SENATE BILL NO. 2612

A bill for AN ACT concerning local government.

Together with the following amendment which is attached, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

House Amendment No. 2 to SENATE BILL NO. 2612

Passed the House, as amended, May 7, 2010.

MARK MAHONEY, Clerk of the House

AMENDMENT NO. 2 TO SENATE BILL 2612

AMENDMENT NO. 2. Amend Senate Bill 2612 by replacing everything after the enacting clause with the following:

"Section 5. The Electricity Infrastructure Maintenance Fee Law is amended by adding Section 5-10 as follows:

(35 ILCS 645/5-10 new)

Sec. 5-10. Municipal tax review; requests for information.

(a) A municipality may conduct an audit of fees under this Act to determine the accuracy of the fees paid by an electricity deliverer.

(b) Not more than once every 2 years, a municipality that has imposed a fee under this Law may, subject to the limitations and protections stated in Section 16-122 of the Public Utilities Act, request any information from an electricity deliverer that the municipality reasonably requires in order to perform an audit under subsection (a). The information that may be requested by the municipality includes, without limitation:

(1) in an electronic format, the database used by the electricity deliverer to determine the amount due to the municipality; provided, however, that, if the municipality has requested customer-specific billing, usage, and load shape data from an electricity deliverer that is an electric utility and has not provided the electric utility with the verifiable authorization required by Section 16-122 of the Public Utilities Act, then the electric utility shall remove from the database all customer-specific billing, usage, and load shape data before providing it to the municipality; and

(2) in a format used by the public utility in the ordinary course of its business, summary data, as needed by the municipality, to determine the unit consumption by providing the gross kilowatt-hours or other units of measurement subject to the fee imposed by this Law within the municipal jurisdiction.

(c) Each electricity deliverer must provide the information requested under subsection (b) within:

(1) 60 days after the date of the request if the population of the requesting municipality is 500,000 or less; or

(2) 90 days after the date of the request if the population of the requesting municipality exceeds 500,000.

The time in which an electricity deliverer must provide the information requested under subsection (b) may be extended by an agreement between the municipality and the electricity deliverer. If an electricity deliverer receives, during a single month, information requests from more than 2 municipalities, or the aggregate population of the requesting municipalities is 100,000 customers or more, the electricity deliverer is entitled to an additional 30 days to respond to those requests.

(d) If an audit by the municipality or its agents finds an error by the electricity deliverer in the amount of fees collected or paid by the electricity deliverer, then the municipality must notify the electricity deliverer of the error. Any such notice must be issued pursuant to Section 30 of the Local Government Taxpayers' Bill of Rights Act or a lesser period of time from the date the fee was due that may be specified in the municipal ordinance imposing the fee. Upon such a notice, any audit shall be conducted pursuant Section 35 of the Local Government Taxpayers' Bill of Rights Act subject to the timelines set forth in this subsection (d). The electricity deliverer must submit a written response within 60 days after the date the notice was postmarked stating that it has corrected the error or stating the reason that the error is inapplicable or inaccurate. The municipality then has 60 days after the receipt of the electricity deliverer's response to review and contest the conclusion of the electricity deliverer. If the parties are

[May 7, 2010]

unable to agree on the disposition of the audit findings within 120 days after the notification of the error to the electricity deliverer, then either party may submit the matter for appeal as outlined in Section 40 of the Local Government Taxpayers' Bill of Rights Act. If the appeals process does not produce a satisfactory result, then either party may pursue the alleged error in a court of competent jurisdiction.

(e) Electricity deliverers and municipalities are not liable for any error in past collections and payments that was unknown to either the electricity deliverer or the municipality prior to the audit process unless the error was due to negligence in the collection or processing of required data. If however, an error in past collections or payments resulted in a customer, who should not have owed a fee to any municipality, having paid a fee to a municipality, then the customer may, to the extent allowed by Section 9-252 of the Public Utilities Act, recover the fee from the electricity deliverer, and any amount so paid by the electricity deliverer may be deducted by that electricity deliverer from any fees or taxes then or thereafter owed by the electricity deliverer to that municipality.

(f) All account specific information provided by an electricity deliverer under this Section may be used only for the purpose of an audit of fees conducted under this Section and the enforcement of any related claim. All such information must be held in strict confidence by the municipality and its agents and may not be disclosed to the public under the Freedom of Information Act or under any other similar statutes allowing for or requiring public disclosure.

(g) The provisions of this Section shall not be construed as diminishing or replacing any civil remedy available to a municipality, taxpayer, or tax collector.

(h) This Section does not apply to any municipality having a population greater than 1,000,000.

Section 10. The Local Government Taxpayers' Bill of Rights Act is amended by changing Sections 10 and 35 as follows:

(50 ILCS 45/10)

Sec. 10. Application and home rule preemption. The limitations provided by this Act shall take precedence over any provision of any tax ordinance imposed by a unit of local government, as defined in this Act, in Illinois, including without limitation any tax authorized under Section 8-11-2 of the Illinois Municipal Code.

Consistent with the limitations provided by this Act, a municipality, other than municipality having a population greater than 1,000,000, may not impose any penalty with respect to a tax authorized by Section 8-11-2 of the Illinois Municipal Code or with respect to an audit authorized by Section 8-11-2.5 of the Illinois Municipal Code, except as specified in Sections 50, 55, and 60 of this Act.

This Act is a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

(50 ILCS 45/35)

Sec. 35. Audit procedures. Taxpayers have the right to be treated by officers, employees, and agents of the local tax administrator with courtesy, fairness, uniformity, consistency, and common sense. This Section applies to any audit of a tax imposed by a unit of local government other than a municipality having a population greater than 1,000,000, except to the extent otherwise provided in Section 8-11-2.5 of the Illinois Municipal Code. Taxpayers must be notified in writing by the local jurisdiction of a proposed audit of the taxpayer's books and records clearly identifying who will be conducting the audit. For audits being conducted by third-party providers, the local jurisdiction must provide written authorization for the third-party provider to review the books and records of the taxpayer. No contact may be made by the third-party provider until the local-jurisdiction authorization is received by the taxpayer. The notice of audit must specify the tax and time period to be audited and must detail the minimum documentation or books and records to be made available to the auditor. Audits must be held only during reasonable times of the day and, unless impracticable, at times agreed to by the taxpayer. The auditor must sign a confidentiality agreement upon request by the taxpayer. Upon the completion of the audit, the local jurisdiction must issue an audit closure report to the taxpayer with the results of the audit. An auditor who determines that there has been an overpayment of tax during the course of the audit is obligated to identify the overpayment to the taxpayer so that the taxpayer can take the necessary steps to recover the overpayment. If the overpayment is the result of the application of some or all of the taxpayer's tax payment to an incorrect local government entity, then upon request by a unit of local government, the audit information must be given to any unit of local government that may be affected by an overpayment. The auditor must notify the correct local government entity of the taxpayer's application error.

Section 15. The Counties Code is amended by adding Section 5-1095.1 as follows:
(55 ILCS 5/5-1095.1 new)

Sec. 5-1095.1. County franchise fee review; requests for information.

(a) If pursuant to its franchise agreement with a community antenna television system (CATV) operator, a county imposes a franchise fee authorized by 47 U.S.C. 542, then the county may conduct an audit of that CATV operator's franchise fees derived from the provision of cable and video services to subscribers within the franchise area to determine whether the amount of franchise fees paid by that CATV operator to the county was accurate. Any audit conducted under this subsection (a) shall determine any overpayment or underpayment to the county by the CATV operator, and the amount due to the county or CATV operator is limited to the net difference.

(b) Not more than once every 2 years, a county that has imposed a franchise fee authorized by 47 U.S.C. 542 may, subject to the limitations and protections stated in the Local Government Taxpayers' Bill of Rights Act, request information from the CATV operator in the format maintained by the CATV operator in the ordinary course of its business that the county reasonably requires in order to perform an audit under subsection (a). The information that may be requested by the county includes without limitation the following:

(1) in an electronic format used by the CATV operator in the ordinary course of its business, the database used by the CATV operator to determine the amount of the franchise fee due to the county; and

(2) in a format used by the CATV operator in the ordinary course of its business, summary data, as needed by the county, to determine the CATV operator's franchise fees derived from the provision of cable and video services to subscribers within the CATV operator's franchise area.

(c) The CATV operator must provide the information requested under subsection (b) within:

(1) 60 days after the receipt of the request if the population of the requesting county is 500,000 or less; or

(2) 90 days after the receipt of the request if the population of the requesting county exceeds 500,000.

The time in which a CATV operator must provide the information requested under subsection (b) may be extended by an agreement between the county and the CATV operator.

(d) If an audit by the county or its agents finds an error by the CATV operator in the amount of the franchise fees paid by the CATV operator to the county, then the county may notify the CATV operator of the error. Any such notice must be given to the CATV operator by the county within 90 days after the county discovers the error, and no later than 4 years after the date the franchise fee was due. Upon such a notice, the CATV operator must submit a written response within 60 days after receipt of the notice stating that the CATV operator has corrected the error on a prospective basis or stating the reason that the error is inapplicable or inaccurate. The county then has 60 days after the receipt of the CATV operator's response to review and contest the conclusion of the CATV operator. No legal proceeding to collect a deficiency based upon an alleged error shall be commenced unless within 180 days after the county's notification of the error to the CATV operator the parties are unable to agree on the disposition of the audit findings.

(e) No CATV operator is liable for any error in past franchise fee payments that was unknown by the CATV operator prior to the audit process unless (i) the error was due to negligence on the part of the CATV operator in the collection or processing of required data and (ii) the county had not failed to respond in writing in a timely manner to any written request of the CATV operator to review and correct information used by the CATV operator to calculate the appropriate franchise fees if a diligent review of such information by the county reasonably could have been expected to discover such error.

(f) All account specific information provided by a CATV operator under this Section may be used only for the purpose of an audit conducted under this Section and the enforcement of any franchise fee delinquent claim. All such information must be held in strict confidence by the county and its agents and may not be disclosed to the public under the Freedom of Information Act or under any other similar statutes allowing for or requiring public disclosure.

(g) For the purposes of this Section, "CATV operator" means a person or entity that provides cable and video services under a franchise agreement with a county pursuant to Section 5-1095 of the Counties Code and a holder authorized under Section 21-401 of the Cable and Video Competition Law of 2007 as consistent with Section 21-901 of that Law.

(h) This Section does not apply to any action that was commenced, to any complaint that was filed, or to any audit that was commenced before the effective date of this amendatory Act of the 96th General Assembly. This Section also does not apply to any franchise agreement that was entered into before the effective date of this amendatory Act of the 96th General Assembly unless the franchise agreement contains audit provisions but no specifics regarding audit procedures.

(i) The provisions of this Section shall not be construed as diminishing or replacing any civil remedy available to a county, taxpayer, or tax collector.

(j) If a contingent fee is paid to an auditor, then the payment must be based upon the net difference of the complete audit.

(k) Within 90 days after the effective date of this amendatory Act of the 96th General Assembly, a county shall provide to any CATV operator a complete list of addresses within the corporate limits of the county and shall annually update the list.

(l) This Section is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

Section 20. The Illinois Municipal Code is amended by adding Sections 8-11-2.5 and 11-42-11.05 as follows:

(65 ILCS 5/8-11-2.5 new)

Sec. 8-11-2.5. Municipal tax review; requests for information.

(a) If a municipality has imposed a tax under Section 8-11-2, then the municipality may conduct an audit of tax receipts collected from the public utility that is subject to the tax or that collects the tax from purchasers on behalf of the municipality to determine whether the amount of tax that was paid by the public utility was accurate.

(b) Not more than once every 2 years, a municipality that has imposed a tax under this Act may, subject to the limitations and protections stated in Section 16-122 of the Public Utilities Act and in the Local Government Taxpayers' Bill of Rights Act, request any information from a utility in the format maintained by the public utility in the ordinary course of its business that the municipality reasonably requires in order to perform an audit under subsection (a). The information that may be requested by the municipality includes, without limitation:

(1) in an electronic format used by the public utility in the ordinary course of its business, the database used by the public utility to determine the amount of tax due to the municipality; provided, however, that, if the municipality has requested customer-specific billing, usage, and load shape data from a public utility that is an electric utility and has not provided the electric utility with the verifiable authorization required by Section 16-122 of the Public Utilities Act, then the electric utility shall remove from the database all customer-specific billing, usage, and load shape data before providing it to the municipality; and

(2) in a format used by the public utility in the ordinary course of its business, summary data, as needed by the municipality, to determine the unit consumption of utility services by providing the gross therms, kilowatts, minutes, or other units of measurement being taxed within the municipal jurisdiction and the gross revenues collected and the associated taxes assessed.

(c) Each public utility must provide the information requested under subsection (b) within:

(1) 60 days after the date of the request if the population of the requesting municipality is 500,000 or less; or

(2) 90 days after the date of the request if the population of the requesting municipality exceeds 500,000.

The time in which a public utility must provide the information requested under subsection (b) may be extended by an agreement between the municipality and the public utility. If a public utility receives, during a single month, information requests from more than 2 municipalities, or the aggregate population of the requesting municipalities is 100,000 customers or more, the public utility is entitled to an additional 30 days to respond to those requests.

(d) If an audit by the municipality or its agents finds an error by the public utility in the amount of taxes paid by the public utility, then the municipality must notify the public utility of the error. Any such notice must be issued pursuant to Section 30 of the Local Government Taxpayers' Bill of Rights Act or a lesser period of time from the date the tax was due that may be specified in the municipal ordinance imposing the tax. Upon such a notice, any audit shall be conducted pursuant to Section 35 of the Local Government Taxpayers' Bill of Rights Act subject to the timelines set forth in this subsection (d). The public utility must submit a written response within 60 days after the date the notice was postmarked stating that it has corrected the error or stating the reason that the error is inapplicable or inaccurate. The municipality then has 60 days after the receipt of the public utility's response to review and contest the conclusion of the public utility. If the parties are unable to agree on the disposition of the audit findings within 120 days after the notification of the error to the public utility, then either party may submit the matter for appeal as outlined in Section 40 of the Local Government Taxpayers' Bill of Rights Act. If the appeals process does not produce a satisfactory result, then either party may pursue the alleged error in a court of competent jurisdiction.

[May 7, 2010]

(e) No public utility is liable for any error in past collections and payments that was unknown by it prior to the audit process unless (i) the error was due to negligence by the public utility in the collection or processing of required data and (ii) the municipality had not failed to respond in writing on an accurate and timely basis to any written request of the public utility to review and correct information used by the public utility to collect the municipality's tax if a diligent review of such information by the municipality reasonably could have been expected to discover such error. If, however, an error in past collections or payments resulted in a customer, who should not have owed a tax to any municipality, having paid a tax to a municipality, then the customer may, to the extent allowed by Section 9-252 of the Public Utilities Act, recover the tax from the public utility, and any amount so paid by the public utility may be deducted by that public utility from any taxes then or thereafter owed by the public utility to that municipality.

(f) All account specific information provided by a public utility under this Section may be used only for the purpose of an audit of taxes conducted under this Section and the enforcement of any related tax claim. All such information must be held in strict confidence by the municipality and its agents and may not be disclosed to the public under the Freedom of Information Act or under any other similar statutes allowing for or requiring public disclosure.

(g) The provisions of this Section shall not be construed as diminishing or replacing any civil remedy available to a municipality, taxpayer, or tax collector.

(h) This Section does not apply to any municipality having a population greater than 1,000,000. (65 ILCS 5/11-42-11.05 new)

Sec. 11-42-11.05. Municipal franchise fee review; requests for information.

(a) If pursuant to its franchise agreement with a community antenna television system (CATV) operator, a municipality imposes a franchise fee authorized by 47 U.S.C. 542, then the municipality may conduct an audit of that CATV operator's franchise fees derived from the provision of cable and video services to subscribers within the franchise area to determine whether the amount of franchise fees paid by that CATV operator to the municipality was accurate. Any audit conducted under this subsection (a) shall determine any overpayment or underpayment to the municipality by the CATV operator, and the amount due to the municipality or CATV operator is limited to the net difference.

(b) Not more than once every 2 years, a municipality that has imposed a franchise fee authorized by 47 U.S.C. 542 may, subject to the limitations and protections stated in the Local Government Taxpayers' Bill of Rights Act, request information from the CATV operator in the format maintained by the CATV operator in the ordinary course of its business that the municipality reasonably requires in order to perform an audit under subsection (a). The information that may be requested by the municipality includes without limitation the following:

(1) in an electronic format used by the CATV operator in the ordinary course of its business, the database used by the CATV operator to determine the amount of the franchise fee due to the municipality; and

(2) in a format used by the CATV operator in the ordinary course of its business, summary data, as needed by the municipality, to determine the CATV operator's franchise fees derived from the provision of cable and video services to subscribers within the CATV operator's franchise area.

(c) The CATV operator must provide the information requested under subsection (b) within:

(1) 60 days after the receipt of the request if the population of the requesting municipality is 500,000 or less; or

(2) 90 days after the receipt of the request if the population of the requesting municipality exceeds 500,000.

The time in which a CATV operator must provide the information requested under subsection (b) may be extended by an agreement between the municipality and the CATV operator.

(d) If an audit by the municipality or its agents finds an error by the CATV operator in the amount of the franchise fees paid by the CATV operator to the municipality, then the municipality may notify the CATV operator of the error. Any such notice must be given to the CATV operator by the municipality within 90 days after the municipality discovers the error, and no later than 4 years after the date the franchise fee was due. Upon such a notice, the CATV operator must submit a written response within 60 days after receipt of the notice stating that the CATV operator has corrected the error on a prospective basis or stating the reason that the error is inapplicable or inaccurate. The municipality then has 60 days after the receipt of the CATV operator's response to review and contest the conclusion of the CATV operator. No legal proceeding to collect a deficiency based upon an alleged error shall be commenced unless within 180 days after the municipality's notification of the error to the CATV operator the parties are unable to agree on the disposition of the audit findings.

(e) No CATV operator is liable for any error in past franchise fee payments that was unknown by the

CATV operator prior to the audit process unless (i) the error was due to negligence on the part of the CATV operator in the collection or processing of required data and (ii) the municipality had not failed to respond in writing in a timely manner to any written request of the CATV operator to review and correct information used by the CATV operator to calculate the appropriate franchise fees if a diligent review of such information by the municipality reasonably could have been expected to discover such error.

(f) All account specific information provided by a CATV operator under this Section may be used only for the purpose of an audit conducted under this Section and the enforcement of any franchise fee delinquent claim. All such information must be held in strict confidence by the municipality and its agents and may not be disclosed to the public under the Freedom of Information Act or under any other similar statutes allowing for or requiring public disclosure.

(g) For the purposes of this Section, "CATV operator" means a person or entity that provides cable and video services under a franchise agreement with a municipality pursuant to Section 11-42-11 of the Municipal Code and a holder authorized under Section 21-401 of the Cable and Video Competition Law of 2007 as consistent with Section 21-901 of that Law.

(h) This Section does not apply to any action that was commenced, to any complaint that was filed, or to any audit that was commenced before the effective date of this amendatory Act of the 96th General Assembly. "Section 5. The Counties Code is amended by changing Section 5-12001.1 as follows:

(55 ILCS 5/5-12001.1)

Sec. 5-12001.1. Authority to regulate certain specified facilities of a telecommunications carrier and to regulate, pursuant to subsections (a) through (g), AM broadcast towers and facilities.

(a) Notwithstanding any other Section in this Division, the county board or board of county commissioners of any county shall have the power to regulate the location of the facilities, as defined in subsection (c), of a telecommunications carrier or AM broadcast station established outside the corporate limits of cities, villages, and incorporated towns that have municipal zoning ordinances in effect. The power shall only be exercised to the extent and in the manner set forth in this Section.

(b) The provisions of this Section shall not abridge any rights created by or authority confirmed in the federal Telecommunications Act of 1996, P.L. 104-104.

(c) As used in this Section, unless the context otherwise requires:

(1) "county jurisdiction area" means those portions of a county that lie outside the corporate limits of cities, villages, and incorporated towns that have municipal zoning ordinances in effect;

(2) "county board" means the county board or board of county commissioners of any county;

(3) "residential zoning district" means a zoning district that is designated under a county zoning ordinance and is zoned predominantly for residential uses;

(4) "non-residential zoning district" means the county jurisdiction area of a county, except for those portions within a residential zoning district;

(5) "residentially zoned lot" means a zoning lot in a residential zoning district;

(6) "non-residentially zoned lot" means a zoning lot in a non-residential zoning district;

(7) "telecommunications carrier" means a telecommunications carrier as defined in the Public Utilities Act as of January 1, 1997;

(8) "facility" means that part of the signal distribution system used or operated by a telecommunications carrier or AM broadcast station under a license from the FCC consisting of a combination of improvements and equipment including (i) one or more antennas, (ii) a supporting structure and the hardware by which antennas are attached; (iii) equipment housing; and (iv) ancillary equipment such as signal transmission cables and miscellaneous hardware;

(9) "FAA" means the Federal Aviation Administration of the United States Department of Transportation;

(10) "FCC" means the Federal Communications Commission;

(11) "antenna" means an antenna device by which radio signals are transmitted, received, or both;

(12) "supporting structure" means a structure, whether an antenna tower or another type of structure, that supports one or more antennas as part of a facility;

(13) "qualifying structure" means a supporting structure that is (i) an existing structure, if the height of the facility, including the structure, is not more than 15 feet higher than the structure just before the facility is installed, or (ii) a substantially similar, substantially same-location replacement of an existing structure, if the height of the facility, including the replacement structure, is not more than 15 feet higher than the height of the existing structure just before the facility is installed;

(14) "equipment housing" means a combination of one or more equipment buildings or enclosures housing equipment that operates in conjunction with the antennas of a facility, and the equipment itself;

(15) "height" of a facility means the total height of the facility's supporting structure and any antennas that will extend above the top of the supporting structure; however, if the supporting structure's foundation extends more than 3 feet above the uppermost ground level along the perimeter of the foundation, then each full foot in excess of 3 feet shall be counted as an additional foot of facility height. The height of a facility's supporting structure is to be measured from the highest point of the supporting structure's foundation;

(16) "facility lot" means the zoning lot on which a facility is or will be located;

(17) "principal residential building" has its common meaning but shall not include any

building under the same ownership as the land of the facility lot. "Principal residential building" shall not include any structure that is not designed for human habitation;

(18) "horizontal separation distance" means the distance measured from the center of the base of the facility's supporting structure to the point where the ground meets a vertical wall of a principal residential building;

(19) "lot line set back distance" means the distance measured from the center of the base of the facility's supporting structure to the nearest point on the common lot line between the facility lot and the nearest residentially zoned lot. If there is no common lot line, the measurement shall be made to the nearest point on the lot line of the nearest residentially zoned lot without deducting the width of any intervening right of way; and

(20) "AM broadcast station" means a facility and one or more towers for the purpose of transmitting communication in the 540 kHz to 1700 kHz band for public reception authorized by the FCC.

(d) In choosing a location for a facility, a telecommunications carrier or AM broadcast station shall consider the following:

- (1) A non-residentially zoned lot is the most desirable location.
- (2) A residentially zoned lot that is not used for residential purposes is the second most desirable location.
- (3) A residentially zoned lot that is 2 acres or more in size and is used for residential purposes is the third most desirable location.
- (4) A residentially zoned lot that is less than 2 acres in size and is used for residential purposes is the least desirable location.

The size of a lot shall be the lot's gross area in square feet without deduction of any unbuildable or unusable land, any roadway, or any other easement.

(e) In designing a facility, a telecommunications carrier or AM broadcast station shall consider the following guidelines:

- (1) No building or tower that is part of a facility should encroach onto any recorded easement prohibiting the encroachment unless the grantees of the easement have given their approval.
- (2) Lighting should be installed for security and safety purposes only. Except with respect to lighting required by the FCC or FAA, all lighting should be shielded so that no glare extends substantially beyond the boundaries of a facility.
- (3) No facility should encroach onto an existing septic field.
- (4) Any facility located in a special flood hazard area or wetland should meet the legal requirements for those lands.
- (5) Existing trees more than 3 inches in diameter should be preserved if reasonably feasible during construction. If any tree more than 3 inches in diameter is removed during construction a tree 3 inches or more in diameter of the same or a similar species shall be planted as a replacement if reasonably feasible. Tree diameter shall be measured at a point 3 feet above ground level.
- (6) If any elevation of a facility faces an existing, adjoining residential use within a residential zoning district, low maintenance landscaping should be provided on or near the facility lot to provide at least partial screening of the facility. The quantity and type of that landscaping should be in accordance with any county landscaping regulations of general applicability, except that paragraph (5) of this subsection (e) shall control over any tree-related regulations imposing a greater burden.
- (7) Fencing should be installed around a facility. The height and materials of the fencing should be in accordance with any county fence regulations of general applicability.
- (8) Any building that is part of a facility located adjacent to a residentially zoned lot should be designed with exterior materials and colors that are reasonably compatible with the residential character of the area.

(f) The following provisions shall apply to all facilities established in any county jurisdiction area (i) after the effective date of the amendatory Act of 1997 with respect to telecommunications carriers and (ii) after the effective date of this amendatory Act of the 94th General Assembly with respect to AM broadcast stations:

- (1) Except as provided in this Section, no yard or set back regulations shall apply to or be required for a facility.
- (2) A facility may be located on the same zoning lot as one or more other structures or uses without violating any ordinance or regulation that prohibits or limits multiple structures, buildings, or uses on a zoning lot.
- (3) No minimum lot area, width, or depth shall be required for a facility, and unless the facility is to be manned on a regular, daily basis, no off-street parking spaces shall be required for

a facility. If the facility is to be manned on a regular, daily basis, one off-street parking space shall be provided for each employee regularly at the facility. No loading facilities are required.

(4) No portion of a facility's supporting structure or equipment housing shall be less than 15 feet from the front lot line of the facility lot or less than 10 feet from any other lot line.

(5) No bulk regulations or lot coverage, building coverage, or floor area ratio limitations shall be applied to a facility or to any existing use or structure coincident with the establishment of a facility. Except as provided in this Section, no height limits or restrictions shall apply to a facility.

(6) A county's review of a building permit application for a facility shall be completed within 30 days. If a decision of the county board is required to permit the establishment of a facility, the county's review of the application shall be simultaneous with the process leading to the county board's decision.

(7) The improvements and equipment comprising the facility may be wholly or partly freestanding or wholly or partly attached to, enclosed in, or installed in or on a structure or structures.

(8) Any public hearing authorized under this Section shall be conducted in a manner determined by the county board. Notice of any such public hearing shall be published at least 15 days before the hearing in a newspaper of general circulation published in the county. Notice of any such public hearing shall also be sent by certified mail at least 15 days prior to the hearing to the owners of record of all residential property that is adjacent to the lot upon which the facility is proposed to be sited.

(9) Any decision regarding a facility by the county board or a county agency or official shall be supported by written findings of fact. The circuit court shall have jurisdiction to review the reasonableness of any adverse decision and the plaintiff shall bear the burden of proof, but there shall be no presumption of the validity of the decision.

(10) Thirty days prior to the issuance of a building permit for a facility necessitating the erection of a new tower, the permit applicant shall provide written notice of its intent to construct the facility to the State Representative and the State Senator of the district in which the subject facility is to be constructed and each member of the county board representing the area within the county in which the subject facility is to be constructed. This notice shall include, but not be limited to, the following information: (i) the name, address, and telephone number of the company responsible for the construction of the facility; (ii) the name, address, and telephone number of the governmental entity authorized to issue the building permit; and (iii) the location of the proposed facility. The applicant shall demonstrate compliance with the notice requirements set forth in this item (10) by submitting certified mail receipts or equivalent mail service receipts at the same time that the applicant submits the permit application.

(g) The following provisions shall apply to all facilities established (i) after the effective date of this amendatory Act of 1997 with respect to telecommunications carriers and (ii) after the effective date of this amendatory Act of the 94th General Assembly with respect to AM broadcast stations in the county jurisdiction area of any county with a population of less than 180,000:

(1) A facility is permitted if its supporting structure is a qualifying structure or if both of the following conditions are met:

(A) the height of the facility shall not exceed 200 feet, except that if a facility is located more than one and one-half miles from the corporate limits of any municipality with a population of 25,000 or more the height of the facility shall not exceed 350 feet; and

(B) the horizontal separation distance to the nearest principal residential building shall not be less than the height of the supporting structure; except that if the supporting structure exceeds 99 feet in height, the horizontal separation distance to the nearest principal residential building shall be at least 100 feet or 80% of the height of the supporting structure, whichever is greater. Compliance with this paragraph shall only be evaluated as of the time that a building permit application for the facility is submitted. If the supporting structure is not an antenna tower this paragraph is satisfied.

(2) Unless a facility is permitted under paragraph (1) of this subsection (g), a facility can be established only after the county board gives its approval following consideration of the provisions of paragraph (3) of this subsection (g). The county board may give its approval after one public hearing on the proposal, but only by the favorable vote of a majority of the members present at a meeting held no later than 75 days after submission of a complete application by the telecommunications carrier. If the county board fails to act on the application within 75 days after its submission, the application shall be deemed to have been approved. No more than one public hearing shall be required.

(3) For purposes of paragraph (2) of this subsection (g), the following siting

considerations, but no other matter, shall be considered by the county board or any other body conducting the public hearing:

(A) the criteria in subsection (d) of this Section;

(B) whether a substantial adverse effect on public safety will result from some aspect of the facility's design or proposed construction, but only if that aspect of design or construction is modifiable by the applicant;

(C) the benefits to be derived by the users of the services to be provided or enhanced by the facility and whether public safety and emergency response capabilities would benefit by the establishment of the facility;

(D) the existing uses on adjacent and nearby properties; and

(E) the extent to which the design of the proposed facility reflects compliance with subsection (e) of this Section.

(4) On judicial review of an adverse decision, the issue shall be the reasonableness of the county board's decision in light of the evidence presented on the siting considerations and the well-reasoned recommendations of any other body that conducts the public hearing.

(h) The following provisions shall apply to all facilities established after the effective date of this amendatory Act of 1997 in the county jurisdiction area of any county with a population of 180,000 or more. A facility is permitted in any zoning district subject to the following:

(1) A facility shall not be located on a lot under paragraph (4) of subsection (d) unless a variation is granted by the county board under paragraph (4) of this subsection (h).

(2) Unless a height variation is granted by the county board, the height of a facility shall not exceed 75 feet if the facility will be located in a residential zoning district or 200 feet if the facility will be located in a non-residential zoning district. However, the height of a facility may exceed the height limit in this paragraph, and no height variation shall be required, if the supporting structure is a qualifying structure.

(3) The improvements and equipment of the facility shall be placed to comply with the requirements of this paragraph at the time a building permit application for the facility is submitted. If the supporting structure is an antenna tower other than a qualifying structure then (i) if the facility will be located in a residential zoning district the lot line set back distance to the nearest residentially zoned lot shall be at least 50% of the height of the facility's supporting structure or (ii) if the facility will be located in a non-residential zoning district the horizontal separation distance to the nearest principal residential building shall be at least equal to the height of the facility's supporting structure.

(4) The county board may grant variations for any of the regulations, conditions, and restrictions of this subsection (h), after one public hearing on the proposed variations held at a zoning or other appropriate committee meeting with proper notice given as provided in this Section, by a favorable vote of a majority of the members present at a meeting held no later than 75 days after submission of an application by the telecommunications carrier. If the county board fails to act on the application within 75 days after submission, the application shall be deemed to have been approved. In its consideration of an application for variations, the county board, and any other body conducting the public hearing, shall consider the following, and no other matters:

(A) whether, but for the granting of a variation, the service that the telecommunications carrier seeks to enhance or provide with the proposed facility will be less available, impaired, or diminished in quality, quantity, or scope of coverage;

(B) whether the conditions upon which the application for variations is based are unique in some respect or, if not, whether the strict application of the regulations would result in a hardship on the telecommunications carrier;

(C) whether a substantial adverse effect on public safety will result from some aspect of the facility's design or proposed construction, but only if that aspect of design or construction is modifiable by the applicant;

(D) whether there are benefits to be derived by the users of the services to be provided or enhanced by the facility and whether public safety and emergency response capabilities would benefit by the establishment of the facility; and

(E) the extent to which the design of the proposed facility reflects compliance with subsection (e) of this Section.

No more than one public hearing shall be required.

(5) On judicial review of an adverse decision, the issue shall be the reasonableness of the county board's decision in light of the evidence presented and the well-reasoned recommendations of any other body that conducted the public hearing.

Section 10. The Public Utilities Act is amended by changing Sections 13-301 as follows:

(220 ILCS 5/13-301) (from Ch. 111 2/3, par. 13-301)

(Section scheduled to be repealed on July 1, 2010)

Sec. 13-301. Consistent with the findings and policy established in paragraph (a) of Section 13-102 and paragraph (a) of Section 13-103, and in order to ensure the attainment of such policies, the Commission shall:

(a) participate in all federal programs intended to preserve or extend universal telecommunications service, unless such programs would place cost burdens on Illinois customers of telecommunications services in excess of the benefits they would receive through participation, provided, however, the Commission shall not approve or permit the imposition of any surcharge or other fee designed to subsidize or provide a waiver for subscriber line charges; and shall report on such programs together with an assessment of their adequacy and the advisability of participating therein in its annual report to the General Assembly, or more often as necessary;

(b) establish a program to monitor the level of telecommunications subscriber connection within each exchange in Illinois, and shall report the results of such monitoring and any actions it has taken or recommends be taken to maintain and increase such levels in its annual report to the General Assembly, or more often if necessary;

(c) order all telecommunications carriers offering or providing local exchange telecommunications service to propose low-cost or budget service tariffs and any other rate design or pricing mechanisms designed to facilitate customer access to such telecommunications service, and shall after notice and hearing, implement any such proposals which it finds likely to achieve such purpose;

(d) investigate the necessity of and, if appropriate, establish a universal service support fund from which local exchange telecommunications carriers who pursuant to the Twenty-Seventh Interim Order of the Commission in Docket No. 83-0142 or the orders of the Commission in Docket No. 97-0621 and Docket No. 98-0679 received funding and whose economic costs of providing services for which universal service support may be made available exceed the affordable rate established by the Commission for such services may be eligible to receive support, less any federal universal service support received for the same or similar costs of providing the supported services; provided, however, that if a universal service support fund is established, the Commission shall require that all costs of the fund be recovered from all local exchange and interexchange telecommunications carriers certificated in Illinois on a competitively neutral and nondiscriminatory basis. In establishing any such universal service support fund, the Commission shall, in addition to the determination of costs for supported services, consider and make findings pursuant to paragraphs (1), (2), and (4) of item (e) of this Section. Proxy cost, as determined by the Commission, may be used for this purpose. In determining cost recovery for any universal service support fund, the Commission shall not permit recovery of such costs from another certificated carrier for any service purchased and used solely as an input to a service provided to such certificated carrier's retail customers; ~~and~~

(e) investigate the necessity of and, if appropriate, establish a universal service support fund in addition to any fund that may be established pursuant to item (d) of this Section; provided, however, that if a telecommunications carrier receives universal service support pursuant to item (d) of this Section, that telecommunications carrier shall not receive universal service support pursuant to this item. Recipients of any universal service support funding created by this item shall be "eligible" telecommunications carriers, as designated by the Commission in accordance with 47 U.S.C. 214(e)(2). Eligible telecommunications carriers providing local exchange telecommunications service may be eligible to receive support for such services, less any federal universal service support received for the same or similar costs of providing the supported services. If a fund is established, the Commission shall require that the costs of such fund be recovered from all telecommunications carriers, with the exception of wireless carriers who are providers of two-way cellular telecommunications service and who have not been designated as eligible telecommunications carriers, on a competitively neutral and non-discriminatory basis. In any order creating a fund pursuant to this item, the Commission, after notice and hearing, shall:

(1) Define the group of services to be declared "supported telecommunications services"

that constitute "universal service". This group of services shall, at a minimum, include those services as defined by the Federal Communications Commission and as from time to time amended. In addition, the Commission shall consider the range of services currently offered by telecommunications carriers offering local exchange telecommunications service, the existing rate structures for the supported telecommunications services, and the telecommunications needs of Illinois consumers in determining the supported telecommunications services. The Commission shall,

[May 7, 2010]

from time to time or upon request, review and, if appropriate, revise the group of Illinois supported telecommunications services and the terms of the fund to reflect changes or enhancements in telecommunications needs, technologies, and available services.

(2) Identify all implicit subsidies contained in rates or charges of incumbent local exchange carriers, including all subsidies in interexchange access charges, and determine how such subsidies can be made explicit by the creation of the fund.

(3) Identify the incumbent local exchange carriers' economic costs of providing the supported telecommunications services.

(4) Establish an affordable price for the supported telecommunications services for the respective incumbent local exchange carrier. The affordable price shall be no less than the rates in effect at the time the Commission creates a fund pursuant to this item. The Commission may establish and utilize indices or models for updating the affordable price for supported telecommunications services.

(5) Identify the telecommunications carriers from whom the costs of the fund shall be recovered and the mechanism to be used to determine and establish a competitively neutral and non-discriminatory funding basis. From time to time, or upon request, the Commission shall consider whether, based upon changes in technology or other factors, additional telecommunications providers should contribute to the fund. The Commission shall establish the basis upon which telecommunications carriers contributing to the fund shall recover contributions on a competitively neutral and non-discriminatory basis. In determining cost recovery for any universal support fund, the Commission shall not permit recovery of such costs from another certificated carrier for any service purchased and used solely as an input to a service provided to such certificated carriers' retail customers.

(6) Approve a plan for the administration and operation of the fund by a neutral third party consistent with the requirements of this item.

No fund shall be created pursuant to this item until existing implicit subsidies, including, but not limited to, those subsidies contained in interexchange access charges, have been identified and eliminated through revisions to rates or charges. Prior to May 1, 2000, such revisions to rates or charges to eliminate implicit subsidies shall occur contemporaneously with any funding established pursuant to this item. However, if the Commission does not establish a universal service support fund by May 1, 2000, the Commission shall not be prevented from entering an order or taking other actions to reduce or eliminate existing subsidies as well as considering the effect of such reduction or elimination on local exchange carriers; and -

(f) provide for a universal and emergency services support program under which all payphone service providers operating under certificates of service authority issued by the Commission shall receive financial support for all local exchange services identified in this subsection (f) that are used in the provisioning of payphone services, other than for payphones located at inmate institutions or airports, provided that such payphone service provider submits itself to the universal and emergency services support program (participating provider). The General Assembly finds that the continued provision of payphones is fundamental to the public policy goals of providing universal access and emergency links to the communications network in the public interest of providing for the health, welfare, prosperity, and security of Illinois citizens. Developments in the telecommunications industry make it necessary to take steps to ensure the continued availability of payphones as part of the overall communications network. Therefore, no later than December 1, 2010, the Commission, after notice and hearing, shall have in effect a universal and emergency services support program that shall provide that all payphone lines of a participating provider, other than those payphones located at inmate institutions or airports, shall receive universal and emergency services support in an amount equal to the charges for the telephone line, the subscriber line charge, all usage of up to 15 miles, and the features (collectively "local charges") for each payphone each month, to be paid directly by the fund for the universal and emergency services support program to the local exchange carrier providing the telephone subscriber line to the payphone. The participating provider shall remain responsible for the remainder of any other charges. The Commission shall require that all costs of the fund for the universal and emergency services support program be recovered from the same entities as those required for the recovery of costs under subsection (d) of this Section on a competitively neutral and nondiscriminatory basis. The funding for the universal and emergency services support program for this subsection may be through a separate fund or through another fund established pursuant to this Article, as the Commission deems to be the most efficient and effective, provided that any inclusion in another fund established pursuant to this Article is neither detrimental to, nor diminishes the benefits of that fund to, the other participants.

Any telecommunications carrier providing local exchange telecommunications service which offers to

[May 7, 2010]

its local exchange customers a choice of two or more local exchange telecommunications service offerings shall provide, to any such customer requesting it, once a year without charge, a report describing which local exchange telecommunications service offering would result in the lowest bill for such customer's local exchange service, based on such customer's calling pattern and usage for the previous 6 months. At least once a year, each such carrier shall provide a notice to each of its local exchange telecommunications service customers describing the availability of this report and the specific procedures by which customers may receive it. Such report shall only be available to current and future customers who have received at least 6 months of continuous local exchange service from such carrier.

AMENDMENT NO. 4 TO SENATE BILL 3464

AMENDMENT NO. 4. Amend Senate Bill 3464, AS AMENDED, with reference to page and line numbers of House Amendment No. 3, on page 16, immediately below line 2, by inserting the following:

"Section 7. The Township Code is amended by changing Section 30-50 as follows:

(60 ILCS 1/30-50)

Sec. 30-50. Purchase and use of property.

(a) The electors may make all orders for the purchase, sale, conveyance, regulation, or use of the township's corporate property (including the direct sale or lease of single township road district property) that may be deemed conducive to the interests of its inhabitants, including the lease, for up to 10 years, or for up to 25 years if the lease is for a wireless telecommunications tower, at fair market value, of corporate property for which no use or need during the lease period is anticipated at the time of leasing. The property may be leased to another governmental body, however, or to a not-for-profit corporation that has contracted to construct or fund the construction of a structure or improvement upon the real estate owned by the township and that has contracted with the township to allow the township to use at least a portion of the structure or improvement to be constructed upon the real estate leased and not otherwise used by the township, for any term not exceeding 50 years and for any consideration. In the case of a not-for-profit corporation, the township shall hold a public hearing on the proposed lease. The township clerk shall give notice of the hearing by publication in a newspaper published in the township, or in a newspaper published in the county and having general circulation in the township if no newspaper is published in the township, and by posting notices in at least 5 public places at least 10 days before the public hearing.

(b) If a new tax is to be levied or an existing tax rate is to be increased above the statutory limits for the purchase of the property, however, no action otherwise authorized in subsection (a) shall be taken unless a petition signed by at least 10% of the registered voters residing in the township is presented to the township clerk. If a petition is presented to the township clerk, the clerk shall order a referendum on the proposition. The referendum shall be held at the next annual or special township meeting or at an election in accordance with the general election law. If the referendum is ordered to be held at the township meeting, the township clerk shall give notice that at the next annual or special township meeting the proposition shall be voted upon. The notice shall set forth the proposition and shall be given by publication in a newspaper published in the township. If there is no newspaper published in the township, the notice shall be published in a newspaper published in the county and having general circulation in the township. Notice also shall be given by posting notices in at least 5 public places at least 10 days before the township meeting. If the referendum is ordered to be held at an election, the township clerk shall certify that proposition to the proper election officials, who shall submit the proposition at an election. The proposition shall be submitted in accordance with the general election law.

(c) If the leased property is utilized in part for private use and in part for public use, those portions of the improvements devoted to private use are fully taxable. The land is exempt from taxation to the extent that the uses on the land are public and taxable to the extent that the uses are private.

(d) Before the township makes a lease or sale of township or road district real or personal property, unless the personal property has a sale value of \$2,500 or less, the electors shall adopt a resolution stating the intent to lease or sell the real or personal property, describing the property in full, and stating the terms and conditions the electors deem necessary and desirable for the lease or sale. A resolution

[May 7, 2010]

stating the intent to sell real property shall also contain pertinent information concerning the size, use, and zoning of the property. The value of real property shall be determined by a State licensed real estate appraiser. The appraisal shall be available for public inspection. The resolution may direct the sale to be conducted by the staff of the township or by listing with local licensed real estate agencies (in which case the terms of the agent's compensation shall be included in the resolution).

When a township sells township or road district personal property valued for sale at \$2,500 or less, the electors are not required to adopt a resolution. Prior to the sale, the clerk shall prepare a notice stating the intent of the township or road district to sell personal property with a sale value of \$2,500 or less and describing the property in full.

The clerk shall thereafter publish the resolution or personal property sale notice once in a newspaper published in the township or, if no newspaper is published in the township, in a newspaper generally circulated in the township. If no newspaper is generally circulated in the township, the clerk shall post the resolution or personal property sale notice in 5 of the most public places in the township. In addition to the foregoing publication requirements, the clerk shall post the resolution or personal property sale notice at the office of the township (if township property is involved) or at the office of the road district (if road district property is involved). The following information shall be published or posted with the resolution or personal property sale notice: (i) the date by which all bids must be received by the township or road district, which shall not be less than 30 days after the date of publication or posting, and (ii) the place, time, and date at which bids shall be opened, which shall be at a regular meeting of the township board.

All bids shall be opened by the clerk (or someone duly appointed to act for the clerk) at the regular meeting of the township board described in the notice. With respect to township personal property, except personal property valued for sale at \$2,500 or less, the township board may accept the high bid or any other bid determined to be in the best interests of the township by a majority vote of the board. With respect to township real property, the township board may accept the high bid or any other bid determined to be in the best interests of the township by a vote of three-fourths of the township board then holding office, but in no event at a price less than 80% of the appraised value. With respect to road district property, except personal property valued for sale at \$2,500 or less, the highway commissioner may accept the high bid or any other bid determined to be in the best interests of the road district. In each case, the township board or commissioner may reject any and all bids. With respect to township or road district personal property valued for sale at \$2,500 or less, the clerk shall accept at least 2 bids and the township board or highway commissioner shall accept the highest bid. This notice and competitive bidding procedure shall not be followed when property is leased to another governmental body. The notice and competitive bidding procedure shall not be followed when property is declared surplus by the electors and sold to another governmental body. The notice and competitive bidding procedure may be, but need not be, followed if property is leased for a wireless telecommunications tower.

(e) A trade-in of machinery or equipment on new or different machinery or equipment does not constitute the sale of township or road district property. (Source: P.A. 95-909, eff. 8-26-08.)"

Under the rules, the foregoing **Senate Bill No. 3464**, with House Amendments numbered 3 and 4, was referred to the Secretary's Desk.

Sec. 7.31. Abandoned Residential Property Municipality Relief Program.

(a) The Authority shall establish and administer an Abandoned Residential Property Municipality Relief Program. The Authority shall use moneys in the Abandoned Residential Property Municipality Relief Fund, and any other funds appropriated for this purpose, to make grants to municipalities to assist with removal costs and securing or enclosing costs incurred by the municipality pursuant to Section 11-20-15.1 of the Illinois Municipal Code, as approved by the Authority under the Program. The Authority shall promulgate rules for the administration, operation, and maintenance of the Program and may adopt emergency rules as soon as practicable to begin implementation of the Program.

(b) Subject to appropriation, the Authority shall make grants from the Abandoned Residential Property Municipality Relief Fund as follows:

(1) 75% of the moneys in the Fund shall be distributed to municipalities, other than the City of Chicago, to assist with removal costs and securing or enclosing costs incurred by the municipality pursuant to Section 11-20-15.1 of the Illinois Municipal Code.

(2) 25% of the moneys in the Fund shall be distributed to the City of Chicago to assist with removal costs and securing or enclosing costs incurred by the municipality pursuant to Section 11-20-15.1 of the Illinois Municipal Code.

Section 10. The Illinois Municipal Code is amended by changing Section 11-20-15.1 as follows:
(65 ILCS 5/11-20-15.1)

Sec. 11-20-15.1. Lien for costs of removal, securing, and enclosing on abandoned residential property.

(a) If the municipality elects to incur a removal cost pursuant to subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, or subsection (e) of Section 11-20-13, or a securing or enclosing cost pursuant to Section 11-31-1.01 with respect to an abandoned residential property, then that cost is a lien upon the underlying parcel of that abandoned residential property. This lien is superior to all other liens and encumbrances, except tax liens and as otherwise provided in this Section.

(b) To perfect a lien under this Section, the municipality must, within one year after the cost is incurred for the activity, file notice of the lien in the office of the recorder in the county in which the abandoned residential property is located or, if the abandoned residential property is registered under the Torrens system, in the office of the Registrar of Titles of that county, a sworn statement setting out:

(1) a description of the abandoned residential property that sufficiently identifies the parcel;

(2) the amount of the cost of the activity;

(3) the date or dates when the cost for the activity was incurred by the municipality;
and

(4) a statement that the lien has been filed pursuant to subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, or Section 11-31-1.01, as applicable.

If, for any abandoned residential property, the municipality engaged in any activity on more than one occasion during the course of one year, then the municipality may combine any or all of the costs of each of those activities into a single notice of lien.

(c) To enforce a lien pursuant to this Section, the municipality must maintain contemporaneous records that include, at a minimum: (i) a dated statement of finding by the municipality that the property for which the work is to be performed has become abandoned residential property, which shall include (1) the date when the property was first known or observed to be unoccupied by any lawful occupant or occupants, (2) a description of the actions taken by the municipality to contact the legal owner or owners of the property identified on the recorded mortgage, or, if known, any agent of the owner or owners, including the dates such actions were taken, and (3) a statement that no contacts were made with the legal owner or owners or their agents as a result of such actions, (ii) a dated certification by an authorized official of the municipality of the necessity and specific nature of the work to be performed, (iii) a copy of the agreement with the person or entity performing the work that includes the legal name of the person or entity, the rate or rates to be charged for performing the work, and an estimate of the total cost of the work to be performed, (iv) detailed invoices and payment vouchers for all payments made by the municipality for such work, and (v) a statement as to whether the work was engaged through a competitive bidding process, and if so, a copy of all proposals submitted by the bidders for such work.

(d) A lien under this Section shall be enforceable exclusively at the hearing for confirmation of sale of the abandoned residential property that is held pursuant to subsection (b) of Section 15-1508 of the Code of Civil Procedure and shall be limited to a claim of interest in the proceeds of the sale and subject to the requirements of this Section. Any mortgagee who holds a mortgage on the property, or any beneficiary or trustee who holds a deed of trust on the property, may contest the lien or the amount of the lien at any time during the foreclosure proceeding upon motion and notice in accordance with court rules applicable to motions generally. Grounds for forfeiture of the lien or the superior status of the lien granted by subsection (a) of this Section shall include, but not be limited to, a finding by the court that: (i) the municipality has not complied with subsection (b) or (c) of this Section, (ii) the scope of the work was not reasonable under the circumstances, (iii) the work exceeded the authorization for the work to be performed under subsection (a) of Section 11-20-7, subsection (a) of Section 11-20-8, subsection (a) of Section 11-20-12, subsection (a) of Section 11-20-13, or subsection (a) of Section 11-31-1.01, as applicable, or (iv) the cost of the services rendered or materials provided was not commercially reasonable. Forfeiture of the superior status of the lien otherwise granted by this Section shall not constitute a forfeiture of the lien as a subordinate lien.

(e) Upon payment of the amount of a lien filed under this Section by the mortgagee, servicer, owner, or any other person, the municipality shall release the lien, and the release may be filed of record by the person making such payment at the person's sole expense as in the case of filing notice of lien.

(f) Notwithstanding any other provision of this Section, a municipality may not file a lien pursuant to this Section for activities performed pursuant to Section 11-20-7, Section 11-20-8, Section 11-20-12,

Section 11-20-13, or Section 11-31-1.01, if: (i) the mortgagee or servicer of the abandoned residential property has provided notice to the municipality that the mortgagee or servicer has performed or will perform the remedial actions specified in the notice that the municipality otherwise might perform pursuant to subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, or Section 11-31-1.01, provided that the remedial actions specified in the notice have been performed or are performed or initiated in good faith within 30 days of such notice; or (ii) the municipality has provided notice to the mortgagee or servicer of a problem with the property requiring the remedial actions specified in the notice that the municipality otherwise would perform pursuant to subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, or Section 11-31-1.01, and the mortgagee or servicer has performed or performs or initiates in good faith the remedial actions specified in the notice within 30 days of such notice.

(g) This Section and subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, or Section 11-31-1.01 shall apply only to activities performed, costs incurred, and liens filed after the effective date of this amendatory Act of the 96th General Assembly.

(h) For the purposes of this Section and subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, or Section 11-31-1.01:

"Abandoned residential property" means any type of permanent residential dwelling unit, including detached single family structures, and townhouses, condominium units and multifamily rental apartments covering the entire property, and manufactured homes treated under Illinois law as real estate and not as personal property, that has been unoccupied by any lawful occupant or occupants for at least 90 days, and for which after such 90 day period, the municipality has made good faith efforts to contact the legal owner or owners of the property identified on the recorded mortgage, or, if known, any agent of the owner or owners, and no contact has been made. A property for which the municipality has been given notice of the order of confirmation of sale pursuant to subsection (b-10) of Section 15-1508 of the Code of Civil Procedure shall not be deemed to be an abandoned residential property for the purposes of subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, and Section 11-31-1.01 of this Code.

"MERS program" means the nationwide Mortgage Electronic Registration System approved by Fannie Mae, Freddie Mac, and Ginnie Mae that has been created by the mortgage banking industry with the mission of registering every mortgage loan in the United States to lawfully make information concerning each residential mortgage loan and the property securing it available by Internet access to mortgage originators, servicers, warehouse lenders, wholesale lenders, retail lenders, document custodians, settlement agents, title companies, insurers, investors, county recorders, units of local government, and consumers.

(i) Any entity or person who performs a removal, securing, or enclosing activity pursuant to the authority of a municipality under subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, or Section 11-31-1.01, may, in its, his, or her own name, file a lien pursuant to subsection (b) of this Section and appear in a foreclosure action on that lien pursuant to subsection (d) of this Section in the place of the municipality, provided that the municipality shall remain subject to subsection (c) of this Section, and such party shall be subject to all of the provisions in this Section as if such party were the municipality.

(i-5) All amounts received by the municipality for costs incurred pursuant to this Section for which the municipality has been reimbursed under Section 7.31 of the Illinois Housing Development Act shall be remitted to the State Treasurer for deposit into the Abandoned Residential Property Municipality Relief Fund.

(j) If prior to subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, and subsection (e) of Section 11-20-13 becoming inoperative a lien is filed pursuant to any of those subsections, then the lien shall remain in full force and effect after the subsections have become inoperative, subject to all of the provisions of this Section. If prior to the repeal of Section 11-31-1.01 a lien is filed pursuant to Section 11-31-1.01, then the lien shall remain in full force and effect after the repeal of Section 11-31-1.01, subject to all of the provisions of this Section.

(Section scheduled to be repealed on April 6, 2011)

"Approved Housing Counseling" means in-person counseling provided by a counselor employed by an approved counseling agency to all borrowers, or documented telephone counseling where a hardship would be imposed on one or more borrowers. A hardship shall exist in instances in which the borrower is confined to his or her home due to medical conditions, as verified in writing by a physician or the borrower resides 50 miles or more from the nearest approved counseling agency. In instances of telephone counseling, the borrower must supply all necessary documents to the counselor at least 72 hours prior to the scheduled telephone counseling session.

"Delinquent" means past due with respect to a payment on a mortgage secured by residential real estate.

A sustainable loan workout plan may include, but is not limited to, (1) a temporary suspension of payments, (2) a lengthened loan term, (3) a lowered or frozen interest rate, (4) a principal write down, (5) a repayment plan to pay the existing loan in full, (6) deferred payments, or (7) refinancing into a new affordable loan.

(b) Except in the circumstance in which a mortgagor has filed a petition for relief under the United States Bankruptcy Code, no mortgagee shall file a complaint to foreclose a mortgage secured by residential real estate until the requirements of this Section have been satisfied.

(c) Notwithstanding any other provision to the contrary, with respect to a particular mortgage secured by residential real estate, the procedures and forbearances described in this Section apply only once per subject mortgage.

Except for mortgages secured by residential real estate in which any mortgagor has filed for relief under the United States Bankruptcy Code, if a mortgage secured by residential real estate becomes delinquent by more than 30 days the mortgagee shall send via U.S. mail a notice advising the mortgagor that he or she may wish to seek approved housing counseling. Notwithstanding anything to the contrary in this Section, nothing shall preclude the mortgagor and mortgagee from communicating with each other during the initial 30 days of delinquency or reaching agreement on a sustainable loan workout plan, or both.

No foreclosure action under Part 15 of Article XV of the Code of Civil Procedure shall be instituted on a mortgage secured by residential real estate before mailing the notice described in this subsection (c).

The notice required in this subsection (c) shall state the date on which the notice was mailed, shall be headed in bold 14-point type "GRACE PERIOD NOTICE", and shall state the following in 14-point type: "YOUR LOAN IS MORE THAN 30 DAYS PAST DUE. YOU MAY BE EXPERIENCING FINANCIAL DIFFICULTY. IT MAY BE IN YOUR BEST INTEREST TO SEEK APPROVED HOUSING COUNSELING. YOU HAVE A GRACE PERIOD OF 30 DAYS FROM THE DATE OF THIS NOTICE TO OBTAIN APPROVED HOUSING COUNSELING. DURING THE GRACE PERIOD, THE LAW PROHIBITS US FROM TAKING ANY LEGAL ACTION AGAINST YOU. YOU MAY BE ENTITLED TO AN ADDITIONAL 30 DAY GRACE PERIOD IF YOU OBTAIN HOUSING COUNSELING FROM AN APPROVED HOUSING COUNSELING AGENCY. A LIST OF APPROVED COUNSELING AGENCIES MAY BE OBTAINED FROM THE ILLINOIS DEPARTMENT OF FINANCIAL AND PROFESSIONAL REGULATION."

The notice shall also list the Department's current consumer hotline, the Department's website, and the telephone number, fax number, and mailing address of the mortgagee. No language, other than language substantially similar to the language prescribed in this subsection (c), shall be included in the notice. Notwithstanding any other provision to the contrary, the grace period notice required by this subsection (c) may be combined with a counseling notification required under federal law.

The sending of the notice required under this subsection (c) means depositing or causing to be deposited into the United States mail an envelope with first-class postage prepaid that contains the document to be delivered. The envelope shall be addressed to the mortgagor at the common address of the residential real estate securing the mortgage.

(d) Until 30 days after mailing the notice provided for under subsection (c) of this Section, no legal

[May 7, 2010]

action shall be instituted under Part 15 of Article XV of the Code of Civil Procedure.

(e) If, within the 30-day period provided under subsection (d) of this Section, an approved counseling agency provides written notice to the mortgagee that the mortgagor is seeking approved counseling services, then no legal action under Part 15 of Article XV of the Code of Civil Procedure shall be instituted for 30 days after the date of that notice. The date that such notice is sent shall be stated in the notice, and shall be sent to the address or fax number contained in the Grace Period Notice required under subsection (c) of this Section. During the 30-day period provided under this subsection (e), the mortgagor or counselor or both may prepare and proffer to the mortgagee a proposed sustainable loan workout plan. The mortgagee will then determine whether to accept the proposed sustainable loan workout plan. If the mortgagee and the mortgagor agree to a sustainable loan workout plan, then no legal action under Part 15 of Article XV of the Code of Civil Procedure shall be instituted for as long as the sustainable loan workout plan is complied with by the mortgagor.

The agreed sustainable loan workout plan and any modifications thereto must be in writing and signed by the mortgagee and the mortgagor.

Upon written notice to the mortgagee, the mortgagor may change approved counseling agencies, but such a change does not entitle the mortgagor to any additional period of forbearance.

(f) If the mortgagor fails to comply with the sustainable loan workout plan, then nothing in this Section shall be construed to impair the legal rights of the mortgagee to enforce the contract.

(g) A counselor employed by a housing counseling agency or the housing counseling agency that in good faith provides counseling shall not be liable to a mortgagee or mortgagor for civil damages, except for willful or wanton misconduct on the part of the counselor in providing the counseling.

(h) There shall be no waiver of any provision of this Section.

(i) It is the General Assembly's intent that compliance with this Section shall not prejudice a mortgagee in ratings of its bad debt collection or calculation standards or policies.

(j) This Section shall not apply, or shall cease to apply, to residential real estate that is not occupied as a principal residence by the mortgagor.

(k) This Section is repealed July 1, 2013 ~~2 years after the effective date of this amendatory Act of the 95th General Assembly.~~

Section 3-3. Transfer and sale of State's right to tobacco settlement revenues. During fiscal years 2010 and 2011, the State may sell, convey, or otherwise transfer to the Authority the tobacco settlement revenues in exchange for the net proceeds of bonds and a right to the residual interest in tobacco settlement revenues. Unless otherwise directed by statute, the net proceeds of bonds shall be deposited in the Tobacco Settlement Bond Proceeds Account, and the residual interest in tobacco settlement revenues received by the State from time to time shall be deposited in the Tobacco Settlement Residual Account, in each case to be applied for the purposes and in the manner described in this Act and in Section 6z-43 of the State Finance Act.

Any portions of the tobacco settlement revenues sold and held in trust shall be invested in accordance with the Public Funds Investment Act.

The State may not transfer any right to those amounts received by the State which were deposited into the Disputed Payments Account or withheld in accordance with Section XI(f)(2) of the Master Settlement Agreement prior to the closing of any Bonds issued pursuant to this Act.

The issuance of bonds shall be authorized by a resolution of the Authority, adopted by a majority of the members of the Authority without further authorization or approval. The issue of the bonds of the Authority shall be special revenue obligations payable from and secured by a pledge of the pledged tobacco revenues, those proceeds of such Bonds deposited in a reserve fund for the benefit of Bondholders, and earnings on funds of the Authority, upon such terms and conditions as specified by the Authority in the resolution under which the Bonds are issued or in a related trust indenture.

The Authority shall have the power and is hereby authorized from time to time to issue bonds, whenever it deems refunding expedient, to refund any outstanding bonds by the issuance of new bonds, provided that the refunding debt matures within the term of the bonds to be refunded. The refunding bonds may be exchanged for the bonds to be refunded or sold and the proceeds applied to the purchase, redemption, or payment of such bonds.

(b) The bonds of each issue shall be dated, shall bear interest (which may be includable in or excludable from the gross income of the owners for federal income tax purposes) at such fixed or variable rates, payable at or prior to maturity, and shall mature at such time or times, not more than 19 years after the date of issuance, as may be determined by the Authority and may be made redeemable before maturity, at the option of the Authority, at such price or prices and under such terms and conditions as may be fixed by the Authority. The proceeds of such bonds shall be disbursed for the purposes for which such bonds were issued under such restrictions as the sale agreement and the resolution authorizing the issuance of such bonds or the related trust indenture may provide. (f) At the sole discretion of the Authority, any bonds issued by the Authority and any related bond facility made under the provisions of this Act shall be secured by a resolution or trust indenture by and between the Authority and the indenture trustee, which may be any trust company or bank having the powers of a trust company, whether located within or outside the State. Such trust indenture or resolution providing for the issuance of such bonds shall, without limitation, (i) provide for the creation and maintenance of such reserves as the Authority shall determine to be proper; (ii) include covenants setting forth the duties of the Authority in relation to the bonds, the income of the Authority, the related sale agreement and the related tobacco settlement revenues; (iii) contain provisions relating to the prompt transfer of the residual interest upon receipt of the tobacco settlement revenues; (iv) contain provisions respecting the custody, safeguarding, and application of all moneys and securities; (v) contain such provisions for protecting and enforcing against the Authority or the State the rights and remedies (pursuant thereto and to the sale agreement) of the owners of the bonds and any provider of a related bond facility as may be reasonable and proper and not in violation of law; and (vi) contain such other provisions as the Authority may deem reasonable and proper for priorities and subordination among the owners of the bonds and providers of related bond facilities. Any residual interest in tobacco settlement revenues shall be deposited in the Tobacco Settlement Residual Account, and shall be used by the State (either directly or by reimbursement) in accordance with Section 6z-43 of the State Finance Act for appropriated obligations of the Tobacco Settlement Recovery Fund. herein shall be construed to preclude the State's regulation of smoking, smoking cessation activities and laws, and taxation and regulation of the sale of cigarettes or the like or to restrict the right of the State to amend, modify, repeal, or otherwise alter statutes imposing or relating to the taxes), and (iv) not amend, supersede or repeal the Master Settlement Agreement or the qualifying statute in any way that would materially adversely affect the amount of any payment to, or the rights to such payments of, the Authority or such bondholders. This pledge and agreement may be included in the sale agreement and the Authority may include this pledge and agreement in any contract with the bondholders of the Authority.

(b) The provisions of this Act, the bonds issued pursuant to this Act, and the pledges and agreements by the State and the Authority to the bondholders shall be not be interpreted or construed to limit or impair the authority or discretion of the Attorney General to administer and enforce provisions of the Master Settlement Agreement or to direct, control, and settle any litigation or arbitration proceeding arising from or relating to the Master Settlement Agreement.

During the second 6 months of the fiscal year beginning July 1, 2010, every member of the 97th General Assembly is mandatorily required to forfeit 6 days of compensation. The State Comptroller shall deduct the equivalent of 1/365th of the annual salary of each member of the 97th General Assembly from the compensation of that member in each of the second 6 months of the fiscal year. No transfer may be made from a fund under this Section that would have the effect of reducing the available balance in the fund to an amount less than the amount remaining unexpended and unreserved from the total appropriation from that fund estimated to be expended for that fiscal year. No such transfer may reduce the cumulative balance of all of the special funds of the State to an amount less than the total debt service payable during the 12 months immediately following the date of the transfer on any bonded indebtedness of the State and any certificates issued under the Short Term Borrowing Act. Notwithstanding any other provision of this Section, no such transfer may be made from any special fund that is exclusively collected by or appropriated to any other constitutional officer without the written approval of that constitutional officer.

(b) If moneys have been transferred to the General Revenue Fund or the Common School Fund pursuant to subsection (a) of this Section, this amendatory Act of the 96th General Assembly shall constitute the irrevocable and continuing authority for and direction to the State Treasurer and State Comptroller to reimburse the funds of origin from the General Revenue Fund or the Common School Fund, as appropriate, by transferring to the funds of origin, at such times and in such amounts as directed by the Governor when necessary to support appropriated expenditures from the funds, an amount equal to that transferred from them plus any interest that would have accrued thereon had the transfer not occurred, except that any moneys transferred pursuant to subsection (a) of this Section shall be repaid to the fund of origin within 18 months after the date on which they were borrowed.

(c) On the first day of each quarterly period in each fiscal year, the Governor's Office of Management and Budget shall provide to the President and the Minority Leader of the Senate, the Speaker and the Minority Leader of the House of Representatives, and the Commission on Government Forecasting and Accountability a report on all transfers made pursuant to this Section in the prior quarterly period. The report must be provided in both written and electronic format. The report must include all of the following:

(30 ILCS 105/6z-43)

Sec. 6z-43. Tobacco Settlement Recovery Fund.

There shall be deposited into the several accounts of the Tobacco Settlement Recovery Fund into which shall be deposited all monies paid to the State pursuant to (1) the Master Settlement Agreement entered in the case of People of the State of Illinois v. Philip Morris, et al. (Circuit Court of Cook County, No. 96-L13146) and (2) any settlement with or judgment against any tobacco product manufacturer other than one participating in the Master Settlement Agreement in satisfaction of any released claim as defined in the Master Settlement Agreement, as well as any other monies as provided by law. Moneys All earnings on Fund investments shall be deposited into the Tobacco Settlement Bond Proceeds Account and the Tobacco Settlement Residual Account as provided by the terms of the Railsplitter Tobacco Settlement Authority Act, provided that an annual amount not less than \$2,500,000, subject to appropriation, shall be deposited into the Tobacco Settlement Residual Account for use by the Attorney General for enforcement of the Master Settlement Agreement. All other moneys available to be deposited into the Tobacco Settlement Recovery Fund shall be deposited into the General Account. An investment made from moneys credited to a specific account constitutes part of that account and such account shall be credited with all income from the investment of such moneys. Fund. Upon the creation of the Fund, the State Comptroller shall order the State Treasurer to transfer into the Fund any monies paid to the State as described in item (1) or (2) of this Section before the creation of the Fund plus any interest earned on the investment of those monies. The Treasurer may invest the moneys in the several accounts the Fund in the same manner, in the same types of investments, and subject to the same limitations provided in the Illinois Pension Code for the investment of pension funds other than those established under Article 3 or 4 of the Code. Notwithstanding the foregoing, to the extent necessary to preserve the tax-exempt status of any Bonds issued pursuant to the Railsplitter Tobacco Settlement Authority Act, the interest on which is intended to be excludable from the gross income of the owners for federal income tax purposes, moneys on deposit in the Tobacco Settlement Bond Proceeds Account and the Tobacco Settlement Residual Account may be invested in obligations the interest upon which is tax-exempt under the provisions of Section 103 of the Internal Revenue Code of 1986, as now or hereafter amended, or any successor code or provision.

(b) Moneys on deposit in the Tobacco Settlement Bond Proceeds Account and the Tobacco Settlement Residual Account may be expended, subject to appropriation, for the purposes authorized in Section 6(g) of the Railsplitter Tobacco Settlement Authority Act.

(c) ~~(b)~~ As soon as may be practical after June 30, 2001, upon notification from and at the direction of the Governor, the State Comptroller shall direct and the State Treasurer shall transfer the unencumbered balance in the Tobacco Settlement Recovery Fund as of June 30, 2001, as determined by the Governor, into the Budget Stabilization Fund. The Treasurer may invest the moneys in the Budget Stabilization Fund in the same manner, in the same types of investments, and subject to the same limitations provided in the Illinois Pension Code for the investment of pension funds other than those established under Article 3 or 4 of the Code.

