HB 4053	First Reading	5

The Senate met pursuant to adjournment.

Senator Debbie DeFrancesco Halvorson, Kankakee, Illinois, presiding.

Prayer by The Right Reverend William D. Persell, Episcopalian Bishop of Chicago, Illinois.

Senator Maloney led the Senate in the Pledge of Allegiance.

Senator Hunter moved that reading and approval of the Journal of Tuesday, May 24, 2005, be postponed, pending arrival of the printed Journal.

The motion prevailed.

LEGISLATIVE MEASURES FILED

The following Floor amendments to the Senate Bills listed below have been filed with the Secretary and referred to the Committee on Rules:

Floor Amendment No. 2 to Senate Bill 930

Floor Amendment No. 1 to Senate Bill 1031

Floor Amendment No. 3 to Senate Bill 1180

Floor Amendment No. 2 to Senate Bill 1333

The following Floor amendment to the Senate Joint Resolution listed below has been filed with the Secretary and referred to the Committee on Rules:

Floor Amendment No. 1 to Senate Joint Resolution 45

PRESENTATION OF RESOLUTIONS

SENATE RESOLUTION 229

Offered by Senator Haine and all Senators:

Mourns the death of John E. DeMand of Bethalto.

SENATE RESOLUTION 230

Offered by Senator Haine and all Senators:

Mourns the death of Helen M. DeMand of Wood River.

SENATE RESOLUTION 231

Offered by Senator Clayborne and all Senators:

Mourns the death of Scott C. Stone of O'Fallon.

By unanimous consent, the foregoing resolutions were referred to the Resolutions Consent Calendar.

REPORTS FROM STANDING COMMITTEES

Senator Silverstein, Chairperson of the Committee on Executive, to which was referred **House Bills numbered 1919 and 1968**, reported the same back with the recommendation that the bills do pass.

Under the rules, the bills were ordered to a second reading.

Senator Garrett, Chairperson of the Committee on State Government, to which was referred **Senate Resolutions numbered 208, 209, 210 and 218**, reported the same back with the recommendation that the resolutions be adopted.

Under the rules, **Senate Resolutions numbered 208, 209, 210 and 218** were placed on the Secretary's Desk.

Senator Garrett, Chairperson of the Committee on State Government, to which was referred **Senate Joint Resolutions numbered 38, 40, 47 and 48**, reported the same back with the recommendation that the resolutions be adopted.

[May 25, 2005]

Under the rules, **Senate Joint Resolutions numbered 38, 40, 47 and 48** were placed on the Secretary's Desk.

MESSAGE FROM THE HOUSE

A message from the House by
Mr. Mahoney, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has passed bills of the following titles, in the passage of which I am instructed to ask the concurrence of the Senate, to-wit:

HOUSE BILL NO. 1663

A bill for AN ACT concerning local government.

HOUSE BILL NO. 3464

A bill for AN ACT concerning title insurance.

Passed the House, May 24, 2005.

MARK MAHONEY, Clerk of the House

The foregoing **House Bills Numbered 1663 and 3464** were taken up, ordered printed and placed on first reading.

READING BILL FROM THE HOUSE OF REPRESENTATIVES A FIRST TIME

House Bill No. 4053, sponsored by Senator Schoenberg, was taken up, read by title a first time and referred to the Committee on Rules.

MESSAGES FROM THE HOUSE

A message from the House by
Mr. Mahoney, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has concurred with the Senate in the passage of a bill of the following title, to-wit:

SENATE BILL NO. 1669

A bill for AN ACT concerning peace officers.

Together with the following amendment which is attached, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

House Amendment No. 1 to SENATE BILL NO. 1669

Passed the House, as amended, May 24, 2005.

MARK MAHONEY, Clerk of the House

AMENDMENT NO. 1 TO SENATE BILL 1669

AMENDMENT NO. 1. Amend Senate Bill 1669 on page 1, line 12, by adding after "proceeding." the following:

"The officer under investigation shall inform the employer of any person who will be present on his or her behalf during any interrogation except at a public administrative hearing."

Under the rules, the foregoing **Senate Bill No. 1669**, with House Amendment No. 1 was referred to the Secretary's Desk.

A message from the House by
Mr. Mahoney, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has concurred with the Senate in the passage of a bill of the following title, to-wit:

SENATE BILL NO. 1701

[May 25, 2005]

A bill for AN ACT concerning environmental protection.

Together with the following amendment which is attached, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

House Amendment No. 1 to SENATE BILL NO. 1701

Passed the House, as amended, May 24, 2005.

MARK MAHONEY, Clerk of the House

AMENDMENT NO. 1 TO SENATE BILL 1701

AMENDMENT NO. 1. Amend Senate Bill 1701 as follows:

on page 1, line 5, by deleting "3.350,"; and

on page 1, by deleting lines 6 through 29.

Under the rules, the foregoing **Senate Bill No. 1701**, with House Amendment No. 1 was referred to the Secretary's Desk.

A message from the House by

Mr. Mahoney, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has concurred with the Senate in the passage of a bill of the following title, to-wit:

SENATE BILL NO. 1862

A bill for AN ACT concerning State government.

Together with the following amendments which are attached, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

House Amendment No. 1 to SENATE BILL NO. 1862

House Amendment No. 2 to SENATE BILL NO. 1862

Passed the House, as amended, May 24, 2005.

MARK MAHONEY, Clerk of the House

AMENDMENT NO. 1 TO SENATE BILL 1862

AMENDMENT NO. 1. Amend Senate Bill 1862 on page 1, immediately below line 24, by inserting the following:

"Section 10. The Hospital Report Card Act is amended by changing Section 25 as follows:
(210 ILCS 86/25)

Sec. 25. Hospital reports.

(a) Individual hospitals shall prepare a quarterly report including all of the following:

(1) Nursing hours per patient day, average daily census, and average daily hours worked for each clinical service area.

(2) Infection-related measures ~~Nosocomial infection rates~~ for the facility for the specific clinical procedures and devices determined by the

Department by rule under 2 or more of the following categories:

(A) Surgical procedure outcome measures ~~Class I surgical site infection.~~

(B) Surgical procedure infection control process measures.

(C) ~~(B)~~ Outcome or process measures related to ventilator-associated ~~Ventilator-associated~~ pneumonia.

(D) ~~(C)~~ Central vascular catheter-related ~~line-related~~ bloodstream infection rates in designated critical care units ~~infections.~~

The infection-related measures developed by the Department shall be based upon measures and methods developed by the Centers for Disease Control and Prevention, the Centers for Medicare and Medicaid Services, the Agency for Healthcare Research and Quality, the Joint Commission on Accreditation of Healthcare Organizations, or the National Quality Forum.

The Department shall include interpretive guidelines for infection-related indicators and, when available, shall include relevant benchmark information published by national organizations. ~~The~~

[May 25, 2005]

~~Department shall only disclose Illinois hospital infection rate data according to the current benchmarks of the Centers for Disease Control's National Nosocomial Infection Surveillance Program.~~

(b) Individual hospitals shall prepare annual reports including vacancy and turnover rates for licensed nurses per clinical service area.

(c) None of the information the Department discloses to the public may be made available in any form or fashion unless the information has been reviewed, adjusted, and validated according to the following process:

(1) The Department shall organize an advisory committee, including representatives from the Department, public and private hospitals, direct care nursing staff, physicians, academic researchers, consumers, health insurance companies, organized labor, and organizations representing hospitals and physicians. The advisory committee must be meaningfully involved in the development of all aspects of the Department's methodology for collecting, analyzing, and disclosing the information collected under this Act, including collection methods, formatting, and methods and means for release and dissemination.

(2) The entire methodology for collecting and analyzing the data shall be disclosed to all relevant organizations and to all hospitals that are the subject of any information to be made available to the public before any public disclosure of such information.

(3) Data collection and analytical methodologies shall be used that meet accepted standards of validity and reliability before any information is made available to the public.

(4) The limitations of the data sources and analytic methodologies used to develop comparative hospital information shall be clearly identified and acknowledged, including but not limited to the appropriate and inappropriate uses of the data.

(5) To the greatest extent possible, comparative hospital information initiatives shall use standard-based norms derived from widely accepted provider-developed practice guidelines.

(6) Comparative hospital information and other information that the Department has compiled regarding hospitals shall be shared with the hospitals under review prior to public dissemination of such information and these hospitals have 30 days to make corrections and to add helpful explanatory comments about the information before the publication.

(7) Comparisons among hospitals shall adjust for patient case mix and other relevant risk factors and control for provider peer groups, when appropriate.

(8) Effective safeguards to protect against the unauthorized use or disclosure of hospital information shall be developed and implemented.

(9) Effective safeguards to protect against the dissemination of inconsistent, incomplete, invalid, inaccurate, or subjective hospital data shall be developed and implemented.

(10) The quality and accuracy of hospital information reported under this Act and its data collection, analysis, and dissemination methodologies shall be evaluated regularly.

(11) Only the most basic identifying information from mandatory reports shall be used, and information identifying a patient, employee, or licensed professional shall not be released. None of the information the Department discloses to the public under this Act may be used to establish a standard of care in a private civil action.

(d) Quarterly reports shall be submitted, in a format set forth in rules adopted by the Department, to the Department by April 30, July 31, October 31, and January 31 each year for the previous quarter. Data in quarterly reports must cover a period ending not earlier than one month prior to submission of the report. Annual reports shall be submitted by December 31 in a format set forth in rules adopted by the Department to the Department. All reports shall be made available to the public on-site and through the Department.

(e) If the hospital is a division or subsidiary of another entity that owns or operates other hospitals or related organizations, the annual public disclosure report shall be for the specific division or subsidiary and not for the other entity.

(f) The Department shall disclose information under this Section in accordance with provisions for inspection and copying of public records required by the Freedom of Information Act provided that such information satisfies the provisions of subsection (c) of this Section.

(g) Notwithstanding any other provision of law, under no circumstances shall the Department disclose information obtained from a hospital that is confidential under Part 21 of Article 8 of the Code of Civil Procedure.

(h) No hospital report or Department disclosure may contain information identifying a patient, employee, or licensed professional.

(Source: P.A. 93-563, eff. 1-1-04.)"

AMENDMENT NO. 2 TO SENATE BILL 1862

AMENDMENT NO. 2. Amend Senate Bill 1862, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The Hospital Report Card Act is amended by changing Section 25 as follows:
(210 ILCS 86/25)

Sec. 25. Hospital reports.

(a) Individual hospitals shall prepare a quarterly report including all of the following:

(1) Nursing hours per patient day, average daily census, and average daily hours worked for each clinical service area.

(2) Infection-related measures ~~Nosocomial infection rates~~ for the facility for the specific clinical procedures and devices determined by the

Department by rule under 2 or more of the following categories:

(A) Surgical procedure outcome measures ~~Class I surgical site infection.~~

(B) Surgical procedure infection control process measures.

(C) ~~(B)~~ Outcome or process measures related to ventilator-associated ~~Ventilator-associated~~ pneumonia.

(D) ~~(C)~~ Central vascular catheter-related ~~line-related~~ bloodstream infection rates in designated critical care units ~~infections.~~

The infection-related measures developed by the Department shall be based upon measures and methods developed by the Centers for Disease Control and Prevention, the Centers for Medicare and Medicaid Services, the Agency for Healthcare Research and Quality, the Joint Commission on Accreditation of Healthcare Organizations, or the National Quality Forum.

The Department shall include interpretive guidelines for infection-related indicators and, when available, shall include relevant benchmark information published by national organizations. The Department shall only disclose Illinois hospital infection rate data according to the current benchmarks of the Centers for Disease Control's National Nosocomial Infection Surveillance Program.

(b) Individual hospitals shall prepare annual reports including vacancy and turnover rates for licensed nurses per clinical service area.

(c) None of the information the Department discloses to the public may be made available in any form or fashion unless the information has been reviewed, adjusted, and validated according to the following process:

(1) The Department shall organize an advisory committee, including representatives from the Department, public and private hospitals, direct care nursing staff, physicians, academic researchers, consumers, health insurance companies, organized labor, and organizations representing hospitals and physicians. The advisory committee must be meaningfully involved in the development of all aspects of the Department's methodology for collecting, analyzing, and disclosing the information collected under this Act, including collection methods, formatting, and methods and means for release and dissemination.

(e) If the hospital is a division or subsidiary of another entity that owns or operates other hospitals or related organizations, the annual public disclosure report shall be for the specific division or subsidiary and not for the other entity.

(f) The Department shall disclose information under this Section in accordance with provisions for inspection and copying of public records required by the Freedom of Information Act provided that such information satisfies the provisions of subsection (c) of this Section.

(g) Notwithstanding any other provision of law, under no circumstances shall the Department disclose information obtained from a hospital that is confidential under Part 21 of Article 8 of the Code of Civil Procedure.

(h) No hospital report or Department disclosure may contain information identifying a patient, employee, or licensed professional.

(Source: P.A. 93-563, eff. 1-1-04.)"

Section 99. Effective date. This Act takes effect upon becoming law."

Under the rules, the foregoing **Senate Bill No. 1862**, with House Amendments numbered 1 and 2 was referred to the Secretary's Desk.

A message from the House by

Mr. Mahoney, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has concurred with the Senate in the passage of a bill of the following title, to-wit:

SENATE BILL NO. 1910

A bill for AN ACT concerning local government.

Together with the following amendments which are attached, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

House Amendment No. 1 to SENATE BILL NO. 1910

House Amendment No. 3 to SENATE BILL NO. 1910

Passed the House, as amended, May 24, 2005.

MARK MAHONEY, Clerk of the House

AMENDMENT NO. 1 TO SENATE BILL 1910

AMENDMENT NO. 1. Amend Senate Bill 1910 by replacing everything after the enacting clause with the following:

"Section 5. The Counties Code is amended by adding Section 5-1062.2 as follows:

(55 ILCS 5/5-1062.2 new)

Sec. 5-1062.2. Stormwater management.

(a) The purpose of this Section is to allow management and mitigation of the effects of urbanization on stormwater drainage in metropolitan counties located in the area served by the Southwestern Illinois Metropolitan and Regional Planning Commission and the Counties of Kankakee, Grundy, LaSalle, DeKalb, Kendall, and Boone and references to "county" in this Section apply only to those counties. This Section does not apply to counties in the Northeastern Illinois Planning Commission that are granted authorities in Section 5-1062. The purpose of this Section shall be achieved by:

(1) Consolidating the existing stormwater management framework into a united, countywide structure.

[May 25, 2005]

(2) Setting minimum standards for floodplain and stormwater management.

