26. is Senator Carroll on the Floor? Senator Partee.

27. SENATOR PARTEE:

28. Senator Carroll isn't on the Floor but this is his bill. I
29. know that he has no objection to this amendment. This is a bill
30. that we discussed momentarily the other day that relates to that
31. industry in Illinois which rents automobiles. Now, the amendment
32. simply makes of a violation of the theft act where one rents an
33. automobile an' refuses to bring it back an' goes into another State,

1. it gives the state's attorney of the county where the automo-
2. bile was rented the option of either filing a misdemeanor or
3. a felony complaint against the violator. Now the n...reason
4. for having the option to file a felony complaint is because
5. under our extradition laws if a person is in another state you
6. cannot return him on a misdemeanor complaint. Hence, the state's
7. attorney should have the option to file a felony complaint to
8. bring a person back where he is in another state pursuant to
9. our laws on extradition. This is simply all this amendment
10. does an I'd ask for it's adoption.

11. PRESIDENT:

12. Motion for the adoption...since the S...Senate sponsor's
13. not here wer... it's being adopted with the understanding that
14. if there's any objection it can be called back an we can reconsider.

11. for the purpose of amendment, adopt the amendment and then
12. perhaps not call it today, but wait until the amendment's
13. actually printed so that the members could look at it in its
14. amended form.

15. PRESIDENT:

16. 1267 is brought back to 2nd reading for purposes of a
17. amendment. You wish to explain the amendment, Senator Coulson?

18. SENATOR COULSON:

19. Mr. President, this amendment at the suggestion the Pro
20. Tem...ah..changes the effective date of the act. It also removes
21. the appropriation....there was an appropriation of one dollar,
22. but I thought that was being extravagant...we'll see if we can't
23. save that...and it also specifies that this shall be only for
24. the charity meetings authorized by the State, other than that
25. has no effect.

26. PRESIDENT:

27. Is there any discussion? All in favor signify by saying aye.
28. Contrary minded. The amendment is adopted. The bill is returned
29. to 3rd reading. 1288 Senator Knuepfer.

30. SENATOR KNUEPFER:

31. Ah...1288 is slightly different than the Calendar says. It
32. is a totally permissive bill. Ah...it implements that section
33. of the constitution which permits local..ah..county treasurers

1. to act as treasurers of local units of government. Ah...it's
2. permissive insofar as the county treasurer has to agree to
3. accept the job an' the local unit of government, school board,
4. or what have you, has to agree to give the job to him. Ah...
5. if they both agree then this bill simply sets up the frame work
6. within which these procedures will be operative.

7. PRESIDENT:

8. Is there any discussion? Secretary will call the roll.

29. bill having failed to receive the constitutional majority is
30. declared defeated. 1321 Senator Sours.

31. SENATOR SOURS:

32. Mr. President an' Senators, this bill has enjoyed the scrutiny
33. of the task force an' has their approbation. It appropriates ex-

1. actly what it says it does for the very specific purpose noted
2. in the syllabus. I'd appreciate a favorable roll call.

19. SENATOR EGAN:

20. Mr. President, ...eh . SB1334 was heard in the Revenue
21. committee last week..and...ah...was...referred onto the Calendar

32. is granted. 1337 Senator Knuepfer. Hold. 1338 Senator Cherry.
33. Is Senator Cherry on the Floor? You wanna handle...are you

6. day of June...an it pro...raises the minimum pension from three
7. hundred t four hundred dollars a month for the widows of they

9. the bill for signature till the 24th of August an' in that interim
10. m...two or more employees died who would be e ligible for this...whose
11. widow^s' would be e ligible for this award...this bill...this

call-

1. ing back Senate bills 1515 through 1520. These are bills that

12. same amendment on all bills?

13. SENATOR DOUGHERTY:

14. The same amendment...o...on all...it's a whole new amendment,
15. but it justchange the date. There was an error in the drafting

13. Senator Mitchler, 1501.

14. SENATOR MITCHLER:

15. Ah...Mr. President, members of the Senate, SB1501 is a
16. bill for the...ah...department of Agriculture with the approval
17. of the Veterinarian Association of Illinois an' this amends the
18. Rabies Control Act. What it basically does, it authorizes the
19. department of Agriculture to reduce the ten day confinement
20. period for purpose of detection of rabies of an animal which
21. has been bitten by a person, which has bitten a person...vice
22. versa... never know what happens these days...man bites dog.
23. The serum that they use in testing the...er...under the rabies
24. control act can be detected by taking a sample at the time that
25. the animal bites the person an' have the same results as confining
26. the dog or other animal for a period of ten days. Now, often
27. for example if a dog gets hit by a car they are required to
28. keep this dog alive an' do everything they can for a period of
29. ten days j s to conform with the present rabies control act
30. an' it has been agreed that ...ah...in the cases...ah...where
31. they can get the proper testing that it would be alright to
32. dispose of the animal an' I would ask for a favorable roll call.

33.

1. PRESIDENT:
2. Senator Nihill.
3. SENATOR NIHILL:
4. Mr. President, will ...ah...Senator Mitchler yield to a
5. question?
6. PRESIDENT:
7. He indicates...
8. SENATOR NIHILL:
9. Who want's this bill?
10. SENATOR MITCHLER:
11. He...the Department of Agriculture is the prime sponsor
12. an' it has the approval of the Illinois Veterinarians Association.
13. PRESIDENT:
14. Th...ah...Senator Nihill.
15. SENATOR NIHILL:
16. I know about 25 or more veterinarians. I haven't heard
17. word from either one of em on this thing. I'm getting some
18. news here, they a...said they all talked to you.
19. PRESIDENT:
20. Is there further discussion? Senator Mitchler may close
21. the debate.
22. SENATOR MITCHLER
23. I'd appreciate a favorable roll call.

4. PRESIDENT:

5. Egan aye, Clarke aye, Savickas aye, Lyons aye, Ozinga aye,
6. On that question, the yeas are 42. The nays are none. The
7. bill having received a constitutional majority's declared passed.
8. 1527 Senator Groen. Senator Groen 1527.

9. SENATOR GROEN:

10. Yes, Mr. President...th...no...no, there's an amendment
11. to this bill. Senator Sours has an amendment...ah...to 1527...
12. 1527 do you have an amendment for that bill Senator? No thi...no
13. that's a different bill. 1527...ah...Mr. President an' members
14. of the Senate, does exactly what it is. This bill deals with
15. the Chicago public schools teachers system, provides supplemental
16. pension benefits which we have previously voted. It's a closed
17. group an' by attrition will ultimately disappear. This appropriation,
18. I am advised, is less than...than a year ago. I understand
19. there was a lapse on the preceeding appropriation because more
20. people died than was anticipated...and...ah...this would of
21. course continue undoubtably over the years until this appropriation
22. becomes...ah...obsolete an' there is no...ah...necessity for
23. it. I would move the ado...the...the approval of the bill.