(e) In addition to any other deposits authorized by law, after any delivery of any bonds as authorized by Section 7.5 of the General Obligation Bond Act for deposits to the General Revenue Fund and the Budget Stabilization Fund (referred to as "tobacco securitization general obligation bonds"), the Governor shall certify, on or before June 30, 2003 and June 30 of each year thereafter, to the State Comptroller and State Treasurer the total amount of principal of, interest on, and premium, if any, due on those bonds in the next fiscal year beginning with amounts due in fiscal year 2004. As soon as practical after the annual payment of tobacco settlement moneys to the Tobacco Settlement Recovery Fund as described in item (1) of subsection (a), the State Treasurer and State Comptroller shall transfer from the Tobacco Settlement Recovery Fund to the General Obligation Bond Retirement and Interest Fund the amount certified by the Governor, plus any cumulative deficiency in those transfers for prior years.

(d) All federal financial participation moneys received pursuant to expenditures from the Fund shall be deposited into the General Account Fund.

(30 ILCS 105/25) (from Ch. 127, par. 161)

Sec. 25. Fiscal year limitations.

(a) All appropriations shall be available for expenditure for the fiscal year or for a lesser period if the Act making that appropriation so specifies. A deficiency or emergency appropriation shall be available for expenditure only through June 30 of the year when the Act making that appropriation is enacted unless that Act otherwise provides.

(b) Outstanding liabilities as of June 30, payable from appropriations which have otherwise expired, may be paid out of the expiring appropriations during the 2-month period ending at the close of business on August 31. Any service involving professional or artistic skills or any personal services by an employee whose compensation is subject to income tax withholding must be performed as of June 30 of the fiscal year in order to be considered an "outstanding liability as of June 30" that is thereby eligible for payment out of the expiring appropriation.

However, payment of tuition reimbursement claims under Section 14-7.03 or 18-3 of the School Code may be made by the State Board of Education from its appropriations for those respective purposes for any fiscal year, even though the claims reimbursed by the payment may be claims attributable to a prior fiscal year, and payments may be made at the direction of the State Superintendent of Education from the fund from which the appropriation is made without regard to any fiscal year limitations.

All outstanding liabilities as of June 30, 2010, payable from appropriations that would otherwise expire at the conclusion of the lapse period for fiscal year 2010, and interest penalties payable on those liabilities under the State Prompt Payment Act, may be paid out of the expiring appropriations until December 31, 2010, without regard to the fiscal year in which the payment is made, as long as vouchers for the liabilities are received by the Comptroller no later than August 31, 2010.

Medical payments may be made by the Department of Veterans' Affairs from its appropriations for those purposes for any fiscal year, without regard to the fact that the medical services being compensated for by such payment may have been rendered in a prior fiscal year.

Medical payments may be made by the Department of Healthcare and Family Services and medical payments and child care payments may be made by the Department of Human Services (as successor to the Department of Public Aid) from appropriations for those purposes for any fiscal year, without regard to the fact that the medical or child care services being compensated for by such payment may have been rendered in a prior fiscal year; and payments may be made at the direction of the Department of Central Management Services from the Health Insurance Reserve Fund and the Local Government Health Insurance Reserve Fund without regard to any fiscal year limitations.

Medical payments may be made by the Department of Human Services from its appropriations relating to substance abuse treatment services for any fiscal year, without regard to the fact that the medical services being compensated for by such payment may have been rendered in a prior fiscal year, provided the payments are made on a fee-for-service basis consistent with requirements established for Medicaid reimbursement by the Department of Healthcare and Family Services.

Additionally, payments may be made by the Department of Human Services from its appropriations, or any other State agency from its appropriations with the approval of the Department of Human Services, from the Immigration Reform and Control Fund for purposes authorized pursuant to the Immigration Reform and Control Act of 1986, without regard to any fiscal year limitations.

Further, with respect to costs incurred in fiscal years 2002 and 2003 only, payments may be made by the State Treasurer from its appropriations from the Capital Litigation Trust Fund without regard to any fiscal year limitations.

Lease payments may be made by the Department of Central Management Services under the sale and leaseback provisions of Section 7.4 of the State Property Control Act with respect to the James R. Thompson Center and the Elgin Mental Health Center and surrounding land from appropriations for that purpose without regard to any fiscal year limitations.

Lease payments may be made under the sale and leaseback provisions of Section 7.5 of the State Property Control Act with respect to the Illinois State Toll Highway Authority headquarters building and surrounding land without regard to any fiscal year limitations.

(c) Further, payments may be made by the Department of Public Health and the Department of Human Services (acting as successor to the Department of Public Health under the Department of Human Services Act) from their respective appropriations for grants for medical care to or on behalf of persons suffering from chronic renal disease, persons suffering from hemophilia, rape victims, and premature and high-mortality risk infants and their mothers and for grants for supplemental food

[May 7, 2010]

supplies provided under the United States Department of Agriculture Women, Infants and Children Nutrition Program, for any fiscal year without regard to the fact that the services being compensated for by such payment may have been rendered in a prior fiscal year.

(d) The Department of Public Health and the Department of Human Services (acting as successor to the Department of Public Health under the Department of Human Services Act) shall each annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, and the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before December 31, a report of fiscal year funds used to pay for services provided in any prior fiscal year. This report shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for services provided in prior fiscal years.

(e) The Department of Healthcare and Family Services, the Department of Human Services (acting as successor to the Department of Public Aid), and the Department of Human Services making fee-for-service payments relating to substance abuse treatment services provided during a previous fiscal year shall each annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before November 30, a report that shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for (i) services provided in prior fiscal years and (ii) services for which claims were received in prior fiscal years.

(f) The Department of Human Services (as successor to the Department of Public Aid) shall annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, and the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before December 31, a report of fiscal year funds used to pay for services (other than medical care) provided in any prior fiscal year. This report shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for services provided in prior fiscal years.

(g) In addition, each annual report required to be submitted by the Department of Healthcare and Family Services under subsection (e) shall include the following information with respect to the State's Medicaid program:

(1) Explanations of the exact causes of the variance between the previous year's estimated and actual liabilities.

(2) Factors affecting the Department of Healthcare and Family Services' liabilities, including but not limited to numbers of aid recipients, levels of medical service utilization by aid recipients, and inflation in the cost of medical services.

(3) The results of the Department's efforts to combat fraud and abuse.

(h) As provided in Section 4 of the General Assembly Compensation Act, any utility bill for service provided to a General Assembly member's district office for a period including portions of 2 consecutive fiscal years may be paid from funds appropriated for such expenditure in either fiscal year.

(i) An agency which administers a fund classified by the Comptroller as an internal service fund may issue rules for:

(1) billing user agencies in advance for payments or authorized inter-fund transfers based on estimated charges for goods or services;

(2) issuing credits, refunding through inter-fund transfers, or reducing future inter-fund transfers during the subsequent fiscal year for all user agency payments or authorized inter-fund transfers received during the prior fiscal year which were in excess of the final amounts owed by the user agency for that period; and

(3) issuing catch-up billings to user agencies during the subsequent fiscal year for amounts remaining due when payments or authorized inter-fund transfers received from the user agency during the prior fiscal year were less than the total amount owed for that period.

User agencies are authorized to reimburse internal service funds for catch-up billings by vouchers drawn against their respective appropriations for the fiscal year in which the catch-up billing was issued or by increasing an authorized inter-fund transfer during the current fiscal year. For the purposes of this Act, "inter-fund transfers" means transfers without the use of the voucher-warrant process, as authorized by Section 9.01 of the State Comptroller Act.

AMENDMENT NO. 1 TO HOUSE BILL 543

AMENDMENT NO. 1. Amend House Bill 543 by replacing everything after the enacting clause with the following:

[May 7, 2010]

"Section 5. The State Finance Act is amended by changing Section 14.1 as follows:

(30 ILCS 105/14.1) (from Ch. 127, par. 150.1)

Sec. 14.1. Appropriations for State contributions to the State Employees' Retirement System; payroll requirements.

(a) Appropriations for State contributions to the State Employees' Retirement System of Illinois shall be expended in the manner provided in this Section. Except as otherwise provided in subsections (a-1) and (a-2), at the time of each payment of salary to an employee under the personal services line item, payment shall be made to the State Employees' Retirement System, from the amount appropriated for State contributions to the State Employees' Retirement System, of an amount calculated at the rate certified for the applicable fiscal year by the Board of Trustees of the State Employees' Retirement System under Section 14-135.08 of the Illinois Pension Code. If a line item appropriation to an employer for this purpose is exhausted or is unavailable due to any limitation on appropriations that may apply, (including, but not limited to, limitations on appropriations from the Road Fund under Section 8.3 of the State Finance Act), the amounts shall be paid under the continuing appropriation for this purpose contained in the State Pension Funds Continuing Appropriation Act.

(a-1) Beginning on the effective date of this amendatory Act of the 93rd General Assembly through the payment of the final payroll from fiscal year 2004 appropriations, appropriations for State contributions to the State Employees' Retirement System of Illinois shall be expended in the manner provided in this subsection (a-1). At the time of each payment of salary to an employee under the personal services line item from a fund other than the General Revenue Fund, payment shall be made for deposit into the General Revenue Fund from the amount appropriated for State contributions to the State Employees' Retirement System of an amount calculated at the rate certified for fiscal year 2004 by the Board of Trustees of the State Employees' Retirement System under Section 14-135.08 of the Illinois Pension Code. This payment shall be made to the extent that a line item appropriation to an employer for this purpose is available or unexhausted. No payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund.

(a-2) For fiscal year 2010 only, at the time of each payment of salary to an employee under the personal services line item from a fund other than the General Revenue Fund, payment shall be made for deposit into the State Employees' Retirement System of Illinois from the amount appropriated for State contributions to the State Employees' Retirement System of Illinois of an amount calculated at the rate certified for fiscal year 2010 by the Board of Trustees of the State Employees' Retirement System of Illinois under Section 14-135.08 of the Illinois Pension Code. This payment shall be made to the extent that a line item appropriation to an employer for this purpose is available or unexhausted. For fiscal year 2010 only, no payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund.

(a-3) For fiscal year 2011 only, at the time of each payment of salary to an employee under the personal services line item from a fund other than the General Revenue Fund, payment shall be made for deposit into the State Employees' Retirement System of Illinois from the amount appropriated for State contributions to the State Employees' Retirement System of Illinois of an amount calculated at the rate certified for fiscal year 2011 by the Board of Trustees of the State Employees' Retirement System of Illinois under Section 14-135.08 of the Illinois Pension Code. This payment shall be made to the extent that a line item appropriation to an employer for this purpose is available or unexhausted. For fiscal year 2011 only, no payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund until the Governor makes the certification provided in Section 1.8 of the State Pension Funds Continuing Appropriation Act.

(b) Except during the period beginning on the effective date of this amendatory Act of the 93rd General Assembly and ending at the time of the payment of the final payroll from fiscal year 2004 appropriations, the State Comptroller shall not approve for payment any payroll voucher that (1) includes payments of salary to eligible employees in the State Employees' Retirement System of Illinois and (2) does not include the corresponding payment of State contributions to that retirement system at the full rate certified under Section 14-135.08 for that fiscal year for eligible employees, unless the balance in the fund on which the payroll voucher is drawn is insufficient to pay the total payroll voucher, or unavailable due to any limitation on appropriations that may apply, including, but not limited to, limitations on appropriations from the Road Fund under Section 8.3 of the State Finance Act. If the State Comptroller approves a payroll voucher under this Section for which the fund balance is insufficient to pay the full amount of the required State contribution to the State Employees' Retirement System, the Comptroller shall promptly so notify the Retirement System.

[May 7, 2010]

(b-1) For fiscal year 2010 only, the State Comptroller shall not approve for payment any non-General Revenue Fund payroll voucher that (1) includes payments of salary to eligible employees in the State Employees' Retirement System of Illinois and (2) does not include the corresponding payment of State contributions to that retirement system at the full rate certified under Section 14-135.08 for that fiscal year for eligible employees, unless the balance in the fund on which the payroll voucher is drawn is insufficient to pay the total payroll voucher, or unavailable due to any limitation on appropriations that may apply, including, but not limited to, limitations on appropriations from the Road Fund under Section 8.3 of the State Finance Act. If the State Comptroller approves a payroll voucher under this Section for which the fund balance is insufficient to pay the full amount of the required State contribution to the State Employees' Retirement System of Illinois, the Comptroller shall promptly so notify the retirement system.

(c) Notwithstanding any other provisions of law, beginning July 1, 2007, required State and employee contributions to the State Employees' Retirement System of Illinois relating to affected legislative staff employees shall be paid out of moneys appropriated for that purpose to the Commission on Government Forecasting and Accountability, rather than out of the lump-sum appropriations otherwise made for the payroll and other costs of those employees.

These payments must be made pursuant to payroll vouchers submitted by the employing entity as part of the regular payroll voucher process.

For the purpose of this subsection, "affected legislative staff employees" means legislative staff employees paid out of lump-sum appropriations made to the General Assembly, an Officer of the General Assembly, or the Senate Operations Commission, but does not include district-office staff or employees of legislative support services agencies.

(20 ILCS 3855/1-75)

Sec. 1-75. Planning and Procurement Bureau. The Planning and Procurement Bureau has the following duties and responsibilities:

(a) The Planning and Procurement Bureau shall each year, beginning in 2008, develop procurement plans and conduct competitive procurement processes in accordance with the requirements of Section 16-111.5 of the Public Utilities Act for the eligible retail customers of electric utilities that on December 31, 2005 provided electric service to at least 100,000 customers in Illinois. For the purposes of this Section, the term "eligible retail customers" has the same definition as found in Section 16-111.5(a) of the Public Utilities Act.

(1) The Agency shall each year, beginning in 2008, as needed, issue a request for qualifications for experts or expert consulting firms to develop the procurement plans in accordance with Section 16-111.5 of the Public Utilities Act. In order to qualify an expert or expert consulting firm must have:

- (A) direct previous experience assembling large-scale power supply plans or portfolios for end-use customers;
- (B) an advanced degree in economics, mathematics, engineering, risk management, or a related area of study;
- (C) 10 years of experience in the electricity sector, including managing supply risk;
- (D) expertise in wholesale electricity market rules, including those established by the Federal Energy Regulatory Commission and regional transmission organizations;
- (E) expertise in credit protocols and familiarity with contract protocols;
- (F) adequate resources to perform and fulfill the required functions and responsibilities; and
- (G) the absence of a conflict of interest and inappropriate bias for or against potential bidders or the affected electric utilities.

(2) The Agency shall each year, as needed, issue a request for qualifications for a procurement administrator to conduct the competitive procurement processes in accordance with Section 16-111.5 of the Public Utilities Act. In order to qualify an expert or expert consulting firm must have:

- (A) direct previous experience administering a large-scale competitive procurement process;
- (B) an advanced degree in economics, mathematics, engineering, or a related area of study;

- (C) 10 years of experience in the electricity sector, including risk management experience;

- (F) adequate resources to perform and fulfill the required functions and responsibilities; and
- (G) the absence of a conflict of interest and inappropriate bias for or against potential bidders or the affected electric utilities.

(3) The Agency shall provide affected utilities and other interested parties with the lists of qualified experts or expert consulting firms identified through the request for qualifications processes that are under consideration to develop the procurement plans and to serve as the procurement administrator. The Agency shall also provide each qualified expert's or expert consulting firm's response to the request for qualifications. All information provided under this subparagraph shall also be provided to the Commission. The Agency may provide by rule for fees associated with supplying the information to utilities and other interested parties. These parties shall, within 5 business days, notify the Agency in writing if they object to any experts or expert consulting firms on the lists. Objections shall be based on:

- (A) failure to satisfy qualification criteria;
- (B) identification of a conflict of interest; or
- (C) evidence of inappropriate bias for or against potential bidders or the affected utilities.

The Agency shall remove experts or expert consulting firms from the lists within 10 days if there is a reasonable basis for an objection and provide the updated lists to the affected utilities and other interested parties. If the Agency fails to remove an expert or expert consulting firm from a list, an objecting party may seek review by the Commission within 5 days thereafter by filing a petition, and the Commission shall render a ruling on the petition within 10 days. There is no right of appeal of the Commission's ruling.

(4) The Agency shall issue requests for proposals to the qualified experts or expert consulting firms to develop a procurement plan for the affected utilities and to serve as procurement administrator.

(5) The Agency shall select an expert or expert consulting firm to develop procurement plans based on the proposals submitted and shall award one-year contracts to those selected with an option for the Agency for a one-year renewal.

(6) The Agency shall select an expert or expert consulting firm, with approval of the Commission, to serve as procurement administrator based on the proposals submitted. If the Commission rejects, within 5 days, the Agency's selection, the Agency shall submit another recommendation within 3 days based on the proposals submitted. The Agency shall award a one-year contract to the expert or expert consulting firm so selected with Commission approval with an option for the Agency for a one-year renewal.

(b) The experts or expert consulting firms retained by the Agency shall, as appropriate, prepare procurement plans, and conduct a competitive procurement process as prescribed in Section 16-111.5 of the Public Utilities Act, to ensure adequate, reliable, affordable, efficient, and environmentally sustainable electric service at the lowest total cost over time, taking into account any benefits of price stability, for eligible retail customers of electric utilities that on December 31, 2005 provided electric service to at least 100,000 customers in the State of Illinois.

(c) Renewable portfolio standard.

(1) The procurement plans shall include cost-effective renewable energy resources.

A minimum percentage of each utility's total supply to serve the load of eligible retail customers, as defined in Section 16-111.5(a) of the Public Utilities Act, procured for each of the following years shall be generated from cost-effective renewable energy resources: at least 2% by June 1, 2008; at least 4% by June 1, 2009; at least 5% by June 1, 2010; at least 6% by June 1, 2011; at least 7% by June 1, 2012; at least 8% by June 1, 2013; at least 9% by June 1, 2014; at least 10% by June 1, 2015; and increasing by at least 1.5% each year thereafter to at least 25% by June 1, 2025. To the extent that it is available, at least 75% of the renewable energy resources used to meet these standards shall come from wind generation and, beginning on June 1, 2011 ~~2015~~, at least the following percentages ~~6%~~ of the renewable energy resources used to meet these standards shall come from photovoltaics on the following schedule: 0.5% by June 1, 2012, 1.5% by June 1, 2013; 3% by June 1, 2014; and 6% by June 1, 2015 and thereafter. For purposes of this subsection (c),

"cost-effective" means that the costs of procuring renewable energy resources do not cause the limit stated in paragraph (2) of this subsection (c) to be exceeded and do not exceed benchmarks based on market prices for renewable energy resources in the region, which shall be developed by the procurement administrator, in consultation with the Commission staff, Agency staff, and the procurement monitor and shall be subject to Commission review and approval.

(2) For purposes of this subsection (c), the required procurement of cost-effective renewable energy resources for a particular year shall be measured as a percentage of the actual amount of electricity (megawatt-hours) supplied by the electric utility to eligible retail customers in the planning year ending immediately prior to the procurement. For purposes of this subsection (c), the amount paid per kilowatthour means the total amount paid for electric service expressed on a per kilowatthour basis. For purposes of this subsection (c), the total amount paid for electric service includes without limitation amounts paid for supply, transmission, distribution, surcharges, and add-on taxes.

Notwithstanding the requirements of this subsection (c), the total of renewable energy resources procured pursuant to the procurement plan for any single year shall be reduced by an amount necessary to limit the annual estimated average net increase due to the costs of these resources included in the amounts paid by eligible retail customers in connection with electric service to:

(A) in 2008, no more than 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007;

(B) in 2009, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2008 or 1% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007;

(C) in 2010, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2009 or 1.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007;

(D) in 2011, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2010 or 2% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007; and

(E) thereafter, the amount of renewable energy resources procured pursuant to the procurement plan for any single year shall be reduced by an amount necessary to limit the estimated average net increase due to the cost of these resources included in the amounts paid by eligible retail customers in connection with electric service to no more than the greater of 2.015% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007 or the incremental amount per kilowatthour paid for these resources in 2011.

No later than June 30, 2011, the Commission shall review the limitation on the amount of renewable energy resources procured pursuant to this subsection (c) and report to the General Assembly its findings as to whether that limitation unduly constrains the procurement of cost-effective renewable energy resources.

(3) Through June 1, 2011, renewable energy resources shall be counted for the purpose of meeting the renewable energy standards set forth in paragraph (1) of this subsection (c) only if they are generated from facilities located in the State, provided that cost-effective renewable energy resources are available from those facilities. If those cost-effective resources are not available in Illinois, they shall be procured in states that adjoin Illinois and may be counted towards compliance. If those cost-effective resources are not available in Illinois or in states that adjoin Illinois, they shall be purchased elsewhere and shall be counted towards compliance. After June 1, 2011, cost-effective renewable energy resources located in Illinois and in states that adjoin Illinois may be counted towards compliance with the standards set forth in paragraph (1) of this subsection (c). If those cost-effective resources are not available in Illinois or in states that adjoin Illinois, they shall be purchased elsewhere and shall be counted towards compliance.

(4) The electric utility shall retire all renewable energy credits used to comply with the standard.

(5) Beginning with the year commencing June 1, 2010, an electric utility subject to this subsection (c) shall apply the lesser of the maximum alternative compliance payment rate or the most recent estimated alternative compliance payment rate for its service territory for the corresponding compliance period, established pursuant to subsection (d) of Section 16-115D of the Public Utilities Act to its retail customers that take service pursuant to the electric utility's hourly pricing tariff or tariffs. The electric utility shall retain all amounts collected as a result of the application of the alternative compliance payment rate or rates to such customers, and, beginning in

2011, the utility shall include in the information provided under item (1) of subsection (d) of Section 16-111.5 of the Public Utilities Act the amounts collected under the alternative compliance payment rate or rates for the prior year ending May 31. Notwithstanding any limitation on the procurement of renewable energy resources imposed by item (2) of this subsection (c), the Agency shall increase its spending on the purchase of renewable energy resources to be procured by the electric utility for the next plan year by an amount equal to the amounts collected by the utility under the alternative compliance payment rate or rates in the prior year ending May 31.

(d) Clean coal portfolio standard.

(1) The procurement plans shall include electricity generated using clean coal. Each utility shall enter into one or more sourcing agreements with the initial clean coal facility, as provided in paragraph (3) of this subsection (d), covering electricity generated by the initial clean coal facility representing at least 5% of each utility's total supply to serve the load of eligible retail customers in 2015 and each year thereafter, as described in paragraph (3) of this subsection (d), subject to the limits specified in paragraph (2) of this subsection (d). It is the goal of the State that by January 1, 2025, 25% of the electricity used in the State shall be generated by cost-effective clean coal facilities. For purposes of this subsection (d), "cost-effective" means that the expenditures pursuant to such sourcing agreements do not cause the limit stated in paragraph (2) of this subsection (d) to be exceeded and do not exceed cost-based benchmarks, which shall be developed to assess all expenditures pursuant to such sourcing agreements covering electricity generated by clean coal facilities, other than the initial clean coal facility, by the procurement administrator, in consultation with the Commission staff, Agency staff, and the procurement monitor and shall be subject to Commission review and approval.

(A) A utility party to a sourcing agreement shall immediately retire any emission credits that it receives in connection with the electricity covered by such agreement.

(B) Utilities shall maintain adequate records documenting the purchases under the sourcing agreement to comply with this subsection (d) and shall file an accounting with the load forecast that must be filed with the Agency by July 15 of each year, in accordance with subsection (d) of Section 16-111.5 of the Public Utilities Act.

(C) A utility shall be deemed to have complied with the clean coal portfolio standard specified in this subsection (d) if the utility enters into a sourcing agreement as required by this subsection (d).

(2) For purposes of this subsection (d), the required execution of sourcing agreements with the initial clean coal facility for a particular year shall be measured as a percentage of the actual amount of electricity (megawatt-hours) supplied by the electric utility to eligible retail customers in the planning year ending immediately prior to the agreement's execution. For purposes of this subsection (d), the amount paid per kilowatthour means the total amount paid for electric service expressed on a per kilowatthour basis. For purposes of this subsection (d), the total amount paid for electric service includes without limitation amounts paid for supply, transmission, distribution, surcharges and add-on taxes.

Notwithstanding the requirements of this subsection (d), the total amount paid under sourcing agreements with clean coal facilities pursuant to the procurement plan for any given year shall be reduced by an amount necessary to limit the annual estimated average net increase due to the costs of these resources included in the amounts paid by eligible retail customers in connection with electric service to:

(A) in 2010, no more than 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2009;

(B) in 2011, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2010 or 1% of the amount paid per kilowatthour by those customers during the year ending May 31, 2009;

(C) in 2012, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2011 or 1.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2009;

(D) in 2013, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2012 or 2% of the amount paid per kilowatthour by those customers during the year ending May 31, 2009; and

(E) thereafter, the total amount paid under sourcing agreements with clean coal facilities pursuant to the procurement plan for any single year shall be reduced by an amount necessary to limit the estimated average net increase due to the cost of these resources included in the amounts paid by eligible retail customers in connection with electric service to no more than the greater of (i) 2.015% of the amount paid per kilowatthour by those customers during the

year ending May 31, 2009 or (ii) the incremental amount per kilowatthour paid for these resources in 2013. These requirements may be altered only as provided by statute. No later than June 30, 2015, the Commission shall review the limitation on the total amount paid under sourcing agreements, if any, with clean coal facilities pursuant to this subsection (d) and report to the General Assembly its findings as to whether that limitation unduly constrains the amount of electricity generated by cost-effective clean coal facilities that is covered by sourcing agreements.

(3) Initial clean coal facility. In order to promote development of clean coal facilities in Illinois, each electric utility subject to this Section shall execute a sourcing agreement to source electricity from a proposed clean coal facility in Illinois (the "initial clean coal facility") that will have a nameplate capacity of at least 500 MW when commercial operation commences, that has a final Clean Air Act permit on the effective date of this amendatory Act of the 95th General Assembly, and that will meet the definition of clean coal facility in Section 1-10 of this Act when commercial operation commences. The sourcing agreements with this initial clean coal facility shall be subject to both approval of the initial clean coal facility by the General Assembly and satisfaction of the requirements of paragraph (4) of this subsection (d) and shall be executed within 90 days after any such approval by the General Assembly. The Agency and the Commission shall have authority to inspect all books and records associated with the initial clean coal facility during the term of such a sourcing agreement. A utility's sourcing agreement for electricity produced by the initial clean coal facility shall include:

(A) a formula contractual price (the "contract price") approved pursuant to paragraph (4) of this subsection (d), which shall:

(i) be determined using a cost of service methodology employing either a level or deferred capital recovery component, based on a capital structure consisting of 45% equity and 55% debt, and a return on equity as may be approved by the Federal Energy Regulatory Commission, which in any case may not exceed the lower of 11.5% or the rate of return approved by the General Assembly pursuant to paragraph (4) of this subsection (d); and

(ii) provide that all miscellaneous net revenue, including but not limited to net revenue from the sale of emission allowances, if any, substitute natural gas, if any, grants or other support provided by the State of Illinois or the United States Government, firm transmission rights, if any, by-products produced by the facility, energy or capacity derived from the facility and not covered by a sourcing agreement pursuant to paragraph (3) of this subsection (d) or item (5) of subsection (d) of Section 16-115 of the Public Utilities Act, whether generated from the synthesis gas derived from coal, from SNG, or from natural gas, shall be credited against the revenue requirement for this initial clean coal facility;

(B) power purchase provisions, which shall:

(i) provide that the utility party to such sourcing agreement shall pay the contract price for electricity delivered under such sourcing agreement;

(ii) require delivery of electricity to the regional transmission organization market of the utility that is party to such sourcing agreement;

(iii) require the utility party to such sourcing agreement to buy from the initial clean coal facility in each hour an amount of energy equal to all clean coal energy made available from the initial clean coal facility during such hour times a fraction, the numerator of which is such utility's retail market sales of electricity (expressed in kilowatthours sold) in the State during the prior calendar month and the denominator of which is the total retail market sales of electricity (expressed in kilowatthours sold) in the State by utilities during such prior month and the sales of electricity (expressed in kilowatthours sold) in the State by alternative retail electric suppliers during such prior month that are subject to the requirements of this subsection (d) and paragraph (5) of subsection (d) of Section 16-115 of the Public Utilities Act, provided that the amount purchased by the utility in any year will be limited by paragraph (2) of this subsection (d); and

(iv) be considered pre-existing contracts in such utility's procurement plans for eligible retail customers;

(C) contract for differences provisions, which shall:

(i) require the utility party to such sourcing agreement to contract with the initial clean coal facility in each hour with respect to an amount of energy equal to all clean coal energy made available from the initial clean coal facility during such hour times a fraction, the numerator of which is such utility's retail market sales of electricity (expressed in kilowatthours sold) in the utility's service territory in the State during the prior calendar month and the

denominator of which is the total retail market sales of electricity (expressed in kilowatthours sold) in the State by utilities during such prior month and the sales of electricity (expressed in kilowatthours sold) in the State by alternative retail electric suppliers during such prior month that are subject to the requirements of this subsection (d) and paragraph (5) of subsection (d) of Section 16-115 of the Public Utilities Act, provided that the amount paid by the utility in any year will be limited by paragraph (2) of this subsection (d);

(ii) provide that the utility's payment obligation in respect of the quantity of electricity determined pursuant to the preceding clause (i) shall be limited to an amount equal to (1) the difference between the contract price determined pursuant to subparagraph (A) of paragraph (3) of this subsection (d) and the day-ahead price for electricity delivered to the regional transmission organization market of the utility that is party to such sourcing agreement (or any successor delivery point at which such utility's supply obligations are financially settled on an hourly basis) (the "reference price") on the day preceding the day on which the electricity is delivered to the initial clean coal facility busbar, multiplied by (2) the quantity of electricity determined pursuant to the preceding clause (i); and

(iii) not require the utility to take physical delivery of the electricity produced by the facility;

(D) general provisions, which shall:

(i) specify a term of no more than 30 years, commencing on the commercial operation date of the facility;

(ii) provide that utilities shall maintain adequate records documenting purchases under the sourcing agreements entered into to comply with this subsection (d) and shall file an accounting with the load forecast that must be filed with the Agency by July 15 of each year, in accordance with subsection (d) of Section 16-111.5 of the Public Utilities Act.

(iii) provide that all costs associated with the initial clean coal facility will be periodically reported to the Federal Energy Regulatory Commission and to purchasers in accordance with applicable laws governing cost-based wholesale power contracts;

(iv) permit the Illinois Power Agency to assume ownership of the initial clean coal facility, without monetary consideration and otherwise on reasonable terms acceptable to the Agency, if the Agency so requests no less than 3 years prior to the end of the stated contract term;

(v) require the owner of the initial clean coal facility to provide documentation to the Commission each year, starting in the facility's first year of commercial operation, accurately reporting the quantity of carbon emissions from the facility that have been captured and sequestered and report any quantities of carbon released from the site or sites at which carbon emissions were sequestered in prior years, based on continuous monitoring of such sites. If, in any year after the first year of commercial operation, the owner of the facility fails to demonstrate that the initial clean coal facility captured and sequestered at least 50% of the total carbon emissions that the facility would otherwise emit or that sequestration of emissions from prior years has failed, resulting in the release of carbon dioxide into the atmosphere, the owner of the facility must offset excess emissions. Any such carbon offsets must be permanent, additional, verifiable, real, located within the State of Illinois, and legally and practicably enforceable. The cost of such offsets for the facility that are not recoverable shall not exceed \$15 million in any given year. No costs of any such purchases of carbon offsets may be recovered from a utility or its customers. All carbon offsets purchased for this purpose and any carbon emission credits associated with sequestration of carbon from the facility must be permanently retired. The initial clean coal facility shall not forfeit its designation as a clean coal facility if the facility fails to fully comply with the applicable carbon sequestration requirements in any given year, provided the requisite offsets are purchased. However, the Attorney General, on behalf of the People of the State of Illinois, may specifically enforce the facility's sequestration requirement and the other terms of this contract provision. Compliance with the sequestration requirements and offset purchase requirements specified in paragraph (3) of this subsection (d) shall be reviewed annually by an independent expert retained by the owner of the initial clean coal facility, with the advance written approval of the Attorney General. The Commission may, in the course of the review specified in item (vii), reduce the allowable return on equity for the facility if the facility willfully fails to comply with the carbon capture and sequestration requirements set forth in this item (v);

(vi) include limits on, and accordingly provide for modification of, the amount the utility is required to source under the sourcing agreement consistent with paragraph (2) of this

subsection (d);

(vii) require Commission review: (1) to determine the justness, reasonableness, and prudence of the inputs to the formula referenced in subparagraphs (A)(i) through (A)(iii) of paragraph (3) of this subsection (d), prior to an adjustment in those inputs including, without limitation, the capital structure and return on equity, fuel costs, and other operations and maintenance costs and (2) to approve the costs to be passed through to customers under the sourcing agreement by which the utility satisfies its statutory obligations. Commission review shall occur no less than every 3 years, regardless of whether any adjustments have been proposed, and shall be completed within 9 months;

(viii) limit the utility's obligation to such amount as the utility is allowed to recover through tariffs filed with the Commission, provided that neither the clean coal facility nor the utility waives any right to assert federal pre-emption or any other argument in response to a purported disallowance of recovery costs;

(ix) limit the utility's or alternative retail electric supplier's obligation to incur any liability until such time as the facility is in commercial operation and generating power and energy and such power and energy is being delivered to the facility busbar;

(x) provide that the owner or owners of the initial clean coal facility, which is the counterparty to such sourcing agreement, shall have the right from time to time to elect whether the obligations of the utility party thereto shall be governed by the power purchase provisions or the contract for differences provisions;

(xi) append documentation showing that the formula rate and contract, insofar as they relate to the power purchase provisions, have been approved by the Federal Energy Regulatory Commission pursuant to Section 205 of the Federal Power Act;

(xii) provide that any changes to the terms of the contract, insofar as such changes relate to the power purchase provisions, are subject to review under the public interest standard applied by the Federal Energy Regulatory Commission pursuant to Sections 205 and 206 of the Federal Power Act; and

(xiii) conform with customary lender requirements in power purchase agreements used as the basis for financing non-utility generators.

(4) Effective date of sourcing agreements with the initial clean coal facility. Any proposed sourcing agreement with the initial clean coal facility shall not become effective unless the following reports are prepared and submitted and authorizations and approvals obtained:

(i) Facility cost report. The owner of the initial clean coal facility shall submit to the Commission, the Agency, and the General Assembly a front-end engineering and design study, a facility cost report, method of financing (including but not limited to structure and associated costs), and an operating and maintenance cost quote for the facility (collectively "facility cost report"), which shall be prepared in accordance with the requirements of this paragraph (4) of subsection (d) of this Section, and shall provide the Commission and the Agency access to the work papers, relied upon documents, and any other backup documentation related to the facility cost report.

(ii) Commission report. Within 6 months following receipt of the facility cost report, the Commission, in consultation with the Agency, shall submit a report to the General Assembly setting forth its analysis of the facility cost report. Such report shall include, but not be limited to, a comparison of the costs associated with electricity generated by the initial clean coal facility to the costs associated with electricity generated by other types of generation facilities, an analysis of the rate impacts on residential and small business customers over the life of the sourcing agreements, and an analysis of the likelihood that the initial clean coal facility will commence commercial operation by and be delivering power to the facility's busbar by 2016. To assist in the preparation of its report, the Commission, in consultation with the Agency, may hire one or more experts or consultants, the costs of which shall be paid for by the owner of the initial clean coal facility. The Commission and Agency may begin the process of selecting such experts or consultants prior to receipt of the facility cost report.

(iii) General Assembly approval. The proposed sourcing agreements shall not take effect unless, based on the facility cost report and the Commission's report, the General Assembly enacts authorizing legislation approving (A) the projected price, stated in cents per kilowatt-hour, to be charged for electricity generated by the initial clean coal facility, (B) the projected impact on residential and small business customers' bills over the life of the sourcing agreements, and (C) the maximum allowable return on equity for the project; and

(iv) Commission review. If the General Assembly enacts authorizing legislation

pursuant to subparagraph (iii) approving a sourcing agreement, the Commission shall, within 90 days of such enactment, complete a review of such sourcing agreement. During such time period, the Commission shall implement any directive of the General Assembly, resolve any disputes between the parties to the sourcing agreement concerning the terms of such agreement, approve the form of such agreement, and issue an order finding that the sourcing agreement is prudent and reasonable.

The facility cost report shall be prepared as follows:

(A) The facility cost report shall be prepared by duly licensed engineering and construction firms detailing the estimated capital costs payable to one or more contractors or suppliers for the engineering, procurement and construction of the components comprising the initial clean coal facility and the estimated costs of operation and maintenance of the facility. The facility cost report shall include:

(i) an estimate of the capital cost of the core plant based on one or more front end engineering and design studies for the gasification island and related facilities. The core plant shall include all civil, structural, mechanical, electrical, control, and safety systems.

(ii) an estimate of the capital cost of the balance of the plant, including any capital costs associated with sequestration of carbon dioxide emissions and all interconnects and interfaces required to operate the facility, such as transmission of electricity, construction or backfeed power supply, pipelines to transport substitute natural gas or carbon dioxide, potable water supply, natural gas supply, water supply, water discharge, landfill, access roads, and coal delivery.

The quoted construction costs shall be expressed in nominal dollars as of the date that the quote is prepared and shall include (1) capitalized financing costs during construction, (2) taxes, insurance, and other owner's costs, and (3) an assumed escalation in materials and labor beyond the date as of which the construction cost quote is expressed.

(B) The front end engineering and design study for the gasification island and the cost study for the balance of plant shall include sufficient design work to permit quantification of major categories of materials, commodities and labor hours, and receipt of quotes from vendors of major equipment required to construct and operate the clean coal facility.

(C) The facility cost report shall also include an operating and maintenance cost quote that will provide the estimated cost of delivered fuel, personnel, maintenance contracts, chemicals, catalysts, consumables, spares, and other fixed and variable operations and maintenance costs.

(a) The delivered fuel cost estimate will be provided by a recognized third party expert or experts in the fuel and transportation industries.

(b) The balance of the operating and maintenance cost quote, excluding delivered fuel costs will be developed based on the inputs provided by duly licensed engineering and construction firms performing the construction cost quote, potential vendors under long-term service agreements and plant operating agreements, or recognized third party plant operator or operators.

The operating and maintenance cost quote (including the cost of the front end engineering and design study) shall be expressed in nominal dollars as of the date that the quote is prepared and shall include (1) taxes, insurance, and other owner's costs, and (2) an assumed escalation in materials and labor beyond the date as of which the operating and maintenance cost quote is expressed.

(D) The facility cost report shall also include (i) an analysis of the initial clean coal facility's ability to deliver power and energy into the applicable regional transmission organization markets and (ii) an analysis of the expected capacity factor for the initial clean coal facility.

(E) Amounts paid to third parties unrelated to the owner or owners of the initial clean coal facility to prepare the core plant construction cost quote, including the front end engineering and design study, and the operating and maintenance cost quote will be reimbursed through Coal Development Bonds.

(5) Re-powering and retrofitting coal-fired power plants previously owned by Illinois utilities to qualify as clean coal facilities. During the 2009 procurement planning process and thereafter, the Agency and the Commission shall consider sourcing agreements covering electricity generated by power plants that were previously owned by Illinois utilities and that have been or will be converted into clean coal facilities, as defined by Section 1-10 of this Act. Pursuant to such procurement planning process, the owners of such facilities may propose to the Agency sourcing

agreements with utilities and alternative retail electric suppliers required to comply with subsection (d) of this Section and item (5) of subsection (d) of Section 16-115 of the Public Utilities Act, covering electricity generated by such facilities. In the case of sourcing agreements that are power purchase agreements, the contract price for electricity sales shall be established on a cost of service basis. In the case of sourcing agreements that are contracts for differences, the contract price from which the reference price is subtracted shall be established on a cost of service basis. The Agency and the Commission may approve any such utility sourcing agreements that do not exceed cost-based benchmarks developed by the procurement administrator, in consultation with the Commission staff, Agency staff and the procurement monitor, subject to Commission review and approval. The Commission shall have authority to inspect all books and records associated with these clean coal facilities during the term of any such contract.

(6) Costs incurred under this subsection (d) or pursuant to a contract entered into under this subsection (d) shall be deemed prudently incurred and reasonable in amount and the electric utility shall be entitled to full cost recovery pursuant to the tariffs filed with the Commission.

(e) The draft procurement plans are subject to public comment, as required by Section 16-111.5 of the Public Utilities Act.

(f) The Agency shall submit the final procurement plan to the Commission. The Agency shall revise a procurement plan if the Commission determines that it does not meet the standards set forth in Section 16-111.5 of the Public Utilities Act.

(g) The Agency shall assess fees to each affected utility to recover the costs incurred in preparation of the annual procurement plan for the utility.

(h) The Agency shall assess fees to each bidder to recover the costs incurred in connection with a competitive procurement process.

Section 10. The Public Utilities Act is amended by changing Section 16-115D as follows:
(220 ILCS 5/16-115D)

Sec. 16-115D. Renewable portfolio standard for alternative retail electric suppliers and electric utilities operating outside their service territories.

(a) An alternative retail electric supplier shall be responsible for procuring cost-effective renewable energy resources as required under item (5) of subsection (d) of Section 16-115 of this Act as outlined herein:

(1) The definition of renewable energy resources contained in Section 1-10 of the Illinois Power Agency Act applies to all renewable energy resources required to be procured by alternative retail electric suppliers.

(2) The quantity of renewable energy resources shall be measured as a percentage of the actual amount of metered electricity (megawatt-hours) delivered by the alternative retail electric supplier to Illinois retail customers during the 12-month period June 1 through May 31, commencing June 1, 2009, and the comparable 12-month period in each year thereafter except as provided in item (6) of this subsection (a).

(3) The quantity of renewable energy resources shall be in amounts at least equal to the annual percentages set forth in item (1) of subsection (c) of Section 1-75 of the Illinois Power Agency Act. At least 60% of the renewable energy resources procured pursuant to items (1) through (3) of subsection (b) of this Section shall come from wind generation and, starting June 1, 2015, at least 6% of the renewable energy resources procured pursuant to items (1) through (3) of subsection (b) of this Section shall come from solar photovoltaics. If, in any given year, an alternative retail electric supplier does not purchase at least these levels of renewable energy resources, then the alternative retail electric supplier shall make alternative compliance payments, as described in subsection (d) of this Section.

(4) The quantity and source of renewable energy resources shall be independently verified through the PJM Environmental Information System Generation Attribute Tracking System (PJM-GATS) or the Midwest Renewable Energy Tracking System (M-RETS), which shall document the location of generation, resource type, month, and year of generation for all qualifying renewable energy resources that an alternative retail electric supplier uses to comply with this Section. No later than June 1, 2009, the Illinois Power Agency shall provide PJM-GATS, M-RETS, and alternative retail electric suppliers with all information necessary to identify resources located in Illinois, within states that adjoin Illinois or within portions of the PJM and MISO footprint in the United States that qualify under the definition of renewable energy resources in Section 1-10 of the Illinois Power Agency Act for compliance with this Section 16-115D. Alternative retail electric suppliers shall not be

[May 7, 2010]

subject to the requirements in item (3) of subsection (c) of Section 1-75 of the Illinois Power Agency Act.

(5) All renewable energy credits used to comply with this Section shall be permanently retired.

(6) The required procurement of renewable energy resources by an alternative retail electric supplier shall apply to all metered electricity delivered to Illinois retail customers by the alternative retail electric supplier pursuant to contracts executed or extended after March 15, 2009.

(b) An alternative retail electric supplier shall comply with the renewable energy portfolio standards by making an alternative compliance payment, as described in subsection (d) of this Section, to cover at least one-half of the alternative retail electric supplier's compliance obligation and any one or combination of the following means to cover the remainder of the alternative retail electric supplier's compliance obligation:

(1) Generating electricity using renewable energy resources identified pursuant to item (4) of subsection (a) of this Section.

(2) Purchasing electricity generated using renewable energy resources identified pursuant to item (4) of subsection (a) of this Section through an energy contract.

(3) Purchasing renewable energy credits from renewable energy resources identified pursuant to item (4) of subsection (a) of this Section.

(4) Making an alternative compliance payment as described in subsection (d) of this Section.

(c) Use of renewable energy credits.

(1) Renewable energy credits that are not used by an alternative retail electric supplier to comply with a renewable portfolio standard in a compliance year may be banked and carried forward up to 2 12-month compliance periods after the compliance period in which the credit was generated for the purpose of complying with a renewable portfolio standard in those 2 subsequent compliance periods. For the 2009-2010 and 2010-2011 compliance periods, an alternative retail electric supplier may use renewable credits generated after December 31, 2008 and before June 1, 2009 to comply with this Section.

(2) An alternative retail electric supplier is responsible for demonstrating that a renewable energy credit used to comply with a renewable portfolio standard is derived from a renewable energy resource and that the alternative retail electric supplier has not used, traded, sold, or otherwise transferred the credit.

(3) The same renewable energy credit may be used by an alternative retail electric supplier to comply with a federal renewable portfolio standard and a renewable portfolio standard established under this Act. An alternative retail electric supplier that uses a renewable energy credit to comply with a renewable portfolio standard imposed by any other state may not use the same credit to comply with a renewable portfolio standard established under this Act.

(d) Alternative compliance payments.

(1) The Commission shall establish and post on its website, within 5 business days after entering an order approving a procurement plan pursuant to Section 1-75 of the Illinois Power Agency Act, maximum alternative compliance payment rates, expressed on a per kilowatt-hour basis, that will be applicable in the first compliance period following the plan approval. A separate maximum alternative compliance payment rate shall be established for the service territory of each electric utility that is subject to subsection (c) of Section 1-75 of the Illinois Power Agency Act. Each maximum alternative compliance payment rate shall be equal to the maximum allowable annual estimated average net increase due to the costs of the utility's purchase of renewable energy resources included in the amounts paid by eligible retail customers in connection with electric service, as described in item (2) of subsection (c) of Section 1-75 of the Illinois Power Agency Act for the compliance period, and as established in the approved procurement plan. Following each procurement event through which renewable energy resources are purchased for one or more of these utilities for the compliance period, the Commission shall establish and post on its website estimates of the alternative compliance payment rates, expressed on a per kilowatt-hour basis, that shall apply for that compliance period. Posting of the estimates shall occur no later than 10 business days following the procurement event, however, the Commission shall not be required to establish and post such estimates more often than once per calendar month. By July 1 of each year, the Commission shall establish and post on its website the actual alternative compliance payment rates for the preceding compliance year. For compliance years beginning prior to June 1, 2014, each ~~Each~~ alternative compliance payment rate shall be equal to the total amount of dollars ~~that for which~~ the utility contracted to spend on renewable resources, ~~excepting the additional incremental cost attributable to solar resources,~~ for the compliance

period divided by the forecasted load of eligible retail customers, at the customers' meters, as previously established in the Commission-approved procurement plan for that compliance year. For compliance years commencing on or after June 1, 2014, each alternative compliance payment rate shall be equal to the total amount of dollars that the utility contracted to spend on all renewable resources for the compliance period divided by the forecasted load of eligible retail customers, at the customers' meters, as previously established in the Commission-approved procurement plan for that compliance year. The actual alternative compliance payment rates may not exceed the maximum alternative compliance payment rates established for the compliance period. For purposes of this subsection (d), the term "eligible retail customers" has the same meaning as found in Section 16-111.5 of this Act.

(2) In any given compliance year, an alternative retail electric supplier may elect to use alternative compliance payments to comply with all or a part of the applicable renewable portfolio standard. In the event that an alternative retail electric supplier elects to make alternative compliance payments to comply with all or a part of the applicable renewable portfolio standard, such payments shall be made by September 1, 2010 for the period of June 1, 2009 to May 1, 2010 and by September 1 of each year thereafter for the subsequent compliance period, in the manner and form as determined by the Commission. Any election by an alternative retail electric supplier to use alternative compliance payments is subject to review by the Commission under subsection (e) of this Section.

(3) An alternative retail electric supplier's alternative compliance payments shall be computed separately for each electric utility's service territory within which the alternative retail electric supplier provided retail service during the compliance period, provided that the electric utility was subject to subsection (c) of Section 1-75 of the Illinois Power Agency Act. For each service territory, the alternative retail electric supplier's alternative compliance payment shall be equal to (i) the actual alternative compliance payment rate established in item (1) of this subsection (d), multiplied by (ii) the actual amount of metered electricity delivered by the alternative retail electric supplier to retail customers within the service territory during the compliance period, multiplied by (iii) the result of one minus the ratios of the quantity of renewable energy resources used by the alternative retail electric supplier to comply with the requirements of this Section within the service territory to the product of the percentage of renewable energy resources required under item (3) of subsection (a) of this Section and the actual amount of metered electricity delivered by the alternative retail electric supplier to retail customers within the service territory during the compliance period.

(4) All alternative compliance payments by alternative retail electric suppliers shall be deposited in the Illinois Power Agency Renewable Energy Resources Fund and used to purchase renewable energy credits, in accordance with Section 1-56 of the Illinois Power Agency Act.

(5) The Commission, in consultation with the Illinois Power Agency, shall establish a process or proceeding to consider the impact of a federal renewable portfolio standard, if enacted, on the operation of the alternative compliance mechanism, which shall include, but not be limited to, developing, to the extent permitted by the applicable federal statute, an appropriate methodology to apportion renewable energy credits retired as a result of alternative compliance payments made in accordance with this Section. The Commission shall commence any such process or proceeding within 35 days after enactment of a federal renewable portfolio standard.

(e) Each alternative retail electric supplier shall, by September 1, 2010 and by September 1 of each year thereafter, prepare and submit to the Commission a report, in a format to be specified by the Commission on or before December 31, 2009, that provides information certifying compliance by the alternative retail electric supplier with this Section, including copies of all PJM-GATS and M-RETS reports, and documentation relating to banking, retiring renewable energy credits, and any other information that the Commission determines necessary to ensure compliance with this Section. An alternative retail electric supplier may file commercially or financially sensitive information or trade secrets with the Commission as provided under the rules of the Commission. To be filed confidentially, the information shall be accompanied by an affidavit that sets forth both the reasons for the confidentiality and a public synopsis of the information.

(f) The Commission may initiate a contested case to review allegations that the alternative retail electric supplier has violated this Section, including an order issued or rule promulgated under this Section. In any such proceeding, the alternative retail electric supplier shall have the burden of proof. If the Commission finds, after notice and hearing, that an alternative retail electric supplier has violated this Section, then the Commission shall issue an order requiring the alternative retail electric supplier to:

(1) immediately comply with this Section; and

(2) if the violation involves a failure to procure the requisite quantity of renewable energy resources or pay the applicable alternative compliance payment by the annual deadline, the

Commission shall require the alternative retail electric supplier to double the applicable alternative compliance payment that would otherwise be required to bring the alternative retail electric supplier into compliance with this Section.

If an alternative retail electric supplier fails to comply with the renewable energy resource portfolio requirement in this Section more than once in a 5-year period, then the Commission shall revoke the alternative electric supplier's certificate of service authority. AMENDMENT NO. 1 TO HOUSE BILL 4711

AMENDMENT NO. 1. Amend House Bill 4711 by replacing everything after the enacting clause with the following:

"Section 5. The School Code is amended by adding Section 22-60 as follows:

(105 ILCS 5/22-60 new)

Sec. 22-60. Unfunded mandates prohibited.

(a) No public school district or private school is obligated to comply with the following types of mandates unless a separate appropriation has been enacted into law providing full funding for the mandate for the school year during which the mandate is required:

(1) Any mandate in this Code enacted after the effective date of this amendatory Act of the 96th General Assembly.

(2) Any regulatory mandate promulgated by the State Board of Education and adopted by rule after the effective date of this amendatory Act of the 96th General Assembly other than those promulgated with respect to this Section or statutes already enacted on or before the effective date of this amendatory Act of the 96th General Assembly.

(b) If the amount appropriated to fund a mandate described in subsection (a) of this Section does not fully fund the mandated activity, then the school district or private school may choose to discontinue or modify the mandated activity to ensure that the costs of compliance do not exceed the funding received.

Before discontinuing or modifying the mandate, the school district shall petition its regional superintendent of schools on or before February 15 of each year to request to be exempt from implementing the mandate in a school or schools in the next school year. The petition shall include all legitimate costs associated with implementing and operating the mandate, the estimated reimbursement from State and federal sources, and any unique circumstances the school district can verify that exist that would cause the implementation and operation of such a mandate to be cost prohibitive.

The regional superintendent of schools shall review the petition. In accordance with the Open Meetings Act, he or she shall convene a public hearing to hear testimony from the school district and interested community members. The regional superintendent shall, on or before March 15 of each year, inform the school district of his or her decision, along with the reasons why the exemption was granted or denied, in writing. The regional superintendent must also send notification to the State Board of Education detailing which school districts requested an exemption and the results.

If the regional superintendent grants an exemption to the school district, then the school district is relieved from the requirement to establish and implement the mandate in the school or schools granted an exemption for the next school year. If the regional superintendent of schools does not grant an exemption, then the school district shall implement the mandate in accordance with the applicable law or rule by the first student attendance day of the next school year. However, the school district or a resident of the school district may on or before April 15 appeal the decision of the regional superintendent to the State Superintendent of Education. The State Superintendent shall hear appeals on the decisions of regional superintendents of schools no later than May 15 of each year. The State Superintendent shall make a final decision at the conclusion of the hearing on the school district's request for an exemption

[May 7, 2010]

from the mandate. If the State Superintendent grants an exemption, then the school district is relieved from the requirement to implement a mandate in the school or schools granted an exemption for the next school year. If the State Superintendent does not grant an exemption, then the school district shall implement the mandate in accordance with the applicable law or rule by the first student attendance day of the next school year.

If a school district or private school discontinues or modifies a mandated activity due to lack of full funding from the State, then the school district or private school shall annually maintain and update a list of discontinued or modified mandated activities. The list shall be provided to the State Board of Education upon request.

(c) This Section does not apply to (i) any new statutory or regulatory mandates related to revised learning standards developed through the Common Core State Standards Initiative and assessments developed to align with those standards or actions specified in this State's Phase 2 Race to the Top Grant application if the application is approved by the United States Department of Education or (ii) new statutory or regulatory mandates from the Race to the Top Grant through the federal American Recovery and Reinvestment Act of 2009 imposed on school districts designated as being in the lowest performing 5% of schools within the Race to the Top Grant application.

(d) In any instances in which this Section conflicts with the State Mandates Act, the State Mandates Act shall prevail.

Section 99. Effective date. This Act takes effect upon becoming law."

There being no further amendments, the bill, as amended, was ordered to a third reading.

The Department must document its efforts to identify and locate such a relative placement and maintain the documentation in the child's case file.

If the Department determines that a placement with any identified relative is not in the child's best interests or that the relative does not meet the requirements to be a relative caregiver, as set forth in Department rules or by statute, the Department must document the basis for that decision and maintain the documentation in the child's case file.

If, pursuant to the Department's rules, any person files an administrative appeal of the Department's decision not to place a child with a relative, it is the Department's burden to prove that the decision is consistent with the child's best interests.

When the Department determines that the child requires placement in an environment, other than a home environment, the Department shall continue to make reasonable efforts to identify and locate relatives to serve as visitation resources for the child and potential future placement resources, except when the Department determines that those efforts would be futile or inconsistent with the child's best interests.

If the Department determines that efforts to identify and locate relatives would be futile or inconsistent with the child's best interests, the Department shall document the basis of its determination and maintain the documentation in the child's case file.

If the Department determines that an individual or a group of relatives are inappropriate to serve as visitation resources or possible placement resources, the Department shall document the basis of its determination and maintain the documentation in the child's case file.

When the Department determines that an individual or a group of relatives are appropriate to serve as visitation resources or possible future placement resources, the Department shall document the basis of

its determination, maintain the documentation in the child's case file, create a visitation or transition plan, or both, and incorporate the visitation or transition plan, or both, into the child's case plan. For the purpose of this subsection, any determination as to the child's best interests shall include consideration of the factors set out in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987.

The Department may not place a child with a relative, with the exception of certain circumstances which may be waived as defined by the Department in rules, if the results of a check of the Law Enforcement Agencies Data System (LEADS) identifies a prior criminal conviction of the relative or any adult member of the relative's household for any of the following offenses under the Criminal Code of 1961:

- (1) murder;
 - (1.1) solicitation of murder;
 - (1.2) solicitation of murder for hire;
 - (1.3) intentional homicide of an unborn child;
 - (1.4) voluntary manslaughter of an unborn child;
 - (1.5) involuntary manslaughter;
 - (1.6) reckless homicide;
 - (1.7) concealment of a homicidal death;
 - (1.8) involuntary manslaughter of an unborn child;
 - (1.9) reckless homicide of an unborn child;
 - (1.10) drug-induced homicide;
- (2) a sex offense under Article 11, except offenses described in Sections 11-7, 11-8, 11-12, and 11-13;
- (3) kidnapping;
 - (3.1) aggravated unlawful restraint;
 - (3.2) forcible detention;
 - (3.3) aiding and abetting child abduction;
- (4) aggravated kidnapping;
- (5) child abduction;
- (6) aggravated battery of a child as described in Section 12-4.3 or subdivision (b)(1) of Section 12-3.05;
 - (7) criminal sexual assault;
 - (8) aggravated criminal sexual assault;
 - (8.1) predatory criminal sexual assault of a child;
 - (9) criminal sexual abuse;
 - (10) aggravated sexual abuse;
 - (11) heinous battery as described in Section 12-4.1 or subdivision (a)(2) of Section 12-3.05;
 - (12) aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05;
 - (13) tampering with food, drugs, or cosmetics;
 - (14) drug-induced infliction of great bodily harm as described in Section 12-4.7 or subdivision (g)(1) of Section 12-3.05;
 - (15) aggravated stalking;
 - (16) home invasion;
 - (17) vehicular invasion;
 - (18) criminal transmission of HIV;
 - (19) criminal abuse or neglect of an elderly or disabled person as described in Section 12-21 or subsection (b) of Section 12-4.4a;
 - (20) child abandonment;
 - (21) endangering the life or health of a child;
 - (22) ritual mutilation;
 - (23) ritualized abuse of a child;
 - (24) an offense in any other state the elements of which are similar and bear a substantial relationship to any of the foregoing offenses.

For the purpose of this subsection, "relative" shall include any person, 21 years of age or over, other than the parent, who (i) is currently related to the child in any of the following ways by blood or adoption: grandparent, sibling, great-grandparent, uncle, aunt, nephew, niece, first cousin, second cousin, godparent, great-uncle, or great-aunt; or (ii) is the spouse of such a relative; or (iii) is the child's step-father, step-mother, or adult step-brother or step-sister; "relative" also includes a person related in any of the foregoing ways to a sibling of a child, even though the person is not related to the child, when

[May 7, 2010]

the child and its sibling are placed together with that person. For children who have been in the guardianship of the Department, have been adopted, and are subsequently returned to the temporary custody or guardianship of the Department, a "relative" may also include any person who would have qualified as a relative under this paragraph prior to the adoption, but only if the Department determines, and documents, that it would be in the child's best interests to consider this person a relative, based upon the factors for determining best interests set forth in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987. A relative with whom a child is placed pursuant to this subsection may, but is not required to, apply for licensure as a foster family home pursuant to the Child Care Act of 1969; provided, however, that as of July 1, 1995, foster care payments shall be made only to licensed foster family homes pursuant to the terms of Section 5 of this Act.

(c) In placing a child under this Act, the Department shall ensure that the child's health, safety, and best interests are met. In rejecting placement of a child with an identified relative, the Department shall ensure that the child's health, safety, and best interests are met. In evaluating the best interests of the child, the Department shall take into consideration the factors set forth in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987.

The Department shall consider the individual needs of the child and the capacity of the prospective foster or adoptive parents to meet the needs of the child. When a child must be placed outside his or her home and cannot be immediately returned to his or her parents or guardian, a comprehensive, individualized assessment shall be performed of that child at which time the needs of the child shall be determined. Only if race, color, or national origin is identified as a legitimate factor in advancing the child's best interests shall it be considered. Race, color, or national origin shall not be routinely considered in making a placement decision. The Department shall make special efforts for the diligent recruitment of potential foster and adoptive families that reflect the ethnic and racial diversity of the children for whom foster and adoptive homes are needed. "Special efforts" shall include contacting and working with community organizations and religious organizations and may include contracting with those organizations, utilizing local media and other local resources, and conducting outreach activities.

(c-1) At the time of placement, the Department shall consider concurrent planning, as described in subsection (1-1) of Section 5, so that permanency may occur at the earliest opportunity. Consideration should be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child.

(d) The Department may accept gifts, grants, offers of services, and other contributions to use in making special recruitment efforts.

(e) The Department in placing children in adoptive or foster care homes may not, in any policy or practice relating to the placement of children for adoption or foster care, discriminate against any child or prospective adoptive or foster parent on the basis of race.

Section 905. The Criminal Identification Act is amended by changing Sections 2.1 and 5.2 as follows:
(20 ILCS 2630/2.1) (from Ch. 38, par. 206-2.1)

Sec. 2.1. For the purpose of maintaining complete and accurate criminal records of the Department of State Police, it is necessary for all policing bodies of this State, the clerk of the circuit court, the Illinois Department of Corrections, the sheriff of each county, and State's Attorney of each county to submit certain criminal arrest, charge, and disposition information to the Department for filing at the earliest time possible. Unless otherwise noted herein, it shall be the duty of all policing bodies of this State, the clerk of the circuit court, the Illinois Department of Corrections, the sheriff of each county, and the State's Attorney of each county to report such information as provided in this Section, both in the form and manner required by the Department and within 30 days of the criminal history event. Specifically:

(a) Arrest Information. All agencies making arrests for offenses which are required by statute to be collected, maintained or disseminated by the Department of State Police shall be responsible for furnishing daily to the Department fingerprints, charges and descriptions of all persons who are arrested for such offenses. All such agencies shall also notify the Department of all decisions by the arresting agency not to refer such arrests for prosecution. With approval of the Department, an agency making such arrests may enter into arrangements with other agencies for the purpose of furnishing daily such fingerprints, charges and descriptions to the Department upon its behalf.

(b) Charge Information. The State's Attorney of each county shall notify the Department of all charges filed and all petitions filed alleging that a minor is delinquent, including all those added subsequent to the filing of a case, and whether charges were not filed in cases for which the Department has received information required to be reported pursuant to paragraph (a) of this Section. With approval of the

Department, the State's Attorney may enter into arrangements with other agencies for the purpose of furnishing the information required by this subsection (b) to the Department upon the State's Attorney's behalf.

(c) Disposition Information. The clerk of the circuit court of each county shall furnish the Department, in the form and manner required by the Supreme Court, with all final dispositions of cases for which the Department has received information required to be reported pursuant to paragraph (a) or (d) of this Section. Such information shall include, for each charge, all (1) judgments of not guilty, judgments of guilty including the sentence pronounced by the court, findings that a minor is delinquent and any sentence made based on those findings, discharges and dismissals in the court; (2) reviewing court orders filed with the clerk of the circuit court which reverse or remand a reported conviction or findings that a minor is delinquent or that vacate or modify a sentence or sentence made following a trial that a minor is delinquent; (3) continuances to a date certain in furtherance of an order of supervision granted under Section 5-6-1 of the Unified Code of Corrections or an order of probation granted under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 12-4.3 or subdivision (b)(1) of Section 12-3.05 of the Criminal Code of 1961, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, Section 10 of the Steroid Control Act, or Section 5-615 of the Juvenile Court Act of 1987; and (4) judgments or court orders terminating or revoking a sentence to or juvenile disposition of probation, supervision or conditional discharge and any resentencing or new court orders entered by a juvenile court relating to the disposition of a minor's case involving delinquency after such revocation.

(d) Fingerprints After Sentencing.

(1) After the court pronounces sentence, sentences a minor following a trial in which a minor was found to be delinquent or issues an order of supervision or an order of probation granted under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 12-4.3 or subdivision (b)(1) of Section 12-3.05 of the Criminal Code of 1961, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, Section 10 of the Steroid Control Act, or Section 5-615 of the Juvenile Court Act of 1987 for any offense which is required by statute to be collected, maintained, or disseminated by the Department of State Police, the State's Attorney of each county shall ask the court to order a law enforcement agency to fingerprint immediately all persons appearing before the court who have not previously been fingerprinted for the same case. The court shall so order the requested fingerprinting, if it determines that any such person has not previously been fingerprinted for the same case. The law enforcement agency shall submit such fingerprints to the Department daily.

(2) After the court pronounces sentence or makes a disposition of a case following a finding of delinquency for any offense which is not required by statute to be collected, maintained, or disseminated by the Department of State Police, the prosecuting attorney may ask the court to order a law enforcement agency to fingerprint immediately all persons appearing before the court who have not previously been fingerprinted for the same case. The court may so order the requested fingerprinting, if it determines that any so sentenced person has not previously been fingerprinted for the same case. The law enforcement agency may retain such fingerprints in its files.

(e) Corrections Information. The Illinois Department of Corrections and the sheriff of each county shall furnish the Department with all information concerning the receipt, escape, execution, death, release, pardon, parole, commutation of sentence, granting of executive clemency or discharge of an individual who has been sentenced or committed to the agency's custody for any offenses which are mandated by statute to be collected, maintained or disseminated by the Department of State Police. For an individual who has been charged with any such offense and who escapes from custody or dies while in custody, all information concerning the receipt and escape or death, whichever is appropriate, shall also be so furnished to the Department.

(20 ILCS 2630/5.2)

Sec. 5.2. Expungement and sealing.

(a) General Provisions.

(1) Definitions. In this Act, words and phrases have the meanings set forth in this subsection, except when a particular context clearly requires a different meaning.

(A) The following terms shall have the meanings ascribed to them in the Unified Code of Corrections, 730 ILCS 5/5-1-2 through 5/5-1-22:

(i) Business Offense (730 ILCS 5/5-1-2),

[May 7, 2010]

- (ii) Charge (730 ILCS 5/5-1-3),
- (iii) Court (730 ILCS 5/5-1-6),
- (iv) Defendant (730 ILCS 5/5-1-7),
- (v) Felony (730 ILCS 5/5-1-9),
- (vi) Imprisonment (730 ILCS 5/5-1-10),
- (vii) Judgment (730 ILCS 5/5-1-12),
- (viii) Misdemeanor (730 ILCS 5/5-1-14),
- (ix) Offense (730 ILCS 5/5-1-15),
- (x) Parole (730 ILCS 5/5-1-16),
- (xi) Petty Offense (730 ILCS 5/5-1-17),
- (xii) Probation (730 ILCS 5/5-1-18),
- (xiii) Sentence (730 ILCS 5/5-1-19),
- (xiv) Supervision (730 ILCS 5/5-1-21), and
- (xv) Victim (730 ILCS 5/5-1-22).

(B) As used in this Section, "charge not initiated by arrest" means a charge (as defined by 730 ILCS 5/5-1-3) brought against a defendant where the defendant is not arrested prior to or as a direct result of the charge.

(C) "Conviction" means a judgment of conviction or sentence entered upon a plea of guilty or upon a verdict or finding of guilty of an offense, rendered by a legally constituted jury or by a court of competent jurisdiction authorized to try the case without a jury. An order of supervision successfully completed by the petitioner is not a conviction. An order of qualified probation (as defined in subsection (a)(1)(J)) successfully completed by the petitioner is not a conviction. An order of supervision or an order of qualified probation that is terminated unsatisfactorily is a conviction, unless the unsatisfactory termination is reversed, vacated, or modified and the judgment of conviction, if any, is reversed or vacated.

(D) "Criminal offense" means a petty offense, business offense, misdemeanor, felony, or municipal ordinance violation (as defined in subsection (a)(1)(H)). As used in this Section, a minor traffic offense (as defined in subsection (a)(1)(G)) shall not be considered a criminal offense.

(E) "Expunge" means to physically destroy the records or return them to the petitioner and to obliterate the petitioner's name from any official index or public record, or both. Nothing in this Act shall require the physical destruction of the circuit court file, but such records relating to arrests or charges, or both, ordered expunged shall be impounded as required by subsections (d)(9)(A)(ii) and (d)(9)(B)(ii).

(F) As used in this Section, "last sentence" means the sentence, order of supervision, or order of qualified probation (as defined by subsection (a)(1)(J)), for a criminal offense (as defined by subsection (a)(1)(D)) that terminates last in time in any jurisdiction, regardless of whether the petitioner has included the criminal offense for which the sentence or order of supervision or qualified probation was imposed in his or her petition. If multiple sentences, orders of supervision, or orders of qualified probation terminate on the same day and are last in time, they shall be collectively considered the "last sentence" regardless of whether they were ordered to run concurrently.

