29. the rules for the immediate consideration of the Resolution.  
30. All in favor signify by saying aye. Contrary nay. The

1. Committee report.

2. SECRETARY:

3. TO THE HONORABLE: The President of the Senate, and  
4. The Speaker of the House of Representatives: We, the  
5. undersigned committee of conference, appointed to consider  
6. the differences between the two Houses in relation to Senate  
7. Joint Resolution 25 recommend the following: Amend Senate  
8. Joint Resolution 25 on Page 2 by striking everything after  
9. the first line and inserting in lieu thereof the following:  
10. "Illinois". Such legislation shall also establish a regional  
11. transportation authority in Northeastern Illinois that shall  
12. be financed in part by local sources. In formulating its  
13. recommendations to the General Assembly, the Transportation  
14. Study Commission is directed to give due consideration to  
15. providing guaranteed loan options as a supplement or alterna-  
16. tive to other methods of public financial participation which  
17. may be considered. All of which is respectfully submitted  
18. this 29th day of March, 1973. And it's signed by the members  
19. of the Conference Committee.

20. PRESIDENT:

21. Senator Conolly.

22. SENATOR CONOLLY:

23. Mr. President, members of the Senate, I move the adoption  
24. of this Conference Committee report.

25. PRESIDENT:

26. This is final passage of the Joint Resolution, yes. We  
27. probably should have roll call. Senator Partee.

28. SENATOR PARTEE:

29. Yes, I...I would ask that at this point you'd ask the mem-  
30. bers to be in their seats and Senator Conolly explain what's in  
31. this because I don't want everybody asking me ten minutes from  
32. now, an hour from now what's in it, because it's kind of im-  
33. portant and I'd like for you to listen so you'll know.

1. PRESIDENT:

2. The Chair just wishes to affirm Senator Partee's observa-  
3. tion. This is the adoption of the Joint Resolution mandating  
4. the Transportation Study Commission to prepare legislation to  
5. implement a Northeastern Illinois Mass Transit District. You  
6. will recall that there was disagreement between the two Houses  
7. about some of the wording. We have worked it out. I believe  
8. there is understanding on it. Representative Conolly...Sena-  
9. tor Conolly has moved the adoption of the Conference Committee  
10. report. Senator Partee's observation that the members give  
11. attention to this matter is appropriate, and Senator Conolly  
12. is recognized.

13. SENATOR CONOLLY:

14. Mr. President, Members of the Senate, as you remember  
15. during the Conference Committee report concerning HB 89 where  
16. agreement was worked out to have a State subsidization of the  
17. CTA, the commuter railroads and the downstate bus companies.  
18. It was also agreed in this Conference Committee that a reso-  
19. lution be passed by both Houses, directing the Transportation  
20. Study Commission to report back to the House, to the Senate,  
21. to both Houses on May 15th with a bill providing for mass  
22. transit in the Northeast region of the State of Illinois.  
23. There was a little bit of disagreement on the wording of that  
24. resolution and the conference committee was established once  
25. again and they worked out the agreement that basically said  
26. such legislation shall also establish a regional transporta-  
27. tion authority in Northeastern Illinois that shall be fi-  
28. nanced in part by local sources -- that was the debated part  
29. of that resolution -- it also went on in formulating its  
30. recommendations to the General Assembly, the Transportation  
31. Study Commission is directed to give due consideration to pro-  
32. viding guaranteed loan...options as supplemental or alternative to  
33. methods of public financial participation which may be considered.

1. We would like to have this adopted today so that the  
2. Transportation Study Commission can at least have public  
3. hearings on this most crucial issue of our times in this  
4. State. Therefore, I urge the adoption to direct of the...  
5. resolution to direct the Transportation Study Commission  
6. of the Illinois General Assembly to provide such legislation  
7. as I discussed by May 15th.

8. PRESIDENT:

9. Is there further discussion? Sec...Will the members  
10. be in their seats? The Secretary will call the roll.

11. SECRETARY:

12. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll, Chew,  
13. Clarke, Conolly, Course, Daley, Davidson, Donnewald, Dougherty,

20. Welsh, Wooten, Mr. President.

21. PRESIDENT:

22. Senator Latherow, aye. Senator Mitchler, aye. Senator  
23. Merritt, aye. Senator Buzbee, aye. On the motion to adopt the  
24. Conference Committee report the yeas are fifty-three, the nays  
25. are none. The report having received a constitutional majority  
26. is declared adopted, and the Senate Joint Resolution is  
27. adopted. Senator Partee.

28. SENATOR PARTEE:

29. Well, I'd just like to say to you and to the other  
30. members of this Body that this writes finis ... for the  
31. ... moment to a very important piece of ... legislation.  
32. I think that the Senate has acted very responsibly  
33. in that area. Now, Mr. President on this same subject

1. that we could clear our decks, I had introduced SB 53  
2. and 54, which bills were in the Transportation and Public  
3. Utilities Committee. I would like to make two motions,  
4. and I...express both of them so that you'll understand what  
5. I'm doing. On the 16th day of February I made a motion to  
6. discharge the Committee. I first want to make a motion to  
7. withdraw that motion. That having been done, I would then  
8. make a motion to take these two bills from the Committee  
9. for the purpose of tabling them.

10. PRESIDENT:

11. Would you re-state those bill numbers, Senator Partee?

12. SENATOR PARTEE:

13. Senate Bills 53 and 54.

14. PRESIDENT:

15. Senator Partee moves to table his original motion of  
16. discharge on Senate Bills 53 and 54. All in favor of the  
17. motion to table his original discharge motion signify by say-  
18. ing aye. Contrary nay. That motion is tabled. Now, on the  
19. motion to discharge the Committee on Transportation from  
20. further consideration of Senate Bills 53 and 54, for purposes  
21. of tabling the bills, all in favor of the motion to discharge  
22. the Committee from further su...consideration signify by  
23. saying aye. Contrary nay. The motion carries and the bills  
24. are discharged. Now Senator Partee moves to table Senate  
25. Bills 53 and 54. All in favor signify by saying aye. Con-  
26. trary nay. The motion carries and the bills are tabled.  
27. At this point in... time, the President then wishes to move  
28. on the Order of 3rd...Senate Bills 3rd reading. SB 247 and  
29. 248. I move to table those two bills. All in favor of the  
30. motion to table, signify by saying aye. Contrary nay. The  
31. motion carries and the bills are tabled. While we are on the  
32. Order of Motions...Senator Don Moore is recognized.

33. SENATOR DON MOORE:

1. Thank you, Mr. President, Ladies and Gentlemen of the  
2. Senate. Last week I introduced a series of four bills,  
3. Senate Bills 436, 437, 438 and 439. They are companion  
4. bills. They deal with making the Cook County Department of  
5. Public Aid an instrumentality of the State Department of  
6. Public Aid. I did not contact Senator Graham that these  
7. were companion bills. As a result three of them were  
8. referred to other committees. I have talked to the leader-  
9. ship on both sides of the aisle and with Senator Graham and  
10. at this time, Mr. President, I would ask unanimous consent  
11. that the Committee on Local Government be discharged from  
12. consideration of SB 437 and 439, and that the Committee on  
13. Pensions and Personnel be discharged from consideration of  
14. SB 438 and that these three bills be assigned to the Com-  
15. mittee on Public Health, Welfare and Corrections. I have  
16. also checked with the Chairmen of the respective committees.  
17. And at this time, I would move for unanimous consent to have  
18. this concur.

19. PRESIDENT:

20. The motion is to discharge the Committee on Local  
21. Government from further consideration of SB 437 and SB 439.  
22. All in favor of the motion signify by saying aye. Contrary  
23. nay. The motion carries. Now on the motion to re-refer to  
24. the Committee on Public Welfare...the two bills just acted  
25. upon, all in favor signify by saying aye. Contrary nay.  
26. So ordered. The motion is carried. And on SB 438, to dis-  
27. charge the Committee on Pensions and Personnel from further  
28. consideration of SB 438. All in favor of the motion signify  
29. by saying aye. Contrary nay. The motion carries, so ordered.  
30. And re-referred to the Committee on Public Aid, Health and  
31. Corrections. Senator Graham.

