"Section 5. The Illinois Vehicle Code is amended by changing Sections 6-205, 6-208 and 6-303 as follows:

(625 ILCS 5/6-205) (from Ch. 95 1/2, par. 6-205)

Sec. 6-205. Mandatory revocation of license or permit; Hardship cases.

(a) Except as provided in this Section, the Secretary of State shall immediately revoke the license, permit, or driving privileges of any driver upon receiving a report of the driver's conviction of any of the following offenses:

1. Reckless homicide resulting from the operation of a motor vehicle;
2. Violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof;
3. Any felony under the laws of any State or the federal government in the commission of which a motor vehicle was used;
4. Violation of Section 11-401 of this Code relating to the offense of leaving the scene of a traffic accident involving death or personal injury;
5. Perjury or the making of a false affidavit or statement under oath to the Secretary of State under this Code or under any other law relating to the ownership or operation of motor vehicles;
6. Conviction upon 3 charges of violation of Section 11-503 of this Code relating to the offense of reckless driving committed within a period of 12 months;
7. Conviction of any offense defined in Section 4-102 of this Code;
8. Violation of Section 11-504 of this Code relating to the offense of drag racing;
9. Violation of Chapters 8 and 9 of this Code;
10. Violation of Section 12-5 of the Criminal Code of 1961 arising from the use of a motor vehicle;
11. Violation of Section 11-204.1 of this Code relating to aggravated fleeing or attempting to elude a peace officer;
12. Violation of paragraph (1) of subsection (b) of Section 6-507, or a similar law of any other state, relating to the unlawful operation of a commercial motor vehicle;
13. Violation of paragraph (a) of Section 11-502 of this Code or a similar provision of a local ordinance if the driver has been previously convicted of a violation of that Section or a similar provision of a local ordinance and the driver was less than 21 years of age at the time of the offense.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile

[May 16, 2007]

Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit.

(c) ~~Except as provided in subsection (c-5), whenever~~ ~~Whenever~~ a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner or a household member of the petitioner's family for the receipt of necessary medical care or, if the professional evaluation indicates, provide transportation for the petitioner for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship would result from a failure to issue the restricted driving permit.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, or if a person has been convicted of one violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination thereof, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-5) The Secretary may not issue a restricted driving permit to any person who has been convicted of a second or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state.

(d) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that

the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may issue the applicant a license, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each, until the applicant attains 21 years of age.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The revocation periods contained in this subparagraph shall apply to similar out-of-state convictions.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by an individual who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system.

(i) The Secretary of State may not issue a restricted driving permit for a period of one year after a second or subsequent revocation of driving privileges under clause (a)(2) of this Section; however, one year after the date of a second or subsequent revocation of driving privileges under clause (a)(2) of this Section, the Secretary of State may, upon application, issue a restricted driving permit under the terms and conditions of subsection (c).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked under any provisions of this Code.

(b) Any person whose license, permit or privilege to drive a motor vehicle on the highways has been revoked shall not be entitled to have such license, permit or privilege renewed or restored. However,

[May 16, 2007]

such person may, except as provided under ~~subsections~~ subsection (d) and (d-5) of Section 6-205, make application for a license pursuant to Section 6-106 (i) if the revocation was for a cause which has been removed or (ii) as provided in the following subparagraphs:

1. Except as provided in subparagraphs 1.5, 2, 3, and 4, ~~and 5~~, the person may make application for a

license after the expiration of one year from the effective date of the revocation or, in the case of a violation of paragraph (b) of Section 11-401 of this Code or a similar provision of a local ordinance, after the expiration of 3 years from the effective date of the revocation or, in the case of a violation of Section 9-3 of the Criminal Code of 1961 or a similar provision of a law of another state relating to the offense of reckless homicide or a violation of subparagraph (F) of paragraph 1 of subsection (d) of Section 11-501 of this Code relating to aggravated driving under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof, if the violation was the proximate cause of a death, after the expiration of 2 years from the effective date of the revocation or after the expiration of 24 months from the date of release from a period of imprisonment as provided in Section 6-103 of this Code, whichever is later.

1.5. If the person is convicted of a violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state, the person may not make application for a license or permit until the expiration of 3 years from the effective date of the most recent revocation.