(3) Preparing a countywide plan for the management of stormwater runoff, including the management of natural and man-made drainageways. The countywide plan may incorporate watershed plans.

(b) A stormwater management planning committee may be established by county board resolution, with its membership consisting of equal numbers of county board and municipal representatives from each county board district, and such other members as may be determined by the county and municipal members. If the county has more than 6 county board districts, however, the county board may by ordinance divide the county into not less than 6 areas of approximately equal population, to be used instead of county board districts for the purpose of determining representation on the stormwater management planning committee.

The county board members shall be appointed by the chairman of the county board. Municipal members from each county board district or other represented area shall be appointed by a majority vote of the mayors of those municipalities that have the greatest percentage of their respective populations residing in that county board district or other represented area. All municipal and county board representatives shall be entitled to a vote; the other members shall be nonvoting members, unless authorized to vote by the unanimous consent of the municipal and county board representatives. A municipality that is located in more than one county may choose, at the time of formation of the stormwater management planning committee and based on watershed boundaries, to participate in the stormwater management planning program of either or both of the counties. Subcommittees of the stormwater management planning committee may be established to serve a portion of the county or a particular drainage basin that has similar stormwater management needs. The stormwater management planning committee shall adopt bylaws, by a majority vote of the county and municipal members, to govern the functions of the committee and its subcommittees. Officers of the committee shall include a chair and vice chair, one of whom shall be a county representative and one a municipal representative.

The principal duties of the committee shall be to develop a stormwater management plan for presentation to and approval by the county board, and to direct the plan's implementation and revision. The committee may retain engineering, legal, and financial advisors and inspection personnel. The committee shall meet at least quarterly and shall hold at least one public meeting during the preparation of the plan and prior to its submittal to the county board. The committee may make grants to units of local government that have adopted an ordinance requiring actions consistent with the stormwater management plan and to landowners for the purposes of stormwater management, including special projects; use of the grant money must be consistent with the stormwater management plan.

The committee shall not have or exercise any power of eminent domain.

(c) In the preparation of a stormwater management plan, a county stormwater management planning committee shall coordinate the planning process with each adjoining county to ensure that recommended stormwater projects will have no significant impact on the levels or flows of stormwaters in inter-county watersheds or on the capacity of existing and planned stormwater retention facilities. An adopted stormwater management plan shall identify steps taken by the county to coordinate the development of plan recommendations with adjoining counties.

(d) The stormwater management committee may not enforce any rules or regulations that would interfere with (i) any power granted by the Illinois Drainage Code (70 ILCS 605/) to operate, construct, maintain, or improve drainage systems or (ii) the ability to operate, maintain, or improve the drainage systems used on or by land or a facility used for production agriculture purposes, as defined in the Use Tax Act (35 ILCS 105/), except newly constructed buildings and newly installed impervious paved surfaces. Disputes regarding an exception shall be determined by a mutually agreed upon arbitrator paid by the disputing party or parties.

(e) Before the stormwater management planning committee recommends to the county board a stormwater management plan for the county or a portion thereof, it shall submit the plan to the Office of Water Resources of the Department of Natural Resources for review and recommendations. The Office, in reviewing the plan, shall consider such factors as impacts on the levels or flows in rivers and streams and the cumulative effects of stormwater discharges on flood levels. The Office of Water Resources shall determine whether the plan or ordinances enacted to implement the plan complies with the requirements of subsection (f). Within a period not to exceed 60 days, the review comments and recommendations shall be submitted to the stormwater management planning committee for consideration. Any amendments to the plan shall be submitted to the Office for review.

(f) Prior to recommending the plan to the county board, the stormwater management planning committee shall hold at least one public hearing thereon and shall afford interested persons an opportunity to be heard. The hearing shall be held in the county seat. Notice of the hearing shall be

published at least once no less than 15 days in advance of the hearing in a newspaper of general circulation published in the county. The notice shall state the time and place of the hearing and the place where copies of the proposed plan will be accessible for examination by interested parties. If an affected municipality having a stormwater management plan adopted by ordinance wishes to protest the proposed county plan provisions, it shall appear at the hearing and submit in writing specific proposals to the stormwater management planning committee. After consideration of the matters raised at the hearing, the committee may amend or approve the plan and recommend it to the county board for adoption.

The county board may enact the proposed plan by ordinance. If the proposals for modification of the plan made by an affected municipality having a stormwater management plan are not included in the proposed county plan, and the municipality affected by the plan opposes adoption of the county plan by resolution of its corporate authorities, approval of the county plan shall require an affirmative vote of at least two-thirds of the county board members present and voting. If the county board wishes to amend the county plan, it shall submit in writing specific proposals to the stormwater management planning committee. If the proposals are not approved by the committee, or are opposed by resolution of the corporate authorities of an affected municipality having a municipal stormwater management plan, amendment of the plan shall require an affirmative vote of at least two-thirds of the county board members present and voting.

(g) The county board may prescribe by ordinance reasonable rules and regulations for floodplain management and for governing the location, width, course, and release rate of all stormwater runoff channels, streams, and basins in the county, in accordance with the adopted stormwater management plan. Land, facilities, and drainage district facilities used for production agriculture as defined in subsection (d) shall not be subjected to regulation by the county board or stormwater management committee under this Section for floodplain management and for governing location, width, course, maintenance, and release rate of stormwater runoff channels, streams and basins, or water discharged from a drainage district. These rules and regulations shall, at a minimum, meet the standards for floodplain management established by the Office of Water Resources and the requirements of the Federal Emergency Management Agency for participation in the National Flood Insurance Program. The Commission may not impose more stringent regulations regarding water quality on entities discharging in accordance with a valid National Pollution Discharge Elimination System permit issued under the Environmental Protection Act.

(h) In accordance with, and if recommended in, the adopted stormwater management plan, the county board may adopt a schedule of fees as may be necessary to mitigate the effects of increased stormwater runoff resulting from new development based on actual costs. The fees shall not exceed the cost of satisfying the onsite stormwater retention or detention requirements of the adopted stormwater management plan. The fees shall be used to finance activities undertaken by the county or its included municipalities to mitigate the effects of urban stormwater runoff by providing regional stormwater retention or detention facilities, as identified in the county plan. The county board shall provide for a credit or reduction in fees for any onsite retention, detention, drainage district assessments, or other similar stormwater facility that the developer is required to construct consistent with the stormwater management ordinance. All these fees collected by the county shall be held in a separate fund, and shall be expended only in the watershed within which they were collected.

(i) For the purpose of implementing this Section and for the development, design, planning, construction, operation, and maintenance of stormwater facilities provided for in the stormwater management plan, a county board that has established a stormwater management planning committee pursuant to this Section may cause an annual tax of not to exceed 0.20% of the value, as equalized or assessed by the Department of Revenue, of all taxable property in the county to be levied upon all the taxable property in the county or occupation and use taxes of no more than 1/10 of one cent. The property tax shall be in addition to all other taxes authorized by law to be levied and collected in the county and shall be in addition to the maximum tax rate authorized by law for general county purposes. The 0.20% limitation provided in this Section may be increased or decreased by referendum in accordance with the provisions of Sections 18-120, 18-125, and 18-130 of the Property Tax Code (35 ILCS 200/).

Any revenues generated as a result of ownership or operation of facilities or land acquired with the tax funds collected pursuant to this subsection shall be held in a separate fund and be used either to abate such property tax or for implementing this Section.

However, the tax authorized by this subsection shall not be levied until the question of its adoption, either for a specified period or indefinitely, has been submitted to the electors thereof and approved by a majority of those voting on the question. This question may be submitted at any election held in the county after the adoption of a resolution by the county board providing for the submission of the

question to the electors of the county. The county board shall certify the resolution and proposition to the proper election officials, who shall submit the proposition at an election in accordance with the general election law. If a majority of the votes cast on the question is in favor of the levy of the tax, it may thereafter be levied in the county for the specified period or indefinitely, as provided in the proposition. The question shall be put in substantially the following form:

Shall an annual tax be levied for stormwater management purposes (for a period of not more than years) at a rate not exceeding% of the equalized assessed value of the taxable property of County?

Or this question may be submitted at any election held in the county after the adoption of a resolution by the county board providing for the submission of the question to the electors of the county to authorize use and occupation taxes of no more than 1/10 of one cent:

Shall use and occupation taxes be raised for stormwater management purposes (for a period of not more than years) at a rate not exceeding% for taxable goods in County?

Votes shall be recorded as Yes or No.

(j) For those counties that adopt a property tax in accordance with the provisions in this Section, the stormwater management committee shall offer property tax abatements or incentive payments to property owners who construct, maintain, and use approved stormwater management devices. For those counties that adopt use and occupation taxes in accordance with the provisions of this Section, the stormwater management committee may offer tax rebates or incentive payments to property owners who construct, maintain, and use approved stormwater management devices. The stormwater management committee is authorized to offer credits to the property tax, if applicable, based on authorized practices consistent with the stormwater management plan and approved by the committee. Expenses of staff of a stormwater management committee that are expended on regulatory project review may be no more than 20% of the annual budget of the committee, including funds raised under subsections (h) and (i).

(k) Any county that has adopted a county stormwater management plan under this Section may, after 10 days written notice receiving consent of the owner or occupant, enter upon any lands or waters within the county for the purpose of inspecting stormwater facilities or causing the removal of any obstruction to an affected watercourse. If consent is denied or cannot be reasonably obtained, the county ordinance shall provide a process or procedure for an administrative warrant to be obtained. The county shall be responsible for any damages occasioned thereby.

(l) Upon petition of the municipality, and based on a finding of the stormwater management planning committee, the county shall not enforce rules and regulations adopted by the county in any municipality located wholly or partly within the county that has a municipal stormwater management ordinance that is consistent with and at least as stringent as the county plan and ordinance, and is being enforced by the municipal authorities. On issues that the county ordinance is more stringent as deemed by the committee, the county shall only enforce rules and regulations adopted by the county on the more stringent issues and accept municipal permits. The county shall have no more than 60 days to review permits or the permits shall be deemed approved.

(m) A county may issue general obligation bonds for implementing any stormwater plan adopted under this Section in the manner prescribed in Section 5-1012; except that the referendum requirement of Section 5-1012 does not apply to bonds issued pursuant to this Section on which the principal and interest are to be paid entirely out of funds generated by the taxes and fees authorized by this Section.

(n) The powers authorized by this Section may be implemented by the county board for a portion of the county subject to similar stormwater management needs.

(o) The powers and taxes authorized by this Section are in addition to the powers and taxes authorized by Division 5-15; in exercising its powers under this Section, a county shall not be subject to the restrictions and requirements of that Division.

Section 99. Effective date. This Act takes effect upon becoming law."

AMENDMENT NO. 3 TO SENATE BILL 1910

AMENDMENT NO. 3. Amend Senate Bill 1910, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The Counties Code is amended by adding Section 5-1062.2 as follows:

(55 ILCS 5/5-1062.2 new)

Sec. 5-1062.2. Stormwater management.

(a) The purpose of this Section is to allow management and mitigation of the effects of urbanization on stormwater drainage in the metropolitan counties of Madison, St. Clair, Monroe, Kankakee, Grundy,

[May 25, 2005]

LaSalle, DeKalb, Kendall, and Boone and references to "county" in this Section apply only to those counties. This Section does not apply to counties in the Northeastern Illinois Planning Commission that are granted authorities in Section 5-1062. The purpose of this Section shall be achieved by:

(1) Consolidating the existing stormwater management framework into a united, countywide structure.

(2) Setting minimum standards for floodplain and stormwater management.

(3) Preparing a countywide plan for the management of stormwater runoff, including the management of natural and man-made drainageways. The countywide plan may incorporate watershed plans.

(b) A stormwater management planning committee may be established by county board resolution, with its membership consisting of equal numbers of county board and municipal representatives from each county board district, and such other members as may be determined by the county and municipal members. If the county has more than 6 county board districts, however, the county board may by ordinance divide the county into not less than 6 areas of approximately equal population, to be used instead of county board districts for the purpose of determining representation on the stormwater management planning committee.

The county board members shall be appointed by the chairman of the county board. Municipal members from each county board district or other represented area shall be appointed by a majority vote of the mayors of those municipalities that have the greatest percentage of their respective populations residing in that county board district or other represented area. All municipal and county board representatives shall be entitled to a vote; the other members shall be nonvoting members, unless authorized to vote by the unanimous consent of the municipal and county board representatives. A municipality that is located in more than one county may choose, at the time of formation of the stormwater management planning committee and based on watershed boundaries, to participate in the stormwater management planning program of either or both of the counties. Subcommittees of the stormwater management planning committee may be established to serve a portion of the county or a particular drainage basin that has similar stormwater management needs. The stormwater management planning committee shall adopt bylaws, by a majority vote of the county and municipal members, to govern the functions of the committee and its subcommittees. Officers of the committee shall include a chair and vice chair, one of whom shall be a county representative and one a municipal representative.

The principal duties of the committee shall be to develop a stormwater management plan for presentation to and approval by the county board, and to direct the plan's implementation and revision. The committee may retain engineering, legal, and financial advisors and inspection personnel. The committee shall meet at least quarterly and shall hold at least one public meeting during the preparation of the plan and prior to its submittal to the county board. The committee may make grants to units of local government that have adopted an ordinance requiring actions consistent with the stormwater management plan and to landowners for the purposes of stormwater management, including special projects; use of the grant money must be consistent with the stormwater management plan.

The committee shall not have or exercise any power of eminent domain.

(c) In the preparation of a stormwater management plan, a county stormwater management planning committee shall coordinate the planning process with each adjoining county to ensure that recommended stormwater projects will have no significant impact on the levels or flows of stormwaters in inter-county watersheds or on the capacity of existing and planned stormwater retention facilities. An adopted stormwater management plan shall identify steps taken by the county to coordinate the development of plan recommendations with adjoining counties.

(d) The stormwater management committee may not enforce any rules or regulations that would interfere with (i) any power granted by the Illinois Drainage Code (70 ILCS 605/) to operate, construct, maintain, or improve drainage systems or (ii) the ability to operate, maintain, or improve the drainage systems used on or by land or a facility used for production agriculture purposes, as defined in the Use Tax Act (35 ILCS 105/), except newly constructed buildings and newly installed impervious paved surfaces. Disputes regarding an exception shall be determined by a mutually agreed upon arbitrator paid by the disputing party or parties.

