WHEREAS, The State of Illinois has a government deficit in the billions and the Illinois General Assembly and Governor do not appear likely to resolve the problem until at least the spring of 2010; and

WHEREAS, There are numerous retired State employees who have faithfully served in State government and carefully planned their retirement based on numerous personal financial projections including the cost coverage of health care insurance; and

[October 28, 2009]

WHEREAS, These retirees were promised their healthcare costs would not increase, and they were not fully informed about the loopholes such as higher co-payments, changes in approved drugs, and new premiums; and

WHEREAS, It is unfair to unilaterally and retroactively change the healthcare terms after an individual has retired; and

WHEREAS, Many State retirees are being told by some medical providers that due to delays in payment of medical claims by the State of Illinois, all medical examinations and procedures must now be paid in advance; and

WHEREAS, Such unexpected increases in health costs create a financial hardship on retirees who are on a limited income; and

WHEREAS, Some of these retirees choose to postpone or neglect medical assistance altogether because they cannot pay prior to treatment; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we request the patience and the understanding of these medical providers to reconsider their "pay in advance" policy for State retirees who are innocent victims of the State's current financial crisis.

MESSAGE FROM THE HOUSE

A message from the House by

Mr. Mahoney, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has adopted the following joint resolution, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

HOUSE JOINT RESOLUTION NO. 72

WHEREAS, Osteoporosis is characterized by low bone mass and the deterioration of bone tissues, which increase the risk of bone fractures; osteoporosis primarily affects older women due to the significant physical changes that affect bone health during and following menopause; and

WHEREAS, Osteoporosis is often called the "silent disease" because bone loss occurs without symptoms and may not be detected until a fracture occurs; bone mineral density tests can be performed to identify osteoporosis and determine risk for fractures before they occur; and

WHEREAS, Osteoporosis treatment focuses on proper nutrition, exercise, and fall prevention; in addition, medications may slow or stop bone loss, increase bone density, and reduce fracture risk; building strong bones in childhood and adolescence can help prevent osteoporosis later in life; almost 90 percent of bone mass is acquired by age 18 in women and by age 20 in men; and

WHEREAS, In the U.S., 10 million individuals, 80 percent of whom are women, are estimated to have osteoporosis and almost 34 million more are estimated to have low bone mass, placing them at increased risk for the disease; half of women over age 50 will have an osteoporosis-related fracture in their life; fractures due to osteoporosis are most likely in the hip, spine, and wrist, but any bone can be affected; and

WHEREAS, In 2005, osteoporosis was responsible for more than 2 million fractures, costing an estimated \$19 billion in direct care; by 2025, osteoporosis-related fractures are expected to cost approximately \$25.3 billion in health costs; approximately 75 percent of health care costs of osteoporosis for women over the age of 45 are paid for by Medicare and Medicaid; each year, 140,000 nursing home admissions are the direct result of a hip fracture; and

[October 28, 2009]

WHEREAS, Federal and State legislation has been introduced in an effort to increase funding for medical research on osteoporosis, expand bone health and osteoporosis education programs, and improve access and reimbursement for tests to diagnose the disease; and

WHEREAS, At least thirty-five states and Puerto Rico have enacted laws relating to osteoporosis, the majority of which establish state-wide education, public awareness and prevention programs; the states of California, Florida, Georgia, Illinois, Kansas, Kentucky, Louisiana, Maryland, Missouri, New York, North Carolina, Oklahoma, Tennessee, and Texas all mandate insurance coverage for osteoporosis-related diagnostic and treatment services, including technologies approved by the Federal Drug Administration (FDA) and bone density measurement; and

WHEREAS, 20 ILCS 2305/8.2 requires the Department of Public Health to establish, promote, and maintain an osteoporosis prevention and education program to promote public awareness of the causes of osteoporosis, options for prevention, the value of early detection, and treatments; and

WHEREAS, 215 ILCS 5/356z.6 requires insurance coverage for medically necessary bone mass measurement and for the diagnosis and treatment of osteoporosis on the same terms and conditions that are generally applicable to coverage for other medical conditions; and

WHEREAS, 320 ILCS 25/3.15 provides coverage for any prescription drug used in the treatment of osteoporosis under the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act; and

WHEREAS, The month of May is National Osteoporosis Awareness and Prevention Month and the date of October 20 is World Osteoporosis Day; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we designate the date of May 10, 2010 as "Osteoporosis Day" in the State of Illinois.