32. SENATOR GRAHAM:

33. Mr. President and members of the Senate. This exercise

1. that we just went through...could be avoided real easily  
2. if the Committee on Committees would have some prior  
3. indication from a sponsor when three bills, not easily  
4. distinguishable by title...by title, however might still  
5. be companion bills. If you let the Committee on Commit-  
6. tees know about this...

7. PRESIDENT:

8. Committee on Assignment of Bills.

9. SENATOR GRAHAM:

10. Assignment of Bills - we'll try to accommodate you  
11. without going through this, and we invite you to let my  
12. secretary know if you do have companion bills if you'd  
13. like to have them stay together in committee; we'll try  
14. to do it if you let us know in advance, we'd appreciate  
15. it.

29. ...Mr. President, Ladies and Gentlemen of the Senate,  
30. SB 31 amends the...act that we established last year creating  
31. the Economic and Fiscal Commission. All it does is change  
32. the...final reporting date for revenue estimating. I think  
33. you have your...revenue estimates on your desk right now

1. and it's changed to the third Wednesday in March instead  
2. of 45 days after the session convenes. This is so that  
3. the estimate is put before the General Assembly after the  
4. Governor's budget rather than before it, and it was the  
5. recommendation of the entire Economic and Fiscal Commission.  
6. PRESIDING OFFICER: (SENATOR GRAHAM)

7. Ladies and Gentlemen, please. The speaker certainly  
8. deserves our respect and consideration. Will we please  
9. be in our seats. We are on Senate Bills 3rd reading, passage  
10. stage, will we please have some order and break up the cau-  
11. cuses. Please, Gentlemen. That includes Senator Walker in  
12. the back room. The caucuses are over. Senator Regner, you  
13. may continue.

14. SENATOR REGNER:

15. The amendment that was put on last week, all that did  
16. is change the wordage in it from the reference from President  
17. pro tem to President of the Senate as far as appointing mem-  
18. bers to the Commission. And also change the mandatory  
19. appointments to Senate Appropriations Committee and Senate  
20. Revenue Committee rather than the Appropriations and Revenue  
21. Divisions of the Public Finance Appropriations Division. I'd  
22. urge a favorable vote on this bill.

23. PRESIDING OFFICER: (SENATOR GRAHAM)

24. The question is, shall SB 31, as amended, pass?  
25. Upon that motion, the Secretary will call the roll.

26. SECRETARY:

7. calling the absentees. Senator Bell, aye. Senator  
8. Clarke, aye. Senator Harber Hall, aye. Senator Berning,  
9. aye. Senator Glass, aye. Senator Chew...I'll hyphenate  
10. that a little more next time, Senator Glass. Senator  
11. Knuppel. It was not much use to call the roll the first  
12. time, was there Gentlemen? On that question, the yeas  
13. are 49. The nays are none. And the bill is declared  
14. passed. I have a request from Senator Mitchler that he  
15. didn't hear me call SB 3, so we will now call SB 3.

16. SECRETARY:

17. SB 3.

18. (Secretary reads title of bill)

19. 3rd reading of the bill.

20. PRESIDING OFFICER: (SENATOR GRAHAM)

21. Senator Mitchler.

22. SENATOR MITCHLER:

23. ...Mr. President, SB 3, is the lead poisoning substances  
24. control act, and I believe you are all acquainted with the  
25. amendments that we put on that relieved the objection from  
26. the paint industries; the percentage and establish some new  
27. language for the Department of Public Health as well as an  
28. amendment that took care of an objection raised by the Illi-  
29. nois Real Estate Board. These amendments should put the bill  
30. in the proper form for...passage and I would recommend a move  
31. for a favorable roll call.

32. PRESIDING OFFICER: (SENATOR GRAHAM)

33. The question is, shall SB No. 3 pass. On that question,

1. the Secretary will call the roll.

2. SECRETARY:

6. Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski, Latherow,  
7. McBroom, McCarthy, Merritt, Mitchler, Howard Mohr, Don  
8. Moore, Netsch.

9. PRESIDING OFFICER: (SENATOR GRAHAM)

10. Senator Netsch.

11. SENATOR NETSCH:

12. Mr. President, my vote is no on this bill, I think  
13. that it should be pointed out to some of the members of  
14. the Senate, that there will be another opportunity to vote  
15. on the question of lead poisoning and some of the legislation  
16. that still needs to be adopted in this area later...We were  
17. assured that the Department of Public Health would be pro-  
18. posing its own bill sometime...hopefully, before April 14th.  
19. And...it took the form on certain of the basic questions  
20. about content, some of us found more acceptable and, I think,  
21. in many cases, it would be wise to wait until that proposal  
22. is before us also.

23. PRESIDING OFFICER: (SENATOR GRAHAM)

24. Senator Netsch, you were on roll call, were you not?  
25. You voted...no.

26. SECRETARY:

27. Newhouse, Nimrod, Nudelman, Ozinga, Palmer, Partee,  
28. Regner, Rock, Roe, Romano, Saperstein, Savickas, Schaffer,  
29. Scholl, Shapiro, Smith, Sommer, Soper, Sours, Swinarski,  
30. Vadalabene, Walker, Weaver, Welsh, Wooten, Mr. President.

31. PRESIDING OFFICER: (SENATOR GRAHAM)

32. Knuepfer, aye: There has been a request for a call  
33. of the absentees, the absentees will be called.

1. SECRETARY:

2. Bartulis, Bruce, Carroll, Course, Daley, Donnewald,  
3. Kenneth Hall, Hynes, Keegan, Knuppel, Kosinski, McCarthy,  
4. Newhouse, Nudelman, Palmer, Partee, Regner, Romano,  
5. Saperstein Savickas, Scholl, Smith, Sours, Swinarski,  
6. Vadalabene, Welsh, Wooten.

7. PRESIDING OFFICER: (SENATOR GRAHAM)

8. Senator Mitchler moves to postpone consideration of  
9. SB 3. It will be taken from the record. SB 68, Senator  
10. Harber Hall. SB 68, Senator, did you... SB84, Senator  
11. Regner. Senator Regner, SB 84. Pass. SB 97, Senator  
12. Berning. The Senator is doing his homework. Do you wish  
13. the bill called Senator? He does.

14. SECRETARY:

15. SB 97.

16. (Secretary reads title of bill)

17. 3rd reading of the bill.

18. PRESIDING OFFICER: (SENATOR GRAHAM)

19. Senator Berning.

20. SENATOR BERNING:

21. Is there an amendment there, Mr. Secretary?

22. PRESIDING OFFICER: (SENATOR GRAHAM)

23. We're on 3rd reading. If there's an amendment here...

24. SENATOR BERNING:

25. Oh! I... I beg...

26. PRESIDING OFFICER: (SENATOR GRAHAM)

27. It's all ready been amended, Senator.

28. SENATOR BERNING:

29. I beg your pardon, yes. The amendment has suggested...  
30. has been adopted. This bill is designed to accommodate those  
31. counties who are not in a position to undertake this work  
32. load, and who have not or cannot establish a noxious weed  
33. fund. The original legislation provides that counties

1. may establish a noxious weed fund and may by referendum  
2. pass a one cent levy, establish a one cent levy, and  
3. impose this for the purpose of control of noxious weeds.  
4. I hardly feel that it is necessary to call to the attention  
5. of the members of the Body that many of the counties are  
6. in rather serious financial difficulties because of the  
7. elimination of a vast segment of their income. Therefore,  
8. this bill seeks to provide the option for those counties  
9. who can and want to work out an agreement with the townships  
10. to allow the townships to do the actual work of the mowing  
11. of the noxious weeds. If at any time a county does impose  
12. by referendum, a levy for the support of their own noxious  
13. weed program, this they have the right to do, and any county  
14. that is in the position to fund the activity right now is in  
15. no way prevented from doing that. But the option ought to  
16. be there for the counties to enter into an agreement with  
17. the townships to allow the townships to do this job which  
18. historically they have done anyway. I realize I'm not getting  
19. across too well, Mr. President, if there are any questions,  
20. I will attempt to answer them. It is not mandatory, it is  
21. permissive, it is...again an exercise in home rule where  
22. the counties ought to be in a position to contract with  
23. another governmental unit.

