SENATE RESOLUTION NO. 404

WHEREAS, Amtrak Illinois service has been an excellent investment in mobility for Illinois' economy for more than 30 years; and

WHEREAS, The State of Illinois has for decades been a partner of Amtrak, the National Railroad Passenger Corporation, in financing additional service in Illinois beyond the national network of long-distance passenger trains; and

WHEREAS, Illinois has enjoyed a bipartisan, statewide consensus on the value of passenger train service to link the State's universities, smaller communities, suburbs, and Chicago; and

WHEREAS, With ever-increasing traffic on the State's highways, especially in the Chicago area, investing in passenger rail to alleviate automobile traffic is a prudent use of taxpayer dollars; and

WHEREAS, A robust passenger train system is an essential component of national security in the
[November 2, 2011]

event of a mass evacuation, as demonstrated by the aftermath of the September 11 attacks and the aftermath of Hurricane Katrina; and

WHEREAS, The Illinois General Assembly in 2006 doubled its commitment to Amtrak Illinois service, setting the nation on a path for growth in passenger rail, and has reaped doubled ridership on almost all routes in the State, sparking real estate development around train stations and frequently selling out trains; and

WHEREAS, An essential tool for rural economic development is passenger trains connecting small towns to the economic engines of large cities and universities; and

WHEREAS, The United States House of Representatives passed a budget bill that precludes the use of any federal dollars for State-supported Amtrak routes such as the Lincoln Service, the Illini, the Saluki, the Carl Sandburg, and the Hiawatha; and

WHEREAS, The provision in the House budget bill would essentially eliminate most Amtrak service in Illinois, stranding almost 2 million annual passengers; and

WHEREAS, The House budget bill woefully underfunds Amtrak and the high speed rail program; and

WHEREAS, In light of Illinois' continued robust capital and operating investment in Amtrak and high speed rail, it is particularly shortsighted for the federal government to eliminate or cut back its investment in passenger rail; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the United States Congress to fully fund Amtrak and the high speed rail program; and be it further

RESOLVED, That we urge the United States Congress to eliminate any provision that would reduce the federal investment in State-supported Amtrak service, as this partnership is a model to be emulated, not discouraged; and be it further

RESOLVED, That copies of this resolution be presented to Senators Dick Durbin, Mark Kirk and the entire congressional delegation of the State of Illinois.

In accordance with Article IV, Section 9(b) of the Illinois Constitution, I hereby veto House Bill 3178.

This bill allows for the collection of fur-bearing mammals found dead along roadways in our State. I commend the sponsors for their hard work on this legislation. Though I recognize their substantial effort on this measure, I am concerned that the bill compromises safety along our roadways. I cannot support a measure that places the citizens of our State in harm's way and encourage the sponsors of this bill to consider appropriate safety measures in subsequent legislation.

Therefore, pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby return House Bill 3178, entitled "AN ACT concerning wildlife." vetoed in its entirety with this statement of objections.

Sincerely,

TIMOTHY D. MAPES, Clerk of the House

HB0190AVM001

MOTION

I move to accept the specific recommendations of the Governor as to House Bill 190 in manner and form as follows:

[November 2, 2011]

AMENDMENT TO HOUSE BILL 190
IN ACCEPTANCE OF GOVERNOR'S RECOMMENDATIONS

Amend House Bill 190 on page 2, line 7, by replacing "dropouts or students at risk of dropping out" with "dropouts and/or students 16 or 15 years old at risk of dropping out"; and

on page 4, lines 12 and 13, by replacing "dropouts or at risk of dropping out" with "dropouts and/or students 16 or 15 years old at risk of dropping out"; and

Date: _____, 2011 _____

August 25, 2011

To the Honorable Members of the
Illinois House of Representatives,
97th General Assembly:

I hereby return House Bill 190 with specific recommendations for change.

I am committed to ensuring a quality education for children throughout Illinois. House Bill 190 will help reach children who have dropped out of school as well as those students who come from under-performing or overcrowded schools. This legislation will allow for at least 5 charter schools in the Chicago area to be devoted to re-enrolled dropouts and at least 5 charter schools in the Chicago area to be devoted to students from low-performing or overcrowded schools.

