A political committee shall file quarterly reports no later than the 15th day of the month following each period. Reports of contributions and expenditures must be filed to cover the prescribed time periods even though no contributions or expenditures may have been received or made during the period. The Board shall assess a civil penalty not to exceed \$5,000 for failure to file a report required by this subsection. The fine, however, shall not exceed \$1,000 for a first violation if the committee files less than 10 days after the deadline. There shall be no fine if the report is mailed and postmarked at least 72 hours prior to the filing deadline. When considering the amount of the fine to be imposed, the Board shall consider whether the violation was committed inadvertently, negligently, knowingly, or intentionally and any past violations of this Section.

The Board shall impose fines for willful or wanton violations of this subsection (c) not to exceed 150% of the total amount of the contributions that were untimely reported, but in no case shall it be less than 10% of the total amount of the contributions that were untimely reported. The Board may impose a fine for negligent or inadvertent violations of this subsection not to exceed 50% of the total amount of the contributions that were untimely reported, or the Board may waive the fine. (d) For the purpose of this Section, a contribution is considered received on the date (i) a monetary contribution was deposited in a bank, financial institution, or other repository of funds for the committee, (ii) the date a committee receives notice a monetary contribution was deposited by an entity used to process financial transactions by credit card or other entity used for processing a monetary contribution that was deposited in a bank, financial institution, or other repository of funds for the committee, or (iii) the public official, candidate, or political committee receives the notification of contribution of goods or services as required under subsection (b) of Section 9-6.

A voter applying to vote in the precinct on election day whose name appears on the list as having been issued a grace period, absentee, or early ballot shall not be permitted to vote in the precinct, except that a voter to whom an absentee ballot was issued may vote in the precinct if the voter submits to the election judges that absentee ballot for cancellation. If the voter is unable to submit the absentee ballot, it shall be sufficient for the voter to submit to the election judges (i) a portion of the absentee ballot if the absentee ballot was torn or mutilated or (ii) an affidavit executed before the election judges specifying that (A) the voter never received an absentee ballot, ~~or~~ (B) the voter completed and returned an absentee ballot and was informed that the election authority did not receive that absentee ballot, ~~or~~ (C) the voter received the absentee ballot but did not return the absentee ballot to the election authority. At all elections, when a registry may be required, if the name of any person so desiring to vote at such election is not found on the register of voters, he or she shall not receive a ballot until he or she shall have complied with the law prescribing the manner and conditions of voting by unregistered voters. Besides the election officer, not more than 2 voters in excess of the whole number of voting booths provided shall be allowed within the proximity of the voting booths at one time. (2) The person's voting status has been challenged by an election judge, a pollwatcher, or any legal voter and that challenge has been sustained by a majority of the election judges;

(3) A federal or State court order extends the time for closing the polls beyond the time period established by State law and the person votes during the extended time period; ~~or~~

(4) The voter registered to vote by mail and is required by law to present identification when voting either in person or by absentee ballot, but fails to do so; or -

(5) The voter's name appears on the list of voters who voted during the early voting period, but the voter claims not to have voted during the early voting period.

(b) The procedure for obtaining and casting a provisional ballot at the polling place shall be as follows:

(1) After first verifying through an examination of the precinct register that the person's address is within the precinct boundaries, an election judge at the polling place shall notify a person who is entitled to cast a provisional ballot pursuant to subsection (a) that he or she may cast a provisional ballot in that election. An election judge must accept any information provided by a person who casts a provisional ballot that the person believes supports his or her claim that he or she is a duly registered voter and qualified to vote in the election. However, if the person's residence address is outside the precinct boundaries, the election judge shall inform the person of that fact, give the person the appropriate telephone number of the election authority in order to locate the polling place assigned to serve that address, and instruct the person to go to the proper polling place to vote.

(2) The person shall execute a written form provided by the election judge that shall state or contain all of the following that is available:

(i) an affidavit stating the following:

State of Illinois, County of ....., Township ....., Precinct ....., Ward ....., I, ....., do solemnly swear (or affirm) that: I am a citizen of the United States; I am 18 years of age or older; I have resided in this State and in this precinct for 30 days preceding this election; I have not voted in this election; I am a duly registered voter in every respect; and I am eligible to vote in this election. Signature ..... Printed Name of Voter ..... Printed Residence Address of Voter ..... City ..... State .... Zip Code .... Telephone Number ..... (ii) A box for the election judge to check one of the 3 reasons why the person was given a provisional ballot under subsection (a) of Section 18A-5.

(iii) An area for the election judge to affix his or her signature and to set forth any facts that support or oppose the allegation that the person is not qualified to vote in the precinct in which the person is seeking to vote.

The written affidavit form described in this subsection (b)(2) must be printed on a multi-part form prescribed by the county clerk or board of election commissioners, as the case may be.

(3) After the person executes the portion of the written affidavit described in subsection (b)(2)(i) of this Section, the election judge shall complete the portion of the written affidavit described in subsection (b)(2)(iii) and (b)(2)(iv).

(4) The election judge shall give a copy of the completed written affidavit to the person. The election judge shall place the original written affidavit in a self-adhesive clear plastic packing list envelope that must be attached to a separate envelope marked as a "provisional ballot envelope". The election judge shall also place any information provided by the person who casts a provisional ballot in the clear plastic packing list envelope. Each county clerk or board of election commissioners, as the case may be, must design, obtain or procure self-adhesive clear plastic packing list envelopes and provisional ballot envelopes that are suitable for implementing this subsection (b)(4) of this Section.

(5) The election judge shall provide the person with a provisional ballot, written instructions for casting a provisional ballot, and the provisional ballot envelope with the clear plastic packing list envelope affixed to it, which contains the person's original written affidavit and, if any, information provided by the provisional voter to support his or her claim that he or she is a duly registered voter. An election judge must also give the person written information that states that any person who casts a

provisional ballot shall be able to ascertain, pursuant to guidelines established by the State Board of Elections, whether the provisional vote was counted in the official canvass of votes for that election and, if the provisional vote was not counted, the reason that the vote was not counted.

(6) After the person has completed marking his or her provisional ballot, he or she shall place the marked ballot inside of the provisional ballot envelope, close and seal the envelope, and return the envelope to an election judge, who shall then deposit the sealed provisional ballot envelope into a securable container separately identified and utilized for containing sealed provisional ballot envelopes. Ballots that are provisional because they are cast after 7:00 p.m. by court order shall be kept separate from other provisional ballots. Upon the closing of the polls, the securable container shall be sealed with filament tape provided for that purpose, which shall be wrapped around the box lengthwise and crosswise, at least twice each way, and each of the election judges shall sign the seal.

(c) Instead of the affidavit form described in subsection (b), the county clerk or board of election commissioners, as the case may be, may design and use a multi-part affidavit form that is imprinted upon or attached to the provisional ballot envelope described in subsection (b). If a county clerk or board of election commissioners elects to design and use its own multi-part affidavit form, then the county clerk or board of election commissioners shall establish a mechanism for accepting any information the provisional voter has supplied to the election judge to support his or her claim that he or she is a duly registered voter. In all other respects, a county clerk or board of election commissioners shall establish procedures consistent with subsection (b).

(d) The county clerk or board of election commissioners, as the case may be, shall use the completed affidavit form described in subsection (b) to update the person's voter registration information in the State voter registration database and voter registration database of the county clerk or board of election commissioners, as the case may be. If a person is later determined not to be a registered voter based on Section 18A-15 of this Code, then the affidavit shall be processed by the county clerk or board of election commissioners, as the case may be, as a voter registration application.

(10 ILCS 5/19-2.1) (from Ch. 46, par. 19-2.1)

Sec. 19-2.1. At the consolidated primary, general primary, consolidated, and general elections, electors entitled to vote by absentee ballot under the provisions of Section 19-1 may vote in person at the office of the municipal clerk, if the elector is a resident of a municipality not having a board of election commissioners, or at the office of the township clerk or, in counties not under township organization, at the office of the road district clerk if the elector is not a resident of a municipality; provided, in each case that the municipal, township or road district clerk, as the case may be, is authorized to conduct in-person absentee voting pursuant to this Section. Absentee voting in such municipal and township clerk's offices under this Section shall be conducted from the 22nd day through the day before the election.

Municipal and township clerks (or road district clerks) who have regularly scheduled working hours at regularly designated offices other than a place of residence and whose offices are open for business during the same hours as the office of the election authority shall conduct in-person absentee voting for said elections. Municipal and township clerks (or road district clerks) who have no regularly scheduled working hours but who have regularly designated offices other than a place of residence shall conduct in-person absentee voting for said elections during the hours of 8:30 a.m. to 4:30 p.m. or 9:00 a.m. to 5:00 p.m., weekdays, and 9:00 a.m. to 12:00 noon on Saturdays, but not during such hours as the office of the election authority is closed, unless the clerk files a written waiver with the election authority not later than July 1 of each year stating that he or she is unable to conduct such voting and the reasons therefor. Such clerks who conduct in-person absentee voting may extend their hours for that purpose to include any hours in which the election authority's office is open. Municipal and township clerks (or road district clerks) who have no regularly scheduled office hours and no regularly designated offices other than a place of residence may not conduct in-person absentee voting for said elections. The election authority may devise alternative methods for in-person absentee voting before said elections for those precincts located within the territorial area of a municipality or township (or road district) wherein the clerk of such municipality or township (or road district) has waived or is not entitled to conduct such voting. In addition, electors may vote by absentee ballot under the provisions of Section 19-1 at the office of the election authority having jurisdiction over their residence. Unless specifically authorized by the election authority, municipal, township, and road district clerks shall not conduct in-person absentee voting. No less than 45 days before the date of an election, the election authority shall notify the municipal, township, and road district clerks within its jurisdiction if they are to conduct in-person absentee voting. Election authorities, however, may conduct in-person absentee voting in one or more designated appropriate public buildings from the fourth day before the election through the day before the election.

In conducting in-person absentee voting under this Section, the respective clerks shall be required to verify the signature of the absentee voter by comparison with the signature on the official registration record card. The clerk also shall reasonably ascertain the identity of such applicant, shall verify that each such applicant is a registered voter, and shall verify the precinct in which he or she is registered and the proper ballots of the political subdivisions in which the applicant resides and is entitled to vote, prior to providing any absentee ballot to such applicant. The clerk shall verify the applicant's registration and from the most recent poll list provided by the county clerk, and if the applicant is not listed on that poll list then by telephoning the office of the county clerk.

Absentee voting procedures in the office of the municipal, township and road district clerks shall be subject to all of the applicable provisions of this Article 19. Pollwatchers may be appointed to observe in-person absentee voting procedures and view all reasonably requested records relating to the conduct of the election, provided the secrecy of the ballot is not impinged, at the office of the municipal, township or road district clerks' offices where such absentee voting is conducted. Such pollwatchers shall qualify and be appointed in the same manner as provided in Sections 7-34 and 17-23, except each candidate, political party or organization of citizens may appoint only one pollwatcher for each location where in-person absentee voting is conducted. Pollwatchers must be registered to vote in Illinois and possess valid pollwatcher credentials. All requirements in this Article applicable to election authorities shall apply to the respective local clerks, except where inconsistent with this Section.

The sealed absentee ballots in their carrier envelope shall be delivered by the respective clerks, or by the election authority on behalf of a clerk if the clerk and the election authority agree, to the election authority's central ballot counting location before the close of the polls on the day of the general primary, consolidated primary, consolidated, or general election.

Not more than 23 days before the general and consolidated elections, the county clerk shall make available to those municipal, township and road district clerks conducting in-person absentee voting within such county, a sufficient number of applications, absentee ballots, envelopes, and printed voting instruction slips for use by absentee voters in the offices of such clerks. The respective clerks shall receipt for all ballots received, shall return all unused or spoiled ballots to the county clerk on the day of the election and shall strictly account for all ballots received.

The ballots delivered to the respective clerks shall include absentee ballots for each precinct in the municipality, township or road district, or shall include such separate ballots for each political subdivision conducting an election of officers or a referendum on that election day as will permit any resident of the municipality, township or road district to vote absentee in the office of the proper clerk.

The clerks of all municipalities, townships and road districts may distribute applications for absentee ballot for the use of voters who wish to mail such applications to the appropriate election authority. Any person may produce, reproduce, distribute, or return to an election authority the application for absentee ballot. Upon receipt, the appropriate election authority shall accept and promptly process any application for absentee ballot.

Sec. 9-8.6. Independent expenditures.

(a) An independent expenditure is not considered a contribution to a political committee. An expenditure made by a natural person or political committee for an electioneering communication in connection, consultation, or concert with or at the request or suggestion of the public official or candidate, the public official's or candidate's candidate political committee, or the agent or agents of the public official, candidate, or political committee or campaign shall not be considered an independent expenditure but rather shall be considered a contribution to the public official's or candidate's candidate political committee.

A natural person who makes an independent expenditure supporting or opposing a public official or candidate that, alone or in combination with any other independent expenditure made by that natural person supporting or opposing that public official or candidate during any 12-month period, equals an aggregate value of at least \$3,000 must file a written disclosure with the State Board of Elections within 2 business days after making any expenditure that results in the natural person meeting or exceeding the \$3,000 threshold. A natural person who has made a written disclosure with the State Board of Elections shall have a continuing obligation to report further expenditures in relation to the same election, in \$1,000 increments, to the State Board until the conclusion of that election. A natural person who makes an independent expenditure supporting or opposing a public official or candidate that, alone or in combination with any other independent expenditure made by that natural person supporting or opposing that public official or candidate during the election cycle, equals an aggregate value of more than (i) \$250,000 for statewide office or (ii) \$100,000 for all other elective offices must file a written disclosure with the State Board of Elections within 2 business days after making any expenditure that results in the natural person exceeding the applicable threshold. Each disclosure must identify the natural person, the public official or candidate supported or opposed, the date, amount, and nature of each independent

expenditure, and the natural person's occupation and employer.

(b) Any entity other than a natural person that makes expenditures of any kind in an aggregate amount exceeding \$3,000 during any 12-month period supporting or opposing a public official or candidate must organize as a political committee in accordance with this Article.

(c) Every political committee that makes independent expenditures must report all such independent expenditures as required under Section 9-10 of this Article.

(d) In the event that a political committee organized as an independent expenditure committee makes a contribution to any other political committee other than another independent expenditure committee or a ballot initiative committee, the State Board shall assess a fine equal to the amount of any contribution received in the preceding 2 years by the independent expenditure committee that exceeded the limits for a political action committee set forth in subsection (d) of Section 9-8.5.

(b) Every political committee shall file quarterly reports of campaign contributions, expenditures, and independent expenditures. The reports shall cover the period January 1 through March 31, April 1 through June 30, July 1 through September 30, and October 1 through December 31 of each year. A political committee shall file quarterly reports no later than the 15th day of the month following each period. Reports of contributions and expenditures must be filed to cover the prescribed time periods even though no contributions or expenditures may have been received or made during the period. The Board shall assess a civil penalty not to exceed \$5,000 for failure to file a report required by this subsection. The fine, however, shall not exceed \$1,000 for a first violation if the committee files less than 10 days after the deadline. There shall be no fine if the report is mailed and postmarked at least 72 hours prior to the filing deadline. When considering the amount of the fine to be imposed, the Board shall consider whether the violation was committed inadvertently, negligently, knowingly, or intentionally and any past violations of this Section.

(c) A political committee shall file a report of any contribution of \$1,000 or more electronically with the Board within 5 business days after receipt of the contribution, except that the report shall be filed within 2 business days after receipt if (i) the contribution is received 30 or fewer days before the date of an election and (ii) the political committee supports or opposes a candidate or public question on the ballot at that election or makes expenditures in excess of \$500 on behalf of or in opposition to a candidate, candidates, a public question, or public questions on the ballot at that election. The State Board shall allow filings of reports of contributions of \$1,000 or more by political committees that are not required to file electronically to be made by facsimile transmission. The Board shall assess a civil penalty for failure to file a report required by this subsection. Failure to report each contribution is a separate violation of this subsection. The Board shall impose fines for willful or wanton violations of this subsection (c) not to exceed 150% of the total amount of the contributions that were untimely reported, but in no case shall it be less than 10% of the total amount of the contributions that were untimely reported. When considering the amount of the fine to be imposed for willful or wanton violations, the Board shall consider the number of days the contribution was reported late and past violations of this Section and Section 9-3. The Board may impose a fine for negligent or inadvertent violations of this subsection not to exceed 50% of the total amount of the contributions that were untimely reported, or the Board may waive the fine. When considering whether to impose a fine and the amount of the fine, the Board shall consider the following factors: (1) whether the political committee made an attempt to disclose the contribution and any attempts made to correct the violation, (2) whether the violation is attributed to a clerical or computer error, (3) the amount of the contribution, (4) whether the violation arose from a discrepancy between the date the contribution was reported transferred by a political committee and the date the contribution was received by a political committee, (5) the number of days the contribution was reported late, and (6) past violations of this Section and Section 9-3 by the political committee.

(d) For the purpose of this Section, a contribution is considered received on the date (i) a monetary contribution was deposited in a bank, financial institution, or other repository of funds for the committee, (ii) the date a committee receives notice a monetary contribution was deposited by an entity used to process financial transactions by credit card or other entity used for processing a monetary contribution that was deposited in a bank, financial institution, or other repository of funds for the committee, or (iii) the public official, candidate, or political committee receives the notification of contribution of goods or

services as required under subsection (b) of Section 9-6.

(e) A political committee that makes independent expenditures of \$1,000 or more during the period 30 days or fewer before an election shall electronically file a report with the Board within 5 business days after making the independent expenditure. The report shall contain the information required in Section 9-11(c) of this Article.

(e-5) An independent expenditure committee that makes an independent expenditure supporting or opposing a public official or candidate that, alone or in combination with any other independent expenditure made by that independent expenditure committee supporting or opposing that public official or candidate during the election cycle, equals an aggregate value of more than (i) \$250,000 for statewide office or (ii) \$100,000 for all other elective offices must file a written disclosure with the State Board of Elections within 2 business days after making any expenditure that results in the independent expenditure committee exceeding the applicable threshold. The Board shall assess a civil penalty against an independent expenditure committee for failure to file the disclosure required by this subsection not to exceed (i) \$500 for an initial failure to file the required disclosure and (ii) \$1,000 for each subsequent failure to file the required disclosure.

(f) A copy of each report or statement filed under this Article shall be preserved by the person filing it for a period of two years from the date of filing.

(10 ILCS 5/18A-5)

Sec. 18A-5. Provisional voting; general provisions.

(a) A person who claims to be a registered voter is entitled to cast a provisional ballot under the following circumstances:

(1) The person's name does not appear on the official list of eligible voters for the precinct in which the person seeks to vote. The official list is the centralized statewide voter registration list established and maintained in accordance with Section 1A-25;

(2) The person's voting status has been challenged by an election judge, a pollwatcher, or any legal voter and that challenge has been sustained by a majority of the election judges;

(3) A federal or State court order extends the time for closing the polls beyond the time period established by State law and the person votes during the extended time period; ~~or~~

(4) The voter registered to vote by mail and is required by law to present identification when voting either in person or by absentee ballot, but fails to do so; ~~or~~

(5) The voter's name appears on the list of voters who voted during the early voting period, but the voter claims not to have voted during the early voting period; or

(6) The voter received an absentee ballot but did not return the absentee ballot to the election authority.

(b) The procedure for obtaining and casting a provisional ballot at the polling place shall be as follows:

(1) After first verifying through an examination of the precinct register that the person's address is within the precinct boundaries, an election judge at the polling place shall notify a person who is entitled to cast a provisional ballot pursuant to subsection (a) that he or she may cast a provisional ballot in that election. An election judge must accept any information provided by a person who casts a provisional ballot that the person believes supports his or her claim that he or she is a duly registered voter and qualified to vote in the election. However, if the person's residence address is outside the precinct boundaries, the election judge shall inform the person of that fact, give the person the appropriate telephone number of the election authority in order to locate the polling place assigned to serve that address, and instruct the person to go to the proper polling place to vote.

(2) The person shall execute a written form provided by the election judge that shall state or contain all of the following that is available:

(i) an affidavit stating the following:

State of Illinois, County of ....., Township ....., Precinct

....., Ward ....., I, ....., do solemnly swear (or affirm) that: I am a citizen of the United States; I am 18 years of age or older; I have resided in this State and in this precinct for 30 days preceding this election; I have not voted in this election; I am a duly registered voter in every respect; and I am eligible to vote in this election. Signature ..... Printed Name of Voter ..... Printed Residence Address of Voter ..... City ..... State .... Zip Code ..... Telephone Number ..... Date of Birth ..... and Illinois Driver's License Number ..... or Last 4 digits of Social Security Number ..... or State Identification Card Number issued to you by the Illinois Secretary of State.....

(ii) A box for the election judge to check one of the ~~6~~ 3 reasons why the person was given a provisional ballot under subsection (a) of Section 18A-5.

(iii) An area for the election judge to affix his or her signature and to set forth any facts that support or oppose the allegation that the person is not qualified to vote in the precinct in which the person is seeking to vote.

The written affidavit form described in this subsection (b)(2) must be printed on a multi-part form prescribed by the county clerk or board of election commissioners, as the case may be.

(3) After the person executes the portion of the written affidavit described in subsection (b)(2)(i) of

this Section, the election judge shall complete the portion of the written affidavit described in subsection (b)(2)(iii) and (b)(2)(iv).

(4) The election judge shall give a copy of the completed written affidavit to the person. The election judge shall place the original written affidavit in a self-adhesive clear plastic packing list envelope that must be attached to a separate envelope marked as a "provisional ballot envelope". The election judge shall also place any information provided by the person who casts a provisional ballot in the clear plastic packing list envelope. Each county clerk or board of election commissioners, as the case may be, must design, obtain or procure self-adhesive clear plastic packing list envelopes and provisional ballot envelopes that are suitable for implementing this subsection (b)(4) of this Section.

(5) The election judge shall provide the person with a provisional ballot, written instructions for casting a provisional ballot, and the provisional ballot envelope with the clear plastic packing list envelope affixed to it, which contains the person's original written affidavit and, if any, information provided by the provisional voter to support his or her claim that he or she is a duly registered voter. An election judge must also give the person written information that states that any person who casts a provisional ballot shall be able to ascertain, pursuant to guidelines established by the State Board of Elections, whether the provisional vote was counted in the official canvass of votes for that election and, if the provisional vote was not counted, the reason that the vote was not counted.

(6) After the person has completed marking his or her provisional ballot, he or she shall place the marked ballot inside of the provisional ballot envelope, close and seal the envelope, and return the envelope to an election judge, who shall then deposit the sealed provisional ballot envelope into a securable container separately identified and utilized for containing sealed provisional ballot envelopes. Ballots that are provisional because they are cast after 7:00 p.m. by court order shall be kept separate from other provisional ballots. Upon the closing of the polls, the securable container shall be sealed with filament tape provided for that purpose, which shall be wrapped around the box lengthwise and crosswise, at least twice each way, and each of the election judges shall sign the seal.

(c) Instead of the affidavit form described in subsection (b), the county clerk or board of election commissioners, as the case may be, may design and use a multi-part affidavit form that is imprinted upon or attached to the provisional ballot envelope described in subsection (b). If a county clerk or board of election commissioners elects to design and use its own multi-part affidavit form, then the county clerk or board of election commissioners shall establish a mechanism for accepting any information the provisional voter has supplied to the election judge to support his or her claim that he or she is a duly registered voter. In all other respects, a county clerk or board of election commissioners shall establish procedures consistent with subsection (b).

(d) The county clerk or board of election commissioners, as the case may be, shall use the completed affidavit form described in subsection (b) to update the person's voter registration information in the State voter registration database and voter registration database of the county clerk or board of election commissioners, as the case may be. If a person is later determined not to be a registered voter based on Section 18A-15 of this Code, then the affidavit shall be processed by the county clerk or board of election commissioners, as the case may be, as a voter registration application.

(Source: P.A. 93-574, eff. 8-21-03; 93-1071, eff. 1-18-05; 94-645, eff. 8-22-05.)

(10 ILCS 5/18A-15)

Sec. 18A-15. Validating and counting provisional ballots.

(a) The county clerk or board of election commissioners shall complete the validation and counting of provisional ballots within 14 calendar days of the day of the election. The county clerk or board of election commissioners shall have 7 calendar days from the completion of the validation and counting of provisional ballots to conduct its final canvass. The State Board of Elections shall complete within 31 calendar days of the election or sooner if all the returns are received, its final canvass of the vote for all public offices.

(b) If a county clerk or board of election commissioners determines that all of the following apply, then a provisional ballot is valid and shall be counted as a vote:

(1) The provisional voter cast the provisional ballot in the correct precinct based on the address provided by the provisional voter. The provisional voter's affidavit shall serve as a change of address request by that voter for registration purposes for the next ensuing election if it bears an address different from that in the records of the election authority;

(2) The affidavit executed by the provisional voter pursuant to subsection (b)(2) of

Section 18A-5 contains, at a minimum, the provisional voter's first and last name, house number and street name, and signature or mark; ~~and~~

(3) the provisional voter is a registered voter based on information available to the county clerk or board of election commissioners provided by or obtained from any of the following:

- i. the provisional voter;
- ii. an election judge;
- iii. the statewide voter registration database maintained by the State Board of Elections;
- iv. the records of the county clerk or board of election commissioners' database; or
- v. the records of the Secretary of State; and -

(4) For a provisional ballot cast under item (6) of subsection (a) of Section 18A-5, the voter did not vote by absentee ballot in the election at which the provisional ballot was cast.

(c) With respect to subsection (b)(3) of this Section, the county clerk or board of election commissioners shall investigate and record whether or not the specified information is available from each of the 5 identified sources. If the information is available from one or more of the identified sources, then the county clerk or board of election commissioners shall seek to obtain the information from each of those sources until satisfied, with information from at least one of those sources, that the provisional voter is registered and entitled to vote. The county clerk or board of election commissioners shall use any information it obtains as the basis for determining the voter registration status of the provisional voter. If a conflict exists among the information available to the county clerk or board of election commissioners as to the registration status of the provisional voter, then the county clerk or board of election commissioners shall make a determination based on the totality of the circumstances. In a case where the above information equally supports or opposes the registration status of the voter, the county clerk or board of election commissioners shall decide in favor of the provisional voter as being duly registered to vote. If the statewide voter registration database maintained by the State Board of Elections indicates that the provisional voter is registered to vote, but the county clerk's or board of election commissioners' voter registration database indicates that the provisional voter is not registered to vote, then the information found in the statewide voter registration database shall control the matter and the provisional voter shall be deemed to be registered to vote. If the records of the county clerk or board of election commissioners indicates that the provisional voter is registered to vote, but the statewide voter registration database maintained by the State Board of Elections indicates that the provisional voter is not registered to vote, then the information found in the records of the county clerk or board of election commissioners shall control the matter and the provisional voter shall be deemed to be registered to vote. If the provisional voter's signature on his or her provisional ballot request varies from the signature on an otherwise valid registration application solely because of the substitution of initials for the first or middle name, the election authority may not reject the provisional ballot.

(d) In validating the registration status of a person casting a provisional ballot, the county clerk or board of election commissioners shall not require a provisional voter to complete any form other than the affidavit executed by the provisional voter under subsection (b)(2) of Section 18A-5. In addition, the county clerk or board of election commissioners shall not require all provisional voters or any particular class or group of provisional voters to appear personally before the county clerk or board of election commissioners or as a matter of policy require provisional voters to submit additional information to verify or otherwise support the information already submitted by the provisional voter. The provisional voter may, within 2 calendar days after the election, submit additional information to the county clerk or board of election commissioners. This information must be received by the county clerk or board of election commissioners within the 2-calendar-day period.

(e) If the county clerk or board of election commissioners determines that subsection (b)(1), (b)(2), or (b)(3) does not apply, then the provisional ballot is not valid and may not be counted. The provisional ballot envelope containing the ballot cast by the provisional voter may not be opened. The county clerk or board of election commissioners shall write on the provisional ballot envelope the following: "Provisional ballot determined invalid."

(f) If the county clerk or board of election commissioners determines that a provisional ballot is valid under this Section, then the provisional ballot envelope shall be opened. The outside of each provisional ballot envelope shall also be marked to identify the precinct and the date of the election.

(g) Provisional ballots determined to be valid shall be counted at the election authority's central ballot counting location and shall not be counted in precincts. The provisional ballots determined to be valid shall be added to the vote totals for the precincts from which they were cast in the order in which the ballots were opened. The validation and counting of provisional ballots shall be subject to the provisions of this Code that apply to pollwatchers. If the provisional ballots are a ballot of a punch card voting system, then the provisional ballot shall be counted in a manner consistent with Article 24A. If the provisional ballots are a ballot of optical scan or other type of approved electronic voting system, then the provisional ballots shall be counted in a manner consistent with Article 24B.

(h) As soon as the ballots have been counted, the election judges or election officials shall, in the

presence of the county clerk or board of election commissioners, place each of the following items in a separate envelope or bag: (1) all provisional ballots, voted or spoiled; (2) all provisional ballot envelopes of provisional ballots voted or spoiled; and (3) all executed affidavits of the provisional ballots voted or spoiled. All provisional ballot envelopes for provisional voters who have been determined not to be registered to vote shall remain sealed. The county clerk or board of election commissioners shall treat the provisional ballot envelope containing the written affidavit as a voter registration application for that person for the next election and process that application. The election judges or election officials shall then securely seal each envelope or bag, initial the envelope or bag, and plainly mark on the outside of the envelope or bag in ink the precinct in which the provisional ballots were cast. The election judges or election officials shall then place each sealed envelope or bag into a box, secure and seal it in the same manner as described in item (6) of subsection (b) of Section 18A-5. Each election judge or election official shall take and subscribe an oath before the county clerk or board of election commissioners that the election judge or election official securely kept the ballots and papers in the box, did not permit any person to open the box or otherwise touch or tamper with the ballots and papers in the box, and has no knowledge of any other person opening the box. For purposes of this Section, the term "election official" means the county clerk, a member of the board of election commissioners, as the case may be, and their respective employees.

(10 ILCS 5/19-2.1) (from Ch. 46, par. 19-2.1)

Sec. 19-2.1. At the consolidated primary, general primary, consolidated, and general elections, electors entitled to vote by absentee ballot under the provisions of Section 19-1 may vote in person at the office of the municipal clerk, if the elector is a resident of a municipality not having a board of election commissioners, or at the office of the township clerk or, in counties not under township organization, at the office of the road district clerk if the elector is not a resident of a municipality; provided, in each case that the municipal, township or road district clerk, as the case may be, is authorized to conduct in-person absentee voting pursuant to this Section. Absentee voting in such municipal and township clerk's offices under this Section shall be conducted from the 22nd day through the day before the election.

Municipal and township clerks (or road district clerks) who have regularly scheduled working hours at regularly designated offices other than a place of residence and whose offices are open for business during the same hours as the office of the election authority shall conduct in-person absentee voting for said elections. Municipal and township clerks (or road district clerks) who have no regularly scheduled working hours but who have regularly designated offices other than a place of residence shall conduct in-person absentee voting for said elections during the hours of 8:30 a.m. to 4:30 p.m. or 9:00 a.m. to 5:00 p.m., weekdays, and 9:00 a.m. to 12:00 noon on Saturdays, but not during such hours as the office of the election authority is closed, unless the clerk files a written waiver with the election authority not later than July 1 of each year stating that he or she is unable to conduct such voting and the reasons therefor. Such clerks who conduct in-person absentee voting may extend their hours for that purpose to include any hours in which the election authority's office is open. Municipal and township clerks (or road district clerks) who have no regularly scheduled office hours and no regularly designated offices other than a place of residence may not conduct in-person absentee voting for said elections. The election authority may devise alternative methods for in-person absentee voting before said elections for those precincts located within the territorial area of a municipality or township (or road district) wherein the clerk of such municipality or township (or road district) has waived or is not entitled to conduct such voting. In addition, electors may vote by absentee ballot under the provisions of Section 19-1 at the office of the election authority having jurisdiction over their residence. Unless specifically authorized by the election authority, municipal, township, and road district clerks shall not conduct in-person absentee voting. No less than 45 days before the date of an election, the election authority shall notify the municipal, township, and road district clerks within its jurisdiction if they are to conduct in-person absentee voting. Election authorities, however, may conduct in-person absentee voting in one or more designated appropriate public buildings from the fourth day before the election through the day before the election.

In conducting in-person absentee voting under this Section, the respective clerks shall be required to verify the signature of the absentee voter by comparison with the signature on the official registration record card. The clerk also shall reasonably ascertain the identity of such applicant, shall verify that each such applicant is a registered voter, and shall verify the precinct in which he or she is registered and the proper ballots of the political subdivisions in which the applicant resides and is entitled to vote, prior to providing any absentee ballot to such applicant. The clerk shall verify the applicant's registration and from the most recent poll list provided by the county clerk, and if the applicant is not listed on that poll list then by telephoning the office of the county clerk.

[May 30, 2012]

Absentee voting procedures in the office of the municipal, township and road district clerks shall be subject to all of the applicable provisions of this Article 19. Pollwatchers may be appointed to observe in-person absentee voting procedures and view all reasonably requested records relating to the conduct of the election, provided the secrecy of the ballot is not impinged, at the office of the municipal, township or road district clerks' offices where such absentee voting is conducted. Such pollwatchers shall qualify and be appointed in the same manner as provided in Sections 7-34 and 17-23, except each candidate, political party or organization of citizens may appoint only one pollwatcher for each location where in-person absentee voting is conducted. Pollwatchers must be registered to vote in Illinois and possess valid pollwatcher credentials. All requirements in this Article applicable to election authorities shall apply to the respective local clerks, except where inconsistent with this Section.

The sealed absentee ballots in their carrier envelope shall be delivered by the respective clerks, or by the election authority on behalf of a clerk if the clerk and the election authority agree, to the election authority's central ballot counting location before the close of the polls on the day of the general primary, consolidated primary, consolidated, or general election.

Not more than 23 days before the general and consolidated elections, the county clerk shall make available to those municipal, township and road district clerks conducting in-person absentee voting within such county, a sufficient number of applications, absentee ballots, envelopes, and printed voting instruction slips for use by absentee voters in the offices of such clerks. The respective clerks shall receipt for all ballots received, shall return all unused or spoiled ballots to the county clerk on the day of the election and shall strictly account for all ballots received.

The ballots delivered to the respective clerks shall include absentee ballots for each precinct in the municipality, township or road district, or shall include such separate ballots for each political subdivision conducting an election of officers or a referendum on that election day as will permit any resident of the municipality, township or road district to vote absentee in the office of the proper clerk.

The clerks of all municipalities, townships and road districts may distribute applications for absentee ballot for the use of voters who wish to mail such applications to the appropriate election authority. Any person may produce, reproduce, distribute, or return to an election authority the application for absentee ballot. Upon receipt, the appropriate election authority shall accept and promptly process any application for absentee ballot.

(10 ILCS 5/24C-12)

Sec. 24C-12. Procedures for Counting and Tallying of Ballots. In an election jurisdiction where a Direct Recording Electronic Voting System is used, the following procedures for counting and tallying the ballots shall apply:

Before the opening of the polls, the judges of elections shall assemble the voting equipment and devices and turn the equipment on. The judges shall, if necessary, take steps to activate the voting devices and counting equipment by inserting into the equipment and voting devices appropriate data cards containing passwords and data codes that will select the proper ballot formats selected for that polling place and that will prevent inadvertent or unauthorized activation of the poll-opening function. Before voting begins and before ballots are entered into the voting devices, the judges of election shall cause to be printed a record of the following: the election's identification data, the device's unit identification, the ballot's format identification, the contents of each active candidate register by office and of each active public question register showing that they contain all zero votes, all ballot fields that can be used to invoke special voting options, and other information needed to ensure the readiness of the equipment and to accommodate administrative reporting requirements. The judges must also check to be sure that the totals are all zeros in the counting columns and in the public counter affixed to the voting devices.

After the judges have determined that a person is qualified to vote, a voting device with the proper ballot to which the voter is entitled shall be enabled to be used by the voter. The ballot may then be cast by the voter by marking by appropriate means the designated area of the ballot for the casting of a vote for any candidate or for or against any public question. The voter shall be able to vote for any and all candidates and public measures appearing on the ballot in any legal number and combination and the voter shall be able to delete, change or correct his or her selections before the ballot is cast. The voter shall be able to select candidates whose names do not appear upon the ballot for any office by entering electronically as many names of candidates as the voter is entitled to select for each office.

Upon completing his or her selection of candidates or public questions, the voter shall signify that voting has been completed by activating the appropriate button, switch or active area of the ballot screen associated with end of voting. Upon activation, the voting system shall record an image of the completed ballot, increment the proper ballot position registers, and shall signify to the voter that the ballot has been cast. Upon activation, the voting system shall also print a permanent paper record of each ballot cast as defined in Section 24C-2 of this Code. This permanent paper record shall (i) be printed in a clear, readily readable format that can be easily reviewed by the voter for completeness and accuracy and (ii) either be self-contained within the voting device or be deposited by the voter into a secure ballot box. No permanent paper record shall be removed from the polling place except by election officials as authorized by this Article. All permanent paper records shall be preserved and secured by election officials in the same manner as paper ballots and shall be available as an official record for any recount, redundant count, or verification or retabulation of the vote count conducted with respect to any election in which the voting system is used. The voter shall exit the voting station and the voting system shall prevent any further attempt to vote until it has been properly re-activated. If a voting device has been

enabled for voting but the voter leaves the polling place without casting a ballot, 2 judges of election, one from each of the 2 major political parties, shall spoil the ballot.

Throughout the election day and before the closing of the polls, no person may check any vote totals for any candidate or public question on the voting or counting equipment. Such equipment shall be programmed so that no person may reset the equipment for reentry of ballots unless provided the proper code from an authorized representative of the election authority.

The precinct judges of election shall check the public register to determine whether the number of ballots counted by the voting equipment agrees with the number of voters voting as shown by the applications for ballot. If the same do not agree, the judges of election shall immediately contact the offices of the election authority in charge of the election for further instructions. If the number of ballots counted by the voting equipment agrees with the number of voters voting as shown by the application for ballot, the number shall be listed on the "Statement of Ballots" form provided by the election authority.

