SENATOR STEANS:

Yes, this bill's an initiative of the Department of Human Services to bring us into compliance with the Ligas federal Consent Decree. It provides a .26, or twenty-six-cent, hour wage increase for direct care personnel in ICF/DDs, or the intermediate care facility {sic} (facilities) for developmentally disabled

individuals, and the medically complex facilities for developmental disabled, or the MC/DDs. We had had some discussion in committee about when this twenty-six percent {sic} increase would be applied. It's not going to be applied before the regionalization factor happens, but after. So every single facility will see the full twenty-six-cent increase. I would urge your Aye vote. It does not require increased appropriation authority. We already have the appropriation authority needed and the revenue needed to cover this twenty-six-cent increase. Thank you.

PRESIDING OFFICER: (SENATOR MARTINEZ)

Is there any discussion? Senator Syverson, for what purpose do you rise?

SENATOR SYVERSON:

I just wanted to take a second, tell our side as well, to thank the Senator for her leadership on this. This is an important piece that will deal with this consent decree. And in negotiating the rates, it helped make that uniform throughout the whole State. So thank you for that. I'm sure we'll be back with added pressure because of the minimum wage increases. So this is something that we'll be seeing again for the next couple years, but at least this gets us by for this year. And I want to thank you and urge our Members to support this as well.

SENATOR BRADY:

Ladies and -- Ladies and Gentlemen of the Illinois Senate, let me have your attention. Today I'm proud to welcome the Williamsville High School Football Class 3A Champions to the Illinois Senate. This team, led by Head Coach Aaron Kunz, demonstrated how hard work, perseverance, and dedication can overcome any obstacle. Down ten points in the Class 3A title game to Byron, Williamsville never gave up, and they knew they could still win. They started their comeback when quarterback Conor McCormick hit wide receiver Brendon Bishop in stride for a score with three minutes and thirty seconds left, cutting the Byron lead back to three. This play, and the steadfast leadership of their coach, set the stage for the comeback that won Williamsville a State championship. As Coach Kunz said after the game, "There were plenty of times we could have folded. But like I've said all year, this is a relentless group. They never quit tonight." You must be Republicans.
