SENATOR T. CULLERTON:

Hello? Thank you, Madam President. Senate Bill 1127 is requiring that the Division of Aeronautics under the Department of Transportation fly the veterans' MIA/POW flag at all airports in their jurisdiction. The MIA flag was flown on the -- will be flown on the same flagstaff as the United States national flag. According to the Department of Defense POW/MIA Accounting Agency, eighty-two thousand four hundred and seventy-eight Americans who fought in wars are still missing, including seventy-three thousand fourteen from World War II, seven thousand seven hundred and twenty-nine from the Korean War, sixteen hundred and three from the Vietnam War, one hundred and twenty-six actions related to the Cold War, and six more from conflicts since 1991. I know of no opposition to the bill. This is incredibly important to many of our veterans. I being a veteran myself, as many as -- of our veterans here within the Chamber, and I would ask for an Aye vote. I'll be more than happy to answer questions.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Is there any discussion? Senator Righter, for what purpose do you rise?

SENATOR RIGHTER:

Will the sponsor yield, please, Madam President?

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Sponsor indicates he will yield. Senator Righter.

SENATOR RIGHTER:

Thank you, Madam President. Senator Cullerton, it's -- it is really hard for me to believe that we would have to actually pass a State law to require this. Is there someone out there who is refusing to fly the POW/MIA flag?

SENATOR T. CULLERTON:

Actually, we did have an incident of that, so now we are going to make it a requirement as opposed to having an -- an airport that was unwilling to do this.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Righter.

SENATOR RIGHTER:

Can -- can I ask, Senator Cullerton, who -- who? Who would do that? I think the people in the Chamber ought to know. Who would do that?

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Cullerton.

SENATOR T. CULLERTON:

Sorry, I got ahead of myself jumping to the microphone. So this was an issue in Peoria.

To the bill, Senator.

SENATOR KOEHLER:

And I'll answer Senator Righter's question as well. This is an issue that came up in Peoria. And afterwards, I'm going to request recognition so that I can introduce some people. But the airport I think was given some bad legal advice and they said that

if they did this for the POW/MIA flag that they'd have to do it for everybody, and so... This has been a -- a struggle. We've had some very persistent veterans in our community who have -- have pressed this issue, and so we decided that, well, let's make it State law. And I informed the airport that we were undertaking this legislation and that -- their response was, "Okay." It's unfortunate that we have to do this, but it's important that we do it. So I commend the sponsor. Thank you for your efforts on this. And I would ask for an Aye vote.

Thank you, Senator. Senator Righter, for a second time? What purpose do you rise, gentleman?

SENATOR RIGHTER:

Madam President, very briefly. I want to thank Senator Koehler for that example and offer to him, anytime that he believes that the airport officials of Peoria need a counsel to give them solid legal advice, I can help them out. Thank you.

And, Senator Castro, obviously we're dealing with the issue of illegal immigration, which is always a hot button topic, so I hope we can just have a conversation here so I can better understand the bill. If I am a landlord and I discover that one of my tenants is in the country illegally, if this were law, what am I not allowed to do?

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Castro.

SENATOR CASTRO:

Thank you, Senator. You are not allowed to use their immigration status to threaten their eviction in the aspect of - because you found out their immigration status - they want to report you to code enforcement because you have an unsafe building;

STATE OF ILLINOIS
101st GENERAL ASSEMBLY
REGULAR SESSION

they want to report you because you're not providing proper heat; because they report violent -- you know, criminal activity at your property. Or you, you know, choose to raise their rent without a proper notice and you tell them, "I'm going to raise your rent. If you complain, I'm going to report you to ICE." This does not prohibit a landlord from -- if they're -- if a -- if a tenant is not paying their rent, if they violate, you know, crime-free housing, does not prohibit a landlord from seeking eviction procedures on that grounds. It's just saying you can't use their immigration status against them as retaliation on them.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Righter.

SENATOR RIGHTER:

Okay, I -- I want to be clear here, Senator, because our reading of the bill does not restrict this issue to retaliation. Our reading of the bill, in fact, indicates that -- that the landlord would not be allowed to report the individual to ICE or proper immigration authorities were they to discover the person was in the country illegally. Do you disagree with that?

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Castro.

SENATOR CASTRO:

So let me ask for clarification, Senator Righter. So you want landlords allowed to report undocumented folks to ICE?

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Righter.