The totals for all candidates and propositions shall be tabulated. One copy of an "In-Precinct Totals Report" shall be generated by the automatic tabulating equipment for return to the election authority. One copy of an "In-Precinct Totals Report" shall be generated and posted in a conspicuous place inside the polling place, provided that any authorized pollwatcher or other official authorized to be present in the polling place to observe the counting of ballots is present. The judges of election shall provide, if requested, a set for each authorized pollwatcher or other official authorized to be present in the polling place to observe the counting of ballots. In addition, sufficient time shall be provided by the judges of election to the pollwatchers to allow them to copy information from the copy which has been posted.

Until December 31, ~~2015~~ ~~2014~~, in elections at which fractional cumulative votes are cast for candidates, the tabulation of those fractional cumulative votes may be made by the election authority at its central office location, and 4 copies of a "Certificate of Results" shall be printed by the automatic tabulation equipment and shall be posted in 4 conspicuous places at the central office location where those fractional cumulative votes have been tabulated.

If instructed by the election authority, the judges of election shall cause the tabulated returns to be transmitted electronically to the offices of the election authority via modem or other electronic medium.

The precinct judges of election shall select a bi-partisan team of 2 judges, who shall immediately return the ballots in a sealed container, along with all other election materials and equipment as instructed by the election authority; provided, however, that such container must first be sealed by the election judges with filament tape or other approved sealing devices provided for the purpose in a manner that the ballots cannot be removed from the container without breaking the seal or filament tape and disturbing any signatures affixed by the election judges to the container. The election authority shall keep the office of the election authority, or any receiving stations designated by the authority, open for at least 12 consecutive hours after the polls close or until the ballots and election material and equipment from all precincts within the jurisdiction of the election authority have been returned to the election authority. Ballots and election materials and equipment returned to the office of the election authority which are not signed and sealed as required by law shall not be accepted by the election authority until the judges returning the ballots make and sign the necessary corrections. Upon acceptance of the ballots and election materials and equipment by the election authority, the judges returning the ballots shall take a receipt signed by the election authority and stamped with the time and date of the return. The election judges whose duty it is to return any ballots and election materials and equipment as provided shall, in the event the ballots, materials or equipment cannot be found when needed, on proper request, produce the receipt which they are to take as above provided.

The entry of an order by a circuit court establishing that any person holding a license under this Act is subject to involuntary admission or judicial admission, as provided for in the Mental Health and Developmental Disabilities Code, operates as an automatic suspension of that license. That person may have his or her license restored only upon the determination by a circuit court that the patient is no longer subject to involuntary admission or judicial admission and the issuance of an order so finding and discharging the patient and upon the Board's recommendation to the Department that the license be restored. Where circumstances so indicate, the Board may recommend to the Department that it require an examination prior to restoring a suspended license.

If the Department or Board finds an individual unable to practice because of the reasons set forth in this Section, the Department or Board may require that individual to submit to care, counseling, or treatment by physicians approved or designated by the Department or Board, as a condition, term, or restriction for continued, reinstated, or renewed licensure to practice; or, in lieu of care, counseling, or treatment, the Department may file, or the Board may recommend to the Department to file, a complaint to immediately suspend, revoke, or otherwise discipline the license of the individual. An individual whose license was granted, continued, reinstated, renewed, disciplined or supervised subject to such terms, conditions, or restrictions, and who fails to comply with such terms, conditions, or restrictions, shall be referred to the Secretary for a determination as to whether the individual shall have his or her license suspended immediately, pending a hearing by the Department. In instances in which the Secretary immediately suspends a person's license under this Section, a hearing on that person's license must be convened by the Department within 21 days after the suspension and completed without appreciable delay. The Department and Board shall have the authority to review the subject individual's record of treatment and counseling regarding the impairment to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act and affected under this Section shall be afforded an opportunity to demonstrate to the Department or Board that he or she can resume practice in compliance with acceptable and prevailing standards under the provisions of his or her license.

In enforcing this Section, the Department or Board, upon a showing of a possible violation, may compel an individual licensed to practice under this Act, or who has applied for licensure under this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The Department or Board may order the examining physician to present testimony concerning the mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician. The examining physicians shall be specifically designated by the Board or Department. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of this examination. Failure of an individual to submit to a mental or physical examination when directed shall be grounds for suspension of his or her license until the individual submits to the examination, if the Department finds that, after notice and hearing, the refusal to submit to the examination was without reasonable cause. "Section 5. The Illinois Horse Racing Act of 1975 is amended by changing Sections 9, 15.1, 18, 26, 27, and 28 and by adding Section 26.7 as follows:

(230 ILCS 5/9) (from Ch. 8, par. 37-9)

Sec. 9. The Board shall have all powers necessary and proper to fully and effectively execute the provisions of this Act, including, but not limited to, the following:

(a) The Board is vested with jurisdiction and supervision over all race meetings in this State, over all licensees doing business in this State, over all occupation licensees, and over all persons on the facilities of any licensee. Such jurisdiction shall include the power to issue licenses to the Illinois Department of Agriculture authorizing the pari-mutuel system of wagering on harness and Quarter Horse races held (1) at the Illinois State Fair in Sangamon County, and (2) at the DuQuoin State Fair in Perry County. The jurisdiction of the Board shall also include the power to issue licenses to county fairs which are eligible to receive funds pursuant to the Agricultural Fair Act, as now or hereafter amended, or their agents, authorizing the pari-mutuel system of wagering on horse races conducted at the county fairs receiving such licenses. Such licenses shall be governed by subsection (n) of this Section.

Upon application, the Board shall issue a license to the Illinois Department of Agriculture to conduct harness and Quarter Horse races at the Illinois State Fair and at the DuQuoin State Fairgrounds during the scheduled dates of each fair. The Board shall not require and the Department of Agriculture shall be exempt from the requirements of Sections 15.3, 18 and 19, paragraphs (a)(2), (b), (c), (d), (e), (e-5), (e-10), (f), (g), and (h) of Section 20, and Sections 21, 24 and 25. The Board and the Department of Agriculture may extend any or all of these exemptions to any contractor or agent engaged by the Department of Agriculture to conduct its race meetings when the Board determines that this would best serve the public interest and the interest of horse racing.

Notwithstanding any provision of law to the contrary, it shall be lawful for any licensee to operate pari-mutuel wagering or contract with the Department of Agriculture to operate pari-mutuel wagering at the DuQuoin State Fairgrounds or for the Department to enter into contracts with a licensee, employ its owners, employees or agents and employ such other occupation licensees as the Department deems necessary in connection with race meetings and wagerings.

(b) The Board is vested with the full power to promulgate reasonable rules and regulations for the purpose of administering the provisions of this Act and to prescribe reasonable rules, regulations and conditions under which all horse race meetings or wagering in the State shall be conducted. Such reasonable rules and regulations are to provide for the prevention of practices detrimental to the public interest and to promote the best interests of horse racing and to impose penalties for violations thereof.

(c) The Board, and any person or persons to whom it delegates this power, is vested with the power to

[May 30, 2012]

enter the facilities and other places of business of any licensee to determine whether there has been compliance with the provisions of this Act and its rules and regulations.

(d) The Board, and any person or persons to whom it delegates this power, is vested with the authority to investigate alleged violations of the provisions of this Act, its reasonable rules and regulations, orders and final decisions; the Board shall take appropriate disciplinary action against any licensee or occupation licensee for violation thereof or institute appropriate legal action for the enforcement thereof.

(e) The Board, and any person or persons to whom it delegates this power, may eject or exclude from any race meeting or the facilities of any licensee, or any part thereof, any occupation licensee or any other individual whose conduct or reputation is such that his presence on those facilities may, in the opinion of the Board, call into question the honesty and integrity of horse racing or wagering or interfere with the orderly conduct of horse racing or wagering; provided, however, that no person shall be excluded or ejected from the facilities of any licensee solely on the grounds of race, color, creed, national origin, ancestry, or sex. The power to eject or exclude an occupation licensee or other individual may be exercised for just cause by the licensee or the Board, subject to subsequent hearing by the Board as to the propriety of said exclusion.

(f) The Board is vested with the power to acquire, establish, maintain and operate (or provide by contract to maintain and operate) testing laboratories and related facilities, for the purpose of conducting saliva, blood, urine and other tests on the horses run or to be run in any horse race meeting and to purchase all equipment and supplies deemed necessary or desirable in connection with any such testing laboratories and related facilities and all such tests.

(g) The Board may require that the records, including financial or other statements of any licensee or any person affiliated with the licensee who is involved directly or indirectly in the activities of any licensee as regulated under this Act to the extent that those financial or other statements relate to such activities be kept in such manner as prescribed by the Board, and that Board employees shall have access to those records during reasonable business hours. Within 120 days of the end of its fiscal year, each licensee shall transmit to the Board an audit of the financial transactions and condition of the licensee's total operations. All audits shall be conducted by certified public accountants. Each certified public accountant must be registered in the State of Illinois under the Illinois Public Accounting Act. The compensation for each certified public accountant shall be paid directly by the licensee to the certified public accountant. A licensee shall also submit any other financial or related information the Board deems necessary to effectively administer this Act and all rules, regulations, and final decisions promulgated under this Act.

(h) The Board shall name and appoint in the manner provided by the rules and regulations of the Board: an Executive Director; a State director of mutuels; State veterinarians and representatives to take saliva, blood, urine and other tests on horses; licensing personnel; revenue inspectors; and State seasonal employees (excluding admission ticket sellers and mutuel clerks). All of those named and appointed as provided in this subsection shall serve during the pleasure of the Board; their compensation shall be determined by the Board and be paid in the same manner as other employees of the Board under this Act.

(i) The Board shall require that there shall be 3 stewards at each horse race meeting, at least 2 of whom shall be named and appointed by the Board. Stewards appointed or approved by the Board, while performing duties required by this Act or by the Board, shall be entitled to the same rights and immunities as granted to Board members and Board employees in Section 10 of this Act.

(j) The Board may discharge any Board employee who fails or refuses for any reason to comply with the rules and regulations of the Board, or who, in the opinion of the Board, is guilty of fraud, dishonesty or who is proven to be incompetent. The Board shall have no right or power to determine who shall be officers, directors or employees of any licensee, or their salaries except the Board may, by rule, require that all or any officials or employees in charge of or whose duties relate to the actual running of races be approved by the Board.

(k) The Board is vested with the power to appoint delegates to execute any of the powers granted to it under this Section for the purpose of administering this Act and any rules or regulations promulgated in accordance with this Act.

(l) The Board is vested with the power to impose civil penalties of up to \$5,000 against an individual and up to \$10,000 against a licensee for each violation of any provision of this Act, any rules adopted by the Board, any order of the Board or any other action which, in the Board's discretion, is a detriment or impediment to horse racing or wagering. All such civil penalties shall be deposited into the Horse Racing Fund.

(m) The Board is vested with the power to prescribe a form to be used by licensees as an application for employment for employees of each licensee.

(n) The Board shall have the power to issue a license to any county fair, or its agent, authorizing the conduct of the pari-mutuel system of wagering. The Board is vested with the full power to promulgate reasonable rules, regulations and conditions under which all horse race meetings licensed pursuant to this subsection shall be held and conducted, including rules, regulations and conditions for the conduct of the pari-mutuel system of wagering. The rules, regulations and conditions shall provide for the prevention of practices detrimental to the public interest and for the best interests of horse racing, and shall prescribe penalties for violations thereof. Any authority granted the Board under this Act shall extend to its jurisdiction and supervision over county fairs, or their agents, licensed pursuant to this subsection. However, the Board may waive any provision of this Act or its rules or regulations which would otherwise apply to such county fairs or their agents.

(o) Whenever the Board is authorized or required by law to consider some aspect of criminal history record information for the purpose of carrying out its statutory powers and responsibilities, then, upon request and payment of fees in conformance with the requirements of Section 2605-400 of the Department of State Police Law (20 ILCS 2605/2605-400), the Department of State Police is authorized to furnish, pursuant to positive identification, such information contained in State files as is necessary to fulfill the request.

Each licensee may retain, subject to the payment of all applicable taxes and purses, an amount not to exceed 17% of all money wagered under subsection (a) of this Section, except as may otherwise

be permitted under this Act.

(b-5) An individual may place a wager under the pari-mutuel system from any licensed location authorized under this Act provided that wager is electronically recorded in the manner described in Section 3.12 of this Act. Any wager made electronically by an individual while physically on the premises of a licensee shall be deemed to have been made at the premises of that licensee.

(c) Until January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be paid to the Illinois Veterans' Rehabilitation Fund of the State treasury, except as provided in subsection (g) of Section 27 of this Act.

(c-5) Beginning January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be evenly distributed to the purse account of the organization licensee and the organization licensee.

(d) A pari-mutuel ticket shall be honored until December 31 of the next calendar year, and the licensee shall pay the same and may charge the amount thereof against unpaid money similarly accumulated on account of pari-mutuel tickets not presented for payment.

(e) No licensee shall knowingly permit any minor, other than an employee of such licensee or an owner, trainer, jockey, driver, or employee thereof, to be admitted during a racing program unless accompanied by a parent or guardian, or any minor to be a patron of the pari-mutuel system of wagering conducted or supervised by it. The admission of any unaccompanied minor, other than an employee of the licensee or an owner, trainer, jockey, driver, or employee thereof at a race track is a Class C misdemeanor.

(f) Notwithstanding the other provisions of this Act, an organization licensee may contract with an entity in another state or country to permit any legal wagering entity in another state or country to accept wagers solely within such other state or country on races conducted by the organization licensee in this State. Beginning January 1, 2000, these wagers shall not be subject to State taxation. Until January 1, 2000, when the out-of-State entity conducts a pari-mutuel pool separate from the organization licensee, a privilege tax equal to 7 1/2% of all monies received by the organization licensee from entities in other states or countries pursuant to such contracts is imposed on the organization licensee, and such privilege tax shall be remitted to the Department of Revenue within 48 hours of receipt of the moneys from the simulcast. When the out-of-State entity conducts a combined pari-mutuel pool with the organization licensee, the tax shall be 10% of all monies received by the organization licensee with 25% of the receipts from this 10% tax to be distributed to the county in which the race was conducted.

An organization licensee may permit one or more of its races to be utilized for pari-mutuel wagering at one or more locations in other states and may transmit audio and visual signals of races the organization licensee conducts to one or more locations outside the State or country and may also permit pari-mutuel pools in other states or countries to be combined with its gross or net wagering pools or with wagering pools established by other states.

(g) A host track may accept interstate simulcast wagers on horse races conducted in other states or countries and shall control the number of signals and types of breeds of racing in its simulcast program, subject to the disapproval of the Board. The Board may prohibit a simulcast program only if it finds that the simulcast program is clearly adverse to the integrity of racing. The host track simulcast program shall include the signal of live racing of all organization licensees. All non-host licensees and advance deposit wagering licensees shall carry the signal of and accept wagers on live racing of all organization licensees. Advance deposit wagering licensees shall not be permitted to accept out-of-state wagers on any Illinois signal provided pursuant to this Section without the approval and consent of the organization licensee providing the signal. Non-host licensees may carry the host track simulcast program and shall accept wagers on all races included as part of the simulcast program upon which wagering is permitted. All organization licensees shall provide their live signal to all advance deposit wagering licensees for a simulcast commission fee not to exceed 6% of the advance deposit wagering licensee's Illinois handle on the organization licensee's signal without prior approval by the Board. The Board may adopt rules under which it may permit simulcast commission fees in excess of 6%. The Board shall adopt rules limiting the interstate commission fees charged to an advance deposit wagering licensee. The Board shall adopt rules regarding advance deposit wagering on interstate simulcast races that shall reflect, among other things, the General Assembly's desire to maximize revenues to the State, horsemen purses, and organizational

licensees. However, organization licensees providing live signals pursuant to the requirements of this subsection (g) may petition the Board to withhold their live signals from an advance deposit wagering licensee if the organization licensee discovers and the Board finds reputable or credible information that the advance deposit wagering licensee is under investigation by another state or federal governmental agency, the advance deposit wagering licensee's license has been suspended in another state, or the advance deposit wagering licensee's license is in revocation proceedings in another state. The organization licensee's provision of their live signal to an advance deposit wagering licensee under this subsection (g) pertains to wagers placed from within Illinois. Advance deposit wagering licensees may place advance deposit wagering terminals at wagering facilities as a convenience to customers. The advance deposit wagering licensee shall not charge or collect any fee from purses for the placement of the advance deposit wagering terminals. The costs and expenses of the host track and non-host licensees associated with interstate simulcast wagering, other than the interstate commission fee, shall be borne by the host track and all non-host licensees incurring these costs. The interstate commission fee shall not exceed 5% of Illinois handle on the interstate simulcast race or races without prior approval of the Board. The Board shall promulgate rules under which it may permit interstate commission fees in excess of 5%. The interstate commission fee and other fees charged by the sending racetrack, including, but not limited to, satellite decoder fees, shall be uniformly applied to the host track and all non-host licensees.

Notwithstanding any other provision of this Act, ~~until May 1, 2013 for a period of 3 years after the effective date of this amendatory Act of the 96th General Assembly~~, an organization licensee may maintain a system whereby advance deposit wagering may take place or an organization licensee, with the consent of the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting, may contract with another person to carry out a system of advance deposit wagering. Such consent may not be unreasonably withheld. All advance deposit wagers placed from within Illinois must be placed through a Board-approved advance deposit wagering licensee; no other entity may accept an advance deposit wager from a person within Illinois. All advance deposit wagering is subject to any rules adopted by the Board. The Board may adopt rules necessary to regulate advance deposit wagering through the use of emergency rulemaking in accordance with Section 5-45 of the Illinois Administrative Procedure Act. The General Assembly finds that the adoption of rules to regulate advance deposit wagering is deemed an emergency and necessary for the public interest, safety, and welfare. An advance deposit wagering licensee may retain all moneys as agreed to by contract with an organization licensee. Any moneys retained by the organization licensee from advance deposit wagering, not including moneys retained by the advance deposit wagering licensee, shall be paid 50% to the organization licensee's purse account and 50% to the organization licensee. If more than one breed races at the same race track facility, then the 50% of the moneys to be paid to an organization licensee's purse account shall be allocated among all organization licensees' purse accounts operating at that race track facility proportionately based on the actual number of host days that the Board grants to that breed at that race track facility in the current calendar year. To the extent any fees from advance deposit wagering conducted in Illinois for wagers in Illinois or other states have been placed in escrow or otherwise withheld from wagers pending a determination of the legality of advance deposit wagering, no action shall be brought to declare such wagers or the disbursement of any fees previously escrowed illegal.

(1) Between the hours of 6:30 a.m. and 6:30 p.m. an intertrack wagering licensee other than the host track may supplement the host track simulcast program with additional simulcast races or race programs, provided that between January 1 and the third Friday in February of any year, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, only thoroughbred races may be used for supplemental interstate simulcast purposes. The Board shall withhold approval for a supplemental interstate simulcast only if it finds that the simulcast is clearly adverse to the integrity of racing. A supplemental interstate simulcast may be transmitted from an intertrack wagering licensee to its affiliated non-host licensees. The interstate commission fee for a supplemental interstate simulcast shall be paid by the non-host licensee and its affiliated non-host licensees receiving the simulcast.

(2) Between the hours of 6:30 p.m. and 6:30 a.m. an intertrack wagering licensee other than the host track may receive supplemental interstate simulcasts only with the consent of the host track, except when the Board finds that the simulcast is clearly adverse to the integrity of racing. Consent granted under this paragraph (2) to any intertrack wagering licensee shall be deemed consent to all non-host licensees. The interstate commission fee for the supplemental interstate simulcast shall be paid by all participating non-host licensees.

(3) Each licensee conducting interstate simulcast wagering may retain, subject to the payment of all applicable taxes and the purses, an amount not to exceed 17% of all money wagered. If

any licensee conducts the pari-mutuel system wagering on races conducted at racetracks in another state or country, each such race or race program shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax of that daily handle as provided in subsection (a) of Section 27. Until January 1, 2000, from the sums permitted to be retained pursuant to this subsection, each intertrack wagering location licensee shall pay 1% of the pari-mutuel handle wagered on simulcast wagering to the Horse Racing Tax Allocation Fund, subject to the provisions of subparagraph (B) of paragraph (11) of subsection (h) of Section 26 of this Act.

(4) A licensee who receives an interstate simulcast may combine its gross or net pools with pools at the sending racetracks pursuant to rules established by the Board. All licensees combining their gross pools at a sending racetrack shall adopt the take-out percentages of the sending racetrack. A licensee may also establish a separate pool and takeout structure for wagering purposes on races conducted at race tracks outside of the State of Illinois. The licensee may permit pari-mutuel wagers placed in other states or countries to be combined with its gross or net wagering pools or other wagering pools.

(5) After the payment of the interstate commission fee (except for the interstate commission fee on a supplemental interstate simulcast, which shall be paid by the host track and by each non-host licensee through the host-track) and all applicable State and local taxes, except as provided in subsection (g) of Section 27 of this Act, the remainder of moneys retained from simulcast wagering pursuant to this subsection (g), and Section 26.2 shall be divided as follows:

(A) For interstate simulcast wagers made at a host track, 50% to the host track and 50% to purses at the host track.

(B) For wagers placed on interstate simulcast races, supplemental simulcasts as defined in subparagraphs (1) and (2), and separately pooled races conducted outside of the State of Illinois made at a non-host licensee, 25% to the host track, 25% to the non-host licensee, and 50% to the purses at the host track.

(6) Notwithstanding any provision in this Act to the contrary, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River may receive supplemental interstate simulcast races at all times subject to Board approval, which shall be withheld only upon a finding that a supplemental interstate simulcast is clearly adverse to the integrity of racing.

(7) Notwithstanding any provision of this Act to the contrary, after payment of all applicable State and local taxes and interstate commission fees, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain 50% of the retention from interstate simulcast wagers and shall pay 50% to purses at the track from which the non-host licensee derives its license as follows:

(A) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, when the interstate simulcast is a standardbred race, the purse share to its standardbred purse account;

(B) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, and the interstate simulcast is a thoroughbred race, the purse share to its interstate simulcast purse pool to be distributed under paragraph (10) of this subsection (g);

(C) Between January 1 and the third Friday in February, inclusive, if live thoroughbred racing is occurring in Illinois, between 6:30 a.m. and 6:30 p.m. the purse share from wagers made during this time period to its thoroughbred purse account and between 6:30 p.m. and 6:30 a.m. the purse share from wagers made during this time period to its standardbred purse accounts;

(D) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 a.m. and 6:30 p.m., the purse share to its thoroughbred purse account;

(E) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 p.m. and 6:30 a.m., the purse share to its standardbred purse account.

(7.1) Notwithstanding any other provision of this Act to the contrary, if no standardbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during that calendar year shall be paid as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the

Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be paid to its thoroughbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund and shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. The moneys deposited into the Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with other moneys paid into that Fund. The moneys deposited pursuant to this subparagraph (B) shall be allocated as provided by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board.

(7.2) Notwithstanding any other provision of this Act to the contrary, if no thoroughbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 a.m. and 6:30 p.m. during that calendar year shall be deposited as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be deposited into its standardbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund. Moneys deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be paid to Illinois conceived and foaled thoroughbred breeders' programs and to thoroughbred purses for races conducted at any county fairgrounds for Illinois conceived and foaled horses at the discretion of the Department of Agriculture, with the advice and assistance of the Illinois Thoroughbred Breeders Fund Advisory Board. The moneys deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to thoroughbred purses under this Act, and shall not be commingled with other moneys deposited into that Fund.

(7.3) If no live standardbred racing is conducted at a racetrack located in Madison County in calendar year 2000 or 2001, an organization licensee who is licensed to conduct horse racing at that racetrack shall, before January 1, 2002, pay all moneys derived from simulcast wagering and inter-track wagering in calendar years 2000 and 2001 and paid into the licensee's standardbred purse account as follows:

(A) Eighty percent to that licensee's thoroughbred purse account to be used for thoroughbred purses; and

(B) Twenty percent to the Illinois Colt Stakes Purse Distribution Fund.

Failure to make the payment to the Illinois Colt Stakes Purse Distribution Fund before January 1, 2002 shall result in the immediate revocation of the licensee's organization license, inter-track wagering license, and inter-track wagering location license.

Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be used as determined by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with any other moneys paid into that Fund.

(7.4) If live standardbred racing is conducted at a racetrack located in Madison County at any time in calendar year 2001 before the payment required under paragraph (7.3) has been made, the organization licensee who is licensed to conduct racing at that racetrack shall pay all moneys derived by that racetrack from simulcast wagering and inter-track wagering during calendar years 2000 and 2001 that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during 2000 or 2001 to the standardbred purse account at that racetrack to be used for standardbred purses.

(8) Notwithstanding any provision in this Act to the contrary, an organization licensee from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River and its affiliated non-host licensees shall not be entitled to share in any retention generated on racing, inter-track wagering, or simulcast wagering at any other Illinois wagering facility.

(8.1) Notwithstanding any provisions in this Act to the contrary, if 2 organization

licensees are conducting standardbred race meetings concurrently between the hours of 6:30 p.m. and 6:30 a.m., after payment of all applicable State and local taxes and interstate commission fees, the remainder of the amount retained from simulcast wagering otherwise attributable to the host track and to host track purses shall be split daily between the 2 organization licensees and the purses at the tracks of the 2 organization licensees, respectively, based on each organization licensee's share of the total live handle for that day, provided that this provision shall not apply to any non-host licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River.

(9) (Blank).

(10) (Blank).

(11) (Blank).

(12) The Board shall have authority to compel all host tracks to receive the simulcast of any or all races conducted at the Springfield or DuQuoin State fairgrounds and include all such races as part of their simulcast programs.

(13) Notwithstanding any other provision of this Act, in the event that the total Illinois pari-mutuel handle on Illinois horse races at all wagering facilities in any calendar year is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at all such wagering facilities for calendar year 1994, then each wagering facility that has an annual total Illinois pari-mutuel handle on Illinois horse races that is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at such wagering facility for calendar year 1994, shall be permitted to receive, from any amount otherwise payable to the purse account at the race track with which the wagering facility is affiliated in the succeeding calendar year, an amount equal to 2% of the differential in total Illinois pari-mutuel handle on Illinois horse races at the wagering facility between that calendar year in question and 1994 provided, however, that a wagering facility shall not be entitled to any such payment until the Board certifies in writing to the wagering facility the amount to which the wagering facility is entitled and a schedule for payment of the amount to the wagering facility, based on: (i) the racing dates awarded to the race track affiliated with the wagering facility during the succeeding year; (ii) the sums available or anticipated to be available in the purse account of the race track affiliated with the wagering facility for purses during the succeeding year; and (iii) the need to ensure reasonable purse levels during the payment period. The Board's certification shall be provided no later than January 31 of the succeeding year. In the event a wagering facility entitled to a payment under this paragraph (13) is affiliated with a race track that maintains purse accounts for both standardbred and thoroughbred racing, the amount to be paid to the wagering facility shall be divided between each purse account pro rata, based on the amount of Illinois handle on Illinois standardbred and thoroughbred racing respectively at the wagering facility during the previous calendar year. Annually, the General Assembly shall appropriate sufficient funds from the General Revenue Fund to the Department of Agriculture for payment into the thoroughbred and standardbred horse racing purse accounts at Illinois pari-mutuel tracks. The amount paid to each purse account shall be the amount certified by the Illinois Racing Board in January to be transferred from each account to each eligible racing facility in accordance with the provisions of this Section.

(h) The Board may approve and license the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees subject to the following terms and conditions:

(1) Any person licensed to conduct a race meeting (i) at a track where 60 or more days of racing were conducted during the immediately preceding calendar year or where over the 5 immediately preceding calendar years an average of 30 or more days of racing were conducted annually may be issued an inter-track wagering license; (ii) at a track located in a county that is bounded by the Mississippi River, which has a population of less than 150,000 according to the 1990 decennial census, and an average of at least 60 days of racing per year between 1985 and 1993 may be issued an inter-track wagering license; or (iii) at a track located in Madison County that conducted at least 100 days of live racing during the immediately preceding calendar year may be issued an inter-track wagering license, unless a lesser schedule of live racing is the result of (A) weather, unsafe track conditions, or other acts of God; (B) an agreement between the organization licensee and the associations representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting; or (C) a finding by the Board of extraordinary circumstances and that it was in the best interest of the public and the sport to conduct fewer than 100 days of live racing. Any such person having operating control of the racing facility may also receive up to 6 inter-track wagering location licenses. In no event shall more than 6 inter-track wagering locations be established for each eligible race track, except that an eligible race track

located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River may establish up to 7 inter-track wagering locations. An application for said license shall be filed with the Board prior to such dates as may be fixed by the Board. With an application for an inter-track wagering location license there shall be delivered to the Board a certified check or bank draft payable to the order of the Board for an amount equal to \$500. The application shall be on forms prescribed and furnished by the Board. The application shall comply with all other rules, regulations and conditions imposed by the Board in connection therewith.

(2) The Board shall examine the applications with respect to their conformity with this Act and the rules and regulations imposed by the Board. If found to be in compliance with the Act and rules and regulations of the Board, the Board may then issue a license to conduct inter-track wagering and simulcast wagering to such applicant. All such applications shall be acted upon by the Board at a meeting to be held on such date as may be fixed by the Board.

(3) In granting licenses to conduct inter-track wagering and simulcast wagering, the Board shall give due consideration to the best interests of the public, of horse racing, and of maximizing revenue to the State.

(4) Prior to the issuance of a license to conduct inter-track wagering and simulcast wagering, the applicant shall file with the Board a bond payable to the State of Illinois in the sum of \$50,000, executed by the applicant and a surety company or companies authorized to do business in this State, and conditioned upon (i) the payment by the licensee of all taxes due under Section 27 or 27.1 and any other monies due and payable under this Act, and (ii) distribution by the licensee, upon presentation of the winning ticket or tickets, of all sums payable to the patrons of pari-mutuel pools.

(5) Each license to conduct inter-track wagering and simulcast wagering shall specify the person to whom it is issued, the dates on which such wagering is permitted, and the track or location where the wagering is to be conducted.

(6) All wagering under such license is subject to this Act and to the rules and regulations from time to time prescribed by the Board, and every such license issued by the Board shall contain a recital to that effect.

(7) An inter-track wagering licensee or inter-track wagering location licensee may accept wagers at the track or location where it is licensed, or as otherwise provided under this Act.

(8) Inter-track wagering or simulcast wagering shall not be conducted at any track less than 5 miles from a track at which a racing meeting is in progress.

(8.1) Inter-track wagering location licensees who derive their licenses from a particular organization licensee shall conduct inter-track wagering and simulcast wagering only at locations which are either within 90 miles of that race track where the particular organization licensee is licensed to conduct racing, or within 135 miles of that race track where the particular organization licensee is licensed to conduct racing in the case of race tracks in counties of less than 400,000 that were operating on or before June 1, 1986. However, inter-track wagering and simulcast wagering shall not be conducted by those licensees at any location within 5 miles of any race track at which a horse race meeting has been licensed in the current year, unless the person having operating control of such race track has given its written consent to such inter-track wagering location licensees, which consent must be filed with the Board at or prior to the time application is made.

(8.2) Inter-track wagering or simulcast wagering shall not be conducted by an inter-track wagering location licensee at any location within 500 feet of an existing church or existing school, nor within 500 feet of the residences of more than 50 registered voters without receiving written permission from a majority of the registered voters at such residences. Such written permission statements shall be filed with the Board. The distance of 500 feet shall be measured to the nearest part of any building used for worship services, education programs, residential purposes, or conducting inter-track wagering by an inter-track wagering location licensee, and not to property boundaries. However, inter-track wagering or simulcast wagering may be conducted at a site within 500 feet of a church, school or residences of 50 or more registered voters if such church, school or residences have been erected or established, or such voters have been registered, after the Board issues the original inter-track wagering location license at the site in question. Inter-track wagering location licensees may conduct inter-track wagering and simulcast wagering only in areas that are zoned for commercial or manufacturing purposes or in areas for which a special use has been approved by the local zoning authority. However, no license to conduct inter-track wagering and simulcast wagering shall be granted by the Board with respect to any inter-track wagering location within the jurisdiction of any local zoning authority which has, by ordinance or by resolution, prohibited the establishment of an inter-track wagering location within its jurisdiction. However, inter-track wagering and simulcast wagering may be conducted at a site if such ordinance or resolution is enacted after the Board licenses

the original inter-track wagering location licensee for the site in question.

(9) (Blank).

(10) An inter-track wagering licensee or an inter-track wagering location licensee may retain, subject to the payment of the privilege taxes and the purses, an amount not to exceed 17% of all money wagered. Each program of racing conducted by each inter-track wagering licensee or inter-track wagering location licensee shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax or pari-mutuel tax on such daily handle as provided in Section 27.

(10.1) Except as provided in subsection (g) of Section 27 of this Act, inter-track wagering location licensees shall pay 1% of the pari-mutuel handle at each location to the municipality in which such location is situated and 1% of the pari-mutuel handle at each location to the county in which such location is situated. In the event that an inter-track wagering location licensee is situated in an unincorporated area of a county, such licensee shall pay 2% of the pari-mutuel handle from such location to such county.

(10.2) Notwithstanding any other provision of this Act, with respect to intertrack wagering at a race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River ("the first race track"), or at a facility operated by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, on races conducted at the first race track or on races conducted at another Illinois race track and simultaneously televised to the first race track or to a facility operated by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, those moneys shall be allocated as follows:

(A) That portion of all moneys wagered on standardbred racing that is required under this Act to be paid to purses shall be paid to purses for standardbred races.

(B) That portion of all moneys wagered on thoroughbred racing that is required under this Act to be paid to purses shall be paid to purses for thoroughbred races.

(11) (A) After payment of the privilege or pari-mutuel tax, any other applicable taxes, and the costs and expenses in connection with the gathering, transmission, and dissemination of all data necessary to the conduct of inter-track wagering, the remainder of the monies retained under either Section 26 or Section 26.2 of this Act by the inter-track wagering licensee on inter-track wagering shall be allocated with 50% to be split between the 2 participating licensees and 50% to purses, except that an intertrack wagering licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the Illinois organization licensee that provides the race or races, and an intertrack wagering licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with that organization licensee.

The remainder of the monies retained by the inter-track wagering location licensee shall be allocated 40% to the location licensee and 60% to the organization licensee which provides the Illinois races to the location, except that an intertrack wagering location licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee that provides the race or races and an intertrack wagering location licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee. (D) Except as provided in paragraph (11) of this subsection (h), with respect to purse allocation from intertrack wagering, the monies so retained shall be divided as follows:

(i) If the inter-track wagering licensee, except an intertrack wagering licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is not conducting its own race meeting during the same dates, then the entire purse allocation shall be to purses at the track where the races wagered on are being conducted.

(ii) If the inter-track wagering licensee, except an intertrack wagering licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is also conducting its own race meeting during the same dates, then the purse allocation shall be as follows: 50% to purses at the track where the races wagered on are being conducted; 50% to purses at the track where the inter-track wagering licensee is accepting such wagers.

(12) The Board shall have all powers necessary and proper to fully supervise and control the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees, including, but not limited to the following:

(A) The Board is vested with power to promulgate reasonable rules and regulations for the purpose of administering the conduct of this wagering and to prescribe reasonable rules, regulations and conditions under which such wagering shall be held and conducted. Such rules and regulations are to provide for the prevention of practices detrimental to the public interest and for the best interests of said wagering and to impose penalties for violations thereof.

(B) The Board, and any person or persons to whom it delegates this power, is vested with the power to enter the facilities of any licensee to determine whether there has been compliance with the provisions of this Act and the rules and regulations relating to the conduct of such wagering.

(C) The Board, and any person or persons to whom it delegates this power, may eject or exclude from any licensee's facilities, any person whose conduct or reputation is such that his presence on such premises may, in the opinion of the Board, call into the question the honesty and integrity of, or interfere with the orderly conduct of such wagering; provided, however, that no person shall be excluded or ejected from such premises solely on the grounds of race, color, creed, national origin, ancestry, or sex.

(D) (Blank).

(E) The Board is vested with the power to appoint delegates to execute any of the powers granted to it under this Section for the purpose of administering this wagering and any rules and regulations promulgated in accordance with this Act.

Such agreement shall specify the races of the Department of Agriculture's licensed race meeting upon which the licensees will conduct wagering. In the event that a licensee conducts inter-track pari-mutuel wagering on races from the Illinois State Fair or DuQuoin State Fair which are in addition to the licensee's previously approved racing program, those races shall be considered a separate racing day for the purpose of determining the daily handle

and computing the privilege or pari-mutuel tax on that daily handle as provided in Sections 27 and 27.1. Such agreements shall be approved by the Board before such wagering may be conducted. In determining whether to grant approval, the Board shall give due consideration to the best interests of the public and of horse racing. The provisions of paragraphs (1), (8), (8.1), and (8.2) of subsection (h) of this Section which are not specified in this paragraph (13) shall not apply to licensed race meetings conducted by the Department of Agriculture at the Illinois State Fair in Sangamon County or the DuQuoin State Fair in Perry County, or to any wagering conducted on those race meetings.

Beginning on the effective date of this amendatory Act of the 96th General Assembly and until moneys deposited pursuant to Section 54 are distributed and received, a pari-mutuel tax at the rate of 0.75% of the daily pari-mutuel handle is imposed at a pari-mutuel facility whose license is derived from a track located in a county that borders the Mississippi River and conducted live racing in the previous year. Upon reaching the 1994 level, and until the excess amount of taxes and fees exceeds \$11 million, the Board shall direct all licensees to cease paying the subject taxes and fees and the Board shall direct all licensees to allocate any such excess amount for purses as follows:

(i) the excess amount shall be initially divided between thoroughbred and standardbred purses based on the thoroughbred's and standardbred's respective percentages of total Illinois live wagering in calendar year 1994;

To the extent the excess amount of taxes and fees to be collected and distributed to State and local governmental authorities exceeds \$11 million, that excess amount shall be collected and distributed to State and local authorities as provided for under this Act.