24. PRESIDING OFFICER: (SENATOR GRAHAM)

25. The question is, before the Senate, shall SB 97 pass.  
26. Senator Rock.

27. SENATOR ROCK:

28. Yes, Mr. President, the sponsor will yield. Senator  
29. Berning, I'm advised that...at least at some point in the  
30. proceeding the Department of Agriculture was opposed to  
31. this bill. Can you elaborate on that?

32. PRESIDING OFFICER: (SENATOR GRAHAM)

33. ...Senator Berning.

1. SENATOR BERNING:

2. Senator Rock, the amendment which was put on to this  
3. bill accommodates the objections or the points raised by the  
4. ...Department of Agriculture. As far as I know, there is  
5. no further question on the bill.

6. PRESIDING OFFICER: (SENATOR GRAHAM)

7. Senator Harber Hall.

8. SENATOR HARBER HALL:

9. Would the sponsor yield for a question?

10. PRESIDING OFFICER: (SENATOR GRAHAM)

11. He indicates that he will, Senator. Senator Berning.

12. SENATOR HARBER HALL:

13. Senator Berning, I can't tell by reading the synopsis  
14. but I understood the...there is a permissible one mill tax  
15. to be levied. Is that with referendum or without?

16. PRESIDING OFFICER: (SENATOR GRAHAM)

17. Senator Berning.

18. SENATOR BERNING:

19. That...that...levy is by referendum and was in the  
20. original legislation which we passed during the last session.  
21. It's because of the recognized...difficulty in passing a  
22. referendum countywide as well as the interest in the townships  
23. in performing this service, that this amendment to the act  
24. of last session is now offered, allowing the townships to  
25. do the work if the county and the township agree. But if  
26. the...if the county is to proceed and they want to levy this  
27. one cent they have to have a referendum.

28. PRESIDING OFFICER: (SENATOR GRAHAM)

29. Senator Berning, and Senator Hall. The Chair's intent  
30. to have us adjourned at 1:15 is still very positive. If this  
31. bill is going to take up an exorbitant amount of time and  
32. there are some...announcements and introductions to make,  
33. would you withdraw your motion and we will consider it the

1. first order of business at 6:15? He has withdrawn his  
2. motion it will, SB 97 will be considered...taken out of the  
3. record. It will be considered as first order of business  
4. this evening. Introduction of bills. Senator Hall.

5. SENATOR HALL:

6. Mr. President, may I...interrupt the proceedings at  
7. this point on...

8. PRESIDING OFFICER: (SENATOR GRAHAM)

9. You just did and you may.

10. SENATOR HALL:

11. Thank you, Mr. President, Ladies and Gentlemen of the  
12. Senate, we have...with us in the Capitol today a consider-  
13. able number of the...members of the League of Women Voters  
14. coming from McLean County and President of the McLean Chapter  
15. of League of Women Voters is Mrs. Ann Nadakavukarem of  
16. Bloomington. I'd like to have you recognize her and her  
17. contingent here.

32. PRESIDING OFFICER: (SENATOR GRAHAM)

33. Now Gentlemen, Ladies and Gentlemen of the Senate,  
34. preparatory to receiving a motion for recess, do any of

1. the committee chairmen have any announcements they want  
2. to make regarding the committee activities. If so, will  
3. you please do it at this time? If not, the Senate will  
4. stand in recess until 6:15 p.m. today.

5. (RECESS)

6. (AFTER RECESS)

7. PRESIDENT:

8. Will our guests please vacate the Senate floor?

9. Senate will come to order. ...Senator Knuepfer, would  
10. you take your conference off the Senate floor, please?

11. Mr. Krone would you vacate the Senate floor, please?

12. We ended with the consideration on Senate Bills 3rd  
13. with SB 97; it will be helpful to the staff in the  
14. Secretary's office to proceed with committee reports  
15. first, and then we will return to Senator Berning's  
16. Bill. Committee reports.

17. SECRETARY:

24. Message from the House from Mr. Selcke:

25. Mr. President: I am directed to inform the Senate  
26. that the House of Representatives has passed bills of the  
27. following titles and the passage of which I am instructed  
28. to ask in concurrence of the Senate, to wit: House Bills  
29. 5, 6 and 122.

2. 3rd reading of the bill.

3. PRESIDENT:

4. Senator Berning.

5. SENATOR BERNING:

6. Yes. Thank you, Mr. President. I believe I explained  
7. the major portions of the bill and let me emphasize that  
8. it has been amended to meet what objections had been raised  
9. by the Department of Agriculture, so I know of no problem or  
10. objections at this time. Very simply, it is a bill to help  
11. the counties over a difficult period right now, allowing  
12. the functions of the township to continue in the control of  
13. noxious weeds at least until such time as a county does get  
14. a noxious weed control fund established. The counties  
15. and I would appreciate a favorable roll call, Mr. President.

16. PRESIDENT:

17. Is there further discussion? The question is, shall  
18. SB 97 pass? The Secretary will call the roll.

10. SECRETARY:

11. (Secretary reads title of bill)

12. 3rd reading of the bill.

13. PRESIDENT:

14. Senator Moore.

15. SENATOR DON MOORE:

16. Thank you, Mr. President, members of the Senate, SB 117  
17. amends the municipal code that provides that when a municipi-  
18. pality which presently has a volunteer fire department, when  
19. it starts to change to a full-time fire department, that the  
20. members of the volunteer fire department be given the first  
21. crack at becoming the full-time members based upon the length  
22. of seniority that they have had as a volunteer...there is a  
23. ...exception insofar as the mandatory retirement age, the  
24. feeling inasmuch as 80% of the firemen in the State are  
25. volunteers, the tremendous work that they have done, they  
26. should be given first consideration. I'd appreciate a favor-  
27. able roll call.

28. PRESIDENT:

29. ...Senator Swinarski.

30. SENATOR SWINARSKI:

31. ...Mr. President, members of the Senate, I had the  
32. opportunity on this particular bill to have met, along with  
33. Senator Moore, members of the Illinois...Firemens' Association,

1. the Illinois Police Officers' Association, and they both  
2. ...both organizations and the majority of the volunteer  
3. fire departments within the State of Illinois agree with  
4. this bill, and I think it's good legislation.

5. PRESIDENT:

6. Is there further discussion? Senator Rock.

7. SENATOR ROCK:

8. Just one question, Mr. President. If the sponsor  
9. will yield. Do I understand correctly that the home rule  
10. amendment has in fact been adopted?

11. PRESIDENT:

12. Further discussion. The question is, shall SB 117  
13. pass? The Secretary will call the roll.

14. SECRETARY:

15. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,  
16. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,

23. Sours, Swinarski, Vadalabene, Walker, Weaver, Welsh, Wooten,  
24. Mr. President.

25. PRESIDENT:

26. On that roll call the yeas are thirty-seven, the nays  
27. are four. SB 117 having received a constitutional majority  
28. is declared passed. Senator Sours.

29. SENATOR SOURS:

30. I was out of the Chamber just for a minute. I'd like  
31. to be shown on the roll call as favoring that bill, 117.

32. PRESIDENT:

33. Is there leave to add Senator Sours to the roll call?

1. So ordered. Following up Senator Sours' request...this  
2. morning I was off the Floor when SB 31 was passed. Might  
3. I have leave...it will not effect the result, might I have  
4. leave of the Senate to be added affirmatively on that roll  
5. call. So ordered. SB 125, Senator Graham.

6. SECRETARY:

7. SB 125. (Secretary reads title of bill)  
8. 3rd reading of the bill.

9. PRESIDENT:

10. Senator Graham.

11. SENATOR GRAHAM:

12. Mr. President and members of the Senate, this bill  
13. takes in a little portion of a territory right next to  
14. Little City and right west of William Rainey Harper  
15. College, north of Algonquin Road and Palatine Township,  
16. that is not in the Metropolitan Sanitary District. As  
17. far as I know, there are no objections to it, and the bill was  
18. proposed and introduced as a result of the request I had  
19. from the Village of Palatine. Ask for a favorable roll call.