Adopted by the House, October 15, 2009.

- (7) (blank); or

The Board is expressly prohibited from making changes to the requirement that licensees make payment into the Horse Racing Equity Trust Fund without the express authority of the Illinois General Assembly and making any other rule to implement or interpret this amendatory Act of the 95th General Assembly. For the purposes of this paragraph, "rules" is given the meaning given to that term in Section 1-70 of the Illinois Administrative Procedure Act.

(b) In determining whether to grant an owners license to an applicant, the Board shall consider:

- (1) the character, reputation, experience and financial integrity of the applicants and of any other or separate person that either:

- (5) the financial ability of the applicant to purchase and maintain adequate liability and casualty insurance;

(6) whether the applicant has adequate capitalization to provide and maintain, for the duration of a license, a riverboat;

(8) The amount of the applicant's license bid.

(c) Each owners license shall specify the place where riverboats shall operate and dock.

(d) Each applicant shall submit with his application, on forms provided by the Board, 2 sets of his fingerprints.

(e) The Board may issue up to 10 licenses authorizing the holders of such licenses to own riverboats. In the application for an owners license, the applicant shall state the dock at which the riverboat is based and the water on which the riverboat will be located. The Board shall issue 5 licenses to become effective not earlier than January 1, 1991. Three of such licenses shall authorize riverboat gambling on the Mississippi River, or, with approval by the municipality in which the riverboat was docked on August 7, 2003 and with Board approval, be authorized to relocate to a new location, in a municipality that (1) borders on the Mississippi River or is within 5 miles of the city limits of a municipality that borders on the Mississippi River and (2), on August 7, 2003, had a riverboat conducting riverboat gambling operations pursuant to a license issued under this Act; one of which shall authorize riverboat gambling from a home dock in the city of East St. Louis. One other license shall authorize riverboat gambling on the Illinois River south of Marshall County. The Board shall issue one additional license to become effective not earlier than March 1, 1992, which shall authorize riverboat gambling on the Des Plaines River in Will County. The Board may issue 4 additional licenses to become effective not earlier than March 1, 1992. In determining the water upon which riverboats will operate, the Board shall consider the economic benefit which riverboat gambling confers on the State, and shall seek to assure that all regions of the State share in the economic benefits of riverboat gambling.

In granting all licenses, the Board may give favorable consideration to economically depressed areas of the State, to applicants presenting plans which provide for significant economic development over a large geographic area, and to applicants who currently operate non-gambling riverboats in Illinois. The Board shall review all applications for owners licenses, and shall inform each applicant of the Board's decision. The Board may grant an owners license to an applicant that has not submitted the highest license bid, but if it does not select the highest bidder, the Board shall issue a written decision explaining why another applicant was selected and identifying the factors set forth in this Section that favored the winning bidder.

In addition to any other revocation powers granted to the Board under this Act, the Board may revoke the owners license of a licensee which fails to begin conducting gambling within 15 months of receipt of the Board's approval of the application if the Board determines that license revocation is in the best interests of the State.

(f) The first 10 owners licenses issued under this Act shall permit the holder to own up to 2 riverboats and equipment thereon for a period of 3 years after the effective date of the license. Holders of the first 10 owners licenses must pay the annual license fee for each of the 3 years during which they are authorized to own riverboats.

(g) Upon the termination, expiration, or revocation of each of the first 10 licenses, which shall be issued for a 3 year period, all licenses are renewable annually upon payment of the fee and a determination by the Board that the licensee continues to meet all of the requirements of this Act and the Board's rules. However, for licenses renewed on or after May 1, 1998, renewal shall be for a period of 4 years, unless the Board sets a shorter period.

(h) An owners license shall entitle the licensee to own up to 2 riverboats. A licensee shall limit the number of gambling participants to 1,200 for any such owners license. A licensee may operate both of its riverboats concurrently, provided that the total number of gambling participants on both riverboats does not exceed 1,200. Riverboats licensed to operate on the Mississippi River and the Illinois River south of Marshall County shall have an authorized capacity of at least 500 persons. Any other riverboat licensed under this Act shall have an authorized capacity of at least 400 persons.

