PRESENTATION OF RESOLUTIONS

SENATE RESOLUTION NO. 624

Offered by Senator E. Jones and all Senators:
Mourns the death of Robert E. Wooten, Sr., of Chicago.

SENATE RESOLUTION NO. 625

Offered by Senator Koehler and all Senators:
Mourns the death of Ellis Hartseil of Peoria.

By unanimous consent, the foregoing resolutions were referred to the Resolutions Consent Calendar.

Senator Koehler offered the following Senate Resolution, which was referred to the Committee on Rules:

SENATE RESOLUTION NO. 626

WHEREAS, Farmers' markets provide not only a valuable marketplace for farmers to sell their products directly to consumers, but also a place for consumers to access fresh fruits, vegetables, and other agricultural products; and

WHEREAS, These markets successfully operate across Illinois; however, there is a lack of comprehensive regulation from one county to the next, resulting in discrepancies between counties regarding the products that may be sold; and

WHEREAS, In 1999, the Department of Public Health published "Technical Information Bulletin/Food #30," in order to outline the sanitation guidelines required for farmers' markets, producer markets, and other outdoor food sales events; and

WHEREAS, This bulletin has not been uniformly interpreted across the State; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that there is created the Task Force on Farmers' Markets, consisting of 12 members appointed as follows: the President of the Senate and Minority Leader of the Senate shall each appoint one member to serve as a co-chair; the Director of Public Health or his or her designee, the Director of Agriculture or his or her designee, a representative of the Farm Bureau, 3 representatives of local county public health departments appointed by the Director of Public Health and selected from 3 different counties representing each of the northern, central, and southern portions of Illinois, and 4 members of the general public who are engaged in local farmers' markets, 2 of whom shall each be approved by a co-chair of the Task Force; and be it further

RESOLVED, That all members of the Task Force shall serve without compensation; and be it further

RESOLVED, That the Task Force can appoint members as it sees fit to serve as representatives of local farmers' markets or other concerned parties; and be it further

RESOLVED, That the duty of the Task Force is to undertake a comprehensive and thorough review of the current implementation of the various Acts that define which products and practices are permitted and which products and practices are not permitted at farmers' markets and other outdoor food sale events; and be it further

RESOLVED, That the Task Force shall assist the Department of Public Health in developing interagency agreements and programs and procedures regarding the implementation of the various Acts that define which products and practices are permitted and which products and practices are not permitted at farmers' markets and other outdoor food sale events; and be it further

[April 3, 2008]

RESOLVED, That the Illinois Department of Public Health shall provide staffing support to the Task Force and shall administer and prepare all reports deemed necessary in conjunction with the Task Force; and be it further

RESOLVED, That the Task Force may request assistance from any entity necessary or useful for the performance of its duties; and be it further

RESOLVED, That the Task Force shall issue a report with its recommendations to the Senate on or before December 31, 2008.

Senator Bomke offered the following Senate Resolution, which was referred to the Committee on Rules:

SENATE RESOLUTION NO. 627

WHEREAS, It is a core mission of the National Guard to provide the states with units that are trained and equipped to protect life and property; and

WHEREAS, The Fire Department of the 183rd Fighter Wing of the Illinois Air National Guard is such a unit; and

WHEREAS, The Department, which is based out of the Abraham Lincoln Capital Airport in Springfield, Illinois, provides invaluable people, equipment, and resources for meeting the State's needs in responding to emergencies and natural disasters; and

WHEREAS, In 2005, the U.S. Defense Base Closure and Realignment Commission announced that the 183rd Fighter Wing would lose its F-16 aircraft; and

WHEREAS, The National Guard Bureau announced that, without a flying mission, the firefighter positions for the 183rd would be eliminated as of April 1, 2008; and

WHEREAS, The removal of the Fire Department at the 183rd would have a substantial negative impact on the safety of the flying public, on the emergency-response capabilities of Springfield and the surrounding communities, and on those communities' ability to respond to natural disasters and to homeland security; and

WHEREAS, The United States Air Force and the National Guard Bureau should station the JCA (C-27J-Spartan) at the Capital Airport in Springfield, which would: (i) provide the nation and the State with a small cargo aircraft that is responsive for flexible and tailored airlift for combat, humanitarian operations, and homeland defense; (ii) enhance the State's capabilities to respond to a disaster in the nation's third largest city and to any incident at one of the nine nuclear power plants in the State; and (iii) provide responsive airlift for National Guard forces in response to domestic emergencies because our nation's governors rely on this flexible mode of transportation for interstate loans of National Guard troops and equipment under Emergency Management Assistance Compacts; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the United States Congress and the National Guard Bureau to take all necessary steps to ensure that the Fire Department of the 183rd remains located at the Abraham Lincoln Capital Airport in Springfield, Illinois for the protection and preservation of the lives and property of citizens of Central Illinois; and be it further

RESOLVED, That a copy of this resolution be delivered to Lieutenant General H. Steven Blum, Chief, National Guard Bureau, the President pro tempore of the U.S. Senate, the Speaker of the U.S. House of Representatives, and each member of the Illinois congressional delegation.

[April 3, 2008]

Senator Kotowski offered the following Senate Resolution, which was referred to the Committee on Rules:

SENATE RESOLUTION NO. 628

WHEREAS, An estimated 25,000 veterans died in Illinois in 2007, most of whom served during World War II and the Korean Conflict and a growing number of whom served during the Vietnam War; and

WHEREAS, These men and women served us so well in defending and protecting our country; and

WHEREAS, Our veterans have made untold sacrifices so that residents of Illinois and the nation may enjoy precious freedoms; and

WHEREAS, The vast majority of veterans will die in the community rather than in Veterans Affairs Medical Centers; and

WHEREAS, Many of our veterans have limited resources and fragile support systems in the community, including elderly and frail spouses, distant family members, and limited options for supportive and comprehensive care at the end of life; and

WHEREAS, Combat veterans have unique needs related to the war theater in which they served, the duties they performed, and the physical, mental, emotional, and spiritual injuries they sustained; and

WHEREAS, These unique needs often go unrecognized and untreated, causing veterans and their families unrelieved anguish and pain; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that on each Memorial Day we rededicate efforts to ensure that all veterans and their families living in the State of Illinois have access to excellent palliative and hospice care that meets their special needs, honors them, and thanks them for their service to our country.

RESOLVED, BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that the Joint Committee for the Constitutional Convention Proposal shall file its report, as established in its authorizing resolution, on or before May 15, 2008; and be it further

(30 ILCS 105/8.46 new)

Sec. 8.46. Transfers to the General Revenue Fund.

(a) Notwithstanding any other State law to the contrary and except as otherwise provided in this Section, the Governor may, through June 30, 2008, from time to time direct the State Treasurer and State Comptroller to transfer sums specified by the Governor up to a total sum of \$530,000,000 from any fund or funds held by the State Comptroller and State Treasurer to the General Revenue Fund in order to help reduce the State's fiscal deficit and preserve the State's ability to meet all of its fiscal obligations. In determining the amount of the transfer to the General Revenue Fund, the Governor shall calculate whether the available resources in the fund are sufficient to satisfy the unexpended and unreserved appropriations from the fund for the fiscal year. No transfer may be made from a fund under this Section that would have the effect of reducing the available balance in the fund to an amount less than the amount remaining unexpended and unreserved from the total appropriation from that fund estimated to be expended for that fiscal year. This Section does not apply to any funds that are restricted by federal law to a specific use or are used primarily for the repayment of State indebtedness.

In calculating the available resources in a fund, the Governor may include receipts, transfers into the fund, and other resources anticipated to be available in the fund in that fiscal year.

The State Treasurer and State Comptroller shall transfer the amounts designated under this Section as soon as may be practicable after receiving the direction to transfer from the Governor.

(b) On and after the effective date of this Section and through June 30, 2008, when any of the funds subject to the transfers made pursuant to subsection (a) have insufficient cash from which the State Comptroller may make expenditures properly supported by appropriations from the fund, the Governor may direct the State Comptroller and the State Treasurer to reverse the transfers previously authorized by subsection (a) to the General Revenue Fund and retransfer from the General Revenue Fund, if applicable, all or a portion of the transfers made pursuant to subsection (a). The Governor may further direct from time to time that all or a portion of the amounts transferred from the General Revenue Fund to a fund pursuant to this subsection (b) be re-transferred by the State Comptroller and the State Treasurer from the receiving fund into the General Revenue Fund as soon as and to the extent that deposits are made into or receipts are collected by the receiving fund.

REPORT RECEIVED

REPORT OF THE COMPENSATION REVIEW BOARD STATE OF ILLINOIS

March 31, 2006

TO: Members of the Illinois House of Representatives
Members of the Illinois Senate
Honorable Daniel W. Hynes, Comptroller
Honorable Jesse White, Secretary of State

RECITALS

WHEREAS, pursuant to the laws of the State of Illinois, there was created the Compensation Review Board, consisting of twelve citizens of the State of Illinois (the "Board"), which Board has been entrusted with the responsibility and duty to determine the compensation for members of the General Assembly, judges, other than the county supplement, the elected constitutional officers of State government, state's attorneys and certain appointed officers of State government (collectively referred to as "Public Officials"); and