3. PRESIDENT:

4. Bruce aye, Ozinga aye, Carpentier aye. On that question
5. the yeas are 47. The nays are none. The bill having received
6. a constitutional majority is declared passed. Senator Walker
7. I understand you are ready now on that series that was amended
8. by Senator Dougherty, is that correct, 1515 through 20. Senator
9. Walker.

10. SENATOR WALKER:

11. Ah...thank you Mr. President, ah...yes these bills were
12. introduced at the...bequest of the Illinois...ah..Municipal
13. League an' what they do is to permit the interest rate to be
14. 7% until July of 1973. They were amended a short time ago by
15. Senator Dougherty to put on the home rule amendment an' to make
16. a...ah... change a typographical error in one of the bills.
17. They're the same series of bills that we passed out a here a
18. year ago an' I'd appreciate your support.

19. PRESIDENT:

20. Senator Rock.

21. SENATOR ROCK:

22. Yes, Mr. President, members of the Senate, as a cosponsor
23. of these bills I rise in support thereof an' ask all the members
24. on this side to give their favorable consideration to these
25. bills.

26. PRESIDENT:

27. Is...is there objection to the use of one roll call for
28. all the bills? Leave is granted. Senator Clarke.

29. SENATOR CLARKE:

30. Mr. President, I was just...ah.. wanted to ask the sponsor
31. about this 1517 that I understand sets a permanent basis for
32. 7%... ah...rather than just extending it for one year. Now,
33. this is different from the way these bills were represented.
I just wanted to ask about that.

1. PRESIDENT:

2. Senator Walker.

3. SENATOR WALKER:

4. Ah...yes, SB1517 makes the extension of the municipal code
5. and the...ah...certain sections of statute on special assessments...
6. ah...if the bill...ah...if...if the extent to the rate is 7%
7. is on a permanent basis there's no provision for return @ 6%
8. due to the fact that there's a lengthy time lag between the
9. spreading of the assessment a sale of bonds which might adversely
10. affect if there were an end date of the 7%. Now there's other
11. sections of the special assessment act having to do with bond
12. interest...ah... a... and these have been extended to a 7% permanent
13. basis by a primer... prior session of the general assembly so
14. what 1517 does is actually put this particular bill in line
15. with prior bills due to the time lag between the spreading and
16. the...of...the assessment and the sale of the bonds.

17. PRESIDENT:

18. Is there further discussion? Senator Clarke.

19. SENATOR CLARKE:

20. Well...I...I'm gonna suggest...I mean that amendment ..
21. and the explanation still leaves me confused and...ah...you know
22. before I'm reading to vote on this I'd like to look at the amend-
23. ments and...and...talk to him about...talk to the sponsor about
24. this question because I think this is something that we ought to
25. know fully what we're doing before we vote on it.

26. PRESIDENT:

27. Senator Walker, do you wish to hold the bills?

28. SENATOR WALKER:

29. As I understand it there's a question on 1517 and I want to
30. dispose to them. Let's take 1517 out...Jim, may I have the mike
31. for a minute....let's take 1517 out a the series, pass the others...
32. is there any objection to that on the part of my leader.

33. PRESIDENT:

1. Apparently that is agreeable 1517 will be held an we will
2. vote on the others. Is there any discussion on...Senator Mc-
3. Carthy.

4. SENATOR MCCARTHY:

5. Senator Walker, ah...wonder if I may ask you a question?
6. Jack.....

7. PRESIDENT:

8. He indicates he will yield.

9. SENATOR MCCARTHY:

10. Ah...the digest on...ah...1516 indicates that the extension..
11. ah.. goes to July 1 of 1973 for 7% maximum an after July 1,
12. 73, it goes to 6 1/2% maximum. I don't have the bill in from
13. of me, but is that 6 1/2% a change in the present law?

14. PRESIDENT:

15. Senator Walker.

16. SENATOR WALKER:

17. Ah...the 1516...ah...the bill itself, unless it was amended...
18. ah... by Senator Dougherty to read otherwise, it says these
19. bonds shall bear interest at the rate of not more than 7% annually
20. if issued prior to July 1, 73 an' at a rate of not more than
21. 6½% annually if issued after July 1, 1973. That answer your
22. question Bob?

23. PRESIDENT:

24. Senator McCarthy.

25. SENATOR MCCARTHY:

26. Not really but I'll look at the bill.

27. PRESIDENT:

28. Senator Laughlin.

29. SENATOR LAUGHLIN:

30. Yes, Mr. President...ah...I understood Senator Walker,
31. if you'd yield to a question an' I'm sure you will that Senator
32. Dougherty put on the home rule amendment. Now I've been reading
33. in the bills an' the bills in the book already contain a provision
that this limitation does not apply to home rule units so why
would

1. Senator Dougherty have amended them again?

2. PRESIDENT:

3. Senator Dougherty.

4. SENATOR DOUGHERTY:

5. The home rule amendment was already on it. I struck the
6. home rule amendment as it appears on the bill now an inserted
7. another home rule amendment, an the amendment reads... this
8. is what the new amendment reads: The amendatory act of 1972
9. is not a limit upon any municipality which is a home rule unit.

10. PRESIDENT:

11. Sen...Senator Laughlin.

12. SENATOR LAUGHLIN:

13. Well, I'm just a little confused because for example on...ah...
14. well, let's just pick one out here on 1515 it says nothing in
15. this amendatory act shall be construed to be a limitation upon
16. any municipality which is a home rule unit. Now i...is there
17. a technical reason for a different amendment.

18. PRESIDENT:

19. Senator Dougherty.

20. SENATOR DOUGHERTY:

21. A matter of the semantics is really what it is. A language
22. change to make it more binding.

23. PRESIDENT:

24. Senator Laughlin.

25. SENATOR LAUGHLIN:

26. I just have this comment, it's very interesting that Senator
27. Rock from the city of Chicago should get up an urge everyone
28. to vote for this bill because it doesn't ap...obviously apply
29. to the city of Chicago.

30. PRESIDENT:

31. Is there further discussion? Th...Senator Walker may close
32. the debate.

33. SENATOR WALKER:

1. Ah...Mr. President, thank you, I think the reason that
2. Senator Rock is a co-sponsor because we wanted bi-partisan...ah...
3. sponsorship an' he has an interest in the suburban areas. I
4. occasionally have an interest in the city of Chicago. So that's
5. the reason for the bi-partisan sponsorship. I would appreciate
6. the support as I recall this 1517 it was taken out of the series
7. of bills 15...1516, 18, 19 an 1520.

8. PRESIDENT:

9. The Secretary will call the roll. This one roll call will
10. apply as Senator Walker has just indicated to Senate bills 1515,
11. 16, 18 19, an 20. 1517 is taken out of the roll call. For
12. what purpose does Senator Merritt arise?

