33. adoption of this Resolution and when one gives of oneself

1. for 39 years and make the kind of contributions that Mr.

3. put the necessary time in in editing the Rules of the Road
4. and we appreciate his service and as Chairman of Transpor-

10. Senator Merritt.

11. SENATOR MERRITT:

12. Mr. President, I would move for the suspension of the

25. SENATOR MITCHLER:

26. Mr. President and members of the Senate, this is a con-
27. gratulatory Resolution for Joe Murphy. He's the Director of
28. the Civil Service Personnel for the Chicago Board of Educa-
29. tion. Past department command&r of the American Legion and
30. I might say lobbyist for the Chicago Board of Education during
31. the 69th, 72nd, 73rd, 74th, 75th and 76th General Assembly sessions
32. and Joe's going to retire and they're going to have a retire-
33. ment dinner in his recognition of his service and so that this

1. Resolution can be prepared I'd invite all Senators to join
2. in sponsorship. I believe we all know Joe over the many

5. adoption of this Resolution.

6. PRESIDENT:

7. All senators will be shown as co-sponsors. All in
8. favor signify by saying aye. Contrary minded. Resolu-
9. tion is adopted. Senator Mitchler:

10. SENATOR MITCHLER:

11. Mr. President, as long as I am on my feet, I would like
12. to point out that in the gallery, directly behind me in
13. the visitor's gallery is a group of Girl Scouts...

14. PRESIDENT:

15. If the Chair may interrupt and I don't mean to be dis-
16. respectful to the Girl Scouts, but I indicated last week
17. that we were going to stop in compliance with the Senate
18. Rules....not introduce groups...

19. SENATOR MITCHLER:

20. Alright...I apologize, Mr. President and I won't say
21. that Mrs. Babis, Mrs. Martin, Mrs. Helmet...or...Thank you.

22. PRESIDENT:

23. Alright...the...We appreciate your presence, but we
24. decided we were going to have to enforce the Rules in re-
25. gard to introduction of guests...We have message from the
26. House.

27. SECRETARY:

28. A message from the House by Mr. Selcke, Clerk:

29. Mr. President -- I am directed to inform the Senate
30. that the House of Representatives has passed bills in the
31. following titles in the passage of which I am instructed
32. to ask the concurrence of the Senate, to-wit: House bills 1464,
33. 3078, 3585, 4177, 4322, 4575, and 4603. 1st. reading of the

1. bills.

2. PRESIDENT:

3. We have a Motion, Senator Rock?

4. SENATOR ROCK:

5. Yes, Mr. President and members of the Senate, while we
6. are kind of at 6's and 7's around here, I have a Motion I'd
7. like to make. It concerns the meeting of Appropriations
8. this afternoon. It was...I'm reluctant to admit ...I'm
9. afraid my mistake. But Senate bills 1548, 1556, which Sena-
10. tor Hall is the sponsor...1561, which is sponsored by Sena-
11. tor Kosinski, came out of the committee on Education with a
12. recommendation that they be rereferred to appropriations. I
13. suggested that they be part of those bills heard this after-
14. noon. We have some 55 bills to be heard this afternoon and
15. since these were all heard in Education there shouldn't be much
16. problem with them. I'm informed by the Committee Clerk, that
17. the notice went out before the Motion...or what should have been
18. done was done because of the rush of business with stuff
19. coming over from the House. I would, therefore, at this time,
20. ask leave of this Body that these three Senate bills be heard in
21. Appropriations this afternoon...with the proper waiver of notice.

22. PRESIDENT:

23. Is there objection? Senator Clark. That...they'd like
24. the numbers again.

25. SENATOR ROCK:

26. SB1548, which is sponsored by myself. SB1556, which is
27. sponsored by Senator Hall and SB1561, which is sponsored by
28. Senator Kosinski. Each of which was heard in Education last
29. week and I mistakenly presumed that they would be ready for
30. today.

31. PRESIDENT:

32. If there is no objection leave is granted. Senator Partee.
33. Another message from the House.

SECRETARY:

1. A message from the House by Mr. Selcke, Clerk:

2. Mr. President -- I am directed to inform the Senate
3. that the House of Representatives has concurred with the Senate
4. in the adoption of the following joint resolution to wit:
5. Senate Joint Resolution No. 71, they did add an amendment to
6. that Resolution and they merely come back at 9:30 today in-
7. stead of 12 tomorrow.

8. PRESIDENT:

9. The Motion is by Senator Partee for acceptance of the
10. amendment by the House. All in favor signify by saying aye.
11. Contrary minded. the....amended Resolution is accepted. If
12. you can turn on your calendars to House bills on 1st reading.

