31. readings and the approval of the Journal of the...12th, 13th...

32. PRESIDING OFFICER (SENATOR GRAHAM):

33. Well...

1. SENATOR SOPER:  
2. ...14th and 15th. It's the...  
3. PRESIDING OFFICER (SENATOR GRAHAM):  
4. Then...  
5. SENATOR SOPER:  
6. ...ones I have.  
7. PRESIDING OFFICER (SENATOR GRAHAM):  
8. Then, motion carries. Thank you, Senator. Committee  
9. Reports.  
10. SECRETARY:  
11. (Secretary reads Committee Reports)  
12. PRESIDING OFFICER (SENATOR GRAHAM):  
13. If the Senators will now address themselves to the  
14. Calendar, House Bills, 1st reading. We will attempt to  
15. move through those which have been requested by Senate  
16. sponsors. Following that, we will proceed to the order  
17. of House Bills on 2nd reading. So, at this time the order  
18. of business will be House Bills on 1st reading. Mr.  
19. Secretary.  
20. SECRETARY:  
21. HB 640, Senator Howard Mohr.  
22. (Secretary reads title of bill)

25. (Secretary reads title of bill)  
26. 1st reading of the bill.  
27. HB 876, Senator Hynes.  
28. (Secretary reads title of bill)

1. (Secretary reads title of bill)  
2. 1st reading of the bill.  
3. PRESIDING OFFICER (SENATOR GRAHAM):  
4. Senator Schaffer.  
5. SENATOR SCHAFFER:  
6. HB 999 is...identical to Senator Berning's bill on the  
7. same subject which we passed out of here ... I'd like to  
8. have leave of the body to...have the bill discharged from  
9. consideration of committee and moved to 2nd reading. If  
10. the HB...if the SB is passed in the Senate, I've talked to  
11. the House sponsor and we'll Table it but it's a fairly  
12. important thing and I'd like to keep it alive over here  
13. in case something goes astray in the House.  
14. PRESIDING OFFICER (SENATOR GRAHAM):  
15. ...Unless you have a different Calendar than I do,  
16. I don't have 999. You've heard the request of the  
17. Senator from Cary. Is leave granted? Senator Partee.  
18. SENATOR PARTEE:  
19. Is that an identical bill of the Senate Bill or just  
20. on the same subject matter?  
21. PRESIDING OFFICER (SENATOR GRAHAM):  
22. It is identical bill, Senator. Leave is granted.  
23. All right, go ahead, read it. ...Senator Partee, Senator  
24. Sours has left a request... Gentlemen. ...has left a  
25. request that 938 which we just read be moved to the order  
26. of 2nd reading without reference to a committee. That's  
27. for...\$15,000 for a training municipal clerks. House Bills,  
28. 1st. Leave is granted. The bill will be moved to the order  
29. of 2nd reading.

1. PRESIDING OFFICER (SENATOR GRAHAM):  
2. Senator Partee.  
3. SENATOR PARTEE:  
4. Is Senator Davidson on the Floor?  
5. PRESIDING OFFICER (SENATOR GRAHAM):  
6. He...yes, Senator Davidson is on the Floor?  
7. SENATOR PARTEE:  
8. Is that the one you wanted to move? You want to  
9. move that one?  
10. PRESIDING OFFICER (SENATOR GRAHAM):  
11. Senator Davidson.  
12. SENATOR DAVIDSON:  
13. Mr. President, I'd like leave of the Body to send  
14. 1056 on to order of 2nd reading without committee. This  
15. is the appropriation that operates the cost for the  
16. chronic kidney disease...for the State of Illinois. It's  
17. cut down from a million to a half of million for this  
18. year.  
19. PRESIDING OFFICER (SENATOR GRAHAM):  
20. You've heard the request of the Senator from Springfield.  
21. Is leave granted. It is granted. The bill goes to 2nd  
22. reading.  
23. SECRETARY:  
24. HB 1057, Senator Weaver. 1097, I'm sorry.  
25. (Secretary reads title of bill)  
26. 1st reading of the bill.  
27. HB 1524, Senator Swinarski.  
28. (Secretary reads title of bill)  
29. 1st reading of the bill.  
30. HB 1676, Senator Kenneth Hall.  
31. (Secretary reads title of bill)  
32. 1st reading of the bill.  
33. HB 1723, Senator Ozinga.

1. (Secretary reads title of bill)  
2. 1st reading of the bill.  
3. HB 1944, Senator Davidson.  
4. (Secretary reads title of bill)  
5. 1st reading of the bill.  
6. HB 1913, Senator Partee.  
7. (Secretary reads title of bill)  
8. 1st reading of the bill.  
9. PRESIDING OFFICER (SENATOR GRAHAM):  
10. Senator Partee.  
11. SENATOR PARTEE:  
12. HB 1913 is identical with SB 998 which we've already  
13. passed. I'd like to ask for leave to move it to 2nd  
14. reading without reference to committee.  
15. PRESIDING OFFICER (SENATOR GRAHAM):  
16. You've heard the request of the Senator from Chicago.  
17. All in favor? Is leave granted? Senator Par...Weaver.  
18. SENATOR WEAVER:  
19. ...This is HB 998?  
20. PRESIDING OFFICER (SENATOR GRAHAM):  
21. No...HB 1913. Senator Partee.  
22. SENATOR PARTEE:  
23. 998 is still on the Senate Calendar on 3rd.  
24. PRESIDING OFFICER (SENATOR GRAHAM):  
25. Yes, yes it is.  
26. SENATOR PARTEE:  
27. ...This is an identical bill and I'm asking to move  
28. it to 2nd, just in case.  
29. PRESIDING OFFICER (SENATOR GRAHAM):  
30. Senator Weaver.  
31. SENATOR WEAVER:  
32. Without reference, is that...? I think that should  
33. go to Committee on Assignment of Bills, Senator Graham.

1. I think that should go to the Committee on Assignment of  
2. Bills, Senator Partee.

3. PRESIDING OFFICER (SENATOR GRAHAM):

4. Senator Partee.

5. SENATOR PARTEE:

6. Of course, if it goes to Committee on Assignment of  
7. Bills, it's not going to be assigned. ...We have one vehicle  
8. on the Calendar, so I suppose it's enough. But I just didn't  
9. want the House sponsor to...since they were identical bills  
10. to feel that I showed any preference to my own rather than  
11. his. That's the only reason I didn't want to kill it.

12. PRESIDING OFFICER (SENATOR GRAHAM):

13. Leave is not granted. I would like the Journal to show  
14. that the Chair had a little lapse last week and did not  
15. indicate the absence of Senator Nimrod on Wednesday, 13th,  
16. Thursday the 14th, Friday the 15th, was due to illness. I  
17. would like for it to reflect...it is Journalized and I'd  
18. like to, in addition to that, welcome Senator Nimrod back  
19. to the Floor today, peaked, but here. We have more bills.

20. SECRETARY:

21. HB 1950, Senator Dougherty.

22. (Secretary reads title of bill)

23. 1st reading of the bill.

24. HB 1951, Senator Dougherty.

25. (Secretary reads title of bill)

26. 1st reading of the bill.

27. HB 1952, Senator Dougherty

28. (Secretary reads title of bill)

29. 1st reading of the bill.

30. PRESIDING OFFICER (SENATOR GRAHAM):

31. Senator Dougherty.

32. SENATOR DOUGHERTY:

33. These three bills are identical with the makeup of

1. SB 915. It provides that the...which has already passed  
2. this Body and now in the House. I would ask that they might  
3. be...go to the order of 2nd reading without referral to com-  
4. mittee for the reason that we've already acted on this. Senator  
5. Merritt had 915 which is the same subject matter.

6. PRESIDING OFFICER (SENATOR GRAHAM):

7. Senator Shapiro...what purpose do you rise? Do you have  
8. an objection, Senator?

9. SENATOR SHAPIRO:

10. This 1913, Mr. President.

11. PRESIDING OFFICER (SENATOR GRAHAM):

12. This is 1950.

13. SECRETARY:

14. 2.

15. PRESIDING OFFICER (SENATOR GRAHAM):

16. 1950, 51 and 52. 1913 was some few moments ago. Senator  
17. Merritt, for what purpose do you rise?

18. SENATOR MERRITT:

19. ...Senator Dougherty, I haven't had an opportunity to look  
20. at these. Actually, 915 that you referred to was...was finally  
21. Tabled, I believe, and then we...we came with the three Agreed  
22. Bills in the Senate whose numbers I do not have in front of  
23. me right at the moment. But this was done in connection with...

24. PRESIDING OFFICER (SENATOR GRAHAM):

25. If you can hear the Senator from Hoopston, you're luckier  
26. than I am because I can't. Let's have some order, please.

27. SENATOR MERRITT:

28. This, as you know Senator, was done at the...with a  
29. lot of input being put in from both the Democrat and Repub-  
30. lican staff people on Appropriations Committee together with  
31. consultation with the Capital Development Bond Board together  
32. with the...Max Cohen, the Chicago Regional Port District and  
33. ...Amos Watts, of Chapman and Cutler in Chicago. Now, as I

1. understand, there may be some variations in these bills and  
2. I would not want them advanced in that manner if, in fact,  
3. there are variations. ...I do not know that. Now can you  
4. tell me if they vary?

5. PRESIDING OFFICER (SENATOR GRAHAM):

6. Senator Dougherty.

7. SENATOR DOUGHERTY:

8. Representative Maragos who's from my district also  
9. who will handle the Senate Bills in the House, informs me  
10. that they are the same. I do not know that...whether that's  
11. true or not. Well they can go to committee, that's all  
12. right.

13. PRESIDING OFFICER (SENATOR GRAHAM):

14. What's your desire, Gentlemen? There's been a request  
15. to move these bills to the order of 2nd reading without  
16. reference to committee. Is there an objection, that's what  
17. the Chair would like to know? Senator...Merritt.

18. SENATOR MERRITT:

19. I have no objection to sending them to...the committee  
20. with the understanding that if they are identical why we can  
21. ...we can always get them out there and back because I don't  
22. want to be difficult about it, Senator Dougherty, at all.

23. PRESIDING OFFICER (SENATOR GRAHAM):

24. What committee would they be going to Senator Merritt?

25. SENATOR MERRITT:

26. Well, I frankly don't know. The other ones...

27. PRESIDING OFFICER (SENATOR GRAHAM):

28. The Committee on Assignment of Bills if you object. So  
29. are you objecting...

30. SENATOR MERRITT:

31. ...because there's one Appropriation bill in there, I  
32. believe, isn't there Senator? Out of that series. So why  
33. don't you just send them all to Appropriations then.

1. PRESIDING OFFICER (SENATOR GRAHAM):

2. There has been a request by Senator Dougherty that the  
3. Committee on Assignment of Bills be relieved of...any further  
4. consideration of Senate Bills 1950, 51 and 52 and that they  
5. be assigned to the Committee on Appropriations. Leave is  
6. granted and Senator McBroom has some more work, I'll bet  
7. he's happy. 1957.

8. SECRETARY:

9. HB 1957, Senator Davidson.

10. (Secretary reads title of bill)

11. 1st reading of the bill.

12. PRESIDING OFFICER (SENATOR GRAHAM):

13. That's...Senator McCarthy and he's going to make a motion.  
14. I know what it is, don't I. Senator McCarthy moves that this  
15. bill be advanced to the order of 2nd reading without committee  
16. consideration. Is leave granted? Leave is granted. The  
17. bill's on 2nd reading. We'll now go to the order...are there  
18. any late starters on House Bills, 1st. I hope not. We'll  
19. now proceed to the order of House Bills on the 2nd reading.  
20. I don't know where else we're going to go. Ring the bell,  
21. Sergeant at Arms.

1. one aye. Opposed. The ayes have it. The amendment is  
2. adopted. Come on fellows. Senator Harber Hall, I think  
3. he...decided he wanted to hold that. We've done it. Now  
4. with your permission and indulgence, Senators, indulgence  
5. is more important than your permission at this time. So  
6. I may not have to explain again, the order of business which  
7. we are about to embark upon, it will be the order of bringing  
8. bills from 3rd reading back to 2nd for the purpose of amend-  
9. ment and this will be the only opportunity for that procedure  
10. today. I hope. Does anyone have a motion in that regard.  
11. If so,...Senator Knuepfer.

12. SENATOR KNUEFFER:

13. ...If I can have a page up here, I would like to bring...  
14. HB 963, Senator Berning this is back...I think this officially  
15. still your bill maybe I'd better make a motion first of all  
16. to change the lead sponsor on SB 963 from Senator Berning to  
17. Senator Knuepfer.

18. PRESIDING OFFICER (SENATOR GRAHAM):

19. Senator Knuepfer has asked leave of the Body to be  
20. shown as the lead sponsor on HB 963. Is leave granted?  
21. It is and you have another bill. Now, Senator.

22. SENATOR KNUEFFER:

23. Okay. Now, if that has been agreed on I would then  
24. like...to bring HB 963 back from the order of 3rd reading  
25. to 2nd reading for the purpose of amendment.

26. PRESIDING OFFICER (SENATOR GRAHAM):

27. Is leave granted? Leave is granted. HB 963 is now on  
28. the order of 2nd reading. Senator Knuepfer.

29. SENATOR KNUEFFER:

30. Okay. Now, what the amendment does is to put into  
31. written form the verbal agreement between the Department  
32. and the ...sponsor...or as I was handling...the  
33. bill and the language is now...is now acceptable to the

1. Department. When it...it was an Agreed Amendment and I would  
2. move the adoption.

3. PRESIDING OFFICER (SENATOR GRAHAM):

4. You've heard the motion by Senator from Elmhurst to adopt  
5. the Amendment No. 1 to HB 963. All in favor signify by saying  
6. aye. Opposed. The ayes have it. The amendment is adopted.  
7. Any further amendments? The bill will be returned to the  
8. order of 3rd reading. Anyone else have a motion? Senator  
9. Knuepfer.

10. SENATOR KNUEFFER:

11. ...On HB 1451, if I can get a page here I would like to  
12. offer an amendment to that.

13. PRESIDING OFFICER (SENATOR GRAHAM):

14. Send all the pages over there.

15. SENATOR KNUEFFER:

16. ...First of all, I'd like to move that HB 1451 be re-  
17. turned to the order of 2nd reading for the purpose of amend-  
18. ment.

19. PRESIDING OFFICER (SENATOR GRAHAM):

20. You have heard the request from Senator Knuepfer that  
21. HB 1451 be returned to the order of 2nd reading for the  
22. purpose of considering an amendment. Is leave granted.  
23. Leave is granted. The bill is now on the order of 2nd  
24. reading. Senator Knuepfer.

25. SENATOR KNUEFFER:

26. ...Now, what the Agreed Amendment does very simply is  
27. to put the authority back in the Department of Mental Health.  
28. As the bill originally passed, it was passed with the agree-  
29. ment that this bill ...amendment would be put on but this  
30. provided a regional authority in the local 708 board to make  
31. the grant decision. This...simply establishes the 708 boards  
32. as having a review power but the final power to authorize  
33. grants under this amendment is back in the Department of Mental

1. Health where it exists presently and...I would move the  
2. adoption of the amendment.

3. PRESIDING OFFICER (SENATOR GRAHAM):

4. ...Moves the adoption of the amendment to HB 1451 by  
5. the Senator from Elmhurst. All in favor signify by saying  
6. aye. Opposed. The aye has it and the amendment is adopted.  
7. Any further amendments. The bill will be returned to the  
8. order of 3rd reading. Senator Knuepfer, you want another  
9. page. Senator Shapiro, do you have a motion?

