[March 6, 2014]

RESOLVED, BY THE SENATE OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that we call upon all college and university presidents in Illinois to publicly condemn academic boycotts because of the threat it proposes to academic freedom, access to international education for the students of Illinois, and opportunities for scholarly exchange and joint research projects for Illinois universities and their faculty members; and be it further

There being no further amendments, the foregoing Amendment No. 1 was ordered engrossed, and the bill, as amended, was ordered to a third reading.

On motion of Senator Hastings, **Senate Bill No. 345** was recalled from the order of third reading to the order of second reading.

Senator Hastings offered the following amendment and moved its adoption:

AMENDMENT NO. 1 TO SENATE BILL 345

AMENDMENT NO. 1. Amend Senate Bill 345 by replacing everything after the enacting clause with the following:

"Section 5. The Property Tax Code is amended by changing Section 18-190 as follows:
(35 ILCS 200/18-190)

Sec. 18-190. Direct referendum; new rate or increased limiting rate.

(a) If a new rate is authorized by statute to be imposed without referendum or is subject to a backdoor referendum, as defined in Section 28-2 of the Election Code, the governing body of the affected taxing district before levying the new rate shall submit the new rate to direct referendum under the provisions of this Section and of Article 28 of the Election Code. ~~Notwithstanding any other provision of law, the levies authorized by Sections 21-110 and 21-110.1 of the Illinois Pension Code shall not be considered new rates; however, nothing in this amendatory Act of the 98th General Assembly authorizes a taxing district to increase its limiting rate without first obtaining referendum approval as provided in this Section.~~ Notwithstanding the provisions, requirements, or limitations of any other law, any tax levied for the 2005 levy year and all subsequent levy years by any taxing district subject to this Law may be extended at a rate exceeding the rate established for that tax by referendum or statute, provided that the rate does not exceed the statutory ceiling above which the tax is not authorized to be further increased either by referendum or in any other manner. Notwithstanding the provisions, requirements, or limitations of any other law, all taxing districts subject to this Law shall follow the provisions of this Section whenever seeking referenda approval after March 21, 2006 to (i) levy a new tax rate authorized by statute or (ii) increase the limiting rate applicable to the taxing district. All taxing districts subject to this Law are authorized to seek referendum approval of each proposition described and set forth in this Section.

The proposition seeking to obtain referendum approval to levy a new tax rate as authorized in clause (i) shall be in substantially the following form:

Shall ... (insert legal name, number, if any, and county or counties of taxing district

[March 6, 2014]

and geographic or other common name by which a school or community college district is known and referred to), Illinois, be authorized to levy a new tax for ... purposes and have an additional tax of ...% of the equalized assessed value of the taxable property therein extended for such purposes?
The votes must be recorded as "Yes" or "No".

The proposition seeking to obtain referendum approval to increase the limiting rate as authorized in clause (ii) shall be in substantially the following form:

Shall the limiting rate under the Property Tax Extension Limitation Law for ... (insert legal name, number, if any, and county or counties of taxing district and geographic or other common name by which a school or community college district is known and referred to), Illinois, be increased by an additional amount equal to ...% above the limiting rate for the purpose of...(insert purpose) for levy year ... (insert the most recent levy year for which the limiting rate of the taxing district is known at the time the submission of the proposition is initiated by the taxing district) and be equal to ...% of the equalized assessed value of the taxable property therein for levy year(s) (insert each levy year for which the increase will be applicable, which years must be consecutive and may not exceed 4)?

The votes must be recorded as "Yes" or "No".

The ballot for any proposition submitted pursuant to this Section shall have printed thereon, but not as a part of the proposition submitted, only the following supplemental information (which shall be supplied to the election authority by the taxing district) in substantially the following form:

(1) The approximate amount of taxes extendable at the most recently extended limiting rate is \$..., and the approximate amount of taxes extendable if the proposition is approved is \$....

(2) For the ... (insert the first levy year for which the new rate or increased limiting rate will be applicable) levy year the approximate amount of the additional tax extendable against property containing a single family residence and having a fair market value at the time of the referendum of \$100,000 is estimated to be \$....