16. Apparently effect the Attorney General's Office. 3018, 3018
17. will come off the Calendar after today, unless there is a Sen-
18. ate sponsor. 3599, H. H. Hall.

23. will show Senator Kosinski. 4323, Senator Johns. 4353, Re-
24. presentative Choate. Senator Gilbert.

25. SENATOR GILBERT:

26. ...Senator McCarthy is not here. These two bills were
27. brought up last week and I asked him to hold them so that we
28. could check to see. These bills were introduced to correct...
29. or that is to put into law the same statement as made
30. by the Governor his amendatory veto and although Senator Mc-
31. Carthy is not here, I'm sure he wants the bill assigned to him.
32. I move they be advanced without reference because they are
33. identical to the Governor's amendatory veto.

1. PRESIDING OFFICER (Senator Rock)

2. Any objection? Senator Graham. For what purpose do you
3. arise?

4. SENATOR GRAHAM:

5. Yes...we object to having them advanced to 2nd reading.

6. PRESIDING OFFICER (Senator Rock)

7. Alright, the bills will be assigned to Senator McCarthy.

18. it to 2nd without reference to committee.

19. PRESIDING OFFICER (Senator Rock)

20. Motion is by Senator Partee and Senator Rock said to move that

21. bill to 2nd reading without reference to committee. Is there any

22. objection? 4648, sponsored by Representative Shea. Senator

23. Knuepfer.

24. SENATOR KNUEPFER:

25. I don't know anything about this act...is it so annolucis

26. that it is not n necessary to have a hearing?

27. PRESIDING OFFICER (Senator Rock)

28. Senator Partee.

29. SENATOR PARTEE:

30. What it is a fairly simple bill and it is something that

31. needs to be done immediately that's why I'm trying to move it a-

32. long. Just exactly what the Calendar says. There's been some

33. question about whether or not certain county officers, who held

1. funds...who hold funds as a result of their office should in-
2. vest them or should not invest them. We have had some opin-
3. ions on the subject and it's without question that the invest-
4. ments should be made and that's why I want to get it moved,
5. so that it can be done as quickly as possible.

6. PRESIDING OFFICER (Senator Rock)

7. HB4648...no objection it will be moved to 2nd reading
8. without reference to committee. Show Senator Rock as the spon-

10. wishes to move the bill. Senator Saperstein.

11. SENATOR SAPERSTEIN:

12. There was a committee amendment. My file is being brought
13. down. Will you hold it just for a few minutes, until the file comes
14. down?

15. PRESIDING OFFICER (Senator Rock)

16. Certainly, Senator.

17. SENATOR SAPERSTEIN:

18. Thank you.

29. ...primarily...what...it does is adds on our...license ap-
30. plication and drivers license applications instead of being
31. paid...to the Secretary of State by name it would be paid to
32. the Secretary of State. This bill has the approval of...in
33. this instance...the Secretary of State's office. It had the

1. approval of leadership on both sides of the aisle. I see
2. no...and have heard no opposition. I would appreciate your
3. favorable vote.

4. PRESIDENT:

5. Is there any discussion? Secretary will call the roll.

19. none. The bill having received the constitutional majority
20. is declared passed. 3588, Senator Savickas.

21. SENATOR SAVICKAS:

22. We'll hold that one.

23. PRESIDENT:

24. Hold. 3647, Senator Sours. Hold. 36...82, Senator
25. Graham. Hold. 3772, Senator Mitchler. Senator Mitchler.
26. Senator Mitchler, 3772. Senator Egan, that series. Senator
27. Egan.

28. SENATOR EGAN:

29. Yes, Mr. President, members of the Senate...this series
30. of bills does precisely what the...Calendar says...that it...

31. PRESIDENT:

32. Just....Just a moment...let's have some order. For what
33. purpose does Senator Clarke arise?

1. SENATOR CLARKE:

2. Well, I'd just like to request Senator Egan to hold these
3. bills...that we're looking at them. Would appreciate it.

4. PRESIDENT:

5. The bills will be held. 4074, Senator Carpentier on the
6. Floor? 4213, Senator Sours. 4213. Senator Sours.

7. SENATOR SOURS:

8. Mr. President, Senators, some years ago the State of Illinois
9. ...the Division of Highways purchased the track involved and ad-
10. ditional property for certain highway purposes. They paid the own-
11. er the value at that time. It is now determined that the State no
12. longer needs this land and the owner wishes to repurchase the pro-
13. perty.

