4. to the gallery.

5. PRESIDENT:

6. We're going to wait just a few minutes for Senator Partee
7. to arrive. He's involved in a conference, so just be at ease
8. for a few more minutes. Senatè will come to order. The prayer
9. will be offered by the Reverend George Hargess of Cumler United
10. Methodist Church of Springfield. Will our guests in the gallery
11. please rise? Reverend Hargess.

12. REVEREND HARGESS:

13. (Prayer by Reverend Hargess.)

14. PRESIDENT:

15. Reading of the journal. Senator Graham.

16. SENATOR GRAHAM:

17. Mr. President, I move that we postpone the reading of the
18. journals of June 27th, 28th, 29, 30, July 1, 2nd, 3rd, and 10th,
19. all in the year of 1974 until the arrival of the printed journals.

20. PRESIDENT:

21. Senator Graham moves that we postpone the reading of the
22. journals of June 27 through 30 and July 1, 2, 3, and 10, pending
23. the arrival of the printed journals. Is there discussion? All
24. in favor signify by saying Aye. Contrary No. The motion car-
25. ries. So ordered. Messages from the House.

26. SECRETARY:

27. (Secretary reads message from the House.)

28. Mr. President, I am directed to inform the Senate
29. that the House of Representatives has adopted the fol-
30. lowing Conference Committee reports on Senate Bill 1347,
31. House Bill 2354, House Bill 2355, House Bill 2358, House
32. Bill 2365, and the First Conference Committee report on
33. House Bill 2277.

1. PRESIDENT:

2. Conference Committee appointments.

3. SECRETARY:

4. (Secretary reads Conference Committee appointments.

5. To the members of the Senate. I do hereby appoint the
6. following to serve as members on the Conference Commit-
7. tee on Senate Bill 1552. Senators Sours, Roe, Glass,
8. Course, and Netsch.

9. On Senate Bill 1382. Senators Howard Mohr, Weaver,
10. McBroom, Rock, and Palmer.

11. On Senate Bill 1264. Senators Howard Mohr, Harris,
12. McBroom, Knuppel, and Rock.

13. On House Bill 1464. Senators Howard Mohr, Davidson,
14. Roe, Saperstein, and Smith.

15. On House Bill 2651. Senators Harris, Glass, Bar-
16. tulis, Partee, and Donnewald.

17. Sincerely, Howard R. Mohr, Chairman, Committee on
18. Committees.

19. PRESIDENT:

20. Senator Rock, on the order of House Bills on Third Reading,
21. do you have an amendment for House Bill 2798? Yes. All right.
22. Senator Rock.

23. SENATOR ROCK:

24. I would ask leave, Mr. President, that House Bill 2798 be
25. returned to the order of second reading for the purpose of a
26. clarifying amendment.

27. PRESIDENT:

28. All right. House Bill 2798 is ordered to second reading.
29. Senator Rock is recognized.

30. SENATOR ROCK:

31. Thank you, Mr. President. We found in the amendment that
32. was adopted last week, it was...which was amendment No. 3, that
33. there were two typographical errors where the...where the number

1. 62,887 appear. There was a comma instead of a period. So in-
2. stead of being 62.8 feet, it would be 62,000 feet. It's a
3. significant difference and I would...this amendment removes the
4. comma and puts in the period and I would move its adoption.

5. PRESIDENT:

6. Is there further discussion? Senator Rock move...moves...
7. now do we want to Table...Sommer...OK...this...this cures the
8. problem. All right. Senator Rock moves the adoption of amend-
9. ment No. 4 to House Bill 2798. All in favor signify by saying
10. Aye. Contrary No. The motion carries and the amendment's adopted.
11. Are there further amendments? Third reading. Senator Vadalabene.
12. On the order of the Secretary's Desk I understand you're pre-
13. pared to proceed on Senate Bill 2277...I'm sorry...House Bill
14. 2277, concurrence in a Conference Committee report. Senator
15. Vadalabene.

16. SENATOR VADALABENE:

17. Yes, thank you, Mr. President and members of the Senate.
18. I move to adopt the Conference Committee report.

19. PRESIDENT:

20. Is there further discussion? The question is shall the
21. Senate adopt the Conference Committee report on House Bill 2277.
22. Those in favor vote Aye. Those opposed vote Nay. The voting
23. is open. Senator McBroom.

24. SENATOR MCBROOM:

25. Yes. Mr. President, this motion by Senator Vadalabene
26. mean...is simply receding from the legal amendment. Isn't
27. that the way you understand it, Senator Vadalabene?

28. SENATOR VADALABENE:

29. That's it.

30. SENATOR MCBROOM:

31. Yes. On the Secretary of State's budget.

32. PRESIDENT:

33. The effect of the amendment proposed by the Conference Com-

1. mittee then is to remove the Attorney General's amendment for
2. the Fiscal '75 appropriation for the Office of the Secretary
3. of State. Yes. And the other six amendments that were in
4. dispute are recommended to be adopted. Senator Vadalabene.

5. SENATOR VADALABENE:

6. Yes, thank you, Senator McBroom. I failed to...to mention
7. what the...what the adoption of the Conference Committee report
8. was and I am sorry for that omission.

9. PRESIDENT:

10. Is there further discussion? The measure does require
11. 36 votes. Have all voted who wish? Have all voted who wish?
12. Take the record. On this question the Yeas are 39, the Nays
13. are 3. The Senate adopts the Conference Committee report on
14. House Bill 2277. The bill, having received the required con-
15. stitutional majority is declared passed and the bill, having
16. received the affirmative vote of 3/5ths of the members elected
17. is effective immediately upon its becoming a law. Senator
18. Partee, did you wish recognition? Senator Partee.

19. SENATOR PARTEE:

20. Well, Mr. President, I would just like to make this comment
21. inasmuch as we are about to go to another order of business.
22. For a few days now we have had some spirited discussion, shall
23. we say, concerning the viability or nonviability of the so-called
24. Attorney General's amendment, and there have been some discus-
25. sions Statewide about this question. A lot of people, particular-
26. ly a lot of my constituents, have been concerned about the fund-
27. ing of State Government and concerned that this problem with
28. reference to who was going to be the lawyer is something that
29. should be relegated to the background rather than to the forefront.
30. I'm given to understand we're going to now deal with those ques-
31. tions involving those particular agencies. We're only going to
32. offer this suggestion that so that people throughout this State
33. will know that we are interested in funding those State agencies

1. around which there are...or there is no controversy, that perhaps
2. it might be best that we dealt with those 15 or so agencies that
3. the Attorney General alluded to in his press conference yester-
4. day about which there is no problem with reference to the A.G.
5. amendment so that we could at least let people know that we are
6. concerned about funding government and that we are addressing
7. ourselves to those things so that there will be no payless paydays.
8. So I'm just suggesting that we deal with those first and then
9. get to those around which there has been some controversy later.

10. PRESIDENT:

11. Well, Senator, if I might just respond. There are really
12. three agencies about which there might be some controversy
13. remaining. The only State agency about which there was a criti-
14. cal time press problem was that appropriation bill dealing with
15. the appropriation for the Secretary of State, House Bill 2277.
16. That bill has now been passed. The remaining State agencies
17. really are under no great time pressure situation. Now consistent
18. with the understanding that I think we have arrived at, it seems
19. to me a more appropriate course of action to get the three that
20. ...about which there has been some controversy out of the way
21. and then proceed to the...actually I think there are more than
22. 15 others. I think the figure is...is 22, but we have, of course,
23. time, the remainder of today, I think this will become routine.
24. The only thing really remaining then that about which we hope-
25. fully can see action taken in the House, action on, I think it's
26. 1345, Senator Donnewald's bill for the appropriation of the Depart-
27. ment of Transportation and the resolution of some differences
28. that are not very great concerning the energy situation and
29. very frankly I think we could wrap this thing up late today. I
30. would like to proceed with recognition then of Senator Mohr in
31. connection with a motion concerning Senate Bill 1261 and for
32. that purpose...for what purpose Senator McBroom arise?

33. SENATOR MCBROOM:

1. Well, Mr. President and members of the Senate. I sat here
2. and heard what Senator Partee had to say and I...I'd simply like
3. to make this observation. From what I...some members of the
4. Senate say, I guess on both sides of the aisle, and the press
5. has to say, it occurs to me that the situation with which we're
6. confronted with is something that's just taken place, Mr. Presi-
7. dent, in the last 3 or 4 days. The Chief Executive of the State,
8. I am sure, knew of the posture that this side of the aisle was
9. taking, namely that we didn't have 7 or 8 or 15 Attorney General's
10. for the State of Illinois, that each of us go to the polls and
11. only vote for one. That's all I've every voted for in every
12. election that I've participated in and all of a sudden people
13. seem to think that this is something that's come out of the hat-
14. box and we're surprising everyone. I...I wonder why the Governor
15. didn't express his concern and as Chief Executive exert some
16. leadership and try to resolve this dilemma back in May, rather
17. than...rather than hoping that at the very end on June 30th or
18. June 29th that he and his assistants could start making deals
19. with the Legislature to accommodate himself. I...I...I'm really
20. shocked that Senator Partee would...would hope that we could go
21. ahead with these other agencies until this problem has been re-
22. solved and this is again, Mr. President, which I have been say-
23. ing ever since Dan Walker was elected Governor, it's about time
24. that he exerted some leadership as Chief Executive of this State,
25. and I...I'm sorry that the State of Illinois is saddled with a
26. Chief Executive of the type that we have.

27. PRESIDENT:

28. Senator Knuppel.

29. SENATOR KNUPPEL:

30. Well, I sat here quietly and heard all these charges against
31. the Governor downstairs. I happened to serve in the Constitution-
32. al Convention and I happened to have served the Attorney General
33. for eight years and never before, never before has the Attorney

1. General of this State sought such power and I...the...the Con-
2. stitution of the State of Illinois took effect July 1st, 1971,
3. and not since that date has this ploy been attempted. Now for
4. some reason now and...and everybody's been talking about the
5. Governor, I'm going to talk about the Attorney General. May-
6. be he's running for Governor. Maybe he's playing some politics
7. too. Now the leadership that ought to be displayed is right
8. here in this Body as I said last night. I said to Hell with the
9. Second Floor. I'm going to say to Hell with the Attorney Gen-
10. eral's office. We are the Legislature. If we don't have the
11. guts, the stature and the intelligence to know what the Consti-
12. tution says and for the first time we've got a man asking for
13. powers that never before were asked by any Attorney General,
14. and at the Constitutional Convention Charles Young was there and
15. if anybody was in that Constitutional Convention they know
16. Charles Young was the man that everything that come from the
17. Attorney General's office was funneled through. That Consti-
18. tutional Convention. He spoke. He was the voice. He was the
19. oracle for Attorney General Scott and he said it was never in-
20. tended, never intended that a person should have to depend on
21. somebody of the other political party to get the type of legal
22. advice he needed. I believe that any man serving this State in
23. the Executive Branch is certainly entitled to have a budget
24. and to pay technical advisors to give him independent legal
25. advice. As an attorney, I hope to God that nobody in the
26. United States ever, serving the people or as an individual,
27. have to go to a man who is going to be their opponent two years
28. from now for an office he seeks for legal advice that may em-
29. barrass him. Now come on, let's quit playing games on the
30. other side, realize that you've got a man that's running for
31. political office too, and quit condemning the Governor. There's
32. somebody over here that can throw it back. I don't even think
33. it's germane. I have raised Hell ever since I've been in this

1. Body when anybody stood up here and started tearing the Hell out
2. of one of our public officials as an excuse for our own spineless-
3. ness.

4. PRESIDENT:

5. Senator...Senator Mohr.

6. SENATOR MOHR:

7. Yeah, Mr. President. I am concerned about the way Senator
8. Knuppel handles that microphone. It costs money to repair and
9. replace these items, Senator. I...well, we're...we're concerned
10. about that Senator. The taxpayers and the poor people have to
11. pay for these things. We're...it sounds like we're on the right
12. track this morning, Mr. President. Senator Knuppel wants to pro-
13. ceed and go ahead and he's concerned about the Attorney General.
14. We're concerned about a lot of things. I'm concerned about a
15. lot of people that are scheduled to be, or would hope the Governor
16. could have in the...these appropriations to also campaign. So,
17. the Attorney General certainly isn't the only political figure
18. in Springfield. But it sounds like we're ready to go to work
19. which is certainly good news for me and I'm going to start it off
20. this morning and move that the rules be suspended for purpose of
21. reconsidering action taken by the Senate on Senate Bill 1261,
22. which is the Illinois Liquor Commission bill and for operating
23. in good faith and we want to get going and...and do the job now.
24. I...I...I hope my motion carries, the rules be suspended.

