Tim Anderson, Secretary

Springfield, IL 62706

Dear Secretary Anderson:

I have been asked to clarify my letter to you dated October 14, 2015, where I made new Committee appointments after the resignation of former Senator LaHood.

[February 19, 2016]

In that letter, I removed Senator Karen McConnaughay as Minority Spokesperson of the Commerce and Economic Development Committee and replaced her with Senator Chuck Weaver.

Senate Rule 3-2 clearly designates the Minority Spokesperson as an Officer of a Standing Committee separate and distinct from “the remaining Committee members”.

Therefore, once I removed Senator Karen McConnaughay as Spokesperson, she ceased to be a Member of the Senate Commerce and Economic Development Committee because I never appointed her as one of “the remaining Committee members”.

I hope this clarifies the situation. If you have questions, please feel free to call my Chief of Staff, Phil Draves at 782-8184.

Sincerely,
s/Christine Radogno
Senate Republican Leader
41st District

PRESENTATION OF RESOLUTIONS

Senator Trotter offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 1539

WHEREAS, Patients, especially those with serious or chronic conditions, should be able to continue the course of therapy recommended by their physician; and

WHEREAS, Health plans and pharmacy benefit managers (PBMs) have implemented policies called "non-medical switching" that require patients to switch to cheaper, insurer-preferred drugs; these policies include making formulary changes that limit or restrict access to certain treatments and increasing out-of-pocket costs; and

WHEREAS, A stable patient should not be required to switch treatments simply due to payer cost controls; and

WHEREAS, Studies have shown that patients with chronic conditions, who have been stabilized on drug therapy and then switched to another drug, face negative consequences, such as allergic reaction or lack of response; and

WHEREAS, Nearly all health plans and PBMs in the United States switch patients between drugs as part of a utilization management program offered to employers and other customers, including states; and

WHEREAS, Switching a stable patient for non-medical reasons may be dangerous, is usually unnecessary, and rarely generates overall cost savings; and

WHEREAS, Out-of-pocket costs for patients can exceed 30% of the costs of primary care, specialist visits, and some medications, while average deductibles have increased by 150% over the past 5 years; and

WHEREAS, Despite protections in the Patient Protection and Affordable Care Act (ACA), consumers are still exposed to the whims of health plans and pharmacy benefit managers (PBMs) when it comes to health services being changed or denied; and

[February 19, 2016]

WHEREAS, States may have statutory or regulatory protections for patients to continue health care if a health care provider is no longer with a health plan; very few states protect a patient when a health plan changes service or pharmaceutical coverage in the middle of the plan year; and

WHEREAS, The 2016 Letter to Issuers from the Centers for Medicare & Medicaid Services does require some health plans to increase transparency about what is covered; the federal government encourages but does not require health plans to temporarily cover non-formulary drugs as if they were on formulary and without imposing additional cost sharing when either a person changes plans or the plan makes a change in the middle of a plan year; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that it is critical to promote, support, and encourage continuity of care for patients; and be it further

RESOLVED, That health benefits should be designed to support treatment decisions that are based on clinical judgment and patient or physician decision-making, not by costs to the payer, to promote long-term health; and be it further

RESOLVED, That the possibility of legislation should be examined to safeguard affordable and continuous patient access to health care services and treatments; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Governor, the Director of the Illinois Department of Insurance, the Director of the Illinois Department of Health and Family Services, and the Director of the Illinois Department of Public Health.

Senator Steans offered the following Senate Joint Resolution, which was ordered printed and referred to the Committee on Assignments:

**SENATE JOINT RESOLUTION NO. 25
CONSTITUTIONAL AMENDMENT**

SC0025

RESOLVED, BY THE SENATE OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that there shall be submitted to the electors of the State for adoption or rejection at the general election next occurring at least 6 months after the adoption of this resolution a proposition to amend Section 2 of Article VIII of the Illinois Constitution as follows:

ARTICLE VIII
FINANCE

SECTION 2. STATE FINANCE

(a) The Governor shall prepare and submit to the General Assembly, at a time prescribed by law, a State budget for the ensuing fiscal year. The budget shall set forth the estimated balance of funds available for appropriation at the beginning of the fiscal year, the estimated receipts, and a plan for expenditures and obligations during the fiscal year of every department, authority, public corporation and quasi-public corporation of the State, every State college and university, and every other public agency created by the State, but not of units of local government or school districts. The budget shall also set forth the indebtedness and contingent liabilities of the State and such other information as may be required by law. Proposed expenditures shall not exceed funds estimated to be available for the fiscal year as shown in the budget.

(b) The General Assembly by law shall make appropriations for all expenditures of public funds by the State. Appropriations for a fiscal year shall not exceed funds estimated by the General Assembly to be available during that year.

(c) Roads, bridges, and public transportation are an essential public purpose for which public funds must be expended and are vital to the economy of the State of Illinois. As such, the General Assembly by law shall provide sufficient transportation revenues to ensure that the State's transportation infrastructure is maintained in a good condition. To achieve that goal, the General Assembly shall provide by law that all transportation related revenues and fees, including the State motor fuel tax and vehicle registration and

[February 19, 2016]

license fees, shall be deposited into a Transportation Trust Fund. Moneys in the Transportation Trust Fund may be used only:

(1) for the purpose of paying the principal of and interest on transportation bonds as they become due and payable; and

(2) after meeting debt service requirements for transportation bonds, for any lawful purpose related to transportation, including the construction and maintenance of adequate highways, roads, bridges, and public transit systems in the State.

Moneys in the Transportation Trust Fund may not be transferred to the General Revenue Fund or any other fund or special fund of the State.