WHEREAS, the Board has conducted a series of public hearings, heard the testimony of witnesses, and received and reviewed hundreds of pages of documents, all relating to the compensation of the Public Officials; and

WHEREAS, the Board, in determining the compensation for each and every office contained in this Report, has considered the skill required, the time required, the opportunity for other earned income, the value of public services as performed in comparable states, the value of such services as performed in the private sector in Illinois and comparable states based on the responsibility and discretion required in the office, the average of consumer prices commonly known as the cost of living, the overall compensation presently received by the Public Officials and all other benefits received, the interests and welfare of the public and the financial ability of the State to meet those costs, and such other factors, not confined to the foregoing, which are normally and traditionally taken into consideration in the determination of such compensation; and

WHEREAS, it is the unanimous view of the Board that cost-of-living adjustments ("COLAs") must be applied to the salaries for all positions under the jurisdiction of this Board and paid in order to prevent a reduction, in real dollars, in the salaries of Public Officials and that such reduction is not in the public interest; and

WHEREAS, the May 1990 Report of the Board, as acknowledged by the General Assembly, provided that the right to COLA was a vested component of salary (see SJR 192 of the 86th General Assembly); and

WHEREAS, after posting due notice, the Board held a public hearing on March 27, 2008, in Chicago, Illinois, at which the Board voted and approved the following Motions:

[April 3, 2008]

1. To place, as of July 1, 2008, all Public Officials in the executive and legislative branches under the Board's jurisdiction in the same position they would be in if the COLAs payable by law for Fiscal Year 2006 had been paid.
2. To place, as of July 1, 2009, all Public Officials in the executive and legislative branches under the Board's jurisdiction in the same position they would be in if the COLAs payable by law for Fiscal Year 2007 had been paid.
3. To increase the salaries of the judiciary by one and one-half percent (1.5%) as of July 1, 2008 and by one and one-half percent (1.5%) as of July 1, 2009.
4. To increase the salaries of all categories of state's attorneys by one and one-half percent (1.5%) as of July 1, 2008 and by one and one-half percent (1.5%) as of July 1, 2009.
5. To increase the salaries of all Public Officials in the executive branch, including all constitutional officers, under the Board's jurisdiction by one and one-half percent (1.5%) as of July 1, 2008 and by one and one-half percent (1.5%) as of July 1, 2009.
6. To increase the salaries of all Public Officials in the legislative branch under the Board's jurisdiction by one and one-half percent (1.0%) as of July 1, 2008 and by one and one-half percent (1.0%) as of July 1, 2009.
7. To urge the General Assembly to amend the Compensation Review Act so that the Board is required to file its Reports in odd-numbered years, beginning April, 2009.

WHEREAS, the Compensation Review Act requires that seven affirmative votes be cast in order for the Board to determine the compensation of the Public Officials, and each of the aforesaid Motions carried by at least seven affirmative votes, thereby making the results of said Motions the compensation determinations of the Compensation Review Board; and

WHEREAS, in accordance with the foregoing Motions and Resolutions, the annual compensation for the position of each Public Official and per diem amounts are determined as follows:

¹ Pursuant to the 1990 Report of the Compensation Review Board and 1990 Senate Joint Resolution No. 192, all salaries reviewed by the Board are to receive an annual Cost of Living Adjustment (“COLA”), effective every July 1st. The COLA is based on a federal index for the calendar year preceding the scheduled increase known as the “Employment Cost Index, Wages and Salaries, By Occupation and Industry Groups: State and Local Government Workers: Public Administration,” published by the U.S. Department of Labor, Bureau of Labor Statistics. Pursuant to this Index, the Fiscal Year 2009 COLA is 3.8%, which should be applied to all salaries on July 1, 2008 (FY2009).

² The “Salary Presently Being Paid” does not include COLAs for either Fiscal Year 2006 (2.2%) or Fiscal Year 2007 (3.2%), which, pursuant to the Board’s 1990 Report and 1990 Senate Joint Resolution No. 192, should have been included, but no funds were appropriated for these adjustments.

³ The “Recommended Salary as of July 1, 2008” includes the reinstated Fiscal Year 2006 COLA (2.2%) and the 1.5% salary increase recommended by the Board to take effect at that time, as well as the Fiscal Year 2009 COLA (3.8%).

⁴ The “Recommended Salary as of July 1, 2009” includes the reinstated Fiscal Year 2007 COLA (3.2%) and the 1.5% salary increase recommended by the Board to take effect at that time. It does not include the Fiscal Year 2010 COLA, which has not been calculated as of the date of this Report. Pursuant to the Board’s 1990 Report and 1990 Senate Joint Resolution No. 192, these salaries should also receive the Fiscal Year 2010 COLA at that time.
