Sec. 8-10. It is the duty of each manufacturer, importing distributor and foreign importer to keep, at his licensed address or place of business, complete and accurate records of all sales or other dispositions of alcoholic liquor, and complete and accurate records of all alcoholic liquor produced, manufactured, compounded or imported, whether for himself or for another, together with a physical inventory made as of the close of each period for which a return is required, covering all alcoholic liquors on hand. However, the Department of Revenue may grant an importing distributor a waiver to permit such records to be kept at a central business location within the State upon written request by the importing

distributor. The central business location shall be located at a licensed importing distributor's premises. The Department of Revenue may in its discretion prescribe reasonable and uniform methods for keeping such records by manufacturers and importing distributors and foreign importers.

In case of failure by manufacturers and importing distributors to keep such records or to make them available to the Department on demand, the Department shall determine the amount of tax due according to its best judgment and information, which amount so determined by the Department shall be prima facie correct, and the Department's notice of tax liability shall be given, and protest thereto and demand for a hearing may be made and final assessments arrived at, in accordance with the provisions of Section 8-5 hereof.

It is the duty of each manufacturer, importing distributor and foreign importer, who imports alcoholic liquor into the State, and each non-resident dealer who ships alcoholic liquor into the State, to mail to the Department one duplicate invoice, together with a bill of lading, covering such shipment and stating the quantity and, except in the case of alcoholic liquor imported in bulk to be bottled by an authorized licensee in this State using his own label and brand, the invoice shall also state the brand, labels and size of containers.

The report shall include all information mailed to the Department during the preceding month.

All books and records, which manufacturers, importing distributors, non-resident dealers and foreign importers are required by this Section to keep, shall be preserved for a period of 3 years, unless the Department, in writing, authorizes their destruction or disposal at an earlier date.

The following amendment was offered in the Committee on Education, adopted and ordered printed:

AMENDMENT NO. 1 TO HOUSE BILL 1868

AMENDMENT NO. 1. Amend House Bill 1868 by replacing everything after the enacting clause with the following:

"Section 5. The School Code is amended by changing Section 21B-20 as follows:
(105 ILCS 5/21B-20)

Sec. 21B-20. Types of licenses. Before July 1, 2013, the State Board of Education shall implement a system of educator licensure, whereby individuals employed in school districts who are required to be licensed must have one of the following licenses: (i) a professional educator license; (ii) a professional educator license with stipulations; or (iii) a substitute teaching license. References in law regarding individuals certified or certificated or required to be certified or certificated under Article 21 of this Code shall also include individuals licensed or required to be licensed under this Article. The first year of all licenses ends on June 30 following one full year of the license being issued.

The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, may adopt such rules as may be necessary to govern the requirements for licenses and endorsements under this Section.

(1) Professional Educator License. Persons who (i) have successfully completed an approved educator preparation program and are recommended for licensure by the Illinois institution offering the educator preparation program, (ii) have successfully completed the required testing under Section 21B-30 of this Code, (iii) have successfully completed coursework on the psychology of, the identification of, and the methods of instruction for the exceptional child, including without limitation the learning disabled, (iv) have successfully completed coursework in methods of reading and reading in the content area, and (v) have met all other criteria established by rule of the State Board of Education shall be issued a Professional Educator License. All Professional Educator Licenses are valid until June 30 immediately following 5 years of the license being issued. The Professional Educator License shall be endorsed with specific areas and grade levels in which the individual is eligible to practice.

Individuals can receive subsequent endorsements on the Professional Educator License. Subsequent endorsements shall require a minimum of 24 semester hours of coursework in the endorsement area, unless otherwise specified by rule, and passage of the applicable content area test.

(2) Educator License with Stipulations. An Educator License with Stipulations shall be issued an endorsement that ~~(i) is non-renewable, (ii) limits the license holder to one particular position; or (iii) does not require completion of an approved educator program or both any combination of items (i) through (iii) of this paragraph (2).~~

An individual with an Educator License with Stipulations must not be employed by a school district or any other entity to replace any presently employed teacher who otherwise would not be replaced for any reason.