(G) "Minor traffic offense" means a petty offense, business offense, or Class C misdemeanor under the Illinois Vehicle Code or a similar provision of a municipal or local ordinance.

(H) "Municipal ordinance violation" means an offense defined by a municipal or local ordinance that is criminal in nature and with which the petitioner was charged or for which the petitioner was arrested and released without charging.

(I) "Petitioner" means an adult or a minor prosecuted as an adult who has applied for relief under this Section.

(J) "Qualified probation" means an order of probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act. For the purpose of this Section, "successful completion" of an order of qualified probation under Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act and Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act means that the probation was terminated satisfactorily and the judgment of conviction was vacated.

(K) "Seal" means to physically and electronically maintain the records, unless the records would otherwise be destroyed due to age, but to make the records unavailable without a court order, subject to the exceptions in Sections 12 and 13 of this Act. The petitioner's name shall also be obliterated from the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but any index issued by the circuit court clerk before the entry of the order to seal shall not be affected.

(L) "Sexual offense committed against a minor" includes but is not limited to the offenses of indecent solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

(M) "Terminate" as it relates to a sentence or order of supervision or qualified probation includes either satisfactory or unsatisfactory termination of the sentence, unless otherwise specified in this Section.

(2) Minor Traffic Offenses. Orders of supervision or convictions for minor traffic offenses shall not affect a petitioner's eligibility to expunge or seal records pursuant to this Section.

(3) Exclusions. Except as otherwise provided in subsections (b)(5), (b)(6), and (e) of this Section, the court shall not order:

(A) the sealing or expungement of the records of arrests or charges not initiated by arrest that result in an order of supervision for or conviction of: (i) any sexual offense committed against a minor; (ii) Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; or (iii) Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(B) the sealing or expungement of records of minor traffic offenses (as defined in subsection (a)(1)(G)), unless the petitioner was arrested and released without charging.

(C) the sealing of the records of arrests or charges not initiated by arrest which result in an order of supervision, an order of qualified probation (as defined in subsection (a)(1)(J)), or a conviction for the following offenses:

(i) offenses included in Article 11 of the Criminal Code of 1961 or a similar provision of a local ordinance, except Section 11-14 of the Criminal Code of 1961 or a similar provision of a local ordinance;

(ii) Section 12-3.4, 12-15, 12-30, or 26-5 of the Criminal Code of 1961 or a similar provision of a local ordinance;

(iii) offenses defined as "crimes of violence" in Section 2 of the Crime Victims Compensation Act or a similar provision of a local ordinance;

(iv) offenses which are Class A misdemeanors under the Humane Care for Animals Act; or

(v) any offense or attempted offense that would subject a person to registration under the Sex Offender Registration Act.

(D) the sealing of the records of an arrest which results in the petitioner being charged with a felony offense or records of a charge not initiated by arrest for a felony offense, regardless of the disposition, unless:

(i) the charge is amended to a misdemeanor and is otherwise eligible to be sealed pursuant to subsection (c);

(ii) the charge results in first offender probation as set forth in subsection (c)(2)(E); or

(iii) the charge is for a Class 4 felony offense listed in subsection (c)(2)(F)

or the charge is amended to a Class 4 felony offense listed in subsection (c)(2)(F). Records of arrests which result in the petitioner being charged with a Class 4 felony offense listed in subsection (c)(2)(F), records of charges not initiated by arrest for Class 4 felony offenses listed in subsection (c)(2)(F), and records of charges amended to a Class 4 felony offense listed in (c)(2)(F) may be sealed, regardless of the disposition, subject to any waiting periods set forth in subsection (c)(3).

(b) Expungement.

(1) A petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when:

(A) He or she has never been convicted of a criminal offense; and

(B) Each arrest or charge not initiated by arrest sought to be expunged resulted in: (i) acquittal, dismissal, or the petitioner's release without charging, unless excluded by subsection (a)(3)(B); (ii) a conviction which was vacated or reversed, unless excluded by subsection (a)(3)(B); (iii) an order of supervision and such supervision was successfully completed by the

petitioner, unless excluded by subsection (a)(3)(A) or (a)(3)(B); or (iv) an order of qualified probation (as defined in subsection (a)(1)(J)) and such probation was successfully completed by the petitioner.

(2) Time frame for filing a petition to expunge.

(A) When the arrest or charge not initiated by arrest sought to be expunged resulted in an acquittal, dismissal, the petitioner's release without charging, or the reversal or vacation of a conviction, there is no waiting period to petition for the expungement of such records.

(B) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of supervision, successfully completed by the petitioner, the following time frames will apply:

(i) Those arrests or charges that resulted in orders of supervision under

Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance, or under Section 12-3.2, 12-15 or 16A-3 of the Criminal Code of 1961, shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the supervision.

(ii) Those arrests or charges that resulted in orders of

supervision for any other offenses shall not be eligible for expungement until 2 years have passed following the satisfactory termination of the supervision.

(C) When the arrest or charge not initiated by arrest sought to be expunged

resulted in an order of qualified probation, successfully completed by the petitioner, such records shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the probation.

(3) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(4) Whenever a person has been arrested for or convicted of any offense, in the name of a person whose identity he or she has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his or her identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the Chief Judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Department, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his or her name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the offender, if known or ascertainable, in lieu of the aggrieved's name. The records of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used.

(5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the petitioner's trial to have a court order entered to seal the records of the circuit court clerk in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the circuit court clerk in connection with the proceedings of the trial court concerning the offense available for public inspection.

(6) If a conviction has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the petitioner was factually innocent of the charge, the court shall enter an expungement order as provided in subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(7) Nothing in this Section shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 12-4.3 or subdivision (b)(1) of Section 12-3.05 of the Criminal Code of 1961, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section

40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act.

(c) Sealing.

(1) Applicability. Notwithstanding any other provision of this Act to the contrary, and cumulative with any rights to expungement of criminal records, this subsection authorizes the sealing of criminal records of adults and of minors prosecuted as adults.

(2) Eligible Records. The following records may be sealed:

(A) All arrests resulting in release without charging;

(B) Arrests or charges not initiated by arrest resulting in acquittal, dismissal, or conviction when the conviction was reversed or vacated, except as excluded by subsection (a)(3)(B) or (a)(3)(D);

(C) Arrests or charges not initiated by arrest resulting in orders of supervision successfully completed by the petitioner, unless excluded by subsection (a)(3);

(D) Arrests or charges not initiated by arrest resulting in convictions unless excluded by subsection (a)(3);

(E) Arrests or charges not initiated by arrest resulting in orders of first offender probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act; and

(F) Arrests or charges not initiated by arrest resulting in Class 4 felony convictions for the following offenses:

(i) Section 11-14 of the Criminal Code of 1961;

(ii) Section 4 of the Cannabis Control Act;

(iii) Section 402 of the Illinois Controlled Substances Act;

(iv) the Methamphetamine Precursor Control Act; and

(v) the Steroid Control Act.

(3) When Records Are Eligible to Be Sealed. Records identified as eligible under subsection (c)(2) may be sealed as follows:

(A) Records identified as eligible under subsection (c)(2)(A) and (c)(2)(B) may be sealed at any time.

(B) Records identified as eligible under subsection (c)(2)(C) may be sealed (i) 3 years after the termination of petitioner's last sentence (as defined in subsection (a)(1)(F)) if the petitioner has never been convicted of a criminal offense (as defined in subsection (a)(1)(D)); or (ii) 4 years after the termination of the petitioner's last sentence (as defined in subsection (a)(1)(F)) if the petitioner has ever been convicted of a criminal offense (as defined in subsection (a)(1)(D)).

(C) Records identified as eligible under subsections (c)(2)(D), (c)(2)(E), and (c)(2)(F) may be sealed 4 years after the termination of the petitioner's last sentence (as defined in subsection (a)(1)(F)).

(4) Subsequent felony convictions. A person may not have subsequent felony conviction records sealed as provided in this subsection (c) if he or she is convicted of any felony offense after the date of the sealing of prior felony convictions as provided in this subsection (c). The court may, upon conviction for a subsequent felony offense, order the unsealing of prior felony conviction records previously ordered sealed by the court.

(5) Notice of eligibility for sealing. Upon entry of a disposition for an eligible record under this subsection (c), the petitioner shall be informed by the court of the right to have the records sealed and the procedures for the sealing of the records.

(d) Procedure. The following procedures apply to expungement under subsections (b) and (e), and sealing under subsection (c):

(1) Filing the petition. Upon becoming eligible to petition for the expungement or sealing of records under this Section, the petitioner shall file a petition requesting the expungement or sealing of records with the clerk of the court where the arrests occurred or the charges were brought, or both. If arrests occurred or charges were brought in multiple jurisdictions, a petition must be filed in each such jurisdiction. The petitioner shall pay the applicable fee, if not waived.

(2) Contents of petition. The petition shall be verified and shall contain the petitioner's name, date of birth, current address and, for each arrest or charge not initiated by arrest sought to be sealed or expunged, the case number, the date of arrest (if any), the identity of the arresting authority, and such other information as the court may require. During the pendency of the proceeding, the petitioner shall promptly notify the circuit court clerk of any change of his or her address.

(3) Drug test. The petitioner must attach to the petition proof that the petitioner has passed a test taken within 30 days before the filing of the petition showing the absence within his or her body of all illegal substances as defined by the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, and the Cannabis Control Act if he or she is petitioning to seal felony records pursuant to clause (c)(2)(E) or (c)(2)(F)(ii)-(v) or if he or she is petitioning to expunge felony records of a qualified probation pursuant to clause (b)(1)(B)(iv).

(Text of Section before amendment by P.A. 96-339)

(Section scheduled to be repealed on January 1, 2018)

Sec. 17. Grounds for disciplinary action.

(a) The Department may impose fines not to exceed \$10,000 or may refuse to issue or to renew, or may revoke, suspend, place on probation, censure, reprimand or take other disciplinary or non-disciplinary action with regard to the license of any person, for any one or combination of the following causes:

(1) Intentional material misstatement in furnishing information to the Department.

(2) Conviction of or entry of a plea of guilty or nolo contendere to any crime that is a felony under the laws of the United States or any state or territory thereof or a misdemeanor of which an essential element is dishonesty or that is directly related to the practice of the profession of nursing home administration.

(9) A finding by the Department that the licensee, after having his or her license placed on probationary status has violated the terms of probation.

(10) Willfully making or filing false records or reports in his or her practice, including but not limited to false records filed with State agencies or departments.

(11) Physical illness, mental illness, or other impairment or disability, including, but not limited to, deterioration through the aging process, or loss of motor skill that results in the inability to practice the profession with reasonable judgment, skill or safety.

(17) Conviction of a violation of Section 12-19 of the Criminal Code of 1961 for the abuse and gross neglect of a long term care facility resident.

(18) Violation of the Nursing Home Care Act or of any rule issued under the Nursing Home Care Act.

All proceedings to suspend, revoke, place on probationary status, or take any other disciplinary action as the Department may deem proper, with regard to a license on any of the foregoing grounds, must be commenced within 5 years next after receipt by the Department of (i) a complaint alleging the commission of or notice of the conviction order for any of the acts described herein or (ii) a referral for investigation under Section 3-108 of the Nursing Home Care Act.

The entry of an order or judgment by any circuit court establishing that any person holding a license under this Act is a person in need of mental treatment operates as a suspension of that license. That person may resume their practice only upon the entry of a Department order based upon a finding by the Board that they have been determined to be recovered from mental illness by the court and upon the Board's recommendation that they be permitted to resume their practice.

The Department, upon the recommendation of the Board, may adopt rules which set forth standards to be used in determining what constitutes:

(i) when a person will be deemed sufficiently rehabilitated to warrant the public trust;

(ii) dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud, or harm the public;

(iii) immoral conduct in the commission of any act related to the licensee's practice; and

(iv) professional incompetence in the practice of nursing home administration.

However, no such rule shall be admissible into evidence in any civil action except for review of a licensing or other disciplinary action under this Act.

In enforcing this Section, the Department or Board, upon a showing of a possible violation, may compel any individual licensed to practice under this Act, or who has applied for licensure pursuant to this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The examining physician or physicians shall be those specifically designated by the Department or Board. The Department or Board may order the examining physician to present testimony concerning this mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of the examination. Failure of any individual to submit to mental or physical examination, when directed, shall be grounds for suspension of his or her license until such time as the individual submits to the examination if the Department finds, after notice and hearing, that the refusal to submit to the examination was without reasonable cause.

If the Department or Board finds an individual unable to practice because of the reasons set forth in this Section, the Department or Board shall require such individual to submit to care, counseling, or treatment by physicians approved or designated by the Department or Board, as a condition, term, or restriction for continued, reinstated, or renewed licensure to practice; or in lieu of care, counseling, or

treatment, the Department may file, or the Board may recommend to the Department to file, a complaint to immediately suspend, revoke, or otherwise discipline the license of the individual. Any individual whose license was granted pursuant to this Act or continued, reinstated, renewed, disciplined or supervised, subject to such terms, conditions or restrictions who shall fail to comply with such terms, conditions or restrictions shall be referred to the Secretary for a determination as to whether the licensee shall have his or her license suspended immediately, pending a hearing by the Department. In instances in which the Secretary immediately suspends a license under this Section, a hearing upon such person's license must be convened by the Board within 30 days after such suspension and completed without appreciable delay. The Department and Board shall have the authority to review the subject administrator's record of treatment and counseling regarding the impairment, to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act, affected under this Section, shall be afforded an opportunity to demonstrate to the Department or Board that he or she can resume practice in compliance with acceptable and prevailing standards under the provisions of his or her license.

(b) Any individual or organization acting in good faith, and not in a wilful and wanton manner, in complying with this Act by providing any report or other information to the Department, or assisting in the investigation or preparation of such information, or by participating in proceedings of the Department, or by serving as a member of the Board, shall not, as a result of such actions, be subject to criminal prosecution or civil damages.

(c) Members of the Board, and persons retained under contract to assist and advise in an investigation, shall be indemnified by the State for any actions occurring within the scope of services on or for the Board, done in good faith and not wilful and wanton in nature. The Attorney General shall defend all such actions unless he or she determines either that there would be a conflict of interest in such representation or that the actions complained of were not in good faith or were wilful and wanton.

Should the Attorney General decline representation, a person entitled to indemnification under this Section shall have the right to employ counsel of his or her choice, whose fees shall be provided by the State, after approval by the Attorney General, unless there is a determination by a court that the member's actions were not in good faith or were wilful and wanton.

A person entitled to indemnification under this Section must notify the Attorney General within 7 days of receipt of notice of the initiation of any action involving services of the Board. Failure to so notify the Attorney General shall constitute an absolute waiver of the right to a defense and indemnification.

The Attorney General shall determine within 7 days after receiving such notice, whether he or she will undertake to represent a person entitled to indemnification under this Section.

(d) The determination by a circuit court that a licensee is subject to involuntary admission or judicial admission as provided in the Mental Health and Developmental Disabilities Code, as amended, operates as an automatic suspension. Such suspension will end only upon a finding by a court that the patient is no longer subject to involuntary admission or judicial admission and issues an order so finding and discharging the patient; and upon the recommendation of the Board to the Secretary that the licensee be allowed to resume his or her practice.

(e) The Department may refuse to issue or may suspend the license of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Department of Revenue, until such time as the requirements of any such tax Act are satisfied.

(f) The Department of Public Health shall transmit to the Department a list of those facilities which receive an "A" violation as defined in Section 1-129 of the Nursing Home Care Act.

(b) A school bus driver permit shall be valid for a period specified by the Secretary of State as set forth by rule. It shall be renewable upon compliance with subsection (a) of this Section.

(c) A school bus driver permit shall contain the holder's driver's license number, legal name, residence address, zip code, social security number and date of birth, a brief description of the holder and a space for signature. The Secretary of State may require a suitable photograph of the holder.

(d) The employer shall be responsible for conducting a pre-employment interview with prospective school bus driver candidates, distributing school bus driver applications and medical forms to be completed by the applicant, and submitting the applicant's fingerprint cards to the Department of State Police that are required for the criminal background investigations. The employer shall certify in writing to the Secretary of State that all pre-employment conditions have been successfully completed including the successful completion of an Illinois specific criminal background investigation through the Department of State Police and the submission of necessary fingerprints to the Federal Bureau of Investigation for criminal history information available through the Federal Bureau of Investigation system. The applicant shall present the certification to the Secretary of State at the time of submitting the school bus driver permit application.

(e) Permits shall initially be provisional upon receiving certification from the employer that all pre-employment conditions have been successfully completed, and upon successful completion of all training and examination requirements for the classification of the vehicle to be operated, the Secretary of State shall provisionally issue a School Bus Driver Permit. The permit shall remain in a provisional status pending the completion of the Federal Bureau of Investigation's criminal background investigation based upon fingerprinting specimens submitted to the Federal Bureau of Investigation by the Department of State Police. The Federal Bureau of Investigation shall report the findings directly to the Secretary of State. The Secretary of State shall remove the bus driver permit from provisional status upon the applicant's successful completion of the Federal Bureau of Investigation's criminal background investigation.

(f) A school bus driver permit holder shall notify the employer and the Secretary of State if he or she is convicted in another state of an offense that would make him or her ineligible for a permit under subsection (a) of this Section. The written notification shall be made within 5 days of the entry of the conviction. Failure of the permit holder to provide the notification is punishable as a petty offense for a first violation and a Class B misdemeanor for a second or subsequent violation.

(g) Cancellation; suspension; notice and procedure.

(1) The Secretary of State shall cancel a school bus driver permit of an applicant whose criminal background investigation discloses that he or she is not in compliance with the provisions of subsection (a) of this Section.

(2) The Secretary of State shall cancel a school bus driver permit when he or she receives notice that the permit holder fails to comply with any provision of this Section or any rule promulgated for the administration of this Section.

(3) The Secretary of State shall cancel a school bus driver permit if the permit holder's restricted commercial or commercial driving privileges are withdrawn or otherwise invalidated.

prospective or current employer that the applicant has (1) has failed a criminal background investigation or (2) is no longer eligible for a school bus driver permit; and of the related cancellation of the applicant's provisional school bus driver permit. The cancellation shall remain in effect pending the outcome of a hearing pursuant to Section 2-118 of this Code. The scope of the hearing shall be limited to the issuance criteria contained in subsection (a) of this Section. A petition requesting a hearing shall be submitted to the Secretary of State and shall contain the reason the individual feels he or she is entitled to a school bus driver permit. The permit holder's employer shall notify in writing to the Secretary of State that the employer has certified the removal of the offending school bus driver from service prior to the start of that school bus driver's next workshift. An employing school board that fails to remove the offending school bus driver from service is subject to the penalties defined in Section 3-14.23 of the School Code. A school bus contractor who violates a provision of this Section is subject to the penalties defined in Section 6-106.11.

All valid school bus driver permits issued under this Section prior to January 1, 1995, shall remain effective until their expiration date unless otherwise invalidated.

(h) When a school bus driver permit holder who is a service member is called to active duty, the employer of the permit holder shall notify the Secretary of State, within 30 days of notification from the permit holder, that the permit holder has been called to active duty. Upon notification pursuant to this subsection, (i) the Secretary of State shall characterize the permit as inactive until a permit holder renews the permit as provided in subsection (i) of this Section, and (ii) if a permit holder fails to comply with the requirements of this Section while called to active duty, the Secretary of State shall not characterize the permit as invalid.

(i) A school bus driver permit holder who is a service member returning from active duty must, within 90 days, renew a permit characterized as inactive pursuant to subsection (h) of this Section by complying with the renewal requirements of subsection (b) of this Section.

(705 ILCS 405/2-25) (from Ch. 37, par. 802-25)

Sec. 2-25. Order of protection.

(1) The court may make an order of protection in assistance of or as a condition of any other order authorized by this Act. The order of protection shall be based on the health, safety and best interests of the minor and may set forth reasonable conditions of behavior to be observed for a specified period. Such an order may require a person:

- (a) to stay away from the home or the minor;
- (b) to permit a parent to visit the minor at stated periods;
- (c) to abstain from offensive conduct against the minor, his parent or any person to whom custody of the minor is awarded;
- (d) to give proper attention to the care of the home;
- (e) to cooperate in good faith with an agency to which custody of a minor is entrusted by the court or with an agency or association to which the minor is referred by the court;
- (f) to prohibit and prevent any contact whatsoever with the respondent minor by a specified individual or individuals who are alleged in either a criminal or juvenile proceeding to have caused injury to a respondent minor or a sibling of a respondent minor;
- (g) to refrain from acts of commission or omission that tend to make the home not a proper place for the minor;
- (h) to refrain from contacting the minor and the foster parents in any manner that is not specified in writing in the case plan.

(2) The court shall enter an order of protection to prohibit and prevent any contact between a

respondent minor or a sibling of a respondent minor and any person named in a petition seeking an order of protection who has been convicted of heinous battery under Section 12-4.1 or aggravated battery under subdivision (a)(2) of Section 12-3.05, aggravated battery of a child under Section 12-4.3 or aggravated battery under subdivision (b)(1) of Section 12-3.05, criminal sexual assault under Section 12-13, aggravated criminal sexual assault under Section 12-14, predatory criminal sexual assault of a child under Section 12-14.1, criminal sexual abuse under Section 12-15, or aggravated criminal sexual abuse under Section 12-16 of the Criminal Code of 1961, or has been convicted of an offense that resulted in the death of a child, or has violated a previous order of protection under this Section.

(3) When the court issues an order of protection against any person as provided by this Section, the court shall direct a copy of such order to the Sheriff of that county. The Sheriff shall furnish a copy of the order of protection to the Department of State Police within 24 hours of receipt, in the form and manner required by the Department. The Department of State Police shall maintain a complete record and index of such orders of protection and make this data available to all local law enforcement agencies.

(4) After notice and opportunity for hearing afforded to a person subject to an order of protection, the order may be modified or extended for a further specified period or both or may be terminated if the court finds that the health, safety, and best interests of the minor and the public will be served thereby.

(5) An order of protection may be sought at any time during the course of any proceeding conducted pursuant to this Act if such an order is consistent with the health, safety, and best interests of the minor. Any person against whom an order of protection is sought may retain counsel to represent him at a hearing, and has rights to be present at the hearing, to be informed prior to the hearing in writing of the contents of the petition seeking a protective order and of the date, place and time of such hearing, and to cross examine witnesses called by the petitioner and to present witnesses and argument in opposition to the relief sought in the petition.

(6) Diligent efforts shall be made by the petitioner to serve any person or persons against whom any order of protection is sought with written notice of the contents of the petition seeking a protective order and of the date, place and time at which the hearing on the petition is to be held. When a protective order is being sought in conjunction with a temporary custody hearing, if the court finds that the person against whom the protective order is being sought has been notified of the hearing or that diligent efforts have been made to notify such person, the court may conduct a hearing. If a protective order is sought at any time other than in conjunction with a temporary custody hearing, the court may not conduct a hearing on the petition in the absence of the person against whom the order is sought unless the petitioner has notified such person by personal service at least 3 days before the hearing or has sent written notice by first class mail to such person's last known address at least 5 days before the hearing.

(7) A person against whom an order of protection is being sought who is neither a parent, guardian, legal custodian or responsible relative as described in Section 1-5 is not a party or respondent as defined in that Section and shall not be entitled to the rights provided therein. Such person does not have a right to appointed counsel or to be present at any hearing other than the hearing in which the order of protection is being sought or a hearing directly pertaining to that order. Unless the court orders otherwise, such person does not have a right to inspect the court file.

(8) All protective orders entered under this Section shall be in writing. Unless the person against whom the order was obtained was present in court when the order was issued, the sheriff, other law enforcement official or special process server shall promptly serve that order upon that person and file proof of such service, in the manner provided for service of process in civil proceedings. The person against whom the protective order was obtained may seek a modification of the order by filing a written motion to modify the order within 7 days after actual receipt by the person of a copy of the order. Any modification of the order granted by the court must be determined to be consistent with the best interests of the minor.

(9) If a petition is filed charging a violation of a condition contained in the protective order and if the court determines that this violation is of a critical service necessary to the safety and welfare of the minor, the court may proceed to findings and an order for temporary custody.

When a protective order is being sought in conjunction with a shelter care hearing, if the court finds that the person against whom the protective order is being sought has been notified of the hearing or that diligent efforts have been made to notify such person, the court may conduct a hearing. If a protective order is sought at any time other than in conjunction with a shelter care hearing, the court may not conduct a hearing on the petition in the absence of the person against whom the order is sought unless the petitioner has notified such person by personal service at least 3 days before the hearing or has sent written notice by first class mail to such person's last known address at least 5 days before the hearing.

(7) A person against whom an order of protection is being sought who is neither a parent, guardian, legal custodian or responsible relative as described in Section 1-5 is not a party or respondent as defined in that Section and shall not be entitled to the rights provided therein. Such person does not have a right to appointed counsel or to be present at any hearing other than the hearing in which the order of protection is being sought or a hearing directly pertaining to that order. Unless the court orders otherwise, such person does not have a right to inspect the court file.

(8) All protective orders entered under this Section shall be in writing. Unless the person against whom the order was obtained was present in court when the order was issued, the sheriff, other law enforcement official or special process server shall promptly serve that order upon that person and file proof of such service, in the manner provided for service of process in civil proceedings. The person

against whom the protective order was obtained may seek a modification of the order by filing a written motion to modify the order within 7 days after actual receipt by the person of a copy of the order.

(705 ILCS 405/5-130)

Sec. 5-130. Excluded jurisdiction.

(1) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who at the time of an offense was at least 15 years of age and who is charged with: (i) first degree murder, (ii) aggravated criminal sexual assault, (iii) aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05 where the minor personally discharged a firearm as defined in Section 2-15.5 of the Criminal Code of 1961, (iv) armed robbery when the armed robbery was committed with a firearm, or (v) aggravated vehicular hijacking when the hijacking was committed with a firearm.

These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (1) the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the Criminal Code of 1961 on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (1) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the Criminal Code of 1961.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (1), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (1), that finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Juvenile Justice for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(2) (Blank).

(3) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who at the time of the offense was at least 15 years of age and who is charged with a violation of the provisions of paragraph (1), (3), (4), or (10) of subsection (a) of Section 24-1 of the Criminal Code of 1961 while in school, regardless of the time of day or the time of year, or on the real property comprising any school, regardless of the time of day or the time of year. School is defined, for purposes of this Section as any public or private elementary or secondary school, community college, college, or university. These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (3) the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

[May 7, 2010]

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (3) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (3), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (3), that finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Juvenile Justice for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(4) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who at the time of an offense was at least 13 years of age and who is charged with first degree murder committed during the course of either aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping. However, this subsection (4) does not include a minor charged with first degree murder based exclusively upon the accountability provisions of the Criminal Code of 1961.

(b) (i) If before trial or plea an information or indictment is filed that does not charge first degree murder committed during the course of aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping, the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes first degree murder committed during the course of aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping, and additional charges that are not specified in paragraph (a) of this subsection, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of first degree murder committed during the course of aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If the minor was not yet 15 years of age at the time of the offense, and if after trial or plea the court finds that the minor committed an offense other than first degree murder committed during the course of either aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping, the finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine whether the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous delinquent history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Juvenile Justice for the treatment and rehabilitation of the minor; (e) whether the best interest of the minor and the security of the public require sentencing under Chapter V

of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(5) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who is charged with a violation of subsection (a) of Section 31-6 or Section 32-10 of the Criminal Code of 1961 when the minor is subject to prosecution under the criminal laws of this State as a result of the application of the provisions of Section 5-125, or subsection (1) or (2) of this Section. These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (5), the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (5) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (5), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (5), the conviction shall not invalidate the verdict or the prosecution of the minor under the criminal laws of this State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if whether the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous delinquent history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Juvenile Justice for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(6) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who, pursuant to subsection (1) or (3) or Section 5-805 or 5-810, has previously been placed under the jurisdiction of the criminal court and has been convicted of a crime under an adult criminal or penal statute. Such a minor shall be subject to prosecution under the criminal laws of this State.

(7) The procedures set out in this Article for the investigation, arrest and prosecution of juvenile offenders shall not apply to minors who are excluded from jurisdiction of the Juvenile Court, except that minors under 17 years of age shall be kept separate from confined adults.

(8) Nothing in this Act prohibits or limits the prosecution of any minor for an offense committed on or after his or her 17th birthday even though he or she is at the time of the offense a ward of the court.

(9) If an original petition for adjudication of wardship alleges the commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of this State, the minor, with the consent of his or her counsel, may, at any time before commencement of the adjudicatory hearing, file with the court a motion that criminal prosecution be ordered and that the petition be dismissed insofar as the act or acts involved in the criminal proceedings are concerned. If such a motion is filed as herein provided, the court shall enter its order accordingly.

(10) If, prior to August 12, 2005 (the effective date of Public Act 94-574), a minor is charged with a violation of Section 401 of the Illinois Controlled Substances Act under the criminal laws of this State, other than a minor charged with a Class X felony violation of the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act, any party including the minor or the

court sua sponte may, before trial, move for a hearing for the purpose of trying and sentencing the minor as a delinquent minor. To request a hearing, the party must file a motion prior to trial. Reasonable notice of the motion shall be given to all parties. On its own motion or upon the filing of a motion by one of the parties including the minor, the court shall conduct a hearing to determine whether the minor should be tried and sentenced as a delinquent minor under this Article. In making its determination, the court shall consider among other matters:

- (a) The age of the minor;
- (b) Any previous delinquent or criminal history of the minor;
- (c) Any previous abuse or neglect history of the minor;
- (d) Any mental health or educational history of the minor, or both; and
- (e) Whether there is probable cause to support the charge, whether the minor is charged through accountability, and whether there is evidence the minor possessed a deadly weapon or caused serious bodily harm during the offense.

Any material that is relevant and reliable shall be admissible at the hearing. In all cases, the judge shall enter an order permitting prosecution under the criminal laws of Illinois unless the judge makes a finding based on a preponderance of the evidence that the minor would be amenable to the care, treatment, and training programs available through the facilities of the juvenile court based on an evaluation of the factors listed in this subsection (10).

(705 ILCS 405/5-410)

Sec. 5-410. Non-secure custody or detention.

(1) Any minor arrested or taken into custody pursuant to this Act who requires care away from his or her home but who does not require physical restriction shall be given temporary care in a foster family home or other shelter facility designated by the court.

(2) (a) Any minor 10 years of age or older arrested pursuant to this Act where there is probable cause to believe that the minor is a delinquent minor and that (i) secured custody is a matter of immediate and urgent necessity for the protection of the minor or of the person or property of another, (ii) the minor is likely to flee the jurisdiction of the court, or (iii) the minor was taken into custody under a warrant, may be kept or detained in an authorized detention facility. No minor under 12 years of age shall be detained in a county jail or a municipal lockup for more than 6 hours.

(b) The written authorization of the probation officer or detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) constitutes authority for the superintendent of any juvenile detention home to detain and keep a minor for up to 40 hours, excluding Saturdays, Sundays and court-designated holidays. These records shall be available to the same persons and pursuant to the same conditions as are law enforcement records as provided in Section 5-905.

(b-4) The consultation required by subsection (b-5) shall not be applicable if the probation officer or detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) utilizes a scorable detention screening instrument, which has been developed with input by the State's Attorney, to determine whether a minor should be detained, however, subsection (b-5) shall still be applicable where no such screening instrument is used or where the probation officer, detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) deviates from the screening instrument.

(b-5) Subject to the provisions of subsection (b-4), if a probation officer or detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) does not intend to detain a minor for an offense which constitutes one of the following offenses he or she shall consult with the State's Attorney's Office prior to the release of the minor: first degree murder, second degree murder, involuntary manslaughter, criminal sexual assault, aggravated criminal sexual assault, aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05, aggravated or heinous battery involving permanent disability or disfigurement or great bodily harm, robbery, aggravated robbery, armed robbery, vehicular hijacking, aggravated vehicular hijacking, vehicular invasion, arson, aggravated arson, kidnapping, aggravated kidnapping, home invasion, burglary, or residential burglary.

(c) Except as otherwise provided in paragraph (a), (d), or (e), no minor shall be detained in a county jail or municipal lockup for more than 12 hours, unless the offense is a crime of violence in which case the minor may be detained up to 24 hours. For the purpose of this paragraph, "crime of violence" has the meaning ascribed to it in Section 1-10 of the Alcoholism and Other Drug Abuse and Dependency Act.

(i) The period of detention is deemed to have begun once the minor has been placed in a

locked room or cell or handcuffed to a stationary object in a building housing a county jail or municipal lockup. Time spent transporting a minor is not considered to be time in detention or secure

custody.

(ii) Any minor so confined shall be under periodic supervision and shall not be permitted to come into or remain in contact with adults in custody in the building.

(iii) Upon placement in secure custody in a jail or lockup, the minor shall be informed of the purpose of the detention, the time it is expected to last and the fact that it cannot exceed the time specified under this Act.

(iv) A log shall be kept which shows the offense which is the basis for the detention, the reasons and circumstances for the decision to detain and the length of time the minor was in detention.

(v) Violation of the time limit on detention in a county jail or municipal lockup shall not, in and of itself, render inadmissible evidence obtained as a result of the violation of this time limit. Minors under 17 years of age shall be kept separate from confined adults and may not at any time be kept in the same cell, room or yard with adults confined pursuant to criminal law. Persons 17 years of age and older who have a petition of delinquency filed against them may be confined in an adult detention facility. In making a determination whether to confine a person 17 years of age or older who has a petition of delinquency filed against the person, these factors, among other matters, shall be considered:

(A) The age of the person;

(B) Any previous delinquent or criminal history of the person;

(C) Any previous abuse or neglect history of the person; and

(D) Any mental health or educational history of the person, or both.

(d) (i) If a minor 12 years of age or older is confined in a county jail in a county with a population below 3,000,000 inhabitants, then the minor's confinement shall be implemented in such a manner that there will be no contact by sight, sound or otherwise between the minor and adult prisoners. Minors 12 years of age or older must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with confined adults. This paragraph (d)(i) shall only apply to confinement pending an adjudicatory hearing and shall not exceed 40 hours, excluding Saturdays, Sundays and court designated holidays. To accept or hold minors during this time period, county jails shall comply with all monitoring standards promulgated by the Department of Corrections and training standards approved by the Illinois Law Enforcement Training Standards Board.

(ii) To accept or hold minors, 12 years of age or older, after the time period prescribed in paragraph (d)(i) of this subsection (2) of this Section but not exceeding 7 days including Saturdays, Sundays and holidays pending an adjudicatory hearing, county jails shall comply with all temporary detention standards promulgated by the Department of Corrections and training standards approved by the Illinois Law Enforcement Training Standards Board.

(iii) To accept or hold minors 12 years of age or older, after the time period prescribed in paragraphs (d)(i) and (d)(ii) of this subsection (2) of this Section, county jails shall comply with all programmatic and training standards for juvenile detention homes promulgated by the Department of Corrections.

(e) When a minor who is at least 15 years of age is prosecuted under the criminal laws of this State, the court may enter an order directing that the juvenile be confined in the county jail. However, any juvenile confined in the county jail under this provision shall be separated from adults who are confined in the county jail in such a manner that there will be no contact by sight, sound or otherwise between the juvenile and adult prisoners.

(f) For purposes of appearing in a physical lineup, the minor may be taken to a county jail or municipal lockup under the direct and constant supervision of a juvenile police officer. During such time as is necessary to conduct a lineup, and while supervised by a juvenile police officer, the sight and sound separation provisions shall not apply.

(g) For purposes of processing a minor, the minor may be taken to a County Jail or municipal lockup under the direct and constant supervision of a law enforcement officer or correctional officer. During such time as is necessary to process the minor, and while supervised by a law enforcement officer or correctional officer, the sight and sound separation provisions shall not apply.

(3) If the probation officer or State's Attorney (or such other public officer designated by the court in a county having 3,000,000 or more inhabitants) determines that the minor may be a delinquent minor as described in subsection (3) of Section 5-105, and should be retained in custody but does not require physical restriction, the minor may be placed in non-secure custody for up to 40 hours pending a detention hearing.

(4) Any minor taken into temporary custody, not requiring secure detention, may, however, be detained in the home of his or her parent or guardian subject to such conditions as the court may impose. (Source: P.A. 93-255, eff. 1-1-04.)

(705 ILCS 405/5-730)

Sec. 5-730. Order of protection.

(1) The court may make an order of protection in assistance of or as a condition of any other order authorized by this Act. The order of protection may set forth reasonable conditions of behavior to be observed for a specified period. The order may require a person:

- (a) to stay away from the home or the minor;
- (b) to permit a parent to visit the minor at stated periods;
- (c) to abstain from offensive conduct against the minor, his or her parent or any person to whom custody of the minor is awarded;
- (d) to give proper attention to the care of the home;
- (e) to cooperate in good faith with an agency to which custody of a minor is entrusted by the court or with an agency or association to which the minor is referred by the court;
- (f) to prohibit and prevent any contact whatsoever with the respondent minor by a specified individual or individuals who are alleged in either a criminal or juvenile proceeding to have caused injury to a respondent minor or a sibling of a respondent minor;
- (g) to refrain from acts of commission or omission that tend to make the home not a proper place for the minor.

(2) The court shall enter an order of protection to prohibit and prevent any contact between a respondent minor or a sibling of a respondent minor and any person named in a petition seeking an order of protection who has been convicted of heinous battery under Section 12-4.1 or aggravated battery under subdivision (a)(2) of Section 12-3.05, aggravated battery of a child under Section 12-4.3 or aggravated battery under subdivision (b)(1) of Section 12-3.05, criminal sexual assault under Section 12-13, aggravated criminal sexual assault under Section 12-14, predatory criminal sexual assault of a child under Section 12-14.1, criminal sexual abuse under Section 12-15, or aggravated criminal sexual abuse under Section 12-16 of the Criminal Code of 1961, or has been convicted of an offense that resulted in the death of a child, or has violated a previous order of protection under this Section.

(3) When the court issues an order of protection against any person as provided by this Section, the court shall direct a copy of such order to the sheriff of that county. The sheriff shall furnish a copy of the order of protection to the Department of State Police within 24 hours of receipt, in the form and manner required by the Department. The Department of State Police shall maintain a complete record and index of the orders of protection and make this data available to all local law enforcement agencies.

(4) After notice and opportunity for hearing afforded to a person subject to an order of protection, the order may be modified or extended for a further specified period or both or may be terminated if the court finds that the best interests of the minor and the public will be served by the modification, extension, or termination.

(5) An order of protection may be sought at any time during the course of any proceeding conducted under this Act. Any person against whom an order of protection is sought may retain counsel to represent him or her at a hearing, and has rights to be present at the hearing, to be informed prior to the hearing in writing of the contents of the petition seeking a protective order and of the date, place, and time of the hearing, and to cross-examine witnesses called by the petitioner and to present witnesses and argument in opposition to the relief sought in the petition.

(6) Diligent efforts shall be made by the petitioner to serve any person or persons against whom any order of protection is sought with written notice of the contents of the petition seeking a protective order and of the date, place and time at which the hearing on the petition is to be held. When a protective order is being sought in conjunction with a shelter care or detention hearing, if the court finds that the person against whom the protective order is being sought has been notified of the hearing or that diligent efforts have been made to notify the person, the court may conduct a hearing. If a protective order is sought at any time other than in conjunction with a shelter care or detention hearing, the court may not conduct a hearing on the petition in the absence of the person against whom the order is sought unless the petitioner has notified the person by personal service at least 3 days before the hearing or has sent written notice by first class mail to the person's last known address at least 5 days before the hearing.

(7) A person against whom an order of protection is being sought who is neither a parent, guardian, or legal custodian or responsible relative as described in Section 1-5 of this Act or is not a party or respondent as defined in that Section shall not be entitled to the rights provided in that Section. The person does not have a right to appointed counsel or to be present at any hearing other than the hearing in which the order of protection is being sought or a hearing directly pertaining to that order. Unless the court orders otherwise, the person does not have a right to inspect the court file.

(8) All protective orders entered under this Section shall be in writing. Unless the person against whom the order was obtained was present in court when the order was issued, the sheriff, other law

enforcement official, or special process server shall promptly serve that order upon that person and file proof of that service, in the manner provided for service of process in civil proceedings. The person against whom the protective order was obtained may seek a modification of the order by filing a written motion to modify the order within 7 days after actual receipt by the person of a copy of the order. (720 ILCS 5/24-1.7)

Sec. 24-1.7. Armed habitual criminal.

(a) A person commits the offense of being an armed habitual criminal if he or she receives, sells, possesses, or transfers any firearm after having been convicted a total of 2 or more times of any combination of the following offenses:

(1) a forcible felony as defined in Section 2-8 of this Code;

Within 15 days after such delivery the sheriff shall give notice of seizure to each person according to the following method: Upon each such person whose right, title or interest is of record in the office of the Secretary of State, the Secretary of Transportation, the Administrator of the Federal Aviation Agency, or any other Department of this State, or any other state of the United States if such vessel, vehicle or aircraft is required to be so registered, as the case may be, by mailing a copy of the notice by certified mail to the address as given upon the records of the Secretary of State, the Department of Aeronautics, Department of Public Works and Buildings or any other Department of this State or the United States if such vessel, vehicle or aircraft is required to be so registered. Within that 15 day period the sheriff shall also notify the State's Attorney of the county of seizure about the seizure.

In addition, any mobile or portable equipment used in the commission of an act which is in violation of Section 7g of the Metropolitan Water Reclamation District Act shall be subject to seizure and forfeiture under the same procedures provided in this Article for the seizure and forfeiture of vessels, vehicles and aircraft, and any such equipment shall be deemed a vessel, vehicle or aircraft for purposes of this Article.

When a person discharges a firearm at another individual from a vehicle with the knowledge and consent of the owner of the vehicle and with the intent to cause death or great bodily harm to that individual and as a result causes death or great bodily harm to that individual, the vehicle shall be subject to seizure and forfeiture under the same procedures provided in this Article for the seizure and forfeiture of vehicles used in violations of clauses (a), (b), (c), or (d) of this Section.

A written declaration of forfeiture of a vehicle under this Section shall be sufficient cause for the title to be transferred to the spouse or family member. The provisions of this paragraph shall apply only to one forfeiture per vehicle. If the vehicle is the subject of a subsequent forfeiture proceeding by virtue of a subsequent conviction of either spouse or the family member, the spouse or family member to whom the vehicle was forfeited under the first forfeiture proceeding may not utilize the provisions of this paragraph in another forfeiture proceeding. If the owner of the vehicle seized owns more than one vehicle, the procedure set out in this paragraph may be used for only one vehicle.

Property declared contraband under Section 40 of the Illinois Streetgang Terrorism Omnibus Prevention Act may be seized and forfeited under this Article.

(725 ILCS 5/110-5) (from Ch. 38, par. 110-5)

Sec. 110-5. Determining the amount of bail and conditions of release.

(a) In determining the amount of monetary bail or conditions of release, if any, which will reasonably

assure the appearance of a defendant as required or the safety of any other person or the community and the likelihood of compliance by the defendant with all the conditions of bail, the court shall, on the basis of available information, take into account such matters as the nature and circumstances of the offense charged, whether the evidence shows that as part of the offense there was a use of violence or threatened use of violence, whether the offense involved corruption of public officials or employees, whether there was physical harm or threats of physical harm to any public official, public employee, judge, prosecutor, juror or witness, senior citizen, child or handicapped person, whether evidence shows that during the offense or during the arrest the defendant possessed or used a firearm, machine gun, explosive or metal piercing ammunition or explosive bomb device or any military or paramilitary armament, whether the evidence shows that the offense committed was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang, the condition of the victim, any written statement submitted by the victim or proffer or representation by the State regarding the impact which the alleged criminal conduct has had on the victim and the victim's concern, if any, with further contact with the defendant if released on bail, whether the offense was based on racial, religious, sexual orientation or ethnic hatred, the likelihood of the filing of a greater charge, the likelihood of conviction, the sentence applicable upon conviction, the weight of the evidence against such defendant, whether there exists motivation or ability to flee, whether there is any verification as to prior residence, education, or family ties in the local jurisdiction, in another county, state or foreign country, the defendant's employment, financial resources, character and mental condition, past conduct, prior use of alias names or dates of birth, and length of residence in the community, the consent of the defendant to periodic drug testing in accordance with Section 110-6.5, whether a foreign national defendant is lawfully admitted in the United States of America, whether the government of the foreign national maintains an extradition treaty with the United States by which the foreign government will extradite to the United States its national for a trial for a crime allegedly committed in the United States, whether the defendant is currently subject to deportation or exclusion under the immigration laws of the United States, whether the defendant, although a United States citizen, is considered under the law of any foreign state a national of that state for the purposes of extradition or non-extradition to the United States, the amount of unrecovered proceeds lost as a result of the alleged offense, the source of bail funds tendered or sought to be tendered for bail, whether from the totality of the court's consideration, the loss of funds posted or sought to be posted for bail will not deter the defendant from flight, whether the evidence shows that the defendant is engaged in significant possession, manufacture, or delivery of a controlled substance or cannabis, either individually or in consort with others, whether at the time of the offense charged he was on bond or pre-trial release pending trial, probation, periodic imprisonment or conditional discharge pursuant to this Code or the comparable Code of any other state or federal jurisdiction, whether the defendant is on bond or pre-trial release pending the imposition or execution of sentence or appeal of sentence for any offense under the laws of Illinois or any other state or federal jurisdiction, whether the defendant is under parole or mandatory supervised release or work release from the Illinois Department of Corrections or any penal institution or corrections department of any state or federal jurisdiction, the defendant's record of convictions, whether the defendant has been convicted of a misdemeanor or ordinance offense in Illinois or similar offense in other state or federal jurisdiction within the 10 years preceding the current charge or convicted of a felony in Illinois, whether the defendant was convicted of an offense in another state or federal jurisdiction that would be a felony if committed in Illinois within the 20 years preceding the current charge or has been convicted of such felony and released from the penitentiary within 20 years preceding the current charge if a penitentiary sentence was imposed in Illinois or other state or federal jurisdiction, the defendant's records of juvenile adjudication of delinquency in any jurisdiction, any record of appearance or failure to appear by the defendant at court proceedings, whether there was flight to avoid arrest or prosecution, whether the defendant escaped or attempted to escape to avoid arrest, whether the defendant refused to identify himself, or whether there was a refusal by the defendant to be fingerprinted as required by law. Information used by the court in its findings or stated in or offered in connection with this Section may be by way of proffer based upon reliable information offered by the State or defendant. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence applicable at criminal trials. If the State presents evidence that the offense committed by the defendant was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang, and if the court determines that the evidence may be substantiated, the court shall prohibit the defendant from associating with other members of the organized gang as a condition of bail or release. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(b) The amount of bail shall be:

(1) Sufficient to assure compliance with the conditions set forth in the bail bond, which shall include the defendant's current address with a written admonishment to the defendant that he or she must comply with the provisions of Section 110-12 regarding any change in his or her address. The defendant's address shall at all times remain a matter of public record with the clerk of the court.

(2) Not oppressive.

(3) Considerate of the financial ability of the accused.

(4) When a person is charged with a drug related offense involving possession or delivery of cannabis or possession or delivery of a controlled substance as defined in the Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act, the full street value of the drugs seized shall be considered. "Street value" shall be determined by the court on the basis of a proffer by the State based upon reliable information of a law enforcement official contained in a written report as to the amount seized and such proffer may be used by the court as to the current street value of the smallest unit of the drug seized.

(b-5) Upon the filing of a written request demonstrating reasonable cause, the State's Attorney may request a source of bail hearing either before or after the posting of any funds. If the hearing is granted, before the posting of any bail, the accused must file a written notice requesting that the court conduct a source of bail hearing. The notice must be accompanied by justifying affidavits stating the legitimate and lawful source of funds for bail. At the hearing, the court shall inquire into any matters stated in any justifying affidavits, and may also inquire into matters appropriate to the determination which shall include, but are not limited to, the following:

(1) the background, character, reputation, and relationship to the accused of any surety; and

(2) the source of any money or property deposited by any surety, and whether any such money or property constitutes the fruits of criminal or unlawful conduct; and

(3) the source of any money posted as cash bail, and whether any such money constitutes the fruits of criminal or unlawful conduct; and

(4) the background, character, reputation, and relationship to the accused of the person posting cash bail.

Upon setting the hearing, the court shall examine, under oath, any persons who may possess material information.

The State's Attorney has a right to attend the hearing, to call witnesses and to examine any witness in the proceeding. The court shall, upon request of the State's Attorney, continue the proceedings for a reasonable period to allow the State's Attorney to investigate the matter raised in any testimony or affidavit. If the hearing is granted after the accused has posted bail, the court shall conduct a hearing consistent with this subsection (b-5). At the conclusion of the hearing, the court must issue an order either approving or disapproving the bail.

(c) When a person is charged with an offense punishable by fine only the amount of the bail shall not exceed double the amount of the maximum penalty.

(d) When a person has been convicted of an offense and only a fine has been imposed the amount of the bail shall not exceed double the amount of the fine.

(e) The State may appeal any order granting bail or setting a given amount for bail.

(f) When a person is charged with a violation of an order of protection under Section 12-3.4 or 12-30 of the Criminal Code of 1961,

(1) whether the alleged incident involved harassment or abuse, as defined in the Illinois Domestic Violence Act of 1986;

(2) whether the person has a history of domestic violence, as defined in the Illinois Domestic Violence Act, or a history of other criminal acts;

(3) based on the mental health of the person;

(4) whether the person has a history of violating the orders of any court or governmental entity;

(5) whether the person has been, or is, potentially a threat to any other person;

(6) whether the person has access to deadly weapons or a history of using deadly weapons;

(7) whether the person has a history of abusing alcohol or any controlled substance;

(8) based on the severity of the alleged incident that is the basis of the alleged offense, including, but not limited to, the duration of the current incident, and whether the alleged incident involved physical injury, sexual assault, strangulation, abuse during the alleged victim's pregnancy, abuse of pets, or forcible entry to gain access to the alleged victim;

(9) whether a separation of the person from the alleged victim or a termination of the relationship between the person and the alleged victim has recently occurred or is pending;

(10) whether the person has exhibited obsessive or controlling behaviors toward the alleged victim, including, but not limited to, stalking, surveillance, or isolation of the alleged victim or victim's family member or members;

(11) whether the person has expressed suicidal or homicidal ideations;

(12) based on any information contained in the complaint and any police reports, affidavits, or other documents accompanying the complaint,

the court may, in its discretion, order the respondent to undergo a risk assessment evaluation conducted by an Illinois Department of Human Services approved partner abuse intervention program provider, pretrial service, probation, or parole agency. These agencies shall have access to summaries of the defendant's criminal history, which shall not include victim interviews or information, for the risk evaluation. Based on the information collected from the 12 points to be considered at a bail hearing for a violation of an order of protection, the results of any risk evaluation conducted and the other circumstances of the violation, the court may order that the person, as a condition of bail, be placed under electronic surveillance as provided in Section 5-8A-7 of the Unified Code of Corrections.

(b) To the extent that information about any of the following is available to the court, the court shall consider all of the following, in addition to any other circumstances considered by the court, before setting bail for a person who appears before the court pursuant to subsection (a):

(725 ILCS 5/110-6.3) (from Ch. 38, par. 110-6.3)

Sec. 110-6.3. Denial of bail in stalking and aggravated stalking offenses.

(a) Upon verified petition by the State, the court shall hold a hearing to determine whether bail should be denied to a defendant who is charged with stalking or aggravated stalking, when it is alleged that the defendant's admission to bail poses a real and present threat to the physical safety of the alleged victim of the offense, and denial of release on bail or personal recognizance is necessary to prevent fulfillment of the threat upon which the charge is based.

(1) A petition may be filed without prior notice to the defendant at the first appearance before a judge, or within 21 calendar days, except as provided in Section 110-6, after arrest and release of the defendant upon reasonable notice to defendant; provided that while the petition is pending before the court, the defendant if previously released shall not be detained.

(2) The hearing shall be held immediately upon the defendant's appearance before the court, unless for good cause shown the defendant or the State seeks a continuance. A continuance on motion of the defendant may not exceed 5 calendar days, and the defendant may be held in custody during the continuance. A continuance on the motion of the State may not exceed 3 calendar days; however, the defendant may be held in custody during the continuance under this provision if the defendant has been previously found to have violated an order of protection or has been previously convicted of, or granted court supervision for, any of the offenses set forth in Sections 12-2, 12-3.05, 12-3.2, 12-3.3, 12-4, 12-4.1, 12-7.3, 12-7.4, 12-13, 12-14, 12-14.1, 12-15 or 12-16 of the Criminal Code of 1961, against the same person as the alleged victim of the stalking or aggravated stalking offense.

(b) The court may deny bail to the defendant when, after the hearing, it is determined that:

- (1) the proof is evident or the presumption great that the defendant has committed the offense of stalking or aggravated stalking; and
- (2) the defendant poses a real and present threat to the physical safety of the alleged victim of the offense; and
- (3) the denial of release on bail or personal recognizance is necessary to prevent fulfillment of the threat upon which the charge is based; and

(4) the court finds that no condition or combination of conditions set forth in subsection (b) of Section 110-10 of this Code, including mental health treatment at a community mental health center, hospital, or facility of the Department of Human Services, can reasonably assure the physical safety of the alleged victim of the offense.

(c) Conduct of the hearings.

(1) The hearing on the defendant's culpability and threat to the alleged victim of the offense shall be conducted in accordance with the following provisions:

- (A) Information used by the court in its findings or stated in or offered at the hearing may be by way of proffer based upon reliable information offered by the State or by defendant. Defendant has the right to be represented by counsel, and if he is indigent, to have

counsel appointed for him. Defendant shall have the opportunity to testify, to present witnesses in his own behalf, and to cross-examine witnesses if any are called by the State. The defendant has the right to present witnesses in his favor. When the ends of justice so require, the court may exercise its discretion and compel the appearance of a complaining witness. The court shall state on the record reasons for granting a defense request to compel the presence of a complaining witness. Cross-examination of a complaining witness at the pretrial detention hearing for the purpose of impeaching the witness' credibility is insufficient reason to compel the presence of the witness. In deciding whether to compel the appearance of a complaining witness, the court shall be considerate of the emotional and physical well-being of the witness. The pretrial detention hearing is not to be used for the purposes of discovery, and the post arraignment rules of discovery do not apply. The State shall tender to the defendant, prior to the hearing, copies of defendant's criminal history, if any, if available, and any written or recorded statements and the substance of any oral statements made by any person, if relied upon by the State. The rules concerning the admissibility of evidence in criminal trials do not apply to the presentation and consideration of information at the hearing. At the trial concerning the offense for which the hearing was conducted neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for impeachment, or as provided in Section 115-10.1 of this Code, or in a perjury proceeding.

(B) A motion by the defendant to suppress evidence or to suppress a confession shall not be entertained. Evidence that proof may have been obtained as the result of an unlawful search and seizure or through improper interrogation is not relevant to this state of the prosecution.

(2) The facts relied upon by the court to support a finding that:

(A) the defendant poses a real and present threat to the physical safety of the alleged victim of the offense; and

(B) the denial of release on bail or personal recognizance is necessary to prevent fulfillment of the threat upon which the charge is based;

shall be supported by clear and convincing evidence presented by the State.

(d) Factors to be considered in making a determination of the threat to the alleged victim of the offense. The court may, in determining whether the defendant poses, at the time of the hearing, a real and present threat to the physical safety of the alleged victim of the offense, consider but shall not be limited to evidence or testimony concerning:

(1) The nature and circumstances of the offense charged;

(2) The history and characteristics of the defendant including:

(A) Any evidence of the defendant's prior criminal history indicative of violent, abusive or assaultive behavior, or lack of that behavior. The evidence may include testimony or documents received in juvenile proceedings, criminal, quasi-criminal, civil commitment, domestic relations or other proceedings;

(B) Any evidence of the defendant's psychological, psychiatric or other similar social history that tends to indicate a violent, abusive, or assaultive nature, or lack of any such history.

(3) The nature of the threat which is the basis of the charge against the defendant;

(4) Any statements made by, or attributed to the defendant, together with the circumstances surrounding them;

(5) The age and physical condition of any person assaulted by the defendant;

(6) Whether the defendant is known to possess or have access to any weapon or weapons;

(7) Whether, at the time of the current offense or any other offense or arrest, the defendant was on probation, parole, mandatory supervised release or other release from custody pending trial, sentencing, appeal or completion of sentence for an offense under federal or state law;

(8) Any other factors, including those listed in Section 110-5 of this Code, deemed by the court to have a reasonable bearing upon the defendant's propensity or reputation for violent, abusive or assaultive behavior, or lack of that behavior.

(e) The court shall, in any order denying bail to a person charged with stalking or aggravated stalking:

(1) briefly summarize the evidence of the defendant's culpability and its reasons for concluding that the defendant should be held without bail;

(2) direct that the defendant be committed to the custody of the sheriff for confinement in the county jail pending trial;

(3) direct that the defendant be given a reasonable opportunity for private

consultation with counsel, and for communication with others of his choice by visitation, mail and telephone; and

(4) direct that the sheriff deliver the defendant as required for appearances in connection with court proceedings.

(f) If the court enters an order for the detention of the defendant under subsection (e) of this Section, the defendant shall be brought to trial on the offense for which he is detained within 90 days after the date on which the order for detention was entered. If the defendant is not brought to trial within the 90 day period required by this subsection (f), he shall not be held longer without bail. In computing the 90 day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant. The court shall immediately notify the alleged victim of the offense that the defendant has been admitted to bail under this subsection.

(g) Any person shall be entitled to appeal any order entered under this Section denying bail to the defendant.

(h) The State may appeal any order entered under this Section denying any motion for denial of bail.

(i) Nothing in this Section shall be construed as modifying or limiting in any way the defendant's presumption of innocence in further criminal proceedings.

(725 ILCS 5/112A-23) (from Ch. 38, par. 112A-23)

Sec. 112A-23. Enforcement of orders of protection.

(a) When violation is crime. A violation of any order of protection, whether issued in a civil, quasi-criminal proceeding, shall be enforced by a criminal court when:

(1) The respondent commits the crime of violation of an order of protection pursuant to Section 12-3.4 or 12-30 of the Criminal Code of 1961, by having knowingly violated:

(i) remedies described in paragraphs (1), (2), (3), (14), or (14.5) of subsection

(b) of Section 112A-14,

(ii) a remedy, which is substantially similar to the remedies authorized under paragraphs (1), (2), (3), (14) or (14.5) of subsection (b) of Section 214 of the Illinois Domestic Violence Act of 1986, in a valid order of protection, which is authorized under the laws of another state, tribe or United States territory,

(iii) or any other remedy when the act constitutes a crime against the protected parties as defined by the Criminal Code of 1961.

Prosecution for a violation of an order of protection shall not bar concurrent prosecution for any other crime, including any crime that may have been committed at the time of the violation of the order of protection; or

(2) The respondent commits the crime of child abduction pursuant to Section 10-5 of the Criminal Code of 1961, by having knowingly violated:

(i) remedies described in paragraphs (5), (6) or (8) of subsection (b) of Section 112A-14, or

(ii) a remedy, which is substantially similar to the remedies authorized under paragraphs (1), (5), (6), or (8) of subsection (b) of Section 214 of the Illinois Domestic Violence Act of 1986, in a valid order of protection, which is authorized under the laws of another state, tribe or United States territory.

(b) When violation is contempt of court. A violation of any valid order of protection, whether issued

in a civil or criminal proceeding, may be enforced through civil or criminal contempt procedures, as appropriate, by any court with jurisdiction, regardless where the act or acts which violated the order of protection were committed, to the extent consistent with the venue provisions of this Article. Nothing in this Article shall preclude any Illinois court from enforcing any valid order of protection issued in another state. Illinois courts may enforce orders of protection through both criminal prosecution and contempt proceedings, unless the action which is second in time is barred by collateral estoppel or the constitutional prohibition against double jeopardy.

- (1) In a contempt proceeding where the petition for a rule to show cause sets forth facts evidencing an immediate danger that the respondent will flee the jurisdiction, conceal a child, or inflict physical abuse on the petitioner or minor children or on dependent adults in petitioner's care, the court may order the attachment of the respondent without prior service of the rule to show cause or the petition for a rule to show cause. Bond shall be set unless specifically denied in writing.
- (2) A petition for a rule to show cause for violation of an order of protection shall be treated as an expedited proceeding.
- (c) Violation of custody or support orders. A violation of remedies described in paragraphs (5), (6), (8), or (9) of subsection (b) of Section 112A-14 may be enforced by any remedy provided by Section 611 of the Illinois Marriage and Dissolution of Marriage Act. The court may enforce any order for support issued under paragraph (12) of subsection (b) of Section 112A-14 in the manner provided for under Parts V and VII of the Illinois Marriage and Dissolution of Marriage Act.
- (d) Actual knowledge. An order of protection may be enforced pursuant to this Section if the respondent violates the order after respondent has actual knowledge of its contents as shown through one of the following means:
 - (1) By service, delivery, or notice under Section 112A-10.
 - (2) By notice under Section 112A-11.
 - (3) By service of an order of protection under Section 112A-22.
 - (4) By other means demonstrating actual knowledge of the contents of the order.
- (e) The enforcement of an order of protection in civil or criminal court shall not be affected by either of the following:
 - (1) The existence of a separate, correlative order entered under Section 112A-15.
 - (2) Any finding or order entered in a conjoined criminal proceeding.
- (f) Circumstances. The court, when determining whether or not a violation of an order of protection has occurred, shall not require physical manifestations of abuse on the person of the victim.
- (g) Penalties.
 - (1) Except as provided in paragraph (3) of this subsection, where the court finds the commission of a crime or contempt of court under subsections (a) or (b) of this Section, the penalty shall be the penalty that generally applies in such criminal or contempt proceedings, and may include one or more of the following: incarceration, payment of restitution, a fine, payment of attorneys' fees and costs, or community service.
 - (2) The court shall hear and take into account evidence of any factors in aggravation or mitigation before deciding an appropriate penalty under paragraph (1) of this subsection.
 - (3) To the extent permitted by law, the court is encouraged to:
 - (i) increase the penalty for the knowing violation of any order of protection over any penalty previously imposed by any court for respondent's violation of any order of protection or penal statute involving petitioner as victim and respondent as defendant;
 - (ii) impose a minimum penalty of 24 hours imprisonment for respondent's first violation of any order of protection; and
 - (iii) impose a minimum penalty of 48 hours imprisonment for respondent's second or subsequent violation of an order of protection
 unless the court explicitly finds that an increased penalty or that period of imprisonment would be manifestly unjust.
 - (4) In addition to any other penalties imposed for a violation of an order of protection, a criminal court may consider evidence of any violations of an order of protection:
 - (i) to increase, revoke or modify the bail bond on an underlying criminal charge pursuant to Section 110-6;
 - (ii) to revoke or modify an order of probation, conditional discharge or supervision, pursuant to Section 5-6-4 of the Unified Code of Corrections;
 - (iii) to revoke or modify a sentence of periodic imprisonment, pursuant to Section 5-7-2 of the Unified Code of Corrections.

(c) In weighing the probative value of the evidence against undue prejudice to the defendant, the court may consider:

(1) the proximity in time to the charged or predicate offense;

(2) the degree of factual similarity to the charged or predicate offense; or

(3) other relevant facts and circumstances.

(iv) that a prisoner serving a sentence for aggravated discharge of a firearm, whether or not the conduct leading to conviction for the offense resulted in great bodily harm to the victim, shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment;

(v) that a person serving a sentence for gunrunning, narcotics racketeering, controlled substance trafficking, methamphetamine trafficking, drug-induced homicide, aggravated methamphetamine-related child endangerment, money laundering pursuant to clause (c) (4) or (5) of Section 29B-1 of the Criminal Code of 1961, or a Class X felony conviction for delivery of a controlled substance, possession of a controlled substance with intent to manufacture or deliver, calculated criminal drug conspiracy, criminal drug conspiracy, street gang criminal drug conspiracy, participation in methamphetamine manufacturing, aggravated participation in methamphetamine manufacturing, delivery of methamphetamine, possession with intent to deliver methamphetamine, aggravated delivery of methamphetamine, aggravated possession with intent to deliver methamphetamine, methamphetamine conspiracy when the substance containing the controlled substance or methamphetamine is 100 grams or more shall receive no more than 7.5 days good conduct credit for each month of his or her sentence of imprisonment; and

(2.1) For all offenses, other than those enumerated in subdivision (a)(2)(i), (ii), or (iii) committed on or after June 19, 1998 or subdivision (a)(2)(iv) committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) committed on or after August 13, 2007 (the effective date of Public Act 95-134) or subdivision (a)(2)(vi) committed on or after June 1, 2008 (the effective date of Public Act 95-625), and other than the offense of reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, the rules and regulations shall provide that a prisoner who is serving a term of imprisonment shall receive one day of good conduct credit for each day of his or her sentence of imprisonment or recommitment under Section 3-3-9. Each day of good conduct credit shall reduce by one day the prisoner's period of imprisonment or recommitment under Section 3-3-9.

(2.2) A prisoner serving a term of natural life imprisonment or a prisoner who has been sentenced to death shall receive no good conduct credit.

(2.3) The rules and regulations on early release shall provide that a prisoner who is serving a sentence for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(2.5) The rules and regulations on early release shall provide that a prisoner who is serving a sentence for aggravated arson committed on or after July 27, 2001 (the effective date of Public Act 92-176) shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(3) The rules and regulations shall also provide that the Director may award up to 180 days additional good conduct credit for meritorious service in specific instances as the Director deems proper; except that no more than 90 days of good conduct credit for meritorious service shall be awarded to any prisoner who is serving a sentence for conviction of first degree murder, reckless homicide while under the influence of alcohol or any other drug, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, aggravated kidnapping, kidnapping, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, deviate sexual assault, aggravated criminal sexual abuse, aggravated indecent liberties with a child, indecent liberties with a child, child pornography, heinous battery as described in Section 12-4.1 or subdivision (a)(2) of Section 12-3.05, aggravated battery of a spouse, aggravated battery of a spouse with a firearm, stalking, aggravated stalking, aggravated battery of a child as described in Section 12-4.3 or subdivision (b)(1) of Section 12-3.05, endangering the life or health of a child, or cruelty to a child. Notwithstanding the foregoing, good conduct credit for meritorious service shall not be awarded on a sentence of imprisonment imposed for conviction of: (i) one of the offenses enumerated in subdivision (a)(2)(i), (ii), or (iii) when the offense is committed on or after June 19, 1998 or subdivision (a)(2)(iv) when the offense is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) when the offense is committed on or after August 13, 2007 (the effective date of Public Act 95-134) or subdivision (a)(2)(vi) when the offense is committed on or after June 1, 2008 (the effective date of Public Act 95-625), (ii) reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 when the offense is committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, (iii) one of the offenses enumerated in subdivision

(a)(2.4) when the offense is committed on or after July 15, 1999 (the effective date of Public Act 91-121), or (iv) aggravated arson when the offense is committed on or after July 27, 2001 (the effective date of Public Act 92-176).

The Director shall not award good conduct credit for meritorious service under this paragraph (3) to an inmate unless the inmate has served a minimum of 60 days of the sentence; except nothing in this paragraph shall be construed to permit the Director to extend an inmate's sentence beyond that which was imposed by the court. Prior to awarding credit under this paragraph (3), the Director shall make a written determination that the inmate:

(A) is eligible for good conduct credit for meritorious service;

(B) has served a minimum of 60 days, or as close to 60 days as the sentence will allow; and

(C) has met the eligibility criteria established by rule.

The Director shall determine the form and content of the written determination required in this subsection.

(4) The rules and regulations shall also provide that the good conduct credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, or educational programs provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. However, no inmate shall be eligible for the additional good conduct credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention, or if convicted of an offense enumerated in subdivision (a)(2)(i), (ii), or (iii) of this Section that is committed on or after June 19, 1998 or subdivision (a)(2)(iv) of this Section that is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) of this Section that is committed on or after August 13, 2007 (the effective date of Public Act 95-134) or subdivision (a)(2)(vi) when the offense is committed on or after June 1, 2008 (the effective date of Public Act 95-625), or if convicted of reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense is committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after July 15, 1999 (the effective date of Public Act 91-121), or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. No inmate shall be eligible for the additional good conduct credit under this paragraph (4) who (i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse and correctional industry programs under which good conduct credit may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.1) The rules and regulations shall also provide that an additional 60 days of good conduct credit shall be awarded to any prisoner who passes the high school level Test of General Educational Development (GED) while the prisoner is incarcerated. The good conduct credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of good conduct under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The good conduct credit provided for in

this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a GED. If, after an award of the GED good conduct credit has been made and the Department determines that the prisoner was not eligible, then the award shall be revoked.