2. If such person is convicted of committing a second violation within a 20 year period of:

- (A) Section 11-501 of this Code, or a similar provision of a local ordinance; or
- (B) Paragraph (b) of Section 11-401 of this Code, or a similar provision of a local ordinance; or
- (C) Section 9-3 of the Criminal Code of 1961, as amended, relating to the offense of reckless homicide; or
- (D) any combination of the above offenses committed at different instances;

then such person may not make application for a license until after the expiration of 5 years from the effective date of the most recent revocation. The 20 year period shall be computed by using the dates the offenses were committed and shall also include similar out-of-state offenses.

3. However, except as provided in subparagraph 4, if such person is convicted of committing a third, or subsequent, violation or any combination of the above offenses, including similar out-of-state offenses, contained in subparagraph 2, then such person may not make application for a license until after the expiration of 10 years from the effective date of the most recent revocation.

4. The person may not make application for a license if the person is convicted of committing a fourth or subsequent violation of Section 11-501 of this Code or a similar provision of a local ordinance, Section 11-401 of this Code, Section 9-3 of the Criminal Code of 1961, or a combination of these offenses or similar provisions of local ordinances or similar out-of-state offenses.

5. The person may not make application for a license or permit if the person is convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state.

Notwithstanding any other provision of this Code, all persons referred to in this paragraph (b) may not have their privileges restored until the Secretary receives payment of the required reinstatement fee pursuant to subsection (b) of Section 6-118.

In no event shall the Secretary issue such license unless and until such person has had a hearing pursuant to this Code and the appropriate administrative rules and the Secretary is satisfied, after a review or investigation of such person, that to grant the privilege of driving a motor vehicle on the highways will not endanger the public safety or welfare.

(12) A person may not receive a disposition of court supervision for a violation of Section 5-16 of the Boat Registration and Safety Act if that person has previously received a disposition of court supervision for a violation of that Section.

(d) In any case in which a sentence originally imposed is vacated, the case shall be remanded to the trial court. The trial court shall hold a hearing under Section 5-4-1 of the Unified Code of Corrections which may include evidence of the defendant's life, moral character and occupation during the time since the original sentence was passed. The trial court shall then impose sentence upon the defendant. The trial court may impose any sentence which could have been imposed at the original trial subject to Section 5-5-4 of the Unified Code of Corrections. If a sentence is vacated on appeal or on collateral attack due to the failure of the trier of fact at trial to determine beyond a reasonable doubt the existence of a fact (other than a prior conviction) necessary to increase the punishment for the offense beyond the statutory maximum otherwise applicable, either the defendant may be re-sentenced to a term within the range otherwise provided or, if the State files notice of its intention to again seek the extended sentence, the defendant shall be afforded a new trial.

(e) In cases where prosecution for aggravated criminal sexual abuse under Section 12-16 of the Criminal Code of 1961 results in conviction of a defendant who was a family member of the victim at the time of the commission of the offense, the court shall consider the safety and welfare of the victim

and may impose a sentence of probation only where:

(1) the court finds (A) or (B) or both are appropriate:

(A) the defendant is willing to undergo a court approved counseling program for a minimum duration of 2 years; or

(B) the defendant is willing to participate in a court approved plan including but not limited to the defendant's:

(i) removal from the household;

(ii) restricted contact with the victim;

(iii) continued financial support of the family;

(iv) restitution for harm done to the victim; and

(v) compliance with any other measures that the court may deem appropriate; and

(2) the court orders the defendant to pay for the victim's counseling services, to the

extent that the court finds, after considering the defendant's income and assets, that the defendant is financially capable of paying for such services, if the victim was under 18 years of age at the time the offense was committed and requires counseling as a result of the offense.

Probation may be revoked or modified pursuant to Section 5-6-4; except where the court determines at the hearing that the defendant violated a condition of his or her probation restricting contact with the victim or other family members or commits another offense with the victim or other family members, the court shall revoke the defendant's probation and impose a term of imprisonment.

For the purposes of this Section, "family member" and "victim" shall have the meanings ascribed to them in Section 12-12 of the Criminal Code of 1961.

(f) This Article shall not deprive a court in other proceedings to order a forfeiture of property, to suspend or cancel a license, to remove a person from office, or to impose any other civil penalty.