(i) A licensed owner is authorized to apply to the Board for and, if approved therefor, to receive all licenses from the Board necessary for the operation of a riverboat, including a liquor license, a license to prepare and serve food for human consumption, and other necessary licenses. All use, occupation and excise taxes which apply to the sale of food and beverages in this State and all taxes imposed on the sale or use of tangible personal property apply to such sales aboard the riverboat.

(j) The Board may issue or re-issue a license authorizing a riverboat to dock in a municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the municipality in which the riverboat will dock has by a majority vote

approved the docking of riverboats in the municipality. The Board may issue or re-issue a license authorizing a riverboat to dock in areas of a county outside any municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the county has by a majority vote approved of the docking of riverboats within such areas.

Sec. 9. Occupational licenses.

(a) The Board may issue an occupational license to an applicant upon the payment of a non-refundable fee set by the Board, upon a determination by the Board that the applicant is eligible for an occupational license and upon payment of an annual license fee in an amount to be established. To be eligible for an occupational license, an applicant must:

(1) be at least 21 years of age if the applicant will perform any function involved in gaming by patrons. Any applicant seeking an occupational license for a non-gaming function shall be at least 18 years of age;

(2) not have been convicted of a felony offense, a violation of Article 28 of the Criminal Code of 1961, or a similar statute of any other jurisdiction, ~~or a crime involving dishonesty or moral turpitude;~~

(2.5) not have been convicted of a crime, other than a crime described in item (2) of this subsection (a), involving dishonesty or moral turpitude, except that the Board may, in its discretion, issue an occupational license to a person who has been convicted of a crime described in this item (2.5) more than 10 years prior to his or her application and has not subsequently been convicted of any other crime;

(3) have demonstrated a level of skill or knowledge which the Board determines to be necessary in order to operate gambling aboard a riverboat; and

(4) have met standards for the holding of an occupational license as adopted by rules of the Board. Such rules shall provide that any person or entity seeking an occupational license to manage gambling operations hereunder shall be subject to background inquiries and further requirements similar to those required of applicants for an owners license. Furthermore, such rules shall provide that each such entity shall be permitted to manage gambling operations for only one licensed owner.

(b) Each application for an occupational license shall be on forms prescribed by the Board and shall contain all information required by the Board. The applicant shall set forth in the application: whether he has been issued prior gambling related licenses; whether he has been licensed in any other state under any other name, and, if so, such name and his age; and whether or not a permit or license issued to him in any other state has been suspended, restricted or revoked, and, if so, for what period of time.

(c) Each applicant shall submit with his application, on forms provided by the Board, 2 sets of his fingerprints. The Board shall charge each applicant a fee set by the Department of State Police to defray the costs associated with the search and classification of fingerprints obtained by the Board with respect to the applicant's application. These fees shall be paid into the State Police Services Fund.

(d) The Board may in its discretion refuse an occupational license to any person: (1) who is unqualified to perform the duties required of such applicant; (2) who fails to disclose or states falsely any information called for in the application; (3) who has been found guilty of a violation of this Act or whose prior gambling related license or application therefor has been suspended, restricted, revoked or denied for just cause in any other state; or (4) for any other just cause.

(e) The Board may suspend, revoke or restrict any occupational licensee: (1) for violation of any provision of this Act; (2) for violation of any of the rules and regulations of the Board; (3) for any cause which, if known to the Board, would have disqualified the applicant from receiving such license; or (4) for default in the payment of any obligation or debt due to the State of Illinois; or (5) for any other just cause.

(f) A person who knowingly makes a false statement on an application is guilty of a Class A misdemeanor.

(g) Any license issued pursuant to this Section shall be valid for a period of one year from the date of issuance.

(h) Nothing in this Act shall be interpreted to prohibit a licensed owner from entering into an agreement with a public community college or a school approved under the Private Business and Vocational Schools Act for the training of any occupational licensee. Any training offered by such a school shall be in accordance with a written agreement between the licensed owner and the school.

