PRESIDING OFFICER: (SENATOR KOEHLER)

To all Members in the Senate, we'll be going to 2nd Readings pretty soon. Senator Rose, for what purpose do you seek recognition?

SENATOR ROSE:

Point of personal privilege, if I may, Mr. President.

PRESIDING OFFICER: (SENATOR KOEHLER)

Please state your point.

SENATOR ROSE:

Ladies and Gentlemen, in the -- in the President's Gallery, we've got the Heyworth High School, Mr. Lawler senior Civics Class students. This is the trip for their last day at school and somehow they chose to come to Springfield to visit us. So before they leave -- and by the way, Ladies and Gentlemen, we're going to have some U of I students, some ISU students, some Eastern students; we've got a couple people that are enlisting in our nation's military; and we've got a couple people who are already serving on the local Heyworth fire department, Randolph Township Fire Department. And so, with that, we would like to welcome them, but before they leave -- I already gave them one extra credit for their test. And in the President's Chair today is Senator Dave Koehler, who is Peoria's finest, so if you put down Koehler and Peoria, Mr. Lawler's going to give you another bonus point on your test. Let's welcome 'em to Springfield.

PRESIDING OFFICER: (SENATOR KOEHLER)

Will our guests please rise? Welcome to the Illinois Senate. On page 11 on the Calendar, Order of House Bills 2nd Reading, we'll start with House Bill 2076. Senator Gillespie. House Bill 2078.

SENATOR HASTINGS:

Now listen up, everybody in the Chamber. I want to make sure everyone listens to this. This is so important. I'm not wearing the hideous blue coat that Senator Cullerton wore last week -- or two weeks ago for that basketball game. It barely even fit him. But I want to tell everybody in this Chamber a few things. We've had some of the best athletes come through this Chamber that the Senate has ever seen. We've had the likes of Matt Murphy, who managed to blow his knee out running to first base. But he's back. He was back on the game -- he was back on the ballfield right after that. Last year, after last year's softball game, Senator Syverson, he had to have his spine fused. He's out there playing basketball this year. He's not complaining. He's not complaining at all. Right, Senator? Game end. But when I asked Senator Peters if he wanted to play softball, he told me he bumped his knee in the basketball game so he may not be able to run down the... I said, "It's okay, Senator Peters." In the Senate - in the Senate - great moments are borne from great opportunities, Senator Peters. And that's what we have here today, everybody. That's what you've earned here - one game. And we may have lost nine out of the last ten games to the House of Representatives, but not tonight. Not tonight! Tonight is our night! It is our night and we will win this game tonight! So, if you wouldn't mind, at 5 o'clock, you can show up to the ballfield, Jackson {sic} Park. It's on -- I think it's the east end of town, I believe. Jackson {sic} Park.

If you haven't committed to playing in the game, it's not too late to commit. We really look forward to everyone playing tonight and seeing Senator Oberweis on the mound. Thank you, Mr. President. God bless the Senate. Hopefully we have a big win tonight. Thank you, sir.

I'd like to thank Senator Hastings for making the blue jacket reference, because it reminded me that I've got to speak and introduce my Page for the Day, M'Laah Singh. M'Laah is a sophomore at Neuqua Valley High School. She has made State at Business Professionals of America with Legal Office Procedures.