(g) Whenever a defendant is convicted of an offense under Sections 11-14, 11-15, 11-15.1, 11-16, 11-17, 11-18, 11-18.1, 11-19, 11-19.1, 11-19.2, 12-13, 12-14, 12-14.1, 12-15 or 12-16 of the Criminal Code of 1961, the defendant shall undergo medical testing to determine whether the defendant has any sexually transmissible disease, including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agent of acquired immunodeficiency syndrome (AIDS). Any such medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the defendant's person. Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of the test results. The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or legal guardian of the test results. The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

(g-5) When an inmate is tested for an airborne communicable disease, as determined by the Illinois Department of Public Health including but not limited to tuberculosis, the results of the test shall be personally delivered by the warden or his or her designee in a sealed envelope to the judge of the court in which the inmate must appear for the judge's inspection in camera if requested by the judge. Acting in accordance with the best interests of those in the courtroom, the judge shall have the discretion to determine what if any precautions need to be taken to prevent transmission of the disease in the courtroom.

(h) Whenever a defendant is convicted of an offense under Section 1 or 2 of the Hypodermic Syringes and Needles Act, the defendant shall undergo medical testing to determine whether the defendant has been exposed to human immunodeficiency virus (HIV) or any other identified causative agent of acquired immunodeficiency syndrome (AIDS). Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the public, the judge

shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of a positive test showing an infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

(i) All fines and penalties imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

(j) In cases when prosecution for any violation of Section 11-6, 11-8, 11-9, 11-11, 11-14, 11-15, 11-15.1, 11-16, 11-17, 11-17.1, 11-18, 11-18.1, 11-19, 11-19.1, 11-19.2, 11-20.1, 11-21, 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961, any violation of the Illinois Controlled Substances Act, any violation of the Cannabis Control Act, or any violation of the Methamphetamine Control and Community Protection Act results in conviction, a disposition of court supervision, or an order of probation granted under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substance Act, or Section 70 of the Methamphetamine Control and Community Protection Act of a defendant, the court shall determine whether the defendant is employed by a facility or center as defined under the Child Care Act of 1969, a public or private elementary or secondary school, or otherwise works with children under 18 years of age on a daily basis. When a defendant is so employed, the court shall order the Clerk of the Court to send a copy of the judgment of conviction or order of supervision or probation to the defendant's employer by certified mail. If the employer of the defendant is a school, the Clerk of the Court shall direct the mailing of a copy of the judgment of conviction or order of supervision or probation to the appropriate regional superintendent of schools. The regional superintendent of schools shall notify the State Board of Education of any notification under this subsection.

(j-5) A defendant at least 17 years of age who is convicted of a felony and who has not been previously convicted of a misdemeanor or felony and who is sentenced to a term of imprisonment in the Illinois Department of Corrections shall as a condition of his or her sentence be required by the court to attend educational courses designed to prepare the defendant for a high school diploma and to work toward a high school diploma or to work toward passing the high school level Test of General Educational Development (GED) or to work toward completing a vocational training program offered by the Department of Corrections. If a defendant fails to complete the educational training required by his or her sentence during the term of incarceration, the Prisoner Review Board shall, as a condition of mandatory supervised release, require the defendant, at his or her own expense, to pursue a course of study toward a high school diploma or passage of the GED test. The Prisoner Review Board shall revoke the mandatory supervised release of a defendant who wilfully fails to comply with this subsection (j-5) upon his or her release from confinement in a penal institution while serving a mandatory supervised release term; however, the inability of the defendant after making a good faith effort to obtain financial aid or pay for the educational training shall not be deemed a wilful failure to comply. The Prisoner Review Board shall recommit the defendant whose mandatory supervised release term has been revoked under this subsection (j-5) as provided in Section 3-3-9. This subsection (j-5) does not apply to a defendant who has a high school diploma or has successfully passed the GED test. This subsection (j-5) does not apply to a defendant who is determined by the court to be developmentally disabled or otherwise mentally incapable of completing the educational or vocational program.

(k) A court may not impose a sentence or disposition for a felony or misdemeanor that requires the defendant to be implanted or injected with or to use any form of birth control.

(l) (A) Except as provided in paragraph (C) of subsection (l), whenever a defendant, who is an alien as defined by the Immigration and Nationality Act, is convicted of any felony or misdemeanor offense, the court after sentencing the defendant may, upon motion of the State's Attorney, hold sentence in abeyance and remand the defendant to the custody of the Attorney General of the United States or his or her designated agent to be deported when:

- (1) a final order of deportation has been issued against the defendant pursuant to proceedings under the Immigration and Nationality Act, and
- (2) the deportation of the defendant would not deprecate the seriousness of the

defendant's conduct and would not be inconsistent with the ends of justice.

Otherwise, the defendant shall be sentenced as provided in this Chapter V.

