(30 ILCS 105/8h)

Sec. 8h. Transfers to General Revenue Fund.

(a) Except as otherwise provided in this Section and Section 8n of this Act, and ~~(c), (d), or (e)~~, notwithstanding any other State law to the contrary, the Governor may, through June 30, 2007, from time to time direct the State Treasurer and Comptroller to transfer a specified sum from any fund held by the State Treasurer to the General Revenue Fund in order to help defray the State's operating costs for the fiscal year. The total transfer under this Section from any fund in any fiscal year shall not exceed the lesser of (i) 8% of the revenues to be deposited into the fund during that fiscal year or (ii) an amount that leaves a remaining fund balance of 25% of the July 1 fund balance of that fiscal year. In fiscal year 2005 only, prior to calculating the July 1, 2004 final balances, the Governor may calculate and direct the State Treasurer with the Comptroller to transfer additional amounts determined by applying the formula authorized in Public Act 93-839 to the funds balances on July 1, 2003. No transfer may be made from a fund under this Section that would have the effect of reducing the available balance in the fund to an amount less than the amount remaining unexpended and unreserved from the total appropriation from that fund estimated to be expended for that fiscal year. This Section does not apply to any funds that are restricted by federal law to a specific use, to any funds in the Motor Fuel Tax Fund, the Intercity Passenger Rail Fund, the Hospital Provider Fund, the Medicaid Provider Relief Fund, the Teacher Health Insurance Security Fund, the Reviewing Court Alternative Dispute Resolution Fund, the Voters' Guide Fund, the Foreign Language Interpreter Fund, the Lawyers' Assistance Program Fund, the Supreme Court Federal Projects Fund, the Supreme Court Special State Projects Fund, the Supplemental Low-Income Energy Assistance Fund, the Good Samaritan Energy Trust Fund, the Low-Level Radioactive Waste Facility Development and Operation Fund, the Horse Racing Equity Trust Fund, or the Hospital Basic Services Preservation Fund, or to any funds to which subsection (f) of Section 20-40 of the Nursing and Advanced Practice Nursing Act applies. No transfers may be made under this Section from the Pet Population Control Fund. Notwithstanding any other provision of this Section, for fiscal year 2004, the total transfer under this Section from the Road Fund or the State Construction Account Fund shall not exceed the lesser of (i) 5% of the revenues to be deposited into the fund during that fiscal year or (ii) 25% of the beginning balance in the fund. For fiscal year 2005 through fiscal year 2007, no amounts may be transferred under this Section from the Road Fund, the State Construction Account Fund, the Criminal Justice Information Systems Trust Fund, the Wireless Service Emergency Fund, or the Mandatory Arbitration Fund.

In determining the available balance in a fund, the Governor may include receipts, transfers into the fund, and other resources anticipated to be available in the fund in that fiscal year.

[August 9, 2007]

The State Treasurer and Comptroller shall transfer the amounts designated under this Section as soon as may be practicable after receiving the direction to transfer from the Governor.

(a-5) Transfers directed to be made under this Section on or before February 28, 2006 that are still pending on May 19, 2006 (the effective date of Public Act 94-774) ~~this amendatory Act of the 94th General Assembly~~ shall be redirected as provided in Section 8n of this Act.