(4.5) The rules and regulations on early release shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no good conduct credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or complete a substance abuse treatment program and award the good conduct credit in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive good conduct credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on early release shall also provide that a prisoner who has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no good conduct credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who are waiting to receive such treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at the Director's sole discretion, be awarded good conduct credit at such rate as the Director shall determine.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of good conduct credit for meritorious service given at any time during the term, the Department shall give reasonable notice of the impending release not less than 14 days prior to the date of the release to the State's Attorney of the county where the prosecution of the inmate took place, and if applicable, the State's Attorney of the county into which the inmate will be released.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of good time.

(c) The Department shall prescribe rules and regulations for revoking good conduct credit, or suspending or reducing the rate of accumulation of good conduct credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of good conduct credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any good conduct credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of good conduct credit. The Board may subsequently approve the revocation of additional good conduct credit, if the Department seeks to revoke good conduct credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of good conduct credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days good conduct credits which have been revoked, suspended or reduced. Any restoration of good conduct credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore good conduct credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of good conduct credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of good conduct credit by

bringing charges against the prisoner sought to be deprived of the good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of good conduct credit at the time of the finding, then the Prisoner Review Board may revoke all good conduct credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

(A) it lacks an arguable basis either in law or in fact;

(B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;

(C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;

(D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or

(E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a motion pursuant to Section 116-3 of the Code of Criminal

Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act, an action under the federal Civil Rights Act (42 U.S.C. 1983), or a second or subsequent petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963 whether filed with or without leave of court or a second or subsequent petition for relief from judgment under Section 2-1401 of the Code of Civil Procedure.

(e) Nothing in Public Act 90-592 or 90-593 affects the validity of Public Act 89-404.

(f) Whenever the Department is to release any inmate who has been convicted of a violation of an order of protection under Section 12-3.4 or 12-30 of the Criminal Code of 1961, earlier than it otherwise would because of a grant of good conduct credit, the Department, as a condition of such early release, shall require that the person, upon release, be placed under electronic surveillance as provided in Section 5-8A-7 of this Code.

Probation may be revoked or modified pursuant to Section 5-6-4; except where the court determines at the hearing that the defendant violated a condition of his or her probation restricting contact with the victim or other family members or commits another offense with the victim or other family members, the court shall revoke the defendant's probation and impose a term of imprisonment.

The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or legal guardian of the test results. The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-5.01 or 12-16.2 of the Criminal Code of 1961 against the defendant. Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of a positive test showing an infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-5.01 or 12-16.2 of the Criminal Code of 1961 against the defendant. When a defendant is so employed, the court shall order the Clerk of the Court to send a copy of the judgment of conviction or order of supervision or probation to the defendant's employer by certified mail. If a defendant fails to complete the educational training required by his or her sentence during the term of incarceration, the Prisoner Review Board shall, as a condition of mandatory supervised release, require the defendant, at his or her own expense, to pursue a course of study toward a high school diploma or passage of the GED test. The Prisoner Review Board shall revoke the mandatory supervised release of a defendant who wilfully fails to comply with this subsection (j-5) upon his or her release from confinement in a penal institution while serving a mandatory supervised release term; however, the inability of the defendant after making a good faith effort to obtain financial aid or pay for the educational training shall not be deemed a wilful failure to comply. The Prisoner Review Board shall recommit the defendant whose mandatory supervised release term has been revoked under this subsection (j-5) as provided in Section 3-3-9. This subsection (j-5) does not apply to a defendant who has a high school diploma or has successfully passed the GED test. This subsection (j-5) does not apply to a defendant who is determined by the court to be developmentally disabled or otherwise mentally incapable of completing the educational or vocational program.

(D) Upon motion of the State's Attorney, if a defendant sentenced under this Section returns to the jurisdiction of the United States, the defendant shall be recommitted to the custody of the county from which he or she was sentenced. (a) Concurrent terms; multiple or additional sentences. When an Illinois court (i) imposes multiple sentences of imprisonment on a defendant at the same time or (ii) imposes a sentence of imprisonment on a defendant who is already subject to a sentence of imprisonment imposed by an Illinois court, a court of another state, or a federal court, then the sentences shall run concurrently unless otherwise determined by the Illinois court under this Section.

(b) Concurrent terms; misdemeanor and felony. A defendant serving a sentence for a misdemeanor who is convicted of a felony and sentenced to imprisonment shall be transferred to the Department of Corrections, and the misdemeanor sentence shall be merged in and run concurrently with the felony sentence.

(c) Consecutive terms; permissive. The court may impose consecutive sentences in any of the following circumstances:

(1) If, having regard to the nature and circumstances of the offense and the history and character of the defendant, it is the opinion of the court that consecutive sentences are required to protect the public from further criminal conduct by the defendant, the basis for which the court shall set forth in the record.

(2) If one of the offenses for which a defendant was convicted was a violation of Section 32-5.2 (aggravated false personation of a peace officer) of the Criminal Code of 1961 (720 ILCS 5/32-5.2) and the offense was committed in attempting or committing a forcible felony.

If, however, the defendant is sentenced to punishment by death, the sentence shall be executed at such time as the court may fix without regard to the sentence under which the defendant may be held by the Department.

(7) A sentence under Section 3-6-4 (730 ILCS 5/3-6-4) for escape or attempted escape shall be served consecutive to the terms under which the offender is held by the Department of Corrections.

If an Illinois court has imposed a sentence of imprisonment on a defendant and the defendant is subsequently sentenced to a term of imprisonment by a court of another state or a federal court, then the Illinois sentence shall run consecutively to the sentence imposed by the court of the other state or the federal court. That same Illinois court, however, may order that the Illinois sentence run concurrently with the sentence imposed by the court of the other state or the federal court, but only if the defendant applies to that same Illinois court within 30 days after the sentence imposed by the court of the other state or the federal court is finalized.

When sentenced only for misdemeanors, a defendant shall not be consecutively sentenced to more than the maximum for one Class A misdemeanor.

In determining the manner in which consecutive sentences of imprisonment, one or more of which is for a felony, will be served, the Department of Corrections shall treat the defendant as though he or she had been committed for a single term subject to each of the following:

(1) The maximum period of a term of imprisonment shall consist of the aggregate of the maximums of the imposed indeterminate terms, if any, plus the aggregate of the imposed determinate sentences for felonies, plus the aggregate of the imposed determinate sentences for misdemeanors, subject to subsection (f) of this Section.

(2) The parole or mandatory supervised release term shall be as provided in paragraph (e) of Section 5-4.5-50 (730 ILCS 5/5-4.5-50) for the most serious of the offenses involved.

(b) Such additional amount shall be assessed by the court imposing sentence and shall be collected by the Circuit Clerk in addition to the fine, if any, and costs in the case to be used by the supervising authority in implementing the domestic violence surveillance program. The clerk of the circuit court shall pay all monies collected from this fee to the county treasurer for deposit in the probation and court services fund under Section 15.1 of the Probation and Probations Officers Act.

(c) The supervising authority of a domestic violence surveillance program under Section 5-8A-7 of this Act shall assess a person either convicted of, or charged with, the violation of an order of protection an additional fee to cover the costs of providing the equipment used and the additional supervision needed for such domestic violence surveillance program. If the court finds that the fee would impose an undue burden on the victim, the court may reduce or waive the fee. The court shall order that the defendant may not use funds belonging solely to the victim of the offense for payment of the fee.

When the supervising authority is the court or the probation and court services department, the fee shall be collected by the circuit court clerk. The clerk of the circuit court shall pay all monies collected from this fee and all other required probation fees that are assessed to the county treasurer for deposit in the probation and court services fund under Section 15.1 of the Probation and Probations Officers Act. In counties with a population of 2 million or more, when the supervising authority is the court or the probation and court services department, the fee shall be collected by the supervising authority. In these counties, the supervising authority shall pay all monies collected from this fee and all other required probation fees that are assessed, to the county treasurer for deposit in the probation and court services fund under Section 15.1 of the Probation and Probations Officers Act.

When the supervising authority is the Department of Corrections, the Department shall collect the fee for deposit into the Illinois Department of Corrections "fund". Section 985. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Section 503 as follows:

(750 ILCS 5/503) (from Ch. 40, par. 503)

Sec. 503. Disposition of property.

(a) For purposes of this Act, "marital property" means all property acquired by either spouse subsequent to the marriage, except the following, which is known as "non-marital property":

(1) property acquired by gift, legacy or descent;

(2) property acquired in exchange for property acquired before the marriage or in exchange for property acquired by gift, legacy or descent;

(3) property acquired by a spouse after a judgment of legal separation;

(4) property excluded by valid agreement of the parties;

(5) any judgment or property obtained by judgment awarded to a spouse from the other spouse;

(6) property acquired before the marriage;

(7) the increase in value of property acquired by a method listed in paragraphs (1)

through (6) of this subsection, irrespective of whether the increase results from a contribution of marital property, non-marital property, the personal effort of a spouse, or otherwise, subject to the right of reimbursement provided in subsection (c) of this Section; and

(8) income from property acquired by a method listed in paragraphs (1) through (7) of this subsection if the income is not attributable to the personal effort of a spouse.

(b)(1) For purposes of distribution of property pursuant to this Section, all property acquired by either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of marriage, including non-marital property transferred into some form of co-ownership between the

spouses, is presumed to be marital property, regardless of whether title is held individually or by the spouses in some form of co-ownership such as joint tenancy, tenancy in common, tenancy by the entirety, or community property. The presumption of marital property is overcome by a showing that the property was acquired by a method listed in subsection (a) of this Section.

(2) For purposes of distribution of property pursuant to this Section, all pension benefits (including pension benefits under the Illinois Pension Code) acquired by either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of the marriage are presumed to be marital property, regardless of which spouse participates in the pension plan. The presumption that these pension benefits are marital property is overcome by a showing that the pension benefits were acquired by a method listed in subsection (a) of this Section. The right to a division of pension benefits in just proportions under this Section is enforceable under Section 1-119 of the Illinois Pension Code.

The value of pension benefits in a retirement system subject to the Illinois Pension Code shall be determined in accordance with the valuation procedures established by the retirement system.

The recognition of pension benefits as marital property and the division of those benefits pursuant to a Qualified Illinois Domestic Relations Order shall not be deemed to be a diminishment, alienation, or impairment of those benefits. The division of pension benefits is an allocation of property in which each spouse has a species of common ownership.

(3) For purposes of distribution of property under this Section, all stock options granted to either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of marriage, whether vested or non-vested or whether their value is ascertainable, are presumed to be marital property. This presumption of marital property is overcome by a showing that the stock options were acquired by a method listed in subsection (a) of this Section. The court shall allocate stock options between the parties at the time of the judgment of dissolution of marriage or declaration of invalidity of marriage recognizing that the value of the stock options may not be then determinable and that the actual division of the options may not occur until a future date. In making the allocation between the parties, the court shall consider, in addition to the factors set forth in subsection (d) of this Section, the following:

- (i) All circumstances underlying the grant of the stock option including but not limited to whether the grant was for past, present, or future efforts, or any combination thereof.
- (ii) The length of time from the grant of the option to the time the option is exercisable.

(c) Commingled marital and non-marital property shall be treated in the following manner, unless otherwise agreed by the spouses:

(1) When marital and non-marital property are commingled by contributing one estate of property into another resulting in a loss of identity of the contributed property, the classification of the contributed property is transmuted to the estate receiving the contribution, subject to the provisions of paragraph (2) of this subsection; provided that if marital and non-marital property are commingled into newly acquired property resulting in a loss of identity of the contributing estates, the commingled property shall be deemed transmuted to marital property, subject to the provisions of paragraph (2) of this subsection.

(2) When one estate of property makes a contribution to another estate of property, or when a spouse contributes personal effort to non-marital property, the contributing estate shall be reimbursed from the estate receiving the contribution notwithstanding any transmutation; provided, that no such reimbursement shall be made with respect to a contribution which is not retraceable by clear and convincing evidence, or was a gift, or, in the case of a contribution of personal effort of a spouse to non-marital property, unless the effort is significant and results in substantial appreciation of the non-marital property. Personal effort of a spouse shall be deemed a contribution by the marital estate. The court may provide for reimbursement out of the marital property to be divided or by imposing a lien against the non-marital property which received the contribution.

(d) In a proceeding for dissolution of marriage or declaration of invalidity of marriage, or in a proceeding for disposition of property following dissolution of marriage by a court which lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of the property, the court shall assign each spouse's non-marital property to that spouse. It also shall divide the marital property without regard to marital misconduct in just proportions considering all relevant factors, including:

- (1) the contribution of each party to the acquisition, preservation, or increase or decrease in value of the marital or non-marital property, including (i) any such decrease attributable to a payment deemed to have been an advance from the parties' marital estate under subsection (c-1)(2) of Section 501 and (ii) the contribution of a spouse as a homemaker or to the family unit;
- (2) the dissipation by each party of the marital or non-marital property;

- (3) the value of the property assigned to each spouse;
- (4) the duration of the marriage;
- (5) the relevant economic circumstances of each spouse when the division of property is to become effective, including the desirability of awarding the family home, or the right to live therein for reasonable periods, to the spouse having custody of the children;
- (6) any obligations and rights arising from a prior marriage of either party;
- (7) any antenuptial agreement of the parties;
- (8) the age, health, station, occupation, amount and sources of income, vocational skills, employability, estate, liabilities, and needs of each of the parties;
- (9) the custodial provisions for any children;
- (10) whether the apportionment is in lieu of or in addition to maintenance;
- (11) the reasonable opportunity of each spouse for future acquisition of capital assets and income; and
- (12) the tax consequences of the property division upon the respective economic circumstances of the parties.

(e) Each spouse has a species of common ownership in the marital property which vests at the time dissolution proceedings are commenced and continues only during the pendency of the action. Any such interest in marital property shall not encumber that property so as to restrict its transfer, assignment or conveyance by the title holder unless such title holder is specifically enjoined from making such transfer, assignment or conveyance.

(f) In a proceeding for dissolution of marriage or declaration of invalidity of marriage or in a proceeding for disposition of property following dissolution of marriage by a court that lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of the property, the court, in determining the value of the marital and non-marital property for purposes of dividing the property, shall value the property as of the date of trial or some other date as close to the date of trial as is practicable.

(g) The court if necessary to protect and promote the best interests of the children may set aside a portion of the jointly or separately held estates of the parties in a separate fund or trust for the support, maintenance, education, physical and mental health, and general welfare of any minor, dependent, or incompetent child of the parties. In making a determination under this subsection, the court may consider, among other things, the conviction of a party of any of the offenses set forth in Section 12-3.3, 12-4, 12-4.1, 12-4.2, 12-4.3, 12-13, 12-14, 12-14.1, 12-15, or 12-16, or Section 12-3.05 except for subdivision (a)(4) or (g)(1), of the Criminal Code of 1961 if the victim is a child of one or both of the parties, and there is a need for, and cost of, care, healing and counseling for the child who is the victim of the crime.

(h) Unless specifically directed by a reviewing court, or upon good cause shown, the court shall not on remand consider any increase or decrease in the value of any "marital" or "non-marital" property occurring since the assessment of such property at the original trial or hearing, but shall use only that assessment made at the original trial or hearing.

(i) The court may make such judgments affecting the marital property as may be just and may enforce such judgments by ordering a sale of marital property, with proceeds therefrom to be applied as determined by the court.

(j) After proofs have closed in the final hearing on all other issues between the parties (or in conjunction with the final hearing, if all parties so stipulate) and before judgment is entered, a party's petition for contribution to fees and costs incurred in the proceeding shall be heard and decided, in accordance with the following provisions:

(1) A petition for contribution, if not filed before the final hearing on other issues between the parties, shall be filed no later than 30 days after the closing of proofs in the final hearing or within such other period as the court orders.

(2) Any award of contribution to one party from the other party shall be based on the criteria for division of marital property under this Section 503 and, if maintenance has been awarded, on the criteria for an award of maintenance under Section 504.

(3) The filing of a petition for contribution shall not be deemed to constitute a waiver of the attorney-client privilege between the petitioning party and current or former counsel; and such a waiver shall not constitute a prerequisite to a hearing for contribution. If either party's presentation on contribution, however, includes evidence within the scope of the attorney-client privilege, the disclosure or disclosures shall be narrowly construed and shall not be deemed by the court to constitute a general waiver of the privilege as to matters beyond the scope of the presentation.

(4) No finding on which a contribution award is based or denied shall be asserted against counsel or former counsel for purposes of any hearing under subsection (c) or (e) of Section

508.

(5) A contribution award (payable to either the petitioning party or the party's counsel, or jointly, as the court determines) may be in the form of either a set dollar amount or a percentage of fees and costs (or a portion of fees and costs) to be subsequently agreed upon by the petitioning party and counsel or, alternatively, thereafter determined in a hearing pursuant to subsection (c) of Section 508 or previously or thereafter determined in an independent proceeding under subsection (e) of Section 508.

(6) The changes to this Section 503 made by this amendatory Act of 1996 apply to cases pending on or after June 1, 1997, except as otherwise provided in Section 508.

(b) When violation is contempt of court. A violation of any valid Illinois order of protection, whether issued in a civil or criminal proceeding, may be enforced through civil or criminal contempt procedures, as appropriate, by any court with jurisdiction, regardless where the act or acts which violated the order of protection were committed, to the extent consistent with the venue provisions of this Act. Nothing in this Act shall preclude any Illinois court from enforcing any valid order of protection issued in another state. Illinois courts may enforce orders of protection through both criminal prosecution and contempt proceedings, unless the action which is second in time is barred by collateral estoppel or the constitutional prohibition against double jeopardy.

(1) In a contempt proceeding where the petition for a rule to show cause sets forth facts evidencing an immediate danger that the respondent will flee the jurisdiction, conceal a child, or inflict physical abuse on the petitioner or minor children or on dependent adults in petitioner's care, the court may order the attachment of the respondent without prior service of the rule to show cause or the petition for a rule to show cause. Bond shall be set unless specifically denied in writing.

(2) A petition for a rule to show cause for violation of an order of protection shall be treated as an expedited proceeding.

(c) Violation of custody or support orders. A violation of remedies described in paragraphs (5), (6), (8), or (9) of subsection (b) of Section 214 of this Act may be enforced by any remedy provided by Section 611 of the Illinois Marriage and Dissolution of Marriage Act. The court may enforce any order for support issued under paragraph (12) of subsection (b) of Section 214 in the manner provided for under Parts V and VII of the Illinois Marriage and Dissolution of Marriage Act.

(d) Actual knowledge. An order of protection may be enforced pursuant to this Section if the respondent violates the order after the respondent has actual knowledge of its contents as shown through one of the following means:

(1) By service, delivery, or notice under Section 210.

(2) By notice under Section 210.1 or 211.

(3) By service of an order of protection under Section 222.

(4) By other means demonstrating actual knowledge of the contents of the order.

(e) The enforcement of an order of protection in civil or criminal court shall not be affected by either of the following:

(1) The existence of a separate, correlative order, entered under Section 215.

(2) Any finding or order entered in a conjoined criminal proceeding.

(f) Circumstances. The court, when determining whether or not a violation of an order of protection has occurred, shall not require physical manifestations of abuse on the person of the victim.

(g) Penalties.

(1) Except as provided in paragraph (3) of this subsection, where the court finds the commission of a crime or contempt of court under subsections (a) or (b) of this Section, the penalty shall be the penalty that generally applies in such criminal or contempt proceedings, and may include one or more of the following: incarceration, payment of restitution, a fine, payment of attorneys' fees and costs, or community service.

(2) The court shall hear and take into account evidence of any factors in aggravation or mitigation before deciding an appropriate penalty under paragraph (1) of this subsection.

(3) To the extent permitted by law, the court is encouraged to:

(i) increase the penalty for the knowing violation of any order of protection over any penalty previously imposed by any court for respondent's violation of any order of protection or penal statute involving petitioner as victim and respondent as defendant;

(ii) impose a minimum penalty of 24 hours imprisonment for respondent's first violation of any order of protection; and

(iii) impose a minimum penalty of 48 hours imprisonment for respondent's second or subsequent violation of an order of protection

unless the court explicitly finds that an increased penalty or that period of imprisonment would be manifestly unjust.

(4) In addition to any other penalties imposed for a violation of an order of protection, a criminal court may consider evidence of any violations of an order of protection:

- (i) to increase, revoke or modify the bail bond on an underlying criminal charge pursuant to Section 110-6 of the Code of Criminal Procedure of 1963;
- (ii) to revoke or modify an order of probation, conditional discharge or supervision, pursuant to Section 5-6-4 of the Unified Code of Corrections;
- (iii) to revoke or modify a sentence of periodic imprisonment, pursuant to Section 5-7-2 of the Unified Code of Corrections.

(5) In addition to any other penalties, the court shall impose an additional fine of \$20 as authorized by Section 5-9-1.11 of the Unified Code of Corrections upon any person convicted of or placed on supervision for a violation of an order of protection. The additional fine shall be imposed for each violation of this Section.

(b) In this Section:

"Actual knowledge" includes credible allegations made by the child.

"Child" means a minor under the age of 17 years.

"Person responsible for the child's welfare" means the child's parent, step-parent, legal guardian, or other person having custody of a child, who is responsible for the child's care at the time of the alleged sexual abuse.

SUBDIVISION 20. PORNOGRAPHY OFFENSES

(720 ILCS 5/11-20) (from Ch. 38, par. 11-20)

Sec. 11-20. Obscenity.

(a) Elements of the Offense. A person commits obscenity when, with knowledge of the nature or content thereof, or recklessly failing to exercise reasonable inspection which would have disclosed the nature or content thereof, he or she:

(1) Sells, delivers or provides, or offers or agrees to sell, deliver or provide any obscene writing, picture, record or other representation or embodiment of the obscene; or

- (2) Presents or directs an obscene play, dance or other performance or participates directly in that portion thereof which makes it obscene; or
- (3) Publishes, exhibits or otherwise makes available anything obscene; or
- (4) Performs an obscene act or otherwise presents an obscene exhibition of his or her body for gain; or

(5) Creates, buys, procures or possesses obscene matter or material with intent to disseminate it in violation of this Section, or of the penal laws or regulations of any other jurisdiction; or

- (6) Advertises or otherwise promotes the sale of material represented or held out by him or her to be obscene, whether or not it is obscene.

(b) Obscene Defined.

Any material or performance is obscene if: (1) the average person, applying contemporary adult community standards, would find that, taken as a whole, it appeals to the prurient interest; and (2) the average person, applying contemporary adult community standards, would find that it depicts or describes, in a patently offensive way, ultimate sexual acts or sadomasochistic sexual acts, whether normal or perverted, actual or simulated, or masturbation, excretory functions or lewd exhibition of the genitals; and (3) taken as a whole, it lacks serious literary, artistic, political or scientific value.

(c) Interpretation of Evidence.

Obscenity shall be judged with reference to ordinary adults, except that it shall be judged with reference to children or other specially susceptible audiences if it appears from the character of the material or the circumstances of its dissemination to be specially designed for or directed to such an audience.

Where circumstances of production, presentation, sale, dissemination, distribution, or publicity indicate that material is being commercially exploited for the sake of its prurient appeal, such evidence is probative with respect to the nature of the matter and can justify the conclusion that the matter is lacking in serious literary, artistic, political or scientific value.

In any prosecution for an offense under this Section evidence shall be admissible to show:

- (1) The character of the audience for which the material was designed or to which it was directed;
- (2) What the predominant appeal of the material would be for ordinary adults or a special audience, and what effect, if any, it would probably have on the behavior of such people;
- (3) The artistic, literary, scientific, educational or other merits of the material, or absence thereof;
- (4) The degree, if any, of public acceptance of the material in this State;
- (5) Appeal to prurient interest, or absence thereof, in advertising or other promotion of the material;
- (6) Purpose of the author, creator, publisher or disseminator.

(d) Sentence.

Obscenity is a Class A misdemeanor. A second or subsequent offense is a Class 4 felony.

(e) Permissive Inference Prima Facie Evidence.

~~The trier of fact may infer an intent to disseminate from the creation, purchase, procurement or possession of a mold, engraved plate or other embodiment of obscenity specially adapted for reproducing multiple copies, or the possession of more than 3 copies of obscene material shall be prima facie evidence of an intent to disseminate.~~

(f) Affirmative Defenses.

It shall be an affirmative defense to obscenity that the dissemination:

- (1) Was not for gain and was made to personal associates other than children under 18 years of age;
- (2) Was to institutions or individuals having scientific or other special justification for possession of such material.

(g) Forfeiture of property. A person who has been convicted previously of the offense of obscenity and who is convicted of a second or subsequent offense of obscenity is subject to the property forfeiture provisions set forth in Article 124B of the Code of Criminal Procedure of 1963.

(2) (Blank).

(3) The charge of child pornography shall not apply to the performance of official duties by law enforcement or prosecuting officers or persons employed by law enforcement or prosecuting agencies, court personnel or attorneys, nor to bonafide treatment or professional education programs conducted by licensed physicians, psychologists or social workers.

(4) ~~If Possession by the defendant possessed of more than one of the same film, videotape or visual reproduction or depiction by computer in which child pornography is depicted, then the trier of fact may infer shall raise a rebuttable presumption~~ that the defendant possessed such materials with the intent to disseminate them.

(5) The charge of child pornography does not apply to a person who does not voluntarily possess a film, videotape, or visual reproduction or depiction by computer in which child pornography is depicted. Possession is voluntary if the defendant knowingly procures or receives a film, videotape, or visual reproduction or depiction for a sufficient time to be able to terminate his or her possession.

(6) Any violation of paragraph (1), (2), (3), (4), (5), or (7) of subsection (a) that includes a child engaged in, solicited for, depicted in, or posed in any act of sexual penetration or bound, fettered, or subject to sadistic, masochistic, or sadomasochistic abuse in a sexual context shall be deemed a crime of violence.

(2) "Produce" means to direct, promote, advertise, publish, manufacture, issue, present or show.

(3) "Reproduce" means to make a duplication or copy.

(4) "Depict by computer" means to generate or create, or cause to be created or generated, a computer program or data that, after being processed by a computer either alone or in conjunction with one or more computer programs, results in a visual depiction on a computer monitor,

screen, or display.

(5) "Depiction by computer" means a computer program or data that, after being processed by a computer either alone or in conjunction with one or more computer programs, results in a visual depiction on a computer monitor, screen, or display.

(6) "Computer", "computer program", and "data" have the meanings ascribed to them in Section 16D-2 of this Code.

(7) For the purposes of this Section, "child pornography Child" includes a film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer that is, or appears to be, that of a person, either in part, or in total, under the age of 18 and at least 13 years of age or a severely or profoundly mentally retarded person, regardless of the method by which the film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer is created, adopted, or modified to appear as such. "Child pornography" also includes a film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer that is advertised, promoted, presented, described, or distributed in such a manner that conveys the impression that the film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer is of a person under the age of 18 and at least 13 years of age or a severely or profoundly mentally retarded person.

~~(8) "Sexual penetration" and "sexual conduct" have the meanings ascribed to them in Section 12-12 of this Code.~~

(g) Re-enactment; findings; purposes.

(1) The General Assembly finds and declares that:

(i) Section 50-5 of Public Act 88-680, effective January 1, 1995, contained provisions amending the child pornography statute, Section 11-20.1 of the Criminal Code of 1961. Section 50-5 also contained other provisions.

(ii) In addition, Public Act 88-680 was entitled "AN ACT to create a Safe Neighborhoods Law". (A) Article 5 was entitled JUVENILE JUSTICE and amended the Juvenile Court Act of 1987. (B) Article 15 was entitled GANGS and amended various provisions of the Criminal Code of 1961 and the Unified Code of Corrections. (C) Article 20 was entitled ALCOHOL ABUSE and amended various provisions of the Illinois Vehicle Code. (D) Article 25 was entitled DRUG ABUSE and amended the Cannabis Control Act and the Illinois Controlled Substances Act. (E) Article 30 was entitled FIREARMS and amended the Criminal Code of 1961 and the Code of Criminal Procedure of 1963. (F) Article 35 amended the Criminal Code of 1961, the Rights of Crime Victims and Witnesses Act, and the Unified Code of Corrections. (G) Article 40 amended the Criminal Code of 1961 to increase the penalty for compelling organization membership of persons. (H) Article 45 created the Secure Residential Youth Care Facility Licensing Act and amended the State Finance Act, the Juvenile Court Act of 1987, the Unified Code of Corrections, and the Private Correctional Facility Moratorium Act. (I) Article 50 amended the WIC Vendor Management Act, the Firearm Owners Identification Card Act, the Juvenile Court Act of 1987, the Criminal Code of 1961, the Wrongs to Children Act, and the Unified Code of Corrections.

(iii) On September 22, 1998, the Third District Appellate Court in *People v. Dainty*, 701 N.E. 2d 118, ruled that Public Act 88-680 violates the single subject clause of the Illinois Constitution (Article IV, Section 8 (d)) and was unconstitutional in its entirety. As of the time this amendatory Act of 1999 was prepared, *People v. Dainty* was still subject to appeal.

(iv) Child pornography is a vital concern to the people of this State and the validity of future prosecutions under the child pornography statute of the Criminal Code of 1961 is in grave doubt.

(2) It is the purpose of this amendatory Act of 1999 to prevent or minimize any problems relating to prosecutions for child pornography that may result from challenges to the constitutional validity of Public Act 88-680 by re-enacting the Section relating to child pornography that was included in Public Act 88-680.

(3) This amendatory Act of 1999 re-enacts Section 11-20.1 of the Criminal Code of 1961, as it has been amended. This re-enactment is intended to remove any question as to the validity or content of that Section; it is not intended to supersede any other Public Act that amends the text of the Section as set forth in this amendatory Act of 1999. The material is shown as existing text (i.e., without underscoring) because, as of the time this amendatory Act of 1999 was prepared, *People v. Dainty* was subject to appeal to the Illinois Supreme Court.

(4) The re-enactment by this amendatory Act of 1999 of Section 11-20.1 of the Criminal Code of 1961 relating to child pornography that was amended by Public Act 88-680 is not intended,

and shall not be construed, to imply that Public Act 88-680 is invalid or to limit or impair any legal argument concerning whether those provisions were substantially re-enacted by other Public Acts. (Source: P.A. 96-292, eff. 1-1-10; 96-712, eff. 1-1-10; revised 10-1-09.)

(b)(1) It shall be an affirmative defense to a charge of aggravated child pornography that the defendant reasonably believed, under all of the circumstances, that the child was 13 years of age or older, but only where, prior to the act or acts giving rise to a prosecution under this Section, he or she took some affirmative action or made a bonafide inquiry designed to ascertain whether the child was

13 years of age or older and his or her reliance upon the information so obtained was clearly reasonable.

(2) The charge of aggravated child pornography shall not apply to the performance of official duties by law enforcement or prosecuting officers or persons employed by law enforcement or prosecuting agencies, court personnel or attorneys, nor to bonafide treatment or professional education programs conducted by licensed physicians, psychologists or social workers.

The Director may use any one of or any combination of the following examination methods which in his judgment best serves this end: investigation of education and experience; test of cultural knowledge; test of capacity; test of knowledge; test of manual skill; test of linguistic ability; test of character; test of physical skill; test of psychological fitness. No person with a record of misdemeanor convictions except those under Sections 11-1.50, 11-6, 11-7, 11-9, 11-14, 11-15, 11-17, 11-18, 11-19, 11-30, 11-35, 12-2, 12-6, 12-15, 14-4, 16-1, 21.1-3, 24-3.1, 24-5, 25-1, 28-3, 31-1, 31-4, 31-6, 31-7, 32-1, 32-2, 32-3, 32-4, and 32-8, subdivisions (a)(1) and (a)(2)(C) of Section 11-14.3, and sub-sections 1, 6 and 8 of Section 24-1 of the Criminal Code of 1961, or arrested for any cause but not convicted thereon shall be disqualified from taking such examinations or subsequent appointment unless the person is attempting to qualify for a position which entails financial responsibilities, in which case the person's conviction or arrest record may be considered as a factor in determining the person's fitness for the position. All examinations shall be announced publicly at least 2 weeks in advance of the date of examinations and may be advertised through the press, radio or other media.

The Director may, at his or her discretion, accept the results of competitive examinations conducted by any merit system established by Federal law or by the law of any State, and may compile eligible lists therefrom or may add the names of successful candidates in examinations conducted by those merit systems to existing eligible lists in accordance with their respective ratings. No person who is a non-resident of the State of Illinois may be appointed from those eligible lists, however, unless the requirement that applicants be residents of the State of Illinois is waived by the Director of Human Resources and unless there are less than 3 Illinois residents available for appointment from the appropriate eligible list. The results of the examinations conducted by other merit systems may not be used unless they are comparable in difficulty and comprehensiveness to examinations conducted by the Department of Human Resources for similar positions. Special linguistic options may also be established where deemed appropriate.

Section 915. The Personnel Code is amended by changing Section 8b.1 as follows:
(20 ILCS 415/8b.1) (from Ch. 127, par. 63b108b.1)

Sec. 8b.1. For open competitive examinations to test the relative fitness of applicants for the respective positions.

Tests shall be designed to eliminate those who are not qualified for entrance into or promotion within the service, and to discover the relative fitness of those who are qualified. The Director may use any one of or any combination of the following examination methods which in his judgment best serves this end: investigation of education; investigation of experience; test of cultural knowledge; test of capacity; test of knowledge; test of manual skill; test of linguistic ability; test of character; test of physical fitness; test of psychological fitness. No person with a record of misdemeanor convictions except those under Sections 11-1.50, 11-6, 11-7, 11-9, 11-14, 11-15, 11-17, 11-18, 11-19, 11-30, 11-35, 12-2, 12-6, 12-15, 14-4, 16-1, 21.1-3, 24-3.1, 24-5, 25-1, 28-3, 31-1, 31-4, 31-6, 31-7, 32-1, 32-2, 32-3, 32-4, and 32-8, subdivisions (a)(1) and (a)(2)(C) of Section 11-14.3, and sub-sections 1, 6 and 8 of Section 24-1 of the Criminal Code of 1961 or arrested for any cause but not convicted thereon shall be disqualified from taking such examinations or subsequent appointment, unless the person is attempting to qualify for a position which would give him the powers of a peace officer, in which case the person's conviction or arrest record may be considered as a factor in determining the person's fitness for the position. The eligibility conditions specified for the position of Assistant Director of Healthcare and Family Services in the Department of Healthcare and Family Services in Section 5-230 of the Departments of State Government Law (20 ILCS 5/5-230) shall be applied to that position in addition to other standards, tests or criteria established by the Director. All examinations shall be announced publicly at least 2 weeks in advance of the date of the examinations and may be advertised through the press, radio and other media. The Director may, however, in his discretion, continue to receive applications and examine candidates long enough to assure a sufficient number of eligibles to meet the needs of the service and may add the names of successful candidates to existing eligible lists in accordance with their respective ratings.

The Director may, in his discretion, accept the results of competitive examinations conducted by any merit system established by federal law or by the law of any State, and may compile eligible lists therefrom or may add the names of successful candidates in examinations conducted by those merit systems to existing eligible lists in accordance with their respective ratings. No person who is a non-resident of the State of Illinois may be appointed from those eligible lists, however, unless the

requirement that applicants be residents of the State of Illinois is waived by the Director of Central Management Services and unless there are less than 3 Illinois residents available for appointment from the appropriate eligible list. The results of the examinations conducted by other merit systems may not be used unless they are comparable in difficulty and comprehensiveness to examinations conducted by the Department of Central Management Services for similar positions. Special linguistic options may also be established where deemed appropriate.

Section 920. The Children and Family Services Act is amended by changing Section 7 as follows:
(20 ILCS 505/7) (from Ch. 23, par. 5007)

Sec. 7. Placement of children; considerations.

(a) In placing any child under this Act, the Department shall place such child, as far as possible, in the care and custody of some individual holding the same religious belief as the parents of the child, or with some child care facility which is operated by persons of like religious faith as the parents of such child.

(b) In placing a child under this Act, the Department may place a child with a relative if the Department determines that the relative will be able to adequately provide for the child's safety and welfare based on the factors set forth in the Department's rules governing relative placements, and that the placement is consistent with the child's best interests, taking into consideration the factors set out in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987.

When the Department first assumes custody of a child, in placing that child under this Act, the Department shall make reasonable efforts to identify and locate a relative who is ready, willing, and able to care for the child. At a minimum, these efforts shall be renewed each time the child requires a placement change and it is appropriate for the child to be cared for in a home environment. The Department must document its efforts to identify and locate such a relative placement and maintain the documentation in the child's case file.

If the Department determines that a placement with any identified relative is not in the child's best interests or that the relative does not meet the requirements to be a relative caregiver, as set forth in Department rules or by statute, the Department must document the basis for that decision and maintain the documentation in the child's case file.

If, pursuant to the Department's rules, any person files an administrative appeal of the Department's decision not to place a child with a relative, it is the Department's burden to prove that the decision is consistent with the child's best interests.

When the Department determines that the child requires placement in an environment, other than a home environment, the Department shall continue to make reasonable efforts to identify and locate relatives to serve as visitation resources for the child and potential future placement resources, except when the Department determines that those efforts would be futile or inconsistent with the child's best interests.

If the Department determines that efforts to identify and locate relatives would be futile or inconsistent with the child's best interests, the Department shall document the basis of its determination and maintain the documentation in the child's case file.

If the Department determines that an individual or a group of relatives are inappropriate to serve as visitation resources or possible placement resources, the Department shall document the basis of its determination and maintain the documentation in the child's case file.

When the Department determines that an individual or a group of relatives are appropriate to serve as visitation resources or possible future placement resources, the Department shall document the basis of its determination, maintain the documentation in the child's case file, create a visitation or transition plan, or both, and incorporate the visitation or transition plan, or both, into the child's case plan. For the purpose of this subsection, any determination as to the child's best interests shall include consideration of the factors set out in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987.

The Department may not place a child with a relative, with the exception of certain circumstances which may be waived as defined by the Department in rules, if the results of a check of the Law Enforcement Agencies Data System (LEADS) identifies a prior criminal conviction of the relative or any adult member of the relative's household for any of the following offenses under the Criminal Code of 1961:

- (1) murder;
- (1.1) solicitation of murder;
- (1.2) solicitation of murder for hire;
- (1.3) intentional homicide of an unborn child;
- (1.4) voluntary manslaughter of an unborn child;

- (1.5) involuntary manslaughter;
- (1.6) reckless homicide;
- (1.7) concealment of a homicidal death;
- (1.8) involuntary manslaughter of an unborn child;
- (1.9) reckless homicide of an unborn child;
- (1.10) drug-induced homicide;
- (2) a sex offense under Article 11, except offenses described in Sections 11-7, 11-8, 11-12, ~~and~~ 11-13, 11-35, 11-40, and 11-45;
- (3) kidnapping;
- (3.1) aggravated unlawful restraint;
- (3.2) forcible detention;
- (3.3) aiding and abetting child abduction;
- (4) aggravated kidnapping;
- (5) child abduction;
- (6) aggravated battery of a child;
- (7) criminal sexual assault;
- (8) aggravated criminal sexual assault;
- (8.1) predatory criminal sexual assault of a child;
- (9) criminal sexual abuse;
- (10) aggravated sexual abuse;
- (11) heinous battery;
- (12) aggravated battery with a firearm;
- (13) tampering with food, drugs, or cosmetics;
- (14) drug-induced infliction of great bodily harm;
- (15) aggravated stalking;
- (16) home invasion;
- (17) vehicular invasion;
- (18) criminal transmission of HIV;
- (19) criminal abuse or neglect of an elderly or disabled person;
- (20) child abandonment;
- (21) endangering the life or health of a child;
- (22) ritual mutilation;
- (23) ritualized abuse of a child;
- (24) an offense in any other state the elements of which are similar and bear a substantial relationship to any of the foregoing offenses.

For the purpose of this subsection, "relative" shall include any person, 21 years of age or over, other than the parent, who (i) is currently related to the child in any of the following ways by blood or adoption: grandparent, sibling, great-grandparent, uncle, aunt, nephew, niece, first cousin, second cousin, godparent, great-uncle, or great-aunt; or (ii) is the spouse of such a relative; or (iii) is the child's step-father, step-mother, or adult step-brother or step-sister; "relative" also includes a person related in any of the foregoing ways to a sibling of a child, even though the person is not related to the child, when the child and its sibling are placed together with that person. For children who have been in the guardianship of the Department, have been adopted, and are subsequently returned to the temporary custody or guardianship of the Department, a "relative" may also include any person who would have qualified as a relative under this paragraph prior to the adoption, but only if the Department determines, and documents, that it would be in the child's best interests to consider this person a relative, based upon the factors for determining best interests set forth in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987. A relative with whom a child is placed pursuant to this subsection may, but is not required to, apply for licensure as a foster family home pursuant to the Child Care Act of 1969; provided, however, that as of July 1, 1995, foster care payments shall be made only to licensed foster family homes pursuant to the terms of Section 5 of this Act.

(c) In placing a child under this Act, the Department shall ensure that the child's health, safety, and best interests are met. In rejecting placement of a child with an identified relative, the Department shall ensure that the child's health, safety, and best interests are met. In evaluating the best interests of the child, the Department shall take into consideration the factors set forth in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987.

The Department shall consider the individual needs of the child and the capacity of the prospective foster or adoptive parents to meet the needs of the child. When a child must be placed outside his or her home and cannot be immediately returned to his or her parents or guardian, a

comprehensive, individualized assessment shall be performed of that child at which time the needs of the child shall be determined. Only if race, color, or national origin is identified as a legitimate factor in advancing the child's best interests shall it be considered. Race, color, or national origin shall not be routinely considered in making a placement decision. The Department shall make special efforts for the diligent recruitment of potential foster and adoptive families that reflect the ethnic and racial diversity of the children for whom foster and adoptive homes are needed. "Special efforts" shall include contacting and working with community organizations and religious organizations and may include contracting with those organizations, utilizing local media and other local resources, and conducting outreach activities.

(c-1) At the time of placement, the Department shall consider concurrent planning, as described in subsection (l-1) of Section 5, so that permanency may occur at the earliest opportunity. Consideration should be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child.

(d) The Department may accept gifts, grants, offers of services, and other contributions to use in making special recruitment efforts.

(e) The Department in placing children in adoptive or foster care homes may not, in any policy or practice relating to the placement of children for adoption or foster care, discriminate against any child or prospective adoptive or foster parent on the basis of race.

Section 925. The Criminal Identification Act is amended by changing Section 5.2 as follows:
(20 ILCS 2630/5.2)

Sec. 5.2. Expungement and sealing.

(a) General Provisions.

(1) Definitions. In this Act, words and phrases have the meanings set forth in this subsection, except when a particular context clearly requires a different meaning.

(A) The following terms shall have the meanings ascribed to them in the Unified Code of Corrections, 730 ILCS 5/5-1-2 through 5/5-1-22:

- (i) Business Offense (730 ILCS 5/5-1-2),
- (ii) Charge (730 ILCS 5/5-1-3),
- (iii) Court (730 ILCS 5/5-1-6),
- (iv) Defendant (730 ILCS 5/5-1-7),
- (v) Felony (730 ILCS 5/5-1-9),
- (vi) Imprisonment (730 ILCS 5/5-1-10),
- (vii) Judgment (730 ILCS 5/5-1-12),
- (viii) Misdemeanor (730 ILCS 5/5-1-14),
- (ix) Offense (730 ILCS 5/5-1-15),
- (x) Parole (730 ILCS 5/5-1-16),
- (xi) Petty Offense (730 ILCS 5/5-1-17),
- (xii) Probation (730 ILCS 5/5-1-18),
- (xiii) Sentence (730 ILCS 5/5-1-19),
- (xiv) Supervision (730 ILCS 5/5-1-21), and
- (xv) Victim (730 ILCS 5/5-1-22).

(B) As used in this Section, "charge not initiated by arrest" means a charge (as defined by 730 ILCS 5/5-1-3) brought against a defendant where the defendant is not arrested prior to or as a direct result of the charge.

(C) "Conviction" means a judgment of conviction or sentence entered upon a plea of guilty or upon a verdict or finding of guilty of an offense, rendered by a legally constituted jury or by a court of competent jurisdiction authorized to try the case without a jury. An order of supervision successfully completed by the petitioner is not a conviction. An order of qualified probation (as defined in subsection (a)(1)(J)) successfully completed by the petitioner is not a conviction. An order of supervision or an order of qualified probation that is terminated unsatisfactorily is a conviction, unless the unsatisfactory termination is reversed, vacated, or modified and the judgment of conviction, if any, is reversed or vacated.

(D) "Criminal offense" means a petty offense, business offense, misdemeanor, felony, or municipal ordinance violation (as defined in subsection (a)(1)(H)). As used in this Section, a minor traffic offense (as defined in subsection (a)(1)(G)) shall not be considered a criminal offense.

(E) "Expunge" means to physically destroy the records or return them to the petitioner and to obliterate the petitioner's name from any official index or public record, or both.

Nothing in this Act shall require the physical destruction of the circuit court file, but such records relating to arrests or charges, or both, ordered expunged shall be impounded as required by subsections (d)(9)(A)(ii) and (d)(9)(B)(ii).

(F) As used in this Section, "last sentence" means the sentence, order of supervision, or order of qualified probation (as defined by subsection (a)(1)(J)), for a criminal offense (as defined by subsection (a)(1)(D)) that terminates last in time in any jurisdiction, regardless of whether the petitioner has included the criminal offense for which the sentence or order of supervision or qualified probation was imposed in his or her petition. If multiple sentences, orders of supervision, or orders of qualified probation terminate on the same day and are last in time, they shall be collectively considered the "last sentence" regardless of whether they were ordered to run concurrently.

(G) "Minor traffic offense" means a petty offense, business offense, or Class C misdemeanor under the Illinois Vehicle Code or a similar provision of a municipal or local ordinance.

(H) "Municipal ordinance violation" means an offense defined by a municipal or local ordinance that is criminal in nature and with which the petitioner was charged or for which the petitioner was arrested and released without charging.

(I) "Petitioner" means an adult or a minor prosecuted as an adult who has applied for relief under this Section.

(J) "Qualified probation" means an order of probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act. For the purpose of this Section, "successful completion" of an order of qualified probation under Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act and Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act means that the probation was terminated satisfactorily and the judgment of conviction was vacated.

(K) "Seal" means to physically and electronically maintain the records, unless the records would otherwise be destroyed due to age, but to make the records unavailable without a court order, subject to the exceptions in Sections 12 and 13 of this Act. The petitioner's name shall also be obliterated from the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but any index issued by the circuit court clerk before the entry of the order to seal shall not be affected.

(L) "Sexual offense committed against a minor" includes but is not limited to the offenses of indecent solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

(M) "Terminate" as it relates to a sentence or order of supervision or qualified probation includes either satisfactory or unsatisfactory termination of the sentence, unless otherwise specified in this Section.

(2) Minor Traffic Offenses. Orders of supervision or convictions for minor traffic offenses shall not affect a petitioner's eligibility to expunge or seal records pursuant to this Section.

(3) Exclusions. Except as otherwise provided in subsections (b)(5), (b)(6), and (e) of this Section, the court shall not order:

(A) the sealing or expungement of the records of arrests or charges not initiated by arrest that result in an order of supervision for or conviction of: (i) any sexual offense committed against a minor; (ii) Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; or (iii) Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(B) the sealing or expungement of records of minor traffic offenses (as defined in subsection (a)(1)(G)), unless the petitioner was arrested and released without charging.

(C) the sealing of the records of arrests or charges not initiated by arrest which result in an order of supervision, an order of qualified probation (as defined in subsection (a)(1)(J)), or a conviction for the following offenses:

(i) offenses included in Article 11 of the Criminal Code of 1961 or a similar provision of a local ordinance, except Section 11-14 of the Criminal Code of 1961 or a similar provision of a local ordinance;

(ii) Section 11-1.50, 12-15, 12-30, or 26-5 of the Criminal Code of 1961 or a similar

- provision of a local ordinance;
- (iii) offenses defined as "crimes of violence" in Section 2 of the Crime Victims Compensation Act or a similar provision of a local ordinance;
- (iv) offenses which are Class A misdemeanors under the Humane Care for Animals Act; or
- (v) any offense or attempted offense that would subject a person to registration under the Sex Offender Registration Act.

(D) the sealing of the records of an arrest which results in the petitioner being charged with a felony offense or records of a charge not initiated by arrest for a felony offense, regardless of the disposition, unless:

- (i) the charge is amended to a misdemeanor and is otherwise eligible to be sealed pursuant to subsection (c);
- (ii) the charge results in first offender probation as set forth in subsection (c)(2)(E); or
- (iii) the charge is for a Class 4 felony offense listed in subsection (c)(2)(F)

or the charge is amended to a Class 4 felony offense listed in subsection (c)(2)(F). Records of arrests which result in the petitioner being charged with a Class 4 felony offense listed in subsection (c)(2)(F), records of charges not initiated by arrest for Class 4 felony offenses listed in subsection (c)(2)(F), and records of charges amended to a Class 4 felony offense listed in (c)(2)(F) may be sealed, regardless of the disposition, subject to any waiting periods set forth in subsection (c)(3).

(b) Expungement.

(1) A petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when:

(A) He or she has never been convicted of a criminal offense; and

(B) Each arrest or charge not initiated by arrest sought to be expunged resulted in: (i) acquittal, dismissal, or the petitioner's release without charging, unless excluded by subsection (a)(3)(B); (ii) a conviction which was vacated or reversed, unless excluded by subsection (a)(3)(B); (iii) an order of supervision and such supervision was successfully completed by the petitioner, unless excluded by subsection (a)(3)(A) or (a)(3)(B); or (iv) an order of qualified probation (as defined in subsection (a)(1)(J)) and such probation was successfully completed by the petitioner.

(2) Time frame for filing a petition to expunge.

(A) When the arrest or charge not initiated by arrest sought to be expunged resulted in an acquittal, dismissal, the petitioner's release without charging, or the reversal or vacation of a conviction, there is no waiting period to petition for the expungement of such records.

(B) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of supervision, successfully completed by the petitioner, the following time frames will apply:

(i) Those arrests or charges that resulted in orders of supervision under Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance, or under Section 11-1.50, 12-3.2, 12-15 or 16A-3 of the Criminal Code of 1961, shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the supervision.

(ii) Those arrests or charges that resulted in orders of supervision for any other offenses shall not be eligible for expungement until 2 years have passed following the satisfactory termination of the supervision.

(C) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of qualified probation, successfully completed by the petitioner, such records shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the probation.

(3) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(4) Whenever a person has been arrested for or convicted of any offense, in the name of a person whose identity he or she has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his or her identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the Chief Judge to correct the arrest record, conviction record, if any, and all official records of the arresting

authority, the Department, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his or her name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the offender, if known or ascertainable, in lieu of the aggrieved's name. The records of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used.

(5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the petitioner's trial to have a court order entered to seal the records of the circuit court clerk in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the circuit court clerk in connection with the proceedings of the trial court concerning the offense available for public inspection.

(6) If a conviction has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the petitioner was factually innocent of the charge, the court shall enter an expungement order as provided in subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(7) Nothing in this Section shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 12-4.3 of the Criminal Code of 1961, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act.

(c) Sealing.

(1) Applicability. Notwithstanding any other provision of this Act to the contrary, and cumulative with any rights to expungement of criminal records, this subsection authorizes the sealing of criminal records of adults and of minors prosecuted as adults.

(2) Eligible Records. The following records may be sealed:

(A) All arrests resulting in release without charging;

(B) Arrests or charges not initiated by arrest resulting in acquittal, dismissal, or conviction when the conviction was reversed or vacated, except as excluded by subsection (a)(3)(B) or (a)(3)(D);

(D) Arrests or charges not initiated by arrest resulting in convictions unless excluded by subsection (a)(3);

(E) Arrests or charges not initiated by arrest resulting in orders of first offender probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act; and

(F) Arrests or charges not initiated by arrest resulting in Class 4 felony convictions for the following offenses:

(i) Section 11-14 of the Criminal Code of 1961;

(ii) Section 4 of the Cannabis Control Act;

(iii) Section 402 of the Illinois Controlled Substances Act;

(iv) the Methamphetamine Precursor Control Act; and

(v) the Steroid Control Act.

(3) When Records Are Eligible to Be Sealed. Records identified as eligible under subsection (c)(2) may be sealed as follows:

(A) Records identified as eligible under subsection (c)(2)(A) and (c)(2)(B) may be sealed at any time.

(B) Records identified as eligible under subsection (c)(2)(C) may be sealed (i) 3

years after the termination of petitioner's last sentence (as defined in subsection (a)(1)(F)) if the petitioner has never been convicted of a criminal offense (as defined in subsection (a)(1)(D)); or (ii) 4 years after the termination of the petitioner's last sentence (as defined in subsection (a)(1)(F)) if the petitioner has ever been convicted of a criminal offense (as defined in subsection (a)(1)(D)).

(C) Records identified as eligible under subsections (c)(2)(D), (c)(2)(E), and (c)(2)(F) may be sealed 4 years after the termination of the petitioner's last sentence (as defined in subsection (a)(1)(F)).

(4) Subsequent felony convictions. A person may not have subsequent felony conviction records sealed as provided in this subsection (c) if he or she is convicted of any felony offense after the date of the sealing of prior felony convictions as provided in this subsection (c). The court may, upon conviction for a subsequent felony offense, order the unsealing of prior felony conviction records previously ordered sealed by the court.

(5) Notice of eligibility for sealing. Upon entry of a disposition for an eligible record under this subsection (c), the petitioner shall be informed by the court of the right to have the records sealed and the procedures for the sealing of the records.

(d) Procedure. The following procedures apply to expungement under subsections (b) and (c), and sealing under subsection (c):

(1) Filing the petition. Upon becoming eligible to petition for the expungement or sealing of records under this Section, the petitioner shall file a petition requesting the expungement or sealing of records with the clerk of the court where the arrests occurred or the charges were brought, or both. If arrests occurred or charges were brought in multiple jurisdictions, a petition must be filed in each such jurisdiction. The petitioner shall pay the applicable fee, if not waived.

(2) Contents of petition. The petition shall be verified and shall contain the petitioner's name, date of birth, current address and, for each arrest or charge not initiated by arrest sought to be sealed or expunged, the case number, the date of arrest (if any), the identity of the arresting authority, and such other information as the court may require. During the pendency of the proceeding, the petitioner shall promptly notify the circuit court clerk of any change of his or her address.

(3) Drug test. The petitioner must attach to the petition proof that the petitioner has passed a test taken within 30 days before the filing of the petition showing the absence within his or her body of all illegal substances as defined by the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, and the Cannabis Control Act if he or she is petitioning to seal felony records pursuant to clause (c)(2)(E) or (c)(2)(F)(ii)-(v) or if he or she is petitioning to expunge felony records of a qualified probation pursuant to clause (b)(1)(B)(iv).

(4) Service of petition. The circuit court clerk shall promptly serve a copy of the petition on the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government effecting the arrest.

(5) Objections.

(A) Any party entitled to notice of the petition may file an objection to the petition. All objections shall be in writing, shall be filed with the circuit court clerk, and shall state with specificity the basis of the objection.

(B) Objections to a petition to expunge or seal must be filed within 60 days of the date of service of the petition.

(6) Entry of order.

(A) The Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, if any, shall rule on the petition to expunge or seal as set forth in this subsection (d)(6).

(B) Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency, or the chief legal officer files an objection to the petition to expunge or seal within 60 days from the date of service of the petition, the court shall enter an order granting or denying the petition.

(7) Hearings. If an objection is filed, the court shall set a date for a hearing and notify the petitioner and all parties entitled to notice of the petition of the hearing date at least 30 days prior to the hearing, and shall hear evidence on whether the petition should or should not be granted, and shall grant or deny the petition to expunge or seal the records based on the evidence presented at the hearing.

(8) Service of order. After entering an order to expunge or seal records, the court must

provide copies of the order to the Department, in a form and manner prescribed by the Department, to the petitioner, to the State's Attorney or prosecutor charged with the duty of prosecuting the offense, to the arresting agency, to the chief legal officer of the unit of local government effecting the arrest, and to such other criminal justice agencies as may be ordered by the court.

(9) Effect of order.

(A) Upon entry of an order to expunge records pursuant to (b)(2)(A) or (b)(2)(B)(ii), or both:

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency, the Department, and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order; and

(iii) in response to an inquiry for expunged records, the court, the Department, or the agency receiving such inquiry, shall reply as it does in response to inquiries when no records ever existed.

(B) Upon entry of an order to expunge records pursuant to (b)(2)(B)(i) or (b)(2)(C), or both:

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order;

(iii) the records shall be impounded by the Department within 60 days of the date of service of the order as ordered by the court, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Department may be disseminated by the Department only to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for such records from anyone not authorized by law to access such records the court, the Department, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(C) Upon entry of an order to seal records under subsection (c), the arresting agency, any other agency as ordered by the court, the Department, and the court shall seal the records (as defined in subsection (a)(1)(K)). In response to an inquiry for such records from anyone not authorized by law to access such records the court, the Department, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(10) Fees. The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal records. Notwithstanding any provision of the Clerks of Courts Act to the contrary, the circuit court clerk may charge a fee equivalent to the cost associated with the sealing or expungement of records by the circuit court clerk. From the total filing fee collected for the petition to seal or expunge, the circuit court clerk shall deposit \$10 into the Circuit Court Clerk Operation and Administrative Fund, to be used to offset the costs incurred by the circuit court clerk in performing the additional duties required to serve the petition to seal or expunge on all parties. The circuit court clerk shall collect and forward the Department of State Police portion of the fee to the Department and it shall be deposited in the State Police Services Fund.

(11) Final Order. No court order issued under the expungement or sealing provisions of this Section shall become final for purposes of appeal until 30 days after service of the order on the petitioner and all parties entitled to notice of the petition.

(12) Motion to Vacate, Modify, or Reconsider. The petitioner or any party entitled to notice may file a motion to vacate, modify, or reconsider the order granting or denying the petition to

expunge or seal within 60 days of service of the order.

(e) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of expungement, the circuit court clerk shall promptly mail a copy of the order to the person who was pardoned.

(f) Subject to available funding, the Illinois Department of Corrections shall conduct a study of the impact of sealing, especially on employment and recidivism rates, utilizing a random sample of those who apply for the sealing of their criminal records under Public Act 93-211. At the request of the Illinois Department of Corrections, records of the Illinois Department of Employment Security shall be utilized as appropriate to assist in the study. The study shall not disclose any data in a manner that would allow the identification of any particular individual or employing unit. The study shall be made available to the General Assembly no later than September 1, 2010.

(50 ILCS 705/6.1)

Sec. 6.1. Decertification of full-time and part-time police officers.

(a) The Board must review police officer conduct and records to ensure that no police officer is certified or provided a valid waiver if that police officer has been convicted of a felony offense under the laws of this State or any other state which if committed in this State would be punishable as a felony. The Board must also ensure that no police officer is certified or provided a valid waiver if that police officer has been convicted on or after the effective date of this amendatory Act of 1999 of any misdemeanor specified in this Section or if committed in any other state would be an offense similar to Section 11-1.50, 11-6, 11-9.1, 11-14, 11-17, 11-19, 12-2, 12-15, 16-1, 17-1, 17-2, 28-3, 29-1, 31-1, 31-6, 31-7, 32-4a, or 32-7 of the Criminal Code of 1961, to subdivision (a)(1) or (a)(2)(C) of Section 11-14.3

[May 7, 2010]

of the Criminal Code of 1961, or to Section 5 or 5.2 of the Cannabis Control Act. The Board must appoint investigators to enforce the duties conferred upon the Board by this Act.

(b) It is the responsibility of the sheriff or the chief executive officer of every local law enforcement agency or department within this State to report to the Board any arrest or conviction of any officer for an offense identified in this Section.

(c) It is the duty and responsibility of every full-time and part-time police officer in this State to report to the Board within 30 days, and the officer's sheriff or chief executive officer, of his or her arrest or conviction for an offense identified in this Section. Any full-time or part-time police officer who knowingly makes, submits, causes to be submitted, or files a false or untruthful report to the Board must have his or her certificate or waiver immediately decertified or revoked.

(d) Any person, or a local or State agency, or the Board is immune from liability for submitting, disclosing, or releasing information of arrests or convictions in this Section as long as the information is submitted, disclosed, or released in good faith and without malice. The Board has qualified immunity for the release of the information.

(e) Any full-time or part-time police officer with a certificate or waiver issued by the Board who is convicted of any offense described in this Section immediately becomes decertified or no longer has a valid waiver. The decertification and invalidity of waivers occurs as a matter of law. Failure of a convicted person to report to the Board his or her conviction as described in this Section or any continued law enforcement practice after receiving a conviction is a Class 4 felony.

(f) The Board's investigators are peace officers and have all the powers possessed by policemen in cities and by sheriff's, provided that the investigators may exercise those powers anywhere in the State, only after contact and cooperation with the appropriate local law enforcement authorities.

(g) The Board must request and receive information and assistance from any federal, state, or local governmental agency as part of the authorized criminal background investigation. The Department of State Police must process, retain, and additionally provide and disseminate information to the Board concerning criminal charges, arrests, convictions, and their disposition, that have been filed before, on, or after the effective date of this amendatory Act of the 91st General Assembly against a basic academy applicant, law enforcement applicant, or law enforcement officer whose fingerprint identification cards are on file or maintained by the Department of State Police. The Federal Bureau of Investigation must provide the Board any criminal history record information contained in its files pertaining to law enforcement officers or any applicant to a Board certified basic law enforcement academy as described in this Act based on fingerprint identification. The Board must make payment of fees to the Department of State Police for each fingerprint card submission in conformance with the requirements of paragraph 22 of Section 55a of the Civil Administrative Code of Illinois.

(h) A police officer who has been certified or granted a valid waiver shall also be decertified or have his or her waiver revoked upon a determination by the Illinois Labor Relations Board State Panel that he or she, while under oath, has knowingly and willfully made false statements as to a material fact going to an element of the offense of murder. If an appeal is filed, the determination shall be stayed.

(1) In the case of an acquittal on a charge of murder, a verified complaint may be filed:

(A) by the defendant; or

(B) by a police officer with personal knowledge of perjured testimony.

The complaint must allege that a police officer, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder. The verified complaint must be filed with the Executive Director of the Illinois Law Enforcement Training Standards Board within 2 years of the judgment of acquittal.

(2) Within 30 days, the Executive Director of the Illinois Law Enforcement Training Standards Board shall review the verified complaint and determine whether the verified complaint is frivolous and without merit, or whether further investigation is warranted. The Illinois Law Enforcement Training Standards Board shall notify the officer and the Executive Director of the Illinois Labor Relations Board State Panel of the filing of the complaint and any action taken thereon. If the Executive Director of the Illinois Law Enforcement Training Standards Board determines that the verified complaint is frivolous and without merit, it shall be dismissed. The Executive Director of the Illinois Law Enforcement Training Standards Board has sole discretion to make this determination and this decision is not subject to appeal.

(i) If the Executive Director of the Illinois Law Enforcement Training Standards Board determines that the verified complaint warrants further investigation, he or she shall refer the matter to a task force of investigators created for this purpose. This task force shall consist of 8 sworn police officers: 2 from the Illinois State Police, 2 from the City of Chicago Police Department, 2 from county police

departments, and 2 from municipal police departments. These investigators shall have a minimum of 5 years of experience in conducting criminal investigations. The investigators shall be appointed by the Executive Director of the Illinois Law Enforcement Training Standards Board. Any officer or officers acting in this capacity pursuant to this statutory provision will have statewide police authority while acting in this investigative capacity. Their salaries and expenses for the time spent conducting investigations under this paragraph shall be reimbursed by the Illinois Law Enforcement Training Standards Board.

(j) Once the Executive Director of the Illinois Law Enforcement Training Standards Board has determined that an investigation is warranted, the verified complaint shall be assigned to an investigator or investigators. The investigator or investigators shall conduct an investigation of the verified complaint and shall write a report of his or her findings. This report shall be submitted to the Executive Director of the Illinois Labor Relations Board State Panel.

Within 30 days, the Executive Director of the Illinois Labor Relations Board State Panel shall review the investigative report and determine whether sufficient evidence exists to conduct an evidentiary hearing on the verified complaint. If the Executive Director of the Illinois Labor Relations Board State Panel determines upon his or her review of the investigatory report that a hearing should not be conducted, the complaint shall be dismissed. This decision is in the Executive Director's sole discretion, and this dismissal may not be appealed.

If the Executive Director of the Illinois Labor Relations Board State Panel determines that there is sufficient evidence to warrant a hearing, a hearing shall be ordered on the verified complaint, to be conducted by an administrative law judge employed by the Illinois Labor Relations Board State Panel. The Executive Director of the Illinois Labor Relations Board State Panel shall inform the Executive Director of the Illinois Law Enforcement Training Standards Board and the person who filed the complaint of either the dismissal of the complaint or the issuance of the complaint for hearing. The Executive Director shall assign the complaint to the administrative law judge within 30 days of the decision granting a hearing.

(k) In the case of a finding of guilt on the offense of murder, if a new trial is granted on direct appeal, or a state post-conviction evidentiary hearing is ordered, based on a claim that a police officer, under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder, the Illinois Labor Relations Board State Panel shall hold a hearing to determine whether the officer should be decertified if an interested party requests such a hearing within 2 years of the court's decision. The complaint shall be assigned to an administrative law judge within 30 days so that a hearing can be scheduled.

At the hearing, the accused officer shall be afforded the opportunity to:

- (1) Be represented by counsel of his or her own choosing;
- (2) Be heard in his or her own defense;
- (3) Produce evidence in his or her defense;
- (4) Request that the Illinois Labor Relations Board State Panel compel the attendance of

witnesses and production of related documents including but not limited to court documents and records.

Once a case has been set for hearing, the verified complaint shall be referred to the Department of Professional Regulation. That office shall prosecute the verified complaint at the hearing before the administrative law judge. The Department of Professional Regulation shall have the opportunity to produce evidence to support the verified complaint and to request the Illinois Labor Relations Board State Panel to compel the attendance of witnesses and the production of related documents, including, but not limited to, court documents and records. The Illinois Labor Relations Board State Panel shall have the power to issue subpoenas requiring the attendance of and testimony of witnesses and the production of related documents including, but not limited to, court documents and records and shall have the power to administer oaths.

The administrative law judge shall have the responsibility of receiving into evidence relevant testimony and documents, including court records, to support or disprove the allegations made by the person filing the verified complaint and, at the close of the case, hear arguments. If the administrative law judge finds that there is not clear and convincing evidence to support the verified complaint that the police officer has, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder, the administrative law judge shall make a written recommendation of dismissal to the Illinois Labor Relations Board State Panel. If the administrative law judge finds that there is clear and convincing evidence that the police officer has, while under oath, knowingly and willfully made false statements as to a material fact that goes to an element of the offense of murder, the administrative law judge shall make a written recommendation so concluding to the

Illinois Labor Relations Board State Panel. The hearings shall be transcribed. The Executive Director of the Illinois Law Enforcement Training Standards Board shall be informed of the administrative law judge's recommended findings and decision and the Illinois Labor Relations Board State Panel's subsequent review of the recommendation.

(l) An officer named in any complaint filed pursuant to this Act shall be indemnified for his or her reasonable attorney's fees and costs by his or her employer. These fees shall be paid in a regular and timely manner. The State, upon application by the public employer, shall reimburse the public employer for the accused officer's reasonable attorney's fees and costs. At no time and under no circumstances will the accused officer be required to pay his or her own reasonable attorney's fees or costs.

(m) The accused officer shall not be placed on unpaid status because of the filing or processing of the verified complaint until there is a final non-appealable order sustaining his or her guilt and his or her certification is revoked. Nothing in this Act, however, restricts the public employer from pursuing discipline against the officer in the normal course and under procedures then in place.

(n) The Illinois Labor Relations Board State Panel shall review the administrative law judge's recommended decision and order and determine by a majority vote whether or not there was clear and convincing evidence that the accused officer, while under oath, knowingly and willfully made false statements as to a material fact going to the offense of murder. Within 30 days of service of the administrative law judge's recommended decision and order, the parties may file exceptions to the recommended decision and order and briefs in support of their exceptions with the Illinois Labor Relations Board State Panel. The parties may file responses to the exceptions and briefs in support of the responses no later than 15 days after the service of the exceptions. If exceptions are filed by any of the parties, the Illinois Labor Relations Board State Panel shall review the matter and make a finding to uphold, vacate, or modify the recommended decision and order. If the Illinois Labor Relations Board State Panel concludes that there is clear and convincing evidence that the accused officer, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense murder, the Illinois Labor Relations Board State Panel shall inform the Illinois Law Enforcement Training Standards Board and the Illinois Law Enforcement Training Standards Board shall revoke the accused officer's certification. If the accused officer appeals that determination to the Appellate Court, as provided by this Act, he or she may petition the Appellate Court to stay the revocation of his or her certification pending the court's review of the matter.