20. PRESIDENT:

21. Is there further discussion? The question is, shall  
22. SB 125 pass? The Secretary will call the roll.

23. SECRETARY:

24. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll, Chew,  
25. Clarke, Conolly, Course, Daley, Davidson, Donnewald,  
26. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth  
27. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,

32. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,  
33. Weaver, Welsh, Wooten, Mr. President.

34. PRESIDENT:

1. Senator Kosinski, aye. Senator Merritt, aye. Senator  
2. Berning, aye. Senator Soper, aye. All right. On that  
3. roll call the yeas are forty-seven, the nays are none.  
4. SB 125 having received a constitutional majority is declared  
5. passed. Senator Netsch, SB 145. I might announce for the  
6. benefit of the membership, the bills that were passed over  
7. last week, we are skipping now, giving those bills that have  
8. come onto the Calendar subsequent to them an opportunity to  
9. be heard first. Beginning next week we will go ahead and  
10. proceed in the chronological order, in case you are wonder-  
11. ing why we are skipping some of the bills. SB 145, Senator  
12. Netsch.

13. SECRETARY:

14. SB 145. (Secretary reads title of bill)  
15. 3rd reading of the bill.

16. PRESIDENT:

17. Senator Netsch.

18. SENATOR NETSCH:

19. Mr. President, this is a bill which relates to classifi-  
20. cation of real estate for purposes of property taxation and  
21. applies only to those counties which have the constitutional  
22. authority to classify, which are counties over 200,000 in  
23. population. What the bill provides is that in any county  
24. which may classify, the act of classification shall be done  
25. by the governing board, the legislative board of the county,  
26. which in all cases will be the County Board. It was also  
27. amended on the Floor to provide that nothing in the act  
28. would impair the validity of taxes imposed prior to the ef-  
29. fective date of the act, which shall be January 1, 1974. I  
30. think that the reason for the bill is fairly obvious; the  
31. act of classification involves major policy decisions and  
32. should be a legislative act. In most cases...in most cases  
33. I think that the act of classification would be done by the

1. County Board, this assures that it must be done by the County  
2. Board. It was approved by the Revenue Committee with thirteen  
3. favorable votes and no opposed votes.

4. PRESIDENT:

5. Is there further discussion? Question is shall SB 145  
6. pass...Is there a question? Shall SB 145 pass? Shall SB 145  
7. pass? The Secretary will call the roll.

8. SECRETARY:

9. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll, Chew,  
10. Clarke, Conolly, Course, Daley, Davidson, Donnewald,  
11. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth  
12. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,  
13. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard  
14. Mohr, Don Moore, Netsch, Newhouse, Nimrod, Nudelman,  
15. Ozinga, Palmer, Partee, Regner, Rock, Roe, Romano, Saperstein,  
16. Savickas, Schaffer, Scholl, Shapiro, Smith, Sommer, Soper,  
17. Sours, Swinarski, Vadalabene, Walker, Weaver, Welsh, Wooten,  
18. Mr. President.

19. PRESIDENT:

20. Senator Chew.

21. SENATOR CHEW:

22. I was on the Floor but apparently the Secretary of the  
23. Senate doesn't talk loud enough for me to hear my name  
24. called. And I just realized that I didn't vote on this  
25. bill. Now, do I have the privilege of asking you, Mr. President,  
26. to call the absentees?

27. PRESIDENT:

28. Well, you...you may. Senator Netsch may want to pre-  
29. empt that opportunity in this terribly controversial bill.  
30. I... Do you wish...

31. SENATOR CHEW:

32. Mr. President, I...I'm not going to...I'm going to  
33. take a Senatorial privilege and not allow her to make that

1. request. I'm going to make it.

2. PRESIDENT:

3. Senator Chew has requested the absentees be called.  
4. They will be called. Secretary please call the absentees.

5. SECRETARY:

6. Bartulis, Bell, Berning, Bruce, Carroll, Chew...

7. PRESIDENT:

8. For what...For what purpose does Senator Mohr arise?

9. SENATOR HOWARD MOHR:

10. Mr. President, I'm sorry to rise at this point, but  
11. there is a problem with that bill, and I would like to hold  
12. it until tomorrow, if that would be all right with Senator  
13. Netsch. We're not trying to be cute, there's something  
14. that just came up. If that would be agreeable, why if we  
15. can hold it until tomorrow, why we can act on it tomorrow.

16. PRESIDENT:

17. Well...The Chair wishes to suggest that the bill is  
18. under consideration, the appropriate motion is for the  
19. principal sponsor to postpone consideration. Now, Senator  
20. Mohr.

21. SENATOR HOWARD MOHR:

22. Mr. President, I would just ask the sponsor if she  
23. would be kind enough to hold the bill until...

24. PRESIDENT:

25. Well, we're on roll call and the motion at this  
26. point is that she will have to postpone consideration.  
27. Senator Netsch.

28. SENATOR NETSCH:

29. Mr. President, I'll move to postpone consideration  
30. and if Senator Mohr will...

31. PRESIDENT:

32. All in favor of the motion...all in favor...all in  
33. favor signify by saying aye. Contrary nay. Further con-  
34. sideration of SB 145 is postponed. SB 157, Senator

1. Berning. SB 157.

2. SECRETARY:

3. SB 157: (Secretary reads title of bill)

4. 3rd reading of the bill.

5. PRESIDENT:

6. Senator Berning.

7. SENATOR BERNING:

8. Thank you, Mr. President. May I call the attention of  
9. the Body to the description on the Calendar as being in-  
10. correct. This has nothing to do with a school tax. SB 157  
11. does only one thing, allows a municipality to issue a vehicle  
12. or city license sticker at a reduced fee. It is permissive,  
13. there is no fee set out. This is strictly for the determi-  
14. nation of the municipality. I would appreciate a favorable roll  
15. call. This is designed to be of some small help to our senior  
16. citizens.

17. PRESIDENT:

18. Is there further discussion? The question is shall SB  
19. 157 pass. Secretary will call the roll.

20. SECRETARY:

21. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll, Chew,  
22. Clarke, Conolly, Course, Daley, Davidson, Donnewald,  
23. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth  
24. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,  
25. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard  
26. Mohr, Don Moore, Netsch, Newhouse, Nimrod, Nudelman,  
27. Ozinga, Palmer, Partee...

28. PRESIDENT:

29. Senator Partee.

30. SENATOR PARTEE:

31. You know I could just sit here and not vote on this  
32. bill, let it go by and say nothing and nobody would really  
33. know what was on my mind. But now as I look at this bill,

1. I just have to say this, that this a...cluttering of the  
2. Statute Books with what amounts to an improper approach  
3. at so-called tax relief. Now if you're going to give tax  
4. relief, put in a bill that mandates somebody to do some-  
5. thing. Here's a bill that says here you...you municipali-  
6. ties may charge less money for these licenses. Well, they  
7. could do that now, they don't need a bill to do that. And  
8. all...All it means is another bill on the Statutes that says  
9. when you go home, I voted for tax relief because I said to  
10. those persons who set the license fees in the place where  
11. I live that they could charge less money. And it doesn't  
12. mean anything at all to the old people, and it's just really  
13. a joke. It...it really plays people for being ignoramuses,  
14. to suggest to them that this is a form of tax relief. It  
15. just simply isn't. Now, I don't like to be imaged as  
16. being against tax relief and against not wanting to hurt...  
17. to help older people. I'm getting older myself. I may...  
18. may want to benefit from some of these bills, you know,  
19. but the fact of the matter is, it just isn't what it pur-  
20. ports to be and I think I have the obligation representing  
21. the people of my District to say so. And I'm going to vote  
22. no.