10. SENATOR SHAPIRO:

11. ...Mr. President and Members of the Senate, I would  
12. like leave of the Senate to re...return HB 856 to 2nd reading  
13. for purposes of an amendment.

14. PRESIDING OFFICER (SENATOR GRAHAM):

15. You've heard the request of the Senator from Amboy. Is  
16. leave granted? Leave is granted. The bill is now on the  
17. order of 2nd reading. Senator...Shapiro will explain his  
18. amendment. Saperstein will explain Senator Shapiro's...the  
19. amendment.

20. SENATOR SAPERSTEIN:

21. This grants the right of local junior college boards  
22. the bill does to set fees and...and tuition. The amendment  
23. also gives them the power to waive tuition fees and other...  
24. fees necessary and so this amendment that I am offering gives  
25. them the power to variate the fees and tuitions.

26. PRESIDING OFFICER (SENATOR GRAHAM):

27. Senator Shapiro suggested that is an Agreed Amendment  
28. and Senator Saperstein moves its adoption. All in favor  
29. signify by saying aye. Opposed. The ayes have it. The  
30. amendment is adopted. Are there further amendments. HB  
31. 856 will be returned to the order of 3rd reading. Senator  
32. Kenneth Course.

33. SENATOR COURSE:

1. Thank you, Mr. President and Members of the Senate,  
2. I'd like to...unanimous consent to have HB 1580 returned  
3. to the order of 2nd reading for the purpose of...offering  
4. an amendment. This was an Agreed Amendment and the...  
5. Transportation Committee and...unknowingly I didn't...I  
6. forgot about it.

7. PRESIDING OFFICER (SENATOR GRAHAM):

8. Senator Course asks leave of the Body to have HB 1580  
9. return to the order of 2nd reading for a purpose of con-  
10. sidering an amendment. Is leave granted? Leave is granted.  
11. The bill is now on the order of 2nd reading. 1580. Senator  
12. Course will present the amendment.

13. SENATOR COURSE:

14. Yes, Mr. President,...Amendment No. 1 to HB 1580 strikes  
15. line 7 through 11 and what this does it...tends to bring the  
16. Act in conformance with the...Federal Act. And I would move  
17. its adoption please.

18. PRESIDING OFFICER (SENATOR GRAHAM):

19. Senator Course moves the adoption of Amendment No. 1  
20. to HB 1580. All in favor signify by saying aye. Opposed.  
21. The ayes have it. The amendment is adopted. And is there  
22. further amendments. Being done, it's returned to the order  
23. of 3rd reading. Any further motions? Senator Glass, did  
24. you have a bill that you wished to amend. What number  
25. would that be please.

26. SENATOR GLASS:

27. Well, Mr. President, I have SB 620 and 621 companion  
28. bills and I would like to move them to 3rd... There is an  
29. amendment on the Secretary's desk.

30. PRESIDING OFFICER (SENATOR GRAHAM):

31. They are on 3rd now, are they not?

32. SENATOR GLASS:

33. No...I...I don't believe they are. I think they're  
still on...

1. PRESIDING OFFICER (SENATOR GRAHAM):  
2. They're on 2nd reading. We haven't got to them yet.  
3. Just a moment Senator. We're trying to clean up the House  
4. Bills first. Any further motions on House Bills? Any  
5. amendments? We have an amendment for HB 1793...it is now  
6. prepared. We'll get them in shape. Call it back to the  
7. order of 2nd reading. Leave is granted.  
8. SECRETARY:  
9. HB 1793.  
10. PRESIDING OFFICER (SENATOR GRAHAM):  
11. It's on 2nd reading.  
12. SECRETARY:  
13. (Secretary reads title of bill)  
14. 2nd reading of the bill. The Committee on Executive offers  
15. one amendment.  
16. PRESIDING OFFICER (SENATOR GRAHAM):  
17. Who moves the adoption? Senator Bartulis...moves the  
18. adoption of Amendment No. 1 to HB 1793. All in favor  
19. signify by saying aye. Opposed. The amendment is adopted.  
20. Further amendments from the Floor?  
21. SECRETARY:  
22. Amendment No. 2 by Senator Conolly.  
23. PRESIDING OFFICER (SENATOR GRAHAM):  
24. Senator Conolly will explain his amendment.  
25. SENATOR CONOLLY:  
26. Mr. President this is a...amendment that is...actually  
27. HB 1185 that conveys some land in Cook County and 1185 got  
28. over here too late and therefore I would like this to be  
29. added.  
30. PRESIDING OFFICER (SENATOR GRAHAM):  
31. Your amendment...  
32. SENATOR CONOLLY:  
33. Move the adoption.

1. PRESIDING OFFICER (SENATOR GRAHAM):  
2. ...Your amendment is on 1793 though, isn't it?  
3. SENATOR CONOLLY:  
4. Correct.  
5. PRESIDING OFFICER (SENATOR GRAHAM):  
6. ...Moves the adoption. Senator from Waukegan moves  
7. the adoption of Amendment No. 2 to HB 1793. All in favor  
8. will signify by saying aye. Opposed. The ayes have it.  
9. The amendment is adopted. Are there further amendments?  
10. 3rd reading. Senator Vadalabene for what purpose do you  
11. rise?  
12. SENATOR VADALABENE:  
13. Yes, thank you Mr. President, I would like to have

23. SECRETARY:  
24. Amendment No. 1 by Senator Vadalabene.  
25. PRESIDING OFFICER (SENATOR GRAHAM):  
26. What's it contain Senator?  
27. SENATOR VADALABENE:  
28. Thank you, Mr. President, what this does is...this amend-  
29. ment has been worked out with the Department of Transportation.  
30. It strikes everything after the enacting clause and puts in a  
31. new bill with the same intent as the original. And the general  
32. effect of the amendment is to strengthen the bill that is now  
33. on 3rd reading. This is a strengthening amendment and not a

1. watering-down amendment. What it includes in this is liability

3. for escort vehicles. The existing requirements of the Depart-  
4. ment of Transportation on all over-size loads be approved

- 30.           Well...yes, Mr...
- 31. PRESIDING OFFICER (SENATOR GRAHAM):
- 32.           Motions in Writing.
- 33. SENATOR MCCARTHY:
- ...I...I have several motions on taking bills from the

1. Table. I was wondering, do you want to ...want to set a  
2. definite time for the argument of these motions. I had  
3. in mind Wednesday some time.

4. PRESIDING OFFICER (SENATOR GRAHAM):

5. Why don't we...I think Senator Knuppel already had a  
6. motion in, some Motion in Writing he wanted to debate  
7. Wednesday. Wasn't that true? We have some pending tomorrow  
8. and probably some pending Wednesday. Let's establish a time  
9. of 2:00 o'clock Wednesday afternoon.

10. SECRETARY:

11. Senator McCarthy has Motions filed on HB 268, 671, 1206  
12. and 1207.

13. PRESIDING OFFICER (SENATOR GRAHAM):

14. They...the Motions have been filed. They will be heard  
15. by the Senate at 2:00 p.m., Wednesday next. ...Senator, just  
16. one moment... Perhaps...

17. SECRETARY:

18. ...I...I have another one

19. PRESIDING OFFICER (SENATOR GRAHAM):

20. ...Mr. Secretary, we better move that time to 1:00 o'clock,  
21. Wednesday because Executive meets at 2:15. 1:00 o'clock,  
22. Wednesday, Senator McCarthy.

23. SECRETARY:

24. The next Motion is...Senator Partee on HB 349.

25. PRESIDING OFFICER (SENATOR GRAHAM):

26. Senator...Mr...Senator Partee.

27. SENATOR PARTEE:

28. He's doing what I wanted to get done so that we could get  
29. a list of those that ought to be argued so that everybody  
30. would be...would know what... What was the first one, sir?

31. SECRETARY:

32. First number on Senator McCarthy is HB 268.

33. SENATOR PARTEE:

1. Thank you.

2. SECRETARY:

3. The next one is 671 and 1206 and 1207. Four bills.

4. SENATOR PARTEE:

5. And they all...no, no they're not all his. All of  
6. them are House Bills? Fine, thank you.

7. PRESIDING OFFICER (SENATOR GRAHAM)

8. And they could...it seems like they could...might be  
9. heard in one hour on Wednesday, prior to Executive. Would  
10. that seem all right Senator Partee and Senator Rock.

11. SENATOR PARTEE:

12. That seems all right, yes.

13. PRESIDING OFFICER (SENATOR GRAHAM):

14. Senator Rock.

15. SENATOR ROCK:

16. Well, I...I file a similar Motion on last Friday, I  
17. believe,...Are we going to set all these motions and take  
18. them in the order in which they were filed.

19. PRESIDING OFFICER (SENATOR GRAHAM):

20. Well....

21. SENATOR ROCK:

22. I asked for Wednesday...I asked for that Motion to be  
23. heard Wednesday, June 20th and it was...leave of the Body  
24. was given. I...it...

25. PRESIDING OFFICER (SENATOR GRAHAM):

26. It was?...I didn't think there was a time set. I thought  
27. you were talking about Tuesday. I'm agreeable, gentlemen,  
28. I don't care.

29. SENATOR ROCK:

30. No. I asked...I did specifically ask for Wednesday. I...

31. PRESIDING OFFICER (SENATOR GRAHAM):

32. Well...

33. SENATOR ROCK:

1. I'm not involved with these other ones.

2. PRESIDING OFFICER (SENATOR GRAHAM):

3. These are House Bills aren't they?

4. SENATOR ROCK:

5. This...this was a House Bill which I am moving to

6. take from the Table.

7. PRESIDING OFFICER (SENATOR GRAHAM):

8. Well, Senator Partee could we hear....from Senator

9. McCarthy...Rock or McCarthy, could we hear 268, 671,

10. 1206 and 1207? Are you involved in those, Senator Rock?

11. Well, then could we hear your's Wednesday? You've made

12. prior motions, Senator Rock, and hear the ones just

13. enunciated Thursday. We don't want to get into...

14. that...what? Take them all at once and if we don't have

15. enough time, we'll have to postpone them until Thursday.

16. Will that be satisfactory? Take them in the...order

17. they were filed. Hear them starting Wednesday at 1:00

18. o'clock and if we do not have sufficient time to complete

19. the hearing on the motions, we'll postpone them to the next

20. day. Is that agreeable?

21. SENATOR ROCK:

22. Yes, mine is 1652.

23. PRESIDING OFFICER (SENATOR GRAHAM):

24. 1652 which you filed first with the biggest number.

25. How'd that happen? We'll get the rest of these motions.

26. SECRETARY:

27. House...HB 349 with Senator Partee. HB 178, Senator

28. Fawell and HB 1641, Senator Knuppel and HB 1803, Senator

29. Knuppel.

30. PRESIDING OFFICER (SENATOR GRAHAM):

31. What...what did we just read? I'm let's read the

32. rest. Have we taken care of all of them now? Let's schedule...

33. let's schedule all of the motions that have been made starting

1. with 1:00 o'clock on Wednesday in order of filing. We'll  
2. go as far as we can with the Motions and the ones we're  
3. not prepared to handle or can't handle that day will be  
4. continued until the next day at 1:00 o'clock. Does that  
5. seem...and there was some request for some on Tuesday, so  
6. we'll have three days of argument, I'm afraid. Can we do  
7. that at 11:00 o'clock at night or...no, I guess not.  
8. Senator Hynes for what purpose do you rise?

9. SENATOR HYNES:

10. Mr. President, I filed a Motion on SB 882 and it was  
11. set for Tuesday and I'd be just as pleased to have that  
12. set for Wednesday as well so that they could all be done  
13. at the same time.

14. PRESIDING OFFICER (SENATOR GRAHAM):

15. ...We're going to let you be the preview. There  
16. were some already set for Tuesday and they will be heard  
17. so you'll be heard Tuesday. The ones that had not been  
18. set...had not been set will be Wednesday and Thursday.  
19. The ones that were set for Tuesday will be heard on Tues-  
20. day, including yours. Do we have a time for Tuesday?  
21. Let's...let's try 2:00 o'clock on Tuesday. First thing  
22. in the morning probably we'd get the attendance here wouldn't  
23. we? Senator Buzbee for what purpose do you rise?

24. SENATOR BUZBEE:

25. A point of inquiry, Mr. President, the published  
26. schedule...

27. PRESIDING OFFICER (SENATOR GRAHAM):

28. Take a point.

29. SENATOR BUZBEE:

30. The published schedule shows our Sessions being from 9:00  
31. until 12:30 and then resuming at 2:00 and going until. Now  
32. you've set these motions to be heard at 1:00 o'clock so I  
33. presume that we're going to go straight through from 9:00 until...?

1. PRESIDING OFFICER (SENATOR GRAHAM) :

2. You've been around here long enough that those Motions

3. and Rules are made to be broken or strained.

4. SENATOR BUZBEE :

5. Thank you, Mr. President.

6. PRESIDING OFFICER (SENATOR GRAHAM) :

7. ...Mr. Secretary.

8. SECRETARY :

9. (Secretary reads Communication from the

10. President)

11. PRESIDING OFFICER (SENATOR GRAHAM) :

12. Senator Mc...Senator...I can't remember your name,

13. Mitchler. Senator Mitchler.

14. SENATOR MITCHLER :

15. Yes...

16. PRESIDING OFFICER (SENATOR GRAHAM) :

17. For what purpose do you rise?.

18. SENATOR MITCHLER :

19. Mr. President and Members of the Senate, HB 923 is in

20. the Executive Committee. I have spoken to leadership on

21. both sides of the aisle, including the Chairman of the

22. Executive Committee, Senator Ozinga, and I would like to

23. move for suspension of the rules so that we could discharge

24. the Committee from hearing HB 923 and have it advanced to

25. 2nd reading.

26. PRESIDING OFFICER (SENATOR GRAHAM) :

27. Senator Mitchler has asked for unanimous consent to

28. have HB 923...have the Committee on Executive discharged

29. from further consideration from HB 923. That it be advanced

30. to the order of 2nd reading. Is leave granted? Leave is

31. granted. The record will so show. Any further motions,

32. amendments or extraneous conversation that doesn't pertain

33. to the order of business. The next order of business.

1. Senate Bills, 3rd reading. Now, gentlemen, we're on passage  
2. stage, need I tell you. I'm going to trade this wonderful  
3. seat to the Senator Howard Mohr for a time.

4. PRESIDING OFFICER (SENATOR MOHR):

5. Senate Bills, 3rd reading, Senator Saperstein, SB 5.

6. SECRETARY:

7. SB 5 (Secretary reads title of bill)

8. 3rd reading of the bill.

9. PRESIDING OFFICER (SENATOR MOHR):

10. Senator Saperstein.

11. SENATOR SAPERSTEIN:

12. Mr. President and Ladies and Gentlemen of the Senate,  
13. SB 5 funds the proposed new Department on Aging. This does  
14. not involve any new money but merely lists the appropriations  
15. from the Department of Public Aid in the same dollars and  
16. transfers it to the proposed new Department. It also...  
17. makes a...an appropriation from the Federal funds which  
18. will accumulate to about 8 million dollars. I urge your  
19. support. SB 4 passed the Senate...is in the House. HB 1405  
20. passed the House and the Senate and will go to the Governor's  
21. desk...very shortly. I urge your support of SB 5.

22. PRESIDING OFFICER (SENATOR MOHR):

23. Any further discussion? The question is shall SB 5  
24. pass? And on that question the Secretary will call the roll.