14. PRESIDENT:

15. Secretary will call the roll.

30. being held there...Senator Rock...4269.

31. SENATOR ROCK:

32. Yes, Mr. President and members of the Senate, I would like
33. to call this bill for passage today. I've just asked Senator

1. Clarke. He's checking I will hold it until he says...I'd like
2. to come back to it though.

3. PRESIDENT:

4. Alright. 4307, Senator Knuepfer.

5. SENATOR KNUEPFER:

6. ...This is simply one of the interest rate bills that
7. raises the interest rate again to 7%. I think we passed a num-
8. ber similar to this. I don't know that there's any contro-
9. versy on it and I would simply appreciate a favorable roll
10. call unless somebody wants an explanation. It's similar to
11. those we done.

12. PRESIDENT:

13. Senator Partee.

14. SENATOR PARTEE:

15. I think you're partly right, Senator, but there's one o-
16. ther person who called this morning, who wanted...said they wanted
17. to come in and tell me something about it so could we just hold
18. it until tomorrow I'm sure we could.

19. PRESIDENT:

20. It will be held. 4339, Senator Coulson. Senator Coulson.

21. SENATOR COULSON:

22. Mr. President...this does just as the digest indicates. I
23. don't see any controversy in connection with it. If there is any, I'll
24. hold it.

25. PRESIDENT:

26. Is there any discussion. Secretary will call the roll.

27. SECRETARY:

28. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier,

3. PRESIDENT:

4. Latherow aye. O'Brien aye. On that question the yeas are
5. 37. The nays are none. The bill having received the constitu-
6. tional majority is declared passed. 4346, Senator Johns. Is
7. there any discussion? The Secretary will call the roll.

8. SECRETARY:

9. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier,
10. Carroll, Cherry, Chew, Clarke, Collins, Coulson, Course,
11. Davidson, Donnewald, Dougherty, Egan, Fawell, Gilbert, Graham,

16. stein, Savickas, Smith, Soper, Sours, Swinarski, Vadalabene,
17. Walker, Weaver. McBroom aye.

18. PRESIDENT:

19. On that question the yeas are 33. The nays are none. The
20. bill having received the constitutional majority is declared
21. passed. 4371, Senator Vadalabene. 4371.

22. SENATOR VADALABENE:

23. Thank you Mr. President and members of the Senate....4371
24. is just what the digest said. It authorizes conveyance of cer-
25. tain land in Macoupin County by the University of Illinois to the
26. Blackburn University in Carlinville. It was advanced without re-
27. ference to committee and I would appreciate a favorable vote.

28. PRESIDENT:

29. Is there any discussion? Senator Horsley...he's on Senator
30. Cherry's mic over there. Senator Horsley.

31. SENATOR HORSLEY:

32. I...I just had one question, sir. I just picked up the di-
33. gest here and see that the it says to Blackburn University in Ma-

1. comb. Well, I happen to know Blackburn University is in Ma-
2. coupin County and I just wonder if that might be a mistake in
3. the bill or if the land is in Macomb County, or there's no
4. such County as Macomb.

5. PRESIDENT:

6. The Secretary advises me that the Calendar that is in error
7. and not the bill. Senator Vadalabene.

8. SENATOR VADALABENE:

9. Yes, that's exactly right. What the bills says an act to
10. authorize the conveyance of certain real property in Macoupin
11. County, Illinois by the board of trustees of the University of
12. Illinois to Blackburn University, Carlinville, in Macoupin County,
13. in Illinois, that is on the bill, Senator Horsley.

14. PRESIDENT:

15. Secretary will call the ...Senator Berning.

16. SENATOR BERNING:

17. Mr. President and members of the Body, I would just like to
18. direct a question to the sponsor, or to anyone else, as to not the
19. desirability of this transaction, but the possibility of establish-
20. ing a precedent here...are we necessarily within our rights
21. in transferring publicly owned property belonging to a state
22. supported institution to a privately owned, privately operated
23. institution. Is there any precedent or justification for this?

24. PRESIDENT:

25. Senator Vadalabene.

26. SENATOR VADALABENE:

27. Oh, I can't answer that Senator Berning...all...it was brought
28. over here by the House member. It was advanced over there with-
29. out reference but in reply to your question I can't answer whe-
30. ther any justification for it or not.

31. PRESIDENT:

32. Is...there seemed to be some other questions here. You want
33. to hold the bill and you check with the House sponsor, Senator.

