AMENDMENT NO. 1. Amend Senate Bill 2734 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Advisory Board for the Maternal and Child Health Block Grant Programs Act.

Section 5. Legislative findings and purpose. The General Assembly finds the following:

(1) The people of Illinois continue to experience and bear the consequences of unacceptable rates of low birth weight, infant mortality, maternal mortality, child and adolescent health problems, including obesity and teen pregnancy, and disparities among racial and ethnic groups with regard to maternal and child health.

(2) The resolution of these challenges requires an approach that considers the health of the entire population and directs resources to high-risk groups based on epidemiological analysis in order to prevent disability, disease, death, or other adverse circumstance, or what may be termed a public health approach.

(3) The General Assembly began the transfer of maternal and child health programs from the Department of Human Services to the Department of Public Health through the budget for State fiscal year 2014.

Therefore, it is the purpose of the new and amendatory provisions of this Act to complete the transfer of programs and responsibility for direction of Illinois' Maternal and Child Health Block Grant to the Department of Public Health and to complete the transfer of certain statutory authority and regulations from the Department of Human Services to the Department of Public Health, which has already begun through the budget for State fiscal year 2016.

(2) Sixteen shall be persons with expertise in one or more of the following areas, with no more than 3 persons from each listed area of expertise and with preference given to the areas of need identified by the most recent State needs assessment: the health of women, infants, young children, school-aged children, adolescents, and children with special health care needs; public health; epidemiology; behavioral health; nursing; social work; substance abuse prevention; juvenile justice; oral health; child development; chronic disease prevention; health promotion; and education; 5 of the 16 members shall represent organizations that provide maternal and child health services with funds from the Department; and

(3) either 2 consumers who have received services through a Department-funded maternal and child health program, 2 representatives from advocacy groups that advocate on behalf of such consumers, or one such consumer and one such representative of an advocacy group.

Members appointed by the Director shall be selected to represent the racial, ethnic, and geographic diversity of the State's population and shall include representatives of local health departments, other direct service providers, and faculty of the University of Illinois at Chicago School of Public Health Center of Excellence in Maternal and Child Health.

Legislative members shall serve during their term of office in the General Assembly. Members appointed by the Director shall serve a term of 4 years or until their successors are appointed.

Any member appointed to fill a vacancy occurring prior to the expiration of the term for which his or her predecessor was appointed shall be appointed for the remainder of such term. Members of the Board shall serve without compensation but shall be reimbursed for necessary expenses incurred in the performance of their duties.

(b) The Board shall advise the Director on improving the well-being of mothers, fathers, infants, children, families, and adults, considering both physical and social determinants of health, and using a life-span approach to health promotion and disease prevention in the State of Illinois. In addition, the Board shall review and make recommendations to the Department and the Governor in regard to the system for maternal and child health programs, collaboration, and interrelation between and delivery of programs, both within the Department and with related programs in other departments. In performing its duties, the Board may hold hearings throughout the State and advise and receive advice from any local advisory bodies created to address maternal and child health.

(c) The Board may offer recommendations and feedback regarding the development of the State's annual Maternal and Child Health Services Block Grant application and report as well as the periodic needs assessment.

(c) All of the rights, powers, duties, and functions vested by law or that otherwise pertain to the programs and services transferred to the Department by this amendatory Act of the 99th General Assembly are transferred to the Department by July 1, 2016.

(d) The Department may adopt rules necessary to implement this Section. This Section does not affect the legality of any rules that are in force on the effective date of this Section that have been duly adopted by the Department of Human Services in its administration of the Maternal and Child Health Services Block Grant. Those rules shall transfer to the Department and continue in effect until amended or repealed, except that references to a predecessor department shall, in appropriate contexts, be deemed to refer to the successor department under this Section. Any rules proposed prior to the effective date shall also transfer to the Department.

(e) The rights of State employees, the State, and its agencies under the Personnel Code and applicable collective bargaining agreements and retirement plans are not affected by this Section.

(f) The Department of Central Management Services shall establish a sufficient number of full-time positions at the Department, based on input from the Department of Human Services in order to provide for effective administration of these programs.

(g) All books, records, documents, and pending business pertaining to the rights, powers, duties, and functions transferred to the Department under this Section shall be transferred and delivered to the Department by July 1, 2016.

HOUSE BILL RECALLED

On motion of Senator Link, **House Bill No. 940** was recalled from the order of third reading to the order of second reading.

Senator Link offered the following amendment and moved its adoption:

[May 26, 2016]

AMENDMENT NO. 1 TO HOUSE BILL 940

AMENDMENT NO. 1. Amend House Bill 940 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Horse Racing Act of 1975 is amended by changing Section 26 as follows:
(230 ILCS 5/26) (from Ch. 8, par. 37-26)

Sec. 26. Wagering.

(a) Any licensee may conduct and supervise the pari-mutuel system of wagering, as defined in Section 3.12 of this Act, on horse races conducted by an Illinois organization licensee or conducted at a racetrack located in another state or country and televised in Illinois in accordance with subsection (g) of Section 26 of this Act. Subject to the prior consent of the Board, licensees may supplement any pari-mutuel pool in order to guarantee a minimum distribution. Such pari-mutuel method of wagering shall not, under any circumstances if conducted under the provisions of this Act, be held or construed to be unlawful, other statutes of this State to the contrary notwithstanding. Subject to rules for advance wagering promulgated by the Board, any licensee may accept wagers in advance of the day of the race wagered upon occurs.

(b) No other method of betting, pool making, wagering or gambling shall be used or permitted by the licensee. Each licensee may retain, subject to the payment of all applicable taxes and purses, an amount not to exceed 17% of all money wagered under subsection (a) of this Section, except as may otherwise be permitted under this Act.

(b-5) An individual may place a wager under the pari-mutuel system from any licensed location authorized under this Act provided that wager is electronically recorded in the manner described in Section 3.12 of this Act. Any wager made electronically by an individual while physically on the premises of a licensee shall be deemed to have been made at the premises of that licensee.

(c) Until January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be paid to the Illinois Veterans' Rehabilitation Fund of the State treasury, except as provided in subsection (g) of Section 27 of this Act.

(c-5) Beginning January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be evenly distributed to the purse account of the organization licensee and the organization licensee.

(d) A pari-mutuel ticket shall be honored until December 31 of the next calendar year, and the licensee shall pay the same and may charge the amount thereof against unpaid money similarly accumulated on account of pari-mutuel tickets not presented for payment.

(e) No licensee shall knowingly permit any minor, other than an employee of such licensee or an owner, trainer, jockey, driver, or employee thereof, to be admitted during a racing program unless accompanied by a parent or guardian, or any minor to be a patron of the pari-mutuel system of wagering conducted or supervised by it. The admission of any unaccompanied minor, other than an employee of the licensee or an owner, trainer, jockey, driver, or employee thereof at a race track is a Class C misdemeanor.

(f) Notwithstanding the other provisions of this Act, an organization licensee may contract with an entity in another state or country to permit any legal wagering entity in another state or country to accept wagers solely within such other state or country on races conducted by the organization licensee in this State. Beginning January 1, 2000, these wagers shall not be subject to State taxation. Until January 1, 2000, when the out-of-State entity conducts a pari-mutuel pool separate from the organization licensee, a privilege tax equal to 7 1/2% of all monies received by the organization licensee from entities in other states or countries pursuant to such contracts is imposed on the organization licensee, and such privilege tax shall be remitted to the Department of Revenue within 48 hours of receipt of the moneys from the simulcast. When the out-of-State entity conducts a combined pari-mutuel pool with the organization licensee, the tax shall be 10% of all monies received by the organization licensee with 25% of the receipts from this 10% tax to be distributed to the county in which the race was conducted.

An organization licensee may permit one or more of its races to be utilized for pari-mutuel wagering at one or more locations in other states and may transmit audio and visual signals of races the organization licensee conducts to one or more locations outside the State or country and may also permit pari-mutuel

pools in other states or countries to be combined with its gross or net wagering pools or with wagering pools established by other states.

(g) A host track may accept interstate simulcast wagers on horse races conducted in other states or countries and shall control the number of signals and types of breeds of racing in its simulcast program, subject to the disapproval of the Board. The Board may prohibit a simulcast program only if it finds that the simulcast program is clearly adverse to the integrity of racing. The host track simulcast program shall include the signal of live racing of all organization licensees. All non-host licensees and advance deposit wagering licensees shall carry the signal of and accept wagers on live racing of all organization licensees. Advance deposit wagering licensees shall not be permitted to accept out-of-state wagers on any Illinois signal provided pursuant to this Section without the approval and consent of the organization licensee providing the signal. For one year after the effective date of this amendatory Act of the 98th General Assembly, non-host licensees may carry the host track simulcast program and shall accept wagers on all races included as part of the simulcast program of horse races conducted at race tracks located within North America upon which wagering is permitted. For a period of one year after the effective date of this amendatory Act of the 98th General Assembly, on horse races conducted at race tracks located outside of North America, non-host licensees may accept wagers on all races included as part of the simulcast program upon which wagering is permitted. Beginning one year after the effective date of this amendatory Act of the 98th General Assembly, non-host licensees may carry the host track simulcast program and shall accept wagers on all races included as part of the simulcast program upon which wagering is permitted. All organization licensees shall provide their live signal to all advance deposit wagering licensees for a simulcast commission fee not to exceed 6% of the advance deposit wagering licensee's Illinois handle on the organization licensee's signal without prior approval by the Board. The Board may adopt rules under which it may permit simulcast commission fees in excess of 6%. The Board shall adopt rules limiting the interstate commission fees charged to an advance deposit wagering licensee. The Board shall adopt rules regarding advance deposit wagering on interstate simulcast races that shall reflect, among other things, the General Assembly's desire to maximize revenues to the State, horsemen purses, and organizational licensees. However, organization licensees providing live signals pursuant to the requirements of this subsection (g) may petition the Board to withhold their live signals from an advance deposit wagering licensee if the organization licensee discovers and the Board finds reputable or credible information that the advance deposit wagering licensee is under investigation by another state or federal governmental agency, the advance deposit wagering licensee's license has been suspended in another state, or the advance deposit wagering licensee's license is in revocation proceedings in another state. The organization licensee's provision of their live signal to an advance deposit wagering licensee under this subsection (g) pertains to wagers placed from within Illinois. Advance deposit wagering licensees may place advance deposit wagering terminals at wagering facilities as a convenience to customers. The advance deposit wagering licensee shall not charge or collect any fee from purses for the placement of the advance deposit wagering terminals. The costs and expenses of the host track and non-host licensees associated with interstate simulcast wagering, other than the interstate commission fee, shall be borne by the host track and all non-host licensees incurring these costs. The interstate commission fee shall not exceed 5% of Illinois handle on the interstate simulcast race or races without prior approval of the Board. The Board shall promulgate rules under which it may permit interstate commission fees in excess of 5%. The interstate commission fee and other fees charged by the sending racetrack, including, but not limited to, satellite decoder fees, shall be uniformly applied to the host track and all non-host licensees.

Notwithstanding any other provision of this Act, until February 1, 2017, an organization licensee, with the consent of the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting, may maintain a system whereby advance deposit wagering may take place or an organization licensee, with the consent of the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting, may contract with another person to carry out a system of advance deposit wagering. Such consent may not be unreasonably withheld. Only with respect to an appeal to the Board that consent for an organization licensee that maintains its own advance deposit wagering system is being unreasonably withheld, the Board shall issue a final order within 30 days after initiation of the appeal, and the organization licensee's advance deposit wagering system may remain operational during that 30-day period. The actions of any organization licensee who conducts advance deposit wagering or any person who has a contract with an organization licensee to conduct advance deposit wagering who conducts advance deposit wagering on or after January 1, 2013 and prior to the effective date of this amendatory Act of the 98th General Assembly taken in reliance on the changes made to this subsection (g) by this amendatory Act of the 98th General Assembly are hereby validated, provided payment of all applicable pari-mutuel taxes are remitted to the Board. All advance deposit wagers placed

from within Illinois must be placed through a Board-approved advance deposit wagering licensee; no other entity may accept an advance deposit wager from a person within Illinois. All advance deposit wagering is subject to any rules adopted by the Board. The Board may adopt rules necessary to regulate advance deposit wagering through the use of emergency rulemaking in accordance with Section 5-45 of the Illinois Administrative Procedure Act. The General Assembly finds that the adoption of rules to regulate advance deposit wagering is deemed an emergency and necessary for the public interest, safety, and welfare. An advance deposit wagering licensee may retain all moneys as agreed to by contract with an organization licensee. Any moneys retained by the organization licensee from advance deposit wagering, not including moneys retained by the advance deposit wagering licensee, shall be paid 50% to the organization licensee's purse account and 50% to the organization licensee. With the exception of any organization licensee that is owned by a publicly traded company that is incorporated in a state other than Illinois and advance deposit wagering licensees under contract with such organization licensees, organization licensees that maintain advance deposit wagering systems and advance deposit wagering licensees that contract with organization licensees shall provide sufficiently detailed monthly accountings to the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting so that the horsemen association, as an interested party, can confirm the accuracy of the amounts paid to the purse account at the horsemen association's affiliated organization licensee from advance deposit wagering. If more than one breed races at the same race track facility, then the 50% of the moneys to be paid to an organization licensee's purse account shall be allocated among all organization licensees' purse accounts operating at that race track facility proportionately based on the actual number of host days that the Board grants to that breed at that race track facility in the current calendar year. To the extent any fees from advance deposit wagering conducted in Illinois for wagers in Illinois or other states have been placed in escrow or otherwise withheld from wagers pending a determination of the legality of advance deposit wagering, no action shall be brought to declare such wagers or the disbursement of any fees previously escrowed illegal.

(1) Between the hours of 6:30 a.m. and 6:30 p.m. an intertrack wagering licensee other than the host track may supplement the host track simulcast program with additional simulcast races or race programs, provided that between January 1 and the third Friday in February of any year, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, only thoroughbred races may be used for supplemental interstate simulcast purposes. The Board shall withhold approval for a supplemental interstate simulcast only if it finds that the simulcast is clearly adverse to the integrity of racing. A supplemental interstate simulcast may be transmitted from an intertrack wagering licensee to its affiliated non-host licensees. The interstate commission fee for a supplemental interstate simulcast shall be paid by the non-host licensee and its affiliated non-host licensees receiving the simulcast.

(2) Between the hours of 6:30 p.m. and 6:30 a.m. an intertrack wagering licensee other than the host track may receive supplemental interstate simulcasts only with the consent of the host track, except when the Board finds that the simulcast is clearly adverse to the integrity of racing. Consent granted under this paragraph (2) to any intertrack wagering licensee shall be deemed consent to all non-host licensees. The interstate commission fee for the supplemental interstate simulcast shall be paid by all participating non-host licensees.

(3) Each licensee conducting interstate simulcast wagering may retain, subject to the payment of all applicable taxes and the purses, an amount not to exceed 17% of all money wagered. If any licensee conducts the pari-mutuel system wagering on races conducted at racetracks in another state or country, each such race or race program shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax of that daily handle as provided in subsection (a) of Section 27. Until January 1, 2000, from the sums permitted to be retained pursuant to this subsection, each intertrack wagering location licensee shall pay 1% of the pari-mutuel handle wagered on simulcast wagering to the Horse Racing Tax Allocation Fund, subject to the provisions of subparagraph (B) of paragraph (11) of subsection (h) of Section 26 of this Act.

(4) A licensee who receives an interstate simulcast may combine its gross or net pools with pools at the sending racetracks pursuant to rules established by the Board. All licensees combining their gross pools at a sending racetrack shall adopt the take-out percentages of the sending racetrack. A licensee may also establish a separate pool and takeout structure for wagering purposes on races conducted at race tracks outside of the State of Illinois. The licensee may permit pari-mutuel wagers placed in other states or countries to be combined with its gross or net wagering pools or other wagering pools.

(5) After the payment of the interstate commission fee (except for the interstate commission fee on a supplemental interstate simulcast, which shall be paid by the host track and by each non-host licensee through the host-track) and all applicable State and local taxes, except as

provided in subsection (g) of Section 27 of this Act, the remainder of moneys retained from simulcast wagering pursuant to this subsection (g), and Section 26.2 shall be divided as follows:

(A) For interstate simulcast wagers made at a host track, 50% to the host track and 50% to purses at the host track.

(B) For wagers placed on interstate simulcast races, supplemental simulcasts as defined in subparagraphs (1) and (2), and separately pooled races conducted outside of the State of Illinois made at a non-host licensee, 25% to the host track, 25% to the non-host licensee, and 50% to the purses at the host track.

(6) Notwithstanding any provision in this Act to the contrary, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River may receive supplemental interstate simulcast races at all times subject to Board approval, which shall be withheld only upon a finding that a supplemental interstate simulcast is clearly adverse to the integrity of racing.

(7) Notwithstanding any provision of this Act to the contrary, after payment of all applicable State and local taxes and interstate commission fees, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain 50% of the retention from interstate simulcast wagers and shall pay 50% to purses at the track from which the non-host licensee derives its license as follows:

(A) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, when the interstate simulcast is a standardbred race, the purse share to its standardbred purse account;

(B) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, and the interstate simulcast is a thoroughbred race, the purse share to its interstate simulcast purse pool to be distributed under paragraph (10) of this subsection (g);

(C) Between January 1 and the third Friday in February, inclusive, if live thoroughbred racing is occurring in Illinois, between 6:30 a.m. and 6:30 p.m. the purse share from wagers made during this time period to its thoroughbred purse account and between 6:30 p.m. and 6:30 a.m. the purse share from wagers made during this time period to its standardbred purse accounts;

(D) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 a.m. and 6:30 p.m., the purse share to its thoroughbred purse account;

(E) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 p.m. and 6:30 a.m., the purse share to its standardbred purse account.

(7.1) Notwithstanding any other provision of this Act to the contrary, if no standardbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during that calendar year shall be paid as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the

Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be paid to its thoroughbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund and shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. The moneys deposited into the Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with other moneys paid into that Fund. The moneys deposited pursuant to this subparagraph (B) shall be allocated as provided by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board.

(7.2) Notwithstanding any other provision of this Act to the contrary, if no thoroughbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 a.m. and 6:30 p.m. during that calendar year shall be deposited as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the

Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be deposited into its standardbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund. Moneys deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be paid to Illinois conceived and foaled thoroughbred breeders' programs and to thoroughbred purses for races conducted at any county fairgrounds for Illinois conceived and foaled horses at the discretion of the Department of Agriculture, with the advice and assistance of the Illinois Thoroughbred Breeders Fund Advisory Board. The moneys deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to thoroughbred purses under this Act, and shall not be commingled with other moneys deposited into that Fund.

(7.3) If no live standardbred racing is conducted at a racetrack located in Madison County in calendar year 2000 or 2001, an organization licensee who is licensed to conduct horse racing at that racetrack shall, before January 1, 2002, pay all moneys derived from simulcast wagering and inter-track wagering in calendar years 2000 and 2001 and paid into the licensee's standardbred purse account as follows:

(A) Eighty percent to that licensee's thoroughbred purse account to be used for thoroughbred purses; and

(B) Twenty percent to the Illinois Colt Stakes Purse Distribution Fund.

Failure to make the payment to the Illinois Colt Stakes Purse Distribution Fund before January 1, 2002 shall result in the immediate revocation of the licensee's organization license, inter-track wagering license, and inter-track wagering location license.

Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be used as determined by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with any other moneys paid into that Fund.

(7.4) If live standardbred racing is conducted at a racetrack located in Madison County at any time in calendar year 2001 before the payment required under paragraph (7.3) has been made, the organization licensee who is licensed to conduct racing at that racetrack shall pay all moneys derived by that racetrack from simulcast wagering and inter-track wagering during calendar years 2000 and 2001 that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during 2000 or 2001 to the standardbred purse account at that racetrack to be used for standardbred purses.

(8) Notwithstanding any provision in this Act to the contrary, an organization licensee from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River and its affiliated non-host licensees shall not be entitled to share in any retention generated on racing, inter-track wagering, or simulcast wagering at any other Illinois wagering facility.

(8.1) Notwithstanding any provisions in this Act to the contrary, if 2 organization licensees are conducting standardbred race meetings concurrently between the hours of 6:30 p.m. and 6:30 a.m., after payment of all applicable State and local taxes and interstate commission fees, the remainder of the amount retained from simulcast wagering otherwise attributable to the host track and to host track purses shall be split daily between the 2 organization licensees and the purses at the tracks of the 2 organization licensees, respectively, based on each organization licensee's share of the total live handle for that day, provided that this provision shall not apply to any non-host licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River.

(9) (Blank).

(10) (Blank).

(11) (Blank).

(12) The Board shall have authority to compel all host tracks to receive the simulcast of any or all races conducted at the Springfield or DuQuoin State fairgrounds and include all such races as part of their simulcast programs.

(13) Notwithstanding any other provision of this Act, in the event that the total Illinois pari-mutuel handle on Illinois horse races at all wagering facilities in any calendar year is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at all such wagering facilities

for calendar year 1994, then each wagering facility that has an annual total Illinois pari-mutuel handle on Illinois horse races that is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at such wagering facility for calendar year 1994, shall be permitted to receive, from any amount otherwise payable to the purse account at the race track with which the wagering facility is affiliated in the succeeding calendar year, an amount equal to 2% of the differential in total Illinois pari-mutuel handle on Illinois horse races at the wagering facility between that calendar year in question and 1994 provided, however, that a wagering facility shall not be entitled to any such payment until the Board certifies in writing to the wagering facility the amount to which the wagering facility is entitled and a schedule for payment of the amount to the wagering facility, based on: (i) the racing dates awarded to the race track affiliated with the wagering facility during the succeeding year; (ii) the sums available or anticipated to be available in the purse account of the race track affiliated with the wagering facility for purses during the succeeding year; and (iii) the need to ensure reasonable purse levels during the payment period. The Board's certification shall be provided no later than January 31 of the succeeding year. In the event a wagering facility entitled to a payment under this paragraph (13) is affiliated with a race track that maintains purse accounts for both standardbred and thoroughbred racing, the amount to be paid to the wagering facility shall be divided between each purse account pro rata, based on the amount of Illinois handle on Illinois standardbred and thoroughbred racing respectively at the wagering facility during the previous calendar year. Annually, the General Assembly shall appropriate sufficient funds from the General Revenue Fund to the Department of Agriculture for payment into the thoroughbred and standardbred horse racing purse accounts at Illinois pari-mutuel tracks. The amount paid to each purse account shall be the amount certified by the Illinois Racing Board in January to be transferred from each account to each eligible racing facility in accordance with the provisions of this Section.

(h) The Board may approve and license the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees subject to the following terms and conditions:

(1) Any person licensed to conduct a race meeting (i) at a track where 60 or more days of racing were conducted during the immediately preceding calendar year or where over the 5 immediately preceding calendar years an average of 30 or more days of racing were conducted annually may be issued an inter-track wagering license; (ii) at a track located in a county that is bounded by the Mississippi River, which has a population of less than 150,000 according to the 1990 decennial census, and an average of at least 60 days of racing per year between 1985 and 1993 may be issued an inter-track wagering license; or (iii) at a track located in Madison County that conducted at least 100 days of live racing during the immediately preceding calendar year may be issued an inter-track wagering license, unless a lesser schedule of live racing is the result of (A) weather, unsafe track conditions, or other acts of God; (B) an agreement between the organization licensee and the associations representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting; or (C) a finding by the Board of extraordinary circumstances and that it was in the best interest of the public and the sport to conduct fewer than 100 days of live racing. Any such person having operating control of the racing facility may also receive up to 6 inter-track wagering location licenses. ~~An In no event shall more than 6 inter-track wagering locations be established for each eligible race track, except that an eligible race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River may establish up to 7 inter-track wagering locations and an eligible race track located in Stickney Township in Cook County may establish up to 16 8 inter-track wagering locations and an eligible race track located in Palatine Township in Cook County may establish up to 18 inter-track wagering locations.~~ An application for said license shall be filed with the Board prior to such dates as may be fixed by the Board. With an application for an inter-track wagering location license there shall be delivered to the Board a certified check or bank draft payable to the order of the Board for an amount equal to \$500. The application shall be on forms prescribed and furnished by the Board. The application shall comply with all other rules, regulations and conditions imposed by the Board in connection therewith.

(2) The Board shall examine the applications with respect to their conformity with this Act and the rules and regulations imposed by the Board. If found to be in compliance with the Act and rules and regulations of the Board, the Board may then issue a license to conduct inter-track wagering and simulcast wagering to such applicant. All such applications shall be acted upon by the Board at a meeting to be held on such date as may be fixed by the Board.

(3) In granting licenses to conduct inter-track wagering and simulcast wagering, the Board shall give due consideration to the best interests of the public, of horse racing, and of maximizing revenue to the State.

(4) Prior to the issuance of a license to conduct inter-track wagering and simulcast wagering, the applicant shall file with the Board a bond payable to the State of Illinois in the sum of \$50,000, executed by the applicant and a surety company or companies authorized to do business in this State, and conditioned upon (i) the payment by the licensee of all taxes due under Section 27 or 27.1 and any other monies due and payable under this Act, and (ii) distribution by the licensee, upon presentation of the winning ticket or tickets, of all sums payable to the patrons of pari-mutuel pools.

(5) Each license to conduct inter-track wagering and simulcast wagering shall specify the person to whom it is issued, the dates on which such wagering is permitted, and the track or location where the wagering is to be conducted.

(6) All wagering under such license is subject to this Act and to the rules and regulations from time to time prescribed by the Board, and every such license issued by the Board shall contain a recital to that effect.

(7) An inter-track wagering licensee or inter-track wagering location licensee may accept wagers at the track or location where it is licensed, or as otherwise provided under this Act.

(8) Inter-track wagering or simulcast wagering shall not be conducted at any track less than 5 miles from a track at which a racing meeting is in progress.

(8.1) Inter-track wagering location licensees who derive their licenses from a particular organization licensee shall conduct inter-track wagering and simulcast wagering only at locations that are within 160 440 miles of that race track where the particular organization licensee is licensed to conduct racing. However, inter-track wagering and simulcast wagering shall not be conducted by those licensees at any location within 5 miles of any race track at which a horse race meeting has been licensed in the current year, unless the person having operating control of such race track has given its written consent to such inter-track wagering location licensees, which consent must be filed with the Board at or prior to the time application is made. In the case of any inter-track wagering location licensee initially licensed after December 31, 2013, inter-track wagering and simulcast wagering shall not be conducted by those inter-track wagering location licensees that are located outside the City of Chicago at any location within 8 miles of any race track at which a horse race meeting has been licensed in the current year, unless the person having operating control of such race track has given its written consent to such inter-track wagering location licensees, which consent must be filed with the Board at or prior to the time application is made.

(8.2) Inter-track wagering or simulcast wagering shall not be conducted by an inter-track wagering location licensee at any location within 500 feet of an existing church or existing school, nor within 500 feet of the residences of more than 50 registered voters without receiving written permission from a majority of the registered voters at such residences. Such written permission statements shall be filed with the Board. The distance of 500 feet shall be measured to the nearest part of any building used for worship services, education programs, residential purposes, or conducting inter-track wagering by an inter-track wagering location licensee, and not to property boundaries. However, inter-track wagering or simulcast wagering may be conducted at a site within 500 feet of a church, school or residences of 50 or more registered voters if such church, school or residences have been erected or established, or such voters have been registered, after the Board issues the original inter-track wagering location license at the site in question. Inter-track wagering location licensees may conduct inter-track wagering and simulcast wagering only in areas that are zoned for commercial or manufacturing purposes or in areas for which a special use has been approved by the local zoning authority. However, no license to conduct inter-track wagering and simulcast wagering shall be granted by the Board with respect to any inter-track wagering location within the jurisdiction of any local zoning authority which has, by ordinance or by resolution, prohibited the establishment of an inter-track wagering location within its jurisdiction. However, inter-track wagering and simulcast wagering may be conducted at a site if such ordinance or resolution is enacted after the Board licenses the original inter-track wagering location licensee for the site in question.

(9) (Blank).

(10) An inter-track wagering licensee or an inter-track wagering location licensee may retain, subject to the payment of the privilege taxes and the purses, an amount not to exceed 17% of all money wagered. Each program of racing conducted by each inter-track wagering licensee or inter-track wagering location licensee shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax or pari-mutuel tax on such daily handle as provided in Section 27.

