24. 3rd reading. Senator Donnewald, Senate Bill 8. Hold it. Senate Bill
25. 69, Senator Vadalabene. Senator Knuppel, you...you were going to
26. hold 48, I took it from what you said this morning? Senator Nudelman,
27. you were going to hold 48 were you? Oh...you...Senate Bill 48,
28. Senator Nudelman.
29. SECRETARY:
30. Senate...Senate Bill 48.
31. (Secretary reads title of bill)
32. 3rd reading of the bill.
33. PRESIDENT:
34. Senator Nudelman.

1. SENATOR NUDELMAN:

2. Mr. President, Ladies and Gentlemen of the Senate, this is an
3. anti-red lining bill which would require any bank or savings and
4. loan association in the State of Illinois seeking the deposit of
5. funds from the State Treasurer to affirm that they would not reject
6. mortgage loans based on location within the area they serve, and
7. secondly, that they would make funds available for low and moderate
8. income housing. This may not be a perfect answer, but at least, it's
9. a start, and I think if it should prove workable, it can be...im-
10. plemented to make it more workable, and if it's not workable, then it
11. has hurt no one. And I would suggest, request rather, favorable
12. votes on this bill, and I'll be willing to answer any questions.

13. PRESIDENT:

14. Any further discussion? Senator Soper.

15. SENATOR SOPER:

16. Would the Senator answer a few questions? Senator, who makes
17. the determination what is low...low cost housing and who's to make
18. the determination what...whether or not this organization or this
19. savings and loan has precluded loans in certain districts, on what
20. basis would that be?

21. SENATOR NUDELMAN:

22. Well, personally I would suggest that what...what constitutes
23. low cost housing would be based on two elements. One would be the
24. rate of inflation, and second, would be the type of housing extent
25. in the area covered by the bank. I would suggest that the State
26. Treasurer would be the one that could request a report from the
27. various banks concerned from time to time to discover what they,
28. in fact, are doing. But this is a pledge, a certification by the
29. officer of the bank that they would not engage in these practices.

30. PRESIDENT:

31. Senator Soper.

32. SENATOR SOPER:

33. Now...

34. PRESIDENT:

1. One minute, Senator Soper. Will the members be in your
2. seats or hold your voices down please. Senator Soper.

3. SENATOR SOPER:

4. Now, it comes to my mind that...that an institution that takes
5. the depositor's money, pledges...to that depositor that he will...
6. he will invest that money on a...on a responsible basis. In other
7. words, if he makes a loan, he'll make a loan where...where he feels
8. that the income or the interest will be paid and that the loan will
9. be repaid. Now, it comes to my mind that if you force someone to
10. make loans in...places where they feel are to people that will not
11. repay those loans, and the...and the Treasurer has...has the...op-
12. portunity or the...or the right to not deposit money in this savings
13. and loan or in this bank, because the fact that he...he could say
14. well, you...you're...you don't go into this neighborhood, therefore,
15. you won't get any of our money. And now you've got to make a choice
16. whether or not that...whether the bank has the responsibility to
17. its depositors or not.

18. PRESIDENT:

19. Senator Wooten. Senator Nudelman.

20. SENATOR NUDELMAN:

21. In response to that, Senator, I would suggest that nothing in
22. this bill requires a bank or savings and loan to make unsafe loans.
23. All it says is that we will not prohibit loans or not stop making
24. loans in any area merely because of the area. The size, the type,
25. the...that the...the structure, is certainly considered and the
26. ability, the ability of the person seeking the loan is the prime
27. problem. If the...if the borrower is not qualified for a loan,
28. nothing in this bill makes any bank or savings and loan, and I
29. wouldn't want that. Nothing in this bill makes any bank or savings
30. and loan give such a party a loan, and I would suggest, Senator,
31. that the charter, the charter of any bank or savings and loan in
32. this State requires that that bank and savings and loan services
33. the area in which it is located. That is a prerequisite to
34. getting a...to getting a charter in the first instance. So that

1. if a bank or savings and loan doesn't service its...its...its
2. area, then...then of course, it's not even living up to its charter,
3. let alone this...this...this proposed legislation. I certainly
4. wouldn't want any bank or savings and loan, and I have not suggested
5. it in this legislation, to be required to make unsafe or unreasonable
6. loans. The...the only requirement is that it not, it not, negatively
7. include any area where it...where it's not going to make loans
8. automatically. If a person in any area, including my neighborhood
9. where I live, for example, is able...to pay back a loan, that per-
10. son should get that loan, and I think that's only reasonable, and
11. I think that it's reasonable to require that by law. As far as the
12. other element, that...that also is a requirement, that's part of,
13. particularly, the part of the...of the requirement of the savings
14. and loan and the bank that they do service, the people in their com-
15. munities, and if the people in their communities are in the low or
16. moderate income brackets and make that kind of a request for that
17. kind of housing, they should be accommodated if they are able to pay.
18. And that's the crux, if they are able to pay.