11. PRESIDING OFFICER (SENATOR MOHR):

12. Senator Netsch.

13. SENATOR NETSCH:

14. Mr. President, this is the...regular biennial appro-  
15. priation for the Illinois Racing Board. ...It was amended  
16. only in one major respect to...reflect a collection on the  
17. amount of retirement money and in other respects it is as  
18. introduced. ...There are, I believe there were no objections  
19. or outstanding questions and I would...earnestly beseech that

6. Bruce.

7. SENATOR BRUCE:

8. Yes, Mr. President, SB 379 has five amendments some of  
9. which I disagree with and we've disagreed with but...the  
10. reality is that all five amendments have been adopted and  
11. this is the ordinary and contingent expenses for the Depart-  
12. ment of Personnel. I would ask for a favorable roll call.

13. PRESIDING OFFICER (SENATOR MOHR):

14. Any further discussion? The question is shall SB 379

29. 3rd reading of the bill.

30. PRESIDING OFFICER (SENATOR MOHR):

31. Senator Bruce.

32. SENATOR BRUCE:

33. Yes, Mr. President, the only comment about this parti-  
cular appropriation is that it may not be enough. Under the

1. new Act of the State Comptroller, the State Treasurer is  
2. required to issue all checks in the State of Illinois.  
3. Including all of those checks of the University Systems.  
4. If the Comptroller is geared up to do this in this fiscal  
5. year and buy this new computer and gets all ready to go,  
6. there is a possibility there is not sufficient money  
7. in here but the expectation is that this won't get started  
8. until January so there is sufficient money at least for  
9. the last half of the fiscal year. I ask for a favorable  
10. roll call.

11. PRESIDING OFFICER (SENATOR MOHR):

12. Any further discussion? The question is shall SB 705  
13. pass? And on that question the Secretary will call the roll.

23. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,  
24. Weaver, Welsh, Wooten, Mr. President.

25. PRESIDING OFFICER (SENATOR MOHR):

26. On that question the yeas are 46. The nays are none.  
27. SB 705 having received the constitutional majority is  
28. declared passed. Senator Graham, do you want to go with  
29. 1153?

30. SECRETARY:

31. SB 1153 (Secretary reads title of bill)  
32. 3rd reading of the bill.

33. PRESIDING OFFICER (SENATOR MOHR)

1. Senator Graham.

2. SENATOR GRAHAM:

3. Mr...Mr. President and Members of the Senate, it might  
4. seem a little strange that I'm lead sponsor of a bill of  
5. this type. It is a bipartisan sponsored bill and the genesis  
6. of this type of thinking goes back many years to former  
7. Commission on Technological Progress. I'm glad to know that  
8. this is not one...an idea to be considered entirely mine alone  
9. because a report of the survey of secretary in school,  
10. science teachers, teaching application of nuclear energy in  
11. secondary schools conducted by the National Science Teachers  
12. Association, Atomic Industrial Forum, Inc., and the Bureau  
13. of Educational and Research and Field Services at the Uni-  
14. versity of Maryland agrees that this is time that we should  
15. be starting on this program and perhaps we have not started  
16. early enough. Some of the applications of this program, I  
17. think, may well be directed to a prog...to a future program  
18. of the better scientific disposal of human waste. I think  
19. this will be contributory to it and I ask for a favorable  
20. roll call.

21. PRESIDING OFFICER (SENATOR MOHR):

22. Any further discussion? The question is...Senator  
23. Partee.

24. SENATOR PARTEE:

25. I rise to support this bill. The Nuclear Education  
26. Act came as a result of some experimentation and some surveys  
27. made by the OSPI and Illinois is in the forefront of this  
28. very important movement. This is a very small amount of  
29. money and I certainly solicit your support.

30. PRESIDING OFFICER (SENATOR MOHR):

31. Any further discussion? The question is shall SB 1153  
32. pass? And on that question the Secretary will call the  
33. roll.

1. SECRETARY:

2. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,

3. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnwald,

4. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth

10. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,

11. Weaver, Welsh, Wooten, Mr. President.

12. PRESIDING OFFICER (SENATOR MOHR):

13. Rock, aye. Buzbee, aye. Shapiro, aye. On that

14. question the yeas are 44. The nays are none. SB 1153

15. having received the constitutional majority is declared

16. passed. Is Senator Romano in the area? Senator Romano

17. on SB 355.

18. SECRETARY:

19. SB 355 (Secretary reads title of bill)

20. 3rd reading of the bill.

21. PRESIDING OFFICER (SENATOR MOHR):

22. Senator Romano.

23. SENATOR ROMANO:

24. ...Mr. President, Members of the Senate, this is the

25. annual appropriation for the Department of Insurance. It was

26. amended, it was cut and I think it's a very tight budget and

27. I'd appreciate a nice vote for this.

28. PRESIDING OFFICER (SENATOR MOHR):

29. Any further discussion? The question is shall SB 355

30. pass? And on that question the Secretary will call the

31. roll.

32. SECRETARY:

33. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,

4. Latherow, MCBroom, McCarthy, Merritt, Mitchler, Howard  
5. Mohr, Don Moore, Netsch, Newhouse,

6. PRESIDING OFFICER (SENATOR MOHR):

7. Gentlemen and Ladies of the Senate, I'm speaking to  
8. the men of the Senate, in this instance, would you please  
9. hold it down and take your caucuses to the back of the  
10. room. It is absolutely impossible for the Secretary to  
11. hear your voice. Please.

12. SECRETARY:

13. Nimrod, Nudelman, Ozinga, Palmer, Partee, Regner,  
14. Rock, Roe, Romano, Saperstein, Savickas, Schaffer, Scholl,  
15. Shapiro, Smith, Sommer, Soper, Sours, Swinarski, Vadalabene,  
16. Walker, Weaver, Welsh, Wooten, Mr. President.

17. PRESIDING OFFICER (SENATOR MOHR):

18. Schaffer, aye. Welsh, aye. On that question the yeas  
19. are 46. The nays are none. SB 355 having received the  
20. constitutional majority is declared passed. SB 920, Senator  
21. Carroll.

22. SECRETARY:

23. SB 920 (Secretary reads title of bill)

24. 3rd reading of the bill.

25. PRESIDING OFFICER (SENATOR MOHR):

26. Senator Carroll.

27. SENATOR CARROLL:

28. Thank you, Mr. President and Ladies and Gentlemen of  
29. the Senate, SB 920 is to make the salary levels for the Trial  
30. Courts Judges throughout this State uniform to the Associate  
31. and full circuit people then the discriminatory aspect that  
32. existed in the single county circuit prior to this piece of  
33. legislation. I would ask for a favorable roll call.

1. PRESIDING OFFICER (SENATOR MOHR):  
2. Senator Sommer.  
3. SENATOR SOMMER:  
4. Would the sponsor yield for a question?  
5. PRESIDING OFFICER (SENATOR MOHR):  
6. He indicates he will.  
7. SENATOR SOMMER:  
8. ...This is in effect a pay raise for downstate Circuit  
9. Judges. How much money are we going to raise their salary?  
10. PRESIDING OFFICER (SENATOR MOHR):  
11. Senator Carroll.  
12. SENATOR CARROLL:  
13. ...Senator Sommer this particular piece of legislation  
14. ...is to give all judges in the State the same amount of  
15. money and that would be \$37,500 for full Circuit and 28  
16. for the Associates.  
17. SENATOR SOMMER:  
18. You didn't answer the question, Senator Carroll, how  
19. much are we going to raise the downstate judges pay, by  
20. this?  
21. SENATOR CARROLL:  
22. The full judges would not...would then get the 7,500  
23. that has been paid by the single county circuit and the  
24. associates would get the 4,500 that was paid by the single  
25. county circuits.  
26. SENATOR SOMMER:  
27. In other words, this is a 7,500 dollar pay raise for  
28. downstate judges?  
29. SENATOR CARROLL:  
30. In most instances.  
31. SENATOR SOMMER:  
32. Thank you.  
33. SENATOR CARROLL:

1. Those who come to...the single county circuits now  
2. for 13 weeks out of the year are getting the supplement  
3. for that time in which they spend in the single county  
4. circuit. Your circuit, for example sends the judges  
5. up for 13 weeks out of the year.

6. PRESIDING OFFICER (SENATOR MOHR):

7. Any further discussion? The question is shall SB 920  
8. pass? And on that question the Secretary call the roll.

9. SECRETARY:

10. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,  
11. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,  
12. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth  
13. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,  
14. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard  
15. Mohr, Don Moore, Netsch, Newhouse, Nimrod, Nudelman,  
16. Ozinga, Palmer, Partee, Regner, Rock, Roe, Romano,  
17. Saperstein, Savickas, Schaffer, Scholl, Shapiro, Smith,  
18. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,  
19. Weaver, Welsh, Wooten, Mr. President.

20. PRESIDING OFFICER (SENATOR MOHR):

21. Rock, aye. Mitchler, aye. Weaver, aye. Nimrod,  
22. aye. Davidson, aye. On that question the yeas are 31.  
23. The nays are 9. SB 920 having received the constitutional  
24. majority is declared passed. Senator Rock moves to recon-  
25. sider. Senator Carroll moves to have that motion lie on  
26. the Table. All those in favor of Tabling signify by saying  
27. aye. Opposed. The motion is Tabled. We're going to the  
28. order of Senate Bills on 2nd reading. First one Senator  
29. Nimrod, SB 954.

30. SECRETARY:

31. SB 954 (Secretary reads title of bill)  
32. 2nd reading of the bill. No committee amendments.

33. PRESIDING OFFICER (SENATOR MOHR):

Senator Nimrod...wishes the bill advanced. Any amendments

1. from the Floor? 3rd reading. SB 1175, Senator Wooten.  
2. SECRETARY:  
3. SB 1175 (Secretary reads title of bill)  
4. 2nd reading of the bill. The Committee on Appropriations  
5. offers one amendment.  
6. PRESIDING OFFICER (SENATOR MOHR):  
7. Senator...McBroom moves the adoption of the amendment.  
8. All those in favor signify by saying aye. Opposed. Any...  
9. Senator Wooten.  
10. SENATOR WOOTEN:  
11. I merely wanted to speak in vigorous opposition to  
12. the adoption of the amendment, Mr. President. It inflates  
13. the...appropriation beyond all recognizable shape and I  
14. think would be...in a fiscal sense, irresponsible.  
15. PRESIDING OFFICER (SENATOR MOHR):  
16. Senator McBroom do you wish to reply.  
17. SENATOR MCBROOM:  
18. I thought the amendment had been adopted.  
19. PRESIDING OFFICER (SENATOR MOHR):  
20. It was I...thought that Senator Wooten was in agreement  
21. with the amendment. It's my error Mr...  
22. SENATOR MCBROOM:  
23. As long as the amendment's adopted, I have...it's all  
24. I have...  
25. SECRETARY:  
26. Amendment No...  
27. PRESIDING OFFICER (SENATOR MOHR):  
28. Senator Rock.  
29. SENATOR ROCK:  
30. Well, then I'll having voted on the prevailing side,  
31. I'll move to reconsider that vote by which the amendment  
32. was adopted. We've got to talk about it.  
33. PRESIDING OFFICER (SENATOR MOHR):

1. Senator Rock moves to reconsider...the vote by which  
2. Amendment No. 1 was adopted. Senator McBroom.

3. SENATOR MCBROOM:

4. I move to Table that motion.

5. PRESIDING OFFICER (SENATOR MOHR):

6. Senator Partee.

7. SENATOR PARTEE:

8. Would you hold that motion just for a moment...the...to  
9. Table. I'd just like to have a word or two to say about  
10. this, sir.

11. PRESIDING OFFICER (SENATOR MOHR):

12. We have a Motion to Table. Senator McBroom states that  
13. he will withhold that for a minute.

14. SENATOR PARTEE:

15. Now, I just want to say that there comes a time, I think,  
16. when we have to address ourselves in a rather serious vein to  
17. problems which grow out of this kind of situation. ...There  
18. is, I suppose, the end of something, there is an end of money,  
19. there are just so many dollars. As I understand this amend-  
20. ment it would appropriate an additional 30 million dollars  
21. for what you would normally describe as cat and dog projects.  
22. A lot of projects that aren't within the purview of the  
23. appropriation of the department which has the responsibility  
24. of determining which project shall have priority. I, for one,  
25. would like to see every single pro...project where...  
26. there is a need in this State funded. I'd like very much  
27. to do that. I have responsibly, in this Senate, voted for  
28. every kind of proposition to raise the necessary money to  
29. do the things that we want done for the citizens of this  
30. State. But there is such a thing as priority and you have  
31. a department which has over the years on the basis of  
32. knowledge, experience and expertise, determined which of  
33. those projects shall have priority. Now, those that have

1. been given priority, I think we certainly have a right to  
2. and should fund. Those that are not a priority classi-  
3. fication for the amount of money involved is much  
4. more than we are capable of spending which you know only  
5. so well. I think we do a disservice to people to just  
6. haphazardly vote for increased appropriations in an area  
7. where the money simply isn't there and where we know it  
8. isn't there. I don't think that would persuade you to not  
9. push it. I don't have that kind of illusory thought pattern.  
10. I know that you have made a political decision to do this.  
11. It's calculated I take it to embarrass the Governor. What-  
12. ever it is calculated to do, I think it is a very irres-  
13. sible activity and I certainly would oppose it.

14. PRESIDING OFFICER (SENATOR MOHR):

15. Senator McCarthy.

16. SENATOR MCCARTHY:

17. Yes, just to...add a...view a part of the problem here  
18. insofar as this amendment is concerned. Mr. President, I  
19. had a...fellow call me Saturday who was wanting to know  
20. ...why the facilities for unemployment compensation in the  
21. State were so woefully inadequate. He described the conditions  
22. that he had to operate under as a person who was unemployed  
23. through no fault of his own. He had to go downtown in Decatur  
24. and park in a meter plug - the meter with a dime, stand in  
25. line, get a ticket from the city because he was overparked  
26. because he couldn't get through his line and all through the  
27. woes of what happens when we pass a law such as providing  
28. for unemployment compensation, and yet refuse...refuse, Mr.  
29. President, to appropriate the dollars necessary to carry forth  
30. that which we have proclaimed to be the law of the State. Now  
31. I can understand when a State's in a tight budget of them not  
32. having facilities for people that are out of work where they  
33. do get parking tickets, where they have to stand in line, where

1. they have inadequate staff. I'm not complaining about that  
2. but I think that should be taken in context with the deliberate  
3. attempt here to take 30 millions of dollars that might very  
4. well be used to fund the Department of Labor and yet they're  
5. putting it on on a non-budgeted item. And I just add that in  
6. as an argument for...for defeating this amendment. Thank you,  
7. Mr. President.