(10.1) Except as provided in subsection (g) of Section 27 of this Act, inter-track wagering location licensees shall pay 1% of the pari-mutuel handle at each location to the municipality in which such location is situated and 1% of the pari-mutuel handle at each location to the county in

which such location is situated. In the event that an inter-track wagering location licensee is situated in an unincorporated area of a county, such licensee shall pay 2% of the pari-mutuel handle from such location to such county.

(10.2) Notwithstanding any other provision of this Act, with respect to intertrack wagering at a race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River ("the first race track"), or at a facility operated by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, on races conducted at the first race track or on races conducted at another Illinois race track and simultaneously televised to the first race track or to a facility operated by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, those moneys shall be allocated as follows:

(A) That portion of all moneys wagered on standardbred racing that is required under this Act to be paid to purses shall be paid to purses for standardbred races.

(B) That portion of all moneys wagered on thoroughbred racing that is required under this Act to be paid to purses shall be paid to purses for thoroughbred races.

(11) (A) After payment of the privilege or pari-mutuel tax, any other applicable taxes, and the costs and expenses in connection with the gathering, transmission, and dissemination of all data necessary to the conduct of inter-track wagering, the remainder of the monies retained under either Section 26 or Section 26.2 of this Act by the inter-track wagering licensee on inter-track wagering shall be allocated with 50% to be split between the 2 participating licensees and 50% to purses, except that an intertrack wagering licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the Illinois organization licensee that provides the race or races, and an intertrack wagering licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with that organization licensee.

(B) From the sums permitted to be retained pursuant to this Act each inter-track wagering location licensee shall pay (i) the privilege or pari-mutuel tax to the State; (ii) 4.75% of the pari-mutuel handle on intertrack wagering at such location on races as purses, except that an intertrack wagering location licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain all purse moneys for its own purse account consistent with distribution set forth in this subsection (h), and intertrack wagering location licensees that accept wagers on races conducted by an organization licensee located in a county with a population in excess of 230,000 and that borders the Mississippi River shall distribute all purse moneys to purses at the operating host track; (iii) until January 1, 2000, except as provided in subsection (g) of Section 27 of this Act, 1% of the pari-mutuel handle wagered on inter-track wagering and simulcast wagering at each inter-track wagering location licensee facility to the Horse Racing Tax Allocation Fund, provided that, to the extent the total amount collected and distributed to the Horse Racing Tax Allocation Fund under this subsection (h) during any calendar year exceeds the amount collected and distributed to the Horse Racing Tax Allocation Fund during calendar year 1994, that excess amount shall be redistributed (I) to all inter-track wagering location licensees, based on each licensee's pro-rata share of the total handle from inter-track wagering and simulcast wagering for all inter-track wagering location licensees during the calendar year in which this provision is applicable; then (II) the amounts redistributed to each inter-track wagering location licensee as described in subpart (I) shall be further redistributed as provided in subparagraph (B) of paragraph (5) of subsection (g) of this Section 26 provided first, that the shares of those amounts, which are to be redistributed to the host track or to purses at the host track under subparagraph (B) of paragraph (5) of subsection (g) of this Section 26 shall be redistributed based on each host track's pro rata share of the total inter-track wagering and simulcast wagering handle at all host tracks during the calendar year in question, and second, that any amounts redistributed as described in part (I) to an inter-track wagering location licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall be further redistributed as provided in subparagraphs (D) and (E) of paragraph (7) of subsection (g) of this Section 26, with the portion of that further redistribution allocated to purses at that organization licensee to be divided between standardbred purses and thoroughbred purses based on the amounts otherwise allocated to purses at that organization licensee during the calendar year in question; and (iv) 8% of the pari-mutuel handle on inter-track wagering wagered at such location to satisfy all costs and expenses of conducting its wagering. The remainder of the monies retained by the inter-track wagering location licensee shall be allocated 40% to the location licensee and 60% to the organization licensee which provides the

Illinois races to the location, except that an intertrack wagering location licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee that provides the race or races and an intertrack wagering location licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee. Notwithstanding the provisions of clauses (ii) and (iv) of this paragraph, in the case of the additional inter-track wagering location licenses authorized under paragraph (1) of this subsection (h) by this amendatory Act of 1991, those licensees shall pay the following amounts as purses: during the first 12 months the licensee is in operation, 5.25% of the pari-mutuel handle wagered at the location on races; during the second 12 months, 5.25%; during the third 12 months, 5.75%; during the fourth 12 months, 6.25%; and during the fifth 12 months and thereafter, 6.75%. The following amounts shall be retained by the licensee to satisfy all costs and expenses of conducting its wagering: during the first 12 months the licensee is in operation, 8.25% of the pari-mutuel handle wagered at the location; during the second 12 months, 8.25%; during the third 12 months, 7.75%; during the fourth 12 months, 7.25%; and during the fifth 12 months and thereafter, 6.75%. For additional intertrack wagering location licensees authorized under this amendatory Act of 1995, purses for the first 12 months the licensee is in operation shall be 5.75% of the pari-mutuel wagered at the location, purses for the second 12 months the licensee is in operation shall be 6.25%, and purses thereafter shall be 6.75%. For additional intertrack location licensees authorized under this amendatory Act of 1995, the licensee shall be allowed to retain to satisfy all costs and expenses: 7.75% of the pari-mutuel handle wagered at the location during its first 12 months of operation, 7.25% during its second 12 months of operation, and 6.75% thereafter.

(C) There is hereby created the Horse Racing Tax Allocation Fund which shall remain in existence until December 31, 1999. Moneys remaining in the Fund after December 31, 1999 shall be paid into the General Revenue Fund. Until January 1, 2000, all monies paid into the Horse Racing Tax Allocation Fund pursuant to this paragraph (11) by inter-track wagering location licensees located in park districts of 500,000 population or less, or in a municipality that is not included within any park district but is included within a conservation district and is the county seat of a county that (i) is contiguous to the state of Indiana and (ii) has a 1990 population of 88,257 according to the United States Bureau of the Census, and operating on May 1, 1994 shall be allocated by appropriation as follows:

Two-sevenths to the Department of Agriculture. Fifty percent of this two-sevenths

shall be used to promote the Illinois horse racing and breeding industry, and shall be distributed by the Department of Agriculture upon the advice of a 9-member committee appointed by the Governor consisting of the following members: the Director of Agriculture, who shall serve as chairman; 2 representatives of organization licensees conducting thoroughbred race meetings in this State, recommended by those licensees; 2 representatives of organization licensees conducting standardbred race meetings in this State, recommended by those licensees; a representative of the Illinois Thoroughbred Breeders and Owners Foundation, recommended by that Foundation; a representative of the Illinois Standardbred Owners and Breeders Association, recommended by that Association; a representative of the Horsemen's Benevolent and Protective Association or any successor organization thereto established in Illinois comprised of the largest number of owners and trainers, recommended by that Association or that successor organization; and a representative of the Illinois Harness Horsemen's Association, recommended by that Association. Committee members shall serve for terms of 2 years, commencing January 1 of each even-numbered year. If a representative of any of the above-named entities has not been recommended by January 1 of any even-numbered year, the Governor shall appoint a committee member to fill that position. Committee members shall receive no compensation for their services as members but shall be reimbursed for all actual and necessary expenses and disbursements incurred in the performance of their official duties. The remaining 50% of this two-sevenths shall be distributed to county fairs for premiums and rehabilitation as set forth in the Agricultural Fair Act;

Four-sevenths to park districts or municipalities that do not have a park district of 500,000 population or less for museum purposes (if an inter-track wagering location licensee is located in such a park district) or to conservation districts for museum purposes (if an inter-track wagering location licensee is located in a municipality that is not included within any park district but is included within a conservation district and is the county seat of a county that (i) is contiguous to the state of Indiana and (ii) has a 1990 population of 88,257 according to the United States Bureau of the Census, except that if the conservation district does not maintain a museum, the monies shall be allocated equally between the county and the municipality in which the inter-track wagering location licensee is located for general purposes) or to a municipal recreation board for park purposes

(if an inter-track wagering location licensee is located in a municipality that is not included within any park district and park maintenance is the function of the municipal recreation board and the municipality has a 1990 population of 9,302 according to the United States Bureau of the Census); provided that the monies are distributed to each park district or conservation district or municipality that does not have a park district in an amount equal to four-sevenths of the amount collected by each inter-track wagering location licensee within the park district or conservation district or municipality for the Fund. Any park district or municipality not maintaining a museum may deposit the monies in the corporate fund of the park district or municipality where the inter-track wagering location is located, to be used for general purposes; and

One-seventh to the Agricultural Premium Fund to be used for distribution to agricultural home economics extension councils in accordance with "An Act in relation to additional support and finances for the Agricultural and Home Economic Extension Councils in the several counties of this State and making an appropriation therefor", approved July 24, 1967.

Committee members shall serve for terms of 2 years, commencing January 1 of each even-numbered year. If a representative of any of the above-named entities has not been recommended by January 1 of any even-numbered year, the Governor shall appoint a committee member to fill that position. Committee members shall receive no compensation for their services as members but shall be reimbursed for all actual and necessary expenses and disbursements incurred in the performance of their official duties. The remaining 50% of this two-sevenths shall be distributed to county fairs for premiums and rehabilitation as set forth in the Agricultural Fair Act;

Four-sevenths to museums and aquariums located in park districts of over 500,000 population; provided that the monies are distributed in accordance with the previous year's distribution of the maintenance tax for such museums and aquariums as provided in Section 2 of the Park District Aquarium and Museum Act; and

One-seventh to the Agricultural Premium Fund to be used for distribution to agricultural home economics extension councils in accordance with "An Act in relation to additional support and finances for the Agricultural and Home Economic Extension Councils in the several counties of this State and making an appropriation therefor", approved July 24, 1967. This subparagraph (C) shall be inoperative and of no force and effect on and after January 1, 2000.

(D) Except as provided in paragraph (11) of this subsection (h), with respect to purse allocation from intertrack wagering, the monies so retained shall be divided as follows:

(i) If the inter-track wagering licensee, except an intertrack wagering licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is not conducting its own race meeting during the same dates, then the entire purse allocation shall be to purses at the track where the races wagered on are being conducted.

(ii) If the inter-track wagering licensee, except an intertrack wagering licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is also conducting its own race meeting

during the same dates, then the purse allocation shall be as follows: 50% to purses at the track where the races wagered on are being conducted; 50% to purses at the track where the inter-track wagering licensee is accepting such wagers.

(iii) If the inter-track wagering is being conducted by an inter-track wagering location licensee, except an intertrack wagering location licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, the entire purse allocation for Illinois races shall be to purses at the track where the race meeting being wagered on is being held.

(12) The Board shall have all powers necessary and proper to fully supervise and control the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees, including, but not limited to the following:

(A) The Board is vested with power to promulgate reasonable rules and regulations for the purpose of administering the conduct of this wagering and to prescribe reasonable rules, regulations and conditions under which such wagering shall be held and conducted. Such rules and regulations are to provide for the prevention of practices detrimental to the public interest and for the best interests of said wagering and to impose penalties for violations thereof.

(B) The Board, and any person or persons to whom it delegates this power, is vested with the power to enter the facilities of any licensee to determine whether there has been compliance with the provisions of this Act and the rules and regulations relating to the conduct of such wagering.

(C) The Board, and any person or persons to whom it delegates this power, may eject or exclude from any licensee's facilities, any person whose conduct or reputation is such that his presence on such premises may, in the opinion of the Board, call into the question the honesty and integrity of, or interfere with the orderly conduct of such wagering; provided, however, that no person shall be excluded or ejected from such premises solely on the grounds of race, color, creed, national origin, ancestry, or sex.

(D) (Blank).

(E) The Board is vested with the power to appoint delegates to execute any of the powers granted to it under this Section for the purpose of administering this wagering and any rules and regulations promulgated in accordance with this Act.

(F) The Board shall name and appoint a State director of this wagering who shall be a representative of the Board and whose duty it shall be to supervise the conduct of inter-track wagering as may be provided for by the rules and regulations of the Board; such rules and regulation shall specify the method of appointment and the Director's powers, authority and duties.

(G) The Board is vested with the power to impose civil penalties of up to \$5,000 against individuals and up to \$10,000 against licensees for each violation of any provision of this Act relating to the conduct of this wagering, any rules adopted by the Board, any order of the Board or any other action which in the Board's discretion, is a detriment or impediment to such wagering.

(13) The Department of Agriculture may enter into agreements with licensees authorizing such licensees to conduct inter-track wagering on races to be held at the licensed race meetings conducted by the Department of Agriculture. Such agreement shall specify the races of the Department of Agriculture's licensed race meeting upon which the licensees will conduct wagering. In the event that a licensee conducts inter-track pari-mutuel wagering on races from the Illinois State Fair or DuQuoin State Fair which are in addition to the licensee's previously approved racing program, those races shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege or pari-mutuel tax on that daily handle as provided in Sections 27 and 27.1. Such agreements shall be approved by the Board before such wagering may be conducted. In determining whether to grant approval, the Board shall give due consideration to the best interests of the public and of horse racing. The provisions of paragraphs (1), (8), (8.1), and (8.2) of subsection (h) of this Section which are not specified in this paragraph (13) shall not apply to licensed race meetings conducted by the Department of Agriculture at the Illinois State Fair in Sangamon County or the DuQuoin State Fair in Perry County, or to any wagering conducted on those race meetings.

(i) Notwithstanding the other provisions of this Act, the conduct of wagering at wagering facilities is authorized on all days, except as limited by subsection (b) of Section 19 of this Act.

(230 ILCS 40/25)

Sec. 25. Restriction of licensees.

(a) Manufacturer. A person may not be licensed as a manufacturer of a video gaming terminal in Illinois unless the person has a valid manufacturer's license issued under this Act. A manufacturer may only sell video gaming terminals for use in Illinois to persons having a valid distributor's license.

(b) Distributor. A person may not sell, distribute, or lease or market a video gaming terminal in Illinois unless the person has a valid distributor's license issued under this Act. A distributor may only sell video gaming terminals for use in Illinois to persons having a valid distributor's or terminal operator's license.

(c) Terminal operator. A person may not own, maintain, or place a video gaming terminal unless he has a valid terminal operator's license issued under this Act. A terminal operator may only place video gaming terminals for use in Illinois in licensed establishments, licensed truck stop establishments, licensed fraternal establishments, and licensed veterans establishments. No terminal operator may give anything of value, including but not limited to a loan or financing arrangement, to a licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment as any incentive or inducement to locate video terminals in that establishment. Of the after-tax profits from a video gaming terminal, 50% shall be paid to the terminal operator and 50% shall be paid to the licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment, notwithstanding any agreement to the contrary. A video terminal operator that violates one or more requirements of this subsection is guilty of a Class 4 felony and is subject to termination of his or her license by the Board.

(d) Licensed technician. A person may not service, maintain, or repair a video gaming terminal in this State unless he or she (1) has a valid technician's license issued under this Act, (2) is a terminal operator, or (3) is employed by a terminal operator, distributor, or manufacturer.

(e) Licensed establishment. No video gaming terminal may be placed in any licensed establishment, licensed veterans establishment, licensed truck stop establishment, or licensed fraternal establishment unless the owner or agent of the owner of the licensed establishment, licensed veterans establishment, licensed truck stop establishment, or licensed fraternal establishment has entered into a written use agreement with the terminal operator for placement of the terminals. A copy of the use agreement shall be on file in the terminal operator's place of business and available for inspection by individuals authorized by the Board. A licensed establishment, licensed truck stop establishment, licensed veterans establishment, or licensed fraternal establishment may operate up to 5 video gaming terminals on its premises at any time.

(f) (Blank).

(g) Financial interest restrictions. As used in this Act, "substantial interest" in a partnership, a corporation, an organization, an association, a business, or a limited liability company means:

(A) When, with respect to a sole proprietorship, an individual or his or her spouse owns, operates, manages, or conducts, directly or indirectly, the organization, association, or business, or any part thereof; or

(B) When, with respect to a partnership, the individual or his or her spouse shares in any of the profits, or potential profits, of the partnership activities; or

(C) When, with respect to a corporation, an individual or his or her spouse is an officer or director, or the individual or his or her spouse is a holder, directly or beneficially, of 5% or more of any class of stock of the corporation; or

(D) When, with respect to an organization not covered in (A), (B) or (C) above, an individual or his or her spouse is an officer or manages the business affairs, or the individual or his or her spouse is the owner of or otherwise controls 10% or more of the assets of the organization; or

(E) When an individual or his or her spouse furnishes 5% or more of the capital, whether in cash, goods, or services, for the operation of any business, association, or organization during any calendar year; or

(F) When, with respect to a limited liability company, an individual or his or her spouse is a member, or the individual or his or her spouse is a holder, directly or beneficially, of 5% or more of the membership interest of the limited liability company.

For purposes of this subsection (g), "individual" includes all individuals or their spouses whose combined interest would qualify as a substantial interest under this subsection (g) and whose activities with respect to an organization, association, or business are so closely aligned or coordinated as to constitute the activities of a single entity.

(h) Location restriction. A licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment that is (i) located within 1,000 feet of a ~~facility operated by an organization licensee licensed under the Illinois Horse Racing Act of 1975~~ or the home dock of a riverboat licensed under the Riverboat Gambling Act or (ii) located within 100 feet of a school or a place of worship under the Religious Corporation Act, is ineligible to operate a video gaming terminal. The location restrictions in this subsection (h) do not apply if (A) ~~a facility operated by an organization licensee~~, a school; or a place of worship moves to or is established within the restricted area after a licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment becomes licensed under this Act or (B) a school or place of worship moves to or is established within the restricted area after a licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment obtains its original liquor license. For the purpose of this subsection, "school" means an elementary or secondary public school, or an elementary or secondary private school registered with or recognized by the State Board of Education.

Notwithstanding the provisions of this subsection (h), the Board may waive the requirement that a licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment not be located within 1,000 feet from a ~~facility operated by an organization licensee licensed under the Illinois Horse Racing Act of 1975~~ or the home dock of a riverboat licensed under the Riverboat Gambling Act. The Board shall not grant such waiver if there is any common ownership or control, shared business activity, or contractual arrangement of any type between the establishment and the ~~organization licensee~~ or owners licensee of a riverboat. The Board shall adopt rules to implement the provisions of this paragraph.

(i) Undue economic concentration. In addition to considering all other requirements under this Act, in deciding whether to approve the operation of video gaming terminals by a terminal operator in a location, the Board shall consider the impact of any economic concentration of such operation of video gaming terminals. The Board shall not allow a terminal operator to operate video gaming terminals if the Board determines such operation will result in undue economic concentration. For purposes of this Section, "undue economic concentration" means that a terminal operator would have such actual or potential influence over video gaming terminals in Illinois as to:

- (1) substantially impede or suppress competition among terminal operators;
- (2) adversely impact the economic stability of the video gaming industry in Illinois; or
- (3) negatively impact the purposes of the Video Gaming Act.

The Board shall adopt rules concerning undue economic concentration with respect to the operation of video gaming terminals in Illinois. The rules shall include, but not be limited to, (i) limitations on the number of video gaming terminals operated by any terminal operator within a defined geographic radius and (ii) guidelines on the discontinuation of operation of any such video gaming terminals the Board determines will cause undue economic concentration.

(j) The provisions of the Illinois Antitrust Act are fully and equally applicable to the activities of any licensee under this Act.

AMENDMENT NO. 4 TO HOUSE BILL 940

AMENDMENT NO. 4. Amend House Bill 940, on page 1, immediately above line 4, by inserting the following:

"Section 3. The Illinois Horse Racing Act of 1975 is amended by changing Section 26 as follows:
(230 ILCS 5/26) (from Ch. 8, par. 37-26)
Sec. 26. Wagering.

[May 26, 2016]

(a) Any licensee may conduct and supervise the pari-mutuel system of wagering, as defined in Section 3.12 of this Act, on horse races conducted by an Illinois organization licensee or conducted at a racetrack located in another state or country and televised in Illinois in accordance with subsection (g) of Section 26 of this Act. Subject to the prior consent of the Board, licensees may supplement any pari-mutuel pool in order to guarantee a minimum distribution. Such pari-mutuel method of wagering shall not, under any circumstances if conducted under the provisions of this Act, be held or construed to be unlawful, other statutes of this State to the contrary notwithstanding. Subject to rules for advance wagering promulgated by the Board, any licensee may accept wagers in advance of the day of the race wagered upon occurs.

(b) No other method of betting, pool making, wagering or gambling shall be used or permitted by the licensee. Each licensee may retain, subject to the payment of all applicable taxes and purses, an amount not to exceed 17% of all money wagered under subsection (a) of this Section, except as may otherwise be permitted under this Act.

(b-5) An individual may place a wager under the pari-mutuel system from any licensed location authorized under this Act provided that wager is electronically recorded in the manner described in Section 3.12 of this Act. Any wager made electronically by an individual while physically on the premises of a licensee shall be deemed to have been made at the premises of that licensee.

(c) Until January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be paid to the Illinois Veterans' Rehabilitation Fund of the State treasury, except as provided in subsection (g) of Section 27 of this Act.

(c-5) Beginning January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be evenly distributed to the purse account of the organization licensee and the organization licensee.

(d) A pari-mutuel ticket shall be honored until December 31 of the next calendar year, and the licensee shall pay the same and may charge the amount thereof against unpaid money similarly accumulated on account of pari-mutuel tickets not presented for payment.

(e) No licensee shall knowingly permit any minor, other than an employee of such licensee or an owner, trainer, jockey, driver, or employee thereof, to be admitted during a racing program unless accompanied by a parent or guardian, or any minor to be a patron of the pari-mutuel system of wagering conducted or supervised by it. The admission of any unaccompanied minor, other than an employee of the licensee or an owner, trainer, jockey, driver, or employee thereof at a race track is a Class C misdemeanor.

(f) Notwithstanding the other provisions of this Act, an organization licensee may contract with an entity in another state or country to permit any legal wagering entity in another state or country to accept wagers solely within such other state or country on races conducted by the organization licensee in this State. Beginning January 1, 2000, these wagers shall not be subject to State taxation. Until January 1, 2000, when the out-of-State entity conducts a pari-mutuel pool separate from the organization licensee, a privilege tax equal to 7 1/2% of all monies received by the organization licensee from entities in other states or countries pursuant to such contracts is imposed on the organization licensee, and such privilege tax shall be remitted to the Department of Revenue within 48 hours of receipt of the moneys from the simulcast. When the out-of-State entity conducts a combined pari-mutuel pool with the organization licensee, the tax shall be 10% of all monies received by the organization licensee with 25% of the receipts from this 10% tax to be distributed to the county in which the race was conducted.

An organization licensee may permit one or more of its races to be utilized for pari-mutuel wagering at one or more locations in other states and may transmit audio and visual signals of races the organization licensee conducts to one or more locations outside the State or country and may also permit pari-mutuel pools in other states or countries to be combined with its gross or net wagering pools or with wagering pools established by other states.

(g) A host track may accept interstate simulcast wagers on horse races conducted in other states or countries and shall control the number of signals and types of breeds of racing in its simulcast program, subject to the disapproval of the Board. The Board may prohibit a simulcast program only if it finds that the simulcast program is clearly adverse to the integrity of racing. The host track simulcast program shall include the signal of live racing of all organization licensees. All non-host licensees and advance deposit wagering licensees shall carry the signal of and accept wagers on live racing of all organization licensees. Advance deposit wagering licensees shall not be permitted to accept out-of-state wagers on any Illinois

signal provided pursuant to this Section without the approval and consent of the organization licensee providing the signal. For one year after the effective date of this amendatory Act of the 98th General Assembly, non-host licensees may carry the host track simulcast program and shall accept wagers on all races included as part of the simulcast program of horse races conducted at race tracks located within North America upon which wagering is permitted. For a period of one year after the effective date of this amendatory Act of the 98th General Assembly, on horse races conducted at race tracks located outside of North America, non-host licensees may accept wagers on all races included as part of the simulcast program upon which wagering is permitted. Beginning one year after the effective date of this amendatory Act of the 98th General Assembly, non-host licensees may carry the host track simulcast program and shall accept wagers on all races included as part of the simulcast program upon which wagering is permitted. All organization licensees shall provide their live signal to all advance deposit wagering licensees for a simulcast commission fee not to exceed 6% of the advance deposit wagering licensee's Illinois handle on the organization licensee's signal without prior approval by the Board. The Board may adopt rules under which it may permit simulcast commission fees in excess of 6%. The Board shall adopt rules limiting the interstate commission fees charged to an advance deposit wagering licensee. The Board shall adopt rules regarding advance deposit wagering on interstate simulcast races that shall reflect, among other things, the General Assembly's desire to maximize revenues to the State, horsemen purses, and organizational licensees. However, organization licensees providing live signals pursuant to the requirements of this subsection (g) may petition the Board to withhold their live signals from an advance deposit wagering licensee if the organization licensee discovers and the Board finds reputable or credible information that the advance deposit wagering licensee is under investigation by another state or federal governmental agency, the advance deposit wagering licensee's license has been suspended in another state, or the advance deposit wagering licensee's license is in revocation proceedings in another state. The organization licensee's provision of their live signal to an advance deposit wagering licensee under this subsection (g) pertains to wagers placed from within Illinois. Advance deposit wagering licensees may place advance deposit wagering terminals at wagering facilities as a convenience to customers. The advance deposit wagering licensee shall not charge or collect any fee from purses for the placement of the advance deposit wagering terminals. The costs and expenses of the host track and non-host licensees associated with interstate simulcast wagering, other than the interstate commission fee, shall be borne by the host track and all non-host licensees incurring these costs. The interstate commission fee shall not exceed 5% of Illinois handle on the interstate simulcast race or races without prior approval of the Board. The Board shall promulgate rules under which it may permit interstate commission fees in excess of 5%. The interstate commission fee and other fees charged by the sending racetrack, including, but not limited to, satellite decoder fees, shall be uniformly applied to the host track and all non-host licensees.

Notwithstanding any other provision of this Act, until February 1, 2017, an organization licensee, with the consent of the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting, may maintain a system whereby advance deposit wagering may take place or an organization licensee, with the consent of the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting, may contract with another person to carry out a system of advance deposit wagering. Such consent may not be unreasonably withheld. Only with respect to an appeal to the Board that consent for an organization licensee that maintains its own advance deposit wagering system is being unreasonably withheld, the Board shall issue a final order within 30 days after initiation of the appeal, and the organization licensee's advance deposit wagering system may remain operational during that 30-day period. The actions of any organization licensee who conducts advance deposit wagering or any person who has a contract with an organization licensee to conduct advance deposit wagering who conducts advance deposit wagering on or after January 1, 2013 and prior to the effective date of this amendatory Act of the 98th General Assembly taken in reliance on the changes made to this subsection (g) by this amendatory Act of the 98th General Assembly are hereby validated, provided payment of all applicable pari-mutuel taxes are remitted to the Board. All advance deposit wagers placed from within Illinois must be placed through a Board-approved advance deposit wagering licensee; no other entity may accept an advance deposit wager from a person within Illinois. All advance deposit wagering is subject to any rules adopted by the Board. The Board may adopt rules necessary to regulate advance deposit wagering through the use of emergency rulemaking in accordance with Section 5-45 of the Illinois Administrative Procedure Act. The General Assembly finds that the adoption of rules to regulate advance deposit wagering is deemed an emergency and necessary for the public interest, safety, and welfare. An advance deposit wagering licensee may retain all moneys as agreed to by contract with an organization licensee. Any moneys retained by the organization licensee from advance deposit wagering, not including moneys retained by the advance deposit wagering licensee, shall be paid 50% to the organization licensee's

purse account and 50% to the organization licensee. With the exception of any organization licensee that is owned by a publicly traded company that is incorporated in a state other than Illinois and advance deposit wagering licensees under contract with such organization licensees, organization licensees that maintain advance deposit wagering systems and advance deposit wagering licensees that contract with organization licensees shall provide sufficiently detailed monthly accountings to the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting so that the horsemen association, as an interested party, can confirm the accuracy of the amounts paid to the purse account at the horsemen association's affiliated organization licensee from advance deposit wagering. If more than one breed races at the same race track facility, then the 50% of the moneys to be paid to an organization licensee's purse account shall be allocated among all organization licensees' purse accounts operating at that race track facility proportionately based on the actual number of host days that the Board grants to that breed at that race track facility in the current calendar year. To the extent any fees from advance deposit wagering conducted in Illinois for wagers in Illinois or other states have been placed in escrow or otherwise withheld from wagers pending a determination of the legality of advance deposit wagering, no action shall be brought to declare such wagers or the disbursement of any fees previously escrowed illegal.