(o) None of the Illinois Labor Relations Board State Panel's findings or determinations shall set any precedent in any of its decisions decided pursuant to the Illinois Public Labor Relations Act by the Illinois Labor Relations Board State Panel or the courts.

(p) A party aggrieved by the final order of the Illinois Labor Relations Board State Panel may apply for and obtain judicial review of an order of the Illinois Labor Relations Board State Panel, in accordance with the provisions of the Administrative Review Law, except that such judicial review shall be afforded directly in the Appellate Court for the district in which the accused officer resides. Any direct appeal to the Appellate Court shall be filed within 35 days from the date that a copy of the decision sought to be reviewed was served upon the party affected by the decision.

(q) Interested parties. Only interested parties to the criminal prosecution in which the police officer allegedly, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder may file a verified complaint pursuant to this Section. For purposes of this Section, "interested parties" shall be limited to the defendant and any police officer who has personal knowledge that the police officer who is the subject of the complaint has, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder.

(r) Semi-annual reports. The Executive Director of the Illinois Labor Relations Board shall submit semi-annual reports to the Governor, President, and Minority Leader of the Senate, and to the Speaker and Minority Leader of the House of Representatives beginning on June 30, 2004, indicating:

- (1) the number of verified complaints received since the date of the last report;
- (2) the number of investigations initiated since the date of the last report;
- (3) the number of investigations concluded since the date of the last report;
- (4) the number of investigations pending as of the reporting date;
- (5) the number of hearings held since the date of the last report; and
- (6) the number of officers decertified since the date of the last report.

(b) Residency requirements in effect at the time an individual enters the fire or police service of a municipality (other than a municipality that has more than 1,000,000 inhabitants) cannot be made more restrictive for that individual during his or her period of service for that municipality, or be made a condition of promotion, except for the rank or position of Fire or Police Chief.

(c) No person with a record of misdemeanor convictions except those under Sections 11-1-50, 11-6, 11-7, 11-9, 11-14, 11-15, 11-17, 11-18, 11-19, 11-30, 11-35, 12-2, 12-6, 12-15, 14-4, 16-1, 21.1-3, 24-3.1, 24-5, 25-1, 28-3, 31-1, 31-4, 31-6, 31-7, 32-1, 32-2, 32-3, 32-4, and 32-8, subdivisions (a)(1) and (a)(2)(C) of Section 11-14.3, and subsections (1), (6) and (8) of Section 24-1 of the Criminal Code of 1961 or arrested for any cause but not convicted on that cause shall be disqualified from taking the examination on grounds of habits or moral character, unless the person is attempting to qualify for a position on the police department, in which case the conviction or arrest may be considered as a factor in determining the person's habits or moral character.

(d) Persons entitled to military preference under Section 10-1-16 shall not be subject to limitations specifying age unless they are applicants for a position as a fireman or a policeman having no previous employment status as a fireman or policeman in the regularly constituted fire or police department of the municipality, in which case they must not have attained their 35th birthday, except any person who has served as an auxiliary police officer under Section 3.1-30-20 for at least 5 years and is under 40 years of age.

(e) All employees of a municipality of less than 500,000 population (except those who would be excluded from the classified service as provided in this Division 1) who are holding that employment as of the date a municipality adopts this Division 1, or as of July 17, 1959, whichever date is the later, and who have held that employment for at least 2 years immediately before that later date, and all firemen and policemen regardless of length of service who were either appointed to their respective positions by the board of fire and police commissioners under the provisions of Division 2 of this Article or who are serving in a position (except as a temporary employee) in the fire or police department in the municipality on the date a municipality adopts this Division 1, or as of July 17, 1959, whichever date is the later, shall become members of the classified civil service of the municipality without examination.

(f) The examinations shall be practical in their character, and shall relate to those matters that will fairly test the relative capacity of the persons examined to discharge the duties of the positions to which they seek to be appointed. The examinations shall include tests of physical qualifications, health, and (when appropriate) manual skill. If an applicant is unable to pass the physical examination solely as the result of an injury received by the applicant as the result of the performance of an act of duty while working as a temporary employee in the position for which he or she is being examined, however, the physical examination shall be waived and the applicant shall be considered to have passed the examination. No questions in any examination shall relate to political or religious opinions or affiliations. Results of examinations and the eligible registers prepared from the results shall be published by the commission within 60 days after any examinations are held.

(g) The commission shall control all examinations, and may, whenever an examination is to take place, designate a suitable number of persons, either in or not in the official service of the municipality, to be examiners. The examiners shall conduct the examinations as directed by the commission and shall make a return or report of the examinations to the commission. If the appointed examiners are in the official service of the municipality, the examiners shall not receive extra compensation for conducting the examinations. The commission may at any time substitute any other person, whether or not in the service of the municipality, in the place of any one selected as an examiner. The commission members may themselves at any time act as examiners without appointing examiners. The examiners at any examination shall not all be members of the same political party.

(h) In municipalities of 500,000 or more population, no person who has attained his or her 35th birthday shall be eligible to take an examination for a position as a fireman or a policeman unless the person has had previous employment status as a policeman or fireman in the regularly constituted police or fire department of the municipality, except as provided in this Section.

(i) In municipalities of more than 5,000 but not more than 200,000 inhabitants, no person who has attained his or her 35th birthday shall be eligible to take an examination for a position as a fireman or a policeman unless the person has had previous employment status as a policeman or fireman in the

regularly constituted police or fire department of the municipality, except as provided in this Section.

(j) In all municipalities, applicants who are 20 years of age and who have successfully completed 2 years of law enforcement studies at an accredited college or university may be considered for appointment to active duty with the police department. An applicant described in this subsection (j) who is appointed to active duty shall not have power of arrest, nor shall the applicant be permitted to carry firearms, until he or she reaches 21 years of age.

(k) In municipalities of more than 500,000 population, applications for examination for and appointment to positions as firefighters or police shall be made available at various branches of the public library of the municipality.

(l) No municipality having a population less than 1,000,000 shall require that any fireman appointed to the lowest rank serve a probationary employment period of longer than one year. The limitation on periods of probationary employment provided in this amendatory Act of 1989 is an exclusive power and function of the State. Pursuant to subsection (h) of Section 6 of Article VII of the Illinois Constitution, a home rule municipality having a population less than 1,000,000 must comply with this limitation on periods of probationary employment, which is a denial and limitation of home rule powers. Notwithstanding anything to the contrary in this Section, the probationary employment period limitation may be extended for a firefighter who is required, as a condition of employment, to be a certified paramedic, during which time the sole reason that a firefighter may be discharged without a hearing is for failing to meet the requirements for paramedic certification.

(65 ILCS 5/10-2.1-6) (from Ch. 24, par. 10-2.1-6)

Sec. 10-2.1-6. Examination of applicants; disqualifications.

(a) All applicants for a position in either the fire or police department of the municipality shall be under 35 years of age, shall be subject to an examination that shall be public, competitive, and open to all applicants (unless the council or board of trustees by ordinance limit applicants to electors of the municipality, county, state or nation) and shall be subject to reasonable limitations as to residence, health, habits, and moral character. The municipality may not charge or collect any fee from an applicant who has met all prequalification standards established by the municipality for any such position. With respect to a police department, a veteran shall be allowed to exceed the maximum age provision of this Section by the number of years served on active military duty, but by no more than 10 years of active military duty.

(b) Residency requirements in effect at the time an individual enters the fire or police service of a municipality (other than a municipality that has more than 1,000,000 inhabitants) cannot be made more restrictive for that individual during his period of service for that municipality, or be made a condition of promotion, except for the rank or position of Fire or Police Chief.

(c) No person with a record of misdemeanor convictions except those under Sections 11-1.50, 11-6, 11-7, 11-9, 11-14, 11-15, 11-17, 11-18, 11-19, 11-30, 11-35, 12-2, 12-6, 12-15, 14-4, 16-1, 21.1-3, 24-3.1, 24-5, 25-1, 28-3, 31-1, 31-4, 31-6, 31-7, 32-1, 32-2, 32-3, 32-4, and 32-8, subdivisions (a)(1) and (a)(2)(C) of Section 11-14.3, and subsections (1), (6) and (8) of Section 24-1 of the Criminal Code of 1961 or arrested for any cause but not convicted on that cause shall be disqualified from taking the examination to qualify for a position in the fire department on grounds of habits or moral character.

(d) The age limitation in subsection (a) does not apply (i) to any person previously employed as a policeman or fireman in a regularly constituted police or fire department of (I) any municipality, regardless of whether the municipality is located in Illinois or in another state, or (II) a fire protection district whose obligations were assumed by a municipality under Section 21 of the Fire Protection District Act, (ii) to any person who has served a municipality as a regularly enrolled volunteer fireman for 5 years immediately preceding the time that municipality begins to use full time firemen to provide all or part of its fire protection service, or (iii) to any person who has served as an auxiliary police officer under Section 3.1-30-20 for at least 5 years and is under 40 years of age, (iv) to any person who has served as a deputy under Section 3-6008 of the Counties Code and otherwise meets necessary training requirements, or (v) to any person who has served as a sworn officer as a member of the Illinois Department of State Police.

(e) Applicants who are 20 years of age and who have successfully completed 2 years of law enforcement studies at an accredited college or university may be considered for appointment to active duty with the police department. An applicant described in this subsection (e) who is appointed to active duty shall not have power of arrest, nor shall the applicant be permitted to carry firearms, until he or she reaches 21 years of age.

(f) Applicants who are 18 years of age and who have successfully completed 2 years of study in fire techniques, amounting to a total of 4 high school credits, within the cadet program of a municipality may

be considered for appointment to active duty with the fire department of any municipality.

(g) The council or board of trustees may by ordinance provide that persons residing outside the municipality are eligible to take the examination.

(h) The examinations shall be practical in character and relate to those matters that will fairly test the capacity of the persons examined to discharge the duties of the positions to which they seek appointment. No person shall be appointed to the police or fire department if he or she does not possess a high school diploma or an equivalent high school education. A board of fire and police commissioners may, by its rules, require police applicants to have obtained an associate's degree or a bachelor's degree as a prerequisite for employment. The examinations shall include tests of physical qualifications and health. A board of fire and police commissioners may, by its rules, waive portions of the required examination for police applicants who have previously been full-time sworn officers of a regular police department in any municipal, county, university, or State law enforcement agency, provided they are certified by the Illinois Law Enforcement Training Standards Board and have been with their respective law enforcement agency within the State for at least 2 years. No person shall be appointed to the police or fire department if he or she has suffered the amputation of any limb unless the applicant's duties will be only clerical or as a radio operator. No applicant shall be examined concerning his or her political or religious opinions or affiliations. The examinations shall be conducted by the board of fire and police commissioners of the municipality as provided in this Division 2.1.

(i) No person who is classified by his local selective service draft board as a conscientious objector, or who has ever been so classified, may be appointed to the police department.

(j) No person shall be appointed to the police or fire department unless he or she is a person of good character and not an habitual drunkard, gambler, or a person who has been convicted of a felony or a crime involving moral turpitude. No person, however, shall be disqualified from appointment to the fire department because of his or her record of misdemeanor convictions except those under Sections 11-1.50, 11-6, 11-7, 11-9, 11-14, 11-15, 11-17, 11-18, 11-19, 11-30, 11-35, 12-2, 12-6, 12-15, 14-4, 16-1, 21.1-3, 24-3.1, 24-5, 25-1, 28-3, 31-1, 31-4, 31-6, 31-7, 32-1, 32-2, 32-3, 32-4, and 32-8, subdivisions (a)(1) and (a)(2)(C) of Section 11-14.3, and subsections (1), (6) and (8) of Section 24-1 of the Criminal Code of 1961 or arrest for any cause without conviction on that cause. Any such person who is in the department may be removed on charges brought and after a trial as provided in this Division 2.1.

Sec. 16.06. Eligibility for positions in fire department; disqualifications.

(a) All applicants for a position in the fire department of the fire protection district shall be under 35 years of age and shall be subjected to examination, which shall be public, competitive, and free to all applicants, subject to reasonable limitations as to health, habits, and moral character; provided that the foregoing age limitation shall not apply in the case of any person having previous employment status as a fireman in a regularly constituted fire department of any fire protection district, and further provided that each fireman or fire chief who is a member in good standing in a regularly constituted fire department of any municipality which shall be or shall have subsequently been included within the boundaries of any fire protection district now or hereafter organized shall be given a preference for original appointment in the same class, grade or employment over all other applicants. The examinations shall be practical in their character and shall relate to those matters which will fairly test the persons examined as to their relative capacity to discharge the duties of the positions to which they seek appointment. The examinations shall include tests of physical qualifications and health. No applicant, however, shall be examined concerning his political or religious opinions or affiliations. The examinations shall be conducted by the board of fire commissioners.

In any fire protection district that employs full-time firefighters and is subject to a collective bargaining agreement, a person who has not qualified for regular appointment under the provisions of this Section shall not be used as a temporary or permanent substitute for certificated members of a fire district's fire department or for regular appointment as a certificated member of a fire district's fire department unless mutually agreed to by the employee's certified bargaining agent. Such agreement shall be considered a permissive subject of bargaining. Fire protection districts covered by the changes made by this amendatory Act of the 95th General Assembly that are using non-certificated employees as substitutes immediately prior to the effective date of this amendatory Act of the 95th General Assembly may, by mutual agreement with the certified bargaining agent, continue the existing practice or a modified practice and that agreement shall be considered a permissive subject of bargaining.

(105 ILCS 5/2-3.147)

Sec. 2-3.147. The Ensuring Success in School Task Force.

(a) In this Section:

"Domestic violence" means abuse by a family or household member, as "abuse" and "family or household members" are defined in Section 103 of the Illinois Domestic Violence Act of 1986.

"Sexual violence" means sexual assault, abuse, or stalking of an adult or minor child proscribed in the Criminal Code of 1961 in Sections ~~11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60~~, 12-7.3, 12-7.4, 12-7.5, 12-12, 12-13, 12-14, 12-14.1, 12-15, and 12-16, including sexual violence committed by perpetrators who are strangers to the victim and sexual violence committed by perpetrators who are known or related by blood or marriage to the victim.

(b) The State Board of Education shall convene an Ensuring Success in School Task Force to develop policies, procedures, and protocols to be adopted by school districts for addressing the educational and related needs of children and youth who are parents, expectant parents, or victims of domestic or sexual violence to ensure their ability to stay in school, stay safe while in school, and successfully complete their education. (2) For purposes of enabling the recovery of State funds, any insurance carrier subject to this Section shall upon reasonable demand by the Department of Public Health disclose the names and identities of its insureds entitled to benefits under this provision to the Department of Public Health whenever the Department of Public Health has determined that it has paid, or is about to pay, hospital or medical expenses for which an insurance carrier is liable under this Section. (215 ILCS 5/367) (from Ch. 73, par. 979)

Sec. 367. Group accident and health insurance.

(1) Group accident and health insurance is hereby declared to be that form of accident and health insurance covering not less than 2 employees, members, or employees of members, written under a master policy issued to any governmental corporation, unit, agency or department thereof, or to any corporation, copartnership, individual employer, or to any association upon application of an executive officer or trustee of such association having a constitution or bylaws and formed in good faith for purposes other than that of obtaining insurance, where officers, members, employees, employees of members or classes or department thereof, may be insured for their individual benefit. In addition a group accident and health policy may be written to insure any group which may be insured under a group life insurance policy. The term "employees" shall include the officers, managers and employees of subsidiary or affiliated corporations, and the individual proprietors, partners and employees of affiliated individuals and firms, when the business of such subsidiary or affiliated corporations, firms or individuals, is controlled by a common employer through stock ownership, contract or otherwise.

(2) Any insurance company authorized to write accident and health insurance in this State shall have power to issue group accident and health policies. No policy of group accident and health insurance may be issued or delivered in this State unless a copy of the form thereof shall have been filed with the department and approved by it in accordance with Section 355, and it contains in substance those provisions contained in Sections 357.1 through 357.30 as may be applicable to group accident and health insurance and the following provisions:

(a) A provision that the policy, the application of the employer, or executive officer or trustee of any association, and the individual applications, if any, of the employees, members or employees of members insured shall constitute the entire contract between the parties, and that all statements made by the employer, or the executive officer or trustee, or by the individual employees, members or employees of members shall (in the absence of fraud) be deemed representations and not warranties, and that no such statement shall be used in defense to a claim under the policy, unless it is contained in a written application.

(b) A provision that the insurer will issue to the employer, or to the executive officer or trustee of the association, for delivery to the employee, member or employee of a member, who is insured under such policy, an individual certificate setting forth a statement as to the insurance protection to which he is entitled and to whom payable.

(c) A provision that to the group or class thereof originally insured shall be added from time to time all new employees of the employer, members of the association or employees of

members eligible to and applying for insurance in such group or class.

(3) Anything in this code to the contrary notwithstanding, any group accident and health policy may provide that all or any portion of any indemnities provided by any such policy on account of hospital, nursing, medical or surgical services, may, at the insurer's option, be paid directly to the hospital or person rendering such services; but the policy may not require that the service be rendered by a particular hospital or person. Payment so made shall discharge the insurer's obligation with respect to the amount of insurance so paid. Nothing in this subsection (3) shall prohibit an insurer from providing incentives for insureds to utilize the services of a particular hospital or person.

(4) Special group policies may be issued to school districts providing medical or hospital service, or both, for pupils of the district injured while participating in any athletic activity under the jurisdiction of or sponsored or controlled by the district or the authorities of any school thereof. The provisions of this Section governing the issuance of group accident and health insurance shall, insofar as applicable, control the issuance of such policies issued to schools.

(5) No policy of group accident and health insurance may be issued or delivered in this State unless it provides that upon the death of the insured employee or group member the dependents' coverage, if any, continues for a period of at least 90 days subject to any other policy provisions relating to termination of dependents' coverage.

(6) No group hospital policy covering miscellaneous hospital expenses issued or delivered in this State shall contain any exception or exclusion from coverage which would preclude the payment of expenses incurred for the processing and administration of blood and its components.

(7) No policy of group accident and health insurance, delivered in this State more than 120 days after the effective day of the Section, which provides inpatient hospital coverage for sicknesses shall exclude from such coverage the treatment of alcoholism. This subsection shall not apply to a policy which covers only specified sicknesses.

(8) No policy of group accident and health insurance, which provides benefits for hospital or medical expenses based upon the actual expenses incurred, issued or delivered in this State shall contain any specific exception to coverage which would preclude the payment of actual expenses incurred in the examination and testing of a victim of an offense defined in Sections 11-1.20 through 11-1.60 or 12-13 through 12-16 of the Criminal Code of 1961, or an attempt to commit such offense, to establish that sexual contact did occur or did not occur, and to establish the presence or absence of sexually transmitted disease or infection, and examination and treatment of injuries and trauma sustained by the victim of such offense, arising out of the offense. Every group policy of accident and health insurance which specifically provides benefits for routine physical examinations shall provide full coverage for expenses incurred in the examination and testing of a victim of an offense defined in Sections 11-1.20 through 11-1.60 or 12-13 through 12-16 of the Criminal Code of 1961, or an attempt to commit such offense, as set forth in this Section. This subsection shall not apply to a policy which covers hospital and medical expenses for specified illnesses and injuries only.

(9) For purposes of enabling the recovery of State funds, any insurance carrier subject to this Section shall upon reasonable demand by the Department of Public Health disclose the names and identities of its insureds entitled to benefits under this provision to the Department of Public Health whenever the Department of Public Health has determined that it has paid, or is about to pay, hospital or medical expenses for which an insurance carrier is liable under this Section. All information received by the Department of Public Health under this provision shall be held on a confidential basis and shall not be subject to subpoena and shall not be made public by the Department of Public Health or used for any purpose other than that authorized by this Section.

(10) Whenever the Department of Public Health finds that it has paid all or part of any hospital or medical expenses which an insurance carrier is obligated to pay under this Section, the Department of Public Health shall be entitled to receive reimbursement for its payments from such insurance carrier provided that the Department of Public Health has notified the insurance carrier of its claim before the carrier has paid the benefits to its insureds or the insureds' assignees.

(11) (a) No group hospital, medical or surgical expense policy shall contain any provision whereby benefits otherwise payable thereunder are subject to reduction solely on account of the existence of similar benefits provided under other group or group-type accident and sickness insurance policies where such reduction would operate to reduce total benefits payable under these policies below an amount equal to 100% of total allowable expenses provided under these policies.

(b) When dependents of insureds are covered under 2 policies, both of which contain coordination of benefits provisions, benefits of the policy of the insured whose birthday falls earlier in the year are determined before those of the policy of the insured whose birthday falls later in the year. Birthday, as used herein, refers only to the month and day in a calendar year, not the year in which the

person was born. The Department of Insurance shall promulgate rules defining the order of benefit determination pursuant to this paragraph (b).

(12) Every group policy under this Section shall be subject to the provisions of Sections 356g and 356n of this Code.

(13) No accident and health insurer providing coverage for hospital or medical expenses on an expense incurred basis shall deny reimbursement for an otherwise covered expense incurred for any organ transplantation procedure solely on the basis that such procedure is deemed experimental or investigational unless supported by the determination of the Office of Health Care Technology Assessment within the Agency for Health Care Policy and Research within the federal Department of Health and Human Services that such procedure is either experimental or investigational or that there is insufficient data or experience to determine whether an organ transplantation procedure is clinically acceptable. If an accident and health insurer has made written request, or had one made on its behalf by a national organization, for determination by the Office of Health Care Technology Assessment within the Agency for Health Care Policy and Research within the federal Department of Health and Human Services as to whether a specific organ transplantation procedure is clinically acceptable and said organization fails to respond to such a request within a period of 90 days, the failure to act may be deemed a determination that the procedure is deemed to be experimental or investigational.

(14) Whenever a claim for benefits by an insured under a dental prepayment program is denied or reduced, based on the review of x-ray films, such review must be performed by a dentist.

(3) Whenever the Department of Public Health finds that it has paid for all or part of any health care services for which a health maintenance organization is obligated to pay under this Section, the Department of Public Health shall be entitled to receive reimbursement for its payments from such organization provided that the Department of Public Health has notified the organization of its claims before the organization has paid such benefits to its enrollees or in behalf of its enrollees.

Section 1005. The Illinois Public Aid Code is amended by changing Section 4-1.7 as follows: (305 ILCS 5/4-1.7) (from Ch. 23, par. 4-1.7)

Sec. 4-1.7. Enforcement of Parental Child Support Obligation. If the parent or parents of the child are failing to meet or are delinquent in their legal obligation to support the child, the parent or other person having custody of the child or the Department of Healthcare and Family Services may request the law enforcement officer authorized or directed by law to so act to file action for the enforcement of such remedies as the law provides for the fulfillment of the child support obligation.

If a parent has a judicial remedy against the other parent to compel child support, or if, as the result of an action initiated by or in behalf of one parent against the other, a child support order has been entered in respect to which there is noncompliance or delinquency, or where the order so entered may be changed upon petition to the court to provide additional support, the parent or other person having custody of the child or the Department of Healthcare and Family Services may request the appropriate law enforcement officer to seek enforcement of the remedy, or of the support order, or a change therein to provide additional support. If the law enforcement officer is not authorized by law to so act in these instances, the parent, or if so authorized by law the other person having custody of the child, or the Department of Healthcare and Family Services may initiate an action to enforce these remedies.

A parent or other person having custody of the child must comply with the requirements of Title IV of the federal Social Security Act, and the regulations duly promulgated thereunder, and any rules promulgated by the Illinois Department regarding enforcement of the child support obligation. The Department of Healthcare and Family Services and the Department of Human Services may provide by rule for the grant or continuation of aid to the person for a temporary period if he or she accepts counseling or other services designed to increase his or her motivation to seek enforcement of the child support obligation.

In addition to any other definition of failure or refusal to comply with the requirements of Title IV of the federal Social Security Act, or Illinois Department rule, in the case of failure to attend court hearings, the parent or other person can show cooperation by attending a court hearing or, if a court hearing cannot be scheduled within 14 days following the court hearing that was missed, by signing a statement that the parent or other person is now willing to cooperate in the child support enforcement process and will appear at any later scheduled court date. The parent or other person can show cooperation by signing such a statement only once. If failure to attend the court hearing or other failure to cooperate results in the case being dismissed, such a statement may be signed after 2 months.

No denial or termination of medical assistance pursuant to this Section shall commence during pregnancy of the parent or other person having custody of the child or for 30 days after the termination of such pregnancy. The termination of medical assistance may commence thereafter if the Department of Healthcare and Family Services determines that the failure or refusal to comply with this Section persists. Postponement of denial or termination of medical assistance during pregnancy under this paragraph shall be effective only to the extent it does not conflict with federal law or regulation.

Any evidence a parent or other person having custody of the child gives in order to comply with the requirements of this Section shall not render him or her liable to prosecution under Section 11-35 or 11-40 Sections 11-7 or 11-8 of the "Criminal Code of 1961", approved July 28, 1961, as amended.

[May 7, 2010]

When so requested, the Department of Healthcare and Family Services and the Department of Human Services shall provide such services and assistance as the law enforcement officer may require in connection with the filing of any action hereunder.

The Department of Healthcare and Family Services and the Department of Human Services, as an expense of administration, may also provide applicants for and recipients of aid with such services and assistance, including assumption of the reasonable costs of prosecuting any action or proceeding, as may be necessary to enable them to enforce the child support liability required hereunder.

Nothing in this Section shall be construed as a requirement that an applicant or recipient file an action for dissolution of marriage against his or her spouse.

The cancellation shall remain in effect pending the outcome of a hearing pursuant to Section 2-118 of this Code. The scope of the hearing shall be limited to the issuance criteria contained in subsection (a) of this Section. A petition requesting a hearing shall be submitted to the Secretary of State and shall contain the reason the individual feels he or she is entitled to a school bus driver permit. The permit holder's employer shall notify in writing to the Secretary of State that the employer has certified the removal of the offending school bus driver from service prior to the start of that school bus driver's next workshift. An employing school board that fails to remove the offending school bus driver from service is subject to the penalties defined in Section 3-14.23 of the School Code. A school bus contractor who violates a provision of this Section is subject to the penalties defined in Section 6-106.11.

All valid school bus driver permits issued under this Section prior to January 1, 1995, shall remain effective until their expiration date unless otherwise invalidated.

(h) When a school bus driver permit holder who is a service member is called to active duty, the employer of the permit holder shall notify the Secretary of State, within 30 days of notification from the permit holder, that the permit holder has been called to active duty. Upon notification pursuant to this subsection, (i) the Secretary of State shall characterize the permit as inactive until a permit holder renews the permit as provided in subsection (i) of this Section, and (ii) if a permit holder fails to comply with the requirements of this Section while called to active duty, the Secretary of State shall not characterize the permit as invalid.

(i) A school bus driver permit holder who is a service member returning from active duty must, within

90 days, renew a permit characterized as inactive pursuant to subsection (h) of this Section by complying with the renewal requirements of subsection (b) of this Section.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. The notice to be deposited in the United States mail, postage prepaid, to the last known address of the person.

2. If the Secretary of State suspends the driver's license of a person under subsection 2 of paragraph (a) of this Section, a person's privilege to operate a vehicle as an occupation shall not be suspended, provided an affidavit is properly completed, the appropriate fee received, and a permit issued prior to the effective date of the suspension, unless 5 offenses were committed, at least 2 of which occurred while operating a commercial vehicle in connection with the driver's regular occupation. All other driving privileges shall be suspended by the Secretary of State. Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship (as defined by the rules of the Secretary of State), issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself, or a family member of the petitioner's household to a medical facility, to receive necessary medical care, to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children living in the petitioner's household to and from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension under Section 11-501.1; or

(iii) a suspension under Section 6-203.1;

arising out of separate occurrences; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(C) The person issued a permit conditioned upon the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the Secretary of State, or the parent or legal guardian of a driver under the age of 18. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 21 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

(705 ILCS 405/1-8) (from Ch. 37, par. 801-8)

Sec. 1-8. Confidentiality and accessibility of juvenile court records.

(A) Inspection and copying of juvenile court records relating to a minor who is the subject of a proceeding under this Act shall be restricted to the following:

(1) The minor who is the subject of record, his parents, guardian and counsel.

(2) Law enforcement officers and law enforcement agencies when such information is essential to executing an arrest or search warrant or other compulsory process, or to conducting an ongoing investigation or relating to a minor who has been adjudicated delinquent and there has been a previous finding that the act which constitutes the previous offense was committed in furtherance of criminal activities by a criminal street gang.

Before July 1, 1994, for the purposes of this Section, "criminal street gang" means any ongoing organization, association, or group of 3 or more persons, whether formal or informal, having as one of its primary activities the commission of one or more criminal acts and that has a common name or common identifying sign, symbol or specific color apparel displayed, and whose members individually or collectively engage in or have engaged in a pattern of criminal activity.

Beginning July 1, 1994, for purposes of this Section, "criminal street gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(3) Judges, hearing officers, prosecutors, probation officers, social workers or other individuals assigned by the court to conduct a pre-adjudication or preadjudication investigation, and individuals responsible for supervising or providing temporary or permanent care and custody for minors pursuant to the order of the juvenile court when essential to performing their responsibilities.

(4) Judges, prosecutors and probation officers:

(a) in the course of a trial when institution of criminal proceedings has been permitted or required under Section 5-805; or

(b) when criminal proceedings have been permitted or required under Section 5-805 and a minor is the subject of a proceeding to determine the amount of bail; or

(c) when criminal proceedings have been permitted or required under Section 5-805

and a minor is the subject of a pre-trial investigation, pre-sentence investigation or fitness hearing, or proceedings on an application for probation; or

(d) when a minor becomes 17 years of age or older, and is the subject of criminal proceedings, including a hearing to determine the amount of bail, a pre-trial investigation, a pre-sentence investigation, a fitness hearing, or proceedings on an application for probation.

(5) Adult and Juvenile Prisoner Review Boards.

(6) Authorized military personnel.

(7) Victims, their subrogees and legal representatives; however, such persons shall have access only to the name and address of the minor and information pertaining to the disposition or alternative adjustment plan of the juvenile court.

(8) Persons engaged in bona fide research, with the permission of the presiding judge of the juvenile court and the chief executive of the agency that prepared the particular records; provided that publication of such research results in no disclosure of a minor's identity and protects the confidentiality of the record.

(9) The Secretary of State to whom the Clerk of the Court shall report the disposition of all cases, as required in Section 6-204 of the Illinois Vehicle Code. However, information reported relative to these offenses shall be privileged and available only to the Secretary of State, courts, and police officers.

(10) The administrator of a bonafide substance abuse student assistance program with the permission of the presiding judge of the juvenile court.

(11) Mental health professionals on behalf of the Illinois Department of Corrections or the Department of Human Services or prosecutors who are evaluating, prosecuting, or investigating a potential or actual petition brought under the Sexually Persons Commitment Act relating to a person who is the subject of juvenile court records or the respondent to a petition brought under the Sexually Violent Persons Commitment Act, who is the subject of juvenile court records sought. Any records and any information obtained from those records under this paragraph (11) may be used only in sexually violent persons commitment proceedings.

(A-1) Findings and exclusions of paternity entered in proceedings occurring under Article II of this Act shall be disclosed, in a manner and form approved by the Presiding Judge of the Juvenile Court, to the Department of Healthcare and Family Services when necessary to discharge the duties of the Department of Healthcare and Family Services under Article X of the Illinois Public Aid Code.

(B) A minor who is the victim in a juvenile proceeding shall be provided the same confidentiality regarding disclosure of identity as the minor who is the subject of record.

(C) Except as otherwise provided in this subsection (C), juvenile court records shall not be made available to the general public but may be inspected by representatives of agencies, associations and news media or other properly interested persons by general or special order of the court presiding over matters pursuant to this Act.

(0.1) In cases where the records concern a pending juvenile court case, the party seeking to inspect the juvenile court records shall provide actual notice to the attorney or guardian ad litem of the minor whose records are sought.

(0.2) In cases where the records concern a juvenile court case that is no longer pending, the party seeking to inspect the juvenile court records shall provide actual notice to the minor or the minor's parent or legal guardian, and the matter shall be referred to the chief judge presiding over matters pursuant to this Act.

(0.3) In determining whether the records should be available for inspection, the court shall consider the minor's interest in confidentiality and rehabilitation over the moving party's interest in obtaining the information. The State's Attorney, the minor, and the minor's parents, guardian, and counsel shall at all times have the right to examine court files and records. For purposes of obtaining documents pursuant to this Section, a civil subpoena is not an order of the court.

(0.4) Any records obtained in violation of this subsection (C) shall not be admissible in any criminal or civil proceeding, or operate to disqualify a minor from subsequently holding public office, or operate as a forfeiture of any public benefit, right, privilege, or right to receive any license granted by public authority.

(1) The court shall allow the general public to have access to the name, address, and offense of a minor who is adjudicated a delinquent minor under this Act under either of the following circumstances:

(A) The adjudication of delinquency was based upon the minor's commission of first degree murder, attempt to commit first degree murder, aggravated criminal sexual assault, or criminal sexual assault; or

(B) The court has made a finding that the minor was at least 13 years of age at the time the act was committed and the adjudication of delinquency was based upon the minor's commission of: (i) an act in furtherance of the commission of a felony as a member of or on behalf of a criminal street gang, (ii) an act involving the use of a firearm in the commission of a felony, (iii) an act that would be a Class X felony offense under or the minor's second or subsequent Class 2 or greater felony offense under the Cannabis Control Act if committed by an adult, (iv) an act that would be a second or subsequent offense under Section 402 of the Illinois Controlled Substances Act if committed by an adult, (v) an act that would be an offense under Section 401 of the Illinois Controlled Substances Act if committed by an adult, (vi) an act that would be a second or subsequent offense under Section 60 of the Methamphetamine Control and Community Protection Act, or (vii) an act that would be an offense under another Section of the Methamphetamine Control and Community Protection Act.

(2) The court shall allow the general public to have access to the name, address, and offense of a minor who is at least 13 years of age at the time the offense is committed and who is convicted, in criminal proceedings permitted or required under Section 5-4, under either of the following circumstances:

(A) The minor has been convicted of first degree murder, attempt to commit first degree murder, aggravated criminal sexual assault, or criminal sexual assault,

(B) The court has made a finding that the minor was at least 13 years of age at the time the offense was committed and the conviction was based upon the minor's commission of: (i) an offense in furtherance of the commission of a felony as a member of or on behalf of a criminal street gang, (ii) an offense involving the use of a firearm in the commission of a felony, (iii) a Class X felony offense under or a second or subsequent Class 2 or greater felony offense under the Cannabis Control Act, (iv) a second or subsequent offense under Section 402 of the Illinois Controlled Substances Act, (v) an offense under Section 401 of the Illinois Controlled Substances Act, (vi) an act that would be a second or subsequent offense under Section 60 of the Methamphetamine Control and Community Protection Act, or (vii) an act that would be an offense under another Section of the Methamphetamine Control and Community Protection Act.

(D) Pending or following any adjudication of delinquency for any offense defined in Sections 11-1.20 through 11-1.60 or 12-13 through 12-16 of the Criminal Code of 1961, the victim of any such offense shall receive the rights set out in Sections 4 and 6 of the Bill of Rights for Victims and Witnesses of Violent Crime Act; and the juvenile who is the subject of the adjudication, notwithstanding any other provision of this Act, shall be treated as an adult for the purpose of affording such rights to the victim.

(E) Nothing in this Section shall affect the right of a Civil Service Commission or appointing authority of any state, county or municipality examining the character and fitness of an applicant for employment with a law enforcement agency, correctional institution, or fire department to ascertain whether that applicant was ever adjudicated to be a delinquent minor and, if so, to examine the records of disposition or evidence which were made in proceedings under this Act.

(F) Following any adjudication of delinquency for a crime which would be a felony if committed by an adult, or following any adjudication of delinquency for a violation of Section 24-1, 24-3, 24-3.1, or 24-5 of the Criminal Code of 1961, the State's Attorney shall ascertain whether the minor respondent is enrolled in school and, if so, shall provide a copy of the dispositional order to the principal or chief administrative officer of the school. Access to such juvenile records shall be limited to the principal or chief administrative officer of the school and any guidance counselor designated by him.

(G) Nothing contained in this Act prevents the sharing or disclosure of information or records relating or pertaining to juveniles subject to the provisions of the Serious Habitual Offender Comprehensive Action Program when that information is used to assist in the early identification and treatment of habitual juvenile offenders.

(H) When a Court hearing a proceeding under Article II of this Act becomes aware that an earlier proceeding under Article II had been heard in a different county, that Court shall request, and the Court in which the earlier proceedings were initiated shall transmit, an authenticated copy of the Court record, including all documents, petitions, and orders filed therein and the minute orders, transcript of proceedings, and docket entries of the Court.

(I) The Clerk of the Circuit Court shall report to the Department of State Police, in the form and manner required by the Department of State Police, the final disposition of each minor who has been arrested or taken into custody before his or her 17th birthday for those offenses required to be reported under Section 5 of the Criminal Identification Act. Information reported to the Department under this Section may be maintained with records that the Department files under Section 2.1 of the Criminal Identification Act.

(4) Unless the guardian ad litem is an attorney, he shall be represented by counsel.

(5) The reasonable fees of a guardian ad litem appointed under this Section shall be fixed by the court and charged to the parents of the minor, to the extent they are able to pay. If the parents are unable to pay those fees, they shall be paid from the general fund of the county.

(7) The appointed guardian ad litem shall remain the child's guardian ad litem throughout the entire juvenile trial court proceedings, including permanency hearings and termination of parental rights proceedings, unless there is a substitution entered by order of the court.

(8) The guardian ad litem or an agent of the guardian ad litem shall have a minimum of one in-person contact with the minor and one contact with one of the current foster parents or caregivers prior to the adjudicatory hearing, and at least one additional in-person contact with the child and one contact with one of the current foster parents or caregivers after the adjudicatory hearing but prior to the first permanency hearing and one additional in-person contact with the child and one contact with one of the current foster parents or caregivers each subsequent year. The Department of Children and Family Services shall develop and distribute to all guardians ad litem a bibliography containing information including but not limited to the juvenile court process, termination of parental rights, child development, medical aspects of child abuse, and the child's need for safety and permanence.

The Sheriff shall furnish a copy of the order of protection to the Department of State Police within 24 hours of receipt, in the form and manner required by the Department. The Department of State Police shall maintain a complete record and index of such orders of protection and make this data available to all local law enforcement agencies.

Such person does not have a right to appointed counsel or to be present at any hearing other than the hearing in which the order of protection is being sought or a hearing directly pertaining to that order. Unless the court orders otherwise, such person does not have a right to inspect the court file.
- (8) All protective orders entered under this Section shall be in writing. Unless the person against whom the order was obtained was present in court when the order was issued, the sheriff, other law enforcement official or special process server shall promptly serve that order upon that person and file proof of such service, in the manner provided for service of process in civil proceedings. The person against whom the protective order was obtained may seek a modification of the order by filing a written motion to modify the order within 7 days after actual receipt by the person of a copy of the order. Any modification of the order granted by the court must be determined to be consistent with the best interests

Sec. 12-18.1. Civil Liability. (a) If any person has been convicted of any offense defined in Section 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-13, 12-14, 12-15, or 12-16 of this Act, a victim of such offense has a cause of action for damages against any person or entity who, by the manufacture, production, or wholesale distribution of any obscene material which was possessed or viewed by the person convicted of the offense, proximately caused such person, through his or her reading or viewing of the obscene material, to commit the violation of Section 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-13, 12-14, 12-15, or 12-16. No victim may recover in any such action unless he or she proves by a preponderance of the evidence that: (1) the reading or viewing of the specific obscene material manufactured, produced, or distributed wholesale by the defendant proximately caused the person convicted of the violation of Section 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-13, 12-14, 12-15, or 12-16 to commit such violation and (2) the defendant knew or had reason to know that the manufacture,

production, or wholesale distribution of such material was likely to cause a violation of an offense substantially of the type enumerated.

(b) The manufacturer, producer or wholesale distributor shall be liable to the victim for:

- (1) actual damages incurred by the victim, including medical costs;
- (2) court costs and reasonable attorneys fees;
- (3) infliction of emotional distress;
- (4) pain and suffering; and

- (2) "wholesale distributor" means any individual, partnership, corporation, association, or other legal entity which stands between the manufacturer and the retail seller in purchases, consignments, contracts for sale or rental of the obscene material;

- (4) "manufacturer" means any individual, partnership, corporation, association, or other legal entity which manufactures, assembles or produces obscene material.

(720 ILCS 5/12-30) (from Ch. 38, par. 12-30)

Sec. 12-30. Violation of an order of protection.

(a) A person commits violation of an order of protection if:

(1) He or she commits an act which was prohibited by a court or fails to commit an act which was ordered by a court in violation of:

(i) a remedy in a valid order of protection authorized under paragraphs (1), (2),

(3), (14), or (14.5) of subsection (b) of Section 214 of the Illinois Domestic Violence Act of 1986,

(ii) a remedy, which is substantially similar to the remedies authorized under

paragraphs (1), (2), (3), (14) or (14.5) of subsection (b) of Section 214 of the Illinois Domestic Violence Act of 1986, in a valid order of protection, which is authorized under the laws of another state, tribe or United States territory,

(iii) any other remedy when the act constitutes a crime against the protected

parties as the term protected parties is defined in Section 112A-4 of the Code of Criminal Procedure of 1963; and

(2) Such violation occurs after the offender has been served notice of the contents of

the order, pursuant to the Illinois Domestic Violence Act of 1986 or any substantially similar statute of another state, tribe or United States territory, or otherwise has acquired actual knowledge of the contents of the order.

An order of protection issued by a state, tribal or territorial court related to domestic or family violence shall be deemed valid if the issuing court had jurisdiction over the parties and matter under the law of the state, tribe or territory. There shall be a presumption of validity where an order is certified and appears authentic on its face.

(a-5) Failure to provide reasonable notice and opportunity to be heard shall be an affirmative defense to any charge or process filed seeking enforcement of a foreign order of protection.

(b) For purposes of this Section, an "order of protection" may have been issued in a criminal or civil proceeding.

(c) Nothing in this Section shall be construed to diminish the inherent authority of the courts to enforce their lawful orders through civil or criminal contempt proceedings.

(d) Violation of an order of protection under subsection (a) of this Section is a Class A misdemeanor. Violation of an order of protection under subsection (a) of this Section is a Class 4 felony if the defendant has any prior conviction under this Code for domestic battery (Section 12-3.2) or violation of an order of protection (Section 12-30). Violation of an order of protection is a Class 4 felony if the defendant has any prior conviction under this Code for first degree murder (Section 9-1), attempt to commit first degree murder (Section 8-4), aggravated domestic battery (Section 12-3.3), aggravated battery (Section 12-4), heinous battery (Section 12-4.1), aggravated battery with a firearm (Section

12-4.2), aggravated battery of a child (Section 12-4.3), aggravated battery of an unborn child (Section 12-4.4), aggravated battery of a senior citizen (Section 12-4.6), stalking (Section 12-7.3), aggravated stalking (Section 12-7.4), criminal sexual assault (Section 11-1.20 or 12-13), aggravated criminal sexual assault (Section 11-1.30 or 12-14), kidnapping (Section 10-1), aggravated kidnapping (Section 10-2), predatory criminal sexual assault of a child (Section 11-1.40 or 12-14.1), aggravated criminal sexual abuse (Section 11-1.60 or 12-16), unlawful restraint (Section 10-3), aggravated unlawful restraint (Section 10-3.1), aggravated arson (Section 20-1.1), or aggravated discharge of a firearm (Section 24-1.2), when any of these offenses have been committed against a family or household member as defined in Section 112A-3 of the Code of Criminal Procedure of 1963. The court shall impose a minimum penalty of 24 hours imprisonment for defendant's second or subsequent violation of any order of protection; unless the court explicitly finds that an increased penalty or such period of imprisonment would be manifestly unjust. In addition to any other penalties, the court may order the defendant to pay a fine as authorized under Section 5-9-1 of the Unified Code of Corrections or to make restitution to the victim under Section 5-5-6 of the Unified Code of Corrections. In addition to any other penalties, including those imposed by Section 5-9-1.5 of the Unified Code of Corrections, the court shall impose an additional fine of \$20 as authorized by Section 5-9-1.11 of the Unified Code of Corrections upon any person convicted of or placed on supervision for a violation of this Section. The additional fine shall be imposed for each violation of this Section.

(e) The limitations placed on law enforcement liability by Section 305 of the Illinois Domestic Violence Act of 1986 apply to actions taken under this Section.

Any vessel, vehicle or aircraft used with the knowledge and consent of the owner in the commission of, or in the attempt to commit as defined in Section 8-4 of this Code, an offense prohibited by (a) Section 9-1, 9-3, 10-2, 11-1.20, 11-1.30, 11-1.40, 11-6, 11-14.4 except for keeping a place of juvenile prostitution, 11-15.1, 11-19.1, 11-19.2, 11-20.1, 11-20.1B, 11-20.3, 12-4.1, 12-4.2, 12-4.2-5, 12-4.3, 12-4.6, 12-7.3, 12-7.4, 12-13, 12-14, 16-1 if the theft is of precious metal or of scrap metal, 18-2, 19-1, 19-2, 19-3, 20-1, 20-2, ~~29D-15.2~~, 24-1.2, 24-1.2-5, 24-1.5, ~~or 28-1~~, or 29D-15.2 of this Code, paragraph (a) of Section 12-4 of this Code, paragraph (a) of Section 11-1.50, paragraph (a) of Section 12-15, paragraph (a), (c), or (d) of Section 11-1.60, or paragraphs (a), (c) or (d) of Section 12-16 of this Code, or paragraph (a)(6) or (a)(7) of Section 24-1 of this Code; (b) Section 21, 22, 23, 24 or 26 of the Cigarette Tax Act if the vessel, vehicle or aircraft contains more than 10 cartons of such cigarettes; (c) Section 28, 29 or 30 of the Cigarette Use Tax Act if the vessel, vehicle or aircraft contains more than 10 cartons of such cigarettes; (d) Section 44 of the Environmental Protection Act; (e) 11-204.1 of the Illinois Vehicle Code; (f) the offenses described in the following provisions of the Illinois Vehicle Code: Section 11-501 subdivisions (c-1)(1), (c-1)(2), (c-1)(3), (d)(1)(A), (d)(1)(D), (d)(1)(G), or (d)(1)(H); (g) an offense described in subsection (g) of Section 6-303 of the Illinois Vehicle Code; or (h) an offense described in subsection (e) of Section 6-101 of the Illinois Vehicle Code; may be seized and delivered forthwith to the sheriff of the county of seizure.

Within 15 days after such delivery the sheriff shall give notice of seizure to each person according to the following method: Upon each such person whose right, title or interest is of record in the office of the Secretary of State, the Secretary of Transportation, the Administrator of the Federal Aviation Agency, or any other Department of this State, or any other state of the United States if such vessel, vehicle or aircraft is required to be so registered, as the case may be, by mailing a copy of the notice by certified mail to the address as given upon the records of the Secretary of State, the Department of Aeronautics, Department of Public Works and Buildings or any other Department of this State or the United States if such vessel, vehicle or aircraft is required to be so registered. Within that 15 day period the sheriff shall also notify the State's Attorney of the county of seizure about the seizure.

In addition, any mobile or portable equipment used in the commission of an act which is in violation of Section 7g of the Metropolitan Water Reclamation District Act shall be subject to seizure and forfeiture under the same procedures provided in this Article for the seizure and forfeiture of vessels, vehicles and aircraft, and any such equipment shall be deemed a vessel, vehicle or aircraft for purposes of this Article.

When a person discharges a firearm at another individual from a vehicle with the knowledge and consent of the owner of the vehicle and with the intent to cause death or great bodily harm to that individual and as a result causes death or great bodily harm to that individual, the vehicle shall be subject to seizure and forfeiture under the same procedures provided in this Article for the seizure and forfeiture of vehicles used in violations of clauses (a), (b), (c), or (d) of this Section.

If the spouse of the owner of a vehicle seized for an offense described in subsection (g) of Section

6-303 of the Illinois Vehicle Code, a violation of subdivision (c-1)(1), (c-1)(2), (c-1)(3), (d)(1)(A), or (d)(1)(D) of Section 11-501 of the Illinois Vehicle Code, or Section 9-3 of this Code makes a showing that the seized vehicle is the only source of transportation and it is determined that the financial hardship to the family as a result of the seizure outweighs the benefit to the State from the seizure, the vehicle may be forfeited to the spouse or family member and the title to the vehicle shall be transferred to the spouse or family member who is properly licensed and who requires the use of the vehicle for employment or family transportation purposes. A written declaration of forfeiture of a vehicle under this Section shall be sufficient cause for the title to be transferred to the spouse or family member. The provisions of this paragraph shall apply only to one forfeiture per vehicle. If the vehicle is the subject of a subsequent forfeiture proceeding by virtue of a subsequent conviction of either spouse or the family member, the spouse or family member to whom the vehicle was forfeited under the first forfeiture proceeding may not utilize the provisions of this paragraph in another forfeiture proceeding. If the owner of the vehicle seized owns more than one vehicle, the procedure set out in this paragraph may be used for only one vehicle.

Property declared contraband under Section 40 of the Illinois Streetgang Terrorism Omnibus Prevention Act may be seized and forfeited under this Article.

Section 110-6.3. The Code of Criminal Procedure of 1963 is amended by changing Sections 110-6.3, 110-10, 111-8, 114-4, 115-7, 115-7.2, 115-7.3, 115-10, 115-10.3, 115-11, 115-11.1, 115-13, 115-16, 116-4, 124B-10, 124B-100, 124B-420, and 124B-500 as follows:

(725 ILCS 5/110-6.3) (from Ch. 38, par. 110-6.3)

Sec. 110-6.3. Denial of bail in stalking and aggravated stalking offenses.

(a) Upon verified petition by the State, the court shall hold a hearing to determine whether bail should be denied to a defendant who is charged with stalking or aggravated stalking, when it is alleged that the defendant's admission to bail poses a real and present threat to the physical safety of the alleged victim of the offense, and denial of release on bail or personal recognizance is necessary to prevent fulfillment of the threat upon which the charge is based.

(1) A petition may be filed without prior notice to the defendant at the first

appearance before a judge, or within 21 calendar days, except as provided in Section 110-6, after arrest and release of the defendant upon reasonable notice to defendant; provided that while the petition is pending before the court, the defendant if previously released shall not be detained.

(2) The hearing shall be held immediately upon the defendant's appearance before the court, unless for good cause shown the defendant or the State seeks a continuance. A continuance on motion of the defendant may not exceed 5 calendar days, and the defendant may be held in custody during the continuance. A continuance on the motion of the State may not exceed 3 calendar days; however, the defendant may be held in custody during the continuance under this provision if the defendant has been previously found to have violated an order of protection or has been previously convicted of, or granted court supervision for, any of the offenses set forth in Sections 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-2, 12-3.2, 12-3.3, 12-4, 12-4.1, 12-7.3, 12-7.4, 12-13, 12-14, 12-14.1, 12-15 or 12-16 of the Criminal Code of 1961, against the same person as the alleged victim of the stalking or aggravated stalking offense.

(b) The court may deny bail to the defendant when, after the hearing, it is determined that:

- (1) the proof is evident or the presumption great that the defendant has committed the offense of stalking or aggravated stalking; and
- (2) the defendant poses a real and present threat to the physical safety of the alleged

victim of the offense; and

(3) the denial of release on bail or personal recognizance is necessary to prevent fulfillment of the threat upon which the charge is based; and

(4) the court finds that no condition or combination of conditions set forth in subsection (b) of Section 110-10 of this Code, including mental health treatment at a community mental health center, hospital, or facility of the Department of Human Services, can reasonably assure the physical safety of the alleged victim of the offense.

(c) Conduct of the hearings.

(1) The hearing on the defendant's culpability and threat to the alleged victim of the offense shall be conducted in accordance with the following provisions:

(A) Information used by the court in its findings or stated in or offered at the hearing may be by way of proffer based upon reliable information offered by the State or by defendant. Defendant has the right to be represented by counsel, and if he is indigent, to have counsel appointed for him. Defendant shall have the opportunity to testify, to present witnesses in his own behalf, and to cross-examine witnesses if any are called by the State. The defendant has the right to present witnesses in his favor. When the ends of justice so require, the court may exercise its discretion and compel the appearance of a complaining witness. The court shall state on the record reasons for granting a defense request to compel the presence of a complaining witness. Cross-examination of a complaining witness at the pretrial detention hearing for the purpose of impeaching the witness' credibility is insufficient reason to compel the presence of the witness. In deciding whether to compel the appearance of a complaining witness, the court shall be considerate of the emotional and physical well-being of the witness. The pretrial detention hearing is not to be used for the purposes of discovery, and the post arraignment rules of discovery do not apply. The State shall tender to the defendant, prior to the hearing, copies of defendant's criminal history, if any, if available, and any written or recorded statements and the substance of any oral statements made by any person, if relied upon by the State. The rules concerning the admissibility of evidence in criminal trials do not apply to the presentation and consideration of information at the hearing. At the trial concerning the offense for which the hearing was conducted neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for impeachment, or as provided in Section 115-10.1 of this Code, or in a perjury proceeding.

(B) A motion by the defendant to suppress evidence or to suppress a confession shall not be entertained. Evidence that proof may have been obtained as the result of an unlawful search and seizure or through improper interrogation is not relevant to this state of the prosecution.

(2) The facts relied upon by the court to support a finding that:

(A) the defendant poses a real and present threat to the physical safety of the alleged victim of the offense; and

(B) the denial of release on bail or personal recognizance is necessary to prevent fulfillment of the threat upon which the charge is based; shall be supported by clear and convincing evidence presented by the State.

(d) Factors to be considered in making a determination of the threat to the alleged victim of the offense. The court may, in determining whether the defendant poses, at the time of the hearing, a real and present threat to the physical safety of the alleged victim of the offense, consider but shall not be limited to evidence or testimony concerning:

(1) The nature and circumstances of the offense charged;

(2) The history and characteristics of the defendant including:

(A) Any evidence of the defendant's prior criminal history indicative of violent, abusive or assaultive behavior, or lack of that behavior. The evidence may include testimony or documents received in juvenile proceedings, criminal, quasi-criminal, civil commitment, domestic relations or other proceedings;

(B) Any evidence of the defendant's psychological, psychiatric or other similar social history that tends to indicate a violent, abusive, or assaultive nature, or lack of any such history.

(3) The nature of the threat which is the basis of the charge against the defendant;

(4) Any statements made by, or attributed to the defendant, together with the circumstances surrounding them;

(5) The age and physical condition of any person assaulted by the defendant;

(6) Whether the defendant is known to possess or have access to any weapon or weapons;

(7) Whether, at the time of the current offense or any other offense or arrest, the

defendant was on probation, parole, mandatory supervised release or other release from custody pending trial, sentencing, appeal or completion of sentence for an offense under federal or state law;

(8) Any other factors, including those listed in Section 110-5 of this Code, deemed by the court to have a reasonable bearing upon the defendant's propensity or reputation for violent, abusive or assaultive behavior, or lack of that behavior.

(e) The court shall, in any order denying bail to a person charged with stalking or aggravated stalking:

(1) briefly summarize the evidence of the defendant's culpability and its reasons for concluding that the defendant should be held without bail;

(2) direct that the defendant be committed to the custody of the sheriff for confinement in the county jail pending trial;

(3) direct that the defendant be given a reasonable opportunity for private consultation with counsel, and for communication with others of his choice by visitation, mail and telephone; and

(4) direct that the sheriff deliver the defendant as required for appearances in connection with court proceedings.

(f) If the court enters an order for the detention of the defendant under subsection (e) of this Section, the defendant shall be brought to trial on the offense for which he is detained within 90 days after the date on which the order for detention was entered. If the defendant is not brought to trial within the 90 day period required by this subsection (f), he shall not be held longer without bail. In computing the 90 day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant. The court shall immediately notify the alleged victim of the offense that the defendant has been admitted to bail under this subsection.

(g) Any person shall be entitled to appeal any order entered under this Section denying bail to the defendant.

(h) The State may appeal any order entered under this Section denying any motion for denial of bail.

(i) Nothing in this Section shall be construed as modifying or limiting in any way the defendant's presumption of innocence in further criminal proceedings.

(725 ILCS 5/110-10) (from Ch. 38, par. 110-10)

Sec. 110-10. Conditions of bail bond.

(a) If a person is released prior to conviction, either upon payment of bail security or on his or her own recognizance, the conditions of the bail bond shall be that he or she will:

(1) Appear to answer the charge in the court having jurisdiction on a day certain and thereafter as ordered by the court until discharged or final order of the court;

(2) Submit himself or herself to the orders and process of the court;

(3) Not depart this State without leave of the court;

(4) Not violate any criminal statute of any jurisdiction;

(5) At a time and place designated by the court, surrender all firearms in his or her possession to a law enforcement officer designated by the court to take custody of and impound the firearms and physically surrender his or her Firearm Owner's Identification Card to the clerk of the circuit court when the offense the person has been charged with is a forcible felony, stalking, aggravated stalking, domestic battery, any violation of the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Cannabis Control Act that is classified as a Class 2 or greater felony, or any felony violation of Article 24 of the Criminal Code of 1961; the court may, however, forgo the imposition of this condition when the circumstances of the case clearly do not warrant it or when its imposition would be impractical; all legally possessed firearms shall be returned to the person upon the charges being dismissed, or if the person is found not guilty, unless the finding of not guilty is by reason of insanity; and

(6) At a time and place designated by the court, submit to a psychological evaluation when the person has been charged with a violation of item (4) of subsection (a) of Section 24-1 of the Criminal Code of 1961 and that violation occurred in a school or in any conveyance owned, leased, or contracted by a school to transport students to or from school or a school-related activity, or on any public way within 1,000 feet of real property comprising any school.

Psychological evaluations ordered pursuant to this Section shall be completed promptly and made available to the State, the defendant, and the court. As a further condition of bail under these circumstances, the court shall order the defendant to refrain from entering upon the property of the school, including any conveyance owned, leased, or contracted by a school to transport students to or from school or a school-related activity, or on any public way within 1,000 feet of real property comprising any school. Upon receipt of the psychological evaluation, either the State or the defendant

may request a change in the conditions of bail, pursuant to Section 110-6 of this Code. The court may change the conditions of bail to include a requirement that the defendant follow the recommendations of the psychological evaluation, including undergoing psychiatric treatment. The conclusions of the psychological evaluation and any statements elicited from the defendant during its administration are not admissible as evidence of guilt during the course of any trial on the charged offense, unless the defendant places his or her mental competency in issue.

(b) The court may impose other conditions, such as the following, if the court finds that such conditions are reasonably necessary to assure the defendant's appearance in court, protect the public from the defendant, or prevent the defendant's unlawful interference with the orderly administration of justice:

- (1) Report to or appear in person before such person or agency as the court may direct;
- (2) Refrain from possessing a firearm or other dangerous weapon;
- (3) Refrain from approaching or communicating with particular persons or classes of persons;
- (4) Refrain from going to certain described geographical areas or premises;
- (5) Refrain from engaging in certain activities or indulging in intoxicating liquors or in certain drugs;
- (6) Undergo treatment for drug addiction or alcoholism;
- (7) Undergo medical or psychiatric treatment;
- (8) Work or pursue a course of study or vocational training;
- (9) Attend or reside in a facility designated by the court;
- (10) Support his or her dependents;
- (11) If a minor resides with his or her parents or in a foster home, attend school,

attend a non-residential program for youths, and contribute to his or her own support at home or in a foster home;

- (12) Observe any curfew ordered by the court;

(13) Remain in the custody of such designated person or organization agreeing to supervise his release. Such third party custodian shall be responsible for notifying the court if the defendant fails to observe the conditions of release which the custodian has agreed to monitor, and shall be subject to contempt of court for failure so to notify the court;

(14) Be placed under direct supervision of the Pretrial Services Agency, Probation Department or Court Services Department in a pretrial bond home supervision capacity with or without the use of an approved electronic monitoring device subject to Article 8A of Chapter V of the Unified Code of Corrections;

(14.1) The court shall impose upon a defendant who is charged with any alcohol, cannabis, methamphetamine, or controlled substance violation and is placed under direct supervision of the Pretrial Services Agency, Probation Department or Court Services Department in a pretrial bond home supervision capacity with the use of an approved monitoring device, as a condition of such bail bond, a fee that represents costs incidental to the electronic monitoring for each day of such bail supervision ordered by the court, unless after determining the inability of the defendant to pay the fee, the court assesses a lesser fee or no fee as the case may be. The fee shall be collected by the clerk of the circuit court. The clerk of the circuit court shall pay all monies collected from this fee to the county treasurer for deposit in the substance abuse services fund under Section 5-1086.1 of the Counties Code;

(14.2) The court shall impose upon all defendants, including those defendants subject to paragraph (14.1) above, placed under direct supervision of the Pretrial Services Agency, Probation Department or Court Services Department in a pretrial bond home supervision capacity with the use of an approved monitoring device, as a condition of such bail bond, a fee which shall represent costs incidental to such electronic monitoring for each day of such bail supervision ordered by the court, unless after determining the inability of the defendant to pay the fee, the court assesses a lesser fee or no fee as the case may be. The fee shall be collected by the clerk of the circuit court. The clerk of the circuit court shall pay all monies collected from this fee to the county treasurer who shall use the monies collected to defray the costs of corrections. The county treasurer shall deposit the fee collected in the county working cash fund under Section 6-27001 or Section 6-29002 of the Counties Code, as the case may be;

(14.3) The Chief Judge of the Judicial Circuit may establish reasonable fees to be paid by a person receiving pretrial services while under supervision of a pretrial services agency, probation department, or court services department. Reasonable fees may be charged for pretrial services including, but not limited to, pretrial supervision, diversion programs, electronic monitoring, victim

impact services, drug and alcohol testing, DNA testing, GPS electronic monitoring, assessments and evaluations related to domestic violence and other victims, and victim mediation services. The person receiving pretrial services may be ordered to pay all costs incidental to pretrial services in accordance with his or her ability to pay those costs;

(14.4) For persons charged with violating Section 11-501 of the Illinois Vehicle Code, refrain from operating a motor vehicle not equipped with an ignition interlock device, as defined in Section 1-129.1 of the Illinois Vehicle Code, pursuant to the rules promulgated by the Secretary of State for the installation of ignition interlock devices. Under this condition the court may allow a defendant who is not self-employed to operate a vehicle owned by the defendant's employer that is not equipped with an ignition interlock device in the course and scope of the defendant's employment;

(15) Comply with the terms and conditions of an order of protection issued by the court under the Illinois Domestic Violence Act of 1986 or an order of protection issued by the court of another state, tribe, or United States territory;

(16) Under Section 110-6.5 comply with the conditions of the drug testing program; and

(17) Such other reasonable conditions as the court may impose.

(c) When a person is charged with an offense under Section 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-13, 12-14, 12-14.1, 12-15 or 12-16 of the "Criminal Code of 1961", involving a victim who is a minor under 18 years of age living in the same household with the defendant at the time of the offense, in granting bail or releasing the defendant on his own recognizance, the judge shall impose conditions to restrict the defendant's access to the victim which may include, but are not limited to conditions that he will:

1. Vacate the Household.
2. Make payment of temporary support to his dependents.
3. Refrain from contact or communication with the child victim, except as ordered by the court.

(d) When a person is charged with a criminal offense and the victim is a family or household member as defined in Article 112A, conditions shall be imposed at the time of the defendant's release on bond that restrict the defendant's access to the victim. Unless provided otherwise by the court, the restrictions shall include requirements that the defendant do the following:

- (1) refrain from contact or communication with the victim for a minimum period of 72 hours following the defendant's release; and
- (2) refrain from entering or remaining at the victim's residence for a minimum period of 72 hours following the defendant's release.

(e) Local law enforcement agencies shall develop standardization forms for use in cases involving family or household members as defined in Article 112A, including specific conditions of bond as provided in subsection (d). Failure of any law enforcement department to develop or use those forms shall in no way limit the applicability and enforcement of subsections (d) and (f).

(f) If the defendant is admitted to bail after conviction the conditions of the bail bond shall be that he will, in addition to the conditions set forth in subsections (a) and (b) hereof:

- (1) Duly prosecute his appeal;

(725 ILCS 5/114-4) (from Ch. 38, par. 114-4)

Sec. 114-4. Motion for continuance.

(a) The defendant or the State may move for a continuance. If the motion is made more than 30 days after arraignment the court shall require that it be in writing and supported by affidavit.

(b) A written motion for continuance made by defendant more than 30 days after arraignment may be granted when:

(1) Counsel for the defendant is ill, has died, or is held to trial in another cause; or

(2) Counsel for the defendant has been unable to prepare for trial because of illness or because he has been held to trial in another cause; or

(3) A material witness is unavailable and the defense will be prejudiced by the absence of his testimony; however, this shall not be a ground for continuance if the State will stipulate that the testimony of the witness would be as alleged; or

(4) The defendant cannot stand trial because of physical or mental incompetency; or

(5) Pre-trial publicity concerning the case has caused a prejudice against defendant on the part of the community; or

(6) The amendment of a charge or a bill of particulars has taken the defendant by surprise and he cannot fairly defend against such an amendment without a continuance.

(c) A written motion for continuance made by the State more than 30 days after arraignment may be granted when:

(1) The prosecutor assigned to the case is ill, has died, or is held to trial in another cause; or

(2) A material witness is unavailable and the prosecution will be prejudiced by the absence of his testimony; however this shall not be a ground for continuance if the defendant will stipulate that the testimony of the witness would be as alleged; or

(3) Pre-trial publicity concerning the case has caused a prejudice against the prosecution on the part of the community.

(d) The court may upon the written motion of either party or upon the court's own motion order a continuance for grounds not stated in subsections (b) and (c) of this Section if he finds that the interests of justice so require.

(e) All motions for continuance are addressed to the discretion of the trial court and shall be considered in the light of the diligence shown on the part of the movant. Where 1 year has expired since the filing of an information or indictments, filed after January 1, 1980, if the court finds that the State has failed to use due diligence in bringing the case to trial, the court may, after a hearing had on the cause, on its own motion, dismiss the information or indictment. Any demand that the defendant had made for a speedy trial under Section 103-5 of this code shall not abate if the State files a new information or the grand jury reindicts in the cause.

After a hearing has been held upon the issue of the State's diligence and the court has found that the State has failed to use due diligence in pursuing the prosecution, the court may not dismiss the indictment or information without granting the State one more court date upon which to proceed. Such date shall be not less than 14 nor more than 30 days from the date of the court's finding. If the State is not prepared to proceed upon that date, the court shall dismiss the indictment or information, as provided in this Section.

(f) After trial has begun a reasonably brief continuance may be granted to either side in the interests of justice.

(g) During the time the General Assembly is in session, the court shall, on motion of either party or on its own motion, grant a continuance where the party or his attorney is a member of either house of the General Assembly whose presence is necessary for the full, fair trial of the cause and, in the case of an attorney, where the attorney was retained by the party before the cause was set for trial.

(h) This Section shall be construed to the end that criminal cases are tried with due diligence

consonant with the rights of the defendant and the State to a speedy, fair and impartial trial.

(i) Physical incapacity of a defendant may be grounds for a continuance at any time. If, upon written motion of the defendant or the State or upon the court's own motion, and after presentation of affidavits or evidence, the court determines that the defendant is physically unable to appear in court or to assist in his defense, or that such appearance would endanger his health or result in substantial prejudice, a continuance shall be granted. If such continuance precedes the appearance of counsel for such defendant the court shall simultaneously appoint counsel in the manner prescribed by Section 113-3 of this Act. Such continuance shall suspend the provisions of Section 103-5 of this Act, which periods of time limitation shall commence anew when the court, after presentation of additional affidavits or evidence, has determined that such physical incapacity has been substantially removed.

(j) In actions arising out of building code violations or violations of municipal ordinances caused by the failure of a building or structure to conform to the minimum standards of health and safety, the court shall grant a continuance only upon a written motion by the party seeking the continuance specifying the reason why such continuance should be granted.

(k) In prosecutions for violations of Section 10-1, 10-2, 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-13, 12-14, 12-14.1, 12-15 or 12-16 of the "Criminal Code of 1961" involving a victim or witness who is a minor under 18 years of age, the court shall, in ruling on any motion or other request for a delay or continuance of proceedings, consider and give weight to the adverse impact the delay or continuance may have on the well-being of a child or witness.

(l) The court shall consider the age of the victim and the condition of the victim's health when ruling on a motion for a continuance.