(e) Before the stormwater management planning committee recommends to the county board a stormwater management plan for the county or a portion thereof, it shall submit the plan to the Office of Water Resources of the Department of Natural Resources for review and recommendations. The Office, in reviewing the plan, shall consider such factors as impacts on the levels or flows in rivers and streams and the cumulative effects of stormwater discharges on flood levels. The Office of Water Resources shall determine whether the plan or ordinances enacted to implement the plan complies with the requirements of subsection (f). Within a period not to exceed 60 days, the review comments and

recommendations shall be submitted to the stormwater management planning committee for consideration. Any amendments to the plan shall be submitted to the Office for review.

(f) Prior to recommending the plan to the county board, the stormwater management planning committee shall hold at least one public hearing thereon and shall afford interested persons an opportunity to be heard. The hearing shall be held in the county seat. Notice of the hearing shall be published at least once no less than 15 days in advance of the hearing in a newspaper of general circulation published in the county. The notice shall state the time and place of the hearing and the place where copies of the proposed plan will be accessible for examination by interested parties. If an affected municipality having a stormwater management plan adopted by ordinance wishes to protest the proposed county plan provisions, it shall appear at the hearing and submit in writing specific proposals to the stormwater management planning committee. After consideration of the matters raised at the hearing, the committee may amend or approve the plan and recommend it to the county board for adoption.

The county board may enact the proposed plan by ordinance. If the proposals for modification of the plan made by an affected municipality having a stormwater management plan are not included in the proposed county plan, and the municipality affected by the plan opposes adoption of the county plan by resolution of its corporate authorities, approval of the county plan shall require an affirmative vote of at least two-thirds of the county board members present and voting. If the county board wishes to amend the county plan, it shall submit in writing specific proposals to the stormwater management planning committee. If the proposals are not approved by the committee, or are opposed by resolution of the corporate authorities of an affected municipality having a municipal stormwater management plan, amendment of the plan shall require an affirmative vote of at least two-thirds of the county board members present and voting.

(g) The county board may prescribe by ordinance reasonable rules and regulations for floodplain management and for governing the location, width, course, and release rate of all stormwater runoff channels, streams, and basins in the county, in accordance with the adopted stormwater management plan. Land, facilities, and drainage district facilities used for production agriculture as defined in subsection (d) shall not be subjected to regulation by the county board or stormwater management committee under this Section for floodplain management and for governing location, width, course, maintenance, and release rate of stormwater runoff channels, streams and basins, or water discharged from a drainage district. These rules and regulations shall, at a minimum, meet the standards for floodplain management established by the Office of Water Resources and the requirements of the Federal Emergency Management Agency for participation in the National Flood Insurance Program. The Commission may not impose more stringent regulations regarding water quality on entities discharging in accordance with a valid National Pollution Discharge Elimination System permit issued under the Environmental Protection Act.

(h) In accordance with, and if recommended in, the adopted stormwater management plan, the county board may adopt a schedule of fees as may be necessary to mitigate the effects of increased stormwater runoff resulting from new development based on actual costs. The fees shall not exceed the cost of satisfying the onsite stormwater retention or detention requirements of the adopted stormwater management plan. The fees shall be used to finance activities undertaken by the county or its included municipalities to mitigate the effects of urban stormwater runoff by providing regional stormwater retention or detention facilities, as identified in the county plan. The county board shall provide for a credit or reduction in fees for any onsite retention, detention, drainage district assessments, or other similar stormwater facility that the developer is required to construct consistent with the stormwater management ordinance. All these fees collected by the county shall be held in a separate fund, and shall be expended only in the watershed within which they were collected.

(i) For the purpose of implementing this Section and for the development, design, planning, construction, operation, and maintenance of stormwater facilities provided for in the stormwater management plan, a county board that has established a stormwater management planning committee pursuant to this Section may cause an annual tax of not to exceed 0.20% of the value, as equalized or assessed by the Department of Revenue, of all taxable property in the county to be levied upon all the taxable property in the county or occupation and use taxes of 1/10 of one cent. The property tax shall be in addition to all other taxes authorized by law to be levied and collected in the county and shall be in addition to the maximum tax rate authorized by law for general county purposes. The 0.20% limitation provided in this Section may be increased or decreased by referendum in accordance with the provisions of Sections 18-120, 18-125, and 18-130 of the Property Tax Code (35 ILCS 200/).

Any revenues generated as a result of ownership or operation of facilities or land acquired with the tax funds collected pursuant to this subsection shall be held in a separate fund and be used either to abate such property tax or for implementing this Section.

However, the tax authorized by this subsection shall not be levied until the question of its adoption, either for a specified period or indefinitely, has been submitted to the electors thereof and approved by a majority of those voting on the question. This question may be submitted at any election held in the county after the adoption of a resolution by the county board providing for the submission of the question to the electors of the county. The county board shall certify the resolution and proposition to the proper election officials, who shall submit the proposition at an election in accordance with the general election law. If a majority of the votes cast on the question is in favor of the levy of the tax, it may thereafter be levied in the county for the specified period or indefinitely, as provided in the proposition. The question shall be put in substantially the following form:

Shall an annual tax be levied for stormwater management purposes (for a period of not more than years) at a rate not exceeding% of the equalized assessed value of the taxable property of County?

Or this question may be submitted at any election held in the county after the adoption of a resolution by the county board providing for the submission of the question to the electors of the county to authorize use and occupation taxes of 1/10 of one cent:

Shall use and occupation taxes be raised for stormwater management purposes (for a period of not more than years) at a rate of 1/10 of one cent for taxable goods in County?

Votes shall be recorded as Yes or No.

(j) For those counties that adopt a property tax in accordance with the provisions in this Section, the stormwater management committee shall offer property tax abatements or incentive payments to property owners who construct, maintain, and use approved stormwater management devices. For those counties that adopt use and occupation taxes in accordance with the provisions of this Section, the stormwater management committee may offer tax rebates or incentive payments to property owners who construct, maintain, and use approved stormwater management devices. The stormwater management committee is authorized to offer credits to the property tax, if applicable, based on authorized practices consistent with the stormwater management plan and approved by the committee. Expenses of staff of a stormwater management committee that are expended on regulatory project review may be no more than 20% of the annual budget of the committee, including funds raised under subsections (h) and (i).

(k) Any county that has adopted a county stormwater management plan under this Section may, after 10 days written notice receiving consent of the owner or occupant, enter upon any lands or waters within the county for the purpose of inspecting stormwater facilities or causing the removal of any obstruction to an affected watercourse. If consent is denied or cannot be reasonably obtained, the county ordinance shall provide a process or procedure for an administrative warrant to be obtained. The county shall be responsible for any damages occasioned thereby.

(l) Upon petition of the municipality, and based on a finding of the stormwater management planning committee, the county shall not enforce rules and regulations adopted by the county in any municipality located wholly or partly within the county that has a municipal stormwater management ordinance that is consistent with and at least as stringent as the county plan and ordinance, and is being enforced by the municipal authorities. On issues that the county ordinance is more stringent as deemed by the committee, the county shall only enforce rules and regulations adopted by the county on the more stringent issues and accept municipal permits. The county shall have no more than 60 days to review permits or the permits shall be deemed approved.

(m) A county may issue general obligation bonds for implementing any stormwater plan adopted under this Section in the manner prescribed in Section 5-1012; except that the referendum requirement of Section 5-1012 does not apply to bonds issued pursuant to this Section on which the principal and interest are to be paid entirely out of funds generated by the taxes and fees authorized by this Section.

(n) The powers authorized by this Section may be implemented by the county board for a portion of the county subject to similar stormwater management needs.

(o) The powers and taxes authorized by this Section are in addition to the powers and taxes authorized by Division 5-15; in exercising its powers under this Section, a county shall not be subject to the restrictions and requirements of that Division.

Section 99. Effective date. This Act takes effect upon becoming law."

Under the rules, the foregoing **Senate Bill No. 1910**, with House Amendments numbered 1 and 3 was referred to the Secretary's Desk.

A message from the House by

[May 25, 2005]

Mr. Mahoney, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has concurred with the Senate in the passage of bills of the following titles, to-wit:

- SENATE BILL NO. 1676
A bill for AN ACT concerning education.
 - SENATE BILL NO. 1750
A bill for AN ACT concerning State government.
 - SENATE BILL NO. 1770
A bill for AN ACT concerning unemployment insurance.
 - SENATE BILL NO. 1771
A bill for AN ACT concerning unemployment insurance.
 - SENATE BILL NO. 1787
A bill for AN ACT concerning safety.
 - SENATE BILL NO. 1857
A bill for AN ACT concerning government.
 - SENATE BILL NO. 1876
A bill for AN ACT concerning regulation.
 - SENATE BILL NO. 1878
A bill for AN ACT concerning health.
 - SENATE BILL NO. 1897
A bill for AN ACT concerning criminal law.
 - SENATE BILL NO. 1898
A bill for AN ACT concerning criminal law.
- Passed the House, May 24, 2005.

MARK MAHONEY, Clerk of the House

A message from the House by

Mr. Mahoney, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has concurred with the Senate in the passage of bills of the following titles, to-wit:

- SENATE BILL NO. 1915
A bill for AN ACT concerning condominiums.
 - SENATE BILL NO. 1935
A bill for AN ACT concerning State government.
 - SENATE BILL NO. 2040
A bill for AN ACT concerning safety.
 - SENATE BILL NO. 2064
A bill for AN ACT concerning regulation.
- Passed the House, May 24, 2005.

MARK MAHONEY, Clerk of the House

JOINT ACTION MOTION FILED

The following Joint Action Motion to the Senate Bill listed below has been filed with the Secretary and referred to the Committee on Rules:

Motion to Concur in House Amendments 1 and 3 to Senate Bill 1910

HOUSE BILL RECALLED

On motion of Senator Hunter, **House Bill No. 511** was recalled from the order of third reading to the order of second reading.

Floor Amendment No. 4 was postponed in the Committee on Health and Human Services.
Senator Harmon offered the following amendment and moved its adoption:

[May 25, 2005]

AMENDMENT NO. 5 TO HOUSE BILL 511

AMENDMENT NO. 5. Amend House Bill 511, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Mercury-Free Vaccine Act.

Section 5. Banned mercury-containing vaccines.

(a) Commencing January 1, 2006, a person shall not be vaccinated with a mercury-containing vaccine that contains more than 1.25 micrograms of mercury per dose.

(b) Commencing January 1, 2008, no person shall be vaccinated with a vaccine or injected with any product that contains, or prior to dilution, had contained as an additive, any mercury based product, whether at preservative or trace amount levels.

Section 10. Exemption. The Department of Public Health may exempt the use of a vaccine from this Act if the Department finds that an actual or potential bio-terrorist incident or other actual or potential public health emergency, including an epidemic or shortage of supply of a vaccine at a reasonable cost that would prevent a person from receiving the needed vaccine, makes necessary the administration of a vaccine containing more mercury than the maximum level set forth in subsection (a) or subsection (b) of Section 5 in the case of influenza vaccine. The exemption shall meet all of the following conditions:

(1) The exemption shall not be issued for more than 12 months.

(2) At the end of the effective period of any exemption, the Department may issue another exemption for up to 12 months for the same incident or public health emergency, if the Department makes a determination that any exemption is necessary as set forth in this Section and the Department notifies the legislature and interested parties pursuant to paragraphs (3), (4), and (5).

(3) Upon issuing an exemption, the Department shall, within 48 hours, notify the legislature about any exemption and about the Department's findings justifying the exemption's approval.

(4) Upon request for an exemption, the Department shall notify an interested party, who has expressed his or her interest to the Department in writing, that an exemption request has been made.

(5) Upon issuing an exemption, the Department shall, within 7 days, notify an interested party, who has expressed his or her interest to the Department in writing, about any exemption and about the Department's findings justifying the exemption's approval."

The motion prevailed.

And the amendment was adopted, and ordered printed.

There being no further amendments, the bill, as amended, was ordered to a third reading.

On motion of Senator Winkel, **House Bill No. 2500** was recalled from the order of third reading to the order of second reading.

Senator Dahl offered the following amendment and moved its adoption:

AMENDMENT NO. 3 TO HOUSE BILL 2500

AMENDMENT NO. 3. Amend House Bill 2500, AS AMENDED, in Section 5, in the introductory clause, by changing "Section 7-1-13" to "Sections 7-1-13, 11-74.4-3 and 11-74.4-7"; and

in Section 5, immediately after Sec. 11-15.2-1, by inserting the following:

"(65 ILCS 5/11-74.4-3) (from Ch. 24, par. 11-74.4-3)

Sec. 11-74.4-3. Definitions. The following terms, wherever used or referred to in this Division 74.4 shall have the following respective meanings, unless in any case a different meaning clearly appears from the context.

(a) For any redevelopment project area that has been designated pursuant to this Section by an ordinance adopted prior to November 1, 1999 (the effective date of Public Act 91-478), "blighted area" shall have the meaning set forth in this Section prior to that date.

On and after November 1, 1999, "blighted area" means any improved or vacant area within the boundaries of a redevelopment project area located within the territorial limits of the municipality where:

[May 25, 2005]

(1) If improved, industrial, commercial, and residential buildings or improvements are detrimental to the public safety, health, or welfare because of a combination of 5 or more of the following factors, each of which is (i) present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the improved part of the redevelopment project area:

(A) Dilapidation. An advanced state of disrepair or neglect of necessary repairs to the primary structural components of buildings or improvements in such a combination that a documented building condition analysis determines that major repair is required or the defects are so serious and so extensive that the buildings must be removed.

(B) Obsolescence. The condition or process of falling into disuse. Structures have become ill-suited for the original use.

(C) Deterioration. With respect to buildings, defects including, but not limited to, major defects in the secondary building components such as doors, windows, porches, gutters and downspouts, and fascia. With respect to surface improvements, that the condition of roadways, alleys, curbs, gutters, sidewalks, off-street parking, and surface storage areas evidence deterioration, including, but not limited to, surface cracking, crumbling, potholes, depressions, loose paving material, and weeds protruding through paved surfaces.

(D) Presence of structures below minimum code standards. All structures that do not meet the standards of zoning, subdivision, building, fire, and other governmental codes applicable to property, but not including housing and property maintenance codes.

(E) Illegal use of individual structures. The use of structures in violation of applicable federal, State, or local laws, exclusive of those applicable to the presence of structures below minimum code standards.

(F) Excessive vacancies. The presence of buildings that are unoccupied or under-utilized and that represent an adverse influence on the area because of the frequency, extent, or duration of the vacancies.

