"Section 3. The Property Tax Code is amended by changing Sections 11-85 and 11-90 and by adding Section 11-80.1 as follows:

(35 ILCS 200/11-80.1 new)

Sec. 11-80.1. High-speed passenger rail project. Due to the importance of developing high-speed or faster rail service, the General Assembly finds that it should encourage freight railroad owners to participate in State and federal government programs, including cooperative agreements designed to increase the speed of passenger rail service, that participation in those programs should not result in increased property taxes, and that such an increase in property taxes could negatively impact the participation in those programs. Therefore, the Department shall take into consideration any potential increase in a property's overall valuation that is directly attributable to the investment, improvement, replacement, or expansion of railroad operating property on or after January 1, 2010, through State or federal government programs, including cooperative agreements, necessary for higher speed passenger rail transportation. Any such increase in the property's overall valuation that is directly attributable to the investment, improvement, replacement, or expansion of railroad operating property on or after January 1, 2010, through State or federal government programs necessary for higher speed passenger rail transportation, including cooperative agreements, shall be excluded from the valuation of its real property improvements under Section 11-80. This Section applies on and after the effective date of this amendatory Act of the 97th General Assembly and through December 31, 2019.

(35 ILCS 200/11-85)

Sec. 11-85. Property schedules. Every railroad company shall, on or before June 1 of each year, when required, make out and file with the Department a statement or schedule showing the property held for

It shall describe all improvements and stations located on the right of way, giving the quantity, quality, character and original cost of each. It shall also report all non-operating personalty owned or controlled by the company on January 1, giving the quantity, quality, character and location of the same. The report shall also include any potential increase in the property's overall valuation that is directly attributable to the investment, improvement, replacement, or expansion of railroad operating property on or after January 1, 2010, through State or federal governmental programs, including cooperative agreements, necessary for higher speed passenger rail transportation through December 31, 2019. New companies shall make the statement on or before the June 1 after the location of their road.

When the statement has once been made, it is not necessary to report the description as required above unless directed to do so by the Department, but the company shall, on or before June 1, annually, report all additions or changes in its property in this State as have occurred.

The return required by this Section should be made by the using company, but all property which is operated under one control shall be returned as provided in this Section.

(g) The length of the first, second, third and other main tracks and all side tracks and turnouts showing the proportions within this State and elsewhere.

(h) The reproduction cost of the property within Illinois and the total reproduction cost of all property of the company. The reproduction cost, so far as applicable, shall be as last determined by the United States Interstate Commerce Commission, or other competent authority, plus additions and betterments, less retirements and depreciation to the December 31 preceding the assessment date.

(i) An enumeration and classification of all rolling stock and car equipment owned or leased by the company. The classification shall show type of equipment and circumstances of ownership and use. The enumeration shall include rolling stock used over the track of other companies under any trackage right agreement. All other property used in connection with a trackage right agreement shall be listed.

(j) Any other information the Department may require to determine the fair cash value of the property of any railroad company, or necessary to carry out the provisions of this Code, including information pertaining to any potential increases in the property's overall valuation that is directly attributable to the investment, improvement, replacement, or expansion of railroad operating property on or after January 1, 2010, through State or federal governmental programs, including cooperative agreements, necessary for higher speed passenger rail transportation through December 31, 2019.

"Section 5. The Innkeepers Lien Act is amended by changing Section 49 as follows:

(770 ILCS 40/49) (from Ch. 82, par. 58)

Sec. 49. Stable keepers.

(a) As used in this Section:

"Boarding or stabling agreement" means any agreement, written or oral, that establishes or modifies the terms, conditions, rules, or any other provisions concerning the boarding or stabling of a horse.

"Horse owner" or "owner" means a person who owns a horse or the person's agent, successor, or assign.

"Keeping", "boarding", or "stabling" means boarding and training services at a stable provided at the horse owner's request including but not limited to: services under a written boarding or stabling agreement; services provided in response to a written request by the horse owner; administering the horse owner's requested supplements or medications to the horse; trailering the horse to a designated location; and assistance in conjunction with veterinary, breeding, farrier, chiropractic, dental, or other professional services for a horse.

"Last known address" means that address provided by the horse owner in the latest boarding or stabling agreement or any other writing, or the address provided by the horse owner in a subsequent written notice of a change of address.

"Personal property left on the premises" means any carriage, harness, tack, equipment, supplements, medications, or other personal property stored by the owner at the stable or boarding facility.

"Stable" or "horse boarding facility" means any real property used for the purpose of stabling, boarding, or keeping a horse.

"Stable keeper" or "keeper" means the owner, operator, lessor, or sublessor of a stable or horse boarding facility, or his, her, or its agent, or any other person or entity authorized by him, her, or it to manage the horse boarding facility or to receive rent from a horse owner under a boarding or stabling agreement.