An entity that furnishes the service of charging electric vehicles does not and shall not be deemed to sell electricity and is not and shall not be deemed an alternative retail electric supplier, and is not subject to regulation as such under this Act notwithstanding the basis on which the service is provided or billed. If, however, the entity is otherwise deemed an alternative retail electric supplier under this Act, or is otherwise subject to regulation under this Act, then that entity is not exempt from and remains subject to the otherwise applicable provisions of this Act. The installation, maintenance, and repair of an electric vehicle charging station shall comply with the requirements of subsection (a) of Section 16-128 and Section 16-128A of this Act.

"Competitive service" includes (i) any service that has been declared to be competitive pursuant to Section 16-113 of this Act, (ii) contract service, and (iii) services, other than tariffed services, that are related to, but not necessary for, the provision of electric power and energy or delivery services.

"Contract service" means (1) services, including the provision of electric power and energy or other services, that are provided by mutual agreement between an electric utility and a retail customer that is

Provided, however, contract service does not include electric utility services provided pursuant to (i) contracts that retail customers are required to execute as a condition of receiving tariffed services, or (ii) special or negotiated rate contracts for electric utility services that were entered into between an electric utility and a retail customer prior to the effective date of this amendatory Act of 1997 and filed with the Commission.

"Delivery services" means those services provided by the electric utility that are necessary in order for the transmission and distribution systems to function so that retail customers located in the electric utility's service area can receive electric power and energy from suppliers other than the electric utility, and shall include, without limitation, standard metering and billing services.

"Electric utility" means a public utility, as defined in Section 3-105 of this Act, that has a franchise, license, permit or right to furnish or sell electricity to retail customers within a service area.

"Service area" means (i) the geographic area within which an electric utility was lawfully entitled to provide electric power and energy to retail customers as of the effective date of this amendatory Act of 1997, and includes (ii) the location of any retail customer to which the electric utility was lawfully providing electric utility services on such effective date.

"Small commercial retail customer" means those nonresidential retail customers of an electric utility consuming 15,000 kilowatt-hours or less of electricity annually in its service area.

"Tariffed service" means services provided to retail customers by an electric utility as defined by its rates on file with the Commission pursuant to the provisions of Article IX of this Act, but shall not include competitive services.

"Transition charge" means a charge expressed in cents per kilowatt-hour that is calculated for a customer or class of customers as follows for each year in which an electric utility is entitled to recover transition charges as provided in Section 16-108:

(1) the amount of revenue that an electric utility would receive from the retail customer or customers if it were serving such customers' electric power and energy requirements as a tariffed service based on (A) all of the customers' actual usage during the 3 years ending 90 days prior to the date on which such customers were first eligible for delivery services pursuant to Section 16-104, and (B) on (i) the base rates in effect on October 1, 1996 (adjusted for the reductions required by subsection (b) of Section 16-111, for any reduction resulting from a rate decrease under Section 16-101(b), for any restatement of base rates made in conjunction with an elimination of the fuel adjustment clause pursuant to subsection (b), (d), or (f) of Section 9-220 and for any removal of decommissioning costs from base rates pursuant to Section 16-114) and any separate automatic rate adjustment riders (other than a decommissioning rate as defined in Section 16-114) under which the customers were receiving or, had they been customers, would have received electric power and energy from the electric utility during the year immediately preceding the date on which such customers were first eligible for delivery service pursuant to Section 16-104, or (ii) to the extent applicable, any contract rates, including contracts or rates for consolidated or aggregated billing, under which such customers were receiving electric power and energy from the electric utility during such year;

(2) less the amount of revenue, other than revenue from transition charges and decommissioning rates, that the electric utility would receive from such retail customers for delivery

services provided by the electric utility, assuming such customers were taking delivery services for all of their usage, based on the delivery services tariffs in effect during the year for which the transition charge is being calculated and on the usage identified in paragraph (1);

(3) less the market value for the electric power and energy that the electric utility would have used to supply all of such customers' electric power and energy requirements, as a tariffed service, based on the usage identified in paragraph (1), with such market value determined in accordance with Section 16-112 of this Act;

(4) less the following amount which represents the amount to be attributed to new revenue sources and cost reductions by the electric utility through the end of the period for which transition costs are recovered pursuant to Section 16-108, referred to in this Article XVI as a "mitigation factor":

(A) for nonresidential retail customers, an amount equal to the greater of (i) 0.5 cents per kilowatt-hour during the period October 1, 1999 through December 31, 2004, 0.6 cents per kilowatt-hour in calendar year 2005, and 0.9 cents per kilowatt-hour in calendar year 2006, multiplied in each year by the usage identified in paragraph (1), or (ii) an amount equal to the following percentages of the amount produced by applying the applicable base rates (adjusted as described in subparagraph (1)(B)) or contract rate to the usage identified in paragraph (1): 8% for the period October 1, 1999 through December 31, 2002, 10% in calendar years 2003 and 2004, 11% in calendar year 2005 and 12% in calendar year 2006; and

(B) for residential retail customers, an amount equal to the following percentages of the amount produced by applying the base rates in effect on October 1, 1996 (adjusted as described in subparagraph (1)(B)) to the usage identified in paragraph (1): (i) 6% from May 1, 2002 through December 31, 2002, (ii) 7% in calendar years 2003 and 2004, (iii) 8% in calendar year 2005, and (iv) 10% in calendar year 2006;

(5) divided by the usage of such customers identified in paragraph (1),

provided that the transition charge shall never be less than zero.

"Unbundled service" means a component or constituent part of a tariffed service which the electric utility subsequently offers separately to its customers.

Sec. 16-128A. Certification of installers, maintainers, or repairers.

(a) Within 18 months of the effective date of this amendatory Act of the 97th General Assembly, the Commission shall adopt rules, including emergency rules, establishing certification requirements ensuring that entities installing distributed generation facilities are in compliance with the requirements of subsection (a) of Section 16-128 of this Act.

For purposes of this Section, the phrase "entities installing distributed generation facilities" shall include, but not be limited to, all entities that are exempt from the definition of "alternative retail electric supplier" under item (v) of Section 16-102 of this Act. For purposes of this Section, the phrase "self-installer" means an individual who (i) leases or purchases a cogeneration facility for his or her own personal use and (ii) installs such cogeneration or self-generation facility on his or her own premises without the assistance of any other person.

(b) In addition to any authority granted to the Commission under this Act, the Commission is also authorized to: (1) determine which entities are subject to certification under this Section; (2) impose reasonable certification fees and penalties; (3) adopt disciplinary procedures; (4) investigate any and all activities subject to this Section, including violations thereof; (5) adopt procedures to issue or renew, or to refuse to issue or renew, a certification or to revoke, suspend, place on probation, reprimand, or otherwise discipline a certified entity under this Act or take other enforcement action against an entity subject to this Section; and (6) prescribe forms to be issued for the administration and enforcement of this Section.

(c) No electric utility shall provide a retail customer with net metering service related to interconnection of that customer's distributed generation facility unless the customer provides the electric utility with (i) a certification that the customer installing the distributed generation facility was a self-installer or (ii) evidence that the distributed generation facility was installed by an entity certified under this Section that is also in good standing with the Commission. For purposes of this subsection, a retail customer includes that customer's employees, officers, and agents. An electric utility shall file a tariff or tariffs with the Commission setting forth the documentation, as specified by Commission rule, that a retail customer must provide to an electric utility. The provisions of this subsection (c) shall apply on or after the effective date of the Commission's rules prescribed pursuant to subsection (a) of this Section.

(d) Within 180 days after the effective date of this amendatory Act of the 97th General Assembly, the

Commission shall initiate a rulemaking proceeding to establish certification requirements that shall be applicable to persons or entities ~~vendors~~ that install, maintain, or repair electric vehicle charging stations. The notification and certification requirements of this Section shall only be applicable to individuals or entities that perform work on or within an electric vehicle charging station, including, but not limited to, connection of power to an electric vehicle charging station.

For the purposes of this Section "electric vehicle charging station" means any facility or equipment that is used to charge a battery or other energy storage device of an electric vehicle.

Rules regulating the installation, maintenance, or repair of electric vehicle charging stations, in which the Commission may establish separate requirements based upon the characteristics of electric vehicle charging stations, so long as it is in accordance with the requirements of subsection (a) of Section 16-128 and Section 16-128A of this Act, shall:

(1) establish a certification process for persons or entities that install, maintain, or repair of electric vehicle charging stations;

(2) require persons or entities that install, maintain, or repair electric vehicle stations to be certified to do business and to be bonded in the State;

(3) ensure that persons or entities that install, maintain, or repair electric vehicle charging stations have the requisite knowledge, skills, training, experience, and competence to perform functions in a safe and reliable manner as required under subsection (a) of Section 16-128 of this Act;

(4) impose reasonable certification fees and penalties on persons or entities that install, maintain, or repair of electric vehicle charging stations for noncompliance of the rules adopted under this subsection;

(5) ensure that all persons or entities that install, maintain, or repair electric vehicle charging stations conform to applicable building and electrical codes;

(6) ensure that all electric vehicle charging stations meet recognized industry standards as the Commission deems appropriate, such as the National Electric Code (NEC) and standards developed or created by the Institute of Electrical and Electronics Engineers (IEEE), the Electric Power Research Institute (EPRI), the Detroit Edison Institute (DTE), the Underwriters Laboratory (UL), the Society of Automotive Engineers (SAE), and the National Institute of Standards and Technology (NIST);

(7) include any additional requirements that the Commission deems reasonable to ensure that persons or entities that install, maintain, or repair electric vehicle charging stations meet adequate training, financial, and competency requirements;

(8) ensure that the obligations required under this Section and subsection (a) of Section 16-128 of this Act are met prior to the interconnection of any electric vehicle charging station;

(9) ensure electric vehicle charging stations installed by a self-installer are not used for any commercial purpose;

(10) establish an inspection procedure for the conversion of electric vehicle charging stations installed by a self-installer if it is determined that the self-installed electric vehicle charging station is being used for commercial purposes;

(11) establish the requirement that all persons or entities that install electric vehicle charging stations shall notify the servicing electric utility in writing of plans to install an electric vehicle charging station and shall notify the servicing electric utility in writing when installation is complete;

(12) ensure that all persons or entities that install, maintain, or repair electric vehicle charging stations obtain certificates of insurance in sufficient amounts and coverages that the Commission so determines and, if necessary as determined by the Commission, names the affected public utility as an additional insured; and

(13) identify and determine the training or other programs by which persons or entities may obtain the requisite training, skills, or experience necessary to achieve and maintain compliance with the requirements set forth in this subsection and subsection (a) of Section 16-128 to install, maintain, or repair electric vehicle charging stations.

Within 18 months after the effective date of this amendatory Act of the 97th General Assembly, the Commission shall adopt rules, and may, if it deems necessary, adopt emergency rules, for the installation, maintenance, or repair of electric vehicle charging stations.

All retail customers who own, maintain, or repair an electric vehicle charging station shall provide the servicing electric utility (i) a certification that the customer installing the electric vehicle charging station was a self-installer or (ii) evidence that the electric vehicle charging station was installed by an entity certified under this subsection (d) that is also in good standing with the Commission. For purposes of this subsection (d), a retail customer includes that retail customer's employees, officers, and agents. If the electric vehicle charging station was not installed by a self-installer, then the person or entity that plans to install the electric vehicle charging station shall provide notice to the servicing electric utility prior to installation and when installation is complete and provide any other information required by the

Commission's rules established under subsection (d) of this Section. An electric utility shall file a tariff or tariffs with the Commission setting forth the documentation, as specified by Commission rule, that a retail customer who owns, uses, operates, or maintains an electric vehicle charging station must provide to an electric utility.

For the purposes of this subsection, an electric vehicle charging station shall constitute a distribution facility or equipment as that term is used in subsection (a) of Section 16-128 of this Act. The phrase "self-installer" means an individual who (i) leases or purchases an electric vehicle charging station for his or her own personal use and (ii) installs an electric vehicle charging station on his or her own premises without the assistance of any other person.

(e) Fees and penalties collected under this Section shall be deposited into the Public Utility Fund and used to fund the Commission's compliance with the obligations imposed by this Section.

(f) The rules established under subsection (d) of this Section shall specify the initial dates for compliance with the rules.

(g) The certification of persons or entities that install, maintain, or repair distributed generation facilities and electric vehicle charging stations as set forth in this Section is an exclusive power and function of the State. A home rule unit or other units of local government authority may subject persons or entities that install, maintain, or repair distributed generation facilities or electric vehicle charging stations as set forth in this Section to any applicable local licensing, siting, and permitting requirements otherwise permitted under law so long as only Commission-certified persons or entities are authorized to install, maintain, or repair distributed generation facilities or electric vehicle charging stations. This Section is a limitation under subsection (h) of Section 6 of Article VII of the Illinois Constitution on the exercise by home rule units of powers and functions exclusively exercised by the State.

A person who has been designated by the Governor before August 26, 2011 (the effective date of ~~Public Act 97-582~~ this amendatory Act of the 97th General Assembly) to serve as an acting appointee to any office to which appointment requires the advice and consent of the Senate shall not continue in office longer than 60 calendar days after August 26, 2011 ~~that effective date~~ unless the Governor has filed a message with the Secretary of the Senate nominating that person to fill that office on or before that 60 days. After that 60 days, each such office is considered vacant and shall be filled only pursuant to the law applicable to making appointments to that office, subject to the provisions of this Section. No person who has been designated by the Governor to serve as an acting appointee to any office to which appointment requires the advice and consent of the Senate shall, except at the Senate's request, be designated again as an acting appointee for that office at the same session of that Senate, subject to the provisions of this Section.

During the term of a General Assembly, the Governor may not designate a person to serve as an acting appointee to any office to which appointment requires the advice and consent of the Senate if that person's nomination to serve as the appointee for the same office was rejected by the Senate of the same General Assembly.

For the purposes of this subsection (c), "acting appointee" means a person designated by the Governor to serve as an acting director or acting secretary pursuant to Section 5-605 of the Civil Administrative Code of Illinois. "Acting appointee" also means a person designated by the Governor pursuant to any other statute to serve as an acting holder of any office, to execute the duties and functions of any office, or both.

(d) The provisions of this Section apply notwithstanding any law to the contrary. However, the provisions of this Section do not apply to appointments made under Article 1A of the Election Code or to the appointment of any person to serve as Director of the Illinois Power Agency. Senator Raoul offered the following amendment and moved its adoption:

#### AMENDMENT NO. 2 TO HOUSE BILL 1882

AMENDMENT NO. 2. Amend House Bill 1882, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois is amended by adding Sections 605-456, 605-460, and 605-465 as follows:

(20 ILCS 605/605-456 new)

Sec. 605-456. Survey and report on business incentives.

(a) The Department shall contact businesses that are located in the State or have been identified as having left the State. The Department shall request that the business complete a survey, developed by the Department, that includes information regarding (i) why the business left, if applicable, and the location to which the business relocated and (ii) any incentives that are needed to keep and attract the business.

(b) The Department shall compile the results of the surveys and any other relevant information provided to the Department. By each July 1, the Department shall report to the General Assembly upon its compilation of the previous year's survey responses and any of the other relevant information. The report must identify, at a minimum, the most common responses, categorized by industry and region, regarding (i) why businesses left Illinois, (ii) what incentives would have influenced businesses to remain in Illinois, and (iii) to which cities and states the businesses have relocated.

(c) For the purposes of this Section, a business is defined as one that is engaged in interstate or intrastate commerce for the purpose of manufacturing, processing, assembling, warehousing, or distributing products, conducting research and development, providing tourism services, or providing

[May 30, 2012]

services in interstate commerce, office industries, or agricultural processing, but excluding retail, retail food, health, or professional services.

(d) The Department shall adopt rules for the implementation of this Section.

(20 ILCS 605/605-460 new)

Sec. 605-460. Engineering excellence program.

(a) Coordination between engineering schools and private business is an important tool in fostering innovation. Universities have eager students, experienced faculty, and state-of-the-art research facilities. Businesses have existing markets, production capital, and evolving needs. The General Assembly believes that universities and businesses should share resources to allow students to participate in the research and development area of innovative design and to allow businesses to benefit from the developing skills of these students.

(b) In order to facilitate engineering excellence, the Department shall develop a program to achieve the goals set forth in subsection (a). Under this program, the Department must:

(1) Annually contact the State's major public and private universities with engineering schools.

(2) Request a one-page written summary of the internship, externship, or residency programs operated by the engineering college of each of the contacted universities.

(3) Identify the manufacturing businesses within 50 miles of each university that responded under paragraph (2) that could benefit from assistance in the area of innovative design.

(4) Send a letter to each manufacturer identified under paragraph (3), informing it of the university's program and advising the business to contact the university if it wishes to participate in the engineering school's program.

(c) The Department shall adopt rules for the implementation of this Section.

(20 ILCS 605/605-465 new)

Sec. 605-465. Comprehensive website information.

(a) The Department's official website must contain a comprehensive list of State, local, and federal economic benefits available to businesses in each of the State's counties and municipalities that the Department includes on its website. In order to do so:

(1) The Department annually must request a summary of available economic benefits from each of the State's counties and municipalities that are linked to the Department's website.

(2) The information obtained under paragraph (1) must be published on the related web pages of the Department's website.

(3) The Department's website shall also provide information regarding available federal economic benefits to the extent possible.

(b) The Department shall adopt rules for the implementation of this Section.

Section 10. The Corporate Accountability for Tax Expenditures Act is amended by changing Section 25 as follows:

(20 ILCS 715/25)

Sec. 25. Recapture.

(a) All development assistance agreements shall contain, at a minimum, the following recapture provisions:

(1) The recipient must (i) make the level of capital investment in the economic development project specified in the development assistance agreement; (ii) create or retain, or both, the requisite number of jobs, paying not less than specified wages for the created and retained jobs, within and for the duration of the time period specified in the legislation authorizing, or the administrative rules implementing, the development assistance programs and the development assistance agreement.

(2) If the recipient fails to create or retain the requisite number of jobs within and for the time period specified, in the legislation authorizing, or the administrative rules implementing, the development assistance programs and the development assistance agreement, the recipient shall be deemed to no longer qualify for the State economic assistance and the applicable recapture provisions shall take effect.

(3) If the recipient receives State economic assistance in the form of a High Impact Business designation pursuant to Section 5.5 of the Illinois Enterprise Zone Act and the business receives the benefit of the exemption authorized under Section 5I of the Retailers' Occupation Tax Act (for the sale of building materials incorporated into a High Impact Business location) and the recipient fails to create or retain the requisite number of jobs, as determined by the legislation authorizing the development assistance programs or the administrative rules implementing such legislation, or both, within the requisite period of time, the recipient shall be required to pay to the State the full amount of

the State tax exemption that it received as a result of the High Impact Business designation.

(4) If the recipient receives a grant or loan pursuant to the Large Business Development Program, the Business Development Public Infrastructure Program, or the Industrial Training Program and the recipient fails to create or retain the requisite number of jobs for the requisite time period, as provided in the legislation authorizing the development assistance programs or the administrative rules implementing such legislation, or both, or in the development assistance agreement, the recipient shall be required to repay to the State a pro rata amount of the grant; that amount shall reflect the percentage of the deficiency between the requisite number of jobs to be created or retained by the recipient and the actual number of such jobs in existence as of the date the Department determines the recipient is in breach of the job creation or retention covenants contained in the development assistance agreement. If the recipient of development assistance under the Large Business Development Program, the Business Development Public Infrastructure Program, or the Industrial Training Program ceases operations at the specific project site, during the 5-year period commencing on the date of assistance, the recipient shall be required to repay the entire amount of the grant or to accelerate repayment of the loan back to the State.

(5) If the recipient receives a tax credit under the Economic Development for a Growing Economy tax credit program, the development assistance agreement must provide that (i) if the number of new or retained employees falls below the requisite number set forth in the development assistance agreement, the allowance of the credit shall be automatically suspended until the number of new and retained employees equals or exceeds the requisite number in the development assistance agreement; (ii) if the recipient discontinues operations at the specific project site during the 5-year period after the beginning of the first tax year for which the Department issues a tax credit certificate, the recipient shall forfeit all credits taken by the recipient during such 5-year period; and (iii) in the event of a revocation or suspension of the credit, the Department shall contact the Director of Revenue to initiate proceedings against the recipient to recover wrongfully exempted Illinois State income taxes and the recipient shall promptly repay to the Department of Revenue any wrongfully exempted Illinois State income taxes. The forfeited amount of credits shall be deemed assessed on the date the Department contacts the Department of Revenue and the recipient shall promptly repay to the Department of Revenue any wrongfully exempted Illinois State income taxes.

(b) The Director may elect to waive enforcement of any contractual provision arising out of the development assistance agreement required by this Act based on a finding that the waiver is necessary to avert an imminent and demonstrable hardship to the recipient that may result in such recipient's insolvency or discharge of workers. If a waiver is granted, the recipient must agree to a contractual modification, including recapture provisions, to the development assistance agreement. The existence of any waiver granted pursuant to this subsection (c), the date of the granting of such waiver, and a brief summary of the reasons supporting the granting of such waiver shall be disclosed consistent with the provisions of Section 25 of this Act.

(b-5) The Department shall post, on its website, (i) the identity of each recipient from whom amounts were recaptured under this Section on or after the effective date of this amendatory Act of the 97th General Assembly, (ii) the date of the recapture, (iii) a summary of the reasons supporting the recapture, and (iv) the amount recaptured from those recipients.

(c) Beginning June 1, 2004, the Department shall annually compile a report on the outcomes and effectiveness of recapture provisions by program, including but not limited to: (i) the total number of companies that receive development assistance as defined in this Act; (ii) the total number of recipients in violation of development agreements with the Department; (iii) the total number of completed recapture efforts; (iv) the total number of recapture efforts initiated; and (v) the number of waivers granted. This report shall be disclosed consistent with the provisions of Section 20 of this Act.

(d) For the purposes of this Act, recapture provisions do not include the Illinois Department of Transportation Economic Development Program, any grants under the Industrial Training Program that are not given as an incentive to a recipient business organization, or any successor programs as described in the term "development assistance" in Section 5 of this Act.

Section 15. The Energy Assistance Act is amended by changing Section 6 as follows:

(305 ILCS 20/6) (from Ch. 111 2/3, par. 1406)

Sec. 6. Eligibility, Conditions of Participation, and Energy Assistance.

(a) Any person who is a resident of the State of Illinois and whose household income is not greater than an amount determined annually by the Department, in consultation with the Policy Advisory Council, may apply for assistance pursuant to this Act in accordance with regulations promulgated by

the Department. In setting the annual eligibility level, the Department shall consider the amount of available funding and may not set a limit higher than 150% of the federal nonfarm poverty level as established by the federal Office of Management and Budget; except that for the period ending June 30, 2013, 2012, or until the expenditure of federal resources allocated for energy assistance programs by the American Recovery and Reinvestment Act, whichever occurs first, the Department may not establish limits higher than 200% of that poverty level or the maximum level provided for by federal guidelines.

(b) Applicants who qualify for assistance pursuant to subsection (a) of this Section shall, subject to appropriation from the General Assembly and subject to availability of funds to the Department, receive energy assistance as provided by this Act. The Department, upon receipt of monies authorized pursuant to this Act for energy assistance, shall commit funds for each qualified applicant in an amount determined by the Department. In determining the amounts of assistance to be provided to or on behalf of a qualified applicant, the Department shall ensure that the highest amounts of assistance go to households with the greatest energy costs in relation to household income. The Department shall include factors such as energy costs, household size, household income, and region of the State when determining individual household benefits. In setting assistance levels, the Department shall attempt to provide assistance to approximately the same number of households who participated in the 1991 Residential Energy Assistance Partnership Program. Such assistance levels shall be adjusted annually on the basis of funding availability and energy costs. In promulgating rules for the administration of this Section the Department shall assure that a minimum of 1/3 of funds available for benefits to eligible households with the lowest incomes and that elderly and disabled households are offered a priority application period.

(c) If the applicant is not a customer of record of an energy provider for energy services or an applicant for such service, such applicant shall receive a direct energy assistance payment in an amount established by the Department for all such applicants under this Act; provided, however, that such an applicant must have rental expenses for housing greater than 30% of household income.

(c-1) This subsection shall apply only in cases where: (1) the applicant is not a customer of record of an energy provider because energy services are provided by the owner of the unit as a portion of the rent; (2) the applicant resides in housing subsidized or developed with funds provided under the Rental Housing Support Program Act or under a similar locally funded rent subsidy program, or is the voucher holder who resides in a rental unit within the State of Illinois and whose monthly rent is subsidized by the tenant-based Housing Choice Voucher Program under Section 8 of the U.S. Housing Act of 1937; and (3) the rental expenses for housing are no more than 30% of household income. In such cases, the household may apply for an energy assistance payment under this Act and the owner of the housing unit shall cooperate with the applicant by providing documentation of the energy costs for that unit. Any compensation paid to the energy provider who supplied energy services to the household shall be paid on behalf of the owner of the housing unit providing energy services to the household. The Department shall report annually to the General Assembly on the number of households receiving energy assistance under this subsection and the cost of such assistance. The provisions of this subsection (c-1), other than this sentence, are inoperative after August 31, 2012.

(d) If the applicant is a customer of an energy provider, such applicant shall receive energy assistance in an amount established by the Department for all such applicants under this Act, such amount to be paid by the Department to the energy provider supplying winter energy service to such applicant. Such applicant shall:

(i) make all reasonable efforts to apply to any other appropriate source of public energy assistance; and

(ii) sign a waiver permitting the Department to receive income information from any public or private agency providing income or energy assistance and from any employer, whether public or private.

(e) Any qualified applicant pursuant to this Section may receive or have paid on such applicant's behalf an emergency assistance payment to enable such applicant to obtain access to winter energy services. Any such payments shall be made in accordance with regulations of the Department.

(f) The Department may, if sufficient funds are available, provide additional benefits to certain qualified applicants:

(i) for the reduction of past due amounts owed to energy providers; and

(ii) to assist the household in responding to excessively high summer temperatures or energy costs. Households containing elderly members, children, a person with a disability, or a person with a medical need for conditioned air shall receive priority for receipt of such benefits.

The Department shall establish and implement a program to coordinate the handling of all fidelity, surety, property, and casualty insurance exposures of the State and the departments, divisions, agencies, branches, and universities of the State. In performing this responsibility, the Department shall have the power and duty to do the following:

(3) Prepare a plan for centralizing the purchase of property and casualty insurance on State property under a master policy or policies and purchase the insurance contracted for as provided in the Illinois Purchasing Act.

(6) Implement recommendations of the State Property Insurance Study Commission that the Department finds necessary or desirable in the performance of its powers and duties under this Section to achieve efficient and comprehensive risk management.

(7) Prepare and, in the discretion of the Director, implement a plan providing for the purchase of public liability insurance or for self-insurance for public liability or for a combination of

[May 30, 2012]

purchased insurance and self-insurance for public liability (i) covering the State and drivers of motor vehicles owned, leased, or controlled by the State of Illinois pursuant to the provisions and limitations contained in the Illinois Vehicle Code, (ii) covering other public liability exposures of the State and its employees within the scope of their employment, and (iii) covering drivers of motor vehicles not owned, leased, or controlled by the State but used by a State employee on State business, in excess of liability covered by an insurance policy obtained by the owner of the motor vehicle or in excess of the dollar amounts that the Department shall determine to be reasonable. Any contract of insurance let under this Law shall be by bid in accordance with the procedure set forth in the Illinois Purchasing Act. Any provisions for self-insurance shall conform to subdivision (11).

The term "employee" as used in this subdivision (7) and in subdivision (11) means a person while in the employ of the State who is a member of the staff or personnel of a State agency, bureau, board, commission, committee, department, university, or college or who is a State officer, elected official, commissioner, member of or ex officio member of a State agency, bureau, board, commission, committee, department, university, or college, or a member of the National Guard while on active duty pursuant to orders of the Governor of the State of Illinois, or any other person while using a licensed motor vehicle owned, leased, or controlled by the State of Illinois with the authorization of the State of Illinois, provided the actual use of the motor vehicle is within the scope of that authorization and within the course of State service.

Subsequent to payment of a claim on behalf of an employee pursuant to this Section and after reasonable advance written notice to the employee, the Director may exclude the employee from future coverage or limit the coverage under the plan if (i) the Director determines that the claim resulted from an incident in which the employee was grossly negligent or had engaged in willful and wanton misconduct or (ii) the Director determines that the employee is no longer an acceptable risk based on a review of prior accidents in which the employee was at fault and for which payments were made pursuant to this Section.

The Director is authorized to promulgate administrative rules that may be necessary to establish and administer the plan.

Appropriations from the Road Fund shall be used to pay auto liability claims and related expenses involving employees of the Department of Transportation, the Illinois State Police, and the Secretary of State.

(8) Charge, collect, and receive from all other agencies of the State government fees or monies equivalent to the cost of purchasing the insurance.

(9) Establish, through the Director, charges for risk management services rendered to State agencies by the Department. The State agencies so charged shall reimburse the Department by vouchers drawn against their respective appropriations. The reimbursement shall be determined by the Director as amounts sufficient to reimburse the Department for expenditures incurred in rendering the service.

The Department shall charge the employing State agency or university for workers' compensation payments for temporary total disability paid to any employee after the employee has received temporary total disability payments for 120 days if the employee's treating physician has issued a release to return to work with restrictions and the employee is able to perform modified duty work but the employing State agency or university does not return the employee to work at modified duty. Modified duty shall be duties assigned that may or may not be delineated as part of the duties regularly performed by the employee. Modified duties shall be assigned within the prescribed restrictions established by the treating physician and the physician who performed the independent medical examination. The amount of all reimbursements shall be deposited into the Workers' Compensation Revolving Fund which is hereby created as a revolving fund in the State treasury. In addition to any other purpose authorized by law, moneys in the Fund shall be used, subject to appropriation, to pay these or other temporary total disability claims of employees of State agencies and universities.

Beginning with fiscal year 1996, all amounts recovered by the Department through subrogation in workers' compensation and workers' occupational disease cases shall be deposited into the Workers' Compensation Revolving Fund created under this subdivision (9).

(10) ~~Through December 31, 2012, establish~~ ~~Establish~~ rules, procedures, and forms to be used by State agencies in the administration and payment of workers' compensation claims. ~~Through December 31, 2012, the~~ ~~The~~ Department shall initially evaluate and determine the compensability of any injury that is the subject of a workers' compensation claim and provide for the administration and payment of such a claim for all State agencies. ~~Through December 31, 2012, the~~ ~~The~~ Director may delegate to any agency with the

agreement of the agency head the responsibility for evaluation, administration, and payment of that agency's claims.

~~(10a) If the Director determines it would be in the best interests of the State and its employees, prepare and implement a plan providing for: (i) the purchase of workers' compensation insurance for workers' compensation liability; (ii) third party administration of self insurance, in whole or in part, for workers' compensation liability; or (iii) a combination of purchased insurance and self insurance for workers' compensation liability, including reinsurance or stop loss insurance. Any contract for insurance or third party administration shall be on terms consistent with State policy; awarded in compliance with the Illinois Procurement Code; and based on, but not limited to, the following criteria: administrative cost, service capabilities of the carrier or other contractor and premiums, fees, or charges. By April 1 of each year prior to calendar year 2013, the Director must report and provide information to the~~

State Workers' Compensation Program Advisory Board concerning the status of the State workers' compensation program for the next fiscal year. Information that the Director must provide to the State Workers' Compensation Program Advisory Board includes, but is not limited to, documents, reports of negotiations, bid invitations, requests for proposals, specifications, copies of proposed and final contracts or agreements, and any other materials concerning contracts or agreements for the program. By the first of each month prior to calendar year 2013 thereafter, the Director must provide updated, and any new, information to the State Workers' Compensation Program Advisory Board until the State workers' compensation program for the next fiscal year is determined.

~~(10b) No later than January 1, 2013, the chief procurement officer appointed under paragraph (4) of subsection (a) of Section 10-20 of the Illinois Procurement Code (hereinafter "chief procurement officer"), in consultation with the Department of Central Management Services, shall procure one or more private vendors to administer, beginning January 1, 2013, the program providing payments for workers' compensation liability with respect to the employees of all State agencies. The chief procurement officer may procure a single contract applicable to all State agencies or multiple contracts applicable to one or more State agencies. If the chief procurement officer procures a single contract applicable to all State agencies, then the Department of Central Management Services shall be designated as the agency that enters into the contract and shall be responsible for the contract. If the chief procurement officer procures multiple contracts applicable to one or more State agencies, each agency to which the contract applies shall be designated as the agency that shall enter into the contract and shall be responsible for the contract. If the chief procurement officer procures contracts applicable to an individual State agency, the agency subject to the contract shall be designated as the agency responsible for the contract.~~

~~(10c) The procurement of private vendors for the administration of the workers' compensation program for State employees is subject to the provisions of the Illinois Procurement Code and administration by the chief procurement officer.~~

~~(10d) Contracts for the procurement of private vendors for the administration of the workers' compensation program for State employees shall be based upon, but limited to, the following criteria: (i) administrative cost, (ii) service capabilities of the vendor, and (iii) the compensation (including premiums, fees, or other charges). A vendor for the administration of the workers' compensation program for State employees shall provide services, including, but not limited to:~~

~~(A) providing a web-based case management system and provide access to the Office of the Attorney General;~~

~~(B) ensuring claims adjusters are available to provide testimony or information as requested by the Office of the Attorney General;~~

~~(C) establishing a preferred provider program for all State agencies and facilities; and~~

~~(D) authorizing the payment of medical bills at the preferred provider discount rate.~~

~~(10e) By September 15, 2012, the Department of Central Management Services shall prepare a plan to effectuate the transfer of responsibility and administration of the workers' compensation program for State employees to the selected private vendors. The Department shall submit a copy of the plan to the General Assembly.~~

(11) Any plan for public liability self-insurance implemented under this Section shall provide that (i) the Department shall attempt to settle and may settle any public liability claim filed against the State of Illinois or any public liability claim filed against a State employee on the basis of an occurrence in the course of the employee's State employment; (ii) any settlement of such a claim is not subject to fiscal year limitations and must be approved by the Director and, in cases of settlements exceeding \$100,000, by the Governor; and (iii) a settlement of any public liability claim against the State or a State employee shall require an unqualified release of any right of action against the State and the employee for acts within the scope of the employee's employment giving rise to the claim.

Whenever and to the extent that a State employee operates a motor vehicle or engages in other activity covered by self-insurance under this Section, the State of Illinois shall defend, indemnify, and hold harmless the employee against any claim in tort filed against the employee for acts or omissions within the scope of the employee's employment in any proper judicial forum and not settled pursuant to this subdivision (11), provided that this obligation of the State of Illinois shall not exceed a maximum liability of \$2,000,000 for any single occurrence in connection with the operation of a motor vehicle or \$100,000 per person per occurrence for any other single occurrence, or \$500,000 for any single occurrence in connection with the provision of medical care by a licensed physician employee.

Any claims against the State of Illinois under a self-insurance plan that are not settled pursuant to this subdivision (11) shall be heard and determined by the Court of Claims and may not be filed or adjudicated in any other forum. The Attorney General of the State of Illinois or the Attorney General's designee shall be the attorney with respect to all public liability self-insurance claims that are not settled pursuant to this subdivision (11) and therefore result in litigation. The payment of any award of the Court of Claims entered against the State relating to any public liability self-insurance claim shall act as a release against any State employee involved in the occurrence.

(12) Administer a plan the purpose of which is to make payments on final settlements or final judgments in accordance with the State Employee Indemnification Act. The plan shall be funded through appropriations from the General Revenue Fund specifically designated for that purpose, except that indemnification expenses for employees of the Department of Transportation, the Illinois State Police, and the Secretary of State shall be paid from the Road Fund. The term "employee" as used in this subdivision (12) has the same meaning as under subsection (b) of Section 1 of the State Employee Indemnification Act. Subject to sufficient appropriation, the Director shall approve payment of any claim, without regard to fiscal year limitations, presented to the Director that is supported by a final settlement or final judgment when the Attorney General and the chief officer of the public body against whose employee the claim or cause of action is asserted certify to the Director that the claim is in accordance with the State Employee Indemnification Act and that they approve of the payment. In no event shall an amount in excess of \$150,000 be paid from this plan to or for the benefit of any claimant.

(13) Administer a plan the purpose of which is to make payments on final settlements or final judgments for employee wage claims in situations where there was an appropriation relevant to the wage claim, the fiscal year and lapse period have expired, and sufficient funds were available to pay the claim. The plan shall be funded through appropriations from the General Revenue Fund specifically designated for that purpose.

Subject to sufficient appropriation, the Director is authorized to pay any wage claim presented to the Director that is supported by a final settlement or final judgment when the chief officer of the State agency employing the claimant certifies to the Director that the claim is a valid wage claim and that the fiscal year and lapse period have expired. Payment for claims that are properly submitted and certified as valid by the Director shall include interest accrued at the rate of 7% per annum from the forty-fifth day after the claims are received by the Department or 45 days from the date on which the amount of payment is agreed upon, whichever is later, until the date the claims are submitted to the Comptroller for payment. When the Attorney General has filed an appearance in any proceeding concerning a wage claim settlement or judgment, the Attorney General shall certify to the Director that the wage claim is valid before any payment is made. In no event shall an amount in excess of \$150,000 be paid from this plan to or for the benefit of any claimant.

Nothing in Public Act 84-961 shall be construed to affect in any manner the jurisdiction of the Court of Claims concerning wage claims made against the State of Illinois.

(14) Prepare and, in the discretion of the Director, implement a program for self-insurance for official fidelity and surety bonds for officers and employees as authorized by the Official Bond Act.

Sec. 405-411. Consolidation of workers' compensation functions.

(a) Notwithstanding any other law to the contrary, the Director of Central Management Services, working in cooperation with the Director of any other agency, department, board, or commission directly responsible to the Governor, may direct the consolidation, within the Department of Central Management Services, of those workers' compensation functions at that agency, department, board, or commission that are suitable for centralization.

Upon receipt of the written direction to transfer workers' compensation functions to the Department of

Central Management Services, the personnel, equipment, and property (both real and personal) directly relating to the transferred functions shall be transferred to the Department of Central Management Services, and the relevant documents, records, and correspondence shall be transferred or copied, as the Director may prescribe.

(b) Upon receiving written direction from the Director of Central Management Services, the Comptroller and Treasurer are authorized to transfer the unexpended balance of any appropriations related to the workers' compensation functions transferred to the Department of Central Management Services and shall make the necessary fund transfers from the General Revenue Fund, any special fund in the State treasury, or any other federal or State trust fund held by the Treasurer to the Workers' Compensation Revolving Fund for use by the Department of Central Management Services in support of workers' compensation functions or any other related costs or expenses of the Department of Central Management Services.

(c) The rights of employees and the State and its agencies under the Personnel Code and applicable collective bargaining agreements or under any pension, retirement, or annuity plan shall not be affected by any transfer under this Section.

(d) The functions transferred to the Department of Central Management Services by this Section shall be vested in and shall be exercised by the Department of Central Management Services. Each act done in the exercise of those functions shall have the same legal effect as if done by the agencies, offices, divisions, departments, bureaus, boards and commissions from which they were transferred.

Every person or other entity shall be subject to the same obligations and duties and any penalties, civil or criminal, arising therefrom, and shall have the same rights arising from the exercise of such rights, powers, and duties as had been exercised by the agencies, offices, divisions, departments, bureaus, boards, and commissions from which they were transferred.

Whenever reports or notices are now required to be made or given or papers or documents furnished or served by any person in regards to the functions transferred to or upon the agencies, offices, divisions, departments, bureaus, boards, and commissions from which the functions were transferred, the same shall be made, given, furnished or served in the same manner to or upon the Department of Central Management Services.

This Section does not affect any act done, ratified, or cancelled or any right occurring or established or any action or proceeding had or commenced in an administrative, civil, or criminal cause regarding the functions transferred, but those proceedings may be continued by the Department of Central Management Services.

This Section does not affect the legality of any rules in the Illinois Administrative Code regarding the functions transferred in this Section that are in force on the effective date of this Section. If necessary, however, the affected agencies shall propose, adopt, or repeal rules, rule amendments, and rule recodifications as appropriate to effectuate this Section.

(e) There is hereby created within the Department of Central Management Services an advisory body to be known as the State Workers' Compensation Program Advisory Board to review, assess, and provide recommendations to improve the State workers' compensation program and to ensure that the State manages the program in the interests of injured workers and taxpayers. The Governor shall appoint one person to the Board, who shall serve as the Chairperson. The Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, and the Minority Leader of the Senate shall each appoint one person to the Board. Each member initially appointed to the Board shall serve a term ending December 31, 2013, and each Board member appointed thereafter shall serve a 3-year term. A Board member shall continue to serve on the Board until his or her successor is appointed. In addition, the Director of the Department of Central Management Services, the Attorney General, the Director of the Department of Insurance, the Secretary of the Department of Transportation, the Director of the Department of Corrections, the Secretary of the Department of Human Services, the Director of the Department of Revenue, and the Chairman of the Illinois Workers' Compensation Commission, or their designees, shall serve as ex officio, non-voting members of the Board. Members of the Board shall not receive compensation but shall be reimbursed from the Workers' Compensation Revolving Fund for reasonable expenses incurred in the necessary performance of their duties, and the Department of Central Management Services shall provide administrative support to the Board. The Board shall meet at least 3 times per year or more often if the Board deems it necessary or proper. By September 30, 2011, the Board shall issue a written report, to be delivered to the Governor, the Director of the Department of Central Management Services, and the General Assembly, with a recommended set of best practices for the State workers' compensation program. By July 1 of each year thereafter, the Board shall issue a written report, to be delivered to those same persons or entities, with recommendations on how to improve upon such practices.

(f) The Director of Central Management Services shall take all appropriate actions with respect to the State's workers' compensation obligations necessary to transfer administration of those obligations to an independent private vendor as provided by Section 405-105.

Sec. 50-5. Bribery.

(a) Prohibition. No person or business shall be awarded a contract or subcontract under this Code who:

- (1) has been convicted under the laws of Illinois or any other state of bribery or attempting to bribe an officer or employee of the State of Illinois or any other state in that officer's or employee's official capacity; or
- (2) has made an admission of guilt of that conduct that is a matter of record but has not been prosecuted for that conduct.

(b) Businesses. No business shall be barred from contracting with any unit of State or local government, or subcontracting under such a contract, as a result of a conviction under this Section of any employee or agent of the business if the employee or agent is no longer employed by the business and:

(1) the business has been finally adjudicated not guilty; or

(2) the business demonstrates to the governmental entity with which it seeks to contract

or which is a signatory to the contract to which the subcontract relates, and that entity finds that the commission of the offense was not authorized, requested, commanded, or performed by a director, officer, or high managerial agent on behalf of the business as provided in paragraph (2) of subsection (a) of Section 5-4 of the Criminal Code of 1961.

(c) Conduct on behalf of business. For purposes of this Section, when an official, agent, or employee of a business committed the bribery or attempted bribery on behalf of the business and in accordance with the direction or authorization of a responsible official of the business, the business shall be chargeable with the conduct.

(d) Certification. Every bid submitted to and contract executed by the State and every subcontract subject to Section 20-120 of this Code shall contain a certification by the contractor or the subcontractor, respectively, that the contractor or subcontractor is not barred from being awarded a contract or subcontract under this Section and acknowledges that the chief procurement officer may declare the related contract void if any certifications required by this Section are false. If the false certification is made by a subcontractor, then the contractor's submitted bid and the executed contract may not be declared void, unless the contractor refuses to terminate the subcontract upon the State's request after a finding that the subcontract's certification was false. A contractor or subcontractor who makes a false statement, material to the certification, commits a Class 3 felony.

(a) Unless otherwise provided, no person or business convicted of a felony shall do business with the State of Illinois or any State agency, or enter into a subcontract, from the date of conviction until 5 years after the date of completion of the sentence for that felony, unless no person held responsible by a prosecutorial office for the facts upon which the conviction was based continues to have any involvement with the business.

(b) Every bid submitted to and contract executed by the State and every subcontract subject to Section 20-120 of this Code shall contain a certification by the bidder or contractor or subcontractor, respectively, that the bidder, contractor, or subcontractor is not barred from being awarded a contract or subcontract under this Section and acknowledges that the chief procurement officer may declare the related contract void if any of the certifications required by this Section are false. Sec. 50-10.5. Prohibited bidders and contractors.

(a) Unless otherwise provided, no business shall bid or enter into a contract or subcontract under this Code if the business or any officer, director, partner, or other managerial agent of the business has been convicted of a felony under the Sarbanes-Oxley Act of 2002 or a Class 3 or Class 2 felony under the Illinois Securities Law of 1953 for a period of 5 years from the date of conviction.

(b) Every bid submitted to and contract executed by the State and every subcontract subject to Section 20-120 of this Code shall contain a certification by the bidder, contractor, or subcontractor, respectively, that the bidder, contractor, or subcontractor is not barred from being awarded a contract or subcontract under this Section and acknowledges that the chief procurement officer shall declare the related contract void if any of the certifications completed pursuant to this subsection (b) are false. If the false certification is made by a subcontractor, then the contractor's submitted bid and the executed contract may not be declared void, unless the contractor refuses to terminate the subcontract upon the State's request after a finding that the subcontract's certification was false.

(c) If a business is not a natural person, the prohibition in subsection (a) applies only if:

(1) the business itself is convicted of a felony referenced in subsection (a); or

(2) the business is ordered to pay punitive damages based on the conduct of any officer, director, partner, or other managerial agent who has been convicted of a felony referenced in

subsection (a).

(d) A natural person who is convicted of a felony referenced in subsection (a) remains subject to Section 50-10.

(e) No person or business shall bid or enter into a contract under this Code if the person or business:

~~(1) assisted the State of Illinois or a State agency in determining whether there is a need for a contract except as part of a response to a publicly issued request for information; or~~

~~(2) assisted an employee of the State of Illinois, who, by the nature of his or her duties, has the authority to participate personally and substantially in the decision to award a State contract, or a State agency by reviewing, drafting, directing, or preparing any invitation~~

for bids, a request for proposal, or request for information or provided similar assistance except as part of a publicly issued opportunity to review drafts of all or part of these documents.

This subsection does not prohibit a person or business from submitting a bid or proposal or entering into a contract if the person or business: (i) initiates a communication with an employee to provide general information about products, services, or industry best practices and, if applicable, that communication is documented in accordance with Section 50-39 or (ii) responds to a communication initiated by an employee of the State for the purposes of providing information to evaluate new products, trends, services, or technologies.

Nothing in this Section prohibits a vendor developing technology, goods, or services from bidding or offering to supply that technology or those goods or services if the subject demonstrated to the State represents industry trends and innovation and is not specifically designed to meet the State's needs.

For purposes of this subsection (e), "business" includes all individuals with whom a business is affiliated, including, but not limited to, any officer, agent, employee, consultant, independent contractor, director, partner, manager, or shareholder of a business.

No person or business shall submit specifications to a State agency unless requested to do so by an employee of the State. No person or business who contracts with a State agency to write specifications for a particular procurement need shall submit a bid or proposal or receive a contract for that procurement need.

If the false certification is made by a subcontractor, then the contractor's submitted bid and the executed contract may not be declared void, unless the contractor refuses to terminate the subcontract upon the State's request after a finding that the subcontract's certification was false.

Sec. 50-12. Collection and remittance of Illinois Use Tax.

(a) No person shall enter into a contract with a State agency or enter into a subcontract under this Code unless the person and all affiliates of the person collect and remit Illinois Use Tax on all sales of tangible personal property into the State of Illinois in accordance with the provisions of the Illinois Use

Tax Act regardless of whether the person or affiliate is a "retailer maintaining a place of business within this State" as defined in Section 2 of the Use Tax Act. For purposes of this Section, the term "affiliate" means any entity that (1) directly, indirectly, or constructively controls another entity, (2) is directly, indirectly, or constructively controlled by another entity, or (3) is subject to the control of a common entity. (b) A person or business otherwise barred from doing business with the State of Illinois or any State agency or subcontracting under this Code by subsection (a) may be allowed to do business with the State of Illinois or any State agency if it is shown that there is no practicable alternative to the State to contracting with that person or business.

- (c) The disclosure in subsection (b) is not intended to prohibit or prevent any contract. The disclosure is meant to fully and publicly disclose any potential conflict to the chief procurement officers, State purchasing officers, their designees, and executive officers so they may adequately discharge their duty to protect the State.
- (d) When a potential for a conflict of interest is identified, discovered, or reasonably suspected, the chief procurement officer or State procurement officer shall send the contract to the Procurement Policy Board. A chief procurement officer is prohibited from awarding a contract before a hearing if the Board recommendation does not support a bid or offer. The recommendation and proceedings of any hearing, if applicable, shall become part of the contract, bid, or proposal file and shall be available to the public.

(e) These thresholds and disclosure do not relieve the chief procurement officer, the State purchasing officer, or their designees from reasonable care and diligence for any contract, bid, offer, or proposal. The chief procurement officer, the State purchasing officer, or their designees shall be responsible for using any reasonably known and publicly available information to discover any undisclosed potential conflict of interest and act to protect the best interest of the State of Illinois.

(f) Inadvertent or accidental failure to fully disclose shall render the contract, bid, proposal, subcontract, or relationship voidable by the chief procurement officer if he or she deems it in the best interest of the State of Illinois and, at his or her discretion, may be cause for barring from future contracts, bids, proposals, subcontracts, or relationships with the State for a period of up to 2 years.

(g) Intentional, willful, or material failure to disclose shall render the contract, bid, proposal, subcontract, or relationship voidable by the chief procurement officer if he or she deems it in the best interest of the State of Illinois and shall result in debarment from future contracts, bids, proposals, subcontracts, or relationships for a period of not less than 2 years and not more than 10 years. Reinstatement after 2 years and before 10 years must be reviewed and commented on in writing by the Governor of the State of Illinois, or by an executive ethics board or commission he or she might designate. The comment shall be returned to the responsible chief procurement officer who must rule in writing whether and when to reinstate.

(h) In addition, all disclosures shall note any other current or pending contracts, proposals, subcontracts, leases, or other ongoing procurement relationships the bidding, proposing, offering, or subcontracting entity has with any other unit of State government and shall clearly identify the unit and the contract, proposal, lease, or other relationship.

(1) The court shall not impose a sentence of imprisonment upon the offender if the court believes that because of his disability a sentence of imprisonment would not serve the ends of justice and the interests of society and the offender or that because of his disability a sentence of imprisonment would subject the offender to excessive hardship. In addition to any other conditions of a sentence of conditional discharge or probation the court may require that the offender undergo treatment appropriate to his mental or physical condition.

(2) After imposing a sentence of imprisonment upon an offender who has a mental

disability, the court may remand him to the custody of the Department of Human Services and order a hearing to be conducted pursuant to the provisions of the Mental Health and Developmental Disabilities Code, as now or hereafter amended. If the offender is committed following such hearing, he shall be treated in the same manner as any other civilly committed patient for all purposes except as provided in this Section. If the defendant is not committed pursuant to such hearing, he shall be remanded to the sentencing court for disposition according to the sentence imposed.

(3) If the court imposes a sentence of imprisonment upon an offender who has a mental disability but does not proceed under subparagraph (2) of paragraph (c) of this Section, it shall order the Department of Corrections to proceed pursuant to Section 3-8-5 of the Unified Code of Corrections, as now or hereafter amended.

(3.5) If the court imposes a sentence of imprisonment upon an offender who has a mental disability, the court shall direct the circuit court clerk to immediately notify the Department of State Police, Firearm Owner's Identification (FOID) Office, in a form and manner prescribed by the Department of State Police and shall forward a copy of the court order to the Department.

(4) If the court imposes a sentence of imprisonment upon an offender who has a physical disability, it may authorize the Department of Corrections to place the offender in a public or private facility which is able to provide care or treatment for the offender's disability and which agrees to do so.

(5) When an offender is placed with the Department of Human Services or another facility pursuant to subparagraph (2) or (4) of this paragraph (c), the Department or private facility shall not discharge or allow the offender to be at large in the community without prior approval of the court. If the defendant is placed in the custody of the Department of Human Services, the defendant shall be placed in a secure setting unless the court determines that there are compelling reasons why such placement is not necessary. The offender shall accrue good time and shall be eligible for parole in the same manner as if he were serving his sentence within the Department of Corrections. When the offender no longer requires hospitalization, care, or treatment, the Department of Human Services or the facility shall transfer him, if his sentence has not expired, to the Department of Corrections. If an offender is transferred to the Department of Corrections, the Department of Human Services shall transfer to the Department of Corrections all related records pertaining to length of custody and treatment services provided during the time the offender was held.

(6) The Department of Corrections shall notify the Department of Human Services or a facility in which an offender has been placed pursuant to subparagraph (2) or (4) of paragraph (c) of this Section of the expiration of his sentence. Thereafter, an offender in the Department of Human Services shall continue to be treated pursuant to his commitment order and shall be considered a civilly committed patient for all purposes including discharge. An offender who is in a facility pursuant to subparagraph (4) of paragraph (c) of this Section shall be informed by the facility of the expiration of his sentence, and shall either consent to the continuation of his care or treatment by the facility or shall be discharged.

Sec. 112A-11.1. Procedure for determining whether certain misdemeanor crimes are crimes of domestic violence for purposes of federal law.

(a) When a defendant has been charged with a violation of Section 12-1, 12-2, 12-3, 12-3.05, 12-3.2, 12-3.3, 12-3.4, or 12-3.5 of the Criminal Code of 1961, the State may, at arraignment or no later than 45 days after arraignment, for the purpose of notification to the Department of State Police Firearm Owner's Identification Card Office, serve on the defendant and file with the court a notice alleging that the defendant is related or situated to the victim of the crime in the manner specified in 18 U.S.C. 921(a)(33)(A)(ii).

(b) The notice shall include the name of the person alleged to be the victim of the crime and shall specify the nature of the alleged relationship as set forth in 18 U.S.C. 921(a)(33)(A)(ii). Upon conviction of that offense, the court shall advise the defendant that he or she is entitled to a hearing on the allegation contained in the notice and, if necessary, an adjournment of the sentencing proceeding in order to prepare for the hearing, and that if the allegation is sustained, that determination and conviction shall be reported to the Department of State Police Firearm Owner's Identification Card Office.

(c) After having been advised by the court as provided in subsection (b) of this Section, the defendant may stipulate or admit, orally on the record or in writing, that he or she is related or situated to the victim of the crime in the manner described in subsection (a) of this Section. In that case, the relationship shall be deemed established for purposes of Section 112A-11.2. If the defendant denies that he or she is related or situated to the victim of the crime as alleged in the notice served by the State, or stands mute

with respect to that allegation, then the State shall bear the burden to prove beyond a reasonable doubt that the defendant is related or situated to the victim in the manner alleged in the notice. The court may consider reliable hearsay evidence submitted by either party provided that it is relevant to the determination of the allegation. Facts previously proven at trial or elicited at the time of entry of a plea of guilty shall be deemed established beyond a reasonable doubt and shall not be relitigated. At the conclusion of the hearing, or upon such a stipulation or admission, as applicable, the court shall make a specific written determination with respect to the allegation.

Sec. 112A-11.2. Notification to the Department of State Police Firearm Owner's Identification Card Office of determinations in certain misdemeanor cases. Upon judgment of conviction of a violation of Section 12-1, 12-2, 12-3, 12-3.05, 12-3.2, 12-3.3, 12-3.4, or 12-3.5 of the Criminal Code of 1961 when the defendant has been determined, pursuant to Section 112A-11.1, to be related or situated to the victim of the offense in the manner specified in 18 U.S.C. 921(a)(33)(A)(ii), the circuit court clerk shall include notification and a copy of the written determination in a report of the conviction to the Department of State Police Firearm Owner's Identification Card Office to enable the office to report that determination to the Federal Bureau of Investigation and assist the Bureau in identifying persons prohibited from purchasing and possessing a firearm pursuant to the provisions of 18 U.S.C. 922.

(725 ILCS 5/112A-14) (from Ch. 38, par. 112A-14)

Sec. 112A-14. Order of protection; remedies.

(a) Issuance of order. If the court finds that petitioner has been abused by a family or household member, as defined in this Article, an order of protection prohibiting such abuse shall issue; provided that petitioner must also satisfy the requirements of one of the following Sections, as appropriate: Section 112A-17 on emergency orders, Section 112A-18 on interim orders, or Section 112A-19 on plenary orders. Petitioner shall not be denied an order of protection because petitioner or respondent is a minor. The court, when determining whether or not to issue an order of protection, shall not require physical manifestations of abuse on the person of the victim. Modification and extension of prior orders of protection shall be in accordance with this Article.

(b) Remedies and standards. The remedies to be included in an order of protection shall be determined in accordance with this Section and one of the following Sections, as appropriate: Section 112A-17 on emergency orders, Section 112A-18 on interim orders, and Section 112A-19 on plenary orders. The remedies listed in this subsection shall be in addition to other civil or criminal remedies available to petitioner.

(1) Prohibition of abuse. Prohibit respondent's harassment, interference with personal liberty, intimidation of a dependent, physical abuse or willful deprivation, as defined in this Article, if such abuse has occurred or otherwise appears likely to occur if not prohibited.

(2) Grant of exclusive possession of residence. Prohibit respondent from entering or remaining in any residence, household, or premises of the petitioner, including one owned or leased by respondent, if petitioner has a right to occupancy thereof. The grant of exclusive possession of the residence, household, or premises shall not affect title to real property, nor shall the court be limited by the standard set forth in Section 701 of the Illinois Marriage and Dissolution of Marriage Act.

(A) Right to occupancy. A party has a right to occupancy of a residence or household if it is solely or jointly owned or leased by that party, that party's spouse, a person with a legal duty to support that party or a minor child in that party's care, or by any person or entity other than the opposing party that authorizes that party's occupancy (e.g., a domestic violence shelter). Standards set forth in subparagraph (B) shall not preclude equitable relief.

(B) Presumption of hardships. If petitioner and respondent each has the right to occupancy of a residence or household, the court shall balance (i) the hardships to respondent and any minor child or dependent adult in respondent's care resulting from entry of this remedy with (ii) the hardships to petitioner and any minor child or dependent adult in petitioner's care resulting from continued exposure to the risk of abuse (should petitioner remain at the residence or household) or from loss of possession of the residence or household (should petitioner leave to avoid the risk of abuse). When determining the balance of hardships, the court shall also take into account the accessibility of the residence or household. Hardships need not be balanced if respondent does not have a right to occupancy.

The balance of hardships is presumed to favor possession by petitioner unless the presumption is rebutted by a preponderance of the evidence, showing that the hardships to respondent substantially outweigh the hardships to petitioner and any minor child or dependent adult in petitioner's care. The court, on the request of petitioner or on its own motion, may order respondent to provide suitable, accessible, alternate housing for petitioner instead of excluding

respondent from a mutual residence or household.

(3) Stay away order and additional prohibitions. Order respondent to stay away from petitioner or any other person protected by the order of protection, or prohibit respondent from entering or remaining present at petitioner's school, place of employment, or other specified places at times when petitioner is present, or both, if reasonable, given the balance of hardships. Hardships need not be balanced for the court to enter a stay away order or prohibit entry if respondent has no right to enter the premises.

If an order of protection grants petitioner exclusive possession of the residence, or prohibits respondent from entering the residence, or orders respondent to stay away from petitioner or other protected persons, then the court may allow respondent access to the residence to remove items of clothing and personal adornment used exclusively by respondent, medications, and other items as the court directs. The right to access shall be exercised on only one occasion as the court directs and in the presence of an agreed-upon adult third party or law enforcement officer.

(4) Counseling. Require or recommend the respondent to undergo counseling for a specified duration with a social worker, psychologist, clinical psychologist, psychiatrist, family service agency, alcohol or substance abuse program, mental health center guidance counselor, agency providing services to elders, program designed for domestic violence abusers or any other guidance service the court deems appropriate. The court may order the respondent in any intimate partner relationship to report to an Illinois Department of Human Services protocol approved partner abuse intervention program for an assessment and to follow all recommended treatment.

(5) Physical care and possession of the minor child. In order to protect the minor child from abuse, neglect, or unwarranted separation from the person who has been the minor child's primary caretaker, or to otherwise protect the well-being of the minor child, the court may do either or both of the following: (i) grant petitioner physical care or possession of the minor child, or both, or (ii) order respondent to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 112A-3) of a minor child, there shall be a rebuttable presumption that awarding physical care to respondent would not be in the minor child's best interest.

(6) Temporary legal custody. Award temporary legal custody to petitioner in accordance with this Section, the Illinois Marriage and Dissolution of Marriage Act, the Illinois Parentage Act of 1984, and this State's Uniform Child-Custody Jurisdiction and Enforcement Act.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 112A-3) of a minor child, there shall be a rebuttable presumption that awarding temporary legal custody to respondent would not be in the child's best interest.

(7) Visitation. Determine the visitation rights, if any, of respondent in any case in which the court awards physical care or temporary legal custody of a minor child to petitioner. The court shall restrict or deny respondent's visitation with a minor child if the court finds that respondent has done or is likely to do any of the following: (i) abuse or endanger the minor child during visitation; (ii) use the visitation as an opportunity to abuse or harass petitioner or petitioner's family or household members; (iii) improperly conceal or detain the minor child; or (iv) otherwise act in a manner that is not in the best interests of the minor child. The court shall not be limited by the standards set forth in Section 607.1 of the Illinois Marriage and Dissolution of Marriage Act. If the court grants visitation, the order shall specify dates and times for the visitation to take place or other specific parameters or conditions that are appropriate. No order for visitation shall refer merely to the term "reasonable visitation".

Petitioner may deny respondent access to the minor child if, when respondent arrives for visitation, respondent is under the influence of drugs or alcohol and constitutes a threat to the safety and well-being of petitioner or petitioner's minor children or is behaving in a violent or abusive manner.

If necessary to protect any member of petitioner's family or household from future abuse, respondent shall be prohibited from coming to petitioner's residence to meet the minor child for visitation, and the parties shall submit to the court their recommendations for reasonable alternative arrangements for visitation. A person may be approved to supervise visitation only after filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(8) Removal or concealment of minor child. Prohibit respondent from removing a minor child from the State or concealing the child within the State.

(9) Order to appear. Order the respondent to appear in court, alone or with a minor child, to prevent abuse, neglect, removal or concealment of the child, to return the child to the custody

or care of the petitioner or to permit any court-ordered interview or examination of the child or the respondent.

(10) Possession of personal property. Grant petitioner exclusive possession of personal property and, if respondent has possession or control, direct respondent to promptly make it available to petitioner, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly; sharing it would risk abuse of petitioner by respondent or is impracticable; and the balance of hardships favors temporary possession by petitioner.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may award petitioner temporary possession thereof under the standards of subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

No order under this provision shall affect title to property.

(11) Protection of property. Forbid the respondent from taking, transferring, encumbering, concealing, damaging or otherwise disposing of any real or personal property, except as explicitly authorized by the court, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly, and the balance of hardships favors granting this remedy.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may grant petitioner relief under subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

The court may further prohibit respondent from improperly using the financial or other resources of an aged member of the family or household for the profit or advantage of respondent or of any other person.

(11.5) Protection of animals. Grant the petitioner the exclusive care, custody, or control of any animal owned, possessed, leased, kept, or held by either the petitioner or the respondent or a minor child residing in the residence or household of either the petitioner or the respondent and order the respondent to stay away from the animal and forbid the respondent from taking, transferring, encumbering, concealing, harming, or otherwise disposing of the animal.

(12) Order for payment of support. Order respondent to pay temporary support for the petitioner or any child in the petitioner's care or custody, when the respondent has a legal obligation to support that person, in accordance with the Illinois Marriage and Dissolution of Marriage Act, which shall govern, among other matters, the amount of support, payment through the clerk and withholding of income to secure payment. An order for child support may be granted to a petitioner with lawful physical care or custody of a child, or an order or agreement for physical care or custody, prior to entry of an order for legal custody. Such a support order shall expire upon entry of a valid order granting legal custody to another, unless otherwise provided in the custody order.

(13) Order for payment of losses. Order respondent to pay petitioner for losses suffered as a direct result of the abuse. Such losses shall include, but not be limited to, medical expenses, lost earnings or other support, repair or replacement of property damaged or taken, reasonable attorney's fees, court costs and moving or other travel expenses, including additional reasonable expenses for temporary shelter and restaurant meals.

(i) Losses affecting family needs. If a party is entitled to seek maintenance,

child support or property distribution from the other party under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended, the court may order respondent to reimburse petitioner's actual losses, to the extent that such reimbursement would be "appropriate temporary relief", as authorized by subsection (a)(3) of Section 501 of that Act.

(ii) Recovery of expenses. In the case of an improper concealment or removal of a minor child, the court may order respondent to pay the reasonable expenses incurred or to be incurred in the search for and recovery of the minor child, including but not limited to legal fees, court costs, private investigator fees, and travel costs.

(14) Prohibition of entry. Prohibit the respondent from entering or remaining in the residence or household while the respondent is under the influence of alcohol or drugs and constitutes a threat to the safety and well-being of the petitioner or the petitioner's children.

(14.5) Prohibition of firearm possession.

(a) Prohibit a respondent against whom an order of protection was issued from

possessing any firearms during the duration of the order if the order:

- (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate;
- (2) restrains such person from harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and
- (3)(i) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or (ii) by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury.

Any firearms in the possession of the respondent, except as provided in subsection (b), shall be ordered by the court to be turned over to the local law enforcement agency. ~~The local law enforcement agency shall immediately mail the card to the Department of State Police Firearm Owner's Identification Card Office for safekeeping. Once the order expires, it is the respondent's responsibility to notify the Department of State Police Firearm Owner's Identification Card Office for safekeeping.~~ The court shall issue an order that the respondent's Firearm Owner's Identification Card be turned over to the local law enforcement agency for safekeeping. The period of safekeeping shall be for the duration of the order of protection. The firearm or firearms shall be returned to the respondent at expiration of the order of protection.

(b) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 1961, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the duration of the order of protection.

(c) Upon expiration of the period of safekeeping, if the firearms or Firearm Owner's Identification Card cannot be returned to respondent because respondent cannot be located, fails to respond to requests to retrieve the firearms, or is not lawfully eligible to possess a firearm, upon petition from the local law enforcement agency, the court may order the local law enforcement agency to destroy the firearms, use the firearms for training purposes, or for any other application as deemed appropriate by the local law enforcement agency; or that the firearms be turned over to a third party who is lawfully eligible to possess firearms, and who does not reside with respondent.

(15) Prohibition of access to records. If an order of protection prohibits respondent from having contact with the minor child, or if petitioner's address is omitted under subsection (b) of Section 112A-5, or if necessary to prevent abuse or wrongful removal or concealment of a minor child, the order shall deny respondent access to, and prohibit respondent from inspecting, obtaining, or attempting to inspect or obtain, school or any other records of the minor child who is in the care of petitioner.

(16) Order for payment of shelter services. Order respondent to reimburse a shelter providing temporary housing and counseling services to the petitioner for the cost of the services, as certified by the shelter and deemed reasonable by the court.

(17) Order for injunctive relief. Enter injunctive relief necessary or appropriate to prevent further abuse of a family or household member or to effectuate one of the granted remedies, if supported by the balance of hardships. If the harm to be prevented by the injunction is abuse or any other harm that one of the remedies listed in paragraphs (1) through (16) of this subsection is designed to prevent, no further evidence is necessary to establish that the harm is an irreparable injury.

(c) Relevant factors; findings.

(1) In determining whether to grant a specific remedy, other than payment of support, the court shall consider relevant factors, including but not limited to the following:

(i) the nature, frequency, severity, pattern and consequences of the respondent's past abuse of the petitioner or any family or household member, including the concealment of his or her location in order to evade service of process or notice, and the likelihood of danger of future abuse to petitioner or any member of petitioner's or respondent's family or household; and

(ii) the danger that any minor child will be abused or neglected or improperly removed from the jurisdiction, improperly concealed within the State or improperly separated from the child's primary caretaker.

(2) In comparing relative hardships resulting to the parties from loss of possession of the family home, the court shall consider relevant factors, including but not limited to the following:

(i) availability, accessibility, cost, safety, adequacy, location and other characteristics of alternate housing for each party and any minor child or dependent adult in the party's care;

(ii) the effect on the party's employment; and

(iii) the effect on the relationship of the party, and any minor child or dependent adult in the party's care, to family, school, church and community.

(3) Subject to the exceptions set forth in paragraph (4) of this subsection, the court shall make its findings in an official record or in writing, and shall at a minimum set forth the following:

(i) That the court has considered the applicable relevant factors described in paragraphs (1) and (2) of this subsection.

(ii) Whether the conduct or actions of respondent, unless prohibited, will likely cause irreparable harm or continued abuse.

(iii) Whether it is necessary to grant the requested relief in order to protect petitioner or other alleged abused persons.

(4) For purposes of issuing an ex parte emergency order of protection, the court, as an alternative to or as a supplement to making the findings described in paragraphs (c)(3)(i) through (c)(3)(iii) of this subsection, may use the following procedure:

When a verified petition for an emergency order of protection in accordance with the requirements of Sections 112A-5 and 112A-17 is presented to the court, the court shall examine petitioner on oath or affirmation. An emergency order of protection shall be issued by the court if it appears from the contents of the petition and the examination of petitioner that the averments are sufficient to indicate abuse by respondent and to support the granting of relief under the issuance of the emergency order of protection.

(5) Never married parties. No rights or responsibilities for a minor child born outside of marriage attach to a putative father until a father and child relationship has been established under the Illinois Parentage Act of 1984. Absent such an adjudication, no putative father shall be granted temporary custody of the minor child, visitation with the minor child, or physical care and possession of the minor child, nor shall an order of payment for support of the minor child be entered.

(d) Balance of hardships; findings. If the court finds that the balance of hardships does not support the granting of a remedy governed by paragraph (2), (3), (10), (11), or (16) of subsection (b) of this Section, which may require such balancing, the court's findings shall so indicate and shall include a finding as to whether granting the remedy will result in hardship to respondent that would substantially outweigh the hardship to petitioner from denial of the remedy. The findings shall be an official record or in writing.

(e) Denial of remedies. Denial of any remedy shall not be based, in whole or in part, on evidence that:

(1) Respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article VII of the Criminal Code of 1961;

(2) Respondent was voluntarily intoxicated;

(3) Petitioner acted in self-defense or defense of another, provided that, if petitioner utilized force, such force was justifiable under Article VII of the Criminal Code of 1961;

(4) Petitioner did not act in self-defense or defense of another;

(5) Petitioner left the residence or household to avoid further abuse by respondent;

(6) Petitioner did not leave the residence or household to avoid further abuse by respondent;

(7) Conduct by any family or household member excused the abuse by respondent, unless that same conduct would have excused such abuse if the parties had not been family or household members.

(3) refrain from possessing a firearm or other dangerous weapon where the offense is a felony or, if a misdemeanor, the offense involved the intentional or knowing infliction of bodily harm or threat of bodily harm;

(4) not leave the State without the consent of the court or, in circumstances in which

the reason for the absence is of such an emergency nature that prior consent by the court is not possible, without the prior notification and approval of the person's probation officer. The person on probation or conditional discharge must attend a public institution of education to obtain the educational or vocational training required by this clause (7). The court shall revoke the probation or conditional discharge of a person who wilfully fails to comply with this clause (7). The person on probation or conditional discharge shall be required to pay for the cost of the educational courses or GED test, if a fee is charged for those courses or test. The court shall resentence the offender whose probation or conditional discharge has been revoked as provided in Section 5-6-4. This clause (7) does not apply to a person who has a high school diploma or has successfully passed the GED test. This clause (7) does not apply to a person who is determined by the court to be developmentally disabled or otherwise mentally incapable of completing the educational or vocational program;

(8.6) if convicted of a sex offense as defined in the Sex Offender Management Board Act, refrain from residing at the same address or in the same condominium unit or apartment unit or in the same condominium complex or apartment complex with another person he or she knows or reasonably should know is a convicted sex offender or has been placed on supervision for a sex offense; the provisions of this paragraph do not apply to a person convicted of a sex offense who is placed in a Department of Corrections licensed transitional housing facility for sex offenders;

(8.7) if convicted for an offense committed on or after June 1, 2008 (the effective date of Public Act 95-464) that would qualify the accused as a child sex offender as defined in Section 11-9.3 or 11-9.4 of the Criminal Code of 1961, refrain from communicating with or contacting, by means of the Internet, a person who is not related to the accused and whom the accused reasonably believes to be under 18 years of age; for purposes of this paragraph (8.7), "Internet" has the meaning ascribed to it in Section 16-0.1 of the Criminal Code of 1961; and a person is not related to the accused if the person is not: (i) the spouse, brother, or sister of the accused; (ii) a descendant of the accused; (iii) a first or second cousin of the accused; or (iv) a step-child or adopted child of the accused;

(8.8) if convicted for an offense under Section 11-6, 11-9.1, 11-14.4 that involves soliciting for a juvenile prostitute, 11-15.1, 11-20.1, 11-20.1B, 11-20.3, or 11-21 of the Criminal Code of 1961, or any attempt to commit any of these offenses, committed on or after June 1, 2009 (the effective date of Public Act 95-983):

This fee shall be imposed in addition to the fees imposed under subsections (g) and (i) of this Section. The fee shall be collected by the clerk of the circuit court. The clerk of the circuit court shall pay all monies collected from this fee to the county treasurer who shall use the monies collected to defray the costs of corrections. The county treasurer shall deposit the fee collected in the probation and court services fund.

(17) if convicted for an offense committed on or after June 1, 2008 (the effective date of Public Act 95-464) that would qualify the accused as a child sex offender as defined in Section 11-9.3 or 11-9.4 of the Criminal Code of 1961, refrain from communicating with or contacting, by means of the Internet, a person who is related to the accused and whom the accused reasonably believes to be under 18 years of age; for purposes of this paragraph (17), "Internet" has the meaning ascribed to it in Section 16-0.1 of the Criminal Code of 1961; and a person is related to the accused if the person is: (i) the spouse, brother, or sister of the accused; (ii) a descendant of the accused; (iii) a first or second cousin of the accused; or (iv) a step-child or adopted child of the accused;

(18) if convicted for an offense committed on or after June 1, 2009 (the effective date of Public Act 95-983) that would qualify as a sex offense as defined in the Sex Offender Registration Act:

(ii) submit to periodic unannounced examinations of the offender's computer or any other device with Internet capability by the offender's probation officer, a law enforcement officer, or assigned computer or information technology specialist, including the retrieval and copying of all data from the computer or device and any internal or external peripherals and removal of such information, equipment, or device to conduct a more thorough inspection;

(iii) submit to the installation on the offender's computer or device with Internet capability, at the subject's expense, of one or more hardware or software systems to monitor the Internet use; and

(iv) submit to any other appropriate restrictions concerning the offender's use of or access to a computer or any other device with Internet capability imposed by the offender's probation officer; and

(19) refrain from possessing a firearm or other dangerous weapon where the offense is a misdemeanor that did not involve the intentional or knowing infliction of bodily harm or threat of bodily harm.

(c) The court may as a condition of probation or of conditional discharge require that a person under 18 years of age found guilty of any alcohol, cannabis or controlled substance violation, refrain from acquiring a driver's license during the period of probation or conditional discharge. If such person is in possession of a permit or license, the court may require that the minor refrain from driving or operating any motor vehicle during the period of probation or conditional discharge, except as may be necessary in the course of the minor's lawful employment.

(d) An offender sentenced to probation or to conditional discharge shall be given a certificate setting forth the conditions thereof.

(e) Except where the offender has committed a fourth or subsequent violation of subsection (c) of Section 6-303 of the Illinois Vehicle Code, the court shall not require as a condition of the sentence of probation or conditional discharge that the offender be committed to a period of imprisonment in excess of 6 months. This 6 month limit shall not include periods of confinement given pursuant to a sentence of county impact incarceration under Section 5-8-1.2.

Persons committed to imprisonment as a condition of probation or conditional discharge shall not be committed to the Department of Corrections.

(f) The court may combine a sentence of periodic imprisonment under Article 7 or a sentence to a county impact incarceration program under Article 8 with a sentence of probation or conditional discharge.