(3) Based upon an average annual percentage increase (or decrease) in the market value of such property of %... (insert percentage equal to the average annual percentage increase or decrease for the prior 3 levy years, at the time the submission of the proposition is initiated by the taxing district, in the amount of (A) the equalized assessed value of the taxable property in the taxing district less (B) the new property included in the equalized assessed value), the approximate amount of the additional tax extendable against such property for the ... levy year is estimated to be \$... and for the ... levy year is estimated to be \$

(4) If the proposition is approved, the aggregate extension for ... (insert each levy year for which the increase will apply) will be determined by the limiting rate set forth in the proposition, rather than the otherwise applicable limiting rate calculated under the provisions of the Property Tax Extension Limitation Law (commonly known as the Property Tax Cap Law).

The approximate amount of taxes extendable shown in paragraph (1) shall be computed upon the last known equalized assessed value of taxable property in the taxing district (at the time the submission of the proposition is initiated by the taxing district). Paragraph (3) shall be included only if the increased limiting rate will be applicable for more than one levy year and shall list each levy year for which the increased limiting rate will be applicable. The additional tax shown for each levy year shall be the approximate dollar amount of the increase over the amount of the most recently completed extension at the time the submission of the proposition is initiated by the taxing district. The approximate amount of the additional taxes extendable shown in paragraphs (2) and (3) shall be calculated by multiplying \$100,000 (the fair market value of the property without regard to any property tax exemptions) by (i) the percentage level of assessment prescribed for that property by statute, or by ordinance of the county board in counties that classify property for purposes of taxation in accordance with Section 4 of Article IX of the Illinois Constitution; (ii) the most recent final equalization factor certified to the county clerk by the Department of Revenue at the time the taxing district initiates the submission of the proposition to the electors; and (iii) either the new rate or the amount by which the limiting rate is to be increased. This amendatory Act of the 97th General Assembly is intended to clarify the existing requirements of this Section, and shall not be construed to validate any prior non-compliant referendum language. Paragraph (4) shall be included if the proposition concerns a limiting rate increase but shall not be included if the proposition concerns a new rate. Any notice required to be published in connection with the submission of the proposition shall also contain this supplemental information and shall not contain any other supplemental information regarding the proposition. Any error, miscalculation, or inaccuracy in computing any amount set forth on the ballot and in the notice that is not deliberate shall not invalidate or affect the validity of any proposition approved. Notice of the referendum shall be published and posted as otherwise required by law, and the submission of the proposition shall be initiated as provided by law.

[March 6, 2014]

If a majority of all ballots cast on the proposition are in favor of the proposition, the following provisions shall be applicable to the extension of taxes for the taxing district:

(A) a new tax rate shall be first effective for the levy year in which the new rate is approved;

(B) if the proposition provides for a new tax rate, the taxing district is authorized to levy a tax after the canvass of the results of the referendum by the election authority for the purposes for which the tax is authorized;

(C) a limiting rate increase shall be first effective for the levy year in which the limiting rate increase is approved, provided that the taxing district may elect to have a limiting rate increase be effective for the levy year prior to the levy year in which the limiting rate increase is approved unless the extension of taxes for the prior levy year occurs 30 days or less after the canvass of the results of the referendum by the election authority in any county in which the taxing district is located;

(D) in order for the limiting rate increase to be first effective for the levy year prior to the levy year of the referendum, the taxing district must certify its election to have the limiting rate increase be effective for the prior levy year to the clerk of each county in which the taxing district is located not more than 2 days after the date the results of the referendum are canvassed by the election authority; and

(E) if the proposition provides for a limiting rate increase, the increase may be effective regardless of whether the proposition is approved before or after the taxing district adopts or files its levy for any levy year.

Rates required to extend taxes on levies subject to a backdoor referendum in each year there is a levy are not new rates or rate increases under this Section if a levy has been made for the fund in one or more of the preceding 3 levy years. Changes made by this amendatory Act of 1997 to this Section in reference to rates required to extend taxes on levies subject to a backdoor referendum in each year there is a levy are declarative of existing law and not a new enactment.

(b) Whenever other applicable law authorizes a taxing district subject to the limitation with respect to its aggregate extension provided for in this Law to issue bonds or other obligations either without referendum or subject to backdoor referendum, the taxing district may elect for each separate bond issuance to submit the question of the issuance of the bonds or obligations directly to the voters of the taxing district, and if the referendum passes the taxing district is not required to comply with any backdoor referendum procedures or requirements set forth in the other applicable law. The direct referendum shall be initiated by ordinance or resolution of the governing body of the taxing district, and the question shall be certified to the proper election authorities in accordance with the provisions of the Election Code.