An Educator License with Stipulations may be issued with the following endorsements:

(A) Provisional educator. A provisional educator endorsement in a specific content area or areas on an Educator License with Stipulations may be issued to an applicant who holds an educator license with a minimum of 15 semester hours in content coursework from another state, U.S. territory, or foreign country and who, at the time of applying for an Illinois license, does not meet the minimum requirements under Section 21B-35 of this Code, but does, at a minimum, meet both of the following requirements:

(i) Holds the equivalent of a minimum of a bachelor's degree, unless a master's degree is required for the endorsement, from a regionally accredited college or university or, for individuals educated in a country other than the United States, the equivalent of a minimum of a bachelor's degree issued in the United States, unless a master's degree is required for the endorsement.

(ii) Has passed a test of basic skills and content area test, as required by
Section 21B-30 of this Code.

However, a provisional educator endorsement for principals may not be issued, nor may any person with a provisional educator endorsement serve as a principal in a public school in this

State. In addition, out-of-state applicants shall not receive a provisional educator endorsement if the person completed an alternative licensure program in another state, unless the program has been determined to be equivalent to Illinois program requirements.

Notwithstanding any other requirements of this Section, a service member or spouse of a service member may obtain a Professional Educator License with Stipulations, and a provisional educator endorsement in a specific content area or areas, if he or she holds a valid teaching certificate or license in good standing from another state, meets the qualifications of educators outlined in Section 21B-15 of this Code, and has not engaged in any misconduct that would prohibit an individual from obtaining a license pursuant to Illinois law, including without limitation any administrative rules of the State Board of Education; however, the service member or spouse may not serve as a principal under the Professional Educator License with Stipulations or provisional educator endorsement.

In this Section, "service member" means any person who, at the time of application under this Section, is an active duty member of the United States Armed Forces or any reserve component of the United States Armed Forces or the National Guard of any state, commonwealth, or territory of the United States or the District of Columbia.

A provisional educator endorsement is valid until June 30 immediately following 2 years of the license being issued, during which time any remaining testing and coursework deficiencies must be met. Failure to satisfy all stated deficiencies shall mean the individual, including any service member or spouse who has obtained a Professional Educator License with Stipulations and a provisional educator endorsement in a specific content area or areas, is ineligible to receive a Professional Educator License at that time. A provisional educator endorsement on an Educator License with Stipulations shall not be renewed.

(B) Alternative provisional educator. An alternative provisional educator endorsement on an Educator License with Stipulations may be issued to an applicant who, at the time of applying for the endorsement, has done all of the following:

- (ii) Been employed for a period of at least 5 years in a management level position in a field other than education.

an Educator License with Stipulations may be issued to an applicant who has a minimum of 8,000 hours of work experience in the skill for which the applicant is seeking the endorsement. It is the responsibility of each employing school board and regional office of education to provide verification, in writing, to the State Superintendent of Education at the time the application is submitted that no qualified teacher holding a Professional Educator License or an Educator License with Stipulations with a career and technical educator endorsement is available and that actual circumstances require such issuance.

The provisional career and technical educator endorsement on an Educator License with Stipulations is valid until June 30 immediately following 5 years of the endorsement being issued and may be renewed only one time for 5 years if the individual passes a test of basic skills, as required under Section 21B-30 of this Code, and has completed a minimum of 20 semester hours from a regionally accredited institution.

A transitional bilingual educator endorsement shall be valid for prekindergarten through grade 12, is valid until June 30 immediately following 5 years of the endorsement being issued, and shall not be renewed.

Persons holding a transitional bilingual educator endorsement shall not be employed to replace any presently employed teacher who otherwise would not be replaced for any reason.