(B) If the defendant has already been sentenced for a felony or misdemeanor offense, or has been placed on probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act, the court may, upon motion of the State's Attorney to suspend the sentence imposed, commit the defendant to the custody of the Attorney General of the United States or his or her designated agent when:

(1) a final order of deportation has been issued against the defendant pursuant to proceedings under the Immigration and Nationality Act, and

(2) the deportation of the defendant would not deprecate the seriousness of the defendant's conduct and would not be inconsistent with the ends of justice.

(C) This subsection (1) does not apply to offenders who are subject to the provisions of paragraph (2) of subsection (a) of Section 3-6-3.

(D) Upon motion of the State's Attorney, if a defendant sentenced under this Section returns to the jurisdiction of the United States, the defendant shall be recommitted to the custody of the county from which he or she was sentenced. Thereafter, the defendant shall be brought before the sentencing court, which may impose any sentence that was available under Section 5-5-3 at the time of initial sentencing. In addition, the defendant shall not be eligible for additional good conduct credit for meritorious service as provided under Section 3-6-6.

(m) A person convicted of criminal defacement of property under Section 21-1.3 of the Criminal Code of 1961, in which the property damage exceeds \$300 and the property damaged is a school building, shall be ordered to perform community service that may include cleanup, removal, or painting over the defacement.

(n) The court may sentence a person convicted of a violation of Section 12-19, 12-21, or 16-1.3 of the Criminal Code of 1961 (i) to an impact incarceration program if the person is otherwise eligible for that program under Section 5-8-1.1, (ii) to community service, or (iii) if the person is an addict or alcoholic, as defined in the Alcoholism and Other Drug Abuse and Dependency Act, to a substance or alcohol abuse program licensed under that Act.

(o) Whenever a person is convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act, the defendant's driver's license or permit shall be subject to renewal on an annual basis in accordance with the provisions of license renewal established by the Secretary of State.

(730 ILCS 5/5-6-1) (from Ch. 38, par. 1005-6-1)

Sec. 5-6-1. Sentences of Probation and of Conditional Discharge and Disposition of Supervision. The General Assembly finds that in order to protect the public, the criminal justice system must compel compliance with the conditions of probation by responding to violations with swift, certain and fair punishments and intermediate sanctions. The Chief Judge of each circuit shall adopt a system of structured, intermediate sanctions for violations of the terms and conditions of a sentence of probation, conditional discharge or disposition of supervision.

(a) Except where specifically prohibited by other provisions of this Code, the court shall impose a sentence of probation or conditional discharge upon an offender unless, having regard to the nature and circumstance of the offense, and to the history, character and condition of the offender, the court is of the opinion that:

(1) his imprisonment or periodic imprisonment is necessary for the protection of the public; or

(2) probation or conditional discharge would deprecate the seriousness of the offender's conduct and would be inconsistent with the ends of justice; or

(3) a combination of imprisonment with concurrent or consecutive probation when an offender has been admitted into a drug court program under Section 20 of the Drug Court Treatment Act is necessary for the protection of the public and for the rehabilitation of the offender.

The court shall impose as a condition of a sentence of probation, conditional discharge, or supervision, that the probation agency may invoke any sanction from the list of intermediate sanctions adopted by the chief judge of the circuit court for violations of the terms and conditions of the sentence of probation, conditional discharge, or supervision, subject to the provisions of Section 5-6-4 of this Act.

(b) The court may impose a sentence of conditional discharge for an offense if the court is of the

opinion that neither a sentence of imprisonment nor of periodic imprisonment nor of probation supervision is appropriate.

(b-1) Subsections (a) and (b) of this Section do not apply to a defendant charged with a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961 if the defendant within the past 12 months has been convicted of or pleaded guilty to a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961.

(c) The court may, upon a plea of guilty or a stipulation by the defendant of the facts supporting the charge or a finding of guilt, defer further proceedings and the imposition of a sentence, and enter an order for supervision of the defendant, if the defendant is not charged with: (i) a Class A misdemeanor, as defined by the following provisions of the Criminal Code of 1961: Sections 11-9.1; 12-3.2; 12-15; 26-5; 31-1; 31-6; 31-7; subsections (b) and (c) of Section 21-1; paragraph (1) through (5), (8), (10), and (11) of subsection (a) of Section 24-1; (ii) a Class A misdemeanor violation of Section 3.01, 3.03-1, or 4.01 of the Humane Care for Animals Act; or (iii) felony. If the defendant is not barred from receiving an order for supervision as provided in this subsection, the court may enter an order for supervision after considering the circumstances of the offense, and the history, character and condition of the offender, if the court is of the opinion that:

- (1) the offender is not likely to commit further crimes;
- (2) the defendant and the public would be best served if the defendant were not to receive a criminal record; and
- (3) in the best interests of justice an order of supervision is more appropriate than a sentence otherwise permitted under this Code.

