Executive Summary

The following report outlines waivers of School Code mandates that school districts, regional offices of education, or special education or vocational education cooperatives have requested since the last report, which was transmitted in October 2006. Pursuant to Section 2-3.25g of the School Code (105 ILCS 5/2-3.25g), these requests must be sent to the General Assembly for its consideration before March 1, 2007.

The report is organized by subject area and by school district, regional office, or special education or vocational education cooperative. The General Assembly may disapprove the report in whole or in part within 60 calendar days after each chamber next convenes once the report is filed. This is done by a joint resolution. If either chamber fails to reject a waiver request, then that request is deemed granted.

Section I summarizes the 71 requests received for waivers of School Code mandates for consideration by the General Assembly, which are presented alphabetically by topic area. The largest number of applications received seeks waivers from Section 27-6 of the School Code regarding physical education (18 requests), followed by 13 petitions regarding driver education, 12 addressing parent-teacher conference days, and 11 petitions pertaining to administrative cost limitation. Five petitions address school improvement/in-service training, four each

[March 6, 2007]

address evaluation plans and nonresident tuition, and two petitions pertain to substitute teachers. One petition each addresses debt limitation and kindergarten.

The requests dealing with substitute teachers seek authorization to employ substitutes for longer than the 90 days allowed under Section 21-9 of the School Code (see pages 11 and 12 of the report).

This document also contains three other sections beyond what is required under Section 2-3.25g of the School Code. Section II lists the modifications or waivers of State Board of Education rules and modifications of School Code mandates upon which the State Superintendent of Education has acted in accordance with Section 1A-4 of the School Code (105 ILCS 5/1A-4). The 198 approvals address legal school holidays.

Section III describes the eight requests that have been returned to or withdrawn by the petitioning entities. Section IV shows all the requests submitted, organized by Senate and House districts.

In addition, the requests received are summarized by subject area in a table following this Executive Summary. Complete copies of the waiver requests for the General Assembly's consideration have been made available to legislative staff.

This is the twenty-fourth report submitted pursuant to Section 2-3.25g of the School Code, which requires that the State Board of Education through agency staff compile and submit requests for waivers of School Code mandates to the General Assembly before March 1 and October 1 of each year.

PRESENTATION OF RESOLUTION

Senator Frerichs offered the following Senate Resolution, which was referred to the Committee on Rules:

SENATE RESOLUTION NO. 85

WHEREAS, The federal Social Security Act includes two provisions, the Government Pension Offset and the Windfall Elimination Provision, that reduce the Social Security benefits payable to persons who are entitled to benefits under the public retirement systems of the State under certain conditions; and

WHEREAS, These provisions penalize individuals who dedicate the majority of their productive years to public service to the State of Illinois, including educators, police officers, and firefighters; and

WHEREAS, These provisions take away benefits that public employees or their spouses have earned by paying into the Social Security system; and

WHEREAS, These provisions often leave public employees facing poverty in their retirement; and

WHEREAS, The State of Illinois is benefited by the recruitment of the best and most able individuals for public employment, but is hindered from doing so because of the offset penalties; and

WHEREAS, These provisions discourage individuals from moving from private sector employment into positions of public employment; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we encourage and support action by the Congress of the United States to enact legislation to repeal the Government Pension Offset and the Windfall Elimination Provision from the Social Security Act, or reduce the effects thereof; and be it further
