**SENATE RESOLUTION NO. 1224**

WHEREAS, U.S. trade deals for the past 25 years have been corporate-driven, incorporating rules that skew benefits to economic elites while requiring working families to bear the brunt of such policies; and

WHEREAS, The growing trade deficits, driven by the North American Free Trade Agreement (NAFTA), China's accession to the World Trade Organization, and the U.S.-Korea Free Trade Agreement, have displaced 700,000 jobs, 3.2 million jobs, and 75,000 jobs respectively; and

WHEREAS, U.S. employment in manufacturing dropped by 5 million from 2000 to 2015; and

WHEREAS, Jobs lost due to trade devastate families and entire communities and can permanently reduce lifetime earnings for hundreds of thousands of workers; and

[December 4, 2015]

WHEREAS, The long decline of the American manufacturing base, exacerbated by bad trade policies that reward outsourcing, has undermined our economic security and poses a direct threat to our national security; and

WHEREAS, The offshoring of manufacturing and service jobs deprives local and state governments of sorely needed revenues, jeopardizing the livelihoods of millions of public servants, as well as construction workers whose jobs depend upon infrastructure building, repair, and maintenance; and

WHEREAS, Under NAFTA-style trade rules, the U.S.'s annual trade deficit has increased dramatically from \$70 billion in 1993, the year before NAFTA went into effect, to more than \$508 billion in 2014; and

WHEREAS, The disproportionate voice of powerful global corporations in the formation of U.S. "free trade" agreements has advanced an agenda that undermines the public interest and threatens democracy; and

WHEREAS, NAFTA, and all but 2 of the U.S. trade deals that followed it, includes special legal rights for foreign investors, known as "investor-to-state dispute settlement" or ISDS, that allow foreign firms to bypass state and federal courts to challenge state and local laws, regulations, and administrative and judicial decisions in international tribunals; and

WHEREAS, Foreign investors have already used NAFTA's ISDS provisions to challenge decisions regarding local building permits, environmental regulations, and state bans on toxic chemicals and decisions of state courts; and

WHEREAS, Climate change and environmental degradation threaten communities across the globe and ISDS provisions in the Trans-Pacific Partnership (TPP) may expose nations enacting policies to fight climate change to ISDS cases that undermine these efforts; and

WHEREAS, Promoting economic growth with equity in Illinois requires an approach that reforms the entire trade negotiation process to ensure that the voices of workers, farmers, small businesses, families, and communities are heard and their interests addressed; and

WHEREAS, The TPP has been negotiated in secret, effectively shutting state and local governments out of the process, limiting our ability to influence its rules to ensure the people of Illinois can participate in the benefits of trade; and

WHEREAS, Given the enactment of fast track trade negotiating authority, states, localities, and their citizens will have no opportunity to correct shortcomings in the TPP because its text will not be made public until it is final and can no longer be improved; and

WHEREAS, Repeating old mistakes in negotiating new trade agreements such as the TPP represents a missed opportunity to strengthen our economy, reduce income inequality, and promote sustainable growth; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we call upon our elected officials in the U.S. Senate and U.S. House of Representatives to oppose the TPP and any similar trade deals if they fail to restructure the misguided and failed policies of the past; and be it further

RESOLVED, That we call upon our elected officials in the U.S. Senate and U.S. House of Representatives to support new trade deals such as the TPP only if they do the following:

- (1) protect and promote traditional state and local prerogatives and authority under our federal system, including by ensuring that states and localities will not be required to comply with certain commitments, including any restrictions on preferences for local, state, or U.S. goods or services, without prior informed consent of the legislature or local lawmaking body;
- (2) ensure balanced trade and address the excessive, job-killing U.S. trade deficit;
- (3) include enforceable rules against currency manipulation, which countries such as China and Japan have used to tilt the playing field in their favor;
- (4) exclude investor-to-state dispute settlement (ISDS) and other provisions that favor

[December 4, 2015]

foreign companies over domestic ones and undermine public choices;

(5) ensure that countries cannot undercut U.S.-based producers with weaker labor and environmental laws and enforcement;

(6) ensure that the U.S. will engage in robust enforcement of trade rules, including labor and environmental rules;

(7) include strong rules of origin to promote economic growth and job creation in the U.S.;

(8) promote high standards of protection for workplaces, products, and natural resources rather than promoting a race to the bottom; and

(9) put the interests of people and the planet over the interests of private profit; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the President pro tempore of the U.S. Senate, the Speaker of the U.S. House of Representatives, and each member of the Illinois congressional delegation.

Senator Althoff offered the following Senate Resolution, which was referred to the Committee on Assignments:

#### **SENATE RESOLUTION NO. 1276**

WHEREAS, Senate Resolution 942 of the 99th General Assembly was adopted on September 9, 2015; and

WHEREAS, Since adoption of Senate Resolution 942 the facts and circumstances related to it have changed; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we rescind Senate Resolution 942 adopted on September 9, 2015; and be it further

RESOLVED, That entries relating to Senate Resolution 942 be expunged from the Senate Journal and the Illinois General Assembly website; and be it further

RESOLVED, That a copy of this resolution be sent to the Legislative Information System.

(c) The charges or rates are liens upon the real estate upon or for which sewerage service is supplied whenever the charges or rates become delinquent as provided by the ordinance of the board fixing a delinquency date.