(H) Language endorsement. Substitute Teaching Licenses are valid for substitute teaching in every county of this State. If an individual has had his or her Professional Educator License or Educator License with Stipulations suspended or revoked or has not met the renewal requirements for licensure, then that individual is not eligible to obtain a Substitute Teaching License.

A substitute teacher may only teach in the place of a licensed teacher who is under contract with the employing board. If, however, there is no licensed teacher under contract because of an emergency situation, then a district may employ a substitute teacher for no longer than 30 calendar days per each vacant position in the district if the district notifies the appropriate regional office of education within 5 business days after the employment of the substitute teacher in the emergency situation. An emergency situation is one in which an unforeseen vacancy has occurred and (i) a teacher is unable to fulfill his or her contractual duties or (ii) teacher capacity needs of the district exceed previous indications, and the district is actively engaged in advertising to hire a fully licensed teacher for the vacant position.

A substitute teacher who holds a Professional Educator License or Educator License with Stipulations shall not teach for more than 120 school days for any one licensed teacher under contract in the same school year. "Licensed establishment" means any licensed retail establishment where alcoholic liquor is drawn, poured, mixed, or otherwise served for consumption on the premises, whether the establishment operates on a nonprofit or for-profit basis. "Licensed establishment" and includes any such establishment that has a contractual relationship with an inter-track wagering location licensee licensed under the Illinois Horse Racing Act of 1975, provided any contractual relationship shall not include any transfer or offer of revenue from the operation of video gaming under this Act to any licensee licensed under the Illinois Horse Racing Act of 1975. Provided, however, that the licensed establishment that has such a contractual relationship with an inter-track wagering location licensee may not, itself, be (i) an inter-track wagering location licensee, (ii) the corporate parent or subsidiary of any licensee licensed under the Illinois Horse Racing Act of 1975, or (iii) the corporate subsidiary of a corporation that is also the corporate parent or subsidiary of any licensee licensed under the Illinois Horse Racing Act of 1975. "Licensed establishment" does not include a facility operated by an organization licensee, an inter-track wagering licensee, or an inter-track wagering location licensee licensed under the Illinois Horse Racing Act of 1975 or a riverboat licensed under the Riverboat Gambling Act, except as provided in this paragraph. The changes made to this definition by this amendatory Act of the 98th General Assembly are declarative of existing law and shall not be construed as a new enactment.

"Licensed fraternal establishment" means the location where a qualified fraternal organization that derives its charter from a national fraternal organization regularly meets.

"Licensed veterans establishment" means the location where a qualified veterans organization that derives its charter from a national veterans organization regularly meets.

"Commercial motor vehicles" has the same meaning as defined in Section 18b-101 of the Illinois Vehicle Code. The requirement of item (iii) of this paragraph may be met by showing that estimated future sales or past sales average at least 10,000 gallons per month. For the purposes of this Act, "facilitated, enabled, or participated in the use of coin-operated amusement devices for gambling purposes" means that the person has been convicted of any violation of Article 28 of the Criminal Code of 1961 or the Criminal Code of 2012. (c) Each person seeking and possessing a license as a video gaming terminal manufacturer, distributor, supplier, operator, handler, licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment shall disclose the identity of every person, association, trust, corporation, or limited liability company having a greater than 1% direct or indirect pecuniary

(d) No person may be licensed as a video gaming terminal manufacturer, distributor, supplier, operator, handler, licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment if that person has been found by the Board to:

(1) have a background, including a criminal record, reputation, habits, social or business associations, or prior activities that pose a threat to the public interests of the State or to the security and integrity of video gaming;

(2) create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, and activities in the conduct of video gaming; or

(3) present questionable business practices and financial arrangements incidental to the conduct of video gaming activities.

(e) Any applicant for any license under this Act has the burden of proving his or her qualifications to the satisfaction of the Board. The Board may adopt rules to establish additional qualifications and requirements to preserve the integrity and security of video gaming in this State.