1. SENATOR VADALABENE:

2. Yes, I certainly will.

3. PRESIDENT:

4. Bill will be held. 4432, Senator Horsley.

5. SENATOR HORSLEY:

6. This is merely a repealer act to clean up the statute be-
7. cause we authorized the conveyance of land to Morgan County and
8. this merely repeals that act and gets it off the book.

9. PRESIDENT:

10. The Secretary will call the roll.

11. SECRETARY:

12. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier,

19. Savickas, Smith, Soper, Sours, Swinarski, Vadalabene, Walker,
20. Weaver.

21. PRESIDENT:

22. Davidson aye. On that question the yeas are 34. The nays
23. are none. The bill having received the constitutional majority
24. is declared passed. 4450, Senator Johns.

25. SENATOR JOHNS:

26. Mr. President, lady and gentlemen of the Senate, this
27. particular bill 4450 is simply a matter...of giving additional
28. land to something ...to plan that we have already had in the past.
29. It completes the conveyance of land for the purpose of rebuilding
30. the Old Shawneetown bank, in Gallatin County. There's no money
31. involved and..as far as...causing any extra taxation, or anything,
32. it's just a matter of aiding these people in restoration of the
33. oldest bank in Illinois. And I would appreciate a favorable roll call

1. PRESIDENT:

2. Is there any discussion? The Secretary will call the roll.
3. Senator Clarke.

4. SENATOR CLARKE:

5. ...I'd like to just ask a question. I read something in the
6. paper about this bank this morning...this conveys it, to the...as I re-
7. call the article talks about a national historical site. Do you know
8. anything about that?

9. PRESIDENT:

10. Senator Johns.

11. SENATOR JOHNS:

12. ...Senator Clark, the way this is designed is to...convey
13. it to the Gallatin County Historical Society and I don't know of
14. what your speaking about as far as a National Historical Soc-
15. iety.

16. PRESIDENT:

17. Senator Clarke.

18. SENATOR CLARKE:

19. Is this,..is this a step in the restoration of this bank...
20. actually what the article had to do with was a campaign by the
21. bankers over the State to raise a hundred thousand dollars to re-
22. store this bank.

23. PRESIDENT:

24. Senator Johns.

25. SENATOR JOHNS:

26. Thank you Mr. President, Senator Clark, we've been trying to
27. raise money and it's strictly by donation. Many of the banks have
28. contributed upwards of a thousand dollars or so...upon the request
29. by the Gallatin County Historical Society. But this will be a quit cla-
30. deed to the Gallatin Historical Society and I'm not quite aware of
31. just what your talking about, I think I've given you the answers as
32. to what I know about and I'll keep...have an interest on that.
33. Thank you very much.

1. PRESIDENT:

2. Is there further discussion. Secretary will call the roll.

3. SECRETARY:

4. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier, Carroll,
5. Cherry, Chew, Clarke, Collins, Coulson, Course, Davidson,
6. Donnewald, Dougherty, Egan, Fawell, Gilbert, Graham, Groen,
7. Hall, Harris, Horsley, Hynes, Johns, Knuepfer, Knuppel, Kos-
8. inski, Kusibab, Latherow, Laughlin, Lyons, McBroom, McCarthy,
9. Merritt, Mitchler, Mohr, Neistein, Newhouse, Nihill, O'Brien,
10. Ozinga, Palmer, Partee, Rock, Romano, Rosander, Saperstein,
11. Savickas, Smith, Soper, Sours, Swinarski, Vadalabene, Walker,
12. Weaver.

13. PRESIDENT:

14. O'Brien aye. Johns aye. On that question the yeas are 38.
15. The nays are none. The bill having received the constitutional
16. majority is declared passed. 4454, Senator Soper.

17. SENATOR SOPER:

18. Yes, Mr. President, this is a correction in the Insurance
19. Code, where the wrong word was used. They used the word vested
20. instead of invested. This corrects the word...the words...for
21. the...to make sense...

22. PRESIDENT:

23. Senator Rock.

24. SENATOR ROCK:

25. Yes, Mr. President and members of the Senate. I don't
26. quarrel with what the Senator says...I quarrel, however, with
27. the procedures, Senator Partee said last week, that we would not
28. have in committee...nor would we vote on in committee bills
29. which we didn't even have a copy of. Now, this bill was advanced
30. without reference. We still do not have copies of this bill
31. available and it seems to me we're a little terminatively or
32. premature to vote on it at this time.

33. PRESIDENT:

1. If you are making that as a point of order the Chair will
2. recognize that point. We will hold...are you making it a point
3. of order, Senator Rock?

