
- (2) The type and size of the project and its suitability to the design-build procurement method.
- (3) The ability of the State construction agency to define and provide comprehensive scope and performance criteria for the project.

The Capital Development Board shall within 15 days after the initial determination provide an advisory copy to the Procurement Policy Board and maintain the full record of determination for 5 years.

Section 10. Definitions. As used in this Act:

"State construction agency" means the Capital Development Board.

"Delivery system" means the design and construction approach used to develop and construct a project.

"Design-bid-build" means the traditional delivery system used on public projects in this State that incorporates the Architectural, Engineering, and Land Surveying Qualification Based Selection Act (30 ILCS 535/) and the principles of competitive selection in the Illinois Procurement Code (30 ILCS 500/).

"Design-build" means a delivery system that provides responsibility within a single contract for the furnishing of architecture, engineering, land surveying and related services as required, and the labor, materials, equipment, and other construction services for the project.

"Design-build contract" means a contract for a public project under this Act between the State construction agency and a design-build entity to furnish architecture, engineering, land surveying, and related services as required, and to furnish the labor, materials, equipment, and other construction services for the project. The design-build contract may be conditioned upon subsequent refinements in scope and price and may allow the State construction agency to make modifications in the project scope without invalidating the design-build contract.

"Design-build entity" means any individual, sole proprietorship, firm, partnership, joint venture, corporation, professional corporation, or other entity that proposes to design and construct any public project under this Act. A design-build entity and associated design-build professionals shall conduct themselves in accordance with the laws of this State and the related provisions of the Illinois Administrative Code, as referenced by the licensed design professionals Acts of this State.

"Design professional" means any individual, sole proprietorship, firm, partnership, joint venture, corporation, professional corporation, or other entity that offers services under the Illinois Architecture Practice Act of 1989 (225 ILCS 305/), the Professional Engineering Practice Act of 1989 (225 ILCS 325/), the Structural Engineering Licensing Act of 1989 (225 ILCS 340/), or the Illinois Professional Land Surveyor Act of 1989 (225 ILCS 330/).

"Evaluation criteria" means the requirements for the separate phases of the selection process as defined in this Act and may include the specialized experience, technical qualifications and competence, capacity to perform, past performance, experience with similar projects, assignment of personnel to the project, and other appropriate factors. Price may not be used as a factor in the evaluation of Phase I proposals.

"Proposal" means the offer to enter into a design-build contract as submitted by a design-build entity in accordance with this Act.

"Request for proposal" means the document used by the State construction agency to solicit proposals for a design-build contract.

"Scope and performance criteria" means the requirements for the public project, including but not limited to, the intended usage, capacity, size, scope, quality and performance standards, life-cycle costs, and other programmatic criteria that are expressed in performance-oriented and quantifiable specifications and drawings that can be reasonably inferred and are suited to allow a design-build entity to develop a proposal.

Section 15. Solicitation of proposals.

(a) When the State construction agency elects to use the design-build delivery method, it must issue a notice of intent to receive requests for proposals for the project at least 14 days before issuing the request for the proposal. The State construction agency must publish the advance notice in the official procurement bulletin of the State or the professional services bulletin of the State construction agency, if

any. The agency is encouraged to use publication of the notice in related construction industry service publications. A brief description of the proposed procurement must be included in the notice. The State construction agency must provide a copy of the request for proposal to any party requesting a copy.

(b) The request for proposal shall be prepared for each project and must contain, without limitation, the following information:

(1) The name of the State construction agency.

(2) A preliminary schedule for the completion of the contract.

(3) The proposed budget for the project, the source of funds, and the currently available funds at the time the request for proposal is submitted.

(4) Prequalification criteria for design-build entities wishing to submit proposals. The State construction agency shall include, at a minimum, its normal prequalification, licensing, registration, and other requirements, but nothing contained herein precludes the use of additional prequalification criteria by the State construction agency.

(5) Material requirements of the contract, including but not limited to, the proposed terms and conditions, required performance and payment bonds, insurance, affirmative action, and workforce requirements, if any.

(6) The performance criteria.

(7) The evaluation criteria for each phase of the solicitation.

(8) The number of entities that will be considered for the technical and cost evaluation phase.

(c) The State construction agency may include any other relevant information that it chooses to supply. The design-build entity shall be entitled to rely upon the accuracy of this documentation in the development of its proposal.

(d) The date that proposals are due must be at least 21 calendar days after the date of the issuance of the request for proposal. In the event the cost of the project is estimated to exceed \$10 million, then the proposal due date must be at least 28 calendar days after the date of the issuance of the request for proposal. The State construction agency shall include in the request for proposal a minimum of 30 days to develop the Phase II submissions after the selection of entities from the Phase I evaluation is completed.

Section 20. Development of scope and performance criteria.

(a) The State construction agency shall develop, with the assistance of a licensed design professional, a request for proposal, which shall include scope and performance criteria. The scope and performance criteria must be in sufficient detail and contain adequate information to reasonably apprise the qualified design-build entities of the State construction agency's overall programmatic needs and goals, including criteria and preliminary design plans, general budget parameters, schedule, and delivery requirements.

(b) Each request for proposal shall also include a description of the level of design to be provided in the proposals. This description must include the scope and type of renderings, drawings, and specifications that, at a minimum, will be required by the State construction agency to be produced by the design-build entities.

(c) The scope and performance criteria shall be prepared by a design professional who is an employee of the State construction agency, or the State construction agency may contract with an independent design professional selected under the Architectural, Engineering and Land Surveying Qualification Based Selection Act (30 ILCS 535/) to provide these services.

(d) The design professional that prepares the scope and performance criteria is prohibited from participating in any design-build entity proposal for the project.

Section 25. Selection Committee.

(a) When the State construction agency elects to use the design-build delivery method, it shall establish a committee to evaluate and select the design-build entity. The committee, under the discretion of the State construction agency, shall consist of 3, 5, or 7 members and shall include at least one licensed design professional and one member of the public. The public member may not be employed or associated with any firm holding a contract with the State construction agency and shall be nominated by design or construction industry associations. The selection committee may be designated for a set term or for the particular project subject to the request for proposal.

(b) The members of the selection committee must certify for each request for proposal that no conflict of interest exists between the members and the design-build entities submitting proposals. If a conflict exists, the member must be replaced before any review of proposals.

Section 30. Procedures for Selection.

(a) The State construction agency must use a two-phase procedure for the selection of the successful design-build entity. Phase I of the procedure will evaluate and shortlist the design-build entities based on qualifications, and Phase II will evaluate the technical and cost proposals.

(b) The State construction agency shall include in the request for proposal the evaluating factors to be used in Phase I. These factors are in addition to any prequalification requirements of design-build entities that the agency has set forth. Each request for proposal shall establish the relative importance assigned to each evaluation factor and subfactor, including any weighting of criteria to be employed by the State construction agency. The State construction agency must maintain a record of the evaluation scoring to be disclosed in event of a protest regarding the solicitation.

The State construction agency shall include the following criteria in every Phase I evaluation of design-build entities: (1) experience of personnel; (2) successful experience with similar project types; (3) financial capability; (4) timeliness of past performance; (5) experience with similarly sized projects; (6) successful reference checks of the firm; and (7) commitment to assign personnel for the duration of the project and qualifications of the entity's consultants. The State construction agency may include any additional relevant criteria in Phase I that it deems necessary for a proper qualification review.

The State construction agency must not consider any design-build entity for evaluation or award if the entity has any pecuniary interest in the project or has other relationships or circumstances, including but not limited to, long-term leasehold, mutual performance, or development contracts with the State construction agency, that may give the design-build entity a financial or tangible advantage over other design-build entities in the preparation, evaluation, or performance of the design-build contract or that create the appearance of impropriety.

Upon completion of the qualifications evaluation, the State construction agency shall create a shortlist of the most highly qualified design-build entities. The State construction agency, in its discretion, is not required to shortlist the maximum number of entities as identified for Phase II evaluation, provided however, no less than 2 design-build entities nor more than 6 are selected to submit Phase II proposals.

The State construction agency shall notify the entities selected for the shortlist in writing. This notification shall commence the period for the preparation of the Phase II technical and cost evaluations. The State construction agency must allow sufficient time for the shortlist entities to prepare their Phase II submittals considering the scope and detail requested by the State agency.

(c) The State construction agency shall include in the request for proposal the evaluating factors to be used in the technical and cost submission components of Phase II. Each request for proposal shall establish, for both the technical and cost submission components of Phase II, the relative importance assigned to each evaluation factor and subfactor, including any weighting of criteria to be employed by the State construction agency. The State construction agency must maintain a record of the evaluation scoring to be disclosed in event of a protest regarding the solicitation.

The State construction agency shall include the following criteria in every Phase II technical evaluation of design-build entities: (1) compliance with objectives of the project; (2) compliance of proposed services to the request for proposal requirements; (3) quality of products or materials proposed; (4) quality of design parameters; (5) design concepts; (6) innovation in meeting the scope and performance criteria; and (7) constructability of the proposed project. The State construction agency may include any additional relevant technical evaluation factors it deems necessary for proper selection.

The State construction agency shall include the following criteria in every Phase II cost evaluation: the total project cost, the construction costs, and the time of completion. The State construction agency may include any additional relevant technical evaluation factors it deems necessary for proper selection. The total project cost criteria weighting factor shall be 25%.

The State construction agency shall directly employ or retain a licensed design professional to evaluate the technical and cost submissions to determine if the technical submissions are in accordance with generally accepted industry standards.

Upon completion of the technical submissions and cost submissions evaluation, the State construction agency may award the design-build contract to the highest overall ranked entity.

Section 35. Small projects. In any case where the total overall cost of the project is estimated to be less than \$10 million, the State construction agency may combine the two-phase procedure for selection described in Section 30 into one combined step, provided that all the requirements of evaluation are performed in accordance with Section 30.

Section 40. Submission of proposals. Proposals must be properly identified and sealed. Proposals may not be reviewed until after the deadline for submission has passed as set forth in the request for

proposals. All design-build entities submitting proposals shall be disclosed after the deadline for submission, and all design-build entities who are selected for Phase II evaluation shall also be disclosed at the time of that determination.

Proposals shall include a bid bond in the form and security as designated in the request for proposals. Proposals shall also contain a separate sealed envelope with the cost information within the overall proposal submission. Proposals shall include a list of all design professionals and other entities as defined in Section 30-30 of the Illinois Procurement Code to which any work may be subcontracted during the performance of the contract. Any entity that will perform any of the 5 subdivisions of work defined in Section 30-30 of the Illinois Procurement Code must meet prequalification standards of the State construction agency.

Proposals must meet all material requirements of the request for proposal or they may be rejected as non-responsive. The State construction agency shall have the right to reject any and all proposals.

The drawings and specifications of the proposal shall remain the property of the design-build entity.

The State construction agency shall review the proposals for compliance with the performance criteria and evaluation factors.

Proposals may be withdrawn prior to evaluation for any cause. After evaluation begins by the State construction agency, clear and convincing evidence of error is required for withdrawal.

Section 45. Award. The State construction agency may award the contract to the highest overall ranked entity. Notice of award shall be made in writing. Unsuccessful entities shall also be notified in writing. The State construction agency may not request a best and final offer after the receipt of proposals. The State construction agency may negotiate with the selected design-build entity after award but prior to contract execution for the purpose of securing better terms than originally proposed, provided that the salient features of the request for proposal are not diminished.

Section 50. Administrative Procedure Act. The Illinois Administrative Procedure Act (5 ILCS 100/) applies to all administrative rules and procedures of the State construction agency under this Act except that nothing herein shall be construed to render any prequalification or other responsibility criteria as a "license" or "licensing" under that Act.

Section 53. Federal requirements. In the procurement of design-build contracts, the State construction agency shall comply with federal law and regulations and take all necessary steps to adapt their rules, policies, and procedures to remain eligible for federal aid.

Section 90. The Illinois Procurement Code is amended by changing Section 30-30 as follows:
(30 ILCS 500/30-30)

Sec. 30-30. Contracts in excess of \$250,000. For building construction contracts in excess of \$250,000, separate specifications shall be prepared for all equipment, labor, and materials in connection with the following 5 subdivisions of the work to be performed:

- (1) plumbing;
- (2) heating, piping, refrigeration, and automatic temperature control systems, including the testing and balancing of those systems;
- (3) ventilating and distribution systems for conditioned air, including the testing and balancing of those systems;
- (4) electric wiring; and
- (5) general contract work.

The specifications must be so drawn as to permit separate and independent bidding upon each of the 5 subdivisions of work. All contracts awarded for any part thereof shall award the 5 subdivisions of work separately to responsible and reliable persons, firms, or corporations engaged in these classes of work. The contracts, at the discretion of the construction agency, may be assigned to the successful bidder on the general contract work or to the successful bidder on the subdivision of work designated by the construction agency before the bidding as the prime subdivision of work, provided that all payments will be made directly to the contractors for the 5 subdivisions of work upon compliance with the conditions of the contract. A contract may be let for one or more buildings in any project to the same contractor. The specifications shall require, however, that unless the buildings are identical, a separate price shall be submitted for each building. The contract may be awarded to the lowest responsible bidder for each or all of the buildings included in the specifications.

Until a date 2 years after the effective date of this amendatory Act of the 93rd General Assembly, the requirements of this Section do not apply to the construction of an Emergency Operations Center for the

A message from the House by

Mr. Mahoney, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has concurred with the Senate in the passage of a bill of the following title, to-wit:

SENATE BILL NO. 1400

A bill for AN ACT concerning nutritional services for children.

Together with the following amendments which are attached, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

House Amendment No. 1 to SENATE BILL NO. 1400

House Amendment No. 2 to SENATE BILL NO. 1400

Passed the House, as amended, May 31, 2004.

MARK MAHONEY, Clerk of the House

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend Senate Bill 1400 by replacing everything after the enacting

[May 31, 2004]

clause with the following:

"Section 1. Short title. This Act may be cited as the Childhood Hunger Relief Act.

Section 5. State policy and legislative intent. The General Assembly recognizes that hunger and food security are serious problems in the State of Illinois with as many as one million citizens being affected. These citizens have lost their sense of food security. Food insecurity occurs whenever the availability of nutritionally adequate and safe foods or the ability to acquire acceptable foods in socially acceptable ways is limited or uncertain. Hunger is a painful or uneasy sensation caused by a recurrent or involuntary lack of food and is a potential, although not necessary, consequence of food insecurity. Over time, hunger may result in malnutrition. It is estimated that just under 600,000 Illinois children experience hunger or food insecurity, meaning that they either go without eating meals, or their parents or guardians cannot provide the kinds of food they need. At present, the Illinois economy is steadily experiencing a 6% unemployment rate, people are being laid off who thought they had job security, and the unemployed are remaining unemployed beyond the terms of unemployment benefits. Emergency food providers throughout the State are experiencing an increase in the number of working poor families requesting emergency food. In October 2003, Illinois was ranked 48th in the nation in providing school breakfasts to low-income children of families who meet the criteria for free and reduced-price lunches. Because low-income children are not being adequately nourished, even to the point where many are arriving at school hungry, the General Assembly believes it is in the best interest of Illinois to utilize resources available through existing child nutrition programs, to the fullest extent possible.

The General Assembly also recognizes a definite correlation between adequate child nutrition and a child's physical, emotional, and cognitive development. There is also a correlation between adequate nutrition and a child's ability to perform well in school. Documented research has proven that school breakfasts improve attendance and increase a child's readiness to learn. In this regard, the General Assembly realizes the importance of the National School Breakfast Program and the Summer Food Service Program as effective measures that must be widely implemented to ensure more adequate nutrition for Illinois children.

Section 10. Definitions. In this Act:

"Hunger" means a symptom of poverty caused by a lack of resources that prevents the purchasing of a nutritionally adequate diet resulting in a chronic condition of being undernourished.

"Food insecurity" means a limited or uncertain availability of nutritionally adequate foods.

"Food security" means ensured access to enough food for an active, healthy life.

"School Breakfast Program" means the federal child nutrition entitlement program that helps serve nourishing low-cost breakfast meals to school children. In addition to cash assistance, participating schools get foods donated by and technical guidance from the United States Department of Agriculture. Payments to schools are higher for meals served to children who qualify, on the basis of family size and income, for free or reduced-price meals. The program is administered in Illinois by the State Board of Education.

"Summer Food Service Program" means the federal child nutrition entitlement program that helps communities serve meals to needy children when school is not in session. The United States Department of Agriculture reimburses sponsors for operating costs of food services up to a specific maximum rate for each meal served. In addition, sponsors receive some reimbursement for planning and supervising expenses. The program in Illinois is administered by the State Board of Education.

Section 15. School breakfast program.

(a) By September 1, 2004 and then each school year thereafter, the board of education of each school district in this State shall implement and operate a school breakfast program, if a breakfast program does not currently exist, in accordance with federal guidelines in each school building within its district in which at least 40% or more of the students are eligible for free or reduced-price lunches based upon the count on October 31 of the previous year.

Using the data from the previous school year, the board of education of each school district in the State shall determine which schools within their districts will be required to implement and operate a school breakfast program.

(b) School districts may charge students who do not meet federal criteria for free school meals for the breakfasts served to these students within the allowable limits set by federal regulations.

(c) School breakfast programs established under this Section shall be supported entirely by federal funds and commodities, charges to students and other participants, and other available State and local

[May 31, 2004]

resources, including under the School Breakfast and Lunch Program Act. Allowable costs for reimbursement to school districts, in accordance with the United States Department of Agriculture, include compensation of employees for the time devoted and identified specifically to implement the school breakfast program; the cost of materials acquired, consumed, or expended specifically to implement the school breakfast program; equipment and other approved capital expenditures necessary to implement the school breakfast program; and transportation expenses incurred specifically to implement and operate the school breakfast program.

(d) A school district shall be allowed to opt out of the school breakfast program requirement of this Section if it is determined that, due to circumstances specific to that school district, the expense reimbursement would not fully cover the costs of implementing and operating a school breakfast program. The school district shall petition its regional superintendent of schools by November 15 to request to be exempt from the school breakfast program requirement. The petition shall include all legitimate costs associated with implementing and operating a school breakfast program, the estimated reimbursement from State and federal sources, and any unique circumstances the school district can verify that exist that would cause the implementation and operation of such a program to be cost prohibitive.

The regional superintendent of schools shall review the petition. He or she shall convene a public hearing to hear testimony from the school district and interested community members. The regional superintendent shall, by December 15, inform the school district of his or her decision, along with the reasons why the exemption was granted or denied, in writing. If the regional superintendent grants an exemption to the school district, then the school district is relieved from the requirement to establish and implement a school breakfast program.

If the regional superintendent of schools does not grant an exemption to the school district, then the school district shall implement and operate a school breakfast program in accordance with this Section by September 1 of the subsequent school year. However, the school district or a resident of the school district may appeal the decision of the regional superintendent to the Chairperson of the Illinois House of Representatives' Elementary and Secondary Education Committee and the Chairperson of the Illinois Senate's Education Committee. No later than February 15 of each year, a joint committee made up of the members of the House Elementary and Secondary Education Committee and Senate Education Committee, jointly chaired by the chairpersons of those committees, shall be convened to hear appeals on the decisions of regional superintendents of schools. This joint committee shall make a final decision at the conclusion of the hearing on the school district's request for an exemption from the school breakfast program requirement. If the joint committee grants an exemption to the school district, then the school district is relieved from the requirement to implement and operate a school breakfast program. If the joint committee does not grant an exemption to the school district, then the school district shall implement and operate a school breakfast program in accordance with this Section by September 1 of the subsequent school year.

A school district may not attempt to opt out of the school breakfast program requirement of this Section by requesting a waiver under Section 2-3.25g of the School Code.

Section 20. Summer food service program.

(a) The State Board of Education shall promulgate a State plan for summer food service programs, in accordance with 42 U.S.C. Sec. 1761 and any other applicable federal laws and regulations, by January 15, 2005.

(b) By the summer of 2005 and then each summer thereafter, it is strongly encouraged that the board of education of each school district in this State in which at least 50% of the students are eligible for free or reduced-price school meals operate a summer food service program or identify a non-profit or private agency to sponsor a summer food service program within the school district's boundaries.

(c) Summer food service programs established under this Section may be supported by federal funds and commodities and other available State and local resources.

Section 95. The School Breakfast and Lunch Program Act is amended by changing Sections 2.5, 4, and 5 as follows:

(105 ILCS 125/2.5)

Sec. 2.5. Breakfast incentive program. The State Board of Education shall fund a breakfast incentive program comprised of the components described in paragraphs (1), (2), and (3) of this Section, provided that a separate appropriation is made for the purposes of this Section. The State Board of Education may allocate the appropriation among the program components in whatever manner the State Board of Education finds will best serve the goal of increasing participation in school breakfast programs. If the

amount of the appropriation allocated under paragraph (1), (2), or (3) of this Section is insufficient to fund all claims submitted under that particular paragraph, the claims under that paragraph shall be prorated.

(1) The State Board of Education may reimburse each sponsor of a school breakfast program an additional \$0.10 for each free, reduced-price, and paid breakfast served over and above the number of such breakfasts served in the same month during the preceding year, provided that the number of breakfasts served ~~in a participating school building by the sponsor~~ in that month is at least 10% greater than the number of breakfasts served in the same month during the preceding year.

(2) The State Board of Education may make grants to school boards and welfare centers that agree to start a school breakfast program in one or more schools or other sites. First priority for these grants shall be given to schools in which ~~40%~~ 50% or more of their students are eligible for free and reduced price meals under the National School Lunch Act (42 U.S.C. 1751 et seq.). Depending on the availability of funds and the rate at which funds are being utilized, the State Board of Education is authorized to allow additional schools or other sites to receive these grants. In making additional grants, the State Board of Education shall provide for priority to be given to schools with the highest percentage of students eligible for free and reduced price lunches under the National School Lunch Act. The amount of the grant shall be \$3,500 for each qualifying school or site in which a school breakfast program is started. The grants shall be used to pay the start-up costs for the school breakfast program, including equipment, supplies, and program promotion, but shall not be used for food, labor, or other recurring operational costs. Applications for the grants shall be made to the State Board of Education on forms designated by the State Board of Education. Any grantee that fails to operate a school breakfast program for at least 3 years after receipt of a grant shall refund the amount of the grant to the State Board of Education.

(3) The State Board of Education may reimburse a school board for each free, reduced-price, or paid breakfast served in a school breakfast program located in a school in which 80% or more of the students are eligible to receive free or reduced price lunches under the National School Lunch Act (42 U.S.C. 1751 et seq.) in an amount equal to the difference between (i) the current amount reimbursed by the federal government for a free breakfast and (ii) the amount actually reimbursed by the federal government for that free, reduced-price, or paid breakfast. A school board that receives reimbursement under this paragraph (3) shall not be eligible in the same year to receive reimbursement under paragraph (1) of this Section.

(105 ILCS 125/4) (from Ch. 122, par. 712.4)

Sec. 4. Accounts; copies of menus served; free lunch program required; report. School boards and welfare centers shall keep an accurate, detailed and separate account of all moneys expended for school breakfast programs, school lunch programs, free breakfast programs, ~~and~~ free lunch programs, and summer food service programs, and of the amounts for which they are reimbursed by any governmental agency, moneys received from students and from any other contributors to the program. School boards and welfare centers shall also keep on file a copy of all menus served under the programs, which together with all records of receipts and disbursements, shall be made available to representatives of the State Board of Education at any time.

Every public school must have a free lunch program.

In 2001 and in each subsequent year, the State Board of Education shall provide to the Governor and the General Assembly, by a date not later than March 1, a report that provides all of the following:

(1) A list by school district of all schools, the total student enrollment, and the number of children eligible for free, reduced price, and paid breakfasts and lunches.

(2) A list of schools that have started breakfast programs during the past year along with information on which schools have utilized the \$3,500 start-up grants and the additional \$0.10 per meal increased participation incentives established under Section 2.5 of this Act.

(3) A list of schools that have used the school breakfast program option outlined in this Act, a list of schools that have exercised Provision Two or Provision Three under the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.), and a list of schools that have dropped either school lunch or school breakfast programs during the past year and the reasons why.

In ~~2005, 2007, and 2009~~ ~~2001, 2003, and 2005~~ the report required by this Section shall also include information that documents the results of surveys designed to identify parental interest in school breakfast programs and documents barriers to establishing school breakfast programs. To develop the surveys for school administrators and for parents, the State Board of Education shall work in coordination with the State Board of Education's Child Nutrition Advisory Council and local committees that involve parents, teachers, principals, superintendents, business, and anti-hunger advocates,

organized by the State Board of Education to foster community involvement. The State Board of Education is authorized to distribute the surveys in all schools where there are no school breakfast programs.

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend Senate Bill 2404 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Insurance Code is amended by changing Sections 143, 204, and 408 as follows:

(215 ILCS 5/143) (from Ch. 73, par. 755)

Sec. 143. Policy forms.

(1) Life, accident and health. No company transacting the kind or kinds of business enumerated in Classes 1 (a), 1 (b) and 2 (a) of Section 4 shall issue or deliver in this State a policy or certificate of insurance or evidence of coverage, attach an endorsement or rider thereto, incorporate by reference bylaws or other matter therein or use an application blank in this State until the form and content of such policy, certificate, evidence of coverage, endorsement, rider, bylaw or other matter incorporated by reference or application blank has been filed electronically with the Director, either through the System for Electronic Rate and Form Filing (SERFF) or as otherwise prescribed by the Director, and approved by the Director. The Department shall mail a quarterly invoice to the company for the appropriate filing fees required under Section 408, and the appropriate filing fee under Section 408 has been paid, except that Any such endorsement or rider that unilaterally reduces benefits and is to be attached to a policy subsequent to the date the policy is issued must be filed with, reviewed, and formally approved by the Director prior to the date it is attached to a policy issued or delivered in this State. It shall be the duty of the Director to withhold approval of any such policy, certificate, endorsement, rider, bylaw or other matter incorporated by reference or application blank filed with him if it contains provisions which encourage misrepresentation or are unjust, unfair, inequitable, ambiguous, misleading, inconsistent, deceptive, contrary to law or to the public policy of this State, or contains exceptions and conditions that unreasonably or deceptively affect the risk purported to be assumed in the general coverage of the policy. In all cases the Director shall approve or disapprove any such form within 60 days after submission unless the Director extends by not more than an additional 30 days the period within which he shall approve or disapprove any such form by giving written notice to the insurer of such extension before expiration of the initial 60 days period. The Director shall withdraw his approval of a policy, certificate, evidence of coverage, endorsement, rider, bylaw, or other matter incorporated by reference or application blank if he subsequently determines that such policy, certificate, evidence of coverage, endorsement, rider, bylaw, other matter, or application blank is misrepresentative, unjust, unfair, inequitable, ambiguous, misleading, inconsistent, deceptive, contrary to law or public policy of this State, or contains exceptions or conditions which unreasonably or deceptively affect the risk purported to be assumed in the general coverage of the policy or evidence of coverage.

[May 31, 2004]

If a previously approved policy, certificate, evidence of coverage, endorsement, rider, bylaw or other matter incorporated by reference or application blank is withdrawn for use, the Director shall serve upon the company an order of withdrawal of use, either personally or by mail, and if by mail, such service shall be completed if such notice be deposited in the post office, postage prepaid, addressed to the company's last known address specified in the records of the Department of Insurance. The order of withdrawal of use shall take effect 30 days from the date of mailing but shall be stayed if within the 30-day period a written request for hearing is filed with the Director. Such hearing shall be held at such time and place as designated in the order given by the Director. The hearing may be held either in the City of Springfield, the City of Chicago or in the county where the principal business address of the company is located. The action of the Director in disapproving or withdrawing such form shall be subject to judicial review under the Administrative Review Law.

This subsection shall not apply to riders or endorsements issued or made at the request of the individual policyholder relating to the manner of distribution of benefits or to the reservation of rights and benefits under his life insurance policy.

(2) Casualty, fire, and marine. The Director shall require the filing of all policy forms issued or delivered by any company transacting the kind or kinds of business enumerated in Classes 2 (except Class 2 (a)) and 3 of Section 4. In addition, he may require the filing of any generally used riders, endorsements, certificates, application blanks, and other matter incorporated by reference in any such policy or contract of insurance. ~~The Department shall mail a quarterly invoice to the company for the appropriate filing fees required under Section 408 along with the appropriate filing fee under Section 408.~~ Companies that are members of an organization, bureau, or association may have the same filed for them by the organization, bureau, or association. If the Director shall find from an examination of any such policy form, rider, endorsement, certificate, application blank, or other matter incorporated by reference in any such policy so filed that it (i) violates any provision of this Code, (ii) contains inconsistent, ambiguous, or misleading clauses, or (iii) contains exceptions and conditions that will unreasonably or deceptively affect the risks that are purported to be assumed by the policy, he shall order the company or companies issuing these forms to discontinue their use. Nothing in this subsection shall require a company transacting the kind or kinds of business enumerated in Classes 2 (except Class 2 (a)) and 3 of Section 4 to obtain approval of these forms before they are issued nor in any way affect the legality of any policy that has been issued and found to be in conflict with this subsection, but such policies shall be subject to the provisions of Section 442.

(3) This Section shall not apply (i) to surety contracts or fidelity bonds, (ii) to policies issued to an industrial insured as defined in Section 121-2.08 except for workers' compensation policies, nor (iii) to riders or endorsements prepared to meet special, unusual, peculiar, or extraordinary conditions applying to an individual risk.

(215 ILCS 5/204) (from Ch. 73, par. 816)

Sec. 204. Prohibited and voidable transfers and liens.

(a)(1) A preference is a transfer of any of the property of a company to or for the benefit of a creditor, for or on account of an antecedent debt, made or suffered by the company within 2 years before the filing of a complaint under this Article, the effect of which may be to enable the creditor to obtain a greater percentage of this debt than another creditor of the same class would receive.

(2) Any preference may be avoided by the Director as rehabilitator, liquidator, or conservator if:

(A) the company was insolvent at the time of the transfer; and

(B) the transfer was made within 4 months before the filing of the complaint; or the creditor receiving it was (i) an officer, or any employee or attorney or other person who was in fact in a position of comparable influence in the company to an officer whether or not that person held such a position, (ii) any shareholder holding, directly or indirectly, more than 5% of any class of any equity security issued by the company, or (iii) any other person, firm, corporation, association, or aggregation of individuals with whom the company did not deal at arm's length.

(3) Where the preference is voidable, the Director as rehabilitator, liquidator, or conservator may recover the property or, if it has been converted, its value from any person who has received or converted the property; except where a bona fide purchaser or lienor has given less than fair equivalent value, the purchaser or lienor shall have a lien upon the property to the extent of the consideration actually given. Where a preference by way of lien or security title is voidable, the court may on due notice order the lien or title to be preserved for the benefit of the estate, in which event the lien or title shall pass to the Director as rehabilitator or liquidator.

(b) (1) A transfer of property other than real property shall be deemed to be made or suffered when it becomes so far perfected that no subsequent lien obtainable by legal or equitable proceedings on a

simple contract could become superior to the rights of the transferee.

(2) A transfer of real property shall be deemed to be made or suffered when it becomes so far perfected that no subsequent bona fide purchaser from the company could obtain rights superior to the rights of the transferee.

(3) A transfer that creates an equitable lien shall not be deemed to be perfected if there are available means by which a legal lien could be created.

(4) A transfer not perfected before the filing of a complaint shall be deemed to be made immediately before the filing of the complaint.

(5) The provisions of this subsection apply whether or not there are or were creditors who might have obtained liens or persons who might have become bona fide purchasers.

(c) For purposes of this Section:

(1) A lien obtainable by legal or equitable proceedings upon a simple contract is one arising in the ordinary course of the proceedings upon the entry or docketing of a judgment or decree, or upon attachment, garnishment, execution, or like process, whether before, upon, or after judgment or decree and whether before or upon levy. It does not include liens that, under applicable law, are given a special priority over other liens that are prior in time.

(2) A lien obtainable by legal or equitable proceedings could become superior to the rights of a transferee, or a purchaser could obtain rights superior to the rights of a transferee within the meaning of subsection (b) of this Section, if such consequences would follow only from the lien or purchase itself, or from the lien or purchase followed by any step wholly within the control of the respective lienholder or purchaser, with or without the aid of ministerial action by public officials. A lien could not, however, become superior and a purchase could not create superior rights for the purpose of subsection (b) of this Section through any acts subsequent to an obtaining of the lien or subsequent to a purchase that requires the agreement or concurrence of any third party or that requires any further judicial action or ruling.

(d) A transfer of property for or on account of a new and contemporaneous consideration which is deemed under subsection (b) of this Section to be made or suffered after the transfer because of delay in perfecting it does not thereby become a transfer for or on account of an antecedent debt if any acts required by the applicable law to be performed in order to perfect the transfer as against liens or bona fide purchasers' rights are performed within 21 days or any period expressly allowed by the law, whichever is less. A transfer to secure a future loan, if the loan is actually made, or a transfer that becomes security for a future loan, shall have the same effect as a transfer for or on account of a new and contemporaneous consideration.

(e) If any lien deemed voidable under part (2) of subsection (a) of this Section has been dissolved by the furnishing of a bond or other obligation, the surety on which has been indemnified directly or indirectly by the transfer of or the creation of a lien upon any property of a company before the filing of a complaint under this Article, the indemnifying transfer or lien shall also be deemed voidable.

(f) The property affected by any lien deemed voidable under subsections (a) and (e) of this Section shall be discharged from the lien, and that property and any of the indemnifying property transferred to or for the benefit of a surety shall pass to the Director as rehabilitator or liquidator, except that the court may, on due notice, order any such lien to be preserved for the benefit of the estate and the court may direct that such conveyance be executed as may be proper or adequate to evidence the title of the Director as rehabilitator or liquidator.

(g) The court shall have summary jurisdiction over any proceeding by the Director as rehabilitator, liquidator, or conservator to hear and determine the rights of any parties under this Section. Reasonable notice of any hearings in the proceeding shall be given to all parties in interest, including the obligee of a releasing bond or other life obligation. Where an order is entered for the recovery of indemnifying property in kind or for the avoidance of an indemnifying lien, the court, upon application of any party in interest, shall in the same proceeding ascertain the value of the property or lien, and if the value is less than the amount for which the property is indemnity or than the amount of the lien, the transferee or lienholder may elect to retain the property or lien upon payment of its value, as ascertained by the court, to the Director as rehabilitator, liquidator, or conservator, within such reasonable times as the court shall fix.

(h) The liability of the surety under the releasing bond or other similar obligation shall be discharged to the extent of the value of the indemnifying property recovered or the indemnifying lien nullified and avoided by the Director as rehabilitator, liquidator, or conservator. Where the property is retained under subsection (g) of this Section, the liability shall be discharged to the extent of the amount paid to the Director as rehabilitator, liquidator, or conservator.

(i) If a creditor has been preferred and thereafter in good faith gives the company further credit

without security of any kind, for property which becomes a part of the company's estate, the amount of the new credit remaining unpaid at the time of the petition may be set off against the preference which would otherwise be recoverable from the creditor.

(j) If a company shall, directly or indirectly, within 4 months before the filing of a complaint under this Article, or at any time in contemplation of such a proceeding, pay money or transfer property to any attorney for services rendered or to be rendered, the transactions may be examined by the court on its own motion or shall be examined by the court on petition of the Director as rehabilitator, liquidator, or conservator and shall be held valid only to the extent of a reasonable amount to be determined by the court, and the excess may be recovered by the Director as rehabilitator, liquidator, or conservator for the benefit of the estate provided that where the attorney is in a position of influence in the company or an affiliate thereof payment of any money or the transfer of any property to the attorney for services rendered or to be rendered shall be governed by item (B) of part (2) of subsection (a) of this Section.

(k) (1) An officer, director, manager, employee, shareholder, member, subscriber, attorney, or other person acting on behalf of the company who knowingly participates in giving any preference when that officer, director, manager, employee, shareholder, member, subscriber, attorney, or other person has reasonable cause to believe the company is or is about to become insolvent at the time of the preference shall be personally liable to the Director as rehabilitator, liquidator, or conservator for the amount of the preference. There is a reasonable cause to so believe if the transfer was made within 4 months before the date of filing of the complaint.

(2) A person receiving any property from the company or the benefit thereof as a preference voidable under subsection (a) of this Section shall be personally liable therefor and shall be bound to account to the Director as rehabilitator, liquidator, or conservator.

(3) Nothing in this Section shall prejudice any other claim by the Director as rehabilitator, liquidator, or conservator against any person.

(l) For purposes of this Section, the company is presumed to have been insolvent on and during the 4 month period immediately preceding the date of the filing of the complaint.

(m) The Director as rehabilitator, liquidator, or conservator may not avoid a transfer under this Section to the extent that the transfer was:

(A) Intended by the company and the creditor to or for whose benefit the transfer was made to be a contemporaneous exchange for new value given to the company, and was in fact a substantially contemporaneous exchange; or -

(B) In payment of a debt incurred by the company in the ordinary course of business or financial affairs of the company and the transferee; made in the ordinary course of business or financial affairs of the company and the transferee; and made according to ordinary business terms; or

(C) In the case of a transfer by a company where the Director has determined that an event described in Section 35A-25 or 35A-30 has occurred, specifically approved by the Director in writing pursuant to this subsection, whether or not the company is in receivership under this Article. Upon approval by the Director, such a transfer cannot later be found to constitute a prohibited or voidable transfer based solely upon a deviation from the statutory payment priorities established by law for any subsequent receivership.

(n) The Director as rehabilitator, liquidator, or conservator may avoid any transfer of or lien upon the property of a company that the estate of the company or a policyholder, creditor, member, or stockholder of the company may have avoided, and the Director as rehabilitator, liquidator, or conservator may recover and collect the property so transferred or its value from the person to whom it was transferred unless the property was transferred to a bona fide holder for value before the filing of the complaint. The Director as rehabilitator, liquidator, or conservator shall be deemed a creditor for purposes of pursuing claims under the Uniform Fraudulent Transfer Act.

All lodging and travel expenses may be reimbursed directly upon the authorization of the Director.

In the case of an organization or person not subject to the financial regulation fee, the expenses incurred in any financial examination authorized by law shall be paid by the organization or person being examined. The charge shall be reasonably related to the cost of the examination including, but not limited to, compensation of examiners and other costs described in this subsection.

(10) Any company, person, or entity failing to make any payment of \$150 or more as required under this Section shall be subject to the penalty and interest provisions provided for in subsections (4) and (7) of Section 412.

(2) At any time, the Director may require the claimant to present information or evidence supplementary to that required under subsection (1) and may take testimony under oath, require production of affidavits or depositions, or otherwise obtain additional information or evidence.

(3) Upon the liquidation, rehabilitation, or conservation of any company which has issued policies insuring the lives of persons, the Director shall, within a reasonable time, after the last day set for the filing of claims, make a list of the persons who have not filed proofs of claim with him and whose rights have not been reinsured, to whom it appears from the books of the company, there are owing amounts on such policies and he shall set opposite the name of each person such amount so owing to such person. The Director shall incur no personal liability by reason of any mistake in such list. Each person whose name shall appear upon said list shall be deemed to have duly filed prior to the last day set for filing of claims a proof of claim for the amount set opposite his name on said list.

(4)(a) When a Liquidation, Rehabilitation, or Conservation Order has been entered in a proceeding against an insurer under this Code, any insured under an insurance policy shall have the right to file a contingent claim. The Court at the time of the entry of the Order of Liquidation, Rehabilitation or Conservation shall fix the final date for the liquidation of insureds' contingent claims, but in no event shall said date be more than 3 years after the last day fixed for the filing of claims, provided, such date may be extended by the Court on petition of the Director should the Director determine that such extension will not delay distribution of assets under Section 210. Such a contingent claim shall be allowed if such claim is liquidated and the insured claimant presents evidence of payment of such claim to the Director on or before the last day fixed by the Court.

(b) When an insured has been unable to liquidate its claim under paragraph (a) of this subsection (4), the insured may have its claim allowed by estimation if (i) it may be reasonably inferred from the proof presented upon the claim that a claim exists under the policy; (ii) the insured has furnished suitable proof, unless the court for good cause shown shall otherwise direct, that no further valid claims against the insurer arising out of the cause of action other than those already presented can be made, and (iii) the total liability of the insurer to all claimants arising out of the same act shall be no greater than its total liability would be were it not in liquidation, rehabilitation, or conservation.

(5) The obligation of the insurer, if any, to defend or continue the defense of any claim or suit under a liability insurance policy shall terminate on the entry of the Order of Liquidation, Rehabilitation or Conservation, except during the appeal of an Order of Liquidation as provided by Section 190.1 or, unless upon the petition of the Director, the court directs otherwise. Insureds may include in contingent claims reasonable attorneys fees for services rendered subsequent to the date of Liquidation, Rehabilitation or Conservation in defense of claims or suits covered by the insured's policy provided such attorneys fees have actually been paid by the assured and evidence of payment presented in the manner required for insured's contingent claims.

(6) When a liquidation, rehabilitation, or conservation order has been entered in a proceeding against

[May 31, 2004]

an insurer under this Code, any person who has a cause of action against an insured of the insurer under an insurance policy issued by the insurer shall have the right to file a claim in the proceeding, regardless of the fact that the claim may be contingent, and the claim may be allowed by estimation (a) if it may be reasonably, inferred from proof presented upon the claim that the claimant would be able to obtain a judgment upon the cause of action against the insured; and (b) if the person has furnished suitable proof, unless the court for good cause shown shall otherwise direct, that no further valid claims against the insurer arising out of the cause of action other than those already presented can be made, and (c) the total liability of the insurer to all claimants arising out of the same act shall be no greater than its total liability would be were it not in liquidation, rehabilitation, or conservation.