23. SECRETARY:

27. Mr. President.

28. PRESIDENT:

29. Senator Berning.

30. SENATOR BERNING:

31. Thank you, Mr. President. I regret the Honorable  
32. Minority Leader elects to challenge the validity of this  
33. approach, and I will agree that under the old Constitution

1. this action was unconstitutional, but with our new Con-  
2. stitution this is a proper action and while there may be  
3. some municipalities, home rule municipalities who can at  
4. this time enact such legislation or take such action on  
5. their own, there's a serious question as to whether other  
6. municipalities which are not home rule units can. There-  
7. fore, this action will validate and authorize the use of  
8. this one little effort to make life a little bit more  
9. attractive and less of a burden to those over sixty-five.  
10. I see nothing wrong with the bill. If it is duplicatory,  
11. so be it. This is not the only instance, Mr. President.  
12. I think this is a laudable measure; in fact, it came to me  
13. from the the attorney who represents many of the munici-  
14. palities in Lake County. No municipality has to use it,  
15. but they want that prerogative. May I have the absentees  
16. called, Mr. President.

17. PRESIDENT:

18. Request for the absentees has been made. Will the  
19. members please be in their seats? Secretary will call  
20. the absentees.

21. SECRETARY:

26. Savickas, Shapiro, Smith, Sommer, Soper, Sours, Swinarski,  
27. Vadalabene, Walker, Welsh, Wooten.

28. PRESIDENT:

29. Senator Berning moves to postpone consideration of  
30. SB 157. All in favor signify by saying aye. Contrary nay.  
31. Further consideration is postponed, the motion carries.  
32. SB161, Senator Mohr. Sen...Senator Mohr.

33. SENATOR HOWARD MOHR:

34. Mr. President, I'd like to bring SB 161 back for the

1. purpose of an amendment.

2. PRESIDENT:

3. SB 161 is recalled to the order of 2nd reading for  
4. purposes of an amendment. Do you wish...

5. SENATOR HOWARD MOHR:

6. The amendment is on the...Secretary's desk. The  
7. amendment...adds the word "policemen" to this bill, and it  
8. is now a disability bill for pension on policemen and  
9. firemen.

10. PRESIDENT:

11. All right, this is Amendment No. 2. Senator Mohr  
12. has explained the effect of the amendment; is there fur-  
13. ther discussion? All in favor of the adoption of the  
14. amendment signify by saying aye. Contrary nay. The  
15. motion is carried, and the amendment is adopted. 3rd  
16. reading. SB 163. SB...SB 179, Senator Glass. No.  
17. All right. SB 183, Senator Weaver, do you wish those  
18. bills called? No. All right. SB 199, Senator Glass.  
19. 199.

20. SECRETARY:

21. SB 199. (Secretary reads title of bill)  
22. 3rd reading of the bill.

23. PRESIDENT:

24. Senator Glass.

25. SENATOR GLASS:

26. Thank you, Mr. President, Members of the Senate.  
27. This is an Illinois State Bar Association recommended  
28. bill, and makes a couple of changes in the law relative  
29. to land trusts; this is where you have a trustee holding  
30. the naked title to land, and the bill makes it clear  
31. that a successor land trustee is not liable for acts of  
32. his predecessors. And also makes a change in the require-  
33. ment relating to the notarization or acknowledgment on a

1. land trust, makes it comparable to what is required on a  
2. deed. I request your favorable consideration.

3. PRESIDENT:

4. Is there further discussion? Senator Rock.

5. SENATOR ROCK:

6. Well, Mr. President, Members of the Senate, I'll ask  
7. the sponsor if he'll yield for a question, and it is the  
8. same question I asked in the committee, the Judiciary  
9. Committee. It seems to me that a successor trustee is  
10. under some obligation. What...what about the situation  
11. where he presumable could be in collusion with the prior  
12. trustee. Is he under no obligation? Is he free from  
13. any liability?

14. PRESIDENT:

15. Senator Glass.

16. SENATOR GLASS:

17. Thank you, Mr. President. Well, Senator Rock to...to  
18. reiterate ... was I remember our discussion in committee,  
19. the land trustee who is named as a successor takes over his  
20. trusteeship holding naked title of the land without, under  
21. this bill, any liability for acts of his predecessors. Now  
22. I say to you that if he, in fact, is in collusion with his  
23. predecessor and has somehow committed an illegal act, he  
24. is certainly not excused under this bill. I think what...  
25. what it does and the intention of it as expressed by the  
26. Bar Association is simply to say to a person if you come  
27. in and act as trustee, you are not liable for anything that  
28. your predecessor may have done. And I think anybody assum-  
29. ing the role of trustee would certainly want that assurance.  
30. So that, I think, it's a reasonable bill, and as I say, this is  
31. an Illinois Bar bill which I believe is...is needed and  
32. would request your support.

33. PRESIDENT:

1. Is there further discussion? Question is shall SB 199  
2. pass. The Secretary will call the roll.

3. SECRETARY:

4. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,  
5. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,

11. Savickas, Schaffer, Scholl, Shapiro, Smith, Sommer, Soper,  
12. Sours, Swinarski, Vadalabene, Walker, Weaver, Welsh, Wooten,  
13. Mr. President.

14. PRESIDENT.

15. Senator Newhouse, aye. Senator Palmer, aye. Senator  
16. Savickas, aye. Senator Course, aye. Senator Vadalabene,  
17. aye. Senator Conolly, aye. Senator Kosinski, aye. Senator  
18. Nimrod, aye. Senator Don Moore, Senator Soper, Senator  
19. Welsh, Bruce, Dougherty, Senator Nudelman, aye. Senator  
20. Daley, Senator Davidson, Senator Wooten, aye. Senator  
21. Carroll, aye. Senator Knuppel, aye. On that roll call the  
22. yeas are forty-two, the nays are one. SB 199 having re-  
23. ceived a constitutional majority is declared passed. Senator  
24. Merritt.

25. SENATOR MERRITT:

26. Mr. President, I'd like...Members of the Senate, I'd  
27. like to ask leave of the Body to be included as co-sponsor  
28. on SB 161, with Senator Howard Mohr. I have his permission  
29. to do so.

30. PRESIDENT:

31. Senator Merritt has asked to be joined as a co-sponsor  
32. on SB 161. Is there leave? So ordered. SB 201, Senator  
33. Sours. SB 201.

1. SECRETARY:

2. (Secretary reads title of bill)

3. 3rd reading of the bill.

4. PRESIDENT:

5. Senator Sours.

6. SENATOR SOURS:

7. Mr. President, Ladies and Gentlemen of the Senate,  
8. this bill, I started to explain the other day at a time  
9. when I thought it was another bill. I'd like to continue  
10. explaining it now except there's quite a lot of compe-  
11. tition back here,

12. Mr. President.

13. PRESIDENT:

14. Will the members please be in their seats? Senator  
15. Sours is entitled to be heard. SB 201.

16. SENATOR SOURS:

17. This bill was heard in Education. Any teacher who  
18. teaches from material he or she has prepared can best pre-  
19. sent the subject matter. The phrasing of the School Code,  
20. Section 24-22, denies the teacher at the present time this  
21. opportunity for the most effective teaching and hence  
22. denies the student the chance to have the best education.  
23. This restriction is not in the public interest. The pro-  
24. vision originally had reason because the old Constitution  
25. required it; and secondly there was public policy. A per-  
26. son having a financial interest in the product he is buying  
27. with tax funds is poor public policy. Now with a new Con-  
28. stitution, a change can now be made because the constitu-  
29. tional restriction was removed from the new Constitution.  
30. The School Code can and should be amended to serve the pub-  
31. lic interest. Now, this bill simply says and it has one  
32. amendment, no, it has no...it has no amendment. Interest  
33. in books, apparatus or furniture, no teacher shall be...

1. shall be interested in the sale, proceeds or profits of  
2. any book, apparatus or furniture used in any school in  
3. which the teacher may be employed. Now here is the amend-  
4. ment. Unless the teacher's compensation from such sales,  
5. proceeds or profits is paid to the governing body of the  
6. school district in which the teacher is employed. That's  
7. all this bill does, it's...it's a good bill, I'd appreci-  
8. ate its passage.