4. SENATOR ROCK:

5. Well, I just don't have a particular quarrel with this bill,
6. other then the fact, that I haven't seen it. So I will make it a
7. point of order, yes sir.

8. PRESIDENT:

9. Point of order is well taken. We will hold up voting on that
10. bill. The same would apply, I assume to these later bills of
11. Senator Romano and Senator Vadalabene, so I think we had just better
12. hold off on those bills today. The Chair, if I may have the attention
13. of Senator Partee and Senator Horsley and all of the members of the
14. Senate...the Chair would like...for what purpose does Senator
15. Horsley arise?

16. SENATOR HORSLEY:

17. Before you do that I was called off of the Floor and I
18. have a Legislative Reference Bureau number 1347, and I would
19. like to pass that, if I might, and get it on to the House.

20. PRESIDENT:

21. Senate Bill on third reading...1347. Senator Horsley would
22. like to take up at this time. Is there any discussion of the
23. bill?

24. SENATOR HORSLEY:

25. Well, that is a bill that is needed because of our new
26. computer systems where all bills have to be fed into the com-
27. puter and when they are fed in then they come back as to all
28. other sections that relate to them, and it's very greatly need-
29. ed by the Bureau in order to facilitate our work, and I would
30. appreciate passing the bill.

31. PRESIDENT:

32. Senator Knuepfer.

33. SENATOR KNUEPFER:

1. Yea, I'd like to discuss this problem for a moment and this
2. problem is related to a similar problem that we talked about
3. some days ago such as a notice of meeting. There are bills that
4. come in here that have to get, as I understand it, introduced
5. immediately--departmental bills, these kinds of things. Now, if
6. you make them go through the Reference Bureau, how much time are
7. you going to lose and what kinds of problems is this going to
8. create at deadline? We discussed exactly the same kind of a
9. problem in reference to other issues such as this and we turned
10. down this chance. I think in theory this would be desirable,
11. but this could create a real problem in terms of the deadlines
12. we establish for ourselves.

13. PRESIDENT:

14. Senator Horsley.

15. SENATOR HORSLEY:

16. That can be handled because Appropriation Bills do not have
17. to go through the computer. In other words under the new Con-
18. stitution Appropriation Bills do not go into the Statute Books,
19. and so therefore they're not fed into the same computer for the
20. same purposes. But what you do mention, Senator, might create
21. somewhat of a problem, but we'll have to handle that with the
22. manpower that may be needed to do it and it might require one
23. or two additional typists, particularly, in that period of time,
24. but we're also working forward. I had two other bills in the
25. Executive Committee that was a part of this package, and Senator
26. Partee and I agreed that those bills should be left in Commit-
27. tee because we're going to computerize our Enrolling and En-
28. grossing. In other words, amendments will be picked up in
29. Enrolling and Engrossing so they'll be fed into the computer,
30. and the final bill as it comes from up there will be on the
31. computer, but our big problem now is the main bill itself...
32. when it's introduced does not get on to the computer because
33. people from all different places bring them in. And it will

1. be just a little bit of a problem organizing it in the beginn-
2. ing, and with whatever manpower it makes to get it done that
3. it takes, it will be done and it can be done, but it's needed
4. for efficiency; it's needed because we have already this Ses-
5. sion, you have seen bills introduced to clear up mistakes
6. that were made because the wrong sections were amended or be-
7. cause we didn't do this or didn't do that or somebody for-
8. got there was a section that already took care of it. And this
9. will give us more or less as fool proof as any computer can be
10. with the human error involved a better system of getting our leg-
11. islation acted upon, and it will not go into effect until this
12. Session is over, and the Bureau will have plenty of time after
13. July 1st to get ready for the next session and to have the re-
14. quired manpower to see that it's done.

15. PRESIDENT:

16. Senator Partee.

17. SENATOR PARTEE:

18. Well Senator, one of the problems it seems that my fellows
19. are raising on this bill is the fact that...

20. PRESIDENT:

21. Just, Just a moment...please.

22. SENATOR PARTEE:

23. ...is the fact that it simply means that if a person has
24. a bill that he wishes to draft which he wants nobody to know a-
25. bout until he puts it in that the security facet, a...comes in-
26. to play. Now this is not to say that those persons in the Re-
27. ference Bureau are not persons of integrity who would guard the
28. statement or the bill or the concept of the person who desires
29. to have it drafted. But the fact of the matter is, a...they say
30. that there are too many exceptions here to the Secretary of
31. State and other places. Secretary of State, the Bureau of the
32. Budget, and all of these people are excepted...the Clerk, ...
33. and...they say that it...you know, it isn't due process of
the law. You're giving one group the perfect right to be with-

1. out supervision or without having anyone know and then the
2. other persons, the members, elected officials of these bodies
3. are...have to go through this Bureau with their ideas which
4. later come out in bill form. A...I think we're going to have
5. a problem with it because I realize the computer aspects of
6. it, but we're just going to have a problem because there are
7. a lot of men who don't want to go to the Reference Bu-
8. reau with an idea that they want to harbour to their breast and
9. spring on everybody at a later date. So I think we're going to
10. have a problem, Senator, and I wanted you to know why.