25. PRESIDENT:

26. All right. Senator Mohr has moved to suspend the rules
27. for the purpose of reconsidering the vote by which the Second
28. Committee on Conference, concerning Senate Bill 1261, failed.
29. All in favor signify by saying Aye. Contrary No. The motion
30. carries and the rules are suspended. Senator Rock.

31. SENATOR ROCK:

32. Thank you, Mr. President. I have filed with the Secretary
33. a motion which I would like to read and have considered and

1. adopted. Having voted on the prevailing side, I move now to
2. reconsider the vote by which the motion to adopt the Second
3. Conference Committee report on Senate Bill 1261 was lost.

4. PRESIDENT:

5. Senator Rock has moved to reconsider the vote by which
6. the motion to adopt the Second Conference Committee report
7. on Senate Bill 1261 was lost. The record shows that Senator
8. Rock voted on the prevailing side on that question. All in
9. favor of the motion to reconsider...just so that the record
10. can be clear I will suggest a roll call. This requires 30
11. votes. All in favor of the motion to reconsider vote Aye.
12. Those opposed vote No. The voting is open. This is a motion
13. to reconsider. Have all voted who wish? Take the record. On
14. that question the Yeas are 45, the Nays are one, and the
15. motion to reconsider carries. The question then before the
16. Senate is shall the Senate adopt the Second Conference Committee
17. report with respect to Senate Bill 1261. Those in favor will
18. vote Aye. Those opposed will vote No. The voting is open.
19. Have all voted who wish? This motion requires 36 votes...I'm
20. sorry...this question. Have all voted who wish? Take...take
21. the record. On that question the Yeas are 39. The Nays are 6.
22. One voting Present. The Senate adopts the Conference Committee
23. report with respect to Senate Bill 1261; and the bill, having
24. received the required constitutional majority, is declared passed.
25. Further, the bill, having received the affirmative vote of 3/5ths
26. of the members elected, is effective immediately upon its be-
27. coming law. Senator Howard Mohr.

28. SENATOR MOHR:

29. Yes, Mr. President, I now move that the rules be suspended
30. for the purpose of reconsidering the previous action taken by
31. the Senate on Senate Bill 1357.

32. PRESIDENT:

33. Senator Mohr has moved to suspend the rules for the purpose

1. of reconsidering the vote by which the Second Committee of Con-
2. ference in regard to Senate Bill 1357 was lost. On that motion
3. to suspend all in favor signify by saying Aye. Contrary No.
4. The motion carries and the rules are suspended. Senator Rock.

5. SENATOR ROCK:

6. Thank you, Mr. President. I have on the Secretary's Desk
7. a motion in writing which reads, having voted on the prevailing
8. side I move to reconsider the vote by which the motion to adopt
9. the Second Conference Committee report on Senate Bill 1357 was
10. lost.

11. PRESIDENT:

12. Senator Rock has moved to reconsider the vote by which the
13. Second Committee on Conference with...with respect to Senate
14. Bill 1357 was lost. On that question those in favor will vote
15. Aye. Those opposed will vote No. The voting is open. The
16. motion to reconsider requires 30 votes. Have all voted who wish?
17. Have all voted who wish? Take the record. On that question the
18. Yeas are 38, the Nays are 4, and the motion to reconsider pre-
19. vails. On the question...Senator Netsch.

20. SENATOR NETSCH:

21. When you reach the question I want to be heard briefly.

22. PRESIDENT:

23. You are recognized. We are at that point in the procedure.
24. Senator Netsch.

25. SENATOR NETSCH:

26. Mr. President. We all realize what is taking place here
27. today and there is no question that the business of the State
28. has go to somehow continue and be completed. I concede that
29. part of it also. I would like to make a point, however, par-
30. ticularly with reference to this bill. The bill, of course,
31. continues to include the so-called Attorney General's amendment.
32. I feel just as strongly today as I did last week that this amend-
33. ment flies in the face of the Constitution. It is absolutely

1. dead wrong on the merits. In addition there are particular pro-
2. blems with respect to this agency because in my judgment, and the
3. judgment of many other people, there is no question that the At-
4. torney General, if he ultimately succeeds on this, will be put in
5. a direct conflict of interest position with respect to the en-
6. vironmental issues, and that also is dead wrong. I would hope
7. that, obviously the bill is going to pass with the amendment on
8. today. I would personally and publicly urge the Governor to use
9. his item veto to eliminate that portion of the bill. I think it
10. cannot be established as precedent in this State that a separate-
11. ly elected independent officer is going to be able to have a ma-
12. jor role in the operation and policy-making of the Executive Of-
13. fices of Government which are by the Constitution under the
14. Governor. I would add one additional thing with respect to the
15. EPA bill. In all of its non-wisdom, this Body has refused to
16. give back to the Environmental Protection Agency any of the 1.1
17. million dollars in regular operating funds that the Senate re-
18. moved some weeks ago. Despite the fact that the House on sever-
19. al occasions has said the EPA should have restored approximately
20. 900,000 dollars of the money removed, I think that is an in-
21. sufficient amount for EPA to be able to do the kind of job that
22. this Body constantly carp at...carps at it for not being able to
23. do effectively and efficiently. I think that that is just as
24. wrong today as it was last week. I think it is too bad that
25. we have been blackmailed into the position where we have to pass
26. a bill that is in my judgment not a proper bill to reflect the
27. environmental commitments of this State.

28. PRESIDENT:

29. Senator Sours.

30. SENATOR SOURS:

31. Mr. President and Senators. I think the recent remarks
32. need some kind of reply. Much of this trober...trouble, Senator
33. Netsch, is the direct result of the incompetence and the miserable

1. work product of what we sometimes call the Old Gentlemen's Con-
2. vention which eliminated about 10 or 12 or 15 million dollars
3. and handed you and me probably the worst of the...of the Con-
4. stitutions of the 50 States. May I also say this. The Envi-
5. ronmental Protective...Protection group should never be above
6. the law and the trouble you and I encounter today with bureaus
7. is bureaucrats. Some people call that progress. I...I call
8. it retrogression. Some people think that when one would ob-
9. serve a cannibal eating with a knife and fork, that's progress.
10. And when we let these little people who operate these big bureaus
11. shove the citizen around with such phraseology out in the country
12. as fugitive dust and ambient dust and all that mumbo jumbo
13. hocus pocus, I say we've had enough of the bureaus. There
14. should be a centralized control which is nonexistent unless the
15. Attorney General himself and his office, which under the work
16. product of the Convention which drafted the Constitution, he
17. is the State's lawyer. Now the Environmental Protection Agency
18. is...is the State. It is not a separate entity autonomous
19. beyond control of the elected official, called the Attorney
20. General. Now I think most of us have had enough of the bureaus
21. and I've watched that bureau harrass, dangle, quibble, to the
22. point where the poor taxpayer doesn't know what he's going to
23. do. Let's take the case, for example, of the grain elevators.
24. There are some grain elevating...grain elevator companies today
25. that absolutely cannot comply with what the dreamers would like
26. because it would put them out of business. That is in the news
27. right this last week. Some grain elevators out in the country,
28. where you and I will never even get near ambient dust or fugitive
29. dust, if they were to comply with the ridiculous requirements
30. they'd be out of business. In some cases a 100 thousand dollars
31. to take care of dust that'll never get to you or me. I say it's
32. time we put some control on that bureau and it's just, so far
33. as I'm concerned, another miserable bureau.

1. PRESIDENT:

2. Senator Partee.

3. SENATOR PARTEE:

4. Mr. President, I want you to know that I am going to vote
5. for this funding of this agency even though it still has the
6. Attorney General's amendment on it. I think this is, of course,
7. a viable part of government which has to be funded. Moreover
8. there are many, many employees who are working for this branch
9. of government, who ought to know that we go up to our responsi-
10. bility of funding it so that there will be no payless paydays.
11. I have not one whit changed my position as to whether or not
12. this amendment should be on it. I have always said that it should
13. not, and I still maintain that position. .But I'm not going to
14. be a pawn on a chessboard any longer and I'm not going to try
15. to out talk the gentleman behind me, but I'm going to say...I'm
16. going to say that this is an issue that we thought we could set-
17. tle on a Legislative basis. It is obvious that it is a purely
18. legal issue. The question as to whether or not the Attorney
19. General should be the Attorney for this agency is a legal question
20. purely and simply. I would hope that in the days very shortly
21. to come this issue can be crystallized and can be decided by
22. our Supreme Court. Perhaps we are right. Perhaps we are wrong.
23. I have the very strong feeling, based on 25 years of legal prac-
24. tice that we're right. I've been wrong before, but I still think
25. that this is an issue, which though being legal should be and
26. will be decided by the Supreme Court. In the intervening per-
27. iod we will not be wasting time, fuddling around with the question
28. of its legality or its nonlegality and we're going to fund it
29. and we're going to vote to fund it under the existing circum-
30. stances which...from which we shrink, of course, but we feel
31. a greater obligation to fund the...the agency. This is a question
32. that preponderates personal considerations. This is a question
33. that has to be settled and we're going to settle it with this

1. roll call when it's asked for.

2. PRESIDING OFFICER (SENATOR MOHR):

3. President Harris.

4. SENATOR HARRIS:

5. Mr. President, I just want to acknowledge with gratitude
6. the statement by the Minority Leader, that he intends to sup-
7. port the adoption of this Conference Committee report. I think
8. his points are perfectly appropriate that this is a legal ques-
9. tion, that no doubt ultimately will find its resolution in the
10. courts. In the meantime it is appropriate for this Body to dis-
11. charge its responsibility to fund significant agencies of State
12. Government and I would concur that none are more significant
13. than the Environmental Protection Agency. I urge the support
14. of the adoption of the Conference Committee report and would
15. hope that we would be able to put 36 votes on this question and
16. get on with the other business before us.

17. PRESIDING OFFICER (SENATOR MOHR):

18. Further discussion? This vote...or this bill will require
19. 36 votes. The question is shall the Senate adopt the Conference
20. Committee report on Senate Bill 1357. Those in favor will vote
21. Aye. Those opposed will vote Nay. Voting is open. This is on
22. the Second Conference Committee report. It does require 36 votes.
23. Have all voted who wish? Take the record. On that question the
24. Yeas are 39, the Nays are 5. The Senate adopts the Conference
25. Committee report on Senate Bill 1357. The bill, having received
26. the Constitutional majority, is declared passed; and the bill,
27. having received the affirmative vote of 3/5ths of the members
28. elected, is effective immediately upon its becoming a law.
29. Stand at ease for a few minutes. Senator Conolly and Daley
30. can you come up to the podium a minute please? Conolly and Daley.
31. Senate will come to order. Senator Swinarski, are you ready
32. on Senate Bill 1267? Conference Committee report.

33. SENATOR SWINARSKI:

1. Yes, Mr...Mr. President. I move to adopt the First Con-
2. ference Committee report on Senate Bill 1267. What this does
3. basically is to remove the Attorney General's amendment, and
4. I believe it's concurred on both sides of the aisle.

5. PRESIDING OFFICER (SENATOR MOHR):

6. All right. If we can have...if we can have the attention
7. of the Senate. Senator Swinarski is making a motion. Now if
8. ...give him the attention, please. Senator Swinarski, explain
9. Conference Committee report on 1267. Let's hold that for a
10. couple of minutes. Take it out of the record. Senate Bill 1267.
11. Senator Swinarski.