(7) Contingent or unliquidated general creditors' and ceding insurers' claims that are not made absolute and liquidated by the last day fixed by the court pursuant to subsection (4) may shall be determined and allowed by estimation. Any such estimate shall be based upon an actuarial evaluation made with reasonable actuarial certainty or upon another accepted method of valuing claims with reasonable certainty and, with respect to ceding insurers' claims, may include an estimate of incurred but not reported losses.

(7.5) (a) The estimation and allowance of the loss development on a known loss or occurrence shall trigger a reinsurer's obligation to pay pursuant to its reinsurance contract with the insolvent company, provided that the allowance is made in accordance with paragraph (b) of subsection (4) or subsection (6). The Director shall have the authority to exercise all available remedies on behalf of the insolvent company to marshal these reinsurance recoverables.

(b) That portion of any estimated and allowed contingent claim that is attributable to claims incurred but not reported to the insolvent company's reinsured shall not be billable to the insolvent company's reinsurers, except to the extent that (A) such claims develop into known losses or occurrences and become billable under paragraph (a) of this subsection or (B) the reinsurance contract specifically provides for the payment of such losses or reserves.

(c) Notwithstanding any other provision of this Code, the liquidator may negotiate a voluntary commutation and release of all obligations arising from reinsurance contracts or other agreements.

(8) No judgment against such an insured or an insurer taken after the date of the entry of the liquidation, rehabilitation, or conservation order shall be considered in the proceedings as evidence of liability, or of the amount of damages, and no judgment against an insured or an insurer taken by default, or by collusion prior to the entry of the liquidation order shall be considered as conclusive evidence in the proceeding either of the liability of such insured to such person upon such cause of action or of the amount of damages to which such person is therein entitled.

(9) The value of securities held by secured creditors shall be determined by converting the same into money according to the terms of the agreement pursuant to which such securities were delivered to such creditors, or by such creditors and the Director by agreement, or by the court, and the amount of such value shall be credited upon the claims of such secured creditors and their claims allowed only for the balance.

(10) Claims of creditors or policyholders who have received preferences voidable under Section 204 or to whom conveyances or transfers, assignments or incumbrances have been made or given which are void under Section 204, shall not be allowed unless such creditors or policyholders shall surrender such preferences, conveyances, transfers, assignments or incumbrances.

(11)(a) When the Director denies a claim or allows a claim for less than the amount requested by the claimant, written notice of the determination and of the right to object shall be given promptly to the claimant or the claimant's representative by first class mail at the address shown on the proof of claim. Within 60 days from the mailing of the notice, the claimant may file his written objections with the Director. If no such filing is made on a timely basis, the claimant may not further object to the determination.

(b) Whenever objections are filed with the Director and he does not alter his determination as a result of the objection and the claimant continues to object, the Director shall petition the court for a hearing as soon as practicable and give notice of the hearing by first class mail to the claimant or his representative and to any other persons known by the Director to be directly affected, not less than 10 days before the date of the hearing.

(12) The Director shall review all claims duly filed in the liquidation, rehabilitation, or conservation proceeding, unless otherwise directed by the court, and shall make such further investigation as he considers necessary. The Director may compound, compromise, or in any other manner negotiate the amount for which claims will be recommended to the court. Unresolved disputes shall be determined under subsection (11).

(13)(a) The Director shall present to the court reports of claims reviewed under subsection (12) with

his recommendations as to each claim.

(b) The court may approve or disapprove any recommendations contained in the reports of claims filed by the Director, except that the Director's agreements with claimants shall be accepted as final by the court on claims settled for \$10,000 or less.

(14) The changes made in this Section by this amendatory Act of 1993 apply to all liquidation, rehabilitation, or conservation proceedings that are pending on the effective date of this amendatory Act of 1993 and to all future liquidation, rehabilitation, or conservation proceedings, except that the changes made to the provisions of this Section by this amendatory Act of 1993 shall not apply to any company ordered into liquidation on or before January 1, 1982.

(15) The changes made in this Section by this amendatory Act of the 93rd General Assembly do not apply to any company ordered into liquidation on or before January 1, 2004.

Mr. President -- I am directed to inform the Senate that the House of Representatives has concurred with the Senate in the passage of a bill of the following title, to-wit:

SENATE BILL NO. 3186

House Amendment No. 2 to SENATE BILL NO. 3186

Passed the House, as amended, May 31, 2004.

MARK MAHONEY, Clerk of the House

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend Senate Bill 3186 on page 1, line 5 by changing "Section 1-103" to "Sections 1-103 and 7A-102"; and

on page 3, by replacing lines 30 and 31 with the following:

"(775 ILCS 5/7A-102) (from Ch. 68, par. 7A-102)

Sec. 7A-102. Procedures.

(A) Charge.

[May 31, 2004]

(1) Within 180 days after the date that a civil rights violation allegedly has been committed, a charge in writing under oath or affirmation may be filed with the Department by an aggrieved party or issued by the Department itself under the signature of the Director.

(2) The charge shall be in such detail as to substantially apprise any party properly concerned as to the time, place, and facts surrounding the alleged civil rights violation.

(B) Notice, and Response, and Review of Charge. The Department shall, within 10 days of the date on which the charge was filed, serve a copy of the charge on the respondent. This period shall not be construed to be jurisdictional. The charging party and the respondent may each file a position statement and other materials with the Department regarding the charge of alleged discrimination within 60 days of receipt of the notice of the charge. The position statements and other materials filed shall remain confidential unless otherwise agreed to by the party providing the information and shall not be served on or made available to the other party during pendency of a charge with the Department. The Department shall require the respondent to file a verified response to the allegations contained in the charge within 60 days of receipt of the notice of the charge. The respondent shall serve a copy of its response on the complainant or his representative. All allegations contained in the charge not timely denied by the respondent shall be deemed admitted, unless the respondent states that it is without sufficient information to form a belief with respect to such allegation. The Department shall issue a notice of default directed to any respondent who fails to file a verified response to a charge within 60 days of receipt of the notice of the charge, unless the respondent can demonstrate good cause as to why such notice should not issue. Within 30 days of receipt of the respondent's response, the complainant may file a reply to said response and shall serve a copy of said reply on the respondent or his representative. A party shall have the right to supplement his response or reply at any time that the investigation of the charge is pending. The Department shall, within 10 days of the date on which the charge was filed, and again no later than 335 days thereafter, send by certified or registered mail written notice to the complainant and to the respondent informing the complainant of the right to file a complaint with the Human Rights Commission under subparagraph (2) of paragraph (G), including in such notice the dates within which the complainant may exercise this right. In the notice the Department shall notify the complainant that the charge of civil rights violation will be dismissed with prejudice and with no right to further proceed if a written complaint is not timely filed with the Commission by the complainant pursuant to subparagraph (2) of paragraph (G) or by the Department pursuant to subparagraph (1) of paragraph (G).

(B-1) Mediation. The complainant and respondent may agree to voluntarily submit the charge to mediation without waiving any rights that are otherwise available to either party pursuant to this Act and without incurring any obligation to accept the result of the mediation process. Nothing occurring in mediation shall be disclosed by the Department or admissible in evidence in any subsequent proceeding unless the complainant and the respondent agree in writing that such disclosure be made.

(C) Investigation.

(1) After the respondent has been notified, the Department shall conduct a full investigation of the allegations set forth in the charge.

(2) The Director or his or her designated representatives shall have authority to request any member of the Commission to issue subpoenas to compel the attendance of a witness or the production for examination of any books, records or documents whatsoever.

(3) If any witness whose testimony is required for any investigation resides outside the State, or through illness or any other good cause as determined by the Director is unable to be interviewed by the investigator or appear at a fact finding conference, his or her testimony or deposition may be taken, within or without the State, in the same manner as is provided for in the taking of depositions in civil cases in circuit courts.

(4) Upon reasonable notice to the complainant and the respondent, the Department shall conduct a fact finding conference prior to 365 days after the date on which the charge was filed, unless the Director has determined whether there is substantial evidence that the alleged civil rights violation has been committed or the charge has been dismissed for lack of jurisdiction. If the parties agree in writing, the fact finding conference may be held at a time after the 365 day limit. Any party's failure to attend the conference without good cause shall result in dismissal or default. The term "good cause" shall be defined by rule promulgated by the Department. A notice of dismissal or default shall be issued by the Director and shall notify the relevant party that a request for review may be filed in writing with the Chief Legal Counsel of the Department within 30 days of receipt of notice of dismissal or default.

(D) Report.

(1) Each charge shall be the subject of a report to the Director. The report shall be

a confidential document subject to review by the Director, authorized Department employees, the parties, and, where indicated by this Act, members of the Commission or their designated hearing officers.

(2) Upon review of the report, the Director shall determine whether there is substantial evidence that the alleged civil rights violation has been committed. The determination of substantial evidence is limited to determining the need for further consideration of the charge pursuant to this Act and includes, but is not limited to, findings of fact and conclusions, as well as the reasons for the determinations on all material issues ~~and questions of credibility~~. Substantial evidence is evidence which a reasonable mind accepts as sufficient to support a particular conclusion and which consists of more than a mere scintilla but may be somewhat less than a preponderance.

(a) If the Director determines that there is no substantial evidence, the charge shall be dismissed by order of the Director and the complainant notified that he or she may seek review of the dismissal order before the Chief Legal Counsel of the Department. The complainant shall have 30 days from receipt of notice to file a request for review by the Chief Legal Counsel of the Department.

(b) If the Director determines that there is substantial evidence, he or she shall designate a Department employee who is an attorney licensed to practice in Illinois to endeavor to eliminate the effect of the alleged civil rights violation and to prevent its repetition by means of conference and conciliation.

(E) Conciliation.

(1) When the Department determines that a formal conciliation conference is necessary, the complainant and respondent shall be notified of the time and place of the conference by registered or certified mail at least 10 days prior thereto and either or both parties shall appear at the conference in person or by attorney.

(2) The place fixed for the conference shall be within 35 miles of the place where the civil rights violation is alleged to have been committed.

(3) Nothing occurring at the conference shall be disclosed by the Department unless the complainant and respondent agree in writing that such disclosure be made.

(F) Complaint.

(1) When there is a failure to settle or adjust any charge through conciliation, the Department shall prepare a written complaint, under oath or affirmation, stating the nature of the civil rights violation substantially as alleged in the charge previously filed and the relief sought on behalf of the aggrieved party.

(2) The complaint shall be filed with the Commission.

(G) Time Limit.

(1) When a charge of a civil rights violation has been properly filed, the Department, within 365 days thereof or within any extension of that period agreed to in writing by all parties, shall either issue and file a complaint in the manner and form set forth in this Section or shall order that no complaint be issued and dismiss the charge with prejudice without any further right to proceed except in cases in which the order was procured by fraud or duress. Any such order shall be duly served upon both the complainant and the respondent.

(2) Between 365 and 395 days after the charge is filed, or such longer period agreed to in writing by all parties, the aggrieved party may file a complaint with the Commission, if the Director has not sooner issued a report and determination pursuant to paragraphs (D)(1) and (D)(2) of this Section. The form of the complaint shall be in accordance with the provisions of paragraph (F). The aggrieved party shall notify the Department that a complaint has been filed and shall serve a copy of the complaint on the Department on the same date that the complaint is filed with the Commission.

(3) If an aggrieved party files a complaint with the Human Rights Commission pursuant to paragraph (2) of this subsection, or if the time period for filing a complaint has expired, the Department shall immediately cease its investigation and dismiss the charge of civil rights violation. Any final order entered by the Chief Legal Counsel under this Section is appealable in accordance with paragraph (A)(1) of Section 8-111. Failure to immediately cease an investigation and dismiss the charge of civil rights violation as provided in this paragraph (3) constitutes grounds for entry of an order by the circuit court permanently enjoining the investigation. The Department may also be liable for any costs and other damages incurred by the respondent as a result of the action of the Department.

(4) The Department shall stay any administrative proceedings under this Section after the filing of a civil action by or on behalf of the aggrieved party under any federal or State law seeking relief with respect to the alleged civil rights violation.

(H) This amendatory Act of 1995 applies to causes of action filed on or after January 1, 1996.

(I) This amendatory Act of 1996 applies to causes of action filed on or after January 1, 1996. (Source: P.A. 89-370, eff. 8-18-95; 89-520, eff. 7-18-96.)

Section 99. Effective date. This Act takes effect on January 1, 2005, except that this Section and the provisions changing Section 7A-102 of the Illinois Human Rights Act take effect upon becoming law."

AMENDMENT NO. 2

AMENDMENT NO. 2. Amend Senate Bill 3186 on page 3, line 16 by inserting after "female." the following:

"The terms "because of sex" or "on the basis of sex" include, but are not limited to, because of pregnancy, the perception of pregnancy, childbirth, or pregnancy-related conditions. Persons with those conditions shall be treated the same for all employment-related purposes, including receipt of benefits under fringe benefit programs, as other persons not so affected by those conditions who are similar in their ability or inability to work."

(420 ILCS 20/13) (from Ch. 111 1/2, par. 241-13)

Sec. 13. Waste fees.

(a) The Department shall collect a fee from each generator of low-level radioactive wastes in this State. Except as provided in subsections (b), (c), and (d), the amount of the fee shall be \$50.00 or the following amount, whichever is greater:

(1) \$1 per cubic foot of waste shipped for storage, treatment or disposal if storage of the waste for shipment occurred prior to September 7, 1984;

(2) \$2 per cubic foot of waste stored for shipment if storage of the waste occurs on or after September 7, 1984, but prior to October 1, 1985;

(3) \$3 per cubic foot of waste stored for shipment if storage of the waste occurs on or after October 1, 1985;

(4) \$2 per cubic foot of waste shipped for storage, treatment or disposal if storage of the waste for shipment occurs on or after September 7, 1984 but prior to October 1, 1985, provided that no fee has been collected previously for storage of the waste;

(5) \$3 per cubic foot of waste shipped for storage, treatment or disposal if storage of the waste for shipment occurs on or after October 1, 1985, provided that no fees have been collected previously for storage of the waste.

Such fees shall be collected annually or as determined by the Department and shall be deposited in the low-level radioactive waste funds as provided in Section 14 of this Act. Notwithstanding any other provision of this Act, no fee under this Section shall be collected from a generator for waste generated incident to manufacturing before December 31, 1980, and shipped for disposal outside of this State before December 31, 1992, as part of a site reclamation leading to license termination.

In lieu of the fee, each reactor shall be required to pay an annual fee as provided in this subsection for the treatment, storage and disposal of low-level radioactive waste. Beginning with State fiscal year 1986 and through State fiscal year 1997, fees shall be due and payable on January 1st of

each year. For State fiscal year 1998 and all subsequent State fiscal years, fees shall be due and payable on July 1 of each fiscal year. The fee due on July 1, 1997 shall be payable on that date, or within 10 days after the effective date of this amendatory Act of 1997, whichever is later.

The owner of any nuclear power reactor that has an operating license issued by the Nuclear Regulatory Commission for any portion of State fiscal year 1998 shall continue to pay an annual fee of \$90,000 for the treatment, storage, and disposal of low-level radioactive waste through State fiscal year 2002. The fee shall be due and payable on July 1 of each fiscal year. The fee due on July 1, 1998 shall be payable on that date, or within 10 days after the effective date of this amendatory Act of 1998, whichever is later. ~~If the balance in the Low Level Radioactive Waste Facility Development and Operation Fund falls below \$500,000, as of the end of any fiscal year after fiscal year 2002, the Department is authorized to assess by rule, after notice and a hearing, an additional annual fee to be paid by the owners of nuclear power reactors for which operating licenses have been issued by the Nuclear Regulatory Commission. The additional annual fee shall be payable on the date or dates specified by rule and shall not exceed \$30,000 per operating reactor per year.~~

(c) In each of State fiscal years 1988, 1989 and 1990, in addition to the fee imposed in subsections (b) and (d), the owner of each nuclear power reactor in this State for which an operating license has been issued by the Nuclear Regulatory Commission shall pay a fee of \$408,000. If an operating license is issued during one of those 3 fiscal years, the owner shall pay a prorated amount of the fee equal to \$1,117.80 multiplied by the number of days in the fiscal year during which the nuclear power reactor was licensed.

The fee shall be due and payable as follows: in fiscal year 1988, \$204,000 shall be paid on October 1, 1987 and \$102,000 shall be paid on each of January 1, 1988 and April 1, 1988; in fiscal year 1989, \$102,000 shall be paid on each of July 1, 1988, October 1, 1988, January 1, 1989 and April 1, 1989; and in fiscal year 1990, \$102,000 shall be paid on each of July 1, 1989, October 1, 1989, January 1, 1990 and April 1, 1990. If the operating license is issued during one of the 3 fiscal years, the owner shall be subject to those payment dates, and their corresponding amounts, on which the owner possesses an operating license and, on June 30 of the fiscal year of issuance of the license, whatever amount of the prorated fee remains outstanding.

All of the amounts collected by the Department under this subsection (c) shall be deposited into the Low-Level Radioactive Waste Facility Development and Operation Fund created under subsection (a) of Section 14 of this Act and expended, subject to appropriation, for the purposes provided in that subsection.

(d) In addition to the fees imposed in subsections (b) and (c), the owners of nuclear power reactors in this State for which operating licenses have been issued by the Nuclear Regulatory Commission shall pay the following fees for each such nuclear power reactor: for State fiscal year 1989, \$325,000 payable on October 1, 1988, \$162,500 payable on January 1, 1989, and \$162,500 payable on April 1, 1989; for State fiscal year 1990, \$162,500 payable on July 1, \$300,000 payable on October 1, \$300,000 payable on January 1 and \$300,000 payable on April 1; for State fiscal year 1991, either (1) \$150,000 payable on July 1, \$650,000 payable on September 1, \$675,000 payable on January 1, and \$275,000 payable on April 1, or (2) \$150,000 on July 1, \$130,000 on the first day of each month from August through December, \$225,000 on the first day of each month from January through March and \$92,000 on the first day of each month from April through June; for State fiscal year 1992, \$260,000 payable on July 1, \$900,000 payable on September 1, \$300,000 payable on October 1, \$150,000 payable on January 1, and \$100,000 payable on April 1; for State fiscal year 1993, \$100,000 payable on July 1, \$230,000 payable on August 1 or within 10 days after July 31, 1992, whichever is later, and \$355,000 payable on October 1; for State fiscal year 1994, \$100,000 payable on July 1, \$75,000 payable on October 1 and \$75,000 payable on April 1; for State fiscal year 1995, \$100,000 payable on July 1, \$75,000 payable on October 1, and \$75,000 payable on April 1, for State fiscal year 1996, \$100,000 payable on July 1, \$75,000 payable on October 1, and \$75,000 payable on April 1. The owner of any nuclear power reactor that has an operating license issued by the Nuclear Regulatory Commission for any portion of State fiscal year 1998 shall pay an annual fee of \$30,000 through State fiscal year 2003. For State fiscal year 2004 and subsequent fiscal years, the owner of any nuclear power reactor that has an operating license issued by the Nuclear Regulatory Commission shall pay an annual fee of \$30,000 per reactor, provided that the fee shall not apply to a nuclear power reactor with regard to which the owner notified the Nuclear Regulatory Commission during State fiscal year 1998 that the nuclear power reactor permanently ceased operations. The fee shall be due and payable on July 1 of each fiscal year. The fee due on July 1, 1998 shall be payable on that date, or within 10 days after the effective date of this amendatory Act of 1998, whichever is later. The fee due on July 1, 1997 shall be payable on that date or within 10 days after the effective date of this amendatory Act of 1997, whichever is later. If the

payments under this subsection for fiscal year 1993 due on January 1, 1993, or on April 1, 1993, or both, were due before the effective date of this amendatory Act of the 87th General Assembly, then those payments are waived and need not be made.

All of the amounts collected by the Department under this subsection (d) shall be deposited into the Low-Level Radioactive Waste Facility Development and Operation Fund created pursuant to subsection (a) of Section 14 of this Act and expended, subject to appropriation, for the purposes provided in that subsection.

All payments made by licensees under this subsection (d) for fiscal year 1992 that are not appropriated and obligated by the Department above \$1,750,000 per reactor in fiscal year 1992, shall be credited to the licensees making the payments to reduce the per reactor fees required under this subsection (d) for fiscal year 1993.

(e) The Department shall promulgate rules and regulations establishing standards for the collection of the fees authorized by this Section. The regulations shall include, but need not be limited to:

(1) the records necessary to identify the amounts of low-level radioactive wastes produced;

(2) the form and submission of reports to accompany the payment of fees to the Department;
and

(3) the time and manner of payment of fees to the Department, which payments shall not be more frequent than quarterly.

(f) Any operating agreement entered into under subsection (b) of Section 5 of this Act between the Department and any disposal facility contractor shall, subject to the provisions of this Act, authorize the contractor to impose upon and collect from persons using the disposal facility fees designed and set at levels reasonably calculated to produce sufficient revenues (1) to pay all costs and expenses properly incurred or accrued in connection with, and properly allocated to, performance of the contractor's obligations under the operating agreement, and (2) to provide reasonable and appropriate compensation or profit to the contractor under the operating agreement. For purposes of this subsection (f), the term "costs and expenses" may include, without limitation, (i) direct and indirect costs and expenses for labor, services, equipment, materials, insurance and other risk management costs, interest and other financing charges, and taxes or fees in lieu of taxes; (ii) payments to or required by the United States, the State of Illinois or any agency or department thereof, the Central Midwest Interstate Low-Level Radioactive Waste Compact, and subject to the provisions of this Act, any unit of local government; (iii) amortization of capitalized costs with respect to the disposal facility and its development, including any capitalized reserves; and (iv) payments with respect to reserves, accounts, escrows or trust funds required by law or otherwise provided for under the operating agreement.

(g) (Blank).

(h) (Blank).

(i) (Blank).

(j) (Blank).

(j-5) Prior to commencement of facility operations, the Department shall adopt rules providing for the establishment and collection of fees and charges with respect to the use of the disposal facility as provided in subsection (f) of this Section.

(k) The regional disposal facility shall be subject to ad valorem real estate taxes lawfully imposed by units of local government and school districts with jurisdiction over the facility. No other local government tax, surtax, fee or other charge on activities at the regional disposal facility shall be allowed except as authorized by the Department.

(l) The Department shall have the power, in the event that acceptance of waste for disposal at the regional disposal facility is suspended, delayed or interrupted, to impose emergency fees on the generators of low-level radioactive waste. Generators shall pay emergency fees within 30 days of receipt of notice of the emergency fees. The Department shall deposit all of the receipts of any fees collected under this subsection into the Low-Level Radioactive Waste Facility Development and Operation Fund created under subsection (b) of Section 14. Emergency fees may be used to mitigate the impacts of the suspension or interruption of acceptance of waste for disposal. The requirements for rulemaking in the Illinois Administrative Procedure Act shall not apply to the imposition of emergency fees under this subsection.

(m) The Department shall promulgate any other rules and regulations as may be necessary to implement this Section.

"ARTICLE 1

Section 1-1. Short title. This Article may be cited as the Tax Shelter Voluntary Compliance Act, and throughout this Article, references to this Act shall mean this Article.

Section 1-5. Tax shelter voluntary compliance program.

(a) In general. The Department shall establish and administer a tax shelter voluntary compliance program as provided in this Section for eligible taxpayers subject to tax under the Illinois Income Tax Act. The tax shelter voluntary compliance program shall be conducted from October 15, 2004 to November 30, 2004 and shall apply to tax liabilities under Section 201 of the Illinois Income Tax Act attributable to the use of abusive tax avoidance transactions for taxable years beginning before January 1, 2004. The Department shall adopt rules, issue forms and instructions, and take such other actions as it deems necessary to implement the provisions of this Act. Any correspondence mailed by the Department to a taxpayer at the taxpayer's last known address outlining the tax shelter voluntary compliance program constitutes a "contact" within the meaning of Sections 1005(b)(6) and 1005(c) of the Illinois Income Tax Act for taxable years to which this Act applies.

(b) Election. An eligible taxpayer that meets the requirements of subsection (c) of this Section with respect to any taxable year to which this Act applies may elect to participate in the tax shelter voluntary compliance program under either (but not both) paragraph (1) or paragraph (2) of this subsection. Such election shall be made separately for each taxable year and in the form and manner prescribed by the Department and, once made, shall be irrevocable.

(1) Voluntary compliance without appeal. If a taxpayer elects to participate under this

paragraph, then: (i) the Department shall abate and not seek to collect any penalty that may be applicable to the underreporting or underpayment of Illinois income tax attributable to the use of abusive tax avoidance transactions for such taxable year; (ii) except as otherwise provided in this Act, the Department shall not seek civil or criminal prosecution against the taxpayer for such taxable year with respect to abusive tax avoidance transactions; and (iii) the taxpayer may not file a claim for credit or refund of amounts paid for such taxable year in connection with abusive tax avoidance transactions. No penalty may be waived or abated under this Act if the penalty imposed relates to an amount of Illinois income tax assessed prior to October 15, 2004.

(2) Voluntary compliance with appeal. If an eligible taxpayer elects to participate under this paragraph, then: (i) the Department shall abate and not seek to collect the penalties imposed

[May 31, 2004]

under Sections 1005(b) and 1005(c) of the Illinois Income Tax Act with respect to such taxable year; (ii) except as otherwise provided in this Act, the Department shall not seek civil or criminal prosecution against the taxpayer for such taxable year with respect to abusive tax avoidance transactions; and (iii) the taxpayer may file a claim for credit or refund as provided in the Illinois Income Tax Act with respect to such taxable year. Notwithstanding Section 909(e) of the Illinois Income Tax Act, the taxpayer may not file a written protest until after either of the following: (i) the Department issues a notice of denial, or (ii) the earlier of (1) the date which is 180 days after the date of a final determination by the Internal Revenue Service with respect to the transactions at issue, or (2) the date that is 4 years after the date the claim for refund was filed or one year after full payment of all tax, including penalty and interest. No penalty may be waived or abated under this Act if the penalty imposed relates to an amount of Illinois income tax assessed prior to October 15, 2004.

(c) Eligible taxpayer. The tax shelter voluntary compliance program applies to any taxpayer who, during the period from October 15, 2004 to November 30, 2004, does both of the following:

(1) Files an amended return for the taxable year for which the taxpayer used an abusive tax avoidance transaction to under report the taxpayer's Illinois income tax liability, reporting the total Illinois net income and tax for such taxable year computed without regard to any abusive tax avoidance transactions; and

(2) Makes full payment of the entire amount of Illinois income tax and interest due for such taxable year (not including a payment made under protest as provided in Section 2a.1 of the State Officers and Employees Money Disposition Act (30 ILCS 230/2a.1)).

Section 1-10. Abusive tax avoidance transaction. For purposes of this Act, the term "abusive tax avoidance transaction" means a plan or arrangement devised for the principal purpose of avoiding federal or Illinois income tax. Abusive tax avoidance transactions include, but are not limited to, "listed transactions", as defined in Treasury Regulations Section 1.6011-4(b)(2), and Illinois listed transactions as defined in Section 501(b)(2)(A)(2) of the Illinois Income Tax Act.

Section 1-15. Article 2 Credits. In the event a taxpayer does not participate in the tax shelter voluntary compliance program with respect to a taxable year in which there exists a deficiency attributable in whole or in part to an abusive tax avoidance transaction, the following apply:

(1) the taxpayer's liability for such taxable year under Section 201(a) and (b) of this Act, minus any credits allowed under Article 2, shall in no event be less than the increase in net income (or decrease in loss) attributable to the abusive tax shelter times the applicable rate in Section 201(b) of this Act;

(2) the taxpayer's liability for such taxable year under Section 201(c) and (d) of this Act, minus any credits allowed under Article 2, shall in no event be less than the increase in net income (or decrease in loss) attributable to the abusive tax shelter times the applicable rate in Section 201(d) of this Act; and

(3) the determination of the amount of any Article 2 credit available to carry forward to years subsequent to such taxable year shall be made without regard to subsections (1) and (2).

Section 1-20. The fact of a taxpayer's participation in the tax shelter voluntary compliance program shall not be considered evidence that the taxpayer in fact engaged in an abusive tax avoidance transaction.

ARTICLE 5

Section 5-1. Short title. This Article may be cited as the Watercraft Use Tax Law, and references in this Article to "this Law" mean this Article.

Section 5-5. Definitions. For the purposes of this Law:

"Department" means the Department of Revenue.

"Purchase price" means the reasonable consideration paid for a watercraft valued at \$10,000 or more whether received in money or otherwise, including, but not limited to, cash, credits, property, and services, and including the value of any motor sold with, or in conjunction with, the watercraft. Except in the case of transfers between immediate family members, reasonable consideration ordinarily means the fair market value on the date the watercraft or the share of the watercraft was acquired or the date the

[May 31, 2004]

watercraft was brought into this State, whichever is later, unless the taxpayer can demonstrate that a different value is reasonable. In the case of transfers between immediate family members, reasonable consideration ordinarily means the consideration actually paid, unless it appears from the facts and circumstances that the primary motivation of the transfer was the avoidance of tax.

"Watercraft" means:

- (1) Class 1, Class 2, Class 3, and Class 4 watercraft, as defined in Section 3-2 of the Boat Registration and Safety Act;
- (2) personal watercraft, as defined in Section 1-2 of the Boat Registration and Safety Act; and
- (3) any boat equipped with an inboard motor.

Section 5-10. Tax imposed. A tax is hereby imposed on the privilege of using, in this State, any watercraft acquired by gift, transfer, or purchase after June 30, 2004. This tax does not apply if: (i) the use of the watercraft is otherwise taxed under the Use Tax Act; (ii) the watercraft is bought and used by a governmental agency or a society, association, foundation, or institution organized and operated exclusively for charitable, religious, or educational purposes and that entity has been issued an exemption identification number under Section 1g of the Retailers' Occupation Tax Act; (iii) the use of the watercraft is not subject to the Use Tax Act by reason of subsection (a), (b), (c), (d), or (e) of Section 3-55 of that Act dealing with the prevention of actual or likely multi-state taxation; or (iv) the transfer is a gift to a beneficiary in the administration of an estate and the beneficiary is a surviving spouse.

Section 5-15. Rate of tax.

The rate of tax is 6.25% of the purchase price for each purchase of watercraft that is subject to tax under this Law. When an ownership share of a watercraft is acquired, the tax is imposed on the purchase price of that share. All owners are jointly and severally liable for any tax due as a result of the purchase, gift, or transfer of an ownership share of the watercraft.

Section 5-20. Returns.

(a) The purchaser, transferee, or donee shall file with the Department a return signed by the purchaser, transferee, or donee on a form prescribed by the Department. The return shall contain a verification in substantially the following form and such other information as the Department may reasonably require:

VERIFICATION

I declare that I have examined this return and, to the best of my knowledge, it is true, correct, and complete. I understand that the penalty for willfully filing a false return is a fine not to exceed \$1,000 or imprisonment in a penal institution other than the penitentiary not to exceed one year, or both a fine and imprisonment.

(b) The return and payment from the purchaser, transferee, or donee shall be submitted to the Department within 30 days after the date of purchase, donation, or other transfer or the date the watercraft is brought into this State, whichever is later. Payment of tax is a condition to securing certificate of title for the watercraft from the Department of Natural Resources. When a purchaser, transferee, or donee pays the tax imposed by Section 5-10 of this Law, the Department (upon request therefor from the purchaser, transferee, or donee) shall issue an appropriate receipt to the purchaser, transferee, or donee showing that he or she has paid the tax to the Department. The receipt shall be sufficient to relieve the purchaser, transferee, or donee from further liability for the tax to which the receipt may refer.

Section 5-25. Filing false or incomplete return. Any person required to file a return under this Law who willfully files a false or incomplete return is guilty of a Class A misdemeanor.

Section 5-30. Determining purchase price. For the purpose of assisting in determining the validity of the purchase price reported on returns filed with the Department, the Department may furnish the following information to persons with whom the Department has contracted for service related to making that determination: (i) the purchase price stated on the return; (ii) the watercraft identification number; (iii) the year, the make, and the model name or number of the watercraft; (iv) the purchase date; and (v) the hours of operation.

Section 5-35. Powers of Department. The Department has full power to: (i) administer and enforce this Law; (ii) collect all taxes, penalties, and interest due under this Law; (iii) dispose of taxes, penalties,

[May 31, 2004]

and interest so collected in the manner set forth in this Law; and (iv) determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this Law. In the administration of, and compliance with, this Law, the Department and persons who are subject to this Law have the same rights, remedies, privileges, immunities, powers, and duties, and are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure, as are prescribed in the Use Tax Act (except for the provisions of Section 3-70), that are not inconsistent with this Law, as fully as if the provisions of the Use Tax Act were set forth in this Law. In addition to any other penalties imposed under law, any person convicted of violating the provisions of this Law shall be assessed a fine of \$1,000.

Section 5-40. Payments to Local Government Distributive Fund and General Revenue Fund. The Department shall each month, upon collecting any taxes as provided in this Law, pay 20% of the money collected into the Local Government Distributive Fund, a special fund in the State treasury, and 80% into the General Revenue Fund.

Section 5-45. Rules. The Department has the authority to adopt such rules as are reasonable and necessary to implement the provisions of this Law.

Section 5-990. The Retailers' Occupation Tax Act is amended by changing Section 1c as follows:

(35 ILCS 120/1c) (from Ch. 120, par. 440c)

Sec. 1c. A person who is engaged in the business of leasing or renting motor vehicles or, beginning July 1, 2003, aircraft or, beginning July 1, 2004, watercraft to others and who, in connection with such business sells any used motor vehicle, ~~or aircraft~~, or watercraft to a purchaser for his use and not for the purpose of resale, is a retailer engaged in the business of selling tangible personal property at retail under this Act to the extent of the value of the vehicle or aircraft sold. For the purpose of this Section "motor vehicle" has the meaning prescribed in Section 1-157 of the Illinois Vehicle Code, as now or hereafter amended. For the purpose of this Section "aircraft" has the meaning prescribed in Section 3 of the Illinois Aeronautics Act. For the purpose of this Section, "watercraft" has the meaning prescribed in Section 5-5 of the Watercraft Use Tax Law. (Nothing provided herein shall affect liability incurred under this Act because of the sale at retail of such motor vehicles, ~~or aircraft~~, or watercraft to a lessor.) (Source: P.A. 93-24, eff. 6-20-03.)

Section 5-995. The Boat Registration and Safety Act is amended by changing Section 3A-5 as follows:

(625 ILCS 45/3A-5) (from Ch. 95 1/2, par. 313A-5)

Sec. 3A-5. Certificate of title - Issuance - Records.

(a) The Department of Natural Resources shall file each application received and, when satisfied as to its genuineness and regularity, and that no tax imposed by the "Use Tax Act" or the Watercraft Use Tax Law is owed as evidenced by the receipt for payment or determination of exemption from the Department of Revenue provided for in Section 3A-3 of this Article, and that the applicant is entitled to the issuance of a certificate of title, shall issue a certificate of title.

(b) The Department of Natural Resources shall maintain a record of all certificates of title issued under a distinctive title number assigned to the watercraft and, in the discretion of the Department, in any other method determined.

ARTICLE 10

Section 10-5. The Public Utilities Act is amended by changing Section 8-403.1 as follows:

(220 ILCS 5/8-403.1) (from Ch. 111 2/3, par. 8-403.1)

Sec. 8-403.1. Electricity purchased from qualified solid waste energy facility; tax credit; distributions for economic development.

(a) It is hereby declared to be the policy of this State to encourage the development of alternate energy production facilities in order to conserve our energy resources and to provide for their most efficient use.

(b) For the purpose of this Section and Section 9-215.1, "qualified solid waste energy facility" or "QSWEF" means a facility, regardless of when the facility was financed, constructed, or completed, determined either before or after this amendatory Act of the 93rd General Assembly becomes law by the Illinois Commerce Commission to qualify as such under the Local Solid Waste Disposal Act, to use methane gas generated from landfills as its primary fuel, ~~and~~ to possess characteristics that would enable

[May 31, 2004]

it to qualify as a cogeneration or small power production facility under federal law to meet the ownership requirements set forth in this Section, to meet the primary fuel use requirements set forth in this Section, to meet the requirements for the reimbursement of State tax credits set forth in this Section, and to meet all other requirements set forth in this Section. The Commission, in order to promote the development of landfill sites for QSWEF use, shall have the authority to determine the number of QSWEFs approved at a single landfill site. In determining, for the purposes of this Section, whether a facility meets the requirements to become a small power production facility under federal law, the Commission may consider, but is not bound by, any action or inaction of a federal administrative agency or any self-certification of a facility.

(c) In furtherance of the policy declared in this Section, the Illinois Commerce Commission shall require electric utilities to enter into long-term contracts, pursuant to a tariff approved by the Commission, to purchase electricity from qualified solid waste energy facilities located in the electric utility's service area, for a period beginning on the date that the facility begins generating electricity and having a duration of not less than 10 years in the case of facilities fueled by landfill-generated methane, or 20 years in the case of facilities fueled by methane generated from a landfill owned by a forest preserve district. The purchase rate contained in such contracts for the period prior to 90 days after the effective date of this amendatory Act of the 93rd General Assembly shall be equal to the average amount per kilowatt-hour paid from time to time by the unit or units of local government in which the electricity generating facilities are located, excluding amounts paid for street lighting and pumping service.

Notwithstanding any provision in any contract entered into with a facility that has been approved as or found to be a QSWEF, beginning 90 days after the effective date of this amendatory Act of the 93rd General Assembly, the purchase rate to be paid to the QSWEF by the utility shall be the rate that the utility must purchase the output of qualified facilities pursuant to the federal Public Utility Regulatory Policies Act of 1978 and as determined pursuant to 83 Ill. Adm. Code 430.80, plus an incentive payment (IP). The IP shall be calculated as follows:

(1) for all QSWEFs using landfill generated methane as their primary fuel, $IP = 0.5 \times (RR - AC)$, or

(2) for all QSWEFs using landfill generated methane as their primary fuel from a landfill owned by a forest preserve district, $IP = 0.75 \times (RR - AC)$.

For the purposes of this subsection, "RR" means the average retail rate for electricity paid by the utility to the QSWEF for all kWhs sold to the utility for the 3 years prior to the effective date of this amendatory Act of the 93rd General Assembly and "AC" means avoided costs or the average rate for the utility that the utility must purchase the output of qualified facilities pursuant to the federal Public Utility Regulatory Policies Act of 1978 and as determined pursuant to 83 Ill. Adm. Code 430.80 for the 3 years prior to the effective date of this amendatory Act of the 93rd General Assembly. If there are less than 3 years of data available to calculate RR and AC, then RR and AC shall be calculated over the time period for which the RR data is available.

In the event that no data is available to calculate RR, then $IP = 2.5$ cents per kilowatt-hour for all kilowatt-hours sold for facilities using landfill generated methane, or $IP = 3.75$ cents per kilowatt-hour for all kilowatt-hours sold for facilities fueled by methane generated from a landfill owned by a forest preserve district.

The utility shall submit to the Illinois Commerce Commission a monthly calculation of the kilowatt-hours purchased by it from each QSWEF with which it has a contract. These calculations shall be provided in total and according to the amount of purchases made under each rate pursuant to this Section. Contracts between a utility and a QSWEF pursuant to this subsection are not transferable from the petitioning owners to other entities without prior Commission approval.

The electric utility shall file a tariff with the Illinois Commerce Commission that sets forth the calculations required by this subsection.

The QSWEF owner or operator shall negotiate facility operating conditions with the purchasing utility in accordance with that utility's posted standard terms and conditions for small power producers.

(d) With respect to electricity purchased by a public utility pursuant to subsection (c), the public utility whenever a public utility is required to purchase electricity pursuant to subsection (c) above, it shall be entitled to credits in respect of its obligations to remit to the State taxes it has collected under the Electricity Excise Tax Law equal to the amounts, if any, by which payments for such electricity exceed (i) the then current rate at which the utility must purchase the output of qualified facilities pursuant to the federal Public Utility Regulatory Policies Act of 1978, less (ii) any costs, expenses, losses, damages or other amounts incurred by the utility, or for which it becomes liable, arising out of its failure to obtain such electricity from such other sources. The credit provided in this subsection shall be applied against taxes otherwise due or payable for the months in which payment with respect to which the credit is claimed is made by the utility. The amount of any such credit shall, in the first instance, be determined

by the utility, which shall make a monthly report of such credits to the Illinois Commerce Commission and, on its monthly tax return, to the Illinois Department of Revenue. If the amount of the credit to which the utility is entitled for any month exceeds the utility's estimated obligation to remit to the State taxes it has collected under the Electricity Excise Tax Law for that month, the excess may be carried forward and applied to the utility's estimated obligation in the immediately succeeding months. Under no circumstances shall a utility be required to purchase electricity from a qualified solid waste energy facility at the rate prescribed in subsection (c) of this Section if such purchase would result in estimated tax credits that exceed, on a monthly basis, the utility's estimated obligation to remit to the State taxes it has collected under the Electricity Excise Tax Law. The owner or operator shall negotiate facility operating conditions with the purchasing utility in accordance with that utility's posted standard terms and conditions for small power producers. If the Department of Revenue disputes the amount of any such credit, such dispute shall be decided by the Illinois Commerce Commission.

Notwithstanding any other provision of this Section, the tax credit provided in this subsection (d) is available for purchases of all kWhs from any entity that has received from the Illinois Commerce Commission a determination that it is a QSWEF until such time as the ICC enters and serves on the utility purchasing from such QSWEF an order specifically finding that the entity in question is no longer entitled to receive the incentive payment. Upon the issuance by the Commission of such an order or an order revoking or suspending an entity's status as a QSWEF, the Commission shall cause a copy of the order to be served upon the electric utility purchasing power from that QSWEF or entity. From and after 5 business days after the utility's receipt of that order and until such time as the QSWEF's right to receive the incentive payment or the entity's status as a QSWEF is reinstated by a superseding order of the Commission, the utility shall not, notwithstanding anything to the contrary in any contract between the utility and the QSWEF, make the incentive payment to the QSWEF or the entity.

Whenever a qualified solid waste energy facility that has sold electricity at rates in effect prior to 90 days after the effective date of this amendatory Act of the 93rd General Assembly has paid or otherwise satisfied in full the capital costs or indebtedness incurred in developing and implementing the qualified facility or at the end of the contract entered into pursuant to subsection (c), whichever occurs first, the QSWEF qualified facility shall reimburse the Public Utility Fund and the General Revenue Fund in the State treasury for the actual reduction in payments to those Funds caused by this subsection (d) for all amounts incurred prior to 90 days after the effective date of this amendatory Act of the 93rd General Assembly in a manner to be determined by the Illinois Commerce Commission and based on the manner in which revenues for those Funds were reduced. Notwithstanding the provisions of this paragraph, whenever the Illinois Commerce Commission, pursuant to a petition or an investigation on its own motion, enters an order that revokes the QSWEF status of a previously approved QSWEF, the Commission shall have the authority to require the immediate reimbursement of the Public Utility Fund and the General Revenue Fund in the State treasury for the actual reduction in payments to those Funds caused by this subsection (d) for all amounts incurred prior to 90 days after the effective date of this amendatory Act of the 93rd General Assembly in a manner to be determined by the Illinois Commerce Commission. The payments required under this subsection shall be made to the Illinois Commerce Commission, which shall determine the appropriate disbursements to the Public Utility Fund and the General Revenue Fund.

The Commission has the authority to require a QSWEF to establish a plan to reimburse the State for tax credits resulting from electricity sold prior to 90 days after the effective date of this amendatory Act of the 93rd General Assembly. The Commission also has the authority to require that a QSWEF comply with any reimbursement plan it proposed and that was approved by the Commission as part of any order granting QSWEF status.

A QSWEF that lacks a Commission approved plan to reimburse the State for tax credits resulting from electricity sold prior to 90 days after the effective date of this amendatory Act of the 93rd General Assembly, shall submit a proposed reimbursement plan to the Commission for approval within 365 days after the effective date of this amendatory Act of the 93rd General Assembly. The Commission, in its discretion, may approve such repayment plan if it finds that the repayment plan is reasonably calculated to ensure that all reimbursement obligations of the QSWEF will be satisfied when they become due. If the Commission finds that the repayment plan as proposed by the QSWEF does not meet this standard, it may order its own repayment plan. A reimbursement plan approved by the Commission may include, but is not limited to, creation of a sinking fund, purchase of bonds or other financial instruments, grant of a security interest, third party guarantee, or other similar arrangement. Any account, fund, bond, financial instrument, investment, or other similar investment or set-aside used to fund a QSWEF reimbursement plan, if denominated as such, shall be deemed to be held in trust for the benefit of the Commission for the sole purpose of reimbursing the QSWEF's reimbursement obligations to the State and, absent the

consent of the Commission, shall be used exclusively to repay the QSWEF's tax credit reimbursement obligations hereunder. If a QSWEF fails to file a reimbursement plan as required by this subsection, then the Commission, pursuant to an investigation on its own motion or petition, shall order the suspension of the incentive payment provided for in subsection (c). If the incentive payment is suspended pursuant to this subsection, then it can only be reinstated by an order of the Illinois Commerce Commission that finds that a QSWEF is in compliance with the requirements of this subsection.

The Commission shall have the authority to reconsider any previously approved reimbursement plan to determine whether it is adequate to meet the requirement that any reimbursement plan be reasonably calculated to ensure that all reimbursement obligations of the QSWEF will be satisfied when they become due. If the Commission determines that the previously approved reimbursement plan is inadequate for any reason, the Commission may order the QSWEF to submit a new reimbursement plan, which shall be approved if the Commission, in its discretion, determines that the new reimbursement plan meets the criteria for approval of an original reimbursement plan as set forth herein. The Commission shall have the authority to modify a new reimbursement plan filed by QSWEF to ensure that the approved plan meets the criteria for approval of an original reimbursement plan as set forth herein.

In the event the Commission enters an order determining that a QSWEF has failed to comply with the terms of any reimbursement plan that has been approved or ordered by the Commission or in the event that an order is entered revoking the QSWEF status of any entity, the Commission shall automatically, by operation of law, obtain a lien on all assets of the QSWEF, whether real or personal and whether currently owned or after-acquired, to secure the payment of all reimbursement obligations that the QSWEF has or will have pursuant to this Section. The lien shall have the same force and effect as a tax lien as provided for in Section 5a of the Retailers' Occupation Tax Act. In addition to any other remedies available under law for enforcement of a lien, the lien granted herein in favor of the Commission shall be enforceable, as far as practicable, in accordance with the provisions applicable to enforcement of tax liens as set forth in Sections 5b, 5c, 5d, 5e, 5f, and 5g of the Retailers' Occupation Tax Act. In addition, the provisions of Section 5j of the Retailers' Occupation Tax Act shall apply, as far as practicable, to the repayment of any amounts required to be reimbursed as provided for herein unless the Commission orders otherwise.

Any entity that receives payments as provided for in subsection (c) of this Section as if it were a QSWEF, but that is determined not to qualify as a QSWEF, or any entity that is authorized to operate as a QSWEF, but receives payments pursuant to subsection (c) of this Section for the sale of electricity that does not qualify under this Section is liable to the State for all amounts so obtained plus attorneys' fees, costs, and interest at the judgment rate accruing from the date the improper payment was obtained. In addition, any director, officer, partner, employee, or other person who has the control, supervision, or responsibility for overseeing the operations of such entity and who allows such entity to illegally obtain payments pursuant to subsection (c) of this Section shall be personally liable to the State for the amounts received plus attorneys' fees, costs, and interest at the judgment rate from the date the improper payment was obtained. The remedies provided for herein are in addition to any other remedies provided for by law.

(e) The Illinois Commerce Commission shall not require an electric utility to purchase electricity from any qualified solid waste energy facility which is directly or indirectly owned or operated by an entity that is primarily engaged in the business of producing or selling electricity, gas, or useful thermal energy from a source other than one or more qualified solid waste energy facilities. To effectuate this subsection and the other requirements of this Act, the QSWEF must disclose any entity with a direct or indirect ownership interest in it as part of its initial petition under subsection (b) of this Section, shall petition the Commission for a new determination of QSWEF status if more than 25% of its direct or indirect ownership changes, and shall not assign or transfer a QSWEF determination without prior approval of the Commission. Commission-approved owners and operators of QSWEFs must meet the requirements of this subsection for the duration of the contract entered into with a utility pursuant to subsection (c). If a QSWEF fails to remain in compliance with this subsection, then the Commission, pursuant to an investigation on its own motion or a petition, shall terminate the payment provided for in subsection (c) that is at a rate that exceeds the then current rate at which the utility must purchase the output of qualified facilities pursuant to the federal Public Utility Regulatory Policies Act of 1978. The termination will not excuse the repayment to the State treasury required by subsection (d) for utility tax credits accumulated prior to 90 days after the effective date of this amendatory Act of the 93rd General Assembly and up to the time of the termination.

(e-5) If a QSWEF uses fuel other than landfill generated methane to generate electricity without first receiving Commission approval to use the other fuel, then the payment from the utility to the QSWEF

shall not exceed the then current rate at which the utility must purchase the output of qualified facilities pursuant to the federal Public Utility Regulatory Policies Act of 1978. If the Commission finds, pursuant to an investigation on its own motion or a petition, that a QSWEF uses fuel other than landfill generated methane to generate electricity without first receiving Commission approval, then the Commission shall have the authority to revoke the QSWEF's approval status and to require a QSWEF to repay all past amounts received for electricity sold at a rate that exceeds the then current rate at which the utility must purchase the output of qualified facilities pursuant to the federal Public Utility Regulatory Policies Act of 1978. The Commission shall have the authority to require the QSWEF to repay all such amounts from the date that the Commission determines that the violation commenced. Commission action that revokes prior QSWEF approval does not excuse the repayment to the State treasury required by subsection (d) for utility tax credits accumulated up to the time of the Commission action.

If a QSWEF or an entity seeking QSWEF approval petitions the Commission to use fuel other than landfill generated methane to generate electricity, then the Commission shall have the authority to:

(1) establish the methodology for determining the amount of electricity that is generated by the use of landfill generated methane and the amount that is generated by the use of other fuel;

(2) determine all reporting requirements for the QSWEF that are necessary for the Commission to determine the amount of electricity that is generated by the use of landfill generated methane and the amount that is generated by the use of other fuel and the resulting payments to the QSWEF; and

(3) require that the QSWEF, at the QSWEF's expense, install metering equipment that the Commission determines is necessary to enforce compliance with this subsection.

If the Commission approves a petition to use fuel other than landfill generated methane for the generation of electricity, the Commission shall establish procedures for calculating the subsection (c) incentive payment that is applicable only to kilowatt-hours generated by the use of landfill generated methane and for submitting these calculations to the utility that purchases power from the QSWEF. The utility shall have the authority to adjust the next month's purchases from a QSWEF to reflect the entire amount of the Commission's calculations. If such an adjustment requires payment from the QSWEF to the utility, then the QSWEF must remit payment in full to the utility within 30 days of receiving the bill from the utility. The utility shall adjust its monthly State tax credits, taken pursuant to subsection (d), accordingly to reflect the Commission's calculations under this subsection, such that the subsection (d) tax credits are taken only for kWhs generated by landfill generated methane.

If the Commission approves a petition by a QSWEF or an entity seeking QSWEF approval to use fuel other than landfill generated methane to generate electricity, then the Commission shall restrict the use of such fuel to the minimum amounts of fuel required for ignition, startup, testing, flame stabilization, and control uses, the minimum amounts of fuel required to alleviate or prevent unanticipated equipment outages, and emergencies directly affecting the public health, safety, or welfare that would result from electric power outages. Such fuel use may not, in the aggregate, exceed 25% of the total fuel input, including landfill generated methane, during the 12-month period beginning with the date the QSWEF first produces electric energy and any calendar year subsequent to the year in which the QSWEF first produces electricity.

If a QSWEF fails to comply with a Commission order pursuant to this subsection, then the Commission shall, pursuant to an investigation on its own motion or petition, suspend the payment provided for in subsection (c) that exceeds the then current rate at which the utility must purchase the output of qualified facilities pursuant to the federal Public Utility Regulatory Policies Act of 1978. If the payment provided for in subsection (c) is suspended pursuant to this subsection, then it can only be reinstated by an order of the Illinois Commerce Commission that finds that a QSWEF is in compliance with the requirements of this subsection.

(f) This Section does not require an electric utility to construct additional facilities unless those facilities are paid for by the owner or operator of the affected qualified solid waste energy facility.

(g) The Illinois Commerce Commission shall require that: (1) electric utilities use the electricity purchased from a qualified solid waste energy facility to displace electricity generated from nuclear power or coal mined and purchased outside the boundaries of the State of Illinois before displacing electricity generated from coal mined and purchased within the State of Illinois, to the extent possible, and (2) electric utilities report annually to the Commission on the extent of such displacements.

(h) Nothing in this Section is intended to cause an electric utility that is required to purchase power hereunder to incur any economic loss as a result of its purchase. All amounts paid for power which a utility is required to purchase pursuant to subparagraph (c) shall be deemed to be costs prudently incurred for purposes of computing charges under rates authorized by Section 9-220 of this Act. Tax credits provided for herein shall be reflected in charges made pursuant to rates so authorized to the extent such credits are based upon a cost which is also reflected in such charges.

(i) Beginning in February 1999 and through January 2009, each qualified solid waste energy facility that sells electricity to an electric utility at the purchase rate described in subsection (c) shall file with the Department of Revenue on or before the 15th of each month a form, prescribed by the Department of Revenue, that states the number of kilowatt hours of electricity for which payment was received at that purchase rate from electric utilities in Illinois during the immediately preceding month. This form shall be accompanied by a payment from the qualified solid waste energy facility in an amount equal to six-tenths of a mill (\$.0006) per kilowatt hour of electricity stated on the form. Beginning on the effective date of this amendatory Act of the 92nd General Assembly, a qualified solid waste energy facility must file the form required under this subsection (i) before the 15th of each month regardless of whether the facility received any payment in the previous month. Payments received by the Department of Revenue shall be deposited into the Municipal Economic Development Fund, a trust fund created outside the State treasury. The State Treasurer may invest the moneys in the Fund in any investment authorized by the Public Funds Investment Act, and investment income shall be deposited into and become part of the Fund. Moneys in the Fund shall be used by the State Treasurer as provided in subsection (j). The obligation of a qualified solid waste energy facility to make payments into the Municipal Economic Development Fund shall terminate upon either: (1) expiration or termination of a facility's contract to sell electricity to an electric utility at the purchase rate described in subsection (c); or (2) entry of an enforceable, final, and non-appealable order by a court of competent jurisdiction that Public Act 89-448 is invalid. Payments by a qualified solid waste energy facility into the Municipal Economic Development Fund do not relieve the qualified solid waste energy facility of its obligation to reimburse the Public Utility Fund and the General Revenue Fund for the actual reduction in payments to those Funds as a result of credits received by electric utilities under subsection (d).

A qualified solid waste energy facility that fails to timely file the requisite form and payment as required by this subsection (i) shall be subject to penalties and interest in conformance with the provisions of the Illinois Uniform Penalty and Interest Act.

Every qualified solid waste energy facility subject to the provisions of this subsection (i) shall keep and maintain records and books of its sales pursuant to subsection (c), including payments received from those sales and the corresponding tax payments made in accordance with this subsection (i), and for purposes of enforcement of this subsection (i) all such books and records shall be subject to inspection by the Department of Revenue or its duly authorized agents or employees.

When a qualified solid waste energy facility fails to file the form or make the payment required under this subsection (i), the Department of Revenue, to the extent that it is practical, may enforce the payment obligation in a manner consistent with Section 5 of the Retailers' Occupation Tax Act, and if necessary may impose and enforce a tax lien in a manner consistent with Sections 5a, 5b, 5c, 5d, 5e, 5f, 5g, and 5i of the Retailers' Occupation Tax Act. No tax lien may be imposed or enforced, however, unless a qualified solid waste energy facility fails to make the payment required under this subsection (i). Only to the extent necessary and for the purpose of enforcing this subsection (i), the Department of Revenue may secure necessary information from a qualified solid waste energy facility in a manner consistent with Section 10 of the Retailers' Occupation Tax Act.

All information received by the Department of Revenue in its administration and enforcement of this subsection (i) shall be confidential in a manner consistent with Section 11 of the Retailers' Occupation Tax Act. The Department of Revenue may adopt rules to implement the provisions of this subsection (i).

For purposes of implementing the maximum aggregate distribution provisions in subsections (j) and (k), when a qualified solid waste energy facility makes a late payment to the Department of Revenue for deposit into the Municipal Economic Development Fund, that payment and deposit shall be attributed to the month and corresponding quarter in which the payment should have been made, and the Treasurer shall make retroactive distributions or refunds, as the case may be, whenever such late payments so require.

(j) The State Treasurer, without appropriation, must make distributions immediately after January 15, April 15, July 15, and October 15 of each year, up to maximum aggregate distributions of \$500,000 for the distributions made in the 4 quarters beginning with the April distribution and ending with the January distribution, from the Municipal Economic Development Fund to each city, village, or incorporated town that has within its boundaries an incinerator that: (1) uses or, on the effective date of Public Act 90-813, used municipal waste as its primary fuel to generate electricity; (2) was determined by the Illinois Commerce Commission to qualify as a qualified solid waste energy facility prior to the effective date of Public Act 89-448; and (3) commenced operation prior to January 1, 1998. Total distributions in the aggregate to all qualified cities, villages, and incorporated towns in the 4 quarters beginning with the April distribution and ending with the January distribution shall not exceed \$500,000. The amount of each distribution shall be determined pro rata based on the population of the city, village, or incorporated

town compared to the total population of all cities, villages, and incorporated towns eligible to receive a distribution. Distributions received by a city, village, or incorporated town must be held in a separate account and may be used only to promote and enhance industrial, commercial, residential, service, transportation, and recreational activities and facilities within its boundaries, thereby enhancing the employment opportunities, public health and general welfare, and economic development within the community, including administrative expenditures exclusively to further these activities. These funds, however, shall not be used by the city, village, or incorporated town, directly or indirectly, to purchase, lease, operate, or in any way subsidize the operation of any incinerator, and these funds shall not be paid, directly or indirectly, by the city, village, or incorporated town to the owner, operator, lessee, shareholder, or bondholder of any incinerator. Moreover, these funds shall not be used to pay attorneys fees in any litigation relating to the validity of Public Act 89-448. Nothing in this Section prevents a city, village, or incorporated town from using other corporate funds for any legitimate purpose. For purposes of this subsection, the term "municipal waste" has the meaning ascribed to it in Section 3.290 of the Environmental Protection Act.

(k) If maximum aggregate distributions of \$500,000 under subsection (j) have been made after the January distribution from the Municipal Economic Development Fund, then the balance in the Fund shall be refunded to the qualified solid waste energy facilities that made payments that were deposited into the Fund during the previous 12-month period. The refunds shall be prorated based upon the facility's payments in relation to total payments for that 12-month period.

(l) Beginning January 1, 2000, and each January 1 thereafter, each city, village, or incorporated town that received distributions from the Municipal Economic Development Fund, continued to hold any of those distributions, or made expenditures from those distributions during the immediately preceding year shall submit to a financial and compliance and program audit of those distributions performed by the Auditor General at no cost to the city, village, or incorporated town that received the distributions. The audit should be completed by June 30 or as soon thereafter as possible. The audit shall be submitted to the State Treasurer and those officers enumerated in Section 3-14 of the Illinois State Auditing Act. If the Auditor General finds that distributions have been expended in violation of this Section, the Auditor General shall refer the matter to the Attorney General. The Attorney General may recover, in a civil action, 3 times the amount of any distributions illegally expended. For purposes of this subsection, the terms "financial audit," "compliance audit", and "program audit" have the meanings ascribed to them in Sections 1-13 and 1-15 of the Illinois State Auditing Act.

(m) All QSWEFs are subject to the authority of the Illinois Commerce Commission as provided in Article V of the Public Utilities Act.

(n) The Commission shall have the authority, after notice and hearing held on complaint or the Commission's own motion:

(1) to suspend or revoke the right to subsection (c) payments that exceeds the then current rate at which the utility must purchase the output of qualified facilities pursuant to the federal Public Utility Regulatory Policies Act of 1978 for a violation of this Section or of any Commission order, decision, or rule concerning QSWEFs;

(2) to suspend or revoke an entity's status as a QSWEF; or

(3) to impose penalties under Section 5-202.

(o) Failure of a QSWEF to make subsection (d) reimbursement payments to the State does not relieve the QSWEF of its obligation to make such payments.

In the event that a QSWEF ceases to operate prior to the end of its subsection (c) contract with an electric utility, the QSWEF is nevertheless obligated to reimburse the State as set forth in subsection (d) for all tax credits granted to the utility for generation purchased from the QSWEF. In the event of such a default, the full amount of the reimbursement obligation will become due and owing.

In the event that a QSWEF fails to make reimbursement payments at any time after the term of its subsection (c) contract concludes, the State may take action to collect the full amounts owed under this Section. In the event of such a default, the full amount of the reimbursement obligation will become due and owing.

(p) For the purposes of enforcement of this Section, the Commission or its duly authorized agents or employees shall have full and complete access to all books, records, studies, and reports of a QSWEF related to this Section. If a QSWEF fails to allow the Commission or its duly authorized agents or employees full and complete access to all books, records, studies, and reports of the QSWEF, then, pursuant to an investigation based upon its own motion or a petition, the Commission shall suspend the incentive payment provided for in subsection (c). If the incentive payment provided for in subsection (c) is suspended pursuant to this subsection, then it can only be reinstated by an order of the Illinois Commerce Commission that finds that a QSWEF is in compliance with the requirements of this

subsection.

(q) Each QSWEF shall file, no later than the first business day of February of each calendar year, a sworn affidavit with the Commission's Chief Clerk that expressly affirms or denies their compliance with this Section, all applicable Commission rules governing QSWEF status and Qualifying Facility status under federal law, and all orders of the Commission governing QSWEF status.

If a QSWEF fails to meet this filing requirement within 15 days of the required filing date, then the Commission, pursuant to an investigation on its own motion or petition, shall order the suspension of the incentive payment provided for subsection (c). The requirements of the sworn affidavit may be set forth in an electric utility's tariff approved by the Commission or in the Commission's rules. If the incentive payment provided for in subsection (c) is suspended pursuant to this subsection, then it can only be reinstated by an Order of the Illinois Commerce Commission that finds that a QSWEF is in compliance with the requirements of this subsection.

If the Commission, based upon an investigation of its own motion or by petition, finds that the sworn affidavit filed pursuant to this subsection is not supported by fact, then the Commission shall order the suspension of the incentive payment provided for in subsection (c). If the incentive payment provided for in subsection (c) is suspended pursuant to this subsection, then it can only be reinstated by an Order of the Illinois Commerce Commission that finds that a QSWEF is in compliance with the requirements of this subsection.

A QSWEF shall pay to the Commission all the costs and expenses, including attorney's fees, incurred by the Commission in any action or proceeding to which the Commission may be made a party by reason of the QSWEF having an obligation to repay to the State tax credits or payments provided for in subsection (c), and the QSWEF shall pay to the Commission all the costs and expenses, including attorney's fees, incurred by the Commission in enforcing any of the terms and provisions of this Section and incurred in any action brought by the Commission against a QSWEF on account of the provisions of this Section. All such costs, expenses, and attorney's fees may be included in and form a part of any judgment entered in any proceeding brought by the Commission against a QSWEF under this Section. Any such costs, expenses, and legal fees recovered from a QSWEF shall be deposited in the Public Utility Fund or in the General Revenue Fund, or both, based upon the ratable share of such costs, expenses, and legal fees borne by each fund.

ARTICLE 12

Section 12-5. The Use Tax Act is amended by changing Section 3-85 as follows:

(35 ILCS 105/3-85)

Sec. 3-85. Manufacturer's Purchase Credit. For purchases of machinery and equipment made on and after January 1, 1995 ~~and~~ through June 30, 2003, ~~and on and after July 1, 2004~~, a purchaser of manufacturing machinery and equipment that qualifies for the exemption provided by paragraph (18) of Section 3-5 of this Act earns a credit in an amount equal to a fixed percentage of the tax which would have been incurred under this Act on those purchases. For purchases of graphic arts machinery and equipment made on or after July 1, 1996 and through June 30, 2003, ~~and on and after July 1, 2004~~, a purchaser of graphic arts machinery and equipment that qualifies for the exemption provided by paragraph (6) of Section 3-5 of this Act earns a credit in an amount equal to a fixed percentage of the tax that would have been incurred under this Act on those purchases. The credit earned for purchases of manufacturing machinery and equipment or graphic arts machinery and equipment shall be referred to as the Manufacturer's Purchase Credit. A graphic arts producer is a person engaged in graphic arts production as defined in Section 2-30 of the Retailers' Occupation Tax Act. Beginning July 1, 1996, all references in this Section to manufacturers or manufacturing shall also be deemed to refer to graphic arts producers or graphic arts production.

The amount of credit shall be a percentage of the tax that would have been incurred on the purchase of manufacturing machinery and equipment or graphic arts machinery and equipment if the exemptions provided by paragraph (6) or paragraph (18) of Section 3-5 of this Act had not been applicable. The percentage shall be as follows:

- (1) 15% for purchases made on or before June 30, 1995.
- (2) 25% for purchases made after June 30, 1995, and on or before June 30, 1996.
- (3) 40% for purchases made after June 30, 1996, and on or before June 30, 1997.
- (4) 50% for purchases made on or after July 1, 1997.

(a) Manufacturer's Purchase Credit earned prior to July 1, 2003. This subsection (a) applies to Manufacturer's Purchase Credit earned prior to July 1, 2003. A purchaser of production related tangible

[May 31, 2004]

personal property desiring to use the Manufacturer's Purchase Credit shall certify to the seller prior to October 1, 2003 that the purchaser is satisfying all or part of the liability under the Use Tax Act or the Service Use Tax Act that is due on the purchase of the production related tangible personal property by use of Manufacturer's Purchase Credit. The Manufacturer's Purchase Credit certification must be dated and shall include the name and address of the purchaser, the purchaser's registration number, if registered, the credit being applied, and a statement that the State Use Tax or Service Use Tax liability is being satisfied with the manufacturer's or graphic arts producer's accumulated purchase credit. Certification may be incorporated into the manufacturer's or graphic arts producer's purchase order. Manufacturer's Purchase Credit certification provided by the manufacturer or graphic arts producer prior to October 1, 2003 may be used to satisfy the retailer's or serviceman's liability under the Retailers' Occupation Tax Act or Service Occupation Tax Act for the credit claimed, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase, but only if the retailer or serviceman reports the Manufacturer's Purchase Credit claimed as required by the Department. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 shall be disallowed. The Manufacturer's Purchase Credit earned by purchase of exempt manufacturing machinery and equipment or graphic arts machinery and equipment is a non-transferable credit. A manufacturer or graphic arts producer that enters into a contract involving the installation of tangible personal property into real estate within a manufacturing or graphic arts production facility may, prior to October 1, 2003, authorize a construction contractor to utilize credit accumulated by the manufacturer or graphic arts producer to purchase the tangible personal property. A manufacturer or graphic arts producer intending to use accumulated credit to purchase such tangible personal property shall execute a written contract authorizing the contractor to utilize a specified dollar amount of credit. The contractor shall furnish, prior to October 1, 2003, the supplier with the manufacturer's or graphic arts producer's name, registration or resale number, and a statement that a specific amount of the Use Tax or Service Use Tax liability, not to exceed 6.25% of the selling price, is being satisfied with the credit. The manufacturer or graphic arts producer shall remain liable to timely report all information required by the annual Report of Manufacturer's Purchase Credit Used for all credit utilized by a construction contractor.

No Manufacturer's Purchase Credits earned prior to July 1, 2003 may be used after October 1, 2003. The Manufacturer's Purchase Credit may be used to satisfy liability under the Use Tax Act or the Service Use Tax Act due on the purchase of production related tangible personal property (including purchases by a manufacturer, by a graphic arts producer, or by a lessor who rents or leases the use of the property to a manufacturer or graphic arts producer) that does not otherwise qualify for the manufacturing machinery and equipment exemption or the graphic arts machinery and equipment exemption. "Production related tangible personal property" means (i) all tangible personal property used or consumed by the purchaser in a manufacturing facility in which a manufacturing process described in Section 2-45 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a manufacturing facility and including, but not limited to, tangible personal property used or consumed in activities such as preproduction material handling, receiving, quality control, inventory control, storage, staging, and packaging for shipping and transportation purposes; (ii) all tangible personal property used or consumed by the purchaser in a graphic arts facility in which graphic arts production as described in Section 2-30 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a graphic arts facility and including, but not limited to, all tangible personal property used or consumed in activities such as graphic arts preliminary or pre-press production, pre-production material handling, receiving, quality control, inventory control, storage, staging, sorting, labeling, mailing, tying, wrapping, and packaging; and (iii) all tangible personal property used or consumed by the purchaser for research and development. "Production related tangible personal property" does not include (i) tangible personal property used, within or without a manufacturing facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property required to be titled or registered with a department, agency, or unit of federal, state, or local government. The Manufacturer's Purchase Credit may be used, prior to October 1, 2003, to satisfy the tax arising either from the purchase of machinery and equipment on or after January 1, 1995 for which the exemption provided by paragraph (18) of Section 3-5 of this Act was erroneously claimed, or the purchase of machinery and equipment on or after July 1, 1996 for which the exemption provided by paragraph (6) of Section 3-5 of this Act was erroneously claimed, but not in satisfaction of penalty, if any, and interest for failure to pay the tax when due. A purchaser of production related tangible personal property who is required to pay Illinois Use Tax or Service Use Tax on the purchase directly to the Department may, prior to October 1, 2003, utilize the Manufacturer's Purchase Credit in satisfaction of the tax arising from that purchase, but not in satisfaction of penalty and

[May 31, 2004]

interest. A purchaser who uses the Manufacturer's Purchase Credit to purchase property which is later determined not to be production related tangible personal property may be liable for tax, penalty, and interest on the purchase of that property as of the date of purchase but shall be entitled to use the disallowed Manufacturer's Purchase Credit, so long as it has not expired and is used prior to October 1, 2003, on qualifying purchases of production related tangible personal property not previously subject to credit usage. The Manufacturer's Purchase Credit earned by a manufacturer or graphic arts producer expires the last day of the second calendar year following the calendar year in which the credit arose. No Manufacturer's Purchase Credit may be used after September 30, 2003 regardless of when that credit was earned.

A purchaser earning Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Earned for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is earned. A Report of Manufacturer's Purchase Credit Earned shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of all purchases of exempt manufacturing or graphic arts machinery on which the credit was earned; (ii) the total State Use Tax or Service Use Tax which would have been due on those items; (iii) the percentage used to calculate the amount of credit earned; (iv) the amount of credit earned; and (v) such other information as the Department may reasonably require. A purchaser earning Manufacturer's Purchase Credit shall maintain records which identify, as to each purchase of manufacturing or graphic arts machinery and equipment on which the purchaser earned Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit earned on each purchase.

A purchaser using Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Used for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is used. A Report of Manufacturer's Purchase Credit Used shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of production related tangible personal property purchased from Illinois suppliers; (ii) the total purchase price of production related tangible personal property purchased from out-of-state suppliers; (iii) the total amount of credit used during such month; and (iv) such other information as the Department may reasonably require. A purchaser using Manufacturer's Purchase Credit shall maintain records that identify, as to each purchase of production related tangible personal property on which the purchaser used Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit used on each purchase.

No annual report shall be filed before May 1, 1996 or after June 30, 2004. A purchaser that fails to file an annual Report of Manufacturer's Purchase Credit Earned or an annual Report of Manufacturer's Purchase Credit Used by the last day of the sixth month following the end of the calendar year shall forfeit all Manufacturer's Purchase Credit for that calendar year unless it establishes that its failure to file was due to reasonable cause. Manufacturer's Purchase Credit reports may be amended to report and claim credit on qualifying purchases not previously reported at any time before the credit would have expired, unless both the Department and the purchaser have agreed to an extension of the statute of limitations for the issuance of a notice of tax liability as provided in Section 4 of the Retailers' Occupation Tax Act. If the time for assessment or refund has been extended, then amended reports for a calendar year may be filed at any time prior to the date to which the statute of limitations for the calendar year or portion thereof has been extended. No Manufacturer's Purchase Credit report filed with the Department for periods prior to January 1, 1995 shall be approved. Manufacturer's Purchase Credit claimed on an amended report may be used, until October 1, 2003, to satisfy tax liability under the Use Tax Act or the Service Use Tax Act (i) on qualifying purchases of production related tangible personal property made after the date the amended report is filed or (ii) assessed by the Department on qualifying purchases of production related tangible personal property made in the case of manufacturers on or after January 1, 1995, or in the case of graphic arts producers on or after July 1, 1996.

If the purchaser is not the manufacturer or a graphic arts producer, but rents or leases the use of the property to a manufacturer or graphic arts producer, the purchaser may earn, report, and use Manufacturer's Purchase Credit in the same manner as a manufacturer or graphic arts producer.

A purchaser shall not be entitled to any Manufacturer's Purchase Credit for a purchase that is required to be reported and is not timely reported as provided in this Section. A purchaser remains liable for (i) any tax that was satisfied by use of a Manufacturer's Purchase Credit, as of the date of purchase, if that

use is not timely reported as required in this Section and (ii) for any applicable penalties and interest for failing to pay the tax when due. No Manufacturer's Purchase Credit may be used after September 30, 2003 to satisfy any tax liability imposed under this Act, including any audit liability.

(b) Manufacturer's Purchase Credit earned on and after July 1, 2004. This subsection (b) applies to Manufacturer's Purchase Credit earned on and after July 1, 2004.

A purchaser of production related tangible personal property desiring to use the Manufacturer's Purchase Credit shall certify to the seller that the purchaser is satisfying all or part of the liability under the Use Tax Act or the Service Use Tax Act that is due on the purchase of the production related tangible personal property by use of Manufacturer's Purchase Credit. The Manufacturer's Purchase Credit certification must be dated and shall include the name and address of the purchaser, the purchaser's registration number, if registered, the credit being applied, and a statement that the State Use Tax or Service Use Tax liability is being satisfied with the manufacturer's or graphic arts producer's accumulated purchase credit. Certification may be incorporated into the manufacturer's or graphic arts producer's purchase order. Manufacturer's Purchase Credit certification provided by the manufacturer or graphic arts producer may be used to satisfy the retailer's or serviceman's liability under the Retailers' Occupation Tax Act or Service Occupation Tax Act for the credit claimed, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase, but only if the retailer or serviceman reports the Manufacturer's Purchase Credit claimed as required by the Department. The Manufacturer's Purchase Credit earned by purchase of exempt manufacturing machinery and equipment or graphic arts machinery and equipment is a non-transferable credit. A manufacturer or graphic arts producer that enters into a contract involving the installation of tangible personal property into real estate within a manufacturing or graphic arts production facility may, on or after July 1, 2004, authorize a construction contractor to utilize credit accumulated by the manufacturer or graphic arts producer to purchase the tangible personal property. A manufacturer or graphic arts producer intending to use accumulated credit to purchase such tangible personal property shall execute a written contract authorizing the contractor to utilize a specified dollar amount of credit. The contractor shall furnish the supplier with the manufacturer's or graphic arts producer's name, registration or resale number, and a statement that a specific amount of the Use Tax or Service Use Tax liability, not to exceed 6.25% of the selling price, is being satisfied with the credit. The manufacturer or graphic arts producer shall remain liable to timely report all information required by the annual Report of Manufacturer's Purchase Credit Used for all credit utilized by a construction contractor.

The Manufacturer's Purchase Credit may be used to satisfy liability under the Use Tax Act or the Service Use Tax Act due on the purchase of production related tangible personal property (including purchases by a manufacturer, by a graphic arts producer, or by a lessor who rents or leases the use of the property to a manufacturer or graphic arts producer) that does not otherwise qualify for the manufacturing machinery and equipment exemption or the graphic arts machinery and equipment exemption. "Production related tangible personal property" means (i) all tangible personal property used or consumed by the purchaser in a manufacturing facility in which a manufacturing process described in Section 2-45 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a manufacturing facility and including, but not limited to, tangible personal property used or consumed in activities such as preproduction material handling, receiving, quality control, inventory control, storage, staging, and packaging for shipping and transportation purposes; (ii) all tangible personal property used or consumed by the purchaser in a graphic arts facility in which graphic arts production as described in Section 2-30 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a graphic arts facility and including, but not limited to, all tangible personal property used or consumed in activities such as graphic arts preliminary or pre-press production, pre-production material handling, receiving, quality control, inventory control, storage, staging, sorting, labeling, mailing, tying, wrapping, and packaging; and (iii) all tangible personal property used or consumed by the purchaser for research and development. "Production related tangible personal property" does not include (i) tangible personal property used, within or without a manufacturing facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property required to be titled or registered with a department, agency, or unit of federal, state, or local government. The Manufacturer's Purchase Credit may be used to satisfy the tax arising either from the purchase of machinery and equipment on or after July 1, 2004 for which the exemption provided by paragraph (18) of Section 3-5 of this Act was erroneously claimed, or the purchase of machinery and equipment on or after July 1, 2004 for which the exemption provided by paragraph (6) of Section 3-5 of this Act was erroneously claimed, but not in satisfaction of penalty, if any, and interest for failure to pay the tax when due. A purchaser of production related tangible personal property that is purchased on or after July 1, 2004 who is required to pay Illinois Use Tax or Service Use

[May 31, 2004]

Tax on the purchase directly to the Department may utilize the Manufacturer's Purchase Credit in satisfaction of the tax arising from that purchase, but not in satisfaction of penalty and interest. A purchaser who uses the Manufacturer's Purchase Credit to purchase property on and after July 1, 2004 which is later determined not to be production related tangible personal property may be liable for tax, penalty, and interest on the purchase of that property as of the date of purchase but shall be entitled to use the disallowed Manufacturer's Purchase Credit, so long as it has not expired and is used on qualifying purchases of production related tangible personal property not previously subject to credit usage. The Manufacturer's Purchase Credit earned by a manufacturer or graphic arts producer expires the last day of the second calendar year following the calendar year in which the credit arose.

A purchaser earning Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Earned for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is earned. A Report of Manufacturer's Purchase Credit Earned shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of all purchases of exempt manufacturing or graphic arts machinery on which the credit was earned; (ii) the total State Use Tax or Service Use Tax which would have been due on those items; (iii) the percentage used to calculate the amount of credit earned; (iv) the amount of credit earned; and (v) such other information as the Department may reasonably require. A purchaser earning Manufacturer's Purchase Credit shall maintain records which identify, as to each purchase of manufacturing or graphic arts machinery and equipment on which the purchaser earned Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit earned on each purchase.

A purchaser using Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Used for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is used. A Report of Manufacturer's Purchase Credit Used shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of production related tangible personal property purchased from Illinois suppliers; (ii) the total purchase price of production related tangible personal property purchased from out-of-state suppliers; (iii) the total amount of credit used during such month; and (iv) such other information as the Department may reasonably require. A purchaser using Manufacturer's Purchase Credit shall maintain records that identify, as to each purchase of production related tangible personal property on which the purchaser used Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit used on each purchase.

A purchaser that fails to file an annual Report of Manufacturer's Purchase Credit Earned or an annual Report of Manufacturer's Purchase Credit Used by the last day of the sixth month following the end of the calendar year shall forfeit all Manufacturer's Purchase Credit for that calendar year unless it establishes that its failure to file was due to reasonable cause. Manufacturer's Purchase Credit reports may be amended to report and claim credit on qualifying purchases not previously reported at any time before the credit would have expired, unless both the Department and the purchaser have agreed to an extension of the statute of limitations for the issuance of a notice of tax liability as provided in Section 4 of the Retailers' Occupation Tax Act. If the time for assessment or refund has been extended, then amended reports for a calendar year may be filed at any time prior to the date to which the statute of limitations for the calendar year or portion thereof has been extended. Manufacturer's Purchase Credit claimed on an amended report may be used to satisfy tax liability under the Use Tax Act or the Service Use Tax Act (i) on qualifying purchases of production related tangible personal property made after the date the amended report is filed or (ii) assessed by the Department on qualifying purchases of production related tangible personal property made on or after July 1, 2004. If the purchaser is not the manufacturer or a graphic arts producer, but rents or leases the use of the property to a manufacturer or graphic arts producer, the purchaser may earn, report, and use Manufacturer's Purchase Credit in the same manner as a manufacturer or graphic arts producer. A purchaser shall not be entitled to any Manufacturer's Purchase Credit for a purchase that is required to be reported and is not timely reported as provided in this Section. A purchaser remains liable for (i) any tax that was satisfied by use of a Manufacturer's Purchase Credit, as of the date of purchase, if that use is not timely reported as required in this Section and (ii) for any applicable penalties and interest for failing to pay the tax when due.

Section 12-10. The Service Use Tax Act is amended by changing Section 3-70 as follows:
(35 ILCS 110/3-70)

Sec. 3-70. Manufacturer's Purchase Credit. For purchases of machinery and equipment made on and after January 1, 1995 ~~and~~ through June 30, 2003, and on and after July 1, 2004, a purchaser of manufacturing machinery and equipment that qualifies for the exemption provided by Section 2 of this Act earns a credit in an amount equal to a fixed percentage of the tax which would have been incurred under this Act on those purchases. For purchases of graphic arts machinery and equipment made on or after July 1, 1996 ~~and~~ through June 30, 2003, and on and after July 1, 2004, a purchase of graphic arts machinery and equipment that qualifies for the exemption provided by paragraph (5) of Section 3-5 of this Act earns a credit in an amount equal to a fixed percentage of the tax that would have been incurred under this Act on those purchases. The credit earned for the purchase of manufacturing machinery and equipment and graphic arts machinery and equipment shall be referred to as the Manufacturer's Purchase Credit. A graphic arts producer is a person engaged in graphic arts production as defined in Section 3-30 of the Service Occupation Tax Act. Beginning July 1, 1996, all references in this Section to manufacturers or manufacturing shall also refer to graphic arts producers or graphic arts production.

The amount of credit shall be a percentage of the tax that would have been incurred on the purchase of the manufacturing machinery and equipment or graphic arts machinery and equipment if the exemptions provided by Section 2 or paragraph (5) of Section 3-5 of this Act had not been applicable.

All purchases prior to October 1, 2003 of manufacturing machinery and equipment and graphic arts machinery and equipment that qualify for the exemptions provided by paragraph (5) of Section 2 or paragraph (5) of Section 3-5 of this Act qualify for the credit without regard to whether the serviceman elected, or could have elected, under paragraph (7) of Section 2 of this Act to exclude the transaction from this Act. If the serviceman's billing to the service customer separately states a selling price for the exempt manufacturing machinery or equipment or the exempt graphic arts machinery and equipment, the credit shall be calculated, as otherwise provided herein, based on that selling price. If the serviceman's billing does not separately state a selling price for the exempt manufacturing machinery and equipment or the exempt graphic arts machinery and equipment, the credit shall be calculated, as otherwise provided herein, based on 50% of the entire billing. If the serviceman contracts to design, develop, and produce special order manufacturing machinery and equipment or special order graphic arts machinery and equipment, and the billing does not separately state a selling price for such special order machinery and equipment, the credit shall be calculated, as otherwise provided herein, based on 50% of the entire billing. The provisions of this paragraph are effective for purchases made on or after January 1, 1995.

The percentage shall be as follows:

- (1) 15% for purchases made on or before June 30, 1995.
- (2) 25% for purchases made after June 30, 1995, and on or before June 30, 1996.
- (3) 40% for purchases made after June 30, 1996, and on or before June 30, 1997.
- (4) 50% for purchases made on or after July 1, 1997.

(a) Manufacturer's Purchase Credit earned prior to July 1, 2003. This subsection (a) applies to Manufacturer's Purchase Credit earned prior to July 1, 2003. A purchaser of production related tangible personal property desiring to use the Manufacturer's Purchase Credit shall certify to the seller prior to October 1, 2003 that the purchaser is satisfying all or part of the liability under the Use Tax Act or the Service Use Tax Act that is due on the purchase of the production related tangible personal property by use of a Manufacturer's Purchase Credit. The Manufacturer's Purchase Credit certification must be dated and shall include the name and address of the purchaser, the purchaser's registration number, if registered, the credit being applied, and a statement that the State Use Tax or Service Use Tax liability is being satisfied with the manufacturer's or graphic arts producer's accumulated purchase credit. Certification may be incorporated into the manufacturer's or graphic arts producer's purchase order. Manufacturer's Purchase Credit certification provided by the manufacturer or graphic arts producer prior to October 1, 2003 may be used to satisfy the retailer's or serviceman's liability under the Retailers' Occupation Tax Act or Service Occupation Tax Act for the credit claimed, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase, but only if the retailer or serviceman reports the Manufacturer's Purchase Credit claimed as required by the Department. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 shall be disallowed. The Manufacturer's Purchase Credit earned by purchase of exempt manufacturing machinery and equipment or graphic arts machinery and equipment is a non-transferable credit. A manufacturer or graphic arts producer that enters into a contract involving the installation of tangible personal property into real estate within a manufacturing or graphic arts production facility, prior to October 1, 2003, may authorize a construction contractor to utilize credit accumulated by the manufacturer or graphic arts producer to purchase the tangible personal property. A manufacturer or graphic arts producer intending

[May 31, 2004]

to use accumulated credit to purchase such tangible personal property shall execute a written contract authorizing the contractor to utilize a specified dollar amount of credit. The contractor shall furnish, prior to October 1, 2003, the supplier with the manufacturer's or graphic arts producer's name, registration or resale number, and a statement that a specific amount of the Use Tax or Service Use Tax liability, not to exceed 6.25% of the selling price, is being satisfied with the credit. The manufacturer or graphic arts producer shall remain liable to timely report all information required by the annual Report of Manufacturer's Purchase Credit Used for credit utilized by a construction contractor.

No Manufacturer's Purchase Credit earned prior to July 1, 2003 may be used after October 1, 2003. The Manufacturer's Purchase Credit may be used to satisfy liability under the Use Tax Act or the Service Use Tax Act due on the purchase of production related tangible personal property (including purchases by a manufacturer, by a graphic arts producer, or a lessor who rents or leases the use of the property to a manufacturer or graphic arts producer) that does not otherwise qualify for the manufacturing machinery and equipment exemption or the graphic arts machinery and equipment exemption. "Production related tangible personal property" means (i) all tangible personal property used or consumed by the purchaser in a manufacturing facility in which a manufacturing process described in Section 2-45 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a manufacturing facility and including, but not limited to, tangible personal property used or consumed in activities such as pre-production material handling, receiving, quality control, inventory control, storage, staging, and packaging for shipping and transportation purposes; (ii) all tangible personal property used or consumed by the purchaser in a graphic arts facility in which graphic arts production as described in Section 2-30 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a graphic arts facility and including, but not limited to, all tangible personal property used or consumed in activities such as graphic arts preliminary or pre-press production, pre-production material handling, receiving, quality control, inventory control, storage, staging, sorting, labeling, mailing, tying, wrapping, and packaging; and (iii) all tangible personal property used or consumed by the purchaser for research and development. "Production related tangible personal property" does not include (i) tangible personal property used, within or without a manufacturing or graphic arts facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property required to be titled or registered with a department, agency, or unit of federal, state, or local government. The Manufacturer's Purchase Credit may be used, prior to October 1, 2003, to satisfy the tax arising either from the purchase of machinery and equipment on or after January 1, 1995 for which the manufacturing machinery and equipment exemption provided by Section 2 of this Act was erroneously claimed, or the purchase of machinery and equipment on or after July 1, 1996 for which the exemption provided by paragraph (5) of Section 3-5 of this Act was erroneously claimed, but not in satisfaction of penalty, if any, and interest for failure to pay the tax when due. A purchaser of production related tangible personal property who is required to pay Illinois Use Tax or Service Use Tax on the purchase directly to the Department may, prior to October 1, 2003, utilize the Manufacturer's Purchase Credit in satisfaction of the tax arising from that purchase, but not in satisfaction of penalty and interest. A purchaser who uses the Manufacturer's Purchase Credit to purchase property which is later determined not to be production related tangible personal property may be liable for tax, penalty, and interest on the purchase of that property as of the date of purchase but shall be entitled to use the disallowed Manufacturer's Purchase Credit, so long as it has not expired and is used prior to October 1, 2003, on qualifying purchases of production related tangible personal property not previously subject to credit usage. The Manufacturer's Purchase Credit earned by a manufacturer or graphic arts producer expires the last day of the second calendar year following the calendar year in which the credit arose. No Manufacturer's Purchase Credit may be used after September 30, 2003 regardless of when that credit was earned.

A purchaser earning Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Earned for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is earned. A Report of Manufacturer's Purchase Credit Earned shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of all purchases of exempt manufacturing or graphic arts machinery on which the credit was earned; (ii) the total State Use Tax or Service Use Tax which would have been due on those items; (iii) the percentage used to calculate the amount of credit earned; (iv) the amount of credit earned; and (v) such other information as the Department may reasonably require. A purchaser earning Manufacturer's Purchase Credit shall maintain records which identify, as to each purchase of manufacturing or graphic arts machinery and equipment on which the purchaser earned Manufacturer's Purchase Credit, the vendor

[May 31, 2004]

(including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit earned on each purchase.

A purchaser using Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Used for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is used. A Report of Manufacturer's Purchase Credit Used shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of production related tangible personal property purchased from Illinois suppliers; (ii) the total purchase price of production related tangible personal property purchased from out-of-state suppliers; (iii) the total amount of credit used during such month; and (iv) such other information as the Department may reasonably require. A purchaser using Manufacturer's Purchase Credit shall maintain records that identify, as to each purchase of production related tangible personal property on which the purchaser used Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit used on each purchase.

No annual report shall be filed before May 1, 1996 or after June 30, 2004. A purchaser that fails to file an annual Report of Manufacturer's Purchase Credit Earned or an annual Report of Manufacturer's Purchase Credit Used by the last day of the sixth month following the end of the calendar year shall forfeit all Manufacturer's Purchase Credit for that calendar year unless it establishes that its failure to file was due to reasonable cause. Manufacturer's Purchase Credit reports may be amended to report and claim credit on qualifying purchases not previously reported at any time before the credit would have expired, unless both the Department and the purchaser have agreed to an extension of the statute of limitations for the issuance of a notice of tax liability as provided in Section 4 of the Retailers' Occupation Tax Act. If the time for assessment or refund has been extended, then amended reports for a calendar year may be filed at any time prior to the date to which the statute of limitations for the calendar year or portion thereof has been extended. No Manufacturer's Purchase Credit report filed with the Department for periods prior to January 1, 1995 shall be approved. Manufacturer's Purchase Credit claimed on an amended report may be used, prior to October 1, 2003, to satisfy tax liability under the Use Tax Act or the Service Use Tax Act (i) on qualifying purchases of production related tangible personal property made after the date the amended report is filed or (ii) assessed by the Department on qualifying purchases of production related tangible personal property made in the case of manufacturers on or after January 1, 1995, or in the case of graphic arts producers on or after July 1, 1996.

If the purchaser is not the manufacturer or a graphic arts producer, but rents or leases the use of the property to a manufacturer or a graphic arts producer, the purchaser may earn, report, and use Manufacturer's Purchase Credit in the same manner as a manufacturer or graphic arts producer.

A purchaser shall not be entitled to any Manufacturer's Purchase Credit for a purchase that is required to be reported and is not timely reported as provided in this Section. A purchaser remains liable for (i) any tax that was satisfied by use of a Manufacturer's Purchase Credit, as of the date of purchase, if that use is not timely reported as required in this Section and (ii) for any applicable penalties and interest for failing to pay the tax when due. No Manufacturer's Purchase Credit may be used after September 30, 2003 to satisfy any tax liability imposed under this Act, including any audit liability.

(b) Manufacturer's Purchase Credit earned on and after July 1, 2004. This subsection (b) applies to Manufacturer's Purchase Credit earned on or after July 1, 2004. A purchaser of production related tangible personal property desiring to use the Manufacturer's Purchase Credit shall certify to the seller that the purchaser is satisfying all or part of the liability under the Use Tax Act or the Service Use Tax Act that is due on the purchase of the production related tangible personal property by use of a Manufacturer's Purchase Credit. The Manufacturer's Purchase Credit certification must be dated and shall include the name and address of the purchaser, the purchaser's registration number, if registered, the credit being applied, and a statement that the State Use Tax or Service Use Tax liability is being satisfied with the manufacturer's or graphic arts producer's accumulated purchase credit. Certification may be incorporated into the manufacturer's or graphic arts producer's purchase order. Manufacturer's Purchase Credit certification provided by the manufacturer or graphic arts producer may be used to satisfy the retailer's or serviceman's liability under the Retailers' Occupation Tax Act or Service Occupation Tax Act for the credit claimed, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase, but only if the retailer or serviceman reports the Manufacturer's Purchase Credit claimed as required by the Department. The Manufacturer's Purchase Credit earned by purchase of exempt manufacturing machinery and equipment or graphic arts machinery and equipment is a non-transferable credit. A manufacturer or graphic arts producer that enters into a contract involving the

installation of tangible personal property into real estate within a manufacturing or graphic arts production facility may, on or after July 1, 2004, authorize a construction contractor to utilize credit accumulated by the manufacturer or graphic arts producer to purchase the tangible personal property. A manufacturer or graphic arts producer intending to use accumulated credit to purchase such tangible personal property shall execute a written contract authorizing the contractor to utilize a specified dollar amount of credit. The contractor shall furnish the supplier with the manufacturer's or graphic arts producer's name, registration or resale number, and a statement that a specific amount of the Use Tax or Service Use Tax liability, not to exceed 6.25% of the selling price, is being satisfied with the credit. The manufacturer or graphic arts producer shall remain liable to timely report all information required by the annual Report of Manufacturer's Purchase Credit Used for credit utilized by a construction contractor.

The Manufacturer's Purchase Credit may be used to satisfy liability under the Use Tax Act or the Service Use Tax Act due on the purchase of production related tangible personal property (including purchases by a manufacturer, by a graphic arts producer, or a lessor who rents or leases the use of the property to a manufacturer or graphic arts producer) that does not otherwise qualify for the manufacturing machinery and equipment exemption or the graphic arts machinery and equipment exemption. "Production related tangible personal property" means (i) all tangible personal property used or consumed by the purchaser in a manufacturing facility in which a manufacturing process described in Section 2-45 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a manufacturing facility and including, but not limited to, tangible personal property used or consumed in activities such as pre-production material handling, receiving, quality control, inventory control, storage, staging, and packaging for shipping and transportation purposes; (ii) all tangible personal property used or consumed by the purchaser in a graphic arts facility in which graphic arts production as described in Section 2-30 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a graphic arts facility and including, but not limited to, all tangible personal property used or consumed in activities such as graphic arts preliminary or pre-press production, pre-production material handling, receiving, quality control, inventory control, storage, staging, sorting, labeling, mailing, tying, wrapping, and packaging; and (iii) all tangible personal property used or consumed by the purchaser for research and development. "Production related tangible personal property" does not include (i) tangible personal property used, within or without a manufacturing or graphic arts facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property required to be titled or registered with a department, agency, or unit of federal, state, or local government. The Manufacturer's Purchase Credit may be used to satisfy the tax arising either from the purchase of machinery and equipment on or after July 1, 2004 for which the manufacturing machinery and equipment exemption provided by Section 2 of this Act was erroneously claimed, or the purchase of machinery and equipment on or after July 1, 2004 for which the exemption provided by paragraph (5) of Section 3-5 of this Act was erroneously claimed, but not in satisfaction of penalty, if any, and interest for failure to pay the tax when due. A purchaser of production related tangible personal property that is purchased on or after July 1, 2004 who is required to pay Illinois Use Tax or Service Use Tax on the purchase directly to the Department may utilize the Manufacturer's Purchase Credit in satisfaction of the tax arising from that purchase, but not in satisfaction of penalty and interest. A purchaser who uses the Manufacturer's Purchase Credit to purchase property on and after July 1, 2004 which is later determined not to be production related tangible personal property may be liable for tax, penalty, and interest on the purchase of that property as of the date of purchase but shall be entitled to use the disallowed Manufacturer's Purchase Credit, so long as it has not expired, on qualifying purchases of production related tangible personal property not previously subject to credit usage. The Manufacturer's Purchase Credit earned by a manufacturer or graphic arts producer expires the last day of the second calendar year following the calendar year in which the credit arose.

A purchaser earning Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Earned for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is earned. A Report of Manufacturer's Purchase Credit Earned shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of all purchases of exempt manufacturing or graphic arts machinery on which the credit was earned; (ii) the total State Use Tax or Service Use Tax which would have been due on those items; (iii) the percentage used to calculate the amount of credit earned; (iv) the amount of credit earned; and (v) such other information as the Department may reasonably require. A purchaser earning Manufacturer's Purchase Credit shall maintain records which identify, as to each purchase of manufacturing or graphic arts

[May 31, 2004]

machinery and equipment on which the purchaser earned Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit earned on each purchase.

A purchaser using Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Used for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is used. A Report of Manufacturer's Purchase Credit Used shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of production related tangible personal property purchased from Illinois suppliers; (ii) the total purchase price of production related tangible personal property purchased from out-of-state suppliers; (iii) the total amount of credit used during such month; and (iv) such other information as the Department may reasonably require. A purchaser using Manufacturer's Purchase Credit shall maintain records that identify, as to each purchase of production related tangible personal property on which the purchaser used Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit used on each purchase.

A purchaser that fails to file an annual Report of Manufacturer's Purchase Credit Earned or an annual Report of Manufacturer's Purchase Credit Used by the last day of the sixth month following the end of the calendar year shall forfeit all Manufacturer's Purchase Credit for that calendar year unless it establishes that its failure to file was due to reasonable cause. Manufacturer's Purchase Credit reports may be amended to report and claim credit on qualifying purchases not previously reported at any time before the credit would have expired, unless both the Department and the purchaser have agreed to an extension of the statute of limitations for the issuance of a notice of tax liability as provided in Section 4 of the Retailers' Occupation Tax Act. If the time for assessment or refund has been extended, then amended reports for a calendar year may be filed at any time prior to the date to which the statute of limitations for the calendar year or portion thereof has been extended. Manufacturer's Purchase Credit claimed on an amended report may be used to satisfy tax liability under the Use Tax Act or the Service Use Tax Act (i) on qualifying purchases of production related tangible personal property made after the date the amended report is filed or (ii) assessed by the Department on qualifying purchases of production related tangible personal property made on or after July 1, 2004.

If the purchaser is not the manufacturer or a graphic arts producer, but rents or leases the use of the property to a manufacturer or a graphic arts producer, the purchaser may earn, report, and use Manufacturer's Purchase Credit in the same manner as a manufacturer or graphic arts producer. A purchaser shall not be entitled to any Manufacturer's Purchase Credit for a purchase that is required to be reported and is not timely reported as provided in this Section. A purchaser remains liable for (i) any tax that was satisfied by use of a Manufacturer's Purchase Credit, as of the date of purchase, if that use is not timely reported as required in this Section and (ii) for any applicable penalties and interest for failing to pay the tax when due.

Section 12-15. The Service Occupation Tax Act is amended by changing Section 9 as follows:
(35 ILCS 115/9) (from Ch. 120, par. 439.109)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax at the time when he is required to file his return for the period during which such tax was collectible, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the serviceman, in collecting the tax may collect, for each tax return period, only the tax applicable to the part of the selling price actually received during such tax return period.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable rules and regulations to be promulgated by the Department of Revenue. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require.

[May 31, 2004]

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
- 5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Prior to October 1, 2003 and on and after July 1, 2004, a serviceman may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Service Use Tax as provided in Section 3-70 of the Service Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-70 of the Service Use Tax Act. A Manufacturer's Purchase Credit certification, accepted prior to October 1, 2003 and on and after July 1, 2004 by a serviceman as provided in Section 3-70 of the Service Use Tax Act, may be used by that serviceman to satisfy Service Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to July 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to July 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through June 30, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

If the serviceman's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman's average monthly tax liability to the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of \$50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to

[May 31, 2004]

make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Where a serviceman collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Occupation Tax, Service Use Tax, Retailers' Occupation Tax or Use Tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, the Use Tax Act or the Service Use Tax Act, to furnish all the return information required by all said Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registrations hereunder, such serviceman shall file separate returns for each registered business.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund the revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the revenue realized for the preceding month from the 6.25% general rate.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts;

[May 31, 2004]

and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Community Affairs Law of the Civil Administrative Code of Illinois.

Remaining moneys received by the Department pursuant to this Act shall be paid into the General Revenue Fund of the State Treasury.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the taxpayer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the taxpayer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The taxpayer's annual return to the Department shall also disclose the cost of goods sold by the taxpayer during the year covered by such return, opening and closing inventories of such goods for such year, cost of goods used from stock or taken from stock and given away by the taxpayer during such year, pay roll information of the taxpayer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such taxpayer as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of

1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the

return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to a serviceman who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, it shall be permissible for manufacturers, importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are affected do not make written objection to the Department to this arrangement.

Section 12-20. The Retailers' Occupation Tax Act is amended by changing Section 3 as follows:
(35 ILCS 120/3) (from Ch. 120, par. 442)

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;
2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of selling tangible personal property at retail in this State;
3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from sales of tangible personal property, and from services furnished, by him during such preceding calendar month or quarter;
4. Total amount received by him during the preceding calendar month or quarter on charge and time sales of tangible personal property, and from services furnished, by him prior to the month or quarter for which the return is filed;
5. Deductions allowed by law;
6. Gross receipts which were received by him during the preceding calendar month or quarter and upon the basis of which the tax is imposed;
7. The amount of credit provided in Section 2d of this Act;
8. The amount of tax due;
9. The signature of the taxpayer; and
10. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003 and on and after July 1, 2004, a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer prior to October 1, 2003 and on and after July 1, 2004, as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to July 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to July 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through June 30, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each

[May 31, 2004]

calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due; and
6. Such other reasonable information as the Department may require.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A copy of the monthly statement shall be sent to the retailer no later than the 10th day of the month for the preceding month during which transactions occurred.

If a total amount of less than \$1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to \$1 if it is 50 cents or more.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of \$50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest

whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a

sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly

tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of \$25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during

which such tax liability is incurred began prior to the effective date of this amendatory Act of 1985, each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is \$25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of \$20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than \$20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit

District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as hereinafter defined), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; the "Annual Specified Amount" means the amounts specified below for fiscal years 1986 through 1993:

Fiscal Year	Annual Specified Amount
1986	\$54,800,000
1987	\$76,650,000

1993	\$206,520,000;

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall reduce the amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion

[May 31, 2004]

Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Community Affairs Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets and similar exhibitions or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a

business offense and is subject to a fine not to exceed \$250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

Sec. 416. Industrial Commission Operations Fund Surcharge.

(a) As of the effective date of this amendatory Act of the 93rd General Assembly, every company licensed or authorized by the Illinois Department of Insurance and insuring employers' liabilities arising under the Workers' Compensation Act or the Workers' Occupational Diseases Act shall remit to the Director a surcharge based upon the annual direct written premium, as reported under Section 136 of this Act, of the company in the manner provided in this Section. Such proceeds shall be deposited into the Industrial Commission Operations Fund as established in the Workers' Compensation Act. If a company survives or was formed by a merger, consolidation, reorganization, or reincorporation, the direct written premiums of all companies party to the merger, consolidation, reorganization, or reincorporation shall, for purposes of determining the amount of the fee imposed by this Section, be regarded as those of the surviving or new company.

(b)(1) Except as provided in subsection (b)(2) of this Section, beginning on July 1, 2004 and each year thereafter, the Director shall charge an annual Industrial Commission Operations Fund Surcharge from every company subject to subsection (a) of this Section equal to 1.125% ~~1.5%~~ of its direct written premium for insuring employers' liabilities arising under the Workers' Compensation Act or Workers' Occupational Diseases Act as reported in each company's annual statement filed for the previous year as required by Section 136. The Industrial Commission Operations Fund Surcharge shall be collected by companies subject to subsection (a) of this Section as a separately stated surcharge on insured employers at the rate of 1.125% ~~1.5%~~ of direct written premium. All sums collected by the Department of Insurance under the provisions of this Section shall be paid promptly after the receipt of the same, accompanied by a detailed statement thereof, into the Industrial Commission Operations Fund in the State treasury.

(b)(2) Prior to July 1, 2004, the Director shall charge and collect the surcharge set forth in subparagraph (b)(1) of this Section on or before September 1, 2003, December 1, 2003, March 1, 2004 and June 1, 2004. For purposes of this subsection (b)(2), the company shall remit the amounts to the Director based on estimated direct premium for each quarter beginning on July 1, 2003, together with a sworn statement attesting to the reasonableness of the estimate, and the estimated amount of direct premium written forming the bases of the remittance.

(c) In addition to the authority specifically granted under Article XXV of this Code, the Director shall have such authority to adopt rules or establish forms as may be reasonably necessary for purposes of enforcing this Section. The Director shall also have authority to defer, waive, or abate the surcharge or any penalties imposed by this Section if in the Director's opinion the company's solvency and ability to meet its insured obligations would be immediately threatened by payment of the surcharge due.

(d) When a company fails to pay the full amount of any annual Industrial Commission Operations Fund Surcharge of \$100 or more due under this Section, there shall be added to the amount due as a penalty the greater of \$1,000 or an amount equal to 5% of the deficiency for each month or part of a month that the deficiency remains unpaid.

(e) The Department of Insurance may enforce the collection of any delinquent payment, penalty, or portion thereof by legal action or in any other manner by which the collection of debts due the State of

Illinois may be enforced under the laws of this State.

(f) Whenever it appears to the satisfaction of the Director that a company has paid pursuant to this Act an Industrial Commission Operations Fund Surcharge in an amount in excess of the amount legally collectable from the company, the Director shall issue a credit memorandum for an amount equal to the amount of such overpayment. A credit memorandum may be applied for the 2-year period from the date of issuance, against the payment of any amount due during that period under the surcharge imposed by this Section or, subject to reasonable rule of the Department of Insurance including requirement of notification, may be assigned to any other company subject to regulation under this Act. Any application of credit memoranda after the period provided for in this Section is void.

(g) Annually, the Governor may direct a transfer of up to 2% of all moneys collected under this Section to the Insurance Financial Regulation Fund.

Sec. 4d. Industrial Commission Operations Fund Fee.

(a) As of the effective date of this amendatory Act of the 93rd General Assembly, each employer that self-insures its liabilities arising under this Act or Workers' Occupational Diseases Act shall pay a fee measured by the annual actual wages paid in this State of such an employer in the manner provided in this Section. Such proceeds shall be deposited in the Industrial Commission Operations Fund. If an employer survives or was formed by a merger, consolidation, reorganization, or reincorporation, the actual wages paid in this State of all employers party to the merger, consolidation, reorganization, or reincorporation shall, for purposes of determining the amount of the fee imposed by this Section, be regarded as those of the surviving or new employer.

(b) Beginning on the effective date of this amendatory Act of the 93rd General Assembly and on July 1 of each year thereafter prior to July 1, 2004, the Chairman shall charge and collect an annual Industrial Commission Operations Fund Fee from every employer subject to subsection (a) of this Section equal to 0.045% of its annual actual wages paid in this State as reported in each employer's annual self-insurance renewal filed for the previous year as required by Section 4 of this Act and Section 4 of the Workers' Occupational Diseases Act. No fee shall be charged on or after July 1, 2004. All sums collected by the Commission under the provisions of this Section shall be paid promptly after the receipt of the same, accompanied by a detailed statement thereof, into the Industrial Commission Operations Fund.

(c) In addition to the authority specifically granted under Section 16, the Chairman shall have such authority to adopt rules or establish forms as may be reasonably necessary for purposes of enforcing this Section. The Commission shall have authority to defer, waive, or abate the fee or any penalties imposed by this Section if in the Commission's opinion the employer's solvency and ability to meet its obligations to pay workers' compensation benefits would be immediately threatened by payment of the fee due.

(d) When an employer fails to pay the full amount of any annual Industrial Commission Operations Fund Fee of \$100 or more due under this Section, there shall be added to the amount due as a penalty the greater of \$1,000 or an amount equal to 5% of the deficiency for each month or part of a month that the deficiency remains unpaid.

(e) The Commission may enforce the collection of any delinquent payment, penalty or portion thereof by legal action or in any other manner by which the collection of debts due the State of Illinois may be enforced under the laws of this State.

(f) Whenever it appears to the satisfaction of the Chairman that an employer has paid pursuant to this Act an Industrial Commission Operations Fund Fee in an amount in excess of the amount legally collectable from the employer, the Chairman shall issue a credit memorandum for an amount equal to the amount of such overpayment. A credit memorandum may be applied for the 2-year period from the date of issuance against the payment of any amount due during that period under the fee imposed by this Section or, subject to reasonable rule of the Commission including requirement of notification, may be assigned to any other employer subject to regulation under this Act. Any application of credit memoranda after the period provided for in this Section is void.

Section 905. The Statute on Statutes is amended by changing Section 1.23 as follows:

(5 ILCS 70/1.23) (from Ch. 1, par. 1024)

Sec. 1.23. General Revenue Law of Illinois; economic substance doctrine.

[May 31, 2004]

(a) The "General Revenue Law of Illinois", or any equivalent expression, when used with reference to revenue, shall be deemed to refer to the Property Tax Code and all existing and future amendments thereto and modifications thereof, and all rules now or hereafter adopted pursuant thereto.

(b) Economic substance doctrine. In applying the provisions of Chapter 35 (relating to revenue), the economic substance doctrine shall apply.

The economic substance doctrine means the common law doctrine under which tax benefits with respect to a transaction or arrangement are not allowable if the transaction or arrangement does not have economic substance or lacks a business purpose (including a transaction or arrangement in which an entity is disregarded as lacking economic substance). For purposes of applying the economic substance doctrine, a transaction or arrangement shall be considered as having economic substance only if (i) the transaction changes in a meaningful way (apart from its tax effects), the taxpayer's economic position, and (ii) the taxpayer has a substantial nontax purpose for entering into such transaction and the transaction is a reasonable means of accomplishing such purpose.

Section 910. The Illinois Income Tax Act is amended by changing Sections 203, 205, 207, 304, 305, 501, 502, 711, 712, 713, 804, 905, 911, 1001, 1002, 1005, and 1501 and by adding Sections 709.5, 1007, 1008, 1405.5, and 1405.6 as follows:

(35 ILCS 5/203) (from Ch. 120, par. 2-203)

Sec. 203. Base income defined.

(a) Individuals.

(1) In general. In the case of an individual, base income means an amount equal to the taxpayer's adjusted gross income for the taxable year as modified by paragraph (2).

(2) Modifications. The adjusted gross income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of adjusted gross income, except stock dividends of qualified public utilities described in Section 305(e) of the Internal Revenue Code;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income in the computation of adjusted gross income for the taxable year;

(C) An amount equal to the amount received during the taxable year as a recovery or refund of real property taxes paid with respect to the taxpayer's principal residence under the Revenue Act of 1939 and for which a deduction was previously taken under subparagraph (L) of this paragraph (2) prior to July 1, 1991, the retrospective application date of Article 4 of Public Act 87-17. In the case of multi-unit or multi-use structures and farm dwellings, the taxes on the taxpayer's principal residence shall be that portion of the total taxes for the entire property which is attributable to such principal residence;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of adjusted gross income;

(D-5) An amount, to the extent not included in adjusted gross income, equal to the amount of money withdrawn by the taxpayer in the taxable year from a medical care savings account and the interest earned on the account in the taxable year of a withdrawal pursuant to subsection (b) of Section 20 of the Medical Care Savings Account Act or subsection (b) of Section 20 of the Medical Care Savings Account Act of 2000;

(D-10) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the individual deducted in computing adjusted gross income and for which the individual claims a credit under subsection (l) of Section 201;

(D-15) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction (30% of the adjusted basis of the qualified property) taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code; and

(D-16) If the taxpayer reports a capital gain or loss on the taxpayer's federal income tax return for the taxable year based on a sale or transfer of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-15), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (Z) with respect to that property.;

The taxpayer is required to make the addition modification under this subparagraph

only once with respect to any one piece of property; ~~and~~

(D-17)(i) For taxable years ending on or after December 31, 2004, an amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred. (ii) This subparagraph does not apply to:

(1) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person that is subject in a foreign country to a tax on or measured by net income with respect to such interest;

(2) an item of interest, to the extent that the interest expense of the foreign person receiving such interest during the same taxable year that is directly or indirectly paid, accrued or incurred to any person that is not a related party of either the taxpayer or the foreign person exceeds that foreign person's interest income (excluding the interest receivable from the taxpayer) for the taxable year, but only if the taxpayer establishes by a preponderance of the evidence that the transaction giving rise to the interest expense between the taxpayer and the foreign person did not have as a principal purpose the avoidance of any portion of the tax that would otherwise be due;

(3) an item of interest paid, accrued, or incurred pursuant to a contract that was binding prior to the time the parties to the contract became related parties, was not entered into as part of the process by which the parties became related parties, and has continually been enforced according to its terms by each party;

(4) an item of interest if the taxpayer establishes by clear and convincing evidence, as determined by the Department, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under section 304(f); or

(5) a taxpayer who is a small business person.

For purposes of this subparagraph, "related parties" include persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as a partner and its partnership and each of the other partners in that partnership;

(D-18) For taxable years ending on or after December 31, 2004, an amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) of this Act. This subparagraph shall not apply to any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person that is subject in a foreign country to a tax on or measured by net income with respect to such item. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets. This subparagraph (D-18) shall not apply to a taxpayer who is a small business person;

(D) The amount of any net operating loss deduction taken in arriving at taxable income, other than a net operating loss carried forward from a taxable year ending prior to December 31, 1986;

(E) For taxable years in which a net operating loss carryback or carryforward from a taxable year ending prior to December 31, 1986 is an element of taxable income under paragraph (1) of subsection (e) or subparagraph (E) of paragraph (2) of subsection (e), the amount by which addition modifications other than those provided by this subparagraph (E) exceeded subtraction modifications in such earlier taxable year, with the following limitations applied in the order that they are listed:

(i) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall be reduced by the amount of addition modification under this subparagraph (E) which related to that net operating loss and which was taken into account in calculating the base income of an earlier taxable year, and

(ii) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall not exceed the amount of such carryback or carryforward;

For taxable years in which there is a net operating loss carryback or carryforward from more than one other taxable year ending prior to December 31, 1986, the addition modification provided in this subparagraph (E) shall be the sum of the amounts computed independently under the preceding provisions of this subparagraph (E) for each such taxable year;

(E-5) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the corporation deducted in computing adjusted gross income and for which the corporation claims a credit under subsection (l) of Section 201;

(E-11) If the taxpayer reports a capital gain or loss on the taxpayer's federal income tax return for the taxable year based on a sale or transfer of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (E-10), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (T) with respect to that property; ;

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(E-12) For taxable years ending on or after December 31, 2004, to the extent not otherwise included in base income, an amount equal to the amount of dividends received, directly or indirectly, (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of a passive income affiliate, as defined in Section 1501(a)(29) of this Act. This subparagraph (E-12) shall not apply to a small business person;

(E-13)(i) For taxable years ending on or after December 31, 2004, an amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in

gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred. (1) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person that is subject in a foreign country to a tax on or measured by net income with respect to such interest;

(2) an item of interest, to the extent that the interest expense of the foreign person receiving such interest during the same taxable year that is directly or indirectly paid, accrued or incurred to any person that is not a related party of either the taxpayer or the foreign person exceeds that foreign person's interest income (excluding the interest receivable from the taxpayer) for the taxable year, but only if the taxpayer establishes by a preponderance of the evidence that the transaction giving rise to the interest expense between the taxpayer and the foreign person did not have as a principal purpose the avoidance of any portion of the tax that would otherwise be due.

(3) an item of interest paid, accrued, or incurred pursuant to a contract that was binding prior to the time the parties to the contract became related parties, was not entered into as part of the process by which the parties became related parties, and has continually been enforced according to its terms by each party;

(4) an item of interest if the taxpayer establishes by clear and convincing evidence, as determined by the Department, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under section 304(f), or

The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(b)(2)(E-13) of this Act. This subparagraph shall not apply to any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person who is subject in a foreign country to a tax on or measured by net income with respect to such item. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. The preceding sentence shall not apply to the extent that the same

dividends caused a reduction to the addition modification required under Section 203 (c)(2)(G-12) of this Act. This subparagraph shall not apply to any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person who is subject in a foreign country to a tax on or measured by net income with respect to such item. (1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction (30% of the adjusted basis of the qualified property) was taken in any year under subsection (k) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction; and

(2) "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction (30% of the adjusted basis of the qualified property) taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code; and

(S) If the taxpayer reports a capital gain or loss on the taxpayer's federal income tax return for the taxable year based on a sale or transfer of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (G-10), then an amount equal to that addition modification.

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property; -

(T) The amount of (i) any interest income (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-17), 203(b)(2)(E-13), 203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed the amount of such addition modification and (ii) any income from intangible property (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-18), 203(b)(2)(E-14), 203(c)(2)(G-13), or 203(d)(2)(D-8), but not to exceed the amount of such addition modification;

(U) An amount equal to the interest income taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity, but not to exceed the addition modification required to be made for the same taxable year under Section 203(c)(2)(G-12) for interest paid, accrued, or incurred, directly or indirectly, to the same foreign person; and

(V) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity, but not to exceed the addition modification required to be made for the same taxable year under Section 203(c)(2)(G-13) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same foreign person.

(3) Limitation. The amount of any modification otherwise required under this subsection shall, under regulations prescribed by the Department, be adjusted by any amounts

included therein which were properly paid, credited, or required to be distributed, or permanently set aside for charitable purposes pursuant to Internal Revenue Code Section 642(c) during the taxable year.

(d) Partnerships.

(1) In general. In the case of a partnership, base income means an amount equal to the taxpayer's taxable income for the taxable year as modified by paragraph (2).

(2) Modifications. The taxable income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of taxable income;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income for the taxable year;

(C) The amount of deductions allowed to the partnership pursuant to Section 707 (c) of the Internal Revenue Code in calculating its taxable income;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of taxable income;

(D-5) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction (30% of the adjusted basis of the qualified property) taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code; ~~and~~

(D-6) If the taxpayer reports a capital gain or loss on the taxpayer's federal income tax return for the taxable year based on a sale or transfer of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (O) with respect to that property; ~~;~~

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(D-7)(i) For taxable years ending on or after December 31, 2004, an amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred. (ii) This subparagraph does not apply to:

(1) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person that is subject in a foreign country to a tax on or measured by net income with respect to such interest;

(2) an item of interest, to the extent that the interest expense of the foreign person receiving such interest during the same taxable year that is directly or indirectly paid, accrued or incurred to any person that is not a related party of either the taxpayer or the foreign person exceeds that foreign person's interest income (excluding the interest receivable from the taxpayer) for the taxable year, but only if the taxpayer establishes by a preponderance of the evidence that the transaction giving rise to the interest expense between the taxpayer and the foreign person did not have as a principal purpose the avoidance of any portion of the tax that would otherwise be due;

(3) an item of interest paid, accrued, or incurred pursuant to a contract that was binding prior to the time the parties to the contract became related parties, was not entered into as part of the process by which the parties became related parties, and has continually been enforced according to its terms by each party;

(4) an item of interest if the taxpayer establishes by clear and convincing evidence, as determined by the Department, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under section 304(f); or

(5) a taxpayer who is a small business person.

For purposes of this subparagraph, "related parties" include persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as a partner and its partnership and each of the other partners in that partnership; and

(D-8) For taxable years ending on or after December 31, 2004, an amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203 (d)(2)(D-7) of this Act. This subparagraph shall not apply to any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person that is subject in a foreign country to a tax on or measured by net income with respect to such item. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets. This subparagraph shall not apply to a taxpayer who is a small business person.

and by deducting from the total so obtained the following amounts:

(E) The valuation limitation amount;

(F) An amount equal to the amount of any tax imposed by this Act which was refunded to the taxpayer and included in such total for the taxable year;

(G) An amount equal to all amounts included in taxable income as modified by subparagraphs (A), (B), (C) and (D) which are exempt from taxation by this State either by reason of its statutes or Constitution or by reason of the Constitution, treaties or statutes of the United States; provided that, in the case of any statute of this State or the United States, any treaty of the United States, the Illinois Constitution, or the United States Constitution that exempts income derived from bonds or other obligations from the tax imposed under this Act, the amount exempted shall be the interest net of bond premium amortization, interest expense incurred on indebtedness to carry the bond or other obligation, expenses incurred in producing the income to be deducted and any other expenses deducted on the federal return that would not have been allowed under Internal Revenue Code Section 265 if the interest were exempt from federal tax. The amount of expenses to be taken into account under this provision cannot exceed the amount of income which is exempted. The changes made to this subparagraph (G) by this amendatory Act of the 93rd General Assembly shall not apply to a small business person;

(H) Any income of the partnership which constitutes personal service income as defined in Section 1348 (b) (1) of the Internal Revenue Code (as in effect December 31, 1981) or a reasonable allowance for compensation paid or accrued for services rendered by partners to the partnership, whichever is greater;

(I) An amount equal to all amounts of income distributable to an entity subject to the Personal Property Tax Replacement Income Tax imposed by subsections (c) and (d) of Section 201 of this Act including amounts distributable to organizations exempt from federal income tax by reason of Section 501(a) of the Internal Revenue Code;

(J) With the exception of any amounts subtracted under subparagraph (G), an amount equal to the sum of all amounts disallowed as deductions by (i) Sections 171(a) (2), and 265(2) of the Internal Revenue Code of 1954, as now or hereafter amended, and all amounts of expenses allocable to interest and disallowed as deductions by Section 265(1) of the Internal Revenue Code, as now or hereafter amended; and (ii) for taxable years ending on or after August 13, 1999, Sections 171(a)(2), 265, 280C, and 832(b)(5)(B)(i) of the Internal Revenue Code; the provisions of this subparagraph are exempt from the provisions of Section 250;

(K) An amount equal to those dividends included in such total which were paid by a corporation which conducts business operations in an Enterprise Zone or zones created under the Illinois Enterprise Zone Act, enacted by the 82nd General Assembly, and conducts substantially all of its operations in an Enterprise Zone or Zones;

(L) An amount equal to any contribution made to a job training project established pursuant to the Real Property Tax Increment Allocation Redevelopment Act;

(M) An amount equal to those dividends included in such total that were paid by a corporation that conducts business operations in a federally designated Foreign Trade Zone or Sub-Zone and that is designated a High Impact Business located in Illinois; provided that dividends eligible for the deduction provided in subparagraph (K) of paragraph (2) of this subsection shall not be eligible for the deduction provided under this subparagraph (M);

(N) An amount equal to the amount of the deduction used to compute the federal income tax credit for restoration of substantial amounts held under claim of right for the taxable year pursuant to Section 1341 of the Internal Revenue Code of 1986;

(O) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction (30% of the adjusted basis of the qualified property) is taken on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction (30% of the adjusted basis of the qualified property) was taken in any year under subsection (k) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction; and

(2) "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction (30% of the adjusted basis of the qualified property) taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code; and

(P) If the taxpayer reports a capital gain or loss on the taxpayer's federal income tax return for the taxable year based on a sale or transfer of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to that addition modification.

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property; -

(Q) The amount of (i) any interest income (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-17), 203(b)(2)(E-13), 203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed the amount of such addition modification and (ii) any income from intangible property (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-18), 203(b)(2)(E-14), 203(c)(2)(G-13), or 203(d)(2)(D-8), but not to exceed the amount of such addition modification;

(R) An amount equal to the interest income taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity, but not to exceed the addition modification required to be made for the same taxable year under Section 203(d)(2)(D-7) for interest paid, accrued, or incurred, directly or indirectly, to the same foreign person; and

(S) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity, but not to exceed the addition modification required to be made for the same taxable year under Section 203(d)(2)(D-8) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same foreign person.

(e) Gross income; adjusted gross income; taxable income.

(1) In general. Subject to the provisions of paragraph (2) and subsection (b) (3), for

purposes of this Section and Section 803(e), a taxpayer's gross income, adjusted gross income, or taxable income for the taxable year shall mean the amount of gross income, adjusted gross income or taxable income properly reportable for federal income tax purposes for the taxable year under the provisions of the Internal Revenue Code. Taxable income may be less than zero. However, for taxable years ending on or after December 31, 1986, net operating loss carryforwards from taxable years ending prior to December 31, 1986, may not exceed the sum of federal taxable income for the taxable year before net operating loss deduction, plus the excess of addition modifications over subtraction modifications for the taxable year. For taxable years ending prior to December 31, 1986, taxable income may never be an amount in excess of the net operating loss for the taxable year as defined in subsections (c) and (d) of Section 172 of the Internal Revenue Code, provided that when taxable income of a corporation (other than a Subchapter S corporation), trust, or estate is less than zero and addition modifications, other than those provided by subparagraph (E) of paragraph (2) of subsection (b) for corporations or subparagraph (E) of paragraph (2) of subsection (c) for trusts and estates, exceed subtraction modifications, an addition modification must be made under those subparagraphs for any other taxable year to which the taxable income less than zero (net operating loss) is applied under Section 172 of the Internal Revenue Code or under subparagraph (E) of paragraph (2) of this subsection (e) applied in conjunction with Section 172 of the Internal Revenue Code.

(2) Special rule. For purposes of paragraph (1) of this subsection, the taxable income properly reportable for federal income tax purposes shall mean:

(A) Certain life insurance companies. In the case of a life insurance company subject to the tax imposed by Section 801 of the Internal Revenue Code, life insurance company taxable income, plus the amount of distribution from pre-1984 policyholder surplus accounts as calculated under Section 815a of the Internal Revenue Code;

(B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(C) Regulated investment companies. In the case of a regulated investment company subject to the tax imposed by Section 852 of the Internal Revenue Code, investment company taxable income;

(D) Real estate investment trusts. In the case of a real estate investment trust subject to the tax imposed by Section 857 of the Internal Revenue Code, real estate investment trust taxable income;

(E) Consolidated corporations. In the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, taxable income determined as if such corporation had filed a separate return for federal income tax purposes for the taxable year and each preceding taxable year for which it was a member of an affiliated group. For purposes of this subparagraph, the taxpayer's separate taxable income shall be determined as if the election provided by Section 243(b) (2) of the Internal Revenue Code had been in effect for all such years;

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be separately stated; and (ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1, 1982; and

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(3) Recapture of business expenses on disposition of asset or business. Notwithstanding any other law to the contrary, if in prior years income from an asset or business has been classified as business income and in a later year is demonstrated to be non-business income, then all expenses, without limitation, deducted in prior years related to that asset or business that generated the non-business

income shall be added back and recaptured as business income in the year of the disposition of the asset or business. Such amount shall be apportioned to Illinois using the greater of the apportionment fraction computed for the business under Section 304 of this Act for the taxable year or the average of the apportionment fractions computed for the business under Section 304 of this Act for the taxable year and for the 2 immediately preceding taxable years.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a) (2)

(G), (c) (2) (I) and (d)(2) (E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of gain reportable under the provisions of Section 1245 or 1250 of the Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the taxable year, or (ii) the net capital gain for the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a) (2) (F) or (c) (2) (H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in paragraph (1) was readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is the lesser of (i) the excess of such fair market value over the taxpayer's basis (for determining gain) for such property on that date (determined under the Internal Revenue Code as in effect on that date), or (ii) the total gain realized and reportable for federal income tax purposes in respect of the sale, exchange or other disposition of such property.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.

(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for such taxable year, whether in respect of property values as of August 1, 1969 or otherwise.

Sec. 205. Exempt organizations.

(a) Charitable, etc. organizations. The base income of an organization which is exempt from the federal income tax by reason of Section 501(a) of the Internal Revenue Code shall not be determined under section 203 of this Act, but shall be its unrelated business taxable income as determined under section 512 of the Internal Revenue Code, without any deduction for the tax imposed by this Act. The standard exemption provided by section 204 of this Act shall not be allowed in determining the net income of an organization to which this subsection applies.

(b) Partnerships. A partnership as such shall not be subject to the tax imposed by subsection 201 (a) and (b) of this Act, but shall be subject to the replacement tax imposed by subsection 201 (c) and (d) of this Act and shall compute its base income as described in subsection (d) of Section 203 of this Act. For taxable years ending on or after December 31, 2004, an investment partnership, as defined in Section 1501(a)(11.5) of this Act, shall not be subject to the tax imposed by subsections (c) and (d) of Section

201 of this Act. A partnership shall file such returns and other information at such time and in such manner as may be required under Article 5 of this Act. The partners in a partnership shall be liable for the replacement tax imposed by subsection 201 (c) and (d) of this Act on such partnership, to the extent such tax is not paid by the partnership, as provided under the laws of Illinois governing the liability of partners for the obligations of a partnership. Persons carrying on business as partners shall be liable for the tax imposed by subsection 201 (a) and (b) of this Act only in their separate or individual capacities.

(c) Subchapter S corporations. A Subchapter S corporation shall not be subject to the tax imposed by subsection 201 (a) and (b) of this Act but shall be subject to the replacement tax imposed by subsection 201 (c) and (d) of this Act and shall file such returns and other information at such time and in such manner as may be required under Article 5 of this Act.

(d) Combat zone death. An individual relieved from the federal income tax for any taxable year by reason of section 692 of the Internal Revenue Code shall not be subject to the tax imposed by this Act for such taxable year.

(e) Certain trusts. A common trust fund described in Section 584 of the Internal Revenue Code, and any other trust to the extent that the grantor is treated as the owner thereof under sections 671 through 678 of the Internal Revenue Code shall not be subject to the tax imposed by this Act.

(f) Certain business activities. A person not otherwise subject to the tax imposed by this Act shall not become subject to the tax imposed by this Act by reason of:

(1) that person's ownership of tangible personal property located at the premises of a printer in this State with which the person has contracted for printing, or

(2) activities of the person's employees or agents located solely at the premises of a printer and related to quality control, distribution, or printing services performed by a printer in the State with which the person has contracted for printing.

Sec. 207. Net Losses.

(a) If after applying all of the (i) modifications provided for in paragraph (2) of Section 203(b), paragraph (2) of Section 203(c) and paragraph (2) of Section 203(d) and (ii) the allocation and apportionment provisions of Article 3 of this Act and subsection (c) of this Section, the taxpayer's net income results in a loss;

(1) for any taxable year ending prior to December 31, 1999, such loss shall be allowed as a carryover or carryback deduction in the manner allowed under Section 172 of the Internal Revenue Code;

(2) for any taxable year ending on or after December 31, 1999 and prior to December 31, 2003, such loss shall be allowed as a carryback to each of the 2 taxable years preceding the taxable year of such loss and shall be a net operating loss carryover to each of the 20 taxable years following the taxable year of such loss; and

(3) for any taxable year ending on or after December 31, 2003, such loss shall be allowed as a net operating loss carryover to each of the 12 taxable years following the taxable year of such loss.

(a-5) Election to relinquish carryback and order of application of losses.

(A) For losses incurred in tax years ending prior to December 31, 2003, the taxpayer may elect to relinquish the entire carryback period with respect to such loss. Such election shall be made in the form and manner prescribed by the Department and shall be made by the due date (including extensions of time) for filing the taxpayer's return for the taxable year in which such loss is incurred, and such election, once made, shall be irrevocable.

(B) The entire amount of such loss shall be carried to the earliest taxable year to which such loss may be carried. The amount of such loss which shall be carried to each of the other taxable years shall be the excess, if any, of the amount of such loss over the sum of the deductions for carryback or carryover of such loss allowable for each of the prior taxable years to which such loss may be carried.

(b) Any loss determined under subsection (a) of this Section must be carried back or carried forward in the same manner for purposes of subsections (a) and (b) of Section 201 of this Act as for purposes of subsections (c) and (d) of Section 201 of this Act.

(c) Notwithstanding any other provision of this Act, for each taxable year ending on or after December 31, 2004, for purposes of computing the loss for the taxable year under subsection (a) of this Section and the deduction taken into account for the taxable year for a net operating loss carryover under paragraphs (1), (2), and (3) of subsection (a) of this Section, the loss and net operating loss carryover shall be reduced in an amount equal to the reduction to the net operating loss and net operating loss

carryover to the taxable year, respectively, required under Section 108(b)(2)(A) of the Internal Revenue Code, multiplied by a fraction, the numerator of which is the amount of discharge of indebtedness income that is excluded from gross income for the taxable year (but only if the taxable year ends on or after December 31, 2004) under Section 108(a) of the Internal Revenue Code and that would have been allocated and apportioned to this State under Article 3 of this Act but for that exclusion, and the denominator of which is the total amount of discharge of indebtedness income excluded from gross income under Section 108(a) of the Internal Revenue Code for the taxable year. The reduction required under this subsection (c) shall be made after the determination of Illinois net income for the taxable year in which the indebtedness is discharged. This subsection (c) shall not apply to a taxpayer who is a small business person in the taxable year of the discharge of indebtedness.

Sec. 304. Business income of persons other than residents.

(a) In general. The business income of a person other than a resident shall be allocated to this State if such person's business income is derived solely from this State. If a person other than a resident derives business income from this State and one or more other states, then, for tax years ending on or before December 30, 1998, and except as otherwise provided by this Section, such person's business income shall be apportioned to this State by multiplying the income by a fraction, the numerator of which is the sum of the property factor (if any), the payroll factor (if any) and 200% of the sales factor (if any), and the denominator of which is 4 reduced by the number of factors other than the sales factor which have a denominator of zero and by an additional 2 if the sales factor has a denominator of zero. For tax years ending on or after December 31, 1998, and except as otherwise provided by this Section, persons other than residents who derive business income from this State and one or more other states shall compute their apportionment factor by weighting their property, payroll, and sales factors as provided in subsection (h) of this Section.

(1) Property factor.

(A) The property factor is a fraction, the numerator of which is the average value of the person's real and tangible personal property owned or rented and used in the trade or business in this State during the taxable year and the denominator of which is the average value of all the person's real and tangible personal property owned or rented and used in the trade or business during the taxable year.

(B) Property owned by the person is valued at its original cost. Property rented by the person is valued at 8 times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the person less any annual rental rate received by the person from sub-rentals.

(C) The average value of property shall be determined by averaging the values at the beginning and ending of the taxable year but the Director may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the person's property.

(2) Payroll factor.

(A) The payroll factor is a fraction, the numerator of which is the total amount paid in this State during the taxable year by the person for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year.

(B) Compensation is paid in this State if:

(i) The individual's service is performed entirely within this State;

(ii) The individual's service is performed both within and without this State, but the service performed without this State is incidental to the individual's service performed within this State; or

(iii) Some of the service is performed within this State and either the base of operations, or if there is no base of operations, the place from which the service is directed or controlled is within this State, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this State.

Beginning with taxable years ending on or after December 31, 1992, for residents of states that impose a comparable tax liability on residents of this State, for purposes of item (i) of this paragraph (B), in the case of persons who perform personal services under personal service contracts for sports performances, services by that person at a sporting event taking place in Illinois shall be deemed to be a performance entirely within this State.

(3) Sales factor.

(A) The sales factor is a fraction, the numerator of which is the total sales of the

person in this State during the taxable year, and the denominator of which is the total sales of the person everywhere during the taxable year.

(B) Sales of tangible personal property are in this State if:

(i) The property is delivered or shipped to a purchaser, other than the United

States government, within this State regardless of the f. o. b. point or other conditions of the sale; or

(ii) The property is shipped from an office, store, warehouse, factory or other

place of storage in this State and either the purchaser is the United States government or the person is not taxable in the state of the purchaser; provided, however, that premises owned or leased by a person who has independently contracted with the seller for the printing of newspapers, periodicals or books shall not be deemed to be an office, store, warehouse, factory or other place of storage for purposes of this Section. For taxable years ending before December 31, 2004, sales of tangible personal property are not in this State if the seller and purchaser would be members of the same unitary business group but for the fact that either the seller or purchaser is a person with 80% or more of total business activity outside of the United States and the property is purchased for resale.

(B-1) Patents, copyrights, trademarks, and similar items of intangible personal property.

(i) Gross receipts from the licensing, sale, or other disposition of a patent, copyright, trademark, or similar item of intangible personal property are in this State to the extent the item is utilized in this State during the year the gross receipts are included in gross income.

(ii) Place of utilization.

(I) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If a patent is utilized in more than one state, the extent to which it is utilized in any one state shall be a fraction equal to the gross receipts of the licensee or purchaser from sales or leases of items produced, fabricated, manufactured, or processed within that state using the patent and of patented items produced within that state, divided by the total of such gross receipts for all states in which the patent is utilized.

(II) A copyright is utilized in a state to the extent that printing or other

publication originates in the state. If a copyright is utilized in more than one state, the extent to which it is utilized in any one state shall be a fraction equal to the gross receipts from sales or licenses of materials printed or published in that state divided by the total of such gross receipts for all states in which the copyright is utilized.

(III) Trademarks and other items of intangible personal property governed by

this paragraph (B-1) are utilized in the state in which the commercial domicile of the licensee or purchaser is located.

(iii) If the state of utilization of an item of property governed by this paragraph

(B-1) cannot be determined from the taxpayer's books and records or from the books and records of any person related to the taxpayer within the meaning of Section 267(b) of the Internal Revenue Code, 26 U.S.C. 267, the gross receipts attributable to that item shall be excluded from both the numerator and the denominator of the sales factor.

(B-2) Gross receipts from the license, sale, or other disposition of patents,

copyrights, trademarks, and similar items of intangible personal property may be included in the numerator or denominator of the sales factor only if gross receipts from licenses, sales, or other disposition of such items comprise more than 50% of the taxpayer's total gross receipts included in gross income during the tax year and during each of the 2 immediately preceding tax years; provided that, when a taxpayer is a member of a unitary business group, such determination shall be made on the basis of the gross receipts of the entire unitary business group.

(C) For taxable years ending before December 31, 2004, sales of tangible personal property, other than sales governed by paragraphs (B), (B-1), and (B-2), are in this State if:

(i) The income-producing activity is performed in this State; or

(ii) The income-producing activity is performed both within and without this State

and a greater proportion of the income-producing activity is performed within this State than without this State, based on performance costs.

(C-5) For taxable years ending on or after December 31, 2004, sales, other than sales governed by paragraphs (B), (B-1), and (B-2), are in this State if the purchaser is in this State or the sale is otherwise attributable to this State's marketplace. The following examples are illustrative:

(i) Sales from the sale or lease of real property are in this State if the property is located in this State.

(ii) Sales from the lease or rental of tangible personal property are in this State if the property is located in this State during the rental period. Sales from the lease or rental of tangible personal property that is characteristically moving property, including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are in this State to the extent that the property is used in this State.

(iii) Sales of intangible personal property are in this State if the purchaser uses or realizes benefit from the property in this State. If the purchaser uses or realizes benefit from the the property both within and without this State, the gross receipts from the sale shall be divided among those states having jurisdiction to tax the sale in proportion to the use or benefit in each state. If the proportionate use or benefit in this State cannot be determined, the sale shall be excluded from both the numerator and the denominator of the sales factor.

(iv) Sales of services are in this State if the benefit of the service is enjoyed or realized in this State. If the benefit of the service is enjoyed or realized both within and without this State, the gross receipts from the sale shall be divided among those states having jurisdiction to tax the sale in proportion to the benefit of service enjoyed or realized in each state. If the proportionate benefit in this State cannot be determined, the sale shall be excluded from both the numerator and the denominator of the sales factor. The Department may adopt rules prescribing where the benefit of specific types of service, including, but not limited to, telecommunications, broadcast, cable, advertising, publishing, and utility service, is enjoyed or realized.

(D) For taxable years ending on or after December 31, 1995, the following items of income shall not be included in the numerator or denominator of the sales factor: dividends; amounts included under Section 78 of the Internal Revenue Code; and Subpart F income as defined in Section 952 of the Internal Revenue Code. No inference shall be drawn from the enactment of this paragraph (D) in construing this Section for taxable years ending before December 31, 1995.

(E) Paragraphs (B-1) and (B-2) shall apply to tax years ending on or after December 31, 1999, provided that a taxpayer may elect to apply the provisions of these paragraphs to prior tax years. Such election shall be made in the form and manner prescribed by the Department, shall be irrevocable, and shall apply to all tax years; provided that, if a taxpayer's Illinois income tax liability for any tax year, as assessed under Section 903 prior to January 1, 1999, was computed in a manner contrary to the provisions of paragraphs (B-1) or (B-2), no refund shall be payable to the taxpayer for that tax year to the extent such refund is the result of applying the provisions of paragraph (B-1) or (B-2) retroactively. In the case of a unitary business group, such election shall apply to all members of such group for every tax year such group is in existence, but shall not apply to any taxpayer for any period during which that taxpayer is not a member of such group.

(b) Insurance companies.

(1) In general. Except as otherwise provided by paragraph (2), business income of an insurance company for a taxable year shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the direct premiums written for insurance upon property or risk in this State, and the denominator of which is the direct premiums written for insurance upon property or risk everywhere. For purposes of this subsection, the term "direct premiums written" means the total amount of direct premiums written, assessments and annuity considerations, and surplus line contracts, but excluding deposit-type funds, as reported for the taxable year on the annual statement filed ~~by the company with the Illinois Director of Insurance~~ in the form approved by the National Convention of Insurance Commissioners as filed by the taxpayer with the Illinois Department of Insurance or, if no report is filed with the Illinois Department of Insurance, as filed by the taxpayer with its state of domicile. If no such annual report is filed with any of the United States for a particular year, "direct premiums written" shall be determined by applying the instructions to the Illinois annual report form for that year or such other form as may be prescribed in lieu thereof.

(2) Reinsurance. If the principal source of premiums written by an insurance company consists of premiums for reinsurance accepted by it, the business income of such company shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the sum of (i) direct premiums written for insurance upon property or risk in this State, plus (ii) premiums written for reinsurance accepted in respect of property or risk in this State, and the denominator of which is the sum of (iii) direct premiums written for insurance upon property or risk everywhere, plus (iv) premiums written for reinsurance accepted in respect of property or risk everywhere. For taxable years ending before December 31, 2004, for purposes of this paragraph, premiums written for reinsurance accepted in respect of property or risk in this State, whether or not otherwise determinable, may, at the election of the company, be determined on the basis of the proportion which premiums written for reinsurance accepted from companies commercially domiciled in Illinois bears to premiums written for reinsurance accepted from all sources, or, alternatively, in the proportion

which the sum of the direct premiums written for insurance upon property or risk in this State by each ceding company from which reinsurance is accepted bears to the sum of the total direct premiums written by each such ceding company for the taxable year.

(c) Financial organizations.

(1) In general. For taxable years ending before December 31, 2004, business ~~Business~~ income of a financial organization shall be apportioned to this State

by multiplying such income by a fraction, the numerator of which is its business income from sources within this State, and the denominator of which is its business income from all sources. For the purposes of this subsection, the business income of a financial organization from sources within this State is the sum of the amounts referred to in subparagraphs (A) through (E) following, but excluding the adjusted income of an international banking facility as determined in paragraph (2):

(A) Fees, commissions or other compensation for financial services rendered within this State;

(B) Gross profits from trading in stocks, bonds or other securities managed within this State;

(C) Dividends, and interest from Illinois customers, which are received within this State;

(D) Interest charged to customers at places of business maintained within this State for carrying debit balances of margin accounts, without deduction of any costs incurred in carrying such accounts; and

(E) Any other gross income resulting from the operation as a financial organization within this State. In computing the amounts referred to in paragraphs (A) through (E) of this subsection, any amount received by a member of an affiliated group (determined under Section 1504(a) of the Internal Revenue Code but without reference to whether any such corporation is an "includible corporation" under Section 1504(b) of the Internal Revenue Code) from another member of such group shall be included only to the extent such amount exceeds expenses of the recipient directly related thereto.

(2) International Banking Facility. For taxable years ending before December 31, 2004:

(A) Adjusted Income. The adjusted income of an international banking facility is its income reduced by the amount of the floor amount.

(B) Floor Amount. The floor amount shall be the amount, if any, determined by multiplying the income of the international banking facility by a fraction, not greater than one, which is determined as follows:

(i) The numerator shall be:

The average aggregate, determined on a quarterly basis, of the financial organization's loans to banks in foreign countries, to foreign domiciled borrowers (except where secured primarily by real estate) and to foreign governments and other foreign official institutions, as reported for its branches, agencies and offices within the state on its "Consolidated Report of Condition", Schedule A, Lines 2.c., 5.b., and 7.a., which was filed with the Federal Deposit Insurance Corporation and other regulatory authorities, for the year 1980, minus

The average aggregate, determined on a quarterly basis, of such loans (other than loans of an international banking facility), as reported by the financial institution for its branches, agencies and offices within the state, on the corresponding Schedule and lines of the Consolidated Report of Condition for the current taxable year, provided, however, that in no case shall the amount determined in this clause (the subtrahend) exceed the amount determined in the preceding clause (the minuend); and

(ii) the denominator shall be the average aggregate, determined on a quarterly basis, of the international banking facility's loans to banks in foreign countries, to foreign domiciled borrowers (except where secured primarily by real estate) and to foreign governments and other foreign official institutions, which were recorded in its financial accounts for the current taxable year.

(C) Change to Consolidated Report of Condition and in Qualification. In the event the Consolidated Report of Condition which is filed with the Federal Deposit Insurance Corporation and other regulatory authorities is altered so that the information required for determining the floor amount is not found on Schedule A, lines 2.c., 5.b. and 7.a., the financial institution shall notify the Department and the Department may, by regulations or otherwise, prescribe or authorize the use of an alternative source for such information. The financial institution shall also notify the Department should its international banking facility fail to qualify as such, in whole or in part, or should there

be any amendment or change to the Consolidated Report of Condition, as originally filed, to the extent such amendment or change alters the information used in determining the floor amount.

(3) For taxable years ending on or after December 31, 2004, the business income of a financial organization shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is its gross receipts from sources in this State or otherwise attributable to this State's marketplace and the denominator of which is its gross receipts everywhere during the taxable year. "Gross receipts" for purposes of this subparagraph (3) means gross income, including net taxable gain on disposition of assets, including securities and money market instruments, when derived from transactions and activities in the regular course of the financial organization's trade or business. The following examples are illustrative:

(i) Receipts from the lease or rental of real or tangible personal property are in this State if the property is located in this State during the rental period. Receipts from the lease or rental of tangible personal property that is characteristically moving property, including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are in this State to the extent that the property is used in this State.

(ii) Interest income, commissions, fees, gains on disposition, and other receipts from assets in the nature of loans that are secured primarily by real estate or tangible personal property are attributable to this State's marketplace if the security is located in this State.

(iii) Interest income, commissions, fees, gains on disposition, and other receipts from consumer loans that are not secured by real or tangible personal property are this State if the debtor is a resident of this State.

(iv) Interest income, commissions, fees, gains on disposition, and other receipts from commercial loans and installment obligations that are not unsecured by real or tangible personal property are in this State if the proceeds of the loan are to be applied in this State. If it cannot be determined where the funds are to be applied, the income and receipts are attributable to this State's marketplace if the office of the borrower from which the loan was procured in the regular course of business is located in this State. If the location of this office cannot be determined, such receipts shall be excluded from the numerator and denominator of the sales factor.

(v) Interest income, fees, gains on disposition, service charges, and other receipts from credit card receivables are in this State if the card charges are regularly billed to a customer in this State.

(vi) Receipts from the performance of fiduciary and other services are in this State if the benefit of the service is enjoyed or realized in this State. If the benefit of the service is enjoyed or realized both within and without this State, the gross receipts from the sale shall be divided among those states having jurisdiction to tax the sale in proportion to the benefit of service enjoyed or realized in each state. If the proportionate benefit in this State cannot be determined, the sale shall be excluded from both the numerator and the denominator of the gross receipts factor.

(vii) Receipts from the issuance of travelers checks and money orders are in this State if the checks and money orders are issued from a location within this State.

(viii) In the case of a financial organization that accepts deposits, receipts from investments and from money market instruments are apportioned to this State based on the ratio that the total deposits of the financial organization (including all members of the financial organization's unitary group) from this State, its residents, any business with an office or other place of business in this State, and its political subdivisions, agencies, and instrumentalities bear to total deposits everywhere. For purposes of this subdivision, deposits must be attributed to this State under the preceding sentence, whether or not the deposits are accepted or maintained by the financial organization at locations within this State. In the case of a financial organization that does not accept deposits, receipts from investments in securities and from money market instruments shall be excluded from the numerator and the denominator of the gross receipts factor.

(4) As used in subparagraph (3), "deposit" includes but is not limited to:

(i) the unpaid balance of money or its equivalent received or held by a financial institution in the usual course of business and for which it has given or is obligated to give credit, either conditionally or unconditionally, to a commercial, checking, savings, time, or thrift account whether or not advance notice is required to withdraw the credited funds, or which is evidenced by its certificate of deposit, thrift certificate, investment certificate, or certificate of indebtedness, or other similar name, or a check or draft drawn against a deposit account and certified by the financial organization, or a letter of credit or a traveler's check on which the financial organization is primarily liable. However, without limiting the generality of the term "money or its equivalent", any such account or instrument must be regarded as evidencing the receipt of the equivalent of money when credited or issued in exchange for checks or drafts or for a promissory note upon which the person obtaining the credit or instrument is primarily or

secondarily liable, or for a charge against a deposit account, or in settlement of checks, drafts, or other instruments forwarded to the bank for collection:

(ii) trust funds received or held by the financial organization, whether held in the trust department or held or deposited in any other department of the financial organization;

(iii) money received or held by a financial organization, or the credit given for money or its equivalent received or held by a financial organization, in the usual course of business for a special or specific purpose, regardless of the legal relationship so established. Under this paragraph, "deposit" includes, but is not limited to, escrow funds, funds held as security for an obligation due to the financial organization or others, including funds held as dealers reserves, or for securities loaned by the financial organization, funds deposited by a debtor to meet maturing obligations, funds deposited as advance payment on subscriptions to United States government securities, funds held for distribution or purchase of securities, funds held to meet its acceptances or letters of credit, and withheld taxes. It does not include funds received by the financial organization for immediate application to the reduction of an indebtedness to the receiving financial organization, or under condition that the receipt of the funds immediately reduces or extinguishes the indebtedness;

(iv) outstanding drafts, including advice of another financial organization, cashier's checks, money orders, or other officer's checks issued in the usual course of business for any purpose, but not including those issued in payment for services, dividends, or purchases or other costs or expenses of the financial organization itself; and

(v) money or its equivalent held as a credit balance by a financial organization on behalf of its customer if the entity is engaged in soliciting and holding such balances in the regular course of its business.

(5) As used in subparagraph (3), "money market instruments" includes but is not limited to:

(i) Interest-bearing deposits, federal funds sold and securities purchased under agreements to resell, commercial paper, banker's acceptances, and purchased certificates of deposit and similar instruments to the extent that the instruments are reflected as assets under generally accepted accounting principles.

"Securities" means United States Treasury securities, obligations of United States government agencies and corporations, obligations of state and political subdivisions, corporate stock, bonds, and other securities, participations in securities backed by mortgages held by United States or state government agencies, loan-backed securities and similar investments to the extent the investments are reflected as assets under generally accepted accounting principles.

(ii) For purposes of subparagraph (3), "money market instruments shall include investments in investment partnerships, trusts, pools, funds, investment companies, or any similar entity in proportion to the investment of such entity in money market instruments, and "securities" shall include investments in investment partnerships, trusts, pools, funds, investment companies, or any similar entity in proportion to the investment of such entity in securities.

(d) Transportation services. For taxable years ending before December 31, 2004, business ~~Business~~ income derived from furnishing transportation services shall be apportioned to this State in accordance with paragraphs (1) and (2):

(1) Such business income (other than that derived from transportation by pipeline)

shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For purposes of this paragraph, a revenue mile is the transportation of 1 passenger or 1 net ton of freight the distance of 1 mile for a consideration. Where a person is engaged in the transportation of both passengers and freight, the fraction above referred to shall be determined by means of an average of the passenger revenue mile fraction and the freight revenue mile fraction, weighted to reflect the person's

(A) relative railway operating income from total passenger and total freight

service, as reported to the Interstate Commerce Commission, in the case of transportation by railroad, and

(B) relative gross receipts from passenger and freight transportation, in case of transportation other than by railroad.

(2) Such business income derived from transportation by pipeline shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For the purposes of this paragraph, a revenue mile is the transportation by pipeline of 1 barrel of oil, 1,000 cubic feet of gas, or of any specified quantity of any other substance, the distance of 1 mile for a consideration.

(3) For taxable years ending on or after December 31, 2004, business income derived from providing transportation services other than airline services shall be apportioned to this State by using a fraction, (a) the numerator of which shall be (i) all receipts from any movement or shipment of people, goods, mail, oil, gas, or any other substance that both originates and terminates in this State, plus (ii) that portion of the person's gross receipts from movements or shipments of people, goods, mail, oil, gas, or any other substance passing through, into, or out of this State, that is determined by the ratio that the miles traveled in this State bears to total miles from point of origin to point of destination and (b) the denominator of which shall be all revenue derived from the movement or shipment of people, goods, mail, oil, gas, or any other substance. If a person derives business income from activities other than the provision of transportation services, only its business income from transportation services shall be apportioned according to this subsection.

(4) For taxable years ending on or after December 31, 2004, business income derived from providing airline services shall be apportioned to this State by using a fraction, (a) the numerator of which shall be all receipts from any movement or shipment of people, goods, or mail, multiplied by the ratio equal to arrivals of aircraft to and departures from this State weighted as to cost of aircraft by type divided by total arrivals and departures of aircraft weighted as to cost of aircraft by type and (b) the denominator of which shall be all revenue derived from the movement or shipment of people, goods, or mail. If a person derives business income from activities other than the provision of airline services only, its business income from airline services shall be apportioned according to this subsection.

(e) Combined apportionment. Where 2 or more persons are engaged in a unitary business as described in subsection (a)(27) of Section 1501, a part of which is conducted in this State by one or more members of the group, the business income attributable to this State by any such member or members shall be apportioned by means of the combined apportionment method.

(f) Alternative allocation. If the allocation and apportionment provisions of subsections (a) through (e) and of subsection (h) do not fairly represent the extent of a person's business activity in this State, the person may petition for, or the Director may, without a petition, permit or require, in respect of all or any part of the person's business activity, if reasonable:

- (1) Separate accounting;
- (2) The exclusion of any one or more factors;
- (3) The inclusion of one or more additional factors which will fairly represent the person's business activities in this State; or
- (4) The employment of any other method to effectuate an equitable allocation and apportionment of the person's business income.

(g) Cross reference. For allocation of business income by residents, see Section 301(a).

(h) For tax years ending on or after December 31, 1998, the apportionment factor of persons who apportion their business income to this State under subsection (a) shall be equal to:

- (1) for tax years ending on or after December 31, 1998 and before December 31, 1999, $16 \frac{2}{3}\%$ of the property factor plus $16 \frac{2}{3}\%$ of the payroll factor plus $66 \frac{2}{3}\%$ of the sales factor;
- (2) for tax years ending on or after December 31, 1999 and before December 31, 2000, $8 \frac{1}{3}\%$ of the property factor plus $8 \frac{1}{3}\%$ of the payroll factor plus $83 \frac{1}{3}\%$ of the sales factor;
- (3) for tax years ending on or after December 31, 2000, the sales factor.

If, in any tax year ending on or after December 31, 1998 and before December 31, 2000, the denominator of the payroll, property, or sales factor is zero, the apportionment factor computed in paragraph (1) or (2) of this subsection for that year shall be divided by an amount equal to 100% minus the percentage weight given to each factor whose denominator is equal to zero.

(i) The changes made to this Section by this amendatory Act of the 93rd General Assembly do not apply to any small business person.

Sec. 305. Allocation of Partnership Income by partnerships and partners other than residents. (a) Allocation of partnership business income by partners other than residents. The respective shares of partners other than residents in so much of the business income of the partnership as is allocated or apportioned to this State in the possession of the partnership shall be taken into account by such partners pro rata in accordance with their respective distributive shares of such partnership income for the partnership's taxable year and allocated to this State.

(b) Allocation of partnership nonbusiness income by partners other than residents. The respective shares of partners other than residents in the items of partnership income and deduction not taken into account in computing the business income of a partnership shall be taken into account by such partners pro rata in accordance with their respective distributive shares of such partnership income for the

partnership's taxable year, and allocated as if such items had been paid, incurred or accrued directly to such partners in their separate capacities.

(c) Allocation or apportionment of base income by partnership. Base income of a partnership shall be allocated or apportioned to this State pursuant to Article 3, in the same manner as it is allocated or apportioned for any other nonresident.

(c-5) Taxable income of an investment partnership, as defined in Section 1501(a)(11.5) of this Act, that is distributable to a nonresident partner shall be treated as nonbusiness income and shall be allocated to the partner's state of residence (in the case of an individual) or commercial domicile (in the case of any other person). However, any income distributable to a nonresident partner shall be treated as business income and apportioned as if such income had been received directly by the partner if the partner has made an election under Section 1501(a)(1) of this Act to treat all income as business income or if such income is from investment activity:

(1) that is directly or integrally related to any other business activity conducted in this State by the nonresident partner (or any member of that partner's unitary business group);

(2) that serves an operational function to any other business activity of the nonresident partner (or any member of that partner's unitary business group) in this State; or

(3) where assets of the investment partnership were acquired with working capital from a trade or business activity conducted in this State in which the nonresident partner (or any member of that partner's unitary business group) owns an interest.

(d) Cross reference. For allocation of partnership income or deductions by residents, see Section 301(a).

Sec. 501. Notice or Regulations Requiring Records, Statements and Special Returns.

(a) In general. Every person liable for any tax imposed by this Act shall keep such records, render such statements, make such returns and notices, and comply with such rules and regulations as the Department may from time to time prescribe. Whenever in the judgment of the Director it is necessary, he may require any person, by notice served upon such person or by regulations, to make such returns and notices, render such statements, or keep such records, as the Director deems sufficient to show whether or not such person is liable for tax under this Act.

(b) Reportable transactions.

(1) Federal transactions. For each taxable year in which a taxpayer is required to make a disclosure statement under Treasury Regulations Section 1.6011-4 (26 CFR 1.6011-4) (including any taxpayer that is a member of a consolidated group required to make such disclosure) with respect to a reportable transaction (including a listed transaction) in which the taxpayer participated in a taxable year for which a return is required under Section 502 of this Act, such taxpayer shall file a copy of such disclosure with the Department. Disclosure under this paragraph (1) is required to be made by any taxpayer that is a member of a unitary business group that includes any person required to make a disclosure statement under Treasury Regulations Section 1.6011-4. Disclosure under this paragraph (1) is required with respect to any transaction entered into after February 28, 2000 that becomes a listed transaction at any time and shall be made in the manner prescribed by the Department. With respect to listed transactions in which the taxpayer participated for taxable years ending before December 31, 2004, disclosure shall be made by the due date (including extensions) of the first return required under Section 502 of this Act due after the effective date of this Public Act of the 93rd General Assembly. With respect to transactions in which the taxpayer participated for taxable years ending on and after December 31, 2004, disclosure shall be made at the time disclosure is required under Treasury regulations (Section 1.6011-4).

(2) Illinois transactions. Any taxpayer that has participated in an "Illinois reportable transaction" is required to disclose such transaction on a return or statement at the time, and in the form and manner prescribed by the Department. Disclosure is required for each taxable year in which the taxpayer participates in an Illinois reportable transaction. If such reportable transaction results in a loss which is carried back to a prior year, such disclosure must be attached to the taxpayer's amended tax return for that prior year.

(A) Definitions.

(i) Illinois reportable transaction. The term "Illinois reportable transaction" means any transaction of a type that the Department shall by regulation determine as having a potential for avoidance or evasion of the tax imposed by this Act, including deductions, basis, credits, entity classification, dividend elimination, or omission of income. An Illinois reportable transaction includes (but is not limited to) "Illinois listed transactions" as defined in this subparagraph (A), "confidential transactions" as defined under Treasury Regulations Section 1.6011-4(b)(3) and "transactions with contractual

protection" as defined under Treasury Regulations Section 1.6011-4(b)(4).

(ii) Illinois listed transactions. The term "Illinois listed transaction" means a reportable transaction that is the same as, or substantially similar to, one of the types of reportable transactions and that has been specifically identified by the Department as a tax avoidance transaction.

(iii) Participated. For purposes of paragraph (2) of this subsection (b), the term "participated" shall be defined for each type of Illinois reportable transaction in the regulation or other published guidance identifying that type of reportable transaction or listed transaction.

(B) The Department shall identify and publish Illinois listed transactions through the use of Informational Bulletins or other published guidance.

(c) Inconsistent return position. Pursuant to regulations prescribed by the Department, any taxpayer that reports for any taxable year any item for Illinois income tax purposes in a manner inconsistent with the manner in which the same item is reported or reflected on any return filed for the same taxable year with another state with respect to a tax on or measured by net income or with the manner in which a substantially identical item was reported or reflected for Illinois income tax purposes for the immediately preceding taxable year (inconsistent return position), shall disclose such inconsistent return position on a return or statement in the form and manner prescribed by the Department. An inconsistent return position shall include, but shall not be limited to, the following:

(1) The reporting of the same item as business income on the Illinois return and as nonbusiness income on the return filed in another state, or as nonbusiness income on the Illinois return and as business income on the return filed in another state (except that an item reported as business income in Illinois by virtue of the election provided under Section 1501(a)(1) of this Act shall not be deemed to give rise to an inconsistent return position).

(2) The reporting of the same item of gross receipts as attributable to another state on the Illinois return and as attributable to Illinois on the return filed in another state.

(3) The reporting of the same person as a member of the taxpayer's unitary business on the Illinois return and as not a member of the unitary business on the return filed in another state or the reporting of the same person as not a member of the taxpayer's unitary business on the Illinois return and as a member of the unitary business on the return filed in another state.

(35 ILCS 5/502) (from Ch. 120, par. 5-502)

Sec. 502. Returns and notices.

(a) In general. A return with respect to the taxes imposed by this Act shall be made by every person for any taxable year:

(1) for which such person is liable for a tax imposed by this Act, or

(2) in the case of a resident or in the case of a corporation which is qualified to do business in this State, for which such person is required to make a federal income tax return, regardless of whether such person is liable for a tax imposed by this Act. However, this paragraph shall not require a resident to make a return if such person has an Illinois base income of the basic amount in Section 204(b) or less and is either claimed as a dependent on another person's tax return under the Internal Revenue Code of 1986, or is claimed as a dependent on another person's tax return under this Act.

Notwithstanding the provisions of paragraph (1), a nonresident whose Illinois income tax liability under subsections (a), (b), (c), and (d) of Section 201 of this Act is paid in full after taking into account the credits allowed under subsection (f) of this Section or allowed under Section 709.5 of this Act shall not be required to file a return under this subsection (a).

(b) Fiduciaries and receivers.

(1) Decedents. If an individual is deceased, any return or notice required of such individual under this Act shall be made by his executor, administrator, or other person charged with the property of such decedent.

(2) Individuals under a disability. If an individual is unable to make a return or notice required under this Act, the return or notice required of such individual shall be made by his duly authorized agent, guardian, fiduciary or other person charged with the care of the person or property of such individual.

(3) Estates and trusts. Returns or notices required of an estate or a trust shall be made by the fiduciary thereof.

(4) Receivers, trustees and assignees for corporations. In a case where a receiver, trustee in bankruptcy, or assignee, by order of a court of competent jurisdiction, by operation of law, or otherwise, has possession of or holds title to all or substantially all the property or business of a corporation, whether or not such property or business is being operated, such receiver, trustee, or

assignee shall make the returns and notices required of such corporation in the same manner and form as corporations are required to make such returns and notices.

(c) Joint returns by husband and wife.

(1) Except as provided in paragraph (3), if a husband and wife file a joint federal income tax return for a taxable year they shall file a joint return under this Act for such taxable year and their liabilities shall be joint and several, but if the federal income tax liability of either spouse is determined on a separate federal income tax return, they shall file separate returns under this Act.

(2) If neither spouse is required to file a federal income tax return and either or both are required to file a return under this Act, they may elect to file separate or joint returns and pursuant to such election their liabilities shall be separate or joint and several.

(3) If either husband or wife is a resident and the other is a nonresident, they shall file separate returns in this State on such forms as may be required by the Department in which event their tax liabilities shall be separate; but they may elect to determine their joint net income and file a joint return as if both were residents and in such case, their liabilities shall be joint and several.

(4) Innocent spouses.

(A) However, for tax liabilities arising and paid prior to August 13, 1999, an innocent spouse shall be relieved of liability for tax (including interest and penalties) for any taxable year for which a joint return has been made, upon submission of proof that the Internal Revenue Service has made a determination under Section 6013(e) of the Internal Revenue Code, for the same taxable year, which determination relieved the spouse from liability for federal income taxes. If there is no federal income tax liability at issue for the same taxable year, the Department shall rely on the provisions of Section 6013(e) to determine whether the person requesting innocent spouse abatement of tax, penalty, and interest is entitled to that relief.

(B) For tax liabilities arising on and after August 13, 1999 or which arose prior to that date, but remain unpaid as of that date, if an individual who filed a joint return for any taxable year has made an election under this paragraph, the individual's liability for any tax shown on the joint return shall not exceed the individual's separate return amount and the individual's liability for any deficiency assessed for that taxable year shall not exceed the portion of the deficiency properly allocable to the individual. For purposes of this paragraph:

(i) An election properly made pursuant to Section 6015 of the Internal Revenue Code shall constitute an election under this paragraph, provided that the election shall not be effective until the individual has notified the Department of the election in the form and manner prescribed by the Department.

(ii) If no election has been made under Section 6015, the individual may make an election under this paragraph in the form and manner prescribed by the Department, provided that no election may be made if the Department finds that assets were transferred between individuals filing a joint return as part of a scheme by such individuals to avoid payment of Illinois income tax and the election shall not eliminate the individual's liability for any portion of a deficiency attributable to an error on the return of which the individual had actual knowledge as of the date of filing.

(iii) In determining the separate return amount or portion of any deficiency attributable to an individual, the Department shall follow the provisions in subsections (c) and (d) of Section 6015 of the Internal Revenue Code.

(iv) In determining the validity of an individual's election under subparagraph (ii) and in determining an electing individual's separate return amount or portion of any deficiency under subparagraph (iii), any determination made by the Secretary of the Treasury, by the United States Tax Court on petition for review of a determination by the Secretary of the Treasury, or on appeal from the United States Tax Court under Section 6015 of the Internal Revenue Code regarding criteria for eligibility or under subsection (d) of Section 6015 of the Internal Revenue Code regarding the allocation of any item of income, deduction, payment, or credit between an individual making the federal election and that individual's spouse shall be conclusively presumed to be correct. With respect to any item that is not the subject of a determination by the Secretary of the Treasury or the federal courts, in any proceeding involving this subsection, the individual making the election shall have the burden of proof with respect to any item except that the Department shall have the burden of proof with respect to items in subdivision (ii).

(v) Any election made by an individual under this subsection shall apply to all years for which that individual and the spouse named in the election have filed a joint return.

(vi) After receiving a notice that the federal election has been made or after

receiving an election under subdivision (ii), the Department shall take no collection action against the electing individual for any liability arising from a joint return covered by the election until the Department has notified the electing individual in writing that the election is invalid or of the portion of the liability the Department has allocated to the electing individual. Within 60 days (150 days if the individual is outside the United States) after the issuance of such notification, the individual may file a written protest of the denial of the election or of the Department's determination of the liability allocated to him or her and shall be granted a hearing within the Department under the provisions of Section 908. If a protest is filed, the Department shall take no collection action against the electing individual until the decision regarding the protest has become final under subsection (d) of Section 908 or, if administrative review of the Department's decision is requested under Section 1201, until the decision of the court becomes final.

(d) Partnerships. Every partnership having any base income allocable to this State in accordance with section 305(c) shall retain information concerning all items of income, gain, loss and deduction; the names and addresses of all of the partners, or names and addresses of members of a limited liability company, or other persons who would be entitled to share in the base income of the partnership if distributed; the amount of the distributive share of each; and such other pertinent information as the Department may by forms or regulations prescribe. The partnership shall make that information available to the Department when requested by the Department.

(e) For taxable years ending on or after December 31, 1985, and before December 31, 1993, taxpayers that are corporations (other than Subchapter S corporations) having the same taxable year and that are members of the same unitary business group may elect to be treated as one taxpayer for purposes of any original return, amended return which includes the same taxpayers of the unitary group which joined in the election to file the original return, extension, claim for refund, assessment, collection and payment and determination of the group's tax liability under this Act. This subsection (e) does not permit the election to be made for some, but not all, of the purposes enumerated above. For taxable years ending on or after December 31, 1987, corporate members (other than Subchapter S corporations) of the same unitary business group making this subsection (e) election are not required to have the same taxable year.

For taxable years ending on or after December 31, 1993, taxpayers that are corporations (other than Subchapter S corporations) and that are members of the same unitary business group shall be treated as one taxpayer for purposes of any original return, amended return which includes the same taxpayers of the unitary group which joined in filing the original return, extension, claim for refund, assessment, collection and payment and determination of the group's tax liability under this Act.

(f) The Department may promulgate regulations to permit nonresident individual partners of the same partnership, nonresident Subchapter S corporation shareholders of the same Subchapter S corporation, and nonresident individuals transacting an insurance business in Illinois under a Lloyds plan of operation, and nonresident individual members of the same limited liability company that is treated as a partnership under Section 1501 (a)(16) of this Act, to file composite individual income tax returns reflecting the composite income of such individuals allocable to Illinois and to make composite individual income tax payments. The Department may by regulation also permit such composite returns to include the income tax owed by Illinois residents attributable to their income from partnerships, Subchapter S corporations, insurance businesses organized under a Lloyds plan of operation, or limited liability companies that are treated as partnership under Section 1501(a)(16) of this Act, in which case such Illinois residents will be permitted to claim credits on their individual returns for their shares of the composite tax payments. This paragraph of subsection (f) applies to taxable years ending on or after December 31, 1987.

For taxable years ending on or after December 31, 1999, the Department may, by regulation, also permit any persons transacting an insurance business organized under a Lloyds plan of operation to file composite returns reflecting the income of such persons allocable to Illinois and the tax rates applicable to such persons under Section 201 and to make composite tax payments and shall, by regulation, also provide that the income and apportionment factors attributable to the transaction of an insurance business organized under a Lloyds plan of operation by any person joining in the filing of a composite return shall, for purposes of allocating and apportioning income under Article 3 of this Act and computing net income under Section 202 of this Act, be excluded from any other income and apportionment factors of that person or of any unitary business group, as defined in subdivision (a)(27) of Section 1501, to which that person may belong.

For taxable years ending on or after December 31, 2004, every nonresident shall be allowed a credit against his or her liability under subsections (a) and (b) of Section 201 for any amount of tax reported on

a composite return and paid on his or her behalf under this subsection (f). Residents (other than persons transacting an insurance business organized under a Lloyds plan of operation) may claim a credit for taxes reported on a composite return and paid on their behalf under this subsection (f) only as permitted by the Department by rule.

(f-5) For taxable years ending on or after December 31, 2004, the Department may promulgate rules to provide that, when a partnership or Subchapter S corporation has made an error in determining the amount of any item of income, deduction, addition, subtraction, or credit required to be reported on its return that affects the liability imposed under this Act on a partner or shareholder, the partnership or Subchapter S corporation may report the changes in liabilities of its partners or shareholders and claim a refund of the resulting overpayments, or pay the resulting underpayments, on behalf of its partners and shareholders.

(g) The Department may adopt rules to authorize the electronic filing of any return required to be filed under this Section.

(35 ILCS 5/804) (from Ch. 120, par. 8-804)

Sec. 804. Failure to Pay Estimated Tax.

(a) In general. In case of any underpayment of estimated tax by a taxpayer, except as provided in subsection (d) or (e), the taxpayer shall be liable to a penalty in an amount determined at the rate prescribed by Section 3-3 of the Uniform Penalty and Interest Act upon the amount of the underpayment (determined under subsection (b)) for each required installment.

(b) Amount of underpayment. For purposes of subsection (a), the amount of the underpayment shall be the excess of:

(1) the amount of the installment which would be required to be paid under subsection (c), over

(2) the amount, if any, of the installment paid on or before the last date prescribed for payment.

(c) Amount of Required Installments.

(1) Amount.

(A) In General. Except as provided in paragraph (2), the amount of any required installment shall be 25% of the required annual payment.

(B) Required Annual Payment. For purposes of subparagraph (A), the term "required annual payment" means the lesser of

(i) 90% of the tax shown on the return for the taxable year, or if no return is filed, 90% of the tax for such year, or

(ii) 100% of the tax shown on the return of the taxpayer for the preceding taxable year if a return showing a liability for tax was filed by the taxpayer for the preceding taxable year and such preceding year was a taxable year of 12 months.

(2) Lower Required Installment where Annualized Income Installment is Less Than Amount Determined Under Paragraph (1).

(A) In General. In the case of any required installment if a taxpayer establishes that the annualized income installment is less than the amount determined under paragraph (1),

(i) the amount of such required installment shall be the annualized income installment, and

(ii) any reduction in a required installment resulting from the application of this subparagraph shall be recaptured by increasing the amount of the next required installment determined under paragraph (1) by the amount of such reduction, and by increasing subsequent required installments to the extent that the reduction has not previously been recaptured under this clause.

(B) Determination of Annualized Income Installment. In the case of any required installment, the annualized income installment is the excess, if any, of

(i) an amount equal to the applicable percentage of the tax for the taxable

year computed by placing on an annualized basis the net income for months in the taxable year ending before the due date for the installment, over

(ii) the aggregate amount of any prior required installments for the taxable year.

(C) Applicable Percentage.	The applicable percentage is:
In the case of the following required installments:	
1st	22.5%
2nd	45%
3rd	67.5%
4th	90%

(D) Annualized Net Income; Individuals. For individuals, net income shall be placed on an annualized basis by:

(i) multiplying by 12, or in the case of a taxable year of less than 12 months, by the number of months in the taxable year, the net income computed without regard to the standard exemption for the months in the taxable year ending before the month in which the installment is required to be paid;

(ii) dividing the resulting amount by the number of months in the taxable year ending before the month in which such installment date falls; and

(iii) deducting from such amount the standard exemption allowable for the taxable year, such standard exemption being determined as of the last date prescribed for payment of the installment.

(E) Annualized Net Income; Corporations. For corporations, net income shall be placed on an annualized basis by multiplying by 12 the taxable income

(i) for the first 3 months of the taxable year, in the case of the installment required to be paid in the 4th month,

(ii) for the first 3 months or for the first 5 months of the taxable year, in the case of the installment required to be paid in the 6th month,

(iii) for the first 6 months or for the first 8 months of the taxable year, in the case of the installment required to be paid in the 9th month, and

(iv) for the first 9 months or for the first 11 months of the taxable year, in the case of the installment required to be paid in the 12th month of the taxable year, then dividing the resulting amount by the number of months in the taxable year (3, 5, 6, 8, 9, or 11 as the case may be).

(d) Exceptions. Notwithstanding the provisions of the preceding subsections, the penalty imposed by subsection (a) shall not be imposed if the taxpayer was not required to file an Illinois income tax return for the preceding taxable year, or, for individuals, if the taxpayer had no tax liability for the preceding taxable year and such year was a taxable year of 12 months. The penalty imposed by subsection (a) shall also not be imposed on any underpayments of estimated tax due before the effective date of this amendatory Act of 1998 which underpayments are solely attributable to the change in apportionment from subsection (a) to subsection (h) of Section 304. The provisions of this amendatory Act of 1998 apply to tax years ending on or after December 31, 1998.

(e) The penalty imposed for underpayment of estimated tax by subsection (a) of this Section shall not be imposed to the extent that the ~~Director Department~~ or his or her designate determines, pursuant to Section 3-8 of the Uniform Penalty and Interest Act that the penalty should not be imposed.

(f) Definition of tax. For purposes of subsections (b) and (c), the term "tax" means the excess of the tax imposed under Article 2 of this Act, over the amounts credited against such tax under Sections 601(b) (3) and (4).

(g) Application of Section in case of tax withheld ~~under Article 7 on compensation~~. For purposes of applying this Section :

(1) in the case of an individual, tax withheld ~~from compensation under Article 7~~ for the taxable year shall be deemed a

payment of estimated tax, and an equal part of such amount shall be deemed paid on each installment date for such taxable year, unless the taxpayer establishes the dates on which all amounts were actually withheld, in which case the amounts so withheld shall be deemed payments of estimated tax on the dates on which such amounts were actually withheld; -

(2) amounts timely paid by a partnership, Subchapter S corporation, or trust on behalf of a partner, shareholder, or beneficiary pursuant to subsection (f) of Section 502 or Section 709.5 and claimed as a payment of estimated tax shall be deemed a payment of estimated tax made on the last day of the taxable year of the partnership, Subchapter S corporation, or trust for which the income from the withholding is made was computed; and

(3) all other amounts pursuant to Article 7 shall be deemed a payment of estimated tax on the date the payment is made to the taxpayer of the amount from which the tax is withheld.

(g-5) Amounts withheld under the State Salary and Annuity Withholding Act. An individual who has amounts withheld under paragraph (10) of Section 4 of the State Salary and Annuity Withholding Act may elect to have those amounts treated as payments of estimated tax made on the dates on which those amounts are actually withheld.

(i) Short taxable year. The application of this Section to taxable years of less than 12 months shall be in accordance with regulations prescribed by the Department.

The changes in this Section made by Public Act 84-127 shall apply to taxable years ending on or after January 1, 1986.

Sec. 905. Limitations on Notices of Deficiency.

(a) In general. Except as otherwise provided in this Act:

(1) A notice of deficiency shall be issued not later than 3 years after the date the return was filed, and

(2) No deficiency shall be assessed or collected with respect to the year for which the return was filed unless such notice is issued within such period.

(b) Substantial omission of items.

(1) Omission of more than 25% of income. If the taxpayer omits from base income an amount properly includible therein which is in excess of 25% of the amount of base income stated in the return, a notice of deficiency may be issued not later than 6 years after the return was filed. For purposes of this paragraph, there shall not be taken into account any amount which is omitted in the return if such amount is disclosed in the return, or in a statement attached to the return, in a manner adequate to apprise the Department of the nature and the amount of such item.

(2) Reportable transactions. If a taxpayer fails to include on any return or statement for any taxable year any information with respect to a reportable transaction or Illinois reportable transaction, as required under Section 501(b) of this Act, or fails to disclose an inconsistent return position, as required under Section 501(c) of this Act, a notice of deficiency may be issued not later than 6 years after the return is filed with respect to the taxable year in which the taxpayer participated in the reportable transaction or was required to disclose an inconsistent return position.

(c) No return or fraudulent return. If no return is filed or a false and fraudulent return is filed with intent to evade the tax imposed by this Act, a notice of deficiency may be issued at any time.

(d) Failure to report federal change. If a taxpayer fails to notify the Department in any case where notification is required by Section 304(c) or 506(b), or fails to report a change or correction which is treated in the same manner as if it were a deficiency for federal income tax purposes, a notice of deficiency may be issued (i) at any time or (ii) on or after August 13, 1999, at any time for the taxable year for which the notification is required or for any taxable year to which the taxpayer may carry an Article 2 credit, or a Section 207 loss, earned, incurred, or used in the year for which the notification is required; provided, however, that the amount of any proposed assessment set forth in the notice shall be limited to the amount of any deficiency resulting under this Act from the recomputation of the taxpayer's net income, Article 2 credits, or Section 207 loss earned, incurred, or used in the taxable year for which the notification is required after giving effect to the item or items required to be reported.

(e) Report of federal change.

(1) Before August 13, 1999, in any case where notification of an alteration is given as required by Section 506(b), a notice of deficiency may be issued at any time within 2 years after the date such notification is given, provided, however, that the amount of any proposed assessment set forth in such notice shall be limited to the amount of any deficiency resulting under this Act from recomputation of the taxpayer's net income, net loss, or Article 2 credits for the taxable year after giving effect to the item or items reflected in the reported alteration.

(2) On and after August 13, 1999, in any case where notification of an alteration is given as required by Section 506(b), a notice of deficiency may be issued at any time within 2 years after the date such notification is given for the taxable year for which the notification is given or for any taxable year to which the taxpayer may carry an Article 2 credit, or a Section 207 loss, earned, incurred, or used in the year for which the notification is given, provided, however, that the amount of any proposed assessment set forth in such notice shall be limited to the amount of any deficiency resulting under this Act from recomputation of the taxpayer's net income, Article 2 credits, or Section 207 loss earned, incurred, or used in the taxable year for which the notification is given after giving effect to the item or items reflected in the reported alteration.

(f) Extension by agreement. Where, before the expiration of the time prescribed in this Section for the issuance of a notice of deficiency, both the Department and the taxpayer shall have consented in writing

to its issuance after such time, such notice may be issued at any time prior to the expiration of the period agreed upon. In the case of a taxpayer who is a partnership, Subchapter S corporation, or trust and who enters into an agreement with the Department pursuant to this subsection on or after January 1, 2003, a notice of deficiency may be issued to the partners, shareholders, or beneficiaries of the taxpayer at any time prior to the expiration of the period agreed upon. Any proposed assessment set forth in the notice, however, shall be limited to the amount of any deficiency resulting under this Act from recomputation of items of income, deduction, credits, or other amounts of the taxpayer that are taken into account by the partner, shareholder, or beneficiary in computing its liability under this Act. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon.

(g) Erroneous refunds. In any case in which there has been an erroneous refund of tax payable under this Act, a notice of deficiency may be issued at any time within 2 years from the making of such refund, or within 5 years from the making of such refund if it appears that any part of the refund was induced by fraud or the misrepresentation of a material fact, provided, however, that the amount of any proposed assessment set forth in such notice shall be limited to the amount of such erroneous refund.

Beginning July 1, 1993, in any case in which there has been a refund of tax payable under this Act attributable to a net loss carryback as provided for in Section 207, and that refund is subsequently determined to be an erroneous refund due to a reduction in the amount of the net loss which was originally carried back, a notice of deficiency for the erroneous refund amount may be issued at any time during the same time period in which a notice of deficiency can be issued on the loss year creating the carryback amount and subsequent erroneous refund. The amount of any proposed assessment set forth in the notice shall be limited to the amount of such erroneous refund.

(h) Time return deemed filed. For purposes of this Section a tax return filed before the last day prescribed by law (including any extension thereof) shall be deemed to have been filed on such last day.

(i) Request for prompt determination of liability. For purposes of subsection (a)(1), in the case of a tax return required under this Act in respect of a decedent, or by his estate during the period of administration, or by a corporation, the period referred to in such Subsection shall be 18 months after a written request for prompt determination of liability is filed with the Department (at such time and in such form and manner as the Department shall by regulations prescribe) by the executor, administrator, or other fiduciary representing the estate of such decedent, or by such corporation, but not more than 3 years after the date the return was filed. This subsection shall not apply in the case of a corporation unless:

(1) (A) such written request notifies the Department that the corporation contemplates dissolution at or before the expiration of such 18-month period, (B) the dissolution is begun in good faith before the expiration of such 18-month period, and (C) the dissolution is completed;

(2) (A) such written request notifies the Department that a dissolution has in good faith been begun, and (B) the dissolution is completed; or

(3) a dissolution has been completed at the time such written request is made.

(j) Withholding tax. In the case of returns required under Article 7 of this Act (with respect to any amounts withheld as tax or any amounts required to have been withheld as tax) a notice of deficiency shall be issued not later than 3 years after the 15th day of the 4th month following the close of the calendar year in which such withholding was required.

(k) Penalties for failure to make information reports. A notice of deficiency for the penalties provided by Subsection 1405.1(c) of this Act may not be issued more than 3 years after the due date of the reports with respect to which the penalties are asserted.

(l) Penalty for failure to file withholding returns. A notice of deficiency for penalties provided by Section 1004 of this Act for taxpayer's failure to file withholding returns may not be issued more than three years after the 15th day of the 4th month following the close of the calendar year in which the withholding giving rise to taxpayer's obligation to file those returns occurred.

(m) Transferee liability. A notice of deficiency may be issued to a transferee relative to a liability asserted under Section 1405 during time periods defined as follows:

1) Initial Transferee. In the case of the liability of an initial transferee, up to 2 years after the expiration of the period of limitation for assessment against the transferor, except that if a court proceeding for review of the assessment against the transferor has begun, then up to 2 years after the return of the certified copy of the judgment in the court proceeding.

2) Transferee of Transferee. In the case of the liability of a transferee, up to 2 years after the expiration of the period of limitation for assessment against the preceding transferee, but not more than 3 years after the expiration of the period of limitation for assessment against the initial transferor; except that if, before the expiration of the period of limitation for the assessment of

the liability of the transferee, a court proceeding for the collection of the tax or liability in respect thereof has been begun against the initial transferor or the last preceding transferee, as the case may be, then the period of limitation for assessment of the liability of the transferee shall expire 2 years after the return of the certified copy of the judgment in the court proceeding.

(n) Notice of decrease in net loss. On and after the effective date of this amendatory Act of the 92nd General Assembly, no notice of deficiency shall be issued as the result of a decrease determined by the Department in the net loss incurred by a taxpayer under Section 207 of this Act unless the Department has notified the taxpayer of the proposed decrease within 3 years after the return reporting the loss was filed or within one year after an amended return reporting an increase in the loss was filed, provided that in the case of an amended return, a decrease proposed by the Department more than 3 years after the original return was filed may not exceed the increase claimed by the taxpayer on the original return.

Sec. 911. Limitations on Claims for Refund.

(a) In general. Except as otherwise provided in this Act:

(1) A claim for refund shall be filed not later than 3 years after the date the return was filed (in the case of returns required under Article 7 of this Act respecting any amounts withheld as tax, not later than 3 years after the 15th day of the 4th month following the close of the calendar year in which such withholding was made), or one year after the date the tax was paid, whichever is the later; and

(2) No credit or refund shall be allowed or made with respect to the year for which the claim was filed unless such claim is filed within such period.

(b) Federal changes.

(1) In general. In any case where notification of an alteration is required by Section 506(b), a claim for refund may be filed within 2 years after the date on which such notification was due (regardless of whether such notice was given), but the amount recoverable pursuant to a claim filed under this Section shall be limited to the amount of any overpayment resulting under this Act from recomputation of the taxpayer's net income, net loss, or Article 2 credits for the taxable year after giving effect to the item or items reflected in the alteration required to be reported.

(2) Tentative carryback adjustments paid before January 1, 1974. If, as the result of the payment before January 1, 1974 of a federal tentative carryback adjustment, a notification of an alteration is required under Section 506(b), a claim for refund may be filed at any time before January 1, 1976, but the amount recoverable pursuant to a claim filed under this Section shall be limited to the amount of any overpayment resulting under this Act from recomputation of the taxpayer's base income for the taxable year after giving effect to the federal alteration resulting from the tentative carryback adjustment irrespective of any limitation imposed in paragraph (1) of this subsection.

(c) Extension by agreement. Where, before the expiration of the time prescribed in this section for the filing of a claim for refund, both the Department and the claimant shall have consented in writing to its filing after such time, such claim may be filed at any time prior to the expiration of the period agreed upon. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. In the case of a taxpayer who is a partnership, Subchapter S corporation, or trust and who enters into an agreement with the Department pursuant to this subsection on or after January 1, 2003, a claim for refund may be issued to the partners, shareholders, or beneficiaries of the taxpayer at any time prior to the expiration of the period agreed upon. Any refund allowed pursuant to the claim, however, shall be limited to the amount of any overpayment of tax due under this Act that results from recomputation of items of income, deduction, credits, or other amounts of the taxpayer that are taken into account by the partner, shareholder, or beneficiary in computing its liability under this Act.

(d) Limit on amount of credit or refund.

(1) Limit where claim filed within 3-year period. If the claim was filed by the claimant during the 3-year period prescribed in subsection (a), the amount of the credit or refund shall not exceed the portion of the tax paid within the period, immediately preceding the filing of the claim, equal to 3 years plus the period of any extension of time for filing the return.

(2) Limit where claim not filed within 3-year period. If the claim was not filed within such 3-year period, the amount of the credit or refund shall not exceed the portion of the tax paid during the one year immediately preceding the filing of the claim.

(e) Time return deemed filed. For purposes of this section a tax return filed before the last day prescribed by law for the filing of such return (including any extensions thereof) shall be deemed to have been filed on such last day.

(f) No claim for refund based on the taxpayer's taking a credit for estimated tax payments as provided by Section 601(b)(2) or for any amount paid by a taxpayer pursuant to Section 602(a) or for any amount of credit for tax withheld pursuant to ~~Article 7 Section 701~~ may be filed more than 3 years after the due date, as provided by Section 505, of the return which was required to be filed relative to the taxable year for which the payments were made or for which the tax was withheld. The changes in this subsection (f) made by this amendatory Act of 1987 shall apply to all taxable years ending on or after December 31, 1969.

(g) Special Period of Limitation with Respect to Net Loss Carrybacks. If the claim for refund relates to an overpayment attributable to a net loss carryback as provided by Section 207, in lieu of the 3 year period of limitation prescribed in subsection (a), the period shall be that period which ends 3 years after the time prescribed by law for filing the return (including extensions thereof) for the taxable year of the net loss which results in such carryback (or, on and after August 13, 1999, with respect to a change in the carryover of an Article 2 credit to a taxable year resulting from the carryback of a Section 207 loss incurred in a taxable year beginning on or after January 1, 2000, the period shall be that period that ends 3 years after the time prescribed by law for filing the return (including extensions of that time) for that subsequent taxable year), or the period prescribed in subsection (c) in respect of such taxable year, whichever expires later. In the case of such a claim, the amount of the refund may exceed the portion of the tax paid within the period provided in subsection (d) to the extent of the amount of the overpayment attributable to such carryback. On and after August 13, 1999, if the claim for refund relates to an overpayment attributable to the carryover of an Article 2 credit, or of a Section 207 loss, earned, incurred (in a taxable year beginning on or after January 1, 2000), or used in a year for which a notification of a change affecting federal taxable income must be filed under subsection (b) of Section 506, the claim may be filed within the period prescribed in paragraph (1) of subsection (b) in respect of the year for which the notification is required. In the case of such a claim, the amount of the refund may exceed the portion of the tax paid within the period provided in subsection (d) to the extent of the amount of the overpayment attributable to the recomputation of the taxpayer's Article 2 credits, or Section 207 loss, earned, incurred, or used in the taxable year for which the notification is given.

(h) Claim for refund based on net loss. On and after the effective date of this amendatory Act of the 92nd General Assembly, no claim for refund shall be allowed to the extent the refund is the result of an amount of net loss incurred under Section 207 of this Act that was not reported to the Department within 3 years of the due date (including extensions) of the return for the loss year on either the original return filed by the taxpayer or on amended return.

(35 ILCS 5/1001) (from Ch. 120, par. 10-1001)

Sec. 1001. Failure to File Tax Returns.

(a) In case of failure to file any tax return required under this Act on the date prescribed therefor, (determined with regard to any extensions of time for filing) there shall be added as a penalty the amount prescribed by Section 3-3 of the Uniform Penalty and Interest Act.

(b) Failure to disclose reportable transaction. Any taxpayer who fails to comply with the requirements of Section 501(b)(1) of this Act or who fails to include on a return or statement any information with respect to an Illinois reportable transaction required under Section 501(b)(2) of this Act and regulations promulgated thereunder to be included with that return or statement shall pay a penalty in the amount determined under this subsection. Such penalty shall be deemed assessed upon the date of filing of the return for the taxable year in which the taxpayer participates in the reportable transaction. A taxpayer shall not be considered to have complied with the requirements of Section 501(b)(1) of this Act unless the disclosure statement filed with the Department includes all of the information required to be disclosed with respect to a reportable transaction pursuant to Treasury Regulations Section 1.6011-4 (26 CFR 1.6011-4) and regulations promulgated by the Department under Section 501(b)(1) of this Act. A taxpayer shall not be considered to have complied with the requirements of Section 501(b)(2) of this Act unless the disclosure required under such Section includes all of the information required to be disclosed under regulations promulgated by the Department pursuant to such Section.

(1) Amount of penalty. Except as provided in paragraph (2), the amount of the penalty under this subsection shall be \$15,000 for each failure to comply with the requirements of Section 501(b)(1) or Section 501(b)(2).

(2) Increase in penalty for listed transactions. In the case of a failure to comply with the requirements of Section 501(b)(1) with respect to a "listed transaction", or in the case of failure to properly disclose participation an Illinois listed transaction as defined under Section 501(b)(2) of this Act, the penalty under this subsection shall be \$30,000 for each failure.

(3) Authority to Rescind Penalty. The Board of Appeals may rescind all or any portion of any penalty

imposed by this subsection with respect to any violation, if all of the following apply:

(A) The violation is with respect to a reportable transaction or Illinois reportable transaction other than a listed transaction or Illinois listed transaction;

(B) The person on whom the penalty is imposed has a history of complying with the requirements of this Act;

(C) It is shown that the violation is due to an unintentional mistake of fact;

(D) Imposing the penalty would be against equity and good conscience; and

(E) Rescinding the penalty would promote compliance with the requirements of this Act and effective tax administration.

The exercise of authority under this subparagraph (3) shall be at the sole discretion of the Board of Appeals and the Director. Notwithstanding any other law or rule of law, any determination under this subparagraph (3) may not be reviewed in any administrative or judicial proceeding.

(4) Coordination with other penalties. The penalty imposed by this subsection is in addition to any penalty imposed by this Act or the Uniform Penalty and Interest Act.

(c) Penalty for failure to disclose inconsistent return position. Any taxpayer that fails to properly disclose an inconsistent return position with respect to any taxable year, as required under Section 501(c) of this Act, shall incur a penalty of \$15,000 for each position not reported. Such penalty shall be deemed assessed upon the date of filing of the return for the taxable year with respect to which the taxpayer was required to disclose the inconsistent return position. The penalty imposed by this subsection is in addition to any penalty imposed by this Act or the Uniform Penalty and Interest Act. The Board of Appeals may rescind all or any portion of the penalty imposed under this subsection (c) if it is shown that there was a reasonable cause for the failure to disclose and that the taxpayer acted in good faith.

(d) The total penalty imposed under subsection (b) or subsection (c) of this Section with respect to any taxable year shall not exceed 10% of the increase in net income (or reduction in Illinois net loss under Section 207 of this Act) that would result had the taxpayer not participated in any reportable transaction or Illinois reportable transaction affecting its net income for such taxable year and reported each inconsistent return position in a manner that would cause it to report the greatest net income (or smallest Illinois net loss) on its Illinois income tax return for the taxable year.

(35 ILCS 5/1002) (from Ch. 120, par. 10-1002)

Sec. 1002. Failure to Pay Tax.

(a) Negligence. If any part of a deficiency is due to negligence or intentional disregard of rules and regulations (but without intent to defraud) there shall be added to the tax as a penalty the amount prescribed by Section 3-5 of the Uniform Penalty and Interest Act.

(b) Fraud. If any part of a deficiency is due to fraud, there shall be added to the tax as a penalty the amount prescribed by Section 3-6 of the Uniform Penalty and Interest Act.

(c) Nonwillful failure to pay withholding tax. If any employer, without intent to evade or defeat any tax imposed by this Act or the payment thereof, shall fail to make a return and pay a tax withheld by him at the time required by or under the provisions of this Act, such employer shall be liable for such taxes and shall pay the same together with the interest and the penalty provided by Sections 3-2 and 3-3, respectively, of the Uniform Penalty and Interest Act and such interest and penalty shall not be charged to or collected from the employee by the employer.

(d) Willful failure to collect and pay over tax. Any person required to collect, truthfully account for, and pay over the tax imposed by this Act who willfully fails to collect such tax or truthfully account for and pay over such tax or willfully attempts in any manner to evade or defeat the tax or the payment thereof, shall, in addition to other penalties provided by law, be liable for the penalty imposed by Section 3-7 of the Uniform Penalty and Interest Act.

(e) Penalties assessable.

(1) In general. Except as otherwise provided in this Act ~~provided in paragraphs (2), (3) and (4)~~, the penalties provided by this Act shall be paid upon

notice and demand and shall be assessed, collected, and paid in the same manner as taxes and any reference in this Act to the tax imposed by this Act shall be deemed also to refer to penalties provided by this Act.

(2) Procedure for assessing certain penalties. For the purposes of Article 9 any penalty under Section 804(a) or Section 1001 shall be deemed assessed upon the filing of the return for the taxable year.

(3) Procedure for assessing the penalty for failure to file withholding returns or annual transmittal forms for wage and tax statements. The penalty imposed by Section 1004 will be asserted by the Department's issuance of a notice of deficiency. If taxpayer files a timely protest, the

procedures of Section 908 will be followed. If taxpayer does not file a timely protest, the notice of deficiency will constitute an assessment pursuant to subsection (c) of Section 904.

(4) Assessment of penalty under Section 1005(a). The penalty imposed under Section 1005(a) shall be deemed assessed upon the assessment of the tax to which such penalty relates and shall be collected and paid on notice and demand in the same manner as the tax.

(f) Determination of deficiency. For purposes of subsections (a) and (b), the amount shown as the tax by the taxpayer upon his return shall be taken into account in determining the amount of the deficiency only if such return was filed on or before the last day prescribed by law for the filing of such return, including any extensions of the time for such filing.

(Source: P.A. 89-379, eff. 1-1-96.)

(35 ILCS 5/1005) (from Ch. 120, par. 10-1005)

Sec. 1005. Penalty for Underpayment of Tax.

(a) In general. If any amount of tax required to be shown on a return prescribed by this Act is not paid on or before the date required for filing such return (determined without regard to any extension of time to file), a penalty shall be imposed in the manner and at the rate prescribed by the Uniform Penalty and Interest Act. The provisions of this subsection shall apply to all taxable years ending on or after January 1, 1986.

(b) Reportable transaction penalty. If a taxpayer has a reportable transaction understatement for any taxable year, there shall be added to the tax an amount equal to 20% of the amount of that understatement. Such penalty shall be deemed assessed upon the assessment of the tax to which such penalty relates and shall be collected and paid on notice and demand in the same manner as the tax.

(1) Reportable Transaction Understatement. For purposes of this Section, the term "reportable transaction understatement" means the sum of subparagraphs (A) and (B):

(A) The product of (i) the amount of the increase (if any) in Illinois net income (or decrease in Illinois net loss under Section 207 of this Act) that results from a difference between the proper tax treatment of an item to which this subsection applies and the taxpayer's treatment of that item (as shown on the taxpayer's return of tax), and (ii) the applicable tax rates under Section 201 of this Act.

(B) The amount of the decrease (if any) in the aggregate amount of credits determined under this Act (including credits that may be carried forward to other taxable years) that results from a difference between the taxpayer's treatment of an item to which this subsection applies (as shown on the taxpayer's return of tax) and the proper tax treatment of that item.

(2) Items to which subsection applies. This subsection applies to any item that is attributable to any listed transaction, as defined in Treasury Regulations, Section 1.6011-4, or Illinois listed transaction, as defined in Section 501(b)(2), and to any item that is attributable to any reportable transaction, as defined in Treasury Regulations, Section 1.6011-4, or Illinois reportable transaction, as defined in Section 501(b)(2) (other than a listed transaction or Illinois listed transaction) if a significant purpose of the transaction is the avoidance or evasion of federal or Illinois income tax.

(3) Subsection (b) shall be applied by substituting "30%" for "20%" with respect to the portion of any reportable transaction understatement with respect to the relevant facts affecting the tax treatment of the item that are not adequately disclosed in accordance with Section 501(b) of this Act. A taxpayer shall be treated as making adequate disclosure if the penalty for failure to disclose is rescinded under Section 1001(b)(3) of this Act.

(4) Reasonable Cause Exception.

(A) In general. No penalty shall be imposed under this subsection with respect to any portion of a reportable transaction understatement if it is shown that there was a reasonable cause for such portion and that the taxpayer acted in good faith with respect to such portion.

(B) Special rules. If the taxpayer has been contacted by the Department regarding the use of a potentially abusive tax shelter, subparagraph (A) does not apply unless all of the following requirements are met:

(i) There is or was substantial authority for such treatment; and

(ii) The taxpayer reasonably believed that such treatment was more likely than not the proper treatment.

(C) Rules relating to reasonable belief. For purposes of subparagraph (B), a taxpayer shall be treated as having a reasonable belief with respect to the tax treatment of an item only if such belief meets the requirements of this subparagraph (C):

(i) Such belief must be based on the facts and law that exist at the time the return of tax that includes that tax treatment is filed;

(ii) Such belief must relate solely to the taxpayer's chances of success on the merits of that treatment and does not take into account the possibility that the return will not be audited, that the

treatment will not be raised on audit, or that the treatment will be resolved through settlement if it is raised; and

(iii) Such belief is not based, in whole or in part, on the opinion of a disqualified tax advisor or on a disqualified opinion.

(5) Definitions.

(i) Disqualified tax advisor. The term "disqualified tax advisor" is a tax advisor that meets any of the following conditions:

(I) Is a material advisor who participates in the organization, management, promotion, or sale of the transaction or who is related (within the meaning of Sections 267(b) or 707(b)(1) of the Internal Revenue Code) to any person who so participates;

(II) Is compensated directly or indirectly by a material advisor with respect to the transaction;

(III) Has a fee arrangement with respect to the transaction that is contingent on all or part of the intended tax benefits from the transaction being sustained; or

(IV) As determined under regulations prescribed by either the Secretary of the Treasury for federal income tax purposes or the Department, has a continuing financial interest with respect to the transaction.

(ii) Disqualified opinion. The term "disqualified opinion" means an opinion that meets any of the following conditions:

(I) Is based on unreasonable factual or legal assumptions (including assumptions as to future events);

(II) Unreasonably relies on representations, statements, findings, or agreements of the taxpayer or any other person;

(III) Does not identify and consider all relevant facts; or

(IV) Fails to meet any other requirement as either the Secretary of the Treasury for federal income tax purposes or the Department may prescribe.

(iii) Material Advisor. The term "material advisor" shall have substantially the same meaning as the same term is defined under Treasury Regulations Section 301.6112-1, (26 CFR 301.6112-1) and shall include any person that is a material advisor for federal income tax purposes under such regulation.

(6) Amended returns. Except as provided in Department Regulations, in no event may any tax treatment included with an amendment or supplement to a return of tax be taken into account in determining the amount of any reportable transaction understatement if the amendment or supplement is filed after the date the taxpayer is first contacted by either the Internal Revenue Service for federal income tax purposes or by the Department regarding the examination of the return or such later date as specified by the Department by regulation.

(7) Effective date. This subsection shall apply to taxable years ending on and after December 31, 2004, except that a reportable transaction understatement shall include an understatement (as determined under paragraph (1)) with respect to any taxable year for which the limitations period on assessment has not expired that is attributable to a transaction in which the taxpayer has invested after February 28, 2000 that becomes a listed transaction (as defined in Treasury Regulations Section 1.6011-4(b)(2)) or Illinois listed transaction (as defined in Section 501(b)(2)(A)(2)) at any time.

(c) 100% Interest Penalty. If a taxpayer has been contacted by the Internal Revenue Service or the Department regarding the use of a potentially abusive tax shelter with respect to any taxable year for which the limitations period on assessment has not expired, and has a deficiency attributable to a potentially abusive tax shelter with respect to such taxable year or years, there shall be added to the tax an amount equal to 100% of the interest assessed under the Uniform Penalty and Interest Act for the period beginning on the last date prescribed by law for the payment of such tax and ending on the date of the notice of deficiency. Such penalty shall be deemed assessed upon the assessment of the interest to which such penalty relates and shall be collected and paid in the same manner as such interest. The penalty imposed by this subsection is in addition to any penalty imposed by this Act or the Uniform Penalty and Interest Act. For purposes of this subsection and subsection (d) of this Section, the term "potentially abusive tax shelter" means (i) any tax shelter (as defined in Section 6111 of the Internal Revenue Code) with respect to which registration is required under Section 6111 of the Internal Revenue Code and (ii) any entity, investment plan, arrangement, or other plan or arrangement that is of a type that the Internal Revenue Service or the Department determines by rule has a potential for tax avoidance or evasion (including, but not limited to, listed transactions and Illinois listed transactions).

(d) 150% Interest Rate. For taxable years ending on and after July 1, 2002, for any notice of deficiency issued before the taxpayer is contacted by the Internal Revenue Service or the Department regarding a potentially abusive tax shelter, the taxpayer is subject to interest as provided under Section 3-2 of the Uniform Penalty and Interest Act, but with respect to any deficiency attributable to a

potentially abusive tax shelter, the taxpayer is subject to interest at a rate of 150% of the otherwise applicable rate.

(e) Coordination with other penalties. Except as provided in regulations, the penalties imposed by this Section are in addition to any other penalty imposed by this Act or the Uniform Penalty and Interest Act. The provisions of this Section shall apply to all taxable years ending on or after January 1, 1986.

Sec. 1007. Failure to register tax shelter or maintain list.

(a) Penalty Imposed. Any person that fails to comply with the requirements of Section 1405.5 or Section 1405.6 of this Act shall incur a penalty as provided in this Section. A person is not in compliance with the requirements of Section 1405.5 unless and until the required registration has been filed and contains all of the information required to be included with such registration under Section 6111 of the Internal Revenue Code or such Section 1405.5. A person is not in compliance with the requirements of Section 1405.6 unless, at the time the required list is made available to the Department, such list contains all of the information required to be maintained under Section 6112 of the Internal Revenue Code or such Section 1405.6.

(b) Amount of Penalty. The following penalties apply:

(1) In the case of each failure to comply with the requirements of subsection (a), subsection (b), or subsection (e) of Section 1405.5, the penalty shall be \$15,000.

Notwithstanding any other law or rule of law, any determination under this subsection may not be reviewed in any administrative or judicial proceeding.

(d) Coordination with other penalties. The penalty imposed by this Section is in addition to any penalty imposed by this Act or the Uniform Penalty and Interest Act.

(b) Illinois abusive tax shelter. Each organizer and seller of an Illinois potentially abusive tax shelter shall maintain a list identifying each person who was sold an interest in such shelter. Any person required to maintain a list under this subsection shall make such list available to the Department upon request by the Department, and except as otherwise provided under regulations prescribed by the Department, shall retain any information required to be included on such list for 7 years.

(B) Organizer or seller. (2) The list required under this Section shall include the same information required with respect to a potentially abusive tax shelter under Treasury Regulations Section 301.6112-1 and any other information as the Department may require. Unless otherwise prescribed by the Department, the list required under this Section shall be maintained in the same form and manner as required with respect to a potentially abusive tax shelter under Treasury Regulations Section 301.6112-1.

(c) Additional requirements for listed transactions and Illinois listed transactions.

(1) For transactions entered into on or after February 28, 2000, that become listed transactions (as defined under Treasury Regulations Section 1.6011-4) at any time, the list shall be furnished to the Department by the later of (i) 60 days after entering into the transaction, (ii) 60 days after the transaction becomes a listed transaction, or (iii) December 31, 2004.

(4) At least one of its investors is an Illinois taxpayer.

(35 ILCS 5/1501) (from Ch. 120, par. 15-1501)

Sec. 1501. Definitions.

(a) In general. When used in this Act, where not otherwise distinctly expressed or manifestly incompatible with the intent thereof:

(1) Business income. The term "business income" means all income that may be treated as apportionable business income under the Constitution of the United States. Business income is net of the deductions allocable thereto income arising from transactions and activity in the regular course of the taxpayer's trade or business, net of the deductions allocable thereto, and includes income from tangible and intangible property if the acquisition, management, and disposition of the property constitute integral parts of the taxpayer's regular trade or business operations. Such term does not include compensation or the deductions allocable thereto. For each taxable year beginning on or after January 1, 2003, a taxpayer may elect to treat all income other than compensation as business income. This election shall be made in accordance with rules adopted by the Department and, once made, shall be irrevocable.

(2) Commercial domicile. The term "commercial domicile" means the principal place from which the trade or business of the taxpayer is directed or managed.

(3) Compensation. The term "compensation" means wages, salaries, commissions and any other form of remuneration paid to employees for personal services.

(4) Corporation. The term "corporation" includes associations, joint-stock companies, insurance companies and cooperatives. Any entity, including a limited liability company formed under the Illinois Limited Liability Company Act, shall be treated as a corporation if it is so classified for federal income tax purposes.

(5) Department. The term "Department" means the Department of Revenue of this State.

(6) Director. The term "Director" means the Director of Revenue of this State.

(7) Fiduciary. The term "fiduciary" means a guardian, trustee, executor, administrator, receiver, or any person acting in any fiduciary capacity for any person.

For the purpose of this Section a "person" will include only those persons which a bank holding company may acquire and hold an interest in, directly or indirectly, under the provisions of the Bank Holding Company Act of 1956 (12 U.S.C. 1841, et

seq.), except where interests in any person must be disposed of within certain required time limits under the Bank Holding Company Act of 1956.

(B) For purposes of subparagraph (A) of this paragraph, the term "bank" includes (i) any entity that is regulated by the Comptroller of the Currency under the National Bank Act, or by the Federal Reserve Board, or by the Federal Deposit Insurance Corporation and (ii) any federally or State chartered bank operating as a credit card bank.

(C) For purposes of subparagraph (A) of this paragraph, the term "sales finance company" has the meaning provided in the following item (i) or (ii):

(i) A person primarily engaged in one or more of the following businesses: the business of purchasing customer receivables, the business of making loans upon the security of customer receivables, the business of making loans for the express purpose of funding purchases of tangible personal property or services by the borrower, or the business of finance leasing. For purposes of this item (i), "customer receivable" means:

(a) a retail installment contract or retail charge agreement within the meaning of the Sales Finance Agency Act, the Retail Installment Sales Act, or the Motor Vehicle Retail Installment Sales Act;

(c) the outstanding balance of a contract or agreement described in provisions (a) or (b) of this item (i).

A customer receivable need not provide for payment of interest on deferred payments. A sales finance company may purchase a customer receivable from, or make a loan secured by a customer receivable to, the seller in the original transaction or to a person who purchased the customer receivable directly or indirectly from that seller.

(ii) A corporation meeting each of the following criteria:

(a) the corporation must be a member of an "affiliated group" within the meaning of Section 1504(a) of the Internal Revenue Code, determined without regard to Section 1504(b) of the Internal Revenue Code;

(b) more than 50% of the gross income of the corporation for the taxable year must be interest income derived from qualifying loans. A "qualifying loan" is a loan made to a member of the corporation's affiliated group that originates customer receivables (within the meaning of item (i)) or to whom customer receivables originated by a member of the affiliated group have been transferred, to the extent the average outstanding balance of loans from that corporation to members of its affiliated group during the taxable year do not exceed the limitation amount for that corporation. The "limitation amount" for a corporation is the average outstanding balances during the taxable year of customer receivables (within the meaning of item (i)) originated by all members of the affiliated group. If the average outstanding balances of the loans made by a corporation to members of its affiliated group exceed the limitation amount, the interest income of that corporation from qualifying loans shall be equal to its interest income from loans to members of its affiliated groups times a fraction equal to the limitation amount divided by the average outstanding balances of the loans made by that corporation to members of its affiliated group;

(c) the total of all shareholder's equity (including, without limitation, paid-in capital on common and preferred stock and retained earnings) of the corporation plus the total of all of its loans, advances, and other obligations payable or owed to members of its affiliated group may not exceed 20% of the total assets of the corporation at any time during the tax year; and

(d) more than 50% of all interest-bearing obligations of the affiliated group payable to persons outside the group determined in accordance with generally accepted accounting principles must be obligations of the corporation.

This amendatory Act of the 91st General Assembly is declaratory of existing law.

(D) Subparagraphs (B) and (C) of this paragraph are declaratory of existing law and apply retroactively, for all tax years beginning on or before December 31, 1996, to all original returns, to all amended returns filed no later than 30 days after the effective date of this amendatory Act of 1996, and to all notices issued on or before the effective date of this amendatory Act of 1996 under subsection (a) of Section 903, subsection (a) of Section 904, subsection (e) of Section 909, or Section 912. A taxpayer that is a "financial organization" that engages in any transaction with an affiliate shall be a "financial organization" for all purposes of this Act.

(E) For all tax years beginning on or before December 31, 1996, a taxpayer that falls within the definition of a "financial organization" under subparagraphs (B) or (C) of this paragraph, but who does not fall within the definition of a "financial organization" under the Proposed Regulations issued by the Department of Revenue on July 19, 1996, may irrevocably elect to apply the Proposed Regulations for all of those years as though the Proposed Regulations had been lawfully promulgated, adopted, and in effect for all of those years. For purposes of applying subparagraphs (B) or (C) of this paragraph to all of those years, the election allowed by this subparagraph applies only to the taxpayer making the election and to those members of the taxpayer's unitary business group who are ordinarily required to apportion business income under the same subsection of Section 304 of this Act as the taxpayer making the election. No election allowed by this subparagraph shall be made under a claim filed under subsection (d) of Section 909 more than 30 days after the effective date of this amendatory Act of 1996.

(F) Finance Leases. For purposes of this subsection, a finance lease shall be treated as a loan or other extension of credit, rather than as a lease, regardless of how the transaction is characterized for any other purpose, including the purposes of any regulatory agency to which the lessor is subject. A finance lease is any transaction in the form of a lease in which the lessee is treated as the owner of the leased asset entitled to any deduction for depreciation allowed under Section 167 of the Internal Revenue Code.

- (16) Partnership and partner. The term "partnership" includes a syndicate, group, pool, joint venture or other unincorporated organization, through or by means of which any business, financial operation, or venture is carried on, and which is not, within the meaning of this Act, a trust or estate or a corporation; and the term "partner" includes a member in such syndicate, group, pool, joint venture or organization.

The term "partnership" includes any entity, including a limited liability company formed under the Illinois Limited Liability Company Act, classified as a partnership for federal income tax purposes.

The term "partnership" does not include a syndicate, group, pool, joint venture, or other unincorporated organization established for the sole purpose of playing the Illinois State Lottery.

(17) Part-year resident. The term "part-year resident" means an individual who became a resident during the taxable year or ceased to be a resident during the taxable year. Under Section 1501(a)(20)(A)(i) residence commences with presence in this State for other than a temporary or transitory purpose and ceases with absence from this State for other than a temporary or transitory purpose. Under Section 1501(a)(20)(A)(ii) residence commences with the establishment of domicile in this State and ceases with the establishment of domicile in another State.

(18) Person. The term "person" shall be construed to mean and include an individual, a trust, estate, partnership, association, firm, company, corporation, limited liability company, or fiduciary. (22) State. The term "state" when applied to a jurisdiction other than this State means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any Territory or Possession of the United States, and any foreign country, or any political subdivision of any of the foregoing. For purposes of the foreign tax credit under Section 601, the term "state" means

(24) Taxpayer. The term "taxpayer" means any person subject to the tax imposed by this Act.

(25) International banking facility. The term international banking facility shall have the same meaning as is set forth in the Illinois Banking Act or as is set forth in the laws of the United States or regulations of the Board of Governors of the Federal Reserve System.

(A) The term "income tax return preparer" means any person who prepares for compensation, or who employs one or more persons to prepare for compensation, any return of tax imposed by this Act or any claim for refund of tax imposed by this Act. (27) Unitary business group. The term "unitary business group" means a group of persons related through common ownership whose business activities are integrated with, dependent upon and contribute to each other. The group will not include those members who, in taxable years on or after December 31, 2004, are foreign persons and whose business activity outside the United States is 80% or more of any such member's total business activity; for purposes of this paragraph and clause (a)(3)(B)(ii) of Section 304, business activity within the United States shall be measured by means of the factors ordinarily applicable under subsections (a), (b), (c), (d), or (h) of Section 304 except that, in the case of members ordinarily required to apportion business income by means of the 3 factor formula of property, payroll and sales specified in subsection (a) of Section 304, including the formula as weighted in subsection (h) of Section 304, such members shall not use the sales factor in the computation and the results of the property and payroll factor computations of subsection (a) of Section 304 shall be divided by 2 (by one if either the property or payroll factor has a denominator of zero). The computation required by the preceding sentence shall, in each case, involve the division of the member's property, payroll, or revenue miles in the United States, insurance premiums on property or risk in the United States, or financial organization business income from sources within the United States, as the case may be, by the respective worldwide figures for such items. Common ownership in the case of corporations is the direct or indirect control or ownership of more than 50% of the outstanding voting stock of the persons carrying on unitary business activity. Unitary business activity can ordinarily be illustrated where the activities of the members are: (1) in the same general line (such as manufacturing, wholesaling, retailing of tangible personal property, insurance, transportation or finance); or (2) are steps in a vertically structured enterprise or process (such as the steps involved in the production of natural resources, which might include exploration, mining, refining, and marketing); and, in either instance, the members are functionally integrated through the exercise of strong centralized management (where, for example, authority over such matters as purchasing, financing, tax compliance, product line, personnel, marketing and capital investment is not left to each member). ~~For taxable years ending before December 31, 2004, a in no event, however, will any~~ unitary business group shall not include members which are ordinarily required to apportion business income under different subsections of Section 304, except that for tax years ending on or after December 31, 1987 and before December 31, 2004, this prohibition shall not apply to a unitary business group composed of one or more taxpayers all of which apportion business income pursuant to subsection (b) of Section 304, or all of which apportion business income pursuant to subsection (d)

of Section 304, and a holding company of such single-factor taxpayers (see definition of "financial organization" for rule regarding holding companies of financial organizations). If a unitary business group would, but for the preceding sentence, include members that are ordinarily required to apportion business income under different subsections of Section 304, then for each subsection of Section 304 for which there are two or more members, there shall be a separate unitary business group composed of such members. For purposes of the preceding two sentences, a member is "ordinarily required to apportion business income" under a particular subsection of Section 304 if it would be required to use the apportionment method prescribed by such subsection except for the fact that it derives business income solely from Illinois. Pursuant to rules adopted by the Department, the members of a unitary business group (as defined in this Section) may jointly elect to include in the group for any taxable year ending on or after December 31, 2004, a passive income affiliate, as defined in paragraph (29) of this subsection. Where the election is made to include a passive income affiliate in the unitary business group, for purposes of computing the affiliate's base income under Section 203 of this Act, the affiliate's federal taxable income shall be deemed to consist solely of its passive income, as defined in subparagraph (B) of paragraph (29) of this subsection, net of related expenses. As used in this paragraph, for taxable years ending on or after December 31, 2004, the phrase "United States" means the 50 states, the District of Columbia, any territory or possession of the United States, and any area over which the United States has asserted jurisdiction or claimed exclusive rights with respect to the exploration for or exploitation of natural resources. This definition includes, but is not limited to, Puerto Rico and the outer continental shelf and any artificial islands and structures therein.

If the unitary business group members' accounting periods differ, the common parent's accounting period or, if there is no common parent, the accounting period of the member that is expected to have, on a recurring basis, the greatest Illinois income tax liability must be used to determine whether to use the apportionment method provided in subsection (a) or subsection (h) of Section 304. The prohibition against membership in a unitary business group for taxpayers ordinarily required to apportion income under different subsections of Section 304 does not apply to taxpayers required to apportion income under subsection (a) and subsection (h) of Section 304. The provisions of this amendatory Act of 1998 apply to tax years ending on or after December 31, 1998.

(28) Subchapter S corporation. The term "Subchapter S corporation" means a corporation for which there is in effect an election under Section 1362 of the Internal Revenue Code, or for which there is a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982.

(29) Passive income affiliate.

(A) In general. The term "passive income affiliate" means any person if (i) the person would be a member of a unitary business group under paragraph (27) of this subsection except for the fact that the person is a foreign person and 80% or more of the person's business activity is outside the United States (as determined under paragraph (27)) and (ii) at least 50% of the person's total gross income (as defined in this Section) for the taxable year consists of "passive income" as set forth in subparagraph (B) of this paragraph.

(B) Passive income. For purpose of subparagraph (A), "passive income" includes the following items (whether or not business income):

(i) dividends, interest, annuities, and royalties (except that "royalties" does not include "active business computer software royalties", as defined in Section 543(d) of the Internal Revenue Code);

(ii) gains from the sale or exchange of stock or securities;

(iii) gains from futures transactions in any commodity on or subject to the rules of a board of trade or commodity exchange (except that, pursuant to rules adopted by the Department, gains by a producer, processor, merchant, or handler of the commodity that arise out of bona fide hedging transactions reasonably necessary to the conduct of its business in the manner in which the business is customarily and usually conducted by others shall not be included);

(iv) amounts included in income under part I of subchapter J of the Internal Revenue Code and gains from the sale of other disposition of any interest in an estate or trust;

(v) amounts received as compensation (however designated and from whomever received) for the use of, or the right to use, property of the person in any case where the party entitled to the use of the property (whether the right is obtained directly from the person or by means of a sublease or other arrangement) would be a member of the person's unitary business group under paragraph (27) of this subsection but for the fact that the person's business activity outside the United States is 80% or more of total business activity as determined under paragraph (27);

(vi) rents, unless constituting 50% or more of the gross income. The term "rents" as used in this subparagraph means compensation, however designated, for the use of, or right to use, property but

does not include amounts described in subparagraph (v); and

Gross income determined with respect to transactions described in subparagraphs (ii) and (iii) of subparagraph (B) of this paragraph shall include only the excess of gains over losses from such transactions.

(ii) 80/20 dividends. Dividends received by a person, directly or indirectly, with respect to the stock of a corporation that is not a passive income affiliate (as defined in this paragraph) and that would be a member of that person's unitary business group under paragraph (27) of this subsection but for the fact that the corporation or person conducts 80% or more of their business activities outside the United States (as determined under paragraph (27) of this subsection) shall not be considered passive income under subparagraph (B) of this paragraph.

(iii) Exclusion of banks. A person that is organized and doing business under the banking or credit laws of a state or foreign country shall not be considered a passive income affiliate if it is established to the satisfaction of the Director that the person is not formed or availed of for the purpose of avoiding federal income tax or Illinois income tax. If the Director is satisfied that the person is not so formed or availed of, the Director shall issue to the person annually or at other periodic intervals a certification that the person is not a passive income affiliate.

(30) Foreign person. The term "foreign person" means any person who is a nonresident alien individual and any nonindividual other than a person created or organized in the United States or under the law of the United States or of any State.

(31) Small Business Person. As used in this Act, the term "small business person" means any person who, with respect to the taxable year:

(A) Is considered a small corporation for purposes of the exemption under Section 55(e)(1) of the Internal Revenue Code from the alternative minimum tax (including a corporation that qualifies for the exemption under Section 55(e)(1)(C)); or

(B) Would be considered a small corporation for purposes of Section 55(e)(1) (including Section 55(e)(1)(C)) of the Internal Revenue Code if such Section applied to individuals, S corporations, trusts, estates, and partnerships. A partner (including an owner of a limited liability company that is treated as a partnership for purposes of federal and State income taxation) or S corporation shareholder shall not be considered a small business person with respect to its distributive share or pro rata share items passed through from the partnership or S corporation for a taxable year unless the partnership or S corporation constitutes a small business person for the taxable year of the Partnership or S corporation to which the items relate. The Department shall promulgate rules to carry out the purposes of this subparagraph.

(C) In the case of any person that is a member of a unitary business group, as defined in Section 1501(a)(27) of this Act, the determination of whether such person is a small business person under this Section shall be made by applying the principles of this Section to the unitary business group of which such person is a part. For purposes of this subparagraph, the unitary business group shall be determined without regard to whether 80% or more of any member's total business activity is outside the United States and without regard to whether any member is required to apportion business income under a different subsection of Section 304.

AMENDMENT NO. 5

AMENDMENT NO. 5. Amend House Bill 4847 by replacing everything after the enacting clause with the following:

"ARTICLE 1. FINDINGS

Section 101. Findings. The General Assembly finds as follows:

- (1) Illinois is in the midst of a medical malpractice insurance crisis of unprecedented magnitude; and
- (2) Illinois is among the states with the highest medical malpractice insurance premiums in the nation; and
- (3) Medical malpractice insurance in Illinois is unavailable or unaffordable for many hospitals and physicians; and
- (4) The high and increasing cost of medical malpractice insurance in Illinois is causing health care providers to eliminate or reduce the provision of medical care throughout the State; and
- (5) The crisis is discouraging medical students from choosing Illinois as the place they will receive their medical education and practice medicine; and
- (6) The increase in medical malpractice liability insurance rates is forcing physicians to practice medicine without professional liability insurance, to leave Illinois, to not perform high-risk procedures, or to retire early from the practice of medicine; and
- (7) The high and increasing cost of medical malpractice insurance is due in large part to the inefficiency and unpredictability of adjudicating claims through the civil justice system; and
- (8) Much of this inefficiency stems from the time and resources needlessly spent on valuing uncertain and unpredictable claims of medical negligence; and
- (9) The public would benefit by making medical liability coverage for hospitals and physicians more affordable, which would make health care more available; and
- (10) This health care crisis, which endangers the public health, safety, and welfare of the citizens of Illinois, requires drastic reforms to the civil justice system currently endangering access to the necessary health care for citizens of Illinois.

ARTICLE 2. RISK RETENTION ARRANGEMENTS

Section 201. Findings and purpose.

- (a) In order to provide an alternative to the private insurance market to cover medical malpractice risks, it is the finding of the General Assembly that counties in the State may find it necessary to seek to protect the public health, safety, and welfare by providing an alternative source of insurance or self-insurance for physicians practicing medicine and their personnel within that county, and that providing such an alternative source is in the public interest and serves a public purpose.
- (b) A program to provide a stable and ongoing source of professional liability coverage for physicians and their personnel through an insurance or self-insurance trust, under the direction and control of a county or counties, will operate for the protection of the public health, safety, and welfare and serve a paramount public interest and purpose of the county or counties.

Section 310. The Illinois Insurance Code is amended by changing Sections 155.18, 155.19, and 1204 and by adding Section 155.18a as follows:

(215 ILCS 5/155.18) (from Ch. 73, par. 767.18)

Sec. 155.18. (a) This Section shall apply to insurance on risks based upon negligence by a physician, hospital or other health care provider, referred to herein as medical liability insurance. This Section shall not apply to contracts of reinsurance, nor to any farm, county, district or township mutual insurance company transacting business under an Act entitled "An Act relating to local mutual district, county and township insurance companies", approved March 13, 1936, as now or hereafter amended, nor to any such company operating under a special charter.

(b) The following standards shall apply to the making and use of rates pertaining to all classes of medical liability insurance:

(1) Rates shall not be excessive or inadequate, as herein defined, nor shall they be unfairly discriminatory. No rate shall be held to be excessive unless such rate is unreasonably high for the insurance provided, ~~and a reasonable degree of competition does not exist in the area with respect to the classification to which such rate is applicable.~~

No rate shall be held inadequate unless it is unreasonably low for the insurance provided ~~and continued use of it would endanger solvency of the company.~~

(2) Consideration shall be given, to the extent applicable, to past and prospective loss experience within and outside this State, to a reasonable margin for underwriting profit and contingencies, to past and prospective expenses both countrywide and those especially applicable to this State, and to all other factors, including judgment factors, deemed relevant within and outside this State.

Consideration may also be given in the making and use of rates to dividends, savings or unabsorbed premium deposits allowed or returned by companies to their policyholders, members or subscribers.

(3) The systems of expense provisions included in the rates for use by any company or group of companies may differ from those of other companies or groups of companies to reflect the operating methods of any such company or group with respect to any kind of insurance, or with respect to any subdivision or combination thereof.

(4) Risks may be grouped by classifications for the establishment of rates and minimum premiums. Classification rates may be modified to produce rates for individual risks in accordance with rating plans which establish standards for measuring variations in hazards or expense provisions, or both. Such standards may measure any difference among risks that have a probable effect upon losses or expenses. Such classifications or modifications of classifications of risks may be established based upon size, expense, management, individual experience, location or dispersion of hazard, or any other reasonable considerations and shall apply to all risks under the same or substantially the same circumstances or conditions. The rate for an established classification should be related generally to the anticipated loss and expense factors of the class.

(c) Every company writing medical liability insurance shall file with the Director of Insurance the rates and rating schedules it uses for medical liability insurance.

(1) This filing shall occur upon a company's commencement of medical liability insurance business in this State at least annually and thereafter as often as the rates are changed or amended.

(2) For the purposes of this Section, any change in premium to the company's insureds as a result of a change in the company's base rates or a change in its increased limits factors shall constitute a change in rates and shall require a filing with the Director.

(3) It shall be certified in such filing by an officer of the company and a qualified actuary that the company's rates are based on sound actuarial principles and are not inconsistent with the company's experience.

(d) If, after an administrative ~~a~~ hearing pursuant to subsection (c) of Section 401 of this Code, the Director finds:

(1) that any rate, rating plan or rating system violates the provisions of this Section

applicable to it, he ~~shall~~ ~~may~~ issue an order to the company which has been the subject of the hearing specifying in what respects such violation exists and ~~may prohibit stating when, within a reasonable period of time,~~ the further use of such rate or rating system by such company in contracts of insurance ~~made thereafter shall be prohibited;~~

(2) that the violation of any of the provisions of this Section ~~applicable to it~~ by any company which has been the subject of ~~the~~ hearing was wilful ~~or that any company has repeatedly violated any provision of this Section,~~ he may take either or both of the following actions:

(A) Suspend ~~suspend~~ or revoke, in whole or in part, the certificate of authority of such company with respect to the class of insurance which has been the subject of the hearing.

(B) Impose a penalty of up to \$1,000 against the company for each violation. Each day during which a violation occurs constitutes a separate violation.

(e) Every company writing medical liability insurance in this State shall offer to each of its medical liability insureds the option to make premium payments in at least quarterly installments as prescribed by and filed with the Director. This offer shall be included in the initial offer or in the first policy renewal occurring on or after January 1, 2005.

Except for the grounds numbered (8), (9), ~~(26)~~, and (29), no action shall be commenced more than 10 ~~5~~ years after the date of the incident or act alleged to have violated this Section. For actions involving the ground numbered (26), a pattern of practice or other behavior includes any incident that occurred within 10 years before another incident alleged to be part of the pattern of practice or other behavior or receipt of a report pursuant to Section 23 of this Act. In the event of the settlement of any claim or cause of action in favor of the claimant or the reduction to final judgment of any civil action in favor of the plaintiff, such claim, cause of action or civil action being grounded on the allegation that a person licensed under this Act was negligent in providing care, the

Department shall have an additional period of 2 years ~~one year~~ from the date of notification to the Department under Section 23 of this Act of such settlement or final judgment in which to investigate and commence formal disciplinary proceedings under Section 36 of this Act, except as otherwise provided by law. The Department shall expunge the records of discipline solely for administrative matters 3 years after final disposition or after the statute of limitations has expired, whichever is later. The time during which the holder of the license was outside the State of Illinois shall not be included within any period of time limiting the commencement of disciplinary action by the Department.

The entry of an order or judgment by any circuit court establishing that any person holding a license under this Act is a person in need of mental treatment operates as a suspension of that license. That person may resume their practice only upon the entry of a Departmental order based upon a finding by the Medical Disciplinary Board that they have been determined to be recovered from mental illness by the court and upon the Disciplinary Board's recommendation that they be permitted to resume their practice.

The Department may refuse to issue or take disciplinary action concerning the license of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied as determined by the Illinois Department of Revenue.

The Department, upon the recommendation of the Disciplinary Board, shall adopt rules which set forth standards to be used in determining:

- (a) when a person will be deemed sufficiently rehabilitated to warrant the public trust;
- (b) what constitutes dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud, or harm the public;
- (c) what constitutes immoral conduct in the commission of any act, including, but not limited to, commission of an act of sexual misconduct related to the licensee's practice; and
- (d) what constitutes gross negligence in the practice of medicine.

However, no such rule shall be admissible into evidence in any civil action except for review of a licensing or other disciplinary action under this Act.

In enforcing this Section, the Medical Disciplinary Board, upon a showing of a possible violation, may compel any individual licensed to practice under this Act, or who has applied for licensure or a permit pursuant to this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The examining physician or physicians shall be those specifically designated by the Disciplinary Board. The Medical Disciplinary Board or the Department may order the examining physician to present testimony concerning this mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communication between the licensee or applicant and the examining physician. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of the examination. Failure of any individual to submit to mental or physical examination, when directed, shall be grounds for suspension of his or her license until such time as the individual submits to the examination if the Disciplinary Board finds, after notice and hearing, that the refusal to submit to the examination was without reasonable cause. If the Disciplinary Board finds a physician unable to practice because of the reasons set forth in this Section, the Disciplinary Board shall require such physician to submit to care, counseling, or treatment by physicians approved or designated by the Disciplinary Board, as a condition for continued, reinstated, or renewed licensure to practice. Any physician, whose license was granted pursuant to Sections 9, 17, or 19 of this Act, or, continued, reinstated, renewed, disciplined or supervised, subject to such terms, conditions or restrictions who shall fail to comply with such terms, conditions or restrictions, or to complete a required program of care, counseling, or treatment, as determined by the Chief Medical Coordinator or Deputy Medical Coordinators, shall be referred to the Director for a determination as to whether the licensee shall have their license suspended immediately, pending a hearing by the Disciplinary Board. In instances in which the Director immediately suspends a license under this Section, a hearing upon such person's license must be convened by the Disciplinary Board within 15 days after such suspension and completed without appreciable delay. The Disciplinary Board shall have the authority to review the subject physician's record of treatment and counseling regarding the impairment, to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act, affected under this Section, shall be afforded an opportunity to demonstrate to the Disciplinary Board that they can resume practice in compliance with acceptable and prevailing standards under the provisions of their license.

The Department may promulgate rules for the imposition of fines in disciplinary cases, not to exceed

\$5,000 for each violation of this Act. Fines may be imposed in conjunction with other forms of disciplinary action, but shall not be the exclusive disposition of any disciplinary action arising out of conduct resulting in death or injury to a patient. Any funds collected from such fines shall be deposited in the Medical Disciplinary Fund.

(B) The Department shall revoke the license or visiting permit of any person issued under this Act to practice medicine or to treat human ailments without the use of drugs and without operative surgery, who has been convicted a second time of committing any felony under the Illinois Controlled Substances Act, or who has been convicted a second time of committing a Class 1 felony under Sections 8A-3 and 8A-6 of the Illinois Public Aid Code. A person whose license or visiting permit is revoked under this subsection B of Section 22 of this Act shall be prohibited from practicing medicine or treating human ailments without the use of drugs and without operative surgery.

(C) The Medical Disciplinary Board shall recommend to the Department civil penalties and any other appropriate discipline in disciplinary cases when the Board finds that a physician willfully performed an abortion with actual knowledge that the person upon whom the abortion has been performed is a minor or an incompetent person without notice as required under the Parental Notice of Abortion Act of 1995. Upon the Board's recommendation, the Department shall impose, for the first violation, a civil penalty of \$1,000 and for a second or subsequent violation, a civil penalty of \$5,000.

Sec. 23. Reports relating to professional conduct and capacity.

(A) Entities required to report.

(1) Health care institutions. The chief administrator or executive officer of any health care institution licensed by the Illinois Department of Public Health shall report to the Disciplinary Board when any person's clinical privileges are terminated or are restricted based on a final determination, in accordance with that institution's by-laws or rules and regulations, that a person has either committed an act or acts which may directly threaten patient care, and not of an administrative nature, or that a person may be mentally or physically disabled in such a manner as to endanger patients under that person's care. Such officer also shall report if a person accepts voluntary termination or restriction of clinical privileges in lieu of formal action based upon conduct related directly to patient care and not of an administrative nature, or in lieu of formal action seeking to determine whether a person may be mentally or physically disabled in such a manner as to endanger patients under that person's care. The Medical Disciplinary Board shall, by rule, provide for the reporting to it of all instances in which a person, licensed under this Act, who is impaired by reason of age, drug or alcohol abuse or physical or mental impairment, is under supervision and, where appropriate, is in a program of rehabilitation. Such reports shall be strictly confidential and may be reviewed and considered only by the members of the Disciplinary Board, or by authorized staff as provided by rules of the Disciplinary Board. Provisions shall be made for the periodic report of the status of any such person not less than twice annually in order that the Disciplinary Board shall have current information upon which to determine the status of any such person. Such initial and periodic reports of impaired physicians shall not be considered records within the meaning of The State Records Act and shall be disposed of, following a determination by the Disciplinary Board that such reports are no longer required, in a manner and at such time as the Disciplinary Board shall determine by rule. The filing of such reports shall be construed as the filing of a report for purposes of subsection (C) of this Section.

(2) Professional associations. The President or chief executive officer of any association or society, of persons licensed under this Act, operating within this State shall report to the Disciplinary Board when the association or society renders a final determination that a person has committed unprofessional conduct related directly to patient care or that a person may be mentally or physically disabled in such a manner as to endanger patients under that person's care.

(3) Professional liability insurers. Every insurance company which offers policies of professional liability insurance to persons licensed under this Act, or any other entity which seeks to indemnify the professional liability of a person licensed under this Act, shall report to the Disciplinary Board the settlement of any claim or cause of action, or final judgment rendered in any cause of action, which alleged negligence in the furnishing of medical care by such licensed person when such settlement or final judgment is in favor of the plaintiff.

(4) State's Attorneys. The State's Attorney of each county shall report to the Disciplinary Board all instances in which a person licensed under this Act is convicted or otherwise

found guilty of the commission of any felony. The State's Attorney of each county may report to the Disciplinary Board through a verified complaint any instance in which the State's Attorney believes that a physician has willfully violated the notice requirements of the Parental Notice of Abortion Act of 1995.

(5) State agencies. All agencies, boards, commissions, departments, or other instrumentalities of the government of the State of Illinois shall report to the Disciplinary Board any instance arising in connection with the operations of such agency, including the administration of any law by such agency, in which a person licensed under this Act has either committed an act or acts which may be a violation of this Act or which may constitute unprofessional conduct related directly to patient care or which indicates that a person licensed under this Act may be mentally or physically disabled in such a manner as to endanger patients under that person's care.

(B) Mandatory reporting. All reports required by items (34), (35), and (36) of subsection (A) of Section 22 and by Section 23 shall be submitted to the Disciplinary Board in a timely fashion. The reports shall be filed in writing within 60 days after a determination that a report is required under this Act. All reports shall contain the following information:

- (1) The name, address and telephone number of the person making the report.
- (2) The name, address and telephone number of the person who is the subject of the report.

(3) The name ~~and date of birth or other means of identification~~ of any patient or patients whose treatment is a subject of the report, if available, or other means of identification if such information is not available, identification of the hospital or other healthcare facility where the care at issue in the report was rendered,

~~provided, however, no medical records may be revealed without the written consent of the patient or patients.~~

(4) A brief description of the facts which gave rise to the issuance of the report, including the dates of any occurrences deemed to necessitate the filing of the report.

(5) If court action is involved, the identity of the court in which the action is filed, along with the docket number and date of filing of the action.

(6) Any further pertinent information which the reporting party deems to be an aid in the evaluation of the report.

~~The Department shall have the right to inform patients of the right to provide written consent for the Department to obtain copies of hospital and medical records.~~ The Disciplinary Board or Department may also exercise the power under Section 38 of this Act to subpoena copies of hospital or medical records in mandatory report cases alleging death or permanent bodily injury ~~when consent to obtain records is not provided by a patient or legal representative.~~ Appropriate rules shall be adopted by the Department with the approval of the Disciplinary Board.

When the Department has received written reports concerning incidents required to be reported in items (34), (35), and (36) of subsection (A) of Section 22, the licensee's failure to report the incident to the Department under those items shall not be the sole grounds for disciplinary action.

Nothing contained in this Section shall act to in any way, waive or modify the confidentiality of medical reports and committee reports to the extent provided by law. Any information reported or disclosed shall be kept for the confidential use of the Disciplinary Board, the Medical Coordinators, the Disciplinary Board's attorneys, the medical investigative staff, and authorized clerical staff, as provided in this Act, and shall be afforded the same status as is provided information concerning medical studies in Part 21 of Article VIII of the Code of Civil Procedure, except that the Department may disclose information and documents to a federal, State, or local law enforcement agency pursuant to a subpoena in an ongoing criminal investigation. Furthermore, information and documents disclosed to a federal, State, or local law enforcement agency may be used by that agency only for the investigation and prosecution of a criminal offense.

(C) Immunity from prosecution. Any individual or organization acting in good faith, and not in a wilful and wanton manner, in complying with this Act by providing any report or other information to the Disciplinary Board or a peer review committee, or assisting in the investigation or preparation of such information, or by voluntarily reporting to the Disciplinary Board or a peer review committee information regarding alleged errors or negligence by a person licensed under this Act, or by participating in proceedings of the Disciplinary Board or a peer review committee, or by serving as a member of the Disciplinary Board or a peer review committee, shall not, as a result of such actions, be subject to criminal prosecution or civil damages.

(D) Indemnification. Members of the Disciplinary Board, the Medical Coordinators, the Disciplinary Board's attorneys, the medical investigative staff, physicians retained under contract to assist and advise

the medical coordinators in the investigation, and authorized clerical staff shall be indemnified by the State for any actions occurring within the scope of services on the Disciplinary Board, done in good faith and not wilful and wanton in nature. The Attorney General shall defend all such actions unless he or she determines either that there would be a conflict of interest in such representation or that the actions complained of were not in good faith or were wilful and wanton.

Should the Attorney General decline representation, the member shall have the right to employ counsel of his or her choice, whose fees shall be provided by the State, after approval by the Attorney General, unless there is a determination by a court that the member's actions were not in good faith or were wilful and wanton.

The member must notify the Attorney General within 7 days of receipt of notice of the initiation of any action involving services of the Disciplinary Board. Failure to so notify the Attorney General shall constitute an absolute waiver of the right to a defense and indemnification.

The Attorney General shall determine within 7 days after receiving such notice, whether he or she will undertake to represent the member.

(E) Deliberations of Disciplinary Board. Upon the receipt of any report called for by this Act, other than those reports of impaired persons licensed under this Act required pursuant to the rules of the Disciplinary Board, the Disciplinary Board shall notify in writing, by certified mail, the person who is the subject of the report. Such notification shall be made within 30 days of receipt by the Disciplinary Board of the report.

The notification shall include a written notice setting forth the person's right to examine the report. Included in such notification shall be the address at which the file is maintained, the name of the custodian of the reports, and the telephone number at which the custodian may be reached. The person who is the subject of the report shall submit a written statement responding, clarifying, adding to, or proposing the amending of the report previously filed. The person who is the subject of the report shall also submit with the written statement any medical records related to the report. The statement and accompanying medical records shall become a permanent part of the file and must be received by the Disciplinary Board no more than 30 ~~60~~ days after the date on which the person was notified by the Disciplinary Board of the existence of the original report.

The Disciplinary Board shall review all reports received by it, together with any supporting information and responding statements submitted by persons who are the subject of reports. The review by the Disciplinary Board shall be in a timely manner but in no event, shall the Disciplinary Board's initial review of the material contained in each disciplinary file be less than 61 days nor more than 180 days after the receipt of the initial report by the Disciplinary Board.

When the Disciplinary Board makes its initial review of the materials contained within its disciplinary files, the Disciplinary Board shall, in writing, make a determination as to whether there are sufficient facts to warrant further investigation or action. Failure to make such determination within the time provided shall be deemed to be a determination that there are not sufficient facts to warrant further investigation or action.

Should the Disciplinary Board find that there are not sufficient facts to warrant further investigation, or action, the report shall be accepted for filing and the matter shall be deemed closed and so reported to the Director. The Director shall then have 30 days to accept the Medical Disciplinary Board's decision or request further investigation. The Director shall inform the Board in writing of the decision to request further investigation, including the specific reasons for the decision. The individual or entity filing the original report or complaint and the person who is the subject of the report or complaint shall be notified in writing by the Director of any final action on their report or complaint.

(F) Summary reports. The Disciplinary Board shall prepare, on a timely basis, but in no event less than one every other month, a summary report of final actions taken upon disciplinary files maintained by the Disciplinary Board. The summary reports shall be sent by the Disciplinary Board to every health care facility licensed by the Illinois Department of Public Health, every professional association and society of persons licensed under this Act functioning on a statewide basis in this State, the American Medical Association, the American Osteopathic Association, the American Chiropractic Association, all insurers providing professional liability insurance to persons licensed under this Act in the State of Illinois, the Federation of State Medical Licensing Boards, and the Illinois Pharmacists Association.

(G) Any violation of this Section shall be a Class A misdemeanor.

(H) If any such person violates the provisions of this Section an action may be brought in the name of the People of the State of Illinois, through the Attorney General of the State of Illinois, for an order enjoining such violation or for an order enforcing compliance with this Section. Upon filing of a verified petition in such court, the court may issue a temporary restraining order without notice or bond and may preliminarily or permanently enjoin such violation, and if it is established that such person has violated

or is violating the injunction, the court may punish the offender for contempt of court. Proceedings under this paragraph shall be in addition to, and not in lieu of, all other remedies and penalties provided for by this Section.

Sec. 2-402. Respondents in discovery. The plaintiff in any civil action may designate as respondents in discovery in his or her pleading those individuals or other entities, other than the named defendants, believed by the plaintiff to have information essential to the determination of who should properly be named as additional defendants in the action.

Sec. 2-622. Healing art malpractice.

(a) In any action, whether in tort, contract or otherwise, in which the plaintiff seeks damages for injuries or death by reason of medical, hospital, or other healing art malpractice, the plaintiff's attorney or the plaintiff, if the plaintiff is proceeding pro se, shall file an affidavit, attached to the original and all copies of the complaint, declaring one of the following:

1. That the affiant has consulted and reviewed the facts of the case with a health professional who the affiant reasonably believes: (i) is knowledgeable in the relevant issues involved in the particular action; (ii) practices or has practiced within the last 5 6 years or teaches or has taught within the last 5 6 years in the same area of health care or medicine that is at issue in the particular action; ~~and~~ (iii) meets the minimum expert witness requirements set forth in Section 8-2501; and (iv) is qualified by significant experience with the standard of care, methods, procedures, and treatments relevant to the allegations against the defendant; is qualified by experience or demonstrated competence in the subject of the case; that the reviewing health professional has determined in a written report, after a review of the medical record and other relevant material involved in the particular action that there is a reasonable and meritorious cause for the filing of such action; and that the affiant has concluded on the basis of the reviewing health professional's review and consultation that there is a reasonable and meritorious cause for filing of such action. A single written report must be filed to cover each defendant in the action. As to defendants who are individuals, the affidavit is filed as to a defendant who is a physician licensed to treat human ailments without the use of drugs or medicines and without operative surgery, a dentist, a podiatrist, a psychologist, or a naprapath. The written report must be from a health professional licensed in the same profession, with the same class of license, as the defendant. For written reports affidavits filed as to all other defendants, who are not individuals, the written report must be from a physician licensed to practice medicine in all its branches who is qualified by experience with the standard of care, methods, procedures and treatments relevant to the allegations at issue in the case. In either event, the written report affidavit must identify the profession of the reviewing health professional. A copy of the written report, clearly identifying the plaintiff and the reasons for the reviewing health professional's determination that a reasonable and meritorious cause for the filing of the action exists, must be attached to the affidavit, but information which would identify the reviewing health professional may be deleted from the copy so attached. The report must contain the affirmations set forth in items (i) through (iv) of this paragraph 1. At the first Supreme Court Rule 218 case management conference, the plaintiff shall present to the court the original signed health professional's report, along with a copy of the consultant's current license and curriculum vitae, for an in camera inspection. The court shall verify whether the report and affidavit comply with the requirements of this paragraph 1. The court, in verifying whether the report and affidavit comply with the requirements of this paragraph 1, shall determine whether the physician preparing the report is qualified and the determination shall be either in writing or transcribed. If the court finds that the report, the consultant's current curriculum vitae, or the affidavit is deficient, the court may request from the plaintiff all documents it deems necessary to make its decision and shall allow for a reasonable opportunity to provide any requested documents and to amend that report or affidavit; provided, if the statute of limitations has tolled, the judge may grant only one extension not exceeding 90 days. The court's verification as to whether the physician preparing the report is qualified shall be issued to all parties and be made a part of the official record. The original report, the copy of the consultant's current license and curriculum vitae, and any documents requested by the court shall remain under seal and part of the court record. Notwithstanding the other provisions of this Section, the judge may disclose the name and address of the reviewing health professional upon a showing of good cause by the defendant challenging the qualifications of the professional. If the information is disclosed, at the trial level, then it shall be confidential and it shall not be disclosed by the defendant to a third party.

2. That the affiant was unable to obtain a consultation required by paragraph 1 because a statute of limitations would impair the action and the consultation required could not be obtained before the expiration of the statute of limitations. If an affidavit is executed pursuant to this paragraph, the affidavit certificate and written report required by paragraph 1 shall be filed within 90 days after the filing of the complaint. No additional 90-day extensions shall be granted, except where there has been a withdrawal of the plaintiff's counsel. The defendant shall be excused from answering or otherwise pleading until 30 days after being served with an affidavit and a report a certificate required by paragraph 1.

[May 31, 2004]

3. That a request has been made by the plaintiff or his attorney for examination and copying of records pursuant to Part 20 of Article VIII of this Code and the party required to comply under those Sections has failed to produce such records within 60 days of the receipt of the request. If an affidavit is executed pursuant to this paragraph, the ~~affidavit certificate~~ and written report required by paragraph 1 shall be filed within 90 days following receipt of the requested records. All defendants except those whose failure to comply with Part 20 of Article VIII of this Code is the basis for an affidavit under this paragraph shall be excused from answering or otherwise pleading until 30 days after being served with the ~~affidavit and report certificate~~ required by paragraph 1.

(b) Where ~~an affidavit a certificate~~ and written report are required pursuant to this Section a separate ~~affidavit certificate~~ and written report shall be filed as to each defendant who has been named in the complaint and shall be filed as to each defendant named at a later time.

(c) Where the plaintiff intends to rely on the doctrine of "res ipsa loquitur", as defined by Section 2-1113 of this Code, the ~~affidavit certificate~~ and written report must state that, in the opinion of the reviewing health professional, negligence has occurred in the course of medical treatment. The affiant shall certify upon filing of the complaint that he is relying on the doctrine of "res ipsa loquitur".

(d) When the attorney intends to rely on the doctrine of failure to inform of the consequences of the procedure, the attorney shall certify upon the filing of the complaint that the reviewing health professional has, after reviewing the medical record and other relevant materials involved in the particular action, concluded that a reasonable health professional would have informed the patient of the consequences of the procedure.

(e) Allegations and denials in the affidavit, made without reasonable cause and found to be untrue, shall subject the party pleading them or his attorney, or both, to the payment of reasonable expenses, actually incurred by the other party by reason of the untrue pleading, together with reasonable attorneys' fees to be summarily taxed by the court upon motion made within 30 days of the judgment or dismissal. In no event shall the award for attorneys' fees and expenses exceed those actually paid by the moving party, including the insurer, if any. In proceedings under this paragraph (e), the moving party shall have the right to depose and examine any and all reviewing health professionals who prepared reports used in conjunction with an affidavit required by this Section.

(f) A reviewing health professional who in good faith prepares a report used in conjunction with an affidavit required by this Section shall have civil immunity from liability which otherwise might result from the preparation of such report.

(g) The failure ~~of the plaintiff to file an affidavit and report in compliance with to file a certificate required by~~ this Section shall be grounds for dismissal ~~with prejudice~~ under Section 2-619.

(h) This Section does not apply to or affect any actions pending at the time of its effective date, but applies to cases filed on or after its effective date.

(i) This amendatory Act of 1997 does not apply to or affect any actions pending at the time of its effective date, but applies to cases filed on or after its effective date.

(735 ILCS 5/2-1720 new)

Sec. 2-1720. The Blue Ribbon Commission.

(a) The General Assembly finds as follows:

(1) The existing system for resolving medical malpractice disputes has adversely affected the access to and provision of health care in Illinois. Large jury verdicts have resulted in high malpractice insurance premiums and, in some cases, a complete denial of coverage. As a result, some physicians have either relocated their practices or retired from the practice of medicine. This adversely affects the ability of the citizens of this State to obtain high-quality health care, which, in turn, adversely affects the economic and social viability of our communities.

(2) Adoption of alternative dispute resolution systems, including but not limited to no fault, mandatory mediation, or some elements of the workers' compensation system, including but not limited to the administrative adjudication of disputes by qualified arbitrators, may result in more equitable resolution of medical malpractice disputes than the current system.

(b) There is created the Blue Ribbon Commission on Medical Malpractice Reform consisting of the

The Commission shall consider funding mechanisms, constitutional and other legal issues, economic issues, and any other matters deemed advisable by the Commission.

(35 ILCS 105/3-61)

Sec. 3-61. Motor vehicles; trailers; use as rolling stock definition.

(a) Through June 30, 2003, "use as rolling stock moving in interstate commerce" in subsections (b) and (c) of Section 3-55 means for motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, and trailers, as defined in Section 1-209 of the Illinois Vehicle Code, when on 15 or more occasions in a 12-month period the motor vehicle and trailer has carried persons or property for hire in interstate commerce, even just between points in Illinois, if the motor vehicle and trailer transports persons whose journeys or property whose shipments originate or terminate outside Illinois. This definition applies to all property purchased for the purpose of being attached to those motor vehicles or trailers as a part thereof.

(b) On and after July 1, 2003 and through June 30, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (b) and (c) of Section 3-55 occurs for motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for 51% of its total trips and transports persons whose journeys or property whose shipments originate or terminate outside Illinois. Trips that are only between points in Illinois shall not be counted as interstate trips when calculating whether the tangible personal property qualifies for the exemption but such trips shall be included in total trips taken.

(c) Beginning July 1, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (b) and (c) of Section 3-55 occurs for motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for greater than 50% of its total trips for that period or for greater than 50% of its total miles for that period. The person claiming the exemption shall make an election at the time of purchase to use either the trips or mileage method. Persons who purchased motor vehicles prior to July 1, 2004 shall make an election to use either the trips or mileage method and document that election in their books and records. If no election is made under this subsection to use the trips or mileage method, the person shall be deemed to have chosen the mileage method. Any election to use either the trips or mileage method will remain in effect for that motor vehicle for any period for which the Department may issue a notice of tax liability under this Act.

For purposes of determining qualifying trips or miles, motor vehicles that carry persons or property for hire, even just between points in Illinois, will be considered used for hire in interstate commerce if the motor vehicle transports persons whose journeys or property whose shipments originate or terminate outside Illinois. The exemption for motor vehicles used as rolling stock moving in interstate commerce may be claimed only for motor vehicles whose gross vehicle weight rating exceeds 16,000 pounds. This definition applies to all property purchased for the purpose of being attached to those motor vehicles as a part thereof.

(d) Beginning July 1, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (b) and (c) of Section 3-55 occurs for trailers, as defined in Section 1-209 of the Illinois Vehicle Code, semitrailers as defined in Section 1-187 of the Illinois Vehicle Code, and pole trailers as defined in Section 1-161 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for greater than 50% of its total trips for that period or for greater than 50% of its total miles for that period. The person claiming the exemption for a trailer or trailers that will not be dedicated to a motor vehicle or group of motor vehicles shall make an election at the time of purchase to use either the trips or mileage method. Persons who purchased trailers prior to July 1, 2004 that are not dedicated to a motor vehicle or group of motor vehicles shall make an election to use either the trips or mileage method and document that election in their books and records. If no election is made under this subsection to use the trips or mileage method, the person shall be deemed to have chosen the mileage method. Any election to use either the trips or mileage method will remain in effect for that trailer for any period for which the Department may issue a notice of tax liability under this Act.

For purposes of determining qualifying trips or miles, trailers, semitrailers, or pole trailers that carry property for hire, even just between points in Illinois, will be considered used for hire in interstate commerce if the trailers, semitrailers, or pole trailers transport property whose shipments originate or terminate outside Illinois. This definition applies to all property purchased for the purpose of being

attached to those trailers, semitrailers, or pole trailers as a part thereof. In lieu of a person providing documentation regarding the qualifying use of each individual trailer, semitrailer, or pole trailer, that person may document such qualifying use by providing documentation of the following:

(1) If a trailer, semitrailer, or pole trailer is dedicated to a motor vehicle that qualifies as rolling stock moving in interstate commerce under subsection (c) of this Section, then that trailer, semitrailer, or pole trailer qualifies as rolling stock moving in interstate commerce under this subsection.

(2) If a trailer, semitrailer, or pole trailer is dedicated to a group of motor vehicles that all qualify as rolling stock moving in interstate commerce under subsection (c) of this Section, then that trailer, semitrailer, or pole trailer qualifies as rolling stock moving in interstate commerce under this subsection.

(3) If one or more trailers, semitrailers, or pole trailers are dedicated to a group of motor vehicles and not all of those motor vehicles in that group qualify as rolling stock moving in interstate commerce under subsection (c) of this Section, then the percentage of those trailers, semitrailers, or pole trailers that qualifies as rolling stock moving in interstate commerce under this subsection is equal to the percentage of those motor vehicles in that group that qualify as rolling stock moving in interstate commerce under subsection (c) of this Section to which those trailer, semitrailers, or pole trailers are dedicated. However, to determine the qualification for the exemption provided under this item (3), the mathematical application of the qualifying percentage to one or more trailers, semitrailers, or pole trailers under this subpart shall not be allowed as to any fraction of a trailer, semitrailer, or pole trailer.

"Use" does not mean the interim use of tangible personal property nor the physical incorporation of tangible personal property, as an ingredient or constituent, into other tangible personal property, (a) which is sold in the regular course of business or (b) which the person incorporating such ingredient or constituent therein has undertaken at the time of such purchase to cause to be transported in interstate commerce to destinations outside the State of Illinois.

"Selling price" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits and service, and shall be determined without any deduction on account of the serviceman's cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by sellers on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint venture, public or private corporation, limited liability company, and any receiver, executor, trustee, guardian or other representative appointed by order of any court.

(4a) a sale or transfer of tangible personal property as an incident to the rendering of service for owners, lessors, or shippers of tangible personal property which is utilized by interstate carriers for hire for use as rolling stock moving in interstate commerce so long as so used by interstate carriers for hire, and equipment operated by a telecommunications provider, licensed as a common carrier by the Federal Communications Commission, which is permanently installed in or affixed to aircraft moving in interstate commerce.

(4a-5) on and after July 1, 2003 and through June 30, 2004, a sale or transfer of a motor vehicle of the second

division with a gross vehicle weight in excess of 8,000 pounds as an incident to the rendering of service if that motor vehicle is subject to the commercial distribution fee imposed under Section 3-815.1 of the Illinois Vehicle Code. Through June 30, 2005, this ~~This~~ exemption applies to repair and replacement parts added after the initial purchase of such a motor vehicle if that motor vehicle is used in a manner that would qualify for the rolling stock exemption otherwise provided for in this Act. For purposes of this paragraph, "used for commercial purposes" means the transportation of persons or property in furtherance of any commercial or industrial enterprise whether for-hire or not.

(5) a sale or transfer of machinery and equipment used primarily in the process of the manufacturing or assembling, either in an existing, an expanded or a new manufacturing facility, of tangible personal property for wholesale or retail sale or lease, whether such sale or lease is made directly by the manufacturer or by some other person, whether the materials used in the process are owned by the manufacturer or some other person, or whether such sale or lease is made apart from or as an incident to the seller's engaging in a service occupation and the applicable tax is a Service Use Tax or Service Occupation Tax, rather than Use Tax or Retailers' Occupation Tax.

(5a) the repairing, reconditioning or remodeling, for a common carrier by rail, of tangible personal property which belongs to such carrier for hire, and as to which such carrier receives the physical possession of the repaired, reconditioned or remodeled item of tangible personal property in Illinois, and which such carrier transports, or shares with another common carrier in the transportation of such property, out of Illinois on a standard uniform bill of lading showing the person who repaired, reconditioned or remodeled the property to a destination outside Illinois, for use outside Illinois.

(5b) a sale or transfer of tangible personal property which is produced by the seller thereof on special order in such a way as to have made the applicable tax the Service Occupation Tax or the Service Use Tax, rather than the Retailers' Occupation Tax or the Use Tax, for an interstate carrier by rail which receives the physical possession of such property in Illinois, and which transports such property, or shares with another common carrier in the transportation of such property, out of Illinois on a standard uniform bill of lading showing the seller of the property as the shipper or consignor of such property to a destination outside Illinois, for use outside Illinois.

(6) until July 1, 2003, a sale or transfer of distillation machinery and equipment, sold as a unit or kit and assembled or installed by the retailer, which machinery and equipment is certified by the user to be used only for the production of ethyl alcohol that will be used for consumption as motor fuel or as a component of motor fuel for the personal use of such user and not subject to sale or resale.

(7) at the election of any serviceman not required to be otherwise registered as a retailer under Section 2a of the Retailers' Occupation Tax Act, made for each fiscal year sales of

[May 31, 2004]

service in which the aggregate annual cost price of tangible personal property transferred as an incident to the sales of service is less than 35%, or 75% in the case of servicemen transferring prescription drugs or servicemen engaged in graphic arts production, of the aggregate annual total gross receipts from all sales of service. The purchase of such tangible personal property by the serviceman shall be subject to tax under the Retailers' Occupation Tax Act and the Use Tax Act. However, if a primary serviceman who has made the election described in this paragraph subcontracts service work to a secondary serviceman who has also made the election described in this paragraph, the primary serviceman does not incur a Use Tax liability if the secondary serviceman (i) has paid or will pay Use Tax on his or her cost price of any tangible personal property transferred to the primary serviceman and (ii) certifies that fact in writing to the primary serviceman.

Tangible personal property transferred incident to the completion of a maintenance agreement is exempt from the tax imposed pursuant to this Act.

Exemption (5) also includes machinery and equipment used in the general maintenance or repair of such exempt machinery and equipment or for in-house manufacture of exempt machinery and equipment. For the purposes of exemption (5), each of these terms shall have the following meanings: (1) "manufacturing process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by procedures commonly regarded as manufacturing, processing, fabricating, or refining which changes some existing material or materials into a material with a different form, use or name. In relation to a recognized integrated business composed of a series of operations which collectively constitute manufacturing, or individually constitute manufacturing operations, the manufacturing process shall be deemed to commence with the first operation or stage of production in the series, and shall not be deemed to end until the completion of the final product in the last operation or stage of production in the series; and further, for purposes of exemption (5), photoprocessing is deemed to be a manufacturing process of tangible personal property for wholesale or retail sale; (2) "assembling process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by the combination of existing materials in a manner commonly regarded as assembling which results in a material of a different form, use or name; (3) "machinery" shall mean major mechanical machines or major components of such machines contributing to a manufacturing or assembling process; and (4) "equipment" shall include any independent device or tool separate from any machinery but essential to an integrated manufacturing or assembly process; including computers used primarily in a manufacturer's computer assisted design, computer assisted manufacturing (CAD/CAM) system; or any subunit or assembly comprising a component of any machinery or auxiliary, adjunct or attachment parts of machinery, such as tools, dies, jigs, fixtures, patterns and molds; or any parts which require periodic replacement in the course of normal operation; but shall not include hand tools. Equipment includes chemicals or chemicals acting as catalysts but only if the chemicals or chemicals acting as catalysts effect a direct and immediate change upon a product being manufactured or assembled for wholesale or retail sale or lease. The purchaser of such machinery and equipment who has an active resale registration number shall furnish such number to the seller at the time of purchase. The user of such machinery and equipment and tools without an active resale registration number shall prepare a certificate of exemption for each transaction stating facts establishing the exemption for that transaction, which certificate shall be available to the Department for inspection or audit. The Department shall prescribe the form of the certificate.

Any informal rulings, opinions or letters issued by the Department in response to an inquiry or request for any opinion from any person regarding the coverage and applicability of exemption (5) to specific devices shall be published, maintained as a public record, and made available for public inspection and copying. If the informal ruling, opinion or letter contains trade secrets or other confidential information, where possible the Department shall delete such information prior to publication. Whenever such informal rulings, opinions, or letters contain any policy of general applicability, the Department shall formulate and adopt such policy as a rule in accordance with the provisions of the Illinois Administrative Procedure Act.

On and after July 1, 1987, no entity otherwise eligible under exemption (3) of this Section shall make tax free purchases unless it has an active exemption identification number issued by the Department.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of service or of tangible personal property within the meaning of this Act.

"Serviceman" means any person who is engaged in the occupation of making sales of service.

(35 ILCS 110/3-51)

Sec. 3-51. Motor vehicles; trailers: use as rolling stock definition.

(a) Through June 30, 2003, "use as rolling stock moving in interstate commerce" in subsection (b) of Section 3-45 means for motor vehicles, as defined in Section 1-46 of the Illinois Vehicle Code, and trailers, as defined in Section 1-209 of the Illinois Vehicle Code, when on 15 or more occasions in a 12-month period the motor vehicle and trailer has carried persons or property for hire in interstate commerce, even just between points in Illinois, if the motor vehicle and trailer transports persons whose journeys or property whose shipments originate or terminate outside Illinois. This definition applies to all property purchased for the purpose of being attached to those motor vehicles or trailers as a part thereof.

(b) On and after July 1, 2003 and through July 1, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (4) and (4a) of the definition of "sale of service" in Section 2 and subsection (b) of Section 3-45 occurs for motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for 51% of its total trips and transports persons whose journeys or property whose shipments originate or terminate outside Illinois. Trips that are only between points in Illinois shall not be counted as interstate trips when calculating whether the tangible personal property qualifies for the exemption but such trips shall be included in total trips taken.

(c) Beginning July 1, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (b) and (c) of Section 3-55 occurs for motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for greater than 50% of its total trips for that period or for greater than 50% of its total miles for that period. The person claiming the exemption shall make an election at the time of purchase to use either the trips or mileage method. Persons who purchased motor vehicles prior to July 1, 2004 shall make an election to use either the trips or mileage method and document that election in their books and records. If no election is made under this subsection to use the trips or mileage method, the person shall be deemed to have chosen the mileage method. Any election to use either the trips or

[May 31, 2004]

mileage method will remain in effect for that motor vehicle for any period for which the Department may issue a notice of tax liability under this Act.

For purposes of determining qualifying trips or miles, motor vehicles that carry persons or property for hire, even just between points in Illinois, will be considered used for hire in interstate commerce if the motor vehicle transports persons whose journeys or property whose shipments originate or terminate outside Illinois. The exemption for motor vehicles used as rolling stock moving in interstate commerce may be claimed only for motor vehicles whose gross vehicle weight rating exceeds 16,000 pounds. This definition applies to all property purchased for the purpose of being attached to those motor vehicles as a part thereof.

(d) Beginning July 1, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (b) and (c) of Section 3-55 occurs for trailers, as defined in Section 1-209 of the Illinois Vehicle Code, semitrailers as defined in Section 1-187 of the Illinois Vehicle Code, and pole trailers as defined in Section 1-161 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for greater than 50% of its total trips for that period or for greater than 50% of its total miles for that period. The person claiming the exemption for a trailer or trailers that will not be dedicated to a motor vehicle or group of motor vehicles shall make an election at the time of purchase to use either the trips or mileage method. Persons who purchased trailers prior to July 1, 2004 that are not dedicated to a motor vehicle or group of motor vehicles shall make an election to use either the trips or mileage method and document that election in their books and records. If no election is made under this subsection to use the trips or mileage method, the person shall be deemed to have chosen the mileage method. Any election to use either the trips or mileage method will remain in effect for that trailer for any period for which the Department may issue a notice of tax liability under this Act.

For purposes of determining qualifying trips or miles, trailers, semitrailers, or pole trailers that carry property for hire, even just between points in Illinois, will be considered used for hire in interstate commerce if the trailers, semitrailers, or pole trailers transport property whose shipments originate or terminate outside Illinois. This definition applies to all property purchased for the purpose of being attached to those trailers, semitrailers, or pole trailers as a part thereof. In lieu of a person providing documentation regarding the qualifying use of each individual trailer, semitrailer, or pole trailer, that person may document such qualifying use by providing documentation of the following:

(1) If a trailer, semitrailer, or pole trailer is dedicated to a motor vehicle that qualifies as rolling stock moving in interstate commerce under subsection (c) of this Section, then that trailer, semitrailer, or pole trailer qualifies as rolling stock moving in interstate commerce under this subsection.

(2) If a trailer, semitrailer, or pole trailer is dedicated to a group of motor vehicles that all qualify as rolling stock moving in interstate commerce under subsection (c) of this Section, then that trailer, semitrailer, or pole trailer qualifies as rolling stock moving in interstate commerce under this subsection.

(3) If one or more trailers, semitrailers, or pole trailers are dedicated to a group of motor vehicles and not all of those motor vehicles in that group qualify as rolling stock moving in interstate commerce under subsection (c) of this Section, then the percentage of those trailers, semitrailers, or pole trailers that qualifies as rolling stock moving in interstate commerce under this subsection is equal to the percentage of those motor vehicles in that group that qualify as rolling stock moving in interstate commerce under subsection (c) of this Section to which those trailer, semitrailers, or pole trailers are dedicated. However, to determine the qualification for the exemption provided under this item (3), the mathematical application of the qualifying percentage to one or more trailers, semitrailers, or pole trailers under this subpart shall not be allowed as to any fraction of a trailer, semitrailer, or pole trailer.

When a serviceman contracts out part or all of the services required in his sale of service, it shall be presumed that the cost price to the serviceman of the property transferred to him by his or her subcontractor is equal to 50% of the subcontractor's charges to the serviceman in the absence of proof of the consideration paid by the subcontractor for the purchase of such property.

"Department" means the Department of Revenue.

[May 31, 2004]

"Person" means any natural individual, firm, partnership, association, joint stock company, joint venture, public or private corporation, limited liability company, and any receiver, executor, trustee, guardian or other representative appointed by order of any court.

A limited liability company may qualify for the exemption under this paragraph only if the limited liability company is organized and operated exclusively for educational purposes.

(d) A sale or transfer of tangible personal property as an incident to the rendering of service for interstate carriers for hire for use as rolling stock moving in interstate commerce or lessors under leases of one year or longer, executed or in effect at the time of purchase, to interstate carriers for hire for use as rolling stock moving in interstate commerce, and equipment operated by a telecommunications provider, licensed as a common carrier by the Federal Communications Commission, which is permanently installed in or affixed to aircraft moving in interstate commerce.

(d-1) A sale or transfer of tangible personal property as an incident to the rendering of service for owners, lessors or shippers of tangible personal property which is utilized by interstate carriers for hire for use as rolling stock moving in interstate commerce, and equipment operated by a telecommunications provider, licensed as a common carrier by the Federal Communications Commission, which is permanently installed in or affixed to aircraft moving in interstate commerce.

(d-1.1) On and after July 1, 2003 and through June 30, 2004, a sale or transfer of a motor vehicle of the second division with a gross vehicle weight in excess of 8,000 pounds as an incident to the rendering of service if that motor vehicle is subject to the commercial distribution fee imposed under Section 3-815.1 of the Illinois Vehicle Code. Beginning on July 1, 2004 and through June 30, 2005, the use in this State of motor vehicles of the second division: (i) with a gross vehicle weight rating in excess of 8,000 pounds; (ii) that are subject to the commercial distribution fee imposed under Section 3-815.1 of the Illinois Vehicle Code; and (iii) that are primarily used for commercial purposes. Through June 30, 2005, this ~~This~~ exemption applies to repair and replacement parts added after the initial purchase of such a motor vehicle if that motor vehicle is used in a manner that would qualify for the rolling stock exemption otherwise provided for in this Act. For purposes of this paragraph, "used for commercial purposes" means the transportation of persons or property in furtherance of any commercial or industrial enterprise whether for-hire or not.

(d-2) The repairing, reconditioning or remodeling, for a common carrier by rail, of tangible personal property which belongs to such carrier for hire, and as to which such carrier receives the physical possession of the repaired, reconditioned or remodeled item of tangible personal property in Illinois, and which such carrier transports, or shares with another common carrier in the transportation of such property, out of Illinois on a standard uniform bill of lading showing the person who repaired, reconditioned or remodeled the property as the shipper or consignor of such property to a destination outside Illinois, for use outside Illinois.

(d-3) A sale or transfer of tangible personal property which is produced by the seller thereof on special order in such a way as to have made the applicable tax the Service Occupation Tax or the Service Use Tax, rather than the Retailers' Occupation Tax or the Use Tax, for an interstate carrier by rail which receives the physical possession of such property in Illinois, and which transports such property, or shares with another common carrier in the transportation of such property, out of Illinois on a standard uniform bill of lading showing the seller of the property as the shipper or consignor of such property to a destination outside Illinois, for use outside Illinois.

(d-4) Until January 1, 1997, a sale, by a registered serviceman paying tax under this Act to the Department, of special order printed materials delivered outside Illinois and which are not returned to this State, if delivery is made by the seller or agent of the seller, including an agent who causes the product to be delivered outside Illinois by a common carrier or the U.S. postal service.

(e) A sale or transfer of machinery and equipment used primarily in the process of the manufacturing or assembling, either in an existing, an expanded or a new manufacturing facility, of tangible personal

property for wholesale or retail sale or lease, whether such sale or lease is made directly by the manufacturer or by some other person, whether the materials used in the process are owned by the manufacturer or some other person, or whether such sale or lease is made apart from or as an incident to the seller's engaging in a service occupation and the applicable tax is a Service Occupation Tax or Service Use Tax, rather than Retailers' Occupation Tax or Use Tax.

(f) Until July 1, 2003, the sale or transfer of distillation machinery and equipment, sold as a unit or kit and assembled or installed by the retailer, which machinery and equipment is certified by the user to be used only for the production of ethyl alcohol that will be used for consumption as motor fuel or as a component of motor fuel for the personal use of such user and not subject to sale or resale.

(g) At the election of any serviceman not required to be otherwise registered as a retailer under Section 2a of the Retailers' Occupation Tax Act, made for each fiscal year sales of service in which the aggregate annual cost price of tangible personal property transferred as an incident to the sales of service is less than 35% (75% in the case of servicemen transferring prescription drugs or servicemen engaged in graphic arts production) of the aggregate annual total gross receipts from all sales of service. The purchase of such tangible personal property by the serviceman shall be subject to tax under the Retailers' Occupation Tax Act and the Use Tax Act. However, if a primary serviceman who has made the election described in this paragraph subcontracts service work to a secondary serviceman who has also made the election described in this paragraph, the primary serviceman does not incur a Use Tax liability if the secondary serviceman (i) has paid or will pay Use Tax on his or her cost price of any tangible personal property transferred to the primary serviceman and (ii) certifies that fact in writing to the primary serviceman.

Tangible personal property transferred incident to the completion of a maintenance agreement is exempt from the tax imposed pursuant to this Act.

Exemption (e) also includes machinery and equipment used in the general maintenance or repair of such exempt machinery and equipment or for in-house manufacture of exempt machinery and equipment. For the purposes of exemption (e), each of these terms shall have the following meanings:

(1) "manufacturing process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by procedures commonly regarded as manufacturing, processing, fabricating, or refining which changes some existing material or materials into a material with a different form, use or name. In relation to a recognized integrated business composed of a series of operations which collectively constitute manufacturing, or individually constitute manufacturing operations, the manufacturing process shall be deemed to commence with the first operation or stage of production in the series, and shall not be deemed to end until the completion of the final product in the last operation or stage of production in the series; and further for purposes of exemption (e), photoprocessing is deemed to be a manufacturing process of tangible personal property for wholesale or retail sale; (2) "assembling process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by the combination of existing materials in a manner commonly regarded as assembling which results in a material of a different form, use or name; (3) "machinery" shall mean major mechanical machines or major components of such machines contributing to a manufacturing or assembling process; and (4) "equipment" shall include any independent device or tool separate from any machinery but essential to an integrated manufacturing or assembly process; including computers used primarily in a manufacturer's computer assisted design, computer assisted manufacturing (CAD/CAM) system; or any subunit or assembly comprising a component of any machinery or auxiliary, adjunct or attachment parts of machinery, such as tools, dies, jigs, fixtures, patterns and molds; or any parts which require periodic replacement in the course of normal operation; but shall not include hand tools. Equipment includes chemicals or chemicals acting as catalysts but only if the chemicals or chemicals acting as catalysts effect a direct and immediate change upon a product being manufactured or assembled for wholesale or retail sale or lease. The purchaser of such machinery and equipment who has an active resale registration number shall furnish such number to the seller at the time of purchase. The purchaser of such machinery and equipment and tools without an active resale registration number shall furnish to the seller a certificate of exemption for each transaction stating facts establishing the exemption for that transaction, which certificate shall be available to the Department for inspection or audit.

Except as provided in Section 2d of this Act, the rolling stock exemption applies to rolling stock used by an interstate carrier for hire, even just between points in Illinois, if such rolling stock transports, for hire, persons whose journeys or property whose shipments originate or terminate outside Illinois.

Any informal rulings, opinions or letters issued by the Department in response to an inquiry or request

for any opinion from any person regarding the coverage and applicability of exemption (e) to specific devices shall be published, maintained as a public record, and made available for public inspection and copying. If the informal ruling, opinion or letter contains trade secrets or other confidential information, where possible the Department shall delete such information prior to publication. Whenever such informal rulings, opinions, or letters contain any policy of general applicability, the Department shall formulate and adopt such policy as a rule in accordance with the provisions of the Illinois Administrative Procedure Act.

On and after July 1, 1987, no entity otherwise eligible under exemption (c) of this Section shall make tax free purchases unless it has an active exemption identification number issued by the Department.

"Serviceman" means any person who is engaged in the occupation of making sales of service.

"Sale at Retail" means "sale at retail" as defined in the Retailers' Occupation Tax Act.

"Supplier" means any person who makes sales of tangible personal property to servicemen for the purpose of resale as an incident to a sale of service.

Sec. 2d. Motor vehicles; trailers; use as rolling stock definition.

(a) Through June 30, 2003, "use as rolling stock moving in interstate commerce" in subsections (d) and (d-1) of the definition of "sale of service" in Section 2 means for motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, and trailers, as defined in Section 1-209 of the Illinois Vehicle Code, when on 15 or more occasions in a 12-month period the motor vehicle and trailer has carried persons or property for hire in interstate commerce, even just between points in Illinois, if the motor vehicle and trailer transports persons whose journeys or property whose shipments originate or terminate outside Illinois. This definition applies to all property purchased for the purpose of being attached to those motor vehicles or trailers as a part thereof.

(b) On and after July 1, 2003 and through June 30, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (d) and (d-1) of the definition of "sale of service" in Section 2 occurs for motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for 51% of its total trips and transports persons whose journeys or property whose shipments originate or terminate outside Illinois. Trips that are only between points in Illinois will not be counted as interstate trips when calculating whether the tangible personal property qualifies for the exemption but such trips will be included in total trips taken.

(c) Beginning July 1, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (b) and (c) of Section 3-55 occurs for motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for greater than 50% of its total trips for that period or for greater than 50% of its total miles for that period. The person claiming the exemption shall make an election at the time of purchase to use either the trips or mileage method. Persons who purchased motor vehicles prior to July 1, 2004 shall make an election to use either the trips or mileage method and document that election in their books and records. If no election is made under this subsection to use the trips or mileage method, the person shall be deemed to have chosen the mileage method. Any election to use either the trips or mileage method will remain in effect for that motor vehicle for any period for which the Department may issue a notice of tax liability under this Act.

For purposes of determining qualifying trips or miles, motor vehicles that carry persons or property for hire, even just between points in Illinois, will be considered used for hire in interstate commerce if the motor vehicle transports persons whose journeys or property whose shipments originate or terminate outside Illinois. The exemption for motor vehicles used as rolling stock moving in interstate commerce may be claimed only for motor vehicles whose gross vehicle weight rating exceeds 16,000 pounds. This definition applies to all property purchased for the purpose of being attached to those motor vehicles as a part thereof.

(d) Beginning July 1, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (b) and (c) of Section 3-55 occurs for trailers, as defined in Section 1-209 of the Illinois Vehicle Code, semitrailers as defined in Section 1-187 of the Illinois Vehicle Code, and pole trailers as defined in Section 1-161 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for greater than 50% of its total trips for that period or for greater than 50% of its total miles for that period. The person claiming the exemption for a trailer or trailers that will not be dedicated to a motor vehicle or group of motor vehicles shall make an election at the time of purchase to use either the trips or mileage method. Persons who purchased trailers prior to July 1, 2004 that are not dedicated to a motor vehicle or group of motor vehicles shall make an election

[May 31, 2004]

to use either the trips or mileage method and document that election in their books and records. If no election is made under this subsection to use the trips or mileage method, the person shall be deemed to have chosen the mileage method. Any election to use either the trips or mileage method will remain in effect for that trailer for any period for which the Department may issue a notice of tax liability under this Act.

For purposes of determining qualifying trips or miles, trailers, semitrailers, or pole trailers that carry property for hire, even just between points in Illinois, will be considered used for hire in interstate commerce if the trailers, semitrailers, or pole trailers transport property whose shipments originate or terminate outside Illinois. This definition applies to all property purchased for the purpose of being attached to those trailers, semitrailers, or pole trailers as a part thereof. In lieu of a person providing documentation regarding the qualifying use of each individual trailer, semitrailer, or pole trailer, that person may document such qualifying use by providing documentation of the following:

(1) If a trailer, semitrailer, or pole trailer is dedicated to a motor vehicle that qualifies as rolling stock moving in interstate commerce under subsection (c) of this Section, then that trailer, semitrailer, or pole trailer qualifies as rolling stock moving in interstate commerce under this subsection.

(2) If a trailer, semitrailer, or pole trailer is dedicated to a group of motor vehicles that all qualify as rolling stock moving in interstate commerce under subsection (c) of this Section, then that trailer, semitrailer, or pole trailer qualifies as rolling stock moving in interstate commerce under this subsection.

(3) If one or more trailers, semitrailers, or pole trailers are dedicated to a group of motor vehicles and not all of those motor vehicles in that group qualify as rolling stock moving in interstate commerce under subsection (c) of this Section, then the percentage of those trailers, semitrailers, or pole trailers that qualifies as rolling stock moving in interstate commerce under this subsection is equal to the percentage of those motor vehicles in that group that qualify as rolling stock moving in interstate commerce under subsection (c) of this Section to which those trailer, semitrailers, or pole trailers are dedicated. However, to determine the qualification for the exemption provided under this item (3), the mathematical application of the qualifying percentage to one or more trailers, semitrailers, or pole trailers under this subpart shall not be allowed as to any fraction of a trailer, semitrailer, or pole trailer.

(35 ILCS 120/2-51)

Sec. 2-51. Motor vehicles; trailers; use as rolling stock definition.

(a) Through June 30, 2003, "use as rolling stock moving in interstate commerce" in paragraphs (12) and (13) of Section 2-5 means for motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, and trailers, as defined in Section 1-209 of the Illinois Vehicle Code, when on 15 or more occasions in a 12-month period the motor vehicle and trailer has carried persons or property for hire in interstate commerce, even just between points in Illinois, if the motor vehicle and trailer transports persons whose journeys or property whose shipments originate or terminate outside Illinois. This definition applies to all property purchased for the purpose of being attached to those motor vehicles or trailers as a part thereof.

(b) On and after July 1, 2003 and through June 30, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (12) and (13) of Section 2-5 occurs for motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for 51% of its total trips and transports persons whose journeys or property whose shipments originate or terminate outside Illinois. Trips that are only between points in Illinois shall not be counted as interstate trips when calculating whether the tangible personal property qualifies for the exemption but such trips shall be included in total trips taken.

(c) Beginning July 1, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (b) and (c) of Section 3-55 occurs for motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for greater than 50% of its total trips for that period or for greater than 50% of its total miles for that period. The person claiming the exemption shall make an election at the time of purchase to use either the trips or mileage method. Persons who purchased motor vehicles prior to July 1, 2004 shall make an election to use either the trips or mileage method and document that election in their books and records. If no election is made under this subsection to use the trips or mileage method, the person shall be deemed to have chosen the mileage method. Any election to use either the trips or mileage method will remain in effect for that motor vehicle for any period for which the Department may issue a notice of tax liability under this Act.

For purposes of determining qualifying trips or miles, motor vehicles that carry persons or property for hire, even just between points in Illinois, will be considered used for hire in interstate commerce if the motor vehicle transports persons whose journeys or property whose shipments originate or terminate outside Illinois. The exemption for motor vehicles used as rolling stock moving in interstate commerce may be claimed only for motor vehicles whose gross vehicle weight rating exceeds 16,000 pounds. This definition applies to all property purchased for the purpose of being attached to those motor vehicles as a part thereof.

(d) Beginning July 1, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (b) and (c) of Section 3-55 occurs for trailers, as defined in Section 1-209 of the Illinois Vehicle Code, semitrailers as defined in Section 1-187 of the Illinois Vehicle Code, and pole trailers as defined in Section 1-161 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried

persons or property for hire in interstate commerce for greater than 50% of its total trips for that period or for greater than 50% of its total miles for that period. The person claiming the exemption for a trailer or trailers that will not be dedicated to a motor vehicle or group of motor vehicles shall make an election at the time of purchase to use either the trips or mileage method. Persons who purchased trailers prior to July 1, 2004 that are not dedicated to a motor vehicle or group of motor vehicles shall make an election to use either the trips or mileage method and document that election in their books and records. If no election is made under this subsection to use the trips or mileage method, the person shall be deemed to have chosen the mileage method. Any election to use either the trips or mileage method will remain in effect for that trailer for any period for which the Department may issue a notice of tax liability under this Act.

For purposes of determining qualifying trips or miles, trailers, semitrailers, or pole trailers that carry property for hire, even just between points in Illinois, will be considered used for hire in interstate commerce if the trailers, semitrailers, or pole trailers transport property whose shipments originate or terminate outside Illinois. This definition applies to all property purchased for the purpose of being attached to those trailers, semitrailers, or pole trailers as a part thereof. In lieu of a person providing documentation regarding the qualifying use of each individual trailer, semitrailer, or pole trailer, that person may document such qualifying use by providing documentation of the following:

(1) If a trailer, semitrailer, or pole trailer is dedicated to a motor vehicle that qualifies as rolling stock moving in interstate commerce under subsection (c) of this Section, then that trailer, semitrailer, or pole trailer qualifies as rolling stock moving in interstate commerce under this subsection.

(2) If a trailer, semitrailer, or pole trailer is dedicated to a group of motor vehicles that all qualify as rolling stock moving in interstate commerce under subsection (c) of this Section, then that trailer, semitrailer, or pole trailer qualifies as rolling stock moving in interstate commerce under this subsection.

(3) If one or more trailers, semitrailers, or pole trailers are dedicated to a group of motor vehicles and not all of those motor vehicles in that group qualify as rolling stock moving in interstate commerce under subsection (c) of this Section, then the percentage of those trailers, semitrailers, or pole trailers that qualifies as rolling stock moving in interstate commerce under this subsection is equal to the percentage of those motor vehicles in that group that qualify as rolling stock moving in interstate commerce under subsection (c) of this Section to which those trailer, semitrailers, or pole trailers are dedicated. However, to determine the qualification for the exemption provided under this item (3), the mathematical application of the qualifying percentage to one or more trailers, semitrailers, or pole trailers under this subpart shall not be allowed as to any fraction of a trailer, semitrailer, or pole trailer.

Section 15. The University of Illinois Trustees Act is amended by changing Section 1 as follows:

(110 ILCS 310/1) (from Ch. 144, par. 41)

Sec. 1. Membership.

(a) The Board of Trustees of the University of Illinois shall consist of the Governor and at least 12 trustees. Nine trustees shall be appointed by the Governor, by and with the advice and consent of the Senate; however, with respect to these 9 trustees, beginning with the general election in 2006, a trustee shall instead be elected at each general election to succeed each incumbent trustee whose term expires in January of the year next following that general election. The other trustees shall be students, of whom one student shall be selected from each University campus.

(b) Each student trustee shall serve a term of one year, beginning on July 1 or on the date of his or her selection, whichever is later, and expiring on the next succeeding June 30.

(c) Each trustee shall have all of the privileges of membership, except that only one student trustee shall have the right to cast a legally binding vote. The Governor shall designate which one of the student trustees shall possess, for his or her entire term, the right to cast a legally binding vote. Each student trustee who does not possess the right to cast a legally binding vote shall have the right to cast an advisory vote and the right to make and second motions and to attend executive sessions.

(d) Each trustee shall be governed by the same conflict of interest standards. Pursuant to those standards, it shall not be a conflict of interest for a student trustee to vote on matters pertaining to students generally, such as tuition and fees. However, it shall be a conflict of interest for a student trustee to vote on faculty member tenure or promotion.

(e) Student trustees shall be chosen by campus-wide student election, and the student trustee designated by the Governor to possess a legally binding vote shall be one of the students selected by this method. A student trustee who does not possess a legally binding vote on a measure at a meeting of the Board or any of its committees shall not be considered a trustee for the purpose of determining whether a quorum is present at the time that measure is voted upon. To be eligible for selection as a student trustee and to be eligible to remain as a voting or nonvoting student trustee, a student trustee must be a resident of this State, must have and maintain a grade point average that is equivalent to at least 2.5 on a 4.0 scale, and must be a full time student enrolled at all times during his or her term of office except for that part of the term which follows the completion of the last full regular semester of an academic year and precedes the first full regular semester of the succeeding academic year at the University (sometimes commonly referred to as the summer session or summer school). If a voting or nonvoting student trustee fails to continue to meet or maintain the residency, minimum grade point average, or enrollment requirement established by this Section, his or her membership on the Board shall be deemed to have terminated by operation of law.

If a voting student trustee resigns or otherwise ceases to serve on the Board, the Governor shall, within 30 days, designate one of the remaining student trustees to possess the right to cast a legally binding vote for the remainder of his or her term. If a nonvoting student trustee resigns or otherwise ceases to serve on the Board, the chief executive of the student government from that campus shall, within 30 days, select a new nonvoting student trustee to serve for the remainder of the term.

(f) Until those members elected at the general election in 2006 have taken office, no more than 5 of the 9 appointed trustees shall be affiliated with the same political party. Each trustee appointed by the Governor must be a resident of this State. A failure to meet or maintain this residency requirement constitutes a resignation from and creates a vacancy in the Board. The term of office of each of these appointed trustees ~~trustee~~ shall be 6 years from the third Monday in January of each odd numbered year. The regular terms of office of ~~these~~ the appointed trustees shall be staggered so that 3 terms expire in each odd-numbered year. Vacancies for ~~these~~ appointed trustees shall be filled for the unexpired term in the same manner as original appointments. ~~If these vacancies a vacancy in membership occur occurs~~ at a time when the Senate is not in session, the Governor shall make temporary appointments until the next

[May 31, 2004]

meeting of the Senate, when he shall appoint persons to fill such memberships for the remainder of their respective terms. If the Senate is not in session when appointments for a full term are made, appointments shall be made as in the case of vacancies.

Beginning with the general election in 2006, 3 trustees shall be elected at the general election in November of each even-numbered year in the manner provided by law. The term of office of each elected trustee shall be 6 years from the third Monday in January next succeeding his or her election and until his or her successor is elected and qualified. In case of a vacancy in an elected trustee's seat, the vacancy shall be filled by appointment by the Governor (i) for the unexpired term if 28 or fewer months remain in the term or (ii) if more than 28 months remain in the term, until a trustee is elected at the next general election to serve for the unexpired term and is qualified.

(g) Each elected or appointed trustee must be a resident of this State. A failure to meet or maintain this residency requirement constitutes a resignation from and creates a vacancy in the Board.

(h) No action of the board shall be invalidated by reason of any vacancies on the board, or by reason of any failure to select student trustees.