Sec. 115-7. a. In prosecutions for predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, criminal sexual abuse, or criminal transmission of HIV; and in prosecutions for battery and aggravated battery, when the commission of the offense involves sexual penetration or sexual conduct as defined in Section 11-0.1 ~~12-12~~ of the Criminal Code of 1961; and with the trial or retrial of the offenses formerly known as rape, deviate sexual assault, indecent liberties with a child, and aggravated indecent liberties with a child, the prior sexual activity or the reputation of the alleged victim or corroborating witness under Section 115-7.3 of this Code is inadmissible except (1) as evidence concerning the past sexual conduct of the alleged victim or corroborating witness under Section 115-7.3 of this Code with the accused when this evidence is offered by the accused upon the issue of whether the alleged victim or corroborating witness under Section 115-7.3 of this Code consented to the sexual conduct with respect to which the offense is alleged; or (2) when constitutionally required to be admitted.

b. No evidence admissible under this Section shall be introduced unless ruled admissible by the trial judge after an offer of proof has been made at a hearing to be held in camera in order to determine whether the defense has evidence to impeach the witness in the event that prior sexual activity with the defendant is denied. Such offer of proof shall include reasonably specific information as to the date, time and place of the past sexual conduct between the alleged victim or corroborating witness under Section 115-7.3 of this Code and the defendant. Unless the court finds that reasonably specific information as to date, time or place, or some combination thereof, has been offered as to prior sexual activity with the defendant, counsel for the defendant shall be ordered to refrain from inquiring into prior sexual activity between the alleged victim or corroborating witness under Section 115-7.3 of this Code and the defendant. The court shall not admit evidence under this Section unless it determines at the hearing that the evidence is relevant and the probative value of the evidence outweighs the danger of unfair prejudice. The evidence shall be admissible at trial to the extent an order made by the court specifies the evidence that may be admitted and areas with respect to which the alleged victim or corroborating witness under Section 115-7.3 of this Code may be examined or cross examined.

- (c) If a statement is admitted pursuant to this Section, the court shall instruct the jury that it is for the jury to determine the weight and credibility to be given the statement and that, in making the determination, it shall consider the age and maturity of the child, or the intellectual capabilities of the moderately, severely, or profoundly mentally retarded person, the nature of the statement, the circumstances under which the statement was made, and any other relevant factor.
- (d) The proponent of the statement shall give the adverse party reasonable notice of his intention to offer the statement and the particulars of the statement.

Sec. 115-16. Witness disqualification. No person shall be disqualified as a witness in a criminal case or proceeding by reason of his or her interest in the event of the case or proceeding, as a party or otherwise, or by reason of his or her having been convicted of a crime; but the interest or conviction may be shown for the purpose of affecting the credibility of the witness. Sec. 116-4. Preservation of evidence for forensic testing.

(a) Before or after the trial in a prosecution for a violation of Section 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961 or in a prosecution for an offense defined in Article 9 of that Code, or in a prosecution for an attempt in violation of Section 8-4 of that Code of any of the above-enumerated offenses, unless otherwise provided herein under subsection (b) or (c), a law enforcement agency or an agent acting on behalf of the law enforcement agency shall preserve, subject to a continuous chain of custody, any physical evidence in their possession or control that is reasonably likely to contain forensic evidence, including, but not limited to, fingerprints or biological material secured in relation to a trial and with sufficient documentation to locate that evidence.

(b) After a judgment of conviction is entered, the evidence shall either be impounded with the Clerk of the Circuit Court or shall be securely retained by a law enforcement agency. Retention shall be permanent in cases where a sentence of death is imposed. Retention shall be until the completion of the sentence, including the period of mandatory supervised release for the offense, or January 1, 2006, whichever is later, for any conviction for an offense or an attempt of an offense defined in Article 9 of the Criminal Code of 1961 or in Section 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961 or for 7 years following any conviction for any other felony for which the defendant's genetic profile may be taken by a law enforcement agency and submitted for comparison in a forensic DNA database for unsolved offenses.

(c) After a judgment of conviction is entered, the law enforcement agency required to retain evidence described in subsection (a) may petition the court with notice to the defendant or, in cases where the defendant has died, his estate, his attorney of record, or an attorney appointed for that purpose by the court for entry of an order allowing it to dispose of evidence if, after a hearing, the court determines by a preponderance of the evidence that:

(1) it has no significant value for forensic science analysis and should be returned to its rightful owner, destroyed, used for training purposes, or as otherwise provided by law; or

(2) it has no significant value for forensic science analysis and is of a size, bulk, or physical character not usually retained by the law enforcement agency and cannot practicably be retained by the law enforcement agency; or

(3) there no longer exists a reasonable basis to require the preservation of the evidence because of the death of the defendant; however, this paragraph (3) does not apply if a sentence of death was imposed.

(d) The court may order the disposition of the evidence if the defendant is allowed the opportunity to take reasonable measures to remove or preserve portions of the evidence in question for future testing.

(d-5) Any order allowing the disposition of evidence pursuant to subsection (c) or (d) shall be a final and appealable order. No evidence shall be disposed of until 30 days after the order is entered, and if a notice of appeal is filed, no evidence shall be disposed of until the mandate has been received by the circuit court from the appellate court.

(d-10) All records documenting the possession, control, storage, and destruction of evidence and all police reports, evidence control or inventory records, and other reports cited in this Section, including computer records, must be retained for as long as the evidence exists and may not be disposed of without the approval of the Local Records Commission.

(e) In this Section, "law enforcement agency" includes any of the following or an agent acting on behalf of any of the following: a municipal police department, county sheriff's office, any prosecuting authority, the Department of State Police, or any other State, university, county, federal, or municipal police unit or police force.

"Biological material" includes, but is not limited to, any blood, hair, saliva, or semen from which genetic marker groupings may be obtained.

Section 1060. The Statewide Grand Jury Act is amended by changing Sections 2 and 3 as follows:
(725 ILCS 215/2) (from Ch. 38, par. 1702)

Sec. 2. (a) County grand juries and State's Attorneys have always had and shall continue to have primary responsibility for investigating, indicting, and prosecuting persons who violate the criminal laws of the State of Illinois. However, in recent years organized terrorist activity directed against innocent civilians and certain criminal enterprises have developed that require investigation, indictment, and prosecution on a statewide or multicounty level. The criminal enterprises exist as a result of the allure of profitability present in narcotic activity, the unlawful sale and transfer of firearms, and streetgang related felonies and organized terrorist activity is supported by the contribution of money and expert assistance from geographically diverse sources. In order to shut off the life blood of terrorism and weaken or eliminate the criminal enterprises, assets, and property used to further these offenses must be frozen, and any profit must be removed. State statutes exist that can accomplish that goal. Among them are the offense of money laundering, the Cannabis and Controlled Substances Tax Act, violations of Article 29D of the Criminal Code of 1961, the Narcotics Profit Forfeiture Act, and gunrunning. Local prosecutors need investigative personnel and specialized training to attack and eliminate these profits. In light of the transitory and complex nature of conduct that constitutes these criminal activities, the many diverse property interests that may be used, acquired directly or indirectly as a result of these criminal activities, and the many places that illegally obtained property may be located, it is the purpose of this Act to create a limited, multicounty Statewide Grand Jury with authority to investigate, indict, and prosecute: narcotic activity, including cannabis and controlled substance trafficking, narcotics racketeering, money laundering, violations of the Cannabis and Controlled Substances Tax Act, and violations of Article 29D of the Criminal Code of 1961; the unlawful sale and transfer of firearms; gunrunning; and streetgang related felonies.

(b) A Statewide Grand Jury may also investigate, indict, and prosecute violations facilitated by the use of a computer of any of the following offenses: indecent solicitation of a child, sexual exploitation of a child, soliciting for a juvenile prostitute, keeping a place of juvenile prostitution, juvenile pimping, ~~or child pornography~~, aggravated child pornography, or promoting juvenile prostitution except as described in subdivision (a)(4) of Section 11-14.4 of the Criminal Code of 1961.

(725 ILCS 215/3) (from Ch. 38, par. 1703)

Sec. 3. Written application for the appointment of a Circuit Judge to convene and preside over a Statewide Grand Jury, with jurisdiction extending throughout the State, shall be made to the Chief Justice of the Supreme Court. Upon such written application, the Chief Justice of the Supreme Court shall appoint a Circuit Judge from the circuit where the Statewide Grand Jury is being sought to be convened, who shall make a determination that the convening of a Statewide Grand Jury is necessary.

In such application the Attorney General shall state that the convening of a Statewide Grand Jury is

necessary because of an alleged offense or offenses set forth in this Section involving more than one county of the State and identifying any such offense alleged; and

(a) that he or she believes that the grand jury function for the investigation and indictment of the offense or offenses cannot effectively be performed by a county grand jury together with the reasons for such belief, and

(b)(1) that each State's Attorney with jurisdiction over an offense or offenses to be investigated has consented to the impaneling of the Statewide Grand Jury, or

(2) if one or more of the State's Attorneys having jurisdiction over an offense or offenses to be investigated fails to consent to the impaneling of the Statewide Grand Jury, the Attorney General shall set forth good cause for impaneling the Statewide Grand Jury.

If the Circuit Judge determines that the convening of a Statewide Grand Jury is necessary, he or she shall convene and impanel the Statewide Grand Jury with jurisdiction extending throughout the State to investigate and return indictments:

- (6) afford the defendant the opportunity to make a statement in his own behalf;
- (7) afford the victim of a violent crime or a violation of Section 11-501 of the

Illinois Vehicle Code, or a similar provision of a local ordinance, or a qualified individual affected by: (i) a violation of Section 405, 405.1, 405.2, or 407 of the Illinois Controlled Substances Act or a violation of Section 55 or Section 65 of the Methamphetamine Control and Community Protection Act, or (ii) a Class 4 felony violation of Section 11-14, 11-14.3 except as described in subdivisions (a)(2)(A) and (a)(2)(B), 11-15, 11-17, 11-18, 11-18.1, or 11-19 of the Criminal Code of 1961, committed by the defendant the opportunity to make a statement concerning the impact on the victim and to offer evidence in aggravation or mitigation; provided that the statement and evidence offered in aggravation or mitigation must first be prepared in writing in conjunction with the State's Attorney before it may be presented orally at the hearing. Any sworn testimony offered by the victim is subject to the defendant's right to cross-examine. All statements and evidence offered under this paragraph (7) shall become part of the record of the court. For the purpose of this paragraph (7), "qualified individual" means any person who (i) lived or worked within the territorial jurisdiction where the offense took place when the offense took place; and (ii) is familiar with various public places within the territorial jurisdiction where the offense took place when the offense took place. For the purposes of this paragraph (7), "qualified individual" includes any peace officer, or any member of any duly organized State, county, or municipal peace unit assigned to the territorial jurisdiction where the offense took place when the offense took place;

(8) in cases of reckless homicide afford the victim's spouse, guardians, parents or other immediate family members an opportunity to make oral statements; and

(9) in cases involving a felony sex offense as defined under the Sex Offender Management Board Act, consider the results of the sex offender evaluation conducted pursuant to Section 5-3-2 of this Act.

(b) All sentences shall be imposed by the judge based upon his independent assessment of the elements specified above and any agreement as to sentence reached by the parties. The judge who presided at the trial or the judge who accepted the plea of guilty shall impose the sentence unless he is no longer sitting as a judge in that court. Where the judge does not impose sentence at the same time on all defendants who are convicted as a result of being involved in the same offense, the defendant or the State's Attorney may advise the sentencing court of the disposition of any other defendants who have been sentenced.

(c) In imposing a sentence for a violent crime or for an offense of operating or being in physical control of a vehicle while under the influence of alcohol, any other drug or any combination thereof, or a similar provision of a local ordinance, when such offense resulted in the personal injury to someone other than the defendant, the trial judge shall specify on the record the particular evidence, information, factors in mitigation and aggravation or other reasons that led to his sentencing determination. The full verbatim record of the sentencing hearing shall be filed with the clerk of the court and shall be a public record.

(c-1) In imposing a sentence for the offense of aggravated kidnapping for ransom, home invasion, armed robbery, aggravated vehicular hijacking, aggravated discharge of a firearm, or armed violence with a category I weapon or category II weapon, the trial judge shall make a finding as to whether the conduct leading to conviction for the offense resulted in great bodily harm to a victim, and shall enter that finding and the basis for that finding in the record.

(c-2) If the defendant is sentenced to prison, other than when a sentence of natural life imprisonment or a sentence of death is imposed, at the time the sentence is imposed the judge shall state on the record

in open court the approximate period of time the defendant will serve in custody according to the then current statutory rules and regulations for early release found in Section 3-6-3 and other related provisions of this Code. This statement is intended solely to inform the public, has no legal effect on the defendant's actual release, and may not be relied on by the defendant on appeal.

The judge's statement, to be given after pronouncing the sentence, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her good conduct credit, the period of estimated actual custody is ... years and ... months, less up to 180 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3 committed on or after June 19, 1998, and other than when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, and other than when the sentence is imposed for aggravated arson if the offense was committed on or after July 27, 2001 (the effective date of Public Act 92-176), the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her good conduct credit, the period of estimated actual custody is ... years and ... months, less up to 90 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3, other than first degree murder, and the offense was committed on or after June 19, 1998, and when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, and when the sentence is imposed for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, and when the sentence is imposed for aggravated arson if the offense was committed on or after July 27, 2001 (the effective date of Public Act 92-176), the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is entitled to no more than 4 1/2 days of good conduct credit for each month of his or her sentence of imprisonment. Therefore, this defendant will serve at least 85% of his or her sentence. Assuming the defendant receives 4 1/2 days credit for each month of his or her sentence, the period of estimated actual custody is ... years and ... months. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations receives lesser credit, the actual time served in prison will be longer."

When a sentence of imprisonment is imposed for first degree murder and the offense was committed on or after June 19, 1998, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is not entitled to good conduct credit.

Therefore, this defendant will serve 100% of his or her sentence."

When the sentencing order recommends placement in a substance abuse program for any offense that results in incarceration in a Department of Corrections facility and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the judge's statement, in addition to any other judge's statement required under this Section, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant shall receive no good conduct credit under clause (3) of subsection (a) of Section 3-6-3 until he or she participates in and completes a substance abuse treatment program or receives a waiver from the Director of Corrections pursuant to clause (4.5) of subsection (a) of Section 3-6-3."

(c-4) Before the sentencing hearing and as part of the presentence investigation under Section 5-3-1, the court shall inquire of the defendant whether the defendant is currently serving in or is a veteran of the Armed Forces of the United States. If the defendant is currently serving in the Armed Forces of the United States or is a veteran of the Armed Forces of the United States and has been diagnosed as having a mental illness by a qualified psychiatrist or clinical psychologist or physician, the court may:

(1) order that the officer preparing the presentence report consult with the United States Department of Veterans Affairs, Illinois Department of Veterans' Affairs, or another agency or person with suitable knowledge or experience for the purpose of providing the court with information regarding treatment options available to the defendant, including federal, State, and local programming; and

(2) consider the treatment recommendations of any diagnosing or treating mental health professionals together with the treatment options available to the defendant in imposing sentence. For the purposes of this subsection (c-4), "qualified psychiatrist" means a reputable physician licensed in Illinois to practice medicine in all its branches, who has specialized in the diagnosis and treatment of mental and nervous disorders for a period of not less than 5 years.

(d) When the defendant is committed to the Department of Corrections, the State's Attorney shall and counsel for the defendant may file a statement with the clerk of the court to be transmitted to the department, agency or institution to which the defendant is committed to furnish such department, agency or institution with the facts and circumstances of the offense for which the person was committed together with all other factual information accessible to them in regard to the person prior to his commitment relative to his habits, associates, disposition and reputation and any other facts and circumstances which may aid such department, agency or institution during its custody of such person. The clerk shall within 10 days after receiving any such statements transmit a copy to such department, agency or institution and a copy to the other party, provided, however, that this shall not be cause for delay in conveying the person to the department, agency or institution to which he has been committed.

(e) The clerk of the court shall transmit to the department, agency or institution, if any, to which the defendant is committed, the following:

- (1) the sentence imposed;
- (2) any statement by the court of the basis for imposing the sentence;
- (3) any presentence reports;
- (3.5) any sex offender evaluations;
- (3.6) any substance abuse treatment eligibility screening and assessment of the defendant by an agent designated by the State of Illinois to provide assessment services for the Illinois courts;
- (4) the number of days, if any, which the defendant has been in custody and for which he is entitled to credit against the sentence, which information shall be provided to the clerk by the sheriff;
- (4.1) any finding of great bodily harm made by the court with respect to an offense enumerated in subsection (c-1);
- (5) all statements filed under subsection (d) of this Section;
- (6) any medical or mental health records or summaries of the defendant;
- (7) the municipality where the arrest of the offender or the commission of the offense has occurred, where such municipality has a population of more than 25,000 persons;
- (8) all statements made and evidence offered under paragraph (7) of subsection (a) of this Section; and
- (9) all additional matters which the court directs the clerk to transmit.

(g-5) (Blank).

(h) The Illinois Department of State Police shall be the State central repository for all genetic marker grouping analysis information obtained pursuant to this Act. The Illinois Department of State Police may promulgate rules for the form and manner of the collection of blood, saliva, or tissue samples and other procedures for the operation of this Act. The provisions of the Administrative Review Law shall apply to all actions taken under the rules so promulgated.

(i) (1) A person required to provide a blood, saliva, or tissue specimen shall cooperate with the collection of the specimen and any deliberate act by that person intended to impede, delay or stop the collection of the blood, saliva, or tissue specimen is a Class A misdemeanor.

Duly authorized law enforcement and corrections personnel may employ reasonable force in cases in which an individual refuses to provide a DNA sample required under this Act.

(j) Any person required by subsection (a) to submit specimens of blood, saliva, or tissue to the Illinois Department of State Police for analysis and categorization into genetic marker grouping, in addition to any other disposition, penalty, or fine imposed, shall pay an analysis fee of \$200. If the analysis fee is not paid at the time of sentencing, the court shall establish a fee schedule by which the entire amount of the analysis fee shall be paid in full, such schedule not to exceed 24 months from the time of conviction. The inability to pay this analysis fee shall not be the sole ground to incarcerate the person.

(k) All analysis and categorization fees provided for by subsection (j) shall be regulated as follows:

(1) The State Offender DNA Identification System Fund is hereby created as a special fund in the State Treasury.

(2) All fees shall be collected by the clerk of the court and forwarded to the State Offender DNA Identification System Fund for deposit. The clerk of the circuit court may retain the amount of \$10 from each collected analysis fee to offset administrative costs incurred in carrying out the clerk's responsibilities under this Section.

(3) Fees deposited into the State Offender DNA Identification System Fund shall be used by Illinois State Police crime laboratories as designated by the Director of State Police. These funds

shall be in addition to any allocations made pursuant to existing laws and shall be designated for the exclusive use of State crime laboratories. These uses may include, but are not limited to, the following:

- (A) Costs incurred in providing analysis and genetic marker categorization as required by subsection (d).
- (B) Costs incurred in maintaining genetic marker groupings as required by subsection (e).
- (C) Costs incurred in the purchase and maintenance of equipment for use in performing analyses.
- (D) Costs incurred in continuing research and development of new techniques for analysis and genetic marker categorization.
- (E) Costs incurred in continuing education, training, and professional development of forensic scientists regularly employed by these laboratories.

(l) The failure of a person to provide a specimen, or of any person or agency to collect a specimen, within the 45 day period shall in no way alter the obligation of the person to submit such specimen, or the authority of the Illinois Department of State Police or persons designated by the Department to collect the specimen, or the authority of the Illinois Department of State Police to accept, analyze and maintain the specimen or to maintain or upload results of genetic marker grouping analysis information into a State or national database.

(m) If any provision of this amendatory Act of the 93rd General Assembly is held unconstitutional or otherwise invalid, the remainder of this amendatory Act of the 93rd General Assembly is not affected.

(n) Neither the Department of State Police, the Division of Forensic Services, nor any laboratory of the Division of Forensic Services may contract out forensic testing for the purpose of an active investigation or a matter pending before a court of competent jurisdiction without the written consent of the prosecuting agency. For the purposes of this subsection (n), "forensic testing" includes the analysis of physical evidence in an investigation or other proceeding for the prosecution of a violation of the Criminal Code of 1961 or for matters adjudicated under the Juvenile Court Act of 1987, and includes the use of forensic databases and databanks, including DNA, firearm, and fingerprint databases, and expert testimony.

(730 ILCS 5/5-5-6) (from Ch. 38, par. 1005-5-6)

Sec. 5-5-6. In all convictions for offenses in violation of the Criminal Code of 1961 or of Section 11-501 of the Illinois Vehicle Code in which the person received any injury to his or her person or damage to his or her real or personal property as a result of the criminal act of the defendant, the court shall order restitution as provided in this Section. In all other cases, except cases in which restitution is required under this Section, the court must at the sentence hearing determine whether restitution is an appropriate sentence to be imposed on each defendant convicted of an offense. If the court determines that an order directing the offender to make restitution is appropriate, the offender may be sentenced to make restitution. The court may consider restitution an appropriate sentence to be imposed on each defendant convicted of an offense in addition to a sentence of imprisonment. The sentence of the defendant to a term of imprisonment is not a mitigating factor that prevents the court from ordering the defendant to pay restitution. If the offender is sentenced to make restitution the Court shall determine the restitution as hereinafter set forth:

(a) At the sentence hearing, the court shall determine whether the property may be restored in kind to the possession of the owner or the person entitled to possession thereof; or whether the defendant is possessed of sufficient skill to repair and restore property damaged; or whether the defendant should be required to make restitution in cash, for out-of-pocket expenses, damages, losses, or injuries found to have been proximately caused by the conduct of the defendant or another for whom the defendant is legally accountable under the provisions of Article V of the Criminal Code of 1961.

(b) In fixing the amount of restitution to be paid in cash, the court shall allow credit for property returned in kind, for property damages ordered to be repaired by the defendant, and for property ordered to be restored by the defendant; and after granting the credit, the court shall assess the actual out-of-pocket expenses, losses, damages, and injuries suffered by the victim named in the charge and any other victims who may also have suffered out-of-pocket expenses, losses, damages, and injuries proximately caused by the same criminal conduct of the defendant, and insurance carriers who have indemnified the named victim or other victims for the out-of-pocket expenses, losses, damages, or injuries, provided that in no event shall restitution be ordered to be paid on account of pain and suffering. If a defendant is placed on supervision for, or convicted of, domestic battery, the defendant shall be required to pay restitution to any domestic violence shelter in which the victim and any other family or household members lived because of the domestic battery. The amount of the restitution shall equal the actual expenses of the domestic violence shelter in providing housing and any other services for the victim and any other family or household members living at the shelter. If a defendant fails to pay restitution in the manner or within the time period specified by the court, the court may enter an order directing the sheriff to seize any real or personal property of a defendant to the extent necessary to satisfy the order of restitution and dispose of the property by public sale. All proceeds from such sale in excess of the amount of restitution plus court costs and the costs of the sheriff in conducting the sale shall be paid to the defendant. The defendant convicted of domestic battery, if a person under 18 years of age was present and witnessed the domestic battery of the victim, is liable to pay restitution for the cost of any counseling required for the child at the discretion of the court.

(c) In cases where more than one defendant is accountable for the same criminal conduct that results in out-of-pocket expenses, losses, damages, or injuries, each defendant shall be ordered to pay restitution in the amount of the total actual out-of-pocket expenses, losses, damages, or injuries to the victim proximately caused by the conduct of all of the defendants who are legally accountable for the offense.

(1) In no event shall the victim be entitled to recover restitution in excess of the actual out-of-pocket expenses, losses, damages, or injuries, proximately caused by the conduct of all of the defendants.

(2) As between the defendants, the court may apportion the restitution that is payable in proportion to each co-defendant's culpability in the commission of the offense.

(3) In the absence of a specific order apportioning the restitution, each defendant shall bear his pro rata share of the restitution.

(4) As between the defendants, each defendant shall be entitled to a pro rata reduction in the total restitution required to be paid to the victim for amounts of restitution actually

paid by co-defendants, and defendants who shall have paid more than their pro rata share shall be entitled to refunds to be computed by the court as additional amounts are paid by co-defendants.

(d) In instances where a defendant has more than one criminal charge pending against him in a single case, or more than one case, and the defendant stands convicted of one or more charges, a plea agreement negotiated by the State's Attorney and the defendants may require the defendant to make restitution to victims of charges that have been dismissed or which it is contemplated will be dismissed under the terms of the plea agreement, and under the agreement, the court may impose a sentence of restitution on the charge or charges of which the defendant has been convicted that would require the defendant to make restitution to victims of other offenses as provided in the plea agreement.

(e) The court may require the defendant to apply the balance of the cash bond, after payment of court costs, and any fine that may be imposed to the payment of restitution.

(f) Taking into consideration the ability of the defendant to pay, including any real or personal property or any other assets of the defendant, the court shall determine whether restitution shall be paid in a single payment or in installments, and shall fix a period of time not in excess of 5 years or the period of time specified in subsection (f-1), not including periods of incarceration, within which payment of restitution is to be paid in full. Complete restitution shall be paid in as short a time period as possible. However, if the court deems it necessary and in the best interest of the victim, the court may extend beyond 5 years the period of time within which the payment of restitution is to be paid. If the defendant is ordered to pay restitution and the court orders that restitution is to be paid over a period greater than 6 months, the court shall order that the defendant make monthly payments; the court may waive this requirement of monthly payments only if there is a specific finding of good cause for waiver.

(f-1)(1) In addition to any other penalty prescribed by law and any restitution ordered under this Section that did not include long-term physical health care costs, the court may, upon conviction of any misdemeanor or felony, order a defendant to pay restitution to a victim in accordance with the provisions of this subsection (f-1) if the victim has suffered physical injury as a result of the offense that is reasonably probable to require or has required long-term physical health care for more than 3 months. As used in this subsection (f-1) "long-term physical health care" includes mental health care.

(2) The victim's estimate of long-term physical health care costs may be made as part of a victim impact statement under Section 6 of the Rights of Crime Victims and Witnesses Act or made separately. The court shall enter the long-term physical health care restitution order at the time of sentencing. An order of restitution made under this subsection (f-1) shall fix a monthly amount to be paid by the defendant for as long as long-term physical health care of the victim is required as a result of the offense. The order may exceed the length of any sentence imposed upon the defendant for the criminal activity. The court shall include as a special finding in the judgment of conviction its determination of the monthly cost of long-term physical health care.

(3) After a sentencing order has been entered, the court may from time to time, on the petition of either the defendant or the victim, or upon its own motion, enter an order for restitution for long-term physical care or modify the existing order for restitution for long-term physical care as to the amount of monthly payments. Any modification of the order shall be based only upon a substantial change of circumstances relating to the cost of long-term physical health care or the financial condition of either the defendant or the victim. The petition shall be filed as part of the original criminal docket.

(g) In addition to the sentences provided for in Sections 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 11-19.2, 11-20.1, 11-20.1B, 11-20.3, 12-13, 12-14, 12-14.1, 12-15, and 12-16, and subdivision (a)(4) of Section 11-14.4, of the Criminal Code of 1961, the court may order any person who is convicted of violating any of those Sections or who was charged with any of those offenses and which charge was reduced to another charge as a result of a plea agreement under subsection (d) of this Section to meet all or any portion of the financial obligations of treatment, including but not limited to medical, psychiatric, or rehabilitative treatment or psychological counseling, prescribed for the victim or victims of the offense.

The payments shall be made by the defendant to the clerk of the circuit court and transmitted by the clerk to the appropriate person or agency as directed by the court. Except as otherwise provided in subsection (f-1), the order may require such payments to be made for a period not to exceed 5 years after sentencing, not including periods of incarceration.

(h) The judge may enter an order of withholding to collect the amount of restitution owed in accordance with Part 8 of Article XII of the Code of Civil Procedure.

(i) A sentence of restitution may be modified or revoked by the court if the offender commits another offense, or the offender fails to make restitution as ordered by the court, but no sentence to make restitution shall be revoked unless the court shall find that the offender has had the financial ability to make restitution, and he has wilfully refused to do so. When the offender's ability to pay restitution was established at the time an order of restitution was entered or modified, or when the offender's ability to pay was based on the offender's willingness to make restitution as part of a plea agreement made at the time the order of restitution was entered or modified, there is a rebuttable presumption that the facts and circumstances considered by the court at the hearing at which the order of restitution was entered or modified regarding the offender's ability or willingness to pay restitution have not materially changed. If the court shall find that the defendant has failed to make restitution and that the failure is not wilful, the court may impose an additional period of time within which to make restitution. The length of the additional period shall not be more than 2 years. The court shall retain all of the incidents of the original sentence, including the authority to modify or enlarge the conditions, and to revoke or further modify the sentence if the conditions of payment are violated during the additional period.

(j) The procedure upon the filing of a Petition to Revoke a sentence to make restitution shall be the same as the procedures set forth in Section 5-6-4 of this Code governing violation, modification, or revocation of Probation, of Conditional Discharge, or of Supervision.

(k) Nothing contained in this Section shall preclude the right of any party to proceed in a civil action to recover for any damages incurred due to the criminal misconduct of the defendant.

(l) Restitution ordered under this Section shall not be subject to disbursement by the circuit clerk under Section 27.5 of the Clerks of Courts Act.

(m) A restitution order under this Section is a judgment lien in favor of the victim that:

- (1) Attaches to the property of the person subject to the order;
- (2) May be perfected in the same manner as provided in Part 3 of Article 9 of the Uniform Commercial Code;
- (3) May be enforced to satisfy any payment that is delinquent under the restitution order by the person in whose favor the order is issued or the person's assignee; and
- (4) Expires in the same manner as a judgment lien created in a civil proceeding.

When a restitution order is issued under this Section, the issuing court shall send a certified copy of the order to the clerk of the circuit court in the county where the charge was filed. Upon receiving the order, the clerk shall enter and index the order in the circuit court judgment docket.

(n) An order of restitution under this Section does not bar a civil action for:

- (1) Damages that the court did not require the person to pay to the victim under the restitution order but arise from an injury or property damages that is the basis of restitution ordered by the court; and
- (2) Other damages suffered by the victim.

The restitution order is not discharged by the completion of the sentence imposed for the offense.

A restitution order under this Section is not discharged by the liquidation of a person's estate by a receiver. A restitution order under this Section may be enforced in the same manner as judgment liens are enforced under Article XII of the Code of Civil Procedure.

The provisions of Section 2-1303 of the Code of Civil Procedure, providing for interest on judgments, apply to judgments for restitution entered under this Section.

(730 ILCS 5/5-6-1) (from Ch. 38, par. 1005-6-1)

Sec. 5-6-1. Sentences of Probation and of Conditional Discharge and Disposition of Supervision. The General Assembly finds that in order to protect the public, the criminal justice system must compel compliance with the conditions of probation by responding to violations with swift, certain and fair punishments and intermediate sanctions. The Chief Judge of each circuit shall adopt a system of structured, intermediate sanctions for violations of the terms and conditions of a sentence of probation, conditional discharge or disposition of supervision.

(a) Except where specifically prohibited by other provisions of this Code, the court shall impose a sentence of probation or conditional discharge upon an offender unless, having regard to the nature and circumstance of the offense, and to the history, character and condition of the offender, the court is of the opinion that:

- (1) his imprisonment or periodic imprisonment is necessary for the protection of the public; or

(2) probation or conditional discharge would deprecate the seriousness of the offender's conduct and would be inconsistent with the ends of justice; or

(3) a combination of imprisonment with concurrent or consecutive probation when an offender has been admitted into a drug court program under Section 20 of the Drug Court Treatment Act is necessary for the protection of the public and for the rehabilitation of the offender.

The court shall impose as a condition of a sentence of probation, conditional discharge, or supervision, that the probation agency may invoke any sanction from the list of intermediate sanctions adopted by the chief judge of the circuit court for violations of the terms and conditions of the sentence of probation, conditional discharge, or supervision, subject to the provisions of Section 5-6-4 of this Act.

(b) The court may impose a sentence of conditional discharge for an offense if the court is of the opinion that neither a sentence of imprisonment nor of periodic imprisonment nor of probation supervision is appropriate.

(b-1) Subsections (a) and (b) of this Section do not apply to a defendant charged with a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961 if the defendant within the past 12 months has been convicted of or pleaded guilty to a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961.

(c) The court may, upon a plea of guilty or a stipulation by the defendant of the facts supporting the charge or a finding of guilt, defer further proceedings and the imposition of a sentence, and enter an order for supervision of the defendant, if the defendant is not charged with: (i) a Class A misdemeanor, as defined by the following provisions of the Criminal Code of 1961: Sections 11-9.1; 12-3.2; 11-1.50 or 12-15; 26-5; 31-1; 31-6; 31-7; subsections (b) and (c) of Section 21-1; paragraph (1) through (5), (8), (10), and (11) of subsection (a) of Section 24-1; (ii) a Class A misdemeanor violation of Section 3.01, 3.03-1, or 4.01 of the Humane Care for Animals Act; or (iii) a felony. If the defendant is not barred from receiving an order for supervision as provided in this subsection, the court may enter an order for supervision after considering the circumstances of the offense, and the history, character and condition of the offender, if the court is of the opinion that:

- (1) the offender is not likely to commit further crimes;
- (2) the defendant and the public would be best served if the defendant were not to receive a criminal record; and
- (3) in the best interests of justice an order of supervision is more appropriate than a sentence otherwise permitted under this Code.

(c-5) Subsections (a), (b), and (c) of this Section do not apply to a defendant charged with a second or subsequent violation of Section 6-303 of the Illinois Vehicle Code committed while his or her driver's license, permit or privileges were revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state.

(d) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance when the defendant has previously been:

- (1) convicted for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state; or
- (2) assigned supervision for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state; or
- (3) pleaded guilty to or stipulated to the facts supporting a charge or a finding of guilty to a violation of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state, and the plea or stipulation was the result of a plea agreement.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

(e) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 16A-3 of the Criminal Code of 1961 if said defendant has within the last 5 years been:

- (1) convicted for a violation of Section 16A-3 of the Criminal Code of 1961; or
- (2) assigned supervision for a violation of Section 16A-3 of the Criminal Code of 1961.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

(f) The provisions of paragraph (c) shall not apply to a defendant charged with violating Sections 15-111, 15-112, 15-301, paragraph (b) of Section 6-104, Section 11-605, Section 11-1002.5, or Section 11-1414 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(g) Except as otherwise provided in paragraph (i) of this Section, the provisions of paragraph (c) shall

not apply to a defendant charged with violating Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance if the defendant has within the last 5 years been:

(1) convicted for a violation of Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance; or

(2) assigned supervision for a violation of Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

(h) The provisions of paragraph (c) shall not apply to a defendant under the age of 21 years charged with violating a serious traffic offense as defined in Section 1-187.001 of the Illinois Vehicle Code:

(1) unless the defendant, upon payment of the fines, penalties, and costs provided by law, agrees to attend and successfully complete a traffic safety program approved by the court under standards set by the Conference of Chief Circuit Judges. The accused shall be responsible for payment of any traffic safety program fees. If the accused fails to file a certificate of successful completion on or before the termination date of the supervision order, the supervision shall be summarily revoked and conviction entered. The provisions of Supreme Court Rule 402 relating to pleas of guilty do not apply in cases when a defendant enters a guilty plea under this provision; or

(2) if the defendant has previously been sentenced under the provisions of paragraph

(c) on or after January 1, 1998 for any serious traffic offense as defined in Section 1-187.001 of the Illinois Vehicle Code.

(h-1) The provisions of paragraph (c) shall not apply to a defendant under the age of 21 years charged with an offense against traffic regulations governing the movement of vehicles or any violation of Section 6-107 or Section 12-603.1 of the Illinois Vehicle Code, unless the defendant, upon payment of the fines, penalties, and costs provided by law, agrees to attend and successfully complete a traffic safety program approved by the court under standards set by the Conference of Chief Circuit Judges. The accused shall be responsible for payment of any traffic safety program fees. If the accused fails to file a certificate of successful completion on or before the termination date of the supervision order, the supervision shall be summarily revoked and conviction entered. The provisions of Supreme Court Rule 402 relating to pleas of guilty do not apply in cases when a defendant enters a guilty plea under this provision.

(i) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 3-707 of the Illinois Vehicle Code or a similar provision of a local ordinance if the defendant has been assigned supervision for a violation of Section 3-707 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(j) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 6-303 of the Illinois Vehicle Code or a similar provision of a local ordinance when the revocation or suspension was for a violation of Section 11-501 or a similar provision of a local ordinance or a violation of Section 11-501.1 or paragraph (b) of Section 11-401 of the Illinois Vehicle Code if the defendant has within the last 10 years been:

(1) convicted for a violation of Section 6-303 of the Illinois Vehicle Code or a similar provision of a local ordinance; or

(2) assigned supervision for a violation of Section 6-303 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(k) The provisions of paragraph (c) shall not apply to a defendant charged with violating any provision of the Illinois Vehicle Code or a similar provision of a local ordinance that governs the movement of vehicles if, within the 12 months preceding the date of the defendant's arrest, the defendant has been assigned court supervision on 2 occasions for a violation that governs the movement of vehicles under the Illinois Vehicle Code or a similar provision of a local ordinance. (m) Any person convicted of, pleading guilty to, or placed on supervision for a serious traffic violation, as defined in Section 1-187.001 of the Illinois Vehicle Code, a violation of Section 11-501 of the Illinois Vehicle Code, or a violation of a similar provision of a local ordinance shall pay an additional fee of \$20, to be disbursed as provided in Section 16-104d of that Code.

(b) The Court may in addition to other reasonable conditions relating to the nature of the offense or the rehabilitation of the defendant as determined for each defendant in the proper discretion of the Court require that the person:

(13) contribute a reasonable sum of money, not to exceed the maximum amount of the fine authorized for the offense for which the defendant was sentenced, (i) to a "local anti-crime program", as defined in Section 7 of the Anti-Crime Advisory Council Act, or (ii) for offenses under the jurisdiction of the Department of Natural Resources, to the fund established by the Department of Natural Resources for the purchase of evidence for investigation purposes and to conduct investigations as outlined in Section 805-105 of the Department of Natural Resources (Conservation) Law;

The court may not impose the fee on a minor who is made a ward of the State under the Juvenile Court Act of 1987 while the minor is in placement. The fee shall be imposed only upon a defendant who is actively supervised by the probation and court services department. The fee shall be collected by the clerk of the circuit court. (b) Concurrent terms; misdemeanor and felony. A defendant serving a sentence for a misdemeanor who is convicted of a felony and sentenced to imprisonment shall be transferred to the Department of Corrections, and the misdemeanor sentence shall be merged in and run concurrently with the felony sentence.

(c) Consecutive terms; permissive. The court may impose consecutive sentences in any of the following circumstances:

(1) If, having regard to the nature and circumstances of the offense and the history and character of the defendant, it is the opinion of the court that consecutive sentences are required to protect the public from further criminal conduct by the defendant, the basis for which the court shall set forth in the record.

(2) If one of the offenses for which a defendant was convicted was a violation of Section 32-5.2 (aggravated false personation of a peace officer) of the Criminal Code of 1961 (720 ILCS 5/32-5.2) and the offense was committed in attempting or committing a forcible felony.

Sec. 3. The good behavior of any person who commences a sentence of confinement in a county jail for a fixed term of imprisonment after January 1, 1987 shall entitle such person to a good behavior allowance, except that: (1) a person who inflicted physical harm upon another person in committing the offense for which he is confined shall receive no good behavior allowance; and (2) a person sentenced for an offense for which the law provides a mandatory minimum sentence shall not receive any portion of a good behavior allowance that would reduce the sentence below the mandatory minimum; and (3) a person sentenced to a county impact incarceration program; and (4) a person who is convicted of criminal sexual assault under subdivision (a)(3) of Section 11-1.20 or paragraph (a)(3) of Section 12-13 of the Criminal Code of 1961, criminal sexual abuse, or aggravated criminal sexual abuse shall receive no good behavior allowance. The good behavior allowance rate shall be cumulative and awarded on the following basis:

[May 7, 2010]

Each day of good behavior allowance shall reduce by one day the prisoner's period of incarceration set by the court. For the purpose of calculating a prisoner's good behavior allowance, a fractional part of a day shall not be calculated as a day of service of sentence in the county jail unless the fractional part of the day is over 12 hours in which case a whole day shall be credited on the good behavior allowance.

If consecutive sentences are served and the time served amounts to a total of one year or more, the good behavior allowance shall be calculated on a continuous basis throughout the entire time served beginning on the first date of sentence or incarceration, as the case may be.

Section 1085. The Code of Civil Procedure is amended by changing Sections 8-802.1, 13-202.2, and 13-202.3 as follows:

(735 ILCS 5/8-802.1) (from Ch. 110, par. 8-802.1)

Sec. 8-802.1. Confidentiality of Statements Made to Rape Crisis Personnel.

(a) Purpose. This Section is intended to protect victims of rape from public disclosure of statements they make in confidence to counselors of organizations established to help them. On or after July 1, 1984, "rape" means an act of forced sexual penetration or sexual conduct, as defined in Section 11-0.1 12-12 of the Criminal Code of 1961, as amended, including acts prohibited under Sections 11-1.20 through 11-1.60 or 12-13 through 12-16 of the Criminal Code of 1961, as amended. Because of the fear and stigma that often results from those crimes, many victims hesitate to seek help even where it is available at no cost to them. As a result they not only fail to receive needed medical care and emergency counseling, but may lack the psychological support necessary to report the crime and aid police in preventing future crimes.

(b) Definitions. As used in this Act:

(1) "Rape crisis organization" means any organization or association the major purpose of which is providing information, counseling, and psychological support to victims of any or all of the crimes of aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual assault, sexual relations between siblings, criminal sexual abuse and aggravated criminal sexual abuse.

[May 7, 2010]

(2) "Rape crisis counselor" means a person who is a psychologist, social worker, employee, or volunteer in any organization or association defined as a rape crisis organization under this Section, who has undergone 40 hours of training and is under the control of a direct services supervisor of a rape crisis organization.

(3) "Victim" means a person who is the subject of, or who seeks information, counseling, or advocacy services as a result of an aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual assault, sexual relations within families, criminal sexual abuse, aggravated criminal sexual abuse, sexual exploitation of a child, indecent solicitation of a child, public indecency, exploitation of a child, promoting juvenile prostitution as described in subdivision (a)(4) of Section 11-14.4, or an attempt to commit any of these offenses.

(4) "Confidential communication" means any communication between a victim and a rape crisis counselor in the course of providing information, counseling, and advocacy. The term includes all records kept by the counselor or by the organization in the course of providing services to an alleged victim concerning the alleged victim and the services provided.

(c) Waiver of privilege.

(1) The confidential nature of the communication is not waived by: the presence of a third person who further expresses the interests of the victim at the time of the communication; group counseling; or disclosure to a third person with the consent of the victim when reasonably necessary to accomplish the purpose for which the counselor is consulted.

(2) The confidential nature of counseling records is not waived when: the victim inspects the records; or in the case of a minor child less than 12 years of age, a parent or guardian whose interests are not adverse to the minor inspects the records; or in the case of a minor victim 12 years or older, a parent or guardian whose interests are not adverse to the minor inspects the records with the victim's consent.

(3) When a victim is deceased or has been adjudged incompetent by a court of competent jurisdiction, the victim's guardian or the executor or administrator of the victim's estate may waive the privilege established by this Section, unless the guardian, executor, or administrator has an interest adverse to the victim.

(4) A minor victim 12 years of age or older may knowingly waive the privilege established in this Section. When a minor is, in the opinion of the Court, incapable of knowingly waiving the privilege, the parent or guardian of the minor may waive the privilege on behalf of the minor, unless the parent or guardian has been charged with a violent crime against the victim or otherwise has any interest adverse to that of the minor with respect to the waiver of the privilege.

(d) Confidentiality. Except as provided in this Act, no rape crisis counselor shall disclose any confidential communication or be examined as a witness in any civil or criminal proceeding as to any confidential communication without the written consent of the victim or a representative of the victim as provided in subparagraph (c).

(e) A rape crisis counselor may disclose a confidential communication without the consent of the victim if failure to disclose is likely to result in a clear, imminent risk of serious physical injury or death of the victim or another person. Any rape crisis counselor or rape crisis organization participating in good faith in the disclosing of records and communications under this Act shall have immunity from any liability, civil, criminal, or otherwise that might result from the action. In any proceeding, civil or criminal, arising out of a disclosure under this Section, the good faith of any rape crisis counselor or rape crisis organization who disclosed the confidential communication shall be presumed.

(f) Any rape crisis counselor who knowingly discloses any confidential communication in violation of this Act commits a Class C misdemeanor.

(735 ILCS 5/13-202.2) (from Ch. 110, par. 13-202.2)

Sec. 13-202.2. Childhood sexual abuse.

(a) In this Section:

"Childhood sexual abuse" means an act of sexual abuse that occurs when the person abused is under 18 years of age.

"Sexual abuse" includes but is not limited to sexual conduct and sexual penetration as defined in Section ~~11-0.1~~ ~~12-12~~ of the Criminal Code of 1961.

(b) Notwithstanding any other provision of law, an action for damages for personal injury based on childhood sexual abuse must be commenced within 10 years of the date the limitation period begins to run under subsection (d) or within 5 years of the date the person abused discovers or through the use of reasonable diligence should discover both (i) that the act of childhood sexual abuse occurred and (ii) that the injury was caused by the childhood sexual abuse. The fact that the person abused discovers or

through the use of reasonable diligence should discover that the act of childhood sexual abuse occurred is not, by itself, sufficient to start the discovery period under this subsection (b). Knowledge of the abuse does not constitute discovery of the injury or the causal relationship between any later-discovered injury and the abuse.

(c) If the injury is caused by 2 or more acts of childhood sexual abuse that are part of a continuing series of acts of childhood sexual abuse by the same abuser, then the discovery period under subsection (b) shall be computed from the date the person abused discovers or through the use of reasonable diligence should discover both (i) that the last act of childhood sexual abuse in the continuing series occurred and (ii) that the injury was caused by any act of childhood sexual abuse in the continuing series. The fact that the person abused discovers or through the use of reasonable diligence should discover that the last act of childhood sexual abuse in the continuing series occurred is not, by itself, sufficient to start the discovery period under subsection (b). Knowledge of the abuse does not constitute discovery of the injury or the causal relationship between any later-discovered injury and the abuse.

(d) The limitation periods under subsection (b) do not begin to run before the person abused attains the age of 18 years; and, if at the time the person abused attains the age of 18 years he or she is under other legal disability, the limitation periods under subsection (b) do not begin to run until the removal of the disability.

(d-1) The limitation periods in subsection (b) do not run during a time period when the person abused is subject to threats, intimidation, manipulation, or fraud perpetrated by the abuser or by any person acting in the interest of the abuser.

(e) This Section applies to actions pending on the effective date of this amendatory Act of 1990 as well as to actions commenced on or after that date. The changes made by this amendatory Act of 1993 shall apply only to actions commenced on or after the effective date of this amendatory Act of 1993. The changes made by this amendatory Act of the 93rd General Assembly apply to actions pending on the effective date of this amendatory Act of the 93rd General Assembly as well as actions commenced on or after that date.

(735 ILCS 5/13-202.3)

Sec. 13-202.3. For an action arising out of an injury caused by "sexual conduct" or "sexual penetration" as defined in Section 11-0.1 ~~12-42~~ of the Criminal Code of 1961, the limitation period in Section 13-202 does not run during a time period when the person injured is subject to threats, intimidation, manipulation, or fraud perpetrated by the perpetrator or by a person the perpetrator knew or should have known was acting in the interest of the perpetrator. This Section applies to causes of action arising on or after the effective date of this amendatory Act of the 95th General Assembly or to causes of action for which the limitation period has not yet expired.

(j) "Dependents replacement services loss" means loss reasonably incurred by dependents or private legal guardians of minor dependents after a victim's death in obtaining ordinary and necessary services in lieu of those the victim would have performed, not for income, but for their benefit, if he or she had not been fatally injured.

(k) "Survivor" means immediate family including a parent, step-father, step-mother, child, brother, sister, or spouse.

Sec. 6.1. Right to compensation. A person is entitled to compensation under this Act if:

(a) Within 2 years of the occurrence of the crime, or within one year after a criminal indictment of a person for an offense, upon which the claim is based, he files an application, under oath, with the Court of Claims and on a form prescribed in accordance with Section 7.1 furnished by the Attorney General. If the person entitled to compensation is under 18 years of age or under other legal disability at the time of the occurrence or becomes legally disabled as a result of the occurrence, he may file the application required by this subsection within 2 years after he attains the age of 18 years or the disability is removed, as the case may be. Legal disability includes a diagnosis of posttraumatic stress disorder.

(b) For all crimes of violence, except those listed in subsection (b-1) of this Section, the appropriate law enforcement officials were notified within 72 hours of the perpetration of the crime allegedly causing the death or injury to the victim or, in the event such notification was made more than 72 hours after the perpetration of the crime, the applicant establishes that such notice was timely under the circumstances.

(b-1) For victims of offenses defined in Sections 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-13, 12-14, 12-14.1, 12-15, and

12-16 of the Criminal Code of 1961, the appropriate law enforcement officials were notified within 7 days of the perpetration of the crime allegedly causing death or injury to the victim or, in the event that the notification was made more than 7 days after the perpetration of the crime, the applicant establishes that the notice was timely under the circumstances. If the applicant has obtained an order of protection or a civil no contact order or has presented himself or herself to a hospital for sexual assault evidence collection and medical care, such action shall constitute appropriate notification under this subsection (b-1) or subsection (b) of this Section.

(c) The applicant has cooperated with law enforcement officials in the apprehension and prosecution of the assailant. If the applicant has obtained an order of protection or a civil no contact order or has presented himself or herself to a hospital for sexual assault evidence collection and medical care, such action shall constitute cooperation under this subsection (c).

(d) The applicant is not the offender or an accomplice of the offender and the award would not unjustly benefit the offender or his accomplice.

(e) The injury to or death of the victim was not substantially attributable to his own wrongful act and was not substantially provoked by the victim.

(740 ILCS 45/14.1) (from Ch. 70, par. 84.1)

Sec. 14.1. (a) Hearings shall be open to the public unless the Court of Claims determines that a closed hearing should be held because:

(1) the alleged assailant has not been brought to trial and a public hearing would adversely affect either his apprehension or his trial;

(2) the offense allegedly perpetrated against the victim is one defined in Section 11-1.20, 11-1.30, 11-1.40,

12-13, 12-14, or 12-14.1 of the Criminal Code of 1961 and the interests of the victim or of persons dependent on his support require that the public be excluded from the hearing;

(3) the victim or the alleged assailant is a minor; or

(4) the interests of justice would be frustrated, rather than furthered, if the hearing

were open to the public.

(b) A transcript shall be kept of the hearings held before the Court of Claims. No part of the transcript of any hearing before the Court of Claims may be used for any purpose in a criminal proceeding except in the prosecution of a person alleged to have perjured himself in his testimony before the Court of Claims. A copy of the transcript may be furnished to the applicant upon his written request to the court reporter, accompanied by payment of a charge established by the Court of Claims in accordance with the prevailing commercial charge for a duplicate transcript. Where the interests of justice require, the Court of Claims may refuse to disclose the names of victims or other material in the transcript by which the identity of the victim could be discovered.

Section 1100. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Section 503 as follows:

(750 ILCS 5/503) (from Ch. 40, par. 503)

Sec. 503. Disposition of property.

(a) For purposes of this Act, "marital property" means all property acquired by either spouse subsequent to the marriage, except the following, which is known as "non-marital property":

(1) property acquired by gift, legacy or descent;

(2) property acquired in exchange for property acquired before the marriage or in exchange for property acquired by gift, legacy or descent;

(3) property acquired by a spouse after a judgment of legal separation;

(4) property excluded by valid agreement of the parties;

(5) any judgment or property obtained by judgment awarded to a spouse from the other spouse;

(6) property acquired before the marriage;

(7) the increase in value of property acquired by a method listed in paragraphs (1) through (6) of this subsection, irrespective of whether the increase results from a contribution of marital property, non-marital property, the personal effort of a spouse, or otherwise, subject to the right of reimbursement provided in subsection (c) of this Section; and

(8) income from property acquired by a method listed in paragraphs (1) through (7) of this subsection if the income is not attributable to the personal effort of a spouse.

(b)(1) For purposes of distribution of property pursuant to this Section, all property acquired by either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of marriage, including non-marital property transferred into some form of co-ownership between the spouses, is presumed to be marital property, regardless of whether title is held individually or by the spouses in some form of co-ownership such as joint tenancy, tenancy in common, tenancy by the entirety, or community property. The presumption of marital property is overcome by a showing that the property was acquired by a method listed in subsection (a) of this Section.

(2) For purposes of distribution of property pursuant to this Section, all pension benefits (including pension benefits under the Illinois Pension Code) acquired by either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of the marriage are presumed to be marital property, regardless of which spouse participates in the pension plan. The presumption that these pension benefits are marital property is overcome by a showing that the pension benefits were acquired by a method listed in subsection (a) of this Section. The right to a division of pension benefits in just proportions under this Section is enforceable under Section 1-119 of the Illinois Pension Code.

The value of pension benefits in a retirement system subject to the Illinois Pension Code shall be determined in accordance with the valuation procedures established by the retirement system.

The recognition of pension benefits as marital property and the division of those benefits pursuant to a Qualified Illinois Domestic Relations Order shall not be deemed to be a diminishment, alienation, or impairment of those benefits. The division of pension benefits is an allocation of property in which each spouse has a species of common ownership.

(3) For purposes of distribution of property under this Section, all stock options granted to either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of marriage, whether vested or non-vested or whether their value is ascertainable, are presumed to be

[May 7, 2010]

marital property. This presumption of marital property is overcome by a showing that the stock options were acquired by a method listed in subsection (a) of this Section. The court shall allocate stock options between the parties at the time of the judgment of dissolution of marriage or declaration of invalidity of marriage recognizing that the value of the stock options may not be then determinable and that the actual division of the options may not occur until a future date. In making the allocation between the parties, the court shall consider, in addition to the factors set forth in subsection (d) of this Section, the following:

- (i) All circumstances underlying the grant of the stock option including but not limited to whether the grant was for past, present, or future efforts, or any combination thereof.
 - (ii) The length of time from the grant of the option to the time the option is exercisable.
- (c) Commingled marital and non-marital property shall be treated in the following manner, unless otherwise agreed by the spouses:
- (1) When marital and non-marital property are commingled by contributing one estate of property into another resulting in a loss of identity of the contributed property, the classification of the contributed property is transmuted to the estate receiving the contribution, subject to the provisions of paragraph (2) of this subsection; provided that if marital and non-marital property are commingled into newly acquired property resulting in a loss of identity of the contributing estates, the commingled property shall be deemed transmuted to marital property, subject to the provisions of paragraph (2) of this subsection.
 - (2) When one estate of property makes a contribution to another estate of property, or when a spouse contributes personal effort to non-marital property, the contributing estate shall be reimbursed from the estate receiving the contribution notwithstanding any transmutation; provided, that no such reimbursement shall be made with respect to a contribution which is not retraceable by clear and convincing evidence, or was a gift, or, in the case of a contribution of personal effort of a spouse to non-marital property, unless the effort is significant and results in substantial appreciation of the non-marital property. Personal effort of a spouse shall be deemed a contribution by the marital estate. The court may provide for reimbursement out of the marital property to be divided or by imposing a lien against the non-marital property which received the contribution.
- (d) In a proceeding for dissolution of marriage or declaration of invalidity of marriage, or in a proceeding for disposition of property following dissolution of marriage by a court which lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of the property, the court shall assign each spouse's non-marital property to that spouse. It also shall divide the marital property without regard to marital misconduct in just proportions considering all relevant factors, including:
- (1) the contribution of each party to the acquisition, preservation, or increase or decrease in value of the marital or non-marital property, including (i) any such decrease attributable to a payment deemed to have been an advance from the parties' marital estate under subsection (c-1)(2) of Section 501 and (ii) the contribution of a spouse as a homemaker or to the family unit;
 - (2) the dissipation by each party of the marital or non-marital property;
 - (3) the value of the property assigned to each spouse;
 - (4) the duration of the marriage;
 - (5) the relevant economic circumstances of each spouse when the division of property is to become effective, including the desirability of awarding the family home, or the right to live therein for reasonable periods, to the spouse having custody of the children;
 - (6) any obligations and rights arising from a prior marriage of either party;
 - (7) any antenuptial agreement of the parties;
 - (8) the age, health, station, occupation, amount and sources of income, vocational skills, employability, estate, liabilities, and needs of each of the parties;
 - (9) the custodial provisions for any children;
 - (10) whether the apportionment is in lieu of or in addition to maintenance;
 - (11) the reasonable opportunity of each spouse for future acquisition of capital assets and income; and
 - (12) the tax consequences of the property division upon the respective economic circumstances of the parties.
- (e) Each spouse has a species of common ownership in the marital property which vests at the time dissolution proceedings are commenced and continues only during the pendency of the action. Any such interest in marital property shall not encumber that property so as to restrict its transfer, assignment or conveyance by the title holder unless such title holder is specifically enjoined from making such transfer, assignment or conveyance.

(f) In a proceeding for dissolution of marriage or declaration of invalidity of marriage or in a proceeding for disposition of property following dissolution of marriage by a court that lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of the property, the court, in determining the value of the marital and non-marital property for purposes of dividing the property, shall value the property as of the date of trial or some other date as close to the date of trial as is practicable.

(g) The court if necessary to protect and promote the best interests of the children may set aside a portion of the jointly or separately held estates of the parties in a separate fund or trust for the support, maintenance, education, physical and mental health, and general welfare of any minor, dependent, or incompetent child of the parties. In making a determination under this subsection, the court may consider, among other things, the conviction of a party of any of the offenses set forth in Section 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-3.3, 12-4, 12-4.1, 12-4.2, 12-4.3, 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961 if the victim is a child of one or both of the parties, and there is a need for, and cost of, care, healing and counseling for the child who is the victim of the crime.

(h) Unless specifically directed by a reviewing court, or upon good cause shown, the court shall not on remand consider any increase or decrease in the value of any "marital" or "non-marital" property occurring since the assessment of such property at the original trial or hearing, but shall use only that assessment made at the original trial or hearing.

(i) The court may make such judgments affecting the marital property as may be just and may enforce such judgments by ordering a sale of marital property, with proceeds therefrom to be applied as determined by the court.

(j) After proofs have closed in the final hearing on all other issues between the parties (or in conjunction with the final hearing, if all parties so stipulate) and before judgment is entered, a party's petition for contribution to fees and costs incurred in the proceeding shall be heard and decided, in accordance with the following provisions:

(1) A petition for contribution, if not filed before the final hearing on other issues between the parties, shall be filed no later than 30 days after the closing of proofs in the final hearing or within such other period as the court orders.

(2) Any award of contribution to one party from the other party shall be based on the criteria for division of marital property under this Section 503 and, if maintenance has been awarded, on the criteria for an award of maintenance under Section 504.

(3) The filing of a petition for contribution shall not be deemed to constitute a waiver of the attorney-client privilege between the petitioning party and current or former counsel; and such a waiver shall not constitute a prerequisite to a hearing for contribution. If either party's presentation on contribution, however, includes evidence within the scope of the attorney-client privilege, the disclosure or disclosures shall be narrowly construed and shall not be deemed by the court to constitute a general waiver of the privilege as to matters beyond the scope of the presentation.

(4) No finding on which a contribution award is based or denied shall be asserted against counsel or former counsel for purposes of any hearing under subsection (c) or (e) of Section 508.

(5) A contribution award (payable to either the petitioning party or the party's counsel, or jointly, as the court determines) may be in the form of either a set dollar amount or a percentage of fees and costs (or a portion of fees and costs) to be subsequently agreed upon by the petitioning party and counsel or, alternatively, thereafter determined in a hearing pursuant to subsection (c) of Section 508 or previously or thereafter determined in an independent proceeding under subsection (e) of Section 508.

(6) The changes to this Section 503 made by this amendatory Act of 1996 apply to cases pending on or after June 1, 1997, except as otherwise provided in Section 508.

(750 ILCS 45/6.5)

A person found to be the father of a child under this Act, and who has been convicted of or who has pled guilty to a violation of Section 11-11 (sexual relations within families), Section 11-1.20 or 12-13 (criminal sexual assault), Section 11-1.30 or 12-14 (aggravated criminal sexual assault), Section 11-1.40 or 12-14.1 (predatory criminal sexual assault of a child), Section 11-1.50 or 12-15 (criminal sexual abuse), or Section 11-1.60 or 12-16 (aggravated criminal sexual abuse) of the Criminal Code of 1961 for his conduct in fathering that child, shall not be entitled to custody of or visitation with that child without the consent of the mother or guardian, other than the father of the child who has been convicted of or pled guilty to one of the offenses listed in this

[May 7, 2010]

Notwithstanding any other provision of this Act, nothing in this Section shall be construed to relieve the father of any support and maintenance obligations to the child under this Act. Section 1110. The Adoption Act is amended by changing Section 1 as follows:
(750 ILCS 50/1) (from Ch. 40, par. 1501)

Sec. 1. Definitions. When used in this Act, unless the context otherwise requires:

A. "Child" means a person under legal age subject to adoption under this Act.

B. "Related child" means a child subject to adoption where either or both of the adopting parents stands in any of the following relationships to the child by blood or marriage: parent, grand-parent, brother, sister, step-parent, step-grandparent, step-brother, step-sister, uncle, aunt, great-uncle, great-aunt, or cousin of first degree. A child whose parent has executed a final irrevocable consent to adoption or a final irrevocable surrender for purposes of adoption, or whose parent has had his or her parental rights terminated, is not a related child to that person, unless the consent is determined to be void or is void pursuant to subsection O of Section 10.

C. "Agency" for the purpose of this Act means a public child welfare agency or a licensed child welfare agency.

D. "Unfit person" means any person whom the court shall find to be unfit to have a child, without regard to the likelihood that the child will be placed for adoption. The grounds of unfitness are any one or more of the following, except that a person shall not be considered an unfit person for the sole reason that the person has relinquished a child in accordance with the Abandoned Newborn Infant Protection Act:

(a) Abandonment of the child.

(a-1) Abandonment of a newborn infant in a hospital.

(a-2) Abandonment of a newborn infant in any setting where the evidence suggests that the parent intended to relinquish his or her parental rights.

(b) Failure to maintain a reasonable degree of interest, concern or responsibility as to the child's welfare.

(c) Desertion of the child for more than 3 months next preceding the commencement of the Adoption proceeding.

(d) Substantial neglect of the child if continuous or repeated.

(d-1) Substantial neglect, if continuous or repeated, of any child residing in the household which resulted in the death of that child.

(e) Extreme or repeated cruelty to the child.

(f) There is a rebuttable presumption, which can be overcome only by clear and convincing evidence, that a parent is unfit if:

(1) Two or more findings of physical abuse have been entered regarding any children under Section 2-21 of the Juvenile Court Act of 1987, the most recent of which was determined by the juvenile court hearing the matter to be supported by clear and convincing evidence; or

(2) The parent has been convicted or found not guilty by reason of insanity and the conviction or finding resulted from the death of any child by physical abuse; or

(3) There is a finding of physical child abuse resulting from the death of any child under Section 2-21 of the Juvenile Court Act of 1987.

No conviction or finding of delinquency pursuant to Article 5 of the Juvenile Court Act of 1987 shall be considered a criminal conviction for the purpose of applying any presumption under this item (f).

(g) Failure to protect the child from conditions within his environment injurious to the child's welfare.

(h) Other neglect of, or misconduct toward the child; provided that in making a finding of unfitness the court hearing the adoption proceeding shall not be bound by any previous finding, order or judgment affecting or determining the rights of the parents toward the child sought to be adopted in any other proceeding except such proceedings terminating parental rights as shall be had under either this Act, the Juvenile Court Act or the Juvenile Court Act of 1987.

(i) Depravity. Conviction of any one of the following crimes shall create a

presumption that a parent is depraved which can be overcome only by clear and convincing evidence:

(1) first degree murder in violation of paragraph 1 or 2 of subsection (a) of Section 9-1 of the Criminal Code of 1961 or conviction of second degree murder in violation of subsection (a) of Section 9-2 of the Criminal Code of 1961 of a parent of the child to be adopted; (2) first degree murder or second

degree murder of any child in violation of the Criminal Code of 1961; (3) attempt or conspiracy to commit first degree murder or second degree murder of any child in violation of the Criminal Code of 1961; (4) solicitation to commit murder of any child, solicitation to commit murder of any child for hire, or solicitation to commit second degree murder of any child in violation of the Criminal Code of 1961; (5) predatory criminal sexual assault of a child in violation of Section 11-1.40 or 12-14.1 of the Criminal Code of 1961; (6) heinous battery of any child in violation of the Criminal Code of 1961; or (7) aggravated battery of any child in violation of the Criminal Code of 1961.

There is a rebuttable presumption that a parent is deprived if the parent has been criminally convicted of at least 3 felonies under the laws of this State or any other state, or under federal law, or the criminal laws of any United States territory; and at least one of these convictions took place within 5 years of the filing of the petition or motion seeking termination of parental rights.

There is a rebuttable presumption that a parent is deprived if that parent has been criminally convicted of either first or second degree murder of any person as defined in the Criminal Code of 1961 within 10 years of the filing date of the petition or motion to terminate parental rights.

No conviction or finding of delinquency pursuant to Article 5 of the Juvenile Court Act of 1987 shall be considered a criminal conviction for the purpose of applying any presumption under this item (i).

(j) Open and notorious adultery or fornication.

(j-1) (Blank).

(k) Habitual drunkenness or addiction to drugs, other than those prescribed by a physician, for at least one year immediately prior to the commencement of the unfitness proceeding.

There is a rebuttable presumption that a parent is unfit under this subsection with respect to any child to which that parent gives birth where there is a confirmed test result that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act or metabolites of such substances, the presence of which in the newborn infant was not the result of medical treatment administered to the mother or the newborn infant; and the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987.

(l) Failure to demonstrate a reasonable degree of interest, concern or responsibility as to the welfare of a new born child during the first 30 days after its birth.

(m) Failure by a parent (i) to make reasonable efforts to correct the conditions that were the basis for the removal of the child from the parent, or (ii) to make reasonable progress toward the return of the child to the parent within 9 months after an adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act, or (iii) to make reasonable progress toward the return of the child to the parent during any 9-month period after the end of the initial 9-month period following the adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act. If a service plan has been established as required under Section 8.2 of the Abused and Neglected Child Reporting Act to correct the conditions that were the basis for the removal of the child from the parent and if those services were available, then, for purposes of this Act, "failure to make reasonable progress toward the return of the child to the parent" includes (I) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care within 9 months after the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987 and (II) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care during any 9-month period after the end of the initial 9-month period following the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987. Notwithstanding any other provision, when a petition or motion seeks to terminate parental rights on the basis of item (iii) of this subsection (m), the petitioner shall file with the court and serve on the parties a pleading that specifies the 9-month period or periods relied on. The pleading shall be filed and served on the parties no later than 3 weeks before the date set by the court for closure of discovery, and the allegations in the pleading shall be treated as incorporated into the petition or motion. Failure of a respondent to file a written denial of the allegations in the pleading shall not be treated as an admission that the allegations are true.

(m-1) Pursuant to the Juvenile Court Act of 1987, a child has been in foster care for 15 months out of any 22 month period which begins on or after the effective date of this amendatory Act of 1998 unless the child's parent can prove by a preponderance of the evidence that it is more likely than not that it will be in the best interests of the child to be returned to the parent within 6 months of the date on which a petition for termination of parental rights is filed under the Juvenile

Court Act of 1987. The 15 month time limit is tolled during any period for which there is a court finding that the appointed custodian or guardian failed to make reasonable efforts to reunify the child with his or her family, provided that (i) the finding of no reasonable efforts is made within 60 days of the period when reasonable efforts were not made or (ii) the parent filed a motion requesting a finding of no reasonable efforts within 60 days of the period when reasonable efforts were not made. For purposes of this subdivision (m-1), the date of entering foster care is the earlier of: (i) the date of a judicial finding at an adjudicatory hearing that the child is an abused, neglected, or dependent minor; or (ii) 60 days after the date on which the child is removed from his or her parent, guardian, or legal custodian.

(n) Evidence of intent to forgo his or her parental rights, whether or not the child is a ward of the court, (1) as manifested by his or her failure for a period of 12 months: (i) to visit the child, (ii) to communicate with the child or agency, although able to do so and not prevented from doing so by an agency or by court order, or (iii) to maintain contact with or plan for the future of the child, although physically able to do so, or (2) as manifested by the father's failure, where he and the mother of the child were unmarried to each other at the time of the child's birth, (i) to commence legal proceedings to establish his paternity under the Illinois Parentage Act of 1984 or the law of the jurisdiction of the child's birth within 30 days of being informed, pursuant to Section 12a of this Act, that he is the father or the likely father of the child or, after being so informed where the child is not yet born, within 30 days of the child's birth, or (ii) to make a good faith effort to pay a reasonable amount of the expenses related to the birth of the child and to provide a reasonable amount for the financial support of the child, the court to consider in its determination all relevant circumstances, including the financial condition of both parents; provided that the ground for termination provided in this subparagraph (n)(2)(ii) shall only be available where the petition is brought by the mother or the husband of the mother.