12. SENATOR SWINARSKI:

13. I move that we concur in the First Conference Committee
14. report on Senate Bill 1267.

15. PRESIDING OFFICER (SENATOR MOHR):

16. Further discussion? Senator Scholl.

17. SENATOR SCHOLL:

18. I wish that Senator Swinarski'd give us an explanation of
19. what we're going to vote on.

20. PRESIDING OFFICER (SENATOR MOHR):

21. Senator Swinarski.

22. SENATOR SWINARSKI:

23. It takes the 800,000 dollars...850,000 dollars that was
24. in the computerized Criminal History System, which was Repre-
25. sentative Kosinski's amendment, and reduces it to 300,000 dol-
26. lars. It eliminates what we classify as the Attorney General's
27. amendment and takes that amendment out. That's basically the
28. essence of the entire bill. It adds, and I believe it was there
29. originally, 100 dollars per month for the...each State police-
30. man, so it'd be a 1200 raise for each State policeman during
31. the year and I believe the appropriation approximately 2 million
32. dollars on that.

33. PRESIDING OFFICER (SENATOR MOHR):

1. Further discussion? The question is shall the Senate adopt
2. the Conference Committee report on Senate Bill 1367...1267.
3. Those in favor will vote Aye. Those opposed will vote Nay. The
4. voting is open. Will require 36 votes. Have all voted who wish?
5. Aye. Take the record. On that question the Yeas are 43, the
6. Nays are none. The Senate adopts the First Conference Committee
7. report on Senate Bill 1267, and the bill, having received the
8. required constitutional majority, is declared passed. The bill,
9. having received the affirmative vote of 3/5ths of the members
10. elected, is effective immediately upon its becoming a law. Sena-
11. tor Newhouse.

12. SENATOR NEWHOUSE:

13. Mr. President, I was off the Floor when the EPA Bill was
14. called. I'd simply like the record to show that I would have
15. voted in favor of that bill had I been here.

16. PRESIDING OFFICER (SENATOR MOHR):

17. The record will show. Senator Buzbee.

18. SENATOR BUZBEE:

19. Mr. President, I would like the record to show that I was
20. off the Floor on the telephone when Senate Bill 1264 was called
21. and had I been here I would have voted Yes.

22. PRESIDING OFFICER (SENATOR MOHR):

23. The record will show.

24. SENATOR BUZBEE:

25. 12...12...1267.

26. PRESIDING OFFICER (SENATOR MOHR):

27. 1267. House Bill 2361. Senator Knuppel.

28. SENATOR KNUPPEL:

29. I move that the Senate concur in Conference Committee report
30. No. 2. It's been concurred in by the House. It deals with the
31. ...the appropriation for the Department of Agriculture. In effect
32. what it does, it cuts 200,000 dollars out of the operational mon-
33. ies for the several divisions of the department as the bill first

1. appeared here from the...from the House, and it reinstates the
2. money for the four county fairs, having disaster claims and
3. 40,000 dollars for operational expenses for International Live-
4. stock Exhibitions. It leaves in the appropriation the Kewanee
5. Lab money, as well as, the Galesburg Lab money. The Governor will
6. have to make a decision as to which of the diagnos...diagnostic
7. laboratories he wants. The Conference Committee report has been
8. signed by both the...both sides of the aisle. Does anyone
9. have any questions with reference to it.

10. PRESIDING OFFICER (SENATOR MOHR):

11. Further discussion? The question is shall the Senate adopt
12. the Second Conference Committee report on House Bill 2361. Those
13. in favor will vote Aye. Those opposed will vote Nay. Voting is
14. open. Have all voted who wish? Take the record. On that ques-
15. tion the Yeas are 49, the Nays are none. The Senate adopts the
16. Conference Committee report on House Bill 2361 and the bill, hav-
17. ing received the con...required constitutional majority, is de-
18. clared passed; and the bill, having received the affirmative vote
19. of 3/5ths of the members elected, is effective immediately upon
20. its becoming a law. Senator Rock, are you ready on 12...Senate
21. bill...House Bill 1273? Change the ca...the board. Senate bill.
22. Senator Rock.

23. SENATOR ROCK:

24. Thank you, Mr. President. I am moving that we concur in
25. the Second Conference Committee report on Senate Bill 1273.
26. This is the appropriation bill for certain appropriations to
27. the Comptroller for his distributive fund. What we have done
28. is ask the House to recede from the four House amendments that
29. they put on the bill and then we further amended it to incor-
30. porate those provisions of House Bill 164, which Senator Harris
31. had some interest and Senator McBroom. I am...I am at this
32. time, Mr. President, moving that the Senate do concur in the
33. Second Conference Committee report on Senate Bill 1273.

1. PRESIDING OFFICER (SENATOR MOHR):

2. Further discussion? Question is shall the Senate adopt
3. the Second Conference Committee report on Senate Bill 1273.
4. Those in favor will vote Aye. Those opposed will vote Nay.
5. Voting is open. Have all voted who wish? Take the record.
6. On that question the Yeas are 47, the Nays are none. The Senate
7. adopts the Conference Committee report on Senate Bill 1273. The
8. bill, having received the required constitutional majority, is
9. declared passed; and the bill, having received the affirmative
10. vote of 3/5ths votes of the members elected, is effective im-
11. mediately upon its becoming a law. Senator Knuppel, Senate Bill
12. 1264.

13. SENATOR KNUPPEL:

14. Mr. Chairman and members of the Body, I move that the Senate
15. not concur in the First Conference Committee report with respect
16. to Senate Bill 1264. This bill still contains the Attorney
17. General's amendment and it's my desire as sponsor and that of
18. the Racing Board that we attempt a Second Conference Committee
19. report.

20. PRESIDING OFFICER (SENATOR MOHR):

21. Further discussion? Senator Knuppel moves that the Senate
22. nonconcur in the First Committee report on Senate Bill 1264.
23. All in favor signify by saying Aye. Opposed. Motion carries
24. and a Second Conference Committee will be reported. Senator
25. Wooten.

26. SENATOR WOOTEN:

27. Mr. President, we've been trying to get a meeting of the
28. Second Conference Committee on Corrections together. I think
29. we've worked it out. I'd just like to know the people involved
30. to let them know the meeting's in Senator Graham's office in
31. about 10 minutes, with Senator Bell, if he would also join us
32. in about 10 minutes in Senator Graham's office.

33. PRESIDING OFFICER (SENATOR MOHR):

1. Senator Knuppel.

2. SENATOR KNUPPEL:

3. For the purpose of the record I would like at this time to
4. move for a Second Conference Committee on Senate Bill 1264 and
5. I've been advised that the two members on this side of the aisle
6. will be myself and Senator Hynes.

7. PRESIDING OFFICER (SENATOR MOHR):

8. Senator Knuppel moves that a Second Conference Committee re...
9. be reported for House...Senate Bill 12...be requested for Senate
10. Bill 1264. All in favor say Aye. Opposed. Motion carries.
11. Second Conference Committee will be requested. Senator Rock on
12. 1346. Department of Local Government. 1346.

13. SENATOR ROCK:

14. Thank you, Mr. President. This is the Second Conference
15. Committee report on Senate Bill 1346. It's the appropriation
16. for the ordinary and contingent expenses of the Department of
17. Local Government Affairs. Certain Senate amendments have been
18. removed, namely the Attorney General's amendment. In addition
19. to that there has been a restoration by the House of some of
20. the funds that were cut. I'm told that there's general agree-
21. ment among the appropriations people on both sides of the aisle
22. in both Houses and I would move that the Senate do now concur
23. in the Second Conference Committee report on Senate Bill 1346.

24. PRESIDING OFFICER (SENATOR MOHR):

25. Further discussion? Senator Rock moves that the Senate
26. concur in the Second Conference Committee report on Senate Bill
27. 1346. Those in favor will vote Aye. Those opposed will vote

33. vote of 3/5ths of the...of the members elected, is effective

1. immediately upon its becoming law. House Bill 2364. Senator
2. Smith.

3. SENATOR SMITH:

4. Mr. President, this is the Second Conference report on
5. this particular House bill, 2364. The Conference report has
6. been signed by members on the other side, as well as on this
7. side. As the approval of the staff of each of the two parties,
8. I move its' acceptance.

9. PRESIDING OFFICER (SENATOR MOHR):

10. Further discussion? Question is shall the Senate adopt
11. the Second Conference Committee on House Bill 2364. Those in
12. favor will vote Aye. Those opposed will vote Nay. Voting is
13. open. Have all voted who wish? Take the record. On that ques-
14. tion the Yeas are 49, the Nays are none. The Senate adopts the
15. Second Conference Committee report on House Bill 2364. The
16. bill, having received the constitutional majority, is declared
17. passed. The bill, having received the affirmative vote of 3/5ths
18. of the members elected, is effective immediately upon becoming
19. law. 2365. Senator Johns.

20. SENATOR JOHNS:

21. Mr. President and members of the Assembly. I wish to report
22. that I agree with everything that is in the House amendments 1,
23. 2, 5, 6, and 7, and wish to recede from Senate amendment No. 3.
24. The bill's in the shape on both sides of the aisle and I move
25. that we concur. Department of Registration and Education, House
26. Bill 2365.

29. cur in the Second Conf...adopt the Second Conference Committee
30. on House Bill 2365. Those in favor will vote Aye. Those opposed
31. will vote Nay. Voting is open. Have all voted who wish? Take
32. the record. On that question the Yeas are 47, the Nays are none.
33. The Senate adopts the Second Conference Committee report on House

1. Bill 2365, and the bill, having received the required constitu-
2. tional majority, is declared passed; the bill, having received
3. the affirmative vote of 3/5ths of the members elected, is effec-
4. tive immediately upon its becoming law. Senator Rock, 2350.

5. SENATOR ROCK:

6. Thank you, Mr. President and ladies and gentlemen of the
7. Senate. This is the Conference Committee report on House Bill
8. 2350, which is the ordinary and contingent expenses of the Depart-
9. ment of Children and Family Services. This report has, in fact,
10. been adopted by the House. It was worked over by Senator
11. Knuepfer and myself and I think there's general agreement and
12. I would move that the Senate do now concur in the Conference
13. Committee report on House Bill 2350.

28. the Second Conference Committee whereby both sides agree to
29. leave eight jobs in the Department of Finance budget, and I'd
30. ask for a favorable roll call.

31. PRESIDING OFFICER (SENATOR MOHR):

32. Further discussion? Question is shall the Senate adopt
33. the Second Conference Committee report on House Bill 2351. Those

1. in favor will vote Aye. Those opposed will vote Nay. Voting is

8. ing law. Senator Donnewald, House Bill 2348.

12. was to reduce some funds for part-time summer help and both
13. sides of the aisle...this has already been adopted by the House

26. members elected, is effective immediately upon becoming...its'
27. becoming law. Senator Swinarski. Senator Palmer, are you ready
28. on 2355? Senator Palmer.

29. SENATOR PALMER:

30. Mr. President. This is a House Bill 2355, relating to the
31. appropriation for the Department of Public Health. Now I'm
32. asking this Body to concur in the Second Conference report, which
33. is a product of the Conference Committee that met and have ap-

27. the appropriation for the Department of Insurance and I would
28. move you that we concur in the Second Conference Committee re-
29. port on House Bill 2358, which is a concurrence in Senate
30. Amendment No. 1 by the House and which is a recession by the
31. Senate from Senate Amendment No. 2, and Amendment No. 2 is the
32. A. G. amendment. House Amen...scratch that...Senate Amendment
33. No. 1 was the retirement amendment and I would move that we con-

1. cur.

9. and the bill, having received constitutional majority, is declared
10. passed; and the bill, having received the affirmative vote of
11. 3/5ths of the members elected, is effective immediately upon its

13. SENATOR HALL:

14. Thank you, Mr. President and members of the Senate. This is
15. the appropriation for the Labor and Industrial Commission, and
16. this is the Second Conference Committee report of House Bill 2354
17. and I move that accept the Second Conference report.

18. PRESIDING OFFICER (SENATOR MOHR):

19. Further discussion? Question is shall the Senate adopt the
20. Second Conference Committee report on House...Senator Nimrod.

21. SENATOR NIMROD:

22. I assume this is the Industrial Commission, Labor, Second
23. Conference Committee report? Well, I had asked Senator Hall to
24. hold off on-it, but I noticed that I was in another Conference
25. Committee report, and I ran out here so I would like to take a
26. minute here to cover this subject and distribute some papers on
27. it, Mr. President, if it's all right with the sponsor.

28. PRESIDING OFFICER (SENATOR MOHR):

29. Take it out of the record for a few minutes.

30. SENATOR NIMROD:

31. Yes, Sir.

32. PRESIDING OFFICER (SENATOR MOHR):

33. Agreeable, Senator Hall? Senator Rock.

1. SENATOR ROCK:

2. This is, in fact, now the Second Conference Committee re-
3. port, which has, in fact, all ready been adopted by the House.
4. Now, an attempt to rewrite this Conference Committee report at
5. this point in time is frankly impossible. So, I...I think we
6. would...would be better advised to...to move it and get it out
7. of here.

8. PRESIDING OFFICER (SENATOR MOHR):

9. Senator McBroom.

10. SENATOR MCBROOM:

11. Well, Mr. President and members of the Senate. I don't
12. know whether Senator Hall responded that he'd take it out of
13. the record or not. Did he...could you elaborate on that?

14. PRESIDING OFFICER (SENATOR MOHR):

15. Senator Hall. I guess that means you will take it out of
16. the record? Senator McBroom.

17. SENATOR MCBROOM:

18. Mr. President, this is a matter in which Senator Nimrod
19. and I am particularly addressing the members on this side of
20. the aisle. Senator Nimrod has had a life-time of expertise
21. in, is thoroughly knowledgeable in. There are individuals, and
22. I'm not referring to Senator Hall, I want to make that perfect-
23. ly clear, that there are individuals who have given Senator
24. Nimrod, when he has offered to sit down with them and confer
25. with them on this particular subject, and until this matter is
26. resolved I would hope that there isn't a single Republican vote
27. in support of Senator Hall's position. Thank you.

28. PRESIDING OFFICER (SENATOR MOHR):

29. All right. It is out of the record and I would suggest
30. that Senator Hall and Senator Nimrod and that committee get
31. together. Time is growing short. Senator Newhouse, 2360.

32. SENATOR NEWHOUSE:

33. Mr. President, I would...I would move that the Conference

1. Committee report on Senate Bill 2360 be adopted.

2. PRESIDING OFFICER (SENATOR MOHR):

3. Further discussion? The question is shall the Senate adopt
4. the Second Conference Committee report on House Bill 2360. Those
5. in favor will vote Aye. Those opposed will vote Nay. The voting
6. is open. Have all voted who wish? Take the record. On that
7. question the Yeas are 48, the Nays are none, and the Senate adopts
8. the Second Conference Committee report on House Bill 2360, and
9. the bill, having received the constitutional majority, is declared
10. passed. The bill, having received the affirmative vote of 3/5ths
11. vote of members elected, is effective immediately upon its becom-
12. ing a law. Messages from the House.

28. of House Bill 2405, which is the appropriation for the operation
29. of the Department of Financial Institutions for the Commissioner
30. of Banks and Trust Companies and for the Commissioner of Savings

6. PRESIDING OFFICER (SENATOR MOHR):

7. Sen...Senator...Senator hold it. I'm informed they don't
8. have that. Secretary does not have that report. Senator Harris.

9. SENATOR HARRIS:

10. Mr. President, just to put at ease the minds of those who
11. are wondering. Once we have acted on BED, which is 2367. That
12. Conference Committee has been signed. It's on its way out to
13. the Secretary's Desk now, I believe. And then I would just sug-
14. gest that we will let you have some time for lunch. Following
15. action on 2367 we will recess until 1:30.

16. PRESIDING OFFICER (SENATOR MOHR):

21. on House Bill 2367, which is the Department of Business and
22. Economic Development. Senator Merritt agrees with us and I
23. think it's ready to roll.

24. PRESIDING OFFICER (SENATOR MOHR):

25. Further discussion? Question is shall the Senate adopt the
26. Second Conference Committee report on House Bill 2367. Those in
27. favor will vote Aye. Those opposed will vote Nay. Voting is
28. open. Have all voted who wish? Take the record. On that ques-
29. tion the Yeas are 49, the Nays are none. The Senate adopts the
30. Second Conference Committee report on House Bill 2367, and the
31. bill, having received the constitutional majority, is declared
32. passed; and the bill, having received the affirmative vote of
33. 3/5ths of the elected members, is effective immediately upon its

1. becoming a law.

2. PRESIDING OFFICER (SENATOR MOHR):

3. Senator Harris.

4. SENATOR HARRIS:

5. Mr. President, I now move that the Senate stand in recess

6. until 1:30 p.m. this afternoon.

7. PRESIDING OFFICER (SENATOR MOHR):

8. Senate will stand in recess until 1:30 p.m. That will be

9. sharp, Senator Chew.

10.

11. (LUNCH RECESS BEGINS.)

12.

13. PRESIDING OFFICER (SENATOR GRAHAM):

14. The Senate will again come to order in 5 minutes or less.

15.

16. (LUNCH RECESS ENDS.)

17.

18. PRESIDING OFFICER (SENATOR GRAHAM):

19. Ring the bell, Sweeney.

20. SERGEANT AT ARMS:

21. All persons not entitled to the Floor, please retire to the

22. gallery.

23. PRESIDING OFFICER (SENATOR GRAHAM):

24. The Senate will reconvene. Messages from the House.

25. SECRETARY:

26. (Secretary reads Message from the House.)

27. Mr. President, I am directed to inform the Senate

28. that the House of Representatives has concurred with

29. the Senate in the passage of a bill of the following

30. title, to wit: Senate Bill 1345, together with the

31. following amendments: Amendments No. 19, 20, 22, 23,

32. 24, 25, and 27.

33. PRESIDING OFFICER (SENATOR GRAHAM):

1. Senator Donnewald. It's a message on 1345, Senator.

2. SENATOR DONNEWALD:

3. Well, yes, Mr. President. I understand that you have a
4. message from the House on that and I would move that we do not
5. concur with the House amendments and would ask for a Conference
6. Committee. Of course, this is a small bill and it won't take
7. very long to resolve, I am sure. Just a few technical amend-
8. ments.

9. PRESIDING OFFICER (SENATOR GRAHAM):

10. There's been a motion by Senator Donnewald that the House
11. ...the Senate do not concur in the House amendments. All in
12. favor of the motion signify by saying Aye. Opposed. The Ayes
13. have it and the House will be so notified.

14. SECRETARY:

15. (Secretary reads messages from the House.)

16. Acceding to the request of the Senate for a
17. Second Conference Committee on Senate Bill 1264.

18. On the adoption of the Second Conference Com-
19. mittee on House Bill 2360.

20. Mr. President, I am directed to inform the Senate
21. that the House of Repre...that the House of Representa-
22. tives has refused to recede from their amendment No. 1
23. to a bill of the following title: Senate Bill 1659.

24. I am further directed to inform the Senate that the
25. House of Representatives requests a Committee of Con-
26. ference to consist of five members from each House to
27. consider the differences of the two Houses in regard to
28. the amendment to the bill. The Speaker of the House has
29. appointed a such committee on the part of the House:
30. Messrs. Blair, Telcser, W. D. Walsh, Berman, and Hanahan.

31. PRESIDING OFFICER (SENATOR GRAHAM):

32. I'm hoping that the doorman will attempt to keep the doors
33. open with as little time as possible. Senator Harris.

7-11-74
S.B. 1659

1. SENATOR HARRIS:

2. In the absence of Senator Glass I would like to move to
3. accede to the request of the House and that the Senate appoint
4. a Conference Committee to resolve the differences between the
5. two Bodies concerning Senate Bill 1659.

6. PRESIDING OFFICER (SENATOR GRAHAM):

7. You've heard the motion of President of the Senate. All
8. in favor signify by saying Aye. Opposed. The Ayes have it and
9. the motion carries. House will be notified.

10. SECRETARY:

11. (Secretary reads message from the House.)

12. Have a message stating that the House refuses
13. to recede from their amendments to Senate Bill 1382
14. and requests a Committee of Conference.

15. PRESIDING OFFICER (SENATOR GRAHAM):

16. Senator Rock.

17. SENATOR ROCK:

18. Thank you, Mr. President. This is the Capital Bond Board
19. operating appropriation. I would move at this time that we
20. accede to the request of the House and ask that a Conference
21. Committee be appointed.

22. PRESIDING OFFICER (SENATOR GRAHAM):

23. You have heard the motion of the Senator from Chicago.
24. All those in favor signify by saying Aye. Opposed. The Ayes
25. have it and the motion carries and the House will be so advised.

26. SECRETARY:

27. (Secretary reads message from the House.)

28. Message from the House requesting a Second
29. Committee of Conference on House Bill 2359. Sena-
30. tor Saperstein.

31. PRESIDING OFFICER (SENATOR GRAHAM):

32. Senator Saperstein. Senator Rock moves that we accede to
33. the request of the House and a Second Committee on Conference

1. be appointed. All in favor signify by saying Aye. Opposed. The
2. Ayes have it and the House will be so notified.

3. SECRETARY:

4. (Secretary reads message from the House.)

5. Mr. President, I am directed to inform the Senate
6. that the House of Representatives has refused to con-
7. cur with the Senate in the adoption of their amendments
8. No. 1, 2, 3, 4, and 5, to a bill of the following title:
9. House Bill 2382. Senator Daley.

10. PRESIDING OFFICER (SENATOR GRAHAM):

11. Senator Daley on the Floor? Senator Rock.

12. SENATOR ROCK:

13. Thank you. I think the proper motion would be that we are
14. refusing to recede from our amendments and ask that a Committee
15. on Conference be appointed.

16. PRESIDING OFFICER (SENATOR GRAHAM):

17. You have heard the motion of the Senator from Chicago. All
18. in favor signify by saying Aye. Opposed. The Ayes have it and
19. the motion carries and the House will be notified.

20. SECRETARY:

21. (Secretary reads message from the House.)

22. Mr. President, I am directed to inform the Senate
23. that the House of Representatives has refused to adopt
24. the Second Conference Committee report on House Bill
25. 164.

26. PRESIDING OFFICER (SENATOR GRAHAM):

27. Senator Romano. Senator Howard Mohr.

28. SENATOR ROMANO:

29. Mr. President. I've been watching the board on my left and
30. I don't want to lose the O out of my name, but pretty soon we
31. won't know if that's Saperstein...stein or Soperstein. I wish
32. you'd get it fixed.

33. PRESIDING OFFICER (SENATOR GRAHAM):

1. You know that's a good idea. Neither one of them want to
2. be confused, Senator. Thank you. Watch the board on the right,
3. Senator Romano, and you won't be confused. Senator Mohr. The
4. Chair recognizes Senator Howard Mohr.

5. SENATOR MOHR:

6. Yes, Mr. President. I would like leave from the Body to
7. take House Bill 2869 from the Table that we might reconsider
8. that.

9. PRESIDING OFFICER (SENATOR GRAHAM):

10. Senator Mohr has asked for a suspension of the rules so
11. that we may bring House Bill 2869 from the Table to the order
12. of third reading. Is leave granted? Leave is granted. The
13. bill will be on the order of third reading. We're waiting for
14. the office to present the bill. You wanted the bill placed on
15. the order of second reading, Senator? Senator Mohr now requests
16. leave of the Senate to have the bill returned from the order of
17. third reading to the order of second reading for purpose of amend-
18. ment. Is leave granted? Leave is granted. The bill is now on
19. the order of second reading.

20. SECRETARY:

21. Amendment No. 1 offered by Senator Rock.

22. PRESIDING OFFICER (SENATOR GRAHAM):

23. Senator Rock will explain his amendment No. 1 to House Bill
24. 2869.

25. SENATOR ROCK:

26. Yes...yes, thank you, Mr. President. This is Senator Palmer's
27. amendment, but he is in a Conference Committee at the time and I
28. will...are you going to offer this, Ben?

29. PRESIDING OFFICER (SENATOR GRAHAM):

30. He got out of there awfully rapidly. Senator Palmer.
31. Another lawyer takes over.

32. SENATOR PALMER:

33. Yeah. This is an amendment to House Bill 2869, which has

1. just been restored and it provides for an increase of 450,000
2. dollars for the purchase of Drug Abuse treatment and services.
3. Now this has been agreed in Conference, it's agreeable by all
4. parties concerned, and by both sides of the aisle here. It
5. also provides for the retirement appropriation, and I ask for
6. a favorable roll call.

7. PRESIDING OFFICER (SENATOR GRAHAM):

8. Further discussion? Senator Mohr. He moves...Senator
9. Palmer moves for the adoption of Amendment No. 1 to House Bill
10. 2869. All in favor of the adoption signify by saying Aye.
11. Opposed. The Ayes have it and the amendment is adopted. Any
12. further amendments? Third reading. Mr. Secretary. You have
13. a message?

14. SECRETARY:

15. (Secretary reads Second Conference Committee
16. report on House Bill 2345.)

17. Senator Course.

18. PRESIDING OFFICER (SENATOR GRAHAM):

19. Senator Kenneth Course.

20. SENATOR COURSE:

21. Thank you, Mr. President. I move that the Senate concur
22. in Conference Committee Report No. 2.

23. PRESIDING OFFICER (SENATOR GRAHAM):

24. Senator Harris. Any discussion? It's been moved by Sena-
25. tor Course that the Senate do adopt the Second Conference Com-
26. mittee report on House Bill 2345. All in favor of the adoption
27. will signify by voting Aye. Those opposed will vote Nay. The
28. voting is open. Have all voted who wish? Have all voted who
29. wish? Take the record. On this question the Yeas were 45, the
30. Nays were none. The Sen...the Senate adopts the Conference Com-
31. mittee report on Sen...House Bill 2345; and the bill, having
32. received the required constitutional majority, is declared passed;
33. and the bill, having received the affirmative vote of 3/5ths of

1. the members elected, is effective immediately upon its becoming
2. law. Messages from the House.

3. SECRETARY:

4. (Secretary reads message from the House.)

5. Mr. President, I am directed to inform the Senate
6. that the House of Representatives has reconsidered its
7. previous action and adopted the Conference Committee
8. reports on Senate Bills 1261 and 1357.

9. PRESIDING OFFICER (SENATOR GRAHAM):

10. Who's that? Not currently.

11. SECRETARY:

12. (Secretary reads Conference Committee report.)

13. Conference Committee report on Senate Bill 1383.

14. PRESIDING OFFICER (SENATOR GRAHAM):

15. Senator Wooten.

16. SENATOR WOOTEN:

17. Mr. President and members of the Body. I believe we have
18. achieved a genuine compromise...

19. PRESIDING OFFICER (SENATOR GRAHAM):

20. May we have your attention, please?

21. SENATOR WOOTEN:

22. ...I believe we have achieved a genuine compromise in the
23. meeting this morning. The Joliet institution, which was the
24. main bone of contention, will remain as a juvenile institution.
25. We have made some adjustments in the amount of money allocated
26. to Cook County from 300,000 to 100,000. We are concurring in
27. one House amendment, which will have to do for community ser-
28. vices throughout the State. I think that we have achieved a
29. pretty good balance all the way around and I would move for the
30. adoption of the Conference Committee report.

31. PRESIDING OFFICER (SENATOR GRAHAM):

32. Senator Jim Bell.

33. SENATOR BELL:

1. Mr. President and members of the Senate. I would concur
2. with the remarks of Senator Wooten, and ask for support from
3. this side of the aisle in reference to Senate Bill 1383.

4. PRESIDING OFFICER (SENATOR GRAHAM):
5. Senator Netsch.

6. SENATOR NETSCH:
7. Mr. President, will Senator Wooten yield for a question,
8. please?

9. PRESIDING OFFICER (SENATOR GRAHAM):
10. He indicates he...
11. SENATOR NETSCH:
12. Would you explain in somewhat more detail, Senator Wooten,
13. what the Conference Committee report does with respect to the
14. proposed facility in Joliet?

15. PRESIDING OFFICER (SENATOR GRAHAM):
16. Senator Wooten.
17. SENATOR WOOTEN:
18. The original amount that was appropriated for it remains
19. appropriated; however, it can only be used for...as a juvenile
20. R & D facility.

21. PRESIDING OFFICER (SENATOR GRAHAM):
22. Senator Netsch.
23. SENATOR NETSCH:
24. That means then the proposal to make an adult facility of
25. it has been abandoned?

26. PRESIDING OFFICER (SENATOR GRAHAM):
27. Senator Wooten.
28. SENATOR WOOTEN:
29. For the time being.
30. PRESIDING OFFICER (SENATOR GRAHAM):
31. Senator Netsch.
32. SENATOR NETSCH:
33. One more question if I might. The other compromises that

1. were made in the Conference Committee report, could you just
2. briefly summarize them, please?

3. PRESIDING OFFICER (SENATOR GRAHAM):

4. Senator Wooten, you're...

5. SENATOR WOOTEN:

6. Yes, the amendment No. 7, which was an amount for Cook
7. County, just let me read you precisely the heading: For
8. Community Services, the Cook County Unit. The House amend-
9. ment No. 7 had increased that amount by 300,000. There was
10. some question as to whether or not that entire amount could
11. be expended and we settled on 100,000 dollars, not being sure
12. that all of that will be expended, but that seemed a reasonable
13. compromise. In receding...having the House recede from amend-
14. ments 5 and 6, we are keeping the name changes for other in-
15. stitutions, which was set forth in amendment 5; there are quite
16. a few name changes. The controversy centered around the name
17. change at Joliet. That was eliminated. So there will be no
18. name change there. In amendment No. 6, in moving the Joliet
19. institution into an adult category, they also moved another,
20. Sheridan, into an adult category, and we had to make an adjust-
21. ment to bring Joliet back and leave Sheridan over there. And
22. then we left an appropriation which was approved in the House
23. of 500,000 dollars for pilot programs in juvenile services down-
24. state. That's it.

25. PRESIDING OFFICER (SENATOR GRAHAM):

26. Senator Netsch. Actually in the Sheridan transfer they
27. were trying to make legal what perhaps could be charged at
28. being illegally done by transferring adults over to what was
29. before a juvenile institution. That's the reason for that one
30. amendment. So they are legally now enable to deal with adult
31. offenders at Sheridan, which was once the Industrial School for
32. Boys. Any further discussion? Senator Mitchler.

33. SENATOR MITCHLER:

1. Mr. President, in response to the inquiry raised by Sena-
2. tor Netsch regarding the R & D facility at Joliet. I would
3. like to explain that if the R & D facility was transferred out
4. of the area of Joliet and a minimal security facility was in-
5. stituted at that location, that as far as the almost 200 posi-
6. tions and jobs of State employees at that location, they would
7. not be eliminated because of the abolishment of the minimal
8. security facility. They would be abolished because of the
9. institution of a minimal security facility as compared to a
10. R & D facility as previously experienced at that location.
11. And let me point out for the record that a minimal security
12. facility does not require the so-called kitchen help that is
13. required with an R & D facility. Now I want to point that
14. out and make that perfectly clear because I had a meeting this
15. last week with the Chamber of Commerce and representatives of
16. the area and it was pointed out that if it was going to go to
17. a minimal security facility the employees that were employed
18. in the R & D facility would automatically be eliminated because
19. when...the type of employees that you have in the kitchen fa-
20. cilities at an R & D facility for young adult people that are
21. in a correctional institute are different from the minimal
22. security and so don't think that by eliminating a minimal
23. security facility you're eliminating 200 jobs, because taking
24. away an R & D facility, you're automatically eliminating a great
25. number of jobs and almost the entire amount, because the type of
26. personnel needed for the minimal security facility are trained
27. personnel above and beyond what you had working at the R & D
28. facility. Now I'm just putting this into the record so if
29. there's any future question about who is responsible for eliminat-
30. ing jobs in the Joliet/Will County area, I'm going to say that
31. it's the person that's eliminating the R & D facility and not
32. the one that's eliminating the minimal security facility in that
33. area. If you have any questions on that I'd like to respond at

1. this time.

2. PRESIDING OFFICER (SENATOR GRAHAM):

3. Your time...your time has expired, Senator. Any further
4. discussion? The question before the Senate is shall the Second
5. Committee on Conference report to Senate Bill 1383 be adopted?
6. Those in favor will signify by saying Aye. Those opposed will
7. vote Nay. The voting is open. Have all voted who wish? Have
8. all voted who wish? Take the record. On this question the
9. Yeas were 49. The Nays were none. The bill, having received
10. the constitutional majority, is declared passed; and, having
11. received the affirmative vote of 3/5ths of the members elected,
12. is effective upon its' becoming law. We're not waiting for a
13. speech. We are not. Senator Course. Senator Course. We
14. have some more Legislative action to take. May we please have
15. your attention; and may those, not entitled to the Floor, please
16. leave the Floor. Will the Sergeant at Arms...Senator...Chair
17. recognizes the Senator from Chicago, Senator Course.

18. SENATOR COURSE:

19. Thank you, Mr. President. I move that the Senate concur in
20. Conference Committee No. 1 to House Bill...Senate Bill, I'm
21. sorry, Senate Bill 1552.

22. PRESIDING OFFICER (SENATOR GRAHAM):

23. I think if we get a little order it might be helpful. We
24. are requesting some order, ladies and gentlemen. Only be a few
25. minutes. May we have your cooperation, please? Senator Course,
26. explain what the Conference Committee has accomplished that
27. you're referring to.

28. SENATOR COURSE:

29. Yes, Mr. President. The Senate concurs in House Bill...
30. or House amendment No. 1 to Senate Bill 1552. What it does
31. in the Senate bill we amended it down to 2 and 1/2 percent.
32. The amendment No. 1 that the House put on it amends that down
33. to 1 and 1/2 percent, which we agree to.

1. PRESIDING OFFICER (SENATOR GRAHAM):

2. That's the income tax...

3. SENATOR COURSE:

4. That is correct. It's the penalty of the income tax, Mr.
5. President, and this brings it in line with the Federal Income
6. Tax.

7. PRESIDING OFFICER (SENATOR GRAHAM):

8. Any further discussion? Senator Clarke. May we have some
9. order, please? We're dealing with some legislation, gentlemen.
10. We're on passage stage.

11. SENATOR CLARKE:

12. I'd just like to say, Mr. President and Senators, that I
13. was over in the House last week when they debated this bill
14. and you would have thought that we were Shylock or somebody,
15. charging 30% interest on 2 and 1/2 percent a month. So we
16. figured that it's better to take the 1 and 1/2 percent and go
17. with it so that we have some penalty, rather than to let this
18. die and have nothing, and Senator Hall and I concur and feel
19. we ought to pass it.

20. PRESIDING OFFICER (SENATOR GRAHAM):

21. Senator...Senator Clarke concurs with Senator Course in
22. moving that the Senate do now adopt the First Conference
23. Committee report on Senate Bill 1552. Any further discussion?
24. All those in favor will signify by say...voting Aye. Opposed
25. will vote Nay. The voting is open. Yes, then...thank you,
26. Senator Shapiro. Have all voted who wish? Have all voted who
27. wish? Take the record. On this question the Yeas were 46.
28. One voting Present. The Nays were none. The bill, having
29. received the constitutional required majority, is therefore
30. declared passed; and the bill, having received the affirmative
31. vote of 3/5ths of the members elected, is effective immediately
32. upon its becoming law. Mr. Secretary, Conference Committee
33. appointees. May we have your attention.

1. SECRETARY:

2. (Secretary reads Conference Committee appointees.)

3. To the members of the Senate. I do hereby appoint the
4. following to serve as members of the Conference Commit-
5. tee on House Bill 2382: Senators McBroom, Howard Mohr,
6. Weaver, Daley, Nudelman.

7. On Senate Bill 1659: Senators Harris, Glass, Bar-
8. tulis, Partee, Donnewald.

9. On House Bill 2359: Senators McBroom, Knuepfer,
10. Regner, Saperstein, and Bruce.

11. Signed: Howard R. Mohr, Chairman, Committee on
12. Committees.

13. PRESIDING OFFICER (SENATOR GRAHAM):

14. Senator...Senator Johns.

15. SENATOR JOHNS:

16. Mr. President, I rushed in on the last bill, 1552, and
17. I voted Present, but I'd like my sentiments known that I'm
18. in favor of that bill, but I had to check with the sponsor
19. to see that the proper amendments were on and they were, and
20. I'd just like it recorded that I was in favor of Senate Bill
21. 1552. Thank you, Mr. President.

22. PRESIDING OFFICER (SENATOR GRAHAM):

23. The tape will show...so indicate your intentions. Sen...
24. Bills Third Reading.

25. SECRETARY:

26. House Bill 2869.

27. (Secretary reads title of bill.)

28. Third reading of the bill.

29. PRESIDING OFFICER (SENATOR GRAHAM):

30. Senator Howard Mohr.

31. SENATOR MOHR:

32. Yes, Mr. President, this is the bill that we just have
33. taken from the Table a short time ago. We have had conver-

1. sation at great length with Dr. Lovett, who will be serving as
2. the chairman of the Commission, and he has made assurances that
3. this will be run under his direction and people that have worked
4. in that agency, there are 25 people that have worked that de-
5. veloped this plan, will be retained, should...should we not
6. act and not take this action, why these 25 people that have been
7. so interested and so involved in developing this program would
8. be without work so we have reached an accommodation and are pre-
9. pared to go ahead and...and call this bill.

10. PRESIDING OFFICER (SENATOR GRAHAM):

11. Any questions? Senator Palmer.

12. SENATOR PALMER:

13. Mr. President and members of the Senate. Senator Mohr just
14. made a brief statement in support of a very, very important mea-
15. sure. I...I'm only taking this opportunity to commend and compli-
16. ment Senator Mohr for the tremendous amount of work. It's months
17. and days and hours of conferences which arose because of techni-
18. calities in compliance with the Federal appropriation. I again
19. want to commend Senator Mohr and ask that the entire Body pass
20. this measure with a favorable roll call.

21. PRESIDING OFFICER (SENATOR GRAHAM):

22. Senator...Senator Jim Donnewald.

23. SENATOR DONNWALD:

24. Senator Palmer, was that Senator Don Moore or Howard Mohr?

25. SENATOR PALMER:

26. M-O-H-R. Don Moore...Howard Mohr.

27. PRESIDING OFFICER (SENATOR GRAHAM):

28. Any further discussion? The question before the Senate is
29. shall House Bill 2869 pass. All those in favor will signify by
30. voting Aye. Those opposed will vote Nay. The voting is open.
31. Thank you, Senator. Have all voted who wish? Have all voted who
32. wish? Take the record. On this question the Yeas are 48,
33. the Nays were 2, The bill, having received the constitutional

1. majority required, is therefore declared passed; and having
2. received the affirmative vote of 3/5ths of the members elected,
3. will become...will be effective upon its becoming law...immediate-
4. ly upon its becoming law. Will now yield the Chair to the
5. genial gentleman from Urbana, Senator Weaver.

6. PRESIDING OFFICER (SENATOR WEAVER):

7. Senator Rock, did you wish to make a speech to the Assembly?
8. Senator Harris, are you ready of Senate Bill 1264, the Second
9. Conference Committee?

10. SENATOR HARRIS:

11. Yes, I am. As a member of the Conference Committee, Mr.
12. President, I would move that the Senate concur in the Confer-
13. ence Committee report. The report recommends to the Senate
14. that the Senate concur in House amendments 1 and 2. These two
15. amendments are these. Amendment No. 1, put on by the House,
16. reduced the Personnel Services, Retirement, and Social Security
17. line items by some 23,000 dollars. This amendment had been
18. agreed to by the Chairman of the Board. Amendment No. 2 restored
19. some 20,000 dollars that we had taken out of the original appro-
20. priation bill for the purpose of minority improvement programs.
21. The effect of the Conference Committee then is to have the
22. Senate concur in the two House amendments. I would make clear
23. that the Attorney General amendment is still in the appropriation
24. bill. I would, therefore, con...urge concurrence of the Second
25. Committee of Conference with respect to the differences between
26. the two Houses on Senate Bill 1264.

27. PRESIDING OFFICER (SENATOR WEAVER):

28. Senator Partee.

29. SENATOR PARTEE:

30. When this bill was called I did not notice, Senator Harris,
31. that the Senate sponsor, Senator Knuppel, was not here at the
32. moment. I've put out a holler for him and I trust he'll be here
33. very shortly.

1. PRESIDING OFFICER (SENATOR WEAVER):

2. We'll just stand at ease for a minute then, Senator. Sena-
3. tor, do you have any discussion on the Second Conference Committee
4. report on 1264?

5. SENATOR KNUPPEL:

6. The only comment I have, I've made before, both before the
7. Appropriations Committee and here. I think this is an extreme-
8. ly dangerous place to attempt to tie the hands of a person or a
9. group, running an agency, who need immediate legal...independent
10. legal advice, and it's for this reason that I could not sign the
11. Conference Committee report. I think this is probably one of the
12. most dangerous areas to take away this independent advice because
13. of the nature of both flat track racing and...and harness racing.
14. I know that the Chairman of the Board wants this type of advice;
15. he feels he needs this type of advice; and during the last year
16. on one occasion, dealing with these complimentary passes, which
17. were put out - most Legislators got them and other dignitaries -
18. he said that he asked for the Attorney General's opinion and had
19. to wait for a great length of time and finally acted on his own
20. independent counsel's advice. The Racing Board needs this appro-
21. priation and I would encourage of the members who...who want to
22. see the State Government to function to vote for the Second Con-
23. ference Committee report. I personally will vote Present, be-
24. cause I...I personally maybe even have a conflict in view of the
25. fact that I do have harness horses, I race of the pari-mutuel
26. tracks, which...race at the pari-mutuel tracks and I feel strongly,
27. feel strongly when drivers're to be set down or some action has
28. to be taken there on the track at night when a horse is dis-
29. qualified that...that the...that these people, these technical
30. advisors are absolutely essential. I would encourage other people,
31. who want to see State Government function, to vote for the appro-
32. priation, but I, as a mark of my disapproval of this...particular-
33. ly in this instance in this particular type of case, will have to

1. vote Present.

2. PRESIDING OFFICER (SENATOR WEAVER):

3. Is there any further discussion? Senator Harris.

4. SENATOR HARRIS:

5. Yes. Well, I just would close then to urge the members
6. of the Senate to concur in the Second Committee of Conference
7. with respect to Senate Bill 1264. Request a roll call.

8. PRESIDING OFFICER (SENATOR WEAVER):

9. Question is shall the Senate adopt the Second Conference
10. Committee report on Senate Bill 1264. Those in fla...favor
11. vote Aye. Those opposed vote Nay. The voting is open. Have
12. all voted who wish? Have all voted who wish? Take the record.
13. On that question the Ayes are 39, the Nays are 2, and 7 voting
14. Present. The Senate adopts the Second Conference Committee re-
15. port on Senate Bill 1264; and the bill, having received the
16. required constitutional majority, is declared passed; and the
17. bill, having received the affirmative vote of 3/5ths of the
18. members elected, is effective immediately upon its becoming
19. law. What purpose Senator Mitchler arise?

20. SENATOR MITCHLER:

21. Mr. President, I'd like to rise on a point of personal
22. privilege and point out that I did cast a negative vote on the
23. Senate Bill 1264. The reason I did so, because I've always
24. considered the Illinois Racing Board as to be a nonpartisan
25. type of Board that adjudicated the racing dates around the
26. State of Illinois after considering the feasibility of having
27. them. But I take exception to the Governor issuing press re-
28. leases and announcing that there will be racing dates at the
29. Illinois State Fair with pari-mutuel betting and giving the
30. dates of the pari-mutuel betting prior to the Racing Board even
31. considering the request and the application for these racing
32. dates with pari-mutuel betting. Now the Board is going to
33. consider the application for the pari-mutuel racing dates at

1. the Illinois State Fair on July 12. Today is July 11th. Press
2. releases emanated through that great Illinois information service
3. from the Office of the Governor that Illinois would enjoy pari-
4. mutuel racing dates during the State Fair on certain dates, prior
5. to the Racing Board even considering the application for these
6. pari-mutuel racing dates. Now I might point that out. I think
7. that's very, very unusual that the Governor would assume that
8. he has dictatorial powers over a nonpartisan Racing Board, as
9. we like to think about it. I've written to the chairman, Tony
10. Scariono on this and I'm going to be very interested to see what
11. type of reply he has to it. Thank you.

12. PRESIDING OFFICER (SENATOR WEAVER):

13. Senate will be at ease for a few minutes. On Senate Bill
14. 1382 the First Conference Committee report. Senator Rock.

15. SENATOR ROCK:

16. Thank you, Mr. President. The First Conference Committee
17. report on Senate Bill 1382, which is the operating expense for
18. the Capitol Bond Development Board has, in fact, been filed.
19. I wish to move at this time that the Senate nonconcur with that
20. Conference Committee report and ask that a Second Conference
21. Committee be appointed.

22. PRESIDING OFFICER (SENATOR WEAVER):

23. Senator Rock moves to nonconcur on the First Conference
24. Committee report on Senate Bill 1382. All in favor signify
25. by saying Aye. Opposed Nay. Motion carries. Senator Scholl.

26. SENATOR SCHOLL:

27. I'd like to know why Senator Rock wants to nonconcur in
28. that report.

29. PRESIDING OFFICER (SENATOR WEAVER):

30. Senator Rock.

31. SENATOR ROCK:

32. Well, I wish to nonconcur in the report because it is the
33. feeling of the members of the Democratic side of the aisle in

1. both the House and the Senate that some money for the adminis-
2. trative function, the administrative office of that Board,
3. should, in fact, be restored. We have increased the Capital
4. Bond bill itself by about 30%, while at the same time we have
5. cut the operating ex...ex...operating appropriation of the Board
6. by a like amount, about 30%. It doesn't make any sense to me.
7. We are hoping that we will be able to persuade in the Conference
8. Committee that some of the money at least should be restored.
9. PRESIDING OFFICER (SENATOR WEAVER):

10. The House will be so advised. Senator Chew, did you wish
11. recognition?

12. SENATOR CHEW:

13. I move the previous question.

14. PRESIDING OFFICER (SENATOR WEAVER):

15. All in favor signify by saying Aye. Previous question has
16. been moved. Senator Scholl.

17. SENATOR SCHOLL:

18. This being my first year down here I just would like to ask
19. a question. In these Conference...in these Conference Committee
20. reports, why is it that we can't have a...a typewritten report
21. regarding what the heck's going on because we don't know what
22. the Hell we're voting for?

23. PRESIDING OFFICER (SENATOR WEAVER):

24. Message from the House.

25. SECRETARY:

26. (Secretary reads message from the House.)

27. Mr. President, I'm directed to inform the Senate
28. that the House of Representatives has concurred with
29. the Senate in the passage of a bill of the following
30. title: Senate Bill 330, together with one amendment.

31. PRESIDING OFFICER (SENATOR WEAVER):

32. Secretary's Desk. Messages from the House.

33. ACTING SECRETARY (MR. WRIGHT):

1. (Acting Secretary reads message from the House.)

2. Mr. President, I am directed to inform the Senate
3. that the House of Representatives has refused to recede
4. from their amendments Nos. 19, 20, 22, 23, 24, 25, and
5. 27 to a bill of the following title to wit: Senate Bill
6. 1345.

7. I am further directed to inform the Senate that the
8. House of Representatives requests a Committee of Con-
9. ference to consist of five members from each House to
10. consider the differences of the two Houses in regard
11. to the amendments to the bill. The Speaker has appointed
12. a such committee on the part of the House: Messrs.
13. Washburn, Totten, Kent, Choate and Shea.

14. PRESIDING OFFICER (SENATOR WEAVER):

15. Senator Donnewald moves to accede to the...

16. SENATOR DONNEWALD:

17. I do.

18. PRESIDING OFFICER (SENATOR WEAVER):

19. All in favor signify by saying Aye. Opposed Nay. The
20. motion carries and a Conference Committee will be appointed.
21. Conference Committee appointment.

22. ACTING SECRETARY (MR. WRIGHT):

23. (Acting Secretary reads Conference Committee
24. appointments.)

25. To the members of the Senate. I do hereby appoint
26. the following to serve as members of the Conference
27. Committee on Senate Bill 1345: Senators Edward McBroom,
28. William Harris, Howard Mohr, James Donnewald, Thomas
29. Hynes. Sincerely, Howard Mohr, Chairman of Committee
30. on Committees.

31. PRESIDING OFFICER (SENATOR WEAVER):

32. Senator Don Moore.

33. SENATOR MOORE:

1. Thank you, Mr. President and members of the Senate. Over
2. on our side of the aisle we have a...one of our elected State
3. officials, our State Comptroller, George Lindberg. George.

4. PRESIDING OFFICER (SENATOR WEAVER):

5. Senator Scholl.

6. SENATOR SCHOLL:

7. Mr. President, we received today a new formula as to how
8. we're supposed to submit our vouchers and since the Comptrol-
9. ler is here I thought maybe it might be a good idea if we
10. could have that explained to us. Since we're sitting around.

11. PRESIDING OFFICER (SENATOR WEAVER):

12. He just left, Ed. Senator Don Moore.

13. SENATOR MOORE:

14. Thank you, Mr. President, I inquired of the Comptroller
15. of the same question that Senator Scholl just asked and ap-
16. parently this problem hasn't been entirely worked out. He
17. did say that what they were going to do is to mail to each
18. member of the General Assembly the appropriate forms and the
19. instructions and so forth, so that we know what is happening
20. under this new accounting system, so we will be getting some-
21. thing from him in the mail. Thank you.

22. PRESIDING OFFICER (SENATOR WEAVER):

23. Message from the Governor.

24. SECRETARY:

25. (Secretary reads message from the Governor.)

26. Mr. President, the Governor directs me to lay
27. before the Senate the following message. State of
28. Illinois, Executive Department, Springfield. To the
29. Honorable, the members of the Senate, 78th General
30. Assembly. I have nominated and appointed the follow-
31. ing named persons to the offices enumerated below and
32. respectfully ask concurrence in and confirmation of
33. these appointments by your Honorable Body.

1. PRESIDING OFFICER (SENATOR WEAVER):

2. Executive.

3. SECRETARY:

4. To the members of the Senate. Pursuant to the provisions
5. of Senate Joint Resolution 74 of the 1974 Session of the
6. 78th General Assembly, I hereby appoint Senators David
7. Regner and Bradley Glass to be members of the Joint Legis-
8. lative Information Systems Committee. Signed: William
9. C. Harris, President of the Senate.

10. PRESIDING OFFICER (SENATOR WEAVER):

11. On House Bill 2359, Second Conference Committee, Senator
12. Saperstein.

13. SENATOR SAPERSTEIN:

14. Thank you, Mr. President. The Second Conference Committee
15. recommends the adoption of its' second report as follows: The
16. House concurred in the Senate amendments 1, 2, 3, 4, 5, 8, 9,
17. 11, 13, and 15, and that the Senate recede from Senate amend-
18. ment 7. This is the Gen...the Attorney General's amendment and
19. 16, which had to do with IDAP, the Drug Abuse Program. House
20. Bill 2359, to be further amended as follows: On Page 1 in Line
21. 34, by deleting 250,000 dollars and inserting in lieu thereof
22. 550,000 dollars, and on page 23 by inserting immediately after
23. line 11 the following: for expansion of operations of the
24. Mt. Vernon annex 590,000 dollars. I move the adoption of the
25. Second Conference Committee report.

26. PRESIDING OFFICER (SENATOR WEAVER):

27. Is there any discussion? Senator Saperstein moves that the
28. Senate adopt the Second Conference Committee report on House Bill
29. 2359. Those in...those in favor vote Aye. Those opposed vote
30. Nay and the voting is open. Have all voted who wish? Have all
31. voted who wish? Take the record. On that question the Ayes are
32. 50 and the Nays are none. House Bill 2359, the City...excuse me
33.on that question the Ayes are 50 and the Nays were none.

1. The Senate adopts the Conference Committee report on House Bill
2. 2359; and the bill, having received the required constitutional
3. majority, is declared passed; and the bill, having received the
4. affirmative vote of 3/5ths of the members elected, is effective
5. immediately upon its becoming law. House Bill 1464, the Second
6. Conference Committee, Senator Nimrod.

7. SENATOR NIMROD:

8. Mr. President, this is...I move that we concur in the
9. Second Conference Committee report of the bill, and this bill
10. originally had 2 parts to it. One which took care of the...
11. the provision for the drug program which has since been settled
12. and has gone back to its original bill and that has been removed
13. as an agreement here and this only provides for the payments to
14. and disbursements for clinics 30 days ahead of time with con-
15. currence. This has had the approval of the Comptroller and the
16. Mental Health Department, and I would move that we go ahead and
17. concur with these amendments.

18. PRESIDING OFFICER (SENATOR WEAVER):

19. Is there any discussion? The question is shall the Senate
20. adopt the Second Conference Committee report on House Bill 1465

22. voting is open. Have all voted who wish? Take...Have all
23. voted who wish? Take the record. On that question the Ayes
24. are 50 and the Nays were none. The Senate adopts the Second
25. Conference Committee report on House Bill 1464; and the bill,
26. having received the required constitutional majority, is de-
27. clared passed; and the bill, having received the affirmative
28. vote of 3/5ths of the members elected, is effective immediately
29. upon its becoming a law. President Harris.

30. SENATOR HARRIS:

31. Mr. President, might I have leave of the Senate to have the
32. journal show that Senator Soper is absent today on account of
33. illness? He is...has been hospitalized.

1. PRESIDING OFFICER (SENATOR WEAVER):

2. Is there leave? Leave is granted. Messages from the House.

3. SECRETARY:

4. (Secretary reads message from the House.)

5. Mr. President, I'm directed to inform the Senate
6. that the House of Representatives has acceded to the
7. request of the Senate for a Conference...Committee of
8. Conference to consider the differences between the
9. two Houses in regard to the Senate amendments to a
10. bill of the following title: House Bill 2382.

11. I am further directed to inform the Senate that
12. the Speaker of the House has appointed a such commit-
13. tee on the part of the House: Messrs. Washburn, J.
14. D. Jones, LaFleur, Barry, and Keller.

15. I am directed to inform the Senate that the House
16. of Representatives has acceded to the request of the
17. Senate for a Second Committee of Conference on Senate
18. Bill 1382.

19. I am further directed to inform the Senate that
20. the Speaker of the House has appointed a such commit-
21. tee on the part of the House: Messrs. Washburn, J.
22. D. Jones, LaFleur, Lechowicz, and J. D. Houlihan.

23. Mr. President, I am directed to inform the Senate
24. that the House of Representatives has refused to adopt
25. the First Conference Committee report and request a
26. Second Committee of Conference on Senate Bill 1552.

27. I am further directed to inform the Senate that
28. the Speaker of the House has appointed a such commit-
29. tee on the part of the House: Messrs. Randolph,
30. Ralph Dunn, Skinner, Maragos, and Beaupre.

31. PRESIDING OFFICER (SENATOR WEAVER):

32. Senator Course, do you move to accede to the request for
33. a Second Conference Committee? Senator Course.

SB 1659
e.e.R.
7-11-74

1. SENATOR COURSE:

2. Mr. President, I accede to the House's request and request
3. that a Second Conference Committee be reported on Senate Bill
4. 1552.

5. PRESIDING OFFICER (SENATOR WEAVER):

6. All in favor of Senator Course's motion, signify by saying
7. Aye. Opposed Nay. Motion carries, and the House will so...be
8. so informed. On the order of Senate Bill 1659, First Conference
9. Committee report, Senator Glass.

10. SENATOR GLASS:

11. Mr. President and Senators. I move that the Senate concur
12. in the First Conference Committee report on Senate Bill 1659.
13. This is the Energy bill and...and this bill places the Depart-
14. ment of Business and Economic Development as the operating
15. agency under the Advisory Council and is part of the Energy
16. package, restored substantially to the...the form that the bill's
17. passed out of the Senate.

18. PRESIDING OFFICER (SENATOR WEAVER):

19. Is there any discussion? Senator Buzbee.

20. SENATOR BUZBEE:

21. Yes, a question of the sponsor, Mr. President. Are we at
22. the 70 million dollar bonding figure now? Is that...

23. SENATOR GLASS:

24. The...the 70 million dollar bonding figure remains with
25. us...with a 10...10 million dollar appropriation for this year.

26. PRESIDING OFFICER (SENATOR WEAVER):

27. Senator Buzbee.

28. SENATOR BUZBEE:

29. The second question is who are the members of the Commis-
30. sion and so forth?

31. SENATOR GLASS:

32. The Legislative Commission, which is the subject of another
33. bill, which I believe will be coming up next, and will be ex-

AB 2651
C.E.R.
7-11-74

1. plained then, but...but the Legislative Commission does remain.

2. PRESIDING OFFICER (SENATOR WEAVER):

3. Any further discussion? The question is shall the Senate
4. adopt the...the First Conference Committee report on Senate
5. Bill 1659. Those in favor vote Aye. Those opposed vote Nay.
6. The voting is open. Have all voted who wish? Take the record.
7. On that question the Ayes are 48 and the Nays are 1. The
8. Senate adopts the First Conference Committee report on Senate
9. Bill 1659; and the bill, having received the required constitu-
10. tional majority, is declared passed; and the bill, having re-
11. ceived the affirmative vote of 3/5ths of the members elected,
12. is effective immediately upon its becoming law. On House Bill
13. 2651, First Conference Committee report, President Harris.

14. SENATOR HARRIS:

15. This amendment results in the...the Conference Committee
16. recommends that the two Bodies adopt our amendment, which was
17. Senate amendment No. 1. Now what that amendment did is set
18. up a purely Legislative Commission composed of five members
19. of the House on a 3 and 2 representation basis; 5 members of
20. the Senate on a 3 and 2 representation basis; and 8 members
21. from the public, 2 each of which would be appointed by the four
22. Legislative leaders. I think there is broad and general agree-
23. ment to this. This makes it a purely Legislative Commission,
24. and it will have approval power of the projects recommended
25. by the council, contained in Senator Glass' bill that we just
26. passed and implemented by the Department of Business and
27. Economic Development. I think this is a...an appropriate
28. Legislative solution to this important problem. Would urge a
29. favorable roll call.

30. PRESIDING OFFICER (SENATOR WEAVER):

31. Senator Partee.

32. SENATOR PARTEE:

33. Just in case there was any hesitance or misunderstanding

1. on this side of the aisle, I wanted to point out that this does
2. have broad base support, including those persons interested in
3. the Energy Council in the Executive Department and from the
4. Legislative group, and I would recommend a favorable roll call.
5. PRESIDING OFFICER (SENATOR WEAVER):

6. Any further discussion? The question is shall the Senate
7. adopt the First Conference Committee report on House Bill 2651.
8. Those in favor vote Aye. Those opposed vote Nay. The voting
9. is open. Have all voted who wish? Take the record. On that
10. question the Ayes are 49, the Nays are 1. The Senate adopts
11. the First Conference Committee report on House Bill 2651; and
12. the bill, having received the required constitutional majority,
13. is declared passed; and the bill, having received the affirma-
14. tive vote of 3/5ths of the members elected, is effective immediate-
15. ly upon its becoming a law. On House Bill 2382, Conference Com-
16. mittee report No. 1, Senator Daley.

17. SENATOR DALEY:

18. Mr. President and fellow Senators. I move that the Senate
19. concur in the First Conference Committee report whereby five
20. amendments were accepted on both sides of the aisle. Standard
21. retirement, reduced Personal Services, an itemization of the
22. bond cost, appropriates the Manpower Fund into the Bureau of
23. the Budget, as well as appropriates money for renting of an of-
24. fice space outside of Springfield.

25. PRESIDING OFFICER (SENATOR WEAVER):

26. Is there any discussion? The question is shall the Senate
27. adopt the First Conference Committee report on House Bill 2382.
28. Those in favor vote Aye. Those opposed vote Nay. The voting
29. is open. Have all voted who wish? Take the record. On...on
30. that question the Ayes are 47, the Nays are none. The Senate
31. adopts the First Conference Committee report on House Bill 2382;
32. and the bill, having received the required constitutional ma-
33. jority, is declared passed; and the bill, having received the

1. affirmative vote of 3/5ths of the members elected, is effective
2. immediately upon its becoming a law. On the Secretary's Desk
3. is Senate Bill 1660. Senator Glass.

