The towing or removal of any vehicle from private property without the consent of the registered owner or other legally authorized person in control of the vehicle is subject to compliance with the following conditions and restrictions:

1. Any towed or removed vehicle must be stored at the site of the towing service's place of business. The site must be open during business hours, and for the purpose of redemption of vehicles, during the time that the person or firm towing such vehicle is open for towing purposes.

2. The towing service shall within 30 minutes of completion of such towing or removal, notify the law enforcement agency having jurisdiction of such towing or removal, and the make, model, color and license plate number of the vehicle, and shall obtain and record the name of the person at the law enforcement agency to whom such information was reported.

3. If the registered owner or legally authorized person entitled to possession of the vehicle shall arrive at the scene prior to actual removal or towing of the vehicle, the vehicle shall be disconnected from the tow truck and that person shall be allowed to remove the vehicle without interference, upon the payment of a reasonable service fee of not more than one half the posted rate of the towing service as provided in paragraph 6 of this subsection, for which a receipt shall be given.

4. The rebate or payment of money or any other valuable consideration from the towing service or its owners, managers or employees to the owners or operators of the premises from which the vehicles are towed or removed, for the privilege of removing or towing those vehicles, is prohibited. Any individual who violates this paragraph shall be guilty of a Class A misdemeanor.

5. Except for property appurtenant to and obviously a part of a single family residence, and except for instances where notice is personally given to the owner or other legally authorized person in control of the vehicle that the area in which that vehicle is parked is reserved or otherwise unavailable to unauthorized vehicles and they are subject to being removed at the owner or operator's expense, any property owner or lessor, prior to towing or removing any vehicle from private property without the consent of the owner or other legally authorized person in control of that vehicle, must post a notice meeting the following requirements:

a. Except as otherwise provided in subparagraph a.1 of this subdivision (f)5, the notice must be prominently placed at each driveway access or curb cut allowing vehicular access to the property within 5 feet from the public right-of-way line. If there are no curbs or access barriers, the sign must be posted not less than one sign each 100 feet of lot frontage.

a.1. In a municipality with a population of less than 250,000, as an alternative to the requirement of subparagraph a of this subdivision (f)5, the notice for a parking lot contained within property used solely for a 2-family, 3-family, or 4-family residence may be prominently placed at the perimeter of the parking lot, in a position where the notice is visible to the occupants of vehicles entering the lot.

b. The notice must indicate clearly, in not less than 2 inch high light-reflective letters on a contrasting background, that unauthorized vehicles will be towed away at the owner's expense.

c. The notice must also provide the name and current telephone number of the towing service towing or removing the vehicle.

d. The sign structure containing the required notices must be permanently installed with the bottom of the sign not less than 4 feet above ground level, and must be continuously maintained on the property for not less than 24 hours prior to the towing or removing of any vehicle.

6. Any towing service that tows or removes vehicles and proposes to require the owner, operator, or person in control of the vehicle to pay the costs of towing and storage prior to redemption of the vehicle must file and keep on record with the local law enforcement agency a complete copy of

the current rates to be charged for such services, and post at the storage site an identical rate schedule and any written contracts with property owners, lessors, or persons in control of property which authorize them to remove vehicles as provided in this Section. The towing and storage charges, however, shall not exceed the maximum allowed by the Illinois Commerce Commission under Section 18a-200.

7. No person shall engage in the removal of vehicles from private property as described in this Section without filing a notice of intent in each community where he intends to do such removal, and such notice shall be filed at least 7 days before commencing such towing.

8. No removal of a vehicle from private property shall be done except upon express written instructions of the owners or persons in charge of the private property upon which the vehicle is said to be trespassing.

9. Vehicle entry for the purpose of removal shall be allowed with reasonable care on the part of the person or firm towing the vehicle. Such person or firm shall be liable for any damages occasioned to the vehicle if such entry is not in accordance with the standards of reasonable care.

9.5. Except as authorized by a law enforcement officer, no towing service shall engage in the removal of a commercial motor vehicle by operating the vehicle under its own power on a highway.

10. When a vehicle has been towed or removed pursuant to this Section, it must be released to its owner or custodian within one half hour after requested, if such request is made during business hours. Any vehicle owner or custodian or agent shall have the right to inspect the vehicle before accepting its return, and no release or waiver of any kind which would release the towing service from liability for damages incurred during the towing and storage may be required from any vehicle owner or other legally authorized person as a condition of release of the vehicle. A detailed, signed receipt showing the legal name of the towing service must be given to the person paying towing or storage charges at the time of payment, whether requested or not.

This Section shall not apply to law enforcement, firefighting, rescue, ambulance, or other emergency vehicles which are marked as such or to property owned by any governmental entity.

When an authorized person improperly causes a motor vehicle to be removed, such person shall be liable to the owner or lessee of the vehicle for the cost or removal, transportation and storage, any damages resulting from the removal, transportation and storage, attorney's fee and court costs.

Any towing or storage charges accrued shall be payable by the use of any major credit card, in addition to being payable in cash.

11. Towing companies shall also provide insurance coverage for areas where vehicles

towed under the provisions of this Chapter will be impounded or otherwise stored, and shall adequately cover loss by fire, theft or other risks.