(G) Lack of ventilation, light, or sanitary facilities. The absence of adequate ventilation for light or air circulation in spaces or rooms without windows, or that require the removal of dust, odor, gas, smoke, or other noxious airborne materials. Inadequate natural light and ventilation means the absence of skylights or windows for interior spaces or rooms and improper window sizes and amounts by room area to window area ratios. Inadequate sanitary facilities refers to the absence or inadequacy of garbage storage and enclosure, bathroom facilities, hot water and kitchens, and structural inadequacies preventing ingress and egress to and from all rooms and units within a building.

(H) Inadequate utilities. Underground and overhead utilities such as storm sewers and storm drainage, sanitary sewers, water lines, and gas, telephone, and electrical services that are shown to be inadequate. Inadequate utilities are those that are: (i) of insufficient capacity to serve the uses in the redevelopment project area, (ii) deteriorated, antiquated, obsolete, or in disrepair, or (iii) lacking within the redevelopment project area.

(I) Excessive land coverage and overcrowding of structures and community facilities. The over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Examples of problem conditions warranting the designation of an area as one exhibiting excessive land coverage are: (i) the presence of buildings either improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety and (ii) the presence of multiple buildings on a single parcel. For there to be a finding of excessive land coverage, these parcels must exhibit one or more of the following conditions: insufficient provision for light and air within or around buildings, increased threat of spread of fire due to the close proximity of buildings, lack of adequate or proper access to a public right-of-way, lack of reasonably required off-street parking, or inadequate provision for loading and service.

(J) Deleterious land use or layout. The existence of incompatible land-use relationships, buildings occupied by inappropriate mixed-uses, or uses considered to be noxious, offensive, or unsuitable for the surrounding area.

(K) Environmental clean-up. The proposed redevelopment project area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the

redevelopment project area.

(L) Lack of community planning. The proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This means that the development occurred prior to the adoption by the municipality of a comprehensive or other community plan or that the plan was not followed at the time of the area's development. This factor must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.

(M) The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated.

(2) If vacant, the sound growth of the redevelopment project area is impaired by a combination of 2 or more of the following factors, each of which is (i) present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the vacant part of the redevelopment project area to which it pertains:

(A) Obsolete platting of vacant land that results in parcels of limited or narrow size or configurations of parcels of irregular size or shape that would be difficult to develop on a planned basis and in a manner compatible with contemporary standards and requirements, or platting that failed to create rights-of-ways for streets or alleys or that created inadequate right-of-way widths for streets, alleys, or other public rights-of-way or that omitted easements for public utilities.

(B) Diversity of ownership of parcels of vacant land sufficient in number to retard or impede the ability to assemble the land for development.

(C) Tax and special assessment delinquencies exist or the property has been the subject of tax sales under the Property Tax Code within the last 5 years.

(D) Deterioration of structures or site improvements in neighboring areas adjacent to the vacant land.

(E) The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(F) The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated.

(3) If vacant, the sound growth of the redevelopment project area is impaired by one of the following factors that (i) is present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) is reasonably distributed throughout the vacant part of the redevelopment project area to which it pertains:

(A) The area consists of one or more unused quarries, mines, or strip mine ponds.

(B) The area consists of unused rail yards, rail tracks, or railroad rights-of-way.

(C) The area, prior to its designation, is subject to (i) chronic flooding that adversely impacts on real property in the area as certified by a registered professional engineer or appropriate regulatory agency or (ii) surface water that discharges from all or a part of the area and contributes to flooding within the same watershed, but only if the redevelopment project provides for facilities or improvements to contribute to the alleviation of all or part of the flooding.

(D) The area consists of an unused or illegal disposal site containing earth,

stone, building debris, or similar materials that were removed from construction, demolition, excavation, or dredge sites.

(E) Prior to November 1, 1999, the area is not less than 50 nor more than 100 acres and 75% of which is vacant (notwithstanding that the area has been used for commercial agricultural purposes within 5 years prior to the designation of the redevelopment project area), and the area meets at least one of the factors itemized in paragraph (1) of this subsection, the area has been designated as a town or village center by ordinance or comprehensive plan adopted prior to January 1, 1982, and the area has not been developed for that designated purpose.

(F) The area qualified as a blighted improved area immediately prior to becoming vacant, unless there has been substantial private investment in the immediately surrounding area.

(b) For any redevelopment project area that has been designated pursuant to this Section by an ordinance adopted prior to November 1, 1999 (the effective date of Public Act 91-478), "conservation area" shall have the meaning set forth in this Section prior to that date.

On and after November 1, 1999, "conservation area" means any improved area within the boundaries of a redevelopment project area located within the territorial limits of the municipality in which 50% or more of the structures in the area have an age of 35 years or more. Such an area is not yet a blighted area but because of a combination of 3 or more of the following factors is detrimental to the public safety, health, morals or welfare and such an area may become a blighted area:

(1) Dilapidation. An advanced state of disrepair or neglect of necessary repairs to the primary structural components of buildings or improvements in such a combination that a documented building condition analysis determines that major repair is required or the defects are so serious and so extensive that the buildings must be removed.

(2) Obsolescence. The condition or process of falling into disuse. Structures have become ill-suited for the original use.

(3) Deterioration. With respect to buildings, defects including, but not limited to, major defects in the secondary building components such as doors, windows, porches, gutters and downspouts, and fascia. With respect to surface improvements, that the condition of roadways, alleys, curbs, gutters, sidewalks, off-street parking, and surface storage areas evidence deterioration, including, but not limited to, surface cracking, crumbling, potholes, depressions, loose paving material, and weeds protruding through paved surfaces.

(4) Presence of structures below minimum code standards. All structures that do not meet the standards of zoning, subdivision, building, fire, and other governmental codes applicable to property, but not including housing and property maintenance codes.

(5) Illegal use of individual structures. The use of structures in violation of applicable federal, State, or local laws, exclusive of those applicable to the presence of structures below minimum code standards.

(6) Excessive vacancies. The presence of buildings that are unoccupied or under-utilized and that represent an adverse influence on the area because of the frequency, extent, or duration of the vacancies.

(7) Lack of ventilation, light, or sanitary facilities. The absence of adequate ventilation for light or air circulation in spaces or rooms without windows, or that require the removal of dust, odor, gas, smoke, or other noxious airborne materials. Inadequate natural light and ventilation means the absence or inadequacy of skylights or windows for interior spaces or rooms and improper window sizes and amounts by room area to window area ratios. Inadequate sanitary facilities refers to the absence or inadequacy of garbage storage and enclosure, bathroom facilities, hot water and kitchens, and structural inadequacies preventing ingress and egress to and from all rooms and units within a building.

(8) Inadequate utilities. Underground and overhead utilities such as storm sewers and storm drainage, sanitary sewers, water lines, and gas, telephone, and electrical services that are shown to be inadequate. Inadequate utilities are those that are: (i) of insufficient capacity to serve the uses in the redevelopment project area, (ii) deteriorated, antiquated, obsolete, or in disrepair, or (iii) lacking within the redevelopment project area.

(9) Excessive land coverage and overcrowding of structures and community facilities.

The over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Examples of problem conditions warranting the designation of an area as one exhibiting excessive land coverage are: the presence of buildings either improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety and the presence of multiple buildings on a single parcel. For there to be a finding of excessive land coverage, these parcels must exhibit one or more of the following conditions: insufficient provision

for light and air within or around buildings, increased threat of spread of fire due to the close proximity of buildings, lack of adequate or proper access to a public right-of-way, lack of reasonably required off-street parking, or inadequate provision for loading and service.

(10) Deleterious land use or layout. The existence of incompatible land-use relationships, buildings occupied by inappropriate mixed-uses, or uses considered to be noxious, offensive, or unsuitable for the surrounding area.

(11) Lack of community planning. The proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This means that the development occurred prior to the adoption by the municipality of a comprehensive or other community plan or that the plan was not followed at the time of the area's development. This factor must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.

(12) The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(13) The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years for which information is available.

(c) "Industrial park" means an area in a blighted or conservation area suitable for use by any manufacturing, industrial, research or transportation enterprise, of facilities to include but not be limited to factories, mills, processing plants, assembly plants, packing plants, fabricating plants, industrial distribution centers, warehouses, repair overhaul or service facilities, freight terminals, research facilities, test facilities or railroad facilities.

(d) "Industrial park conservation area" means an area within the boundaries of a redevelopment project area located within the territorial limits of a municipality that is a labor surplus municipality or within 1 1/2 miles of the territorial limits of a municipality that is a labor surplus municipality if the area is annexed to the municipality; which area is zoned as industrial no later than at the time the municipality by ordinance designates the redevelopment project area, and which area includes both vacant land suitable for use as an industrial park and a blighted area or conservation area contiguous to such vacant land.

(e) "Labor surplus municipality" means a municipality in which, at any time during the 6 months before the municipality by ordinance designates an industrial park conservation area, the unemployment rate was over 6% and was also 100% or more of the national average unemployment rate for that same time as published in the United States Department of Labor Bureau of Labor Statistics publication entitled "The Employment Situation" or its successor publication. For the purpose of this subsection, if unemployment rate statistics for the municipality are not available, the unemployment rate in the municipality shall be deemed to be the same as the unemployment rate in the principal county in which the municipality is located.

(f) "Municipality" shall mean a city, village or incorporated town.

(g) "Initial Sales Tax Amounts" means the amount of taxes paid under the Retailers' Occupation Tax Act, Use Tax Act, Service Use Tax Act, the Service Occupation Tax Act, the Municipal Retailers' Occupation Tax Act, and the Municipal Service Occupation Tax Act by retailers and servicemen on transactions at places located in a State Sales Tax Boundary during the calendar year 1985.

(g-1) "Revised Initial Sales Tax Amounts" means the amount of taxes paid under the Retailers' Occupation Tax Act, Use Tax Act, Service Use Tax Act, the Service Occupation Tax Act, the Municipal Retailers' Occupation Tax Act, and the Municipal Service Occupation Tax Act by retailers and servicemen on transactions at places located within the State Sales Tax Boundary revised pursuant to Section 11-74.4-8a(9) of this Act.

(h) "Municipal Sales Tax Increment" means an amount equal to the increase in the aggregate amount of taxes paid to a municipality from the Local Government Tax Fund arising from sales by retailers and servicemen within the redevelopment project area or State Sales Tax Boundary, as the case may be, for as long as the redevelopment project area or State Sales Tax Boundary, as the case may be, exist over

and above the aggregate amount of taxes as certified by the Illinois Department of Revenue and paid under the Municipal Retailers' Occupation Tax Act and the Municipal Service Occupation Tax Act by retailers and servicemen, on transactions at places of business located in the redevelopment project area or State Sales Tax Boundary, as the case may be, during the base year which shall be the calendar year immediately prior to the year in which the municipality adopted tax increment allocation financing. For purposes of computing the aggregate amount of such taxes for base years occurring prior to 1985, the Department of Revenue shall determine the Initial Sales Tax Amounts for such taxes and deduct therefrom an amount equal to 4% of the aggregate amount of taxes per year for each year the base year is prior to 1985, but not to exceed a total deduction of 12%. The amount so determined shall be known as the "Adjusted Initial Sales Tax Amounts". For purposes of determining the Municipal Sales Tax Increment, the Department of Revenue shall for each period subtract from the amount paid to the municipality from the Local Government Tax Fund arising from sales by retailers and servicemen on transactions located in the redevelopment project area or the State Sales Tax Boundary, as the case may be, the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts for the Municipal Retailers' Occupation Tax Act and the Municipal Service Occupation Tax Act. For the State Fiscal Year 1989, this calculation shall be made by utilizing the calendar year 1987 to determine the tax amounts received. For the State Fiscal Year 1990, this calculation shall be made by utilizing the period from January 1, 1988, until September 30, 1988, to determine the tax amounts received from retailers and servicemen pursuant to the Municipal Retailers' Occupation Tax and the Municipal Service Occupation Tax Act, which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For the State Fiscal Year 1991, this calculation shall be made by utilizing the period from October 1, 1988, to June 30, 1989, to determine the tax amounts received from retailers and servicemen pursuant to the Municipal Retailers' Occupation Tax and the Municipal Service Occupation Tax Act which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For every State Fiscal Year thereafter, the applicable period shall be the 12 months beginning July 1 and ending June 30 to determine the tax amounts received which shall have deducted therefrom the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts, as the case may be.

(i) "Net State Sales Tax Increment" means the sum of the following: (a) 80% of the first \$100,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary; (b) 60% of the amount in excess of \$100,000 but not exceeding \$500,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary; and (c) 40% of all amounts in excess of \$500,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary. If, however, a municipality established a tax increment financing district in a county with a population in excess of 3,000,000 before January 1, 1986, and the municipality entered into a contract or issued bonds after January 1, 1986, but before December 31, 1986, to finance redevelopment project costs within a State Sales Tax Boundary, then the Net State Sales Tax Increment means, for the fiscal years beginning July 1, 1990, and July 1, 1991, 100% of the State Sales Tax Increment annually generated within a State Sales Tax Boundary; and notwithstanding any other provision of this Act, for those fiscal years the Department of Revenue shall distribute to those municipalities 100% of their Net State Sales Tax Increment before any distribution to any other municipality and regardless of whether or not those other municipalities will receive 100% of their Net State Sales Tax Increment. For Fiscal Year 1999, and every year thereafter until the year 2007, for any municipality that has not entered into a contract or has not issued bonds prior to June 1, 1988 to finance redevelopment project costs within a State Sales Tax Boundary, the Net State Sales Tax Increment shall be calculated as follows: By multiplying the Net State Sales Tax Increment by 90% in the State Fiscal Year 1999; 80% in the State Fiscal Year 2000; 70% in the State Fiscal Year 2001; 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No payment shall be made for State Fiscal Year 2008 and thereafter.

Municipalities that issued bonds in connection with a redevelopment project in a redevelopment project area within the State Sales Tax Boundary prior to July 29, 1991, or that entered into contracts in connection with a redevelopment project in a redevelopment project area before June 1, 1988, shall continue to receive their proportional share of the Illinois Tax Increment Fund distribution until the date on which the redevelopment project is completed or terminated. If, however, a municipality that issued bonds in connection with a redevelopment project in a redevelopment project area within the State Sales Tax Boundary prior to July 29, 1991 retires the bonds prior to June 30, 2007 or a municipality that entered into contracts in connection with a redevelopment project in a redevelopment project area before

June 1, 1988 completes the contracts prior to June 30, 2007, then so long as the redevelopment project is not completed or is not terminated, the Net State Sales Tax Increment shall be calculated, beginning on the date on which the bonds are retired or the contracts are completed, as follows: By multiplying the Net State Sales Tax Increment by 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No payment shall be made for State Fiscal Year 2008 and thereafter. Refunding of any bonds issued prior to July 29, 1991, shall not alter the Net State Sales Tax Increment.