(g) An offender sentenced to probation or to conditional discharge and who during the term of either undergoes mandatory drug or alcohol testing, or both, or is assigned to be placed on an approved electronic monitoring device, shall be ordered to pay all costs incidental to such mandatory drug or alcohol testing, or both, and all costs incidental to such approved electronic monitoring in accordance with the defendant's ability to pay those costs. The county board with the concurrence of the Chief Judge of the judicial circuit in which the county is located shall establish reasonable fees for the cost of

maintenance, testing, and incidental expenses related to the mandatory drug or alcohol testing, or both, and all costs incidental to approved electronic monitoring, involved in a successful probation program for the county. The concurrence of the Chief Judge shall be in the form of an administrative order. The fees shall be collected by the clerk of the circuit court. The clerk of the circuit court shall pay all moneys collected from these fees to the county treasurer who shall use the moneys collected to defray the costs of drug testing, alcohol testing, and electronic monitoring. The county treasurer shall deposit the fees collected in the county working cash fund under Section 6-27001 or Section 6-29002 of the Counties Code, as the case may be.

(h) Jurisdiction over an offender may be transferred from the sentencing court to the court of another circuit with the concurrence of both courts. Further transfers or retransfers of jurisdiction are also authorized in the same manner. The court to which jurisdiction has been transferred shall have the same powers as the sentencing court. The probation department within the circuit to which jurisdiction has been transferred may impose probation fees upon receiving the transferred offender, as provided in subsection (i). The probation department from the original sentencing court shall retain all probation fees collected prior to the transfer.

(i) The court shall impose upon an offender sentenced to probation after January 1, 1989 or to conditional discharge after January 1, 1992 or to community service under the supervision of a probation or court services department after January 1, 2004, as a condition of such probation or conditional discharge or supervised community service, a fee of \$50 for each month of probation or conditional discharge supervision or supervised community service ordered by the court, unless after determining the inability of the person sentenced to probation or conditional discharge or supervised community service to pay the fee, the court assesses a lesser fee. The court may not impose the fee on a minor who is made a ward of the State under the Juvenile Court Act of 1987 while the minor is in placement. The fee shall be imposed only upon an offender who is actively supervised by the probation and court services department. The fee shall be collected by the clerk of the circuit court. The clerk of the circuit court shall pay all monies collected from this fee to the county treasurer for deposit in the probation and court services fund under Section 15.1 of the Probation and Probation Officers Act.

A circuit court may not impose a probation fee under this subsection (i) in excess of \$25 per month unless the circuit court has adopted, by administrative order issued by the chief judge, a standard probation fee guide determining an offender's ability to pay. Of the amount collected as a probation fee, up to \$5 of that fee collected per month may be used to provide services to crime victims and their families.

The Court may only waive probation fees based on an offender's ability to pay. The probation department may re-evaluate an offender's ability to pay every 6 months, and, with the approval of the Director of Court Services or the Chief Probation Officer, adjust the monthly fee amount. An offender may elect to pay probation fees due in a lump sum. Any offender that has been assigned to the supervision of a probation department, or has been transferred either under subsection (h) of this Section or under any interstate compact, shall be required to pay probation fees to the department supervising the offender, based on the offender's ability to pay.

This amendatory Act of the 93rd General Assembly deletes the \$10 increase in the fee under this subsection that was imposed by Public Act 93-616. This deletion is intended to control over any other Act of the 93rd General Assembly that retains or incorporates that fee increase.

(i-5) In addition to the fees imposed under subsection (i) of this Section, in the case of an offender convicted of a felony sex offense (as defined in the Sex Offender Management Board Act) or an offense that the court or probation department has determined to be sexually motivated (as defined in the Sex Offender Management Board Act), the court or the probation department shall assess additional fees to pay for all costs of treatment, assessment, evaluation for risk and treatment, and monitoring the offender, based on that offender's ability to pay those costs either as they occur or under a payment plan.

(j) All fines and costs imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

(k) Any offender who is sentenced to probation or conditional discharge for a felony sex offense as defined in the Sex Offender Management Board Act or any offense that the court or probation department has determined to be sexually motivated as defined in the Sex Offender Management Board Act shall be required to refrain from any contact, directly or indirectly, with any persons specified by the court and shall be available for all evaluations and treatment programs required by the court or the probation department.

(l) The court may order an offender who is sentenced to probation or conditional discharge for a

violation of an order of protection be placed under electronic surveillance as provided in Section 5-8A-7 of this Code.

Section 25. The Stalking No Contact Order Act is amended by changing Section 80 as follows:  
(740 ILCS 21/80)

Sec. 80. Stalking no contact orders; remedies.

(a) If the court finds that the petitioner has been a victim of stalking, a stalking no contact order shall issue; provided that the petitioner must also satisfy the requirements of Section 95 on emergency orders or Section 100 on plenary orders. The petitioner shall not be denied a stalking no contact order because the petitioner or the respondent is a minor. The court, when determining whether or not to issue a stalking no contact order, may not require physical injury on the person of the petitioner. Modification and extension of prior stalking no contact orders shall be in accordance with this Act.

(b) A stalking no contact order shall order one or more of the following:

(1) prohibit the respondent from threatening to commit or committing stalking;

(2) order the respondent not to have any contact with the petitioner or a third person specifically named by the court;

(3) prohibit the respondent from knowingly coming within, or knowingly remaining within a specified distance of the petitioner or the petitioner's residence, school, daycare, or place of employment, or any specified place frequented by the petitioner; however, the court may order the respondent to stay away from the respondent's own residence, school, or place of employment only if the respondent has been provided actual notice of the opportunity to appear and be heard on the petition;

(4) prohibit the respondent from possessing a Firearm Owners Identification Card, or possessing or buying firearms; and

(5) order other injunctive relief the court determines to be necessary to protect the petitioner or third party specifically named by the court.

(b-5) When the petitioner and the respondent attend the same public, private, or non-public elementary, middle, or high school, the court when issuing a stalking no contact order and providing relief shall consider the severity of the act, any continuing physical danger or emotional distress to the petitioner, the educational rights guaranteed to the petitioner and respondent under federal and State law, the availability of a transfer of the respondent to another school, a change of placement or a change of program of the respondent, the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school, and any other relevant facts of the case. The court may order that the respondent not attend the public, private, or non-public elementary, middle, or high school attended by the petitioner, order that the respondent accept a change of placement or program, as determined by the school district or private or non-public school, or place restrictions on the respondent's movements within the school attended by the petitioner. The respondent bears the burden of proving by a preponderance of the evidence that a transfer, change of placement, or change of program of the respondent is not available. The respondent also bears the burden of production with respect to the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. A transfer, change of placement, or change of program is not unavailable to the respondent solely on the ground that the respondent does not agree with the school district's or private or non-public school's transfer, change of placement, or change of program or solely on the ground that the respondent fails or refuses to consent to or otherwise does not take an action required to effectuate a transfer, change of placement, or change of program. When a court orders a respondent to stay away from the public, private, or non-public school attended by the petitioner and the respondent requests a transfer to another attendance center within the respondent's school district or private or non-public school, the school district or private or non-public school shall have sole discretion to determine the attendance center to which the respondent is transferred. In the event the court order results in a transfer of the minor respondent to another attendance center, a change in the respondent's placement, or a change of the respondent's program, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the transfer or change.

(b-6) The court may order the parents, guardian, or legal custodian of a minor respondent to take certain actions or to refrain from taking certain actions to ensure that the respondent complies with the order. In the event the court orders a transfer of the respondent to another school, the parents, guardian,

or legal custodian of the respondent are responsible for transportation and other costs associated with the change of school by the respondent.

(b-7) The court shall not hold a school district or private or non-public school or any of its employees in civil or criminal contempt unless the school district or private or non-public school has been allowed to intervene.

(b-8) The court may hold the parents, guardian, or legal custodian of a minor respondent in civil or criminal contempt for a violation of any provision of any order entered under this Act for conduct of the minor respondent in violation of this Act if the parents, guardian, or legal custodian directed, encouraged, or assisted the respondent minor in such conduct.

(c) The court may award the petitioner costs and attorneys fees if a stalking no contact order is granted.

(d) Monetary damages are not recoverable as a remedy.

(e) If the stalking no contact order prohibits the respondent from possessing a Firearm Owner's Identification Card, or possessing or buying firearms; the court shall confiscate the respondent's Firearm Owner's Identification Card and immediately return the card to the Department of State Police Firearm Owner's Identification Card Office.

Section 30. The Illinois Domestic Violence Act of 1986 is amended by changing Section 214 as follows:

(750 ILCS 60/214) (from Ch. 40, par. 2312-14)

Sec. 214. Order of protection; remedies.

(a) Issuance of order. If the court finds that petitioner has been abused by a family or household member or that petitioner is a high-risk adult who has been abused, neglected, or exploited, as defined in this Act, an order of protection prohibiting the abuse, neglect, or exploitation shall issue; provided that petitioner must also satisfy the requirements of one of the following Sections, as appropriate: Section 217 on emergency orders, Section 218 on interim orders, or Section 219 on plenary orders. Petitioner shall not be denied an order of protection because petitioner or respondent is a minor. The court, when determining whether or not to issue an order of protection, shall not require physical manifestations of abuse on the person of the victim. Modification and extension of prior orders of protection shall be in accordance with this Act.

(b) Remedies and standards. The remedies to be included in an order of protection shall be determined in accordance with this Section and one of the following Sections, as appropriate: Section 217 on emergency orders, Section 218 on interim orders, and Section 219 on plenary orders. The remedies listed in this subsection shall be in addition to other civil or criminal remedies available to petitioner.

(1) Prohibition of abuse, neglect, or exploitation. Prohibit respondent's harassment,

interference with personal liberty, intimidation of a dependent, physical abuse, or willful deprivation, neglect or exploitation, as defined in this Act, or stalking of the petitioner, as defined in Section 12-7.3 of the Criminal Code of 1961, if such abuse, neglect, exploitation, or stalking has occurred or otherwise appears likely to occur if not prohibited.

(2) Grant of exclusive possession of residence. Prohibit respondent from entering or

remaining in any residence, household, or premises of the petitioner, including one owned or leased by respondent, if petitioner has a right to occupancy thereof. The grant of exclusive possession of the residence, household, or premises shall not affect title to real property, nor shall the court be limited by the standard set forth in Section 701 of the Illinois Marriage and Dissolution of Marriage Act.

(A) Right to occupancy. A party has a right to occupancy of a residence or

household if it is solely or jointly owned or leased by that party, that party's spouse, a person with a legal duty to support that party or a minor child in that party's care, or by any person or entity other than the opposing party that authorizes that party's occupancy (e.g., a domestic violence shelter). Standards set forth in subparagraph (B) shall not preclude equitable relief.

(B) Presumption of hardships. If petitioner and respondent each has the right to

occupancy of a residence or household, the court shall balance (i) the hardships to respondent and any minor child or dependent adult in respondent's care resulting from entry of this remedy with (ii) the hardships to petitioner and any minor child or dependent adult in petitioner's care resulting from continued exposure to the risk of abuse (should petitioner remain at the residence or household) or from loss of possession of the residence or household (should petitioner leave to avoid the risk of abuse). When determining the balance of hardships, the court shall also take into account the accessibility of the residence or household. Hardships need not be balanced if respondent does not have a right to occupancy.

The balance of hardships is presumed to favor possession by petitioner unless the presumption is rebutted by a preponderance of the evidence, showing that the hardships to respondent substantially outweigh the hardships to petitioner and any minor child or dependent adult in petitioner's care. The court, on the request of petitioner or on its own motion, may order respondent to provide suitable, accessible, alternate housing for petitioner instead of excluding respondent from a mutual residence or household.

(3) Stay away order and additional prohibitions. Order respondent to stay away from petitioner or any other person protected by the order of protection, or prohibit respondent from entering or remaining present at petitioner's school, place of employment, or other specified places at times when petitioner is present, or both, if reasonable, given the balance of hardships. Hardships need not be balanced for the court to enter a stay away order or prohibit entry if respondent has no right to enter the premises.

(A) If an order of protection grants petitioner exclusive possession of the residence, or prohibits respondent from entering the residence, or orders respondent to stay away from petitioner or other protected persons, then the court may allow respondent access to the residence to remove items of clothing and personal adornment used exclusively by respondent, medications, and other items as the court directs. The right to access shall be exercised on only one occasion as the court directs and in the presence of an agreed-upon adult third party or law enforcement officer.

(B) When the petitioner and the respondent attend the same public, private, or non-public elementary, middle, or high school, the court when issuing an order of protection and providing relief shall consider the severity of the act, any continuing physical danger or emotional distress to the petitioner, the educational rights guaranteed to the petitioner and respondent under federal and State law, the availability of a transfer of the respondent to another school, a change of placement or a change of program of the respondent, the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school, and any other relevant facts of the case. The court may order that the respondent not attend the public, private, or non-public elementary, middle, or high school attended by the petitioner, order that the respondent accept a change of placement or change of program, as determined by the school district or private or non-public school, or place restrictions on the respondent's movements within the school attended by the petitioner. The respondent bears the burden of proving by a preponderance of the evidence that a transfer, change of placement, or change of program of the respondent is not available. The respondent also bears the burden of production with respect to the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. A transfer, change of placement, or change of program is not unavailable to the respondent solely on the ground that the respondent does not agree with the school district's or private or non-public school's transfer, change of placement, or change of program or solely on the ground that the respondent fails or refuses to consent or otherwise does not take an action required to effectuate a transfer, change of placement, or change of program. When a court orders a respondent to stay away from the public, private, or non-public school attended by the petitioner and the respondent requests a transfer to another attendance center within the respondent's school district or private or non-public school, the school district or private or non-public school shall have sole discretion to determine the attendance center to which the respondent is transferred. In the event the court order results in a transfer of the minor respondent to another attendance center, a change in the respondent's placement, or a change of the respondent's program, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the transfer or change.

(C) The court may order the parents, guardian, or legal custodian of a minor respondent to take certain actions or to refrain from taking certain actions to ensure that the respondent complies with the order. ~~The court may order the parents, guardian, or legal custodian of a minor respondent to take certain actions or to refrain from taking certain actions to ensure that the respondent complies with the order.~~ In the event the court orders a transfer of the respondent to another school, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the change of school by the respondent.

(4) Counseling. Require or recommend the respondent to undergo counseling for a specified duration with a social worker, psychologist, clinical psychologist, psychiatrist, family service agency, alcohol or substance abuse program, mental health center guidance counselor, agency providing services to elders, program designed for domestic violence abusers or any other guidance service the court deems appropriate. The Court may order the respondent in any intimate partner

relationship to report to an Illinois Department of Human Services protocol approved partner abuse intervention program for an assessment and to follow all recommended treatment.

(5) Physical care and possession of the minor child. In order to protect the minor child from abuse, neglect, or unwarranted separation from the person who has been the minor child's primary caretaker, or to otherwise protect the well-being of the minor child, the court may do either or both of the following: (i) grant petitioner physical care or possession of the minor child, or both, or (ii) order respondent to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 103) of a minor child, there shall be a rebuttable presumption that awarding physical care to respondent would not be in the minor child's best interest.

(6) Temporary legal custody. Award temporary legal custody to petitioner in accordance with this Section, the Illinois Marriage and Dissolution of Marriage Act, the Illinois Parentage Act of 1984, and this State's Uniform Child-Custody Jurisdiction and Enforcement Act.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 103) of a minor child, there shall be a rebuttable presumption that awarding temporary legal custody to respondent would not be in the child's best interest.

(7) Visitation. Determine the visitation rights, if any, of respondent in any case in which the court awards physical care or temporary legal custody of a minor child to petitioner. The court shall restrict or deny respondent's visitation with a minor child if the court finds that respondent has done or is likely to do any of the following: (i) abuse or endanger the minor child during visitation; (ii) use the visitation as an opportunity to abuse or harass petitioner or petitioner's family or household members; (iii) improperly conceal or detain the minor child; or (iv) otherwise act in a manner that is not in the best interests of the minor child. The court shall not be limited by the standards set forth in Section 607.1 of the Illinois Marriage and Dissolution of Marriage Act. If the court grants visitation, the order shall specify dates and times for the visitation to take place or other specific parameters or conditions that are appropriate. No order for visitation shall refer merely to the term "reasonable visitation".

Petitioner may deny respondent access to the minor child if, when respondent arrives for visitation, respondent is under the influence of drugs or alcohol and constitutes a threat to the safety and well-being of petitioner or petitioner's minor children or is behaving in a violent or abusive manner.

If necessary to protect any member of petitioner's family or household from future abuse, respondent shall be prohibited from coming to petitioner's residence to meet the minor child for visitation, and the parties shall submit to the court their recommendations for reasonable alternative arrangements for visitation. A person may be approved to supervise visitation only after filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(8) Removal or concealment of minor child. Prohibit respondent from removing a minor child from the State or concealing the child within the State.

(9) Order to appear. Order the respondent to appear in court, alone or with a minor child, to prevent abuse, neglect, removal or concealment of the child, to return the child to the custody or care of the petitioner or to permit any court-ordered interview or examination of the child or the respondent.

(10) Possession of personal property. Grant petitioner exclusive possession of personal property and, if respondent has possession or control, direct respondent to promptly make it available to petitioner, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly; sharing it would risk abuse of petitioner by respondent or is impracticable; and the balance of hardships favors temporary possession by petitioner.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may award petitioner temporary possession thereof under the standards of subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

No order under this provision shall affect title to property.

(11) Protection of property. Forbid the respondent from taking, transferring, encumbering, concealing, damaging or otherwise disposing of any real or personal property, except as explicitly authorized by the court, if:

(i) petitioner, but not respondent, owns the property; or

- (ii) the parties own the property jointly, and the balance of hardships favors granting this remedy.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may grant petitioner relief under subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

The court may further prohibit respondent from improperly using the financial or other resources of an aged member of the family or household for the profit or advantage of respondent or of any other person.

(11.5) Protection of animals. Grant the petitioner the exclusive care, custody, or control of any animal owned, possessed, leased, kept, or held by either the petitioner or the respondent or a minor child residing in the residence or household of either the petitioner or the respondent and order the respondent to stay away from the animal and forbid the respondent from taking, transferring, encumbering, concealing, harming, or otherwise disposing of the animal.

(12) Order for payment of support. Order respondent to pay temporary support for the petitioner or any child in the petitioner's care or custody, when the respondent has a legal obligation to support that person, in accordance with the Illinois Marriage and Dissolution of Marriage Act, which shall govern, among other matters, the amount of support, payment through the clerk and withholding of income to secure payment. An order for child support may be granted to a petitioner with lawful physical care or custody of a child, or an order or agreement for physical care or custody, prior to entry of an order for legal custody. Such a support order shall expire upon entry of a valid order granting legal custody to another, unless otherwise provided in the custody order.

(13) Order for payment of losses. Order respondent to pay petitioner for losses suffered as a direct result of the abuse, neglect, or exploitation. Such losses shall include, but not be limited to, medical expenses, lost earnings or other support, repair or replacement of property damaged or taken, reasonable attorney's fees, court costs and moving or other travel expenses, including additional reasonable expenses for temporary shelter and restaurant meals.

(i) Losses affecting family needs. If a party is entitled to seek maintenance, child support or property distribution from the other party under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended, the court may order respondent to reimburse petitioner's actual losses, to the extent that such reimbursement would be "appropriate temporary relief", as authorized by subsection (a)(3) of Section 501 of that Act.

(ii) Recovery of expenses. In the case of an improper concealment or removal of a minor child, the court may order respondent to pay the reasonable expenses incurred or to be incurred in the search for and recovery of the minor child, including but not limited to legal fees, court costs, private investigator fees, and travel costs.

(14) Prohibition of entry. Prohibit the respondent from entering or remaining in the residence or household while the respondent is under the influence of alcohol or drugs and constitutes a threat to the safety and well-being of the petitioner or the petitioner's children.

(14.5) Prohibition of firearm possession.

(a) Prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order:

(1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate;

(2) restrains such person from harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and

(3)(i) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or (ii) by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury.

Any Firearm Owner's Identification Card in the possession of the respondent, except as provided in subsection (b), shall be ordered by the court to be turned over to the local law enforcement agency. The local law enforcement agency shall immediately mail the card to the Department of State Police Firearm Owner's Identification Card Office for safekeeping. The court shall issue a warrant for seizure of any firearm and Firearm Owner's Identification Card in the possession of the respondent, to be kept by the local law enforcement agency for safekeeping, except as provided in subsection (b). The period of safekeeping shall be for the duration of the order

of protection. The firearm or firearms and Firearm Owner's Identification Card shall be returned to the respondent at the end of the order of protection. It is the respondent's responsibility to notify the Department of State Police Firearm Owner's Identification Card Office.

(b) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 1961, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the duration of the order of protection.

(c) Upon expiration of the period of safekeeping, if the firearms or Firearm Owner's Identification Card cannot be returned to respondent because respondent cannot be located, fails to respond to requests to retrieve the firearms, or is not lawfully eligible to possess a firearm, upon petition from the local law enforcement agency, the court may order the local law enforcement agency to destroy the firearms, use the firearms for training purposes, or for any other application as deemed appropriate by the local law enforcement agency; or that the firearms be turned over to a third party who is lawfully eligible to possess firearms, and who does not reside with respondent.

(15) Prohibition of access to records. If an order of protection prohibits respondent from having contact with the minor child, or if petitioner's address is omitted under subsection (b) of Section 203, or if necessary to prevent abuse or wrongful removal or concealment of a minor child, the order shall deny respondent access to, and prohibit respondent from inspecting, obtaining, or attempting to inspect or obtain, school or any other records of the minor child who is in the care of petitioner.

(16) Order for payment of shelter services. Order respondent to reimburse a shelter providing temporary housing and counseling services to the petitioner for the cost of the services, as certified by the shelter and deemed reasonable by the court.

(17) Order for injunctive relief. Enter injunctive relief necessary or appropriate to prevent further abuse of a family or household member or further abuse, neglect, or exploitation of a high-risk adult with disabilities or to effectuate one of the granted remedies, if supported by the balance of hardships. If the harm to be prevented by the injunction is abuse or any other harm that one of the remedies listed in paragraphs (1) through (16) of this subsection is designed to prevent, no further evidence is necessary that the harm is an irreparable injury.

(c) Relevant factors; findings.

(1) In determining whether to grant a specific remedy, other than payment of support, the court shall consider relevant factors, including but not limited to the following:

(i) the nature, frequency, severity, pattern and consequences of the respondent's past abuse, neglect or exploitation of the petitioner or any family or household member, including the concealment of his or her location in order to evade service of process or notice, and the likelihood of danger of future abuse, neglect, or exploitation to petitioner or any member of petitioner's or respondent's family or household; and

(ii) the danger that any minor child will be abused or neglected or improperly removed from the jurisdiction, improperly concealed within the State or improperly separated from the child's primary caretaker.

(2) In comparing relative hardships resulting to the parties from loss of possession of the family home, the court shall consider relevant factors, including but not limited to the following:

(i) availability, accessibility, cost, safety, adequacy, location and other characteristics of alternate housing for each party and any minor child or dependent adult in the party's care;

(ii) the effect on the party's employment; and

(iii) the effect on the relationship of the party, and any minor child or dependent adult in the party's care, to family, school, church and community.

(3) Subject to the exceptions set forth in paragraph (4) of this subsection, the court shall make its findings in an official record or in writing, and shall at a minimum set forth the following:

(i) That the court has considered the applicable relevant factors described in paragraphs (1) and (2) of this subsection.

(ii) Whether the conduct or actions of respondent, unless prohibited, will likely cause irreparable harm or continued abuse.

(iii) Whether it is necessary to grant the requested relief in order to protect petitioner or other alleged abused persons.

(4) For purposes of issuing an ex parte emergency order of protection, the court, as an alternative to or as a supplement to making the findings described in paragraphs (c)(3)(i) through (c)(3)(iii) of this subsection, may use the following procedure:

When a verified petition for an emergency order of protection in accordance with the requirements of Sections 203 and 217 is presented to the court, the court shall examine petitioner on oath or affirmation. An emergency order of protection shall be issued by the court if it appears from the contents of the petition and the examination of petitioner that the averments are sufficient to indicate abuse by respondent and to support the granting of relief under the issuance of the emergency order of protection.

(5) Never married parties. No rights or responsibilities for a minor child born outside of marriage attach to a putative father until a father and child relationship has been established under the Illinois Parentage Act of 1984, the Illinois Public Aid Code, Section 12 of the Vital Records Act, the Juvenile Court Act of 1987, the Probate Act of 1985, the Revised Uniform Reciprocal Enforcement of Support Act, the Uniform Interstate Family Support Act, the Expedited Child Support Act of 1990, any judicial, administrative, or other act of another state or territory, any other Illinois statute, or by any foreign nation establishing the father and child relationship, any other proceeding substantially in conformity with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Pub. L. 104-193), or where both parties appeared in open court or at an administrative hearing acknowledging under oath or admitting by affirmation the existence of a father and child relationship. Absent such an adjudication, finding, or acknowledgement, no putative father shall be granted temporary custody of the minor child, visitation with the minor child, or physical care and possession of the minor child, nor shall an order of payment for support of the minor child be entered.

(d) Balance of hardships; findings. If the court finds that the balance of hardships does not support the granting of a remedy governed by paragraph (2), (3), (10), (11), or (16) of subsection (b) of this Section, which may require such balancing, the court's findings shall so indicate and shall include a finding as to whether granting the remedy will result in hardship to respondent that would substantially outweigh the hardship to petitioner from denial of the remedy. The findings shall be an official record or in writing.

(e) Denial of remedies. Denial of any remedy shall not be based, in whole or in part, on evidence that:

(1) Respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article VII of the Criminal Code of 1961;

(2) Respondent was voluntarily intoxicated;

(3) Petitioner acted in self-defense or defense of another, provided that, if petitioner utilized force, such force was justifiable under Article VII of the Criminal Code of 1961;

(4) Petitioner did not act in self-defense or defense of another;

(5) Petitioner left the residence or household to avoid further abuse, neglect, or exploitation by respondent;

(6) Petitioner did not leave the residence or household to avoid further abuse, neglect, or exploitation by respondent;

(7) Conduct by any family or household member excused the abuse, neglect, or exploitation by respondent, unless that same conduct would have excused such abuse, neglect, or exploitation if the parties had not been family or household members.

Sec. 10. Appeal to director; hearing; relief from firearm prohibitions.

(a) Whenever an application for a Firearm Owner's Identification Card is denied, whenever the Department fails to act on an application within 30 days of its receipt, or whenever such a Card is revoked or seized as provided for in Section 8 of this Act, the aggrieved party may appeal to the Director ~~of the Department of State Police~~ for a hearing upon such denial, revocation or seizure, unless the denial, revocation, or seizure was based upon a forcible felony, stalking, aggravated stalking, domestic battery, any violation of the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Cannabis Control Act that is classified as a Class 2 or greater felony, any felony violation of Article 24 of the Criminal Code of 1961, or any adjudication as a delinquent minor for the commission of an offense that if committed by an adult would be a felony, in which case the aggrieved party may petition the circuit court in writing in the county of his or her residence for a hearing upon such denial, revocation, or seizure.

(b) At least 30 days before any hearing in the circuit court, the petitioner shall serve the relevant State's Attorney with a copy of the petition. The State's Attorney may object to the petition and present evidence. At the hearing the court shall determine whether substantial justice has been done. Should the court determine that substantial justice has not been done, the court shall issue an order directing the Department of State Police to issue a Card. However, the court shall not issue the order if the petitioner is otherwise prohibited from obtaining, possessing, or using a firearm under federal law.

(c) Any person prohibited from possessing a firearm under Sections 24-1.1 or 24-3.1 of the Criminal Code of 1961 or acquiring a Firearm Owner's Identification Card under Section 8 of this Act may apply to the Director of ~~the Department of~~ State Police or petition the circuit court in the county where the petitioner resides, whichever is applicable in accordance with subsection (a) of this Section, requesting relief from such prohibition and the Director or court may grant such relief if it is established by the applicant to the court's or Director's satisfaction that:

(0.05) when in the circuit court, the State's Attorney has been served with a written copy of the petition at least 30 days before any such hearing in the circuit court and at the hearing the State's Attorney was afforded an opportunity to present evidence and object to the petition;

(1) the applicant has not been convicted of a forcible felony under the laws of this State or any other jurisdiction within 20 years of the applicant's application for a Firearm Owner's Identification Card, or at least 20 years have passed since the end of any period of imprisonment imposed in relation to that conviction;

(2) the circumstances regarding a criminal conviction, where applicable, the applicant's criminal history and his reputation are such that the applicant will not be likely to act in a manner dangerous to public safety; ~~and~~

(3) granting relief would not be contrary to the public interest; ~~and~~

(4) granting relief would not be contrary to federal law.

(d) When a minor is adjudicated delinquent for an offense which if committed by an adult would be a felony, the court shall notify the Department of State Police.

(e) The court shall review the denial of an application or the revocation of a Firearm Owner's Identification Card of a person who has been adjudicated delinquent for an offense that if committed by an adult would be a felony if an application for relief has been filed at least 10 years after the adjudication of delinquency and the court determines that the applicant should be granted relief from disability to obtain a Firearm Owner's Identification Card. If the court grants relief, the court shall notify the Department of State Police that the disability has been removed and that the applicant is eligible to obtain a Firearm Owner's Identification Card.

(f) Any person who is subject to the disabilities of 18 U.S.C. 922(d)(4) and 922(g)(4) of the federal Gun Control Act of 1968 because of an adjudication or commitment that occurred under the laws of this State or who was determined to be subject to the provisions of subsections (e), (f), or (g) of Section 8 of this Act may apply to the Department of State Police requesting relief from that prohibition. The Director shall grant the relief if it is established by a preponderance of the evidence that the person will not be likely to act in a manner dangerous to public safety and that granting relief would not be contrary to the public interest. In making this determination, the Director shall receive evidence concerning (i) the circumstances regarding the firearms disabilities from which relief is sought; (ii) the petitioner's mental health and criminal history records, if any; (iii) the petitioner's reputation, developed at a minimum through character witness statements, testimony, or other character evidence; and (iv) changes in the petitioner's condition or circumstances since the disqualifying events relevant to the relief sought. If relief is granted under this subsection or by order of a court under this Section, the Director shall as soon as practicable but in no case later than 15 business days, update, correct, modify, or remove the person's record in any database that the Department of State Police makes available to the National Instant Criminal Background Check System and notify the United States Attorney General that the basis for the record being made available no longer applies. The Department of State Police shall adopt rules for the administration of this subsection (f). Any person who is prohibited from possessing a firearm under 18 U.S.C. 922(d)(4) and 922(g)(4) of the federal Gun Control Act of 1968 may apply to the Department of State Police requesting relief from such prohibition and the Director shall grant such relief if it is established to the Director's satisfaction that the person will not be likely to act in a manner dangerous to public safety and granting relief would not be contrary to the public interest.

(a) All final administrative decisions of the Department under this Act, except final administrative

decisions of the Director of State Police to deny a person's application for relief under subsection (f) of Section 10 of this Act, shall be subject to judicial review under the provisions of the Administrative Review Law, and all amendments and modifications thereof, and the rules adopted pursuant thereto. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure.

(b) Any final administrative decision by the Director of State Police to deny a person's application for relief under subsection (f) of Section 10 of this Act is subject to de novo judicial review by the circuit court, and any party may offer evidence that is otherwise proper and admissible without regard to whether that evidence is part of the administrative record.

(c) The Director of State Police shall submit a report to the General Assembly on March 1 of each year, beginning March 1, 1991, listing all final decisions by a court of this State upholding, reversing, or reversing in part any administrative decision made by the Department of State Police.

It is the obligation of the holder of a Firearm Owner's Identification Card to notify the Department of State Police of any address change since the issuance of the Firearm Owner's Identification Card. Whenever any person moves from the residence address named on his or her card the person shall within 21 calendar days thereafter notify in a form and manner prescribed by the Department of his or her old and new residence addresses and the card number held by him or her. Any person whose legal name has changed from the name on the card that he or she has been previously issued must apply for a corrected card within 30 calendar days after the change. The cost for a corrected card shall be \$5 which shall be deposited into the Firearm Owner's Notification Fund.

Section 20. The Code of Criminal Procedure of 1963 is amended by changing Sections 104-26 and 112A-14 and adding Sections 112A-11.1 and 112A-11.2 as follows:

(725 ILCS 5/104-26) (from Ch. 38, par. 104-26)

Sec. 104-26. Disposition of Defendants suffering disabilities.

(a) A defendant convicted following a trial conducted under the provisions of Section 104-22 shall not

be sentenced before a written presentence report of investigation is presented to and considered by the court. The presentence report shall be prepared pursuant to Sections 5-3-2, 5-3-3 and 5-3-4 of the Unified Code of Corrections, as now or hereafter amended, and shall include a physical and mental examination unless the court finds that the reports of prior physical and mental examinations conducted pursuant to this Article are adequate and recent enough so that additional examinations would be unnecessary.

(b) A defendant convicted following a trial under Section 104-22 shall not be subject to the death penalty.

(c) A defendant convicted following a trial under Section 104-22 shall be sentenced according to the procedures and dispositions authorized under the Unified Code of Corrections, as now or hereafter amended, subject to the following provisions:

(1) The court shall not impose a sentence of imprisonment upon the offender if the court believes that because of his disability a sentence of imprisonment would not serve the ends of justice and the interests of society and the offender or that because of his disability a sentence of imprisonment would subject the offender to excessive hardship. In addition to any other conditions of a sentence of conditional discharge or probation the court may require that the offender undergo treatment appropriate to his mental or physical condition.

(2) After imposing a sentence of imprisonment upon an offender who has a mental disability, the court may remand him to the custody of the Department of Human Services and order a hearing to be conducted pursuant to the provisions of the Mental Health and Developmental Disabilities Code, as now or hereafter amended. If the offender is committed following such hearing, he shall be treated in the same manner as any other civilly committed patient for all purposes except as provided in this Section. If the defendant is not committed pursuant to such hearing, he shall be remanded to the sentencing court for disposition according to the sentence imposed.

(3) If the court imposes a sentence of imprisonment upon an offender who has a mental disability but does not proceed under subparagraph (2) of paragraph (c) of this Section, it shall order the Department of Corrections to proceed pursuant to Section 3-8-5 of the Unified Code of Corrections, as now or hereafter amended.

(3.5) If the court imposes a sentence of imprisonment upon an offender who has a mental disability, the court shall direct the circuit court clerk to immediately notify the Department of State Police, Firearm Owner's Identification (FOID) Office, in a form and manner prescribed by the Department of State Police and shall forward a copy of the court order to the Department.

(4) If the court imposes a sentence of imprisonment upon an offender who has a physical disability, it may authorize the Department of Corrections to place the offender in a public or private facility which is able to provide care or treatment for the offender's disability and which agrees to do so.

(5) When an offender is placed with the Department of Human Services or another facility pursuant to subparagraph (2) or (4) of this paragraph (c), the Department or private facility shall not discharge or allow the offender to be at large in the community without prior approval of the court. If the defendant is placed in the custody of the Department of Human Services, the defendant shall be placed in a secure setting unless the court determines that there are compelling reasons why such placement is not necessary. The offender shall accrue good time and shall be eligible for parole in the same manner as if he were serving his sentence within the Department of Corrections. When the offender no longer requires hospitalization, care, or treatment, the Department of Human Services or the facility shall transfer him, if his sentence has not expired, to the Department of Corrections. If an offender is transferred to the Department of Corrections, the Department of Human Services shall transfer to the Department of Corrections all related records pertaining to length of custody and treatment services provided during the time the offender was held.

(6) The Department of Corrections shall notify the Department of Human Services or a facility in which an offender has been placed pursuant to subparagraph (2) or (4) of paragraph (c) of this Section of the expiration of his sentence. Thereafter, an offender in the Department of Human Services shall continue to be treated pursuant to his commitment order and shall be considered a civilly committed patient for all purposes including discharge. An offender who is in a facility pursuant to subparagraph (4) of paragraph (c) of this Section shall be informed by the facility of the expiration of his sentence, and shall either consent to the continuation of his care or treatment by the facility or shall be discharged.

(725 ILCS 5/112A-11.1 new)

Sec. 112A-11.1. Procedure for determining whether certain misdemeanor crimes are crimes of

domestic violence for purposes of federal law.

(a) When a defendant has been charged with a violation of Section 12-1, 12-2, 12-3, 12-3.2, 12-3.4, or 12-3.5 of the Criminal Code of 1961, the State may, at arraignment or no later than 45 days after arraignment, for the purpose of notification to the Department of State Police Firearm Owner's Identification Card Office, serve on the defendant and file with the court a notice alleging that conviction of the offense would subject the defendant to the prohibitions of 18 U.S.C. 922(g)(9) because of the relationship between the defendant and the alleged victim and the nature of the alleged offense.

(b) The notice shall include the name of the person alleged to be the victim of the crime and shall specify the nature of the alleged relationship as set forth in 18 U.S.C. 921(a)(33)(A)(ii). It shall also specify the element of the charged offense which requires the use or attempted use of physical force, or the threatened use of a deadly weapon, as set forth 18 U.S.C. 921(a)(33)(A)(ii). It shall also include notice that the defendant is entitled to a hearing on the allegation contained in the notice and that if the allegation is sustained, that determination and conviction shall be reported to the Department of State Police Firearm Owner's Identification Card Office.

(c) After having been notified as provided in subsection (b) of this Section, the defendant may stipulate or admit, orally on the record or in writing, that conviction of the offense would subject the defendant to the prohibitions of 18 U.S.C. 922(g)(9). In that case, the applicability of 18 U.S.C. 922(g)(9) shall be deemed established for purposes of Section 112A-11.2. If the defendant denies the applicability of 18 U.S.C. 922(g)(9) as alleged in the notice served by the State, or stands mute with respect to that allegation, then the State shall bear the burden to prove beyond a reasonable doubt that the offense is one to which the prohibitions of 18 U.S.C. 922(g)(9) apply. The court may consider reliable hearsay evidence submitted by either party provided that it is relevant to the determination of the allegation. Facts previously proven at trial or elicited at the time of entry of a plea of guilty shall be deemed established beyond a reasonable doubt and shall not be relitigated. At the conclusion of the hearing, or upon a stipulation or admission, as applicable, the court shall make a specific written determination with respect to the allegation.

