SCHEDULE

This Constitutional Amendment takes effect upon being declared adopted in accordance with Section 7 of the Illinois Constitutional Amendment Act.

Senator Lauzen offered the following Senate Joint Resolution, which was ordered printed and referred to the Committee on Rules:

SENATE JOINT RESOLUTION NO. 13 CONSTITUTIONAL AMENDMENT

SC0013

RESOLVED, BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that there shall be submitted to the electors of the State for adoption or rejection at the general election next occurring at least 6 months after the adoption of this resolution a proposition to add Sections 11 and 12 to Article IX of the Illinois Constitution as follows:

ARTICLE IX REVENUE

Section 11. LIMITATION ON PROPERTY TAXATION

(a) The maximum amount of any ad valorem tax on real property shall not exceed 2% of the fair cash value of such property, to be collected by the counties and apportioned according to law to the districts within the counties.

The limitation provided for in subsection (a) does not apply to ad valorem taxes or special assessments to pay the principal and interest on:

(1) Bonded indebtedness issued prior July 1, 2008; or

(2) Bonded indebtedness issued on or after July 1, 2008, approved by two-thirds of the votes cast by the voters voting on the proposition.

Section 12. PROPERTY TAX DEFINITIONS AND REQUIREMENTS

(a) The "fair cash value" means either (i) the county assessor's valuation of real property for the 2005 tax year, or (ii) thereafter, the actual acquisition price of real property when purchased, newly constructed, or a change in ownership has occurred after the 2005 assessment. For purposes of this Section, "newly constructed" does not include real property that is reconstructed after a disaster, as declared by the Governor, where the fair market value of the real property, as reconstructed, is comparable to its fair market value prior to the disaster.

However, the General Assembly may provide that, pursuant to definitions and procedures established by the General Assembly, any person 65 years of age or older who resides in property that is eligible for a homestead exemption may transfer the base year value of the property entitled to exemption, with the adjustments authorized by subsection (b), to any replacement dwelling of equal or lesser value located within the same county and purchased or newly constructed by that person as his or her principal residence within two years of the sale of the original property. For purposes of this Section, "any person

[February 8, 2007]

65 years of age or older" includes a married couple one member of which is 65 years of age or older.

In addition, the General Assembly may authorize each county board of supervisors to adopt an ordinance making the provisions of this subsection relating to transfer of base year value also applicable to situations in which the replacement dwellings are located in that county and the original properties are located in another county within this State.

(b) The full cash value base may be either (i) increased each year by the lesser of 2% or the rate of inflation, or (ii) reduced as shown in the consumer price index, or to reflect substantial damage, destruction, or other factors causing a decline in value.

(c) For purposes of subsection (a), the General Assembly may provide for exemptions from the term "newly constructed".

(d) For purposes of this Section, the term "change in ownership" does not include the acquisition of real property as a replacement for comparable property if the person acquiring the real property has been displaced from the property replaced by eminent domain proceedings, by acquisition by a public entity, or governmental action that has resulted in a judgment of inverse condemnation. The real property acquired shall be deemed comparable to the property replaced if it is similar in size, utility, and function, or if it conforms to state regulations defined by the General Assembly governing the relocation of persons displaced by governmental actions.

(e)(1) Notwithstanding any other provision of this Section, the General Assembly shall provide that the base year value of property that is substantially damaged or destroyed by a disaster, as declared by the Governor, may be transferred to comparable property within the same county that is acquired or newly constructed as a replacement for the substantially damaged or destroyed property.

(2) Except as provided in paragraph (3), this subsection shall apply to any comparable replacement property acquired or newly constructed on or after July 1, 1985, and to the determination of base year values for the 1985-86 fiscal year and fiscal years thereafter.