[December 4, 2015]

(d) Notwithstanding any provision of law to the contrary, the township shall conduct a cost study regarding the connection charge of the township:

- (1) before the township increases or creates a connection charge;
- (2) upon the request of the supervisor or a majority of the township board of the township;
- (3) upon the request of a majority of the mayors or village presidents of the municipalities located within or substantially within the township or township's facility planning area; or
- (4) upon the filing with the township board of a petition signed by 10% or more of the customers who have paid connection charges to the township in the previous 5 calendar years.

The cost study shall be conducted by an independent entity within 6 months of action taken under paragraphs (1), (2), (3), or (4) of this subsection (d). For purposes of ~~subsections this subsection (d) and (e)~~, the term "independent entity" shall mean an engineering firm that has not entered into a contract with any State agency, unit of local government, or non-governmental entity for goods or services within the township or township service area in the 24 months prior to being contracted to perform the cost study. After performing a cost study under this subsection (d), an independent entity may not contract with any State agency, unit of local government, or non-governmental entity for goods or services within the township or township service area in the 24 months after completion of the cost study other than to perform further cost studies under this subsection (d). A township shall not be required to conduct more than one cost study in a ~~60~~ 24 month period under paragraphs ~~(1), (2),~~ (3); or (4) of this subsection (d). The cost study must include, at a minimum, an examination of similar water main and sewer connection charges in neighboring units of local government or units of local government similar in size or population. Following the completion of the cost study, no increase or new connection charge may be imposed unless the increase or new charge is justified by the cost study. If the connection charge the township charged prior to completion of the cost study is higher than is justified by the cost study, the township shall reduce its connection charge to the amount justified by the cost study. For purposes of this subsection (d), "connection charge" means any charge or fee, by whatever name, assessed to recover the cost of connecting the customer's water main, sewer, or water main and sewer service line to the township's facilities, and includes only the direct and indirect costs of physically tying the service line into the township's main.

(e) If a cost study has been conducted pursuant to subsection (d) of this Section and a new cost study is requested under paragraph (3) or (4) of subsection (d), the township shall obtain a written quote from an independent entity detailing the cost of the requested cost study and one of the following shall occur prior to a new cost study beginning:

(1) each township, village, and municipality whose mayor or president requested the cost study under paragraph (3) of subsection (d) shall pay a proportionate share of the entire cost of the cost study as detailed in the written quote required under this subsection (e); or

(2) the customers who signed the petition under paragraph (4) of subsection (d) shall pay a pro rata share of the entire cost of the cost study as detailed in written quote required under this subsection (e).

Payments required under either paragraph (1) or (2) of this subsection (e) shall be made to the township clerk, who shall forward the same to the independent entity upon receipt of entire amount of the written quote for the cost study. If the entire amount of the written quote for the cost study has not been received within 90 days from the township clerk providing public note of the amount of the written quote, then those amounts received by the township clerk shall be refunded to the persons or entities which paid them. (c) Notwithstanding the form and tenor of any such bonds, notes or other evidences of indebtedness and in the absence of any express recital on the face thereof that it is non-negotiable, all such bonds, notes and other evidences of indebtedness shall be negotiable instruments. Pending the preparation and execution of any such bonds, notes or other evidences of indebtedness, temporary bonds, notes or evidences of indebtedness may be issued as provided by ordinance.

(d) To secure the payment of any or all of such bonds, notes or other evidences of indebtedness, the revenues to be received by the Authority from a lease agreement or loan agreement shall be pledged, and, for the purpose of setting forth the covenants and undertakings of the Authority in connection with the issuance thereof and the issuance of any additional bonds, notes or other evidences of indebtedness payable from such revenues, income or other funds to be derived from projects, the Authority may execute and deliver a mortgage or trust agreement. A remedy for any breach or default of the terms of any such mortgage or trust agreement by the Authority may be by mandamus proceedings in the appropriate circuit court to compel the performance and compliance therewith, but the trust agreement may prescribe by whom or on whose behalf such action may be instituted.

(e) Such bonds or notes shall be secured as provided in the authorizing ordinance which may, notwithstanding any other provision of this Act, include in addition to any other security a specific pledge or assignment of and lien on or security interest in any or all revenues or money of the Authority from whatever source which may by law be used for debt service purposes and a specific pledge or assignment of and lien on or security interest in any funds or accounts established or provided for by ordinance of the Authority authorizing the issuance of such bonds or notes.

(f) (Blank). In the event that the Authority determines that monies of the Authority will not be sufficient for the payment of the principal of and interest on its bonds during the next State fiscal year, the Chairman, as soon as practicable, shall certify to the Governor the amount required by the Authority to enable it to pay such principal of and interest on the bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. This Section shall not apply to any bonds or notes as to which the Authority shall have determined, in the resolution authorizing the issuance of the bonds or notes, that this Section shall not apply. Whenever the Authority makes such a determination, that fact shall be plainly stated on the face of the bonds or notes and that fact shall also be reported to the Governor.

In the event of a withdrawal of moneys from a reserve fund established with respect to any issue or issues of bonds of the Authority to pay principal or interest on those bonds, the Chairman of the Authority, as soon as practicable, shall certify to the Governor the amount required to restore the reserve fund to the level required in the resolution or indenture securing those bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. This subsection (f) shall not apply to any bond issued on or after the effective date of this amendatory Act of the 97th General Assembly.

(g) The State of Illinois pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with such holders or in any way impair the rights and remedies of such holders until such bonds and notes, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, are fully met and discharged. In addition, the State pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the basis on which State funds are to be paid to the Authority as provided in this Act, or the use of such funds, so as to impair the terms of any such contract. The Authority is authorized to include these pledges and agreements of the State in any contract with the holders of bonds or notes issued pursuant to this Section.