8. PRESIDING OFFICER (SENATOR MOHR):

9. Senator McBroom.

10. SENATOR MCBROOM:

11. Well, Mr. President, Members of the Senate, I think it  
12. behooves me to briefly answer some of the comments made by  
13. Senator Partee and Senator McCarthy. First of all, the  
14. Division of Waterways, in my opinion, there...what they've  
15. laid out to us was extremely late as so many of the Governor's  
16. bills have been, we haven't had an opportunity to properly  
17. analyze them. They've come in very late. And I've heard  
18. the word priority, Mr. President, over and over and over  
19. again for the past year past year and a half. It occurs  
20. to me that a priority, Mr. President, is one man's opinion.  
21. It's kind of like an editorial in a newspaper or a letter,  
22. Mr. President, from you...from you to me or from me to you.  
23. It expresses your opinion, expresses my opinion but it  
24. doesn't necessarily conform to the opinion of the other  
25. people in the State of Illinois or the other 57 members of  
26. this Senate. I'd also like to point out, Mr. President,  
27. for those of us who were more than casual observers of the  
28. previous campaign and I think all of us would fall in that  
29. category. Flooding conditions throughout the State of  
30. Illinois were an integral part of the Governor's campaign.  
31. Every place that he went throughout my Senate District and  
32. immediately north of me where I have ac...access to Chicago  
33. television, he pointed out over and over again that Governor

1. Ogilvie was dilatory in correcting flooding conditions and  
2. when he became Governor this would all change. Now,...as  
3. I said, Mr. President, what a...what a priority is, I guess  
4. depends on an individuals opinion. ...I'm sure that the  
5. people in...interested in conservation think we're giving  
6. too much to education and law enforcement and I'm sure  
7. those that are interested in law enforcement think too  
8. much is going to conservation and all the way around the  
9. circle. Also, the...the a...the...the amount of money, even  
10. though the Governor made this an integral part of his cam-  
11. paign, the amount of money that he put in the budget for  
12. flooding was substantially less than what Gov...Governor  
13. Ogilvie had in one or two of his budgets. I think it's  
14. an excellent amendment. He has the veto pen to do what-  
15. ever he wants to. ...I...reaffirm my motion to Table  
16. Senator Rock's motion.

17. PRESIDING OFFICER (SENATOR MOHR):

18. Senator McBroom moves to Table Senator Rock's motion  
19. to reconsider. All those in favor of Tabling...Senator  
20. Rock's motion signify by saying aye. Opposed. The motion  
21. to Table carries.

22. SECRETARY:

23. Amendment No. 2 by Senator Mitchler.

24. PRESIDING OFFICER (SENATOR MOHR):

25. Senator Mitchler.

26. SENATOR MITCHLER:

27. Yes, Mr. President, Members of the Senate, this is an  
28. amendment that...is put on after the bill left the...  
29. Appropriations Committee in the Senate and I've given a  
30. copy to both sides of the leadership and also to the sponsor  
31. of the SB 1175, Senator Wooten. And it does two things, it  
32. makes a correction by deleting Soldier Creek and Soldier's  
33. Creek and inserting thereof Grinnell Ditch, correcting a name  
and also adding Section 36, Spring and Hickory Creeks in Will

1. County which is a flood control by channel improvements along  
2. the existing stream alignments a sum of \$250,000. It would  
3. also change the total appropriation for the...project. Now,  
4. this was to have been put on in the Appropriations Committee.  
5. It has the approval of the Committee...I might say that it  
6. as a result of a study conducted...by the Division of Water  
7. Resource Management, John Guillou, for the Hickory and Spring  
8. Creeks area in Joliet and Will County. And this is the first  
9. phase of the flood control program and I would ask for a  
10. favorable adoption of this amendment to the...SB 1175.

11. PRESIDING OFFICER (SENATOR MOHR):

12. Senator Wooten.

13. SENATOR WOOTEN:

14. Yes, Mr. President, I rise in opposition to this amend-  
15. ment and...I'm sure Senator McBroom will join me in opposition  
16. to this since he has already stated his annoyance in having  
17. things brought in late and I fully share his view and...will  
18. join with him in moving...in suggesting that this amendment  
19. be defeated.

20. PRESIDING OFFICER (SENATOR MOHR):

21. Senator McBroom.

22. SENATOR MCBROOM:

23. I...would then suggest to Senator Wooten that he might want  
24. to reconsider his vote on the last amendment, Mr. President.

25. PRESIDING OFFICER (SENATOR MOHR):

26. Senator...Mitchler moves the adoption of Amendment No.  
27. 2. All those in favor signify by saying 'aye. Opposed.  
28. Amendment No. 2 is adopted. Any further amendments? 3rd  
29. reading. Senator Bruce on SB 378.

30. SECRETARY:

31. SB 3...

32. PRESIDING OFFICER (SENATOR MOHR):

33. ...He wants to hold that...Mr. Secretary. ...Senator

1. Shapiro, SB 1178.. Senator Shapiro. 1178. Wants to hold  
2. that bill. Senator Rock, 1192.  
3. SECRETARY:  
4. SB 1192 (Secretary reads title of bill)  
5. 2nd reading of the bill. The Committee on Executive offers  
6. one amendment.  
7. PRESIDING OFFICER (SENATOR MOHR):  
8. Senator Rock moves the adoption of the Amendment No. 1.  
9. All those in favor signify by saying aye. Opposed. Amendment  
10. No. 1 is adopted. Any further amendments? 3rd reading.  
11. Senator Buzbee you wanted to hold 1197? Is Senator Savickas  
12. back on the Floor? We'll leave the order of Senate Bills,  
13. 2nd until Senator Savickas gets back and he has some amend-  
14. ments for several of his bills. We'll go to the order of  
15. Resolutions. Mr. Secretary.  
16. SECRETARY:  
17. Senate Resolution 208 by Senator Davidson and it's  
18. Congratulatory.  
19. PRESIDING OFFICER (SENATOR MOHR):  
20. Senator Davidson.  
21. SENATOR DAVIDSON:  
22. ...Move for the suspension of the rules to adopt...  
23. Resolution.  
24. PRESIDING OFFICER (SENATOR MOHR):  
25. Will you explain the Resolution.  
26. SENATOR DAVIDSON:  
27. Yes, the Resolution is Congratulatory to the Copper  
28. Coin Ballet Troupe here in Springfield which will be performing  
29. a ballet on Sleeping Beauty and By Her Word which is a tribute  
30. to Mahalia Jackson and...one of the dancers happens to be a  
31. little girl named Jane Davidson, so I would appreciate suspen-  
32. sion of the rules and adoption of the Resolution.  
33. PRESIDING OFFICER (SENATOR MOHR):

HB 5  
3rd Reading  
6/18/73  
Sen. Partee Removes

1. Senator Davidson moves the suspension of the rules.  
2. All those in favor signify by saying aye. Opposed. Now  
3. Senator Davidson moves the adoption of the Resolution.  
4. All those in favor signify by saying aye. Opposed. The  
5. Resolution is adopted. We have a motion. The Secretary  
6. will read the motion of Senator Ozinga's.

7. SECRETARY:  
8. Secretary reads Motion in Writing.

9. PRESIDING OFFICER (SENATOR MOHR):  
10. Senator Ozinga.

11. SENATOR OZINGA:  
12. This was a...bill that was in there and needed a lot  
13. of fixing up. I talked with Senator Knuepfer and he's agreed  
14. to take it back in Committee.

15. PRESIDING OFFICER (SENATOR MOHR):  
16. Senator...Ozinga moves to recommit HB 2...take it from  
17. the Table, HB 232. All those in favor signify by saying aye.  
18. Opposed. The motion carries. Now Senator Ozinga moves to  
19. recommit HB 232 to Public Health and Welfare Committee. All  
20. those in favor signify by saying aye. Opposed. The motion  
21. carries. We'll go to House Bills on 3rd reading. Right at  
22. the top. HB 5, Senator Partee.

23. SECRETARY:  
24. HB 5 (Secretary reads title of bill)  
25. 3rd reading of the bill.

26. PRESIDING OFFICER (SENATOR MOHR):  
27. Senator Partee.

28. SENATOR PARTEE:  
29. Mr. President and Members of the Senate, HB 5 makes the  
30. 15th day of January each year a Holiday, a commemorative holi-  
31. day for the birthday of Martin Luther King. Now some of the  
32. opposition to the bill before was that it would create a new  
33. bank holiday. This bill does not do that. It does not create

1. school holiday. It is but a commemorative holiday. I don't  
2. think they...under those circumstances the objections...are  
3. any longer obtaining. It's the same kind of bill we passed  
4. the other day making a birthday of Pulaski a commemorative  
5. holiday and that's just what it does and I would appreciate  
6. a favorable roll call and your support.

7. PRESIDING OFFICER (SENATOR MOHR):

8. Senator Mitchler.

9. SENATOR MITCHLER:

10. One of the nice things about this bill and I'm going to  
11. support this bill, is the fact that the date to be observed is  
12. actually the birthday of Dr. Martin Luther King. And I think  
13. that's a very important part when we have commemorative or holi-  
14. days that we have them on the day that is significant to the in-  
15. dividual or the historical date. And...January 15th is the  
16. date of the birthdate of Dr. Martin Luther King and is the ap-  
17. propriate date to be designated as the commemorative holiday  
18. for this great gentleman.

19. PRESIDING OFFICER (SENATOR MOHR):

20. Any further discussion? The question is shall HB 5  
21. pass? And on that question the Secretary will call the  
22. roll.

23. SECRETARY:

1. PRESIDING OFFICER (SENATOR MOHR):

2. On that question the yeas are 47. The nays are none.  
3. HB 5 having received the constitutional required majority  
4. is declared passed. Senator Shapiro, HB 14.

5. SECRETARY:

6. HB 14 (Secretary reads title of the bill)  
7. 3rd reading of the bill.

8. PRESIDING OFFICER (SENATOR MOHR):

9. Senator Shapiro.

10. SENATOR SHAPIRO:

11. ...Mr. President, Members of the Senate, HB 14 is now  
12. amended. It pertains to lifting the ban on leaf burning  
13. throughout the State. Now the amendment as proposed by  
14. the Environmental Protection Agency and has their approval,  
15. is as follows and I want to read it to you because it is the  
16. substance of the bill: The Board may not adopt any regula-  
17. tions banning the burning the leaves throughout the State  
18. generally. The Board may by regulation restrict or prohibit  
19. the burning of leaves with any...within any geographical area  
20. of the State if it determines based on medical and biological  
21. evidence generally accepted by the scientific community that  
22. such burning will produce in the atmosphere of that geographi-  
23. cal area contaminates in sufficient quantities and of such  
24. characteristics and duration as to be injurious to humans,  
25. plant or animal life or health. I am authorized to tell you  
26. that HB 14 as amended, is approved by the Environmental pro-  
27. tection Agency, that they will recommend to the Governor that  
28. he signs the bill. The amendment is acceptable to the House  
29. sponsor, to myself and as I said before to the EPA and I  
30. would urge a favorable vote. I think you all heard the  
31. arguments pro and con and...I again reiterate...I...ur...  
32. a favorable roll call.

33. PRESIDING OFFICER (SENATOR MOHR):

1. Senator Wooten.

2. SENATOR WOOTEN:

3. ...Mr. President, as one who has consistently opposed  
4. the ban on leaf burning, the several bills that have come  
5. through, I rise in support of this for a couple of reasons.  
6. First, although the language is somewhat vague and may sub-  
7. ject the bill to...rather tortured interpretation that might  
8. give some difficulties in enforcement, still I am persuaded  
9. this is the correct approach if properly interpreted. In  
10. the event that there is some difficulty we can ban leaf  
11. burning and that's what we need. The second reason is, that  
12. I would like to have this on the Governor's desk in the  
13. event that the Pollution Control Board does not adopt the  
14. Henss Regulation Changes. I still think that is the best  
15. approach, a change in regulations, but I would like to have  
16. this alternative present in case that falls through. So I  
17. support this bill...bill as amended.

18. PRESIDING OFFICER (SENATOR MOHR):

19. The question is shall HB 14 pass? And on that question  
20. Secretary will call the roll.

21. SECRETARY:

22. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,  
23. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,  
24. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth  
25. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,  
26. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard  
27. Mohr, Don Moore, Netsch, Newhouse, Nimrod, Nudelman,  
28. Ozinga, Palmer, Partee, Regner, Rock, Roe, Romano,  
29. Saperstein, Savickas, Schaffer, Scholl, Shapiro, Smith,  
30. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,  
31. Weaver, Welsh, Wooten, Mr. President.

32. PRESIDING OFFICER (SENATOR MOHR):

33. Course, aye. Dougherty, aye. Romano, aye. Nimrod, aye.

1. Regner, aye. Berning, aye. On that question the yeas  
2. are 42. The nays are none. HB 14 having received the  
3. constitutional majority is declared passed. HB 20,  
4. Senator Bell.

5. SECRETARY:

6. HB 20 (Secretary reads title of bill)  
7. 3rd reading of the bill.

8. SENATOR BELL:

9. Mr. President, Members of the Senate, HB 20 is the  
10. first bill that we have been able to address ourselves  
11. to here in the Senate Floor in reference to the reestablish-  
12. ment of a death penalty in the State of Illinois. The bill  
13. has been amended and I believe with the amendment wo...would  
14. very likely meet the Supreme Court test. If you've had an  
15. opportunity to scan the bill at all, you'll see that ori-  
16. ginally it involved a death penalty for the murder of law  
17. officers, firemen, correctional institutions, murder by  
18. contract, assassination, murder of guard at correctional  
19. institutions, murder...kidnapping, murder...hijacking, well  
20. as it's been amended, it strikes that the murder by contract,  
21. murder by assassination, murder of guard at correctional in-  
22. stitution, kidnap murder, hijacking murder. What is left in  
23. the bill is the murder of law officers, murder of firemen,  
24. murder of correctional institutions, people that are in the  
25. performance of their duties, this would cover a guard, and  
26. where a murderer has been previously convicted of murder.  
27. I think it's a bill that the people of the State of Illinois  
28. need and want. It's limited. It isn't just helter-skelter  
29. all over the place and for that reason it's felt by many of  
30. the attorneys in the Senate that it may well pass the test  
31. as imposed on us by the Supreme Court of the United States.  
32. I think it's meaningful and I'd like to have an aye vote by  
33. the Members of the Senate.

1. PRESIDING OFFICER (SENATOR MOHR):

2. Senator Carroll.

3. SENATOR CARROLL:

4. Thank you, Mr. President, Ladies and Gentlemen of the  
5. Senate. Very briefly, since the question has been raised  
6. and I'm not talking about the concept of the State's right  
7. to kill a member of society but referring only to the Supreme  
8. Court Opinion. And, I think what many members of this Body  
9. have failed to realize is that all of these bills, Senator  
10. Bell's bill and the other bill that's still on consideration  
11. before the Senate, as well as the other three that have been  
12. presented by the House; all of these bills are aimed at the  
13. three members of the majority opinion of the Supreme Court.  
14. The Supreme Court in the abolition of the death penalty split  
15. five - four as to whether or not that case was constitutional.  
16. Two of the majority said that it would be unconstitutional at  
17. any time. Three of them said it would be constitutional in  
18. exactly the situation Senator Bell's bill describes. However,  
19. very few have read the Four Man Minority Opinion and I think  
20. if we are to act we should act in the hopes that any legis-  
21. lation we pass would be constitutional or at least hope to be  
22. constitutional. And I would refer to Chief Justice of the  
23. Supreme Court, Chief Justice Berger who wrote a minority  
24. opinion who said at the time that the case before the Supreme  
25. Court in his opinion was constitutional, the imposition of  
26. death penalty. But, in his opinion and the other three  
27. minority judges the other three who upheld the death penalty  
28. in that case, concurred with him in saying that were the  
29. death penalty to be given out mandatorily, were the Jury  
30. to have no discretion were the Bench to have no discretion,  
31. were the Jury or the Bench be unable to lessen the penalty  
32. or to find the person guilty of the effect of first degree  
33. murder but not have the discretion of whether or not to give

1. the death penalty. Those four members have said in their  
2. opinion and I refer to page 28 of Supreme Court Justice  
3. Berger's Opinion in Furman vs. Georgia, that they would opt  
4. for total abolition of the death penalty. So it seems to  
5. me by reading those minority opinions, that were we to pass  
6. this bill instead of having a five to four unconstitutional  
7. we would have a six to three unconstitutional. Chief Justice  
8. Berger and the rest who held that where the Jury has dis-  
9. cretion, they would hold it constitutional; would now hold  
10. because of the lack of discretion it would be unconstitutional.  
11. I think what's important about this is merely one thing. If  
12. we are going to tell the people of the State of Illinois that,  
13. yes, there will be a death penalty for the State of Illinois,  
14. in specific instances we must act in such a manner not knowing  
15. ahead of time that the Court will strike it by its own already  
16. preexisting language. I think this is a sham on the people  
17. that they will not accept. I don't think that we, as a  
18. Legislature, should be doing this in this particular area  
19. or course of study. There is a case now pending. There is  
20. a case in the State of Florida where they have given a man-  
21. datory death penalty prior to the Furman Case, mandatory  
22. death penalty for the killing of a prison guard. That is  
23. already on appeal to the Supreme Court. It would not be  
24. that long for us to wait for a clarifying opinion so that  
25. were we to write a death penalty bill, we would write one  
26. in the hopes that it would constitutional. That we  
27. could pass something if the citizens want it that would  
28. stand the Court's test. At this time, I would urge that  
29. this bill be defeated. It is totally unconstitutional under  
30. Chief Justice Berger's very clear, clear words.