(3) In addition to the transfer of base year value of property within the same county that is permitted by paragraph (1), the General Assembly may authorize each county board of supervisors to adopt, after consultation with affected local agencies within the county, an ordinance allowing the transfer of the base year value of property that is located within another county in the State and is substantially damaged or destroyed by a disaster, as declared by the Governor, to comparable replacement property of equal or lesser value that is located within the adopting county and is acquired or newly constructed within three years of the substantial damage or destruction of the original property as a replacement for that property. The scope and amount of the benefit provided to a property owner by the transfer of base year value of property pursuant to this paragraph shall not exceed the scope and amount of the benefit provided to a property owner by the transfer of base year value of property pursuant to subsection (a). For purposes of this paragraph, "affected local agency" means any city, special district, school district, or community college district that receives an annual allocation of ad valorem property tax revenues. This paragraph shall apply to any comparable replacement property that is acquired or newly constructed as a replacement for property substantially damaged or destroyed by a disaster, as declared by the Governor, occurring on or after October 20, 1991, and to the determination of base year values for the 1991-92 fiscal year and fiscal years thereafter.

(f) For the purposes of subsection (e):

(1) Property is substantially damaged or destroyed if it sustains physical damage amounting to more than 50 percent of its value immediately before the disaster. Damage includes a diminution in the value of property as a result of restricted access caused by the disaster.

(2) Replacement property is comparable to the property substantially damaged or destroyed if it is similar in size, utility, and function to the property that it replaces, and if the fair market value of the acquired property is comparable to the fair market value of the replaced property prior to the disaster.

(g) For purposes of subsection (a), the terms "purchased" and "change in ownership" do not include the purchase or transfer of real property between spouses, including, but not limited to, all of the following:

(1) Transfers to a trustee for the beneficial use of a spouse, or the surviving spouse of a deceased transferor, or by a trustee of such a trust to the spouse of the trustor.

(2) Transfers to a spouse that take effect upon the death of a spouse.

(3) Transfers to a spouse or former spouse in connection with a property settlement agreement or decree of dissolution of a marriage or legal separation.

(4) The creation, transfer, or termination, solely between spouses, of any co-owner's interest.

(5) The distribution of a legal entity's property to a spouse or former spouse in exchange for the interest of the spouse in the legal entity in connection with a property settlement agreement or a decree of dissolution of a marriage or legal separation.

(h) For purposes of subsection (a), the terms "purchased" and "change in ownership" do not include the purchase or transfer of the principal residence of the transferor in the case of a purchase or transfer between parents and their children, as defined by the General Assembly, and the purchase or transfer of the first \$1,000,000 of the fair cash value of all other real property between parents and their children, as defined by the General Assembly. This subsection shall apply to both voluntary transfers and transfers resulting from a court order or judicial decree.

(i) The General Assembly may provide with respect to a qualified contaminated property.

SCHEDULE

This Constitutional Amendment takes effect upon being declared adopted in accordance with Section 7 of the Illinois Constitutional Amendment Act.

Senator Wilhelmi offered the following Senate Joint Resolution, which was referred to the Committee on Rules:

SENATE JOINT RESOLUTION NO. 14

WHEREAS, There has been, and continues to be, a significant expansion in the volume of personal property sold through pawnbrokers, auction services, consignment sellers, and other resellers; and

WHEREAS, There has been, and continues to be, a similar increase in the volume of stolen personal property sold through pawnbrokers, auction services, consignment sellers, and other resellers; and

WHEREAS, Access by law enforcement to sales-related information generated by pawnbrokers, auction services, consignment sellers, and other resellers has always been an important tool in combating burglary, robbery, theft, and other crimes directed at personal property; and

WHEREAS, Recent advances in electronic data collection and compilation have greatly simplified both the reporting of sales-related information by pawnbrokers, auction services, consignment sellers, and other resellers; and

WHEREAS, These same advances have created opportunities for law enforcement to access sales-related information at increasingly shorter intervals after the date of sale; and

WHEREAS, Law enforcement agencies, pawnbrokers, auction services, consignment sellers, resellers, and information technology-related businesses in several states have created differing systems to provide law enforcement with timely access to sales-related information; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that there is created the Re-Sellers' Electronic Reporting Task Force, consisting of 19 members appointed as follows:

(1) four members of the General Assembly, one member appointed by the President of the Senate, one member appointed by the Minority Leader of the Senate, one member appointed by the Speaker of the House, and one member appointed by the Minority Leader of the House; the members appointed by the President of the Senate and the Speaker of the House shall serve as co-chairs of the Task Force;

(2) three members appointed by the Governor; and

(3) twelve members who are not members of the General Assembly appointed by the co-chairs of the Task Force representing a range of interests, including: law enforcement, pawnbrokers, consignment sellers, auctioneers, insurance companies, and the general public; and be it further

RESOLVED, That all members shall serve without compensation but shall be reimbursed for their reasonable and necessary expenses from funds appropriated for that purpose; and be it further

RESOLVED, That the Task Force shall study the various systems, technologies, and methods of operation for providing law enforcement with timely access to information relating to the sales of

[February 8, 2007]

personal property by pawnbrokers, auction services, consignment sellers, and other resellers, and shall consult with such law enforcement agencies, pawnbrokers, auction services, consignment sellers, resellers, and other persons or entities as it may deem fit, including, but not limited to, providers of technology and services relating to the collection, compilation, storage, and access to such information; and be it further

RESOLVED, That on or before December 31, 2007, the Task Force shall report to the General Assembly concerning its recommendations regarding the systems and technologies, together with their usage and potential funding mechanisms and sources, to be implemented to create a state-wide system for the collection of sales-related information by pawnbrokers, auction services, consignment sellers, and other resellers, and for the compilation, storage and timely access to such information by law enforcement and shall include proposed legislation to implement its recommendations, if needed; and be it further

RESOLVED, That upon issuing its report, the Task Force shall be dissolved.

Senator Althoff offered the following Senate Joint Resolution, which was referred to the Committee on Rules:

SENATE JOINT RESOLUTION NO. 15

WHEREAS, In the 2005-2006 school year, over 322,000 children with disabilities were served in special education programs across Illinois; and

WHEREAS, The number of children in special education programs has risen 5.4% in the last 5 years, and special education accounts for approximately 23% of all State education spending; and

WHEREAS, The federal government has established a goal of reimbursing 40% of the costs of special education incurred by school districts, but it currently provides only 18% of costs nationally and only 14% in Illinois; and

WHEREAS, Illinois has failed for decades to update reimbursement rates for special education costs, with the last reimbursement rate set in 1973 for special education orphanage tuition, in 1985 for special education personnel, in 1978 for special education private tuition, in 1976 for special education summer school, and in 1965 for special education transportation; and

WHEREAS, Illinois has continued to prorate special education mandated categoricals at less than 100%, with the FY07 budget prorating these mandated categoricals at 97%; and

WHEREAS, Even if Illinois fully funded mandated categoricals at 100%, this would still only represent partial funding, as the reimbursement rates are severely outdated; and

WHEREAS, Illinois school districts currently spend an estimated \$1 billion from their own general education funds to meet the unreimbursed costs of special education services that are mandated by federal and State laws and administrative rules; and

WHEREAS, Special education continues to represent a growing financial burden on school districts as the need for services increases while State and federal funding fails to increase along with that need; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that a task force shall be created to study current special education funding needs and to make recommendations as to how the State can increase special education funding and ease the financial burden on school districts; and be it further

RESOLVED, That the task force shall consist of the State Superintendent of Education (or his or her

[February 8, 2007]

designee) plus 16 members appointed as follows: the House Majority Leader and the House Minority Leader shall each appoint one representative, the Senate President and the Senate Minority Leader shall each appoint one senator, and these 4 leaders shall each appoint 3 public members representing the interests of special education administrators and services, school districts, and disability advocates; and be it further

RESOLVED, That the task force shall be facilitated by the State Board of Education; and be it further

RESOLVED, That the task force shall report its findings and recommendations to the Governor and the General Assembly by January 1, 2008; and be it further

RESOLVED, That a suitable copy of this resolution be transmitted to the State Superintendent of Education.

