SENATE RESOLUTION NO. 801

WHEREAS, On April 25, 2010, Hamas released an animated film bearing a grisly message for Israel stating that if Israel does not meet the Islamic militant group's demands, captured Israeli soldier Sgt. Gilad Schilat could return home in a coffin; and

WHEREAS, The short but sophisticated cartoon, which depicts Sgt. Schalit's aging father wandering empty streets with a picture of his son and ends with the words "there is still hope", is the latest product of Hamas' growing media machine; and

Islamic base; and

WHEREAS, The latest cartoon, which was widely broadcast on Israeli TV, was remarkable for the personal callous nature of the appeal on an issue that has profound emotional resonance for many Israelis: the fate of Sgt. Schalit, who was captured by Gaza militants in June 2006; and

WHEREAS, The website of Hamas' armed wing, which posted the video, said it was intended to pressure Israelis to accept demands for a prisoner swap and warns the Israeli government it could regret not making a deal quickly; and

WHEREAS, The video was released just two days after Israel permitted the daughter of Hamas' top security official in Gaza to pass through Israel on her way to seek medical treatment in Jordan; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we condemn Hamas for the release of this video; and be it further

WHEREAS, All measures of a successful society, including low mortality rates, economic growth and diversity, productivity, and public safety, are all in some way related to access to safe drinking water; and

WHEREAS, Every citizen is called upon to help protect our source waters from pollution and to promote water conservation; the United States Environmental Protection Agency suggests that if each resident fixed all their household water leaks and put in low-flow shower heads today, they could reduce their water consumption by 25%; and

WHEREAS, True cost pricing of water is an important element in present and future water conservation, in contrast to water rates that are artificially low due to various subsidies; and

WHEREAS, It is critical to the future health and growth of the State of Illinois that both private and public systems continue to invest in our water infrastructure; the U.S. EPA estimates that there is a \$330 billion dollar gap in water infrastructure investment throughout our nation; the State of Illinois should continue to promote investment in its water infrastructure both in public and private systems; and

WHEREAS, It is imperative that adequate funding be made available for the State of Illinois to ensure that essential research and analysis of Illinois' current and future water needs can be done by organizations such as the Illinois Water Survey and the State Regional Water Supply Committees; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we join with the rest of the nation in celebrating National Drinking Water Week and applaud the workers who work hard every day to ensure that the citizens of the State of

MARK MAHONEY, Clerk of the House

AMENDMENT NO. 1 TO SENATE BILL 2817

AMENDMENT NO. 1. Amend Senate Bill 2817 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Insurance Code is amended by changing Sections 131.4, 131.5, 131.8, 131.8a, 131.9, 131.10, 131.11, 131.23, 136, and 404 as follows:

(215 ILCS 5/131.4) (from Ch. 73, par. 743.4)

Sec. 131.4. Acquisition, transfer, or divestiture of control of or merger with domestic company. No person other than the issuer may make a tender for or a request or invitation for tenders of, or enter into an agreement to exchange securities for or acquire, transfer, or divest in the open market, or otherwise, any voting security of a domestic company or acquire, transfer, or divest policyholders' proxies of a domestic company for consideration, or otherwise, if, after the consummation thereof, that person would, directly or indirectly, (or by conversion or by exercise of any right to acquire) be in control of the company or transfer or divest a controlling interest in the company, and no person may enter into an agreement to merge or consolidate with or otherwise to acquire, transfer, or divest control of a domestic company, unless the offer, request, invitation, or agreement is conditioned on receiving the approval of the Director based on Section 131.8 of this Article and no such acquisition, transfer, or divestiture of control or a merger with a domestic company may be consummated unless the Director has approved the transaction or granted an exemption. For purposes of this Section a domestic company includes any other person which controls a domestic company or holds or controls sufficient policyholders' proxies to elect the majority of the board of directors of the domestic company. Prior to the acquisition, transfer, or divestiture, the Director may conclude that a statement need not be filed by the acquiring, transferring, or divesting party if ~~that the acquiring~~ party demonstrates to the satisfaction of the Director that:

(1) such transaction will not result in the change of control of the domestic company; or