(725 ILCS 5/112A-11.2 new)

Sec. 112A-11.2. Notification to the Department of State Police Firearm Owner's Identification Card Office of determinations in certain misdemeanor cases. Upon judgment of conviction of a violation of Section 12-1, 12-2, 12-3, 12-3.2, 12-3.4, or 12-3.5 of the Criminal Code of 1961 when the defendant has been determined, under Section 112A-11.1, to be subject to the prohibitions of 18 U.S.C. 922(g)(9), the circuit court clerk shall include notification and a copy of the written determination in a report of the conviction to the Department of State Police Firearm Owner's Identification Card Office to enable the office to report that determination to the Federal Bureau of Investigation and assist the Bureau in identifying persons prohibited from purchasing and possessing a firearm pursuant to the provisions of 18 U.S.C. 922.

(725 ILCS 5/112A-14) (from Ch. 38, par. 112A-14)

Sec. 112A-14. Order of protection; remedies.

(a) Issuance of order. If the court finds that petitioner has been abused by a family or household member, as defined in this Article, an order of protection prohibiting such abuse shall issue; provided that petitioner must also satisfy the requirements of one of the following Sections, as appropriate: Section 112A-17 on emergency orders, Section 112A-18 on interim orders, or Section 112A-19 on plenary orders. Petitioner shall not be denied an order of protection because petitioner or respondent is a minor. The court, when determining whether or not to issue an order of protection, shall not require physical manifestations of abuse on the person of the victim. Modification and extension of prior orders of protection shall be in accordance with this Article.

(b) Remedies and standards. The remedies to be included in an order of protection shall be determined in accordance with this Section and one of the following Sections, as appropriate: Section 112A-17 on emergency orders, Section 112A-18 on interim orders, and Section 112A-19 on plenary orders. The remedies listed in this subsection shall be in addition to other civil or criminal remedies available to petitioner.

(1) Prohibition of abuse. Prohibit respondent's harassment, interference with personal liberty, intimidation of a dependent, physical abuse or willful deprivation, as defined in this Article, if such abuse has occurred or otherwise appears likely to occur if not prohibited.

(2) Grant of exclusive possession of residence. Prohibit respondent from entering or remaining in any residence, household, or premises of the petitioner, including one owned or leased by respondent, if petitioner has a right to occupancy thereof. The grant of exclusive possession of the residence, household, or premises shall not affect title to real property, nor shall the court be limited by the standard set forth in Section 701 of the Illinois Marriage and Dissolution of Marriage Act.

(A) Right to occupancy. A party has a right to occupancy of a residence or household if it is solely or jointly owned or leased by that party, that party's spouse, a person with a legal duty to support that party or a minor child in that party's care, or by any person or entity other than the opposing party that authorizes that party's occupancy (e.g., a domestic violence shelter). Standards set forth in subparagraph (B) shall not preclude equitable relief.

(B) Presumption of hardships. If petitioner and respondent each has the right to occupancy of a residence or household, the court shall balance (i) the hardships to respondent and any minor child or dependent adult in respondent's care resulting from entry of this remedy with (ii) the hardships to petitioner and any minor child or dependent adult in petitioner's care resulting from continued exposure to the risk of abuse (should petitioner remain at the residence or household) or from loss of possession of the residence or household (should petitioner leave to avoid the risk of abuse). When determining the balance of hardships, the court shall also take into account the accessibility of the residence or household. Hardships need not be balanced if respondent does not have a right to occupancy.

The balance of hardships is presumed to favor possession by petitioner unless the presumption is rebutted by a preponderance of the evidence, showing that the hardships to respondent substantially outweigh the hardships to petitioner and any minor child or dependent adult in petitioner's care. The court, on the request of petitioner or on its own motion, may order respondent to provide suitable, accessible, alternate housing for petitioner instead of excluding respondent from a mutual residence or household.

(3) Stay away order and additional prohibitions. Order respondent to stay away from petitioner or any other person protected by the order of protection, or prohibit respondent from entering or remaining present at petitioner's school, place of employment, or other specified places at times when petitioner is present, or both, if reasonable, given the balance of hardships. Hardships need not be balanced for the court to enter a stay away order or prohibit entry if respondent has no right to enter the premises.

If an order of protection grants petitioner exclusive possession of the residence, or prohibits respondent from entering the residence, or orders respondent to stay away from petitioner or other protected persons, then the court may allow respondent access to the residence to remove items of clothing and personal adornment used exclusively by respondent, medications, and other items as the court directs. The right to access shall be exercised on only one occasion as the court directs and in the presence of an agreed-upon adult third party or law enforcement officer.

(4) Counseling. Require or recommend the respondent to undergo counseling for a specified duration with a social worker, psychologist, clinical psychologist, psychiatrist, family service agency, alcohol or substance abuse program, mental health center guidance counselor, agency providing services to elders, program designed for domestic violence abusers or any other guidance service the court deems appropriate. The court may order the respondent in any intimate partner relationship to report to an Illinois Department of Human Services protocol approved partner abuse intervention program for an assessment and to follow all recommended treatment.

(5) Physical care and possession of the minor child. In order to protect the minor child from abuse, neglect, or unwarranted separation from the person who has been the minor child's primary caretaker, or to otherwise protect the well-being of the minor child, the court may do either or both of the following: (i) grant petitioner physical care or possession of the minor child, or both, or (ii) order respondent to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 112A-3) of a minor child, there shall be a rebuttable presumption that awarding physical care to respondent would not be in the minor child's best interest.

(6) Temporary legal custody. Award temporary legal custody to petitioner in accordance with this Section, the Illinois Marriage and Dissolution of Marriage Act, the Illinois Parentage Act of 1984, and this State's Uniform Child-Custody Jurisdiction and Enforcement Act.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 112A-3) of a minor child, there shall be a rebuttable presumption that awarding temporary legal custody to respondent would not be in the child's best interest.

(7) Visitation. Determine the visitation rights, if any, of respondent in any case in which the court awards physical care or temporary legal custody of a minor child to petitioner. The court shall restrict or deny respondent's visitation with a minor child if the court finds that respondent has done or is likely to do any of the following: (i) abuse or endanger the minor child during visitation; (ii) use the visitation as an opportunity to abuse or harass petitioner or petitioner's family or

household members; (iii) improperly conceal or detain the minor child; or (iv) otherwise act in a manner that is not in the best interests of the minor child. The court shall not be limited by the standards set forth in Section 607.1 of the Illinois Marriage and Dissolution of Marriage Act. If the court grants visitation, the order shall specify dates and times for the visitation to take place or other specific parameters or conditions that are appropriate. No order for visitation shall refer merely to the term "reasonable visitation".

Petitioner may deny respondent access to the minor child if, when respondent arrives for visitation, respondent is under the influence of drugs or alcohol and constitutes a threat to the safety and well-being of petitioner or petitioner's minor children or is behaving in a violent or abusive manner.

If necessary to protect any member of petitioner's family or household from future abuse, respondent shall be prohibited from coming to petitioner's residence to meet the minor child for visitation, and the parties shall submit to the court their recommendations for reasonable alternative arrangements for visitation. A person may be approved to supervise visitation only after filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(8) Removal or concealment of minor child. Prohibit respondent from removing a minor child from the State or concealing the child within the State.

(9) Order to appear. Order the respondent to appear in court, alone or with a minor child, to prevent abuse, neglect, removal or concealment of the child, to return the child to the custody or care of the petitioner or to permit any court-ordered interview or examination of the child or the respondent.

(10) Possession of personal property. Grant petitioner exclusive possession of personal property and, if respondent has possession or control, direct respondent to promptly make it available to petitioner, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly; sharing it would risk abuse of petitioner by respondent or is impracticable; and the balance of hardships favors temporary possession by petitioner.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may award petitioner temporary possession thereof under the standards of subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

No order under this provision shall affect title to property.

(11) Protection of property. Forbid the respondent from taking, transferring, encumbering, concealing, damaging or otherwise disposing of any real or personal property, except as explicitly authorized by the court, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly, and the balance of hardships favors granting this remedy.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may grant petitioner relief under subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

The court may further prohibit respondent from improperly using the financial or other resources of an aged member of the family or household for the profit or advantage of respondent or of any other person.

(11.5) Protection of animals. Grant the petitioner the exclusive care, custody, or control of any animal owned, possessed, leased, kept, or held by either the petitioner or the respondent or a minor child residing in the residence or household of either the petitioner or the respondent and order the respondent to stay away from the animal and forbid the respondent from taking, transferring, encumbering, concealing, harming, or otherwise disposing of the animal.

(12) Order for payment of support. Order respondent to pay temporary support for the petitioner or any child in the petitioner's care or custody, when the respondent has a legal obligation to support that person, in accordance with the Illinois Marriage and Dissolution of Marriage Act, which shall govern, among other matters, the amount of support, payment through the clerk and withholding of income to secure payment. An order for child support may be granted to a petitioner with lawful physical care or custody of a child, or an order or agreement for physical care or custody, prior to entry of an order for legal custody. Such a support order shall expire upon entry of a valid order granting legal custody to another, unless otherwise provided in the custody order.

(13) Order for payment of losses. Order respondent to pay petitioner for losses suffered as a direct result of the abuse. Such losses shall include, but not be limited to, medical expenses, lost earnings or other support, repair or replacement of property damaged or taken, reasonable attorney's fees, court costs and moving or other travel expenses, including additional reasonable expenses for temporary shelter and restaurant meals.

(i) Losses affecting family needs. If a party is entitled to seek maintenance, child support or property distribution from the other party under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended, the court may order respondent to reimburse petitioner's actual losses, to the extent that such reimbursement would be "appropriate temporary relief", as authorized by subsection (a)(3) of Section 501 of that Act.

(ii) Recovery of expenses. In the case of an improper concealment or removal of a minor child, the court may order respondent to pay the reasonable expenses incurred or to be incurred in the search for and recovery of the minor child, including but not limited to legal fees, court costs, private investigator fees, and travel costs.

(14) Prohibition of entry. Prohibit the respondent from entering or remaining in the residence or household while the respondent is under the influence of alcohol or drugs and constitutes a threat to the safety and well-being of the petitioner or the petitioner's children.

(14.5) Prohibition of firearm possession.

(a) Prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order:

(1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate;

(2) restrains such person from harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and

(3)(i) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or (ii) by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury.

Any firearms in the possession of the respondent, except as provided in subsection (b), shall be ordered by the court to be turned over to the local law enforcement agency for safekeeping. The court shall issue an order that the respondent's Firearm Owner's Identification Card be turned over to the local law enforcement agency, which in turn shall immediately mail the card to the Department of State Police Firearm Owner's Identification Card Office for safekeeping. The period of safekeeping shall be for the duration of the order of protection. The firearm or firearms and Firearm Owner's Identification Card, if unexpired, shall at the respondent's request ~~shall~~ be returned to the respondent at expiration of the order of protection.

(b) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 1961, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the duration of the order of protection.

(c) Upon expiration of the period of safekeeping, if the firearms or Firearm Owner's Identification Card cannot be returned to respondent because respondent cannot be located, fails to respond to requests to retrieve the firearms, or is not lawfully eligible to possess a firearm, upon petition from the local law enforcement agency, the court may order the local law enforcement agency to destroy the firearms, use the firearms for training purposes, or for any other application as deemed appropriate by the local law enforcement agency; or that the firearms be turned over to a third party who is lawfully eligible to possess firearms, and who does not reside with respondent.

(15) Prohibition of access to records. If an order of protection prohibits respondent from having contact with the minor child, or if petitioner's address is omitted under subsection (b) of Section 112A-5, or if necessary to prevent abuse or wrongful removal or concealment of a minor child, the order shall deny respondent access to, and prohibit respondent from inspecting, obtaining, or attempting to inspect or obtain, school or any other records of the minor child who is in the care of petitioner.

(16) Order for payment of shelter services. Order respondent to reimburse a shelter providing temporary housing and counseling services to the petitioner for the cost of the services, as

certified by the shelter and deemed reasonable by the court.

(17) Order for injunctive relief. Enter injunctive relief necessary or appropriate to prevent further abuse of a family or household member or to effectuate one of the granted remedies, if supported by the balance of hardships. If the harm to be prevented by the injunction is abuse or any other harm that one of the remedies listed in paragraphs (1) through (16) of this subsection is designed to prevent, no further evidence is necessary to establish that the harm is an irreparable injury.

(c) Relevant factors; findings.

(1) In determining whether to grant a specific remedy, other than payment of support, the court shall consider relevant factors, including but not limited to the following:

(i) the nature, frequency, severity, pattern and consequences of the respondent's past abuse of the petitioner or any family or household member, including the concealment of his or her location in order to evade service of process or notice, and the likelihood of danger of future abuse to petitioner or any member of petitioner's or respondent's family or household; and

(ii) the danger that any minor child will be abused or neglected or improperly removed from the jurisdiction, improperly concealed within the State or improperly separated from the child's primary caretaker.

(2) In comparing relative hardships resulting to the parties from loss of possession of the family home, the court shall consider relevant factors, including but not limited to the following:

(i) availability, accessibility, cost, safety, adequacy, location and other characteristics of alternate housing for each party and any minor child or dependent adult in the party's care;

(ii) the effect on the party's employment; and

(iii) the effect on the relationship of the party, and any minor child or dependent adult in the party's care, to family, school, church and community.

(3) Subject to the exceptions set forth in paragraph (4) of this subsection, the court shall make its findings in an official record or in writing, and shall at a minimum set forth the following:

(i) That the court has considered the applicable relevant factors described in paragraphs (1) and (2) of this subsection.

(ii) Whether the conduct or actions of respondent, unless prohibited, will likely cause irreparable harm or continued abuse.

(iii) Whether it is necessary to grant the requested relief in order to protect petitioner or other alleged abused persons.

(4) For purposes of issuing an ex parte emergency order of protection, the court, as an alternative to or as a supplement to making the findings described in paragraphs (c)(3)(i) through (c)(3)(iii) of this subsection, may use the following procedure:

When a verified petition for an emergency order of protection in accordance with the requirements of Sections 112A-5 and 112A-17 is presented to the court, the court shall examine petitioner on oath or affirmation. An emergency order of protection shall be issued by the court if it appears from the contents of the petition and the examination of petitioner that the averments are sufficient to indicate abuse by respondent and to support the granting of relief under the issuance of the emergency order of protection.

(5) Never married parties. No rights or responsibilities for a minor child born outside of marriage attach to a putative father until a father and child relationship has been established under the Illinois Parentage Act of 1984. Absent such an adjudication, no putative father shall be granted temporary custody of the minor child, visitation with the minor child, or physical care and possession of the minor child, nor shall an order of payment for support of the minor child be entered.

(d) Balance of hardships; findings. If the court finds that the balance of hardships does not support the granting of a remedy governed by paragraph (2), (3), (10), (11), or (16) of subsection (b) of this Section, which may require such balancing, the court's findings shall so indicate and shall include a finding as to whether granting the remedy will result in hardship to respondent that would substantially outweigh the hardship to petitioner from denial of the remedy. The findings shall be an official record or in writing.

(e) Denial of remedies. Denial of any remedy shall not be based, in whole or in part, on evidence that:

(1) Respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article VII of the Criminal Code of 1961;

(2) Respondent was voluntarily intoxicated;

(3) Petitioner acted in self-defense or defense of another, provided that, if petitioner utilized force, such force was justifiable under Article VII of the Criminal Code of 1961;

(4) Petitioner did not act in self-defense or defense of another;

(5) Petitioner left the residence or household to avoid further abuse by respondent;

(6) Petitioner did not leave the residence or household to avoid further abuse by respondent;

(7) Conduct by any family or household member excused the abuse by respondent, unless that same conduct would have excused such abuse if the parties had not been family or household members.

The court may not impose the fee on a minor who is made a ward of the State under the Juvenile Court Act of 1987 while the minor is in placement. The fee shall be imposed only upon an offender who is actively supervised by the probation and court services department. The fee shall be collected by the clerk of the circuit court. The Court may only waive probation fees based on an offender's ability to pay. The probation department may re-evaluate an offender's ability to pay every 6 months, and, with the approval of the Director of Court Services or the Chief Probation Officer, adjust the monthly fee amount. This amendatory Act of the 93rd General Assembly deletes the \$10 increase in the fee under this subsection that was imposed by Public Act 93-616. This deletion is intended to control over any other Act of the 93rd General Assembly that retains or incorporates that fee increase.

(i-5) In addition to the fees imposed under subsection (i) of this Section, in the case of an offender convicted of a felony sex offense (as defined in the Sex Offender Management Board Act) or an offense that the court or probation department has determined to be sexually motivated (as defined in the Sex Offender Management Board Act), the court or the probation department shall assess additional fees to pay for all costs of treatment, assessment, evaluation for risk and treatment, and monitoring the offender, based on that offender's ability to pay those costs either as they occur or under a payment plan.

(j) All fines and costs imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

(k) Any offender who is sentenced to probation or conditional discharge for a felony sex offense as defined in the Sex Offender Management Board Act or any offense that the court or probation department has determined to be sexually motivated as defined in the Sex Offender Management Board Act shall be required to refrain from any contact, directly or indirectly, with any persons specified by the court and shall be available for all evaluations and treatment programs required by the court or the probation department.

(l) The court may order an offender who is sentenced to probation or conditional discharge for a violation of an order of protection be placed under electronic surveillance as provided in Section 5-8A-7 of this Code.

(1) prohibit the respondent from threatening to commit or committing stalking;

(2) order the respondent not to have any contact with the petitioner or a third person specifically named by the court;

(3) prohibit the respondent from knowingly coming within, or knowingly remaining within a specified distance of the petitioner or the petitioner's residence, school, daycare, or place of employment, or any specified place frequented by the petitioner; however, the court may order the respondent to stay away from the respondent's own residence, school, or place of employment only if the respondent has been provided actual notice of the opportunity to appear and be heard on the petition;

(4) prohibit the respondent from possessing a Firearm Owners Identification Card, or possessing or buying firearms; and

(5) order other injunctive relief the court determines to be necessary to protect the petitioner or third party specifically named by the court.

(b-5) When the petitioner and the respondent attend the same public, private, or non-public elementary, middle, or high school, the court when issuing a stalking no contact order and providing relief shall consider the severity of the act, any continuing physical danger or emotional distress to the petitioner, the educational rights guaranteed to the petitioner and respondent under federal and State law, the availability of a transfer of the respondent to another school, a change of placement or a change of program of the respondent, the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school, and any other relevant facts of the case. The court may order that the respondent not attend the public, private, or non-public elementary, middle, or high school attended by the petitioner, order that the respondent accept a change of placement or program, as

determined by the school district or private or non-public school, or place restrictions on the respondent's movements within the school attended by the petitioner. The respondent bears the burden of proving by a preponderance of the evidence that a transfer, change of placement, or change of program of the respondent is not available. The respondent also bears the burden of production with respect to the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. A transfer, change of placement, or change of program is not unavailable to the respondent solely on the ground that the respondent does not agree with the school district's or private or non-public school's transfer, change of placement, or change of program or solely on the ground that the respondent fails or refuses to consent to or otherwise does not take an action required to effectuate a transfer, change of placement, or change of program. When a court orders a respondent to stay away from the public, private, or non-public school attended by the petitioner and the respondent requests a transfer to another attendance center within the respondent's school district or private or non-public school, the school district or private or non-public school shall have sole discretion to determine the attendance center to which the respondent is transferred. In the event the court order results in a transfer of the minor respondent to another attendance center, a change in the respondent's placement, or a change of the respondent's program, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the transfer or change.

(b-6) The court may order the parents, guardian, or legal custodian of a minor respondent to take certain actions or to refrain from taking certain actions to ensure that the respondent complies with the order. In the event the court orders a transfer of the respondent to another school, the parents, guardian, or legal custodian of the respondent are responsible for transportation and other costs associated with the change of school by the respondent.

(b-7) The court shall not hold a school district or private or non-public school or any of its employees in civil or criminal contempt unless the school district or private or non-public school has been allowed to intervene.

(b-8) The court may hold the parents, guardian, or legal custodian of a minor respondent in civil or criminal contempt for a violation of any provision of any order entered under this Act for conduct of the minor respondent in violation of this Act if the parents, guardian, or legal custodian directed, encouraged, or assisted the respondent minor in such conduct.

(c) The court may award the petitioner costs and attorneys fees if a stalking no contact order is granted.

(d) Monetary damages are not recoverable as a remedy.

(e) If the stalking no contact order prohibits the respondent from possessing a Firearm Owner's Identification Card, or possessing or buying firearms; the court shall confiscate the respondent's Firearm Owner's Identification Card and immediately return the card to the Department of State Police Firearm Owner's Identification Card Office.

Section 35. The Illinois Domestic Violence Act of 1986 is amended by changing Section 214 as follows:

(750 ILCS 60/214) (from Ch. 40, par. 2312-14)

Sec. 214. Order of protection; remedies.

(a) Issuance of order. If the court finds that petitioner has been abused by a family or household member or that petitioner is a high-risk adult who has been abused, neglected, or exploited, as defined in this Act, an order of protection prohibiting the abuse, neglect, or exploitation shall issue; provided that petitioner must also satisfy the requirements of one of the following Sections, as appropriate: Section 217 on emergency orders, Section 218 on interim orders, or Section 219 on plenary orders. Petitioner shall not be denied an order of protection because petitioner or respondent is a minor. The court, when determining whether or not to issue an order of protection, shall not require physical manifestations of abuse on the person of the victim. Modification and extension of prior orders of protection shall be in accordance with this Act.

(b) Remedies and standards. The remedies to be included in an order of protection shall be determined in accordance with this Section and one of the following Sections, as appropriate: Section 217 on emergency orders, Section 218 on interim orders, and Section 219 on plenary orders. The remedies listed in this subsection shall be in addition to other civil or criminal remedies available to petitioner.

(1) Prohibition of abuse, neglect, or exploitation. Prohibit respondent's harassment, interference with personal liberty, intimidation of a dependent, physical abuse, or willful deprivation, neglect or exploitation, as defined in this Act, or stalking of the petitioner, as defined in Section 12-7.3 of the Criminal Code of 1961, if such abuse, neglect, exploitation, or stalking has occurred or

otherwise appears likely to occur if not prohibited.

(2) Grant of exclusive possession of residence. Prohibit respondent from entering or remaining in any residence, household, or premises of the petitioner, including one owned or leased by respondent, if petitioner has a right to occupancy thereof. The grant of exclusive possession of the residence, household, or premises shall not affect title to real property, nor shall the court be limited by the standard set forth in Section 701 of the Illinois Marriage and Dissolution of Marriage Act.

(A) Right to occupancy. A party has a right to occupancy of a residence or household if it is solely or jointly owned or leased by that party, that party's spouse, a person with a legal duty to support that party or a minor child in that party's care, or by any person or entity other than the opposing party that authorizes that party's occupancy (e.g., a domestic violence shelter). Standards set forth in subparagraph (B) shall not preclude equitable relief.

(B) Presumption of hardships. If petitioner and respondent each has the right to occupancy of a residence or household, the court shall balance (i) the hardships to respondent and any minor child or dependent adult in respondent's care resulting from entry of this remedy with (ii) the hardships to petitioner and any minor child or dependent adult in petitioner's care resulting from continued exposure to the risk of abuse (should petitioner remain at the residence or household) or from loss of possession of the residence or household (should petitioner leave to avoid the risk of abuse). When determining the balance of hardships, the court shall also take into account the accessibility of the residence or household. Hardships need not be balanced if respondent does not have a right to occupancy.

The balance of hardships is presumed to favor possession by petitioner unless the presumption is rebutted by a preponderance of the evidence, showing that the hardships to respondent substantially outweigh the hardships to petitioner and any minor child or dependent adult in petitioner's care. The court, on the request of petitioner or on its own motion, may order respondent to provide suitable, accessible, alternate housing for petitioner instead of excluding respondent from a mutual residence or household.

(3) Stay away order and additional prohibitions. Order respondent to stay away from petitioner or any other person protected by the order of protection, or prohibit respondent from entering or remaining present at petitioner's school, place of employment, or other specified places at times when petitioner is present, or both, if reasonable, given the balance of hardships. Hardships need not be balanced for the court to enter a stay away order or prohibit entry if respondent has no right to enter the premises.

(A) If an order of protection grants petitioner exclusive possession of the residence, or prohibits respondent from entering the residence, or orders respondent to stay away from petitioner or other protected persons, then the court may allow respondent access to the residence to remove items of clothing and personal adornment used exclusively by respondent, medications, and other items as the court directs. The right to access shall be exercised on only one occasion as the court directs and in the presence of an agreed-upon adult third party or law enforcement officer.

(B) When the petitioner and the respondent attend the same public, private, or non-public elementary, middle, or high school, the court when issuing an order of protection and providing relief shall consider the severity of the act, any continuing physical danger or emotional distress to the petitioner, the educational rights guaranteed to the petitioner and respondent under federal and State law, the availability of a transfer of the respondent to another school, a change of placement or a change of program of the respondent, the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school, and any other relevant facts of the case. The court may order that the respondent not attend the public, private, or non-public elementary, middle, or high school attended by the petitioner, order that the respondent accept a change of placement or change of program, as determined by the school district or private or non-public school, or place restrictions on the respondent's movements within the school attended by the petitioner. The respondent bears the burden of proving by a preponderance of the evidence that a transfer, change of placement, or change of program of the respondent is not available. The respondent also bears the burden of production with respect to the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. A transfer, change of placement, or change of program is not unavailable to the respondent solely on the ground that the respondent does not agree with the school district's or private or non-public school's transfer, change of placement, or change of program or solely on the ground that the respondent fails or refuses to consent or otherwise does not take an action required to effectuate a transfer, change of placement, or change of program. When a court orders a

respondent to stay away from the public, private, or non-public school attended by the petitioner and the respondent requests a transfer to another attendance center within the respondent's school district or private or non-public school, the school district or private or non-public school shall have sole discretion to determine the attendance center to which the respondent is transferred. In the event the court order results in a transfer of the minor respondent to another attendance center, a change in the respondent's placement, or a change of the respondent's program, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the transfer or change.

(C) The court may order the parents, guardian, or legal custodian of a minor respondent to take certain actions or to refrain from taking certain actions to ensure that the respondent complies with the order. ~~The court may order the parents, guardian, or legal custodian of a minor respondent to take certain actions or to refrain from taking certain actions to ensure that the respondent complies with the order.~~ In the event the court orders a transfer of the respondent to another school, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the change of school by the respondent.

(4) Counseling. Require or recommend the respondent to undergo counseling for a specified duration with a social worker, psychologist, clinical psychologist, psychiatrist, family service agency, alcohol or substance abuse program, mental health center guidance counselor, agency providing services to elders, program designed for domestic violence abusers or any other guidance service the court deems appropriate. The Court may order the respondent in any intimate partner relationship to report to an Illinois Department of Human Services protocol approved partner abuse intervention program for an assessment and to follow all recommended treatment.

(5) Physical care and possession of the minor child. In order to protect the minor child from abuse, neglect, or unwarranted separation from the person who has been the minor child's primary caretaker, or to otherwise protect the well-being of the minor child, the court may do either or both of the following: (i) grant petitioner physical care or possession of the minor child, or both, or (ii) order respondent to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 103) of a minor child, there shall be a rebuttable presumption that awarding physical care to respondent would not be in the minor child's best interest.

(6) Temporary legal custody. Award temporary legal custody to petitioner in accordance with this Section, the Illinois Marriage and Dissolution of Marriage Act, the Illinois Parentage Act of 1984, and this State's Uniform Child-Custody Jurisdiction and Enforcement Act.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 103) of a minor child, there shall be a rebuttable presumption that awarding temporary legal custody to respondent would not be in the child's best interest.

(7) Visitation. Determine the visitation rights, if any, of respondent in any case in which the court awards physical care or temporary legal custody of a minor child to petitioner. The court shall restrict or deny respondent's visitation with a minor child if the court finds that respondent has done or is likely to do any of the following: (i) abuse or endanger the minor child during visitation; (ii) use the visitation as an opportunity to abuse or harass petitioner or petitioner's family or household members; (iii) improperly conceal or detain the minor child; or (iv) otherwise act in a manner that is not in the best interests of the minor child. The court shall not be limited by the standards set forth in Section 607.1 of the Illinois Marriage and Dissolution of Marriage Act. If the court grants visitation, the order shall specify dates and times for the visitation to take place or other specific parameters or conditions that are appropriate. No order for visitation shall refer merely to the term "reasonable visitation".

Petitioner may deny respondent access to the minor child if, when respondent arrives for visitation, respondent is under the influence of drugs or alcohol and constitutes a threat to the safety and well-being of petitioner or petitioner's minor children or is behaving in a violent or abusive manner.

If necessary to protect any member of petitioner's family or household from future abuse, respondent shall be prohibited from coming to petitioner's residence to meet the minor child for visitation, and the parties shall submit to the court their recommendations for reasonable alternative arrangements for visitation. A person may be approved to supervise visitation only after filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(8) Removal or concealment of minor child. Prohibit respondent from removing a minor child from the State or concealing the child within the State.

(9) Order to appear. Order the respondent to appear in court, alone or with a minor child, to prevent abuse, neglect, removal or concealment of the child, to return the child to the custody or care of the petitioner or to permit any court-ordered interview or examination of the child or the respondent.

(10) Possession of personal property. Grant petitioner exclusive possession of personal property and, if respondent has possession or control, direct respondent to promptly make it available to petitioner, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly; sharing it would risk abuse of petitioner by respondent or is impracticable; and the balance of hardships favors temporary possession by petitioner.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may award petitioner temporary possession thereof under the standards of subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

No order under this provision shall affect title to property.

(11) Protection of property. Forbid the respondent from taking, transferring, encumbering, concealing, damaging or otherwise disposing of any real or personal property, except as explicitly authorized by the court, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly, and the balance of hardships favors granting this remedy.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may grant petitioner relief under subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

The court may further prohibit respondent from improperly using the financial or other resources of an aged member of the family or household for the profit or advantage of respondent or of any other person.

(11.5) Protection of animals. Grant the petitioner the exclusive care, custody, or control of any animal owned, possessed, leased, kept, or held by either the petitioner or the respondent or a minor child residing in the residence or household of either the petitioner or the respondent and order the respondent to stay away from the animal and forbid the respondent from taking, transferring, encumbering, concealing, harming, or otherwise disposing of the animal.

(12) Order for payment of support. Order respondent to pay temporary support for the petitioner or any child in the petitioner's care or custody, when the respondent has a legal obligation to support that person, in accordance with the Illinois Marriage and Dissolution of Marriage Act, which shall govern, among other matters, the amount of support, payment through the clerk and withholding of income to secure payment. An order for child support may be granted to a petitioner with lawful physical care or custody of a child, or an order or agreement for physical care or custody, prior to entry of an order for legal custody. Such a support order shall expire upon entry of a valid order granting legal custody to another, unless otherwise provided in the custody order.

(13) Order for payment of losses. Order respondent to pay petitioner for losses suffered as a direct result of the abuse, neglect, or exploitation. Such losses shall include, but not be limited to, medical expenses, lost earnings or other support, repair or replacement of property damaged or taken, reasonable attorney's fees, court costs and moving or other travel expenses, including additional reasonable expenses for temporary shelter and restaurant meals.

(i) Losses affecting family needs. If a party is entitled to seek maintenance, child support or property distribution from the other party under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended, the court may order respondent to reimburse petitioner's actual losses, to the extent that such reimbursement would be "appropriate temporary relief", as authorized by subsection (a)(3) of Section 501 of that Act.

(ii) Recovery of expenses. In the case of an improper concealment or removal of a minor child, the court may order respondent to pay the reasonable expenses incurred or to be incurred in the search for and recovery of the minor child, including but not limited to legal fees, court costs, private investigator fees, and travel costs.

(14) Prohibition of entry. Prohibit the respondent from entering or remaining in the residence or household while the respondent is under the influence of alcohol or drugs and constitutes a threat to the safety and well-being of the petitioner or the petitioner's children.

## (14.5) Prohibition of firearm possession.

(a) Prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order:

(1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate;

(2) restrains such person from harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and

(3)(i) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or (ii) by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury.

Any Firearm Owner's Identification Card in the possession of the respondent, except as provided in subsection (b), shall be ordered by the court to be turned over to the local law enforcement agency. The local law enforcement agency shall immediately mail the card to the Department of State Police Firearm Owner's Identification Card Office for safekeeping. The court shall issue a warrant for seizure of any firearm ~~and Firearm Owner's Identification Card~~ in the possession of the respondent, to be kept by the local law enforcement agency for safekeeping, except as provided in subsection (b). The period of safekeeping shall be for the duration of the order of protection. The firearm or firearms and Firearm Owner's Identification Card, if unexpired, shall at the respondent's request, shall be returned to the respondent at the end of the order of protection. It is the respondent's responsibility to notify the Department of State Police Firearm Owner's Identification Card Office.

(b) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 1961, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the duration of the order of protection.

(c) Upon expiration of the period of safekeeping, if the firearms or Firearm Owner's Identification Card cannot be returned to respondent because respondent cannot be located, fails to respond to requests to retrieve the firearms, or is not lawfully eligible to possess a firearm, upon petition from the local law enforcement agency, the court may order the local law enforcement agency to destroy the firearms, use the firearms for training purposes, or for any other application as deemed appropriate by the local law enforcement agency; or that the firearms be turned over to a third party who is lawfully eligible to possess firearms, and who does not reside with respondent.

(15) Prohibition of access to records. If an order of protection prohibits respondent from having contact with the minor child, or if petitioner's address is omitted under subsection (b) of Section 203, or if necessary to prevent abuse or wrongful removal or concealment of a minor child, the order shall deny respondent access to, and prohibit respondent from inspecting, obtaining, or attempting to inspect or obtain, school or any other records of the minor child who is in the care of petitioner.

(16) Order for payment of shelter services. Order respondent to reimburse a shelter providing temporary housing and counseling services to the petitioner for the cost of the services, as certified by the shelter and deemed reasonable by the court.

(17) Order for injunctive relief. Enter injunctive relief necessary or appropriate to prevent further abuse of a family or household member or further abuse, neglect, or exploitation of a high-risk adult with disabilities or to effectuate one of the granted remedies, if supported by the balance of hardships. If the harm to be prevented by the injunction is abuse or any other harm that one of the remedies listed in paragraphs (1) through (16) of this subsection is designed to prevent, no further evidence is necessary that the harm is an irreparable injury.

## (c) Relevant factors; findings.

(1) In determining whether to grant a specific remedy, other than payment of support, the court shall consider relevant factors, including but not limited to the following:

(i) the nature, frequency, severity, pattern and consequences of the respondent's

past abuse, neglect or exploitation of the petitioner or any family or household member, including the concealment of his or her location in order to evade service of process or notice, and the likelihood of danger of future abuse, neglect, or exploitation to petitioner or any member of

petitioner's or respondent's family or household; and

(ii) the danger that any minor child will be abused or neglected or improperly removed from the jurisdiction, improperly concealed within the State or improperly separated from the child's primary caretaker.

(2) In comparing relative hardships resulting to the parties from loss of possession of the family home, the court shall consider relevant factors, including but not limited to the following:

(i) availability, accessibility, cost, safety, adequacy, location and other characteristics of alternate housing for each party and any minor child or dependent adult in the party's care;

(ii) the effect on the party's employment; and

(iii) the effect on the relationship of the party, and any minor child or dependent adult in the party's care, to family, school, church and community.

(3) Subject to the exceptions set forth in paragraph (4) of this subsection, the court shall make its findings in an official record or in writing, and shall at a minimum set forth the following:

(i) That the court has considered the applicable relevant factors described in paragraphs (1) and (2) of this subsection.

(ii) Whether the conduct or actions of respondent, unless prohibited, will likely cause irreparable harm or continued abuse.

(iii) Whether it is necessary to grant the requested relief in order to protect petitioner or other alleged abused persons.

(4) For purposes of issuing an ex parte emergency order of protection, the court, as an alternative to or as a supplement to making the findings described in paragraphs (c)(3)(i) through (c)(3)(iii) of this subsection, may use the following procedure:

When a verified petition for an emergency order of protection in accordance with the requirements of Sections 203 and 217 is presented to the court, the court shall examine petitioner on oath or affirmation. An emergency order of protection shall be issued by the court if it appears from the contents of the petition and the examination of petitioner that the averments are sufficient to indicate abuse by respondent and to support the granting of relief under the issuance of the emergency order of protection.

(5) Never married parties. No rights or responsibilities for a minor child born outside of marriage attach to a putative father until a father and child relationship has been established under the Illinois Parentage Act of 1984, the Illinois Public Aid Code, Section 12 of the Vital Records Act, the Juvenile Court Act of 1987, the Probate Act of 1985, the Revised Uniform Reciprocal Enforcement of Support Act, the Uniform Interstate Family Support Act, the Expedited Child Support Act of 1990, any judicial, administrative, or other act of another state or territory, any other Illinois statute, or by any foreign nation establishing the father and child relationship, any other proceeding substantially in conformity with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Pub. L. 104-193), or where both parties appeared in open court or at an administrative hearing acknowledging under oath or admitting by affirmation the existence of a father and child relationship. Absent such an adjudication, finding, or acknowledgement, no putative father shall be granted temporary custody of the minor child, visitation with the minor child, or physical care and possession of the minor child, nor shall an order of payment for support of the minor child be entered.

(d) Balance of hardships; findings. If the court finds that the balance of hardships does not support the granting of a remedy governed by paragraph (2), (3), (10), (11), or (16) of subsection (b) of this Section, which may require such balancing, the court's findings shall so indicate and shall include a finding as to whether granting the remedy will result in hardship to respondent that would substantially outweigh the hardship to petitioner from denial of the remedy. The findings shall be an official record or in writing.