(c-5) Subsections (a), (b), and (c) of this Section do not apply to a defendant charged with a second or subsequent violation of Section 6-303 of the Illinois Vehicle Code committed while his or her driver's license, permit or privileges were revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state.

(d) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance when the defendant has previously been:

- (1) convicted for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state; or
- (2) assigned supervision for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state; or
- (3) pleaded guilty to or stipulated to the facts supporting a charge or a finding of guilty to a violation of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state, and the plea or stipulation was the result of a plea agreement.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

(e) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 16A-3 of the Criminal Code of 1961 if said defendant has within the last 5 years been:

- (1) convicted for a violation of Section 16A-3 of the Criminal Code of 1961; or
- (2) assigned supervision for a violation of Section 16A-3 of the Criminal Code of 1961.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

(f) The provisions of paragraph (c) shall not apply to a defendant charged with violating Sections 15-111, 15-112, 15-301, paragraph (b) of Section 6-104, Section 11-605, or Section 11-1414 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(g) Except as otherwise provided in paragraph (i) of this Section, the provisions of paragraph (c) shall not apply to a defendant charged with violating Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance if the defendant has within the last 5 years been:

- (1) convicted for a violation of Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance; or
- (2) assigned supervision for a violation of Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

(h) The provisions of paragraph (c) shall not apply to a defendant under the age of 21 years charged with violating a serious traffic offense as defined in Section 1-187.001 of the Illinois Vehicle Code:

(1) unless the defendant, upon payment of the fines, penalties, and costs provided by law, agrees to attend and successfully complete a traffic safety program approved by the court under standards set by the Conference of Chief Circuit Judges. The accused shall be responsible for payment of any traffic safety program fees. If the accused fails to file a certificate of successful completion on or before the termination date of the supervision order, the supervision shall be summarily revoked and conviction entered. The provisions of Supreme Court Rule 402 relating to pleas of guilty do not apply in cases when a defendant enters a guilty plea under this provision; or

(2) if the defendant has previously been sentenced under the provisions of paragraph

(c) on or after January 1, 1998 for any serious traffic offense as defined in Section 1-187.001 of the Illinois Vehicle Code.

(i) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 3-707 of the Illinois Vehicle Code or a similar provision of a local ordinance if the defendant has been assigned supervision for a violation of Section 3-707 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(j) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 6-303 of the Illinois Vehicle Code or a similar provision of a local ordinance when the revocation or suspension was for a violation of Section 11-501 or a similar provision of a local ordinance or ; a violation of Section 11-501.1 or paragraph (b) of Section 11-401 of the Illinois Vehicle Code, ~~or a violation of Section 9-3 of the Criminal Code of 1961~~ if the defendant has within the last 10 years been:

(1) convicted for a violation of Section 6-303 of the Illinois Vehicle Code or a similar provision of a local ordinance; or

(2) assigned supervision for a violation of Section 6-303 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(k) The provisions of paragraph (c) shall not apply to a defendant charged with violating any provision of the Illinois Vehicle Code or a similar provision of a local ordinance that governs the movement of vehicles if, within the 12 months preceding the date of the defendant's arrest, the defendant has been assigned court supervision on 2 occasions for a violation that governs the movement of vehicles under the Illinois Vehicle Code or a similar provision of a local ordinance.

(l) A defendant charged with violating any provision of the Illinois Vehicle Code who, after a court appearance in the same matter, receives a disposition of supervision under subsection (c) shall pay an additional fee of \$20, to be collected as provided in Sections 27.5 and 27.6 of the Clerks of Courts Act. In addition to the \$20 fee, the person shall also pay a fee of \$5, which, if not waived by the court, shall be collected as provided in Sections 27.5 and 27.6 of the Clerks of Courts Act. The \$20 fee shall be disbursed as provided in Section 16-104c of the Illinois Vehicle Code. "Section 10. The Tobacco Accessories and Smoking Herbs Control Act is amended by changing Sections 2, 3, and 4 as follows:

(720 ILCS 685/2) (from Ch. 23, par. 2358-2)

Sec. 2. Purpose.

(a) The sale and possession of marijuana, hashish, cocaine, opium and their derivatives, is not only prohibited by Illinois Law, but the use of these substances has been deemed injurious to the health of the user.