(1) Between the hours of 6:30 a.m. and 6:30 p.m. an intertrack wagering licensee other than the host track may supplement the host track simulcast program with additional simulcast races or race programs, provided that between January 1 and the third Friday in February of any year, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, only thoroughbred races may be used for supplemental interstate simulcast purposes. The Board shall withhold approval for a supplemental interstate simulcast only if it finds that the simulcast is clearly adverse to the integrity of racing. A supplemental interstate simulcast may be transmitted from an intertrack wagering licensee to its affiliated non-host licensees. The interstate commission fee for a supplemental interstate simulcast shall be paid by the non-host licensee and its affiliated non-host licensees receiving the simulcast.

(2) Between the hours of 6:30 p.m. and 6:30 a.m. an intertrack wagering licensee other than the host track may receive supplemental interstate simulcasts only with the consent of the host track, except when the Board finds that the simulcast is clearly adverse to the integrity of racing. Consent granted under this paragraph (2) to any intertrack wagering licensee shall be deemed consent to all non-host licensees. The interstate commission fee for the supplemental interstate simulcast shall be paid by all participating non-host licensees.

(3) Each licensee conducting interstate simulcast wagering may retain, subject to the payment of all applicable taxes and the purses, an amount not to exceed 17% of all money wagered. If any licensee conducts the pari-mutuel system wagering on races conducted at racetracks in another state or country, each such race or race program shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax of that daily handle as provided in subsection (a) of Section 27. Until January 1, 2000, from the sums permitted to be retained pursuant to this subsection, each intertrack wagering location licensee shall pay 1% of the pari-mutuel handle wagered on simulcast wagering to the Horse Racing Tax Allocation Fund, subject to the provisions of subparagraph (B) of paragraph (11) of subsection (h) of Section 26 of this Act.

(4) A licensee who receives an interstate simulcast may combine its gross or net pools with pools at the sending racetracks pursuant to rules established by the Board. All licensees combining their gross pools at a sending racetrack shall adopt the take-out percentages of the sending racetrack. A licensee may also establish a separate pool and takeout structure for wagering purposes on races conducted at race tracks outside of the State of Illinois. The licensee may permit pari-mutuel wagers placed in other states or countries to be combined with its gross or net wagering pools or other wagering pools.

(5) After the payment of the interstate commission fee (except for the interstate commission fee on a supplemental interstate simulcast, which shall be paid by the host track and by each non-host licensee through the host-track) and all applicable State and local taxes, except as provided in subsection (g) of Section 27 of this Act, the remainder of moneys retained from simulcast wagering pursuant to this subsection (g), and Section 26.2 shall be divided as follows:

(A) For interstate simulcast wagers made at a host track, 50% to the host track and 50% to purses at the host track.

(B) For wagers placed on interstate simulcast races, supplemental simulcasts as defined in subparagraphs (1) and (2), and separately pooled races conducted outside of the State of Illinois made at a non-host licensee, 25% to the host track, 25% to the non-host licensee, and 50% to the purses at the host track.

(6) Notwithstanding any provision in this Act to the contrary, non-host licensees who

derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River may receive supplemental interstate simulcast races at all times subject to Board approval, which shall be withheld only upon a finding that a supplemental interstate simulcast is clearly adverse to the integrity of racing.

(7) Notwithstanding any provision of this Act to the contrary, after payment of all applicable State and local taxes and interstate commission fees, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain 50% of the retention from interstate simulcast wagers and shall pay 50% to purses at the track from which the non-host licensee derives its license as follows:

(A) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, when the interstate simulcast is a standardbred race, the purse share to its standardbred purse account;

(B) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, and the interstate simulcast is a thoroughbred race, the purse share to its interstate simulcast purse pool to be distributed under paragraph (10) of this subsection (g);

(C) Between January 1 and the third Friday in February, inclusive, if live thoroughbred racing is occurring in Illinois, between 6:30 a.m. and 6:30 p.m. the purse share from wagers made during this time period to its thoroughbred purse account and between 6:30 p.m. and 6:30 a.m. the purse share from wagers made during this time period to its standardbred purse accounts;

(D) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 a.m. and 6:30 p.m., the purse share to its thoroughbred purse account;

(E) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 p.m. and 6:30 a.m., the purse share to its standardbred purse account.

(7.1) Notwithstanding any other provision of this Act to the contrary, if no standardbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during that calendar year shall be paid as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be paid to its thoroughbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund and shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. The moneys deposited into the Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with other moneys paid into that Fund. The moneys deposited pursuant to this subparagraph (B) shall be allocated as provided by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board.

(7.2) Notwithstanding any other provision of this Act to the contrary, if no thoroughbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 a.m. and 6:30 p.m. during that calendar year shall be deposited as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be deposited into its standardbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund. Moneys deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be paid to Illinois conceived and foaled thoroughbred breeders' programs and to thoroughbred purses for races conducted at any county fairgrounds for Illinois conceived and foaled horses at the discretion of the Department of Agriculture, with the advice and assistance of the Illinois Thoroughbred Breeders Fund Advisory Board. The moneys deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other

moneys paid to thoroughbred purses under this Act, and shall not be commingled with other moneys deposited into that Fund.

(7.3) If no live standardbred racing is conducted at a racetrack located in Madison County in calendar year 2000 or 2001, an organization licensee who is licensed to conduct horse racing at that racetrack shall, before January 1, 2002, pay all moneys derived from simulcast wagering and inter-track wagering in calendar years 2000 and 2001 and paid into the licensee's standardbred purse account as follows:

(A) Eighty percent to that licensee's thoroughbred purse account to be used for thoroughbred purses; and

(B) Twenty percent to the Illinois Colt Stakes Purse Distribution Fund.

Failure to make the payment to the Illinois Colt Stakes Purse Distribution Fund before January 1, 2002 shall result in the immediate revocation of the licensee's organization license, inter-track wagering license, and inter-track wagering location license.

Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be used as determined by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with any other moneys paid into that Fund.

(7.4) If live standardbred racing is conducted at a racetrack located in Madison County at any time in calendar year 2001 before the payment required under paragraph (7.3) has been made, the organization licensee who is licensed to conduct racing at that racetrack shall pay all moneys derived by that racetrack from simulcast wagering and inter-track wagering during calendar years 2000 and 2001 that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during 2000 or 2001 to the standardbred purse account at that racetrack to be used for standardbred purses.

(8) Notwithstanding any provision in this Act to the contrary, an organization licensee from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River and its affiliated non-host licensees shall not be entitled to share in any retention generated on racing, inter-track wagering, or simulcast wagering at any other Illinois wagering facility.

(8.1) Notwithstanding any provisions in this Act to the contrary, if 2 organization licensees are conducting standardbred race meetings concurrently between the hours of 6:30 p.m. and 6:30 a.m., after payment of all applicable State and local taxes and interstate commission fees, the remainder of the amount retained from simulcast wagering otherwise attributable to the host track and to host track purses shall be split daily between the 2 organization licensees and the purses at the tracks of the 2 organization licensees, respectively, based on each organization licensee's share of the total live handle for that day, provided that this provision shall not apply to any non-host licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River.

(9) (Blank).

(10) (Blank).

(11) (Blank).

(12) The Board shall have authority to compel all host tracks to receive the simulcast of any or all races conducted at the Springfield or DuQuoin State fairgrounds and include all such races as part of their simulcast programs.

(13) Notwithstanding any other provision of this Act, in the event that the total Illinois pari-mutuel handle on Illinois horse races at all wagering facilities in any calendar year is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at all such wagering facilities for calendar year 1994, then each wagering facility that has an annual total Illinois pari-mutuel handle on Illinois horse races that is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at such wagering facility for calendar year 1994, shall be permitted to receive, from any amount otherwise payable to the purse account at the race track with which the wagering facility is affiliated in the succeeding calendar year, an amount equal to 2% of the differential in total Illinois pari-mutuel handle on Illinois horse races at the wagering facility between that calendar year in question and 1994 provided, however, that a wagering facility shall not be entitled to any such payment until the Board certifies in writing to the wagering facility the amount to which the wagering facility is entitled and a schedule for payment of the amount to the wagering facility, based on: (i) the racing dates awarded to the race track affiliated with the wagering facility during the succeeding year; (ii) the sums available or

anticipated to be available in the purse account of the race track affiliated with the wagering facility for purses during the succeeding year; and (iii) the need to ensure reasonable purse levels during the payment period. The Board's certification shall be provided no later than January 31 of the succeeding year. In the event a wagering facility entitled to a payment under this paragraph (13) is affiliated with a race track that maintains purse accounts for both standardbred and thoroughbred racing, the amount to be paid to the wagering facility shall be divided between each purse account pro rata, based on the amount of Illinois handle on Illinois standardbred and thoroughbred racing respectively at the wagering facility during the previous calendar year. Annually, the General Assembly shall appropriate sufficient funds from the General Revenue Fund to the Department of Agriculture for payment into the thoroughbred and standardbred horse racing purse accounts at Illinois pari-mutuel tracks. The amount paid to each purse account shall be the amount certified by the Illinois Racing Board in January to be transferred from each account to each eligible racing facility in accordance with the provisions of this Section.

(h) The Board may approve and license the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees subject to the following terms and conditions:

(1) Any person licensed to conduct a race meeting (i) at a track where 60 or more days of racing were conducted during the immediately preceding calendar year or where over the 5 immediately preceding calendar years an average of 30 or more days of racing were conducted annually may be issued an inter-track wagering license; (ii) at a track located in a county that is bounded by the Mississippi River, which has a population of less than 150,000 according to the 1990 decennial census, and an average of at least 60 days of racing per year between 1985 and 1993 may be issued an inter-track wagering license; or (iii) at a track located in Madison County that conducted at least 100 days of live racing during the immediately preceding calendar year may be issued an inter-track wagering license, unless a lesser schedule of live racing is the result of (A) weather, unsafe track conditions, or other acts of God; (B) an agreement between the organization licensee and the associations representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting; or (C) a finding by the Board of extraordinary circumstances and that it was in the best interest of the public and the sport to conduct fewer than 100 days of live racing. Any such person having operating control of the racing facility may also receive up to 6 inter-track wagering location licenses. ~~An In no event shall more than 6 inter-track wagering locations be established for each eligible race track, except that an eligible race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River may establish up to 9~~ 7 inter-track wagering locations and an eligible race track located in Stickney Township in Cook County may establish up to 16 8 inter-track wagering locations and an eligible race track located in Palatine Township in Cook County may establish up to 18 inter-track wagering locations. An application for said license shall be filed with the Board prior to such dates as may be fixed by the Board. With an application for an inter-track wagering location license there shall be delivered to the Board a certified check or bank draft payable to the order of the Board for an amount equal to \$500. The application shall be on forms prescribed and furnished by the Board. The application shall comply with all other rules, regulations and conditions imposed by the Board in connection therewith.

(2) The Board shall examine the applications with respect to their conformity with this Act and the rules and regulations imposed by the Board. If found to be in compliance with the Act and rules and regulations of the Board, the Board may then issue a license to conduct inter-track wagering and simulcast wagering to such applicant. All such applications shall be acted upon by the Board at a meeting to be held on such date as may be fixed by the Board.

(3) In granting licenses to conduct inter-track wagering and simulcast wagering, the Board shall give due consideration to the best interests of the public, of horse racing, and of maximizing revenue to the State.

(4) Prior to the issuance of a license to conduct inter-track wagering and simulcast wagering, the applicant shall file with the Board a bond payable to the State of Illinois in the sum of \$50,000, executed by the applicant and a surety company or companies authorized to do business in this State, and conditioned upon (i) the payment by the licensee of all taxes due under Section 27 or 27.1 and any other monies due and payable under this Act, and (ii) distribution by the licensee, upon presentation of the winning ticket or tickets, of all sums payable to the patrons of pari-mutuel pools.

(5) Each license to conduct inter-track wagering and simulcast wagering shall specify the person to whom it is issued, the dates on which such wagering is permitted, and the track or location where the wagering is to be conducted.

(6) All wagering under such license is subject to this Act and to the rules and

regulations from time to time prescribed by the Board, and every such license issued by the Board shall contain a recital to that effect.

(7) An inter-track wagering licensee or inter-track wagering location licensee may accept wagers at the track or location where it is licensed, or as otherwise provided under this Act.

(8) Inter-track wagering or simulcast wagering shall not be conducted at any track less than 5 miles from a track at which a racing meeting is in progress.

(8.1) Inter-track wagering location licensees who derive their licenses from a particular organization licensee shall conduct inter-track wagering and simulcast wagering only at locations that are within ~~160~~ 140 miles of that race track where the particular organization licensee is licensed to conduct racing. However, inter-track wagering and simulcast wagering shall not be conducted by those licensees at any location within 5 miles of any race track at which a horse race meeting has been licensed in the current year, unless the person having operating control of such race track has given its written consent to such inter-track wagering location licensees, which consent must be filed with the Board at or prior to the time application is made. In the case of any inter-track wagering location licensee initially licensed after December 31, 2013, inter-track wagering and simulcast wagering shall not be conducted by those inter-track wagering location licensees that are located outside the City of Chicago at any location within 8 miles of any race track at which a horse race meeting has been licensed in the current year, unless the person having operating control of such race track has given its written consent to such inter-track wagering location licensees, which consent must be filed with the Board at or prior to the time application is made.

(8.2) Inter-track wagering or simulcast wagering shall not be conducted by an inter-track wagering location licensee at any location within 500 feet of an existing church or existing school, nor within 500 feet of the residences of more than 50 registered voters without receiving written permission from a majority of the registered voters at such residences. Such written permission statements shall be filed with the Board. The distance of 500 feet shall be measured to the nearest part of any building used for worship services, education programs, residential purposes, or conducting inter-track wagering by an inter-track wagering location licensee, and not to property boundaries. However, inter-track wagering or simulcast wagering may be conducted at a site within 500 feet of a church, school or residences of 50 or more registered voters if such church, school or residences have been erected or established, or such voters have been registered, after the Board issues the original inter-track wagering location license at the site in question. Inter-track wagering location licensees may conduct inter-track wagering and simulcast wagering only in areas that are zoned for commercial or manufacturing purposes or in areas for which a special use has been approved by the local zoning authority. However, no license to conduct inter-track wagering and simulcast wagering shall be granted by the Board with respect to any inter-track wagering location within the jurisdiction of any local zoning authority which has, by ordinance or by resolution, prohibited the establishment of an inter-track wagering location within its jurisdiction. However, inter-track wagering and simulcast wagering may be conducted at a site if such ordinance or resolution is enacted after the Board licenses the original inter-track wagering location licensee for the site in question.

(9) (Blank).

(10) An inter-track wagering licensee or an inter-track wagering location licensee may retain, subject to the payment of the privilege taxes and the purses, an amount not to exceed 17% of all money wagered. Each program of racing conducted by each inter-track wagering licensee or inter-track wagering location licensee shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax or pari-mutuel tax on such daily handle as provided in Section 27.

(10.1) Except as provided in subsection (g) of Section 27 of this Act, inter-track wagering location licensees shall pay 1% of the pari-mutuel handle at each location to the municipality in which such location is situated and 1% of the pari-mutuel handle at each location to the county in which such location is situated. In the event that an inter-track wagering location licensee is situated in an unincorporated area of a county, such licensee shall pay 2% of the pari-mutuel handle from such location to such county.

(10.2) Notwithstanding any other provision of this Act, with respect to intertrack wagering at a race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River ("the first race track"), or at a facility operated by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, on races conducted at the first race track or on races conducted at another Illinois race track and simultaneously televised to the first race track or to a facility operated

by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, those moneys shall be allocated as follows:

(A) That portion of all moneys wagered on standardbred racing that is required under this Act to be paid to purses shall be paid to purses for standardbred races.

(B) That portion of all moneys wagered on thoroughbred racing that is required under this Act to be paid to purses shall be paid to purses for thoroughbred races.

(11) (A) After payment of the privilege or pari-mutuel tax, any other applicable taxes, and the costs and expenses in connection with the gathering, transmission, and dissemination of all data necessary to the conduct of inter-track wagering, the remainder of the monies retained under either Section 26 or Section 26.2 of this Act by the inter-track wagering licensee on inter-track wagering shall be allocated with 50% to be split between the 2 participating licensees and 50% to purses, except that an intertrack wagering licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the Illinois organization licensee that provides the race or races, and an intertrack wagering licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with that organization licensee.

(B) From the sums permitted to be retained pursuant to this Act each inter-track wagering location licensee shall pay (i) the privilege or pari-mutuel tax to the State; (ii) 4.75% of the pari-mutuel handle on intertrack wagering at such location on races as purses, except that an intertrack wagering location licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain all purse moneys for its own purse account consistent with distribution set forth in this subsection (h), and intertrack wagering location licensees that accept wagers on races conducted by an organization licensee located in a county with a population in excess of 230,000 and that borders the Mississippi River shall distribute all purse moneys to purses at the operating host track; (iii) until January 1, 2000, except as provided in subsection (g) of Section 27 of this Act, 1% of the pari-mutuel handle wagered on inter-track wagering and simulcast wagering at each inter-track wagering location licensee facility to the Horse Racing Tax Allocation Fund, provided that, to the extent the total amount collected and distributed to the Horse Racing Tax Allocation Fund under this subsection (h) during any calendar year exceeds the amount collected and distributed to the Horse Racing Tax Allocation Fund during calendar year 1994, that excess amount shall be redistributed (I) to all inter-track wagering location licensees, based on each licensee's pro-rata share of the total handle from inter-track wagering and simulcast wagering for all inter-track wagering location licensees during the calendar year in which this provision is applicable; then (II) the amounts redistributed to each inter-track wagering location licensee as described in subpart (I) shall be further redistributed as provided in subparagraph (B) of paragraph (5) of subsection (g) of this Section 26 provided first, that the shares of those amounts, which are to be redistributed to the host track or to purses at the host track under subparagraph (B) of paragraph (5) of subsection (g) of this Section 26 shall be redistributed based on each host track's pro rata share of the total inter-track wagering and simulcast wagering handle at all host tracks during the calendar year in question, and second, that any amounts redistributed as described in part (I) to an inter-track wagering location licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall be further redistributed as provided in subparagraphs (D) and (E) of paragraph (7) of subsection (g) of this Section 26, with the portion of that further redistribution allocated to purses at that organization licensee to be divided between standardbred purses and thoroughbred purses based on the amounts otherwise allocated to purses at that organization licensee during the calendar year in question; and (iv) 8% of the pari-mutuel handle on inter-track wagering wagered at such location to satisfy all costs and expenses of conducting its wagering. The remainder of the monies retained by the inter-track wagering location licensee shall be allocated 40% to the location licensee and 60% to the organization licensee which provides the Illinois races to the location, except that an intertrack wagering location licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee that provides the race or races and an intertrack wagering location licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee. Notwithstanding the provisions of clauses (ii) and (iv) of this paragraph, in the case of the additional inter-track wagering location licenses authorized under paragraph (1) of this subsection (h) by this amendatory Act of 1991, those licensees shall pay the following amounts as purses: during the

first 12 months the licensee is in operation, 5.25% of the pari-mutuel handle wagered at the location on races; during the second 12 months, 5.25%; during the third 12 months, 5.75%; during the fourth 12 months, 6.25%; and during the fifth 12 months and thereafter, 6.75%. The following amounts shall be retained by the licensee to satisfy all costs and expenses of conducting its wagering: during the first 12 months the licensee is in operation, 8.25% of the pari-mutuel handle wagered at the location; during the second 12 months, 8.25%; during the third 12 months, 7.75%; during the fourth 12 months, 7.25%; and during the fifth 12 months and thereafter, 6.75%. For additional intertrack wagering location licensees authorized under this amendatory Act of 1995, purses for the first 12 months the licensee is in operation shall be 5.75% of the pari-mutuel wagered at the location, purses for the second 12 months the licensee is in operation shall be 6.25%, and purses thereafter shall be 6.75%. For additional intertrack location licensees authorized under this amendatory Act of 1995, the licensee shall be allowed to retain to satisfy all costs and expenses: 7.75% of the pari-mutuel handle wagered at the location during its first 12 months of operation, 7.25% during its second 12 months of operation, and 6.75% thereafter.

(C) There is hereby created the Horse Racing Tax Allocation Fund which shall remain in existence until December 31, 1999. Moneys remaining in the Fund after December 31, 1999 shall be paid into the General Revenue Fund. Until January 1, 2000, all monies paid into the Horse Racing Tax Allocation Fund pursuant to this paragraph (11) by inter-track wagering location licensees located in park districts of 500,000 population or less, or in a municipality that is not included within any park district but is included within a conservation district and is the county seat of a county that (i) is contiguous to the state of Indiana and (ii) has a 1990 population of 88,257 according to the United States Bureau of the Census, and operating on May 1, 1994 shall be allocated by appropriation as follows:

If a representative of any of the above-named entities has not been recommended by January 1 of any even-numbered year, the Governor shall appoint a committee member to fill that position. Committee members shall receive no compensation for their services as members but shall be reimbursed for all actual and necessary expenses and disbursements incurred in the performance of their official duties. The remaining 50% of this two-sevenths shall be distributed to county fairs for premiums and rehabilitation as set forth in the Agricultural Fair Act;

Four-sevenths to museums and aquariums located in park districts of over 500,000 population; provided that the monies are distributed in accordance with the previous year's distribution of the maintenance tax for such museums and aquariums as provided in Section 2 of the Park District Aquarium and Museum Act; and

One-seventh to the Agricultural Premium Fund to be used for distribution to agricultural home economics extension councils in accordance with "An Act in relation to additional support and finances for the Agricultural and Home Economic Extension Councils in the several counties of this State and making an appropriation therefor", approved July 24, 1967. This subparagraph (C) shall be inoperative and of no force and effect on and after January 1, 2000.

(D) Except as provided in paragraph (11) of this subsection (h), with respect to purse allocation from intertrack wagering, the monies so retained shall be divided as follows:

(i) If the inter-track wagering licensee, except an intertrack wagering licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is not conducting its own race meeting during the same dates, then the entire purse allocation shall be to purses at the track where the races wagered on are being conducted.

(ii) If the inter-track wagering licensee, except an intertrack wagering licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is also conducting its own race meeting during the same dates, then the purse allocation shall be as follows: 50% to purses at the track where the races wagered on are being conducted; 50% to purses at the track where the inter-track wagering licensee is accepting such wagers.

(iii) If the inter-track wagering is being conducted by an inter-track wagering location licensee, except an intertrack wagering location licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, the entire purse allocation for Illinois races shall be to purses at the track where the race meeting being wagered on is being held.

(12) The Board shall have all powers necessary and proper to fully supervise and control

the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees, including, but not limited to the following:

(A) The Board is vested with power to promulgate reasonable rules and regulations for the purpose of administering the conduct of this wagering and to prescribe reasonable rules, regulations and conditions under which such wagering shall be held and conducted. Such rules and regulations are to provide for the prevention of practices detrimental to the public interest and for the best interests of said wagering and to impose penalties for violations thereof.

(B) The Board, and any person or persons to whom it delegates this power, is vested with the power to enter the facilities of any licensee to determine whether there has been compliance with the provisions of this Act and the rules and regulations relating to the conduct of such wagering.

(C) The Board, and any person or persons to whom it delegates this power, may eject or exclude from any licensee's facilities, any person whose conduct or reputation is such that his presence on such premises may, in the opinion of the Board, call into the question the honesty and integrity of, or interfere with the orderly conduct of such wagering; provided, however, that no person shall be excluded or ejected from such premises solely on the grounds of race, color, creed, national origin, ancestry, or sex.

(D) (Blank).

(E) The Board is vested with the power to appoint delegates to execute any of the powers granted to it under this Section for the purpose of administering this wagering and any rules and regulations promulgated in accordance with this Act.

(F) The Board shall name and appoint a State director of this wagering who shall be a representative of the Board and whose duty it shall be to supervise the conduct of inter-track wagering as may be provided for by the rules and regulations of the Board; such rules and regulation shall specify the method of appointment and the Director's powers, authority and duties.

(G) The Board is vested with the power to impose civil penalties of up to \$5,000 against individuals and up to \$10,000 against licensees for each violation of any provision of this Act relating to the conduct of this wagering, any rules adopted by the Board, any order of the Board or any other action which in the Board's discretion, is a detriment or impediment to such wagering.

(13) The Department of Agriculture may enter into agreements with licensees authorizing such licensees to conduct inter-track wagering on races to be held at the licensed race meetings conducted by the Department of Agriculture. Such agreement shall specify the races of the Department of Agriculture's licensed race meeting upon which the licensees will conduct wagering. In the event that a licensee conducts inter-track pari-mutuel wagering on races from the Illinois State Fair or DuQuoin State Fair which are in addition to the licensee's previously approved racing program, those races shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege or pari-mutuel tax on that daily handle as provided in Sections 27 and 27.1. Such agreements shall be approved by the Board before such wagering may be conducted. In determining whether to grant approval, the Board shall give due consideration to the best interests of the public and of horse racing. The provisions of paragraphs (1), (8), (8.1), and (8.2) of subsection (h) of this Section which are not specified in this paragraph (13) shall not apply to licensed race meetings conducted by the Department of Agriculture at the Illinois State Fair in Sangamon County or the DuQuoin State Fair in Perry County, or to any wagering conducted on those race meetings.

(14) An inter-track wagering location license authorized by the Board in 2016 that is owned and operated by a race track in Rock Island County shall be transferred to a commonly owned race track in Cook County on the effective date of this amendatory Act of the 99th General Assembly. The license shall retain its status in relation to purse distribution under paragraph (11) of this subsection (h) following the transfer to the new entity.

(i) Notwithstanding the other provisions of this Act, the conduct of wagering at wagering facilities is authorized on all days, except as limited by subsection (b) of Section 19 of this Act.

HOUSE BILL RECALLED

On motion of Senator Haine, **House Bill No. 3211** was recalled from the order of third reading to the order of second reading.

Senator Haine offered the following amendment and moved its adoption:

AMENDMENT NO. 2 TO HOUSE BILL 3211

AMENDMENT NO. 2. Amend House Bill 3211, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Insurance Code is amended by changing Sections 193, 531.03, 531.05, 531.07, 531.08, 531.09, 531.10, and 531.14 as follows:

(215 ILCS 5/193) (from Ch. 73, par. 805)

Sec. 193. Duties of Director as liquidator; sales; reinsurance.

(1) Upon the entry of an order directing liquidation, the Director shall immediately proceed to liquidate the property, business, and affairs of the company. The Director is hereby authorized to deal with the property, business, and affairs of the company in his name as Director, or, if the court shall so order, in the name of the company.

(2) The Director may, subject to the approval of the court, sell or otherwise dispose of the real and personal property, or any part thereof, and sell or compromise all debts or claims owing to the company, except that whenever the value of any real or personal property or the amount of any debt owing to the company does not exceed \$25,000, the Director may sell, dispose of, compromise, or compound the same upon such terms as the Director deems to be in the best interest of the company without obtaining approval of the court.

[May 26, 2016]

(3) The Director may bring any action, claim, suit, or proceeding against any director or officer of the company or against any other person with respect to that person's dealings with the company including, but not limited to, prosecuting any action, claim, suit, or proceeding on behalf of the creditors, members, policyholders, or shareholders of the company. Nothing in this subsection shall be construed to affect the standing of the Illinois Insurance Guaranty Fund, the Illinois Life and Health Insurance Guaranty Association, or the Illinois Health Maintenance Organization Guaranty Association to sue or be sued under applicable law.

(4) In order to preserve so far as possible the rights and interests of the policyholders of the company whose contracts were cancelled by the liquidation order and of such other creditors as may be possible, the Director may solicit a contract or contracts whereby a solvent company or companies will agree to assume in whole, or in part, or upon a modified basis, the liabilities owing to said former policyholders or creditors. The Director may, subject to paragraph (h) of subsection (11) of Section 531.08 ~~531.08(h)~~ of this Code or Section 6-8 of the Health Maintenance Organization Act, cede or reinsure all or so much as may be necessary of the in-force business to another company using assets of the liquidated company to pay therefor in preference to satisfying other obligations or creditors. The Director may assign any rights or interests of the company to receive reinsurance proceeds for losses to the Illinois Life and Health Insurance Guaranty Association, the Illinois Health Maintenance Organization Guaranty Association or any similar organization in any other state. If, after a full hearing upon a petition filed by the Director, the court shall find that the Director endeavored to obtain the best contract for the benefit of said parties in interest, and if the said Director shall report to the court that he is ready and willing to enter into a contract and submit a copy thereof to the court, the court shall examine the procedure and acts of the Director, and if the court shall find that the best possible contract in the interests of said parties has been obtained and that it is best for the interests of said parties that said contract be entered into, the court shall by written order approve the acts of the Director and authorize him to execute said contract.

(5) In recognition of the rights of policyholders whose "claims made" contracts were cancelled by the liquidation order, he may, in his discretion, permit such policyholders to purchase an extended discovery period which is subject to the limitations in this Article. The policyholder shall pay to the liquidator a premium which is appropriate for the rights purchased as determined by the liquidator and approved by the court. No extended discovery period purchased before or after the entry of the liquidation order shall extend the time to file claims as set by the court pursuant to Section 208 of this Code. Claims accruing by virtue of such extended discovery period shall be treated as any other claim under Article XXXIV of this Code, and shall be subject to the limitations, exclusions and conditions in the Illinois Insurance Guaranty Fund Act and in the laws governing similar organizations in other states.

(6) The Director is authorized to cancel policies, bonds, and contracts of insurance subject to court approval.

(7) All persons, companies, and entities shall immediately turn over to the Director all unearned premium that has been collected by or on behalf of the company and all earned premium owing the company unless otherwise directed in writing by the Director or by court order. Within 30 days of the date of a written request of the Director, those persons, companies, and entities shall submit affidavits verifying amounts collected by, on behalf of, or due and owing the company and further shall provide copies of all premium fund trust account information and such other applicable documentation as requested by the Director. Nothing in this subsection shall be construed to affect the rights of (i) the Illinois Life and Health Insurance Guaranty Association to collect premium under subsection (4) item (6) of Section 531.08 of this Code or (ii) the Illinois Health Maintenance Organization Guaranty Association to collect premium under item (11) of Section 6-8 of the Health Maintenance Organization Act.

(8) The amount recoverable by the Director from a reinsurer shall not be reduced or diminished as a result of the entry of an order of liquidation notwithstanding any provision in the reinsurance contract or other such agreement. Payment made by a reinsurer to or on behalf of an insured of the company shall not diminish the reinsurer's obligation to the company except when the reinsurance agreement lawfully provides for payment to or on behalf of the company's insured by the reinsurer. All reinsurance contracts to which the company is a party, which do not contain the provisions required with respect to the obligation of a reinsurer in the event of insolvency of the reinsured to obtain credit for reinsurance or pursuant to other applicable statutes, shall contain or be construed to contain all of the following provisions:

(a) Upon the entry of an order of liquidation and notwithstanding the Director's failure to pay all or a portion of a claim, the reinsurance obligation shall be due and owing to the Director on the basis of claims allowed in the liquidation proceeding. The reinsurer shall submit the amounts due and owing directly to the company as ceding insurer or to the Director.

(b) The Director shall give written notice or arrange for the giving of written notice

to reinsurers or their agents of the pendency of a claim against the company indicating the policy or bond reinsured within a reasonable time after the claim is filed. The reinsurer may interpose, at its own expense, in the proceeding where the claim is to be adjudicated, any defenses that it may deem available to the company or the Director.

(4) ~~(E)~~ Premiums due for coverage after entry of an order of liquidation of an insolvent insurer shall belong to and be payable at the direction of the Association, and the Association shall be liable for unearned premiums due to policy or contract owners arising after the entry of such order.

(a) ~~(1)~~ subject to approval by a court ~~in this State~~, impose permanent policy or contract liens in connection with a guarantee, assumption, or reinsurance agreement if the Association finds that the amounts which can be assessed under this Article are less than the amounts needed to assure full and prompt performance of the Association's duties under this Article or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of such permanent policy or contract liens to be in the public interest; or

(b) ~~(2)~~ subject to approval by a court ~~in this State~~, impose temporary moratoriums or liens on payments

of cash values and policy loans or any other right to withdraw funds held in conjunction with policies or contracts in addition to any contractual provisions for deferral of cash or policy loan value. In addition, in the event of a temporary moratorium or moratorium charge imposed by the receivership court on payment of cash values or policy loans or on any other right to withdraw funds held in conjunction with policies or contracts, out of the assets of the impaired or insolvent insurer, the Association may defer the payment of cash values, policy loans, or other rights by the Association for the period of the moratorium or moratorium charge imposed by the receivership court, except for claims covered by the Association to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and approved by the receivership court.

(6) ~~(4)~~ There shall be no liability on the part of and no cause of action shall arise against the Association or against any transferee from the Association in connection with the transfer by reinsurance or otherwise of all or any part of an impaired or insolvent insurer's business by reason of any action taken or any failure to take any action by the impaired or insolvent insurer at any time.

(7) ~~(5)~~ If the Association fails to act within a reasonable period of time as provided in subsection (2) of this Section with respect to an insolvent insurer, the Director shall have the powers and duties of the Association under this Act with regard to such insolvent insurers.

(8) ~~(K)~~ The Association or its designated representatives may render assistance and advice to the Director, upon his request, concerning rehabilitation, payment of claims, continuations of coverage, or the performance of other contractual obligations of any impaired or insolvent insurer.

Standing shall extend to all matters germane to the powers and duties of the Association, including, but not limited to, proposals for reinsuring, modifying, or guaranteeing the policies or contracts of the impaired or insolvent insurer and the determination of the policies or contracts and contractual obligations. (10) ~~(a)~~ ~~(M)~~ ~~(1)~~ A person receiving benefits under this Article shall be deemed to have assigned the rights under and any causes of action against any person for losses arising under, resulting from, or otherwise relating to the covered policy or contract to the Association to the extent of the benefits received because of this Article, whether the benefits are payments of or on account of contractual obligations, continuation of coverage, or provision of substitute or alternative coverages. The Association may require an assignment to it of such rights and cause of action by any payee, policy, or contract owner, beneficiary, insured, or annuitant as a condition precedent to the receipt of any right or benefits conferred by this Article upon the person.

(b) ~~(2)~~ The subrogation rights of the Association under this subsection have the same priority

against the assets of the impaired or insolvent insurer as that possessed by the person entitled to receive benefits under this Article.

~~(c) (3)~~ In addition to paragraphs ~~(a) (1)~~ and ~~(b) (2)~~, the Association shall have all common law rights of

subrogation and any other equitable or legal remedy that would have been available to the impaired or insolvent insurer or owner, beneficiary, or payee of a policy or contract with respect to the policy or contracts, including without limitation, in the case of a structured settlement annuity, any rights of the owner, beneficiary, or payee of the annuity to the extent of benefits received pursuant to this Article, against a person originally or by succession responsible for the losses arising from the personal injury relating to the annuity or payment therefor, excepting any such person responsible solely by reason of serving as an assignee in respect of a qualified assignment under Internal Revenue Code Section 130.

~~(d) (4)~~ If the preceding provisions of this subsection ~~(10) (4)~~ are invalid or ineffective with respect to any person or claim for any reason, then the amount payable by the Association with respect to the related covered obligations shall be reduced by the amount realized by any other person with respect to the person or claim that is attributable to the policies, or portion thereof, covered by the Association.

~~(e) (5)~~ If the Association has provided benefits with respect to a covered obligation and a person recovers amounts as to which the Association has rights as described in the preceding paragraphs of this subsection (10), then the person shall pay to the Association the portion of the recovery attributable to the policies, or portion thereof, covered by the Association.

~~(f) (6)~~ Take such legal action as may be necessary to avoid payment of improper claims.

~~(g) (7)~~ Exercise, for the purposes of this Article and to the extent approved by the Director, the powers of a domestic life or health insurer, but in no case may the Association issue insurance policies or annuity contracts other than those issued to perform the contractual obligations of the impaired or insolvent insurer.

~~(h) (8)~~ Exercise all the rights of the Director under Section 193(4) of this Code with respect to covered policies after the association becomes obligated by statute.

~~(j) (10)~~ Take other necessary or appropriate action to discharge its duties and obligations under this Article or to exercise its powers under this Article.

~~(12) (e)~~ With respect to covered policies for which the Association becomes obligated after an entry of an order of liquidation or rehabilitation, the Association may elect to succeed to the rights of the insolvent insurer arising after the date of the order of liquidation or rehabilitation under any contract of reinsurance to which the insolvent insurer was a party, to the extent that such contract provides coverage for losses occurring after the date of the order of liquidation or rehabilitation. As a condition to making this election, the Association must pay all unpaid premiums due under the contract for coverage relating to periods before and after the date of the order of liquidation or rehabilitation.

~~(13) (p)~~ A deposit in this State, held pursuant to law or required by the Director for the benefit of creditors, including policy owners, not turned over to the domiciliary liquidator upon the entry of a final order of liquidation or order approving a rehabilitation plan of an insurer domiciled in this State or in a reciprocal state, pursuant to Article XIII 1/2 of this Code, shall be promptly paid to the Association. The Association shall be entitled to retain a portion of any amount so paid to it equal to the percentage determined by dividing the aggregate amount of policy owners' claims related to that

insolvency for which the Association has provided statutory benefits by the aggregate amount of all policy owners' claims in this State related to that insolvency and shall remit to the domiciliary receiver the amount so paid to the Association less the amount retained pursuant to this subsection (~~43~~). Any amount so paid to the Association and retained by it shall be treated as a distribution of estate assets pursuant to applicable State receivership law dealing with early access disbursements.

(14) (~~q~~) The Board of Directors of the Association shall have discretion and may exercise reasonable business judgment to determine the means by which the Association is to provide the benefits of this Article in an economical and efficient manner.

(15) (~~r~~) Where the Association has arranged or offered to provide the benefits of this Article to a covered person under a plan or arrangement that fulfills the Association's obligations under this Article, the person shall not be entitled to benefits from the Association in addition to or other than those provided under the plan or arrangement.

(16) (~~s~~) Venue in a suit against the Association arising under the Article shall be in Cook County. The Association shall not be required to give any appeal bond in an appeal that relates to a cause of action arising under this Article.

(17) (~~t~~) The Association may join an organization of one or more other State associations of similar purposes to further the purposes and administer the powers and duties of the Association.

(18) (~~u~~) In carrying out its duties in connection with guaranteeing, assuming, or reinsuring policies or contracts under subsections (1) or (2), the Association may, subject to approval of the receivership court, issue substitute coverage for a policy or contract that provides an interest rate, crediting rate, or similar factor determined by use of an index or other external reference stated in the policy or contract employed in calculating returns or changes in value by issuing an alternative policy or contract in accordance with the following provisions:

(a) (~~v~~) in lieu of the index or other external reference provided for in the original policy or contract, the alternative policy or contract provides for (i) a fixed interest rate, or (ii) payment of dividends with minimum guarantees, or (iii) a different method for calculating interest or changes in value;

(b) (~~w~~) there is no requirement for evidence of insurability, waiting period, or other exclusion that would not have applied under the replaced policy or contract; and

(c) (~~x~~) the alternative policy or contract is substantially similar to the replaced policy or contract in all other material terms.

Sec. 531.09. Assessments.

(1) For the purpose of providing the funds necessary to carry out the powers and duties of the Association, the board of directors shall assess the member insurers, separately for each account, at such times and for such amounts as the board finds necessary. Assessments shall be due not less than 30 days after written notice to the member insurers and shall accrue interest from the due date at such adjusted rate as is established under Section 6621 of Chapter 26 of the United States Code and such interest shall be compounded daily.

(2) There shall be 2 classes of assessments, as follows:

(a) Class A assessments shall be made for the purpose of meeting administrative costs and other general expenses and examinations conducted under the authority of the Director under subsection (5) of Section 531.12.

(b) Class B assessments shall be made to the extent necessary to carry out the powers and duties of the Association under Section 531.08 with regard to an impaired or insolvent domestic insurer or insolvent foreign or alien insurers.

(3)(a) The amount of any Class A assessment shall be determined at the discretion of the board of directors and such assessments shall be authorized and called on a non-pro rata basis. The amount of any Class B assessment shall be allocated for assessment purposes among the accounts and subaccounts pursuant to an allocation formula which may be based on the premiums or reserves of the impaired or insolvent insurer or any other standard deemed by the board in its sole discretion as being fair and reasonable under the circumstances.

(b) Class B assessments against member insurers for each account and subaccount shall be in the proportion that the premiums received on business in this State by each assessed member insurer on policies or contracts covered by each account or subaccount for the three most recent calendar years for which information is available preceding the year in which the insurer became impaired or insolvent, as the case may be, bears to such premiums received on business in this State for such calendar years by all assessed member insurers.

(c) Assessments for funds to meet the requirements of the Association with respect to an impaired or insolvent insurer shall not be made until necessary to implement the purposes of this Article. Classification of assessments under subsection (2) and computations of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible.

(4) The Association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. In the event an assessment against a member insurer is abated or deferred in whole or in part the amount by which the assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this Section. Once the conditions that caused a deferral have been removed or rectified, the member insurer shall pay all assessments that were deferred pursuant to a repayment plan approved by the Association.

(5) (a) (i) Subject to the provisions of subparagraph (ii) of this paragraph, the total of all assessments authorized by the Association with respect to a member insurer for each subaccount of the life insurance and annuity account and for the health account shall not in one calendar year exceed 2% of that member insurer's average annual premiums received in this State on the policies and contracts covered by the subaccount or account during the 3 calendar years preceding the year in which the insurer became an impaired or insolvent insurer.

(ii) If 2 or more assessments are authorized in one calendar year with respect to insurers that become impaired or insolvent in different calendar years, the average annual premiums for purposes of the aggregate assessment percentage limitation referenced in subparagraph (a) of this paragraph shall be equal and limited to the higher of the 3-year average annual premiums for the applicable subaccount or account as calculated pursuant to this Section.

(iii) If the maximum assessment, together with the other assets of the Association in an account, does not provide in one year in either account an amount sufficient to carry out the responsibilities of the Association, the necessary additional funds shall be assessed as soon thereafter as permitted by this Article.

(b) The board may provide in the plan of operation a method of allocating funds among claims, whether relating to one or more impaired or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.

(c) If the maximum assessment for a subaccount of the life insurance and annuity account in one year does not provide an amount sufficient to carry out the responsibilities of the Association, then pursuant to paragraph (b) of subsection (3), the board shall assess the other subaccounts of the life and annuity account for the necessary additional amount, subject to the maximum stated in paragraph (a) of this subsection.

(6) The board may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out during the coming year the obligations of the Association with regard to that account, including assets accruing from net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the Association and for future losses.

(7) An assessment is deemed to occur on the date upon which the board votes such assessment. The board may defer calling the payment of the assessment or may call for payment in one or more installments.

(8) It is proper for any member insurer, in determining its premium rates and policyowner dividends as to any kind of insurance within the scope of this Article, to consider the amount reasonably necessary to meet its assessment obligations under this Article.

(9) The Association must issue to each insurer paying a Class B assessment under this Article a certificate of contribution, in a form acceptable to the Director, for the amount of the assessment so paid. All outstanding certificates are of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the Director may approve, provided the insurer shall in any event at its option have the right to show a certificate of contribution as an admitted asset at percentages of the original face amount for calendar years as follows:

- 100% for the calendar year after the year of issuance;
- 80% for the second calendar year after the year of issuance;
- 60% for the third calendar year after the year of issuance;
- 40% for the fourth calendar year after the year of issuance;
- 20% for the fifth calendar year after the year of issuance.

(10) The Association may request information of member insurers in order to aid in the exercise of its power under this Section and member insurers shall promptly comply with a request.

(215 ILCS 5/531.10) (from Ch. 73, par. 1065.80-10)

Sec. 531.10. Plan of Operation.)

(1)(a) The Association must submit to the Director a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the Association. The plan of operation and any amendments thereto become effective upon approval in writing by the Director.

(b) If the Association fails to submit a suitable plan of operation within 180 days following the effective date of this Article or if at any time thereafter the Association fails to submit suitable amendments to the plan, the Director may, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this Article. Such rules are in force until modified by the Director or superseded by a plan submitted by the Association and approved by the Director.

(2) All member insurers must comply with the plan of operation.

(3) The plan of operation must, in addition to requirements enumerated elsewhere in this Article:

(a) Establish procedures for handling the assets of the Association;

(b) Establish the amount and method of reimbursing members of the board of directors under Section 531.07;

(c) Establish regular places and times for meetings of the board of directors;

(d) Establish procedures for records to be kept of all financial transactions of the Association, its agents, and the board of directors;

(e) Establish the procedures whereby selections for the board of directors will be made and submitted to the Director;

(f) Establish any additional procedures for assessments under Section 531.09; and

(g) Contain additional provisions necessary or proper for the execution of the powers and duties of the Association.

(4) The plan of operation shall establish a procedure for protest by any member insurer of assessments made by the Association pursuant to Section 531.09. Such procedures shall require that:

(a) a member insurer that wishes to protest all or part of an assessment shall pay when due the full amount of the assessment as set forth in the notice provided by the Association. The payment shall be available to meet Association obligations during the pendency of the protest or any subsequent appeal. Payment shall be accompanied by a statement in writing that the payment is made under protest and setting forth a brief statement of the grounds for the protest;

(b) within 30 days following the payment of an assessment under protest by any protesting member insurer, the Association must notify the member insurer in writing of its determination with respect to the protest unless the Association notifies the member that additional time is required to resolve the issues raised by the protest;

(c) in the event the Association determines that the protesting member insurer is entitled to a refund, such refund shall be made within 30 days following the date upon which the Association makes its determination;

(d) the decision of the Association with respect to a protest may be appealed to the Director pursuant to Section 531.11(3);

(e) in the alternative to rendering a decision with respect to any protest based on a question regarding the assessment base, the Association may refer such protests to the Director for final decision, with or without a recommendation from the Association; and

(f) interest on any refund due a protesting member insurer shall be paid at the rate actually earned by the Association.

(5) The plan of operation may provide that any or all powers and duties of the Association, except those under paragraph (c) of subsection ~~(11)~~ (40) of Section 531.08 and Section 531.09 are delegated to a corporation, association or other organization which performs or will perform functions similar to those of this Association, or its equivalent, in 2 or more states. Such a corporation, association or organization shall be reimbursed for any payments made on behalf of the Association and shall be paid for its performance of any function of the Association. A delegation under this subsection shall take effect only with the approval of both the Board of Directors and the Director, and may be made only to a corporation, association or organization which extends protection not substantially less favorable and effective than that provided by this Act.

(215 ILCS 5/531.14) (from Ch. 73, par. 1065.80-14)

Sec. 531.14. Miscellaneous Provisions.

(1) Nothing in this Article may be construed to reduce the liability for unpaid assessments of the insured of an impaired or insolvent insurer operating under a plan with assessment liability.

(2) Records must be kept of all negotiations and meetings in which the Association or its representatives are involved to discuss the activities of the Association in carrying out its powers and duties under Section

531.08. Records of such negotiations or meetings may be made public only upon the termination of a liquidation, rehabilitation, or conservation proceeding involving the impaired or insolvent insurer, upon the termination of the impairment or insolvency of the insurer, or upon the order of a court of competent jurisdiction. Nothing in this paragraph (2) limits the duty of the Association to render a report of its activities under Section 531.15.

(3) For the purpose of carrying out its obligations under this Article, the Association is deemed to be a creditor of the impaired or insolvent insurer to the extent of assets attributable to covered policies reduced by any amounts to which the Association is entitled as subrogee (under ~~subsection (10) paragraph (8)~~ of Section 531.08). All assets of the impaired or insolvent insurer attributable to covered policies must be used to continue all covered policies and pay all contractual obligations of the impaired insurer as required by this Article. "Assets attributable to covered policies", as used in this paragraph (3), is that proportion of the assets which the reserves that should have been established for such policies bear to the reserve that should have been established for all policies of insurance written by the impaired or insolvent insurer.

(4) (a) Prior to the termination of any liquidation, rehabilitation, or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the Association, the shareholders and policyowners of the impaired or insolvent insurer, and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of such impaired or insolvent insurer. In such a determination, consideration must be given to the welfare of the policyholders of the continuing or successor insurer.

(b) No distribution to stockholders, if any, of an impaired or insolvent insurer may be made until and unless the total amount of valid claims of the Association for funds expended with interest in carrying out its powers and duties under Section 531.08, with respect to such insurer have been fully recovered by the Association.

(5) (a) If an order for liquidation or rehabilitation of an insurer domiciled in this State has been entered, the receiver appointed under such order has a right to recover on behalf of the insurer, from any affiliate that controlled it, the amount of distributions, other than stock dividends paid by the insurer on its capital stock, made at any time during the 5 years preceding the petition for liquidation or rehabilitation subject to the limitations of paragraphs (b) to (d).

(b) No such dividend is recoverable if the insurer shows that when paid the distribution was lawful and reasonable, and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

(c) Any person who as an affiliate that controlled the insurer at the time the distributions were paid is liable up to the amount of distributions he received. Any person who was an affiliate that controlled the insurer at the time the distributions were declared, is liable up to the amount of distributions he would have received if they had been paid immediately. If 2 persons are liable with respect to the same distributions, they are jointly and severally liable.

(d) The maximum amount recoverable under subsection (5) of this Section is the amount needed in excess of all other available assets of the insolvent insurer to pay the contractual obligations of the insolvent insurer.

(e) If any person liable under paragraph (c) of subsection (5) of this Section is insolvent, all its affiliates that controlled it at the time the dividend was paid are jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate.

(6) As a creditor of the impaired or insolvent insurer as established in subsection (3) of this Section and consistent with subsection (2) of Section 205 of this Code, the Association and other similar associations shall be entitled to receive a disbursement of assets out of the marshaled assets, from time to time as the assets become available to reimburse it, as a credit against contractual obligations under this Article. If the liquidator has not, within 120 days after a final determination of insolvency of an insurer by the receivership court, made an application to the court for the approval of a proposal to disburse assets out of marshaled assets to guaranty associations having obligations because of the insolvency, then the Association shall be entitled to make application to the receivership court for approval of its own proposal to disburse these assets.

(Section scheduled to be repealed on January 1, 2026)

Sec. 3-7. Licensure; renewal; continuing education. The holder of a license issued under this Article III may renew that license during the month preceding the expiration date thereof by paying the required fee, giving such evidence as the Department may prescribe of completing not less than 14 hours of continuing education for a cosmetologist, and 24 hours of continuing education for a cosmetology teacher or cosmetology clinic teacher, within the 2 years prior to renewal. The training shall be in subjects approved by the Department as prescribed by rule upon recommendation of the Board and may include online instruction.

For the initial renewal of a cosmetologist's license which requires continuing education, as prescribed by rule, one hour of the continuing education shall include domestic violence and sexual assault awareness education as prescribed by rule of the Department. For every subsequent renewal of a cosmetologist's license, one hour of the continuing education may include domestic violence and sexual assault awareness education as prescribed by rule of the Department. The one-hour domestic violence and sexual assault awareness continuing education course shall be provided by a continuing education provider approved by the Department, except that completion from March 12, 2016 to March 15, 2016 of a one-hour domestic violence and sexual assault awareness course from a domestic violence and sexual assault awareness organization shall satisfy this requirement.

The Department may prescribe rules regarding the requirements for domestic violence and sexual assault awareness continuing education courses and teachers.

The Department shall establish by rule a means for the verification of completion of the continuing education required by this Section. This verification may be accomplished through audits of records maintained by registrants, by requiring the filing of continuing education certificates with the Department, or by other means established by the Department.

The Department, in its discretion, may waive enforcement of the continuing education requirement in this Section, including the domestic violence and sexual assault awareness education requirement, and shall adopt rules defining the standards and criteria for that waiver under the following circumstances:

- (a) the licensee resides in a locality where it is demonstrated that the absence of opportunities for such education would interfere with the ability of the licensee to provide service to the public;
- (b) that to comply with the continuing education requirements would cause a substantial financial hardship on the licensee;
- (c) that the licensee is serving in the United States Armed Forces; or
- (d) that the licensee is incapacitated due to illness.

(b) A public body shall approve the minutes of its open meeting within 30 days after that meeting or at the public body's second subsequent regular meeting, whichever is later. The minutes of meetings open to the public shall be available for public inspection within 10 days after the approval of such minutes by the public body. Beginning July 1, 2006, at the time it complies with the other requirements of this subsection, a public body that has a website that the full-time staff of the public body maintains shall post the minutes of a regular meeting of its governing body open to the public on the public body's website within 10 days after the approval of the minutes by the public body. Beginning July 1, 2006, any minutes of meetings

[May 26, 2016]

open to the public posted on the public body's website shall remain posted on the website for at least 60 days after their initial posting.

(c) The verbatim record may be destroyed without notification to or the approval of a records commission or the State Archivist under the Local Records Act or the State Records Act no less than 18 months after the completion of the meeting recorded but only after:

- (1) the public body approves the destruction of a particular recording; and
- (2) the public body approves minutes of the closed meeting that meet the written minutes requirements of subsection (a) of this Section.

(d) Each public body shall periodically, but no less than semi-annually, meet to review minutes of all closed meetings. At such meetings a determination shall be made, and reported in an open session that (1) the need for confidentiality still exists as to all or part of those minutes or (2) that the minutes or portions thereof no longer require confidential treatment and are available for public inspection. The failure of a public body to strictly comply with the semi-annual review of closed session written minutes, whether before or after the effective date of this amendatory Act of the 94th General Assembly, shall not cause the written minutes or related verbatim record to become public or available for inspection in any judicial proceeding, other than a proceeding involving an alleged violation of this Act, if the public body, within 60 days of discovering its failure to strictly comply with the technical requirements of this subsection, reviews the closed session minutes and determines and thereafter reports in open session that either (1) the need for confidentiality still exists as to all or part of the minutes or verbatim record, or (2) that the minutes or recordings or portions thereof no longer require confidential treatment and are available for public inspection.

(e) Unless the public body has made a determination that the verbatim recording no longer requires confidential treatment or otherwise consents to disclosure, the verbatim record of a meeting closed to the public shall not be open for public inspection or subject to discovery in any administrative or judicial proceeding other than one brought to enforce this Act. In the case of a civil action brought to enforce this Act, the court, if the judge believes such an examination is necessary, must conduct such in camera examination of the verbatim record as it finds appropriate in order to determine whether there has been a violation of this Act. In the case of a criminal proceeding, the court may conduct an examination in order to determine what portions, if any, must be made available to the parties for use as evidence in the prosecution. Any such initial inspection must be held in camera. If the court determines that a complaint or suit brought for noncompliance under this Act is valid it may, for the purposes of discovery, redact from the minutes of the meeting closed to the public any information deemed to qualify under the attorney-client privilege. The provisions of this subsection do not supersede the privacy or confidentiality provisions of State or federal law. Access to verbatim recordings shall be provided to duly elected officials or appointed officials filling a vacancy of an elected office in a public body, and access shall be granted in the public body's main office or official storage location, in the presence of a records secretary, an administrative official of the public body, or any elected official of the public body. No verbatim recordings shall be recorded or removed from the public body's main office or official storage location, except by vote of the public body or by court order. Nothing in this subsection (e) is intended to limit the Public Access Counselor's access to those records necessary to address a request for administrative review under Section 7.5 of this Act.

(f) Minutes of meetings closed to the public shall be available only after the public body determines that it is no longer necessary to protect the public interest or the privacy of an individual by keeping them confidential, except that duly elected officials or appointed officials filling a vacancy of an elected office in a public body shall be provided access to minutes of meetings closed to the public. Access to minutes shall be granted in the public body's main office or official storage location, in the presence of a records secretary, an administrative official of the public body, or any elected official of the public body. No minutes of meetings closed to the public shall be removed from the public body's main office or official storage location, except by vote of the public body or by court order. Nothing in this subsection (f) is intended to limit the Public Access Counselor's access to those records necessary to address a request for administrative review under Section 7.5 of this Act.

(g) Any person shall be permitted an opportunity to address public officials under the rules established and recorded by the public body.

(Section scheduled to be repealed on July 1, 2018)

Sec. 5A-2. Assessment.

(a)(1) Subject to Sections 5A-3 and 5A-10, for State fiscal years 2009 through 2018, an annual assessment on inpatient services is imposed on each hospital provider in an amount equal to \$218.38 multiplied by the difference of the hospital's occupied bed days less the hospital's Medicare bed days, provided, however, that the amount of \$218.38 shall be increased by a uniform percentage to generate an amount equal to 75% of the State share of the payments authorized under Section 5A-12.5 ~~Section 12-5~~, with such increase only taking effect upon the date that a State share for such payments is required under federal law. For the period of April through June 2015, the amount of \$218.38 used to calculate the assessment under this paragraph shall, by emergency rule under subsection (s) of Section 5-45 of the Illinois Administrative Procedure Act, be increased by a uniform percentage to generate \$20,250,000 in the aggregate for that period from all hospitals subject to the annual assessment under this paragraph.

(2) In addition to any other assessments imposed under this Article, effective July 1, 2016 and semi-annually thereafter through June 2018, in addition to any federally required State share as authorized under paragraph (1), the amount of \$218.38 shall be increased by a uniform percentage to generate an amount equal to 75% of the ACA Assessment Adjustment, as defined in subsection (b-6) of this Section.

For State fiscal years 2009 through 2014 and after, a hospital's occupied bed days and Medicare bed days shall be determined using the most recent data available from each hospital's 2005 Medicare cost report as contained in the Healthcare Cost Report Information System file, for the quarter ending on December 31, 2006, without regard to any subsequent adjustments or changes to such data. If a hospital's 2005 Medicare cost report is not contained in the Healthcare Cost Report Information System, then the Illinois Department may obtain the hospital provider's occupied bed days and Medicare bed days from any source available, including, but not limited to, records maintained by the hospital provider, which may be inspected at all times during business hours of the day by the Illinois Department or its duly authorized agents and employees.

(b) (Blank).

(b-5)(1) Subject to Sections 5A-3 and 5A-10, for the portion of State fiscal year 2012, beginning June 10, 2012 through June 30, 2012, and for State fiscal years 2013 through 2018, an annual assessment on outpatient services is imposed on each hospital provider in an amount equal to .008766 multiplied by the hospital's outpatient gross revenue, provided, however, that the amount of .008766 shall be increased by a uniform percentage to generate an amount equal to 25% of the State share of the payments authorized under Section 5A-12.5 ~~Section 12-5~~, with such increase only taking effect upon the date that a State share for such payments is required under federal law. For the period beginning June 10, 2012 through June 30, 2012, the annual assessment on outpatient services shall be prorated by multiplying the assessment amount by a fraction, the numerator of which is 21 days and the denominator of which is 365 days. For the period of April through June 2015, the amount of .008766 used to calculate the assessment under this paragraph shall, by emergency rule under subsection (s) of Section 5-45 of the Illinois Administrative Procedure Act, be increased by a uniform percentage to generate \$6,750,000 in the aggregate for that period from all hospitals subject to the annual assessment under this paragraph.

(2) In addition to any other assessments imposed under this Article, effective July 1, 2016 and semi-annually thereafter through June 2018, in addition to any federally required State share as authorized under paragraph (1), the amount of .008766 shall be increased by a uniform percentage to generate an amount equal to 25% of the ACA Assessment Adjustment, as defined in subsection (b-6) of this Section.

For the portion of State fiscal year 2012, beginning June 10, 2012 through June 30, 2012, and State fiscal years 2013 through 2018, a hospital's outpatient gross revenue shall be determined using the most recent data available from each hospital's 2009 Medicare cost report as contained in the Healthcare Cost Report Information System file, for the quarter ending on June 30, 2011, without regard to any subsequent

adjustments or changes to such data. If a hospital's 2009 Medicare cost report is not contained in the Healthcare Cost Report Information System, then the Department may obtain the hospital provider's outpatient gross revenue from any source available, including, but not limited to, records maintained by the hospital provider, which may be inspected at all times during business hours of the day by the Department or its duly authorized agents and employees.

(b-6)(1) As used in this Section, "ACA Assessment Adjustment" means:

(A) For the period of July 1, 2016 through December 31, 2016, the product of .19125 multiplied by the sum of the fee-for-service payments to hospitals as authorized under Section 5A-12.5 and the adjustments authorized under subsection (t) of Section 5A-12.2 to managed care organizations for hospital services due and payable in the month of April 2016 multiplied by 6.

(B) For the period of January 1, 2017 through June 30, 2017, the product of .19125 multiplied by the sum of the fee-for-service payments to hospitals as authorized under Section 5A-12.5 and the adjustments authorized under subsection (t) of Section 5A-12.2 to managed care organizations for hospital services due and payable in the month of October 2016 multiplied by 6, except that the amount calculated under this subparagraph (B) shall be adjusted, either positively or negatively, to account for the difference between the actual payments issued under Section 5A-12.5 for the period beginning July 1, 2016 through December 31, 2016 and the estimated payments due and payable in the month of April 2016 multiplied by 6 as described in subparagraph (A).

(C) For the period of July 1, 2017 through December 31, 2017, the product of .19125 multiplied by the sum of the fee-for-service payments to hospitals as authorized under Section 5A-12.5 and the adjustments authorized under subsection (t) of Section 5A-12.2 to managed care organizations for hospital services due and payable in the month of April 2017 multiplied by 6, except that the amount calculated under this subparagraph (C) shall be adjusted, either positively or negatively, to account for the difference between the actual payments issued under Section 5A-12.5 for the period beginning January 1, 2017 through June 30, 2017 and the estimated payments due and payable in the month of October 2016 multiplied by 6 as described in subparagraph (B).

(D) For the period of January 1, 2018 through June 30, 2018, the product of .19125 multiplied by the sum of the fee-for-service payments to hospitals as authorized under Section 5A-12.5 and the adjustments authorized under subsection (t) of Section 5A-12.2 to managed care organizations for hospital services due and payable in the month of October 2017 multiplied by 6, except that:

(i) the amount calculated under this subparagraph (D) shall be adjusted, either positively or negatively, to account for the difference between the actual payments issued under Section 5A-12.5 for the period of July 1, 2017 through December 31, 2017 and the estimated payments due and payable in the month of April 2017 multiplied by 6 as described in subparagraph (C); and

(ii) the amount calculated under this subparagraph (D) shall be adjusted to include the product of .19125 multiplied by the sum of the fee-for-service payments, if any, estimated to be paid to hospitals under subsection (b) of Section 5A-12.5.

(2) The Department shall complete and apply a final reconciliation of the ACA Assessment Adjustment prior to June 30, 2018 to account for:

(A) any differences between the actual payments issued or scheduled to be issued prior to June 30, 2018 as authorized in Section 5A-12.5 for the period of January 1, 2018 through June 30, 2018 and the estimated payments due and payable in the month of October 2017 multiplied by 6 as described in subparagraph (D); and

(B) any difference between the estimated fee-for-service payments under subsection (b) of Section 5A-12.5 and the amount of such payments that are actually scheduled to be paid.

The Department shall notify hospitals of any additional amounts owed or reduction credits to be applied to the June 2018 ACA Assessment Adjustment. This is to be considered the final reconciliation for the ACA Assessment Adjustment.

(3) Notwithstanding any other provision of this Section, if for any reason the scheduled payments under subsection (b) of Section 5A-12.5 are not issued in full by the final day of the period authorized under subsection (b) of Section 5A-12.5, funds collected from each hospital pursuant to subparagraph (D) of paragraph (1) and pursuant to paragraph (2), attributable to the scheduled payments authorized under subsection (b) of Section 5A-12.5 that are not issued in full by the final day of the period attributable to each payment authorized under subsection (b) of Section 5A-12.5, shall be refunded.

(4) The increases authorized under paragraph (2) of subsection (a) and paragraph (2) of subsection (b-5) shall be limited to the federally required State share of the total payments authorized under Section 5A-12.5 if the sum of such payments yields an annualized amount equal to or less than \$450,000,000, or if the adjustments authorized under subsection (t) of Section 5A-12.2 are found not to be actuarially sound;

however, this limitation shall not apply to the fee-for-service payments described in subsection (b) of Section 5A-12.5.

(c) (Blank).

(d) Notwithstanding any of the other provisions of this Section, the Department is authorized to adopt rules to reduce the rate of any annual assessment imposed under this Section, as authorized by Section 5-46.2 of the Illinois Administrative Procedure Act.

(e) Notwithstanding any other provision of this Section, any plan providing for an assessment on a hospital provider as a permissible tax under Title XIX of the federal Social Security Act and Medicaid-eligible payments to hospital providers from the revenues derived from that assessment shall be reviewed by the Illinois Department of Healthcare and Family Services, as the Single State Medicaid Agency required by federal law, to determine whether those assessments and hospital provider payments meet federal Medicaid standards. If the Department determines that the elements of the plan may meet federal Medicaid standards and a related State Medicaid Plan Amendment is prepared in a manner and form suitable for submission, that State Plan Amendment shall be submitted in a timely manner for review by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services and subject to approval by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services. No such plan shall become effective without approval by the Illinois General Assembly by the enactment into law of related legislation. Notwithstanding any other provision of this Section, the Department is authorized to adopt rules to reduce the rate of any annual assessment imposed under this Section. Any such rules may be adopted by the Department under Section 5-50 of the Illinois Administrative Procedure Act.

Payments under this Section are not due and payable, however, until (i) the methodologies described in this Section are approved by the federal government in an appropriate State Plan amendment and (ii) the assessment imposed under this Article is determined to be a permissible tax under Title XIX of the Social Security Act.

(a-5) The Illinois Department may, when practicable, accelerate the schedule upon which payments authorized under this Section are made.

(b) Across-the-board inpatient adjustment.

(1) In addition to rates paid for inpatient hospital services, the Department shall pay to each Illinois general acute care hospital an amount equal to 40% of the total base inpatient payments paid to the hospital for services provided in State fiscal year 2005.

(2) In addition to rates paid for inpatient hospital services, the Department shall pay to each freestanding Illinois specialty care hospital as defined in 89 Ill. Adm. (3) In addition to rates paid for inpatient hospital services, the Department shall pay to each freestanding Illinois rehabilitation or psychiatric hospital an amount equal to \$1,000 per Medicaid inpatient day multiplied by the increase in the hospital's Medicaid inpatient utilization ratio (determined using the positive percentage change from the rate year 2005 Medicaid inpatient utilization ratio to the rate year 2007 Medicaid inpatient utilization ratio, as calculated by the Department for the disproportionate share determination).

(4) In addition to rates paid for inpatient hospital services, the Department shall pay to each Illinois children's hospital an amount equal to 20% of the total base inpatient payments paid to the hospital for services provided in State fiscal year 2005 and an additional amount equal to 20% of the base inpatient payments paid to the hospital for psychiatric services provided in State fiscal year 2005.

(ii) For hospitals other than freestanding children's hospitals as defined in 89 Ill. Adm. Code 149.50(c)(3)(B), 1.0 multiplied by the hospital's pediatric inpatient adjustment payment required under 89 Ill. Adm. Code 148.298, as in effect for State fiscal year 2008.

(c) Outpatient adjustment.

(1) In addition to the rates paid for outpatient hospital services, the Department shall pay each Illinois hospital an amount equal to 2.2 multiplied by the hospital's ambulatory procedure listing payments for categories 1, 2, 3, and 4, as defined in 89 Ill. Adm. Code 148.140(b), for State fiscal year 2005.

(2) In addition to the rates paid for outpatient hospital services, the Department shall pay each Illinois freestanding psychiatric hospital an amount equal to 3.25 multiplied by the hospital's ambulatory procedure listing payments for category 5b, as defined in 89 Ill. (1) For each Illinois general acute care hospital that has a Medicaid inpatient utilization rate of at least 10% and less than 36.94% and whose capital cost is less than the 60th percentile of the capital costs of all Illinois hospitals, the amount of such payment shall equal the hospital's Medicaid inpatient days multiplied by the difference between the capital costs at the 60th percentile of the capital costs of all Illinois hospitals and the hospital's capital costs.

(2) For each Illinois general acute care hospital that has a Medicaid inpatient utilization rate of at least 36.94% and whose capital cost is less than the 75th percentile of the capital costs of all Illinois hospitals, the amount of such payment shall equal the hospital's Medicaid inpatient days multiplied by the difference between the capital costs at the 75th percentile of the capital costs of all Illinois hospitals and the hospital's capital costs.

(f) Obstetrical care adjustment.

(1) In addition to rates paid for inpatient hospital services, the Department shall pay \$1,500 for each Medicaid obstetrical day of care provided in State fiscal year 2005 by each Illinois rural hospital that had a Medicaid obstetrical percentage (Medicaid obstetrical days divided by Medicaid inpatient days) greater than 15% for State fiscal year 2005.

(2) In addition to rates paid for inpatient hospital services, the Department shall pay \$1,350 for each Medicaid obstetrical day of care provided in State fiscal year 2005 by each Illinois general acute care hospital that was designated a level III perinatal center as of December 31, 2006, and that had a case mix index equal to or greater than the 45th percentile of the case mix indices for all level III perinatal centers.

(3) In addition to rates paid for inpatient hospital services, the Department shall pay \$900 for each Medicaid obstetrical day of care provided in State fiscal year 2005 by each Illinois general acute care hospital that was designated a level II or II+ perinatal center as of December 31, 2006, and that had a case mix index equal to or greater than the 35th percentile of the case mix indices for all level II and II+ perinatal centers.

(g) Trauma adjustment.

(1) In addition to rates paid for inpatient hospital services, the Department shall pay each Illinois general acute care hospital designated as a trauma center as of July 1, 2007, a payment equal to 3.75 multiplied by the hospital's State fiscal year 2005 Medicaid capital payments.

(2) In addition to rates paid for inpatient hospital services, the Department shall pay \$400 for each Medicaid acute inpatient day of care provided in State fiscal year 2005 by each Illinois general acute care hospital that was designated a level II trauma center, as defined in 89 Ill. Adm. Code 148.295(a)(3) and 148.295(a)(4), as of July 1, 2007.

(3) In addition to rates paid for inpatient hospital services, the Department shall pay \$235 for each Illinois Medicaid acute inpatient day of care provided in State fiscal year 2005 by each level I pediatric trauma center located outside of Illinois that had more than 8,000 Illinois Medicaid inpatient days in State fiscal year 2005.

(h) Supplemental tertiary care adjustment. In addition to rates paid for inpatient services, the Department shall pay to each Illinois hospital eligible for tertiary care adjustment payments under 89 Ill. Adm. Code 148.296, as in effect for State fiscal year 2007, a supplemental tertiary care adjustment payment equal to the tertiary care adjustment payment required under 89 Ill. Adm. Code 148.296, as in effect for State fiscal year 2007.

(i) Crossover adjustment. In addition to rates paid for inpatient services, the Department shall pay each Illinois general acute care hospital that had a ratio of crossover days to total inpatient days for medical assistance programs administered by the Department (utilizing information from 2005 paid claims) greater than 50%, and a case mix index greater than the 65th percentile of case mix indices for all Illinois hospitals, a rate of \$1,125 for each Medicaid inpatient day including crossover days.

(j) Magnet hospital adjustment. In addition to rates paid for inpatient hospital services, the Department shall pay to each Illinois general acute care hospital and each Illinois freestanding children's hospital that, as of February 1, 2008, was recognized as a Magnet hospital by the American Nurses Credentialing Center and that had a case mix index greater than the 75th percentile of case mix indices for all Illinois hospitals amounts as follows:

(1) For hospitals located in a county whose eligibility growth factor is greater than the mean, \$450 multiplied by the eligibility growth factor for the county in which the hospital is located for each Medicaid inpatient day of care provided by the hospital during State fiscal year 2005.

(2) For hospitals located in a county whose eligibility growth factor is less than or equal to the mean, \$225 multiplied by the eligibility growth factor for the county in which the hospital is located for each Medicaid inpatient day of care provided by the hospital during State fiscal year 2005. For purposes of this subsection, "eligibility growth factor" means the percentage by which the number of Medicaid recipients in the county increased from State fiscal year 1998 to State fiscal year 2005.

(k) For purposes of this Section, a hospital that is enrolled to provide Medicaid services during State fiscal year 2005 shall have its utilization and associated reimbursements annualized prior to the payment calculations being performed under this Section.

(l) For purposes of this Section, the terms "Medicaid days", "ambulatory procedure listing services", and "ambulatory procedure listing payments" do not include any days, charges, or services for which Medicare or a managed care organization reimbursed on a capitated basis was liable for payment, except where explicitly stated otherwise in this Section.

(m) For purposes of this Section, in determining the percentile ranking of an Illinois hospital's case mix index or capital costs, hospitals described in subsection (b) of Section 5A-3 shall be excluded from the ranking.

(n) Definitions. Unless the context requires otherwise or unless provided otherwise in this Section, the terms used in this Section for qualifying criteria and payment calculations shall have the same meanings as those terms have been given in the Illinois Department's administrative rules as in effect on March 1, 2008. Other terms shall be defined by the Illinois Department by rule.

As used in this Section, unless the context requires otherwise:

"Base inpatient payments" means, for a given hospital, the sum of base payments for inpatient services made on a per diem or per admission (DRG) basis, excluding those portions of per admission payments that are classified as capital payments. Disproportionate share hospital adjustment payments, Medicaid Percentage Adjustments, Medicaid High Volume Adjustments, and outlier payments, as defined by rule by the Department as of January 1, 2008, are not base payments.

"Capital costs" means, for a given hospital, the total capital costs determined using the most recent 2005 Medicare cost report as contained in the Healthcare Cost Report Information System file, for the quarter ending on December 31, 2006, divided by the total inpatient days from the same cost report to calculate a capital cost per day. The resulting capital cost per day is inflated to the midpoint of State fiscal year 2009 utilizing the national hospital market price proxies (DRI) hospital cost index. If a hospital's 2005 Medicare cost report is not contained in the Healthcare Cost Report Information System, the Department may obtain the data necessary to compute the hospital's capital costs from any source available, including, but not limited to, records maintained by the hospital provider, which may be inspected at all times during business hours of the day by the Illinois Department or its duly authorized agents and employees.

"Case mix index" means, for a given hospital, the sum of the DRG relative weighting factors in effect on January 1, 2005, for all general acute care admissions for State fiscal year 2005, excluding Medicare crossover admissions and transplant admissions reimbursed under 89 Ill. Adm. Code 148.82, divided by the total number of general acute care admissions for State fiscal year 2005, excluding Medicare crossover admissions and transplant admissions reimbursed under 89 Ill. Adm. Code 148.82.

"Medicaid inpatient day" means, for a given hospital, the sum of days of inpatient hospital days provided to recipients of medical assistance under Title XIX of the federal Social Security Act, excluding days for individuals eligible for Medicare under Title XVIII of that Act (Medicaid/Medicare crossover days), as tabulated from the Department's paid claims data for admissions occurring during State fiscal year 2005 that was adjudicated by the Department through March 23, 2007.

"Medicaid obstetrical day" means, for a given hospital, the sum of days of inpatient hospital days grouped by the Department to DRGs of 370 through 375 provided to recipients of medical assistance under Title XIX of the federal Social Security Act, excluding days for individuals eligible for Medicare under Title XVIII of that Act (Medicaid/Medicare crossover days), as tabulated from the Department's paid claims data for admissions occurring during State fiscal year 2005 that was adjudicated by the Department through March 23, 2007.

"Outpatient ambulatory procedure listing payments" means, for a given hospital, the sum of payments for ambulatory procedure listing services, as described in 89 Ill. Adm. Code 148.140(b), provided to recipients of medical assistance under Title XIX of the federal Social Security Act, excluding payments for individuals eligible for Medicare under Title XVIII of the Act (Medicaid/Medicare crossover days), as tabulated from the Department's paid claims data for services occurring in State fiscal year 2005 that were adjudicated by the Department through March 23, 2007.

(o) The Department may adjust payments made under this Section 5A-12.2 to comply with federal law or regulations regarding hospital-specific payment limitations on government-owned or government-operated hospitals.

(p) Notwithstanding any of the other provisions of this Section, the Department is authorized to adopt rules that change the hospital access improvement payments specified in this Section, but only to the extent necessary to conform to any federally approved amendment to the Title XIX State plan. Any such rules shall be adopted by the Department as authorized by Section 5-50 of the Illinois Administrative Procedure Act. Notwithstanding any other provision of law, any changes implemented as a result of this subsection (p) shall be given retroactive effect so that they shall be deemed to have taken effect as of the effective date of this Section.

(q) (Blank).

(r) On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.

(s) On or after ~~January 1, 2016~~ July 1, 2014, ~~but no later than October 1, 2014,~~ and no less than annually thereafter, the Department ~~shall~~ may increase capitation payments to capitated managed care organizations (MCOs) to equal the aggregate reduction of payments made in this Section and in Section 5A-12.4 by a uniform percentage on a regional basis to preserve access to hospital services for recipients under the Illinois Medical Assistance Program. The aggregate amount of all increased capitation payments to all MCOs for a fiscal year shall be the amount needed to avoid reduction in payments authorized under Section 5A-15. Payments to MCOs under this Section shall be consistent with actuarial certification and shall be published by the Department each year. Each MCO shall only expend the increased capitation payments it receives under this Section to support the availability of hospital services and to ensure access to hospital services, with such expenditures being made within 15 calendar days from when the MCO receives the increased capitation payment. The Department shall make available, on a monthly basis, a report of the capitation payments that are made to each MCO pursuant to this subsection, including the number of enrollees for which such payment is made, the per enrollee amount of the payment, and any adjustments that have been made. Payments made under this subsection shall be guaranteed by a surety bond obtained by the MCO in an amount established by the Department to approximate one month's liability of payments authorized under this subsection. The Department may advance the payments guaranteed by the surety bond. Payments to MCOs that would be paid consistent with actuarial certification and enrollment in the absence of the increased capitation payments under this Section shall not be reduced as a consequence of payments made under this subsection.

As used in this subsection, "MCO" means an entity which contracts with the Department to provide services where payment for medical services is made on a capitated basis.

(t) On or after July 1, 2014, the Department may increase capitation payments to capitated managed care organizations (MCOs) to equal the aggregate reduction of payments made in Section 5A-12.5 to preserve access to hospital services for recipients under the Illinois Medical Assistance Program. Effective January 1, 2016, the Department shall increase capitation payments to MCOs to include the payments authorized under Section 5A-12.5 to preserve access to hospital services for recipients under the Illinois Medical Assistance Program by ensuring that the reimbursement provided for Affordable Care Act adults enrolled in a MCO is equivalent to the reimbursement provided for Affordable Care Act adults enrolled in a fee-for-service program. Payments to MCOs under this Section shall be consistent with actuarial certification and federal approval (which may be retrospectively determined) and shall be published by the Department each year. Each MCO shall only expend the increased capitation payments it receives under this Section to support the availability of hospital services and to ensure access to hospital services, with such expenditures being made within 15 calendar days from when the MCO receives the increased capitation payment. Payments made under this subsection may be guaranteed by a surety bond obtained by the MCO in an amount established by the Department to approximate one month's liability of payments authorized under this subsection. The Department may advance the payments to hospitals under this subsection, in the event the MCO fails to make such payments. The Department shall make available, on a monthly basis, a report of the capitation payments that are made to each MCO pursuant to this subsection, including the number of enrollees for which such payment is made, the per enrollee amount of the payment,

and any adjustments that have been made. Payments to MCOs that would be paid consistent with actuarial certification and enrollment in the absence of the increased capitation payments under this subsection shall not be reduced as a consequence of payments made under this subsection.

As used in this subsection, "MCO" means an entity which contracts with the Department to provide services where payment for medical services is made on a capitated basis.

Section 5. Purpose. This Act shall require recognition of the Uniform Disposition of Unclaimed Property Act and require the complete and proper disclosure, transparency, and accountability relating to any method of payment for life insurance, annuity, or retained asset agreement death benefits.

Section 10. Definitions. As used in this Act:

"Annuity contract" does not include an annuity contract used to fund an employment-based retirement plan or program where (1) the insurer does not perform the record keeping services or (2) the insurer is not committed by the terms of the annuity contract to pay death benefits to the beneficiaries of specific plan participants.

"Date of death" means the date on which an insured, annuity owner, or retained asset account holder died.

"Date of death notice" means the date the insurer first has notice of the date of death of an insured, annuity owner, or retained asset account holder. "Date of death notice" includes, but is not limited to, the date the insurer received information or gained knowledge of a Death Master File match or any other source or record maintained or located in insurer records of the death of an insured, annuity owner, or retained asset account holder.

"Death Master File" means the United States Social Security Administration's Death Master File or any other database or service that is at least as comprehensive as the United States Social Security Administration's Death Master File for determining that a person has reportedly died.

"Death Master File match" means a match of the social security number or the name and date of birth of an insured, annuity owner, or retained asset account holder resulting from a search of the Death Master File.

"Record keeping services" means services provided under circumstances in which the insurer has agreed with a group policy or annuity contract customer to be responsible for obtaining, maintaining, and administering its own or its agents' systems information about each individual insured under an insured's group insurance contract, or a line of coverage thereunder, including, but not limited to, the following: (1) social security number or name and date of birth, (2) beneficiary designation information, (3) coverage eligibility, (4) benefit amount, and (5) premium payment status.

Section 15. Insurer conduct.

(a) An insurer shall initially perform a comparison of its insureds', annuitants', and retained asset account holders' in-force policies, annuity contracts, and retained asset accounts by using the full Death Master File. The initial comparison shall be completed on or before December 31, 2017, unless extended by the

[May 26, 2016]

Department pursuant to administrative rule. Thereafter, an insurer shall perform a comparison on at least a semi-annual basis using the Death Master File update files for comparisons to identify potential matches of its insureds, annuitants, and retained asset account holders. In the event that one of the insurer's lines of business conducts a search for matches of its insureds, annuitants, and retained asset account holders against the Death Master File at intervals more frequently than semi-annually, then all lines of the insurer's business shall conduct searches for matches against the Death Master File with the same frequency.

An insured, an annuitant, or a retained asset account holder is presumed dead if the date of his or her death is indicated by the comparison required in this subsection (a), unless the insurer has competent and substantial evidence that the person is living, including, but not limited to, a contact made by the insurer with the person or his or her legal representative.

For those potential matches identified as a result of a Death Master File match, the insurer shall within 120 days after the date of death notice, if the insurer has not been contacted by a beneficiary, determine whether benefits are due in accordance with the applicable policy or contract and, if benefits are due in accordance with the applicable policy or contract:

(1) use good faith efforts, which shall be documented by the insurer, to locate the beneficiary or beneficiaries; the Department shall establish by administrative rule minimum standards for what constitutes good faith efforts to locate a beneficiary, which shall include: (A) searching insurer records; (B) the appropriate use of First Class United States mail, e-mail addresses, and telephone calls; and (C) reasonable efforts by insurers to obtain updated contact information for the beneficiary or beneficiaries; good faith efforts shall not include additional attempts to contact the beneficiary at an address already confirmed not to be current; and

(2) provide the appropriate claims forms or instructions to the beneficiary or beneficiaries to make a claim, including the need to provide an official death certificate if applicable under the policy or annuity contract.

(b) Insurers shall implement procedures to account for the following when conducting searches of the Death Master File:

(1) common nicknames, initials used in lieu of a first or middle name, use of a middle name, compound first and middle names, and interchanged first and middle names;

(2) compound last names, maiden or married names, and hyphens, blank spaces, or apostrophes in last names;

(3) transposition of the "month" and "date" portions of the date of birth; and

(4) incomplete social security numbers.

(c) To the extent permitted by law, an insurer may disclose the minimum necessary personal information about the insured, annuity owner, retained asset account holder, or beneficiary to a person whom the insurer reasonably believes may be able to assist the insurer with locating the beneficiary or a person otherwise entitled to payment of the claims proceeds.

(d) An insurer or its service provider shall not charge any beneficiary or other authorized representative for any fees or costs associated with a Death Master File search or verification of a Death Master File match conducted pursuant to this Act.

(e) The benefits from a policy, annuity contract, or a retained asset account, plus any applicable accrued interest, shall first be payable to the designated beneficiaries or owners and, in the event the beneficiaries or owners cannot be found, shall be reported and delivered to the State Treasurer pursuant to the Uniform Disposition of Unclaimed Property Act. Nothing in this subsection (e) is intended to alter the amounts reportable under the existing provisions of the Uniform Disposition of Unclaimed Property Act or to allow the imposition of additional statutory interest under Article XIV of the Illinois Insurance Code.

(f) Failure to meet any requirement of this Section with such frequency as to constitute a general business practice is a violation of Section 424 of the Illinois Insurance Code. Nothing in this Section shall be construed to create or imply a private cause of action for a violation of this Section.

Section 20. Uniform Disposition of Unclaimed Property Act. Nothing in this Act shall be construed to amend, modify, or supersede the Uniform Disposition of Unclaimed Property Act, including the authority of the State Treasurer to examine the records of any person if the State Treasurer has reason to believe that such person has failed to report property that should have been reported pursuant to the Uniform Disposition of Unclaimed Property Act.

Section 25. Lost policy finder.

(a) The Department shall develop and implement a lost policy finder to assist requesters with locating unclaimed life insurance benefits. The lost policy finder shall be available online and via other means. The

Department shall assist a requester with using the lost policy finder, including informing the requester of the information that an insurer may need to facilitate responding to the request.

(b) As soon as practicable, but no later than 30 days after receiving a request from a requester via the lost policy finder, the Department shall:

(1) forward the request to all insurers deemed necessary by the Department in order to successfully respond to the request; and

(2) inform the requester that the Department received the request and forwarded the request to all insurers deemed necessary by the Department in order to successfully respond to the request.

(c) Upon receiving a request forwarded by the Department through a lost policy finder, an insurer shall search for policies and any accounts subject to this Act that insure the life of or are owned by an individual named as the decedent in the request forwarded by the Department.

(d) Within 30 days after receiving the request referenced in subsection (b) of this Section, or within 45 days after receiving the request where the insurer contracts with another entity to maintain the insurer's records, the insurer shall:

(1) report to the Department through the lost policy finder the findings of the search conducted pursuant to subsection (c) of this Section;

(2) for each identified policy and account insuring the life of, or owned by, the individual named as the decedent in the request, provide to a requester who is:

(A) also the beneficiary of record on the identified policy or account, the information necessary to make a claim pursuant to the terms of the policy or account; and

(B) not the beneficiary of record on the identified policy or account, the requested information to the extent permissible to be disclosed in accordance with any applicable law, rule, or regulation and take such other steps necessary to facilitate the payment of any benefit that may be due under the identified policy or account.

(e) The Department shall, within 30 days after receiving from all insurers the information required in item (1) of subsection (d) of this Section, inform the requester of the results of the search.

(f) When a beneficiary identified in subsection (d) of this Section submits a claim or claims to an insurer, the insurer shall process such claim or claims and make prompt payments and distributions in accordance with all applicable laws, rules, and regulations.

(g) Within 30 days after the final disposition of the request, an insurer shall report to the Department through the lost policy finder any benefits paid and any other information requested by the Department.

Section 30. Administrative rules.

(a) The Department shall adopt rules to administer and implement this Act.

(b) The Department may limit an insurer's Death Master File comparisons required under Section 15 of this Act to the insurer's electronic searchable files or approve a plan and timeline for conversion of the insurer's files to searchable electronic files upon a demonstration of hardship by the insurer.

Section 35. Application. The provisions of this Act apply to policies, annuity contracts, and retained asset accounts in force on or after the effective date of this Act.

Section 40. The Illinois Insurance Code is amended by changing Section 424 as follows:

(215 ILCS 5/424) (from Ch. 73, par. 1031)

The application of this Article to the types of insurance enumerated in Class 1 of Section 4 shall in no way limit, reduce, or impair the protections and remedies already provided for by Sections 236 and 364 of this Code or any other provision of this Code.

"Section 5. The Department of Professional Regulation Law of the Civil Administrative Code of Illinois is amended by changing Section 2105-165 as follows:

(20 ILCS 2105/2105-165)

Sec. 2105-165. Health care worker licensure actions; sex crimes.

(a) When a licensed health care worker, as defined in the Health Care Worker Self-Referral Act, (1) has been convicted of a criminal act that requires registration under the Sex Offender Registration Act; (1.5) has been convicted of involuntary sexual servitude of a minor under subsection (c) of Section 10-9 or subsection (b) of Section 10A-10 of the Criminal Code of 1961 or the Criminal Code of 2012; (2) has been convicted of a criminal battery against any patient in the course of patient care or treatment, including any offense based on sexual conduct or sexual penetration; (3) has been convicted of a forcible felony; or (4) is required as a part of a criminal sentence to register under the Sex Offender Registration Act, then, notwithstanding any other provision of law to the contrary, except as provided in this Section, the license of the health care worker shall by operation of law be permanently revoked without a hearing.

(a-1) If a licensed health care worker has been convicted of a forcible felony, other than a forcible felony requiring registration under the Sex Offender Registration Act or involuntary sexual servitude of a minor that is a forcible felony, and the health care worker has had his or her license revoked, the health care worker may petition the Department to restore his or her license so long as the conviction occurred more than 5 years before the date the petition is filed. In determining whether a license shall be restored, the Department shall consider, but is not limited to, the following factors:

- (1) the seriousness of the offense;

[May 26, 2016]

(2) the presence of multiple offenses;

(3) prior disciplinary history, including actions taken by other agencies in this State or by other states or jurisdictions, hospitals, health care facilities, residency programs, employers, insurance providers, or any of the armed forces of the United States or any state;

(4) the impact of the offense on any injured party;

(5) the vulnerability of any injured party, including, but not limited to, consideration of the injured party's age, disability, or mental illness;

(6) the motive for the offense;

(7) the lack of contrition for the offense;

(8) the lack of cooperation with the Department or other investigative authorities;

(9) the lack of prior disciplinary action by the Department or by other agencies in this State or by other states or jurisdictions, hospitals, health care facilities, residency programs, employers, insurance providers, or any of the armed forces of the United States or any state;

(10) contrition for the offense;

(11) cooperation with the Department or other investigative authorities;

(12) restitution to injured parties;

(13) whether the misconduct was self-reported;

(b) No person who has been convicted of any offense listed in subsection (a) or required to register as a sex offender may receive a license as a health care worker in Illinois. The process for petition and review by the Department provided in subsection (a-1) shall also apply to a person whose application for licensure is denied under this Section for a conviction of a forcible felony, other than a forcible felony requiring registration under the Sex Offender Registration Act or involuntary sexual servitude of a minor that is a forcible felony.

(c) Immediately after a licensed health care worker, as defined in the Health Care Worker Self-Referral Act, has been charged with any offense for which the sentence includes registration as a sex offender; involuntary sexual servitude of a minor; a criminal battery against a patient, including any offense based on sexual conduct or sexual penetration, in the course of patient care or treatment; or a forcible felony; then the prosecuting attorney shall provide notice to the Department of the health care worker's name, address, practice address, and license number and the patient's name and a copy of the criminal charges filed. Within 5 business days after receiving notice from the prosecuting attorney of the filing of criminal charges against the health care worker, the Secretary shall issue an administrative order that the health care worker shall immediately practice only with a chaperone during all patient encounters pending the outcome of the criminal proceedings. The chaperone must be a licensed health care worker. The chaperone shall provide written notice to all of the health care worker's patients explaining the Department's order to use a chaperone. Each patient shall sign an acknowledgement that they received the notice. The notice to the patient of criminal charges shall include, in 14-point font, the following statement: "The health care worker is presumed innocent until proven guilty of the charges.". The licensed health care worker shall provide a written plan of compliance with the administrative order that is acceptable to the Department within 5 days after receipt of the administrative order. Failure to comply with the administrative order, failure to file a compliance plan, or failure to follow the compliance plan shall subject the health care worker to temporary suspension of his or her professional license until the completion of the criminal proceedings.

(d) Nothing contained in this Section shall act in any way to waive or modify the confidentiality of information provided by the prosecuting attorney to the extent provided by law. Any information reported or disclosed shall be kept for the confidential use of the Secretary, Department attorneys, the investigative staff, and authorized clerical staff and shall be afforded the same status as is provided information under Part 21 of Article VIII of the Code of Civil Procedure, except that the Department may disclose information and documents to (1) a federal, State, or local law enforcement agency pursuant to a subpoena in an ongoing criminal investigation or (2) an appropriate licensing authority of another state or jurisdiction pursuant to an official request made by that authority. Any information and documents disclosed to a federal, State, or local law enforcement agency may be used by that agency only for the investigation and prosecution of a criminal offense. Any information or documents disclosed by the Department to a professional licensing authority of another state or jurisdiction may only be used by that authority for investigations and disciplinary proceedings with regards to a professional license.

(e) Any licensee whose license was revoked or who received an administrative order under this Section shall have the revocation or administrative order vacated and completely removed from the licensee's records and public view and the revocation or administrative order shall be afforded the same status as is

provided information under Part 21 of Article VIII of the Code of Civil Procedure if (1) the charges upon which the revocation or administrative order is based are dropped; (2) the licensee is not convicted of the charges upon which the revocation or administrative order is based; or (3) any conviction for charges upon which the revocation or administrative order was based have been vacated, overturned, or reversed.

(f) Nothing contained in this Section shall prohibit the Department from initiating or maintaining a disciplinary action against a licensee independent from any criminal charges, conviction, or sex offender registration.

(g) The Department may adopt rules necessary to implement this Section.

Sec. 33. Fingerprint-based criminal history records check.

(a) A fingerprint-based criminal history records check is not required for health care employees who have been continuously employed by a health care employer since October 1, 2007, have met the requirements for criminal history background checks prior to October 1, 2007, and have no disqualifying convictions or requested and received a waiver of those disqualifying convictions. These employees shall be retained on the Health Care Worker Registry as long as they remain active. Nothing in this subsection (a) shall be construed to prohibit a health care employer from initiating a criminal history records check for these employees. Should these employees seek a new position with a different health care employer, then a fingerprint-based criminal history records check shall be required.

(b) On October 1, 2007 or as soon thereafter as is reasonably practical, in the discretion of the Director of Public Health, and thereafter, any student, applicant, or employee who desires to be included on the Department of Public Health's Health Care Worker Registry must authorize the Department of Public Health or its designee to request a fingerprint-based criminal history records check to determine if the individual has a conviction for a disqualifying offense. This authorization shall allow the Department of Public Health to request and receive information and assistance from any State or local governmental agency. Each individual shall submit his or her fingerprints to the Department of State Police in an electronic format that complies with the form and manner for requesting and furnishing criminal history record information prescribed by the Department of State Police. The fingerprints submitted under this Section shall be checked against the fingerprint records now and hereafter filed in the Department of State Police criminal history record databases. The Department of State Police shall charge a fee for conducting the criminal history records check, which shall not exceed the actual cost of the records check. The livescan vendor may act as the designee for individuals, educational entities, or health care employers in the collection of Department of State Police fees and deposit those fees into the State Police Services Fund. The Department of State Police shall provide information concerning any criminal convictions, now or hereafter filed, against the individual.

(c) On October 1, 2007 or as soon thereafter as is reasonably practical, in the discretion of the Director of Public Health, and thereafter, an educational entity, other than a secondary school, conducting a nurse aide training program must initiate a fingerprint-based criminal history records check requested by the Department of Public Health prior to entry of an individual into the training program.

(d) On October 1, 2007 or as soon thereafter as is reasonably practical, in the discretion of the Director of Public Health, and thereafter, a health care employer who makes a conditional offer of employment to an applicant for a position as an employee must initiate a fingerprint-based criminal history record check, requested by the Department of Public Health, on the applicant, if such a background check has not been previously conducted.

(e) When initiating a background check requested by the Department of Public Health, an educational entity or health care employer shall electronically submit to the Department of Public Health the student's, applicant's, or employee's social security number, demographics, disclosure, and authorization information in a format prescribed by the Department of Public Health within 2 working days after the authorization is secured. The student, applicant, or employee must have his or her fingerprints collected electronically and transmitted to the Department of State Police within 10 working days. The educational entity or health care employer must transmit all necessary information and fees to the livescan vendor and Department of State Police within 10 working days after receipt of the authorization. This information and the results of the criminal history record checks shall be maintained by the Department of Public Health's Health Care Worker Registry.

(f) A direct care employer may initiate a fingerprint-based background check requested by the Department of Public Health for any of its employees, but may not use this process to initiate background checks for residents. The results of any fingerprint-based background check that is initiated with the Department as the requestor shall be entered in the Health Care Worker Registry.

(g) As long as the employee has had a fingerprint-based criminal history record check requested by the Department of Public Health and stays active on the Health Care Worker Registry, no further criminal history record checks shall be deemed necessary, as the Department of State Police shall notify the Department of Public Health of any additional convictions associated with the fingerprints previously submitted. Health care employers are required to check the Health Care Worker Registry before hiring an

employee to determine that the individual has had a fingerprint-based record check requested by the Department of Public Health and has no disqualifying convictions or has been granted a waiver pursuant to Section 40 of this Act. If the individual has not had such a background check or is not active on the Health Care Worker Registry, then the health care employer must initiate a fingerprint-based record check requested by the Department of Public Health. If an individual is inactive on the Health Care Worker Registry, that individual is prohibited from being hired to work as a certified nurse aide if, since the individual's most recent completion of a competency test, there has been a period of 24 consecutive months during which the individual has not provided nursing or nursing-related services for pay. If the individual can provide proof of having retained his or her certification by not having a 24 consecutive month break in service for pay, he or she may be hired as a certified nurse aide and that employment information shall be entered into the Health Care Worker Registry.

(h) On October 1, 2007 or as soon thereafter as is reasonably practical, in the discretion of the Director of Public Health, and thereafter, if the Department of State Police notifies the Department of Public Health that an employee has a new conviction of a disqualifying offense, based upon the fingerprints that were previously submitted, then (i) the Health Care Worker Registry shall notify the employee's last known employer of the offense, (ii) a record of the employee's disqualifying offense shall be entered on the Health Care Worker Registry, and (iii) the individual shall no longer be eligible to work as an employee unless he or she obtains a waiver pursuant to Section 40 of this Act.

(i) On October 1, 2007, or as soon thereafter, in the discretion of the Director of Public Health, as is reasonably practical, and thereafter, each direct care employer or its designee must provide an employment verification for each employee no less than annually. The direct care employer or its designee must log into the Health Care Worker Registry through a secure login. The health care employer or its designee must indicate employment and termination dates within 30 days after hiring or terminating an employee, as well as the employment category and type. Failure to comply with this subsection (i) constitutes a licensing violation. For health care employers that are not licensed or certified, a fine of up to \$500 may be imposed for failure to maintain these records. This information shall be used by the Department of Public Health to notify the last known employer of any disqualifying offenses that are reported by the Department of State Police.

(j) The Department of Public Health shall notify each health care employer or long-term care facility inquiring as to the information on the Health Care Worker Registry if the applicant or employee listed on the registry has a disqualifying offense and is therefore ineligible to work ~~or has a waiver pursuant to Section 40 of this Act. If an applicant or employee has a waiver for one or more disqualifying offenses pursuant to this Section and he or she is otherwise eligible to work, the Department of Public Health shall report that the applicant or employee is eligible to work. The Department shall not report information regarding the waiver, nor shall the Department list the specific disqualifying offenses, if any.~~

(k) The student, applicant, or employee must be notified of each of the following whenever a fingerprint-based criminal history records check is required:

(1) That the educational entity, health care employer, or long-term care facility shall

initiate a fingerprint-based criminal history record check requested by the Department of Public Health of the student, applicant, or employee pursuant to this Act.

(2) That the student, applicant, or employee has a right to obtain a copy of the

criminal records report that indicates a conviction for a disqualifying offense and challenge the accuracy and completeness of the report through an established Department of State Police procedure of Access and Review.

(3) That the applicant, if hired conditionally, may be terminated if the criminal

records report indicates that the applicant has a record of a conviction of any of the criminal offenses enumerated in Section 25, unless the applicant obtains a waiver pursuant to Section 40 of this Act.

(4) That the applicant, if not hired conditionally, shall not be hired if the

criminal records report indicates that the applicant has a record of a conviction of any of the criminal offenses enumerated in Section 25, unless the applicant obtains a waiver pursuant to Section 40 of this Act.

(5) That the employee shall be terminated if the criminal records report indicates

that the employee has a record of a conviction of any of the criminal offenses enumerated in Section 25.

(6) If, after the employee has originally been determined not to have disqualifying

offenses, the employer is notified that the employee has a new conviction(s) of any of the criminal offenses enumerated in Section 25, then the employee shall be terminated.

(l) A health care employer or long-term care facility may conditionally employ an applicant for up to 3 months pending the results of a fingerprint-based criminal history record check requested by the Department of Public Health.

(m) The Department of Public Health or an entity responsible for inspecting, licensing, certifying, or registering the health care employer or long-term care facility shall be immune from liability for notices given based on the results of a fingerprint-based criminal history record check.

(225 ILCS 46/40)

Sec. 40. Waiver.

(a) Any student, applicant, or employee listed on the Health Care Worker Registry may request a waiver of the prohibition against employment by:

(1) completing a waiver application on a form prescribed by the Department of Public Health;

(2) providing a written explanation of each conviction to include (i) what happened,

(ii) how many years have passed since the offense, (iii) the individuals involved, (iv) the age of the applicant at the time of the offense, and (v) any other circumstances surrounding the offense; and

(3) providing official documentation showing that all fines have been paid, if

applicable and except for in the instance of payment of court-imposed fines or restitution in which the applicant is adhering to a payment schedule, and the date probation or parole was satisfactorily completed, if applicable.

(b) The applicant may, but is not required to, submit employment and character references and any other evidence demonstrating the ability of the applicant or employee to perform the employment responsibilities competently and evidence that the applicant or employee does not pose a threat to the health or safety of residents, patients, or clients.

~~(c) Upon inquiry of a health care employer and subject to subsection (j) of Section 33 of this Act, the Department of Public Health shall must inform the inquiring party health-care employers if a waiver is being sought by entering a record on the Health Care Worker Registry that a waiver is pending. The Department shall and must act upon the waiver request within 30 days of receipt of all necessary information, as defined by rule. The Department shall send an applicant written notification of its decision whether to grant a waiver, except in cases where a rehabilitation waiver is granted. Except in cases where a rehabilitation waiver is granted, a letter shall be sent to the applicant notifying the applicant that he or she has received an automatic waiver.~~

(d) An individual shall not be employed from the time that the employer receives a notification from the Department of Public Health based upon the results of a fingerprint-based criminal history records check containing disqualifying conditions until the time that the individual receives a waiver.

(e) The entity responsible for inspecting, licensing, certifying, or registering the health care employer and the Department of Public Health shall be immune from liability for any waivers granted under this Section.

(f) A health care employer is not obligated to employ or offer permanent employment to an applicant, or to retain an employee who is granted a waiver under this Section.

(g) After June 30, 2016, if an applicant or employee has a waiver for one or more disqualifying offenses pursuant to this Section and he or she is otherwise eligible to work, the Department of Public Health shall report that the applicant or employee is eligible to work on the Health Care Worker Registry. The Department shall not publish information regarding the waiver on the Health Care Worker Registry, nor shall the Department list the specific disqualifying offenses, if any.

In determining whether a license shall be restored, the Department shall consider, but is not limited to, the following factors:

- (15) the date of conviction.

(b) No person who has been convicted of any offense listed in subsection (a) or required to register as a sex offender may receive a license as a health care worker in Illinois. (Text of Section before amendment by P.A. 99-407)

Sec. 5-5. Medical services. The Illinois Department, by rule, shall determine the quantity and quality of and the rate of reimbursement for the medical assistance for which payment will be authorized, and the medical services to be provided, which may include all or part of the following: (1) inpatient hospital services; (2) outpatient hospital services; (3) other laboratory and X-ray services; (4) skilled nursing home services; (5) physicians' services whether furnished in the office, the patient's home, a hospital, a skilled nursing home, or elsewhere; (6) medical care, or any other type of remedial care furnished by licensed practitioners; (7) home health care services; (8) private duty nursing service; (9) clinic services; (10) dental services, including prevention and treatment of periodontal disease and dental caries disease for pregnant women, provided by an individual licensed to practice dentistry or dental surgery; for purposes of this item (10), "dental services" means diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his or her profession; (11) physical therapy and related services; (12) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select; (13) other diagnostic, screening, preventive, and rehabilitative services, including to ensure that the individual's need for intervention or treatment of mental disorders or substance use disorders or co-occurring mental health and substance use disorders is determined using a uniform screening, assessment, and evaluation process

[May 26, 2016]

inclusive of criteria, for children and adults; for purposes of this item (13), a uniform screening, assessment, and evaluation process refers to a process that includes an appropriate evaluation and, as warranted, a referral; "uniform" does not mean the use of a singular instrument, tool, or process that all must utilize; (14) transportation and such other expenses as may be necessary; (15) medical treatment of sexual assault survivors, as defined in Section 1a of the Sexual Assault Survivors Emergency Treatment Act, for injuries sustained as a result of the sexual assault, including examinations and laboratory tests to discover evidence which may be used in criminal proceedings arising from the sexual assault; (16) the diagnosis and treatment of sickle cell anemia; and (17) any other medical care, and any other type of remedial care recognized under the laws of this State, but not including abortions, or induced miscarriages or premature births, unless, in the opinion of a physician, such procedures are necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live viable child and such procedure is necessary for the health of the mother or her unborn child. The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug Administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

Upon receipt of federal approval of an amendment to the Illinois Title XIX State Plan for this purpose, the Department shall authorize the Chicago Public Schools (CPS) to procure a vendor or vendors to manufacture eyeglasses for individuals enrolled in a school within the CPS system. CPS shall ensure that its vendor or vendors are enrolled as providers in the medical assistance program and in any capitated Medicaid managed care entity (MCE) serving individuals enrolled in a school within the CPS system. Under any contract procured under this provision, the vendor or vendors must serve only individuals enrolled in a school within the CPS system. Claims for services provided by CPS's vendor or vendors to recipients of benefits in the medical assistance program under this Code, the Children's Health Insurance Program, or the Covering ALL KIDS Health Insurance Program shall be submitted to the Department or the MCE in which the individual is enrolled for payment and shall be reimbursed at the Department's or the MCE's established rates or rate methodologies for eyeglasses.

On and after July 1, 2012, the Department of Healthcare and Family Services may provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

- (1) dental services provided by or under the supervision of a dentist; and
- (2) eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select.

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. The Department shall establish a process for payment of claims for reimbursement for covered dental services rendered under this provision.

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows:

(A) A baseline mammogram for women 35 to 39 years of age.

(B) An annual mammogram for women 40 years of age or older.

(C) A mammogram at the age and intervals considered medically necessary by the woman's health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

(E) A screening MRI when medically necessary, as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography.

On and after January 1, 2016, the Department shall ensure that all networks of care for adult clients of the Department include access to at least one breast imaging Center of Imaging Excellence as certified by the American College of Radiology.

On and after January 1, 2012, providers participating in a quality improvement program approved by the Department shall be reimbursed for screening and diagnostic mammography at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards for mammography.

On and after January 1, 2017, providers participating in a breast cancer treatment quality improvement program approved by the Department shall be reimbursed for breast cancer treatment at a rate that is no lower than 95% of the Medicare program's rates for the data elements included in the breast cancer treatment quality program.

The Department shall convene an expert panel, including representatives of hospitals, free standing breast cancer treatment centers, breast cancer quality organizations, and doctors, including breast surgeons, reconstructive breast surgeons, oncologists, and primary care providers to establish quality standards for breast cancer treatment.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities. By January 1, 2016, the Department shall report to the General Assembly on the status of the provision set forth in this paragraph.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography. The Department shall work with experts in breast cancer outreach and patient navigation to optimize these reminders and shall establish a methodology for evaluating their effectiveness and modifying the methodology based on the evaluation.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. On or after July 1, 2016, the pilot program shall be expanded to include one site in western Illinois, one site in southern Illinois, one site in central Illinois, and 4 sites within metropolitan Chicago. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

The Department shall require all networks of care to develop a means either internally or by contract with experts in navigation and community outreach to navigate cancer patients to comprehensive care in

a timely fashion. The Department shall require all networks of care to include access for patients diagnosed with cancer to at least one academic commission on cancer-accredited cancer program as an in-network covered benefit.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

(1) Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.

(2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.

(3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. Such records

must be retained for a period of not less than 6 years from the date of service or as provided by applicable State law, whichever period is longer, except that if an audit is initiated within the required retention period then the records must be retained until the audit is completed and every exception is resolved. The Illinois Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after September 16, 1984 (the effective date of Public Act 83-1439) ~~this amendatory Act of 1984~~, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

The rules and regulations of the Illinois Department shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for abortions, or induced miscarriages or premature births. This statement shall indicate what procedures were used in providing such medical services.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after July 22, 2013 (the effective date of Public Act 98-104), establish procedures to permit skilled care facilities licensed under the Nursing Home Care Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall, by July 1, 2016, test the viability of the new system and implement any necessary operational or structural changes to its information technology platforms in order to allow for the direct acceptance and payment of nursing home claims.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after August 15, 2014 (the effective date of Public Act 98-963), establish procedures to permit ID/DD facilities licensed under the ID/DD Community Care Act and MC/DD facilities licensed under the MC/DD Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall have an additional 365 days to test the viability of the new system and to ensure that any necessary operational or structural changes to its information technology platforms are implemented.

The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor shall be subject to a provisional period and shall be conditional for one year. During the period of conditional enrollment, the Department may terminate the vendor's eligibility to participate in, or may disenroll the vendor from, the medical assistance program without cause. Unless otherwise specified, such termination of eligibility or disenrollment is not subject to the Department's hearing process. However, a disenrolled vendor may reapply without penalty.

The Department has the discretion to limit the conditional enrollment period for vendors based upon category of risk of the vendor.

Prior to enrollment and during the conditional enrollment period in the medical assistance program, all vendors shall be subject to enhanced oversight, screening, and review based on the risk of fraud, waste, and abuse that is posed by the category of risk of the vendor. The Illinois Department shall establish the procedures for oversight, screening, and review, which may include, but need not be limited to: criminal and financial background checks; fingerprinting; license, certification, and authorization verifications;

unscheduled or unannounced site visits; database checks; prepayment audit reviews; audits; payment caps; payment suspensions; and other screening as required by federal or State law.

The Department shall define or specify the following: (i) by provider notice, the "category of risk of the vendor" for each type of vendor, which shall take into account the level of screening applicable to a particular category of vendor under federal law and regulations; (ii) by rule or provider notice, the maximum length of the conditional enrollment period for each category of risk of the vendor; and (iii) by rule, the hearing rights, if any, afforded to a vendor in each category of risk of the vendor that is terminated or disenrolled during the conditional enrollment period.

To be eligible for payment consideration, a vendor's payment claim or bill, either as an initial claim or as a resubmitted claim following prior rejection, must be received by the Illinois Department, or its fiscal intermediary, no later than 180 days after the latest date on the claim on which medical goods or services were provided, with the following exceptions:

(1) In the case of a provider whose enrollment is in process by the Illinois Department, the 180-day period shall not begin until the date on the written notice from the Illinois Department that the provider enrollment is complete.

(2) In the case of errors attributable to the Illinois Department or any of its claims processing intermediaries which result in an inability to receive, process, or adjudicate a claim, the 180-day period shall not begin until the provider has been notified of the error.

(3) In the case of a provider for whom the Illinois Department initiates the monthly billing process.

(4) In the case of a provider operated by a unit of local government with a population exceeding 3,000,000 when local government funds finance federal participation for claims payments.

For claims for services rendered during a period for which a recipient received retroactive eligibility, claims must be filed within 180 days after the Department determines the applicant is eligible. For claims for which the Illinois Department is not the primary payer, claims must be submitted to the Illinois Department within 180 days after the final adjudication by the primary payer.

In the case of long term care facilities, within 5 days of receipt by the facility of required prescreening information, data for new admissions shall be entered into the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System or successor system, and within 15 days of receipt by the facility of required prescreening information, admission documents shall be submitted through MEDI or REV or shall be submitted directly to the Department of Human Services using required admission forms. Effective September 1, 2014, admission documents, including all prescreening information, must be submitted through MEDI or REV. Confirmation numbers assigned to an accepted transaction shall be retained by a facility to verify timely submittal. Once an admission transaction has been completed, all resubmitted claims following prior rejection are subject to receipt no later than 180 days after the admission transaction has been completed.

Claims that are not submitted and received in compliance with the foregoing requirements shall not be eligible for payment under the medical assistance program, and the State shall have no liability for payment of those claims.

To the extent consistent with applicable information and privacy, security, and disclosure laws, State and federal agencies and departments shall provide the Illinois Department access to confidential and other information and data necessary to perform eligibility and payment verifications and other Illinois Department functions. This includes, but is not limited to: information pertaining to licensure; certification; earnings; immigration status; citizenship; wage reporting; unearned and earned income; pension income; employment; supplemental security income; social security numbers; National Provider Identifier (NPI) numbers; the National Practitioner Data Bank (NPDB); program and agency exclusions; taxpayer identification numbers; tax delinquency; corporate information; and death records.

The Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, under which such agencies and departments shall share data necessary for medical assistance program integrity functions and oversight. The Illinois Department shall develop, in cooperation with other State departments and agencies, and in compliance with applicable federal laws and regulations, appropriate and effective methods to share such data. At a minimum, and to the extent necessary to provide data sharing, the Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, including but not limited to: the Secretary of State; the Department of Revenue; the Department of Public Health; the Department of Human Services; and the Department of Financial and Professional Regulation.

Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining

claims processing and provider reimbursement, reducing the number of pending or rejected claims, and helping to ensure a more transparent adjudication process through the utilization of: (i) provider data verification and provider screening technology; and (ii) clinical code editing; and (iii) pre-pay, pre- or post-adjudicated predictive modeling with an integrated case management system with link analysis. Such a request for information shall not be considered as a request for proposal or as an obligation on the part of the Illinois Department to take any action or acquire any products or services.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Subject to prior approval, such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department. Notwithstanding any provision of Section 5-5f to the contrary, the Department may, by rule, exempt certain replacement wheelchair parts from prior approval and, for wheelchairs, wheelchair parts, wheelchair accessories, and related seating and positioning items, determine the wholesale price by methods other than actual acquisition costs.

The Department shall require, by rule, all providers of durable medical equipment to be accredited by an accreditation organization approved by the federal Centers for Medicare and Medicaid Services and recognized by the Department in order to bill the Department for providing durable medical equipment to recipients. No later than 15 months after the effective date of the rule adopted pursuant to this paragraph, all providers must meet the accreditation requirement.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped; and (iii) notwithstanding any other provision of law, subject to federal approval, on and after July 1, 2012, an increase in the determination of need (DON) scores from 29 to 37 for applicants for institutional and home and community-based long term care; if and only if federal approval is not granted, the Department may, in conjunction with other affected agencies, implement utilization controls or changes in benefit packages to effectuate a similar savings amount for this population; and (iv) no later than July 1, 2013, minimum level of care eligibility criteria for institutional and home and community-based long term care; and (v) no later than October 1, 2013, establish procedures to permit long term care providers access to eligibility scores for individuals with an admission date who are seeking or receiving services from the long term care provider. In order to select the minimum level of care eligibility criteria, the Governor shall establish a workgroup that includes affected agency representatives and stakeholders representing the institutional and home and community-based long term care interests. This Section shall not restrict the Department from implementing lower level of care eligibility criteria for community-based services in circumstances where federal approval has been granted.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

The Illinois Department shall report annually to the General Assembly, no later than the second Friday in April of 1979 and each year thereafter, in regard to:

- (a) actual statistics and trends in utilization of medical services by public aid recipients;
- (b) actual statistics and trends in the provision of the various medical services by medical vendors;
- (c) current rate structures and proposed changes in those rate structures for the various medical vendors; and
- (d) efforts at utilization review and control by the Illinois Department.

The period covered by each report shall be the 3 years ending on the June 30 prior to the report. The report shall include suggested legislation for consideration by the General Assembly. The filing of one copy of the report with the Speaker, one copy with the Minority Leader and one copy with the Clerk of the House of Representatives, one copy with the President, one copy with the Minority Leader and one copy with the Secretary of the Senate, one copy with the Legislative Research Unit, and such additional

copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act shall be deemed sufficient to comply with this Section.

Rulemaking authority to implement Public Act 95-1045, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.

Because kidney transplantation can be an appropriate, cost effective alternative to renal dialysis when medically necessary and notwithstanding the provisions of Section 1-11 of this Code, beginning October 1, 2014, the Department shall cover kidney transplantation for noncitizens with end-stage renal disease who are not eligible for comprehensive medical benefits, who meet the residency requirements of Section 5-3 of this Code, and who would otherwise meet the financial requirements of the appropriate class of eligible persons under Section 5-2 of this Code. To qualify for coverage of kidney transplantation, such person must be receiving emergency renal dialysis services covered by the Department. Providers under this Section shall be prior approved and certified by the Department to perform kidney transplantation and the services under this Section shall be limited to services associated with kidney transplantation.

Notwithstanding any other provision of this Code to the contrary, on or after July 1, 2015, all FDA approved forms of medication assisted treatment prescribed for the treatment of alcohol dependence or treatment of opioid dependence shall be covered under both fee for service and managed care medical assistance programs for persons who are otherwise eligible for medical assistance under this Article and shall not be subject to any (1) utilization control, other than those established under the American Society of Addiction Medicine patient placement criteria, (2) prior authorization mandate, or (3) lifetime restriction limit mandate.

On or after July 1, 2015, opioid antagonists prescribed for the treatment of an opioid overdose, including the medication product, administration devices, and any pharmacy fees related to the dispensing and administration of the opioid antagonist, shall be covered under the medical assistance program for persons who are otherwise eligible for medical assistance under this Article. As used in this Section, "opioid antagonist" means a drug that binds to opioid receptors and blocks or inhibits the effect of opioids acting on those receptors, including, but not limited to, naloxone hydrochloride or any other similarly acting drug approved by the U.S. Food and Drug Administration.

Sec. 5-5. Medical services. The Illinois Department, by rule, shall determine the quantity and quality of and the rate of reimbursement for the medical assistance for which payment will be authorized, and the medical services to be provided, which may include all or part of the following: (1) inpatient hospital services; (2) outpatient hospital services; (3) other laboratory and X-ray services; (4) skilled nursing home services; (5) physicians' services whether furnished in the office, the patient's home, a hospital, a skilled nursing home, or elsewhere; (6) medical care, or any other type of remedial care furnished by licensed practitioners; (7) home health care services; (8) private duty nursing service; (9) clinic services; (10) dental services, including prevention and treatment of periodontal disease and dental caries disease for pregnant women, provided by an individual licensed to practice dentistry or dental surgery; for purposes of this item (10), "dental services" means diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his or her profession; (11) physical therapy and related services; (12) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select; (13) other diagnostic, screening, preventive, and rehabilitative services, including to ensure that the individual's need for intervention or treatment of mental disorders or substance use disorders or co-occurring mental health and substance use disorders is determined using a uniform screening, assessment, and evaluation process inclusive of criteria, for children and adults; for purposes of this item (13), a uniform screening, assessment, and evaluation process refers to a process that includes an appropriate evaluation and, as warranted, a referral; "uniform" does not mean the use of a singular instrument, tool, or process that all must utilize; (14) transportation and such other expenses as may be necessary; (15) medical treatment of

sexual assault survivors, as defined in Section 1a of the Sexual Assault Survivors Emergency Treatment Act, for injuries sustained as a result of the sexual assault, including examinations and laboratory tests to discover evidence which may be used in criminal proceedings arising from the sexual assault; (16) the diagnosis and treatment of sickle cell anemia; and (17) any other medical care, and any other type of remedial care recognized under the laws of this State, but not including abortions, or induced miscarriages or premature births, unless, in the opinion of a physician, such procedures are necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live viable child and such procedure is necessary for the health of the mother or her unborn child. The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug Administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

Upon receipt of federal approval of an amendment to the Illinois Title XIX State Plan for this purpose, the Department shall authorize the Chicago Public Schools (CPS) to procure a vendor or vendors to manufacture eyeglasses for individuals enrolled in a school within the CPS system. CPS shall ensure that its vendor or vendors are enrolled as providers in the medical assistance program and in any capitated Medicaid managed care entity (MCE) serving individuals enrolled in a school within the CPS system. Under any contract procured under this provision, the vendor or vendors must serve only individuals enrolled in a school within the CPS system. Claims for services provided by CPS's vendor or vendors to recipients of benefits in the medical assistance program under this Code, the Children's Health Insurance Program, or the Covering ALL KIDS Health Insurance Program shall be submitted to the Department or the MCE in which the individual is enrolled for payment and shall be reimbursed at the Department's or the MCE's established rates or rate methodologies for eyeglasses.

On and after July 1, 2012, the Department of Healthcare and Family Services may provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

- (1) dental services provided by or under the supervision of a dentist; and
- (2) eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select.

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. The Department shall establish a process for payment of claims for reimbursement for covered dental services rendered under this provision.

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows:

- (A) A baseline mammogram for women 35 to 39 years of age.
- (B) An annual mammogram for women 40 years of age or older.
- (C) A mammogram at the age and intervals considered medically necessary by the woman's

health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

(E) A screening MRI when medically necessary, as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography and includes breast tomosynthesis. As used in this Section, the term "breast tomosynthesis" means a radiologic procedure that involves the acquisition of projection images over the stationary breast to produce cross-sectional digital three-dimensional images of the breast.

On and after January 1, 2016, the Department shall ensure that all networks of care for adult clients of the Department include access to at least one breast imaging Center of Imaging Excellence as certified by the American College of Radiology.

On and after January 1, 2012, providers participating in a quality improvement program approved by the Department shall be reimbursed for screening and diagnostic mammography at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards for mammography.

On and after January 1, 2017, providers participating in a breast cancer treatment quality improvement program approved by the Department shall be reimbursed for breast cancer treatment at a rate that is no lower than 95% of the Medicare program's rates for the data elements included in the breast cancer treatment quality program.

The Department shall convene an expert panel, including representatives of hospitals, free standing breast cancer treatment centers, breast cancer quality organizations, and doctors, including breast surgeons, reconstructive breast surgeons, oncologists, and primary care providers to establish quality standards for breast cancer treatment.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities. By January 1, 2016, the Department shall report to the General Assembly on the status of the provision set forth in this paragraph.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography. The Department shall work with experts in breast cancer outreach and patient navigation to optimize these reminders and shall establish a methodology for evaluating their effectiveness and modifying the methodology based on the evaluation.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. On or after July 1, 2016, the pilot program shall be expanded to include one site in western Illinois, one site in southern Illinois, one site in central Illinois, and 4 sites within metropolitan Chicago. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

The Department shall require all networks of care to develop a means either internally or by contract with experts in navigation and community outreach to navigate cancer patients to comprehensive care in a timely fashion. The Department shall require all networks of care to include access for patients diagnosed with cancer to at least one academic commission on cancer-accredited cancer program as an in-network covered benefit.

[May 26, 2016]

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

- (1) Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.
- (2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.
- (3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. Such records must be retained for a period of not less than 6 years from the date of service or as provided by applicable State law, whichever period is longer, except that if an audit is initiated within the required retention period then the records must be retained until the audit is completed and every exception is resolved. The Illinois

Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after September 16, 1984 (the effective date of Public Act 83-1439) ~~this amendatory Act of 1984~~, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

The rules and regulations of the Illinois Department shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for abortions, or induced miscarriages or premature births. This statement shall indicate what procedures were used in providing such medical services.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after July 22, 2013 (the effective date of Public Act 98-104), establish procedures to permit skilled care facilities licensed under the Nursing Home Care Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall, by July 1, 2016, test the viability of the new system and implement any necessary operational or structural changes to its information technology platforms in order to allow for the direct acceptance and payment of nursing home claims.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after August 15, 2014 (the effective date of Public Act 98-963), establish procedures to permit ID/DD facilities licensed under the ID/DD Community Care Act and MC/DD facilities licensed under the MC/DD Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall have an additional 365 days to test the viability of the new system and to ensure that any necessary operational or structural changes to its information technology platforms are implemented.

The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor shall be subject to a provisional period and shall be conditional for one year. During the period of conditional enrollment, the Department may terminate the vendor's eligibility to participate in, or may disenroll the vendor from, the medical assistance program without cause. Unless otherwise specified, such termination of eligibility or disenrollment is not subject to the Department's hearing process. However, a disenrolled vendor may reapply without penalty.

The Department has the discretion to limit the conditional enrollment period for vendors based upon category of risk of the vendor.

Prior to enrollment and during the conditional enrollment period in the medical assistance program, all vendors shall be subject to enhanced oversight, screening, and review based on the risk of fraud, waste, and abuse that is posed by the category of risk of the vendor. The Illinois Department shall establish the procedures for oversight, screening, and review, which may include, but need not be limited to: criminal and financial background checks; fingerprinting; license, certification, and authorization verifications; unscheduled or unannounced site visits; database checks; prepayment audit reviews; audits; payment caps; payment suspensions; and other screening as required by federal or State law.

The Department shall define or specify the following: (i) by provider notice, the "category of risk of the vendor" for each type of vendor, which shall take into account the level of screening applicable to a particular category of vendor under federal law and regulations; (ii) by rule or provider notice, the maximum length of the conditional enrollment period for each category of risk of the vendor; and (iii) by rule, the hearing rights, if any, afforded to a vendor in each category of risk of the vendor that is terminated or disenrolled during the conditional enrollment period.

To be eligible for payment consideration, a vendor's payment claim or bill, either as an initial claim or as a resubmitted claim following prior rejection, must be received by the Illinois Department, or its fiscal intermediary, no later than 180 days after the latest date on the claim on which medical goods or services were provided, with the following exceptions:

(1) In the case of a provider whose enrollment is in process by the Illinois Department, the 180-day period shall not begin until the date on the written notice from the Illinois Department that the provider enrollment is complete.

(2) In the case of errors attributable to the Illinois Department or any of its claims processing intermediaries which result in an inability to receive, process, or adjudicate a claim, the 180-day period shall not begin until the provider has been notified of the error.

(3) In the case of a provider for whom the Illinois Department initiates the monthly billing process.

(4) In the case of a provider operated by a unit of local government with a population exceeding 3,000,000 when local government funds finance federal participation for claims payments.

For claims for services rendered during a period for which a recipient received retroactive eligibility, claims must be filed within 180 days after the Department determines the applicant is eligible. For claims for which the Illinois Department is not the primary payer, claims must be submitted to the Illinois Department within 180 days after the final adjudication by the primary payer.

In the case of long term care facilities, within 5 days of receipt by the facility of required prescreening information, data for new admissions shall be entered into the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System or successor system, and within 15 days of receipt by the facility of required prescreening information, admission documents shall be submitted through MEDI or REV or shall be submitted directly to the Department of Human Services using required admission forms. Effective September 1, 2014, admission documents, including all prescreening information, must be submitted through MEDI or REV. Confirmation numbers assigned to an accepted transaction shall be retained by a facility to verify timely submittal. Once an admission transaction has been completed, all resubmitted claims following prior rejection are subject to receipt no later than 180 days after the admission transaction has been completed.

Claims that are not submitted and received in compliance with the foregoing requirements shall not be eligible for payment under the medical assistance program, and the State shall have no liability for payment of those claims.

To the extent consistent with applicable information and privacy, security, and disclosure laws, State and federal agencies and departments shall provide the Illinois Department access to confidential and other information and data necessary to perform eligibility and payment verifications and other Illinois Department functions. This includes, but is not limited to: information pertaining to licensure; certification; earnings; immigration status; citizenship; wage reporting; unearned and earned income; pension income; employment; supplemental security income; social security numbers; National Provider Identifier (NPI) numbers; the National Practitioner Data Bank (NPDB); program and agency exclusions; taxpayer identification numbers; tax delinquency; corporate information; and death records.

The Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, under which such agencies and departments shall share data necessary for medical assistance program integrity functions and oversight. The Illinois Department shall develop, in cooperation with other State departments and agencies, and in compliance with applicable federal laws and regulations, appropriate and effective methods to share such data. At a minimum, and to the extent necessary to provide data sharing, the Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, including but not limited to: the Secretary of State; the Department of Revenue; the Department of Public Health; the Department of Human Services; and the Department of Financial and Professional Regulation.

Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining claims processing and provider reimbursement, reducing the number of pending or rejected claims, and helping to ensure a more transparent adjudication process through the utilization of: (i) provider data

verification and provider screening technology; and (ii) clinical code editing; and (iii) pre-pay, pre- or post-adjudicated predictive modeling with an integrated case management system with link analysis. Such a request for information shall not be considered as a request for proposal or as an obligation on the part of the Illinois Department to take any action or acquire any products or services.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Subject to prior approval, such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department. Notwithstanding any provision of Section 5-5f to the contrary, the Department may, by rule, exempt certain replacement wheelchair parts from prior approval and, for wheelchairs, wheelchair parts, wheelchair accessories, and related seating and positioning items, determine the wholesale price by methods other than actual acquisition costs.

The Department shall require, by rule, all providers of durable medical equipment to be accredited by an accreditation organization approved by the federal Centers for Medicare and Medicaid Services and recognized by the Department in order to bill the Department for providing durable medical equipment to recipients. No later than 15 months after the effective date of the rule adopted pursuant to this paragraph, all providers must meet the accreditation requirement.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped; and (iii) notwithstanding any other provision of law, subject to federal approval, on and after July 1, 2012, an increase in the determination of need (DON) scores from 29 to 37 for applicants for institutional and home and community-based long term care; if and only if federal approval is not granted, the Department may, in conjunction with other affected agencies, implement utilization controls or changes in benefit packages to effectuate a similar savings amount for this population; and (iv) no later than July 1, 2013, minimum level of care eligibility criteria for institutional and home and community-based long term care; and (v) no later than October 1, 2013, establish procedures to permit long term care providers access to eligibility scores for individuals with an admission date who are seeking or receiving services from the long term care provider. In order to select the minimum level of care eligibility criteria, the Governor shall establish a workgroup that includes affected agency representatives and stakeholders representing the institutional and home and community-based long term care interests. This Section shall not restrict the Department from implementing lower level of care eligibility criteria for community-based services in circumstances where federal approval has been granted.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

The Illinois Department shall report annually to the General Assembly, no later than the second Friday in April of 1979 and each year thereafter, in regard to:

- (a) actual statistics and trends in utilization of medical services by public aid recipients;
- (b) actual statistics and trends in the provision of the various medical services by medical vendors;
- (c) current rate structures and proposed changes in those rate structures for the various medical vendors; and
- (d) efforts at utilization review and control by the Illinois Department.

The period covered by each report shall be the 3 years ending on the June 30 prior to the report. The report shall include suggested legislation for consideration by the General Assembly. The filing of one copy of the report with the Speaker, one copy with the Minority Leader and one copy with the Clerk of the House of Representatives, one copy with the President, one copy with the Minority Leader and one copy with the Secretary of the Senate, one copy with the Legislative Research Unit, and such additional copies with the State Government Report Distribution Center for the General Assembly as is required

under paragraph (t) of Section 7 of the State Library Act shall be deemed sufficient to comply with this Section.

Rulemaking authority to implement Public Act 95-1045, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.

Because kidney transplantation can be an appropriate, cost effective alternative to renal dialysis when medically necessary and notwithstanding the provisions of Section 1-11 of this Code, beginning October 1, 2014, the Department shall cover kidney transplantation for noncitizens with end-stage renal disease who are not eligible for comprehensive medical benefits, who meet the residency requirements of Section 5-3 of this Code, and who would otherwise meet the financial requirements of the appropriate class of eligible persons under Section 5-2 of this Code. To qualify for coverage of kidney transplantation, such person must be receiving emergency renal dialysis services covered by the Department. Providers under this Section shall be prior approved and certified by the Department to perform kidney transplantation and the services under this Section shall be limited to services associated with kidney transplantation.

Notwithstanding any other provision of this Code to the contrary, on or after July 1, 2015, all FDA approved forms of medication assisted treatment prescribed for the treatment of alcohol dependence or treatment of opioid dependence shall be covered under both fee for service and managed care medical assistance programs for persons who are otherwise eligible for medical assistance under this Article and shall not be subject to any (1) utilization control, other than those established under the American Society of Addiction Medicine patient placement criteria, (2) prior authorization mandate, or (3) lifetime restriction limit mandate.

On or after July 1, 2015, opioid antagonists prescribed for the treatment of an opioid overdose, including the medication product, administration devices, and any pharmacy fees related to the dispensing and administration of the opioid antagonist, shall be covered under the medical assistance program for persons who are otherwise eligible for medical assistance under this Article. As used in this Section, "opioid antagonist" means a drug that binds to opioid receptors and blocks or inhibits the effect of opioids acting on those receptors, including, but not limited to, naloxone hydrochloride or any other similarly acting drug approved by the U.S. Food and Drug Administration.

Section 95. No acceleration or delay. Where this Act makes changes in a statute that is represented in this Act by text that is not yet or no longer in effect (for example, a Section represented by multiple versions), the use of that text does not accelerate or delay the taking effect of (i) the changes made by this Act or (ii) provisions derived from any other Public Act."

AMENDMENT NO. 1 TO SENATE BILL 440

[May 26, 2016]

AMENDMENT NO. 1. Amend Senate Bill 440 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Pension Code is amended by changing Sections 5-153, 5-155, 5-163, 5-167.1, 5-167.4, 5-169, 5-170, 5-238, 6-128.4, 6-150, 6-158, 6-164, 6-166, 6-167, and 6-229 as follows:

(40 ILCS 5/5-153) (from Ch. 108 1/2, par. 5-153)

Sec. 5-153. Death benefit.

(a) Effective January 1, 1962, an ordinary death benefit is payable on account of any policeman in service and in receipt of salary on or after such date, which benefit is in addition to all other annuities and benefits herein provided. This benefit is payable upon death of a policeman:

(1) occurring in active service while in receipt of salary;

(2) on an authorized and approved leave of absence, without salary, beginning on or after January 1, 1962, if the death occurs within 60 days from the date the employee was in receipt of salary; or otherwise in the service and not separated by resignation or discharge beginning January 1, 1962 if death occurs before his resignation or discharge from the service;

(3) receiving duty disability or ordinary disability benefit;

(4) occurring within 60 days from the date of termination of duty disability or ordinary disability benefit payments if re-entry into service had not occurred; or

(5) occurring on retirement and while in receipt of an age and service annuity, Tier 2 monthly retirement annuity, or prior service

annuity; provided (a) retirement on such annuity occurred on or after January 1, 1962, and (b) such separation from service was effective on or after the policeman's attainment of age 50, and (c) application for such annuity was made within 60 days after separation from service.

(b) The ordinary death benefit is payable to such beneficiary or beneficiaries as the policeman has nominated by written direction duly signed and acknowledged before an officer authorized to take acknowledgments, and filed with the board. If no such written direction has been filed or if the designated beneficiaries do not survive the policeman, payment of the benefit shall be made to his estate.

(c) Until December 31, 1977, if death occurs prior to retirement on annuity and before the policeman's attainment of age 50, the amount of the benefit payable is \$6,000. If death occurs prior to retirement, at age 50 or over, the benefit of \$6,000 shall be reduced \$400 for each year (commencing on the policeman's attainment of age 50, and thereafter on each succeeding birthdate) that the policeman's age, at date of death, is more than age 50, but in no event below the amount of \$2,000. However, if death results from injury incurred in the performance of an act or acts of duty, prior to retirement on annuity, the amount of the benefit payable is \$6,000 notwithstanding the age attained.

Until December 31, 1977, if the policeman's death occurs while he is in receipt of an annuity, the benefit is \$2,000 if retirement was effective upon attainment of age 55 or greater. If the policeman retired at age 50 or over and before age 55, the benefit of \$2,000 shall be reduced \$100 for each year or fraction of a year that the policeman's age at retirement was less than age 55 to a minimum payment of \$1,500.

After December 31, 1977, and on or before January 1, 1986, if death occurs prior to retirement on annuity and before the policeman's attainment of age 50, the amount of the benefit payable is \$7,000. If death occurs prior to retirement, at age 50 or over, the benefit of \$7,000 shall be reduced \$400 for each year (commencing on the policeman's attainment of age 50, and thereafter on each succeeding birthdate) that the policeman's age, at date of death, is more than age 50, but in no event below the amount of \$3,000. However, if death results from injury incurred in the performance of an act or acts of duty, prior to retirement on annuity, the amount of the benefit payable is \$7,000 notwithstanding the age attained.

After December 31, 1977, and on or before January 1, 1986, if the policeman's death occurs while he is in receipt of an annuity, the benefit is \$2,250 if retirement was effective upon attainment of age 55 or greater. If the policeman retired at age 50 or over and before age 55, the benefit of \$2,250 shall be reduced \$100 for each year or fraction of a year that the policeman's age at retirement was less than age 55 to a minimum payment of \$1,750.

After January 1, 1986, if death occurs prior to retirement on annuity and before the policeman's attainment of age 50, the amount of benefit payable is \$12,000. If death occurs prior to retirement, at age 50 or over, the benefit of \$12,000 shall be reduced \$400 for each year (commencing on the policeman's attainment of age 50, and thereafter on each succeeding birthdate) that the policeman's age, at date of death, is more than age 50, but in no event below the amount of \$6,000. However, if death results from injury in the performance of an act or acts of duty, prior to retirement on annuity, the amount of benefit payable is \$12,000 notwithstanding the age attained.

After January 1, 1986, if the policeman's death occurs while he is in receipt of an annuity, the benefit is \$6,000.

Sec. 5-155. Ordinary disability benefit. A policeman less than age 63 who becomes disabled after the effective date as the result of any cause other than injury incurred in the performance of an act of duty, shall receive ordinary disability benefit during any period or periods of disability exceeding 30 days, for which he does not have a right to receive any part of his salary. Payment of such benefit shall not exceed, in the aggregate, throughout the total service of the policeman, a period equal to one-fourth of the service rendered to the city prior to the time he became disabled, nor more than 5 years. In computing such period of service, the time that the policeman received ordinary disability benefit shall not be included.

When a disabled policeman becomes age 63 or would have been retired by operation of law, whichever is later, the disability benefit shall cease. The policeman, if still disabled, shall thereafter receive such annuity as is provided in accordance with other provisions of this Article.

Ordinary disability benefit shall be 50% of the policeman's salary, as salary is defined in this Article (including the limitation in Section 5-238 if applicable), at the time disability occurs. Until September 1, 1969, before any payment, an amount equal to the sum ordinarily deducted from the policeman's salary for all annuity purposes for the period for which payment of ordinary disability benefit is made shall be deducted from such payment and credited as a deduction from salary for such period. Beginning September 1, 1969, the city shall also contribute all amounts ordinarily contributed by it for annuity purposes for the policeman as if he were in active discharge of his duties. Such sums so credited shall be regarded, for annuity and refund purposes, as sums contributed by the policeman.

Sec. 5-163. Refund - General. (a) A policeman, without regard to his period of service, who withdraws before age 50, and a policeman with less than 10 years of service who withdraws before age 57, is entitled to a refund of the amount deducted from his salary for age and service annuity or Tier 2 monthly retirement annuity, for automatic annual increase in annuity as provided in Section 5-167.1, and for widow's annuity or Tier 2 surviving spouse's annuity, together with interest at 1-1/2% per year on each deduction from the date of each deduction until the date of his withdrawal from the service.

(b) A policeman may receive a refund until the annuity to which he is entitled has been fixed. Thereafter, he shall have no such right of refund.

(c) A policeman who withdraws the amount credited to him surrenders and forfeits all rights to any annuity or other benefit from the fund, for himself and for any other person or persons who might otherwise have benefited through him. The rights so forfeited shall be restored to him, his wife or widow and his children upon full repayment as provided in Section 5-164.

If the policeman subsequently re-enters service before age 57, and has not so repaid in full the amounts refunded the rights forfeited shall not be restored, but the policeman shall retain the right (which is also secured to the widow) to have the period of service represented by the refunds counted in the compensation of length of service, except as otherwise provided in Section 5-164.

(d) A policeman who has served less than 10 years who has not received a refund shall have all amounts to his credit for purposes on the date of his withdrawal improved by interest while he is out of service until he attains age 57, if he subsequently re-enters the service and attains a right to annuity.

(e) If a policeman elects to make additional contribution for past service as provided in Section 5-174 and fails to pay such contributions in full within the time specified in said section, a refund of the amount so paid, with interest at 1-1/2% per year, compounded annually, shall be refunded as provided in said section.