9. PRESIDENT:

10. Is there further discussion? The question is, shall  
11. SB 201 pass. The Secretary will call the roll.

12. SECRETARY:

13. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,  
14. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,  
15. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth  
16. Hall, Hynes, Johns, Keegan, Knuepfer...

17. PRESIDENT:

18. Senator Knuepfer.

19. SENATOR KNUEPFER:

20. Those...those are the first good words I've heard...  
21. heard sen...Senator Sours say about the new Constitution  
22. and on those grounds, I vote aye.

23. SECRETARY:

24. Knuppel, Kosinski, Latherow, McBroom, McCarthy,  
25. Merritt, Mitchler, Howard Mohr, Don Moore, Netsch,  
26. Newhouse, Nimrod, Nudelman, Ozinga, Palmer, Partee, Regner,  
27. Rock, Roe, Romano, Saperstein, Savickas, Schaffer, Scholl,  
28. Shapiro, Smith, Sommer, Soper, Sours...

29. PRESIDENT:

30. Senator Sours.

31. SENATOR SOURS:

32. Naturally, I'm...naturally I'm voting aye for my bill,  
33. Mr. President, Senators, and as for the comments of Senator

1. Knuepfer, it was probably an oversight on the part of those  
2. who attended the old gentlemen and the old ladies conven-  
3. tion.

4. SECRETARY:

5. Swinarski, Vadalabene, Walker, Weaver, Welsh, Wooten,  
6. Mr. President.

7. PRESIDENT:

8. Senator Davidson, aye. Senator Newhouse, aye. On  
9. that roll call the yeas are forty-seven, the nays are none.  
10. SB 201 having received a constitutional majority is declared  
11. passed. SB 205. Senator Sours.

12. SECRETARY:

13. SB 205. (Secretary reads title of bill)

14. PRESIDENT:

15. Well, that was passed over last week. We're catching  
16. up on the Calendar pursuant to your suggestion, Senator.  
17. Senator Sours...You...you do not want to call 205? SB 215,  
18. Senator Berning. All right, that will be held. Senator  
19. Weaver, 216. SB 216.

20. SECRETARY:

21. SB 216. (Secretary reads title of bill)

22. 3rd reading of the bill.

23. PRESIDENT:

24. Senator Weaver.

25. SENATOR WEAVER:

26. Mr. President and Members of the Senate, this bill  
27. does just as the synopsis states. The amendment provides  
28. that...the amendment provides that dramshop insurance in  
29. maximum coverage limits shall be provided for these two  
30. facilities. If there are any questions, I'll be happy  
31. to answer them.

32. PRESIDENT:

33. Are there...are there questions? Is there further

1. discussion? Senator Buzbee.

2. SENATOR BUZBEE:

3. Mr. President, I rise in support of this bill. We  
4. have the situation in my District where the University  
5. cannot...cannot sell any kind of alcoholic beverages at  
6. the airport and there's many...Is my mike on? Thank you.  
7. I say, I rise in support of this bill. We have the  
8. situation in my District where the University cannot sell  
9. alcoholic beverages at the airport...at the University  
10. faculty center, and I just rise in support of the bill.

11. PRESIDENT:

12. Senator Partee.

13. SENATOR PARTEE:

14. I rise and support this bill and would...I would make  
15. the observation that we are, I think, becoming a progressive  
16. Body in matters relating to alcoholic liquors. I can recall  
17. when a...a...a...a property which was the property of the  
18. State of Illinois, a lodge up near Waukegan, was not permitted  
19. to sell alcoholic beverages because it was State property.  
20. There just simply wasn't any way for them to compete with  
21. facilities of that kind without selling alcoholic beverages,  
22. and at that time, we were provincial enough to insist that  
23. the alcoholic beverages could only be sold if food was sold  
24. at the same time. Now I don't know what that meant; it  
25. might mean that you could get a fifth of booze and a can of  
26. sardines. I don't really know. But... you had to buy food  
27. at the same time as liquor. Now, we are becoming more en-  
28. lightened, it seems to me, in terms of this kind of legisla-  
29. tion, and I am merely going to support it.

30. PRESIDENT:

31. Senator Knuppel.

32. SENATOR KNUPPEL:

33. I don't suspect I'm going to change anyone's mind,  
34. and I generally heartily endorse almost anything that

1. Senator Partee says. But if soppin' up more booze is  
2. enlightening our people when the study on drugs, federally,  
3. came out and said alcoholism is the number one problem  
4. in the United States, then I don't need to be enlightened.  
5. I don't think this is a step forward. And it seems strange  
6. to me that we need this kind of a kicker. I can make it  
7. without it, and...and when I watch people that get it and  
8. the ones that get too much and when you start it, you end  
9. up with more...more people that are alcoholics, bigger  
10. problems, more money goes for that and then the...the  
11. housewife boycotts meat. You don't hear anybody talk about  
12. the price of booze but you heard them talk about the price  
13. of meat and people today are willing to pay it for motor-  
14. scooters and everything else, but they aren't willing to  
15. pay it for food and I don't think this is enlightenment.  
16. And I...I'm sure that I'm not going to change anybody's  
17. vote but I can't sit here and not comment when somebody  
18. says that this is the age of enlightenment.

19. PRESIDENT:

20. Senator Johns.

21. SENATOR JOHNS:

22. Mr. President, Ladies and Gentlemen of the Senate,  
23. I'm really shocked here. I...I can't help but join Senator  
24. Knuppel. I...I think this nation is in deep trouble with  
25. drugs and alcohol, and here we are adding more to it. I'm  
26. really ashamed when a bill like this comes forth on a  
27. State owned facility. The taxpayers are paying that bill  
28. and I'd say the majority of them would say no to this bill.  
29. I wish it could go to a referendum. I'm really disappointed  
30. that anybody would bring a bill of this nature forth. I'm  
31. vehemently against it.

32. PRESIDENT:

33. Senator Savickas.

1. SENATOR SAVICKAS:  
2.           Would the Senator yield to a question?  
3. PRESIDENT:  
4.           He indicates he'll yield. Proceed.  
5. SENATOR SAVICKAS:  
6.           I'd like to know for what reason that you have to  
7. serve liquor at a faculty center if it's on State  
8. grounds, if this center is used in conjunction with the  
9. schooling; why should we permit alcohol to be served to  
10. our teachers?  
11. PRESIDENT:  
12.           Senator Weaver.  
13. SENATOR WEAVER:  
14.           Senator Savickas, this faculty center is a dues  
15. paying organization open to the faculty and staff at  
16. the University ...  
17. PRESIDENT:  
18.           Senator Weaver.  
19. SENATOR WEAVER:  
20.           It is not per...it was not built with State funds.  
21. It was built by a grant and also by contributions. Now,  
22. the University airport is the only State owned airport  
23. that we have...The University of Illinois Airport is the  
24. only State owned airport in the State of Illinois. It  
25. is hoped that this facility will be able to entice some  
26. food service and other land based operations to entice  
27. some food service and other land based operations to pro-  
28. vide meals and beverages at the...this airport. This is  
29. the only reason why it was included in this bill.  
30. PRESIDENT:  
31.           Senator Savickas.  
32. SENATOR SAVICKAS:  
33.           Well, it was my understanding that this airport,

1. this is at SIU, we're talking about, isn't it?  
2. SENATOR WEAVER:  
3. No, the University of Illinois.  
4. SENATOR SAVICKAS:  
5. Oh! U. of I. This is for teaching children...or  
6. teaching students aviation and not start...providing air-  
7. port facilities and services, isn't it?  
8. SENATOR WEAVER:  
9. Have you been to the University of Illinois Airport,  
10. Senator?  
11. SENATOR SAVICKAS:  
12. No, I haven't, that's why I'm asking...  
13. SENATOR WEAVER:  
14. I'd like to invite you down sometime. I can show  
15. you that there's quite a separation from the terminal  
16. facilities and the teaching facilities.  
17. PRESIDENT:  
18. Senator Vadalabene.  
19. SENATOR VADALABENE:  
20. Thank you, Mr. President, Members of the Senate. I  
21. have been to the University of Illinois airport. It's a  
22. good...it's a good facility there and I urge my members  
23. to support Senator Weaver's bill.  
24. PRESIDENT:  
25. Senator Swinarski.  
26. SENATOR SWINARSKI:  
27. Mr. President, Members of the Senate. I feel as  
28. though if there's ever an example...if there's ever an ex-  
29. ample of an institution or if there's ever an example that  
30. the State should set, especially members of this Senate, of  
31. a place, and especially a place of higher education, and  
32. that being the University of Illinois, the educational  
33. system that we have there, and with the credence given