13. SENATOR MERRITT:

14. Ah...Mr. President, just very briefly I wonder if the sponsor
15. would yield to a question.

16. PRESIDENT:

17. Senator Walker, Senator Merritt wishes direct attention...ah.
18. .. question to you.

19. SENATOR MERRIT:

20. Ah...I would assume...ah...Senator Walker that these bonds
21. must be sold to the...ah...best bidder.

22. PRESIDENT:

23. Senator Walker.

24. SENATOR WALKER:

25. Ah...that is...ah...that is always the...ah...the case.
26. They're submitted for bids..ah...they aren't negotiated...ah...sales
27. ...ah...they're always submitted...ah..for bidding...and...ah...
28. the present...present bonds are...ah... good bonds are at 5.8
29. which is pretty close to 6 at the present time an' that's the
30. reason for extending this interest rate for another year to
31. 7%.

32. PRESIDENT:

33. Sentor...Secretary'll call the roll.

SECRETARY:

1. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier,
2. Carroll, Cherry, Chew, Clarke, Collins, Coulson, Course, Davidson,
3. Donnewald, Dougherty, Egan, Fawell, Gilbert, Graham, Groen,
4. Hall, Harris, Horsley, Hynes, Johns, Knuepfer, Knuppel, Kosinski,
5. Kusibab, Latherow, Laughlin, Lyons, McBroom, McCarthy, Merritt,
6. Mitchler, Mohr, Neistein, Newhouse, Nihill, O.O'Brien, Ozinga,
7. Palmer, Partee, Rock, Romano, Rosander, Saperstein, Savickas,
8. Smith, Soper, Sours, Swinarski, Vadalabene, Walker, Weaver.

9. PRESIDENT:

10. Lyons aye, Merritt aye, ...aye, Vadalabene aye. On that...on
11. those measures the yeas are 35. The nays are 2. The bills having
12. received a constitutional majority are declared passed. 1530
13. Senator Ozinga.

14. SENATOR OZINGA:

15. ...might as well...might as well. This bill amends...this
16. is an administration bill by the way it...is intended to improve
17. the quality an care...state institutions. This bill amends
18. the medical practices act. Provides that state hospital permits
19. may be renewed only twice before a period of...years...

20. PRESIDENT:

21. Ju...just a moment. For what purpose Senator Dougherty
22. arise?

23. SENATOR DOUGHERTY:

24. I was just going to suggest to Senator Ozinga that he hold
25. this bill for a day or two because we have some reservations
26. an it could be cleared up by some consultation. I would ask
27. him to hold it for a day or so.

28. PRESIDENT:

29. Senator indicates he will. Senator Groen, you wish to,
30. is

31.
32.
33.

1. Senator Groen, on the...ah...you wish to amend that...you have
2. a bill you wish to amend?

3. SENATOR GROEN:

4. Mr. President, the bill is on the Secre...er...the amendment
5. is on the Secretary's desk an it's SB1460 amendment No. 1.
6. There's a...

7. PRESIDENT:

8. 1460...sponsored by Senator Groen is called back to 2nd
9. reading, for purposes of amendment. Senator Groen may explain
10. the amendment.

11. SENATOR GROEN:

12. If members will turn to the bill, it's a very short bill
13. and in line 13 there's a typographical error. The word if as
14. it appears should be is an' that's all this amendment does an
15. I would move it's adoption.

16. PRESIDENT:

17. Is there any discussion? All in favor of the adoption
18. of the....amendment indicate by saying aye. Contrary minded.
19. The amendment is adopted. Senator Ozinga...ah...it's returned
20. to 3rd reading. Senator Ozinga.

21. SENATOR OZINGA:

22. Ah...if I could just revert to 2nd reading for just a minute.
23. I just brought up a...an amendment which we had to correct this
24. morning when we were on 2nd reading. It is SB1504. We inadvertant-
25. ly left out a part of a...

26. PRESIDENT:

27. Alright. Just a moment...were...we'll...Senator Graham
28. also has a bill on 2nd reading we wanna dispose of so we'll
29. move to 2nd reading, Senate bills on 2nd reading. 1504 Senator
30. Ozinga...

31. SENATOR OZINGA:

32.

33.

1. This is the amendment...

2. PRESIDENT:

3. ...the amendment.

4. SENATOR OZINGA:

5. ...this is the amendment that I agreed to put on the bill.

6. I have checked it out with Senator Newhouse an' Saperstein and

7. they have consented to the language that I've used an' what it

8. does it requires that notice of a review be given to the parents

9. an' a copy of which shall also be given to the school board,

10. an' I would move it's adoption.

11. PRESIDENT:

12. Is there any discussion? All in favor signify by saying

13. aye. Contrary minded. The amendment is adopted. 3rd reading.

14. Senator Graham wishes to advance 1529 for Senator Baltz. 1529.

15. SECRETARY:

16. 2nd reading of the bill. No committee amendments.

17. PRESIDENT:

18. Any amendments from the Floor? 3rd reading. Senator Groen

19. do you wish to take up 1460 then? Senator Groen.

20. SENATOR GROEN:

21. Yes, Mr. President, SB1460 is a bill given to me by the

22. Director of Insurance...ah...an' it's sponsored by the Department

23. of Insurance. The bill amends article 32 of the premium finance

24. company's section 515 of the Illinois Insurance Code. It adds

25. a penalty clause for a person found to be engaged in the business

26. of financing insurance premiums without a license an' authorizes

27. a penalty of not more than a thousand dollars. The reason for

28. the bill according to the department is that the Illinois Insurance

29. Code provides the penalty not exceeding 5 hundred dollars for

30. any violation of any provision of the Code. However, in this

31. case they feel that the penalty provisiongeneral penalty

32. provision is inadequate. They have had numerous problems in

33. this field an' would like to have the penalty increased so that

they can...ah...more effectively require compliance with the
premium

1. finance article. I know of no objection to it.

2. PRESIDENT:

3. Senator Partee.

4. SENATOR PARTEE:

5. Well, how many prosecutions have there been in the last
6. year under the existing...ah...structure of fines?

7. PRESIDENT:

8. Senator Groen.

9. SENATOR GROEN:

10. I cannot answer the question.

11. PRESIDENT:

12. Senator Partee.

13. SENATOR PARTEE:

14. Well, you know I...I just would like to know because some-
15. times when we're ask to increase penalties...ah...they haven't even
16. gone after penalties in the first instance an' I just wanted to
17. know if..I would like to know the answer to that question.

18. PRESIDENT:

19. Senator Laughlin.

20. SENATOR LAUGHLIN:

21. Yes, Mr. President, Senator Groen, if you'd yield. What
22. happens to the penalties that are...these civil penalties that
23. are assessed, where does the money go?