(e) Denial of remedies. Denial of any remedy shall not be based, in whole or in part, on evidence that:

(1) Respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article VII of the Criminal Code of 1961;

(2) Respondent was voluntarily intoxicated;

(3) Petitioner acted in self-defense or defense of another, provided that, if petitioner utilized force, such force was justifiable under Article VII of the Criminal Code of 1961;

(4) Petitioner did not act in self-defense or defense of another;

(5) Petitioner left the residence or household to avoid further abuse, neglect, or exploitation by respondent;

(6) Petitioner did not leave the residence or household to avoid further abuse, neglect, or exploitation by respondent;

(7) Conduct by any family or household member excused the abuse, neglect, or exploitation by respondent, unless that same conduct would have excused such abuse, neglect, or exploitation if the parties had not been family or household members. The Fund shall be administered by the State Treasurer to collateralize loans from financial institutions for capital projects necessary to maintain certain basic services required for the efficient and effective operation of essential community hospital providers who otherwise may not be able to meet financial institution credit standards for issuance of a standard commercial loan. Beginning on July 1, 2013 and until June 30, 2014, the State Comptroller shall from time to time direct and the State Treasurer shall transfer amounts not to exceed the sum of \$4,000,000 from the Underground Resources Conservation Enforcement Fund to the General Revenue Fund, but in any event such transfers totaling \$4,000,000 shall be made on or before June 30, 2014.

Sec. 6z-45. The School Infrastructure Fund.

(a) The School Infrastructure Fund is created as a special fund in the State Treasury.

In addition to any other deposits authorized by law, beginning January 1, 2000, on the first day of each month, or as soon thereafter as may be practical, the State Treasurer and State Comptroller shall transfer the sum of \$5,000,000 from the General Revenue Fund to the School Infrastructure Fund; provided, however, that no such transfers shall be made from July 1, 2001 through June 30, 2003.

(b) Subject to the transfer provisions set forth below, money in the School Infrastructure Fund shall, if and when the State of Illinois incurs any bonded indebtedness for the construction of school improvements under the School Construction Law, be set aside and used for the purpose of paying and discharging annually the principal and interest on that bonded indebtedness then due and payable, and for no other purpose.

In addition to other transfers to the General Obligation Bond Retirement and Interest Fund made pursuant to Section 15 of the General Obligation Bond Act, upon each delivery of bonds issued for construction of school improvements under the School Construction Law, the State Comptroller shall compute and certify to the State Treasurer the total amount of principal of, interest on, and premium, if any, on such bonds during the then current and each succeeding fiscal year. With respect to the interest payable on variable rate bonds, such certifications shall be calculated at the maximum rate of interest that may be payable during the fiscal year, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest required to be appropriated for that period.

On or before the last day of each month, the State Treasurer and State Comptroller shall transfer from the School Infrastructure Fund to the General Obligation Bond Retirement and Interest Fund an amount

sufficient to pay the aggregate of the principal of, interest on, and premium, if any, on the bonds payable on their next payment date, divided by the number of monthly transfers occurring between the last previous payment date (or the delivery date if no payment date has yet occurred) and the next succeeding payment date, or so much thereof as is available on deposit in the School Infrastructure Fund on that date. Interest payable on variable rate bonds shall be calculated at the maximum rate of interest that may be payable for the relevant period, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest required to be appropriated for that period. Interest for which moneys have already been deposited into the capitalized interest account within the General Obligation Bond Retirement and Interest Fund shall not be included in the calculation of the amounts to be transferred under this subsection.

(c) The surplus, if any, in the School Infrastructure Fund after the payment of principal and interest on that bonded indebtedness then annually due shall, subject to appropriation, be used as follows:

First - to make 3 payments to the School Technology Revolving Loan Fund as follows:

- Transfer of \$30,000,000 in fiscal year 1999;
- Transfer of \$20,000,000 in fiscal year 2000; and
- Transfer of \$10,000,000 in fiscal year 2001.

Second - to pay the expenses of the State Board of Education and the Capital Development Board in administering programs under the School Construction Law, the total expenses not to exceed \$1,200,000 in any fiscal year.

Third - to pay any amounts due for grants for school construction projects and debt service under the School Construction Law.

Fourth - to pay any amounts due for grants for school maintenance projects under the School Construction Law.

(30 ILCS 105/13.2) (from Ch. 127, par. 149.2)

Sec. 13.2. Transfers among line item appropriations.

(a) Transfers among line item appropriations from the same treasury fund for the objects specified in this Section may be made in the manner provided in this Section when the balance remaining in one or more such line item appropriations is insufficient for the purpose for which the appropriation was made.

(a-1) No transfers may be made from one agency to another agency, nor may transfers be made from one institution of higher education to another institution of higher education except as provided by subsection (a-4).

(a-2) Except as otherwise provided in this Section, transfers may be made only among the objects of expenditure enumerated in this Section, except that no funds may be transferred from any appropriation for personal services, from any appropriation for State contributions to the State Employees' Retirement System, from any separate appropriation for employee retirement contributions paid by the employer, nor from any appropriation for State contribution for employee group insurance. During State fiscal year 2005, an agency, and, during State fiscal year 2013, the Department of Commerce and Economic Opportunity only, may transfer amounts among its appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State Contributions to retirement systems; notwithstanding and in addition to the transfers authorized in subsection (c) of this Section, the fiscal year 2005 transfers authorized in this sentence may be made in an amount not to exceed 2% of the aggregate amount appropriated to an agency within the same treasury fund. During State fiscal year 2007, the Departments of Children and Family Services, Corrections, Human Services, and Juvenile Justice may transfer amounts among their respective appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State contributions to retirement systems. During State fiscal year 2010, the Department of Transportation may transfer amounts among their respective appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State contributions to retirement systems. During State fiscal year 2010 only, an agency may transfer amounts among its respective appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State contributions to retirement systems. Notwithstanding, and in addition to, the transfers authorized in subsection (c) of this Section, these transfers may be made in an amount not to exceed 2% of the aggregate amount appropriated to an agency within the same treasury fund.

(a-3) Further, if an agency receives a separate appropriation for employee retirement contributions paid by the employer, any transfer by that agency into an appropriation for personal services must be accompanied by a corresponding transfer into the appropriation for employee retirement contributions paid by the employer, in an amount sufficient to meet the employer share of the employee contributions required to be remitted to the retirement system.

(a-4) Long-Term Care Rebalancing. The Governor may designate amounts set aside for institutional services appropriated from the General Revenue Fund or any other State fund that receives monies for long-term care services to be transferred to all State agencies responsible for the administration of community-based long-term care programs, including, but not limited to, community-based long-term care programs administered by the Department of Healthcare and Family Services, the Department of Human Services, and the Department on Aging, provided that the Director of Healthcare and Family Services first certifies that the amounts being transferred are necessary for the purpose of assisting persons in or at risk of being in institutional care to transition to community-based settings, including the financial data needed to prove the need for the transfer of funds. The total amounts transferred shall not exceed 4% in total of the amounts appropriated from the General Revenue Fund or any other State fund that receives monies for long-term care services for each fiscal year. A notice of the fund transfer must be made to the General Assembly and posted at a minimum on the Department of Healthcare and Family Services website, the Governor's Office of Management and Budget website, and any other website the Governor sees fit. These postings shall serve as notice to the General Assembly of the amounts to be transferred. Notice shall be given at least 30 days prior to transfer.

(b) In addition to the general transfer authority provided under subsection (c), the following agencies have the specific transfer authority granted in this subsection:

The Department of Healthcare and Family Services is authorized to make transfers representing savings attributable to not increasing grants due to the births of additional children from line items for payments of cash grants to line items for payments for employment and social services for the purposes outlined in subsection (f) of Section 4-2 of the Illinois Public Aid Code.

The State Treasurer is authorized to make transfers among line item appropriations from the Capital Litigation Trust Fund, with respect to costs incurred in fiscal years 2002 and 2003 only, when the balance remaining in one or more such line item appropriations is insufficient for the purpose for which the appropriation was made, provided that no such transfer may be made unless the amount transferred is no longer required for the purpose for which that appropriation was made.

The State Board of Education is authorized to make transfers from line item appropriations within the same treasury fund for General State Aid and General State Aid - Hold Harmless, provided that no such transfer may be made unless the amount transferred is no longer required for the purpose for which that appropriation was made, to the line item appropriation for Transitional Assistance when the balance remaining in such line item appropriation is insufficient for the purpose for which the appropriation was made.

Notwithstanding the above, any amounts appropriated for payment of workers' compensation claims to an agency to which the authority to evaluate, administer and pay such claims has been delegated by the Department of Central Management Services may be transferred to any other expenditure object where such amounts exceed the amount necessary for the payment of such claims.

(c-1) Special provisions for State fiscal year 2003. Notwithstanding any other provision of this Section to the contrary, for State fiscal year 2003 only, transfers among line item appropriations to an agency from the same treasury fund may be made provided that the sum of such transfers for an agency in State fiscal year 2003 shall not exceed 3% of the aggregate amount appropriated to that State agency for State fiscal year 2003 for the following objects: personal services, except that no transfer may be approved which reduces the aggregate appropriations for personal services within an agency; extra help; student and inmate compensation; State contributions to retirement systems; State contributions to social security; State contributions for employee group insurance; contractual services; travel; commodities; printing; equipment; electronic data processing; operation of automotive equipment; telecommunications services; travel and allowance for committed, paroled, and discharged prisoners; library books; federal matching grants for student loans; refunds; workers' compensation, occupational disease, and tort claims; and, in appropriations to institutions of higher education, awards and grants.

one or more such line item appropriations is insufficient for the purpose for which the appropriation was made, provided that the sum of those transfers by a State agency shall not exceed 4% of the aggregate amount appropriated to that State agency for fiscal year 2005.

(d) Transfers among appropriations made to agencies of the Legislative and Judicial departments and to the constitutionally elected officers in the Executive branch require the approval of the officer authorized in Section 10 of this Act to approve and certify vouchers. The Commission shall not order more than \$2,000,000 per year in Grade Crossing Protection Fund moneys for pedestrian walkways. In entering orders for projects for which payments from the Grade Crossing Protection Fund will be made, the Commission shall account for expenditures authorized by the orders on a cash rather than an accrual basis. For purposes of this requirement an "accrual basis" assumes that the total cost of the project is expended in the fiscal year in which the order is entered, while a "cash basis" allocates the cost of the project among fiscal years as expenditures are actually made. To meet the requirements of this subsection, the Illinois Commerce Commission shall develop annual and 5-year project plans of rail crossing capital improvements that will be paid for with moneys from the Grade Crossing Protection Fund. The annual project plan shall identify projects for the succeeding fiscal year and the 5-year project plan shall identify projects for the 5 directly succeeding fiscal years. The Commission shall submit the annual and 5-year project plans for this Fund to the Governor, the President of the Senate, the Senate Minority Leader, the Speaker of the House of Representatives, and the Minority Leader of the House of Representatives on the first Wednesday in April of each year;

(d) of the amount remaining after allocations provided for in subsections (a), (b) and (c), a sufficient amount shall be reserved to pay all of the following:

(1) the costs of the Department of Revenue in administering this Act;

(2) the costs of the Department of Transportation in performing its duties imposed by the Illinois Highway Code for supervising the use of motor fuel tax funds apportioned to municipalities, counties and road districts;

(3) refunds provided for in Section 13, refunds for overpayment of decal fees paid under Section 13a.4 of this Act, and refunds provided for under the terms of the International Fuel Tax Agreement referenced in Section 14a;

(4) from October 1, 1985 until June 30, 1994, the administration of the Vehicle Emissions Inspection Law, which amount shall be certified monthly by the Environmental Protection Agency to the State Comptroller and shall promptly be transferred by the State Comptroller and Treasurer from the Motor Fuel Tax Fund to the Vehicle Inspection Fund, and for the period July 1, 1994 through June 30, 2000, one-twelfth of \$25,000,000 each month, for the period July 1, 2000 through June 30, 2003, one-twelfth of \$30,000,000 each month, and \$15,000,000 on July 1, 2003, and \$15,000,000 on January 1, 2004, and \$15,000,000 on each July 1 and October 1, or as soon thereafter as may be practical, during the period July 1, 2004 through June 30, ~~2012~~ 2013, for the administration of the Vehicle Emissions Inspection Law of 2005, to be transferred by the State Comptroller and Treasurer from the Motor Fuel Tax Fund into the Vehicle Inspection Fund;

(5) amounts ordered paid by the Court of Claims; and

(6) payment of motor fuel use taxes due to member jurisdictions under the terms of the International Fuel Tax Agreement. The Department shall certify these amounts to the Comptroller by the 15th day of each month; the Comptroller shall cause orders to be drawn for such amounts, and the Treasurer shall administer those amounts on or before the last day of each month;

(e) after allocations for the purposes set forth in subsections (a), (b), (c) and (d), the remaining amount shall be apportioned as follows:

(1) Until January 1, 2000, 58.4%, and beginning January 1, 2000, 45.6% shall be deposited as follows:

(A) 37% into the State Construction Account Fund, and

(B) 63% into the Road Fund, \$1,250,000 of which shall be reserved each month for the Department of Transportation to be used in accordance with the provisions of Sections 6-901 through 6-906 of the Illinois Highway Code;

(2) Until January 1, 2000, 41.6%, and beginning January 1, 2000, 54.4% shall be transferred to the Department of Transportation to be distributed as follows:

(A) 49.10% to the municipalities of the State,

- (B) 16.74% to the counties of the State having 1,000,000 or more inhabitants,
- (C) 18.27% to the counties of the State having less than 1,000,000 inhabitants,
- (D) 15.89% to the road districts of the State.

As soon as may be after the first day of each month the Department of Transportation shall allot to each municipality its share of the amount apportioned to the several municipalities which shall be in proportion to the population of such municipalities as determined by the last preceding municipal census if conducted by the Federal Government or Federal census. If territory is annexed to any municipality subsequent to the time of the last preceding census the corporate authorities of such municipality may cause a census to be taken of such annexed territory and the population so ascertained for such territory shall be added to the population of the municipality as determined by the last preceding census for the purpose of determining the allotment for that municipality. If the population of any municipality was not determined by the last Federal census preceding any apportionment, the apportionment to such municipality shall be in accordance with any census taken by such municipality. Any municipal census used in accordance with this Section shall be certified to the Department of Transportation by the clerk of such municipality, and the accuracy thereof shall be subject to approval of the Department which may make such corrections as it ascertains to be necessary.

As soon as may be after the first day of each month the Department of Transportation shall allot to each county its share of the amount apportioned to the several counties of the State as herein provided. Each allotment to the several counties having less than 1,000,000 inhabitants shall be in proportion to the amount of motor vehicle license fees received from the residents of such counties, respectively, during the preceding calendar year. The Secretary of State shall, on or before April 15 of each year, transmit to the Department of Transportation a full and complete report showing the amount of motor vehicle license fees received from the residents of each county, respectively, during the preceding calendar year. The Department of Transportation shall, each month, use for allotment purposes the last such report received from the Secretary of State.

As soon as may be after the first day of each month, the Department of Transportation shall allot to the several counties their share of the amount apportioned for the use of road districts. The allotment shall be apportioned among the several counties in the State in the proportion which the total mileage of township or district roads in the respective counties bears to the total mileage of all township and district roads in the State. Funds allotted to the respective counties for the use of road districts therein shall be allocated to the several road districts in the county in the proportion which the total mileage of such township or district roads in the respective road districts bears to the total mileage of all such township or district roads in the county. After July 1 of any year prior to 2011, no allocation shall be made for any road district unless it levied a tax for road and bridge purposes in an amount which will require the extension of such tax against the taxable property in any such road district at a rate of not less than either .08% of the value thereof, based upon the assessment for the year immediately prior to the year in which such tax was levied and as equalized by the Department of Revenue or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less. Beginning July 1, 2011 and each July 1 thereafter, an allocation shall be made for any road district if it levied a tax for road and bridge purposes. In counties other than DuPage County, if the amount of the tax levy requires the extension of the tax against the taxable property in the road district at a rate that is less than 0.08% of the value thereof, based upon the assessment for the year immediately prior to the year in which the tax was levied and as equalized by the Department of Revenue, then the amount of the allocation for that road district shall be a percentage of the maximum allocation equal to the percentage obtained by dividing the rate extended by the district by 0.08%. In DuPage County, if the amount of the tax levy requires the extension of the tax against the taxable property in the road district at a rate that is less than the lesser of (i) 0.08% of the value of the taxable property in the road district, based upon the assessment for the year immediately prior to the year in which such tax was levied and as equalized by the Department of Revenue, or (ii) a rate that will yield an amount equal to \$12,000 per mile of road under the jurisdiction of the road district, then the amount of the allocation for the road district shall be a percentage of the maximum allocation equal to the percentage obtained by dividing the rate extended by the district by the lesser of (i) 0.08% or (ii) the rate that will yield an amount equal to \$12,000 per mile of road under the jurisdiction of the road district.

Prior to 2011, if any road district has levied a special tax for road purposes pursuant to Sections 6-601, 6-602 and 6-603 of the Illinois Highway Code, and such tax was levied in an amount which would require extension at a rate of not less than .08% of the value of the taxable property thereof, as equalized or assessed by the Department of Revenue, or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less, such levy shall, however, be deemed a proper compliance with this Section and shall qualify such road district for an

allotment under this Section. Beginning in 2011 and thereafter, if any road district has levied a special tax for road purposes under Sections 6-601, 6-602, and 6-603 of the Illinois Highway Code, and the tax was levied in an amount that would require extension at a rate of not less than 0.08% of the value of the taxable property of that road district, as equalized or assessed by the Department of Revenue or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less, that levy shall be deemed a proper compliance with this Section and shall qualify such road district for a full, rather than proportionate, allotment under this Section. If the levy for the special tax is less than 0.08% of the value of the taxable property, or, in DuPage County if the levy for the special tax is less than the lesser of (i) 0.08% or (ii) \$12,000 per mile of road under the jurisdiction of the road district, and if the levy for the special tax is more than any other levy for road and bridge purposes, then the levy for the special tax qualifies the road district for a proportionate, rather than full, allotment under this Section. If the levy for the special tax is equal to or less than any other levy for road and bridge purposes, then any allotment under this Section shall be determined by the other levy for road and bridge purposes.

Prior to 2011, if a township has transferred to the road and bridge fund money which, when added to the amount of any tax levy of the road district would be the equivalent of a tax levy requiring extension at a rate of at least .08%, or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less, such transfer, together with any such tax levy, shall be deemed a proper compliance with this Section and shall qualify the road district for an allotment under this Section.

In counties in which a property tax extension limitation is imposed under the Property Tax Extension Limitation Law, road districts may retain their entitlement to a motor fuel tax allotment or, beginning in 2011, their entitlement to a full allotment if, at the time the property tax extension limitation was imposed, the road district was levying a road and bridge tax at a rate sufficient to entitle it to a motor fuel tax allotment and continues to levy the maximum allowable amount after the imposition of the property tax extension limitation. Any road district may in all circumstances retain its entitlement to a motor fuel tax allotment or, beginning in 2011, its entitlement to a full allotment if it levied a road and bridge tax in an amount that will require the extension of the tax against the taxable property in the road district at a rate of not less than 0.08% of the assessed value of the property, based upon the assessment for the year immediately preceding the year in which the tax was levied and as equalized by the Department of Revenue or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less.

As used in this Section the term "road district" means any road district, including a county unit road district, provided for by the Illinois Highway Code; and the term "township or district road" means any road in the township and district road system as defined in the Illinois Highway Code. For the purposes of this Section, "township or district road" also includes such roads as are maintained by park districts, forest preserve districts and conservation districts. The Department of Transportation shall determine the mileage of all township and district roads for the purposes of making allotments and allocations of motor fuel tax funds for use in road districts.

Payment of motor fuel tax moneys to municipalities and counties shall be made as soon as possible after the allotment is made. The treasurer of the municipality or county may invest these funds until their use is required and the interest earned by these investments shall be limited to the same uses as the principal funds.

(c) A convention and tourism bureau is eligible to receive grant moneys under this Section if the bureau is certified to receive funds under Title 14 of the Illinois Administrative Code, Section 550.35. To be eligible for a grant, a convention and tourism bureau must provide matching funds equal to the grant amount. During fiscal year 2013, the Department shall require that any convention and tourism

bureau receiving a grant under this Section that requires matching funds shall provide matching funds equal to no less than 50% of the grant amount. In certain circumstances as determined by the Director of Commerce and Economic Opportunity, however, the City of Chicago's Office of Tourism or any other convention and tourism bureau may provide matching funds equal to no less than 50% of the grant amount to be eligible to receive the grant. One-half of this 50% may be provided through in-kind contributions. Grants received by the City of Chicago's Office of Tourism and by convention and tourism bureaus in Chicago may be expended for the general purposes of promoting conventions and tourism.

Section 5-10. The Illinois Promotion Act is amended by changing Section 4a as follows:

(20 ILCS 665/4a) (from Ch. 127, par. 200-24a)

Sec. 4a. Funds.

(1) All moneys deposited in the Tourism Promotion Fund pursuant to this subsection are allocated to the Department for utilization, as appropriated, in the performance of its powers under Section 4: except that during fiscal year 2013, the Department shall reserve \$9,800,000 of the total funds available for appropriation in the Tourism Promotion Fund for appropriation to the Historic Preservation Agency for the operation of the Abraham Lincoln Presidential Library and Museum and State historic sites.

As soon as possible after the first day of each month, beginning July 1, 1997, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Tourism Promotion Fund an amount equal to 13% of the net revenue realized from the Hotel Operators' Occupation Tax Act plus an amount equal to 13% of the net revenue realized from any tax imposed under Section 4.05 of the Chicago World's Fair-1992 Authority Act during the preceding month. "Net revenue realized for a month" means the revenue collected by the State under that Act during the previous month less the amount paid out during that same month as refunds to taxpayers for overpayment of liability under that Act.

(1.1) (Blank).

(2) As soon as possible after the first day of each month, beginning July 1, 1997, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Tourism Promotion Fund an amount equal to 8% of the net revenue realized from the Hotel Operators' Occupation Tax plus an amount equal to 8% of the net revenue realized from any tax imposed under Section 4.05 of the Chicago World's Fair-1992 Authority Act during the preceding month. "Net revenue realized for a month" means the revenue collected by the State under that Act during the previous month less the amount paid out during that same month as refunds to taxpayers for overpayment of liability under that Act.

All monies deposited in the Tourism Promotion Fund under this subsection (2) shall be used solely as provided in this subsection to advertise and promote tourism throughout Illinois. Appropriations of monies deposited in the Tourism Promotion Fund pursuant to this subsection (2) shall be used solely for advertising to promote tourism, including but not limited to advertising production and direct advertisement costs, but shall not be used to employ any additional staff, finance any individual event, or lease, rent or purchase any physical facilities. The Department shall coordinate its advertising under this subsection (2) with other public and private entities in the State engaged in similar promotion activities. Print or electronic media production made pursuant to this subsection (2) for advertising promotion shall not contain or include the physical appearance of or reference to the name or position of any public officer. "Public officer" means a person who is elected to office pursuant to statute, or who is appointed to an office which is established, and the qualifications and duties of which are prescribed, by statute, to discharge a public duty for the State or any of its political subdivisions.

(3) Notwithstanding anything in this Section to the contrary, amounts transferred from the General Revenue Fund to the Tourism Promotion Fund pursuant to this Section shall not exceed \$26,300,000 in State fiscal year 2012.

Section 5-15. The Mental Health and Developmental Disabilities Administrative Act is amended by adding Section 18.7 as follows:

(20 ILCS 1705/18.7 new)

Sec. 18.7. Home Services Medicaid Trust Fund.

(a) The Home Services Medicaid Trust Fund is hereby created as a special fund in the State treasury.

(b) Amounts paid to the State during each State fiscal year by the federal government under Title XIX or Title XXI of the Social Security Act for services delivered in relation to the Department's Home

Services Program established pursuant to Section 3 of the Disabled Persons Rehabilitation Act, and any interest earned thereon, shall be deposited into the Fund.

(c) Moneys in the Fund may be used by the Department for the purchase of services, and operational and administrative expenses, in relation to the Home Services Program.

Section 5-20. The Disabled Persons Rehabilitation Act is amended by changing Section 3 as follows:  
(20 ILCS 2405/3) (from Ch. 23, par. 3434)

Sec. 3. Powers and duties. The Department shall have the powers and duties enumerated herein:

(a) To co-operate with the federal government in the administration of the provisions of the federal Rehabilitation Act of 1973, as amended, of the Workforce Investment Act of 1998, and of the federal Social Security Act to the extent and in the manner provided in these Acts.

(b) To prescribe and supervise such courses of vocational training and provide such other services as may be necessary for the habilitation and rehabilitation of persons with one or more disabilities, including the administrative activities under subsection (e) of this Section, and to co-operate with State and local school authorities and other recognized agencies engaged in habilitation, rehabilitation and comprehensive rehabilitation services; and to cooperate with the Department of Children and Family Services regarding the care and education of children with one or more disabilities.

(c) (Blank).

(d) To report in writing, to the Governor, annually on or before the first day of December, and at such other times and in such manner and upon such subjects as the Governor may require. The annual report shall contain (1) a statement of the existing condition of comprehensive rehabilitation services, habilitation and rehabilitation in the State; (2) a statement of suggestions and recommendations with reference to the development of comprehensive rehabilitation services, habilitation and rehabilitation in the State; and (3) an itemized statement of the amounts of money received from federal, State and other sources, and of the objects and purposes to which the respective items of these several amounts have been devoted.

(e) (Blank).

(f) To establish a program of services to prevent unnecessary institutionalization of persons with Alzheimer's disease and related disorders or persons in need of long term care who are established as blind or disabled as defined by the Social Security Act, thereby enabling them to remain in their own homes or other living arrangements. Such preventive services may include, but are not limited to, any or all of the following:

- (1) home health services;
- (2) home nursing services;
- (3) homemaker services;
- (4) chore and housekeeping services;
- (5) day care services;
- (6) home-delivered meals;
- (7) education in self-care;
- (8) personal care services;
- (9) adult day health services;
- (10) habilitation services;
- (11) respite care; or
- (12) other nonmedical social services that may enable the person to become self-supporting.

The Department shall establish eligibility standards for such services taking into consideration the unique economic and social needs of the population for whom they are to be provided. Such eligibility standards may be based on the recipient's ability to pay for services; provided, however, that any portion of a person's income that is equal to or less than the "protected income" level shall not be considered by the Department in determining eligibility. The "protected income" level shall be determined by the Department, shall never be less than the federal poverty standard, and shall be adjusted each year to reflect changes in the Consumer Price Index For All Urban Consumers as determined by the United States Department of Labor. The standards must provide that a person may have not more than \$10,000 in assets to be eligible for the services, and the Department may increase the asset limitation by rule. Additionally, in determining the amount and nature of services for which a person may qualify, consideration shall not be given to the value of cash, property or other assets held in the name of the person's spouse pursuant to a written agreement dividing marital property into equal but separate shares or pursuant to a transfer of the person's interest in a home to his spouse, provided that the spouse's share of the marital property is not made available to the person seeking such services.

The services shall be provided to eligible persons to prevent unnecessary or premature institutionalization, to the extent that the cost of the services, together with the other personal maintenance expenses of the persons, are reasonably related to the standards established for care in a group facility appropriate to their condition. These non-institutional services, pilot projects or experimental facilities may be provided as part of or in addition to those authorized by federal law or those funded and administered by the Illinois Department on Aging. The Department shall set rates and fees for services in a fair and equitable manner. Services identical to those offered by the Department on Aging shall be paid at the same rate.

Personal care attendants shall be paid:

- (i) A \$5 per hour minimum rate beginning July 1, 1995.
- (ii) A \$5.30 per hour minimum rate beginning July 1, 1997.
- (iii) A \$5.40 per hour minimum rate beginning July 1, 1998.

Solely for the purposes of coverage under the Illinois Public Labor Relations Act (5 ILCS 315/), personal care attendants and personal assistants providing services under the Department's Home Services Program shall be considered to be public employees and the State of Illinois shall be considered to be their employer as of the effective date of this amendatory Act of the 93rd General Assembly, but not before. The State shall engage in collective bargaining with an exclusive representative of personal care attendants and personal assistants working under the Home Services Program concerning their terms and conditions of employment that are within the State's control. Nothing in this paragraph shall be understood to limit the right of the persons receiving services defined in this Section to hire and fire personal care attendants and personal assistants or supervise them within the limitations set by the Home Services Program. The State shall not be considered to be the employer of personal care attendants and personal assistants for any purposes not specifically provided in this amendatory Act of the 93rd General Assembly, including but not limited to, purposes of vicarious liability in tort and purposes of statutory retirement or health insurance benefits. Personal care attendants and personal assistants shall not be covered by the State Employees Group Insurance Act of 1971 (5 ILCS 375/).

The Department shall execute, relative to the nursing home prescreening project, as authorized by Section 4.03 of the Illinois Act on the Aging, written inter-agency agreements with the Department on Aging and the Department of Public Aid (now Department of Healthcare and Family Services), to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped. On and after July 1, 1996, all nursing home prescreenings for individuals 18 through 59 years of age shall be conducted by the Department.

The Department is authorized to establish a system of recipient cost-sharing for services provided under this Section. The cost-sharing shall be based upon the recipient's ability to pay for services, but in no case shall the recipient's share exceed the actual cost of the services provided. Protected income shall not be considered by the Department in its determination of the recipient's ability to pay a share of the cost of services. The level of cost-sharing shall be adjusted each year to reflect changes in the "protected income" level. The Department shall deduct from the recipient's share of the cost of services any money expended by the recipient for disability-related expenses.

The Department, or the Department's authorized representative, shall recover the amount of moneys expended for services provided to or in behalf of a person under this Section by a claim against the person's estate or against the estate of the person's surviving spouse, but no recovery may be had until after the death of the surviving spouse, if any, and then only at such time when there is no surviving child who is under age 21, blind, or permanently and totally disabled. This paragraph, however, shall not bar recovery, at the death of the person, of moneys for services provided to the person or in behalf of the person under this Section to which the person was not entitled; provided that such recovery shall not be enforced against any real estate while it is occupied as a homestead by the surviving spouse or other dependent, if no claims by other creditors have been filed against the estate, or, if such claims have been filed, they remain dormant for failure of prosecution or failure of the claimant to compel administration of the estate for the purpose of payment. This paragraph shall not bar recovery from the estate of a spouse, under Sections 1915 and 1924 of the Social Security Act and Section 5-4 of the Illinois Public Aid Code, who precedes a person receiving services under this Section in death. All moneys for services paid to or in behalf of the person under this Section shall be claimed for recovery from the deceased spouse's estate. "Homestead", as used in this paragraph, means the dwelling house and contiguous real estate occupied by a surviving spouse or relative, as defined by the rules and regulations of the Department of Healthcare and Family Services, regardless of the value of the property.

The Department and the Department on Aging shall cooperate in the development and submission of

an annual report on programs and services provided under this Section. Such joint report shall be filed with the Governor and the General Assembly on or before March 30 each year.

The requirement for reporting to the General Assembly shall be satisfied by filing copies of the report with the Speaker, the Minority Leader and the Clerk of the House of Representatives and the President, the Minority Leader and the Secretary of the Senate and the Legislative Research Unit, as required by Section 3.1 of the General Assembly Organization Act, and filing additional copies with the State Government Report Distribution Center for the General Assembly as required under paragraph (t) of Section 7 of the State Library Act.

(g) To establish such subdivisions of the Department as shall be desirable and assign to the various subdivisions the responsibilities and duties placed upon the Department by law.

(h) To cooperate and enter into any necessary agreements with the Department of Employment Security for the provision of job placement and job referral services to clients of the Department, including job service registration of such clients with Illinois Employment Security offices and making job listings maintained by the Department of Employment Security available to such clients.

(i) To possess all powers reasonable and necessary for the exercise and administration of the powers, duties and responsibilities of the Department which are provided for by law.

(j) To establish a procedure whereby new providers of personal care attendant services shall submit vouchers to the State for payment two times during their first month of employment and one time per month thereafter. In no case shall the Department pay personal care attendants an hourly wage that is less than the federal minimum wage.

(k) To provide adequate notice to providers of chore and housekeeping services informing them that they are entitled to an interest payment on bills which are not promptly paid pursuant to Section 3 of the State Prompt Payment Act.

(l) To establish, operate and maintain a Statewide Housing Clearinghouse of information on available, government subsidized housing accessible to disabled persons and available privately owned housing accessible to disabled persons. The information shall include but not be limited to the location, rental requirements, access features and proximity to public transportation of available housing. The Clearinghouse shall consist of at least a computerized database for the storage and retrieval of information and a separate or shared toll free telephone number for use by those seeking information from the Clearinghouse. Department offices and personnel throughout the State shall also assist in the operation of the Statewide Housing Clearinghouse. Cooperation with local, State and federal housing managers shall be sought and extended in order to frequently and promptly update the Clearinghouse's information.

(m) To assure that the names and case records of persons who received or are receiving services from the Department, including persons receiving vocational rehabilitation, home services, or other services, and those attending one of the Department's schools or other supervised facility shall be confidential and not be open to the general public. Those case records and reports or the information contained in those records and reports shall be disclosed by the Director only to proper law enforcement officials, individuals authorized by a court, the General Assembly or any committee or commission of the General Assembly, and other persons and for reasons as the Director designates by rule. Disclosure by the Director may be only in accordance with other applicable law.

Notwithstanding any provision of the law to the contrary, the General Assembly hereby authorizes the use of such funds for the purposes set forth in this Section.

These provisions do not apply to funds classified by the Comptroller as federal trust funds or State trust funds. The Audit Expense Fund may receive transfers from those trust funds only as directed herein, except where prohibited by the terms of the trust fund agreement. The Auditor General shall notify the trustees of those funds of the estimated cost of the audit to be incurred under the Illinois State Auditing Act for the fund. The trustees of those funds shall direct the State Comptroller and Treasurer to transfer the estimated amount to the Audit Expense Fund.

The Auditor General may bill entities that are not subject to the above transfer provisions, including private entities, related organizations and entities whose funds are locally-held, for the cost of audits, studies, and investigations incurred on their behalf. Any revenues received under this provision shall be deposited into the Audit Expense Fund.

In the event that moneys on deposit in any fund are unavailable, by reason of deficiency or any other reason preventing their lawful transfer, the State Comptroller shall order transferred and the State Treasurer shall transfer the amount deficient or otherwise unavailable from the General Revenue Fund for deposit into the Audit Expense Fund.

On or before December 1, 1992, and each December 1 thereafter, the Auditor General shall notify the Governor's Office of Management and Budget (formerly Bureau of the Budget) of the amount estimated to be necessary to pay for audits, studies, and investigations in accordance with the Illinois State Auditing Act during the next succeeding fiscal year for each State fund for which a transfer or reimbursement is anticipated.

Beginning with fiscal year 1994 and during each fiscal year thereafter, the Auditor General may direct the State Comptroller and Treasurer to transfer moneys from funds authorized by the General Assembly for that fund. In the event funds, including federal and State trust funds but excluding the General Revenue Fund, are transferred, during fiscal year 1994 and during each fiscal year thereafter, in excess of the amount to pay actual costs attributable to audits, studies, and investigations as permitted or required by the Illinois State Auditing Act or specific action of the General Assembly, the Auditor General shall, on September 30, or as soon thereafter as is practicable, direct the State Comptroller and Treasurer to transfer the excess amount back to the fund from which it was originally transferred. Sec. 6z-45. The School Infrastructure Fund.

(a) The School Infrastructure Fund is created as a special fund in the State Treasury.

In addition to any other deposits authorized by law, beginning January 1, 2000, on the first day of each month, or as soon thereafter as may be practical, the State Treasurer and State Comptroller shall transfer the sum of \$5,000,000 from the General Revenue Fund to the School Infrastructure Fund, except that, notwithstanding any other provision of law, and in addition to any other transfers that may be provided for by law, before June 30, 2012, the Comptroller and the Treasurer shall transfer \$45,000,000 from the General Revenue Fund into the School Infrastructure Fund, and, for fiscal year 2013 only, the Treasurer and the Comptroller shall transfer \$1,250,000 from the General Revenue Fund to the School Infrastructure Fund on the first day of each month; provided, however, that no such transfers shall be made from July 1, 2001 through June 30, 2003.

(b) Subject to the transfer provisions set forth below, money in the School Infrastructure Fund shall, if and when the State of Illinois incurs any bonded indebtedness for the construction of school improvements under the School Construction Law, be set aside and used for the purpose of paying and discharging annually the principal and interest on that bonded indebtedness then due and payable, and for no other purpose.

In addition to other transfers to the General Obligation Bond Retirement and Interest Fund made pursuant to Section 15 of the General Obligation Bond Act, upon each delivery of bonds issued for construction of school improvements under the School Construction Law, the State Comptroller shall compute and certify to the State Treasurer the total amount of principal of, interest on, and premium, if any, on such bonds during the then current and each succeeding fiscal year. With respect to the interest payable on variable rate bonds, such certifications shall be calculated at the maximum rate of interest that may be payable during the fiscal year, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest required to be appropriated for that period.

On or before the last day of each month, the State Treasurer and State Comptroller shall transfer from the School Infrastructure Fund to the General Obligation Bond Retirement and Interest Fund an amount sufficient to pay the aggregate of the principal of, interest on, and premium, if any, on the bonds payable on their next payment date, divided by the number of monthly transfers occurring between the last previous payment date (or the delivery date if no payment date has yet occurred) and the next succeeding payment date. Interest payable on variable rate bonds shall be calculated at the maximum rate of interest that may be payable for the relevant period, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest required to be appropriated for that period. Interest for which moneys have already been deposited into the capitalized interest account within the General Obligation Bond Retirement and Interest Fund shall not be included in the calculation of the amounts to be transferred under this subsection.

(c) The surplus, if any, in the School Infrastructure Fund after the payment of principal and interest on that bonded indebtedness then annually due shall, subject to appropriation, be used as follows:

First - to make 3 payments to the School Technology Revolving Loan Fund as follows:

The Treasurer shall order payment of refunds from overpayment of tax liability under this Act from the Estate Tax Refund Fund only to the extent that amounts have been deposited and retained in the Fund.

This amendatory Act of the 97th General Assembly shall constitute an irrevocable and continuing appropriation from the Estate Tax Refund Fund for the purpose of paying refunds upon the order of the Treasurer in accordance with the provisions of this Act and for the purpose of paying refunds under this Act.

Section 10-5. The State Finance Act is amended by changing Sections 8.12 and 14.1 as follows:

(30 ILCS 105/8.12) (from Ch. 127, par. 144.12)

Sec. 8.12. State Pensions Fund.