(j) "State Utility Tax Increment Amount" means an amount equal to the aggregate increase in State electric and gas tax charges imposed on owners and tenants, other than residential customers, of properties located within the redevelopment project area under Section 9-222 of the Public Utilities Act, over and above the aggregate of such charges as certified by the Department of Revenue and paid by owners and tenants, other than residential customers, of properties within the redevelopment project area during the base year, which shall be the calendar year immediately prior to the year of the adoption of the ordinance authorizing tax increment allocation financing.

(k) "Net State Utility Tax Increment" means the sum of the following: (a) 80% of the first \$100,000 of State Utility Tax Increment annually generated by a redevelopment project area; (b) 60% of the amount in excess of \$100,000 but not exceeding \$500,000 of the State Utility Tax Increment annually generated by a redevelopment project area; and (c) 40% of all amounts in excess of \$500,000 of State Utility Tax Increment annually generated by a redevelopment project area. For the State Fiscal Year 1999, and every year thereafter until the year 2007, for any municipality that has not entered into a contract or has not issued bonds prior to June 1, 1988 to finance redevelopment project costs within a redevelopment project area, the Net State Utility Tax Increment shall be calculated as follows: By multiplying the Net State Utility Tax Increment by 90% in the State Fiscal Year 1999; 80% in the State Fiscal Year 2000; 70% in the State Fiscal Year 2001; 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No payment shall be made for the State Fiscal Year 2008 and thereafter.

Municipalities that issue bonds in connection with the redevelopment project during the period from June 1, 1988 until 3 years after the effective date of this Amending Act of 1988 shall receive the Net State Utility Tax Increment, subject to appropriation, for 15 State Fiscal Years after the issuance of such bonds. For the 16th through the 20th State Fiscal Years after issuance of the bonds, the Net State Utility Tax Increment shall be calculated as follows: By multiplying the Net State Utility Tax Increment by 90% in year 16; 80% in year 17; 70% in year 18; 60% in year 19; and 50% in year 20. Refunding of any bonds issued prior to June 1, 1988, shall not alter the revised Net State Utility Tax Increment payments set forth above.

(l) "Obligations" mean bonds, loans, debentures, notes, special certificates or other evidence of indebtedness issued by the municipality to carry out a redevelopment project or to refund outstanding obligations.

(m) "Payment in lieu of taxes" means those estimated tax revenues from real property in a redevelopment project area derived from real property that has been acquired by a municipality which according to the redevelopment project or plan is to be used for a private use which taxing districts would have received had a municipality not acquired the real property and adopted tax increment allocation financing and which would result from levies made after the time of the adoption of tax increment allocation financing to the time the current equalized value of real property in the redevelopment project area exceeds the total initial equalized value of real property in said area.

(n) "Redevelopment plan" means the comprehensive program of the municipality for development or redevelopment intended by the payment of redevelopment project costs to reduce or eliminate those conditions the existence of which qualified the redevelopment project area as a "blighted area" or "conservation area" or combination thereof or "industrial park conservation area," and thereby to enhance the tax bases of the taxing districts which extend into the redevelopment project area. On and after November 1, 1999 (the effective date of Public Act 91-478), no redevelopment plan may be approved or amended that includes the development of vacant land (i) with a golf course and related clubhouse and other facilities or (ii) designated by federal, State, county, or municipal government as public land for outdoor recreational activities or for nature preserves and used for that purpose within 5 years prior to the adoption of the redevelopment plan. For the purpose of this subsection, "recreational activities" is limited to mean camping and hunting. Each redevelopment plan shall set forth in writing the program to be undertaken to accomplish the objectives and shall include but not be limited to:

(A) an itemized list of estimated redevelopment project costs;

(B) evidence indicating that the redevelopment project area on the whole has not been subject to growth and development through investment by private enterprise;

(C) an assessment of any financial impact of the redevelopment project area on or any increased demand for services from any taxing district affected by the plan and any program to address such financial impact or increased demand;

(D) the sources of funds to pay costs;

(E) the nature and term of the obligations to be issued;

(F) the most recent equalized assessed valuation of the redevelopment project area;

(G) an estimate as to the equalized assessed valuation after redevelopment and the general land uses to apply in the redevelopment project area;

(H) a commitment to fair employment practices and an affirmative action plan;

(I) if it concerns an industrial park conservation area, the plan shall also include a general description of any proposed developer, user and tenant of any property, a description of the type, structure and general character of the facilities to be developed, a description of the type, class and number of new employees to be employed in the operation of the facilities to be developed; and

(J) if property is to be annexed to the municipality, the plan shall include the terms of the annexation agreement.

The provisions of items (B) and (C) of this subsection (n) shall not apply to a municipality that before March 14, 1994 (the effective date of Public Act 88-537) had fixed, either by its corporate authorities or by a commission designated under subsection (k) of Section 11-74.4-4, a time and place for a public hearing as required by subsection (a) of Section 11-74.4-5. No redevelopment plan shall be adopted unless a municipality complies with all of the following requirements:

(1) The municipality finds that the redevelopment project area on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of the redevelopment plan.

(2) The municipality finds that the redevelopment plan and project conform to the comprehensive plan for the development of the municipality as a whole, or, for municipalities with a population of 100,000 or more, regardless of when the redevelopment plan and project was adopted, the redevelopment plan and project either: (i) conforms to the strategic economic development or redevelopment plan issued by the designated planning authority of the municipality, or (ii) includes land uses that have been approved by the planning commission of the municipality.

(3) The redevelopment plan establishes the estimated dates of completion of the redevelopment project and retirement of obligations issued to finance redevelopment project costs. Those dates shall not be later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year after the year in which the ordinance approving the redevelopment project area is adopted if the ordinance was adopted on or after January 15, 1981, and not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the thirty-fifth calendar year after the year in which the ordinance approving the redevelopment project area is adopted:

(A) if the ordinance was adopted before January 15, 1981, or

(B) if the ordinance was adopted in December 1983, April 1984, July 1985, or December 1989, or

(C) if the ordinance was adopted in December 1987 and the redevelopment project is located within one mile of Midway Airport, or

(D) if the ordinance was adopted before January 1, 1987 by a municipality in Mason County, or

(E) if the municipality is subject to the Local Government Financial Planning and Supervision Act or the Financially Distressed City Law, or

(F) if the ordinance was adopted in December 1984 by the Village of Rosemont, or

(G) if the ordinance was adopted on December 31, 1986 by a municipality located in Clinton County for which at least \$250,000 of tax increment bonds were authorized on June 17, 1997, or if the ordinance was adopted on December 31, 1986 by a municipality with a population in 1990 of less than 3,600 that is located in a county with a population in 1990 of less than 34,000 and for which at least \$250,000 of tax increment bonds were authorized on June 17, 1997, or

(H) if the ordinance was adopted on October 5, 1982 by the City of Kankakee, or if the ordinance was adopted on December 29, 1986 by East St. Louis, or

(I) if the ordinance was adopted on November 12, 1991 by the Village of Sauget, or

(J) if the ordinance was adopted on February 11, 1985 by the City of Rock Island, or
 (K) if the ordinance was adopted before December 18, 1986 by the City of Moline, or
 (L) if the ordinance was adopted in September 1988 by Sauk Village, or
 (M) if the ordinance was adopted in October 1993 by Sauk Village, or
 (N) if the ordinance was adopted on December 29, 1986 by the City of Galva, or
 (O) if the ordinance was adopted in March 1991 by the City of Centreville, or
 (P) if the ordinance was adopted on January 23, 1991 by the City of East St. Louis,

or

(Q) if the ordinance was adopted on December 22, 1986 by the City of Aledo, or
 (R) if the ordinance was adopted on February 5, 1990 by the City of Clinton, or
 (S) if the ordinance was adopted on September 6, 1994 by the City of Freeport, or
 (T) if the ordinance was adopted on December 22, 1986 by the City of Tuscola, or
 (U) if the ordinance was adopted on December 23, 1986 by the City of Sparta, or
 (V) if the ordinance was adopted on December 23, 1986 by the City of Beardstown, or
 (W) if the ordinance was adopted on April 27, 1981, October 21, 1985, or December
 30, 1986 by the City of Belleville, or

(X) if the ordinance was adopted on December 29, 1986 by the City of Collinsville,

or

(Y) if the ordinance was adopted on September 14, 1994 by the City of Alton, or
 (Z) if the ordinance was adopted on November 11, 1996 by the City of Lexington, or
 (AA) if the ordinance was adopted on November 5, 1984 by the City of LeRoy, or
 (BB) if the ordinance was adopted on April 3, 1991 or June 3, 1992 by the City of
 Markham, or

(CC) if the ordinance was adopted on November 11, 1986 by the City of Pekin, or
~~(DD) (CC)~~ if the ordinance was adopted on December 15, 1981 by the City of Champaign, or
~~(EE) (CC)~~ if the ordinance was adopted on December 15, 1986 by the City of Urbana, or
~~(FF) (CC)~~ if the ordinance was adopted on December 15, 1986 by the Village of Heyworth, or
~~(GG) (CC)~~ if the ordinance was adopted on February 24, 1992 by the Village of Heyworth, or
~~(HH) (CC)~~ if the ordinance was adopted on March 16, 1995 by the Village of Heyworth, or
~~(II) (CC)~~ if the ordinance was adopted on December 23, 1986 by the Town of Cicero, or
~~(JJ) (CC)~~ if the ordinance was adopted on December 30, 1986 by the City of Effingham, or
~~(KK) (CC)~~ if the ordinance was adopted on May 9, 1991 by the Village of Tilton, or
~~(LL) (CC)~~ if the ordinance was adopted on October 20, 1986 by the City of Elmhurst, or
~~(MM) (CC)~~ if the ordinance was adopted on January 19, 1988 by the City of Waukegan, or
~~(NN) (DD)~~ if the ordinance was adopted on September 21, 1998 by the City of Waukegan or -
~~(OO)~~ if the ordinance was adopted on December 29, 1986 by the Village of Gardner.

However, for redevelopment project areas for which bonds were issued before July 29, 1991, or for which contracts were entered into before June 1, 1988, in connection with a redevelopment project in the area within the State Sales Tax Boundary, the estimated dates of completion of the redevelopment project and retirement of obligations to finance redevelopment project costs may be extended by municipal ordinance to December 31, 2013. The termination procedures of subsection (b) of Section 11-74.4-8 are not required for these redevelopment project areas in 2009 but are required in 2013. The extension allowed by this amendatory Act of 1993 shall not apply to real property tax increment allocation financing under Section 11-74.4-8.

A municipality may by municipal ordinance amend an existing redevelopment plan to conform to this paragraph (3) as amended by Public Act 91-478, which municipal ordinance may be adopted without further hearing or notice and without complying with the procedures provided in this Act pertaining to an amendment to or the initial approval of a redevelopment plan and project and designation of a redevelopment project area.

Those dates, for purposes of real property tax increment allocation financing pursuant to Section 11-74.4-8 only, shall be not more than 35 years for redevelopment project areas that were adopted on or after December 16, 1986 and for which at least \$8 million worth of municipal bonds were authorized on or after December 19, 1989 but before January 1, 1990; provided that the municipality elects to extend the life of the redevelopment project area to 35 years by the adoption of an ordinance after at least 14 but not more than 30 days' written notice to the taxing bodies, that would otherwise constitute the joint review board for the redevelopment project area, before the adoption of the ordinance.

Those dates, for purposes of real property tax increment allocation financing pursuant to Section 11-74.4-8 only, shall be not more than 35 years for redevelopment project areas that were

[May 25, 2005]

established on or after December 1, 1981 but before January 1, 1982 and for which at least \$1,500,000 worth of tax increment revenue bonds were authorized on or after September 30, 1990 but before July 1, 1991; provided that the municipality elects to extend the life of the redevelopment project area to 35 years by the adoption of an ordinance after at least 14 but not more than 30 days' written notice to the taxing bodies, that would otherwise constitute the joint review board for the redevelopment project area, before the adoption of the ordinance.

(3.5) The municipality finds, in the case of an industrial park conservation area, also that the municipality is a labor surplus municipality and that the implementation of the redevelopment plan will reduce unemployment, create new jobs and by the provision of new facilities enhance the tax base of the taxing districts that extend into the redevelopment project area.

(4) If any incremental revenues are being utilized under Section 8(a)(1) or 8(a)(2) of this Act in redevelopment project areas approved by ordinance after January 1, 1986, the municipality finds: (a) that the redevelopment project area would not reasonably be developed without the use of such incremental revenues, and (b) that such incremental revenues will be exclusively utilized for the development of the redevelopment project area.

(5) If the redevelopment plan will not result in displacement of residents from 10 or more inhabited residential units, and the municipality certifies in the plan that such displacement will not result from the plan, a housing impact study need not be performed. If, however, the redevelopment plan would result in the displacement of residents from 10 or more inhabited residential units, or if the redevelopment project area contains 75 or more inhabited residential units and no certification is made, then the municipality shall prepare, as part of the separate feasibility report required by subsection (a) of Section 11-74.4-5, a housing impact study.

Part I of the housing impact study shall include (i) data as to whether the residential units are single family or multi-family units, (ii) the number and type of rooms within the units, if that information is available, (iii) whether the units are inhabited or uninhabited, as determined not less than 45 days before the date that the ordinance or resolution required by subsection (a) of Section 11-74.4-5 is passed, and (iv) data as to the racial and ethnic composition of the residents in the inhabited residential units. The data requirement as to the racial and ethnic composition of the residents in the inhabited residential units shall be deemed to be fully satisfied by data from the most recent federal census.

Part II of the housing impact study shall identify the inhabited residential units in the proposed redevelopment project area that are to be or may be removed. If inhabited residential units are to be removed, then the housing impact study shall identify (i) the number and location of those units that will or may be removed, (ii) the municipality's plans for relocation assistance for those residents in the proposed redevelopment project area whose residences are to be removed, (iii) the availability of replacement housing for those residents whose residences are to be removed, and shall identify the type, location, and cost of the housing, and (iv) the type and extent of relocation assistance to be provided.

(6) On and after November 1, 1999, the housing impact study required by paragraph (5) shall be incorporated in the redevelopment plan for the redevelopment project area.