11. PRESIDENT:

12. Senator Knuepfer.

13. SENATOR KNUEPFER:

14. Yea, well I asked my question, then I was intending to
15. make a statement. Ah, I've had bills that have been in the
16. Reference Bureau for one reason or another for thoroughly long
17. periods of time. Now, I sympathize with their problem. I-I-I
18. well know that we load them up and we saturate them. If you're
19. talking about typing errors, then I think that's all you can do.
20. The minute you start talking about errors of reference, errors
21. in the statutes, referring to the wrong area of the statute, you
22. then start talking about legal people to look at these and you
23. know and I know that the last week prior to the...in which the
24. introduction of bills is authorized they are simply drowned there.
25. Now, I don't see of any Bureau that can provide the manpower on an
26. economic basis to handle our last week or two week rush. A...I
27. sympathize with the problem, Senator Horsley, but I think there
28. just has to be a way of doing it after it is initiated, getting
29. it on the computer, and then straightening out the errors rather
30. than making this Body beholden to the Reference Bureau for the
31. ...as to whether they can introduce a bill or not.

32. PRESIDENT:

33. Senator Horsley may close the debate.

1. SENATOR HORSLEY:

2. Well, may I answer his question first because this is
3. rather an important matter. Senator, you are absolutely right
4. that last week is a hectic week. The last two or three weeks
5. can be very hectic. This bill will not affect amendments be-
6. cause they will be picked up in the Enrolling and Engrossing
7. only if they are adopted, so your amendments will not need to
8. be submitted. But here is your problem, and somebody in the
9. Committee the other day suggested that we computerize Enroll-
10. ing and Engrossing because if you have a hundred page bill at
11. the present time, and after that bill is passed it means that
12. a girl in Enrolling and Engrossing has to type that hundred
13. page bill.

14. PRESIDENT:

15. Ju...Senator Carroll and...

16. SENATOR HORSLEY:

17. After that girl has typed that hundred page bill, it then
18. will come back to the House for their passage. If they should
19. amend it over there that bill has to be typed again by a girl
20. over there and the matter cannot be put on computers. Now,
21. the proposal in this bill will not cure this point, but by the
22. next Session we hope to have the problem solved. Beginning in
23. January we will have all of the typewriters in our Enrolling
24. and Engrossing tied in with the computer system so that you can
25. print a bill at the same time it's being put into the computer.
26. Then we do not have to duplicate that effort. So at the pre-
27. sent time without that let's say that the House passes a hun-
28. dred and fifty page bill, we then pass it here in the Senate, it
29. goes to Enrolling and Engrossing, the girl there then types that
30. hundred and fifty page bill. After it is typed it then has to
31. go to the Reference Bureau where a girl sits at a machine and
32. types that bill all over again for the mere purpose of putting
33. it into the computer. There has been no system developed where

1. you can make a plate and feed it, you understand, by printing
2. process or otherwise into the computer. So that's what our
3. problem is. As far as the secrecy is involved, Senator Partee,
4. I've been here twenty-six years. I have never yet had my con-
5. fidence violated on a bill that I have taken into the Refer-
6. ence Bureau to be drafted for me, and for that reason I don't
7. think it will ever be violated, and I think that as long as you
8. have a gentleman like Pete Bobbitt in charge, and as long as
9. you have people like yourself, Senator Rock, myself, different
10. ones on the Bureau, I don't think you're ever going to have that
11. happen. Now, I've got no pride in authorship of this bill.
12. I'm merely trying to upgrade and put us in the same status as
13. other states that are using computers to eliminate a lot of un-
14. necessary statutes, to correct a lot of errors, and to have
15. better legislation. That's the only purpose in the bill.