It has further been determined by the Surgeon General of the United States that the use of tobacco is hazardous to human health.

The ready availability of smoking herbs to minors could lead to the use of tobacco and illegal drugs.

It is in the best interests of the citizens of the State of Illinois to seek to prohibit the spread of illegal drugs, tobacco or smoking materials to minors. The prohibition of the sale of tobacco and snuff accessories and smoking herbs to minors would help to curb the usage of illegal drugs and tobacco products, among our youth.

(b) The General Assembly finds and declares that there has been a proliferation of flavored cigarettes in recent years. Many of these products have flavors that are particularly attractive to children. These cigarettes have included flavors such as various fruits, candy, chocolate, vanilla, honey, other sweeteners, nut, mint, cocoa, desserts, soft drinks, alcoholic beverages, herb and spice flavorings or other flavorings that are attractive to youth. According to survey evidence and public health experts, children are more likely to choose flavored cigarettes and thus the existence of these products increases the incidence of cigarette use among children. Moreover, the earlier that an individual begins using tobacco, the more likely he or she will become addicted to tobacco products and will continue to use tobacco products throughout his or her lifetime. Accordingly, flavored cigarettes result in increased tobacco use, increased addiction, a greater incidence of smoking-related illnesses, increased health care costs, and more smoking-related deaths. The General Assembly therefore finds and declares that the existence of flavored cigarettes presents a significant threat to public health and to our children, and that the sale of flavored cigarettes must be restricted.

AMENDMENT NO. 1. Amend House Bill 3490 by replacing everything after the enacting clause

[May 16, 2007]

"Section 5. The Public Building Commission Act is amended by changing Sections 3 and 20 and by adding Sections 2.5, 20.3, 20.4, 20.5, 20.10, 20.15, 20.20, and 20.25 as follows:

(50 ILCS 20/2.5 new)

Sec. 2.5. Legislative policy; conditions for use of design-build. It is the intent of the General Assembly that a commission be allowed to use the design-build delivery method for public projects if it is shown to be in the commission's best interest for that particular project.

It shall be the policy of the commission in the procurement of design-build services to publicly announce all requirements for design-build services and to procure these services on the basis of demonstrated competence and qualifications and with due regard for the principles of competitive selection.

The commission shall, prior to issuing requests for proposals, promulgate and publish procedures for the solicitation and award of contracts pursuant to this Act.

The commission shall, for each public project or projects permitted under this Act, make a written determination, including a description as to the particular advantages of the design-build procurement method, that it is in the best interests of the commission to enter into a design-build contract for the project or projects.

In making that determination, the following factors shall be considered:

(1) The probability that the design-build procurement method will be in the best interests of the commission by providing a material savings of time or cost over the design-bid-build or other delivery system.

(2) The type and size of the project and its suitability to the design-build procurement method.

(3) The ability of the design-build entity to define and provide comprehensive scope and performance criteria for the project.

No commission may use a design-build procurement method unless the commission determines in writing that the project will comply with the disadvantaged business and equal employment practices of the State as established in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act and Section 2-105 of the Illinois Human Rights Act.

This Section is repealed 5 years after the effective date of this amendatory Act of the 95th General Assembly.

The successful bidder for such work shall enter into contracts furnished and prescribed by the Board of Commissioners and in addition to any other bonds required under this Act the successful bidder shall execute and give bond, payable to and to be approved by the Commission, with a corporate surety authorized to do business under the laws of the State of Illinois, in an amount to be determined by the Board of Commissioners, conditioned upon the payment of all labor furnished and materials supplied in the prosecution of the contracted work. Sec. 20.3. Solicitation of design-build proposals.

(a) When the Commission elects to use the design-build delivery method, it must issue a notice of intent to receive proposals for the project at least 14 days before issuing the request for the proposal. The Commission must publish the advance notice in a daily newspaper of general circulation in the county where the Commission is located. The Commission is encouraged to use publication of the notice in related construction industry service publications. A brief description of the proposed procurement must be included in the notice. The Commission must provide a copy of the request for proposal to any party requesting a copy.

(b) The request for proposal shall be prepared for each project and must contain, without limitation, the following information:

(1) The name of the Commission.

(2) A preliminary schedule for the completion of the contract.

(3) The proposed budget for the project, the source of funds, and the currently available funds at the time the request for proposal is submitted.

(4) Prequalification criteria for design-build entities wishing to submit proposals. The Commission shall include, at a minimum, its normal prequalification, licensing, registration, and other requirements, but nothing contained herein precludes the use of additional prequalification criteria by the Commission.