24. PRESIDENT:

25. Senator Groen.

26. SENATOR GROEN:

27. I would think it would go into the general fund of the
28. state of Illinois, Senator.

29. PRESIDENT:

30. Senator Laughlin.

31. SENATOR LAUGHLIN.

32. Well, I would think so too, but I don't know and that's the
33. reason I asked the question.

1. PRESIDENT:

2. Is there further discussion? Senator Groen may close the
3. debate.

4. SENATOR GROEN:

5. Well...M...Mr. President...ah...I...I...I...in answer t
6. Senator Laughlin's inquiry I would presume that's where the
7. money goes there is no other provision for it so I think it
8. would have to go there and in answer to Senator Partee's...ah...in-
9. quiry...ah...i...I could not answer that question because I
10. do not know how many prosecutions there were under the act.
11. Ah...I...I do know that they have had problems in this field,
12. that persons are actually financing these things without a license,
13. there I understand have been defalcations as a result of it
14. and...ah...it's an effort on the part of the department to strengthen
15. the act to better protect the public from defaults in this...ah...
16. in...in the...ah...premium finance funds. Now, the question
17. was asked previously whether or not this would apply to...an
18. in committee it was asked whether this would apply to an agent
19. or a broker. The answer to that is no it would not because
20. they are specifically exempt under the act. This is...would
21. apply to people who are professionally in this business.

22. PRESIDENT:

23. Is there further discussion? Secretary will call the roll.

24. SECRETARY:

25. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier,
26. Carroll, Cherry, Chew, Clarke, Collins, Coulson, Course Davidson,
27. Donnewald, Dougherty, Egan, Fawell, Gilbert, Graham, Groen,
28. Hall, Harris, Horsley, Hynes, Johns, Knuepfer, Knuppel,, Kosinski,
29. Kusibab, Latherow, Laughlin, Lyons, McBroom, McCarthy, Merritt,
30. Mitchler, Mohr, Neistein, Newhouse, Nihill, O'Brien, Ozinga,
31. Palmer, Partee, Rock, Romano, Rosander, Saperstein, Savickas,
32. Smith, Soper, Sours, Swinarski, Vadalabene, Walker, Weaver.

33. PRESIDENT:

1. Sours aye. Knuepfer aye. Senator Groen.

2. SENATOR GROEN:

3. Well, Mr. President, I don't know why people aren't voting
4. for this bill,. Everyone rises an' criticizes the Department of
5. Insurance because they don't protect the public. They're asking
6. you for the tools to do it an apparently you don't want to give
7. them those tools so I say to you when people run off with ...ah...
8. premiums paid by insureds...ah...who are operating illegally
9. don't complain to the department. Just look at your own conscious
10. an' say I could have helped stop it but didn't. I'd ask for
11. a call of the absentees.

12. PRESIDENT:

13. Request for a call of the absentees. The absentees will
14. be called.

15. SECRETARY:

16. Arrington, Baltz, Bruce, Carroll, Cherry, Chew, Course,
17. Davidson, Donnewald, Dougherty, Graham, H...Hall, Hunes, Kusibab,
18. Latherow, Lyons, McBroom, McCarthy, Mohr, Neistein, Newhouse,
19. Nihill, O'Brien, Palmer, Partee, Rock, Romano, Saperstein, Savickas,
20. Smith, Swinarski, Vadalabene,

21. PRESIDENT:

22. On that question the yeas are 31. The nays are none.
23. The bill having received a constitutional majority is declared
24. passed. H...Senator Partee.

25. SENATOR PARTEE:

26. Ah...just an announcement Mr. President...ah...Senator
27. Kusibab is not present today for the reason that his wife is
28. being operated on today. Now, just...ah...one other announcement,
29. Mr. President an' that is that pursuant to the...ah...motion
30. that we passed the other day...ah...which was authored by Senator
31. Groen...ah...certain bills were Tabled...a... with the reservation
32. that some of them could be revived. Now, there
33.

1. are four I'd like to discuss today which we would ask for im-
2. mediate revival of. There're others that the members have indicated
3. they want revived an' Senator Clarke an' I'll be meeting an' we'll
4. give a definitive answer on the others in the day...next day
5. or two. But these four specifically we want...ah...today.
6. One is HB2659, which is know generally as the Scenic Rivers
7. bill. An' another one...ah...a group of bills...two bills HB3030
8. an' 3047 relates to the subject of the judicial inquiry. We
9. are immediately reviving those by the terms of this motion.
10. Ah...there's one called HB2019, which relates to insurance,
11. which the Department of Insurance has just changed it's position
12. on an' HB841, which is a bill which was in a s...ah...state of
13. quandary until...ah...the positions have changed. Now those
14. four I'm now moving...ah...be immediately revived...ah...pur-
15. suant to the resolution...five...yes...ah...pursuant to the
16. resolution an' the terms thereof.

17. PRESIDENT:

18. Ah...I...I was not here when that...ah...understanding
19. was reached.

20. SENATOR PARTEE:

21. Well, to bring you up to date, sir, we...ah...a resolution
22. was passed last week which brought a demise to all bills all...ah..
23. Senate bills which were introduced subsequent to July first,
24. no before July first an' to all House bills which had passed
25. the House an' had reached the Senate prior to July 1st....an'
26. by the terms of that Motion all those bills became in the language
27. of Senator Sours moribund hence an' the another portion of the
28. motion was that Senator Clarke an' I jointly an' unanimously could
29. move to revive certain bills which would be caught within that
30. ora an' these five bills are among the ones which we are reviving.

31. PRESIDENT:

32. Alright.

33. SENATOR PARTEE:

Others as I've said will...we'll subsequently discuss.

215 811 +
2nd Reading
5/9/72

1. PRESIDENT:

2. Alright,...that...the ...I...the parliamentarian has handed
3. me the Motion by Senator Groen. It is a motion tha table those
4. bills. Senator Partee, now moves to take from the Table the
5. designated bills. Is there any question on the matter? All
6. in favor of the Motion, Senator Partee...

7. SENATOR PARTEE:

8. I think we ought just add to that Motion an return them
9. to their status at the time of Tabling so that there won't be
10. any question about it.

11. PRESIDENT:

12. Alright. Is there any dis...question...discussion? All
13. in favor signify by saying aye. Contrary minded. Motion prevails.
14. House bills on 3rd reading. 810 Senator Newhouse, can 810 an
15. 811 be considered on one roll call, Senator?

16. SENATOR NEWHOUSE:

17. Ah...y...yes, Mr. President.

18. PRESIDENT:

19. 8....Is there objection to that by any member? The leave
20. is granted. Senator Newhouse.

21. SENATOR NEWHOUSE.

22. Ah...Mr. President...I have before I go into the bills,
23. I have an amendment number 2 to House bill...to Senator bill
24. number 8...ah...811. I'd like to move it back to 2nd for the
25. purpose of amendment.

26. PRESIDENT:

27. 811 is brought back to 2nd reading for purposes of amendment.
28. Jus..just a moment...d...d...do...

29. SENATOR NEWHOUSE:

30. Let me...

31. PRESIDENT:

32. d....does the....explain the amendment, Senator Newhouse.