I commend the sponsors for their work on this bill. While I am very supportive of the idea of focusing charter schools on the most disadvantaged and under-performing of our children, I believe that further clarity will allow the State to most appropriately target our resources. In order to further clarify which students are able to enroll in these charter schools, I recommend that the bill explicitly define the children who are at risk of dropping out. Additionally, in an effort to preserve the original intent laid out for these charter schools, I recommend that the legislation explicitly grant priority admission to those students who have dropped out.

Therefore, pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return House Bill 190, entitled "AN ACT concerning education.", with the following specific recommendations for change:

on page 2, line 7, by replacing "dropouts or students at risk of dropping out" with "dropouts and/or students 16 or 15 years old at risk of dropping out"; and

on page 4, lines 12 and 13, by replacing "dropouts or students at risk of dropping out" with "dropouts and/or students 16 or 15 years old at risk of dropping out"; and

on page 4, line 16, after the period, by adding "\"Priority admission\" for charter schools exclusively devoted to re-enrolled dropouts or students at risk of dropping out means a minimum of 90% of students enrolled shall be high school dropouts."; and

on page 5, line 22, after the period, by adding "\"Students at risk of dropping out\" means students 16 or 15 years old in a public school in a district organized under Article 34 of this Code that enrolls students in any grades 9-12 who have been absent at least 90 school attendance days of the previous 180 school attendance days.".

With these changes, House Bill 190 will have my approval. I respectfully request your concurrence.

Sincerely,

PAT QUINN

I am further instructed to deliver to you the objections of the Governor which are contained in the attached copy of his letter to the House of Representatives:

Passed the House, October 25, 2011, by a three-fifths vote.

TIMOTHY D. MAPES, Clerk of the House

August 26, 2011

To the Honorable Members of the
Illinois House of Representatives,
97th General Assembly:

I hereby return House Bill 1079 with a specific recommendation for change.

Increasing the transparency and information provided to the Illinois Board of Higher Education and the General Assembly from public universities in this state is an important step. This bill requires that a report be submitted annually by each public university listing all programs of instruction, research and public service that have been terminated, dissolved, reduced or consolidated by the university as well as any programs exhibiting trends of low performance in enrollment, degree completion or high expenses per degree. These provisions provide much needed scrutiny and I applaud the sponsors for their efforts.

Other provisions of this bill, however, do not promote transparency and oversight. This bill also makes a change to the State Property Control Act to allow the Department of Central Management Services (CMS) to require universities to report only those items owned by the university that are valued in excess of \$1,000. All other entities under the State Property Control Act operate under a lower threshold. Differentiating disclosure requirements between the public universities and other governmental entities will impose confusion in the application of our State's surplus property laws. I encourage the sponsors to consider a measure that provides for uniform application of the State Property Control Act.

Therefore, pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return House Bill 1079, entitled "AN ACT concerning education.," with the following specific recommendation for change:

on page 1, by deleting lines 4 through 16.

With this change, House Bill 1079 will have my approval. I respectfully request your concurrence.

Sincerely,

PAT QUINN

HOUSE BILL 2860

A bill for AN ACT concerning transportation.

I am further instructed to deliver to you the objections of the Governor which are contained in the attached copy of his letter to the House of Representatives:

Passed the House, October 25, 2011, by a three-fifths vote.

TIMOTHY D. MAPES, Clerk of the House

[November 2, 2011]

August 26, 2011

To the Honorable Members of the
Illinois House of Representatives,
97th General Assembly:

I hereby return House Bill 2860 with specific recommendations for change.

I commend the sponsors for their hard work on this bill.

This bill amends the Illinois Vehicle Code and provides that, in municipalities with less than 2,000,000 inhabitants, the driver of a motorcycle or bicycle, facing a steady red signal which fails to change to a green signal within a “reasonable period of time” because of a signal malfunction or because the signal has failed to detect the arrival of the motorcycle or bicycle due to the vehicle’s size or weight, shall have the right to proceed, after yielding the right of way to oncoming traffic.