(a) The moneys in the State Pensions Fund shall be used exclusively for the administration of the Uniform Disposition of Unclaimed Property Act and for the expenses incurred by the Auditor General for administering the provisions of Section 2-8.1 of the Illinois State Auditing Act and for the funding of the unfunded liabilities of the designated retirement systems. Beginning in State fiscal year 2014, payments ~~Payments~~ to the designated retirement systems under this Section shall be in addition to, and not in lieu of, any State contributions required under the Illinois Pension Code.

"Designated retirement systems" means:

- (1) the State Employees' Retirement System of Illinois;
- (2) the Teachers' Retirement System of the State of Illinois;
- (3) the State Universities Retirement System;
- (4) the Judges Retirement System of Illinois; and
- (5) the General Assembly Retirement System.

(b) Each year the General Assembly may make appropriations from the State Pensions Fund for the administration of the Uniform Disposition of Unclaimed Property Act.

Each month, the Commissioner of the Office of Banks and Real Estate shall certify to the State Treasurer the actual expenditures that the Office of Banks and Real Estate incurred conducting unclaimed property examinations under the Uniform Disposition of Unclaimed Property Act during the immediately preceding month. Within a reasonable time following the acceptance of such certification by the State Treasurer, the State Treasurer shall pay from its appropriation from the State Pensions Fund to the Bank and Trust Company Fund and the Savings and Residential Finance Regulatory Fund an amount equal to the expenditures incurred by each Fund for that month.

Each month, the Director of Financial Institutions shall certify to the State Treasurer the actual expenditures that the Department of Financial Institutions incurred conducting unclaimed property examinations under the Uniform Disposition of Unclaimed Property Act during the immediately preceding month. Within a reasonable time following the acceptance of such certification by the State Treasurer, the State Treasurer shall pay from its appropriation from the State Pensions Fund to the Financial Institutions Fund and the Credit Union Fund an amount equal to the expenditures incurred by each Fund for that month.

(c) As soon as possible after the effective date of this amendatory Act of the 93rd General Assembly, the General Assembly shall appropriate from the State Pensions Fund (1) to the State Universities Retirement System the amount certified under Section 15-165 during the prior year, (2) to the Judges Retirement System of Illinois the amount certified under Section 18-140 during the prior year, and (3) to the General Assembly Retirement System the amount certified under Section 2-134 during the prior year as part of the required State contributions to each of those designated retirement systems; except that amounts appropriated under this subsection (c) in State fiscal year 2005 shall not reduce the amount in the State Pensions Fund below \$5,000,000. If the amount in the State Pensions Fund does not exceed the sum of the amounts certified in Sections 15-165, 18-140, and 2-134 by at least \$5,000,000, the amount

paid to each designated retirement system under this subsection shall be reduced in proportion to the amount certified by each of those designated retirement systems.

(c-5) For fiscal years 2006 through ~~2013~~ ~~2012~~, the General Assembly shall appropriate from the State Pensions Fund to the State Universities Retirement System the amount estimated to be available during the fiscal year in the State Pensions Fund; provided, however, that the amounts appropriated under this subsection (c-5) shall not reduce the amount in the State Pensions Fund below \$5,000,000.

(c-6) For fiscal year ~~2014~~ ~~2013~~ and each fiscal year thereafter, as soon as may be practical after any money is deposited into the State Pensions Fund from the Unclaimed Property Trust Fund, the State Treasurer shall apportion the deposited amount among the designated retirement systems as defined in subsection (a) to reduce their actuarial reserve deficiencies. The State Comptroller and State Treasurer shall pay the apportioned amounts to the designated retirement systems to fund the unfunded liabilities of the designated retirement systems. The amount apportioned to each designated retirement system shall constitute a portion of the amount estimated to be available for appropriation from the State Pensions Fund that is the same as that retirement system's portion of the total actual reserve deficiency of the systems, as determined annually by the Governor's Office of Management and Budget at the request of the State Treasurer. The amounts apportioned under this subsection shall not reduce the amount in the State Pensions Fund below \$5,000,000.

(d-1) As soon as practicable after the effective date of this amendatory Act of the 93rd General Assembly, the Comptroller shall direct and the Treasurer shall transfer from the State Pensions Fund to the General Revenue Fund, as funds become available, a sum equal to the amounts that would have been paid from the State Pensions Fund to the Teachers' Retirement System of the State of Illinois, the State Universities Retirement System, the Judges Retirement System of Illinois, the General Assembly Retirement System, and the State Employees' Retirement System of Illinois after the effective date of this amendatory Act during the remainder of fiscal year 2004 to the designated retirement systems from the appropriations provided for in this Section if the transfers provided in Section 6z-61 had not occurred. The transfers described in this subsection (d-1) are to partially repay the General Revenue Fund for the costs associated with the bonds used to fund the moneys transferred to the designated retirement systems under Section 6z-61.

(e) The changes to this Section made by this amendatory Act of 1994 shall first apply to distributions from the Fund for State fiscal year 1996.

For fiscal year 2010 only, no payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund.

(a-3) For fiscal year 2011 only, at the time of each payment of salary to an employee under the personal services line item from a fund other than the General Revenue Fund, payment shall be made for deposit into the State Employees' Retirement System of Illinois from the amount appropriated for State contributions to the State Employees' Retirement System of Illinois of an amount calculated at the rate certified for fiscal year 2011 by the Board of Trustees of the State Employees' Retirement System of Illinois under Section 14-135.08 of the Illinois Pension Code. This payment shall be made to the extent that a line item appropriation to an employer for this purpose is available or unexhausted. For fiscal year 2011 only, no payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund.

(a-4) In fiscal ~~years year~~ 2012 ~~and~~ 2013 only, at the time of each payment of salary to an employee under the personal services line item from a fund other than the General Revenue Fund, payment shall be made for deposit into the State Employees' Retirement System of Illinois from the amount appropriated for State contributions to the State Employees' Retirement System of Illinois of an amount calculated at the rate certified for the applicable fiscal year by the Board of Trustees of the State Employees' Retirement System of Illinois under Section 14-135.08 of the Illinois Pension Code. In fiscal ~~years year~~ 2012 ~~and~~ 2013 only, no payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund.

(b) Except during the period beginning on the effective date of this amendatory Act of the 93rd General Assembly and ending at the time of the payment of the final payroll from fiscal year 2004 appropriations, the State Comptroller shall not approve for payment any payroll voucher that (1) includes payments of salary to eligible employees in the State Employees' Retirement System of Illinois and (2) does not include the corresponding payment of State contributions to that retirement system at the full rate certified under Section 14-135.08 for that fiscal year for eligible employees, unless the balance in the fund on which the payroll voucher is drawn is insufficient to pay the total payroll voucher, or unavailable due to any limitation on appropriations that may apply, including, but not limited to, limitations on appropriations from the Road Fund under Section 8.3 of the State Finance Act. If the State Comptroller approves a payroll voucher under this Section for which the fund balance is insufficient to pay the full amount of the required State contribution to the State Employees' Retirement System, the Comptroller shall promptly so notify the Retirement System.

(b-1) For fiscal year 2010 and fiscal year 2011 only, the State Comptroller shall not approve for payment any non-General Revenue Fund payroll voucher that (1) includes payments of salary to eligible employees in the State Employees' Retirement System of Illinois and (2) does not include the corresponding payment of State contributions to that retirement system at the full rate certified under Section 14-135.08 for that fiscal year for eligible employees, unless the balance in the fund on which the payroll voucher is drawn is insufficient to pay the total payroll voucher, or unavailable due to any limitation on appropriations that may apply, including, but not limited to, limitations on appropriations from the Road Fund under Section 8.3 of the State Finance Act. If the State Comptroller approves a payroll voucher under this Section for which the fund balance is insufficient to pay the full amount of the required State contribution to the State Employees' Retirement System of Illinois, the Comptroller shall promptly so notify the retirement system.

(c) Notwithstanding any other provisions of law, beginning July 1, 2007, required State and employee contributions to the State Employees' Retirement System of Illinois relating to affected legislative staff employees shall be paid out of moneys appropriated for that purpose to the Commission on Government Forecasting and Accountability, rather than out of the lump-sum appropriations otherwise made for the payroll and other costs of those employees.

These payments must be made pursuant to payroll vouchers submitted by the employing entity as part

of the regular payroll voucher process.

For the purpose of this subsection, "affected legislative staff employees" means legislative staff employees paid out of lump-sum appropriations made to the General Assembly, an Officer of the General Assembly, or the Senate Operations Commission, but does not include district-office staff or employees of legislative support services agencies.

Section 10-10. The Illinois Pension Code is amended by changing Section 14-131 as follows:  
(40 ILCS 5/14-131)

Sec. 14-131. Contributions by State.

(a) The State shall make contributions to the System by appropriations of amounts which, together with other employer contributions from trust, federal, and other funds, employee contributions, investment income, and other income, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

For the purposes of this Section and Section 14-135.08, references to State contributions refer only to employer contributions and do not include employee contributions that are picked up or otherwise paid by the State or a department on behalf of the employee.

(b) The Board shall determine the total amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board, using the formula in subsection (e).

The Board shall also determine a State contribution rate for each fiscal year, expressed as a percentage of payroll, based on the total required State contribution for that fiscal year (less the amount received by the System from appropriations under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act, if any, for the fiscal year ending on the June 30 immediately preceding the applicable November 15 certification deadline), the estimated payroll (including all forms of compensation) for personal services rendered by eligible employees, and the recommendations of the actuary.

For the purposes of this Section and Section 14.1 of the State Finance Act, the term "eligible employees" includes employees who participate in the System, persons who may elect to participate in the System but have not so elected, persons who are serving a qualifying period that is required for participation, and annuitants employed by a department as described in subdivision (a)(1) or (a)(2) of Section 14-111.

(c) Contributions shall be made by the several departments for each pay period by warrants drawn by the State Comptroller against their respective funds or appropriations based upon vouchers stating the amount to be so contributed. These amounts shall be based on the full rate certified by the Board under Section 14-135.08 for that fiscal year. From the effective date of this amendatory Act of the 93rd General Assembly through the payment of the final payroll from fiscal year 2004 appropriations, the several departments shall not make contributions for the remainder of fiscal year 2004 but shall instead make payments as required under subsection (a-1) of Section 14.1 of the State Finance Act. The several departments shall resume those contributions at the commencement of fiscal year 2005.

(c-1) Notwithstanding subsection (c) of this Section, for fiscal years 2010, ~~and 2012~~, and 2013 only, contributions by the several departments are not required to be made for General Revenue Funds payrolls processed by the Comptroller. Payrolls paid by the several departments from all other State funds must continue to be processed pursuant to subsection (c) of this Section.

(c-2) For State fiscal years 2010, ~~and 2012~~, and 2013 only, on or as soon as possible after the 15th day of each month, the Board shall submit vouchers for payment of State contributions to the System, in a total monthly amount of one-twelfth of the fiscal year General Revenue Fund contribution as certified by the System pursuant to Section 14-135.08 of the Illinois Pension Code.

(d) If an employee is paid from trust funds or federal funds, the department or other employer shall pay employer contributions from those funds to the System at the certified rate, unless the terms of the trust or the federal-State agreement preclude the use of the funds for that purpose, in which case the required employer contributions shall be paid by the State. From the effective date of this amendatory Act of the 93rd General Assembly through the payment of the final payroll from fiscal year 2004 appropriations, the department or other employer shall not pay contributions for the remainder of fiscal year 2004 but shall instead make payments as required under subsection (a-1) of Section 14.1 of the State Finance Act. The department or other employer shall resume payment of contributions at the commencement of fiscal year 2005.

(e) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the

total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section; except that (i) for State fiscal year 1998, for all purposes of this Code and any other law of this State, the certified percentage of the applicable employee payroll shall be 5.052% for employees earning eligible creditable service under Section 14-110 and 6.500% for all other employees, notwithstanding any contrary certification made under Section 14-135.08 before the effective date of this amendatory Act of 1997, and (ii) in the following specified State fiscal years, the State contribution to the System shall not be less than the following indicated percentages of the applicable employee payroll, even if the indicated percentage will produce a State contribution in excess of the amount otherwise required under this subsection and subsection (a): 9.8% in FY 1999; 10.0% in FY 2000; 10.2% in FY 2001; 10.4% in FY 2002; 10.6% in FY 2003; and 10.8% in FY 2004.

Notwithstanding any other provision of this Article, the total required State contribution to the System for State fiscal year 2006 is \$203,783,900.

Notwithstanding any other provision of this Article, the total required State contribution to the System for State fiscal year 2007 is \$344,164,400.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State General Revenue Fund contribution for State fiscal year 2010 is \$723,703,100 and shall be made from the proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2010, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State General Revenue Fund contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to Section 14-135.08 and shall be made from the proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under Section 14-135.08, shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year

2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(f) After the submission of all payments for eligible employees from personal services line items in fiscal year 2004 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2004 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of this amendatory Act of the 93rd General Assembly had not been enacted. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for fiscal year 2004 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2004 through payments under this Section and under Section 6z-61 of the State Finance Act. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2004 Shortfall" for purposes of this Section, and the Fiscal Year 2004 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2004 Overpayment" for purposes of this Section, and the Fiscal Year 2004 Overpayment shall be repaid by the System to the Pension Contribution Fund as soon as practicable after the certification.

(g) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(h) For purposes of determining the required State contribution to the System for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the System's actuarially assumed rate of return.

(i) After the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in fiscal year 2010 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2010 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of this amendatory Act of the 96th General Assembly had not been enacted. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for fiscal year 2010 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2010 through payments under this Section. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2010 Shortfall" for purposes of this Section, and the Fiscal Year 2010 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2010 Overpayment" for purposes of this Section, and the Fiscal Year 2010 Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification.

(j) After the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in fiscal year 2011 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2011 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of this amendatory Act of the 96th General Assembly had not been enacted. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for fiscal year 2011 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2011 through payments under this Section. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2011 Shortfall" for purposes of this Section, and the Fiscal Year 2011 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2011 Overpayment" for purposes of this Section, and the Fiscal Year 2011 Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification.

(k) For fiscal ~~years~~ ~~year~~ 2012 and 2013 only, after the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in the fiscal year have been made, the Comptroller shall provide to the System a certification of the sum of all expenditures in

the fiscal year for personal services. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for the fiscal year in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System for the fiscal year. If the amount due is more than the amount received, the difference shall be termed the "Prior Fiscal Year Shortfall" for purposes of this Section, and the Prior Fiscal Year Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Prior Fiscal Year Overpayment" for purposes of this Section, and the Prior Fiscal Year Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification.

Section 10-15. The State Pension Funds Continuing Appropriation Act is amended by changing Sections 1 and 1.2 as follows:

(40 ILCS 15/1)

Sec. 1. Appropriations from State Pensions Fund.

(a) For the purpose of making up any deficiency in the appropriations to the designated retirement systems that are required to be made under Section 8.12 of the State Finance Act, there is hereby appropriated, on a continuing annual basis in each fiscal year, from the State Pensions Fund to each designated retirement system, the amount, if any, by which the total appropriation to that system from the State Pensions Fund for that fiscal year is less than the amount required to be appropriated to that retirement system under Section 8.12 of the State Finance Act.

The annual appropriation under this Section to each designated retirement system shall take effect on July 1 for the State fiscal year beginning on that date.

The amount of any continuing appropriation used by a retirement system under this Section for a given fiscal year shall be charged against the unexpended amount of any appropriation to that retirement system for that fiscal year under Section 8.12 of the State Finance Act that subsequently becomes available, subject to Section 8.3 of the State Finance Act.

"Designated retirement systems" means the State Employees' Retirement System of Illinois, the Teachers' Retirement System of the State of Illinois, the State Universities Retirement System, the Judges Retirement System of Illinois, and the General Assembly Retirement System.

The appropriations made in this Section are appropriated to the designated retirement systems as a part of the annual State contribution required by the laws providing for the funding of those systems. Beginning in State fiscal year 2014, the appropriations made in this Section are appropriated to the designated retirement systems for the funding of the unfunded liabilities of the designated retirement systems and are in addition to, and not in lieu of, any State contributions required under the Illinois Pension Code.

(b) For State fiscal year 2011 only, a continuing appropriation is provided to the State Universities' Retirement System that shall not exceed the amount certified by the System on or before December 31, 2009; however, the continuing appropriation shall not reduce the amount in the State Pensions Fund below \$5,000,000.

(40 ILCS 15/1.2)

Sec. 1.2. Appropriations for the State Employees' Retirement System.

(a) From each fund from which an amount is appropriated for personal services to a department or other employer under Article 14 of the Illinois Pension Code, there is hereby appropriated to that department or other employer, on a continuing annual basis for each State fiscal year, an additional amount equal to the amount, if any, by which (1) an amount equal to the percentage of the personal services line item for that department or employer from that fund for that fiscal year that the Board of Trustees of the State Employees' Retirement System of Illinois has certified under Section 14-135.08 of the Illinois Pension Code to be necessary to meet the State's obligation under Section 14-131 of the Illinois Pension Code for that fiscal year, exceeds (2) the amounts otherwise appropriated to that department or employer from that fund for State contributions to the State Employees' Retirement System for that fiscal year. From the effective date of this amendatory Act of the 93rd General Assembly through the final payment from a department or employer's personal services line item for fiscal year 2004, payments to the State Employees' Retirement System that otherwise would have been made under this subsection (a) shall be governed by the provisions in subsection (a-1).

(a-1) If a Fiscal Year 2004 Shortfall is certified under subsection (f) of Section 14-131 of the Illinois

Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a continuing basis from the General Revenue Fund an additional aggregate amount equal to the Fiscal Year 2004 Shortfall.

(a-2) If a Fiscal Year 2010 Shortfall is certified under subsection (i) ~~(e)~~ of Section 14-131 of the Illinois Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a continuing basis from the General Revenue Fund an additional aggregate amount equal to the Fiscal Year 2010 Shortfall.

(a-3) If a Fiscal Year 2011 Shortfall is certified under subsection (j) of Section 14-131 of the Illinois Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a continuing basis from the General Revenue Fund an additional aggregate amount equal to the Fiscal Year 2011 Shortfall.

(a-4) If a Prior Fiscal Year Shortfall is certified under subsection (k) of Section 14-131 of the Illinois Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a continuing basis from the General Revenue Fund an additional aggregate amount equal to the Prior Fiscal Year Shortfall.

(b) The continuing appropriations provided for by this Section shall first be available in State fiscal year 1996.

(c) Beginning in Fiscal Year 2005, any continuing appropriation under this Section arising out of an appropriation for personal services from the Road Fund to the Department of State Police or the Secretary of State shall be payable from the General Revenue Fund rather than the Road Fund.

(d) For State fiscal year 2010 only, a continuing appropriation is provided to the State Employees' Retirement System equal to the amount certified by the System on or before December 31, 2008, less the gross proceeds of the bonds sold in fiscal year 2010 under the authorization contained in subsection (a) of Section 7.2 of the General Obligation Bond Act.

(e) For State fiscal year 2011 only, the continuing appropriation under this Section provided to the State Employees' Retirement System is limited to an amount equal to the amount certified by the System on or before December 31, 2009, less any amounts received pursuant to subsection (a-3) of Section 14.1 of the State Finance Act.

~~(f) (e)~~ For State fiscal year 2011 only, a continuing appropriation is provided to the State Employees' Retirement System equal to the amount certified by the System on or before April 1, 2011, less the gross proceeds of the bonds sold in fiscal year 2011 under the authorization contained in subsection (a) of Section 7.2 of the General Obligation Bond Act.

(765 ILCS 1025/18) (from Ch. 141, par. 118)

Sec. 18. Deposit of funds received under the Act.

(a) The State Treasurer shall retain all funds received under this Act, including the proceeds from the sale of abandoned property under Section 17, in a trust fund. The State Treasurer may deposit any amount in the Trust Fund into the State Pensions Fund during the fiscal year at his or her discretion; however, he or she shall, on April 15 and October 15 of each year, deposit any amount in the trust fund exceeding \$2,500,000 into the State Pensions Fund. Beginning in State fiscal year 2014, all ~~all~~ amounts in excess of \$2,500,000 that are deposited into the State Pensions Fund from the unclaimed Property Trust Fund shall be apportioned to the designated retirement systems as provided in subsection (c-6) of Section 8.12 of the State Finance Act to reduce their actuarial reserve deficiencies. He or she shall make prompt payment of claims he or she duly allows as provided for in this Act for the trust fund. Before making the deposit the State Treasurer shall record the name and last known address of each person appearing from the holders' reports to be entitled to the abandoned property. The record shall be available for public inspection during reasonable business hours.

(b) Before making any deposit to the credit of the State Pensions Fund, the State Treasurer may deduct: (1) any costs in connection with sale of abandoned property, (2) any costs of mailing and publication in connection with any abandoned property, and (3) any costs in connection with the maintenance of records or disposition of claims made pursuant to this Act. The State Treasurer shall semiannually file an itemized report of all such expenses with the Legislative Audit Commission.

Section 15-10. The State Revenue Sharing Act is amended by changing Section 12 as follows:

(30 ILCS 115/12) (from Ch. 85, par. 616)

Sec. 12. Personal Property Tax Replacement Fund. There is hereby created the Personal Property Tax Replacement Fund, a special fund in the State Treasury into which shall be paid all revenue realized:

(a) all amounts realized from the additional personal property tax replacement income tax imposed by subsections (c) and (d) of Section 201 of the Illinois Income Tax Act, except for those amounts deposited into the Income Tax Refund Fund pursuant to subsection (c) of Section 901 of the Illinois Income Tax Act; and

(b) all amounts realized from the additional personal property replacement invested capital taxes imposed by Section 2a.1 of the Messages Tax Act, Section 2a.1 of the Gas Revenue Tax Act, Section 2a.1 of the Public Utilities Revenue Act, and Section 3 of the Water Company Invested Capital Tax Act, and amounts payable to the Department of Revenue under the Telecommunications Infrastructure Maintenance Fee Act.

As soon as may be after the end of each month, the Department of Revenue shall certify to the Treasurer and the Comptroller the amount of all refunds paid out of the General Revenue Fund through the preceding month on account of overpayment of liability on taxes paid into the Personal Property Tax Replacement Fund. Upon receipt of such certification, the Treasurer and the Comptroller shall transfer the amount so certified from the Personal Property Tax Replacement Fund into the General Revenue Fund.

Net replacement revenue shall be defined as the total amount paid into and remaining in the General Revenue Fund as a result of those Acts minus the amount outstanding and obligated from the General Revenue Fund in state vouchers or warrants prior to the effective date of this amendatory Act of 1980 as refunds to taxpayers for overpayment of liability under those Acts.

All interest earned by monies accumulated in the Personal Property Tax Replacement Fund shall be deposited in such Fund. All amounts allocated pursuant to this Section are appropriated on a continuing basis.

Prior to December 31, 1980, as soon as may be after the end of each quarter beginning with the quarter ending December 31, 1979, and on and after December 31, 1980, as soon as may be after January 1, March 1, April 1, May 1, July 1, August 1, October 1 and December 1 of each year, the Department of Revenue shall allocate to each taxing district as defined in Section 1-150 of the Property Tax Code, in accordance with the provisions of paragraph (2) of this Section the portion of the funds held in the Personal Property Tax Replacement Fund which is required to be distributed, as provided in paragraph (1), for each quarter. Provided, however, under no circumstances shall any taxing district during each of the first two years of distribution of the taxes imposed by this amendatory Act of 1979 be entitled to an annual allocation which is less than the funds such taxing district collected from the 1978 personal property tax. Provided further that under no circumstances shall any taxing district during the

third year of distribution of the taxes imposed by this amendatory Act of 1979 receive less than 60% of the funds such taxing district collected from the 1978 personal property tax. In the event that the total of the allocations made as above provided for all taxing districts, during either of such 3 years, exceeds the amount available for distribution the allocation of each taxing district shall be proportionately reduced. Except as provided in Section 13 of this Act, the Department shall then certify, pursuant to appropriation, such allocations to the State Comptroller who shall pay over to the several taxing districts the respective amounts allocated to them.

Any township which receives an allocation based in whole or in part upon personal property taxes which it levied pursuant to Section 6-507 or 6-512 of the Illinois Highway Code and which was previously required to be paid over to a municipality shall immediately pay over to that municipality a proportionate share of the personal property replacement funds which such township receives.

Any municipality or township, other than a municipality with a population in excess of 500,000, which receives an allocation based in whole or in part on personal property taxes which it levied pursuant to Sections 3-1, 3-4 and 3-6 of the Illinois Local Library Act and which was previously required to be paid over to a public library shall immediately pay over to that library a proportionate share of the personal property tax replacement funds which such municipality or township receives; provided that if such a public library has converted to a library organized under The Illinois Public Library District Act, regardless of whether such conversion has occurred on, after or before January 1, 1988, such proportionate share shall be immediately paid over to the library district which maintains and operates the library. However, any library that has converted prior to January 1, 1988, and which hitherto has not received the personal property tax replacement funds, shall receive such funds commencing on January 1, 1988.

Any township which receives an allocation based in whole or in part on personal property taxes which it levied pursuant to Section 1c of the Public Graveyards Act and which taxes were previously required to be paid over to or used for such public cemetery or cemeteries shall immediately pay over to or use for such public cemetery or cemeteries a proportionate share of the personal property tax replacement funds which the township receives.

Any taxing district which receives an allocation based in whole or in part upon personal property taxes which it levied for another governmental body or school district in Cook County in 1976 or for another governmental body or school district in the remainder of the State in 1977 shall immediately pay over to that governmental body or school district the amount of personal property replacement funds which such governmental body or school district would receive directly under the provisions of paragraph (2) of this Section, had it levied its own taxes.

(1) The portion of the Personal Property Tax Replacement Fund required to be distributed as of the time allocation is required to be made shall be the amount available in such Fund as of the time allocation is required to be made.

The amount available for distribution shall be the total amount in the fund at such time minus the necessary administrative and other authorized expenses as limited by the appropriation and the amount determined by: (a) \$2.8 million for fiscal year 1981; (b) for fiscal year 1982, .54% of the funds distributed from the fund during the preceding fiscal year; (c) for fiscal year 1983 through fiscal year 1988, .54% of the funds distributed from the fund during the preceding fiscal year less .02% of such fund for fiscal year 1983 and less .02% of such funds for each fiscal year thereafter; (d) for fiscal year 1989 through fiscal year 2011 no more than 105% of the actual administrative expenses of the prior fiscal year; (e) for fiscal year 2012 and beyond, a sufficient amount to pay (i) stipends, additional compensation, salary reimbursements, and other amounts directed to be paid out of this Fund for local officials as authorized or required by statute and (ii) no more than 105% of the actual administrative expenses of the prior fiscal year, including payment of the ordinary and contingent expenses of the Property Tax Appeal Board and payment of the expenses of the Department of Revenue incurred in administering the collection and distribution of moneys paid into the Fund; or (f) for fiscal years ~~year~~ 2012 and 2013 only, a sufficient amount to pay stipends, additional compensation, salary reimbursements, and other amounts directed to be paid out of this Fund for regional offices and officials as authorized or required by statute. Such portion of the fund shall be determined after the transfer into the General Revenue Fund due to refunds, if any, paid from the General Revenue Fund during the preceding quarter. If at any time, for any reason, there is insufficient amount in the Personal Property Tax Replacement Fund for payments for regional offices and officials or local officials or payment of costs of administration or for transfers due to refunds at the end of any particular month, the amount of such insufficiency shall be carried over for the purposes of payments for regional offices and officials, local officials, transfers into the General Revenue Fund, and costs of administration to the following month or months. Net replacement revenue held, and defined above,

shall be transferred by the Treasurer and Comptroller to the Personal Property Tax Replacement Fund within 10 days of such certification.

(2) Each quarterly allocation shall first be apportioned in the following manner: 51.65% for taxing districts in Cook County and 48.35% for taxing districts in the remainder of the State.

The Personal Property Replacement Ratio of each taxing district outside Cook County shall be the ratio which the Tax Base of that taxing district bears to the Downstate Tax Base. The Tax Base of each taxing district outside of Cook County is the personal property tax collections for that taxing district for the 1977 tax year. The Downstate Tax Base is the personal property tax collections for all taxing districts in the State outside of Cook County for the 1977 tax year. The Department of Revenue shall have authority to review for accuracy and completeness the personal property tax collections for each taxing district outside Cook County for the 1977 tax year.

The Personal Property Replacement Ratio of each Cook County taxing district shall be the ratio which the Tax Base of that taxing district bears to the Cook County Tax Base. The Tax Base of each Cook County taxing district is the personal property tax collections for that taxing district for the 1976 tax year. The Cook County Tax Base is the personal property tax collections for all taxing districts in Cook County for the 1976 tax year. The Department of Revenue shall have authority to review for accuracy and completeness the personal property tax collections for each taxing district within Cook County for the 1976 tax year.

For all purposes of this Section 12, amounts paid to a taxing district for such tax years as may be applicable by a foreign corporation under the provisions of Section 7-202 of the Public Utilities Act, as amended, shall be deemed to be personal property taxes collected by such taxing district for such tax years as may be applicable. The Director shall determine from the Illinois Commerce Commission, for any tax year as may be applicable, the amounts so paid by any such foreign corporation to any and all taxing districts. The Illinois Commerce Commission shall furnish such information to the Director. For all purposes of this Section 12, the Director shall deem such amounts to be collected personal property taxes of each such taxing district for the applicable tax year or years.

Taxing districts located both in Cook County and in one or more other counties shall receive both a Cook County allocation and a Downstate allocation determined in the same way as all other taxing districts.

If any taxing district in existence on July 1, 1979 ceases to exist, or discontinues its operations, its Tax Base shall thereafter be deemed to be zero. If the powers, duties and obligations of the discontinued taxing district are assumed by another taxing district, the Tax Base of the discontinued taxing district shall be added to the Tax Base of the taxing district assuming such powers, duties and obligations.

If two or more taxing districts in existence on July 1, 1979, or a successor or successors thereto shall consolidate into one taxing district, the Tax Base of such consolidated taxing district shall be the sum of the Tax Bases of each of the taxing districts which have consolidated.

If a single taxing district in existence on July 1, 1979, or a successor or successors thereto shall be divided into two or more separate taxing districts, the tax base of the taxing district so divided shall be allocated to each of the resulting taxing districts in proportion to the then current equalized assessed value of each resulting taxing district.

If a portion of the territory of a taxing district is disconnected and annexed to another taxing district of the same type, the Tax Base of the taxing district from which disconnection was made shall be reduced in proportion to the then current equalized assessed value of the disconnected territory as compared with the then current equalized assessed value within the entire territory of the taxing district prior to disconnection, and the amount of such reduction shall be added to the Tax Base of the taxing district to which annexation is made.

If a community college district is created after July 1, 1979, beginning on the effective date of this amendatory Act of 1995, its Tax Base shall be 3.5% of the sum of the personal property tax collected for the 1977 tax year within the territorial jurisdiction of the district.

The amounts allocated and paid to taxing districts pursuant to the provisions of this amendatory Act of 1979 shall be deemed to be substitute revenues for the revenues derived from taxes imposed on personal property pursuant to the provisions of the "Revenue Act of 1939" or "An Act for the assessment and taxation of private car line companies", approved July 22, 1943, as amended, or Section 414 of the Illinois Insurance Code, prior to the abolition of such taxes and shall be used for the same purposes as the revenues derived from ad valorem taxes on real estate.

Monies received by any taxing districts from the Personal Property Tax Replacement Fund shall be first applied toward payment of the proportionate amount of debt service which was previously levied and collected from extensions against personal property on bonds outstanding as of December 31, 1978 and next applied toward payment of the proportionate share of the pension or retirement obligations of

the taxing district which were previously levied and collected from extensions against personal property. For each such outstanding bond issue, the County Clerk shall determine the percentage of the debt service which was collected from extensions against real estate in the taxing district for 1978 taxes payable in 1979, as related to the total amount of such levies and collections from extensions against both real and personal property. For 1979 and subsequent years' taxes, the County Clerk shall levy and extend taxes against the real estate of each taxing district which will yield the said percentage or percentages of the debt service on such outstanding bonds. The balance of the amount necessary to fully pay such debt service shall constitute a first and prior lien upon the monies received by each such taxing district through the Personal Property Tax Replacement Fund and shall be first applied or set aside for such purpose. In counties having fewer than 3,000,000 inhabitants, the amendments to this paragraph as made by this amendatory Act of 1980 shall be first applicable to 1980 taxes to be collected in 1981. (105 ILCS 5/3-2.5)

Sec. 3-2.5. Salaries.

(a) Except as otherwise provided in this Section, the regional superintendents of schools shall receive for their services an annual salary according to the population, as determined by the last preceding federal census, of the region they serve, as set out in the following schedule:

**SALARIES OF REGIONAL SUPERINTENDENTS OF SCHOOLS**

POPULATION OF REGION	ANNUAL SALARY
Less than 48,000	\$73,500

The changes made by Public Act 89-225 in the annual salary that regional superintendents of schools shall receive for their services shall apply to the annual salary received by the regional superintendents of schools during their elected terms of office that commence after August 4, 1995 and end on August 1, 1999.

The changes made by this amendatory Act of the 91st General Assembly in the annual salary that the regional superintendents of schools shall receive for their services shall apply to the annual salary received by the regional superintendents of schools during each of their elected terms of office that commence on or after August 2, 1999.

Beginning July 1, 2000, the salary that the regional superintendent of schools receives for his or her services shall be adjusted annually to reflect the percentage increase, if any, in the most recent Consumer Price Index, as defined and officially reported by the United States Department of Labor, Bureau of Labor Statistics, except that no annual increment may exceed 2.9%. If the percentage of change in the Consumer Price Index is a percentage decrease, the salary that the regional superintendent of schools receives shall not be adjusted for that year.

The salaries provided in this Section plus an amount for other employment-related compensation or benefits for regional superintendents and assistant regional superintendents are payable monthly by the State Board of Education out of the Personal Property Tax Replacement Fund through a specific appropriation to that effect in the State Board of Education budget for the fiscal ~~years year~~ 2012 and 2013 only, and are payable monthly from the Common School Fund for fiscal year 2014 2013 and beyond through a specific appropriation to that effect in the State Board of Education budget. County boards may provide for additional compensation for the regional superintendent or the assistant regional superintendents, or for each of them, to be paid quarterly from the county treasury.

(b) Upon abolition of the office of regional superintendent of schools in educational service regions containing 2,000,000 or more inhabitants as provided in Section 3-0.01 of this Code, the funds provided under subsection (a) of this Section shall continue to be appropriated and reallocated, as provided for pursuant to subsection (b) of Section 3-0.01 of this Code, to the educational service centers established pursuant to Section 2-3.62 of this Code for an educational service region containing 2,000,000 or more inhabitants.

[May 30, 2012]

**SENATE RESOLUTION NO. 808**

Offered by Senator Link and all Senators:

Mourns the death of David M. Sarich of Hawthorn Woods.

By unanimous consent, the foregoing resolution was referred to the Resolutions Consent Calendar.

Senator Frerichs offered the following Senate Resolution, which was referred to the Committee on Assignments:

**SENATE RESOLUTION NO. 806**

WHEREAS, The General Assembly created the Police Training Institute (PTI) at the University of Illinois in 1955; and

WHEREAS, The PTI is the largest police training academy in this State, has trained officers in all 102 counties of this State, and has trained 64% of the officers outside of the City of Chicago; and

WHEREAS, In 2005, the PTI trained 32% of officers statewide, and that percentage rose to 42% in 2010, while enrollment fell in all academies due to the recession; and

WHEREAS, The PTI trains the trainers for other police training academies throughout Illinois; and

WHEREAS, The General Assembly created the Illinois Law Enforcement Training Standards Board (ILETSB) in 1965; and

WHEREAS, The ILETSB wishes to close the PTI and use the funds to open a new academy under its management; and

WHEREAS, State statute requires that the Director of the PTI be a member of the ILETSB; and

WHEREAS, The State statute creating the ILETSB does not authorize it to override the statute creating the PTI; and

WHEREAS, The State statute establishing the ILETSB does not give it the authority to run an academy; and

WHEREAS, The ILETSB has also "decertified" the Illinois State Police Academy in the past, although it was later restored; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the PTI shall remain open and its funding must not be diverted to create a new academy; and be it further

RESOLVED, That the ILETSB shall abide by the laws that created the PTI and the ILETSB and not assume new powers without legislative authority; and be it further

RESOLVED, That no new police training academies shall be created until the level of enrollment and the condition of State finances would make this academically reasonable and financially feasible; and be it further

RESOLVED, That the ILETSB is directed to establish objective professional standards for decertifying courses at police training academies so that minor disagreements do not escalate into disruptions of training; and be it further

RESOLVED, That suitable copies of this resolution be delivered to President and the members of the

[May 30, 2012]

Board of Trustees of the University of Illinois, the Director of the Police Training Institute, and to the Executive Director and members of the Illinois Law Enforcement Training and Standards Board.

**SENATE RESOLUTION NO. 807**

WHEREAS, The Illinois Law Enforcement Training and Standards Board is an agency of the State of Illinois that receives moneys appropriated by the General Assembly from both the Traffic and Criminal Conviction Surcharge Fund and from general revenue; and

WHEREAS, The Illinois Law Enforcement Training and Standards Board is charged under Section 6 of the Illinois Police Training Act with selecting and certifying schools within the State of Illinois for the purpose of providing basic training for probationary police officers, probationary county corrections officers, and court security officers; and

WHEREAS, Public statements made on behalf of the Illinois Law Enforcement Training and Standards Board indicate that the Board is seeking to operate its own police training academy; and

WHEREAS, The Illinois Law Enforcement Training and Standards Board has no statutory authority to operate a police training academy; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Auditor General is directed to conduct a performance audit of the Illinois Law Enforcement Training and Standards Board to assess the Board's use of the moneys appropriated to it by the General Assembly; and be it further

RESOLVED, That the audit shall include, but not be limited to, the determination of whether the Board has been spending moneys appropriated to it by the General Assembly for activities that are beyond its statutory grant of authority; and be it further

RESOLVED, That the Illinois Law Enforcement Training and Standards Board, and any other entity having information relevant to this audit, shall cooperate fully with the Auditor General in the conduct of this audit; and be it further