16. PRESIDENT:

17. Senator Rock.

18. SENATOR ROCK:

19. Yes, Mr. President and members of the Senate, and Senator
20. Horsley, very briefly assuming and I do assume that the pur-
21. pose is a laudatory one, I'm a new member of the Data Systems
22. Commission. It seems to me, however, that the way this bill..
23. this particular Senate Bill 1347 is prepared, even if it went in-
24. to the computer we would never find it because the synopsis says
25. that it is an amendment to Chapter 68, which is the husband and
26. wife act, when in fact we're trying to amend Chapter 63, the Gen-
27. eral Assembly Act. So I think that we're probably creating more
28. problems than we are solving.

29. PRESIDENT:

30. Senator Horsley.

31. SENATOR HORSLEY:

32. Sir, that was brought up the other day in Committee, and
33. that eight looks like something that it isn't, and the synopsis

1. is correct even though the printing is a little blurry. And it
2. is...it does amend the correct section, I can assure you.

3. PRESIDENT:

4. Is there further discussion? The Secretary will call the
5. roll.

6. SECRETARY:

7. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier,
8. Carroll, Cherry, Chew, Clarke, Collins, Coulson, Course, David-
9. son, Donnewald, Dougherty, Egan, Fawell, Gilbert, Graham, Groen,
10. Hall, Harris, Horsley, Hynes, Johns, Knuepfer, Knuppel, Kosin-
11. ski, Kusibab, Latherow, Laughlin, Lyons, McBroom, McCarthy,
12. Merritt, Mitchler, Mohr, Neistein, Newhouse, Nihill, O'Brien,
13. Ozinga, Palmer, Partee, Rock, Romano, Rosander, Saperstein,
14. Savickas, Smith, Soper, Sours, Swinarski, Vadalabene, Walker,
15. Weaver.

16. PRESIDENT:

17. Horsley aye. On that question the yeas are 17. The nays
18. are none. The bill having failed to receive the constitutional
19. majority is declared defeated. The Chair...Senator Clarke.

20. SENATOR CLARKE:

21. I'd like to announce for the record that Senator Groen is
22. absent because of sickness and he wanted me to report on that
23. fact. I also wanted to ask unanimous consent ...at the end of the
24. 1st reading of House Bills, Senator Partee moved a bill to 2nd read-
25. ing dealing with...investment of funds in Cook County. There were
26. two other bills HB4479 and 80 that came over last week and were as-
27. signed to two separate committees and kind of got buried. I
28. talked to Senator Partee and wanted to ask unanimous consent to
29. have those committees discharged and have those bills put on the
30. order of 2nd reading, concurrently with the bill that he did...
31. 4479 is in Financial Institutions and 4480 is in the Local Govern-
32. ment Committee. These bills both deal with the subject of the in-
33. vestment of...funds...local county offices.

1. PRESIDENT:

2. Is there objection? Leave is granted. The...if I may have
3. the attention of the membership. A ruling of the Chair is going
4. to be distributed...yet...shortly...on a point that was raised
5. by Senator Horsley, last week. The Chair is going to refrain
6. from reading that at this point. It will be read tomorrow and
7. journalized tomorrow. There will be some controversy regarding
8. ruling of the Chair on this matter. I simply call it to your at-
9. tention now, it will be distributed yet this afternoon and you
10. can have a chance to look it over and then we'll have the back-
11. ground for discussion tomorrow. Senator Rock.

12. SENATOR ROCK:

13. Yes, Mr. President, members of the Senate, when we were on
14. the order of House Bills on 3rd reading, I asked if we could
15. skip at that time and possibly come back to HB4269 which I would
16. like to call at this time.

17. PRESIDENT:

18. 4269, Senator Rock.

19. SENATOR ROCK:

20. HB4269 is a matter of some urgency. In the last Session of
21. the General Assembly we considered and passed HB2889, which was
22. an amendment to the wage deduction act. And enlarged the statu-
23. tory period from 30 to 60 days within which time the employer had to
24. conform to the order. As a result of that the summons which are
25. issued in these cases have to be changed. Now that act was signed
26. into law and it's public law 771795 which becomes effective July
27. 1, 1972. In order to...

28. PRESIDENT:

29. Just a moment...please....Senator Knuepfer and gentlemen...
30. Senator Rock.

31. SENATOR ROCK:

32. In order to have the proper forms ready when the law becomes
33. effective HB4269 was introduced and it says that summons shall be

1. returnable not less than 60 nor more than 70 days, thereby en-
2. larging the period in conformity with the prior approved law
3. from 30 to 60 and from 40 to 70 days. It really is just put in
4. to conform to a law that we already passed. Now the reason for
5. the urgency is that it requires...this bill requires the printing
6. of court forms. In total amount of some five hundred thousand
7. forms. In order to get that many forms printed prior to July 1,
8. the circuit court clerks have to let these contracts out for bids
9. and once the bid is accepted then go through the printing...so as
10. a matter of fact we're kinda under the gun with this and I would
11. ask for a favorable roll call.