SENATOR RIGHTER:

Yes, I do. I do. But, I mean, tradition here is that the sponsor answers the questions and the -- the other person asks

them. But I'm happy to answer that. Absolutely. I think that -
- I mean, absolutely. So the question is, are you suggesting that
your bill is limited solely to retaliation?

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Castro.

SENATOR CASTRO:

Senator Righter, this bill has been not only negotiated with
a lot of the proponents, but also a lot of the housing advocates
that you see on this bill. It's been a bill that was vetoed by
Governor Rauner based on the status of that he feels that landlords
should report anyone here illegally. And let's face it, our
immigrant population contributes to our economy and they should be
able to find housing wherever they feel they want to have housing
and not live under the cloud of being threatened because they want
to report a bad landlord for not having proper heat, for choosing
to raise the rent without notice, for, you know, reporting a crime
area. I mean, this -- if we're going to do that to the
undocumented, then, you know, how are we going to, you know, have
them, and help our law enforcement folks, report crime? This is
to make -- help them feel safe in their communities.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Righter.

SENATOR RIGHTER:

Okay. So, Senator Castro, if I'm a -- if this becomes law,
I am a landlord -- or a constituent of mine is a landlord and they
discover that one of the individuals to whom they are renting is
in the country illegally, is there anything in this that would
prevent that individual from contacting law enforcement or ICE and
-- and -- and reporting that?

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Righter. To the bill, Senator.

SENATOR RIGHTER:

Thank you very much, Madam President. Ladies and Gentlemen of the Senate, the question here that you will be asked by your constituents back home who are landlords, people who are trying to comply with all the local ordinances and all the State regulations and pay their property taxes and all those things, is, "Did you really vote to prohibit me from reporting to authorities that someone was living in one of my apartments who is in the country illegally?" Is there any other area that you can think of in State policy where you would so tie a landlord's hands? All the rhetoric about living under a cloud and all that, that -- that's completely fine, but you have people who are landlords - it's their property, it's their money - and they choose to report someone who is not in the country legally, they should be allowed to do that. If you vote for this bill, you are telling your landlords, "No, you can't say a word to anyone in law enforcement about that individual." Thank you, Madam President.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Thank you, Senator. Is there any further discussion? Seeing none, Senator Castro, to close.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Cunningham.

SENATOR CUNNINGHAM:

Thank you, Madam President. Senate Bill 1381 is an initiative of the Mid-West Truckers. It amends the Vehicle Code. It just makes some technical changes, mostly to modify the way truck routes are approved and the communication that occurs between IDOT and municipal governments. I know of no opposition and would appreciate your support.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Thank you, Senator. Is there any discussion? Seeing none, the question is, shall Senate Bill 1381 pass. All those in favor, vote Aye. Opposed, Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 56 voting Yea, 0 voting Nay, 0 voting Present. Senate Bill 1381, having received the

SENATOR BENNETT:

Thank you, Madam President. 1468 would expend -- expand the eligibility of volunteer discount programs which are currently offered by businesses to veterans. So often when a veteran might be at active service or at training, their spouse, who uses the same bank account, right now are not able to benefit from those same discount programs. This would say if you have a -- a valid military dependent ID that you would receive those same programs. Again, only for voluntary programs.

STATE OF ILLINOIS
101st GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

19th Legislative Day

3/7/2019

Thank you, Madam President. Senate Bill 1474 makes it clear that the regulation of collective -- bargaining is a power that rests with the State government, not a local government. With nearly seven thousand local governmental bodies, this legislation is needed to make clear that local right-to-work zones have no place in the State of Illinois. This passed on a bipartisan, bicameral basis in 2017. I would respectfully ask for a Yes vote.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Is there any discussion? Senator Oberweis, for what purpose do you rise?

SENATOR OBERWEIS:

A question of the sponsor, Madam President.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Sponsor indicates he will yield. Senator -- Senator Villivalam. Excuse me. Senator Oberweis.

SENATOR OBERWEIS:

Senator, I assume you generally believe in local control and allowing people at a local level to make decisions for themselves. Would that be an accurate statement?

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Villivalam.

SENATOR VILLIVALAM:

I believe that the regulation of collective bargaining is a power that rests with the State government, not -- not a local government entity.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Oberweis.

SENATOR OBERWEIS:

Senator, rather than -- than reading a statement, I'm -- I'm

really asking a question about local interests. I mean, normally we like to allow people to make decisions locally that affect their lives. Generally speaking, people have more confidence in their decisions than they do on decisions made for them in Springfield. Would -- would you not agree with that?

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Villivalam.

SENATOR VILLIVALAM:

I believe that collective bargaining -- the regulation of collective bargaining should be done at the State government, and the people in my district want me to bring this issue forward and make it clear that that -- that that remains the case.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Oberweis.

SENATOR OBERWEIS:

To the bill, please.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

To the bill, Senator.

SENATOR OBERWEIS:

Ladies and Gentlemen, this is a -- a pretty clear attempt, again, by Springfield to take charge of a situation where individual communities are attempting to make decisions for themselves. I believe we ought to allow communities to make their own decision. If they believe something different than we believe here in Springfield, they should have that right to proceed in that matter. I urge a No vote.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Thank you, Senator. Further discussion? Senator Hastings, for what purpose do you rise?

SENATOR HASTINGS:

Since this is his first bill, I think it's appropriate to ask him a few questions. Senator Villivalam, do you believe that you have the right to work here in the Senate?

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Senator Villivalam.

SENATOR VILLIVALAM:

I don't know who -- which Senator he's referring to. I think he missed -- messed up my name. So... I -- with -- with -- I believe I -- I do have the -- the right to work here - you know, earn a decent wage, good working conditions - and, you know, I'm happy to be here.

Thank you. Is there any further discussion? Senator Aquino.
SENATOR AQUINO:

Question -- thank you, Madam President. Questions of the sponsor.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Can we -- can we do the first bill on his second bill, please? Thank you. Is there any further discussion to the bill, not being his first bill? Seeing no discussion, Senator Villivalam, to close, please.

SENATOR VILLIVALAM:

Thank you -- thank you, Madam President, for a number of things. The -- the 6th -- 6th Circuit Court interpreted the term -- term -- the term "territories" included political subdivisions. The 7th Subcircuit {sic} Court clearly ruled that -- that the regulation of collective bargaining is a power that rests with the State government, not local. This legislation would codify the 7th -- 7th Circuit Court decision. This legislation would also codify Section 14(b) of the National Labor Relations Act. Local right to work zones have no place in the State of Illinois. The -- the regulation of collective bargaining should be a responsibility of State government. This is a bill designed to support economic development, protect the quality of essential services for the taxpayers of Illinois, and confirm our commitment to maintaining and producing a highly trained workforce. Absolutely. That is in order. Ladies and Gentlemen, please take your seats. We will learn of the fallen soldier and then request a moment of silence. Please. Senator Schimpf.

SENATOR SCHIMPF:

Thank you, Madam President, fellow Senators. One of the things that -- that we don't often realize is just because there's not a war that's broken out someplace, that doesn't mean that military service is not dangerous. And when -- when our men and women volunteer to serve, when they take that oath, even if there's not a war going on, they have still made the decision that -- that -- that their families, their country, their community, all of us,

are worth making the ultimate sacrifice for. I have the very, very tragic duty of passing on that we did lose a soldier, at least one soldier from -- from Illinois, in my district this past Tuesday. On -- on Tuesday morning, Sergeant Holli Bolinski from Pinckneyville was killed in a car accident in -- Camp Arifjan in Kuwait. Holli was a member of the 657th Transportation Detachment. She is a -- she is a wife and mother of five. So it's just -- it is a -- it's a tremendous loss. And her sacrifice is no less than any soldier, Marine, airman, Coast Guardsman, or sailor that had died, you know, while fighting in a battle. So I would ask that we remember Holli's family in our prayers. That we also remember all of our -- our service members that are out there standing watch for us while we're here in the safety that they provide. I will -- you know, if -- if the family is -- is willing, at a later date I will introduce a death resolution that will talk about the -- the career of Sergeant Holli Bolinski, but for now I did want to bring this to the -- to the Senate's attention. I also wanted to note that this tragedy does impact our Illinois Senate family. This is -- Holli -- Holli is the sister-in-law of Jayette Bolinski, who's on our staff here. So I would like to ask that we keep -- keep the family and keep Jayette in our prayers and that we offer a moment of silence.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Moment of silence is always in order. Ladies and Gentlemen, please rise. (Moment of silence observed) Thank you. Ladies and Gentlemen, we are at the top of the Order of - page 2 - Senate Bills 2nd Reading. Please move your bills from Senate Bills 2nd Reading. Mr. President, beginning with Senate Bill 2.