31. PRESIDING OFFICER (SENATOR MOHR):

32. Senator Wooten.

33. SENATOR WOOTEN:

1. Mr. President...Senator Carroll has said most of what  
2. I wanted to say in substance. I would merely like to add  
3. that I think a society pretty well defines itself by the  
4. implications, the philosophical and ethical implications  
5. of its laws. As long ago as the time of Aeschylus  
6. thoughtful men have spoken of the futility of exacting  
7. revenge and I think it says something about the ethical  
8. state of a society if it is willing to forego capital  
9. punishment and is willing to take all other means to seek  
10. the redress of crime. ...The more practical opposition to  
11. this as given by Senator Carroll. I do not know which is  
12. more persuasive but I would urge the defeat of this bill  
13. on either ground.

14. PRESIDING OFFICER (SENATOR MOHR):

15. Senator Walker.

16. SENATOR WALKER:

17. ...Thank you, Mr. President, Members of the Senate.  
18. I rise in support of this bill. I hope I'm not going to  
19. be redundant nor repetitious but I'm looking at an editorial  
20. here from Chicago Trib several weeks old wherein they state  
21. the People of Illinois have voted two to one in favor of  
22. retaining the death penalty. Murder rates have climbed  
23. since the penalty fell in disuse 10 years ago. The Supreme  
24. Court, however narrowly, has left the door open. These death  
25. penalty bills that have been introduced are dealing with  
26. crimes where there's premeditation, not those where there  
27. are extenuating circumstances; such as, self defense or  
28. acts of passion. The 1970 Constitutional Referendum if  
29. you'll recall, the Illinois voters supported retention of  
30. the death penalty by a two to one margin. Now, Ladies and  
31. Gentlemen of the Senate, that's our constituents who voted  
32. two to one for retention of the death penalty. That year  
33. the Harris Poll was 47% in favor and 42 against. A recent

1. poll shows 59 with the opposition down to 30. I think  
2. this is important legislation. I think it's as important  
3. as legislation we will have before us this Session. I'd  
4. like to go back to someone I think perhaps knows a little  
5. bit more or knew a little more about this than we as  
6. Senators do. If you'll remember the late J. Edgar Hoover  
7. who wore a hat similar to that one Senator Vadalabene has  
8. on over there now on occasion, was always in favor of the  
9. retention of the death penalty. And I thought he was a  
10. pretty good law man. I think he was conversant with the  
11. laws of this Nation as any man or any successor of his  
12. will ever be. I think it's a good bill. I think it's  
13. high time, I'm informed by Senator Soper, that we have  
14. the 30 votes so I'll sit down and say no more although  
15. I can't say there... In closing I'll only say, that  
16. there's never been legislation on the Floor of the House  
17. or the Senate that I'm more firmly committed to than I  
18. am to this bill. Thank you very much.

19. PRESIDING OFFICER (SENATOR MOHR):

20. Senator Buzbee.

21. SENATOR BUZBEE:

22. Thank you, Mr. President. Mr. President, I understand  
23. there's been an amendment a Senate Amendment to this bill.  
24. I have looked over my desk and I cannot find it. I think  
25. this is one of the most important pieces of legislation  
26. that we will be called on to vote on during this Session.  
27. And I don't feel qualified to vote on a bill that I don't  
28. know what it says, and so I am making a request that the  
29. amendments be printed and put on the desk before we are  
30. called on to act on this piece of legislation.

31. PRESIDING OFFICER (SENATOR MOHR):

32. ...This amendment...was the...Committee Amendment in  
33. Judiciary, Senator and it is too late to make that request

1. at this time. Senator Buzbee.

2. SENATOR BUZBEE:

3. .... point of order, you mean...it is not in my book,  
4. you mean that I am supposed to vote on this bill without  
5. having a copy of what this bill says.

6. PRESIDING OFFICER (SENATOR MOHR):

7. You've been doing it all Session, Senator.

8. SENATOR BUZBEE:

9. Well, that may be, Mr. President, but I believe that...  
10. as an elected member of this Legislative Body that I ought  
11. to have a right at any time I want to to be able to read  
12. what's in the bill. And I'm not able to do that because  
13. that amendment is not in my book.

14. PRESIDING OFFICER (SENATOR MOHR):

15. Well, the amendment...as I mentioned, was a Committee  
16. Amendment, was adopted and...had...been discussed here and...  
17. previous...on a previous day. I don't think your request  
18. is in order. ...Buzbee.

19. SENATOR BUZBEE:

20. Mr. President, I accept your ruling...I want to register  
21. my strong protest. ...I...you leave me no alternative but  
22. to...simply refrain from voting on this particular amendment...  
23. on this particular bill.

24. PRESIDING OFFICER (SENATOR MOHR):

25. Senator Glass.

26. SENATOR GLASS:

27. Thank you, Mr. President, Ladies and Gentlemen. I rise  
28. in opposition to this bill...primarily because I believe the  
29. death penalty is wrong, that it is wrong for the State to be  
30. in the business of killing people. And I think, furthermore,  
31. that the death penalty has proven itself not to be an  
32. effective deterrent...to crime. As you know, there were  
33. very few executions under the death penalty...in the many

1. ye...later years in which it was in effect. I think there  
2. are several other reasons to oppose the bill. Senator  
3. Carroll has enumerated several of the legal arguments. I  
4. would just point out that, in addition to Florida, 11  
5. states so far in 1973 have adopted capital punishment  
6. legislation and...I would think the better part of discre-  
7. tion would be for some of this legislation to be ruled upon  
8. by the Supreme Court. I personally won't believe it  
9. can...be constitutional...under the opinion in the Furman  
10. Case...but, nevertheless, I think Illinois would be well  
11. advised to wait until there is legal clarification.  
12. Finally, I think there is one more good reason for opposing  
13. this bill and that is, and I'm quoting from a letter that  
14. was written to me by the former Assistant State's Attorney  
15. of Cook County under State's Attorney Hanrahan, Jack Schmitter  
16. he says that it's demonstrable that courts and juries  
17. have often refused to convict, when they believe the re-  
18. sulting mandatory minimum punishment is too harsh. In connection  
19. with capital punishment, that is the very historic reason why  
20. judges and juries were given authority to decide whether  
21. death is an appropriate punishment. Should our Legislature  
22. now impose mandatory death sentences we can expect prosecu-  
23. tors to have difficulty convicting in some cases for crimes  
24. bearing that punishment. In other words, ladies and gentle-  
25. men, the juries will in many cases find a not guilty in  
26. order to avoid the mandatory death penalty. For the...for  
27. these reasons, I would urge a no vote on this bill.

28. PRESIDING OFFICER (SENATOR MOHR):

29. Senator Rock.

30. SENATOR ROCK:

31. Yes, Mr. President, Members of the Senate, I rise in  
32. support of a death penalty bill but in support of HB 18.  
33. I argued against HB 20 in the Judiciary Committee and if

1. the sponsor will yield to a question, I would like to  
2. point out that in my judgment the amendment is defective  
3. and it renders the bill meaningless. If the sponsor will  
4. yield?

5. PRESIDING OFFICER (SENATOR MOHR):

6. Senator Bell. He indicates...

7. SENATOR ROCK:

8. ...My understanding...thank you, Mr. President, my  
9. understanding, Senators that on page 2 you have stricken  
10. lines 1 through 29 which strikes all those various categories  
11. which are in HB 18 and of which I approve. But in addition  
12. to that, does your amendment also state that on page 3, lines  
13. 6 through 17 are also stricken. Now, my interpretation  
14. once having stricken lines 6 through 17, there is no  
15. possibility of a death sentence.

16. SENATOR BELL:

17. Would you explain your...

18. PRESIDING OFFICER (SENATOR MOHR):

19. Senator Bell.

20. SENATOR BELL:

21. Would you explain yourself there, Senator Rock?

22. SENATOR ROCK:

23. Well, all you have said is that given the fact that the  
24. murders of any peace officer, firemen or correctional  
25. official engaged in the performance of his official  
26. duties or, two, one he has previously been convicted  
27. of then the sentence would be a person convicted of  
28. murder shall be sentenced to imprisoned in a penitentiary  
29. for any indeterminate term with a minimum of not less than  
30. 14 years period. With no proviso that there will be a  
31. mandatory death penalty. The proviso now having been  
32. stricken by your amendment.

33. PRESIDING OFFICER (SENATOR MOHR):

1. Senator Bell.

2. SENATOR BELL:

3. Well, this amendment was...drafter by the Reference  
4. Bureau, I suppose there're able to make mistakes too. I  
5. don't know that, in fact, it is a mistake... I don't  
6. know if that interpretation of yours is correct. However,  
7. I am perfectly willing to hold the bill to check it fur-  
8. ther, Senator Rock. I appreciate...you know, your view-  
9. point on that. I think it's well taken. So, if we could...  
10. Mr. President, if we could take it from the record...to  
11. examine it further and maybe redraft the amendment, re-  
12. submit it before this Body...in the very near future.

13. PRESIDING OFFICER (SENATOR MOHR):

14. Take HB 20 from the record. ...on the Floor? Don  
15. Moore. HB 23, Senator Moore.

16. SENATOR MOORE:

17. At the request of the House sponsor, I would move to  
18. Table HB 23.

19. PRESIDING OFFICER (SENATOR MOHR):

20. Senator Don Moore moves to Table HB 23. All those  
21. in favor signify by saying aye. Opposed. The bill is  
22. Tabled. HB 14...9, is that Senator Moore? 2...do you  
23. want to call that? He wishes that bill called. HB 142.

24. SECRETARY:

25. HB 142 (Secretary reads title of bill)  
26. 3rd reading of the bill.

27. PRESIDING OFFICER (SENATOR MOHR):

28. Senator Moore.

29. SENATOR MOORE:

30. Thank you, Mr. President, Members of the Senate,...  
31. this bill was similar to a SB which we passed which  
32. appropriated 5 million dollars for the construction of the  
33. railroad grade separation and widening of Sauk Trail in  
Richton Park. ...The House in its wisdom say fit to reduce

1. this to a sum of \$100,000 for a feasibility study. ... The  
2. Bill was advanced without reference and I request a favor-  
3. able roll call.

4. PRESIDING OFFICER (SENATOR MOHR):

5. Any further discussion? The question is shall HB 142  
6. pass? On that question the Secretary will call the roll.

7. SECRETARY:

33. SENATOR FAWELL:

1. ...Mr. President, Members of the Senate, I overlooked

3. I would ask leave to return the...this bill 1...HB 171 to  
4. the order of 2nd reading for the purposes of affixing an  
5. amendment.

6. PRESIDING OFFICER (SENATOR MOHR):

7. Senator Fawell requests leave to bring back HB 171  
8. to the order of 2nd reading. Is there leave? Leave. Now you  
9. have an amendment Senator?

10. SENATOR FAWELL:

11. Yes.

12. PRESIDING OFFICER (SENATOR MOHR):

13. Secretary has the amendment. Will you explain the  
14. amendment please.

15. SENATOR FAWELL:

16. Yes...the amendment simply, in.... accordance with  
17. the request of the Municipal League, has deleted municipalities  
18. as well as counties from the provisions of this bill which  
19. pertains to restrictions on the amount of premiums which  
20. can be paid in regards to various insurance coverages for  
21. employees. And I move adoption of Amendment No. 1.

22. PRESIDING OFFICER (SENATOR MOHR):

23. Senator Fawell moves adoption of Amendment No. 1. All  
24. those in favor signify by saying aye. Senator Rock.

25. SENATOR ROCK:

26. I'm sorry, I...I could not...

27. PRESIDING OFFICER (SENATOR MOHR):

28. Can...can I interrupt for one moment, Senator Rock.  
29. The guards on the drive suggests that anybody that have  
30. cars down there with the windows open, if they have power  
31. windows send their keys down by way of page and do it...

32. PDQ, please. Senator Rock.

33. SENATOR ROCK:

1. Well, I...I...really could not hear Senator Fawell.  
2. My understanding was that this bill came over from the  
3. House with the Home Rule Amendment on it. Are we changing  
4. that?

5. PRESIDING OFFICER (SENATOR MOHR):

6. Senator Fawell.

7. SENATOR FAWELL:

8. No...no we are not. We're merely...we are...we are  
9. deleting municipalities and counties, however, from the  
10. provisions of this bill so that it will pertain with the  
11. Amendment No. 1 only to townships.

12. PRESIDING OFFICER (SENATOR MOHR):

13. Senator Rock.

14. SENATOR ROCK:

15. Well, the...the problem, if you can follow it, it's  
16. a little...little bit of inverse reasoning. But if we  
17. put the Home Rule Amendment on where it says nothing  
18. herein contained shall apply to any Home Rule Unit  
19. and then put another amendment on which says, not with-  
20. standing any other provision nothing shall apply to other...  
21. municipality or county. It seems to me ne...to negate  
22. the...thrust or purpose of the Home Rule Amendment.

23. PRESIDING OFFICER (SENATOR MOHR):

24. Senator Fawell.

25. SENATOR FAWELL:

26. Well...part of the bill as it...now stands, it does  
27. have the...the Home Rule Amendment in the bill. The  
28. amendatory act does not apply to any Home Rule Unit and  
29. it...in the printed provisions of the bill. I...I con-  
30. fess that actually the amendment here, you're not going to  
31. have any Home Rule entities that are townships so it...  
32. it becomes really superfluous language. I don't suppose  
33. it does any harm, it doesn't do any good.

1. PRESIDING OFFICER (SENATOR MOHR) :

2. Senator Rock.

3. SENATOR ROCK:

4. Well, the...my problem though, I don't know if you follow  
5. this, is that once having adopted the Home Rule Amendment.  
6. Or, let's assume it's in the bill as amended, then you put  
7. an amendment on which says whatever any other provisions of  
8. this act are nothing shall apply to any municipality or  
9. county which means that...the Home Rule Amendment is not  
10. operative. You see what I mean, it's kind of a double  
11. negative.

12. SENATOR FAWELL:

13. I...I don't quite follow you but any...suggestions to  
14. rectify it, I'll be more than glad to receive from you.  
15. I...I can't where, inasmuch as it doesn't apply, it could  
16. not of possibly now apply to any Home Rule entities at all.  
17. I can't see where the...where it does any harm or any good.  
18. I suppose really the amendment should have just taken that  
19. language off. If that's what you would prefer, the wording  
20. in 27 and 28, I could do that also.