(i) Any training provided for occupational licensees may be conducted either on the riverboat or at a school with which a licensed owner has entered into an agreement pursuant to subsection (h).

Sec. 11. Conduct of gambling. Gambling may be conducted by licensed owners or licensed managers on behalf of the State aboard riverboats, subject to the following standards:

(1) A licensee may conduct riverboat gambling authorized under this Act regardless of whether it conducts excursion cruises. A licensee may permit the continuous ingress and egress of passengers on a riverboat not used for excursion cruises for the purpose of gambling. Excursion cruises shall not exceed 4 hours for a round trip. However, the Board may grant express approval for an extended cruise on a case-by-case basis.

(2) (Blank).

(3) Minimum and maximum wagers on games shall be set by the licensee.

(4) Agents of the Board and the Department of State Police may board and inspect any riverboat at any time for the purpose of determining whether this Act is being complied with. Every riverboat, if under way and being hailed by a law enforcement officer or agent of the Board, must stop immediately and lay to.

(5) Employees of the Board shall have the right to be present on the riverboat or on adjacent facilities under the control of the licensee.

(6) Gambling equipment and supplies customarily used in conducting riverboat gambling must be purchased or leased only from suppliers licensed for such purpose under this Act. The Board may approve the transfer, sale, or lease of gambling equipment and supplies by a licensed owner from or to an affiliate of the licensed owner as long as the gambling equipment and supplies were initially acquired from a supplier licensed in Illinois.

(7) Persons licensed under this Act shall permit no form of wagering on gambling games except as permitted by this Act.

(8) Wagers may be received only from a person present on a licensed riverboat. No person present on a licensed riverboat shall place or attempt to place a wager on behalf of another person who is not present on the riverboat.

(9) Wagering shall not be conducted with money or other negotiable currency.

(10) A person under age 21 shall not be permitted on an area of a riverboat where gambling is being conducted, except for a person at least 18 years of age who is an employee of the riverboat gambling operation. No employee under age 21 shall perform any function involved in gambling by the patrons. No person under age 21 shall be permitted to make a wager under this Act, and any winnings that are a result of a wager by a person under age 21, whether or not paid by a licensee, shall be treated as winnings for the privilege tax purposes, confiscated, and forfeited to the State and deposited into the Education Assistance Fund.

(11) Gambling excursion cruises are permitted only when the waterway for which the riverboat is licensed is navigable, as determined by the Board in consultation with the U.S. Army Corps of Engineers. This paragraph (11) does not limit the ability of a licensee to conduct gambling authorized under this Act when gambling excursion cruises are not permitted.

(12) All tokens, chips or electronic cards used to make wagers must be purchased from a licensed owner or manager either aboard a riverboat or at an onshore facility which has been approved by the Board and which is located where the riverboat docks. The tokens, chips or electronic cards may be purchased by means of an agreement under which the owner or manager extends credit to the patron. Such tokens, chips or electronic cards may be used while aboard the riverboat only for the purpose of making wagers on gambling games.

(13) Notwithstanding any other Section of this Act, in addition to the other licenses authorized under this Act, the Board may issue special event licenses allowing persons who are not otherwise licensed to conduct riverboat gambling to conduct such gambling on a specified date or series of dates. Riverboat gambling under such a license may take place on a riverboat not normally used for riverboat gambling. The Board shall establish standards, fees and fines for, and limitations upon, such licenses, which may differ from the standards, fees, fines and limitations otherwise applicable under this Act. All such fees shall be deposited into the State Gaming Fund. All such fines shall be deposited into the Education Assistance Fund, created by Public Act 86-0018, of the State of Illinois.

(14) In addition to the above, gambling must be conducted in accordance with all rules adopted by the Board.