(5) Material requirements of the contract, including but not limited to, the proposed terms and conditions, required performance and payment bonds, insurance, and the entity's plan to comply with the utilization goals established by the corporate authorities of the Commission for minority and women business enterprises and to comply with Section 2-105 of the Illinois Human Rights Act.

(6) The performance criteria.

[May 16, 2007]

(7) The evaluation criteria for each phase of the solicitation.

(8) The number of entities that will be considered for the technical and cost evaluation phase.

(c) The Commission may include any other relevant information that it chooses to supply. The design-build entity shall be entitled to rely upon the accuracy of this documentation in the development of its proposal.

(d) The date that proposals are due must be at least 21 calendar days after the date of the issuance of the request for proposal. In the event the cost of the project is estimated to exceed \$12,000,000, then the proposal due date must be at least 28 calendar days after the date of the issuance of the request for proposal. The Commission shall include in the request for proposal a minimum of 30 days to develop the Phase II submissions after the selection of entities from the Phase I evaluation is completed.

(e) This Section is repealed 5 years after the effective date of this amendatory Act of the 95th General Assembly.

(50 ILCS 20/20.4 new)

Sec. 20.4. Development of design-build scope and performance criteria.

(a) The Commission shall develop, with the assistance of a licensed design professional, a request for proposal, which shall include scope and performance criteria. The scope and performance criteria must be in sufficient detail and contain adequate information to reasonably apprise the qualified design-build entities of the Commission's overall programmatic needs and goals, including criteria and preliminary design plans, general budget parameters, schedule, and delivery requirements.

(b) Each request for proposal shall also include a description of the level of design to be provided in the proposals. This description must include the scope and type of renderings, drawings, and specifications that, at a minimum, will be required by the Commission to be produced by the design-build entities.

(c) The scope and performance criteria shall be prepared by a design professional who is an employee of the Commission, or the Commission may contract with an independent design professional selected under the Local Government Professional Services Selection Act (50 ILCS 510) to provide these services.

(d) The design professional that prepares the scope and performance criteria is prohibited from participating in any design-build entity proposal for the project.

(e) This Section is repealed 5 years after the effective date of this amendatory Act of the 95th General Assembly.

(50 ILCS 20/20.5 new)

Sec. 20.5. Procedures for design-build selection.

(a) The Commission must use a two-phase procedure for the selection of the successful design-build entity. Phase I of the procedure will evaluate and shortlist the design-build entities based on qualifications, and Phase II will evaluate the technical and cost proposals.

(b) The Commission shall include in the request for proposal the evaluating factors to be used in Phase I. These factors are in addition to any prequalification requirements of design-build entities that the Commission has set forth. Each request for proposal shall establish the relative importance assigned to each evaluation factor and subfactor, including any weighting of criteria to be employed by the Commission. The Commission must maintain a record of the evaluation scoring to be disclosed in event of a protest regarding the solicitation.

The Commission shall include the following criteria in every Phase I evaluation of design-build entities: (1) experience of personnel; (2) successful experience with similar project types; (3) financial capability; (4) timeliness of past performance; (5) experience with similarly sized projects; (6) successful reference checks of the firm; (7) commitment to assign personnel for the duration of the project and qualifications of the entity's consultants; and (8) ability or past performance in meeting or exhausting good faith efforts to meet the utilization goals for minority and women business enterprises established by the corporate authorities of the Commission and in complying with Section 2-105 of the Illinois Human Rights Act. The Commission may include any additional relevant criteria in Phase I that it deems necessary for a proper qualification review. The Commission may include any additional relevant criteria in Phase I that it deems necessary for a proper qualification review.

The Commission may not consider any design-build entity for evaluation or award if the entity has any pecuniary interest in the project or has other relationships or circumstances, including but not limited to, long-term leasehold, mutual performance, or development contracts with the Commission, that may give the design-build entity a financial or tangible advantage over other design-build entities in the preparation, evaluation, or performance of the design-build contract or that create the appearance of impropriety. No design-build proposal shall be considered that does not include an entity's plan to comply with the requirements established in the minority and women business enterprises and

economically disadvantaged firms established by the corporate authorities of the Commission and with Section 2-105 of the Illinois Human Rights Act.

Upon completion of the qualifications evaluation, the Commission shall create a shortlist of the most highly qualified design-build entities. The Commission, in its discretion, is not required to shortlist the maximum number of entities as identified for Phase II evaluation, provided however, no less than 2 design-build entities nor more than 6 are selected to submit Phase II proposals.