Contact or communication by a parent with his or her child that does not demonstrate affection and concern does not constitute reasonable contact and planning under subdivision (n). In the absence of evidence to the contrary, the ability to visit, communicate, maintain contact, pay expenses and plan for the future shall be presumed. The subjective intent of the parent, whether expressed or otherwise, unsupported by evidence of the foregoing parental acts manifesting that intent, shall not preclude a determination that the parent has intended to forgo his or her parental rights. In making this determination, the court may consider but shall not require a showing of diligent efforts by an authorized agency to encourage the parent to perform the acts specified in subdivision (n).

It shall be an affirmative defense to any allegation under paragraph (2) of this subsection that the father's failure was due to circumstances beyond his control or to impediments created by the mother or any other person having legal custody. Proof of that fact need only be by a preponderance of the evidence.

(o) Repeated or continuous failure by the parents, although physically and financially able, to provide the child with adequate food, clothing, or shelter.

(p) Inability to discharge parental responsibilities supported by competent evidence from a psychiatrist, licensed clinical social worker, or clinical psychologist of mental impairment, mental illness or mental retardation as defined in Section 1-116 of the Mental Health and Developmental Disabilities Code, or developmental disability as defined in Section 1-106 of that Code, and there is sufficient justification to believe that the inability to discharge parental responsibilities shall extend beyond a reasonable time period. However, this subdivision (p) shall not be construed so as to permit a licensed clinical social worker to conduct any medical diagnosis to determine mental illness or mental impairment.

(q) (Blank).

(r) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated as a result of criminal conviction at the time the petition or motion for termination of parental rights is filed, prior to incarceration the parent had little or no contact with the child or provided little or no support for the child, and the parent's incarceration will prevent the parent from discharging his or her parental responsibilities for the child for a period in excess of 2 years after the filing of the petition or motion for termination of parental rights.

(s) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated at the time the petition or motion for termination of parental rights is filed, the parent has been repeatedly incarcerated as a result of criminal convictions, and the parent's repeated incarceration has prevented the parent from discharging his or her parental responsibilities for the child.

(t) A finding that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, or a metabolite of a controlled substance, with the exception of controlled substances or metabolites of such substances, the presence of which in the newborn infant was the result of medical treatment administered to the mother or the newborn infant, and that the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987, after which the biological mother had the opportunity to enroll in and participate in a clinically appropriate substance abuse counseling, treatment, and rehabilitation program.

~~(b) A State's Attorney may create within his or her office a bad check diversion program for offenders who agree to voluntarily participate in the program instead of undergoing prosecution. The program may be conducted by the State's Attorney or by a private entity under contract with the State's Attorney. If the State's Attorney contracts with a private entity to perform any services in operating the program, the entity shall operate under the supervision, direction, and control of the State's Attorney. Any private entity providing services under this Section is not a "collection agency" as that term is defined under the Collection Agency Act.~~

~~(c) If an offender is referred to the State's Attorney, the State's Attorney may determine whether the offender is appropriate for acceptance in the program. The State's Attorney may consider, but shall not be limited to consideration of, the following factors:~~

- ~~(1) the amount of the check that was drawn or passed;~~
- ~~(2) prior referrals of the offender to the program;~~

~~(e) If an offender is diverted to the program, the State's Attorney shall agree in writing not to~~

(f) The State's Attorney, or private entity under contract with the State's Attorney, may collect a fee from an offender diverted to the State's Attorney's bad check diversion program. This fee may be deposited in a bank account maintained by the State's Attorney for the purpose of depositing fees and paying the expenses of the program or for use in the enforcement and prosecution of criminal laws. The State's Attorney may require that the fee be paid directly to a private entity that administers the program under a contract with the State's Attorney. The amount of the administrative fees collected by the State's Attorney under the program may not exceed \$35 per check. The county board may, however, by ordinance, increase the fees allowed by this Section if the increase is justified by an acceptable cost study showing that the fees allowed by this Section are not sufficient to cover the cost of providing the service.

(g) (1) The private entity shall be required to maintain adequate general liability insurance of \$1,000,000 per occurrence as well as adequate coverage for potential loss resulting from employee dishonesty. The State's Attorney may require a surety bond payable to the State's Attorney if in the State's Attorney's opinion it is determined that the private entity is not adequately insured or funded.

(2) (A) Each private entity that has a contract with the State's Attorney to conduct a bad check diversion program shall at all times maintain a separate bank account in which all moneys received from the offenders participating in the program shall be deposited, referred to as a "trust account" ~~"Trust Account"~~, except that negotiable instruments received may be forwarded directly to a victim of the deceptive practice committed by the offender if that procedure is provided for by a writing executed by the victim. Moneys received shall be so deposited within 5 business days after posting to the private entity's books of account. There shall be sufficient funds in the trust account at all times to pay the victims the amount due them.

(B) The trust account shall be established in a financial institution bank, savings and loan association, or other recognized depository which is federally or State insured or otherwise secured as defined by rule. If the account is interest bearing, the private entity shall pay to the victim interest earned on funds on deposit after the 60th day.

(C) Each private entity shall keep on file the name of the financial institution bank, savings and loan association, or other recognized depository in which each trust account is maintained, the name of each trust account, and the names of the persons authorized to withdraw funds from each account. The private entity, within 30 days of the time of a change of depository or person authorized to make withdrawal, shall update its files to reflect that change. An examination and audit of a private entity's trust accounts may be made by the State's Attorney as the State's Attorney deems appropriate. A trust account financial report shall be submitted annually on forms acceptable to the State's Attorney.

(3) The State's Attorney may cancel a contract entered into with a private entity under this Section for any one or any combination of the following causes:

(E) Communicating with the offender or any member of the offender's family at such a time of day or night and with such frequency as to constitute harassment of the offender or any member of the offender's family. For purposes of this clause (E) the following conduct shall constitute harassment:

- (i) Communicating with the offender or any member of his or her family at any unusual time or place or a time or place known or which should be known to be inconvenient to the offender. In the absence of knowledge of circumstances to the contrary, a private entity shall assume that the convenient time for communicating with a consumer is after 8 o'clock a.m. and before 9 o'clock p.m. local time at the offender's residence.
 - (ii) The threat of publication or publication of a list of offenders who allegedly refuse to pay restitution, except by the State's Attorney.

 - (iv) Causing a telephone to ring or engaging any person in telephone conversation repeatedly or continuously with intent to annoy, abuse, or harass any person at the called number.

 - (vi) Disclosing or threatening to disclose information relating to a offender's case to any other person except the victim and appropriate law enforcement personnel.
 - (vii) Disclosing or threatening to disclose information concerning the alleged criminal act which the private entity knows to be reasonably disputed by the offender without disclosing the fact that the offender disputes the accusation.
 - (viii) Engaging in any conduct which the State's Attorney finds was intended to cause and did cause mental or physical illness to the offender or his or her family.
 - (ix) Attempting or threatening to enforce a right or remedy with knowledge or reason to know that the right or remedy does not exist.
 - (x) Except as authorized by the State's Attorney, using any form of communication which simulates legal or judicial process or which gives the appearance of being authorized, issued or approved by a governmental agency or official or by an attorney at law when it is not.
 - (xi) Using any badge, uniform, or other indicia of any governmental agency or official, except as authorized by law or by the State's Attorney.
 - (xii) Except as authorized by the State's Attorney, conducting business under any name or in any manner which suggests or implies that the private entity is bonded if such private entity is or is a branch of or is affiliated with any governmental agency or court if such private entity is not.
 - (xiii) Misrepresenting the amount of the restitution alleged to be owed.
 - (xiv) Except as authorized by the State's Attorney, representing that an existing restitution amount may be increased by the addition of attorney's fees, investigation fees, or any other fees or charges when those fees or charges may not legally be added to the existing restitution.
 - (xv) Except as authorized by the State's Attorney, representing that the private entity is an attorney at law or an agent for an attorney if the entity is not.
 - (xvi) Collecting or attempting to collect any interest or other charge or fee in excess of the actual restitution or claim unless the interest or other charge or fee is expressly authorized by the State's Attorney, who shall determine what constitutes a reasonable collection fee.
 - (xvii) Communicating or threatening to communicate with an offender when the private entity is informed in writing by an attorney that the attorney represents the offender concerning the claim, unless authorized by the attorney. If the attorney fails to respond within a reasonable period of time, the private entity may communicate with the offender. The private entity may communicate with the offender when the attorney gives his consent.

- (6) Any information obtained by a private entity that has a contract with the State's Attorney to conduct a bad check diversion program is confidential information between the State's

Attorney and the private entity and may not be sold or used for any other purpose but may be shared with other authorized law enforcement agencies as determined by the State's Attorney.

(h) The State's Attorney, or private entity under contract with the State's Attorney, shall recover, in addition to the face amount of the dishonored check or draft, a transaction fee to defray the costs and expenses incurred by a victim who received a dishonored check that was made or delivered by the offender. The face amount of the dishonored check or draft and the transaction fee shall be paid by the State's Attorney or private entity under contract with the State's Attorney to the victim as restitution for the offense. The amount of the transaction fee must not exceed: \$25 if the face amount of the check or draft does not exceed \$100; \$30 if the face amount of the check or draft is greater than \$100 but does not exceed \$250; \$35 if the face amount of the check or draft is greater than \$250 but does not exceed \$500; \$40 if the face amount of the check or draft is greater than \$500 but does not exceed \$1,000; and \$50 if the face amount of the check or draft is greater than \$1,000.

(i) The offender, if aggrieved by an action of the private entity contracted to operate a bad check diversion program, may submit a grievance to the State's Attorney who may then resolve the grievance. The trial court shall then impose sentence upon the defendant. The trial court may impose any sentence which could have been imposed at the original trial subject to Section 5-5-4 of the Unified Code of Corrections. If a sentence is vacated on appeal or on collateral attack due to the failure of the trier of fact at trial to determine beyond a reasonable doubt the existence of a fact (other than a prior conviction) necessary to increase the punishment for the offense beyond the statutory maximum otherwise applicable, either the defendant may be re-sentenced to a term within the range otherwise provided or, if the State files notice of its intention to again seek the extended sentence, the defendant shall be afforded a new trial.

(e) In cases where prosecution for aggravated criminal sexual abuse under Section 12-16 of the Criminal Code of 1961 results in conviction of a defendant who was a family member of the victim at the time of the commission of the offense, the court shall consider the safety and welfare of the victim and may impose a sentence of probation only where:

(1) the court finds (A) or (B) or both are appropriate:

(A) the defendant is willing to undergo a court approved counseling program for a minimum duration of 2 years; or

(B) the defendant is willing to participate in a court approved plan including but not limited to the defendant's:

(i) removal from the household;

(ii) restricted contact with the victim;

(iii) continued financial support of the family;

(iv) restitution for harm done to the victim; and

(v) compliance with any other measures that the court may deem appropriate; and

(2) the court orders the defendant to pay for the victim's counseling services, to the extent that the court finds, after considering the defendant's income and assets, that the defendant is financially capable of paying for such services, if the victim was under 18 years of age at the time the offense was committed and requires counseling as a result of the offense.

Probation may be revoked or modified pursuant to Section 5-6-4; except where the court determines at the hearing that the defendant violated a condition of his or her probation restricting contact with the victim or other family members or commits another offense with the victim or other family members, the court shall revoke the defendant's probation and impose a term of imprisonment.

For the purposes of this Section, "family member" and "victim" shall have the meanings ascribed to them in Section 12-12 of the Criminal Code of 1961.

(f) (Blank).

(g) Whenever a defendant is convicted of an offense under Sections 11-14, 11-15, 11-15.1, 11-16, 11-17, 11-18, 11-18.1, 11-19, 11-19.1, 11-19.2, 12-13, 12-14, 12-14.1, 12-15 or 12-16 of the Criminal Code of 1961, the defendant shall undergo medical testing to determine whether the defendant has any sexually transmissible disease, including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agent of acquired immunodeficiency syndrome (AIDS). Any such medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the defendant's person. Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of the test results. The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or legal guardian of the test results. The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

(g-5) When an inmate is tested for an airborne communicable disease, as determined by the Illinois Department of Public Health including but not limited to tuberculosis, the results of the test shall be personally delivered by the warden or his or her designee in a sealed envelope to the judge of the court in which the inmate must appear for the judge's inspection in camera if requested by the judge. Acting in accordance with the best interests of those in the courtroom, the judge shall have the discretion to determine what if any precautions need to be taken to prevent transmission of the disease in the courtroom.

(h) Whenever a defendant is convicted of an offense under Section 1 or 2 of the Hypodermic Syringes and Needles Act, the defendant shall undergo medical testing to determine whether the defendant has been exposed to human immunodeficiency virus (HIV) or any other identified causative agent of acquired immunodeficiency syndrome (AIDS). Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be

personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of a positive test showing an infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

(i) All fines and penalties imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

(j) In cases when prosecution for any violation of Section 11-6, 11-8, 11-9, 11-11, 11-14, 11-15, 11-15.1, 11-16, 11-17, 11-17.1, 11-18, 11-18.1, 11-19, 11-19.1, 11-19.2, 11-20.1, 11-21, 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961, any violation of the Illinois Controlled Substances Act, any violation of the Cannabis Control Act, or any violation of the Methamphetamine Control and Community Protection Act results in conviction, a disposition of court supervision, or an order of probation granted under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substance Act, or Section 70 of the Methamphetamine Control and Community Protection Act of a defendant, the court shall determine whether the defendant is employed by a facility or center as defined under the Child Care Act of 1969, a public or private elementary or secondary school, or otherwise works with children under 18 years of age on a daily basis. When a defendant is so employed, the court shall order the Clerk of the Court to send a copy of the judgment of conviction or order of supervision or probation to the defendant's employer by certified mail. If the employer of the defendant is a school, the Clerk of the Court shall direct the mailing of a copy of the judgment of conviction or order of supervision or probation to the appropriate regional superintendent of schools. The regional superintendent of schools shall notify the State Board of Education of any notification under this subsection.

(j-5) A defendant at least 17 years of age who is convicted of a felony and who has not been previously convicted of a misdemeanor or felony and who is sentenced to a term of imprisonment in the Illinois Department of Corrections shall as a condition of his or her sentence be required by the court to attend educational courses designed to prepare the defendant for a high school diploma and to work toward a high school diploma or to work toward passing the high school level Test of General Educational Development (GED) or to work toward completing a vocational training program offered by the Department of Corrections. If a defendant fails to complete the educational training required by his or her sentence during the term of incarceration, the Prisoner Review Board shall, as a condition of mandatory supervised release, require the defendant, at his or her own expense, to pursue a course of study toward a high school diploma or passage of the GED test. The Prisoner Review Board shall revoke the mandatory supervised release of a defendant who wilfully fails to comply with this subsection (j-5) upon his or her release from confinement in a penal institution while serving a mandatory supervised release term; however, the inability of the defendant after making a good faith effort to obtain financial aid or pay for the educational training shall not be deemed a wilful failure to comply. The Prisoner Review Board shall recommit the defendant whose mandatory supervised release term has been revoked under this subsection (j-5) as provided in Section 3-3-9. This subsection (j-5) does not apply to a defendant who has a high school diploma or has successfully passed the GED test. This subsection (j-5) does not apply to a defendant who is determined by the court to be developmentally disabled or otherwise mentally incapable of completing the educational or vocational program.

(k) (Blank).

(l) (A) Except as provided in paragraph (C) of subsection (l), whenever a defendant, who is an alien as defined by the Immigration and Nationality Act, is convicted of any felony or misdemeanor offense, the court after sentencing the defendant may, upon motion of the State's Attorney, hold sentence in abeyance and remand the defendant to the custody of the Attorney General of the United States or his or her designated agent to be deported when:

(1) a final order of deportation has been issued against the defendant pursuant to proceedings under the Immigration and Nationality Act, and

(2) the deportation of the defendant would not deprecate the seriousness of the defendant's conduct and would not be inconsistent with the ends of justice.

Otherwise, the defendant shall be sentenced as provided in this Chapter V.

(B) If the defendant has already been sentenced for a felony or misdemeanor offense, or has been placed on probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act, the court may, upon motion of the State's Attorney to suspend the sentence imposed, commit the defendant to the custody of the Attorney General of the United States or his or her designated agent when:

(1) a final order of deportation has been issued against the defendant pursuant to proceedings under the Immigration and Nationality Act, and

(2) the deportation of the defendant would not deprecate the seriousness of the defendant's conduct and would not be inconsistent with the ends of justice.

(C) This subsection (1) does not apply to offenders who are subject to the provisions of paragraph (2) of subsection (a) of Section 3-6-3.

(D) Upon motion of the State's Attorney, if a defendant sentenced under this Section returns to the jurisdiction of the United States, the defendant shall be recommitted to the custody of the county from which he or she was sentenced. Thereafter, the defendant shall be brought before the sentencing court, which may impose any sentence that was available under Section 5-5-3 at the time of initial sentencing. In addition, the defendant shall not be eligible for additional good conduct credit for meritorious service as provided under Section 3-6-6.

(m) A person convicted of criminal defacement of property under Section 21-1.3 of the Criminal Code of 1961, in which the property damage exceeds \$300 and the property damaged is a school building, shall be ordered to perform community service that may include cleanup, removal, or painting over the defacement.

(n) The court may sentence a person convicted of a violation of Section 12-19, 12-21, ~~or~~ 16-1.3 or 17-56 of the Criminal Code of 1961 (i) to an impact incarceration program if the person is otherwise eligible for that program under Section 5-8-1.1, (ii) to community service, or (iii) if the person is an addict or alcoholic, as defined in the Alcoholism and Other Drug Abuse and Dependency Act, to a substance or alcohol abuse program licensed under that Act.

(o) Whenever a person is convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act, the defendant's driver's license or permit shall be subject to renewal on an annual basis in accordance with the provisions of license renewal established by the Secretary of State.

(730 ILCS 5/5-8-4) (from Ch. 38, par. 1005-8-4)

Sec. 5-8-4. Concurrent and consecutive terms of imprisonment.

(a) Concurrent terms; multiple or additional sentences. When an Illinois court (i) imposes multiple sentences of imprisonment on a defendant at the same time or (ii) imposes a sentence of imprisonment on a defendant who is already subject to a sentence of imprisonment imposed by an Illinois court, a court of another state, or a federal court, then the sentences shall run concurrently unless otherwise determined by the Illinois court under this Section.

(b) Concurrent terms; misdemeanor and felony. A defendant serving a sentence for a misdemeanor who is convicted of a felony and sentenced to imprisonment shall be transferred to the Department of Corrections, and the misdemeanor sentence shall be merged in and run concurrently with the felony sentence.

(c) Consecutive terms; permissive. The court may impose consecutive sentences in any of the following circumstances:

(1) If, having regard to the nature and circumstances of the offense and the history and character of the defendant, it is the opinion of the court that consecutive sentences are required to protect the public from further criminal conduct by the defendant, the basis for which the court shall set forth in the record.

(2) If one of the offenses for which a defendant was convicted was a violation of Section 32-5.2 (aggravated false personation of a peace officer) of the Criminal Code of 1961 (720 ILCS 5/32-5.2) or a violation of subdivision (b)(5) or (b)(6) of Section 17-2 of that Code (720 ILCS 5/17-2) and the offense was committed in attempting or committing a forcible felony.

(d) Consecutive terms; mandatory. The court shall impose consecutive sentences in each of the following circumstances:

(1) One of the offenses for which the defendant was convicted was first degree murder or a Class X or Class 1 felony and the defendant inflicted severe bodily injury.

(2) The defendant was convicted of a violation of Section 12-13 (criminal sexual assault), 12-14 (aggravated criminal sexual assault), or 12-14.1 (predatory criminal sexual assault of a child) of the Criminal Code of 1961 (720 ILCS 5/12-13, 5/12-14, or 5/12-14.1).

(3) The defendant was convicted of armed violence based upon the predicate offense of any of the following: solicitation of murder, solicitation of murder for hire, heinous battery, aggravated battery of a senior citizen, criminal sexual assault, a violation of subsection (g) of Section 5 of the Cannabis Control Act (720 ILCS 550/5), cannabis trafficking, a violation of subsection (a) of Section 401 of the Illinois Controlled Substances Act (720 ILCS 570/401), controlled substance trafficking involving a Class X felony amount of controlled substance under Section 401 of the Illinois Controlled Substances Act (720 ILCS 570/401), a violation of the Methamphetamine Control and Community Protection Act (720 ILCS 646/), calculated criminal drug conspiracy, or streetgang criminal drug conspiracy.

(4) The defendant was convicted of the offense of leaving the scene of a motor vehicle accident involving death or personal injuries under Section 11-401 of the Illinois Vehicle Code (625 ILCS 5/11-401) and either: (A) aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof under Section 11-501 of the Illinois Vehicle Code (625 ILCS 5/11-501), (B) reckless homicide under Section 9-3 of the Criminal Code of 1961 (720 ILCS 5/9-3), or (C) both an offense described in item (A) and an offense described in item (B).

(5) The defendant was convicted of a violation of Section 9-3.1 (concealment of homicidal death) or Section 12-20.5 (dismembering a human body) of the Criminal Code of 1961 (720 ILCS 5/9-3.1 or 5/12-20.5). ~~or~~

(5.5) The ~~(vi)~~ defendant was convicted of a violation of Section 24-3.7 (use of a stolen firearm
in

the commission of an offense) of the Criminal Code of 1961. ~~;~~

(6) If the defendant was in the custody of the Department of Corrections at the time of the commission of the offense, the sentence shall be served consecutive to the sentence under which the defendant is held by the Department of Corrections. If, however, the defendant is sentenced to punishment by death, the sentence shall be executed at such time as the court may fix without regard to the sentence under which the defendant may be held by the Department.

(7) A sentence under Section 3-6-4 (730 ILCS 5/3-6-4) for escape or attempted escape shall be served consecutive to the terms under which the offender is held by the Department of Corrections.

(8) If a person charged with a felony commits a separate felony while on pretrial release or in pretrial detention in a county jail facility or county detention facility, then the sentences imposed upon conviction of these felonies shall be served consecutively regardless of the order in which the judgments of conviction are entered.

(8.5) If a person commits a battery against a county correctional officer or sheriff's employee while serving a sentence or in pretrial detention in a county jail facility, then the sentence imposed upon conviction of the battery shall be served consecutively with the sentence imposed upon conviction of the earlier misdemeanor or felony, regardless of the order in which the judgments of conviction are entered.

(9) If a person admitted to bail following conviction of a felony commits a separate felony while free on bond or if a person detained in a county jail facility or county detention facility following conviction of a felony commits a separate felony while in detention, then any sentence following conviction of the separate felony shall be consecutive to that of the original sentence for which the defendant was on bond or detained.

(10) If a person is found to be in possession of an item of contraband, as defined in clause (c)(2) of Section 31A-1.1 of the Criminal Code of 1961, while serving a sentence in a county jail or while in pre-trial detention in a county jail, the sentence imposed upon conviction for the offense of possessing contraband in a penal institution shall be served consecutively to the sentence imposed for the offense in which the person is serving sentence in the county jail or serving pretrial detention, regardless of the order in which the judgments of conviction are entered.

(e) Consecutive terms; subsequent non-Illinois term. If an Illinois court has imposed a sentence of imprisonment on a defendant and the defendant is subsequently sentenced to a term of imprisonment by a court of another state or a federal court, then the Illinois sentence shall run consecutively to the sentence imposed by the court of the other state or the federal court. That same Illinois court, however,

may order that the Illinois sentence run concurrently with the sentence imposed by the court of the other state or the federal court, but only if the defendant applies to that same Illinois court within 30 days after the sentence imposed by the court of the other state or the federal court is finalized.

(f) Consecutive terms; aggregate maximums and minimums. The aggregate maximum and aggregate minimum of consecutive sentences shall be determined as follows:

(1) For sentences imposed under law in effect prior to February 1, 1978, the aggregate maximum of consecutive sentences shall not exceed the maximum term authorized under Section 5-8-1 (730 ILCS 5/5-8-1) or Article 4.5 of Chapter V for the 2 most serious felonies involved. The aggregate minimum period of consecutive sentences shall not exceed the highest minimum term authorized under Section 5-8-1 (730 ILCS 5/5-8-1) or Article 4.5 of Chapter V for the 2 most serious felonies involved. When sentenced only for misdemeanors, a defendant shall not be consecutively sentenced to more than the maximum for one Class A misdemeanor.

(2) For sentences imposed under the law in effect on or after February 1, 1978, the aggregate of consecutive sentences for offenses that were committed as part of a single course of conduct during which there was no substantial change in the nature of the criminal objective shall not exceed the sum of the maximum terms authorized under Section 5-8-2 (730 ILCS 5/5-8-2) for the 2 most serious felonies involved, but no such limitation shall apply for offenses that were not committed as part of a single course of conduct during which there was no substantial change in the nature of the criminal objective. When sentenced only for misdemeanors, a defendant shall not be consecutively sentenced to more than the maximum for one Class A misdemeanor.

(g) Consecutive terms; manner served. In determining the manner in which consecutive sentences of imprisonment, one or more of which is for a felony, will be served, the Department of Corrections shall treat the defendant as though he or she had been committed for a single term subject to each of the following:

(1) The maximum period of a term of imprisonment shall consist of the aggregate of the maximums of the imposed indeterminate terms, if any, plus the aggregate of the imposed determinate sentences for felonies, plus the aggregate of the imposed determinate sentences for misdemeanors, subject to subsection (f) of this Section.

(2) The parole or mandatory supervised release term shall be as provided in paragraph (e) of Section 5-4.5-50 (730 ILCS 5/5-4.5-50) for the most serious of the offenses involved.

(3) The minimum period of imprisonment shall be the aggregate of the minimum and determinate periods of imprisonment imposed by the court, subject to subsection (f) of this Section.

(4) The defendant shall be awarded credit against the aggregate maximum term and the aggregate minimum term of imprisonment for all time served in an institution since the commission of the offense or offenses and as a consequence thereof at the rate specified in Section 3-6-3 (730 ILCS 5/3-6-3).

Sec. 9-157. Ordinary disability benefit. An employee while under age 65 and prior to January 1, 1979, or while under age 70 and after January 1, 1979, but prior to January 1, 1987, and regardless of age on or after January 1, 1987, who becomes disabled after becoming a contributor to the fund as the result of any cause other than injury incurred in the performance of an act of duty is entitled to ordinary disability benefit during such disability, after the first 30 days thereof.

No employee who becomes disabled and whose disability commences during any period of absence from duty ~~without pay other than on paid vacation~~ may receive ordinary disability benefit until he recovers from such disability and performs the duties of his position in the service for at least 15 consecutive days, Sundays and holidays excepted, after his recovery from such disability.

The benefit shall not be allowed unless application therefor is made while the disability exists, nor for any period of disability before 30 days before the application for such benefit is made. The foregoing limitations do not apply if the board finds from satisfactory evidence presented to it that there was reasonable cause for delay in filing such application within such periods of time.

The first payment shall be made not later than one month after the benefit is granted and each subsequent payment shall be made not later than one month after the last preceding payment.

The disability benefit prescribed herein shall cease when the first of the following dates shall occur and the employee, if still disabled, shall thereafter be entitled to such annuity as is otherwise provided in this Article:

- (e) the date the payments of the benefit shall exceed in the aggregate, throughout the employee's service, a period equal to 1/4 of the total service rendered prior to the date of disability but in no event more than 5 years. In computing such total service any period during which the employee received ordinary disability benefit and any period of absence from duty other than paid vacation shall be excluded.

Any employee whose duty disability benefit was terminated on or after January 1, 1979 by reason of his attainment of age 65 and who continues to be disabled after age 65 may elect before July 1, 1986 to have such benefits resumed beginning at the time of such termination and continuing until termination is required under this Section as amended by this amendatory Act of 1985. The amount payable to any employee for such resumed benefit for any period shall be reduced by the amount of any retirement annuity paid to such employee under this Article for the same period of time or by any refund paid in lieu of annuity.

Any employee whose disability benefit was terminated on or after January 1, 1987 by reason of his attainment of age 70, and who continues to be disabled after age 70, may elect before March 31, 1988, to have such benefits resumed beginning at the time of such termination and continuing until termination is required under this Section as amended by this amendatory Act of 1987. The amount payable to any employee for such resumed benefit for any period shall be reduced by the amount of any retirement annuity paid to such employee under this Article for the same period of time or by any refund paid in lieu of annuity.

Ordinary disability benefit shall be 50% of the employee's salary at the date of disability. For the years before 1962 the tax rate shall be as provided in "The 1925 Act". For the years 1962 and 1963 the tax rate shall be not more than .0200 per cent; for the years 1964 and 1965 the tax rate shall be not more than .0202 per cent; for the years 1966 and 1967 the tax rate shall be not more than .0207 per cent; for the year 1968 the tax rate shall be not more than .0220 per cent; for the year 1969 the tax rate shall be not more than .0233 per cent; for the year 1970 the tax rate shall be not more than .0255 per cent; for the year 1971 the tax rate shall be not more than .0268 per cent of the value, as equalized or assessed by the Department of Revenue upon all taxable property in the county. Beginning with the year 1972 and for each year thereafter the county shall levy a tax annually at a rate on the dollar of the value, as equalized or assessed by the Department of Revenue of all taxable property within the county that will produce, when extended, not to exceed an amount equal to the total amount of contributions made by the employees to the fund in the calendar year 2 years prior to the year for which the annual applicable tax is levied multiplied by .8 for the years 1972 through 1976; by .8 for the year 1977; by .87 for the year 1978; by .94 for the year 1979; by 1.02 for the year 1980 and by 1.10 for the year 1981 and by 1.18 for the year 1982 and by 1.36 for the year 1983 and by 1.54 for the year 1984 and for each year thereafter.

This tax shall be levied and collected in like manner with the general taxes of the county, and shall be in addition to all other taxes which the county is authorized to levy upon the aggregate valuation of all taxable property within the county and shall be exclusive of and in addition to the amount of tax the county is authorized to levy for general purposes under any laws which may limit the amount of tax which the county may levy for general purposes. The county clerk, in reducing tax levies under any Act concerning the levy and extension of taxes, shall not consider this tax as a part of the general tax levy for county purposes, and shall not include it within any limitation of the per cent of the assessed valuation upon which taxes are required to be extended for the county. It is lawful to extend this tax in addition to the general county rate fixed by statute, without being authorized as additional by a vote of the people of the county.

Revenues derived from this tax shall be paid to the treasurer of the county and held by him for the benefit of the fund.

If the payments on account of taxes are insufficient during any year to meet the requirements of this Article, the county may issue tax anticipation warrants against the current tax levy.

(b) By January 10, annually, the board shall notify the county board of the requirement of this Article that this tax shall be levied. The board shall make an annual determination of the required county contributions, and shall certify the results thereof to the county board.

(c) The various sums to be contributed by the county board and allocated for the purposes of this Article and any interest to be contributed by the county shall be taken from the revenue derived from this tax or as otherwise provided in this Section and no money of the county derived from any source other than the levy and collection of this tax or the sale of tax anticipation warrants, except state or federal funds contributed for annuity and benefit purposes for employees of a county department of public aid under "The Illinois Public Aid Code", approved April 11, 1967, as now or hereafter amended, may be used to provide revenue for the fund.

If it is not possible or practicable for the county to make contributions for age and service annuity and widow's annuity concurrently with the employee contributions made for such purposes, such county shall make such contributions as soon as possible and practicable thereafter with interest thereon at the effective rate until the time it shall be made.

(d) With respect to employees whose wages are funded as participants under the Comprehensive Employment and Training Act of 1973, as amended (P.L. 93-203, 87 Stat. 839, P.L. 93-567, 88 Stat. 1845), hereinafter referred to as CETA, subsequent to October 1, 1978, and in instances where the board has elected to establish a manpower program reserve, the board shall compute the amounts necessary to be credited to the manpower program reserves established and maintained as herein provided, and shall make a periodic determination of the amount of required contributions from the County to the reserve to be reimbursed by the federal government in accordance with rules and regulations established by the Secretary of the United States Department of Labor or his designee, and certify the results thereof to the County Board. Any such amounts shall become a credit to the County and will be used to reduce the amount which the County would otherwise contribute during succeeding years for all employees.

(e) In lieu of establishing a manpower program reserve with respect to employees whose wages are funded as participants under the Comprehensive Employment and Training Act of 1973, as authorized by subsection (d), the board may elect to establish a special County contribution rate for all such employees. If this option is elected, the County shall contribute to the Fund from federal funds provided under the Comprehensive Employment and Training Act program at the special rate so established and such contributions shall become a credit to the County and be used to reduce the amount which the County would otherwise contribute during succeeding years for all employees.

(f) In lieu of levying all or a portion of the tax required under this Section in any year, the county may deposit with the county treasurer no later than March 1 of that year for the benefit of the fund, to be held in accordance with this Article, an amount that, together with the taxes levied under this Section for that year, is not less than the amount of the county contributions for that year as certified by the board to the county board. The deposit may be derived from any source legally available for that purpose, including, but not limited to, the proceeds of county borrowings. The making of a deposit shall satisfy fully the requirements of this Section for that year to the extent of the amounts so deposited. Amounts deposited under this subsection (f) may be used by the fund for any of the purposes for which the proceeds of the tax levied under this Section may be used, including the payment of any amount that is otherwise required by this Article to be paid from the proceeds of that tax.

AMENDMENT NO. 4 TO SENATE BILL 2093

AMENDMENT NO. 4. Amend Senate Bill 2093, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Innovation Development and Economy Act.

Section 5. Purpose. It is hereby found and declared that the purpose of this Act is to promote, stimulate, and develop the general and economic welfare of the State of Illinois and its communities and to assist in the development and redevelopment of major tourism, entertainment, retail, and related destination projects within eligible areas of the State, thereby creating new jobs, stimulating significant capital investment, and promoting the general welfare of the citizens of this State, by authorizing municipalities and counties to issue sales tax and revenue (STAR) bonds for the financing of STAR bond projects as defined in Section 10, and to otherwise exercise the powers and authorities granted to municipalities. It is further found and declared to be the policy of the State, in the interest of promoting the health, safety, morals, and general welfare of all the people of the State, to provide incentives to create new job opportunities and to promote major tourism, entertainment, retail, and related destination projects within the State. It is further found and declared:

(a) that it is in the public interest to limit the portion of the aggregate proceeds of STAR bonds issued that are derived from the State sales tax increment pledged to pay STAR bonds in any STAR bond district to not more than 50% of the total development costs in the STAR bond district as set forth in subsection (f) of Section 30;

(b) that as a result of the costs of land assemblage, financing, infrastructure, and other project costs, the private sector, without the assistance contemplated in this Act, is unable to develop major tourism, entertainment, retail, and related destination projects in the State;

(c) that the type of projects for which this Act is intended must be of a certain size, scope, and acreage and have direct access to major highways, and must be developed in a cohesive and comprehensive manner;

(d) that the eligible tracts of land, portions of which have previously been surface or strip mined, present unique development obstacles and are more likely to remain underutilized and undeveloped, or developed in a piecemeal manner resulting in inefficient and poorly planned developments that do not maximize job creation, job retention, tourism, and tax revenue generation within the State;

(e) that there are multiple eligible areas in the State that could benefit from this Act;

(f) that investment in major tourism, entertainment, retail, and related destination projects within the State would stimulate economic activity in the State, including the creation and maintenance of jobs, the creation of new and lasting infrastructure and other improvements, and the attraction and retention of interstate tourists and entertainment events that generate significant economic activity;

(g) that this Act shall enhance and promote tourism in Southern Illinois, including without limitation the Southern Illinois Wine Trail;

(h) that the continual encouragement, development, growth, and expansion of major tourism, entertainment, retail, and related destination projects within the State requires a cooperative and continuous partnership between government and the public sector;

(i) that the State has a responsibility to help create a favorable climate for new and improved job opportunities for its citizens and to increase the tax base of the State and its political subdivisions by encouraging development by the private sector of major tourism, entertainment, retail, and related destination projects within the State;

(j) that the stagnation of local tax bases and the loss of job opportunities within the State has persisted despite efforts of State and local authorities and private organizations to create major tourism, entertainment, retail, and related destination projects within the State;

[May 7, 2010]

(k) that the stagnation of local tax bases and the persistent loss of job opportunities in the State may continue and worsen if the State and its political subdivisions are not able to provide additional incentives to developers of major tourism, entertainment, retail, and related destination projects;

(l) that the provision of additional incentives by the State and its political subdivisions will relieve conditions of unemployment, maintain existing levels of employment, create new job opportunities, retain jobs within the State, increase tourism and commerce within the State, and increase the tax base of the State and its political subdivisions;

(m) that the powers conferred by this Act promote and protect the health, safety, morals, and welfare of the State, and are for a public purpose and public use for which public money and resources may be expended; and

(n) that the necessity in the public interest for the provisions of this Act is hereby declared as a matter of legislative determination.

The area may be bisected by streets, highways, roads, alleys, railways, bike paths, streams, rivers, and other waterways and still be deemed contiguous. In addition, in order to constitute an eligible area one of the

following requirements must be satisfied and all of which are subject to the review and approval of the Director as provided in subsection (d) of Section 15:

For the purpose of this Act, "local sales taxes" does not include (i) any taxes authorized pursuant to the Local Mass Transit District Act, the Metro-East Park and Recreation District Act, or the Flood Prevention District Act for so long as the applicable taxing district does not impose a tax on real property or (ii) county school facility occupation taxes imposed pursuant to Section 5-1006.7 of the Counties Code.

"Local sales tax increment" means, with respect to local sales taxes administered by the Illinois Department of Revenue, (i) all of the local sales tax paid by destination users, destination hotels, and

"Local sales tax increment" means, with respect to local sales taxes administered by a municipality, county, or other unit of local government, that portion of the local sales tax that is in excess of the local sales tax for the same month in the base year, as determined by the respective municipality, county, or other unit of local government. If any portion of local sales taxes are, at the time of formation of a STAR bond district, already subject to tax increment financing under the Tax Increment Allocation Redevelopment Act, then the local sales tax increment for such portion shall be frozen at the base year established in accordance with this Act, and all future incremental increases shall be included in the "local sales tax increment" under this Act. Any party otherwise entitled to receipt of incremental local sales tax revenues through an existing tax increment financing district shall be entitled to continue to receive such revenues up to the amount frozen in the base year. Nothing in this Act shall affect the prior qualification of existing redevelopment project costs incurred that are eligible for reimbursement under the Tax Increment Allocation Redevelopment Act. In such event, prior to approving a STAR bond district, the political subdivision forming the STAR bond district shall take such action as is necessary, including amending the existing tax increment financing district redevelopment plan, to carry out the provisions of this Act. For purposes of this paragraph, "terminating operations" means a closing of a retail operation that is directly related to the opening of the same operation or like retail entity owned or operated by more than 50% of the original ownership in a STAR bond district within one year before or after initiating operations in the STAR bond district, but it does not mean closing an operation for reasons beyond the control of the retail entity, as documented by the retail entity, subject to a reasonable finding by the municipality (or county if such retail operation is not located within a municipality) in which the terminated operations were located that the closed location contained inadequate space, had become economically obsolete, or was no longer a viable

(e) costs of the design and construction of the following improvements located outside the boundaries of a STAR bond district, provided that the costs are essential to further the purpose and development of a STAR bond district plan and either (i) part of and connected to sewer, water, or utility service lines that physically connect to the STAR bond district or (ii) significant improvements for adjacent offsite highways, streets, roadways, and interchanges that are approved by the Illinois Department of Transportation. "STAR bond project" means a project within a STAR bond district which is approved pursuant to Section 20.

"STAR bond project area" means the geographic area within a STAR bond district in which there may be one or more STAR bond projects.

"STAR bond project plan" means the written plan adopted by a political subdivision for the development of a STAR bond project in a STAR bond district; the plan may include, but is not limited to, (i) project costs incurred prior to the date of the STAR bond project plan and estimated future STAR bond project costs, (ii) proposed sources of funds to pay those costs, (iii) the nature and estimated term

of any obligations to be issued by the political subdivision to pay those costs, (iv) the most recent equalized assessed valuation of the STAR bond project area, (v) an estimate of the equalized assessed valuation of the STAR bond district or applicable project area after completion of a STAR bond project, (vi) a general description of the types of any known or proposed developers, users, or tenants of the STAR bond project or projects included in the plan, (vii) a general description of the type, structure, and character of the property or facilities to be developed or improved, (viii) a description of the general land uses to apply to the STAR bond project, and (ix) a general description or an estimate of the type, class, and number of employees to be employed in the operation of the STAR bond project.

"State sales tax" means all of the net revenue realized under the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act from transactions at places of business located within a STAR bond district, excluding that portion of the net revenue realized under the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act from transactions at places of business located within a STAR bond district that is deposited into the Local Government Tax Fund and the County and Mass Transit District Fund.

"State sales tax increment" means (i) 100% of that portion of the State sales tax that is in excess of the State sales tax for the same month in the base year, as determined by the Department of Revenue, from transactions at up to 2 destination users, one destination hotel, and one entertainment user located within a STAR bond district, which destination users, destination hotel, and entertainment user shall be designated by the master developer and approved by the political subdivision and the Director in conjunction with the applicable STAR bond project approval, and (ii) 25% of that portion of the State sales tax that is in excess of the State sales tax for the same month in the base year, as determined by the Department of Revenue, from all other transactions within a STAR bond district. If any portion of State sales taxes are, at the time of formation of a STAR bond district, already subject to tax increment financing under the Tax Increment Allocation Redevelopment Act, then the State sales tax increment for such portion shall be frozen at the base year established in accordance with this Act, and all future incremental increases shall be included in the State sales tax increment under this Act. Any party otherwise entitled to receipt of incremental State sales tax revenues through an existing tax increment financing district shall be entitled to continue to receive such revenues up to the amount frozen in the base year. Nothing in this Act shall affect the prior qualification of existing redevelopment project costs incurred that are eligible for reimbursement under the Tax Increment Allocation Redevelopment Act. In such event, prior to approving a STAR bond district, the political subdivision forming the STAR bond district shall take such action as is necessary, including amending the existing tax increment financing district redevelopment plan, to carry out the provisions of this Act.

"Substantial change" means a change wherein the proposed STAR bond project plan differs substantially in size, scope, or use from the approved STAR bond district plan or STAR bond project plan.

"Taxpayer" means an individual, partnership, corporation, limited liability company, trust, estate, or other entity that is subject to the Illinois Income Tax Act.

"Vacant" means that portion of the land in a proposed STAR bond district that is not occupied by a building, facility, or other vertical improvement.

Section 15. Establishment of STAR bond district. The governing body of a municipality may establish a STAR bond district within an eligible area within the municipality or partially outside the boundaries of the municipality in an unincorporated area of the county. A STAR bond district which is partially outside the boundaries of the municipality must also be approved by the governing body of the county by the passage of a resolution. The governing body of a county may establish a STAR bond district in an eligible area in any unincorporated area of the county.

(a) When a political subdivision proposes to establish a STAR bond district, the political subdivision shall adopt a resolution stating that the political subdivision is considering the establishment of a STAR bond district. The resolution shall:

(1) give notice, in the same manner as set forth in item (2) of subsection (e) of

Section 20, that a public hearing will be held to consider the establishment of a STAR bond district

and fix the date, hour, and place of the public hearing, which shall be at a location that is within 20 miles of the STAR bond district, in a facility that can accommodate a large crowd, and in a facility that is accessible to persons with disabilities;

- (2) describe the proposed general boundaries of the STAR bond district;
- (3) describe the STAR bond district plan;
- (4) require that a description and map of the proposed STAR bond district are available for inspection at a time and place designated;
- (5) identify the master developer for the STAR bond district; and
- (6) require that the governing body consider findings necessary for the establishment of a STAR bond district.

(b) Upon the conclusion of the public hearing the governing body of the political subdivision may consider a resolution to establish the STAR bond district.

(1) A resolution to establish a STAR bond district shall:

- (A) make findings that the proposed STAR bond district is to be developed with one or more STAR bond projects;
- (B) make findings that the STAR bond district is an eligible area;
- (C) contain a STAR bond district plan that identifies in a general manner the buildings and facilities that are proposed to be constructed or improved in subsequent STAR bond projects and that includes plans for at least one destination user;
- (D) contain the legal description of the STAR bond district;
- (E) appoint the master developer for the STAR bond district; and
- (F) establish the STAR bond district, contingent upon approval of the Director as set forth in subsection (d).

(2) If the resolution is not adopted by the political subdivision within 60 days from the conclusion of the public hearing, then the STAR bond district shall not be established.

(3) Upon adoption of a resolution establishing a STAR bond district, the political subdivision shall send a certified copy of such resolution to the Department of Revenue.

(c) Upon the establishment of a STAR bond district, the STAR bond district and any STAR bond projects shall be governed by a master development agreement between the political subdivision and the master developer. A STAR bond district that is partially outside the boundaries of a municipality shall only require one master development agreement; the agreement shall be between the municipality and the master developer. In no event shall there be more than one master development agreement governing the terms and conditions of a STAR bond district. The master development agreement shall require the master developer to ensure compliance with the following requirements to reduce the ecological impact of the STAR bond district development: (i) inclusion of pollution prevention, erosion, and sedimentation control plans during construction; (ii) protection of endangered species' habitat and wetlands mitigation; (iii) preservation of at least 20% of the STAR bond district as green space, including lawns, parks, landscaped areas, paths, lakes, ponds, and other water features; (iv) promotion of the use of renewable energy to the extent commercially feasible; (v) promotion of access to mass transit and bicycle transportation; (vi) implementation of recycling programs during construction and at completed STAR bond projects; (vii) preservation of water quality and promotion of water conservation through the use of techniques such as reusing storm water and landscaping with native and low-maintenance vegetation to reduce the need for irrigation and fertilization; (viii) inclusion of comprehensive lighting programs that reduce light pollution within the STAR bond district; and (ix) promotion of shared parking between different users to reduce the impact on project sites.

(d) Upon adoption of the resolution to establish a STAR bond district, the political subdivision shall submit the proposed STAR bond district to the Director for consideration. The Director may only approve a STAR bond district if the Director finds that: (i) the proposed STAR bond district is an eligible area, (ii) the STAR bond district plan includes a projected capital investment of at least \$100,000,000, (iii) the STAR bond district plan is reasonably projected to produce at least \$100,000,000 of annual gross sales revenues and 500 new jobs, (iv) the STAR bond district plan includes potential destination users and a potential entertainment user, (v) the creation of the STAR bond district and STAR bond district plan are in accordance with the purpose of this Act and the public interest, and (vi) the STAR bond district and STAR bond district plan meet any other requirement that the Director deems appropriate. If a proposed STAR bond district meets all of the foregoing criteria, the Director shall not unreasonably withhold its approval of the proposed STAR bond district. The Director may only approve one STAR bond district within any projected market area. However, the Director may approve additional STAR bond districts in a single projected market

area provided that the Director finds that the additional STAR bond district will not thwart the purposes of this Act. The Director shall promptly send a copy of its written findings and approval or denial of a STAR bond district to the requesting political subdivision.

(e) Starting on the fifth anniversary of the first date of distribution of State sales tax revenues from the first STAR bond project in the STAR bond district and continuing each anniversary thereafter, the Director shall, in consultation with the political subdivision and the master developer, determine the total number of new jobs created within the STAR bond district, the total development cost to date, and the master developer's compliance with its obligations under any written agreements with the State. If, on the fifth anniversary of the first date of distribution of State sales tax revenues from the first STAR bond project in the STAR bond district, the Director determines that the total development cost to date is not equal to or greater than \$100,000,000, or that the master developer is in breach of any written agreement with the State, then no new STAR bonds may be issued in the STAR bond district until the total development cost exceeds \$100,000,000 or the breach of agreement is cured, or both. If, on the fifth anniversary of the first date of distribution of State sales tax revenues from the first STAR bond project in the STAR bond district, there are not at least 500 jobs existing in the STAR bond district, the State may require the master developer to pay the State a penalty of \$1,500 per job under 500 each year until the earlier of (i) the twenty-third anniversary of the first date of distribution of State sales tax revenues from the first STAR bond project in the STAR bond district, (ii) the date that all STAR bonds issued in the STAR bond district have been paid off, or (iii) the date that at least 500 jobs have been created in the STAR bond district. Upon creation of 500 jobs in the STAR bond district, there shall not be an ongoing obligation to maintain those jobs after the fifth anniversary of the first date of distribution of State sales tax revenues from the first STAR bond project in the STAR bond district, and the master developer shall be relieved of any liability with respect to job creation under this subsection. Notwithstanding anything to the contrary in this subsection, the master developer shall not be liable for the penalties set forth under this subsection if the breach of agreement, failure to reach at least \$100,000,000 in total development costs, or failure to create 500 jobs is due to delays caused by force majeure, as that term shall be defined in the master development agreement.

Section 20. Approval of STAR bond projects. The governing body of a political subdivision may establish one or more STAR bond projects in any STAR bond district. A STAR bond project which is partially outside the boundaries of a municipality must also be approved by the governing body of the county by resolution.

(a) After the establishment of a STAR bond district, the master developer may propose one or more STAR bond projects to a political subdivision and the master developer shall, in cooperation with the political subdivision, prepare a STAR bond project plan in consultation with the planning commission of the political subdivision, if any. The STAR bond project plan may be implemented in separate development stages.

(b) Any political subdivision considering a STAR bond project within a STAR bond district shall notify the Department, which shall cause to be prepared an independent feasibility study by a feasibility consultant with certified copies provided to the political subdivision, the Director, and the Department of Commerce and Economic Opportunity. The feasibility study shall include the following:

- (1) the estimated amount of pledged STAR revenues expected to be collected in each year through the maturity date of the proposed STAR bonds;
- (2) a statement of how the jobs and taxes obtained from the STAR bond project will contribute significantly to the economic development of the State and region;
- (3) visitation expectations;
- (4) the unique quality of the project;
- (5) an economic impact study;
- (6) a market study;
- (7) integration and collaboration with other resources or businesses;
- (8) the quality of service and experience provided, as measured against national consumer standards for the specific target market;
- (9) project accountability, measured according to best industry practices;
- (10) the expected return on State and local investment that the STAR bond project is anticipated to produce; and
- (11) an anticipated principal and interest payment schedule on the STAR bonds.

The feasibility consultant, along with the independent economist and any other consultants

commissioned to perform the studies and other analysis required by the feasibility study, shall be selected by the Director with the approval of the political subdivision. The consultants shall be retained by the Director and the Department shall be reimbursed by the master developer for the costs to retain the consultants.

The failure to include all information enumerated in this subsection in the feasibility study for a STAR bond project shall not affect the validity of STAR bonds issued pursuant to this Act.

(c) If the political subdivision determines the STAR bond project is feasible, the STAR bond project plan shall include:

- (1) a summary of the feasibility study;
- (2) a reference to the STAR bond district plan that identifies the STAR bond project area that is set forth in the STAR bond project plan that is being considered;
- (3) a legal description and map of the STAR bond project area to be developed or redeveloped;
- (4) a description of the buildings and facilities proposed to be constructed or improved in such STAR bond project area, including destination users and an entertainment user, as applicable;
- (5) a copy of letters of intent to locate within the STAR bond district signed by both the master developer and the appropriate corporate officer of at least one destination user for the first STAR bond project proposed within the district; and
- (6) any other information the governing body of the political subdivision deems reasonable and necessary to advise the public of the intent of the STAR bond project plan.

(d) Before a political subdivision may hold a public hearing to consider a STAR bond project plan, the political subdivision must apply to the Department for approval of the STAR bond project plan. An application for approval of a STAR bond project plan must not be approved unless all of the components of the feasibility study set forth in items (1) through (11) of subsection (b) have been completed and submitted to the Department for review. In addition to reviewing all of the other elements of the STAR bond project plan required under subsection (c), which must be included in the application (which plan must include a letter or letters of intent as required under subdivision (c)(5) in order to receive Director approval), the Director must review the feasibility study and consider all of the components of the feasibility study set forth in items (1) through (11) of subsection (b) of Section 20, including without limitation the economic impact study and the financial benefit of the proposed STAR bond project to the local, regional, and State economies, the proposed adverse impacts on similar businesses and projects as well as municipalities within the market area, and the net effect of the proposed STAR bond project on the local, regional, and State economies. In addition to the economic impact study, the political subdivision must also submit to the Department, as part of its application, the financial and other information that substantiates the basis for the conclusion of the economic impact study, in the form and manner as required by the Department, so that the Department can verify the results of the study. In addition to any other criteria in this subsection, to approve the STAR bond project plan, the Director must be satisfied that the proposed destination user is in fact a true destination user and also find that the STAR bond project plan is in accordance with the purpose of this Act and the public interest. The Director shall either approve or deny the STAR bond project plan based on the criteria in this subsection.

(e) Upon a finding by the planning and zoning commission of the political subdivision that the STAR bond project plan is consistent with the intent of the comprehensive plan for the development of the political subdivision and upon issuance of written approval of the STAR bond project plan from the Director pursuant to subsection (d) of Section 20, the governing body of the political subdivision shall adopt a resolution stating that the political subdivision is considering the adoption of the STAR bond project plan. The resolution shall:

- (1) give notice that a public hearing will be held to consider the adoption of the STAR bond project plan and fix the date, hour, and place of the public hearing;
 - (2) describe the general boundaries of the STAR bond district within which the STAR bond project will be located and the date of establishment of the STAR bond district;
 - (3) describe the general boundaries of the area proposed to be included within the STAR bond project area;
 - (4) provide that the STAR bond project plan and map of the area to be redeveloped or developed are available for inspection during regular office hours in the offices of the political subdivision; and
 - (5) contain a summary of the terms and conditions of any proposed project development agreement with the political subdivision.
- (f) A public hearing shall be conducted to consider the adoption of any STAR bond project plan.
- (1) The date fixed for the public hearing to consider the adoption of the STAR bond

project plan shall be not less than 20 nor more than 90 days following the date of the adoption of the resolution fixing the date of the hearing.

(2) A copy of the political subdivision's resolution providing for the public hearing shall be sent by certified mail, return receipt requested, to the governing body of the county. A copy of the political subdivision's resolution providing for the public hearing shall be sent by certified mail, return receipt requested, to each person or persons in whose name the general taxes for the last preceding year were paid on each parcel of land lying within the proposed STAR bond project area within 10 days following the date of the adoption of the resolution. The resolution shall be published once in a newspaper of general circulation in the political subdivision not less than one week nor more than 3 weeks preceding the date fixed for the public hearing. A map or aerial photo clearly delineating the area of land proposed to be included within the STAR bond project area shall be published with the resolution.

(3) The hearing shall be held at a location that is within 20 miles of the STAR bond district, in a facility that can accommodate a large crowd, and in a facility that is accessible to persons with disabilities.

(4) At the public hearing, a representative of the political subdivision or master developer shall present the STAR bond project plan. Following the presentation of the STAR bond project plan, all interested persons shall be given an opportunity to be heard. The governing body may continue the date and time of the public hearing.

(g) Upon conclusion of the public hearing, the governing body of the political subdivision may adopt the STAR bond project plan by a resolution approving the STAR bond project plan.

(h) After the adoption by the corporate authorities of the political subdivision of a STAR bond project plan, the political subdivision may enter into a project development agreement if the master developer has requested the political subdivision to be a party to the project development agreement pursuant to subsection (b) of Section 25.

(i) Within 30 days after the adoption by the political subdivision of a STAR bond project plan, the clerk of the political subdivision shall transmit a copy of the legal description of the land and a list of all new and existing mailing addresses within the STAR bond district, a copy of the resolution adopting the STAR bond project plan, and a map or plat indicating the boundaries of the STAR bond project area to the clerk, treasurer, and governing body of the county and to the Department of Revenue. Within 30 days of creation of any new mailing addresses within a STAR bond district, the clerk of the political subdivision shall provide written notice of such new addresses to the Department of Revenue.

If a certified copy of the resolution adopting the STAR bond project plan is filed with the Department on or before the first day of April, the Department, if all other requirements of this subsection are met, shall proceed to collect and allocate any local sales tax increment and any State sales tax increment in accordance with the provisions of this Act as of the first day of July next following the adoption and filing. If a certified copy of the resolution adopting the STAR bond project plan is filed with the Department after April 1 but on or before the first day of October, the Department, if all other requirements of this subsection are met, shall proceed to collect and allocate any local sales tax increment and any State sales tax increment in accordance with the provisions of this Act as of the first day of January next following the adoption and filing.

Any substantial changes to a STAR bond project plan as adopted shall be subject to a public hearing following publication of notice thereof in a newspaper of general circulation in the political subdivision and approval by resolution of the governing body of the political subdivision.

The Department of Revenue shall not collect or allocate any local sales tax increment or State sales tax increment, until the political subdivision also provides, in the manner prescribed by the Department, the boundaries of the STAR bond project area and each address in the STAR bond project area in such a way that the Department can determine by its address whether a business is located in the STAR bond project area. The political subdivision must provide this boundary and address information to the Department on or before April 1 for administration and enforcement under this Act by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement under this Act by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a STAR bond project or any address change, addition, or deletion until the political subdivision reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The political subdivision must provide this boundary change or address change, addition, or deletion information to the Department on or before April 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the

following January 1. If a retailer is incorrectly included or excluded from the list of those located in the STAR bond project, the Department of Revenue shall be held harmless if it reasonably relied on information provided by the political subdivision.

(j) Any STAR bond project must be approved by the political subdivision prior to that date which is 23 years from the date of the approval of the STAR bond district, provided however that any amendments to such STAR bond project may occur following such date.

(k) Any developer of a STAR bond project shall commence work on the STAR bond project within 3 years from the date of adoption of the STAR bond project plan. If the developer fails to commence work on the STAR bond project within the 3-year period, funding for the project shall cease and the developer of the project or complex shall have one year to appeal to the political subdivision for reapproval of the project and funding. If the project is reapproved, the 3-year period for commencement shall begin again on the date of the reapproval.

(l) After the adoption by the corporate authorities of the political subdivision of a STAR bond project plan and approval of the Director pursuant to subsection (d) of Section 20, the political subdivision may authorize the issuance of the STAR bonds in one or more series to finance the STAR bond project in accordance with the provisions of this Act.

(m) The maximum maturity of STAR bonds issued to finance a STAR bond project shall not exceed 23 years from the first date of distribution of State sales tax revenues from such STAR bond project to the political subdivision, unless the political subdivision extends such maturity by resolution up to a maximum of 35 years from such first distribution date. Any such extension shall require the approval of the Director. In no event shall the maximum maturity date for any STAR bonds exceed that date which is 35 years from the first distribution date of the first STAR bonds issued in a STAR bond district.

Section 25. Co-developers and subdevelopers. Upon approval of a STAR bond project by the political subdivision, the master developer may, subject to the approval of the Director and the political subdivision, develop the STAR bond project on its own or it may develop the STAR bond project with another developer, which may include an assignment or transfer of development rights.

(a) A master developer may sell, lease, or otherwise convey its property interest in the STAR bond project area to a co-developer or subdeveloper.

(b) A master developer may enter into one or more agreements with a co-developer or subdeveloper in connection with a STAR bond project, and the master developer may request that the political subdivision become a party to the project development agreement, or the master developer may request that the political subdivision amend its master development agreement to provide for certain terms and conditions that may be related to the co-developer or subdeveloper and the STAR bond project. For any project development agreement which the political subdivision would be a party or for any amendments to the master development agreement, the terms and conditions must be acceptable to both the master developer and the political subdivision.

Section 30. STAR bonds; source of payment. Any political subdivision shall have the power to issue STAR bonds in one or more series to finance the undertaking of any STAR bond project in accordance with the provisions of this Act and the Omnibus Bond Acts. STAR bonds may be issued as revenue bonds, alternate bonds, or general obligation bonds as defined in and subject to the procedures provided in the Local Government Debt Reform Act.

(a) STAR bonds may be made payable, both as to principal and interest, from the following revenues, which to the extent pledged by each respective political subdivision or other public entity for such purpose shall constitute pledged STAR revenues:

(1) revenues of the political subdivision derived from or held in connection with the undertaking and carrying out of any STAR bond project or projects under this Act;

(2) available private funds and contributions, grants, tax credits, or other financial assistance from the State or federal government;

(3) STAR bond occupation taxes created pursuant to Section 31 and designated as pledged STAR revenues by the political subdivision;

(4) all of the local sales tax increment of a municipality, county, or other unit of local government;

(5) any special service area taxes collected within the STAR bond district under the Special Service Area Tax Act, may be used for the purposes of funding project costs or paying debt service on STAR bonds in addition to the purposes contained in the special service area plan;

(6) all of the State sales tax increment;

(7) any other revenues appropriated by the political subdivision; and

(8) any combination of these methods.

(b) The political subdivision may pledge the pledged STAR revenues to the repayment of STAR bonds prior to, simultaneously with, or subsequent to the issuance of the STAR bonds.

(c) Bonds issued as revenue bonds shall not be general obligations of the political subdivision, nor in any event shall they give rise to a charge against its general credit or taxing powers, or be payable out of any funds or properties other than those set forth in subsection (a) and the bonds shall so state on their face.

(d) For each STAR bond project financed with STAR bonds payable from the pledged STAR revenues, the political subdivision shall prepare and submit to the Department of Revenue by June 1 of each year a report describing the status of the STAR bond project, any expenditures of the proceeds of STAR bonds that have occurred for the preceding calendar year, and any expenditures of the proceeds of the bonds expected to occur in the future, including the amount of pledged STAR revenue, the amount of revenue that has been spent, the projected amount of the revenue, and the anticipated use of the revenue. Each annual report shall be accompanied by an affidavit of the master developer certifying the contents of the report as true to the best of the master developer's knowledge. The Department of Revenue shall have the right, but not the obligation, to request the Illinois Auditor General to review the annual report and the political subdivision's records containing the source information for the report for the purpose of verifying the report's contents. If the Illinois Auditor General declines the request for review, the Department of Revenue shall have the right to select an independent third-party auditor to conduct an audit of the annual report and the political subdivision's records containing the source information for the report. The reasonable cost of the audit shall be paid by the master developer. The master development agreement shall grant the Department of Revenue and the Illinois Auditor General the right to review the records of the political subdivision containing the source information for the report.

(e) There is created in the State treasury a special fund to be known as the STAR Bonds Revenue Fund. As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from the General Revenue Fund to the STAR Bonds Revenue Fund the State sales tax increment for the second preceding month, less 3% of that amount, which shall be transferred into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering the Innovation Development and Economy Act. As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from the Local Government Tax Fund to the STAR Bonds Revenue Fund the local sales tax increment for the second preceding month, as provided in Section 6z-18 of the State Finance Act and from the County and Mass Transit District Fund to the STAR Bonds Revenue Fund the local sales tax increment for the second preceding month, as provided in Section 6z-20 of the State Finance Act.

On or before the 25th day of each calendar month, beginning on January 1, 2011, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money out of the STAR Bonds Revenue Fund to named municipalities and counties, the municipalities and counties to be those entitled to distribution of taxes or penalties paid to the Department during the second preceding calendar month. The amount to be paid to each municipality or county shall be the amount of the State sales tax increment and the local sales tax increment (not including credit memoranda or the amount transferred into the Tax Compliance and Administration Fund) collected during the second preceding calendar month by the Department from retailers and servicemen on transactions at places of business located within a STAR bond district in that municipality or county, plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, and not including any amount which the Department determines is necessary to offset any amounts which are payable to a different taxing body but were erroneously paid to the municipality or county. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities and counties, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

When certifying the amount of monthly disbursement to a municipality or county under this subsection, the Department shall increase or decrease that amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the 6 months preceding the time a misallocation is discovered.

(f) As of the seventh anniversary of the first date of distribution of State sales tax revenues from the

first STAR bond project in the STAR bond district, and as of every fifth anniversary thereafter until final maturity of all STAR bonds issued in a STAR bond district, the portion of the aggregate proceeds of STAR bonds issued to date that is derived from the State sales tax increment pledged to pay STAR bonds in any STAR bond district shall not exceed 50% of the total development costs in the STAR bond district to date. The Illinois Auditor General shall make the foregoing determination on said seventh anniversary and every 5 years thereafter until final maturity of all STAR bonds issued in a STAR bond district. If at any time after the seventh anniversary of the first date of distribution of State sales tax revenues from the first STAR bond project in the STAR bond district the Illinois Auditor General determines that the portion of the aggregate proceeds of STAR bonds issued to date that is derived from the State sales tax increment pledged to pay STAR bonds in any STAR bond district has exceeded 50% of the total development costs in the STAR bond district, no additional STAR bonds may be issued in the STAR bond district until the percentage is reduced to 50% or below. When the percentage has been reduced to 50% or below, the master developer shall have the right, at its own cost, to obtain a new audit prepared by an independent third-party auditor verifying compliance and shall provide such audit to the Illinois Auditor General for review and approval. Upon the Illinois Auditor General's determination from the audit that the percentage has been reduced to 50% or below, STAR bonds may again be issued in the STAR bond district.

(g) Notwithstanding the provisions of the Tax Increment Allocation Redevelopment Act, if any portion of property taxes attributable to the increase in equalized assessed value within a STAR bond district are, at the time of formation of the STAR bond district, already subject to tax increment financing under the Tax Increment Allocation Redevelopment Act, then the tax increment for such portion shall be frozen at the base year established in accordance with this Act, and all future incremental increases over the base year shall not be subject to tax increment financing under the Tax Increment Allocation Redevelopment Act. Any party otherwise entitled to receipt of incremental tax revenues through an existing tax increment financing district shall be entitled to continue to receive such revenues up to the amount frozen in the base year. Nothing in this Act shall affect the prior qualification of existing redevelopment project costs incurred that are eligible for reimbursement under the Tax Increment Allocation Redevelopment Act. In such event, prior to approving a STAR bond district, the political subdivision forming the STAR bond district shall take such action as is necessary, including amending the existing tax increment financing district redevelopment plan, to carry out the provisions of this Act.

Section 31. STAR bond occupation taxes.

(a) If the corporate authorities of a political subdivision have established a STAR bond district and have elected to impose a tax by ordinance pursuant to subsection (b) or (c) of this Section, each year after the date of the adoption of the ordinance and until all STAR bond project costs and all political subdivision obligations financing the STAR bond project costs, if any, have been paid in accordance with the STAR bond project plans, but in no event longer than the maximum maturity date of the last of the STAR bonds issued for projects in the STAR bond district, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the political subdivision imposing the tax. The corporate authorities of the political subdivision shall deposit the proceeds of the taxes imposed under subsections (b) and (c) into either (i) a special fund held by the corporate authorities of the political subdivision called the STAR Bonds Tax Allocation Fund for the purpose of paying STAR bond project costs and obligations incurred in the payment of those costs if such taxes are designated as pledged STAR revenues by resolution or ordinance of the political subdivision or (ii) the political subdivision's general corporate fund if such taxes are not designated as pledged STAR revenues by resolution or ordinance.

The tax imposed under this Section by a municipality may be imposed only on the portion of a STAR bond district that is within the boundaries of the municipality. For any part of a STAR bond district that lies outside of the boundaries of that municipality, the municipality in which the other part of the STAR bond district lies (or the county, in cases where a portion of the STAR bond district lies in the unincorporated area of a county) is authorized to impose the tax under this Section on that part of the STAR bond district.

(b) The corporate authorities of a political subdivision that has established a STAR bond district under this Act may, by ordinance or resolution, impose a STAR Bond Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the STAR bond district at a rate not to exceed 1% of the gross receipts from the sales made in the course of that

[May 7, 2010]

business, to be imposed only in 0.25% increments. The tax may not be imposed on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption), prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a STAR Bond Service Occupation Tax shall also be imposed upon all persons engaged, in the STAR bond district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the STAR bond district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the STAR bond district, to be imposed only in 0.25% increments. The tax may not be imposed on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption), prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under that ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the STAR bond district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the political subdivision), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the political subdivision), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(d) Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability under this Section by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the STAR bond retailers' occupation tax fund.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this Section for deposit into the STAR bond retailers' occupation tax fund. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named political subdivisions from the STAR bond retailers' occupation tax fund, the political subdivisions to be those from which retailers have paid taxes or penalties under this Section to the Department during the second preceding calendar month. The amount to be paid to each political subdivision shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 3% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this Section, on behalf of such political subdivision, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the political subdivision. Within 10 days after receipt by the Comptroller of the disbursement certification to the political subdivisions provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to political subdivisions under this Section shall be deposited into either (i) the STAR Bonds Tax Allocation Fund by the political subdivision if the political subdivision has designated them as pledged STAR revenues by resolution or ordinance or (ii) the political subdivision's general corporate fund if the political subdivision has not designated them as pledged STAR revenues.

An ordinance or resolution imposing or discontinuing the tax under this Section or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this Section are met, shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this Section are met, the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this Section, until the political subdivision also provides, in the manner prescribed by the Department, the boundaries of the STAR bond district and each address in the STAR bond district in such a way that the Department can determine by its address whether a business is located in the STAR bond district. The political subdivision must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this Section by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this Section by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a STAR bond district or any address change, addition, or deletion until the political subdivision reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The political subdivision must provide this boundary change or address change, addition, or deletion information to the Department on or before April 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following January 1. The retailers in the STAR bond district shall be responsible for charging the tax imposed under this Section. If a retailer is incorrectly

[May 7, 2010]

included or excluded from the list of those required to collect the tax under this Section, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the political subdivision.

A political subdivision that imposes the tax under this Section must submit to the Department of Revenue any other information as the Department may require that is necessary for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a political subdivision under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this Section shall be construed to authorize the political subdivision to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(e) When STAR bond project costs, including, without limitation, all political subdivision obligations financing STAR bond project costs, have been paid, any surplus funds then remaining in the STAR Bonds Tax Allocation Fund shall be distributed to the treasurer of the political subdivision for deposit into the political subdivision's general corporate fund. Upon payment of all STAR bond project costs and retirement of obligations, but in no event later than the maximum maturity date of the last of the STAR bonds issued in the STAR bond district, the political subdivision shall adopt an ordinance immediately rescinding the taxes imposed pursuant to this Section and file a certified copy of the ordinance with the Department in the form and manner as described in this Section.

Section 33. STAR Bonds School Improvement and Operations Trust Fund.

(a) The STAR Bonds School Improvement and Operations Trust Fund is created as a trust fund in the State treasury. Deposits into the Trust Fund shall be made as provided under this Section. Moneys in the Trust Fund shall be used by the Department of Revenue only for the purpose of making payments to school districts in educational service regions that include or are adjacent to the STAR bond district. Moneys in the Trust Fund are not subject to appropriation and shall be used solely as provided in this Section. All deposits into the Trust Fund shall be held in the Trust Fund by the State Treasurer as ex officio custodian separate and apart from all public moneys or funds of this State and shall be administered by the Department exclusively for the purposes set forth in this Section. All moneys in the Trust Fund shall be invested and reinvested by the State Treasurer. All interest accruing from these investments shall be deposited in the Trust Fund.

(b) Upon approval of a STAR bond district, the political subdivision shall immediately transmit to the county clerk of the county in which the district is located a certified copy of the ordinance creating the district, a legal description of the district, a map of the district, identification of the year that the county clerk shall use for determining the total initial equalized assessed value of the district consistent with subsection (c), and a list of the parcel or tax identification number of each parcel of property included in the district.

(c) Upon approval of a STAR bond district, the county clerk immediately thereafter shall determine (i) the most recently ascertained equalized assessed value of each lot, block, tract, or parcel of real property within the STAR bond district, from which shall be deducted the homestead exemptions under Article 15 of the Property Tax Code, which value shall be the initial equalized assessed value of each such piece of property, and (ii) the total equalized assessed value of all taxable real property within the district by adding together the most recently ascertained equalized assessed value of each taxable lot, block, tract, or parcel of real property within the district, from which shall be deducted the homestead exemptions under Article 15 of the Property Tax Code, and shall certify that amount as the total initial equalized assessed value of the taxable real property within the STAR bond district.

(d) In reference to any STAR bond district created within any political subdivision, and in respect to which the county clerk has certified the total initial equalized assessed value of the property in the area, the political subdivision may thereafter request the clerk in writing to adjust the initial equalized value of all taxable real property within the STAR bond district by deducting therefrom the exemptions under Article 15 of the Property Tax Code applicable to each lot, block, tract, or parcel of real property within the STAR bond district. The county clerk shall immediately after the written request to adjust the total initial equalized value is received determine the total homestead exemptions in the STAR bond district as provided under Article 15 of the Property Tax Code by adding together the homestead exemptions provided by said Article on each lot, block, tract, or parcel of real property within STAR bond district and then shall deduct the total of said exemptions from the total initial equalized assessed value. The county clerk shall then promptly certify that amount as the total initial equalized assessed value as

adjusted of the taxable real property within the STAR bond district.

(e) The county clerk or other person authorized by law shall compute the tax rates for each taxing district with all or a portion of its equalized assessed value located in the STAR bond district. The rate per cent of tax determined shall be extended to the current equalized assessed value of all property in the district in the same manner as the rate per cent of tax is extended to all other taxable property in the taxing district.

(f) Beginning with the assessment year in which the first destination user in the first STAR bond project in a STAR bond district makes its first retail sales and for each assessment year thereafter until final maturity of the last STAR bonds issued in the district, the county clerk or other person authorized by law shall determine the increase in equalized assessed value of all real property within the STAR bond district by subtracting the initial equalized assessed value of all property in the district certified under subsection (c) from the current equalized assessed value of all property in the district. Each year, the property taxes arising from the increase in equalized assessed value in the STAR bond district shall be determined for each taxing district and shall be certified to the county collector.

(g) Beginning with the year in which taxes are collected based on the assessment year in which the first destination user in the first STAR bond project in a STAR bond district makes its first retail sales and for each year thereafter until final maturity of the last STAR bonds issued in the district, the county collector shall, within 30 days after receipt of property taxes, transmit to the Department to be deposited into the STAR Bonds School Improvement and Operations Trust Fund 15% of property taxes attributable to the increase in equalized assessed value within the STAR bond district from each taxing district as certified in subsection (f).

(h) The Department shall pay to the regional superintendent of schools whose educational service region includes Franklin and Williamson Counties, for each year for which money is remitted to the Department and paid into the STAR Bonds School Improvement and Operations Trust Fund, the money in the Fund as provided in this Section. The amount paid to each school district shall be allocated proportionately, based on each qualifying school district's fall enrollment for the then-current school year, such that the school district with the largest fall enrollment receives the largest proportionate share of money paid out of the Fund or by any other method or formula that the regional superintendent of schools deems fit, equitable, and in the public interest. The regional superintendent may allocate moneys to school districts that are outside of his or her educational service region or to other regional superintendents.

The Department shall determine the distributions under this Section using its best judgment and information. The Department shall be held harmless for the distributions made under this Section and all distributions shall be final.

(i) In any year that an assessment appeal is filed, the extension of taxes on any assessment so appealed shall not be delayed. In the case of an assessment that is altered, any taxes extended upon the unauthorized assessment or part thereof shall be abated, or, if already paid, shall be refunded with interest as provided in Section 23-20 of the Property Tax Code. In the case of an assessment appeal, the county collector shall notify the Department that an assessment appeal has been filed and the amount of the tax that would have been deposited in the STAR Bond School Improvement Fund. The county collector shall hold that amount in a separate fund until the appeal process is final. After the appeal process is finalized, the county collector shall transmit to the Department the amount of tax that remains, if any, after all required refunds are made. The Department shall pay any amount deposited into the Trust Fund under this Section in the same proportion as determined for payments for that taxable year under subsection (h).

(j) In any year that ad valorem taxes are allocated to the STAR Bonds School Improvement and Operations Trust Fund, that allocation shall not reduce or otherwise impact the school aid provided to any school district under the general State school aid formula provided for in Section 18-8.05 of the School Code.

Section 35. Alternate bonds and general obligation bonds. A political subdivision shall have the power to issue alternate revenue and other general obligation bonds to finance the undertaking, establishment, or redevelopment of any STAR bond project as provided and pursuant to the procedures set forth in the Local Government Debt Reform Act. A political subdivision shall have the power to issue general obligation bonds to finance the undertaking, establishment, or redevelopment of any STAR bond project on approval by the voters of the political subdivision of a proposition authorizing the issue of such bonds.

The full faith and credit of the State, any department, authority, public corporation or quasi-public corporation of the State, any State college or university, or any other public agency created by the State

[May 7, 2010]

shall not be pledged for any payment under any obligation authorized by this Act.

Section 40. Amendments to STAR bond district. Any addition of real property to a STAR bond district or any substantial change to a STAR bond district plan shall be subject to the same procedure for public notice, hearing, and approval as is required for the establishment of the STAR bond district pursuant to this Act.

(a) The addition or removal of land to or from a STAR bond district shall require the consent of the master developer of the STAR bond district.

(b) Any land that is outside of, but is contiguous to an established STAR bond district and is subsequently owned, leased, or controlled by the master developer shall be added to a STAR bond district at the request of the master developer and by approval of the political subdivision, provided that the land becomes a part of a STAR bond project area.

(c) If a political subdivision has undertaken a STAR bond project within a STAR bond district, and the political subdivision desires to subsequently remove more than a de minimus amount of real property from the STAR bond district, then prior to any removal of property the political subdivision must provide a revised feasibility study showing that the pledged STAR revenues from the resulting STAR bond district within which the STAR bond project is located are estimated to be sufficient to pay the project costs. If the revenue from the resulting STAR bond district is insufficient to pay the project costs, then the property may not be removed from the STAR bond district. Any removal of real property from a STAR bond district shall be approved by a resolution of the governing body of the political subdivision.

Section 45. Restrictions. STAR bond districts may lie within an enterprise zone, but no portion of a STAR bond project shall be financed with funds allocated pursuant to the Illinois Enterprise Zone Act. STAR bond districts may overlay and benefit from existing tax increment financing districts created pursuant to the Tax Increment Allocation Redevelopment Act, but no portion of a STAR bond project shall be financed with tax increment financing under said Act. During any period of time that STAR bonds are outstanding for a STAR bond district, a developer may not use any land located in the STAR bond district for any (i) retail store whose primary business is the sale of automobiles, including trucks and other automotive vehicles with 4 wheels designed for passenger transportation on public streets and thoroughfares or (ii) multi-screen motion picture theater complexes containing more than 12 auditoriums for viewing motion pictures. No STAR bond district may contain more than 900,000 square feet of floor space devoted to traditional retail use.

Section 50. Reporting taxes. Notwithstanding any other provisions of law to the contrary, the Department of Revenue shall provide a certified report of the State sales tax increment and local sales tax increment from all taxpayers within a STAR bond district to the bond trustee, escrow agent, or paying agent for such bonds upon the written request of the political subdivision on or before the 25th day of each month. Such report shall provide a detailed allocation of State sales tax increment and local sales tax increment from each local sales tax and State sales tax reported to the Department of Revenue.

(a) The bond trustee, escrow agent, or paying agent shall keep such sales and use tax reports and the information contained therein confidential, but may use such information for purposes of allocating and depositing the sales and use tax revenues in connection with the bonds used to finance project costs in such STAR bond district. Except as otherwise provided herein, the sales and use tax reports received by the bond trustee, escrow agent, or paying agent shall be subject to the provisions of Chapter 35 of the Illinois Compiled Statutes, including Section 3 of the Retailers' Occupation Tax Act and Section 9 of the Use Tax Act.

(b) The political subdivision shall determine when the amount of sales tax and other revenues that have been collected and distributed to the bond debt service or reserve fund is sufficient to satisfy all principal and interest costs to the maturity date or dates of any STAR bond issued by a political subdivision to finance a STAR bond project and shall give the Department of Revenue written notice of such determination. The notice shall include a date certain on which deposits into the STAR Bonds Revenue Fund for that STAR bond project shall terminate and shall be provided to the Department of Revenue at least 60 days prior to that date. Thereafter, all sales tax and other revenues shall be collected and distributed in accordance with applicable law.

Section 52. Review committee. Upon the seventh anniversary of the first date of distribution of State sales tax revenues from the first STAR bond project in the State, a 6-member STAR bonds review committee shall be formed consisting of one appointee of each of the Director, the Director of the

Department of Commerce and Economic Opportunity, the President of the Senate, the Senate Minority Leader, the Speaker of the House, and the House Minority Leader. The review committee shall evaluate the success of all STAR bond districts then existing in the State and make a determination of the comprehensive economic benefits and detriments of STAR bonds in the State as a whole. In making its determination, the review committee shall examine available data regarding job creation, sales revenues, and capital investment in STAR bond districts; development that has occurred and is planned in areas adjacent to STAR bond districts that will not be directly financed with STAR bonds; effects of market conditions on STAR bond districts and the likelihood of future successes based on improving or declining market conditions; retail sales migration and cannibalization of retail sales due to STAR bond districts; and other relevant economic factors. The review committee shall provide the Director, the General Assembly, and the Governor with a written report detailing its findings and shall make a final determination of whether STAR bonds have had, and are likely to continue having, a negative or positive economic impact on the State as a whole. Upon completing and filing its written report, the review committee shall be dissolved. If the review committee's report makes a final determination that STAR bonds have had and are likely to continue having a negative economic impact on the State as a whole, then no new STAR bond districts may thereafter be formed in the State until further action by the General Assembly.

Section 55. Severability. If any provision of this Act or the application thereof to any persons or circumstances is held invalid, such invalidity shall not affect other provisions or application of the Act that can be given effect without the invalid provisions or application and to this end the provisions of this Act are declared to be severable.

Section 57. Rules. The Department of Revenue shall have the authority to adopt such rules as are reasonable and necessary to implement the provisions of this Act. Notwithstanding the foregoing, the Department of Revenue shall have the authority, prior to adoption and approval of those rules, to approve a STAR bond district in accordance with subsection (d) of Section 20 and to otherwise administer the Act while those rules are pending adoption and approval.

Section 60. Open meetings and freedom of information. All public hearings related to the administration, formation, implementation, development, or construction of a STAR bond district, STAR bond district plan, STAR bond project, or STAR bond project plan, including but not limited to the public hearings required by Sections 15, 20, and 40 of this Act, shall be held in compliance with the Open Meetings Act. The public hearing records, feasibility study, and other documents that do not otherwise meet a confidentiality exemption shall be subject to the Freedom of Information Act.

Section 62. Powers of political subdivisions. The provisions of this Act are intended to be supplemental and in addition to all other power or authority granted to political subdivisions, shall be construed liberally, and shall not be construed as a limitation of any power or authority otherwise granted. In addition to the powers a political subdivision may have under other provisions of law, a political subdivision shall have all of the following powers in connection with a STAR bond district:

- (a) To make and enter into all contracts necessary or incidental to the implementation and furtherance of a STAR bond district plan.
- (b) Within a STAR bond district, to acquire by purchase, donation, or lease, and to own, convey, lease, mortgage, or dispose of land and other real or personal property or rights or interests in property and to grant or acquire licenses, easements, and options with respect to property, all in the manner and at a price the political subdivision determines is reasonably necessary to achieve the objectives of the STAR bond project.
- (c) To clear any area within a STAR bond district by demolition or removal of any existing buildings, structures, fixtures, utilities, or improvements and to clear and grade land.
- (d) To install, repair, construct, reconstruct, extend or relocate public streets, public utilities, and other public site improvements located both within and outside the boundaries of a STAR bond district that are essential to the preparation of a STAR bond district for use in accordance with a STAR bond district plan.
- (e) To renovate, rehabilitate, reconstruct, relocate, repair, or remodel any existing buildings, improvements, and fixtures within a STAR bond district.
- (f) To install or construct any public buildings, structures, works, streets, improvements, utilities, or fixtures within a STAR bond district.
- (g) To issue STAR bonds as provided in this Act.

[May 7, 2010]

(h) Subject to the limitations set forth in the definition of "project costs" in Section 10 of this Act, to fix, charge, and collect fees, rents, and charges for the use of any building, facility, or property or any portion of a building, facility, or property owned or leased by the political subdivision in furtherance of a STAR bond project under this Act within a STAR bond district.

(i) To accept grants, guarantees, donations of property or labor, or any other thing of value for use in connection with a STAR bond project.

(j) To pay or cause to be paid STAR bond project costs, including, specifically, to reimburse any developer or nongovernmental person for STAR bond project costs incurred by that person. A political subdivision is not required to obtain any right, title, or interest in any real or personal property in order to pay STAR bond project costs associated with the property. The political subdivision shall adopt accounting procedures necessary to determine that the STAR bond project costs are properly paid.

(k) To exercise any and all other powers necessary to effectuate the purposes of this Act.

Section 63. The New Markets Development Program Act is amended by changing Sections 20 and 25 as follows:

(20 ILCS 663/20)

Sec. 20. Annual cap on credits. The Department shall limit the monetary amount of qualified equity investments permitted under this Act to a level necessary to limit tax credit use at no more than ~~\$20,000,000~~ ~~\$10,000,000~~ of tax credits in any fiscal year. This limitation on qualified equity investments shall be based on the anticipated use of credits without regard to the potential for taxpayers to carry forward tax credits to later tax years.

(Source: P.A. 95-1024, eff. 12-31-08.)

(20 ILCS 663/25)

Sec. 25. Certification of qualified equity investments.

(a) A qualified community development entity that seeks to have an equity investment or long-term debt security designated as a qualified equity investment and eligible for tax credits under this Section shall apply to the Department. The qualified community development entity must submit an application on a form that the Department provides that includes:

(1) The name, address, tax identification number of the entity, and evidence of the entity's certification as a qualified community development entity.

(2) A copy of the allocation agreement executed by the entity, or its controlling entity, and the Community Development Financial Institutions Fund.

(3) A certificate executed by an executive officer of the entity attesting that the allocation agreement remains in effect and has not been revoked or cancelled by the Community Development Financial Institutions Fund.

(4) A description of the proposed amount, structure, and purchaser of the equity investment or long-term debt security.

(5) The name and tax identification number of any taxpayer eligible to utilize tax credits earned as a result of the issuance of the qualified equity investment.

(6) Information regarding the proposed use of proceeds from the issuance of the qualified equity investment.

(7) A nonrefundable application fee of \$5,000. This fee shall be paid to the Department and shall be required of each application submitted.

(b) Within 30 days after receipt of a completed application containing the information necessary for the Department to certify a potential qualified equity investment, including the payment of the application fee, the Department shall grant or deny the application in full or in part. If the Department denies any part of the application, it shall inform the qualified community development entity of the grounds for the denial. If the qualified community development entity provides any additional information required by the Department or otherwise completes its application within 15 days of the notice of denial, the application shall be considered completed as of the original date of submission. If the qualified community development entity fails to provide the information or complete its application within the 15-day period, the application remains denied and must be resubmitted in full with a new submission date.

(c) If the application is deemed complete, the Department shall certify the proposed equity investment or long-term debt security as a qualified equity investment that is eligible for tax credits under this Section, subject to the limitations contained in Section 20. The Department shall provide written notice

of the certification to the qualified community development entity. The notice shall include the names of those taxpayers who are eligible to utilize the credits and their respective credit amounts. If the names of the taxpayers who are eligible to utilize the credits change due to a transfer of a qualified equity investment or a change in an allocation pursuant to Section 15, the qualified community development entity shall notify the Department of such change.

(d) The Department shall certify qualified equity investments in the order applications are received by the Department. Applications received on the same day shall be deemed to have been received simultaneously. For applications received on the same day and deemed complete, the Department shall certify, consistent with remaining tax credit capacity, qualified equity investments in proportionate percentages based upon the ratio of the amount of qualified equity investment requested in an application to the total amount of qualified equity investments requested in all applications received on the same day.

(e) Once the Department has certified qualified equity investments that, on a cumulative basis, are eligible for ~~\$20,000,000~~ ~~\$10,000,000~~ in tax credits, the Department may not certify any more qualified equity investments. If a pending request cannot be fully certified, the Department shall certify the portion that may be certified unless the qualified community development entity elects to withdraw its request rather than receive partial credit.

(f) Within 30 days after receiving notice of certification, the qualified community development entity shall issue the qualified equity investment and receive cash in the amount of the certified amount. The qualified community development entity must provide the Department with evidence of the receipt of the cash investment within 10 business days after receipt. If the qualified community development entity does not receive the cash investment and issue the qualified equity investment within 30 days following receipt of the certification notice, the certification shall lapse and the entity may not issue the qualified equity investment without reapplying to the Department for certification. A certification that lapses reverts back to the Department and may be reissued only in accordance with the application process outline in this Section 25.

Section 65. The State Finance Act is amended by changing Sections 6z-18 and 6z-20 and by adding Sections 5.756 and 5.758 as follows:

(30 ILCS 105/5.756 new)

Sec. 5.756. The STAR Bonds Revenue Fund.

(30 ILCS 105/5.758 new)

Sec. 5.758. STAR Bonds School Improvement and Operations Trust Fund.

(30 ILCS 105/6z-18) (from Ch. 127, par. 142z-18)

Sec. 6z-18. A portion of the money paid into the Local Government Tax Fund from sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics, which occurred in municipalities, shall be distributed to each municipality based upon the sales which occurred in that municipality. The remainder shall be distributed to each county based upon the sales which occurred in the unincorporated area of that county.

A portion of the money paid into the Local Government Tax Fund from the 6.25% general use tax rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by any agency of this State's government shall be distributed to municipalities as provided in this paragraph. Each municipality shall receive the amount attributable to sales for which Illinois addresses for titling or registration purposes are given as being in such municipality. The remainder of the money paid into the Local Government Tax Fund from such sales shall be distributed to counties. Each county shall receive the amount attributable to sales for which Illinois addresses for titling or registration purposes are given as being located in the unincorporated area of such county.

A portion of the money paid into the Local Government Tax Fund from the 6.25% general rate (and, beginning July 1, 2000 and through December 31, 2000, the 1.25% rate on motor fuel and gasohol) on sales subject to taxation under the Retailers' Occupation Tax Act and the Service Occupation Tax Act,

which occurred in municipalities, shall be distributed to each municipality, based upon the sales which occurred in that municipality. The remainder shall be distributed to each county, based upon the sales which occurred in the unincorporated area of such county.

For the purpose of determining allocation to the local government unit, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Whenever the Department determines that a refund of money paid into the Local Government Tax Fund should be made to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the Local Government Tax Fund.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected during the second preceding calendar month for sales within a STAR bond district and deposited into the Local Government Tax Fund, less 3% of that amount, which shall be transferred into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~On~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities and counties, the municipalities and counties to be those entitled to distribution of taxes or penalties paid to the Department during the second preceding calendar month. The amount to be paid to each municipality or county shall be the amount (not including credit memoranda) collected during the second preceding calendar month by the Department and paid into the Local Government Tax Fund, plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, and not including any amount which the Department determines is necessary to offset any amounts which are payable to a different taxing body but were erroneously paid to the municipality or county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities and counties, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

When certifying the amount of monthly disbursement to a municipality or county under this Section, the Department shall increase or decrease that amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the 6 months preceding the time a misallocation is discovered.

The provisions directing the distributions from the special fund in the State Treasury provided for in this Section shall constitute an irrevocable and continuing appropriation of all amounts as provided herein. The State Treasurer and State Comptroller are hereby authorized to make distributions as provided in this Section.

In construing any development, redevelopment, annexation, preannexation or other lawful agreement in effect prior to September 1, 1990, which describes or refers to receipts from a county or municipal retailers' occupation tax, use tax or service occupation tax which now cannot be imposed, such description or reference shall be deemed to include the replacement revenue for such abolished taxes, distributed from the Local Government Tax Fund.

The remainder of the money paid from such sales shall be distributed to each county based on sales for which Illinois addresses for titling or registration purposes are given as being located in the county. Any money paid into the Regional Transportation Authority Occupation and Use Tax Replacement Fund from the County and Mass Transit District Fund prior to January 14, 1991, which has not been paid to the Authority prior to that date, shall be transferred to the Regional Transportation Authority tax fund.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~Or~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Regional Transportation Authority and to named counties, the counties to be those entitled to distribution, as hereinabove provided, of taxes or penalties paid to the Department during the second preceding calendar month. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the Regional Transportation Authority and counties, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

When certifying the amount of a monthly disbursement to the Regional Transportation Authority or to a county under this Section, the Department shall increase or decrease that amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the 6 months preceding the time a misallocation is discovered.

The provisions directing the distributions from the special fund in the State Treasury provided for in this Section and from the Regional Transportation Authority tax fund created by Section 4.03 of the Regional Transportation Authority Act shall constitute an irrevocable and continuing appropriation of all amounts as provided herein. "Claimant" means an applicant certified by the Department who files a claim for a credit under this Section.

"Department" means the Department of Commerce and Economic Opportunity.

"Qualified new business venture" means a business that is registered with the Department under this Section.

"Related member" means a person that, with respect to the investment, is any one of the following.

(1) An individual, if the individual and the members of the individual's family (as defined in Section 318 of the Internal Revenue Code) own directly, indirectly, beneficially, or constructively, in the aggregate, at least 50% of the value of the outstanding profits, capital, stock, or other ownership interest in the applicant.

(2) A partnership, estate, or trust and any partner or beneficiary, if the partnership, estate, or trust and its partners or beneficiaries own directly, indirectly, beneficially, or constructively, in the aggregate, at least 50% of the profits, capital, stock, or other ownership interest in the applicant.

(3) A corporation, and any party related to the corporation in a manner that would require an attribution of stock from the corporation under the attribution rules of Section 318 of the Internal Revenue Code, if the applicant and any other related member own, in the aggregate, directly, indirectly, beneficially, or constructively, at least 50% of the value of the corporation's outstanding stock.

(b) For taxable years beginning after December 31, 2010, and ending on or before December 31, 2016, subject to the limitations provided in this Section, a claimant may claim, as a credit against the tax imposed under subsections (a) and (b) of Section 201 of this Act, an amount equal to 25% of the claimant's investment made directly in a qualified new business venture. The credit under this Section may not exceed the taxpayer's Illinois income tax liability for the taxable year. If the amount of the credit exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. Upon satisfactory review, the Department shall issue a tax credit certificate stating the amount of the tax credit to which the applicant is entitled. The Department shall annually certify that the claimant's investment has been made and remains in the qualified new business venture for no less than 3 years. If an investment for which a claimant is allowed a credit under subsection (b) is held by the claimant for less than 3 years, or, if within that period of time the qualified new business venture is moved from the State of Illinois, the claimant shall pay to the Department of Revenue, in the manner prescribed by the

[May 7, 2010]

Section 67. The Counties Code is amended by changing Sections 5-1006, 5-1006.5, and 5-1007 as follows:

(55 ILCS 5/5-1006) (from Ch. 34, par. 5-1006)

Sec. 5-1006. Home Rule County Retailers' Occupation Tax Law. Any county that is a home rule unit may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from such sales made in the course of their business. If imposed, this tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical

appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless the county also imposes a tax at the same rate pursuant to Section 5-1007.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~or~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the county and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than \$500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

[May 7, 2010]

Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, or transportation purposes in that county, if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

[May 7, 2010]

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

(2) The proposition for transportation purposes shall be in substantially the following form:

"To pay for improvements to roads and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for transportation purposes shall be in substantially the following form:

"To pay for road improvements and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

The votes shall be recorded as "Yes" or "No".

(3) The proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the

following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For purposes of this Section, "public facilities purposes" means the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

The votes shall be recorded as "Yes" or "No".

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food which has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Tax Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the

same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Fund.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~On~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county, and deposited by the county into its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county, ~~and~~ (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county, ~~and~~ (iii) any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than \$500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(d) For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or

[May 7, 2010]

other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(e-5) If a county imposes a tax under this Section, the county board may, by ordinance, discontinue or lower the rate of the tax. If the county board lowers the tax rate or discontinues the tax, a referendum must be held in accordance with subsection (a) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

(f) Beginning April 1, 1998, the results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax, or any ordinance lowering the rate or discontinuing the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

(g) When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(h) This Section may be cited as the "Special County Occupation Tax For Public Safety, Public Facilities, or Transportation Law".

(i) For purposes of this Section, "public safety" includes, but is not limited to, crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services. The county may share tax proceeds received under this Section for public safety purposes, including proceeds received before ~~August 4, 2009 (the effective date of Public Act 96-124) this amendatory Act of the 96th General Assembly,~~ with any fire protection district located in the county. For the purposes of this Section, "transportation" includes, but is not limited to, the construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation. For the purposes of this Section, "public facilities purposes" includes, but is not limited to, the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

(j) The Department may promulgate rules to implement ~~Public Act 95-1002 this amendatory Act of the 95th General Assembly~~ only to the extent necessary to apply the existing rules for the Special County Retailers' Occupation Tax for Public Safety to this new purpose for public facilities. Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, or transportation purposes in that county, if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range

passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

(2) The proposition for transportation purposes shall be in substantially the following form:

"To pay for improvements to roads and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for transportation purposes shall be in substantially the following form:

"To pay for road improvements and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

The votes shall be recorded as "Yes" or "No".

(3) The proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales

tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

The votes shall be recorded as "Yes" or "No".

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food which has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Tax Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on sales of food for human consumption that is

to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Fund.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~or~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county, and deposited by the county into its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county, ~~and~~ (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county, and (iii) any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than \$500,000 in disbursements under the

[May 7, 2010]

preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

A county may direct, by ordinance, that all or a portion of the taxes and penalties collected under the Special County Retailers' Occupation Tax For Public Safety or Transportation be deposited into the Transportation Development Partnership Trust Fund.

(d) For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(e-5) If a county imposes a tax under this Section, the county board may, by ordinance, discontinue or lower the rate of the tax. If the county board lowers the tax rate or discontinues the tax, a referendum must be held in accordance with subsection (a) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

(f) Beginning April 1, 1998, the results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax, or any ordinance lowering the rate or discontinuing the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

(g) When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(h) This Section may be cited as the "Special County Occupation Tax For Public Safety, Public Facilities, or Transportation Law".

(i) For purposes of this Section, "public safety" includes, but is not limited to, crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services. The county may share tax proceeds received under this Section for public safety purposes, including proceeds received before August 4, 2009 (the effective date of Public Act 96-124) ~~this amendatory Act of the 96th General Assembly~~, with any fire protection district located in the county. For the purposes of this Section, "transportation" includes, but is not limited to, the construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation. For the purposes of this Section, "public facilities purposes" includes, but is not limited to, the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

(j) The Department may promulgate rules to implement ~~Public Act 95-1002 this amendatory Act of the 95th General Assembly~~ only to the extent necessary to apply the existing rules for the Special County Retailers' Occupation Tax for Public Safety to this new purpose for public facilities. Sec. 5-1007. Home Rule County Service Occupation Tax Law. The corporate authorities of a home rule county may impose a tax upon all persons engaged, in such county, in the business of making sales of service at the same rate of tax imposed pursuant to Section 5-1006 of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in

the form of real estate as an incident to a sale of service. If imposed, such tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing county), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this county tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing county), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless such county also imposes a tax at the same rate pursuant to Section 5-1006.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~On~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in

[May 7, 2010]

each year to each county which received more than \$500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

This Section shall be known and may be cited as the Home Rule County Service Occupation Tax Law.

(65 ILCS 5/8-11-1) (from Ch. 24, par. 8-11-1)

Sec. 8-11-1. Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the municipality on the gross receipts from these sales made in the course of such business. If imposed, the tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule municipality under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

[May 7, 2010]

No tax may be imposed by a home rule municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-5 of this Act.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~On~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than \$500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. The monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing. However, a municipality located in a county with a population in excess of 3,000,000 that elected to become a home rule unit at the general primary election in 1994 may adopt an ordinance or resolution imposing the tax under this Section and file a certified copy of the ordinance or resolution with the Department on or before July 1, 1994. The Department shall then proceed to administer and enforce this Section as of October 1, 1994. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Any unobligated balance remaining in the Municipal Retailers' Occupation Tax Fund on December 31, 1989, which fund was abolished by Public Act 85-1135, and all receipts of municipal tax as a result of audits of liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution as provided by this Section prior to the enactment of Public Act 85-1135. All receipts of municipal tax as a result of an assessment not arising from an audit, for liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution before July 1, 1990, as provided by this Section prior to the enactment of Public Act 85-1135; and on and after July 1, 1990, all such receipts shall be distributed as provided in Section 6z-18 of the State Finance Act.

As used in this Section, "municipal" and "municipality" means a city, village or incorporated town, including an incorporated town that has superseded a civil township.

This Section shall be known and may be cited as the Home Rule Municipal Retailers' Occupation Tax Act.

The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth herein.

No municipality may impose a tax under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.4 of this Code.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the non-home rule municipal retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~On~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

The Department of Revenue shall implement this amendatory Act of the 91st General Assembly so as

[May 7, 2010]

to collect the tax on and after January 1, 2002.

As used in this Section, "municipal" and "municipality" means a city, village or incorporated town, including an incorporated town which has superseded a civil township.

Sec. 8-11-1.4. Non-Home Rule Municipal Service Occupation Tax Act. The corporate authorities of a non-home rule municipality may impose a tax upon all persons engaged, in such municipality, in the business of making sales of service for expenditure on public infrastructure or for property tax relief or both as defined in Section 8-11-1.2 if approved by referendum as provided in Section 8-11-1.1, of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax imposed may not be more than 1% and may be imposed only in 1/4% increments. The tax may not be imposed on the sale of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by a municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing municipality), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this municipal tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing municipality), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No municipality may impose a tax under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.3 of this Code.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the municipal retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~On~~ or before the 25th day of each

calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities and the General Revenue Fund, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

The Department of Revenue shall implement this amendatory Act of the 91st General Assembly so as to collect the tax on and after January 1, 2002.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

A tax may not be imposed by a municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.7 of this Act.

Persons subject to any tax imposed under the authority granted in this Section, may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge,

The corporate authorities of a home rule municipality may impose a tax upon all persons engaged, in such municipality, in the business of making sales of service at the same rate of tax imposed pursuant to Section 8-11-1, of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. If imposed, such tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing municipality), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this municipal tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing municipality), the first paragraph of Section 15, 16, 17 (except that credit memoranda issued hereunder may not be used to discharge any State tax liability), 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule municipality pursuant to this Section unless such municipality also imposes a tax at the same rate pursuant to Section 8-11-1 of this Act.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes and penalties collected hereunder.

servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than \$500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. Monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. (65 ILCS 5/11-74.3-6)

Sec. 11-74.3-6. Business district revenue and obligations.

(a) If the corporate authorities of a municipality have approved a business district development or redevelopment plan and have elected to impose a tax by ordinance pursuant to subsections (b), (c), or (d) of this Section, each year after the date of the approval of the ordinance and until all business district project costs and all municipal obligations financing the business district project costs, if any, have been paid in accordance with the business district development or redevelopment plan, but in no event longer than 23 years after the date of adoption of the ordinance approving the business district development or redevelopment plan, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the municipality imposing the tax and all amounts generated by the hotel operators' occupation tax shall be collected and the tax shall be enforced by the municipality in the same manner as all hotel operators' occupation taxes imposed in the municipality imposing the tax. The corporate authorities of the municipality shall deposit the proceeds of the taxes imposed under subsections (b), (c), and (d) into a special fund held by the corporate authorities of the municipality called the Business District Tax Allocation Fund for the purpose of paying business district project costs and obligations incurred in the payment of those costs.

(b) The corporate authorities of a municipality that has established a business district under this Division 74.3 may, by ordinance or resolution, impose a Business District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the business district at a rate not to exceed 1% of the gross receipts from the sales made in the course of such business, to be imposed only in 0.25% increments. The tax may not be imposed on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption), prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

[May 7, 2010]

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the business district retailers' occupation tax fund.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which retailers have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 2% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance or resolution imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district until the municipality reports the boundary change to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue

any other information as the Department may require for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a municipality under this subsection, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a Business District Service Occupation Tax shall also be imposed upon all persons engaged, in the business district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the business district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the business district, to be imposed only in 0.25% increments. The tax may not be imposed on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption), prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the business district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the municipality), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the business district retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to

the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~Or~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less 2% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance or resolution imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other conditions of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district until the municipality reports the boundary change to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(d) By ordinance, a municipality that has established a business district under this Division 74.3 may impose an occupation tax upon all persons engaged in the business district in the business of renting, leasing, or letting rooms in a hotel, as defined in the Hotel Operators' Occupation Tax Act, at a rate not to exceed 1% of the gross rental receipts from the renting, leasing, or letting of hotel rooms within the business district, to be imposed only in 0.25% increments, excluding, however, from gross rental receipts the proceeds of renting, leasing, or letting to permanent residents of a hotel, as defined in the Hotel Operators' Occupation Tax Act, and proceeds from the tax imposed under subsection (c) of

Section 13 of the Metropolitan Pier and Exposition Authority Act.

The tax imposed by the municipality under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the municipality imposing the tax. The municipality shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the municipality and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are employed with respect to a tax adopted by the municipality under Section 8-3-14 of this Code.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, and with any other tax.

Nothing in this subsection shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

The proceeds of the tax imposed under this subsection shall be deposited into the Business District Tax Allocation Fund.

(e) Obligations issued pursuant to subsection (14) of Section 11-74.3-3 shall be retired in the manner provided in the ordinance authorizing the issuance of those obligations by the receipts of taxes levied as authorized in subsections (12) and (13) of Section 11-74.3-3. The ordinance shall pledge all of the amounts in and to be deposited in the Business District Tax Allocation Fund to the payment of business district project costs and obligations. Obligations issued pursuant to subsection (14) of Section 11-74.3-3 may be sold at public or private sale at a price determined by the corporate authorities of the municipality and no referendum approval of the electors shall be required as a condition to the issuance of those obligations. The ordinance authorizing the obligations may require that the obligations contain a recital that they are issued pursuant to subsection (14) of Section 11-74.3-3 and this recital shall be conclusive evidence of their validity and of the regularity of their issuance. The corporate authorities of the municipality may also issue its obligations to refund, in whole or in part, obligations previously issued by the municipality under the authority of this Code, whether at or prior to maturity. All obligations issued pursuant to subsection (14) of Section 11-74.3-3 shall not be regarded as indebtedness of the municipality issuing the obligations for the purpose of any limitation imposed by law.

(f) When business district costs, including, without limitation, all municipal obligations financing business district project costs incurred under Section 11-74.3-3 have been paid, any surplus funds then remaining in the Business District Tax Allocation Fund shall be distributed to the municipal treasurer for deposit into the municipal general corporate fund. Upon payment of all business district project costs and retirement of obligations, but in no event more than 23 years after the date of adoption of the ordinance approving the business district development or redevelopment plan, the municipality shall adopt an ordinance immediately rescinding the taxes imposed pursuant to subsections (12) and (13) of Section 11-74.3-3.

Section 75. The Metropolitan Pier and Exposition Authority Act is amended by changing Section 13 as follows:

(70 ILCS 210/13) (from Ch. 85, par. 1233)

Sec. 13. (a) The Authority shall not have power to levy taxes for any purpose, except as provided in subsections (b), (c), (d), (e), and (f).

(b) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose a Metropolitan Pier and Exposition Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail within the territory described in this subsection at the rate of 1.0% of the gross receipts (i) from the sale of food, alcoholic beverages, and soft drinks sold for consumption on the premises where sold and (ii) from the sale of food, alcoholic beverages, and soft drinks sold for consumption off the premises where sold by a retailer whose principal source of gross receipts is from the sale of food, alcoholic beverages, and soft drinks prepared for immediate consumption.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The Department shall

[May 7, 2010]

have full power to administer and enforce this subsection, to collect all taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and shall employ the same modes of procedure applicable to this Retailers' Occupation Tax as are prescribed in Sections 1, 2 through 2-65 (in respect to all provisions of those Sections other than the State rate of taxes), 2c, 2h, 2i, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13 and, and until January 1, 1994, 13.5 of the Retailers' Occupation Tax Act, and, on and after January 1, 1994, all applicable provisions of the Uniform Penalty and Interest Act that are not inconsistent with this Act, as fully as if provisions contained in those Sections of the Retailers' Occupation Tax Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, pursuant to bracket schedules as the Department may prescribe. The retailer filing the return shall, at the time of filing the return, pay to the Department the amount of tax imposed under this subsection, less a discount of 1.75%, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside of the State Treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~On~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts, not including credit memoranda, collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for the payment of refunds, ~~and~~ less 2% of such balance, which sum shall be deposited by the State Treasurer into the Tax Compliance and Administration Fund in the State Treasury from which it shall be appropriated to the Department to cover the costs of the Department in administering and enforcing the provisions of this subsection, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the certification, the Comptroller shall cause the orders to be drawn for the remaining amounts, and the Treasurer shall administer those amounts as required in subsection (g).

A certificate of registration issued by the Illinois Department of Revenue to a retailer under the Retailers' Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under this subsection, and no additional registration shall be required under the ordinance imposing the tax or under this subsection.

A certified copy of any ordinance imposing or discontinuing any tax under this subsection or effecting a change in the rate of that tax shall be filed with the Department, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

The tax authorized to be levied under this subsection may be levied within all or any part of the following described portions of the metropolitan area:

- (1) that portion of the City of Chicago located within the following area: Beginning

Stevenson Expressway to a point 150 feet west of the west line of South Ashland Avenue, then north along a line 150 feet west of the west line of South and North Ashland Avenue to the point of beginning.

The tax authorized to be levied under this subsection may also be levied on food, alcoholic beverages, and soft drinks sold on boats and other watercraft departing from and returning to the shoreline of Lake Michigan (including Navy Pier and all other improvements fixed to land, docks, or piers) described in item (3).

(c) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose an occupation tax upon all persons engaged in the corporate limits of the City of Chicago in the business of renting, leasing, or letting rooms in a hotel, as defined in the Hotel Operators' Occupation Tax Act, at a rate of 2.5% of the gross rental receipts from the renting, leasing, or letting of hotel rooms within the City of Chicago, excluding, however, from gross rental receipts the proceeds of renting, leasing, or letting to permanent residents of a hotel, as defined in that Act. Gross rental receipts shall not include charges that are added on account of the liability arising from any tax imposed by the State or any governmental agency on the occupation of renting, leasing, or letting rooms in a hotel.

The tax imposed by the Authority under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration that is issued by the Department to a lessor under the Hotel Operators' Occupation Tax Act shall permit that registrant to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are prescribed in the Hotel Operators' Occupation Tax Act (except where that Act is inconsistent with this subsection), as fully as if the provisions contained in the Hotel Operators' Occupation Tax Act were set out in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, the municipal tax imposed under Section 8-3-13 of the Illinois Municipal Code, and the tax imposed under Section 19 of the Illinois Sports Facilities Authority Act.

The person filing the return shall, at the time of filing the return, pay to the Department the amount of

tax, less a discount of 2.1% or \$25 per calendar year, whichever is greater, which is allowed to reimburse the operator for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds. Within 10 days after receipt by the Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer those amounts as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax under this subsection or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(d) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose a tax upon all persons engaged in the business of renting automobiles in the metropolitan area at the rate of 6% of the gross receipts from that business, except that no tax shall be imposed on the business of renting automobiles for use as taxicabs or in livery service. The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Automobile Renting Occupation and Use Tax Act shall permit that person to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 and 3 (in respect to all provisions of those Sections other than the State rate of tax; and in respect to the provisions of the Retailers' Occupation Tax Act referred to in those Sections, except as to the disposition of taxes and penalties collected, except for the provision allowing retailers a deduction from the tax to cover certain costs, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Automobile Renting Occupation and Use Tax Act, pursuant to bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for payment of refunds. Within 10 days after receipt by the Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer those amounts as required in subsection (g).

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by

this State.

A certified copy of any ordinance imposing or discontinuing a tax under this subsection or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(e) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose a tax upon the privilege of using in the metropolitan area an automobile that is rented from a rentor outside Illinois and is titled or registered with an agency of this State's government at a rate of 6% of the rental price of that automobile, except that no tax shall be imposed on the privilege of using automobiles rented for use as taxicabs or in livery service. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan area. The tax shall be collected by the Department of Revenue for the Authority. The tax must be paid to the State or an exemption determination must be obtained from the Department of Revenue before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which or State officer with whom the tangible personal property must be titled or registered if the Department and that agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this subsection, to collect all taxes, penalties, and interest due under this subsection, to dispose of taxes, penalties, and interest so collected in the manner provided in this subsection, and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 and 4 (except provisions pertaining to the State rate of tax; and in respect to the provisions of the Use Tax Act referred to in that Section, except provisions concerning collection or refunding of the tax by retailers, except the provisions of Section 19 pertaining to claims by retailers, except the last paragraph concerning refunds, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the State Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds. Within 10 days after receipt by the State Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer those amounts as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(f) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose an occupation tax on all persons, other than a governmental agency, engaged in the business of providing ground transportation for hire to passengers in the metropolitan area at a rate of (i) \$2 per taxi or livery vehicle departure with passengers for hire from commercial service airports in the metropolitan area, (ii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person other than a person described in item (iii): \$9 per bus or van with a capacity of 1-12 passengers, \$18 per bus or van with a capacity of 13-24 passengers, and \$27 per bus or van with a capacity of over 24 passengers, and (iii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person regulated by the Interstate Commerce Commission or Illinois Commerce

[May 7, 2010]

Commission, operating scheduled service from the airport, and charging fares on a per passenger basis: \$1 per passenger for hire in each bus or van. The term "commercial service airports" means those airports receiving scheduled passenger service and enplaning more than 100,000 passengers per year.

In the ordinance imposing the tax, the Authority may provide for the administration and enforcement of the tax and the collection of the tax from persons subject to the tax as the Authority determines to be necessary or practicable for the effective administration of the tax. The Authority may enter into agreements as it deems appropriate with any governmental agency providing for that agency to act as the Authority's agent to collect the tax.

In the ordinance imposing the tax, the Authority may designate a method or methods for persons subject to the tax to reimburse themselves for the tax liability arising under the ordinance (i) by separately stating the full amount of the tax liability as an additional charge to passengers departing the airports, (ii) by separately stating one-half of the tax liability as an additional charge to both passengers departing from and to passengers arriving at the airports, or (iii) by some other method determined by the Authority.

All taxes, penalties, and interest collected under any ordinance adopted under this subsection, less any amounts determined to be necessary for the payment of refunds, shall be paid forthwith to the State Treasurer, ex officio, for deposit into a trust fund held outside the State Treasury and shall be administered by the State Treasurer as provided in subsection (g) of this Section.

(g) Amounts deposited from the proceeds of taxes imposed by the Authority under subsections (b), (c), (d), (e), and (f) of this Section and amounts deposited under Section 19 of the Illinois Sports Facilities Authority Act shall be held in a trust fund outside the State Treasury and shall be administered by the Treasurer as follows: first, an amount necessary for the payment of refunds shall be retained in the trust fund; second, the balance of the proceeds deposited in the trust fund during fiscal year 1993 shall be retained in the trust fund during that year and thereafter shall be administered as a reserve to fund the deposits required in item "third"; third, beginning July 20, 1993, and continuing each month thereafter, provided that the amount requested in the certificate of the Chairman of the Authority filed under Section 8.25f of the State Finance Act has been appropriated for payment to the Authority, 1/8 of the annual amount requested in that certificate together with any cumulative deficiencies shall be transferred from the trust fund into the McCormick Place Expansion Project Fund in the State Treasury until 100% of the amount requested in that certificate plus any cumulative deficiencies in the amounts transferred into the McCormick Place Expansion Project Fund under this item "third", have been so transferred; fourth, the balance shall be maintained in the trust fund; fifth, on July 20, 1994, and on July 20 of each year thereafter the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay that amount to the Authority. "Surplus revenues" shall mean the difference between the amount in the trust fund on June 30 of the fiscal year previous to the current fiscal year (excluding amounts retained for refunds under item "first") minus the amount deposited in the trust fund during fiscal year 1993 under item "second". Moneys received by the Authority under item "fifth" may be used solely for the purposes of paying debt service on the bonds and notes issued by the Authority, including early redemption of those bonds or notes, and for the purposes of repair, replacement, and improvement of the grounds, buildings, and facilities of the Authority; provided that any moneys in excess of \$50,000,000 held by the Authority as of June 30 in any fiscal year and received by the Authority under item "fifth" shall be used solely for paying the debt service on or early redemption of the Authority's bonds or notes. When bonds and notes issued under Section 13.2, or bonds or notes issued to refund those bonds and notes, are no longer outstanding, the balance in the trust fund shall be paid to the Authority.

(h) The ordinances imposing the taxes authorized by this Section shall be repealed when bonds and notes issued under Section 13.2 or bonds and notes issued to refund those bonds and notes are no longer outstanding.

Section 80. The Flood Prevention District Act is amended by changing Section 25 as follows:
(70 ILCS 750/25)

Sec. 25. Flood prevention retailers' and service occupation taxes.

(a) If the Board of Commissioners of a flood prevention district determines that an emergency situation exists regarding levee repair or flood prevention, and upon an ordinance confirming the determination adopted by the affirmative vote of a majority of the members of the county board of the county in which the district is situated, the county may impose a flood prevention retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail within the territory of the district to provide revenue to pay the costs of providing emergency levee repair and flood

prevention and to secure the payment of bonds, notes, and other evidences of indebtedness issued under this Act for a period not to exceed 25 years or as required to repay the bonds, notes, and other evidences of indebtedness issued under this Act. The tax rate shall be 0.25% of the gross receipts from all taxable sales made in the course of that business. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) shall employ the same modes of procedure as are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a through 2h, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

If a tax is imposed under this subsection (a), a tax shall also be imposed under subsection (b) of this Section.

(b) If a tax has been imposed under subsection (a), a flood prevention service occupation tax shall also be imposed upon all persons engaged within the territory of the district in the business of making sales of service, who, as an incident to making the sales of service, transfer tangible personal property, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service to provide revenue to pay the costs of providing emergency levee repair and flood prevention and to secure the payment of bonds, notes, and other evidences of indebtedness issued under this Act for a period not to exceed 25 years or as required to repay the bonds, notes, and other evidences of indebtedness. The tax rate shall be 0.25% of the selling price of all tangible personal property transferred.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are set forth in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State means the district), 2a through 2d, 3 through 3-50 (in respect to all provisions contained in those Sections other than the State rate of tax), 4 (except that the reference to the State shall be to the district), 5, 7, 8 (except that the jurisdiction to which the tax is a debt to the extent indicated in that Section 8 is the district), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State means the district), Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

(c) The taxes imposed in subsections (a) and (b) may not be imposed on personal property titled or registered with an agency of the State; food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption); prescription and non-prescription medicines, drugs, and medical appliances; modifications to a motor vehicle for the purpose of rendering it usable by a disabled person; or insulin, urine testing materials, and syringes and needles used by diabetics.

(d) Nothing in this Section shall be construed to authorize the district to impose a tax upon the

privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(e) The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or a serviceman under the Service Occupation Tax Act permits the retailer or serviceman to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section.

(f) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the Flood Prevention Occupation Tax Fund, which shall be an unappropriated trust fund held outside the State treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the flood prevention district imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~On~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers or servicemen have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county is equal to the amount (not including credit memoranda) collected from the county under this Section during the second preceding calendar month by the Department, (i) less 2% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department in administering and enforcing the provisions of this Section on behalf of the county, (ii) plus an amount that the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body; (iii) less an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county; ~~and~~ (iv) less any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county ; and (v) less any amounts that are transferred to the STAR Bonds Revenue Fund. When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the counties provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

If the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, then the Department shall notify the Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the Treasurer out of the Flood Prevention Occupation Tax Fund.

(g) If a county imposes a tax under this Section, then the county board shall, by ordinance, discontinue the tax upon the payment of all indebtedness of the flood prevention district. The tax shall not be discontinued until all indebtedness of the District has been paid.

(h) Any ordinance imposing the tax under this Section, or any ordinance that discontinues the tax, must be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

(j) County Flood Prevention Occupation Tax Fund. All proceeds received by a county from a tax distribution under this Section must be maintained in a special fund known as the [name of county] flood prevention occupation tax fund. The county shall, at the direction of the flood prevention district, use moneys in the fund to pay the costs of providing emergency levee repair and flood prevention and to pay bonds, notes, and other evidences of indebtedness issued under this Act.

(k) This Section may be cited as the Flood Prevention Occupation Tax Law.

Section 85. The Metro-East Park and Recreation District Act is amended by changing Section 30 as

[May 7, 2010]

follows:

(70 ILCS 1605/30)

Sec. 30. Taxes.

(a) The board shall impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the District on the gross receipts from the sales made in the course of business. This tax shall be imposed only at the rate of one-tenth of one per cent.

This additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food which has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances, and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by the Board under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions contained in those Sections other than the State rate of tax), 2-15 through 2-70, 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the District, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the District as an incident to a sale of service. This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances, and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the District), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the District), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), Sections 15, 16,

[May 7, 2010]

17, 18, 19 and 20 of the Service Occupation Tax Act and the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund.

Nothing in this subsection shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the State Metro-East Park and Recreation District Fund, which shall be an unappropriated trust fund held outside of the State treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the Metro East Park and Recreation District imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~or~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money pursuant to Section 35 of this Act to the District from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to the District shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the District, ~~and~~ (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the District, ~~and~~ (iii) any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the District provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

(d) For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) An ordinance imposing a tax under this Section or an ordinance extending the imposition of a tax to an additional county or counties shall be certified by the board and filed with the Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

(g) When certifying the amount of a monthly disbursement to the District under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Section 90. The Local Mass Transit District Act is amended by changing Section 5.01 as follows:
(70 ILCS 3610/5.01) (from Ch. 111 2/3, par. 355.01)

Sec. 5.01. Metro East Mass Transit District; use and occupation taxes.

(a) The Board of Trustees of any Metro East Mass Transit District may, by ordinance adopted with the concurrence of two-thirds of the then trustees, impose throughout the District any or all of the taxes and fees provided in this Section. All taxes and fees imposed under this Section shall be used only for public mass transportation systems, and the amount used to provide mass transit service to unserved areas of the District shall be in the same proportion to the total proceeds as the number of persons residing in the unserved areas is to the total population of the District. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The Board may impose a Metro East Mass Transit District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the district at a rate of 1/4 of 1%, or as authorized under subsection (d-5) of this Section, of the gross receipts from the sales made in the course of such business within the district. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Metro East Mass Transit District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Service Occupation Tax shall also be imposed upon all persons engaged, in the district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the District, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax rate shall be 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of tangible personal property so transferred within the district. The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of

taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the Authority), 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

Nothing in this paragraph shall be construed to authorize the District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Use Tax shall also be imposed upon the privilege of using, in the district, any item of tangible personal property that is purchased outside the district at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of the tangible personal property within the District, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the District. The tax shall be collected by the Department of Revenue for the Metro East Mass Transit District. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

Sec. 4.03. Taxes.

(a) In order to carry out any of the powers or purposes of the Authority, the Board may by ordinance adopted with the concurrence of 12 of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in this amendatory Act of the 95th General Assembly is intended to invalidate any taxes currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after the effective date of this amendatory Act of the 95th General Assembly.

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed 5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax Law. The Board may provide for details of the tax. The provisions of any tax shall conform, as closely as may be practicable, to the provisions of the Municipal Retailers Occupation Tax Act, including without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

In Cook County the tax rate shall be 1.25% of the gross receipts from sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics, and 1% of the gross receipts from other taxable sales made in the course of that business. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Regional Transportation Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax shall also be imposed upon the privilege of using in the metropolitan region, any item of tangible personal property that is purchased outside the metropolitan region at retail from a retailer, and that is titled or registered with an agency of this State's government. In Cook County the tax rate shall be 1% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake, McHenry and Will counties the tax rate shall be 0.75% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. The tax shall be collected by the Department of Revenue for the Regional Transportation Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act, and are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation

Authority tax fund established under paragraph (n) of this Section.

(h) The Authority may impose a replacement vehicle tax of \$50 on any passenger car as defined in Section 1-157 of the Illinois Vehicle Code purchased within the metropolitan region by or on behalf of an insurance company to replace a passenger car of an insured person in settlement of a total loss claim. After the monthly transfer to the STAR Bonds Revenue Fund, on ~~or~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Authority. The amount to be paid to the Authority shall be the amount collected hereunder during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for the payment of refunds, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the Authority provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(i) The Board may not impose any other taxes except as it may from time to time be authorized by law to impose.

(j) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including without limitation conformity as to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed. The taxes shall be imposed only on use within the metropolitan region and at rates as provided in the paragraph.

(l) The Board in imposing any tax as provided in paragraphs (b) and (c) of this Section, shall, after seeking the advice of the State Department of Revenue, provide means for retailers, users or purchasers of motor fuel for purposes other than those with regard to which the taxes may be imposed as provided in those paragraphs to receive refunds of taxes improperly paid, which provisions may be at variance with the refund provisions as applicable under the Municipal Retailers Occupation Tax Act. The State Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Regional Transportation Authority as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing, increasing, decreasing, or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department, whereupon the Department shall proceed to administer and enforce this Section as of the first day of the first month to occur not less than 60 days following such adoption and filing. Any ordinance or resolution of the Authority imposing a tax under this Section and in effect on August 1, 2007 shall remain in full force and effect and shall be administered by the Department of Revenue under

the terms and conditions and rates of tax established by such ordinance or resolution until the Department begins administering and enforcing an increased tax under this Section as authorized by this amendatory Act of the 95th General Assembly. The tax rates authorized by this amendatory Act of the 95th General Assembly are effective only if imposed by ordinance of the Authority.

(n) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois and to the Authority (i) the amount of taxes collected in each County other than Cook County in the metropolitan region, (ii) the amount of taxes collected within the City of Chicago, and (iii) the amount collected in that portion of Cook County outside of Chicago, each amount less the amount necessary for the payment of refunds to taxpayers located in those areas described in items (i), (ii), and (iii). Within 10 days after receipt by the Comptroller of the certification of the amounts, the Comptroller shall cause an order to be drawn for the payment of two-thirds of the amounts certified in item (i) of this subsection to the Authority and one-third of the amounts certified in item (i) of this subsection to the respective counties other than Cook County and the amount certified in items (ii) and (iii) of this subsection to the Authority.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each year thereafter to the Regional Transportation Authority. The allocation shall be made in an amount equal to the average monthly distribution during the preceding calendar year (excluding the 2 months of lowest receipts) and the allocation shall include the amount of average monthly distribution from the Regional Transportation Authority Occupation and Use Tax Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department of Revenue shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply with Section 4.01 of this Act or to adopt a Five-year Capital Program or otherwise to comply with paragraph (b) of Section 2.01 of this Act shall not affect the validity of any tax imposed by the Authority otherwise in conformity with law.

(p) At no time shall a public transportation tax or motor vehicle parking tax authorized under paragraphs (b), (c) and (d) of this Section be in effect at the same time as any retailers' occupation, use or service occupation tax authorized under paragraphs (e), (f) and (g) of this Section is in effect.

Any taxes imposed under the authority provided in paragraphs (b), (c) and (d) shall remain in effect only until the time as any tax authorized by paragraphs (e), (f) or (g) of this Section are imposed and becomes effective. Once any tax authorized by paragraphs (e), (f) or (g) is imposed the Board may not reimpose taxes as authorized in paragraphs (b), (c) and (d) of the Section unless any tax authorized by paragraphs (e), (f) or (g) of this Section becomes ineffective by means other than an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including enforcement by the Regional Transportation Authority) arising under any tax imposed under paragraphs (b), (c) or (d) of this Section shall not be affected by the imposition of a tax under paragraphs (e), (f) or (g) of this Section.

(Text of Section after amendment by P.A. 96-339)

Sec. 4.03. Taxes.

(a) In order to carry out any of the powers or purposes of the Authority, the Board may by ordinance adopted with the concurrence of 12 of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in this amendatory Act of the 95th General Assembly is intended to invalidate any taxes currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after the effective date of this amendatory Act of the 95th General Assembly.

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed 5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax Law. The Board may provide for details of the tax. The provisions of any tax shall conform, as closely as may be practicable, to the provisions of the Municipal Retailers Occupation Tax

[May 7, 2010]

Act, including without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this Section the Board may impose a tax upon the privilege of using in the metropolitan region motor fuel for the operation of a motor vehicle upon public highways, the tax to be at a rate not in excess of the rate of tax imposed under paragraph (b) of this Section. The Board may provide for details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the Retailers' Occupation Tax Act. The Authority may collect and enforce the tax itself or by contract with any unit of local government. The State Department of Revenue shall have no responsibility for the collection and enforcement unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for an hourly, daily, or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

(e) The Board may impose a Regional Transportation Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan region. In Cook County the tax rate shall be 1.25% of the gross receipts from sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics, and 1% of the gross receipts from other taxable sales made in the course of that business. In DuPage, Kane, Lake, McHenry, and Will Counties, the tax rate shall be 0.75% of the gross receipts from all taxable sales made in the course of that business. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State

to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Regional Transportation Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a Regional Transportation Authority Service Occupation Tax shall also be imposed upon all persons engaged, in the metropolitan region in the business of making sales of service, who as an incident to making the sales of service, transfer tangible personal property within the metropolitan region, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. In Cook County, the tax rate shall be: (1) 1.25% of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, or the MR/DD Community Care Act that is located in the metropolitan region; (2) 1.25% of the selling price of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics; and (3) 1% of the selling price from other taxable sales of tangible personal property transferred. In DuPage, Kane, Lake, McHenry and Will Counties the rate shall be 0.75% of the selling price of all tangible personal property transferred.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax shall also be imposed upon the privilege of using in the metropolitan region, any item of tangible personal property that is purchased outside the metropolitan region at retail from a retailer, and that is titled or registered with an agency of this State's government. In Cook County the tax rate shall be 1% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake, McHenry and Will counties the tax rate shall be 0.75% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. The tax shall be collected by the Department of Revenue for the Regional Transportation Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be

transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act, and are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

(h) The Authority may impose a replacement vehicle tax of \$50 on any passenger car as defined in Section 1-157 of the Illinois Vehicle Code purchased within the metropolitan region by or on behalf of an insurance company to replace a passenger car of an insured person in settlement of a total loss claim. The tax imposed may not become effective before the first day of the month following the passage of the ordinance imposing the tax and receipt of a certified copy of the ordinance by the Department of Revenue. The Department of Revenue shall collect the tax for the Authority in accordance with Sections 3-2002 and 3-2003 of the Illinois Vehicle Code.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~or~~ or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Authority. The amount to be paid to the Authority shall be the amount collected hereunder during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for the payment of refunds, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the Authority provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(i) The Board may not impose any other taxes except as it may from time to time be authorized by law to impose.

(j) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including without limitation conformity as to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed. The taxes shall be imposed only on use within the metropolitan region and at rates as provided in the paragraph.

(l) The Board in imposing any tax as provided in paragraphs (b) and (c) of this Section, shall, after

seeking the advice of the State Department of Revenue, provide means for retailers, users or purchasers of motor fuel for purposes other than those with regard to which the taxes may be imposed as provided in those paragraphs to receive refunds of taxes improperly paid, which provisions may be at variance with the refund provisions as applicable under the Municipal Retailers Occupation Tax Act. The State Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Regional Transportation Authority as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing, increasing, decreasing, or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department, whereupon the Department shall proceed to administer and enforce this Section as of the first day of the first month to occur not less than 60 days following such adoption and filing. Any ordinance or resolution of the Authority imposing a tax under this Section and in effect on August 1, 2007 shall remain in full force and effect and shall be administered by the Department of Revenue under the terms and conditions and rates of tax established by such ordinance or resolution until the Department begins administering and enforcing an increased tax under this Section as authorized by this amendatory Act of the 95th General Assembly. The tax rates authorized by this amendatory Act of the 95th General Assembly are effective only if imposed by ordinance of the Authority.

(n) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois and to the Authority (i) the amount of taxes collected in each County other than Cook County in the metropolitan region, (ii) the amount of taxes collected within the City of Chicago, and (iii) the amount collected in that portion of Cook County outside of Chicago, each amount less the amount necessary for the payment of refunds to taxpayers located in those areas described in items (i), (ii), and (iii). Within 10 days after receipt by the Comptroller of the certification of the amounts, the Comptroller shall cause an order to be drawn for the payment of two-thirds of the amounts certified in item (i) of this subsection to the Authority and one-third of the amounts certified in item (i) of this subsection to the respective counties other than Cook County and the amount certified in items (ii) and (iii) of this subsection to the Authority.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each year thereafter to the Regional Transportation Authority. The allocation shall be made in an amount equal to the average monthly distribution during the preceding calendar year (excluding the 2 months of lowest receipts) and the allocation shall include the amount of average monthly distribution from the Regional Transportation Authority Occupation and Use Tax Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department of Revenue shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply with Section 4.01 of this Act or to adopt a Five-year Capital Program or otherwise to comply with paragraph (b) of Section 2.01 of this Act shall not affect the validity of any tax imposed by the Authority otherwise in conformity with law.

(p) At no time shall a public transportation tax or motor vehicle parking tax authorized under paragraphs (b), (c) and (d) of this Section be in effect at the same time as any retailers' occupation, use or service occupation tax authorized under paragraphs (e), (f) and (g) of this Section is in effect.

Any taxes imposed under the authority provided in paragraphs (b), (c) and (d) shall remain in effect only until the time as any tax authorized by paragraphs (e), (f) or (g) of this Section are imposed and becomes effective. Once any tax authorized by paragraphs (e), (f) or (g) is imposed the Board may not reimpose taxes as authorized in paragraphs (b), (c) and (d) of the Section unless any tax authorized by paragraphs (e), (f) or (g) of this Section becomes ineffective by means other than an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including enforcement by the Regional Transportation Authority) arising under any tax imposed under paragraphs (b), (c) or (d) of this Section

[May 7, 2010]

shall not be affected by the imposition of a tax under paragraphs (e), (f) or (g) of this Section.

(b) The board of commissioners may impose a County Water Commission Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the territory of the commission at a rate of 1/4% of the gross receipts from the sales made in the course of such business within the territory. The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax except that food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicine, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, shall not be subject to tax hereunder), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under paragraph (g) of this Section.

For the purpose of determining whether a tax authorized under this paragraph is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

[May 7, 2010]

If a tax is imposed under this subsection (b) a tax shall also be imposed under subsections (c) and (d) of this Section.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a County Water Commission Service Occupation Tax shall also be imposed upon all persons engaged, in the territory of the commission, in the business of making sales of service, who, as an incident to making the sales of service, transfer tangible personal property within the territory. The tax rate shall be 1/4% of the selling price of tangible personal property so transferred within the territory. The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the territory of the commission), 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax except that food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, shall not be subject to tax hereunder), 4 (except that the reference to the State shall be to the territory of the commission), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the commission), 9 (except as to the disposition of taxes and penalties collected and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the territory of the commission), the first paragraph of Section 15, 15.5, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, and any tax for which servicemen may be liable under subsection (f) of Sec. 4.03 of the Regional Transportation Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under paragraph (g) of this Section.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a tax shall also imposed upon the privilege of using, in the territory of the commission, any item of tangible personal property that is purchased outside the territory at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4% of the selling price of the tangible personal property within the territory, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the territory. The tax shall be collected by the Department of Revenue for a county water commission. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State

officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers, and except that food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, shall not be subject to tax hereunder), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c) or (d) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the county water commission as of September 1 next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing.

(g) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the commission. The taxes shall be held in a trust fund outside the State Treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on ~~On~~ or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the commission, which shall be the then balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the commission, the Comptroller shall cause an order to be drawn for the payment for the amount in accordance with the direction in the certification. AMENDMENT NO. 3 TO SENATE BILL 3749

AMENDMENT NO. 3. Amend Senate Bill 3749 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Municipal Code is amended by changing Section 11-139-12 as follows: (65 ILCS 5/11-139-12) (from Ch. 24, par. 11-139-12)

[May 7, 2010]

Sec. 11-139-12. For the purpose of acquiring, constructing, extending, or improving any combined waterworks and sewerage system under this Division 139, or any property necessary or appropriate therefor, any municipality has the right of eminent domain, as provided by the Eminent Domain Act.

The fair cash market value of an existing waterworks and sewerage system, or portion thereof, acquired under this Division 139, which existing system is a special use property, may be determined by considering Section 15 of Article I of the Illinois Constitution, the Eminent Domain Act, and the Uniform Standards of Professional Appraisal Practice and giving due consideration to the income, cost, and market approaches to valuation based on the type and character of the assets being acquired. In making the valuation determination, the historical and projected revenue attributable to the assets, the costs of the assets, and the condition and remaining useful life of the assets may be considered while giving due account to the special use nature of the property as used for water and sewerage purposes. ~~in accordance with the following valuation principles.~~

Additionally, in determining the fair cash market value of existing utility facilities, whether real or personal, consideration may be given to the depreciated value of all facilities and fixtures constructed by the utility company and payments made by the utility company in connection with the acquisition or donation of any waterworks or sanitary sewage system.

The fair cash market value of existing facilities, whether real or personal, may be determined by utilizing the net earnings which are attributable to the facilities in question for the preceding fiscal year on the date the condemnation petition is filed, over the remaining useful life of the facilities. Said earnings may be capitalized under an annuity capitalization method and discounted to present value. The fair cash market value of any extensions, additions or improvements of the existing system made subsequent to the date that the condemnation petition is filed may be determined by utilizing the probable net earnings attributable to the facilities in question over the remaining life of the facilities. The probable earnings may be capitalized under an annuity capitalization method and discounted to present value.

The value of the land and easements upon which the facilities are situated may be determined in accordance with the foregoing principles, giving due account to the special use of the property for water and sewerage purposes.

For the purposes of this Section no prior approval of the Illinois Commerce Commission, or any other body having jurisdiction over the existing system, shall be required.