Any person who fails to comply with the conditions and restrictions of this subsection shall be guilty of a Class C misdemeanor and shall be fined not less than \$100 nor more than \$500.

(g)(1) When a vehicle is determined to be a hazardous dilapidated motor vehicle pursuant to Section 11-40-3.1 of the Illinois Municipal Code or Section 5-12002.1 of the Counties Code, its removal and impoundment by a towing service may be authorized by a law enforcement agency with appropriate jurisdiction.

(2) When a vehicle removal from either public or private property is authorized by a law enforcement agency, the owner of the vehicle shall be responsible for all towing and storage charges.

(3) Vehicles removed from public or private property and stored by a commercial vehicle relocater or any other towing service authorized by a law enforcement agency in compliance with this Section and Sections 4-201 and 4-202 of this Code, or at the request of the vehicle owner or operator, shall be subject to a possessor lien for services pursuant to the Labor and Storage Lien (Small Amount) Act. The provisions of Section 1 of that Act relating to notice and implied consent shall be deemed satisfied by compliance with Section 18a-302 and subsection (6) of Section 18a-300. In no event shall such lien be greater than the rate or rates established in accordance with subsection (6) of Section 18a-200 of this Code. In no event shall such lien be increased or altered to reflect any charge for services or materials rendered in addition to those authorized by this Act. Every such lien shall be payable by use of any major credit card, in addition to being payable in cash.

(4) Any personal property belonging to the vehicle owner in a vehicle subject to a lien under this subsection (g) shall likewise be subject to that lien, excepting only: child restraint systems as defined in Section 4 of the Child Passenger Protection Act and other child booster seats; eyeglasses; food; medicine; perishable property; any operator's licenses; any cash, credit cards, or checks or checkbooks; any wallet, purse, or other property containing any operator's license or other identifying documents or materials, cash, credit cards, checks, or checkbooks; and any personal property belonging to a person other than the vehicle owner if that person provides adequate proof that the personal property belongs to that person. The spouse, child, mother, father, brother, or sister of the vehicle owner may claim personal property excepted

under this paragraph (4) if the person claiming the personal property provides the commercial vehicle relocater or towing service with the authorization of the vehicle owner.

(5) This paragraph (5) applies only in the case of a vehicle that is towed as a result of being involved in an accident. In addition to the personal property excepted under paragraph (4), all other personal property in a vehicle subject to a lien under this subsection (g) is exempt from that lien and may be claimed by the vehicle owner if the vehicle owner provides the commercial vehicle relocater or towing service with proof that the vehicle owner has an insurance policy covering towing and storage fees. The spouse, child, mother, father, brother, or sister of the vehicle owner may claim personal property in a vehicle subject to a lien under this subsection (g) if the person claiming the personal property provides the commercial vehicle relocater or towing service with the authorization of the vehicle owner and proof that the vehicle owner has an insurance policy covering towing and storage fees. The regulation of liens on personal property and exceptions to those liens in the case of vehicles towed as a result of being involved in an accident are exclusive powers and functions of the State. A home rule unit may not regulate liens on personal property and exceptions to those liens in the case of vehicles towed as a result of being involved in an accident. This paragraph (5) is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

The authorization may be on a contractual basis covering a period of time or limited to a specific removal;

(8) To charge the private property owner, who requested that an unauthorized vehicle be removed from his property, with the costs of removing the vehicle contrary to any terms that may be a part of the contract between the property owner and the commercial relocator. Nothing in this paragraph shall prevent a relocator from assessing, collecting, or receiving from the property owner, lessee, or their agents any fee prescribed by the Commission;

(10) To remove any vehicle from property on which signs are required and on which there are not posted appropriate signs under Section 18a-302;

(11) To fail to notify law enforcement authorities in the jurisdiction in which the trespassing vehicle was removed within one hour of the removal. Notification shall include a complete description of the vehicle, registration numbers if possible, the locations from which and to which the vehicle was removed, the time of removal, and any other information required by regulation, statute or ordinance;

(12) To impose any charge other than in accordance with the rates set by the Commission as provided in paragraph (6) of Section 18a-200 of this Chapter;

(13) To fail, in the office or location at which relocated vehicles are routinely returned to their owners, to prominently post the name, address and telephone number of the nearest office of the Commission to which inquiries or complaints may be sent;

(15) To fail to make a telephone number available to the police department of any municipality in which a relocator operates at which the relocator or an employee of the relocator may be contacted at any time during the hours in which the relocator is engaged in the towing of vehicles, or advertised as engaged in the towing of vehicles, for the purpose of effectuating the release of a towed vehicle; or to fail to include the telephone number in any advertisement of the relocator's services published or otherwise appearing on or after the effective date of this amendatory Act; or to fail to have an employee available at any time on the premises owned or controlled by the relocator for the purposes of arranging for the immediate release of the vehicle.

Apart from any other penalty or liability authorized under this Act, if after a reasonable effort, the owner of the vehicle is unable to make telephone contact with the relocator for a period of one hour from his initial attempt during any time period in which the relocator is required to respond at the number, all fees for towing, storage, or otherwise are to be waived. Proof of 3 attempted