As Governor, it is my duty to ensure the public safety of individuals traveling the streets and highways of this State. This legislation endangers our motorists and its interpretation could vary from individual to individual and county to county. The “reasonable period of time” language contained in House Bill 2860 is too subjective and will result in confusion amongst law enforcement, the judiciary, and motorcycle operators. By establishing a specific period of time, motorcycle operators will know definitively how long they must be stopped before proceeding through an intersection. Similar laws enacted in other states established a specified time.

Additionally, allowing motorcycle operators the authority to proceed through intersections on a red traffic signal, where signs prohibit such turning, is unsafe. Local highway authorities have determined that turning on red at these intersections is prohibited due to low visibility or because the speed of approaching traffic far exceeds the speed of a vehicle starting from a stopped position. I believe when signs are posted prohibiting turning either right or left on a red signal, it is poor public policy to allow motorcycles the authority to proceed straight at such intersections.

Therefore, pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return House Bill 2860, entitled “AN ACT concerning transportation.”, with the following specific recommendations for change:

on page 3, by replacing lines 8 through 16 with the following:

“(c-6) Outside municipalities with 2,000,000 inhabitants, in any county or municipality, including a home rule county or municipality, and when no other vehicles are present on the same roadway, it shall be an affirmative defense to subsection (c) of Section 11-306 of this Code or a similar provision of a local ordinance that the signal failed to detect the arrival of a motorcycle or bicycle due to that vehicle’s size or weight and the operator of a motorcycle or bicycle:

- (i) waited at least 120 seconds before proceeding; and
- (ii) yielded the right of way to oncoming traffic facing a green signal, subject to the rules applicable after making a stop at a stop sign as required by Section 11-1204 of this Code.

Nothing in this subsection (c-6) shall be construed to allow a vehicle to proceed past a red traffic signal at intersections where official traffic control devices prohibit turning on red.”; and

on page 11, by replacing line 23 with the following:

“1. Except as provided in paragraph 3”; and

on page 12, by replacing line 5 with the following:

“2. Except as provided in paragraph 3”; and

On page 13, by replacing lines 4 through 15 with the following:

“3.5. Outside municipalities with 2,000,000 inhabitants and when no other vehicles are present on the same roadway, it shall be an affirmative defense to this subsection (c) that the signal failed to detect the arrival of a motorcycle or bicycle due to that vehicle’s size or weight and the operator of a motorcycle or bicycle:

[November 2, 2011]

- (iii) waited at least 120 seconds before proceeding; and
- (iv) yielded the right of way to oncoming traffic facing a green signal, subject to the rules applicable after making a stop at a stop sign as required by Section 11-1204 of this Code.

Nothing in this paragraph 3.5 shall be construed to allow a vehicle to proceed past a red traffic signal at intersections where official traffic control devices prohibit turning on red.”.

With these changes, House Bill 2860 will have my approval. I respectfully request your concurrence.
Sincerely,

PAT QUINN

Mr. President -- I am directed to inform the Senate that the House of Representatives has passed a bill of the following title, the Governor's specific recommendations for change notwithstanding, in the passage of which I am instructed to ask the concurrence of the Senate, to-wit:

HOUSE BILL 1659

A bill for AN ACT concerning health.

I am further instructed to deliver to you the objections of the Governor which are contained in the attached copy of his letter to the House of Representatives:

Passed the House, October 26, 2011, by a three-fifths vote.

TIMOTHY D. MAPES, Clerk of the House

August 15, 2011

To the Honorable Members of the
Illinois House of Representatives,
97th General Assembly:

I hereby return House Bill 1659 with specific recommendations for change.

I am committed to long-term care rebalancing to assure people of all ages are offered adequate choices of community and institutional options, to achieve a balance between the proportion of total Medicaid long-term support expenditures used for institutional services and those used for community-based supports. I commend the sponsors for their support in this effort and continued work on improving the quality of care for individuals with developmental disabilities.

House Bill 1659 requires the transfer of funds from any state operated developmental disability facility realizing a reduction in residents of at least ten percent to line items providing appropriation authority for the new venues caring for the residents who are no longer receiving care at the facility. However, in order to assure adequate care to individuals in state facilities and in order to fully realize the benefits of long-term care rebalancing, it is important to maintain appropriate budgetary flexibility. For that reason, I am recommending these changes.