Of the additional tax imposed by this amendatory Act of 1985, \$9,000,000 of the moneys received by the Department of Revenue pursuant to this Act shall be paid each month into the Common School Fund. On and after the effective date of this amendatory Act of 1989, in addition to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes at the rate of 5 mills per cigarette sold or otherwise disposed of in the course of such business in this State. On and after the effective date of this amendatory Act of 1993, in addition to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes at the rate of 7 mills per cigarette sold or otherwise disposed of in the course of such business in this State. On and after December 15, 1997, in addition to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes at the rate of 7 mills per cigarette sold or otherwise disposed of in the course of such business of this State. All of the moneys received by the Department of Revenue pursuant to this Act and the Cigarette Use Tax Act from the additional taxes imposed by this amendatory Act of 1997, shall be paid each month into the Common School Fund. Beginning on September 1, 2007 in addition to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes at the rate of 45 mills per cigarette sold or otherwise disposed of in the course of such business in this State. Of the moneys received by the Department of Revenue under this Act and the Cigarette Use Tax Act from the additional taxes imposed by this amendatory Act of the 95th General Assembly: (i) 0.57% must be paid each month into the Tax Compliance and Enforcement Fund for the purpose of the enforcement of this Act and of the Cigarette Use Tax Act; (ii) 28.57% must be paid each month into the Healthcare Provider Relief Fund; and (iii) 70.86% must be paid each month into the Pension Stabilization Fund. However, such taxes are not imposed upon any activity in such business in interstate commerce or otherwise, which activity may not under the

[August 9, 2007]

Constitution and statutes of the United States be made the subject of taxation by this State.

Beginning on the effective date of this amendatory Act of the 92nd General Assembly and through June 30, 2006, all of the moneys received by the Department of Revenue pursuant to this Act and the Cigarette Use Tax Act, other than the moneys that are dedicated to the Common School Fund, shall be distributed each month as follows: first, there shall be paid into the General Revenue Fund an amount which, when added to the amount paid into the Common School Fund for that month, equals \$33,300,000, except that in the month of August of 2004, this amount shall equal \$83,300,000; then, from the moneys remaining, if any amounts required to be paid into the General Revenue Fund in previous months remain unpaid, those amounts shall be paid into the General Revenue Fund; then, beginning on April 1, 2003, from the moneys remaining, \$5,000,000 per month shall be paid into the School Infrastructure Fund; then, if any amounts required to be paid into the School Infrastructure Fund in previous months remain unpaid, those amounts shall be paid into the School Infrastructure Fund; then the moneys remaining, if any, shall be paid into the Long-Term Care Provider Fund. To the extent that more than \$25,000,000 has been paid into the General Revenue Fund and Common School Fund per month for the period of July 1, 1993 through the effective date of this amendatory Act of 1994 from combined receipts of the Cigarette Tax Act and the Cigarette Use Tax Act, notwithstanding the distribution provided in this Section, the Department of Revenue is hereby directed to adjust the distribution provided in this Section to increase the next monthly payments to the Long Term Care Provider Fund by the amount paid to the General Revenue Fund and Common School Fund in excess of \$25,000,000 per month and to decrease the next monthly payments to the General Revenue Fund and Common School Fund by that same excess amount.

Beginning on July 1, 2006, all of the moneys received by the Department of Revenue pursuant to this Act and the Cigarette Use Tax Act, other than the moneys that are dedicated to the Common School Fund and, beginning on the effective date of this amendatory Act of 2007, other than the moneys from the additional taxes imposed by this amendatory Act of the 95th General Assembly that must be paid each month into the Tax Compliance and Enforcement Fund, the Healthcare Provider Relief Fund, and the Pension Stabilization Fund, shall be distributed each month as follows: first, there shall be paid into the General Revenue Fund an amount that, when added to the amount paid into the Common School Fund for that month, equals \$29,200,000; then, from the moneys remaining, if any amounts required to be paid into the General Revenue Fund in previous months remain unpaid, those amounts shall be paid into the General Revenue Fund; then from the moneys remaining, \$5,000,000 per month shall be paid into the School Infrastructure Fund; then, if any amounts required to be paid into the School Infrastructure Fund in previous months remain unpaid, those amounts shall be paid into the School Infrastructure Fund; then the moneys remaining, if any, shall be paid into the Long-Term Care Provider Fund.

When any tax imposed herein terminates or has terminated, distributors who have bought stamps while such tax was in effect and who therefore paid such tax, but who can show, to the Department's satisfaction, that they sold the cigarettes to which they affixed such stamps after such tax had terminated and did not recover the tax or its equivalent from purchasers, shall be allowed by the Department to take credit for such absorbed tax against subsequent tax stamp purchases from the Department by such distributor.

The impact of the tax levied by this Act is imposed upon the retailer and shall be prepaid or pre-collected by the distributor for the purpose of convenience and facility only, and the amount of the tax shall be added to the price of the cigarettes sold by such distributor. Collection of the tax shall be evidenced by a stamp or stamps affixed to each original package of cigarettes, as hereinafter provided.

Each distributor shall collect the tax from the retailer at or before the time of the sale, shall affix the stamps as hereinafter required, and shall remit the tax collected from retailers to the Department, as hereinafter provided. Any distributor who fails to properly collect and pay the tax imposed by this Act shall be liable for the tax. Any distributor having cigarettes to which stamps have been affixed in his possession for sale on the effective date of this amendatory Act of 1989 shall not be required to pay the additional tax imposed by this amendatory Act of 1989 on such stamped cigarettes. Any distributor having cigarettes to which stamps have been affixed in his or her possession for sale at 12:01 a.m. on the effective date of this amendatory Act of 1993, is required to pay the additional tax imposed by this amendatory Act of 1993 on such stamped cigarettes. This payment, less the discount provided in subsection (b), shall be due when the distributor first makes a purchase of cigarette tax stamps after the effective date of this amendatory Act of 1993, or on the first due date of a return under this Act after the effective date of this amendatory Act of 1993, whichever occurs first. Any distributor having cigarettes to which stamps have been affixed in his possession for sale on December 15, 1997 shall not be required to pay the additional tax imposed by this amendatory Act of 1997 on such stamped cigarettes.

[August 9, 2007]

Any distributor having cigarettes to which stamps have been affixed in his or her possession for sale on July 1, 2002 shall not be required to pay the additional tax imposed by this amendatory Act of the 92nd General Assembly on those stamped cigarettes. Any distributor having cigarettes to which stamps have been affixed in his or her possession for sale on or after September 1, 2007 is required to pay the additional tax imposed by this amendatory Act of the 95th General Assembly on those stamped cigarettes. This payment, less the discount provided in subsection (b), is due when the distributor first makes a purchase of cigarette tax stamps on or after September 1, 2007 or on the first due date of a return under this Act occurring on or after September 1, 2007, whichever occurs first.

The amount of the Cigarette Tax imposed by this Act shall be separately stated, apart from the price of the goods, by both distributors and retailers, in all advertisements, bills and sales invoices.

(b) The distributor shall be required to collect the taxes provided under paragraph (a) hereof, and, to cover the costs of such collection, shall be allowed a discount during any year commencing July 1st and ending the following June 30th in accordance with the schedule set out hereinbelow, which discount shall be allowed at the time of purchase of the stamps when purchase is required by this Act, or at the time when the tax is remitted to the Department without the purchase of stamps from the Department when that method of paying the tax is required or authorized by this Act. Prior to December 1, 1985, a discount equal to 1 2/3% of the amount of the tax up to and including the first \$700,000 paid hereunder by such distributor to the Department during any such year; 1 1/3% of the next \$700,000 of tax or any part thereof, paid hereunder by such distributor to the Department during any such year; 1% of the next \$700,000 of tax, or any part thereof, paid hereunder by such distributor to the Department during any such year, and 2/3 of 1% of the amount of any additional tax paid hereunder by such distributor to the Department during any such year shall apply. On and after December 1, 1985, a discount equal to 1.75% of the amount of the tax payable under this Act up to and including the first \$3,000,000 paid hereunder by such distributor to the Department during any such year and 1.5% of the amount of any additional tax paid hereunder by such distributor to the Department during any such year shall apply.

Two or more distributors that use a common means of affixing revenue tax stamps or that are owned or controlled by the same interests shall be treated as a single distributor for the purpose of computing the discount.

(c) The taxes herein imposed are in addition to all other occupation or privilege taxes imposed by the State of Illinois, or by any political subdivision thereof, or by any municipal corporation.

The tax shall be administered by the county imposing that tax. The payment of the taxes must be evidenced by a stamp affixed to each original package of cigarettes, or an authorized substitute for such a stamp, imprinted on each original package of the cigarettes underneath the sealed transparent outside wrapper or on the exterior of the outside wrapper of the original package.

The tax under this Section, however, is not imposed upon any activity in any business in interstate commerce or otherwise that may not, under the Constitution and statutes of the United States, be made the subject of taxation by this State.

The impact of the tax levied by this Act is imposed upon the retailer and must be prepaid or precollected by the distributor for the purpose of convenience and facility only, and the amount of the tax must be added to the price of the cigarettes sold by the distributor. AMENDMENT NO. 3 TO SENATE BILL 997

AMENDMENT NO. 3. Amend Senate Bill 997 by replacing everything after the enacting clause with the following:

"Section 5. The Circuit Courts Act is amended by changing Sections 2f-2, 2f-5, 2f-6, and 2f-9 and by adding Sections 2k, 2k-1, 2k-2, 2k-3, and 2k-4 as follows:

(705 ILCS 35/2f-2)

Sec. 2f-2. 19th judicial circuit; subcircuits.

(a) The 19th circuit shall be divided into 6 subcircuits. The subcircuits shall be compact, contiguous, and substantially equal in population. The General Assembly by law shall create the subcircuits, using population data as determined by the 2000 federal census, and shall determine a numerical order for the 6 subcircuits. That numerical order shall be the basis for the order in which resident judgeships are assigned to the subcircuits. Once a resident judgeship is assigned to a subcircuit, it shall continue to be assigned to that subcircuit for all purposes.

(a-5) The first vacancy in the 19th judicial circuit's 6 existing circuit judgeships, but not in the additional judgeship described in subsection (b-5), that exists on or after the effective date of this amendatory Act of the 95th General Assembly shall not be filled, by appointment or election, and that judgeship is eliminated. Of the 19th judicial circuit's 6 existing circuit judgeships, but not the additional judgeship described in subsection (b-5), the second and subsequent to be vacant or become vacant on or after the effective date of this amendatory Act of the 95th General Assembly shall be allotted as 19th circuit resident judgeships under subsection (c). As used in this subsection, a vacancy does not include

[August 9, 2007]

the expiration of a term of a resident judge who seeks retention in that office at the next term.

(b) The 19th circuit shall have a total of 6 resident judgeships, except as provided in subsections (a-5) and (b-5). The number of resident judgeships allotted to subcircuits of the 19th judicial circuit pursuant to this Section shall constitute all the resident judgeships of the 19th judicial circuit, except as provided in subsections (a-5) and (b-5).

(b-5) In addition to the number of circuit judges and resident judges otherwise authorized by law, and notwithstanding any other provision of law, beginning on August 7, 2007 there shall be one additional resident judge who is a resident of and elected from the 4th judicial subcircuit of the 19th judicial circuit. That additional resident judgeship may be filled by appointment by the Illinois Supreme Court until filled by election at the general election in 2008, regardless of whether the judgeships for subcircuits 1 and 2 have been filled.

(c) The Supreme Court shall allot, other than the vacant resident judgeship eliminated pursuant to subsection (a-5), (i) all vacancies in resident judgeships of the 19th circuit existing on or occurring on or after the effective date of this amendatory Act of the 93rd General Assembly and not filled at the 2004 general election and (ii) the resident judgeships of the 19th circuit filled at the 2004 general election as those judgeships thereafter become vacant, for election from the various subcircuits until, with the judge of the 4th subcircuit described in subsection (b-5), there is one resident judge to be elected from each subcircuit. No resident judge of the 19th circuit serving on the effective date of this amendatory Act of the 93rd General Assembly shall be required to change his or her residency in order to continue serving in office or to seek retention in office as resident judgeships are allotted by the Supreme Court in accordance with this Section.

(d) A resident judge elected from a subcircuit shall continue to reside in that subcircuit as long as he or she holds that office.

(e) Vacancies in resident judgeships of the 19th circuit shall be filled in the manner provided in Article VI of the Illinois Constitution.