Senator Althoff offered the following Senate Joint Resolution, which was referred to the Committee on Rules:

SENATE JOINT RESOLUTION NO. 16

WHEREAS, The Constitution of the State of Illinois gives the State the primary responsibility for funding the cost of public education; however, the State currently only covers thirty-six percent of this cost, which ranks the State forty-seventh in the nation in terms of the percentage of state funding provided to schools; and

WHEREAS, Rather than fulfilling its constitutional obligation, the State has shifted the primary responsibility for funding the cost of public education to local property taxpayers, with school districts receiving an average of fifty-six percent of their funds from local property taxes; Illinois ranks forty-ninth among the fifty states for its over-reliance on local property taxes to fund education; and

WHEREAS, By relying on the property tax as the primary source of funding for schools, the State has created a disparity between property rich school districts and school districts without substantial property wealth; the existing funding disparity is unfair to the children of Illinois, who all deserve an equal opportunity to a quality education regardless of where they reside; and

WHEREAS, If the State is to ever assume primary responsibility for funding public education and resolve the current dependence on the property tax and the funding disparity between school districts, the State must either increase an existing source of State revenue or create a new revenue stream; and

WHEREAS, Taxpayers should not be asked to provide additional resources to public schools and school districts without the State improving the current systems of fiscal and performance accountability in such a manner as to provide a guarantee that new moneys would be well spent in ways likely to improve schools and that taxpayers would be afforded appropriate and understandable accountability for greater investments in school improvement; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that there is created the Accountable Schools Task Force, which shall be facilitated by the State Board of Education, to review and evaluate the complex issues involving the fiscal and performance accountability of the State's school districts and individual schools; and be it further

RESOLVED, That the Task Force shall consist of twenty-five members as follows: one member appointed by the Speaker of the House of Representatives; one member appointed by the President of the Senate; one member appointed by the Minority Leader of the House of Representatives; one member appointed by the Minority Leader of the Senate; one member appointed by the Governor; the Chairperson of the State Board of Education or his or her designee; three members who are representatives of the business community appointed by the Governor; four members who are representatives of the education labor community, two of whom shall be appointed by an organization

[February 8, 2007]

representing teachers who participate in collective bargaining and two of whom shall be appointed by a different organization representing teachers who participate in collective bargaining; two members who are representatives of the education management community appointed by an organization representing school management; two members who are representatives of a statewide child advocacy organization appointed by the Governor; two members who are representatives of a statewide organization of parents and teachers appointed by the Governor; one member who is a mayor or village president from the northeastern Illinois region appointed by an organization representing mayors of northern Illinois; one member who is a mayor or village president from downstate Illinois appointed by an organization representing mayors of southern Illinois; one member who is a representative of the Mayor of the City of Chicago appointed by the Mayor of the City of Chicago; and three members appointed at-large by a national or regional organization with particular expertise in school fiscal and performance accountability; and be it further

RESOLVED, That following the appointment of all Task Force members, the Task Force shall meet at the call of the Governor and select a member to serve as Chairperson and shall meet at the call of the Chairperson as necessary thereafter; and be it further

RESOLVED, That the Task Force shall have the following duties and responsibilities: (1) to evaluate the State's existing fiscal and performance accountability systems; (2) to identify costs of mandates imposed on school districts and individual schools; (3) to recommend a fiscal assessment process that includes criteria for examining and evaluating the current financial practices of all school districts and schools and determining the adequacy and efficiency of internal controls; (4) to recommend methods to improve and stabilize the State's system of performance accountability; and (5) to recommend methods by which the fiscal and performance accountability systems are made more transparent and understandable for parents of students and taxpayers; and be it further

RESOLVED, That all Task Force meetings shall be open to the public; the Task Force may solicit input from non-members of the Task Force and any other sources deemed appropriate by the State Board of Education; and be it further

RESOLVED, That that the Task Force shall report its findings and recommendations to the General Assembly by January 8, 2008; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Governor, the Chairperson of the State Board of Education, the Mayor of the City of Chicago, and those organizations responsible for appointing members to the Task Force.
