PRESENTATION OF RESOLUTIONS

Senator Noland offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 2418

WHEREAS, The prices of commodities - from oil and copper to coffee and corn - have declined by 10-70% per commodity over the past year as measured in the Dow Jones and Bloomberg Commodity Indices; the price of oil has fallen 70%; this price collapse is now creating a new crisis; and

WHEREAS, The collapse of commodity prices is the new "subprime mortgage" crisis of 2016; the commodities and their related financial paper are tied to a \$300 trillion derivatives bubble in the major banks and other companies in the U.S., and far more internationally; it was the derivatives meltdown that set off the 2008 financial collapse; and

WHEREAS, This new financial crisis is being driven by a collapse of our industry and infrastructure; November and December, 2015, U.S. Commerce Department durable goods orders fell by 1.1% and 5.1% respectively; mass layoffs are increasing, highlighted by the announcement of 10,000 layoffs at Caterpillar and 200,000 layoffs in the oil fields; the Institute for Supply Management Manufacturing Index has contracted for 4 straight months nationwide; and

WHEREAS, A return to a durable recovery will require adoption of national credit and national banking policies as was done by Alexander Hamilton, John Quincy Adams, Abraham Lincoln, Franklin D. Roosevelt, Dwight Eisenhower, and John F. Kennedy; the program of federal credit to industry, states and cities built the industry and agriculture of our nation; and

WHEREAS, National credit, under this Constitutional program, can be made available for the creation of productive jobs in infrastructure, manufacturing, and high technology projects, thus creating mass employment for our now heavily unemployed and underemployed workforce, especially young people; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the United States Congress to immediately adopt the "American Recovery" program by doing the following:

1) Restore the provisions of the Glass Steagall Act, and pass HR. 381 in the U.S. House of Representatives and S. 1709 in the U.S. Senate, which aim to immediately restore the separation of investment and commercial banking; Glass-Steagall in the U.S. House has 4 Illinois Congresspersons co-sponsoring, and was law for 66 years; it prevented banking crises like the one experienced in 2008;

2) Return to a national banking and a federal credit system, modeled on the principles of

[November 16, 2016]

Alexander Hamilton's First Bank of the United States, which built all the infrastructure of the nation for the first 40 years; it was reinstated as Illinois native son Abraham Lincoln's National Banking-Greenback policy that built everything from railroads to steel mills; Lincoln was the architect of the Transcontinental Rail System that built America, and as a State Legislator he was a leading sponsor of internal improvements and water projects here in Illinois; nationally, Lincoln was a leading advocate for a new National Bank; the same credit policy was embodied in Franklin Roosevelt's Reconstruction Finance Corporation, which financed the New Deal infrastructure program; for example the Works Progress Administration was financed by RFC and employed tens of thousands of Chicagoans of all ethnic backgrounds in productive jobs; Ronald Reagan's father, Jack, was the director of the Works Progress Administration in Peoria;

3) Use the federal credit system to build a modern network of high speed rail, power generating systems, water projects, such as those urgently needed in the Southwest and cities like Flint, Michigan; Chicago; Philadelphia; and others nationwide; and other critical programs; and

RESOLVED, That suitable copies of this resolution be delivered to President Barack Obama, U.S. Speaker of the House Paul Ryan, U.S. Senate Majority Leader Mitch McConnell, and all members of the Illinois Congressional Delegation.

Senator Radogno offered the following Senate Joint Resolution, which was ordered printed and referred to the Committee on Assignments:

(A) Renewal. The expiration date and renewal period for each license issued under this Act shall be set by rule. The holder of a license may renew the license by paying the required fee. The holder of a license may also renew the license within 90 days after its expiration by complying with the requirements for renewal and payment of an additional fee. A license renewal within 90 days after expiration shall be effective retroactively to the expiration date.

The Department shall ~~attempt to provide through electronic means mail~~ to each licensee under this Act, ~~at his or her address of record~~, at least 60 days in advance of the expiration date of his or her license, a renewal notice. No such license shall be deemed to have lapsed until 90 days after the expiration date and ~~after the Department has attempted to provide~~ such notice ~~has been mailed by the Department~~ as herein provided.

(B) Reinstatement. Any licensee who has permitted his or her license to lapse or who has had his or her license on inactive status may have his or her license reinstated by making application to the Department and filing proof acceptable to the Department of his or her fitness to have the license reinstated, including evidence certifying to active practice in another jurisdiction satisfactory to the Department, proof of meeting the continuing education requirements for one renewal period, and by paying the required reinstatement fee.

However, any registrant whose license has expired while he or she has been engaged (a) in Federal Service on active duty with the Army of the United States, the United States Navy, the Marine Corps, the Air Force, the Coast Guard, the Public Health Service or the State Militia called into the service or training of the United States of America, or (b) in training or education under the supervision of the United States preliminary to induction into the military service, may have his or her license reinstated without paying any lapsed renewal fees, if within 2 years after honorable termination of such service, training, or education, he or she furnishes to the Department with satisfactory evidence to the effect that he or she has been so engaged and that his or her service, training, or education has been so terminated.

(C) Inactive licenses. Any licensee who notifies the Department, in writing on forms prescribed by the Department, may elect to place his or her license on an inactive status and shall, subject to rules of the Department, be excused from payment of renewal fees until he or she notifies the Department in writing of his or her desire to resume active status.

Any licensee requesting reinstatement from inactive status shall be required to pay the current renewal fee, provide proof of meeting the continuing education requirements for the period of time the license is

The fines imposed by this Section are in addition to any other discipline provided under this Act for unlicensed practice or practice on a nonrenewed license. The Department shall notify the person that payment of fees and fines shall be paid to the Department by certified check or money order within 30 calendar days of the notification. If, after

the expiration of 30 days from the date of the notification, the person has failed to submit the necessary remittance, the Department shall automatically terminate the license or permit or deny the application, without hearing. If, after termination or denial, the person seeks a license or permit, he or she shall apply to the Department for reinstatement or issuance of the license or permit and pay all fees and fines due to the Department. (b) When, in the course of providing optometric services to any person, an optometrist licensed under this Act finds an indication of a disease or condition of the eye which in his or her professional judgment requires professional service outside the scope of practice as defined in this Act, he or she shall refer such person to a physician licensed to practice medicine in all of its branches, or other appropriate health care practitioner. Nothing in this Act shall preclude an optometrist from rendering appropriate nonsurgical emergency care.

(c) Nothing contained in this Section shall prohibit a person from manufacturing ophthalmic lenses and prisms or the fabrication of contact lenses according to the specifications prescribed by an optometrist or a physician licensed to practice medicine in all of its branches, but shall specifically prohibit (1) the sale or delivery of ophthalmic lenses, prisms, and contact lenses without a prescription signed by an optometrist or a physician licensed to practice medicine in all of its branches and (2) the dispensing of contact lenses by anyone other than a licensed optometrist, licensed pharmacist, or a physician licensed to practice medicine in all of its branches. AMENDMENT NO. 1 TO SENATE BILL 2924

AMENDMENT NO. 1. Amend Senate Bill 2924 by replacing everything after the enacting clause with the following:

"Section 5. The Retailers' Occupation Tax Act is amended by changing Section 6 as follows:
(35 ILCS 120/6) (from Ch. 120, par. 445)