33. SENATOR NEWHOUSE:

1. SENATOR NEWHOUSE:

2. Ah...Mr. President, Senators, this amendment is a technical
3. amendment. Now, what was done in this Section of the... of...of
4. HB811 was that there was a change in the act an' in making the
5. deletions on that act there were four lines left out pursuant
6. to line 7 an' in line 5 the title was changed, so that's the
7. technical change that's made in the amendment not a substantive
8. change. I move it's adoption.

9. PRESIDENT:

10. Any discussion? All in favor signify by saying aye. Contrary
11. minded. The amendment's adopted. Any further amendments.
12. 3rd reading. Senator Newhouse, is now recognized for discussion
13. of Senate Bills 810 an 811.

14. SENATOR NEWHOUSE:

15. Now, Mr. President an Senators, ...ah...SB8...810 an 811...

16. PRESIDENT:

17. Ho...House bills, I'm sorry...

18. SENATOR NEWHOUSE:

19. I'm sorry, House bills, are result of commission work an^d
20. we been working on them diligently for some time. If you'll
21. recall about a week ago there was distributed to each Senator
22. ..ah...a digest of the code and...of...of this explanation.
23. Ah... since that time the amendments to these p...2 particular
24. bills have been placed in the book. Ah...it's a fairly comprehensive
25. bill an' I take it that everyone's had a chance to read it.
26. Ah...this bill has bipartisan sponsorship. It's come out of
27. the House heavily recommended an' I move it's adoption.

28. PRESIDENT:

29. Is there any discussion? The bill...this is the...the
30. bill itself...the amendment has been adopted.

31. SENATOR NEWHOUSE:

32. The amendment's been a...yea.

33. PRESIDENT:

HB 1976
3/22/76
5/6/76

1. Senator Laughlin.

2. SENATOR LAUGHLIN:

3. Well...ah...Mr. President, members of the Senate, I'd simply
4. rise an' support the Senator Newhouse position. Ah...I served
5. on a subcommittee that worked over this bill line by line and
6. it was a bipartisan subcommittee. Ah...much that I found objectionable
7. is no longer in the bill. If it passes it will have to go back
8. to the House for concurrence in our amendment, but I think it...ah
9. ...deserves favorable consideration an' I don't know at this
10. point of anyone who objects to the various provisions in it.

11. PRESIDENT:

12. Senator Egan.

13. SENATOR EGAN:

14. Senator Newhouse it's my understanding that you worked
15. with the States Attorneys in preparing this ah...legislation
16. with the amendments that are on the bills now, is that correct?

17. PRESIDENT:

18. Senator Newhouse.

19. SENATOR NEWHOUSE:

20. That's correct, sir.

21. PRESIDENT:

22. The..the...if the Chair can direct a question, Senator
23. Newhouse, the bills starting with 1976 that whole series...are
24. they.. are companion bills. Is it...would it be satisfactory
25. to take a... include them on the roll call?

26. SENATOR NEWHOUSE:

27. Well, Mr. President, I think perhaps we might want to do
28. it separately for this reason only, I would...I would hope we
29. could, but the...the amendment for the other bills are in the
30. books. I would hope that we could pass these other bills along
31. with it, but...bu...because the amendments have been prepared,
32. but it'll take days to get them into the books. Ah...they are...they
33. are tech-

nical changes solely an' do not make any substantive change in the bill as I understand it so it would be well if we could pass them all.

PRESIDENT:

1. Is there object....

2. SENATOR NEWHOUSE:

3. I'd like to seek leave for that purpose.

4. PRESIDENT:

5. ...d...do you have additional amendments on these other
6. bill... ah...

7. SENATOR NEWHOUSE:

8. No additional

9. PRESIDENT:

10. No.

11. SENATOR NEWHOUSE:

12. ...amendments...

13. PRESIDENT:

14. Is there objection to including all of those in this next
15. roll call? The leave is granted. Senator Neistein.

16. SENATOR NEISTEIN:

17. I just wanted to point out to the members of this Body
18. that...ah...these are the bills that...ah...originally...ah...the
19. late...ah...Morrie Wexler...ah...worked so diligently on and
20. I wanna point out that Senator Rock an' Senator Laughlin ...ah...
21. held many, many meetings in Chicago an' elsewhere an' went over
22. page by page practically of all the ...ah...how many bills there
23. involved, 400, some 495 bills an' I think Senator Fawell, Senator
24. Newhouse, Senator Rock an' Senator Laughlin should be commended
25. for the diligence an' the intelligence displayed in putting
26. these bills in shape an' I recommend these bills very strongly
27. an' I think they could be handled on one roll call.

28. PRESIDENT:

29. Senator Partee.

30. SENATOR PARTEE:

31. Well, Mr. President an' members of the Senate, I simply
32. want to call attention to the members of the Senate, that this
33. is the kind of herculean effort that the Senate is capable of.
When this

1. series of bills came into the Senate, I know perhaps of no series
2. of bills which excited as many people as did they. Opposition
3. came from many quarters to various parts of this legislation.
4. The states attorneys were in a tizzy, some county clerks were
5. upset there were a large number of people in various fields
6. of ah..sociology who felt that these were not in the best interest
7. or that part of the series was...ah...detrimental an' I think
8. certainly that those men who...ah...on the Senate side particularly
9. the committee, Senators Laughlin, an' Rock an' Newhouse, an' Fawell
10. an' others on the Judiciary Committee itself is entitled to our
11. praise an' our gratitude for having so studiously applied themselves
12. to what was a very difficult subject, some 485 bills in all
13. ...ah... many of which...ah...seemed to be almost impassable
14. an' they've worked long an' tedious hours an' they have put this
15. package together in a form which I now find to be acceptable
16. to practically everybody, while at the same time not destructive
17. of the concept which is involved here an' I wanted to add my
18. voice of congratulations to the Senate itself an' to it's individual
19. members who worked so hard an' orderously on this package. I
20. would suggest, however, that if we can, by our record, permit the
21. Secretary to address himself to these bills at the end of the
22. week, rather than commencing tomorrow that is the ..that is
23. the...ah...mechanical aspects of the Secretary's office I think
24. it would be easier for him since he would have Friday an' Saturday
25. an' the rest of the week to...ah...handle them so that we would
26. not expect them to commence the mechanical functions today if
27. they're passed, but rather at the end of the week so that we
28. could go right ahead with the rest of our Calendar, but I just
29. wanted to say I think they've done a fantastic job an' I see
30. a man who is vitally interested on his feet an' I'm going to
31. sit down so that you can recognize the Senator from Lake.

32. PRESIDENT:

33. I...i...the...the suggestion of Senator Partee I think
makes sense as far as the Secretary's office, so that they don't
have t spend

1. all night in the office there, on the...is there objection by
2. this Body t giving the Secretary's office additional time?
3. Leave is granted. Senator Graham.