21. PRESIDING OFFICER (SENATOR MOHR) :

22. Senator Rock.

23. SENATOR ROCK:

24. Well it...it's his bill and it's his amendment. All  
25. I'm pointing out...I was just trying to find out what he  
26. was trying to do with the amendment.

27. PRESIDING OFFICER (SENATOR MOHR) :

28. Senator Nimrod.

29. SENATOR NIMROD:

30. ...Mr. President, a question of the sponsor. ...  
31. If basically then, if this bill had come over ...including  
32. counties, municipalities and townships it would in fact  
33. seems that we're doing here then is taking this and

1. limiting it strictly to townships. Is that what I under-  
2. stand this to be.

3. SENATOR FAWELL:

4. Yes...

5. PRESIDING OFFICER (SENATOR MOHR):

6. Senator Fawell.

7. SENATOR FAWELL:

8. That's exactly right, yes.

9. PRESIDING OFFICER (SENATOR MOHR):

10. Senator Nimrod.

11. SENATOR NIMROD:

12. That's a bad amendment and it's a bad way to get around to  
13. townships.

14. PRESIDING OFFICER (SENATOR MOHR):

15. Any further discussion? ...those in favor of Amendment  
16. No. 1 signify by saying aye. Opposed. A request to call the  
17. roll. Can we have a division, all those in favor of Senator  
18. Fawell's Amendment please rise. All those opposed. The  
19. Amendment fails. Any further amendments. Push it back to  
20. 3rd reading Senator? 3rd reading. Do you want to ...call  
21. that bill? Do you wish...you can call it now if you wish?  
22. I would...like HB 171 called.

23. SECRETARY:

24. HB 171 (Secretary reads title of bill)...

25. PRESIDING OFFICER (SENATOR MOHR):

26. Senator could you hold that until we get through reading  
27. the bill at least.

28. SECRETARY

29. (...Secretary reads title of bill)

30. 3rd reading of the bill.

31. SENATOR FAWELL:

32. Yes, well...I've had a request from the Chairman of  
33. the Local Government Committee that I hold this bill up

1. for further study. To which I will accede. So I may  
2. take it out of the records.
3. PRESIDING OFFICER (SENATOR MOHR):
4. Take 171 out of the records. HB 226, Senator  
5. McBroom.
6. SECRETARY:
7. HB 226 (Secretary reads title of bill)  
8. 3rd reading of the bill.
9. PRESIDING OFFICER (SENATOR MOHR):
10. Senator McBroom.
11. SENATOR MCBROOM:
12. I'd appreciate a favorable roll call, Mr. Chairman.
13. PRESIDING OFFICER (SENATOR MOHR):
14. The question is shall HB 226 pass? And on that  
15. question the Secretary will call the roll.
16. SECRETARY:

27. PRESIDING OFFICER (SENATOR MOHR):
28. Nimrod, aye. Latherow, aye. Johns, aye. On that  
29. question the yeas are 42. The nays are none. HB 226 having  
30. received the constitutional majority is declared passed.  
31. Senator Don Moore, HB 244.
32. SECRETARY:
33. HB 244 (Secretary reads title of bill)

1. PRESIDING OFFICER (SENATOR MOHR):  
2. Sen...Senator Don Moore...  
3. SECRETARY:  
4. 3rd reading of the bill.  
5. SENATOR MOORE:  
6. No...would you take that from the record...Mr. President.  
7. 28 or 298 I'm ready on but not 244.  
8. PRESIDING OFFICER (SENATOR MOHR):  
9. Take...take that bill 244 out of the record. 249,  
10. Senator Bartulis you wish that called? We're going...we're  
11. trying to go by the number. .  
12. SECRETARY:  
13. HB 249 (Secretary reads title of bill)  
14. 2nd reading...  
15. PRESIDING OFFICER (SENATOR MOHR):  
16. Senator Bartulis.  
17. SECRETARY:  
18. ...of the bill.  
19. SENATOR BARTULIS:  
20. Thank you, Mr. President and members of the Senate, HB  
21. 249 amends the Act in relation to the counties. And authorizes  
22. members of the Merit Commission...for Deputy Sheriffs to...  
23. administer oaths during hearings and provides for subpoena  
24. hear...power for the Commission. That's just about what it  
25. reads.  
26. PRESIDING OFFICER (SENATOR MOHR):  
27. Any further discussion? The question is shall HB 249  
28. pass? And on that question the Secretary call the roll.  
29. SECRETARY:  
30. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,

7. PRESIDING OFFICER (SENATOR MOHR):  
8. Glass, aye. Harris, aye. Nudelman, aye. Roe, aye.  
9. On that question the yeas are 37. The nays are none.  
10. HB 249 having received the constitutional majority declared  
11. passed. Senator Carroll on his series of bills, 269, 270, 271.  
12. HB 269.  
13. SECRETARY:  
14. HB 269 (Secretary reads title of bill)  
15. 3rd reading of the bill.  
16. PRESIDING OFFICER (SENATOR WEAVER):  
17. Senator Carroll.  
18. SENATOR CARROLL:  
19. Thank you, Mr. President, Ladies and Gentlemen of  
20. the Senate, HB 269, 270 and 271 are companion bills dealing  
21. with the concept that has been discussed by this Legisla-  
22. ture for quite some time and that is compensation to the  
23. victims of crime. This legislation, by this legislation  
24. we as a State would compensate these victims of crimes of  
25. violence who cannot find compensation elsewhere and who  
26. have been the forgotten members of a...sometimes cruel  
27. society. In this bill and there are safeguards in here,  
28. we are talking about only their medical expense and actual  
29. lost time with dollar limitations. We have put in safe-  
30. guards that... that there must be police reports established  
31. quickly and that there is a limitation of a maximum of  
32. 10 thousand dollars and the reward is reduced by Workmen's  
33. Compensation and we have given the Attorney General the

1. power to sue on behalf of the 11 million people to try  
2. and recover whatever expenses are incurred by this act.  
3. To sue the actual person who perpetrated the act of vio-  
4. lence upon the victim. This deals with all three general  
5. categories. This deals with the victim who was killed  
6. or injured as a result of a direct violent act to him.  
7. It deals with the killing or injuring of a victim who  
8. comes to assist someone upon whom a crime of violence is  
9. being created and it also assists those who are killed or  
10. injured...attempting.....to help a police officer who is  
11. trying to stop a crime of violence. I would be willing  
12. to answer any questions. I think all the types of safe-  
13. guards are in here that we as a State must require but  
14. that we as the conscience of the State must try to help  
15. and assist those who have been victims, through no fault  
16. of their own, of a crime of violence and have no way of  
17. recouping. This has been tried in several other states  
18. at a very limited cost because of the ability to recover.  
19. I would ask for a favorable roll call.

20. PRESIDING OFFICER (SENATOR WEAVER):

21. Is there any discussion? Senator Soper.

22. SENATOR SOPER:

23. Senator Carroll...now is it necessary that...that the  
24. criminal be apprehended and that...it...there's a definite...  
25. there's a definite recog...recognition that there's a  
26. crime been committed? Or is it only necessary that someone  
27. says that he assisted in a crime and that something's happened  
28. to him, that he had his fingernail cut or head bashed or he  
29. lost his toupee?

30. PRESIDING OFFICER (SENATOR WEAVER):

31. Senator Carroll.

32. SENATOR CARROLL:

33. Senator Soper...first of all there has to be at least

1. \$500 in out of...just going so that it is not the finger-  
2. nail cut we are worrying about. Secondly, though and more  
3. importantly, it is not necessary that the criminal have  
4. been apprehended but it is necessary that they satisfy the  
5. fact that a crime was in fact committed. Can we... It is  
6. necessary that a report have been made to the police rea-  
7. sonably afterwards and that the police be satisfied that  
8. there was in fact a crime. That this person was in fact  
9. the victim of that crime.

10. PRESIDING OFFICER (SENATOR WEAVER):

11. Senator Soper.

12. SENATOR SOPER:

13. Now, Senator Carroll, I understand now. Suppose there's  
14. a little argument in a tavern and...a couple of gentlemen are  
15. arguing about ...about a woman or about a card game and all  
16. of a sudden they...they have a little fight a little cutting.  
17. Gentlemen would he have a little...Mr. Pre...Mr. Chairman,  
18. Mr. President...Mr. President, we have...Palmer here is on  
19. the wrong side of the aisle and he's talking out here with  
20. Senator...

21. PRESIDING OFFICER (SENATOR WEAVER):

22. Senator Palmer...

23. SENATOR SOPER:

24. and we got a...

25. PRESIDING OFFICER (SENATOR WEAVER):

26. ...and Senator Sours...

27. SENATOR SOPER:

28. ...and we've got a bill over there with Mitchler and  
29. a few others on the Floor. ...Could we listen to this thing,  
30. it's very important. This means a lot of money to the State.  
31. Gentlemen, we should listen to this. Now, suppose there's  
32. a little argument in a tavern over a card game. Somebody  
33. gets cut up and all of a sudden they decide well, we're cut

1. up and you had an ace up your sleeve or something. But if  
2. there was a crime committed here we get...we could be  
3. compensated for this thing. So the whole crime is cheating.  
4. But they decide that somebody came into the place and all of  
5. a sudden there was a burglary or a...or a holdup. They  
6. said now if we say that somebody came and there was a holdup  
7. and we assisted the...the apprehension of the criminal, we  
8. could get ourselves up to 10 thousand dollars. Now, this...  
9. this is...this is something that...that could cost...  
10. the State a lot of money and I don't believe that unless there  
11. is a criminal apprehended at the time that...that we could  
12. allow anybody to get up to 10 thousand dollars for any...  
13. anything that happens to a...victim that supposed to suppress  
14. a crime. There...there's too many loopholes in this thing.  
15. Now, Senator Carroll, you...you know you come...come from a  
16. territory where this...this could really happen. It'd  
17. be...you have the crime this week and I'll have the crime  
18. next week, you know. And I...I'm not against victims of a  
19. genuine crime compensated if they're trying to help but this  
20. thing is a little too loose and if there's, unless there's  
21. an apprehension of...a criminal and they say, well this man  
22. helped and resisted a crime but...just allow anybody to  
23. come in and say, well I was cut up in this thing and...I'm  
24. allowed up 10 thousand you'd have more 10 thousand dollar  
25. claims that you could take care of.

26. PRESIDING OFFICER (SENATOR WEAVER):

27. Senator Carroll.

28. SENATOR CARROLL:

29. Senator Soper let me just answer by saying a few  
30. things. There are a list of specific crimes of violence  
31. that this act only pertains to, murder, voluntary manslaughter,  
32. kidnapping, rape, deviate sexual assault, indecent liberties  
33. with a child, aggravated assault, assault, battery, reckless

1. conduct, arson.. All right, so we're only talking about in  
2. those category of cases. Secondly, if it's in the aid of  
3. police officer or something like that it has to be expressly  
4. asked for by that officer that he assist. Thirdly, the  
5. actual pecuniary loss, not property damage or anything else,  
6. provable had to amount to at least 500 before you're in  
7. the Court of Claims. And lastly, not only the Police Depart-  
8. ment but the Court of Claims has to be relatively assured  
9. as in a case that there was in fact one of these enumerated  
10. crimes that took place, that this person was in fact injured  
11. by a...a felon and that there was not other source of com-  
12. pensation for this person. That they did not have hospital-  
13. ization, they didn't have Workmen's Comp, they didn't have  
14. Public Aid, any other sources available. That's the area  
15. we're trying to get at. I think there's enough safeguards  
16. in here when you talk about the Court having the ability  
17. to make a determination whether or not in fact one of these  
18. designated crimes took place or not. And the minimum dollar  
19. limitations so you're talking about something of a serious  
20. nature.

21. PRESIDING OFFICER (SENATOR WEAVER):

22. Senator Glass. Senator Soper, you've run out of time.

23. Senator Glass:

24. SENATOR GLASS:

25. Senator Carroll would you say this type of legislation  
26. goes hand in hand with HB 658 which would provide damages  
27. ...for persons who assist in preventing a crime, come to  
28. the aid of those...against whom a crime is being committed.

29. PRESIDING OFFICER (SENATOR WEAVER):

30. Senator Carroll.

31. SENATOR CARROLL:

32. Senator Glass if you're referring to...Sena...

33. Senator Partee's comments of maybe last week, why yes, I

1. would say that, in fact, your particular question, your  
2. piece of legislation that you're referring to, I believe  
3. by Representative Duff, if I can recall, ...is also  
4. incorporated in this for this deals not only with the  
5. victim himself of crime but the victim of...coming to  
6. the assistance of someone who is being by...in one of  
7. these categories or helping a police officer at his  
8. expressed direction.

9. PRESIDING OFFICER (SENATOR WEAVER):

10. Senator Glass.

11. SENATOR GLASS:

12. Well, thank you, Senator Carroll, I think that this  
13. type of legislation is good legislation. It does something  
14. for the victims of crime which we are so often...expressing  
15. concern about and I would urge an aye vote.

16. PRESIDING OFFICER (SENATOR WEAVER):

17. Senator Soper, do you wish to get consent of the Sen...  
18. of the Senate for more time? Senator Bell.

19. SENATOR BELL:

20. ...Question of the sponsor. Senator, then am I to  
21. understand in reference to your question and answer to...  
22. or rather your answer to Senator Glass that this in effect  
23. begins to approach or is a meaningful address towards the  
24. Good Samaritan aspect?

25. PRESIDING OFFICER (SENATOR WEAVER):

26. Senator Carroll.

27. SENATOR CARROLL:

28. I believe, Senator Bell, I...in my mind I break this  
29. bill down in three categories. Senator Glass' bill is, I  
30. think, more aimed at only the Good Samaritan aspects of the  
31. problem of the victims of crime. This deals with the victim  
32. itself. If the victim has no other way of...of recouperating  
33. these phenominal costs that occur, but it also deals with

1. the person who came to assist a person upon whom a crime  
2. was being perpetrated or a police officer. So it does  
3. both aspects. It talks about those who come at either  
4. the express direction of a policeman to help him stop  
5. a felon or help the person who comes to help someone  
6. upon whom a felony is being...one of the enumerated  
7. felonies is being perpetrated. And it...helps the per-  
8. son who himself was injured because of a felon committing  
9. one of these acts, voluntary manslaughter, arson, rape,  
10. etc. upon that person.

11. PRESIDING OFFICER (SENATOR WEAVER):

12. Senator Bell.

13. SENATOR BELL:

14. Mr. President, I think HB 269 on that basis starts  
15. a thrust forward in this State that is...that is in fact  
16. very meaningful. We've been victimized for the past five - ten  
17. years with an increasingly high crime rate. I think it is  
18. a burden of the State to enact legislation that will, in  
19. fact, try to alleviate the human problems that are caused  
20. by crime. I think that this bill is going to address itself  
21. to some of the Good Samaritan Legislation that's needed.  
22. I think it's a good bill and without my going on and on and  
23. being redundant, I'd say let's pass it and let's have a  
24. roll call.

25. PRESIDING OFFICER (SENATOR WEAVER):

26. Senator Sours.

27. SENATOR SOUPS:

28. Mr. President, Ladies and Gentlemen of the Senate, this  
29. bill has been around before. We've had the Good Samaritan  
30. bills around here before too. It may be full of virtue, as  
31. Senator Bell says it's a thrust forward but...you see  
32. Senator Bell isn't spending his own money and I'm not either.  
33. ...This could develop into a real heavy financial burden.