1. today to so many groups that diversify from the...the  
2. regular teaching method. Not too long ago, just a few  
3. weeks ago, we...we looked into the possibilities of  
4. people belonging to organizations and what they're doing  
5. and how this effects the structure of our young people  
6. today. I feel that if any place they should set an ex-  
7. ample is the faculty members of the University of Illinois,  
8. cause this is the institution of the State of Illinois  
9. which set an example for our young people today, and I  
10. don't feel as though they have to have...have to set an  
11. example as to having this type of thing going on there  
12. at the present time. And I think it isn't a necessity  
13. and I think the faculty members can do their drinking in  
14. other locations. As far as dues paying organizations we  
15. have, Senator, we even have the Ku Klux Klan today that's  
16. ...that members do...dues paying organization. And this  
17. doesn't mean that it's necessary for them to be able to  
18. drink on the premises. And I feel as though we should  
19. set an example at the University of Illinois more than any  
20. other place in the State of Illinois. And I..I urge the  
21. other members of this Body to vote no on this legislation.

22. PRESIDENT:

23. Senator McBroom.

24. SENATOR McBroom:

25. Well, Mr. President, I...I'm...I've been there, the  
26. same as Senator Vadalabene...Is...commercial planes come  
27. in there too, don't they Senator? Isn't that what you're  
28. talking about it? There isn't any airport in Illinois  
29. that I know of that doesn't have a...bar facilities for  
30. commercial lines that come in.

31. SENATOR WEAVER:

32. Well, there are forty-two commercial flights into  
33. this airport every day.

1. PRESIDENT:

2. Is there further discussion? Senator Buzbee.

3. SENATOR BUZBEE:

4. Thank you, Mr. President. Mr. President, I'd like to  
5. respond just a...a moment to a question Senator Savickas  
6. had. One reason of the need for being able to serve liquor  
7. at the faculty lounge is so when they have a party to enter-  
8. tain their State Senators, they're able to...to serve booze.

9. PRESIDENT:

10. The question is, shall SB 216 pass. Secretary will  
11. call the roll.

12. SECRETARY:

13. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,  
14. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,  
15. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth  
16. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,  
17. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard

19. Ozinga, Palmer, Partee, Regner, Rock, Roe, Romano, Saperstein,  
20. Savickas, Schaffer, Scholl, Shapiro, Smith, Sommer, Soper,  
21. Sours...

22. PRESIDENT:

23. Senator Sours.

24. SENATOR SOURS:

25. Mr. President, Senators, I hesitate to tell Senators  
26. Johns and Swinarski that we can probably sing...serenade  
27. them with "To the Tables Down at Morries", but nevertheless,  
28. if the faculty down at Champaign wants to get a genteel  
29. drink, and they have their own little private club, I  
30. don't think we should try to chart the mor...the morality  
31. of this situation, so far as they're concerned. If they  
32. want to have the little club, there's an amendment on that  
33. bill that protects the public from dramshop litigation.

1. This is a good bill, and I vote aye.

2. SECRETARY:

3. Swinarski, Vadalabene, Walker, Weaver, Welsh, Wooten,  
4. Mr. President.

5. PRESIDENT: .

6. Senator Saperstein, aye. Senator Bruce, aye.  
7. Senator Mitchler, aye. Latherow, aye. Yes, Senator  
8. Carroll, aye. On that roll call the yeas are forty,  
9. the nays are four. SB 216, having received a constitu-  
10. tional majority is declared passed. SB 234, Senator  
11. Welsh.

12. SECRETARY:

13. SB 234. (Secretary reads title of bill)  
14. 3rd reading of the bill.

15. PRESIDENT:

16. Senator Welsh.

17. SENATOR WELSH:

18. Mr. President, Members of the Senate, 234 was introduced  
19. by me and others at the request of the Illinois State  
20. Historical Library. And all it does is raise the charge  
21. from two and a half dollars for each volume of the Illinois  
22. Historical Collections, to an amount fixed by the Trustees  
23. of the Illinois State Historical Library sufficient to cover  
24. the actual cost of printing and distribution. I might add  
25. that one of our distinguished colleagues, Senator Hudson  
26. Sours, is a Trustee of the Illinois State Historical Library.  
27. I'd appreciate your favorable support of this bill.

28. PRESIDENT:

29. Is there further discussion? Question is, shall SB 234  
30. pass. The Secretary will call the roll.

31. SECRETARY:

32. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,  
33. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,

1. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth  
2. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,  
3. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard  
4. Mohr, Don Moore, Netsch, Newhouse, Nimrod, Nudelman,  
5. Ozinga, Palmer, Partee, Regner, Rock, Roe, Romano,  
6. Saperstein, Savickas, Schaffer, Scholl, Shapiro, Smith,  
7. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,  
8. Weaver, Welsh, Wooten, Mr. President.

9. PRESIDENT:

10. On that roll call the yeas are forty-nine, the nays  
11. are none. SB 234, having received a constitutional majority  
12. is declared passed. Senator Fawell, SB 250. Yes. Proceed,  
13. Mr. Secretary.

14. SECRETARY:

15. SB 250. (Secretary reads title of bill)  
16. 3rd reading of the bill.

17. PRESIDENT:

18. Senator Fawell.

19. SENATOR FAWELL:

20. Mr. President, Members of the Senate, this bill does  
21. just as the synopsis indicates, it simply provides that  
22. it's discretionary with the Board of Education to allow  
23. four out of the five days for in-service training to be  
24. used by teachers for parent-teacher conferences. I know  
25. of no opposition to the bill and appreciate a favorable  
26. roll call.

27. PRESIDENT:

28. Is there further discussion? Senator Bruce.

29. SENATOR BRUCE:

30. Well, would Senator Fawell yield to a question? Why  
31. do we have to change this rule? The five days are used  
32. for teacher training; they're going to be changed as...  
33. as parent-teacher conference days, it seems to me, that

1. those can be arranged after school, before school, what-  
2. ever, as opposed to taking five days that this Legislature  
3. said should be set aside for teacher training. Now, we're  
4. saying that they should be used for teacher conferences.  
5. And I...I think that's...that's a pretty significant  
6. change.

7. PRESIDENT:

8. Senator Fawell.

9. SENATOR FAWELL:

10. May I...may I, first of all, say that this is a...a  
11. bill, as I mentioned in committee that came from a very  
12. powerful constituent of mine, notably my wife. This is  
13. purely discretionary and it clarifies, I think what was  
14. the legislative intent that if the...if the local board  
15. wish to utilize the in-service training for the parent-  
16. teacher conferences, they may do so. And in a number of  
17. letters I have received from the teachers, especially  
18. downstate, they have indicated that truly the...the  
19. parent and the teacher conferences is...is a tremendous  
20. value, and in areas especially where you have say thirty-  
21. five students in a classroom, to expect the teachers to  
22. be able during the evening or maybe one hour each day  
23. after class to be able to have meaningful conferences  
24. with the parents is really asking quite a lot. Again,  
25. this is not anything that is made an obligation upon any  
26. Board of Education. They may utilize this authority if  
27. they wish to, but they certainly don't have to. But I  
28. feel though, as though...I feel really the way a number  
29. of teachers feel that of much more value than the in-  
30. service, so called in-service training, is the opportunity  
31. for the teacher to sit down with the parent and a good  
32. conference, let's say all day long, where they can have  
33. the opportunity to do so without having to make their

1. lesson plans and worry about conducting classes, etc.