Sec. 6. Credit memorandum or refund. If it appears, after claim therefor filed with ~~the~~ the Department, that an amount of tax or penalty or interest has been paid which was not due under this Act, whether as the result of a mistake of fact or an error of law, except as hereinafter provided, then the Department shall issue a credit memorandum or refund to the person who made the erroneous payment or, if that person died or became a person under legal disability, to his or her legal representative, as such. For purposes of this Section, the tax is deemed to be erroneously paid by a retailer when the manufacturer of a motor vehicle sold by the retailer accepts the return of that automobile and refunds to the purchaser the selling price of that vehicle as provided in the New Vehicle Buyer Protection Act. When a motor vehicle is returned for a refund of the purchase price under the New Vehicle Buyer Protection Act, the Department shall issue a credit memorandum or a refund for the amount of tax paid by the retailer under this Act attributable to the initial sale of that vehicle. Claims submitted by the retailer are subject to the same restrictions and procedures provided for in this Act. If it is determined that the Department should issue a credit memorandum or refund, the Department may first apply the amount thereof against any tax or penalty or interest due or to become due under this Act or under the Use Tax Act, the Service Occupation Tax Act, the Service Use Tax Act, any local occupation or use tax administered by the Department, Section 4 of the Water Commission Act of 1985, subsections (b), (c) and (d) of Section 5.01 of the Local Mass

[November 16, 2016]

Transit District Act, or subsections (e), (f) and (g) of Section 4.03 of the Regional Transportation Authority Act, from the person who made the erroneous payment. If no tax or penalty or interest is due and no proceeding is pending to determine whether such person is indebted to the Department for tax or penalty or interest, the credit memorandum or refund shall be issued to the claimant; or (in the case of a credit memorandum) the credit memorandum may be assigned and set over by the lawful holder thereof, subject to reasonable rules of the Department, to any other person who is subject to this Act, the Use Tax Act, the Service Occupation Tax Act, the Service Use Tax Act, any local occupation or use tax administered by the Department, Section 4 of the Water Commission Act of 1985, subsections (b), (c) and (d) of Section 5.01 of the Local Mass Transit District Act, or subsections (e), (f) and (g) of Section 4.03 of the Regional Transportation Authority Act, and the amount thereof applied by the Department against any tax or penalty or interest due or to become due under this Act or under the Use Tax Act, the Service Occupation Tax Act, the Service Use Tax Act, any local occupation or use tax administered by the Department, Section 4 of the Water Commission Act of 1985, subsections (b), (c) and (d) of Section 5.01 of the Local Mass Transit District Act, or subsections (e), (f) and (g) of Section 4.03 of the Regional Transportation Authority Act, from such assignee. However, as to any claim for credit or refund filed with the Department on and after each January 1 and July 1 no amount of tax or penalty or interest erroneously paid (either in total or partial liquidation of a tax or penalty or amount of interest under this Act) more than 3 years prior to such January 1 and July 1, respectively, shall be credited or refunded, except that if both the Department and the taxpayer have agreed to an extension of time to issue a notice of tax liability as provided in Section 4 of this Act, such claim may be filed at any time prior to the expiration of the period agreed upon.

No claim may be allowed for any amount paid to the Department, whether paid voluntarily or involuntarily, if paid in total or partial liquidation of an assessment which had become final before the claim for credit or refund to recover the amount so paid is filed with the Department, or if paid in total or partial liquidation of a judgment or order of court. No credit may be allowed or refund made for any amount paid by or collected from any claimant unless it appears (a) that the claimant bore the burden of such amount and has not been relieved thereof nor reimbursed therefor and has not shifted such burden directly or indirectly through inclusion of such amount in the price of the tangible personal property sold by him or her or in any manner whatsoever; and that no understanding or agreement, written or oral, exists whereby he or she or his or her legal representative may be relieved of the burden of such amount, be reimbursed therefor or may shift the burden thereof; or (b) that he or she or his or her legal representative has repaid unconditionally such amount to his or her vendee (1) who bore the burden thereof and has not shifted such burden directly or indirectly, in any manner whatsoever; (2) who, if he or she has shifted such burden, has repaid unconditionally such amount to his own vendee; and (3) who is not entitled to receive any reimbursement therefor from any other source than from his or her vendor, nor to be relieved of such burden in any manner whatsoever. No credit may be allowed or refund made for any amount paid by or collected from any claimant unless it appears that the claimant has unconditionally repaid, to the purchaser, any amount collected from the purchaser and retained by the claimant with respect to the same transaction under the Use Tax Act.