1. Because these bills never start out in...in a dangerous  
2. way. They come clothed in virtue. And pretty soon as  
3. in the case of aid for dependent children, as I under-  
4. stand it the original appropriation for a biennium was  
5. 13 million which was slightly more than a half of million  
6. dollars a year. Now that has been multiplied by 450 times  
7. right now. This bill doesn't have the virtue that some  
8. people think it does have. It shouldn't pass. I'm happy  
9. to oppose it.

10. PRESIDING OFFICER (SENATOR WEAVER):

11. Senator Wooten.

12. SENATOR WOOTEN:

13. I...just got hold of a copy of the bill and I was  
14. particularly interested in the provisions that...hearings  
15. need not be open to the public. And I've been reading  
16. through here. Senator Carroll do you...on page 5, line 10,  
17. the interest of justice would be frustrated rather than  
18. furthered if the hearings were open to the public. Must  
19. you depend on that rather vague language in order to sus-  
20. pend something as important as public disclosure?

21. PRESIDING OFFICER (SENATOR WEAVER):

22. Senator Carroll.

23. SENATOR CARROLL:

24. As the companion bills will point out, 170, 271 where we  
25. put this in the Court of Claims, the general law is you...  
26. in the Court of Claims it's a public meeting. The public  
27. is invited to attend and to observe. If in the inter<sup>ests</sup> of  
28. the Court in the interests of the victim and if justice  
29. in the entire case by a preliminary determination, it is  
30. felt that it would not be in the interest to disclose the  
31. facts of the case publicly and most often this is in the  
32. rape case, then it can be a closed-door meeting and we  
33. have provided for that in the Public Meetings Act in one

1. of the companion bills. But there must first be a deter-  
2. mination that it would not be in the public interest. If  
3. it's a normal liability case, the result of an arson and a  
4. person was burned, I would personally see no reason to close  
5. the meeting, the public is entitled to hear like they would  
6. in a court of law. But where in the interest of the victim  
7. and in the interest of the society we must close it or  
8. should close it, we have provided that they can.

9. PRESIDING OFFICER (SENATOR WEAVER):

10. Senator Wooten.

11. SENATOR WOOTEN:

12. In the nature of a parliamentary inquiry to the Chair  
13. and a corollary of what Senator Buzbee said earlier, these  
14. bills were not on my book. I had to send for them and I  
15. was able to get them read prior to dealing with this. Does  
16. the system break down now in these last two weeks? We will  
17. not have copies of bills before we're dealing with them on  
18. 3rd reading.

19. PRESIDING OFFICER (SENATOR WEAVER):

20. Senator, we're going to do our best to see that copies  
21. of bills are placed in... The Secretary said they're in  
22. most...

23. SENATOR WOOTEN:

24. Well...

25. PRESIDING OFFICER (SENATOR WEAVER):

26. ...there may have been an omission here and there,  
27. Senator.

28. SENATOR WOOTEN:

29. Yes, I...I...this is about the six these three and three  
30. more .... were not in the book back here...to...to....to which  
31. we refer and it is a great inconvenience.

32. PRESIDING OFFICER (SENATOR WEAVER):

33. Senator, Senator Carroll may close the debate.

1. SENATOR CARROLL:

2. Thank you, Mr. President, Ladies and Gentlemen of the  
3. Senate, in closing if I may just answer one question that  
4. was raised as to the costs. And maybe unlike the problem  
5. we've had in...in other areas we can go by the experience  
6. of a State similar to ours, the State of California of a  
7. population and of urbanization very similar to our own, and  
8. over the seven-year experience they have had under this  
9. law they have averaged approximately \$250,000 uniformly  
10. in State expense in each and every of those seven years.  
11. We have gone even beyond that and I have faith in the  
12. Attorney General of this State that he will very diligently  
13. and vigorously attempt to recover these monies from the  
14. perpetrator from the perpetrator of these heinous crimes.  
15. So that the victim is not the State's but the perpetrator  
16. and the Attorney General is given the power under this bill  
17. to go in and to sue that person and...to recover for the  
18. State any monies expended. This has also been very favorably  
19. endorsed and very strongly supported by the new State's  
20. Attorney in Cook County and I would urge a favorable vote  
21. of all members of the Senate in the interest of victims  
22. of crime who we so often speak about.

23. PRESIDING OFFICER (SENATOR WEAVER):

24. The question is shall HB269 pass? And upon that question  
25. the Secretary will call the roll.

26. SECRETARY:

27. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,  
28. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,  
29. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth  
30. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,  
31. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard  
32. Mohr, Don Moore, Netsch, Newhouse, Nimrod, Nudelman,  
33. Ozinga, Palmer, Partee, Regner, Rock, Roe, Romano,

1. Saperstein, Savickas, Schaffer, Scholl, Shapiro, Smith,  
2. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,  
3. Weaver, Welsh, Wooten, Mr. President.
4. PRESIDING OFFICER (SENATOR WEAVER):  
5. Dougherty, aye. Netsch, aye. On that question the  
6. ayes are 31. The nays are 9. Senate...SB or, excuse me,  
7. HB 269 having received the constitutional majority is  
8. declared passed. Senator Buzbee for what purpose do you  
9. rise?
10. SENATOR BUZBEE:  
11. Mr. Chairman, having voted on the prevailing side, I  
12. move to reconsider the vote by which the last roll call  
13. was taken.
14. PRESIDING OFFICER (SENATOR WEAVER):  
15. Senator Buzbee moves to reconsider, Senator Newhouse  
16. moves to Table. All in favor signify by saying aye.  
17. Opposed, nay. Motion carries. Senator...Soper.
18. SENATOR SOPER:  
19. Verify the roll call.
20. PRESIDING OFFICER (SENATOR WEAVER):  
21. The motion's been reconsidered and Tabled, it's too  
22. late to verify the roll call. Senator...Senator Soper,  
23. for what purpose do you rise? Senator..
24. SENATOR SOPER:  
25. Object to the ruling of the Chair.
26. PRESIDING OFFICER (SENATOR WEAVER):  
27. Well, Senator Soper, I'm advised...
28. SENATOR SOPER:  
29. I want a verification.
30. PRESIDING OFFICER (SENATOR WEAVER):  
31. The Chair has ruled this way consistently.
32. SENATOR SOPER:  
33. I want a verification. You can verify it anytime before...

1. I asked before...

2. PRESIDING OFFICER (SENATOR WEAVER):

3. Senator Soper.

4. SENATOR SOPER:

5. I want a verification of the roll call.

6. PRESIDING OFFICER (SENATOR WEAVER):

7. Senator Soper has requested...has appealed the ruling

8. of the Chair.

9. SENATOR SOPER:

10. Verify the ruling of the motion.

11. PRESIDING OFFICER (SENATOR WEAVER):

12. You're appealing the ruling of the Chair?

13. SENATOR SOPER:

14. I appeal the ruling of the Chair.

15. PRESIDING OFFICER (SENATOR WEAVER):

16. There has been an appeal of the ruling of the Chair.

17. SENATOR SOPER:

18. I want to verify the roll call. I can verify the

19. roll call before the next...next bill is called.

20. PRESIDING OFFICER (SENATOR WEAVER):

21. Senator, there was intervening business and the Chair...

22. SENATOR SOPER:

23. There was no intervening business.

24. PRESIDING OFFICER (SENATOR WEAVER):

25. Senator Buzbee make a motion...

26. SENATOR SOPER:

27. ...It was on the same bill. Verification of the roll

28. call before the next bill is called. It was on the same

29. business, Mr. Chairman. Verify the motion to Table or

30. verify the roll call on the bill.

31. PRESIDING OFFICER (SENATOR WEAVER):

32. Senator, are you appealing the ruling of the Chair?

33. SENATOR SOPER:

1. No, I want to verify the roll call on that last bill.

2. PRESIDING OFFICER (SENATOR WEAVER):

3. You can't do it, Senator.

4. SENATOR SOPER:

5. To verify the motion of the Chair to Table.

6. PRESIDING OFFICER (SENATOR WEAVER):

7. Senator, I have ruled that the request to verify was

8. out of order. Now, do you wish to appeal the ruling of

9. the Chair?

10. SENATOR SOPER:

11. ...not. I want to verify the motion to Table.

12. PRESIDING OFFICER (SENATOR WEAVER):

13. You want to verify the motion to Table.

14. SENATOR SOPER:

15. That's right. The motion to...the motion to Table...

16. the motion to...reconsider.

17. PRESIDING OFFICER (SENATOR WEAVER):

18. (Machine failure) roll call on the original motion.

19. SENATOR SOPER:

20. You're going to be here a long time on this one.

21. How about a roll call on the motion to Table? It would

22. be easier...

23. PRESIDING OFFICER (SENATOR WEAVER):

24. Would those who...voted to Table the Motion to Re-

25. consider, please stand? (Mike turned off) has been requested.

26. The roll call is on the Motion to Table Senator Buzbee's

27. Motion to Reconsider having voted on the prevailing side.

28. Senator Soper makes...moves, he is...the Secretary will

29. call the roll on the Motion to Table. Those in favor of

30. Tabling signify by saying aye. On the roll call, that is.

31. This is a Motion to Table the Motion to Reconsider. Is

32. that clear? The Secretary will the roll. Senator Buzbee.

33. SENATOR BUZBEE:

1. Mr. President, I'd sure like to do the right thing here  
2. but I wish the Chair would explain one more time what we're  
3. voting on.

4. PRESIDING OFFICER (SENATOR WEAVER):

5. Senator Buzbee made a Motion to Reconsider, Senator  
6. Newhouse moved to Table, Senator Soper asked for a roll  
7. call on the Motion to Table. The Secretary will call the  
8. roll.

9. SECRETARY:

10. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,  
11. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,

19. Weaver, Welsh, Wooten, Mr. President.

20. PRESIDING OFFICER (SENATOR WEAVER):

21. The ayes are 28. The nays are 19. The Motion to  
22. Table carries. 270.

23. SECRETARY:

24. HB 270 (Secretary reads title of bill)

25. 3rd reading of the bill.

26. PRESIDING OFFICER (SENATOR WEAVER):

27. Senator Carroll.

28. SENATOR CARROLL:

29. Thank you, Mr. President, Ladies and Gentlemen of the  
30. Senate, this is a companion bill to expand the jurisdiction  
31. of the Court of Claims to include actions brought under the  
32. just passed bill. I would ask for a favorable roll call.

33. PRESIDING OFFICER (SENATOR WEAVER):

1. Is there any discussion? The question is shall HB 270  
2. pass? And upon that question the Secretary will call the  
3. roll.

4. SECRETARY:

5. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,  
6. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,  
7. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth

13. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,  
14. Weaver, Welsh, Wooten, Mr. President.

15. PRESIDING OFFICER (SENATOR WEAVER):

16. Donnewald, aye. Newhouse, aye. Bruce, aye. Palmer,  
17. aye. Netsch, aye. On the...on that question the ayes are  
18. 31. The nays are 9. HB 270 having received a constitutional  
19. majority is declared passed. Senator Buzbee.

20. SENATOR BUZBEE:

21. Mr. President, having voted on the prevailing side, I  
22. move to reconsider that last vote.

23. PRESIDING OFFICER (SENATOR WEAVER):

24. Senator Buzbee moves to reconsider. Senator Wooten  
25. moves to Table. All in favor signify by saying aye. Opposed,  
26. nay. Motion carries. 271.

27. SECRETARY:

28. HB 271 (Secretary reads title of bill)  
29. 3rd reading of the bill.

30. PRESIDING OFFICER (SENATOR WEAVER):

31. Senator Carroll.

32. SENATOR CARROLL:

33. Thank you, Mr. President, Members of the Senate, this  
is the companion bill that allows the Public Meetings Act to

1. be amended so that in the administration of the Crime Victims Act  
2. the hearings can be held in closed session in the interest  
3. of all concerned. I would ask for a favorable roll call.

4. PRESIDING OFFICER (SENATOR WEAVER):

5. Senator Walker.

6. SENATOR WALKER:

7. ...Thank you, Mr. President, Members of the Senate, we've  
8. passed out 269, 270 now we're on 271 which amends the Public  
9. Meetings Act. It permits the Crime Victims Compensation Act  
10. the...under the provisions thereof to hold closed hearings  
11. or parts of hearings. I'm surprised that there aren't more  
12. people here. What the hell, Hudson Sours and myself can't  
13. be the only two conservatives on the Floor of this House and  
14. that includes both sides of the aisle. These votes came out  
15. of the Judiciary too in the House, 11 to 5, 12 to 4, 12 to 4  
16. which, as far as I'm concerned, doesn't say any more for the  
17. House Judiciary than it does for the Senate Judiciary. I  
18. think we're walking on some very soft quicksandy ground here.  
19. The first bill went through with slight opposition. The  
20. second with practically none if...by the reading of the title.  
21. And now we're amending the Public Meetings Act. The only  
22. thing I can say, perhaps this is one of the reasons you're  
23. seeing some of the older Senators, those who have been around here  
24. for a period of time, leading the Body. Twelve, fourteen,  
25. sixteen years ago, legislation such as this wouldn't have had  
26. a chance of a snowball and now we're sitting here, I feel,  
27. unthinkingly voting out legislation such as this. It's going  
28. to cost our constituents money as Hudson Sours mentioned 15,  
29. 20 minutes ago. Apparently, it fell on closed ears as what  
30. I'm saying is. I think it's a bad bill. I thought the  
31. previous two were bad bills and I rise in opposition to  
32. HB 271 and thank you for your time.

33. PRESIDING OFFICER (SENATOR WEAVER):

1. Senator Wooten.

2. SENATOR WOOTEN:

3. Mr. President, this is the, one of the three that  
4. aroused my apprehension even as it did Senator Walkers  
5. and...I just don't know that much about it Senator Carroll.  
6. Would you explain to me why the...this particular Act must  
7. be amended. Does it apply to Court hearings and...as it's  
8. presently written and, if not, why do we need this change  
9. in what I consider a very important law.

10. PRESIDING OFFICER (SENATOR WEAVER):

11. Senator Carroll.

12. SENATOR CARROLL:

13. Senator Wooten...and first if I might take the oppor-  
14. tunity to answer Senator Walker, unlike the House the Senate  
15. Judiciary of which he's a member was much more deliberate  
16. of...and passed it out 12 in favor and none against. But  
17. as to the specific question, this deals strictly with  
18. closing and the...the words are, those hearings or parts  
19. under the Crime Victims Compensation Act which in front of  
20. the Court of Claims, it cannot happen in a general court  
21. proceedings, it cannot happen anywhere but in a Court of  
22. Claims and only in the Court of Claims under the Crime  
23. Victims Compensation Act and only then where the Court  
24. itself determines it would be in the best interest to hold  
25. a closed-door meeting. There are fact situations around  
26. ...and rather than read a full report of the Commission  
27. that studied this over the past several years, there have  
28. been fact situations around where it was felt to be in  
29. the best interest of the victim where you don't want a  
30. public record of who the victim was and how that victim  
31. was victimized but where you want a court determination  
32. that it is in the best interest of society in general  
33. that that victim be protected and that the meeting be

1. closed to the general public.