(f) If a policeman makes contributions in accordance with the provisions of Section 5-174(b) and subsequently returns to the position he holds by certification and appointment as the result of competitive civil service examination, he shall receive a refund of such contributions, upon application therefor, together with interest at 1-1/2% per year on each such deduction from the date it was made to the date of refund. Application for refund must be made before the annuity to which he has a right has been fixed.

of each year thereafter up to a maximum increase of 30%. Beginning January 1, 1983 for policemen born before January 1, 1930, and beginning January 1, 1988 for policemen born on or after January 1, 1930 but before January 1, 1940, and beginning January 1, 1996 for policemen born on or after January 1, 1940 but before January 1, 1945, and beginning January 1, 2000 for policemen born on or after January 1, 1945 but before January 1, 1950, and beginning January 1, 2005 for policemen born on or after January 1, 1950 but before January 1, 1955, and beginning January 1, 2017 for policemen born on or after January 1, 1955 but before January 1, 1966, such increases shall be 3% and such policemen shall not be subject to the 30% maximum increase.

Any policeman born before January 1, 1945 who qualifies for a minimum annuity and retires after September 1, 1967 but has not received the initial increase under this subsection before January 1, 1996 is entitled to receive the initial increase under this subsection on (1) January 1, 1996, (2) the first anniversary of the date of retirement, or (3) attainment of age 55, whichever occurs last. The changes to this Section made by Public Act 89-12 apply beginning January 1, 1996 and without regard to whether the policeman or annuitant terminated service before the effective date of that Act.

Any policeman born before January 1, 1950 who qualifies for a minimum annuity and retires after September 1, 1967 but has not received the initial increase under this subsection before January 1, 2000 is entitled to receive the initial increase under this subsection on (1) January 1, 2000, (2) the first anniversary of the date of retirement, or (3) attainment of age 55, whichever occurs last. The changes to this Section made by this amendatory Act of the 92nd General Assembly apply without regard to whether the policeman or annuitant terminated service before the effective date of this amendatory Act.

Any policeman born before January 1, 1955 who qualifies for a minimum annuity and retires after September 1, 1967 but has not received the initial increase under this subsection before January 1, 2005 is entitled to receive the initial increase under this subsection on (1) January 1, 2005, (2) the first anniversary of the date of retirement, or (3) attainment of age 55, whichever occurs last. The changes to this Section made by this amendatory Act of the 94th General Assembly apply without regard to whether the policeman or annuitant terminated service before the effective date of this amendatory Act.

Any policeman born before January 1, 1966 who qualifies for a minimum annuity and retires after September 1, 1967 but has not received the initial increase under this subsection before January 1, 2017 is entitled to receive an initial increase under this subsection on (1) January 1, 2017, (2) the first anniversary of the date of retirement, or (3) attainment of age 55, whichever occurs last, in an amount equal to 3% for each complete year following the date of retirement or attainment of age 55, whichever occurs later. The changes to this subsection made by this amendatory Act of the 99th General Assembly apply without regard to whether the policeman or annuitant terminated service before the effective date of this amendatory Act.

(b) Subsection (a) of this Section is not applicable to an employee receiving a term annuity.

(c) To help defray the cost of such increases in annuity, there shall be deducted, beginning September 1, 1967, from each payment of salary to a policeman, 1/2 of 1% of each salary payment concurrently with and in addition to the salary deductions otherwise made for annuity purposes.

The city, in addition to the contributions otherwise made by it for annuity purposes under other provisions of this Article, shall make matching contributions concurrently with such salary deductions.

Each such 1/2 of 1% deduction from salary and each such contribution by the city of 1/2 of 1% of salary shall be credited to the Automatic Increase Reserve, to be used to defray the cost of the ~~4-1/2%~~ annuity increase provided by this Section. Any balance in such reserve as of the beginning of each calendar year shall be credited with interest at the rate of 3% per annum.

(d) Notwithstanding any other provision of this Article, the Tier 2 monthly retirement annuity of a person who first becomes a policeman under this Article on or after the effective date of this amendatory Act of the 97th General Assembly shall be increased on the January 1 occurring either on or after (i) the attainment of age 60 or (ii) the first anniversary of the annuity start date, whichever is later. Each annual increase shall be calculated at 3% or one-half the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September preceding each November 1, whichever is less, of the originally granted retirement annuity. If the annual unadjusted

percentage change in the consumer price index-u for a 12-month period ending in September is zero or, when compared with the preceding period, decreases, then the annuity shall not be increased.

For the purposes of this subsection (d), "consumer price index-u" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100. The new amount resulting from each annual adjustment shall be determined by the Public Pension Division of the Department of Insurance and made available to the boards of the pension funds by November 1 of each year.

Sec. 5-169. Contributions for age and service annuities or Tier 2 monthly retirement annuities for present employees and future entrants.

(a) Beginning on the effective date and before January 1, 1954, 3 1/2% per annum (except that beginning July 1, 1939 and before January 1, 1954 for a future entrant, 4%) and beginning January 1, 1954 and before August 1, 1957, 6%, and beginning August 1, 1957, 7% of each payment of the salary of each present employee and future entrant shall be deducted and contributed to the fund for age and service annuity or Tier 2 monthly retirement annuity. The deductions shall be made from each payment of salary and shall continue while the employee is in service.

Any policeman whose employment has been transferred to the police service of the city as a result of "An Act in relation to or exchange of certain functions, property and personnel among cities, and park districts having co-extensive geographic areas and populations in excess of 500,000", approved July 5, 1957, as now and hereafter amended, shall also contribute a sum equal to 2% of the total salary received by him in his employment between August 1, 1957 to July 17, 1959, with the park district from which he has been transferred together with interest on the unpaid contributions of 4% per annum from July 17,

(b) Each deduction from salary made prior to the date the age and service annuity for the employee is fixed, and each contribution by the city, shall be credited to the employee and be improved by interest for a present employee during the time he is in service until age and service annuity is fixed, and, for a future entrant, during the time he is in service. Sec. 5-170. Contributions for widow's annuities and Tier 2 surviving spouse's annuity for present employees and future entrants. Beginning on the effective date 1%, and beginning January 1, 1976, 1-1/2% of the salary of each male present employee and future entrant shall be deducted and contributed to the fund for widow's annuity or Tier 2 surviving spouse's annuity; however, in the case of a future entrant who attains age 63 prior to January 1, 1988 while still in service, no deductions shall be made for the period between the date the employee attains age 63 and January 1, 1988. (40 ILCS 5/5-238)

Sec. 5-238. Provisions applicable to new hires; Tier 2.

(a) Notwithstanding any other provision of this Article, the provisions of this Section apply to a person who first becomes a policeman under this Article on or after January 1, 2011, and to certain qualified survivors of such a policeman. Such persons, and the benefits and restrictions that apply specifically to them under this Article, may be referred to as "Tier 2".

(b) A policeman who has withdrawn from service, has attained age 50 55 or more , and who has 10 or more years of service in that capacity shall be entitled , upon proper application being received by the Fund, at his option to receive a Tier 2 monthly retirement annuity for his service as a police officer. The Tier 2 monthly retirement annuity shall be computed by multiplying 2.5% for each year of such service by his or her final average salary, subject to an annuity reduction factor of . The retirement annuity of a policeman who is retiring after attaining age 50 with 10 or more years of creditable service shall be reduced by one-half of 1% for each month that the police officer's age at retirement is under age 55. The Tier 2 monthly retirement annuity is in lieu of any age and service annuity or other form of retirement annuity under this Article.

The maximum retirement annuity under this subsection (b) shall be 75% of final average salary.

For the purposes of this subsection (b), "final average salary" means the average monthly salary obtained by dividing the total salary of the policeman during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period.

Beginning on January 1, 2011, for all purposes under this Code (including without limitation the calculation of benefits and employee contributions), the annual salary based on the plan year of a member or participant to whom this Section applies shall not exceed \$106,800; however, that amount shall annually thereafter be increased by the lesser of (i) 3% of that amount, including all previous adjustments, or (ii) one-half the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u

for the 12 months ending with the September preceding each November 1, including all previous adjustments.

(c) Notwithstanding any other provision of this Article, for a person who first becomes a policeman under this Article on or after January 1, 2011, eligibility for and the amount of the annuity to which the qualified surviving spouse, children, and/or parents are entitled under this subsection (c) shall be determined as follows:

(1) The surviving spouse of a deceased policeman to whom this Section applies shall be deemed qualified to receive a Tier 2 surviving spouse's annuity under this paragraph (1) if: (i) the deceased policeman meets the requirements specified under subdivision (A), (B), (C), or (D) of this paragraph (1); and (ii) the surviving spouse would not otherwise be excluded from receiving a widow's annuity under the eligibility requirements for a widow's annuity set forth in Section 5-146. The Tier 2 surviving spouse's annuity is in lieu of the widow's annuity determined under any other Section of this Article and is subject to the requirements of Section 5-147.1.

As used in this subsection (c), "earned annuity" means a Tier 2 monthly retirement annuity determined under subsection (b) of this Section, including any increases the policeman had received pursuant to Section 5-167.1.

(A) If the deceased policeman was receiving an earned annuity at the date of his or her death, the Tier 2 surviving spouse's annuity under this paragraph (1) shall be in the amount of 66 2/3% of the policeman's earned annuity at the date of death.

(B) If the deceased policeman was not receiving an earned annuity but had at least 10 years of service at the time of death, the Tier 2 surviving spouse's annuity under this paragraph (1) shall be the greater of: (i) 30% of the annual maximum salary attached to the classified civil service position of a first class patrolman at the time of his death; or (ii) 66 2/3% of the Tier 2 monthly retirement annuity that the deceased policeman would have been eligible to receive under subsection (b) of this Section, based upon the actual service accrued through the day before the policeman's death, but determined as though the policeman was at least age 55 on the day before his or her death and retired on that day.

(C) If the deceased policeman was an active policeman with at least 1 1/2 but less than 10 years of service at the time of death, the Tier 2 surviving spouse's annuity under this paragraph (1) shall be in the amount of 30% of the annual maximum salary attached to the classified civil service position of a first class patrolman at the time of his death.

(D) If the performance of an act or acts of duty results directly in the death of a policeman subject to this Section, or prevents him from subsequently resuming active service in the police department, and if the policeman's Tier 2 surviving spouse would otherwise meet the eligibility requirements for a compensation annuity or supplemental annuity granted under Section 5-144, then in addition to the Tier 2 surviving spouse's annuity provided under subdivision (A), (B), or (C) of this paragraph (1), whichever applies, the Tier 2 surviving spouse shall be qualified to receive compensation annuity or supplemental annuity, as would be provided under Section 5-144, in order to bring the total benefit up to the applicable 75% salary limitation provided in that Section, but subject to the Tier 2 salary cap provided under subsection (b) of this Section; except that no such annuity shall be paid to the surviving spouse of a policeman who dies while in receipt of disability benefits when the policeman's death was caused by an intervening illness or injury unrelated to the illness or injury that had prevented him from subsequently resuming active service in the police department.

(E) Notwithstanding any other provision of this Article, the monthly Tier 2 surviving spouse's annuity under subdivision (A) or (B) of this paragraph (1) of a survivor of a person who first becomes a policeman under this Article on or after January 1, 2011 shall be

increased on the January 1 next occurring after (i) attainment of age 60 by the recipient of the Tier 2 surviving spouse's annuity or (ii) the first anniversary of the Tier 2 surviving spouse's annuity start date, whichever is later, survivor's annuity and on each January 1 thereafter, by 3% or one-half the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September preceding each November 1, whichever is less, of the originally granted Tier 2 surviving spouse's survivor's annuity. If the unadjusted percentage change in the consumer price index-u for a 12-month period ending in September is zero or, when compared with the preceding period, decreases, then the annuity shall not be increased.

For the purposes of this Section, "consumer price index-u" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100. The new amount resulting from each annual adjustment shall be determined by the Public Pension Division of the Department of Insurance and made available to the boards of the pension funds.

(F) Notwithstanding the other provisions of this paragraph (1), for a qualified surviving spouse who is entitled to a Tier 2 surviving spouse's annuity under subdivision (A), (B), (C), or (D) of this paragraph (1), that Tier 2 surviving spouse's annuity shall not be less than the amount of the minimum widow's annuity established from time to time under Section 5-167.4.

(2) Surviving children of a deceased policeman subject to this Section who would otherwise meet the eligibility requirements for a child's annuity set forth in Sections 5-151 and 5-152 shall be deemed qualified to receive a Tier 2 child's annuity under this subsection (c), which shall be in lieu of, but in the same amount and paid in the same manner as, the child's annuity provided under those Sections; except that any salary used for computing a Tier 2 child's annuity shall be subject to the Tier 2 salary cap provided under subsection (b) of this Section. For purposes of determining any pro rata reduction in child's annuities under this subsection (c), references in Section 5-152 to the combined annuities of the family shall be deemed to refer to the combined Tier 2 surviving spouse's annuity, if any, and the Tier 2 child's annuities payable under this subsection (c).

(3) Surviving parents of a deceased policeman subject to this Section who would otherwise meet the eligibility requirements for a parent's annuity set forth in Section 5-152 shall be deemed qualified to receive a Tier 2 parent's annuity under this subsection (c), which shall be in lieu of, but in the same amount and paid in the same manner as, the parent's annuity provided under Section 5-152.1; except that any salary used for computing a Tier 2 parent's annuity shall be subject to the Tier 2 salary cap provided under subsection (b) of this Section. For the purposes of this Section, a reference to "annuity" in Section 5-152.1 includes: (i) in the context of a widow, a Tier 2 surviving spouse's annuity and (ii) in the context of a child, a Tier 2 child's annuity.

(d) The General Assembly finds and declares that the provisions of this Section, as enacted by Public Act 96-1495, require clarification relating to necessary eligibility standards and the manner of determining and paying the intended Tier 2 benefits and contributions in order to enable the Fund to unambiguously implement and administer benefits for Tier 2 members. The changes to this Section and the conforming changes to Sections 5-153, 5-155, 5-163, 5-167.1 (except for the changes to subsection (a) of that Section), 5-169, and 5-170 made by this amendatory Act of the 99th General Assembly are enacted to clarify the provisions of this Section as enacted by Public Act 96-1495, and are hereby declared to represent and be consistent with the original and continuing intent of this Section and Public Act 96-1495.

(e) The changes to Sections 5-153, 5-155, 5-163, 5-167.1 (except for the changes to subsection (a) of that Section), 5-169, and 5-170 made by this amendatory Act of the 99th General Assembly are intended to be retroactive to January 1, 2011 (the effective date of Public Act 96-1495) and, for the purposes of Section 1-103.1 of this Code, they apply without regard to whether the relevant policeman was in service on or after the effective date of this amendatory Act of the 99th General Assembly.

Sec. 6-164. Automatic annual increase; retirement after September 1, 1959.

(a) A fireman qualifying for a minimum annuity who retires from service after September 1, 1959 shall, upon either the first of the month following the first anniversary of his date of retirement if he is age 60 (age 55 if born before January 1, ~~1966~~ 1955) or over on that anniversary date, or upon the first of the month following his attainment of age 60 (age 55 if born before January 1, ~~1966~~ 1955) if that occurs after the first anniversary of his retirement date, have his then fixed and payable monthly annuity increased by 1 1/2%, and such first fixed annuity as granted at retirement increased by an additional 1 1/2% in January of each year thereafter up to a maximum increase of 30%. Beginning July 1, 1982 for firemen born before January 1, 1930, and beginning January 1, 1990 for firemen born after December 31, 1929 and before January 1, 1940, and beginning January 1, 1996 for firemen born after December 31, 1939 but before January 1, 1945, and beginning January 1, 2004, for firemen born after December 31, 1944 but before January 1, 1955, and beginning January 1, 2017, for firemen born after December 31, 1954 but before January 1, 1966, such increases shall be 3% and such firemen shall not be subject to the 30% maximum increase.

Any fireman born before January 1, 1945 who qualifies for a minimum annuity and retires after September 1, 1967 but has not received the initial increase under this subsection before January 1, 1996 is entitled to receive the initial increase under this subsection on (1) January 1, 1996, (2) the first anniversary of the date of retirement, or (3) attainment of age 55, whichever occurs last. The changes to this Section made by this amendatory Act of 1995 apply beginning January 1, 1996 and apply without regard to whether the fireman or annuitant terminated service before the effective date of this amendatory Act of 1995.

Any fireman born before January 1, 1955 who qualifies for a minimum annuity and retires after September 1, 1967 but has not received the initial increase under this subsection before January 1, 2004 is entitled to receive the initial increase under this subsection on (1) January 1, 2004, (2) the first anniversary of the date of retirement, or (3) attainment of age 55, whichever occurs last. The changes to this Section made by this amendatory Act of the 93rd General Assembly apply without regard to whether the fireman or annuitant terminated service before the effective date of this amendatory Act.

Any fireman born before January 1, 1966 who qualifies for a minimum annuity and retires after September 1, 1967 but has not received the initial increase under this subsection before January 1, 2017 is entitled to receive an initial increase under this subsection on (1) January 1, 2017, (2) the first anniversary of the date of retirement, or (3) attainment of age 55, whichever occurs last, in an amount equal to 3% for each complete year following the date of retirement or attainment of age 55, whichever occurs later. The changes to this subsection made by this amendatory Act of the 99th General Assembly apply without regard to whether the fireman or annuitant terminated service before the effective date of this amendatory Act.

(b) Subsection (a) of this Section is not applicable to an employee receiving a term annuity.

(c) To help defray the cost of such increases in annuity, there shall be deducted, beginning September 1, 1959, from each payment of salary to a fireman, 1/8 of 1% of each such salary payment and an additional 1/8 of 1% beginning on September 1, 1961, and September 1, 1963, respectively, concurrently with and in addition to the salary deductions otherwise made for annuity purposes.

Each such additional 1/8 of 1% deduction from salary which shall, on September 1, 1963, result in a total increase of 3/8 of 1% of salary, shall be credited to the Automatic Increase Reserve, to be used, together with city contributions as provided in this Article, to defray the cost of the ~~1 1/2%~~ annuity increments ~~herein~~ specified in this Section. Any balance in such reserve as of the beginning of each calendar year shall be credited with interest at the rate of 3% per annum.

The salary deductions provided in this Section are not subject to refund, except to the fireman himself, in any case in which ~~:(i) the a~~ fireman withdraws prior to qualification for minimum annuity or Tier 2 monthly retirement annuity and applies for refund, ~~(ii) the fireman~~ or applies for an annuity of a type that is not subject to annual increases under this Section, or (iii) - and also where a term annuity becomes payable. In such cases, the total of such salary deductions shall be refunded to the fireman, without interest, and charged to the aforementioned reserve.

(d) Notwithstanding any other provision of this Article, the Tier 2 monthly retirement annuity of a person who first becomes a fireman under this Article on or after January 1, 2011 shall be increased on the January 1 occurring either on or after ~~(i)~~ the attainment of age 60 or ~~(ii)~~ the first anniversary of the annuity start date, whichever is later. Each annual increase shall be calculated at 3% or one-half the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September preceding each November 1, whichever is less, of the originally granted retirement annuity. If the annual unadjusted percentage change in the consumer price index-u for a 12-

month period ending in September is zero or, when compared with the preceding period, decreases, then the annuity shall not be increased.

For the purposes of this subsection (d), "consumer price index-u" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100. The new amount resulting from each annual adjustment shall be determined by the Public Pension Division of the Department of Insurance and made available to the boards of the pension funds by November 1 of each year.

(b) Each contribution by the employee and the city shall be allocated to the account of and credited to the employee, and shall be improved by interest at the applicable rate during the time he is in service until the age and service annuity is fixed. Any accretion, by way of interest or otherwise, upon such sum or any deduction from salary made after the annuity is fixed for a present employee or after attainment of age 63 by a future entrant who first becomes a fireman under this Article before January 1, 2011 shall not be credited to the employee for age and service annuity.

Sec. 6-229. Provisions applicable to new hires; Tier 2.

(a) Notwithstanding any other provision of this Article, the provisions of this Section apply to a person who first becomes a fireman under this Article on or after January 1, 2011, and to certain qualified survivors of such a fireman. Such persons, and the benefits and restrictions that apply specifically to them under this Article, may be referred to as "Tier 2".

(b) A fireman who has withdrawn from service, has attained age 50 55 or more , and who has 10 or more years of service in that capacity shall be entitled , upon proper application being received by the Fund, at his option to receive a Tier 2 monthly retirement annuity for his service as a fireman. The Tier 2 monthly retirement annuity shall be computed by multiplying 2.5% for each year of such service by his or her final average salary, subject to an annuity reduction factor of . ~~The retirement annuity of a fireman who is retiring after attaining age 50 with 10 or more years of creditable service shall be reduced by one-half of 1% for each month that the fireman's age at retirement is under age 55. The Tier 2 monthly retirement annuity is in lieu of any age and service annuity or other form of retirement annuity under this Article.~~

The maximum retirement annuity under this subsection (b) shall be 75% of final average salary.

For the purposes of this subsection (b), "final average salary" means the average monthly salary obtained by dividing the total salary of the fireman during the 96 consecutive months of service within the last 120

months of service in which the total salary was the highest by the number of months of service in that period.

Beginning on January 1, 2011, for all purposes under this Code (including without limitation the calculation of benefits and employee contributions), the annual salary based on the plan year of a member or participant to whom this Section applies shall not exceed \$106,800; however, that amount shall annually thereafter be increased by the lesser of (i) 3% of that amount, including all previous adjustments, or (ii) one-half the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September preceding each November 1, including all previous adjustments.

(b-5) For the purposes of this Section, "consumer price index-u" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100. The new amount resulting from each annual adjustment shall be determined by the Public Pension Division of the Department of Insurance and made available to the boards of the retirement systems and pension funds by November 1 of each year.

(c) Notwithstanding any other provision of this Article, for a person who first becomes a fireman under this Article on or after January 1, 2011, eligibility for and the amount of the annuity to which the qualified surviving spouse, children, and/or parents of the fireman are entitled under this subsection (c) shall be determined as follows:

(1) The surviving spouse of a deceased fireman to whom this Section applies shall be deemed qualified to receive a Tier 2 surviving spouse's annuity under this paragraph (1) if: (i) the deceased fireman meets the requirements specified under subdivision (A), (B), (C), or (D) of this paragraph (1); and (ii) the surviving spouse would not otherwise be excluded from receiving a widow's annuity under the eligibility requirements for a widow's annuity set forth in Section 6-142. The Tier 2 surviving spouse's annuity is in lieu of the widow's annuity determined under any other Section of this Article and is subject to the requirements of Section 6-143.2.

As used in this subsection (c), "earned pension" means a Tier 2 monthly retirement annuity determined under subsection (b) of this Section, including any increases the fireman had received pursuant to Section 6-164.

(A) If the deceased fireman was receiving an earned pension at the date of his or her death, the Tier 2 surviving spouse's annuity under this paragraph (1) shall be in the amount of 66 2/3% of the fireman's earned pension at the date of death.

(B) If the deceased fireman was not receiving an earned pension but had at least 10 years of service at the time of death, the Tier 2 surviving spouse's annuity under this paragraph (1) shall be the greater of: (i) 30% of the salary attached to the rank of first class firefighter in the classified career service at the time of the fireman's death; or (ii) 66 2/3% of the Tier 2 monthly retirement annuity that the deceased fireman would have been eligible to receive under subsection (b) of this Section, based upon the actual service accrued through the day before the fireman's death, but determined as though the fireman was at least age 55 on the day before his or her death and retired on that day.

(C) If the deceased fireman was an active fireman with at least 1 1/2 but less than 10 years of service at the time of death, the Tier 2 surviving spouse's annuity under this paragraph (1) shall be in the amount of 30% of the salary attached to the rank of first class firefighter in the classified career service at the time of the fireman's death.

(D) Notwithstanding subdivisions (A), (B), and (C) of this paragraph (1), if the performance of an act or acts of duty results directly in the death of a fireman subject to this Section, or prevents him from subsequently resuming active service in the fire department, then a surviving spouse who would otherwise meet the eligibility requirements for a death in the line of duty widow's annuity granted under Section 6-140 shall be deemed to be qualified for a Tier 2 surviving spouse's annuity under this subdivision (D); except that no such annuity shall be paid to the surviving spouse of a fireman who dies while in receipt of disability benefits when the fireman's death was caused by an intervening illness or injury unrelated to the illness or injury that had prevented him from subsequently resuming active service in the fire department. The Tier 2 surviving spouse's annuity calculated under this subdivision (D) shall be in lieu of, but in the same amount and paid in the same manner as, the widow's annuity provided under Section 6-140; except that the salary used for computing a Tier 2 surviving spouse's annuity under this subdivision (D) shall be subject to the Tier 2 salary cap provided under subsection (b) of this Section.

(E) Notwithstanding any other provision of this Article, the monthly Tier 2 surviving spouse's annuity under subdivision (A) or (B) of this paragraph (1) of a survivor of a person who first becomes a fireman under this Article on or after January 1, 2011 shall be

increased on the January 1 next occurring after (i) attainment of age 60 by the recipient of the Tier 2 surviving spouse's annuity or (ii) the first anniversary of the Tier 2 surviving spouse's annuity start date, whichever is later, survivor's pension and on each January 1 thereafter, by 3% or one-half the annual unadjusted percentage increase in the consumer price index-u for the 12 months ending with September preceding each November 1, whichever is less, of the originally granted Tier 2 surviving spouse's survivor's annuity. If the annual unadjusted percentage change in the consumer price index-u for a 12-month period ending in September is zero or, when compared with the preceding period, decreases, then the annuity shall not be increased.

(F) Notwithstanding the other provisions of this paragraph (1), for a qualified surviving spouse who is entitled to a Tier 2 surviving spouse's annuity under subdivision (A), (B), (C), or (D) of this paragraph (1), that Tier 2 surviving spouse's annuity shall not be less than the amount of the minimum widow's annuity established from time to time under Section 6-128.4.

(2) Surviving children of a deceased fireman subject to this Section who would otherwise meet the eligibility requirements for a child's annuity set forth in Sections 6-147 and 6-148 shall be deemed qualified to receive a Tier 2 child's annuity under this subsection (c), which shall be in lieu of, but in the same amount and paid in the same manner as, the child's annuity provided under those Sections; except that any salary used for computing a Tier 2 child's annuity shall be subject to the Tier 2 salary cap provided under subsection (b) of this Section. For purposes of determining any pro rata reduction in child's annuities under this subsection (c), references in Section 6-148 to the combined annuities of the family shall be deemed to refer to the combined Tier 2 surviving spouse's annuity, if any, and the Tier 2 child's annuities payable under this subsection (c).

(3) Surviving parents of a deceased fireman subject to this Section who would otherwise meet the eligibility requirements for a parent's annuity set forth in Section 6-149 shall be deemed qualified to receive a Tier 2 parent's annuity under this subsection (c), which shall be in lieu of, but in the same amount and paid in the same manner as, the parent's annuity provided under Section 6-149; except that any salary used for computing a Tier 2 parent's annuity shall be subject to the Tier 2 salary cap provided under subsection (b) of this Section. For the purposes of this Section, a reference to "annuity" in Section 6-149 includes: (i) in the context of a widow, a Tier 2 surviving spouse's annuity and (ii) in the context of a child, a Tier 2 child's annuity.

(d) The General Assembly finds and declares that the provisions of this Section, as enacted by Public Act 96-1495, require clarification relating to necessary eligibility standards and the manner of determining and paying the intended Tier 2 benefits and contributions in order to enable the Fund to unambiguously implement and administer benefits for Tier 2 members. The changes to this Section and the conforming changes to Sections 6-150, 6-158, 6-164 (except for the changes to subsection (a) of that Section), 6-166, and 6-167 made by this amendatory Act of the 99th General Assembly are enacted to clarify the provisions of this Section as enacted by Public Act 96-1495, and are hereby declared to represent and be consistent with the original and continuing intent of this Section and Public Act 96-1495.

(e) The changes to Sections 6-150, 6-158, 6-164 (except for the changes to subsection (a) of that Section), 6-166, and 6-167 made by this amendatory Act of the 99th General Assembly are intended to be retroactive to January 1, 2011 (the effective date of Public Act 96-1495) and, for the purposes of Section 1-103.1 of this Code, they apply without regard to whether the relevant fireman was in service on or after the effective date of this amendatory Act of the 99th General Assembly.