(2) the person which is subject to the acquisition, transfer, or divestiture has assets in excess of \$1,000,000

and shareholders of record of 500 or more and its insurance business either directly or through its affiliates is an insignificant portion of its total business; or

(3) the acquisition, transfer, or divestiture of, or attempt to acquire, transfer, or divest control of, such other person is subject

to requirements in the jurisdiction of its domicile which are substantially similar to those contained in this Section and Sections 131.5 through 131.12; or

(4) the control of the policyholders' proxies is being ~~held~~ acquired solely by virtue of the holders official office and not as the result of any agreement or for any consideration; or -

(5) such transaction involves a transfer or divestiture of a controlling interest to a person acquiring a controlling interest, for which the acquiring person must file the statement required by Section 131.5 of this Code.

The purpose of this Section is to afford to the Director the opportunity to review acquisitions,

[April 29, 2010]

transfers, or divestitures of control in order to determine whether or not the acquisition, transfer, or divestiture would be adverse to the interests of the existing and future policyholders of the company. A controlling person may not enter into transactions that are part of a plan or series of like transactions if the purpose of those separate transactions is to avoid the statutory definition of control and thereby avoid the requirements of this Section.

(215 ILCS 5/131.8) (from Ch. 73, par. 743.8)

Sec. 131.8. (1) After the statement required by Section 131.5 has been filed, the Director must disapprove any merger, consolidation or other acquisition, transfer, or divestiture of control referred to in Section 131.4 unless the applicant acquiring party demonstrates to the Director that:

(b) the effect of the merger, consolidation or other acquisition, transfer, or divestiture of control would not

substantially lessen competition in insurance in this State or not tend to create a monopoly therein. In applying the competitive standard in this paragraph:

(i) the informational requirements of subsection (3)(a) and the standards of subsection (4)(b) of Section 131.12a shall apply,

(ii) the merger or other acquisition, transfer, or divestiture shall not be disapproved if the applicant acquiring party demonstrates

that any of the situations meeting the criteria provided by subsection (4)(c) of Section 131.12a exist, and

(iii) the Director may condition the approval of the merger or other acquisition, transfer, or divestiture on

the removal of the basis of disapproval within a specified period of time;

(c) the financial condition of any applicant acquiring party is such as to not jeopardize the financial stability of the domestic company or not jeopardize the interests of its policyholders;

(2) The Director may hold a public hearing on any merger, consolidation or other acquisition, transfer, or divestiture of control referred to in Section 131.4 if the Director determines that the statement filed as required by Section 131.5 does not demonstrate compliance with the standards referred to in subsection (1), of this Section, or if he determines that such acquisition, transfer, or divestiture of control will adversely affect policyholders or the insurance buying public.

(3) The public hearing referred to in subsection (2) must be held within 60 days after the statement required by Section 131.5 is filed, and at least 20 days' notice thereof must be given by the Director to the person filing the statement and to the domestic company. Not less than 12 days' notice of such hearing must be given by the person filing the statement to such other persons as may be designated by the Director and by the company to its securityholders. Unless the Director provides otherwise, the annual statement is to be prepared in accordance with the annual statement instructions and the Accounting Practices and Procedures Manual adopted by the National Association of Insurance Commissioners. The Director shall have power to make such modifications and additions in this form as he may deem desirable or necessary to ascertain the condition and affairs of the company. The Director shall have authority to extend the time for filing any statement by any company for reasons which he considers good and sufficient. In every statement the admitted assets shall be shown at the actual values as of the last day of the preceding year, in accordance with Section 126.7. The statement shall be verified by oaths of the president and secretary of the company or, in their absence, by 2 other principal officers. In addition, any company may be required by the Director, when he considers that action to be necessary and appropriate for the protection of policyholders, creditors, shareholders, or claimants, to file, within 60 days after mailing to the company a notice that such is required, a supplemental summary statement as of the last day of any calendar month occurring during the 100 days next preceding the mailing of such notice designated by him on forms prescribed and furnished by the Director. (2) The statement of an alien company shall embrace only its condition and transactions in the United States and shall be verified by the oaths of its resident manager or principal representative in the United States, except that in the case of any life company organized under the laws of Canada or any province thereof, the statement may be verified by the oaths of any of its principal officers designated for that purpose by its board of directors.