2. PRESIDING OFFICER (SENATOR WEAVER):

3. Senator Fawell.

4. SENATOR FAWELL:

5. Mr. President, I...I haven't heard any reasons yet  
6. which would persuade me that there should be an exception  
7. to the Open Meetings Act. Your courts of law are open  
8. and it seems to me that...I have some misgivings about  
9. the two previous bills because I think it could in the  
10. long run be quite an expensive thing for the State of Illinois.  
11. I can, of course, see that everytime there's a death  
12. and a...crime being involved the State of Illinois are  
13. just...is just going to have to pay \$10,000. I just don't  
14. think there's much question but what...the loss of income  
15. to the widow and dependents and they are named as  
16. persons who can collect the \$10,000 will just be  
17. automatically paid. Because that, I think, would be  
18. the least amount of the pecuniary damages. I don't know  
19. why especially...there is a clause in the bill as I read  
20. it that allows the Court of Claim to take into consideration  
21. contributory negligence and I would think at least  
22. in these cases where you have your tavern brawls and  
23. somebody knife's somebody and so forth and so on  
24. that the Court ought to look into all of those things.  
25. They do it in a Court of law. ...I...I don't know why we make  
26. an exception here. You are going to be giving a lot away of  
27. the people's money and I think it's only right that the...  
28. the record be open. And unless there's something else which  
29. is the...foundation for the reasoning that we ought to effect  
30. the Open Meetings Act, I would...propose to vote no on this...  
31. on this bill.

32. PRESIDING OFFICER (SENATOR WEAVER):

33. Senator Berning.

1. SENATOR BERNING:

2. Thank you, Mr. President. I found that I was unable  
3. to support the first two bills...but did not undertake  
4. to comment on them. However, this one as part of the  
5. package does not, in my reading of it, restrict the right  
6. of the Court of Claims to hold a closed hearing only when  
7. the victim is involved but it just says, a closed meeting.  
8. But it seems to me that this bill is typical of the kind  
9. of irrational activity that some of the organizations and  
10. individuals both in the legislature and out of it under-  
11. take. Just a short while ago, we had before us...a bill  
12. which would have provided the death penalty. And we would  
13. we provide the death penalty only because someone took the  
14. life of another. That was rejected and curiously the same  
15. sponsor rejected that concept as being unconstitutional  
16. when now we apparently are being confronted with what  
17. is a great concern for the Constitutional Rights of Life,  
18. Liberty and the Pursuit of Happiness on the part of a  
19. victim and it seems to me that this is a paradox. If  
20. we are as concerned as we ought for the victim, we ought  
21. to be sure that we do everything we can to keep people  
22. off the streets who are inclined to make victims out of  
23. ordinary citizens. Mr. President, it seems to me we ought  
24. to straighten out our thinking.

25. PRESIDING OFFICER (SENATOR WEAVER):

26. Senator Bell.

27. SENATOR BELL:

28. Mr. President, I voted on 269 and 270 to...brought  
29. about the implementation of the Crime Victims Compensation  
30. Act in support of it because I felt that it addressed itself  
31. in a meaningful way in a new move on the part of the State  
32. of Illinois to in the long run is going to allow us to more  
33. meaningfully combat crime. However, in 271 Senate or

1. HB 271, I cannot support the idea of not having it open to  
2. the public. It seems to me that this is circumventing much  
3. of what previous legislation in the past and historically  
4. and where we've stood historically has addressed itself to.  
5. I think it's wrong, Senator Carroll, to...to do this frankly.  
6. And while I supported the previous two bills because I think  
7. in the long run, as I say, they're going to do something  
8. that in the long run has to be done, I think that we're...  
9. you're in the wrong course with 271.

10. PRESIDING OFFICER (SENATOR WEAVER):

11. Senator Netsch. Senator Carroll.

12. SENATOR CARROLL:

13. Senator Bell, if I might, very briefly, it was my  
14. understanding that as we do in court cases, for example  
15. in the case of a rape, that the person who was raped,  
16. their name and address are protected even by the courts.  
17. It was my understanding that this bill was an attempt to  
18. accomplish the same thing within the Court of Claims.  
19. That in that type of a case, that that can be protected  
20. so that there's not public disclosure of the name, address,  
21. age, etc., of the victim of a rape case. It was my under-  
22. standing that that was the principal and basically only  
23. purpose of the bill. At this time what I would like to  
24. do is leave of the Senate to take it from the record, let  
25. me check and see what the reason are, if it can be amended  
26. to accomplish that purpose, fine, if not, then it will go  
27. down. And I would ask leave.

28. PRESIDING OFFICER (SENATOR WEAVER):

29. Take it out of the record. Senator Savickas, House...  
30. Senate Bills on 2nd reading. Do you wish to move 733?

31. SECRETARY:

32. SB 733 (Secretary reads title of bill)  
33. 2nd reading of the bill. No committee amendments.

1. PRESIDING OFFICER (SENATOR WEAVER):
2. Any amendments from the Floor? 3rd reading. 735?
3. SECRETARY:
4. SB 735 (Secretary reads title of bill)
5. 2nd reading of the bill. No committee amendments.
6. PRESIDING OFFICER (SENATOR WEAVER):
7. Any amendments from the Floor? 3rd reading. Senate
8. Bills on 3rd reading. 732, Senator Savickas.
9. SECRETARY:
10. SB 732 (Secretary reads title of bill)
11. 3rd reading of the bill.
12. PRESIDING OFFICER (SENATOR WEAVER):
13. Senator Savickas.
14. SENATOR SAVICKAS:
15. ...Mr. President and Members of the Senate, that is
16. basically what it does. It provides that the State pick
17. up...a portion \$172,000. The Sanitary District has already
18. put in \$830,000 and...in the Metropolitan Area River Basin
19. Plan. I would appreciate your support on this.
20. PRESIDING OFFICER (SENATOR WEAVER):
21. Is there further discussion? The question is shall
22. SB 732 pass? And upon that question the Secretary will
23. call the roll.

4. aye. Knuppel, aye. Bruce, aye. Senator Savickas.  
5. SENATOR SAVICKAS:  
6. Would you poll the absentees.  
7. PRESIDING OFFICER (SENATOR WEAVER):

15. PRESIDING OFFICER (SENATOR WEAVER):  
16. On that question the ayes are 31. The nays are 3.  
17. SB 732 having received the constitutional majority is  
18. declared passed. 734. Senator Romano.  
19. SENATOR ROMANO:  
20. Mr. President and Members of the Senate, the party  
21. is still on tonight, rain or shine, we'll move into the  
22. Church next door and you could...could have Confession  
23. before dinner.

1. SENATOR SAVICKAS:
2. I move to postpone consideration on this.
3. PRESIDING OFFICER (SENATOR WEAVER):
4. SB 734 will be placed on postponed consideration.
5. 736.
6. SECRETARY:
7. (...Secretary reads title of bill...)
8. PRESIDING OFFICER (SENATOR WEAVER):
9. Take it out of the record. Ladies and Gentlemen, I
10. think you have your consent...your bills on the consent
11. Calendar and I hope that you will get to the Secretary
12. any of those bills which you wish to vote against to
13. the Secretary by 10:00 o'clock in the morning. Mr.
14. President, what time do you intend... Mr. President.
15. At what time tomorrow do you wish to call the Consent
16. Calendar?
17. SENATOR HARRIS:
18. Well...why don't you give me a minute to...make a
19. little consultation. Are we to deal with any other business
20. here...all right. Well, let's
21. PRESIDING OFFICER (SENATOR WEAVER):
22. ...The Secretary does have some communications.
23. SENATOR HARRIS:
24. ...All right, fine. Proceed with that and we'll..
25. do a little checking, I...off the top of my head my response
26. would be to say come in at 10:00...perhaps we'll change that
27. to 10:30 but let me... We do need to have a caucus and I
28. don't know whether. Senator ParTEE, do you anticipate a
29. Democrat Caucus tomorrow?
30. SENATOR PARTEE:
31. Yes, we do and...if we started at 10:30 we would...announce
32. a Democratic Caucus at 9:30.
33. SENATOR HARRIS:

1. Well, then let's just make that decision now that we  
2. will convene at 10:30 and...Senator Weaver if you would...  
3. call a Republican Caucus for 9:30 in my office and I hope that  
4. the Republican members will be prompt. Let's, we've got a  
5. lot to cover.

6. SENATOR PARTEE:

7. I would also join you and hope that the Democratic  
8. members be prompt and present.

9. PRESIDING OFFICER (SENATOR WEAVER):

10. Harber Hall, you...for what purpose do you rise?

11. HARBER HALL:

12. ...I thought we were going to remain on 3rd reading  
13. for a few moments I'd like to have that, a bill called.

14. PRESIDING OFFICER (SENATOR WEAVER):

15. Now, Senator we were supposed to adjourn at 5:00 o'clock.

16. It is 5:00. We're trying to get some announcements...

17. Senator McBroom.

18. SENATOR MCBROOM:

19. ...Is a motion in order...Mr. President. I have...HB 1971  
20. which is on 1st reading, I would like it read a 1st time and  
21. moved to 2nd reading without reference. I have talked to  
22. Senator Hynes about it. It's an appropriations bill of  
23. \$5,500. Senator Hynes is agreeable to it.

24. PRESIDING OFFICER (SENATOR WEAVER):

25. Is there leave? The bill will be read a 1st time.

26. SECRETARY:

27. HB 1971 (Secretary reads title of bill)

28. 1st reading of the bill.

29. PRESIDING OFFICER (SENATOR WEAVER):

30. Senator Partee.

31. SENATOR PARTEE:

32. Yes, I have HB 143. I'd like to, it's on the Secretary's  
33. desk, I'd like to move that the Senate refuse to recede from

1. the Senate Amendment and that a Conference Committee be  
2. appointed. Pardon me, I didn't mean to interrupt. I  
3. thought, Senator McBroom, had you finished? I don't  
4. mean to, let's take it in order.

5. PRESIDING OFFICER (SENATOR WEAVER):

6. Senator McBroom.

7. SENATOR MCBROOM:

8. Well, I don't know if any further explanation is  
9. necessary. Is the bill on 2nd reading now, Mr....President?  
10. Fine, thank you.

11. PRESIDING OFFICER (SENATOR WEAVER):

12. Senator ParTEE moves to...the Senate recede from...  
13. refuses to recede from the Amendment on HB 143 and request  
14. a Conference Committee be appointed. Is there leave?  
15. All in favor signify by saying aye.

16. SENATOR PARTEE:

17. ....It confuses me. It's a HB, that's what I said  
18. it was.

19. PRESIDING OFFICER (SENATOR WEAVER):

20. HB 143. All in favor signify by saying aye. Opposed,  
21. nay. Motion carries. President Harris.

22. SENATOR HARRIS:

23. Mr. President, if I could have the attention of the  
24. Members of the Senate, earlier today a memorandum was placed  
25. on every member's desk. Earlier today a memorandum was  
26. placed on every member's desk setting forth some 50...  
27. 52 bills that the joint leadership has evaluated and the  
28. joint staff. The Democrat leadership has stricken 9 bills  
29. from that list which will go on the Agreed Bill List and  
30. we will anticipate taking action on this as close to 1:00 o'clock  
31. tomorrow. No, let's see, we're going to recess are we not  
32. tomorrow. ...As...let's say as close to 2:00 o'clock to-  
33. morrow as possible. I want you to make note that from this  
list the following bills have been stricken from the Agreed

1. Bill List. On page 1, HB 244, on page 5, HB 680, on page 8,  
2. 1406 and on page 9 beginning with HB 1870 the remaining  
3. bills on the list which are, 1872, 73, 74, 1889 and 1915.  
4. Those bills have been stricken from the Agreed Bill List.  
5. The remainder attached to the memorandum will be considered  
6. on a roll call shortly after 2:00 p.m. tomorrow afternoon.  
7. Those of you who wish to be recorded no on any of this...  
8. list of bills, are requested to inform the Secretary prior  
9. to 2:00 p.m. tomorrow afternoon on this remaining list of  
10. bills. Sena...Thank you, Mr. President, Senator Partee  
11. has I believe a question.  
12. PRESIDING OFFICER (SENATOR WEAVER):  
13. Senator Partee.  
14. SENATOR PARTEE:  
15. Just a matter of clarification. Now on the last page  
16. you started with 1872...  
17. SENATOR HARRIS:  
18. 1870.  
19. SENATOR PARTEE:  
20. Yes. Yes.  
21. SENATOR HARRIS:  
22. 1870, yes and...  
23. SENATOR PARTEE:  
24. Fine.  
25. SENATOR HARRIS:  
26. 72, 73 and 74. Fine, I...I misspoke myself. Beginning  
27. with 1870, the remaining bills on page 9 are stricken.  
28. Thank you.  
29. PRESIDING OFFICER (SENATOR WEAVER):  
30. Any further announcements? If not, the Senate...  
31. Senator Latherow.  
32. SENATOR LATHEROW:  
33. Mr. President, I know I'm late; I tried to get your

1. attention quite some while ago. I thought you announced a  
2. bill that lost with 25 votes and then put it on postponed  
3. consideration.

4. PRESIDING OFFICER (SENATOR WEAVER):

5. I did. I made a mistake but I heard no objection.  
6. Are you objecting?

7. SENATOR LATHEROW:

8. I certainly am.

9. PRESIDING OFFICER (SENATOR WEAVER):

10. Then the bill fails.

11. SECRETARY:

12. What bill is that?

13. PRESIDING OFFICER (SENATOR WEAVER):

14. 734. It was announced as failing. I made a mistake  
15. Senator Savickas. No one questioned me at the time so I  
16. put it on postponed consideration. I am reversing myself  
17. and SB 734 has failed. That...Senator Savickas.

18. SENATOR SAVICKAS:

19. Well, what's happened now is what happened before I  
20. was trying to get your attention before you announced it  
21. but there was such a crowd down at the desk there that...  
22. I kept waving for you. I didn't get recognized. You  
23. started to announce it and then you finally recognized me.  
24. And this is where the mixup came. I didn't get the recogni-  
25. tion and I think every Senator has been afforded the courtesy  
26. when he sees his bill not obtaining enough votes to put it  
27. on postponed consideration but I wasn't recognized and I  
28. couldn't get your attention because of the crowd at the  
29. desk.

30. PRESIDING OFFICER (SENATOR WEAVER):

31. There was certainly a crowd at the desk, Senator  
32. Savickas and I ruled the way I did because eventually...or  
33. originally because there were no objections. ...The

1. vote has been announced. Senator Latherow raised an objection.

2. Senator Partee, for what purpose do you rise?

3. SENATOR PARTEE:

4. Before you irretrievably lock yourself into that position,  
5. I think we ought to look at the tape. I think you will find  
6. that you announced the aye vote. You did not announce the  
7. negative vote, nor did you say the magic sentence, this bill  
8. having received the...having failed to receive the required  
9. number of votes is declared lost. I think you will find that  
10. the entire statement was not made. All that you said was  
11. with reference to the affirmative votes. There's nothing  
12. in the record about the negative votes or the fact that the  
13. bill had failed. So...could we hold your ruling until to-  
14. morrow until you've had a chance to determine if what I am  
15. telling you is so, and that will be on our tape. We don't  
16. have to rely on our memory.

17. PRESIDING OFFICE (SENATOR WEAVER):

18. I agree with what you say, Senator Partee. I did not  
19. announce the negative vote and I did not delcare the bill...  
20. failed.

21. SENATOR PARTEE:

22. And on that basis I think you were right with the  
23. original ruling that he could then postpone.

24. PRESIDING OFFICER (SENATOR WEAVER):

25. That was certainly my impression. If you'd like to  
26. check the tapes and we'll hold the ruling until tomorrow.  
27. We'll leave it at this time on consideration postponed  
28. then. Is there any further business to bring before the  
29. Senate, if not, we'll adjourn until 10:30 in the morning.

30.  
31.  
32.  
33.