(7) On and after November 1, 1999, no redevelopment plan shall be adopted, nor an existing plan amended, nor shall residential housing that is occupied by households of low-income and very low-income persons in currently existing redevelopment project areas be removed after November 1, 1999 unless the redevelopment plan provides, with respect to inhabited housing units that are to be removed for households of low-income and very low-income persons, affordable housing and relocation assistance not less than that which would be provided under the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the regulations under that Act, including the eligibility criteria. Affordable housing may be either existing or newly constructed housing. For purposes of this paragraph (7), "low-income households", "very low-income households", and "affordable housing" have the meanings set forth in the Illinois Affordable Housing Act. The municipality shall make a good faith effort to ensure that this affordable housing is located in or near the redevelopment project area within the municipality.

(8) On and after November 1, 1999, if, after the adoption of the redevelopment plan for the redevelopment project area, any municipality desires to amend its redevelopment plan to remove more inhabited residential units than specified in its original redevelopment plan, that change shall be made in accordance with the procedures in subsection (c) of Section 11-74.4-5.

(9) For redevelopment project areas designated prior to November 1, 1999, the redevelopment plan may be amended without further joint review board meeting or hearing, provided that the municipality shall give notice of any such changes by mail to each affected taxing district and

registrant on the interested party registry, to authorize the municipality to expend tax increment revenues for redevelopment project costs defined by paragraphs (5) and (7.5), subparagraphs (E) and (F) of paragraph (11), and paragraph (11.5) of subsection (q) of Section 11-74.4-3, so long as the changes do not increase the total estimated redevelopment project costs set out in the redevelopment plan by more than 5% after adjustment for inflation from the date the plan was adopted.

(o) "Redevelopment project" means any public and private development project in furtherance of the objectives of a redevelopment plan. On and after November 1, 1999 (the effective date of Public Act 91-478), no redevelopment plan may be approved or amended that includes the development of vacant land (i) with a golf course and related clubhouse and other facilities or (ii) designated by federal, State, county, or municipal government as public land for outdoor recreational activities or for nature preserves and used for that purpose within 5 years prior to the adoption of the redevelopment plan. For the purpose of this subsection, "recreational activities" is limited to mean camping and hunting.

(p) "Redevelopment project area" means an area designated by the municipality, which is not less in the aggregate than 1 1/2 acres and in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as an industrial park conservation area or a blighted area or a conservation area, or a combination of both blighted areas and conservation areas.

(q) "Redevelopment project costs" mean and include the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan and a redevelopment project. Such costs include, without limitation, the following:

(1) Costs of studies, surveys, development of plans, and specifications, implementation and administration of the redevelopment plan including but not limited to staff and professional service costs for architectural, engineering, legal, financial, planning or other services, provided however that no charges for professional services may be based on a percentage of the tax increment collected; except that on and after November 1, 1999 (the effective date of Public Act 91-478), no contracts for professional services, excluding architectural and engineering services, may be entered into if the terms of the contract extend beyond a period of 3 years. In addition, "redevelopment project costs" shall not include lobbying expenses. After consultation with the municipality, each tax increment consultant or advisor to a municipality that plans to designate or has designated a redevelopment project area shall inform the municipality in writing of any contracts that the consultant or advisor has entered into with entities or individuals that have received, or are receiving, payments financed by tax increment revenues produced by the redevelopment project area with respect to which the consultant or advisor has performed, or will be performing, service for the municipality. This requirement shall be satisfied by the consultant or advisor before the commencement of services for the municipality and thereafter whenever any other contracts with those individuals or entities are executed by the consultant or advisor;

(1.5) After July 1, 1999, annual administrative costs shall not include general overhead or administrative costs of the municipality that would still have been incurred by the municipality if the municipality had not designated a redevelopment project area or approved a redevelopment plan;

(1.6) The cost of marketing sites within the redevelopment project area to prospective businesses, developers, and investors;

(2) Property assembly costs, including but not limited to acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, site preparation, site improvements that serve as an engineered barrier addressing ground level or below ground environmental contamination, including, but not limited to parking lots and other concrete or asphalt barriers, and the clearing and grading of land;

(3) Costs of rehabilitation, reconstruction or repair or remodeling of existing public or private buildings, fixtures, and leasehold improvements; and the cost of replacing an existing public building if pursuant to the implementation of a redevelopment project the existing public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment;

(4) Costs of the construction of public works or improvements, except that on and after November 1, 1999, redevelopment project costs shall not include the cost of constructing a new municipal public building principally used to provide offices, storage space, or conference facilities or vehicle storage, maintenance, or repair for administrative, public safety, or public works personnel and that is not intended to replace an existing public building as provided under paragraph (3) of subsection (q) of Section 11-74.4-3 unless either (i) the construction of the new municipal building implements a redevelopment project that was included in a redevelopment plan that was adopted by the municipality prior to November 1, 1999 or (ii) the municipality makes a reasonable determination

in the redevelopment plan, supported by information that provides the basis for that determination, that the new municipal building is required to meet an increase in the need for public safety purposes anticipated to result from the implementation of the redevelopment plan;

(5) Costs of job training and retraining projects, including the cost of "welfare to work" programs implemented by businesses located within the redevelopment project area;

(6) Financing costs, including but not limited to all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued hereunder including interest accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for not exceeding 36 months thereafter and including reasonable reserves related thereto;

(7) To the extent the municipality by written agreement accepts and approves the same, all or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the redevelopment plan and project.

(7.5) For redevelopment project areas designated (or redevelopment project areas amended to add or increase the number of tax-increment-financing assisted housing units) on or after November 1, 1999, an elementary, secondary, or unit school district's increased costs attributable to assisted housing units located within the redevelopment project area for which the developer or redeveloper receives financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the assisted housing sites necessary for the completion of that housing as authorized by this Act, and which costs shall be paid by the municipality from the Special Tax Allocation Fund when the tax increment revenue is received as a result of the assisted housing units and shall be calculated annually as follows:

(A) for foundation districts, excluding any school district in a municipality with a population in excess of 1,000,000, by multiplying the district's increase in attendance resulting from the net increase in new students enrolled in that school district who reside in housing units within the redevelopment project area that have received financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the housing sites necessary for the completion of that housing as authorized by this Act since the designation of the redevelopment project area by the most recently available per capita tuition cost as defined in Section 10-20.12a of the School Code less any increase in general State aid as defined in Section 18-8.05 of the School Code attributable to these added new students subject to the following annual limitations:

(i) for unit school districts with a district average 1995-96 Per Capita

Tuition Charge of less than \$5,900, no more than 25% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act;

(ii) for elementary school districts with a district average 1995-96 Per Capita

Tuition Charge of less than \$5,900, no more than 17% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act; and

(iii) for secondary school districts with a district average 1995-96 Per Capita

Tuition Charge of less than \$5,900, no more than 8% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act.

(B) For alternate method districts, flat grant districts, and foundation districts with a district average 1995-96 Per Capita Tuition Charge equal to or more than \$5,900, excluding any school district with a population in excess of 1,000,000, by multiplying the district's increase in attendance resulting from the net increase in new students enrolled in that school district who reside in housing units within the redevelopment project area that have received financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the housing sites necessary for the completion of that housing as authorized by this Act since the designation of the redevelopment project area by the most recently available per capita tuition cost as defined in Section 10-20.12a of the School Code less any increase in general state aid as defined in Section 18-8.05 of the School Code attributable to these added new students subject to the following annual limitations:

(i) for unit school districts, no more than 40% of the total amount of property

tax increment revenue produced by those housing units that have received tax increment finance

assistance under this Act;

(ii) for elementary school districts, no more than 27% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act; and

(iii) for secondary school districts, no more than 13% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act.

(C) For any school district in a municipality with a population in excess of 1,000,000, the following restrictions shall apply to the reimbursement of increased costs under this paragraph (7.5):

(i) no increased costs shall be reimbursed unless the school district certifies

that each of the schools affected by the assisted housing project is at or over its student capacity;

(ii) the amount reimbursable shall be reduced by the value of any land donated to the school district by the municipality or developer, and by the value of any physical improvements made to the schools by the municipality or developer; and

(iii) the amount reimbursed may not affect amounts otherwise obligated by the terms of any bonds, notes, or other funding instruments, or the terms of any redevelopment agreement.

Any school district seeking payment under this paragraph (7.5) shall, after July 1 and before September 30 of each year, provide the municipality with reasonable evidence to support its claim for reimbursement before the municipality shall be required to approve or make the payment to the school district. If the school district fails to provide the information during this period in any year, it shall forfeit any claim to reimbursement for that year. School districts may adopt a resolution waiving the right to all or a portion of the reimbursement otherwise required by this paragraph (7.5). By acceptance of this reimbursement the school district waives the right to directly or indirectly set aside, modify, or contest in any manner the establishment of the redevelopment project area or projects;

(7.7) For redevelopment project areas designated (or redevelopment project areas amended to add or increase the number of tax-increment-financing assisted housing units) on or after January 1, 2005 (the effective date of Public Act 93-961) ~~this amendatory Act of the 93rd General Assembly~~, a public library district's increased costs attributable to assisted housing units located within the redevelopment project area for which the developer or redeveloper receives financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the assisted housing sites necessary for the completion of that housing as authorized by this Act shall be paid to the library district by the municipality from the Special Tax Allocation Fund when the tax increment revenue is received as a result of the assisted housing units. This paragraph (7.7) applies only if (i) the library district is located in a county that is subject to the Property Tax Extension Limitation Law or (ii) the library district is not located in a county that is subject to the Property Tax Extension Limitation Law but the district is prohibited by any other law from increasing its tax levy rate without a prior voter referendum.

The amount paid to a library district under this paragraph (7.7) shall be calculated by multiplying (i) the net increase in the number of persons eligible to obtain a library card in that district who reside in housing units within the redevelopment project area that have received financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the housing sites necessary for the completion of that housing as authorized by this Act since the designation of the redevelopment project area by (ii) the per-patron cost of providing library services so long as it does not exceed \$120. The per-patron cost shall be the Total Operating Expenditures Per Capita as stated in the most recent Illinois Public Library Statistics produced by the Library Research Center at the University of Illinois. The municipality may deduct from the amount that it must pay to a library district under this paragraph any amount that it has voluntarily paid to the library district from the tax increment revenue. The amount paid to a library district under this paragraph (7.7) shall be no more than 2% of the amount produced by the assisted housing units and deposited into the Special Tax Allocation Fund.

A library district is not eligible for any payment under this paragraph (7.7) unless the library district has experienced an increase in the number of patrons from the municipality that created the tax-increment-financing district since the designation of the redevelopment project area.

Any library district seeking payment under this paragraph (7.7) shall, after July 1 and before September 30 of each year, provide the municipality with convincing evidence to support its

claim for reimbursement before the municipality shall be required to approve or make the payment to the library district. If the library district fails to provide the information during this period in any year, it shall forfeit any claim to reimbursement for that year. Library districts may adopt a resolution waiving the right to all or a portion of the reimbursement otherwise required by this paragraph (7.7). By acceptance of such reimbursement, the library district shall forfeit any right to directly or indirectly set aside, modify, or contest in any manner whatsoever the establishment of the redevelopment project area or projects;

(8) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or State law or in order to satisfy subparagraph (7) of subsection (n);

(9) Payment in lieu of taxes;

(10) Costs of job training, retraining, advanced vocational education or career education, including but not limited to courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one or more taxing districts, provided that such costs (i) are related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in a redevelopment project area; and (ii) when incurred by a taxing district or taxing districts other than the municipality, are set forth in a written agreement by or among the municipality and the taxing district or taxing districts, which agreement describes the program to be undertaken, including but not limited to the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. Such costs include, specifically, the payment by community college districts of costs pursuant to Sections 3-37, 3-38, 3-40 and 3-40.1 of the Public Community College Act and by school districts of costs pursuant to Sections 10-22.20a and 10-23.3a of The School Code;

(11) Interest cost incurred by a redeveloper related to the construction, renovation or rehabilitation of a redevelopment project provided that:

(A) such costs are to be paid directly from the special tax allocation fund established pursuant to this Act;

(B) such payments in any one year may not exceed 30% of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;

(C) if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this paragraph (11) then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;

(D) the total of such interest payments paid pursuant to this Act may not exceed 30% of the total (i) cost paid or incurred by the redeveloper for the redevelopment project plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by a municipality pursuant to this Act; and

(E) the cost limits set forth in subparagraphs (B) and (D) of paragraph (11) shall be modified for the financing of rehabilitated or new housing units for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act. The percentage of 75% shall be substituted for 30% in subparagraphs (B) and (D) of paragraph (11).

(F) Instead of the eligible costs provided by subparagraphs (B) and (D) of paragraph (11), as modified by this subparagraph, and notwithstanding any other provisions of this Act to the contrary, the municipality may pay from tax increment revenues up to 50% of the cost of construction of new housing units to be occupied by low-income households and very low-income households as defined in Section 3 of the Illinois Affordable Housing Act. The cost of construction of those units may be derived from the proceeds of bonds issued by the municipality under this Act or other constitutional or statutory authority or from other sources of municipal revenue that may be reimbursed from tax increment revenues or the proceeds of bonds issued to finance the construction of that housing.

The eligible costs provided under this subparagraph (F) of paragraph (11) shall be an eligible cost for the construction, renovation, and rehabilitation of all low and very low-income housing units, as defined in Section 3 of the Illinois Affordable Housing Act, within the redevelopment project area. If the low and very low-income units are part of a residential redevelopment project that includes units not affordable to low and very low-income households, only the low and very low-income units shall be eligible for benefits under subparagraph (F) of paragraph (11). The standards for maintaining the occupancy by low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act, of those

units constructed with eligible costs made available under the provisions of this subparagraph (F) of paragraph (11) shall be established by guidelines adopted by the municipality. The responsibility for annually documenting the initial occupancy of the units by low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act, shall be that of the then current owner of the property. For ownership units, the guidelines will provide, at a minimum, for a reasonable recapture of funds, or other appropriate methods designed to preserve the original affordability of the ownership units. For rental units, the guidelines will provide, at a minimum, for the affordability of rent to low and very low-income households. As units become available, they shall be rented to income-eligible tenants. The municipality may modify these guidelines from time to time; the guidelines, however, shall be in effect for as long as tax increment revenue is being used to pay for costs associated with the units or for the retirement of bonds issued to finance the units or for the life of the redevelopment project area, whichever is later.

(11.5) If the redevelopment project area is located within a municipality with a population of more than 100,000, the cost of day care services for children of employees from low-income families working for businesses located within the redevelopment project area and all or a portion of the cost of operation of day care centers established by redevelopment project area businesses to serve employees from low-income families working in businesses located in the redevelopment project area. For the purposes of this paragraph, "low-income families" means families whose annual income does not exceed 80% of the municipal, county, or regional median income, adjusted for family size, as the annual income and municipal, county, or regional median income are determined from time to time by the United States Department of Housing and Urban Development.

(12) Unless explicitly stated herein the cost of construction of new privately-owned buildings shall not be an eligible redevelopment project cost.

(13) After November 1, 1999 (the effective date of Public Act 91-478), none of the redevelopment project costs enumerated in this subsection shall be eligible redevelopment project costs if those costs would provide direct financial support to a retail entity initiating operations in the redevelopment project area while terminating operations at another Illinois location within 10 miles of the redevelopment project area but outside the boundaries of the redevelopment project area municipality. For purposes of this paragraph, termination means a closing of a retail operation that is directly related to the opening of the same operation or like retail entity owned or operated by more than 50% of the original ownership in a redevelopment project area, but it does not mean closing an operation for reasons beyond the control of the retail entity, as documented by the retail entity, subject to a reasonable finding by the municipality that the current location contained inadequate space, had become economically obsolete, or was no longer a viable location for the retailer or serviceman.

If a special service area has been established pursuant to the Special Service Area Tax Act or Special Service Area Tax Law, then any tax increment revenues derived from the tax imposed pursuant to the Special Service Area Tax Act or Special Service Area Tax Law may be used within the redevelopment project area for the purposes permitted by that Act or Law as well as the purposes permitted by this Act.

(r) "State Sales Tax Boundary" means the redevelopment project area or the amended redevelopment project area boundaries which are determined pursuant to subsection (9) of Section 11-74.4-8a of this Act. The Department of Revenue shall certify pursuant to subsection (9) of Section 11-74.4-8a the appropriate boundaries eligible for the determination of State Sales Tax Increment.

(s) "State Sales Tax Increment" means an amount equal to the increase in the aggregate amount of taxes paid by retailers and servicemen, other than retailers and servicemen subject to the Public Utilities Act, on transactions at places of business located within a State Sales Tax Boundary pursuant to the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act, except such portion of such increase that is paid into the State and Local Sales Tax Reform Fund, the Local Government Distributive Fund, the Local Government Tax Fund and the County and Mass Transit District Fund, for as long as State participation exists, over and above the Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts for such taxes as certified by the Department of Revenue and paid under those Acts by retailers and servicemen on transactions at places of business located within the State Sales Tax Boundary during the base year which shall be the calendar year immediately prior to the year in which the municipality adopted tax increment allocation financing, less 3.0% of such amounts generated under the Retailers' Occupation Tax Act, Use Tax Act and Service Use Tax Act and the Service Occupation Tax Act, which sum shall be appropriated to the Department of Revenue to cover its costs of administering and enforcing this Section. For purposes of computing the aggregate amount of such taxes for base years occurring prior to 1985, the Department of Revenue shall compute the Initial Sales Tax Amount for such taxes and deduct therefrom an amount equal to 4% of the aggregate amount of taxes per year for each year the base year is

prior to 1985, but not to exceed a total deduction of 12%. The amount so determined shall be known as the "Adjusted Initial Sales Tax Amount". For purposes of determining the State Sales Tax Increment the Department of Revenue shall for each period subtract from the tax amounts received from retailers and servicemen on transactions located in the State Sales Tax Boundary, the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or Revised Initial Sales Tax Amounts for the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act and the Service Occupation Tax Act. For the State Fiscal Year 1989 this calculation shall be made by utilizing the calendar year 1987 to determine the tax amounts received. For the State Fiscal Year 1990, this calculation shall be made by utilizing the period from January 1, 1988, until September 30, 1988, to determine the tax amounts received from retailers and servicemen, which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For the State Fiscal Year 1991, this calculation shall be made by utilizing the period from October 1, 1988, until June 30, 1989, to determine the tax amounts received from retailers and servicemen, which shall have deducted therefrom nine-twelfths of the certified Initial State Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For every State Fiscal Year thereafter, the applicable period shall be the 12 months beginning July 1 and ending on June 30, to determine the tax amounts received which shall have deducted therefrom the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts. Municipalities intending to receive a distribution of State Sales Tax Increment must report a list of retailers to the Department of Revenue by October 31, 1988 and by July 31, of each year thereafter.

(t) "Taxing districts" means counties, townships, cities and incorporated towns and villages, school, road, park, sanitary, mosquito abatement, forest preserve, public health, fire protection, river conservancy, tuberculosis sanitarium and any other municipal corporations or districts with the power to levy taxes.

(u) "Taxing districts' capital costs" means those costs of taxing districts for capital improvements that are found by the municipal corporate authorities to be necessary and directly result from the redevelopment project.

(v) As used in subsection (a) of Section 11-74.4-3 of this Act, "vacant land" means any parcel or combination of parcels of real property without industrial, commercial, and residential buildings which has not been used for commercial agricultural purposes within 5 years prior to the designation of the redevelopment project area, unless the parcel is included in an industrial park conservation area or the parcel has been subdivided; provided that if the parcel was part of a larger tract that has been divided into 3 or more smaller tracts that were accepted for recording during the period from 1950 to 1990, then the parcel shall be deemed to have been subdivided, and all proceedings and actions of the municipality taken in that connection with respect to any previously approved or designated redevelopment project area or amended redevelopment project area are hereby validated and hereby declared to be legally sufficient for all purposes of this Act. For purposes of this Section and only for land subject to the subdivision requirements of the Plat Act, land is subdivided when the original plat of the proposed Redevelopment Project Area or relevant portion thereof has been properly certified, acknowledged, approved, and recorded or filed in accordance with the Plat Act and a preliminary plat, if any, for any subsequent phases of the proposed Redevelopment Project Area or relevant portion thereof has been properly approved and filed in accordance with the applicable ordinance of the municipality.

(w) "Annual Total Increment" means the sum of each municipality's annual Net Sales Tax Increment and each municipality's annual Net Utility Tax Increment. The ratio of the Annual Total Increment of each municipality to the Annual Total Increment for all municipalities, as most recently calculated by the Department, shall determine the proportional shares of the Illinois Tax Increment Fund to be distributed to each municipality.

(65 ILCS 5/11-74.4-7) (from Ch. 24, par. 11-74.4-7)

Sec. 11-74.4-7. Obligations secured by the special tax allocation fund set forth in Section 11-74.4-8 for the redevelopment project area may be issued to provide for redevelopment project costs. Such obligations, when so issued, shall be retired in the manner provided in the ordinance authorizing the issuance of such obligations by the receipts of taxes levied as specified in Section 11-74.4-9 against the taxable property included in the area, by revenues as specified by Section 11-74.4-8a and other revenue designated by the municipality. A municipality may in the ordinance pledge all or any part of the funds

in and to be deposited in the special tax allocation fund created pursuant to Section 11-74.4-8 to the payment of the redevelopment project costs and obligations. Any pledge of funds in the special tax allocation fund shall provide for distribution to the taxing districts and to the Illinois Department of Revenue of moneys not required, pledged, earmarked, or otherwise designated for payment and securing of the obligations and anticipated redevelopment project costs and such excess funds shall be calculated annually and deemed to be "surplus" funds. In the event a municipality only applies or pledges a portion of the funds in the special tax allocation fund for the payment or securing of anticipated redevelopment project costs or of obligations, any such funds remaining in the special tax allocation fund after complying with the requirements of the application or pledge, shall also be calculated annually and deemed "surplus" funds. All surplus funds in the special tax allocation fund shall be distributed annually within 180 days after the close of the municipality's fiscal year by being paid by the municipal treasurer to the County Collector, to the Department of Revenue and to the municipality in direct proportion to the tax incremental revenue received as a result of an increase in the equalized assessed value of property in the redevelopment project area, tax incremental revenue received from the State and tax incremental revenue received from the municipality, but not to exceed as to each such source the total incremental revenue received from that source. The County Collector shall thereafter make distribution to the respective taxing districts in the same manner and proportion as the most recent distribution by the county collector to the affected districts of real property taxes from real property in the redevelopment project area.

Without limiting the foregoing in this Section, the municipality may in addition to obligations secured by the special tax allocation fund pledge for a period not greater than the term of the obligations towards payment of such obligations any part or any combination of the following: (a) net revenues of all or part of any redevelopment project; (b) taxes levied and collected on any or all property in the municipality; (c) the full faith and credit of the municipality; (d) a mortgage on part or all of the redevelopment project; or (e) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Such obligations may be issued in one or more series bearing interest at such rate or rates as the corporate authorities of the municipality shall determine by ordinance. Such obligations shall bear such date or dates, mature at such time or times not exceeding 20 years from their respective dates, be in such denomination, carry such registration privileges, be executed in such manner, be payable in such medium of payment at such place or places, contain such covenants, terms and conditions, and be subject to redemption as such ordinance shall provide. Obligations issued pursuant to this Act may be sold at public or private sale at such price as shall be determined by the corporate authorities of the municipalities. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to this Division except as provided in this Section.

In the event the municipality authorizes issuance of obligations pursuant to the authority of this Division secured by the full faith and credit of the municipality, which obligations are other than obligations which may be issued under home rule powers provided by Article VII, Section 6 of the Illinois Constitution, or pledges taxes pursuant to (b) or (c) of the second paragraph of this section, the ordinance authorizing the issuance of such obligations or pledging such taxes shall be published within 10 days after such ordinance has been passed in one or more newspapers, with general circulation within such municipality. The publication of the ordinance shall be accompanied by a notice of (1) the specific number of voters required to sign a petition requesting the question of the issuance of such obligations or pledging taxes to be submitted to the electors; (2) the time in which such petition must be filed; and (3) the date of the prospective referendum. The municipal clerk shall provide a petition form to any individual requesting one.

If no petition is filed with the municipal clerk, as hereinafter provided in this Section, within 30 days after the publication of the ordinance, the ordinance shall be in effect. But, if within that 30 day period a petition is filed with the municipal clerk, signed by electors in the municipality numbering 10% or more of the number of registered voters in the municipality, asking that the question of issuing obligations using full faith and credit of the municipality as security for the cost of paying for redevelopment project costs, or of pledging taxes for the payment of such obligations, or both, be submitted to the electors of the municipality, the corporate authorities of the municipality shall call a special election in the manner provided by law to vote upon that question, or, if a general, State or municipal election is to be held within a period of not less than 30 or more than 90 days from the date such petition is filed, shall submit the question at the next general, State or municipal election. If it appears upon the canvass of the election by the corporate authorities that a majority of electors voting upon the question voted in favor thereof, the ordinance shall be in effect, but if a majority of the electors voting upon the question are not in favor thereof, the ordinance shall not take effect.

The ordinance authorizing the obligations may provide that the obligations shall contain a recital that

they are issued pursuant to this Division, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

In the event the municipality authorizes issuance of obligations pursuant to this Section secured by the full faith and credit of the municipality, the ordinance authorizing the obligations may provide for the levy and collection of a direct annual tax upon all taxable property within the municipality sufficient to pay the principal thereof and interest thereon as it matures, which levy may be in addition to and exclusive of the maximum of all other taxes authorized to be levied by the municipality, which levy, however, shall be abated to the extent that monies from other sources are available for payment of the obligations and the municipality certifies the amount of said monies available to the county clerk.

A certified copy of such ordinance shall be filed with the county clerk of each county in which any portion of the municipality is situated, and shall constitute the authority for the extension and collection of the taxes to be deposited in the special tax allocation fund.

A municipality may also issue its obligations to refund in whole or in part, obligations theretofore issued by such municipality under the authority of this Act, whether at or prior to maturity, provided however, that the last maturity of the refunding obligations shall not be expressed to mature later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year after the year in which the ordinance approving the redevelopment project area is adopted if the ordinance was adopted on or after January 15, 1981, and not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the thirty-fifth calendar year after the year in which the ordinance approving the redevelopment project area is adopted (A) if the ordinance was adopted before January 15, 1981, or (B) if the ordinance was adopted in December 1983, April 1984, July 1985, or December 1989, or (C) if the ordinance was adopted in December, 1987 and the redevelopment project is located within one mile of Midway Airport, or (D) if the ordinance was adopted before January 1, 1987 by a municipality in Mason County, or (E) if the municipality is subject to the Local Government Financial Planning and Supervision Act or the Financially Distressed City Law, or (F) if the ordinance was adopted in December 1984 by the Village of Rosemont, or (G) if the ordinance was adopted on December 31, 1986 by a municipality located in Clinton County for which at least \$250,000 of tax increment bonds were authorized on June 17, 1997, or if the ordinance was adopted on December 31, 1986 by a municipality with a population in 1990 of less than 3,600 that is located in a county with a population in 1990 of less than 34,000 and for which at least \$250,000 of tax increment bonds were authorized on June 17, 1997, or (H) if the ordinance was adopted on October 5, 1982 by the City of Kankakee, or (I) if the ordinance was adopted on December 29, 1986 by East St. Louis, or if the ordinance was adopted on November 12, 1991 by the Village of Sauget, or (J) if the ordinance was adopted on February 11, 1985 by the City of Rock Island, or (K) if the ordinance was adopted before December 18, 1986 by the City of Moline, or (L) if the ordinance was adopted in September 1988 by Sauk Village, or (M) if the ordinance was adopted in October 1993 by Sauk Village, or (N) if the ordinance was adopted on December 29, 1986 by the City of Galva, or (O) if the ordinance was adopted in March 1991 by the City of Centreville, or (P) if the ordinance was adopted on January 23, 1991 by the City of East St. Louis, or (Q) if the ordinance was adopted on December 22, 1986 by the City of Aledo, or (R) if the ordinance was adopted on February 5, 1990 by the City of Clinton, or (S) if the ordinance was adopted on September 6, 1994 by the City of Freeport, or (T) if the ordinance was adopted on December 22, 1986 by the City of Tuscola, or (U) if the ordinance was adopted on December 23, 1986 by the City of Sparta, or (V) if the ordinance was adopted on December 23, 1986 by the City of Beardstown, or (W) if the ordinance was adopted on April 27, 1981, October 21, 1985, or December 30, 1986 by the City of Belleville, or (X) if the ordinance was adopted on December 29, 1986 by the City of Collinsville, or (Y) if the ordinance was adopted on September 14, 1994 by the City of Alton, or (Z) if the ordinance was adopted on November 11, 1996 by the City of Lexington, or (AA) if the ordinance was adopted on November 5, 1984 by the City of LeRoy, or (BB) if the ordinance was adopted on April 3, 1991 or June 3, 1992 by the City of Markham, or (CC) if the ordinance was adopted on November 11, 1986 by the City of Pekin, or ~~(DD) (EE)~~ if the ordinance was adopted on December 15, 1981 by the City of Champaign, or ~~(EE) (EE)~~ if the ordinance was adopted on December 15, 1986 by the City of Urbana, or ~~(FE) (EE)~~ if the ordinance was adopted on December 15, 1986 by the Village of Heyworth, or ~~(GG) (EE)~~ if the ordinance was adopted on February 24, 1992 by the Village of Heyworth, or ~~(HH) (EE)~~ if the ordinance was adopted on March 16, 1995 by the Village of Heyworth, or ~~(II) (EE)~~ if the ordinance was adopted on December 23, 1986 by the Town of Cicero, or ~~(JJ) (EE)~~ if the ordinance was adopted on December 30, 1986 by the City of Effingham, or ~~(KK) (EE)~~ if the ordinance was adopted on May 9, 1991 by the Village of Tilton, or ~~(LL) (EE)~~ if the ordinance was adopted on October 20, 1986 by the

[May 25, 2005]

City of Elmhurst, or ~~(MM)~~ ~~(CC)~~ if the ordinance was adopted on January 19, 1988 by the City of Waukegan, or ~~(NN)~~ ~~(DD)~~ if the ordinance was adopted on September 21, 1998 by the City of Waukegan, or ~~(OO)~~ if the ordinance was adopted on December 29, 1986 by the Village of Gardner and, for redevelopment project areas for which bonds were issued before July 29, 1991, in connection with a redevelopment project in the area within the State Sales Tax Boundary and which were extended by municipal ordinance under subsection (n) of Section 11-74.4-3, the last maturity of the refunding obligations shall not be expressed to mature later than the date on which the redevelopment project area is terminated or December 31, 2013, whichever date occurs first.

In the event a municipality issues obligations under home rule powers or other legislative authority the proceeds of which are pledged to pay for redevelopment project costs, the municipality may, if it has followed the procedures in conformance with this division, retire said obligations from funds in the special tax allocation fund in amounts and in such manner as if such obligations had been issued pursuant to the provisions of this division.

All obligations heretofore or hereafter issued pursuant to this Act shall not be regarded as indebtedness of the municipality issuing such obligations or any other taxing district for the purpose of any limitation imposed by law.

The following voted in the negative:

Burzynski
Jones, J.

[May 25, 2005]

This bill, having received the vote of a constitutional majority of the members elected, was declared passed, and all amendments not adopted were tabled pursuant to Senate Rule No. 5-4(a).

Ordered that the Secretary inform the House of Representatives thereof and ask their concurrence in the Senate Amendments adopted thereto.

HOUSE BILL RECALLED

On motion of Senator Maloney, **House Bill No. 2531** was recalled from the order of third reading to the order of second reading.

Senator Maloney offered the following amendment and moved its adoption:

AMENDMENT NO. 4 TO HOUSE BILL 2531

AMENDMENT NO. 4. Amend House Bill 2531, AS AMENDED, in Section 5, Sec. 30, subsec. (d-5), by deleting "UCIA"; and

in Section 5, Sec. 30, subsec. (d-5), after "employees", by inserting "hired on or after January 1, 2006"; and

in Section 5, Sec. 70, by replacing subsec. (a) with the following:

"(a) In this Section:

"Centers for Medicare and Medicaid Services (CMMS) grant" means the grant awarded to and distributed by the Department of Public Health to enhance the conduct of criminal history records checks of certain health care employees. The CMMS grant is authorized by Section 307 of the federal Medicare Prescription Drug, Improvement, and Modernization Act of 2003, which establishes the framework for a program to evaluate national and state background checks on perspective employees with direct access to patients of long-term care facilities or providers.

"Selected health care employer" means any of the following selected to participate in the CMMS grant:

(1) a community living facility as defined in the Community Living Facility Act;

(2) a long-term care facility as defined in the Nursing Home Care Act;

(3) a home health agency as defined in the Home Health Agency Licensing Act;

(4) a full hospice as defined in the Hospice Licensing Act;

(5) an establishment licensed under the Assisted Living and Shared Housing Act;

(6) a supportive living facility as defined in the Illinois Public Aid Code;

(7) a day training program certified by the Department of Human Services; or

(8) a community integrated living arrangement operated by a community mental health and developmental service agency as defined in the Community Integrated Living Arrangements Licensing and Certification Act."; and

in Section 5, Sec. 70, subsec. (c), after "With regards to individuals", by inserting "hired on or after January 1, 2006"; and

in Section 5, Sec. 70, subsec. (d), the sentence beginning "The Department of State Police shall charge", after "actual cost of the records check", by inserting "and shall be deposited into the State Police Services Fund"; and

in Section 5, Sec. 70, by replacing subsec. (g) with the following:

"(g) A fingerprint-based criminal history records check submitted in accordance with subsection (d) of this Section must meet the requirements for a UCIA criminal history records check, as set forth in this Act.

(h) This Section shall be inapplicable upon the conclusion of the CMMS grant."

The motion prevailed.

And the amendment was adopted, and ordered printed.

Senator Maloney offered the following amendment and moved its adoption:

AMENDMENT NO. 5 TO HOUSE BILL 2531

AMENDMENT NO. 5. Amend House Bill 2531, AS AMENDED, with reference to page and line

[May 25, 2005]

numbers of Senate Amendment No. 4, on page 2, by replacing lines 26 and 27 with the following: "must be submitted as a fee applicant inquiry in the form and manner prescribed by the Department of State Police."

The motion prevailed.

And the amendment was adopted, and ordered printed.

Senator Maloney offered the following amendment and moved its adoption:

AMENDMENT NO. 6 TO HOUSE BILL 2531

AMENDMENT NO. 6. Amend House Bill 2531, AS AMENDED, with reference to page and line numbers of Senate Amendment No. 3, on page 2, line 17, by deleting "physicians."; and

on page 2, line 23, before "volunteers", by inserting "physicians or".

The motion prevailed.

And the amendment was adopted, and ordered printed.

There being no further amendments, the bill, as amended, was ordered to a third reading.

READING BILL FROM THE HOUSE OF REPRESENTATIVES A THIRD TIME

On motion of Senator Maloney, **House Bill No. 2531**, having been printed as received from the House of Representatives, together with all Senate Amendments adopted thereto, was taken up and read by title a third time.

And the question being, "Shall this bill pass?" it was decided in the affirmative by the following vote:

Yeas 58; Nays None.

The following voted in the affirmative:

Althoff	Garrett	Meeks	Shadid
Bomke	Geo-Karis	Munoz	Sieben

Dillard	Luechtefeld	Rutherford	Mr. President
Forby	Maloney	Sandoval	
Garrett	Martinez	Schoenberg	

This bill, having received the vote of a constitutional majority of the members elected, was declared passed, and all amendments not adopted were tabled pursuant to Senate Rule No. 5-4(a).

Ordered that the Secretary inform the House of Representatives thereof and ask their concurrence in the Senate Amendment adopted thereto.

HOUSE BILL RECALLED

On motion of Senator Maloney, **House Bill No. 4030** was recalled from the order of third reading to the order of second reading.

Senator Maloney offered the following amendment and moved its adoption:

AMENDMENT NO. 2 TO HOUSE BILL 4030

AMENDMENT NO. 2. Amend House Bill 4030 on page 3, line 9, by inserting after the period the following:

"Registration of juveniles upon attaining 17 years of age shall not extend the original registration of 10 years from the date of conviction."; and

[May 25, 2005]

on page 12, lines 16 and 21, by inserting after "agency" wherever it appears the following: "not to exceed 4 times a year".

The motion prevailed.

And the amendment was adopted, and ordered printed.

Senator Maloney offered the following amendment and moved its adoption:

AMENDMENT NO. 3 TO HOUSE BILL 4030

AMENDMENT NO. 3. Amend House Bill 4030 on page 15, by replacing line 3 with the following:

"school, park, or playground. The offender may also not reside within 500 feet of a facility providing services".

The motion prevailed.

And the amendment was adopted, and ordered printed.

There being no further amendments, the bill, as amended, was ordered to a third reading.

READING BILL FROM THE HOUSE OF REPRESENTATIVES A THIRD TIME

On motion of Senator Maloney, **House Bill No. 4030**, having been printed as received from the House of Representatives, together with all Senate Amendments adopted thereto, was taken up and read by title a third time.

And the question being, "Shall this bill pass?" it was decided in the affirmative by the following vote:

Yeas 58; Nays None.

The following voted in the affirmative:

Althoff	Garrett	Martinez	Shadid
Bomke	Geo-Karis	Meeks	Sieben

READING BILL FROM THE HOUSE OF REPRESENTATIVES A SECOND TIME

On motion of Senator Link, **House Bill No. 1968** was taken up, read by title a second time and ordered to a third reading.

HOUSE BILL RECALLED

On motion of Senator Silverstein, **House Bill No. 3874** was recalled from the order of third reading to the order of second reading.

Senator Silverstein offered the following amendment and moved its adoption:

AMENDMENT NO. 2 TO HOUSE BILL 3874

AMENDMENT NO. 2. Amend House Bill 3874, AS AMENDED, in Section 5, Sec. 33-3, in the paragraph beginning "A public officer or employee", by replacing "Class 2" with "Class 3"; and

in Section 5, Sec. 33-7, subsection (a), by replacing item (1) with the following:

"(1) intentionally or knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property;"; and

in Section 5, Sec. 33-7, subsection (a), item (3), by replacing "lawful authority" with "contractual responsibility"; and

in Section 5, Sec. 33-7, subsection (b), by replacing "Class 2 felony" with "Class 3 felony".

The motion prevailed.

And the amendment was adopted, and ordered printed.

There being no further amendments, the bill, as amended, was ordered to a third reading.

READING BILL FROM THE HOUSE OF REPRESENTATIVES A THIRD TIME

On motion of Senator Silverstein, **House Bill No. 3874**, having been printed as received from the House of Representatives, together with all Senate Amendments adopted thereto, was taken up and read by title a third time.

And the question being, "Shall this bill pass?" it was decided in the affirmative by the following vote:

Yeas 57; Nays None.

The following voted in the affirmative:

Allthoff	Garrett	Meeks	Shadid
Bomke	Geo-Karis	Munoz	Sieben

This bill, having received the vote of a constitutional majority of the members elected, was declared passed, and all amendments not adopted were tabled pursuant to Senate Rule No. 5-4(a).

Ordered that the Secretary inform the House of Representatives thereof and ask their concurrence in the Senate Amendments adopted thereto.

HOUSE BILL RECALLED

On motion of Senator Haine, **House Bill No. 930** was recalled from the order of third reading to the order of second reading.

Senator Haine offered the following amendment and moved its adoption:

AMENDMENT NO. 2 TO HOUSE BILL 930

AMENDMENT NO. 2. Amend House Bill 930 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Plumbing License Law is amended by changing Sections 18 and 37 as follows:

(225 ILCS 320/18) (from Ch. 111, par. 1117)

Sec. 18. Local regulation; Department standards.

(1) It is hereby declared to be the policy of this State that each city, town, village, township or county with a water supply system or sewage disposal system or both should so soon after the enactment of this Act as practicable, with the advice of the State Department of Public Health, provide by ordinance, bylaws or rules and regulations for the materials, construction, alteration, and inspection of all plumbing placed in or in connection with any building in any such city, town, village, township, or county and to provide for and appoint a competent Plumbing Inspector or more as required. The Department may by rule establish voluntary standards for the content and conduct of local plumbing regulation and inspection programs and may evaluate and certify local programs that are in compliance with the voluntary standards. The Department may by rule establish voluntary education, training, and experience standards for Plumbing Inspectors and may certify Plumbing Inspectors who are in compliance with the voluntary standards. Nothing contained in this Act shall prohibit any city, town, village, township or county from providing for a Plumbing Inspector or from requiring permits for the installation and repair of plumbing and collecting a fee therefor, but a city, town, village, township, or county that requires a permit for installation and repair of plumbing may not issue that permit without verification that the applicant has a valid plumbing license or that the applicant is the owner occupant of a single family residence that is the subject of the permit. For the purpose of this Section, the term "occupant" has the same meaning as in subsection (2) of Section 3 of this Act. No person shall be appointed as a Plumbing Inspector who is not a licensed plumber under this Act, including persons employed as Plumbing Inspectors in home rule units.

(2) The Department of Public Health shall conduct inquiry in any city, town, village, township, or county or at any other place in the State when reasonably necessary in the judgment of the Director of the Department of Public Health to safeguard the health of any person or persons in this State, on account of piping or appurtenant appliances within any building, or outside, when such piping and appliances are for the use of plumbing as defined in this Act and for the use of carrying sewage or waste within or from any building.

[May 25, 2005]

The Department of Public Health may conduct such inquiries in any city, town, village, township or county in this State by directing the Plumbing Inspector thereof to aid in or conduct such inquiry or investigation in behalf of the Department of Public Health or the Department of Public Health may designate some other person or persons to conduct such investigation.

(Source: P.A. 90-714, eff. 8-7-98.)

(225 ILCS 320/37) (from Ch. 111, par. 1135)

Sec. 37. Each governmental unit which is authorized to adopt and has adopted any ordinance or resolution regulating plumbing may provide for its administration and enforcement by requiring permits for any plumbing system installation, the inspection of plumbing system installations by inspectors who are licensed as plumbers in accordance with the Illinois Plumbing License Law, and the issue of certificates of approval or compliance which shall be evidence that a plumbing system has been installed in compliance with the Code of standards so adopted.

A letter of intent shall be included with all plumbing permit applications. The letter shall be written on the licensed plumber of record's business stationery and shall include the license holder's signature and, if the license holder is incorporated, the license holder's corporate seal. If the license holder is not incorporated, the letter must be notarized.

A governmental unit authorized to adopt regulations may, by ordinance or resolution, prescribe reasonable fees for the issue of permits for installation work, the issue of certificates of compliance or approval, and for the inspection of plumbing installations.

(Source: P.A. 79-1000.)

Section 99. Effective date. This Act takes effect upon becoming law."

The motion prevailed.

And the amendment was adopted, and ordered printed.

There being no further amendments, the bill, as amended, was ordered to a third reading.

READING BILLS FROM THE HOUSE OF REPRESENTATIVES A THIRD TIME

On motion of Senator Haine, **House Bill No. 930**, having been printed as received from the House of Representatives, together with all Senate Amendments adopted thereto, was taken up and read by title a third time.

And the question being, "Shall this bill pass?" it was decided in the affirmative by the following vote:

Yeas 54; Nays 3.