Therefore, pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return House Bill 1659, entitled "AN ACT concerning health.", with the following specific recommendations for change:

on page 2, by replacing line 5 with:

"the General Assembly within 30 days of when a decision by the Secretary of the Department of Human Services is made"; and

on page 2, by replacing line 10 with:

"Notwithstanding any provision of law to the contrary, including, but not limited to, Section 13.2 of the State Finance Act, based on information contained in the report required"; and

on page 2, by replacing line 11 with:

[November 2, 2011]

“under this Section, the Department, at the direction of the Governor, shall transfer funds from”; and

on page 2, by replacing line 14 with:

A message from the House by

Mr. Mapes, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has passed a bill of the following title, the Governor’s specific recommendations for change notwithstanding, in the passage of which I am instructed to ask the concurrence of the Senate, to-wit:

HOUSE BILL 1712

A bill for AN ACT concerning civil law.

I am further instructed to deliver to you the objections of the Governor which are contained in the attached copy of his letter to the House of Representatives:

Passed the House, October 26, 2011, by a three-fifths vote.

TIMOTHY D. MAPES, Clerk of the House

August 12, 2011

To the Honorable Members of the
Illinois House of Representatives
97th General Assembly

I hereby return House Bill 1712 with my specific recommendations for change.

I would like to thank the sponsors for their hard work on this legislation. Last year, I signed into law Public Act 96-1195, which made important changes to the Illinois Power of Attorney Act. That bill provides greater consumer protections for persons that have entered into a power of attorney, especially our State’s senior citizens who are often at greater risk of abuse from those that they have entrusted. That piece of legislation was negotiated for months by many of the stakeholders, and resulted in a piece of legislation that passed both chambers of the General Assembly unanimously before receiving my approval.

That legislation inadvertently included a provision which has the effect of terminating all powers of attorney for property as soon as a principal enters into a subsequent statutory short form power of attorney for property. As the sponsors and the supporters of this legislation rightly point out, there are many powers of attorney entered into for various financial and transactional purposes that are not intended to expire upon the creation of a new power of attorney. This bill seeks to correct that.

However, there are other portions of this legislation that I believe limit the State’s ability to protect the vulnerable and the elderly from abuse and financial exploitation. While, I acknowledge that it is not the sponsors’ intent to relax provisions to protect seniors, I believe this bill, as written, creates a loophole that allows those who would do financial harm to the vulnerable from being properly investigated. My recommendation for change addresses this gap in the legislation.

Therefore, pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return House Bill 1712, entitled “AN ACT concerning civil law”, with the following specific recommendations for change:

- on page 1, line 5, by deleting “2-4.”; and
- on page 2, by deleting lines 21 through 24; and
- on page 2, line 25, by replacing “(3)” with “(1)”;
- and on page 3, line 4, by replacing “(4)” with “(2)”;
- and on page 3, line 8, by replacing “(5)” with “(3)”;
- and on page 3, line 11, by replacing “(6)” with “(4)”;
- and

[November 2, 2011]

on page 3, line 15, by replacing “(7)” with “(5)”; and
 on page 3, line 19, by replacing “(8)” with “(6)”; and
 on page 4, line 1, by replacing “(9)” with “(7)”; and
 on page 4, line 10, by replacing “(10)” with “(8)”; and
 on page 4, line 20, by replacing “(11)” with “(9)”; and
 on page 4, line 24, by replacing “(12)” with “(10)”; and
 on page 5, line 1, by replacing “(13)” with “(11)”; and
 on page 5, by deleting lines 3 through 6; and
 by deleting line 25 on page 5 through line 5 on page 7; and
 on page 8, line 20, by deleting “An excluded power of attorney is not revoked by a”; and
 on page 8, by deleting lines 21 through 23; and
 on page 21, by replacing lines 13 through 15 with the following:

“principal) hereby revoke all prior statutory short form powers of attorney for property executed by me and appoint.”.

With these changes, House Bill 1712 will have my approval. I respectfully request your concurrence.
 Sincerely,

PAT QUINN
 Governor