Any credit or refund that is allowed under this Section shall bear interest at the rate and in the manner specified in the Uniform Penalty and Interest Act.

In case the Department determines that the claimant is entitled to a refund, such refund shall be made only from such appropriation as may be available for that purpose. If it appears unlikely that the amount appropriated would permit everyone having a claim allowed during the period covered by such appropriation to elect to receive a cash refund, the Department, by rule or regulation, shall provide for the payment of refunds in hardship cases and shall define what types of cases qualify as hardship cases.

If a retailer who has failed to pay retailers' occupation tax on gross receipts from retail sales is required by the Department to pay such tax, such retailer, without filing any formal claim with the Department, shall be allowed to take credit against such retailers' occupation tax liability to the extent, if any, to which such retailer has paid an amount equivalent to retailers' occupation tax or has paid use tax in error to his or her vendor or vendors of the same tangible personal property which such retailer bought for resale and did not first use before selling it, and no penalty or interest shall be charged to such retailer on the amount of such credit. However, when such credit is allowed to the retailer by the Department, the vendor is precluded from refunding any of that tax to the retailer and filing a claim for credit or refund with respect thereto with the Department. The provisions of this amendatory Act shall be applied retroactively, regardless of the date of the transaction.

Sec. 21.5. Carolyn Adams Ticket For The Cure.

(a) The Department shall offer a special instant scratch-off game with the title of "Carolyn Adams Ticket For The Cure". The game shall commence on January 1, 2006 or as soon thereafter, in the discretion of the Director, as is reasonably practical, and shall be discontinued on December 31, 2026 2046. The operation of the game shall be governed by this Act and any rules adopted by the Department. The Department must consult with the Carolyn Adams Ticket For The Cure Board, which is established under Section 2310-347 of the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois, regarding the design and promotion of the game. If any provision of this Section is inconsistent with any other provision of this Act, then this Section governs.

(b) The Carolyn Adams Ticket For The Cure Grant Fund is created as a special fund in the State treasury. The net revenue from the Carolyn Adams Ticket For The Cure special instant scratch-off game shall be deposited into the Fund for appropriation by the General Assembly solely to the Department of Public Health for the purpose of making grants to public or private entities in Illinois for the purpose of funding breast cancer research, and supportive services for breast cancer survivors and those impacted by breast cancer and breast cancer education. In awarding grants, the Department of Public Health shall consider criteria that includes, but is not limited to, projects and initiatives that address disparities in incidence and mortality rates of breast cancer, based on data from the Illinois Cancer Registry, and populations facing barriers to care. The Department of Public Health shall, before grants are awarded, provide copies of all grant applications to the Carolyn Adams Ticket For The Cure Board, receive and review the Board's recommendations and comments, and consult with the Board regarding the grants. For purposes of this Section, the term "research" includes, without limitation, expenditures to develop and advance the understanding, techniques, and modalities effective in the detection, prevention, screening, and treatment of breast cancer and may include clinical trials. The grant funds may not be used for institutional, organizational, or community-based overhead costs, indirect costs, or levies.

Moneys received for the purposes of this Section, including, without limitation, net revenue from the special instant scratch-off game and gifts, grants, and awards from any public or private entity, must be deposited into the Fund. Any interest earned on moneys in the Fund must be deposited into the Fund.

For purposes of this subsection, "net revenue" means the total amount for which tickets have been sold less the sum of the amount paid out in prizes and the actual administrative expenses of the Department solely related to the Ticket For The Cure game.

(c) During the time that tickets are sold for the Carolyn Adams Ticket For The Cure game, the Department shall not unreasonably diminish the efforts devoted to marketing any other instant scratch-off lottery game.

(d) The Department may adopt any rules necessary to implement and administer the provisions of this Section.