4. SENATOR GRAHAM:

5. Mr. President, members of the Senate, I presume that to
6. some degree I have the same dubious honor in Illinois that was
7. extended to me at...Williamsburg last year...Mr. Prisons of
8. Illinois... so that's sort of a dubious honor, I presume. This
9. series of bills that your're considering represents a complete
10. new revolution insofar as ah...administration and or conduct
11. of prisons are concerned. I have my doubts about some of these
12. provisions an' I had more doubts about them last year. I met
13. with Al Scott an' some of the fellows last year in an effort
14. to tone down what I thought was an unbearable situation imposed
15. by the original bills upon the wardens of the penitentiaries.
16. Now, members of the Senate, I might be willing to suggest to
17. you that every liberal unit in the country has been interested
18. in these an' some conservatives an' I'm gratified that Everett
19. Laughlin is in that group. Some of the wardens were extremely
20. concerned about these bills an' as Senator Partee said, just recently,
21. the States Attorneys an' the parole systems in Illinois were
22. concerned too. We are facing probably an era in correctional
23. institutions whereby with the influence of the American Civil
24. Liberties Union an other dogooders that we are supposed to adopt
25. the attitude everybody incarcerated in our prisons is there
26. because they skipped Sunday School. Now, I can tell you having
27. gone through an' talk with...Bill Arends an' Speck an' some of
28. those other fellows they didn't skip Sunday school to get where
29. they are now, but despite that, we have moved into a new era
30. in correctional institutions an' the addressment to the real
31. attempt for the rehabilitation of prisoners. Contained within
32. these bills, which are very complicated, are many provisions that
33. some of you will never read an' many of you don't care much about.
But if you have

1. fears as to the complications that may arise from the passage
2. of these bills you can be discomfited by the fact that the
3. Judiciary has long been doing our job for us as you know. Like
4. to call your attention to one of their interferences into the
5. penal institutions last year, when a judge in Chicago ordered
6. the release of three prisoners from Sheridan because they were
7. being confined a little too tightly, one of em was in for murder,
8. one for double murder, an one for rape an' manslaughter, but
9. he demanded we turn em loose. Now, I have a firm conviction
10. that if these bills are not enacted, an' I think they will be,
11. the courts, say once again is gonna be meddling with the business
12. of the State of Illinois which should be left to the General
13. Assembly an' just as sure as we're sitting here by their interference..
14. continued interference into the operations of our prisons if
15. it were not for the administration now having their finger on
16. the pulse we could easily come up with another San Quentin or
17. Attica an...any given day but we haven't. Now I...I think gentle-
18. ment, I'm, I'm...ah...hesitant to understand all the things
19. that are in all these bills, but I think if we don't pass them
20. we're gonna leave it wide open for the courts to do the things
21. that we could have done with these bills an' I presume this is
22. the best of a long series of...meetings I know what you gentlemen
23. went through, this wasn't easy an' I compliment you on a job
24. well done. I'm like Senator Partee was last year with some
25. of my corrections...bills that he supported ..ah..we're presuming
26. that this is a step in the right direction an' hopefully it is.

27. PRESIDENT:

28. Senator Newhouse may close the debate.

29. SENATOR NEWHOUSE:

30. Mr. President, I close the debate by ...suggesting that
31. we might want to give a...unanimous vote on these bills and I
32. hope that that's what happening. Thank you, gentlemen.

33. PRESIDENT:

1. Secretary will call the roll. This...so there's no mis-
2. understanding this roll call will apply to Sen...House bills
3. 810, 811 and the series beginning with 1976. Secretary will
4. call the roll.

5. SECRETARY:

6. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier,
7. Carroll, Cherry, Chew, Clarke, Collins, Coulson, Course, Davidson,
8. Donnewald, Dougherty, Egan, Fawell, Gilbert, Graham, Groen,
9. Hall, Harris, Horsley, Hynes, Johns, Knuepfer, Knuppel, Kosinski,
10. Kusibab, Latherow, Laughlin, Lyons, McBroom, McCarthy, Merritt,
11. Mitchler, Mohr, Neistein, Newhouse, Nihill, O'Brien, Ozinga,
12. Palmer, Partee, Rock, Romano, Rosander, Saperstein, Savickas,
13. Smith, Soper, Sours, Swinarski, Vadalabene, Walker, Weaver.

14. PRESIDENT:

15. For what purpose Senator Groen arise?

16. SENATOR GROEN:

17. Mi...Mr. President...I...I...I...I...I just voted and I
18. perhaps should not have voted. I wonder if the sponsor would
19. yield to a question? I was contacted by a member of the Judiciary
20. of... ah...ah...in Taswell...ah...about this bill yesterday
21. at lunch an' I would like to ask a question regarding it, I may
22. want to change my vote if the question can be answered satisfactor-
23. ily.

24. PRESIDENT:

25. The chair...

26. SENATOR GROEN:

27. If I might do that I'd appreciate it.

28. PRESIDENT:

29. The...the Chair will recognize Senator Groen for that pur-
30. pose.

31. SENATOR GROEN:

32. Ah...who is the sponsor?

33. PRESIDENT:

1. Senator Newhouse.

2. SENATOR GROEN:

3. Ah...Senator Newhouse, I'm advised that if this becomes
4. the law that we will find ourselves in a position where all
5. misdemeanants are subject to..to..to...to checks an' investigations
6. that where a person, for example, o...on a traffic violation
7. comes into court he enters a plea of guilty an' a sentence is
8. imposed, that sentence can't become final an' it has to go through
9. an investigation an' a report an' all this sort of thing before
10. it can become final. Is that correct?

11. SENATOR NEWHOUSE:

12. Senator...ah..th...this has never come to my attention
13. an...ah... it hasn't been suggested before, if so it must be
14. buried somewhere. I just looked at my staff an' he shakes his
15. head no, so I have to take it on faith that this isn't fact.
16. We had...we had a number of people from the Judiciary, from
17. the Juvenile division, an' others who went through this bill
18. pretty thoroughly an' if that were true Senator, I am sure it
19. would of come up.

20. PRESIDENT:

21. On that...on that...ah...on that series of bills the yeas
22. are 48, the nays are 2, the bills are declared passed. Senator
23. Newhouse moves to reconsider. Senator Johns moves to Table.
24. All in favor of the Motion to Table, signify by saying aye.
25. Contrary minded. Motion prevails. Senator Partee.

26. SENATOR PARTEE:

27. Ah...I have a...an announcement to make which relates to
28. adjournment an' also I have a death Resolution, so before I offer
29. the death Resolution I should ask if there are any other announce-
30. ments.

31. PRESIDENT:

32. We have a couple of...two death Resolutions I'm advised...for
33. what purpose Senatro Neistein arise?

SENATOR NEISTEIN:

Mr. President on a point of personal privilege, seated
in the

1. gallery behind me is the eminent corporation cour^{se} 1 of Chicago
2. the Honorable Richard Curry, who is gracing us with his presence
3. today, Mr. Curry.