19. PRESIDENT:

20. Senator Soper.

21. SENATOR SOPER:

22. The only thing I wanted to...have you state and you've stated,
23. in other words that the...the Treasurer can't make the determination
24. for the savings and loan, whether the loan is justifiable or safe
25. or is repayable. Thank you very much.

26. PRESIDENT:

27. Senator Knuppel.

28. SENATOR KNUPPEL:

29. Well, members of the Body and Mr. President, my concern about
30. this bill is that it...that it isn't...it isn't strong enough. It's
31. ...it's a meaningless amount of words, verbiage, mishmash, because
32. it has no means for enforcement, it leaves open to the bank, just
33. as counsel has...or just as the Senator has said, the opportunity
34. to make those loans only which they want to make. And it leaves,

1. I assume, without any restrictions for hearing or otherwise with
2. the Treasurer of the State of Illinois the right to determine whether
3. or not the person has arbitrarily refused to make a loan. I feel
4. that that is nothing more or less than...than unnecessary verbiage
5. added to the statutes, it violates due process and provides for
6. no hearing procedure like the old bill on financial responsibility.
7. I can't support the legislation because I think it's so poorly
8. drafted that it will be held unconstitutional if anything ever arises
9. on it and because the language is just words that really mean nothing
10. and that it's a false hope for those people who think this will
11. stop red lining. It's a meaningless bill, and I would just suggest
12. that every member of this Body read it, look at it, and see what
13. it really does, if anything, and I'm sure it does nothing.

14. PRESIDENT:

15. Senator Netsch.

16. SENATOR NETSCH:

17. Mr. President, could I ask the sponsor one question? Would
18. he yield for a question? Senator Nudelman, what is the coverage
19. of the bill in terms of who would have to make this pledge? There
20. ...the problem has arisen, as you know, with respect to proposed
21. red lining legislation in the past, as to whether or not we would
22. have the right to compel a federally chartered savings and loan,
23. a federally chartered savings and loan or a federally chartered
24. bank to comply with our attempts to get at the red lining practice.
25. Would you, just for the record, explain how that is resolved in your
26. bill?

27. PRESIDENT:

28. Senator Nudelman.

29. SENATOR NUDELMAN:

30. The party making the pledge would be the president of the bank,
31. and as in answer to your second question, Senator, there is no com-
32. pelling here if the bank doesn't want to get money, deposit it, by
33. the Treasurer, it doesn't have to make this pledge. This is not

1. controlling a...a federally chartered bank or savings and loan.
2. It's merely saying that if you want a deposit of money from the
3. State of Illinois, you must sign this pledge, and I don't believe
4. that that is in anyway interfering with the Federal prerogatives.

5. PRESIDING OFFICER: (SENATOR ROCK)

6. Senator Netsch.

7. SENATOR NETSCH:

8. So that if a federally chartered savings and loan or bank wanted
9. to apply for the right to take State deposits, it probably could
10. validly be required to file this pledge. Is that right?

11. PRESIDING OFFICER: (SENATOR ROCK)

12. Senator Nudelman.

13. SENATOR NUDELMAN:

14. I'm sure that's the case, Senator.

15. PRESIDING OFFICER: (SENATOR ROCK)

16. Senator Netsch.

17. SENATOR NETSCH:

18. Just a last comment, I agree with what I think Senator Nudelman
19. said at the beginning, that it is a mild form of attack on the red
20. lining practice, but at least it is a first step, and it seems to
21. me on that basis that it is very worthwhile and extremely important
22. to many communities around this State, perhaps not...perhaps most
23. particularly to those of us who live in Chicago, but I suspect to
24. some other areas as well, and I would hope that the bill would be
25. supported.

26. PRESIDING OFFICER: (SENATOR ROCK)

27. Senator Berning.

28. SENATOR BERNING:

29. Thank you, Mr. President. I just wanted to ask the sponsor, if
30. I read this correctly, it's applying only to building and loan asso-
31. ciations and not to banks?

32. PRESIDING OFFICER: (SENATOR ROCK)

33. Sponsor indicates he will yield. Senator Nudelman.

1. SENATOR NUDELMAN:

2. The bill originally applied only to banks, but when I dis-
3. covered that the savings and loans are also depositories for State
4. funds, I amended the bill, or the bill was amended so that both
5. banks and savings and loan, I don't think you have the whole bill
6. there, Senator, it's a...it's an amended bill.