4. SENATOR GLASS:

5. Mr. President, I move the Senate concur in House amendment
6. No. 1 to Senate Bill 1660. This bill is the appropriation bill
7. for the Energy package, appropriating 10 million dollars for the
8. purposes of the Illinois Coal Development Bond Act. The only
9. change that this amendment makes is to appropriate the money
10. to the Bureau of Economic Development and I would move for its
11. adoption.

12. PRESIDING OFFICER (SENATOR WEAVER):

13. Is there any discussion? The question is shall the Senate
14. concur in amendment No. 1 to Senate Bill 1660. Those in favor
15. vote Aye. Those opposed vote Nay, and the voting is open. Have
16. all voted who wish? Take the record. On that question the Ayes
17. are 49, the Nays are 2. The Senate concurs in amendment No. 1
18. to Senate Bill 1660; and the bill, having received the required
19. constitutional majority, is declared passed; and the bill, hav-
20. ing received the affirmative vote of 3/5ths of the members
21. elected, is effective immediately upon its becoming a law.
22. On Senate Bill 1667, Senator Partee.

23. SENATOR PARTEE:

24. This is a part of a series. This now places it in the
25. Business and Economic Development Commission instead of where
26. it was. Favorable roll call, I'm asking.

27. PRESIDING OFFICER (SENATOR WEAVER):

28. Is there any discussion? The question is shall the Senate
29. concur in House amendment No. 1 to Senate Bill 1667. Those in
30. favor vote Aye. Those opposed vote Nay. The voting is open.
31. Have all voted who wish? Take the record. On that question the
32. Ayes are 44 and the Nays are 3. The Senate concurs in House
33. Amendment No. 1 to Senate Bill 1667; and the bill, having received

1. the required constitutional majority, is declared passed; and
2. the bill, having received the affirmative vote of 3/5ths of
3. the members elected, is effective immediately upon its becom-
4. ing a law. On House Bill 2354, the Second Conference Committee
5. report, Senator Kenneth Hall.

6. SENATOR HALL:

7. Thank you, Mr. President and members of the Senate. I move
8. that the Senate concur in the Second Conference Committee report
9. of House Bill 2354. This is the Labor and Industrial Commission
10. appropriation.

11. PRESIDING OFFICER (SENATOR WEAVER):

12. Is there any discussion? Senator Nimrod.

13. SENATOR NIMROD:

14. Mr. President and fellow Senators. I would ask that you
15. pay attention to this one. This is rather a serious thing that
16. I am proposing, but I do think that you ought to all be aware
17. and if you're not going to listen the record will show that
18. you should have been aware. I think what we're trying to say
19. here is I have no objections to the Labor provisions of this
20. particular bill, but I do have some very, very strong opposi-
21. tion and reservations to what we are doing here in the Indus-
22. trial Commission. I think what we have to be aware of is that
23. we are taking a Commission and without any justification,
24. without any knowledge from either any staff member and without
25. having ever heard the discussion in the Appropriations Commit-
26. tee or on the Floor or in any Conference Committee, what we are
27. doing is providing a 200% increase for the Industrial Commission.
28. This money is to be used in duplication of services that are
29. already provided for. You are providing money that there...
30. where there is no matching funds in the amount of 600,000 dol-
31. lars - no matching funds of Federal money and yet you are pro-
32. viding both Federal and State money for these particular pur-
33. poses, which are already covered in other sections. Aside from

1. that we are doing something that is rather serious. And that
2. is that we are providing funds for instituting a program that
3. is going to be dealing with a private company that is going
4. to be sending out a questionnaire with State information that
5. is going to in turn, then, sell that information back to the
6. private employer without having any jurisdiction or State au-
7. thorization. Now I know if we don't accept this Second Con-
8. ference Committee report that we will probably not have a bill,
9. but I know that also we cannot just for the sake of having a
10. bill, knowingly do something that is wrong and probably illegal.
11. There can be justification for this kind of action and I would
12. tell you that this does not have the support in a letter
13. dated July the 1st, was signed representing 464 of the safety
14. inspections of the American Society of Safety Engineers, re-
15. presenting both labor and industry, saying that this is neces-
16. sary action to prevent this proposed...to prevent this proposed
17. self-inspection requirement. Now this does not have the support
18. of either the Illinois Manufacturer's Association, the Illinois
19. State Chamber of Commerce, or Labor. How you can end up with
20. a bill and with an appropriation that's a 200% increase, when
21. we said there'd be no provisions for any advancement and that
22. noone can give any basis or any justification for what is being
23. done, it certainly is beyond me. And how anyone in good con-
24. science can vote for this is also another question. Let me
25. point out one other thing. If, in fact, we are called back
26. for a special session to provide money for Labor and Industry
27. it certainly is not going to cost us a million and a half dol-
28. lars, and that's what you're throwing away. I strongly urge
29. us to reconsider this. I urge you to withdraw this provision
30. and ask those in the Conference Committee in the House to re-
31. consider the action by which they passed the Second Conference
32. Committee report before we embark upon a program of really,
33. possibly calling us back into a special session. I would urge

1. who are men of reasonable concern to think twice before what
2. they are doing here today and I would urge you to vote No.

3. PRESIDING OFFICER (SENATOR WEAVER):

4. Senator Partee.

5. SENATOR PARTEE:

6. Well, just to say, Mr. President, that the only thing that
7. goes on and on and on is Tennyson's book. This matter has been
8. cogitated; they've had two Conference Committee reports; we've
9. talked about a Second...a Third Conference Committee report and
10. all and that's out in both the House and Senate. We're in the
11. wanning hours of the Session. There's nothing to do now but
12. pass this. I don't think particularly that Senator Nimrod is
13. correct in his assessment, but be that as it may, even if he
14. is. We're coming back here and this can be corrected if there's
15. anything wrong with it. I certainly see nothing wrong with it.
16. The members of the Conference Committee saw nothing wrong with
17. it. Everybody seems to be in attune now, so let's get this one
18. out of the way and let's move on.

19. PRESIDING OFFICER (SENATOR WEAVER):

20. Any further discussion? Senator...Senator McBroom.

21. SENATOR MCBROOM:

22. Mr. President and members of the Senate. I arise very
23. reluctantly on this particular matter. I am personally going
24. to sup...support Senator Nimrod's position. I realize that
25. everything that Senator Partee said is absolutely accurate.
26. We are not at the 11th hour, we're at the 11th and three-quarter
27. hour. The departments have to be funded. I am particularly
28. offended and this...what I am going to say would apply to every
29. single member here on both sides of the aisle, when a Director
30. of a department goes about this Capitol building and says that
31. he can get something accomplished because his particular depart-
32. ment is attached to Director Holland's department and it'll have
33. to fly because of Director Holland. I'm particularly offended

1. when it is articulated on several occasions that he does not have
2. to talk to Senator Nimrod about this particular problem and I want
3. to again emphasize that that...that this would bother me if that
4. kind of comment came back to me in regard to any other member of
5. this Senate, be he Republican or Democrat, be he 20 years here or
6. six months here or 3 months here. That is the position that I am
7. personally put in. Senator Nimrod has worked long and hard on
8. this. He feels that he was circumvented. I feel that he was
9. circumvented. I think that the Director of the Industrial Com-
10. mission has used very, very poor judgment in the comments he has
11. made and the way he has endeavored to get his particular program
12. passed, and I for one member of this Senate shall long remember
13. the way that Senator Nimrod has been personally handled on this
14. matter. At the same time I agree with what Senator Partee said
15. I don't...I don't know what other choice that...that we have.
16. Thank you very much.

17. PRESIDING OFFICER (SENATOR WEAVER):

18. Senator Chew.

19. SENATOR CHEW:

20. Mr. President, I move the previous question on this, please.

21. PRESIDING OFFICER (SENATOR WEAVER):

22. All in favor signify by saying Aye. Opposed Nay. Senator
23. Hall may close debate.

24. SENATOR HALL:

25. Roll call.

26. PRESIDING OFFICER (SENATOR WEAVER):

27. The question is shall the Senate adopt the Second Conference
28. Committee report on House Bill 2354. Those in favor vote Aye.
29. Those opposed vote Nay. and the voting is open. Have all voted
30. who wish? Have all voted who wish? Take the record. On that
31. question the Ayes are 38, the Nays were 12, 1 Present. The
32. Senate adopts the Second Conference Committee report on House
33. Bill 2354; and the bill, having received the co...required con-

1. stitutional majority, is declared passed; and the bill, having
2. received the affirmative vote of 3/5ths of the members elected,
3. is effective immediately upon its becoming a law. With regards
4. to House Bill 2402, the Second Conference Committee report,
5. Senator Bruce.

6. SENATOR BRUCE:

7. Yes, Mr. President and members of the Senate. I move we
8. adopt the Conference Committee report on the Department of
9. Personnel. This Second Conference Committee adds an additional
10. 84,000 dollars for Field Services. Now we've cut the sum of
11. 178,000 and we're restoring 84,000 of that cut. I would ask
12. that we adopt the Conference Committee report.

13. PRESIDING OFFICER (SENATOR WEAVER):

14. Is there any discussion? The question is shall the Senate
15. adopt the Second Conference Committee report on House Bill 2402.
16. Those in favor vote Aye. Those opposed vote Nay, and the voting
17. is open. Have all voted who wish? Take the record. On that
18. question the Ayes are 46 and the Nays are 3. House Bill 2403
19. ...02...the Senate adopts the Conference Committee report on
20. House Bill 2402; and the bill, having received the required con-
21. stitutional majority, is declared passed; and the bill, having
22. received the affirmative vote of 3/5ths of the members elected,
23. is e...is effective immediately upon its becoming a law. (Ma-
24. chine cut-off)...ations.

25. SECRETARY:

28. the following to serve as members of the Second Conference

31. man of Committee on Committees.

32. To the members of the Senate. Pursuant to the pro-
33. visions of Senate Joint Resolution 74 of the 1974 Session

1. of the 78th General Assembly, I hereby appoint Senators

3. Legislative Information System Committee. Sincerely,
4. Cecil A. Partee, Minority Leader.

9. Latherow, Moore...Don Moore, Walker, Weaver, Graham, Sours,
10. Merritt and Shapiro. Congratulatory.

11. PRESIDING OFFICER (SENATOR WEAVER):

12. Senator Davidson asks leave to suspend the rules for im-
13. mediate consideration. Is there leave? Leave is granted.
14. Senator Davidson.

15. SENATOR DAVIDSON:

16. Mr. President and members of the Senate. This Congratulatory
17. Resolution is to Cindy Doolen, who was elected to the Office of
18. Grand Faith of the International Order of Rainbow Girls in
19. Chicago Convention. I'd appreciate a favorable roll call.

20. PRESIDING OFFICER (SENATOR WEAVER):

21. Senator Davidson moves the adoption of the resolution.
22. All in favor signify by saying Aye. Opposed Nay. The resolu-
23. tion's adopted.

24. SECRETARY:

25. Senate Resolution 531, offered by Senator Newhouse.

26. PRESIDING OFFICER (SENATOR WEAVER):

27. Senator Newhouse asks leave to suspend the rules for the
28. immediate consideration. Is there leave? Leave is granted.
29. Senator Newhouse.

30. SENATOR NEWHOUSE:

31. Mr. President and Senators. You probably read in the papers
32. yesterday about a statue that was erected in Washington D.C.
33. yesterday to Mary McCloud Bethune. This woman, born of slave

1. parentage, who rose to become an advisor to presidents, and this
2. is a congratulatory resolution commemorating that event. I'd
3. like to ask all Senators to join in its sponsorship.

4. PRESIDING OFFICER (SENATOR WEAVER):

5. Is there leave? Leave is granted. Senator Newhouse moves
6. the adoption of the resolution. All in favor signify by saying
7. Aye. Opposed Nay. Resolution's adopted. Senator Howard Mohr.

8. SENATOR MOHR:

9. Mr. President, if there's no further business to come be-
10. fore the Senate, I would move that we adjourn until 9:30 tomor-
11. row morning.

14. stands adjourned until 9:30 in the morning.