4. PRESIDENT:

5. Neistein, you didn't get that sun tah in Chicago over the
6. week end, either, did ya? Senator Saperstein.

7. SENATOR SAPERSTEIN:

8. Mr. President, gentlemen, I would like consent of the Senate
9. to hear SB1500 an SB1547 in the Education Committee, tomorrow.
10. 1500 was heard...ah...last week and we postponed for...ah...ah
11. time certain and...ah...Hynes's...ah...Sentor Hynes's bill 1547
12. has just been assigned to the Education Committee.

13. PRESIDENT:

14. Senator Saperstein wishes to waive the six day rule for
15. those two bills. Is there objection? The leave is granted.
16. Senator Lyons.

17. SENATOR LYONS:

18. Ah...Mr. President an' members, I'd like permission to waive
19. the six day rule...ah...an' have SB1540 heard in the Revenue
20. Committee tomorrow morning.

21. PRESIDENT:

22. Is there objection? The leave is granted. Senator Bidwill.

23. SENATOR BIDWILL:

24. Mr. President, I wish to announce..I wish...I wish to an-
25. nounce the Republican caucus at 10:00 o'clock tomorrow morning...
26. 10:00 o'clock Republican caucus.

27. PRESIDENT:

28. Senator Lyons.

29. SENATOR LYONS:

30. Ah...Mr. President...ah...

31. PRESIDENT:

32. Senator Lyons.

33. SENATOR LYONS:

Ah...HB2029...ah...which increases the widow, children,

and dependent parent pension benefit of a deceased fireman, was I believe inadvertently stricken from the Calendar, because it was set for hearing last week on the committee on Labor and Commerce for today. Ah...I don't know what the appropriate Motion is get it back on the Calendar and get it heard, but whatever it is I'd like to make it.

PRESIDENT:

Motion is to take from the Table.

SENATOR LYONS:

Well then I so move Mr. President.

PRESIDENT:

Senator Lyons moves to take from the Table ...what's the name...number of the bill again....

SENATOR LYONS:

HB2029.

PRESIDENT:

HB2029 and it would be referred to committee, is that correct, Senator Lyons?

SENATOR LYONS:

Yes, right...the comm...heard in...have it heard in committee today...

PRESIDENT:

Is...

SENATOR LYONS:

...cause it was on the notice for the committee today.

PRESIDENT:

Is there any discussion? Senator Clarke.

SENATOR CLARKE:

Ah...I didn't hear the first part of the Senator's...ah...dissertation. You say it was struck last week. Was that in the general...ah...ah...Motion last Thursday?

PRESIDENT:

Senator Lyons:

SENATOR LYONS:

It...it was part of the Motion to strike all bills ...ah...filed before a certain date...er...whatever the Motion was...ah...but it had already been set for hearing at the time that that action was taken.

1. PRESIDENT:

2. Senator Clarke.

3. SENATOR CLARKE:

4. Well...ah...this presents a problem. Have you talked to
5. your leader about...ah...this...ah...

6. PRESIDENT:

7. Senator Lyons.

8. SENATOR LYONS:

9. I...ah...have...an he talked to you an' because of the response
10. to the inquiry I'm making this Motion.

11. PRESIDENT:

12. Senator Coulson.

13. SENATOR COULSON:

14. Mr. President, I thought we had a procedure that we were
15. going to follow. It's going to be done by agreement. Now if
16. we're going to have a separate Motions from the Floor on each
17. person who... ah...ah...objects to that we've got chaos coming
18. again an' we might just as well take everything back off the
19. Table an' come at it again. I...I thought the Resolution offered
20. by Senator Groen last week was a self executing procedural
21. amendment.

22. PRESIDENT:

23. Both...in response to Senator Coulson's question. It is
24. self executing but any member has the right t make a Motion
25. to take from the Table an' Senator Lyons is making that Motion.
26. Senator Partee.

27. SENATOR PARTEE:

28. Ah...the subject matter of this...ah...bill I am very,
29. very attuned and sensitive to, but the fact of the matter is
30. the procedure which we adopted by Resolution would only give
31. as to those bills which were Tabled the right of revival to
32. Senators Clarke an' myself an' exclusively an' unanimously an' I
33. think perhaps...ah...as much as I'd like to help with this bill
we can't procedurally even do it the way we are attempting to
do it.

1. PRESIDENT:

2. Well, the Chair would have to rule against...Senator Partee's
3. interpetation, because it is a Motion to Table as the Motion
4. was passed. So that...ah...i...if Senator Lyons wishes to per..per-
5. sist in this Motion I think he is entitled to do so. The..Senator
6. Gilbert.

7. SENATOR GILBERT:

8. Y...you...you were not here last week an we had an' understanding
9. ... ah...the Motion of Senator Groen's was held til the very
10. last order of business. It was an under...gentlemen's understanding.
11. It was an agreement with this Body as to how this would be done.
12. Now, it wasn't formally enacted into the waiver of the Rules....I
13. ... I'm sure of that, but it was an a...understanding of every
14. member of this...ah...Body as to what would be done an' this
15. is certainly not the procedure that was agreed upon.

16. PRESIDENT:

17. Well, the...the Chair was not here an' I don't have the
18. understanding but...I...I have a Motion here. Senator Partee.

19. SENATOR PARTEE:

20. The request was made by a House member. A promise was
21. made to that House member that this Motion would be made. I
22. think we all understand that procedurally we cannot do what
23. we desire to do, so why don't we just take a voice vote, defeat
24. the Motion, an' that ends it.

25. PRESIDENT:

26. The Motion is take from the Table HB2029. Is there further
27. discussion? I...a majority of those voting on the question.
28. All those in favor of the Motion to take from the Table indicate
29. by saying Aye. (Large number of Senators saying aye) Contrary
30. minded. (Large number of Senators saying no)

31.
32.
33.

1. The Chair will have to rule that the no's have it and that
2. the Motion is not successful. Senator Neistein.

3. SENATOR NEISTEIN:

4. Ah...Mr. President members of the Senate an' Senator Laughlin
5. in particular, the Senate Judiciary Committee is scheduled for
6. tomorrow morning at 9:00 o'clock. Under Senator Groen's Motion
7. we had 10 bills scheduled, 9 have fallen an' the one that's left
8. I don't think the sponsor wants to call anyway so there's no
9. necessity for the meeting, an' therefore all the Senators that
10. wanna attend the breakfast seminar of the department of Agriculture
11. tomorrow morning will be free to stay an' have a full breakfast.
12. The committee on Judiciary is cancelled for tomorrow morning.

13. PRESIDENT:

14. Senator Latherow:

15. SENATOR LATHEROW:

16. Mr. President, I talked to the chairman of Appropriations
17. Committee about the suspension of the Rules an' the hearing of
18. Sen...HB3740...ah...this week. I'd like to make that move at
19. this time.