2. PRESIDENT:

3. Senator Bruce.

4. SENATOR BRUCE:

5. Senator Fawell, and along with Senator Buzbee's  
6. explanation, I'm not convinced, but I will support this  
7. legislation.

8. PRESIDENT:

9. Senator Latherow.

10. SENATOR LATHEROW:

11. Mr. President, Members of the Senate, I...I just  
12. wondered if Senator Fawell, if you would consider the  
13. possibility of holding this for an amendment that would  
14. add parent-teacher-student conferences? You'd add that  
15. word student in there. I think, probably, many times  
16. when the teacher has the parent in, they ought to have  
17. the student sitting along there knowing what is going  
18. on.

19. PRESIDENT:

20. Senator Fawell.

21. SENATOR FAWELL:

22. That...I think that does go without saying. Cer-  
23. tainly, that is discretionary, I think, right now and it  
24. ...it would be certainly implied in this legislation that  
25. if the teacher in the conference felt that the student  
26. being present, and...and oftentimes this is the case, is  
27. helpful there...there certainly is nothing to stop that  
28. from occurring. And this is often done right now, I...  
29. I...I certainly know it is...it is done again by my wife,  
30. who's a fifth grade teacher and it...it, I think, I  
31. would agree with you it...it can be a very helpful situa-  
32. tion to bring the...the parent, the student and the  
33. teacher together. In fact, I think many times, the

1. teachers would prefer that because alltoo often the parents  
2. will misinterpret what is said in the...students isn't  
3. quite sure just what that conference...actually meant insofar  
4. as the student is concerned.

5. PRESIDENT:

6. Senator Latherow.

7. SENATOR LATHEROW:

8. Do you...do you...do you think have worked in there  
9. then, I didn't quite understand your answer. Whether you  
10. thought we ought to have it or not. I...I kind of think  
11. we should.

12. PRESIDENT:

13. Senator Fawell.

14. SENATOR FAWELL:

15. Senator, I don't see where it'll really add anything.  
16. This is...this is purely discretionary legislation. And  
17. if one is talking about a parent-teacher conference, I  
18. think without any question the...the, certainly the  
19. students could be included in that...you wouldn't want  
20. to mandate that though, because obviously there'd be in-  
21. stances where the conference ought not to have students  
22. as a part of it. So not wanting to mandate it, but cer-  
23. tainly to leave it free to be part of a...certainly be...  
24. leave it free so that it can be utilized is what we would  
25. desire to do and I think that is exactly what we are doing.  
26. Any conference between the teacher and the student...I  
27. mean the teacher and the parent certainly could, but not  
28. necessarily must, include the student.

29. PRESIDENT:

30. Senator Latherow.

31. SENATOR LATHEROW:

32. Well, I'd just like to say that I think many times  
33. this conference brought about between the teacher and the

1. parent is because of something the child has carried home  
2. and related at home then without the child there you...  
3. you don't get the facts of the case. Many times the parent  
4. and the teacher can straighten a child out on what they  
5. carry home, well, by having them there to see what was  
6. actually said. And this is the reason why I'd be inter-  
7. ested in seeing a student attached here. I think that even  
8. in the case of a ...the desirability of one of them not be-  
9. ing in the room, I'd agree that that could be. I wouldn't  
10. want to say that they definitely had to be there. But, I  
11. wouldn't want to say that the teacher could have the parent  
12. in today and talk to the parent, and the child goes..they  
13. go home and the child said, well, that's not really what the  
14. teacher said to me. I think they just as well have all  
15. three parties there and iron it out. That's the way I  
16. would look at it.

17. PRESIDENT:

18. Senator Fawell.

19. SENATOR FAWELL:

20. I...I agree with you, with everything you have said,  
21. Senator. The only point I'd want to make is that I don't  
22. think...we should ever mandate that. To mandate it would  
23. be, I think, a very unfortunate occurrence, because ob-  
24. viously there are instances where the teacher would want  
25. to speak to the parents in private, and where in given  
26. instances the...the student ought not to be there. I  
27. think it's something that's best left to the mutual dis-  
28. cretion of the teacher and the parent as to whether Johnny  
29. and Suzie should be there. I know again, from my own  
30. personal experience, from observing the teaching techniques  
31. of my wife that, and in the school that she teaches, that  
32. this varies with the..with the teacher, with the student,  
33. with a given problem and the academic problems and the

1. other problems that pertain to a given student. So,  
2. I...I would repeat I...I...I don't think it would serve  
3. any useful purpose to mandate that the student must be  
4. present. In fact, I don't think I could vote for such  
5. a bill. But I do agree with you wholeheartedly that...  
6. that this can oftentimes be a very helpful thing for  
7. the student and the parent and the teacher.

8. PRESIDENT:

9. Sen...Senator Wooten, did you wish recognition?  
10. Senator Hynes.

11. SENATOR HYNES:

12. Mr. President, this bill passed the Education Com-  
13. mittee unanimously. I do not recall any objection from  
14. any group. It is discretionary, permissive, and I think  
15. that it...it should be passed by this Body. And if...  
16. If in order, I'd move the previous question.

17. PRESIDENT:

18. The call for the primary motion has been made by  
19. Senator Hynes. Motion for the previous question. All in  
20. favor of the motion signify by saying aye. Contrary nay.  
21. The motion is carried. The question is, shall the main  
22. motion now be put... The Secretary will call the roll.

23. SECRETARY:

33. Welsh, Wooten, Mr. President.

1. PRESIDENT:

2. On that roll call the yeas are thirty-five, the nays  
3. are three. The SB 250, having received a constitutional  
4. majority is declared passed. Senator Regner, 271. Yes.  
5. SB 271.

6. SECRETARY:

7. SB 271. (Secretary reads title of bill)  
8. 3rd reading of the bill.

9. PRESIDENT:

10. Senator Regner.

11. SENATOR REGNER:

12. Mr. President, Ladies and Gentlemen of the Senate,  
13. over the past, there has been some confusion as to whether  
14. or not Junior Colleges can participate in the Joint Pur-  
15. chasing Act of the State. And what this bill does is  
16. specifically allow them to, if they wish, to participate  
17. in the Joint Purchasing Act. And I'd ask for a favorable  
18. vote.

19. PRESIDENT:

20. Is there further discussion? Question is, shall  
21. SB 271 pass. Secretary will call the roll.

22. SECRETARY:

12. 3rd reading of the bill.

13. PRESIDENT:

14. SB 278, I am joined with...by Senator Romano, it  
15. appropriates the amount of money set forth on the Calendar,  
16. four million, four hundred twenty thousand (\$4,420,000) to  
17. the Board of Education for site acquisition for the Chicago  
18. Medical School...earlier appropriation of 6.1 million will  
19. lapse. So this is actually a reduction, this is fiscal '73  
20. money...I know of no opposition to it. It has the enthusi-  
21. astic support of the Board of Higher Education and its  
22. medical education section. The question is, shall SB 278  
23. pass? The Secretary will call the roll.

19. 2nd reading. SB 311.

20. SENATOR HOWARD MOHR:

21. The Secretary has the amendment, Mr. President, and

23. ing and it...the amendment...reads: To reimburse the public  
24. utilities for...reasonable cost of altering or moving exist-  
25. ing equipment or facilities. I think that should be con-

30. passed. Now the Chair wishes...Senator Saperstein. I...  
31. I just want to announce that I have promised the League  
32. of Women Voters that we'd be out of here by 8:00. Now  
33. if we get into any controversy, I want to urge the Senate  
34. to support the Chair to not go beyond 8:00. ...Let us

1. proceed...if there is controversy Senator Saperstein, we

3. time to...discharge the Committee on Judiciary from further  
4. consideration of SB 312 for purposes of tabling that  
5. particular piece of legislation. We are offering fresh  
6. legislation; there were many mistakes made in the drafting  
7. of 312 which would be better clarified by a new bill than  
8. by amendments. I have discussed it with the Chairman of  
9. Judiciary...

10. PRESIDENT:
