SENATOR ROSE:

Thank you. Ladies and Gentlemen, in the President's Gallery, we have the Clinton High School and Clinton Junior High Dance Teams. Now, listen to this, everybody. Both the junior high and the high school won this -- their State applicable tournaments in lyrical, pom/dance, and jazz. It's pretty amazing that you've got a program that wins both the junior high and the high school. The junior high coaches are Kelsey Savage, Zoe' Savage, Scout Savage. High school coaches Jenny Gaff, Jaclynn Power {sic} (Powers), and Mr. Koeppel, their Athletic Director, is also here. I apologize if I butchered anybody's names. In any event, we'd like to welcome them to Springfield, if we can, and congratulate them on their victories.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Please rise and be welcomed to the Illinois General Assembly. Welcome. Senator Fowler, for what purpose do you rise?

McCoy. I'm his intern it feels like. This kid is super smart. I've taken him to meetings with me today and I feel like I'm his intern instead of him being my intern for the day. But a Peoria student, goes to ICC right now. And the thing that I think is so cool, he did some homeschooling as -- as a younger child, got through three years of high school and told his mother, you know what, I think I'd like to be homeschooled my fourth year so I can start working on dual credit, and saved mom and dad a lot of money by having thirty hours of dual credit before he went to ICC as -- and started there for this current year. Major in marketing, interning at Ameren over this summer. Passionate about history and social sciences and wants to be a lobbyist someday. So if folks could please welcome Benjamin McCoy to Springfield, I'd appreciate that.

SENATOR MURPHY:

Colonel Jill Morgenthaler was a friend and a constituent. She lived in Des Plaines and just recently moved to Mt. Prospect, to Senator Gillespie's district. And she is a woman of firsts. She was one of the first women to enter the U.S. Army ROTC program and train equal with men. She was the first woman battalion commander in the 88th Command Division, the first brigadier commander in the 84th Division. And she rose to the rank of colonel. She served for thirty years. She would often tell a story of how she stared down Saddam Hussein, because when they were in the tribunals, he didn't expect to see a woman and she stared him down until he looked away and she was very proud of that. She was a Bronze Star recipient and the Legion of Merit recipient for lifelong leadership. She was the first woman to lead the Homeland Security under former Governor Blagojevich. She ran for Congress. She was a mother and a hero and an inspiration to women all over. And it's so appropriate in International Women's Month -- Day that we recognize her and all the service that she did for the State of Illinois. So I ask you to join me in a moment of silence in recognition of one of our great heroes.

PRESIDING OFFICER: (SENATOR HUNTER)

It's a great loss to the State. Please rise for a moment of silence. (Moment of silence observed) Thank you. Senator Hastings, what purpose do you rise?

SENATOR HASTINGS:

Thank you, Madam President, Members of the Illinois Senate. I want to follow Senator Murphy's statement with honoring our military men and women that are here today. I'm honored to have as my guest today, the Chicago Recruiting Battalion. They interface with our young people across the Chicagoland area and try to have them join the United States Army, which is a profession of multiple professions. If you want to be a doctor, you can be a doctor; if you want to be a lawyer, you can be a lawyer; if you want to be an engineer, you can be an engineer. Our three gentlemen here today is Colonel Cruz, Sergeant Major Fairchild, Colonel Groppe, and then we have Sue and Dawn, who support them through education services. All three of our Armed Service members today have deployed to combat operations, whether that be in Iraq or Afghanistan. They're here today to further opportunities for young people across the State of Illinois and I want to give 'em a warm Springfield welcome. Thank you very much.

SENATOR McCONCHIE:

Thank you. I ask the Members of the Assembly to just be quiet for a moment. I want to take a moment to remember and honor the life of Deputy Jacob Keitner {sic} (Keltner) of the McHenry County Sheriff's Office, who was a resident of Crystal Lake and a member

PRESIDING OFFICER: (SENATOR HUNTER)

Before you proceed, Senator, please hold your voices down.

SENATOR McCONCHIE:

Deputy Keltner was shot and killed last week as he and other members of the Great Lakes Regional Fugitive Task Force attempted to serve a warrant to a man who was staying at a hotel in Rockford. We are all familiar with the tragic events that unfolded that day and the pain that it has caused not only his loved ones, but our entire community. Following in his father's footsteps, I'm told that Deputy Keitner {sic} always wanted to be a police officer from a very young age. He started in a civilian position in the DuPage County Sheriff's Department and soon joined the McHenry County Sheriff's Department, where he served with dignity for the past thirteen years. According to his wife, Becki, he loved everything about his job and looked forward to going to work every day. In a letter she wrote following his death last week, she called him, quote, "a true patriot who wanted to protect the people of his country". I couldn't agree more - he was a true patriot and servant of us all indeed. He was also a loving husband, a son, brother, and father of two young children. Today, may we join his family and friends in mourning his loss and may we always remember Deputy Keitner {sic} for his courageous service. And as his wife, Becki, encouraged us in her letter, let us not remember him as a statistic, but rather let's remember him as a great man who sacrificed his life to protect others. I would ask that we have a brief moment of silence in his honor.

PRESIDING OFFICER: (SENATOR HUNTER)

Please stand for a moment of silence. (Moment of silence)

Thank -- thank you, Madam President, Members of the Senate. This resolution also requires that the -- the Office of Secretary, Department of Financial and Professional Regulation provide the Task Force with administrative and other support. SENATOR MULROE:

Thank you, Madam President, Members of the Senate. Senate Bill 1504 removes language from the Code of Civil Procedure that stated that if an attorney filed an appearance on behalf of a person whose fees and costs were waived - so this is a person who is indigent - that that attorney must pay all fines -- fines, costs, and charges related to the action. So, currently, an attorney would have to pay fines and costs related to the action of an indigent person whose costs were waived. We're amending the statute to say, if that were the case, the attorney doesn't have to pay costs. I'd ask for your support. I don't believe there's any opposition.

PRESIDING OFFICER: (SENATOR HUNTER)

Is there any questions? Senator Mulroe, to close. The question is, shall Senate Bill 1504 pass. All those in favor, vote Aye. The opposed, Nay. The voting is open. Have all voted who wish? PRESIDING OFFICER: (SENATOR HUNTER)

Senator Bennett.

SENATOR BENNETT:

Thank you, Madam President. Senate Bill 1579 tries to make up for a tragedy that occurred in Vermilion County and probably all over the State. Under our current Property Tax Code, if a veteran with a surviving spouse applies for a property tax homestead exemption for veterans with disabilities and is approved, then their spouse would receive that same homestead exemption after their death. What happened in Vermilion County, under the current statute, is that the veteran applied for - but it takes weeks, sometimes months, for the exemption to be granted - while that was still pending, he died. And since it was later approved - it was not approved at the time of his death - the spouse did not enjoy that same exemption. This tries to fix that, because it's not the fault of the veteran. They certainly don't have any -- any ability to move ahead that approval process. This would make sure the time of the application, that's where we care whether or not the -- the spouse is surviving the veteran. We'd ask for an Aye vote.