20. PRESIDENT:

21. Ah...request is to waive the six day rule. Is that correct
22. Senator...

23. SENATOR LATHEROW:

24. Right.

25. PRESIDENT:

26.Latherow. Is there objection? Leave is granted.
27. Senator Egan.

28. SENATOR EGAN:

29. Mr. President, members of the Senate, I would like to intro-
30. duce to you members of the Senate, a group of young junior citi-
31. zens from 29 private an' public schools back of the yards. They
32. are winners of the poster an' essay contest an' they are here
33. with

1. Sister Eleanor and Sister Fulgenta, who is a very dear friend
2. of mine. They're in the president's gallery. Would you stand
3. please an' be recognized.

4. PRESIDENT:

5. Senator Egan is gonna have em making more posters here in
6. the very near future. Senator Knuppel.

7. SENATOR KNUPPEL:

8. I have two announcements...ah...Mr. President. One is
9. that there's the...ah...second annual legislative commodity
10. breakfast tomorrow morning at St. Nicholas ballroom at 8:00
11. o'clock until 9:30 an all the members I wanna remind them that
12. they're invited. The second matter I have is in the Agriculture
13. an' Conservation Committee. We have SB1509, which was held in
14. that committee. It's an extremely important bill dealing with
15. warehouseing an' the bonding ...its a grain...grain dealers act
16. an' we had talked about it...this bill was set for hearing.
17. The Department of Agriculture asked leave to get some amendments
18. prepared and..ah... we're...we would be past the 5...1...ah...the
19. final day for reporting out that is May 5th for reporting out
20. Senate bills even though it was introduced after July 1st.
21. We're past the five days for reporting bills out of committee
22. an' I'd ask leave of this Body...ah...to report this bill out..ah...
23. with amendments...ah...an' have a waiver of that period.

24. PRESIDENT:

25. Is there objection? What...what is the number of the bill again?

26. SENATOR KNUPPEL:

27. 1509.

28. PRESIDENT:

29. 1509...Is there objection? Leave is granted. Senator
30. Partee.

31. SENATOR PARTEE:

32. While we're on the order of introductions...there is in the
33. President's gallery on this side a...an extremely knowledgable an
young man. I empahsize young...I know him to be young because he

an' I were in law school at Northwestern together, so I know he's
1. young. His name is Richard Nelson an' he's the President of
2. Norther Illinois University an' I'd like for him to stand an'
3. be acknowledged by the Senate. An' I might add that I...he comes
4. from Senator Collins's district, but I'm sure Senator Collins
5. didn't see him from that vantage point.

6. PRESIDENT:

7. Senator Vadalabene.

8. SENATOR VADALABENE:

9. Ah...Mr. President, an' members of the Senate, while we
10. are in..on introductions, seated behind the President's gallery
11. is a group of women from the American Association of University
12. Women. I would appreciate if they would stand up an be recog-
13. nized.

14. PRESIDENT:

15. Senator Baltz.

16. SENATOR BALTZ:

17. As long as I'm up an' I have the light there's a subcommittee
18. meeting of the elections committee goin on here in the back
19. an' I didn't think we'd adjourned yet.

20. PRESIDENT:

21. We have not adjourned...Senator Savickas, Swinarski, Soper,
22. Mohr, et al....gentlemen, just a second...we can break up that
23. caucus. You got about half the Senate with you right back there
24. right now. Senator Newhouse.

25. SENATOR NEWHOUSE:

26. Thank you Mr. President...ah...Mr. President, Senators,
27. it would of been ina...inappropriate for me while explaining
28. Senate bills 810 an...a 811 to...ah...give my personal thanks
29. to all those people who worked on it. Immediately after the
30. passage of the bill I attempted to get the Floor for that purpose.
31. It was misconstrued as...as a...as a...ah...as a move to...ah...lock
32. the bill in an we did that, but I would now like to give my
33. personal thanks to all those who did

1. work on it. I think it's a good monument to Morrie Wexler,
2. who is with us no longer, Bob Scott, who was on the staff was
3. up in the gallery a few minutes ago he since left, but in it...
4. those two staff members in addition to all these people on the
5. Floor who worked on it did a hard job an I'd certainly like
6. to give them my personal thanks. Thank you, Mr. President.

7. PRESIDENT:

8. We have some death resolutions. We'll ask the members
9. to be in their seats. Will members be in their seats? Members
10. be in their seats. Will the sergeant at arms clear the back
11. aisle there? Let the members be in their seats. Senator V...Swin-
12. arski, Senator Partee. Secretary will read the resolution.
13. Senator Fawell, if you will...

14. SECRETARY:

15. Senate Resolution No. 321 introduced by Senator Partee.
16. It's a death Resolution...

17. PRESIDENT:

18. Senator Partee.

19. SENATOR PARTEE:

20. This is a death Resolution for a Mrs. Martha Sain of Cook
21. County, one of Cook counties oldest families. She was the widow
22. of a gentleman who bore the name Frank G. Sain, who was a revered
23. sheriff of our county. Mrs. Sain passed the other day leaving
24. a family among which was a gentleman whose name is Kenneth Sain,
25. who's an administrative assistant to the mayor of Chicago an
26. I would move of the suspension of the rules for the immediate
27. adoption of this Resolution. An that...

28. PRESIDENT:

29. All Senators will be shown as cosponsors. All in favor
30. of the adoption of the Resolution please rise. Resolution's
31. adopted. We have another death Resolution.

32. SECRETARY:

33. Senate Resolution No. 322 introduced by Senator Davidson.

PRESIDENT:

1. Senator Davidson.

2. SENATOR DAVIDSON:

3. This is a death Resolution of a former member of the Gen-
4. eral Assembly, Charles K. Willet. I think there is many members
5. here in the Senate, who served with him in the House. He was
6. a very honorable man, one of the finest legislators, an' one of
7. the only professional engineers that ever served in this general assem
8. bly. He was plagued by a serious illness and past away a short
9. while ago an' I am sure that there are many members here that would
10. like to be remembered on this Resolution.

11. PRESIDENT:

12. All Senators will be shown as cosponsors. All those in favor
13. of the adoption of the Resolution, please rise. Resolution is a-
14. dopted. I'm sure that most the members are aware that Senator Chew's
15. father also died over the weekend. Senator Partee.

16. SENATOR PARTEE:

17. I want you know we have taken care of that an' we missed you
18. last week an' we gonna bring you up to date. We've taken care of
19. it.

20. PRESIDENT:

21. Alright. Are th...is there further business to come before
22. the Senate? Senator Partee moves that the Senate stands ad-
23. journed until ...Senator Partee...

24. SENATOR PARTEE:

25. Until 11:00 o'clock tomorrow an' there'll be a meeting of
26. the Rules Committee...committee immediately in my office.

27. PRESIDENT:

28. Motion that the Senate stands adjourned until 11:00 o'clock
29. tomorrow morning. All in favor signify by saying aye. Contrary
30. minded. Senate stands adjourned.