12. PRESIDENT:

13. Is there any discussion? Secretary will call the roll.

14. SECRETARY:

15. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier,
16. Carroll, Cherry, Chew, Clarke, Collins, Coulson, Course, Dav-
17. idson, Donnewald, Dougherty, Egan, Fawell, Gilbert, Graham,
18. Groen, Hall, Harris, Horsley, Hynes, Johns, Knuepfer, Knuppel,
19. Kosinski, Kusibab, Latherow, Laughlin, Lyons, McBroom, Mc-
20. Carthy, Merritt, Mitchler, Mohr, Neistein, Newhouse, Nihill,
21. O'Brien, Ozinga, Palmer, Partee, Rock, Romano, Rosander,
22. Saperstein, Savickas, Smith, Soper, Sours, Swinarski, Vadala-
23. bene, Walker, Weaver.

24. PRESIDENT:

25. On that question the yeas are 39. The nays are none. The
26. bill having received the constitutional majority is declared
27. passed. House Bills on 2nd reading. House bills on 2nd reading.
28. 2019, Senator Kusibab. We're happy to have you back with us

32. PRESIDENT:

26. vanced...Senator Clarke...4098. Oh, Senator Harris is the spon-
27. sor of that. I see. We didn't have a sponsor on that. 4117, Senator
28. Horsley. 4117.

29. SECRETARY:

23. 2nd reading of the bill. No committee amendments.
24. PRESIDENT:
25. Any amendments from the Floor? 3rd reading. Are there...
26. any resolutions? Senator Knuppel, you ready on that one bill
27. now?
28. SENATOR KNUPPEL:
29. SB1335...this bill...
30. PRESIDENT:
31. Just a moment. 1335...SB1335, is on second reading.
32. SENATOR KNUPPEL:
33. It was passed out of committee with the understanding that

1. I would amend it to provide that should any lands taken for
2. reclamation ultimately be kept by the State and be dedicated
3. as park and memorials that the State could avoid paying local
4. taxes by giving notice to local units of government that it was
5. part of the State domain. I have included some corrective
6. language only besides that amendment. And I like to offer the
7. amendment.

8. PRESIDENT:

9. Is there is discussion? All in favor signify by saying aye.
10. Contrary minded. The amendment is adopted. Any further amend-
11. ments? 3rd reading. Senator Saperstein, are you...ready on

31. PRESIDENT:

32. 1524 and 1525...

33. SENATOR SOURS:

1. There's....

2. PRESIDENT:

3. They can be taken as a unit...is that correct?

4. SENATOR SOURS:

5. Well, there has to be a little prophylaxis supplied.

6. What has happened ...we have two amendments on it and the...

7. I should Table Amendment No. 2, otherwise amendment...I

8. should Table Amendment No. 1, otherwise Amendment No. 2 is

9. annulity. So I would like to have this...

10. PRESIDENT:

11. On both bills...

12. SENATOR SOURS:

13. On both bills...

14. PRESIDENT:

15. On...1524, Senator Sours moves to reconsider the vote by

16. which Amendment No. 1 was adopted for the purpose of Tabling.

13. Either one.
14. PRESIDENT:
15. Okay...is..is there objection? Senator Partee.
16. SENATOR PARTEE:
17. I think what Senator says is correct. But if he would just
18. make a statement as to what each of them does now in it's pre-
19. sent form, then we would know. I have had several members ask
20. me, what do they do now and I am not absolutely certain. If the
21. Senator would tell us exactly what each bill does in it's present
22. form then we suppose could vote on it.
23. PRESIDENT:
24. Senator Sours.
25. SENATOR SOURS:
26. Mr. President, ...
27. PRESIDENT:
28. We'll take them one at a time, then....

31. it says amend Senate bill, for example 1525 on page 2 by delet-
32. ing line 10 and inserting the following: Any federal or state
33. law, if the department after investigation and a hearing is re-

1. quested by the applicant determines such person has not been
2. sufficiently rehabilitated to warrant the public trust. Now,
3. that same lingo, identical...is on page 4, deleting line 19
4. and inserting the same thing. What we have done by this amend-
5. ment is to provide the...mechanics for a hearing if a disappoint-
6. ed applicant for a tobacco license is turned down.

7. PRESIDENT:

8. Is there any discussion? The roll call will be on both
9. bills. 1524 and 1525. Secretary will call the roll.
