House Bill 1811.

(Secretary reads title of bill)

3rd Reading of the bill.

PRESIDING OFFICER: (SENATOR LINK)

Senator Cunningham, on your bill.

SENATOR CUNNINGHAM:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. House Bill 1811 is essentially a legislative contingency plan. We passed, back on May 31st, Senate Bill 1839 - that was the AT&T modernization bill, also included a 9-1-1 update, and within it was the extension of several sunsets, sunsets on the Telecom Act, the 9-1-1 Act, and the Cable Video Act. That bill currently sits on the Governor's desk. If he does not take action this week, all those sunsets will kick in and that bill that we passed back on May 31st, Senate Bill 1839, will essentially cease to exist. It will then -- be incumbent on the General Assembly to put a new Act in place using the same language. That's what this bill is. It -- it includes all the AT&T modernization language, the 9-1-1 language, and establishes new dates that are -- are due to go out because of the sunset. Be happy to answer any questions and would appreciate your support.

PRESIDING OFFICER: (SENATOR LINK)

Is there any discussion? Senator Syverson, for what purpose

do you rise?

SENATOR SYVERSON:

Thank you. A question of the sponsor.

PRESIDING OFFICER: (SENATOR LINK)

He indicates he will yield.

SENATOR SYVERSON:

Senator, could you just follow up on the discussion that you and I had in committee and maybe explain that to everyone else so there's a little higher comfort level?

PRESIDING OFFICER: (SENATOR LINK)

Senator Cunningham.

SENATOR CUNNINGHAM:

One of the issues that's come up with the 9-1-1 portion of the bill is the fact that the fee will go from its current level of eighty-seven cents to a dollar fifty. Several months ago, the -- the State 9-1-1 Commission released a report where they recommended that that fee go to a dollar five. Some people have questioned, including yourself, Senator, why it's a dollar fifty in the bill instead of a dollar five. The reason, I've been told by members of that committee, is the dollar-five fee was set based on essentially the old rules, an effort to get the 9-1-1 centers to comply with E9-1-1. We now are requiring our 9-1-1 centers to go to what we call the Next Generation 9-1-1 and they do not have the revenues available to get them there. So each member of -- or I shouldn't say each member, a majority of members of that committee favor the dollar-fifty fee. As you brought up in committee, we -- we've asked that committee to put that in writing and submit it to the Senate. They've agreed to do that. So a majority of the board does agree with the dollar-fifty fee.

Thank you. This motion is actually -- we sent this Senate Bill 1290 over to the House. It was to increase the debt limit for a school district. The amendments did come back from the House with the cleanup language. I ask for a Yes vote. Thank you.