The Commission shall notify the entities selected for the shortlist in writing. This notification shall commence the period for the preparation of the Phase II technical and cost evaluations. The Commission must allow sufficient time for the shortlist entities to prepare their Phase II submittals considering the scope and detail requested by the Commission.

(c) The Commission shall include in the request for proposal the evaluating factors to be used in the technical and cost submission components of Phase II. Each request for proposal shall establish, for both the technical and cost submission components of Phase II, the relative importance assigned to each evaluation factor and subfactor, including any weighting of criteria to be employed by the Commission. The Commission must maintain a record of the evaluation scoring to be disclosed in event of a protest regarding the solicitation.

The Commission shall include the following criteria in every Phase II technical evaluation of design-build entities: (1) compliance with objectives of the project; (2) compliance of proposed services to the request for proposal requirements; (3) quality of products or materials proposed; (4) quality of design parameters; (5) design concepts; (6) innovation in meeting the scope and performance criteria; and (7) constructability of the proposed project. The Commission may include any additional relevant technical evaluation factors it deems necessary for proper selection.

The Commission shall include the following criteria in every Phase II cost evaluation: the guaranteed maximum project cost and the time of completion. The Commission may include any additional relevant technical evaluation factors it deems necessary for proper selection. The guaranteed maximum project cost criteria weighing factor shall not exceed 30%.

The Commission shall directly employ or retain a licensed design professional to evaluate the technical and cost submissions to determine if the technical submissions are in accordance with generally accepted industry standards.

Upon completion of the technical submissions and cost submissions evaluation, the Commission may award the design-build contract to the highest overall ranked entity.

(d) This Section is repealed 5 years after the effective date of this amendatory Act of the 95th General Assembly.

(50 ILCS 20/20.10 new)

Sec. 20.10. Small design-build projects. In any case where the total overall cost of the project is estimated to be less than \$12,000,000, the Commission may combine the two-phase procedure for design-build selection described in Section 20.5 into one combined step, provided that all the requirements of evaluation are performed in accordance with Section 20.5.

This Section is repealed 5 years after the effective date of this amendatory Act of the 95th General Assembly.

(50 ILCS 20/20.15 new)

Sec. 20.15. Submission of design-build proposals. Design-build proposals must be properly identified and sealed. Proposals may not be reviewed until after the deadline for submission has passed as set forth in the request for proposals. All design-build entities submitting proposals shall be disclosed after the deadline for submission, and all design-build entities who are selected for Phase II evaluation shall also be disclosed at the time of that determination.

Phase II design-build proposals shall include a bid bond in the form and security as designated in the request for proposals. Proposals shall also contain a separate sealed envelope with the cost information within the overall proposal submission. Proposals shall include a list of all design professionals and other entities to which any work identified in Section 30-30 of the Illinois Procurement Code as a subdivision of construction work may be subcontracted during the performance of the contract.

Proposals must meet all material requirements of the request for proposal or they may be rejected as non-responsive. The Commission shall have the right to reject any and all proposals.

The drawings and specifications of any unsuccessful design-build proposal shall remain the property of the design-build entity.

The Commission shall review the proposals for compliance with the performance criteria and evaluation factors.

Proposals may be withdrawn prior to the due date and time for submissions for any cause. After evaluation begins by the Commission, clear and convincing evidence of error is required for withdrawal.

[May 16, 2007]

This Section is repealed 5 years after the effective date of this amendatory Act of the 95th General Assembly.

(50 ILCS 20/20.20 new)

Sec. 20.20. Design-build award. The Commission may award a design-build contract to the highest overall ranked entity. Notice of award shall be made in writing. Unsuccessful entities shall also be notified in writing. The Commission may not request a best and final offer after the receipt of proposals. The Commission may negotiate with the selected design-build entity after award but prior to contract execution for the purpose of securing better terms than originally proposed, provided that the salient features of the request for proposal are not diminished.

This Section is repealed 5 years after the effective date of this amendatory Act of the 95th General Assembly.

(50 ILCS 20/20.25 new)

Sec. 20.25. Minority and female owned enterprises; total construction budget.

(a) Each year, within 60 days following the end of a commission's fiscal year, the commission shall provide a report to the General Assembly addressing the utilization of minority and female owned business enterprises on design-build projects.

(b) No more than 25% of a commission's annual construction budget shall be used for design-build procurement.

(c) This Section is repealed 5 years after the effective date of this amendatory Act of the 95th General Assembly."