(b) Stable keepers ~~and any persons~~ shall have a lien upon the horses, carriages, ~~and~~ harness, tack and equipment, and any other personal property stored by the owner at the stable or boarding facility in the amount of ~~kept by them~~ for the proper charges due for the keeping thereof and expenses bestowed thereon at the request of the owner, or the person having the possession thereof, ~~plus other charges, present or future, in relation to the horse boarded, plus all fees and expenses, including legal fees, incurred by the keeper to enforce the lien, whether by public or private sale, to the extent permitted under this Section.~~

(c) The lien provided under this Section is a possessory lien which entitles the keeper to restrict the subject horse's movement from the keeper's facility, except for emergency veterinary care. Local law enforcement authorities notified of the keeper's right to a possessory lien on the horse shall have the authority, without a court order, to restrict the removal of the horse from the keeper's facility despite the horse owner's request or demand, until the keeper confirms to the local law enforcement authorities that the lien has been satisfied. Evidence of a possessory lien that constitutes notice to law enforcement authorities includes, but is not limited to, a written boarding agreement signed by the horse owner acknowledging that the keeper shall have an automatic lien on the horse for the amount owed or the unpaid invoices for the keeping of the horse and fees and expenses, including attorney's fees, incurred in

connection with the enforcement of the lien.

(d) Enforcement of the lien must be by public sale of the horse or any personal property left of the premises, unless the written boarding agreement provides a clear authorization that the horse and any personal property left on the premises may be sold through a private sale or provides a clear authorization that the keeper may take ownership of the horse and any personal property left on the premises to satisfy the lien.

(e) Prior to enforcement of the lien through a public or private sale, the keeper must make a written demand for payment from the owner of the horse and include notice that the horse and any personal property left on the premises will be sold at a date certain not less than 30 days after service of the demand for payment if payment of all amounts due is not made by the day set for the sale.

(f) In the event of enforcement of the lien through a public sale, the sale shall be conducted by the local sheriff or other authorized individual, at which cash shall be paid by the highest bidder. The date, time, and place of the sale shall be advertised by posting a written notice of the sale at 3 of the most public places in the township or municipality where the horse is boarded or if the horse is not boarded in a township or municipality, by posting a written notice of the sale at 3 of the most public places in the county. The posting may be done at any time, but shall not be done less than 21 days before the sale. Alternatively, the sale may be advertised by placing a sale notice stating the date, time, and place of the sale for 3 consecutive weeks in a weekly or daily newspaper of general circulation distributed in the township or municipality where the horse is boarded. After the amount due for keeping the horse and any unpaid invoices and any and all fees and costs incurred in connection with the enforcement of the lien, including, but not limited to, the auctioneer and sheriff's fees, advertising costs, and any legal fees and costs are paid, the balance shall be paid to the owner. At the time that the surplus funds are received by the horse owner, the ownership papers to the horse shall be forwarded by the horse owner to the public sale buyer within 7 days after the horse owner's receipt of the surplus funds. In the event the horse owner cannot be found after reasonable attempts to locate the owner have been made, any surplus funds shall be paid to the keeper's chosen equine rescue, rehabilitation, or retirement facility or organization. At the time of the sale conducted pursuant to this Section, the sheriff or other authorized person conducting the sale shall, upon payment of the sale price, provide a public sale certificate of purchase of the horse to the highest bidder showing that the highest bidder is the new legal owner of the horse. As of the time of the delivery of the public sale certificate of purchase, the original horse owner shall have no claim of right, title, or interest in the horse.

(g) In the event of enforcement of the lien through a private sale pursuant to the terms of this Section, written notice shall be considered satisfactory under this Section when sent at least 3 weeks prior to the date of any private sale to the horse owner's last known mailing address by first class certified or registered mail or by e-mail or facsimile. At the time of the private sale conducted pursuant to the requirements of this subsection, the keeper shall, upon payment of the sale price, provide a private sale certificate for the horse to the buyer certifying that the requirements of this subsection were met and that the buyer is the legal owner of the horse. As of the time of the delivery of the private sale certificate, the original horse owner shall have no claim of right, title, or interest in the horse. The application of the sale proceeds shall be as provided in subsection (f).

(h) In the event of enforcement of the lien through the keeper obtaining ownership of the horse and any personal property left on the premises, the keeper shall provide a demand for payment to the owner pursuant to subsection (e) and shall include an appraisal of the value of the horse and any personal property left on the premises showing that the value of the horse and the personal property left on the premises is at least equal to the amount due and owing to the keeper.

(i) A lien created pursuant to this Section attaches as of the date the horse is brought to the stable and shall be superior to any other lien or security interest except for a statutory lien or security interest which is perfected through a proper filing pursuant to Article 9 of the Uniform Commercial Code prior to the beginning of the boarding.