(a-1) From January 1, 1998 until July 1, 2002, a privilege tax is imposed on persons engaged in the business of conducting riverboat gambling operations, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the following rates:

15% of annual adjusted gross receipts up to and including \$25,000,000;

(a-2) From July 1, 2002 until July 1, 2003, a privilege tax is imposed on persons engaged in the business of conducting riverboat gambling operations, other than licensed managers conducting riverboat gambling operations on behalf of the State, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the following rates:

22.5% of annual adjusted gross receipts in excess of \$25,000,000 but not exceeding \$50,000,000;

27.5% of annual adjusted gross receipts in excess of \$50,000,000 but not exceeding \$75,000,000;

(a-3) Beginning July 1, 2003, a privilege tax is imposed on persons engaged in the business of conducting riverboat gambling operations, other than licensed managers conducting riverboat gambling operations on behalf of the State, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the following rates:

An amount equal to the amount of wagering taxes collected under this subsection (a-3) that are in addition to the amount of wagering taxes that would have been collected if the wagering tax rates under subsection (a-2) were in effect shall be paid into the Common School Fund.

The privilege tax imposed under this subsection (a-3) shall no longer be imposed beginning on the earlier of (i) July 1, 2005; (ii) the first date after June 20, 2003 that riverboat gambling operations are conducted pursuant to a dormant license; or (iii) the first day that riverboat gambling operations are conducted under the authority of an owners license that is in addition to the 10 owners licenses initially authorized under this Act. For the purposes of this subsection (a-3), the term "dormant license" means an owners license that is authorized by this Act under which no riverboat gambling operations are being conducted on June 20, 2003.

(a-4) Beginning on the first day on which the tax imposed under subsection (a-3) is no longer imposed, a privilege tax is imposed on persons engaged in the business of conducting riverboat gambling operations, other than licensed managers conducting riverboat gambling operations on behalf of the State, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the following rates:

15% of annual adjusted gross receipts up to and including \$25,000,000;

45% of annual adjusted gross receipts in excess of \$150,000,000 but not exceeding \$200,000,000;

50% of annual adjusted gross receipts in excess of \$200,000,000.

(a-8) Riverboat gambling operations conducted by a licensed manager on behalf of the State are not subject to the tax imposed under this Section.

(a-10) The taxes imposed by this Section shall be paid by the licensed owner to the Board not later than ~~5:00~~ ~~3:00~~ o'clock p.m. of the day after the day when the wagers were made.

(a-15) If the privilege tax imposed under subsection (a-3) is no longer imposed pursuant to item (i) of the last paragraph of subsection (a-3), then by June 15 of each year, each owners licensee, other than an owners licensee that admitted 1,000,000 persons or fewer in calendar year 2004, must, in addition to the payment of all amounts otherwise due under this Section, pay to the Board a reconciliation payment in the amount, if any, by which the licensed owner's base amount exceeds the amount of net privilege tax paid by the licensed owner to the Board in the then current State fiscal year. A licensed owner's net privilege tax obligation due for the balance of the State fiscal year shall be reduced up to the total of the amount paid by the licensed owner in its June 15 reconciliation payment. The obligation imposed by this subsection (a-15) is binding on any person, firm, corporation, or other entity that acquires an ownership interest in any such owners license. The obligation imposed under this subsection (a-15) terminates on the earliest of: (i) July 1, 2007, (ii) the first day after the effective date of this amendatory Act of the 94th General Assembly that riverboat gambling operations are conducted pursuant to a dormant license, (iii) the first day that riverboat gambling operations are conducted under the authority of an owners license that is in addition to the 10 owners licenses initially authorized under this Act, or (iv) the first day that a licensee under the Illinois Horse Racing Act of 1975 conducts gaming operations with slot machines or other electronic gaming devices. The Board must reduce the obligation imposed under this subsection (a-15) by an amount the Board deems reasonable for any of the following reasons: (A) an act or acts of God, (B) an act of bioterrorism or terrorism or a bioterrorism or terrorism threat that was investigated by a law enforcement agency, or (C) a condition beyond the control of the owners licensee that does not result from any act or omission by the owners licensee or any of its agents and that poses a hazardous threat to the health and safety of patrons. If an owners licensee pays an amount in excess of its liability under this Section, the Board shall apply the overpayment to future payments required under this Section.

For purposes of this subsection (a-15):

"Act of God" means an incident caused by the operation of an extraordinary force that cannot be foreseen, that cannot be avoided by the exercise of due care, and for which no person can be held liable.

"Base amount" means the following:

For a riverboat in Alton, \$31,000,000.