[April 29, 2010]

the Department, or by such other publication in the city of Springfield or in the city of Chicago as may be reasonably necessary more fully to inform the public of the financial condition of companies transacting business in this State.

(4) Each domestic, foreign, and alien insurer authorized to do business in this State or accredited by this State shall participate in the National Association of Insurance Commissioners' Insurance Regulatory Information System, including the payment of all fees and charges of the system. The statement filed with the National Association of Insurance Commissioners shall be in the same format and scope as that required by this Code and shall include a signed jurat page and actuarial certification. (5) All financial analysis ratios and examination synopsis concerning insurance companies that are submitted to the Director by the National Association of Insurance Commissioners' Insurance Regulatory Information System are confidential and may not be disclosed by the Director.

(6) Every property and casualty insurance company doing business in this State, unless otherwise exempted by the Director, shall annually submit the opinion of an appointed actuary entitled "Statement of Actuarial Opinion". Each foreign and alien property and casualty company authorized to do business in this State shall provide the Actuarial Opinion Summary upon request.

(b) An Actuarial Report and underlying workpapers as required by the appropriate National Association of Insurance Commissioners Property and Casualty Annual Statement Instructions shall be prepared to support each Actuarial Opinion. If the insurance company fails to provide a supporting Actuarial Report or workpapers at the request of the Director or the Director determines that the supporting Actuarial Report or workpapers provided by the insurance company is otherwise unacceptable to the Director, the Director may engage a qualified actuary at the expense of the company to review the opinion and the basis for the opinion and prepare the supporting Actuarial Report or workpapers.

(c) The appointed actuary shall not be liable for damages to any person (other than the insurance company and the Director) for any act, error, omission, decision, or conduct with respect to the actuary's opinion, except in cases of fraud or willful misconduct on the part of the appointed actuary.

(d) The Statement of Actuarial Opinion shall be provided with the Annual Statement in accordance with the appropriate National Association of Insurance Commissioners Property and Casualty Annual Statement Instructions and shall be treated as a public document. Documents, materials, or other information in the possession or control of the Director that are considered an Actuarial Report, workpapers, or Actuarial Opinion Summary provided in support of the opinion, and any other material provided by the company to the Director in connection with the Actuarial Report, workpapers or Actuarial Opinion Summary, must be given confidential treatment, are not subject to subpoena, and may not be made public by the Director or any other persons. This paragraph (d) shall not be construed to limit the Director's authority to release the documents to the Actuarial Board for Counseling and Discipline (ABCD), so long as the material is required for the purpose of professional disciplinary proceedings and that the ABCD establishes procedures satisfactory to the Director for preserving the confidentiality of the documents, nor shall this paragraph (d) be construed to limit the Director's authority to use the documents, materials or other information in furtherance of any regulatory or legal action brought as part of the Director's official duties. Neither the Director nor any person who received documents, materials, or other information while acting under the authority of the Director shall be permitted or required to testify in any private civil action concerning any

(i) share documents, materials, or other information, including the confidential and privileged documents, materials or information subject to this paragraph (d) with the insurance department of any other state or country or with law enforcement officials of this or any other state or agency of the federal government at any time, as long as the agency or office receiving the document, material, or other information agrees in writing to hold it confidential and in a manner consistent with this Code;

(ii) receive documents, materials, or information, including otherwise confidential and privileged documents, materials, or information, from the National Association of Insurance Commissioners and its affiliates and subsidiaries, and from regulatory and law enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any document, material, or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material, or information; and

(iii) enter into agreements governing sharing and use of information consistent with paragraph (d).

(e) No waiver of any applicable privilege or claim of confidentiality in the documents, materials or information shall occur as a result of disclosure to the Director under this Section or as a result of sharing as authorized in subparagraphs (i), (ii), and (iii) of paragraph (d) of subsection (6) of this Section. Passed the House, as amended, April 28, 2010.

[April 29, 2010]

AMENDMENT NO. 1 TO SENATE BILL 3249

AMENDMENT NO. 1. Amend Senate Bill 3249 by replacing everything after the enacting clause with the following:

"Section 5. The State Finance Act is amended by adding Section 45 as follows:
(30 ILCS 105/45 new)

Sec. 45. Award of capital funds. Each award by grant or loan of State funds of \$250,000 or more for capital construction costs or professional services is conditioned upon the recipient's written certification that the recipient shall comply with the business enterprise program practices for minority-owned businesses, female-owned businesses, and businesses owned by persons with disabilities of the Business Enterprise for Minorities, Females, and Persons with Disabilities Act (30 ILCS 575/) and the equal employment practices of Section 2-105 of the Illinois Human Rights Act (775 ILCS 5/2-105). This Section, however, does not apply to any grant or loan (i) for which a grant or loan agreement was executed before the effective date of this amendatory Act of the 96th General Assembly, (ii) for which prior-incurred costs are being reimbursed, or (iii) for a federally funded program under which the requirement of this Section would contravene federal law. Each recipient shall submit the written certification and business enterprise program plan for minority-owned businesses, female-owned businesses, and businesses owned by persons with disabilities before signing the relevant grant or loan agreement. Each grant or loan agreement shall include a provision that the grant or loan recipient agrees to comply with the provisions of the Business Enterprise for Minorities, Females, and Persons with Disabilities Act (30 ILCS 575/) and the equal employment practices of Section 2-105 of the Illinois Human Rights Act (775 ILCS 5/2-105).

Each business enterprise program plan shall apply only to the State-funded portion of the relevant capital project and must be in compliance with all certification and other requirements of the Business Enterprise for Minorities, Females, and Persons with Disabilities Act.

Section 10. The Business Enterprise for Minorities, Females, and Persons with Disabilities Act is amended by changing Section 7 as follows:

(30 ILCS 575/7) (from Ch. 127, par. 132.607)

(Section scheduled to be repealed on June 30, 2010)

Sec. 7. Exemptions and waivers; publication of data.

(1) Individual contract exemptions. The Council, on its own initiative or at the request of the affected agency, ~~or university, or recipient of a grant or loan of State funds of \$250,000 or more complying with Section 45 of the State Finance Act,~~ may permit an individual contract or contract package, (related contracts being bid or awarded simultaneously for the same project or improvements) be made wholly or partially exempt from State contracting goals for businesses owned by minorities, females, and persons with disabilities prior to the advertisement for bids or solicitation of proposals whenever there has been a determination, reduced to writing and based on the best information available at the time of the determination, that there is an insufficient number of businesses owned by minorities, females, and persons with disabilities to ensure adequate competition and an expectation of reasonable prices on bids or proposals solicited for the individual contract or contract package in question.

(2) Class exemptions. (a) Creation. The Council, on its own initiative or at the request of the affected agency or university, may permit an entire class of contracts be made exempt from State contracting goals for businesses owned by minorities, females, and persons with disabilities whenever there has been a determination, reduced to writing and based on the best information available at the time of the determination, that there is an insufficient number of qualified businesses owned by minorities, females, and persons with disabilities to ensure adequate competition and an expectation of reasonable prices on bids or proposals within that class.

(b) Limitation. Any such class exemption shall not be permitted for a period of more than one year at a time.

(3) Waivers. Where a particular contract requires a contractor to meet a goal established pursuant to this Act, the contractor shall have the right to request a waiver from such requirements. The Council shall grant the waiver where the contractor demonstrates that there has been made a good faith effort to comply with the goals for participation by businesses owned by minorities, females, and persons with disabilities.

(4) Conflict with other laws. In the event that any State contract, which otherwise would be subject to the provisions of this Act, is or becomes subject to federal laws or regulations which conflict with the

[April 29, 2010]

provisions of this Act or actions of the State taken pursuant hereto, the provisions of the federal laws or regulations shall apply and the contract shall be interpreted and enforced accordingly.

(5) Each chief procurement officer, as defined in the Illinois Procurement Code, shall maintain on his or her official Internet website a database of waivers granted under this Section with respect to contracts under his or her jurisdiction. The database, which shall be updated periodically as necessary, shall be searchable by contractor name and by contracting State agency.

Each public notice required by law of the award of a State contract shall include for each bid submitted for that contract the following: (i) the bidder's name, (ii) the bid amount, (iii) the bid's percentage of disadvantaged business utilization plan, and (iv) the bid's percentage of business enterprise program utilization plan.