For a riverboat in East Peoria, \$43,000,000.

For the Empress riverboat in Joliet, \$86,000,000.

For a riverboat in Metropolis, \$45,000,000.

For the Harrah's riverboat in Joliet, \$114,000,000.

For a riverboat in East St. Louis, \$48,500,000.

For a riverboat in Elgin, \$198,000,000.

"Dormant license" has the meaning ascribed to it in subsection (a-3).

"Net privilege tax" means all privilege taxes paid by a licensed owner to the Board under this Section, less all payments made from the State Gaming Fund pursuant to subsection (b) of this Section.

The changes made to this subsection (a-15) by Public Act 94-839 are intended to restate and clarify the intent of Public Act 94-673 with respect to the amount of the payments required to be made under this subsection by an owners licensee to the Board.

(b) Until January 1, 1998, 25% of the tax revenue deposited in the State Gaming Fund under this Section shall be paid, subject to appropriation by the General Assembly, to the unit of local government which is designated as the home dock of the riverboat. Beginning January 1, 1998, from the tax revenue deposited in the State Gaming Fund under this Section, an amount equal to 5% of adjusted gross receipts generated by a riverboat shall be paid monthly, subject to appropriation by the General Assembly, to the unit of local government that is designated as the home dock of the riverboat. From the tax revenue deposited in the State Gaming Fund pursuant to riverboat gambling operations conducted by a licensed manager on behalf of the State, an amount equal to 5% of adjusted gross receipts generated pursuant to those riverboat gambling operations shall be paid monthly, subject to appropriation by the General Assembly, to the unit of local government that is designated as the home dock of the riverboat upon

which those riverboat gambling operations are conducted.

(c) Appropriations, as approved by the General Assembly, may be made from the State Gaming Fund to the Board (i) ~~Department of Revenue and the Department of State Police~~ for the administration and enforcement of this Act and the Video Gaming Act, (ii) for distribution to the Department of State Police and to the Department of Revenue for the enforcement of this Act, and (iii) or to the Department of Human Services for the administration of programs to treat problem gambling.

(c-10) Each year the General Assembly shall appropriate from the General Revenue Fund to the Education Assistance Fund an amount equal to the amount paid into the Horse Racing Equity Fund pursuant to subsection (c-5) in the prior calendar year.

(c-15) After the payments required under subsections (b), (c), and (c-5) have been made, an amount equal to 2% of the adjusted gross receipts of (1) an owners licensee that relocates pursuant to Section 11.2, (2) an owners licensee conducting riverboat gambling operations pursuant to an owners license that is initially issued after June 25, 1999, or (3) the first riverboat gambling operations conducted by a licensed manager on behalf of the State under Section 7.3, whichever comes first, shall be paid, subject to appropriation from the General Assembly, from the State Gaming Fund to each home rule county with a population of over 3,000,000 inhabitants for the purpose of enhancing the county's criminal justice system.

(c-20) Each year the General Assembly shall appropriate from the General Revenue Fund to the Education Assistance Fund an amount equal to the amount paid to each home rule county with a population of over 3,000,000 inhabitants pursuant to subsection (c-15) in the prior calendar year.

(c-25) After the payments required under subsections (b), (c), (c-5) and (c-15) have been made, an amount equal to 2% of the adjusted gross receipts of (1) an owners licensee that relocates pursuant to Section 11.2, (2) an owners licensee conducting riverboat gambling operations pursuant to an owners license that is initially issued after June 25, 1999, or (3) the first riverboat gambling operations conducted by a licensed manager on behalf of the State under Section 7.3, whichever comes first, shall be paid from the State Gaming Fund to Chicago State University.

(d) From time to time, the Board shall transfer the remainder of the funds generated by this Act into the Education Assistance Fund, created by Public Act 86-0018, of the State of Illinois.

(e) Nothing in this Act shall prohibit the unit of local government designated as the home dock of the riverboat from entering into agreements with other units of local government in this State or in other states to share its portion of the tax revenue.

(f) To the extent practicable, the Board shall administer and collect the wagering taxes imposed by this Section in a manner consistent with the provisions of Sections 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 8, 9, and 10 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act.