7. SENATOR BERNING:

8. Thank you.

9. PRESIDING OFFICER: (SENATOR ROCK)

10. Is there any further discussion? Senator Nudelman may close
11. the debate.

12. SENATOR NUDELMAN:

13. Thank you, Mr. President. I would merely restate what I have
14. stated previously. I would respectfully request your support in
15. this matter, and I want also advise you that one of the banking
16. associations in this State, AMBY, has written me a letter in which
17. they concur in the purposes and the...of this bill, and they...they
18. endorse it and would urge its passage, so that the banking industry
19. as well as some of us Senators are for this bill. Thank you very
20. much.

21. PRESIDING OFFICER: (SENATOR ROCK)

22. Those in favor will vote Aye. Those opposed will vote No.
23. The voting is open. Have all voted who wish? Have all voted who
24. wish? Take the record. On that question, the Ayes are 43, the
25. Nays are 7. Those Voting Present are 4, and 5 members are...are
26. for. This bill having received the constitutional majority is
27. hereby declared passed.

28. PRESIDENT:

29. Senate Bill 69, Senator Vadalabene. Senate 145, Senate Bill
30. 145, Senator Schaffer. Senate...now may I have the attention of
31. the membership. The next series of bills, being Senate Bill 147,
32. 148, 149, 150, 151, 152, 153, 154, 155, 156 and 269...leave 70 out
33. of it. I'll...I'll tell you the reason in a minute, and 269, are

1. all bills which do precisely the same thing to different parts of
2. the statute. The Chair will ask Senator Berning to explain the
3. series. There will be a roll call first on Senate Bill 147. After
4. that roll call, without further explanation, each of the bills will
5. be called in turn. A separate roll call will be taken on each, but
6. we will be devoid of explanations and conversation and rhetoric
7. concerning the other bills inasmuch as they do the same thing.
8. Senator Berning. Just one moment, he's going to read...we're going
9. to read the bills first by title.

10. Senate Bill No. 270.
11. (Secretary reads title of bill)
12. 3rd reading of the bill.
13. PRESIDENT:
14. For the advocacy of the membership, let the record show that
15. 270 is also added to this list of bills. Senator Berning.
16. SENATOR BERNING:
17. Thank you, Mr. President. This series of bills has only one
18. purpose and that is to extend the allotted time within which the
19. chairman of the county board may act in appointing trustees to
20. newly formed, and I emphasize that, newly formed districts of all
21. this various list of categories. The present statutory requirement
22. is in some cases twenty days, and in others, thirty days and reverts
23. back to the time when the appointments were made by the then County
24. Court. You will recall that the court was removed from that pre-
25. rogative, and we, in our judgement, delegated the responsibility
26. to the county board chairman. Now, I would like to emphasize that
27. the justification for this extended time is simply that the county
28. board chairman and the board with concurrence cannot act in twenty
29. or thirty days in very many cases - it's just too limited a period
30. of time. So this series of bills merely says the county will have
31. sixty days in which to appoint and confirm trustees for these
32. newly formed districts. It does not affect existing districts.
33. If there's any other questions...

1. PRESIDENT:

2. Any further discussion on this series of bills? The question
3. is shall Senate Bill 147 pass? All those who are in favor will vote
4. Aye. Opposed will vote Nay. The voting is open. Now, have all
5. voted who wish? Take the record. On that question, the Ayes are
6. 52, the Nays are none. This bill having received the constitutional
7. majority is declared passed. For what purpose does Senator Newhouse
8. arise?

9. SENATOR NEWHOUSE:

10. Point of personal privilege, Mr. President.

11. PRESIDENT:

12. State your point, Senator.

13. SENATOR NEWHOUSE:

14. Mr. President, in the east Gallery over here is a group from
15. my district, a coalition of labor union women who have come down
16. today, and I'd like them to stand and be recognized by this Body.

17. PRESIDENT:

18. Thank you, Mrs. Addie White and your group. Will you please
19. stand. Please stand and be recognized by the Senate. Senate Bill
20. 148. Take the record. On that question, the Ayes are 52, the Nays
21. are none. Senate Bill 148...8...148 having received the constitutional
22. majority is declared passed. Senate Bill 149. Take the record.
23. Let the record show that Senator Chew desired to vote Aye on this
24. series of bills. On this question, the Ayes are 52, the Nays are
25. none. Senate Bill 149 having received a constitutional majority
26. is declared passed. 150. Take the record. Senator Donnewald, for
27. what purpose do you arise?

28. SENATOR DONNEWALD:

29. Well, I just...we've got an energy shortage here, and I think
30. we're using too much fuel. In other words, it's hot.

31. PRESIDENT:

32. On this question, the Ayes are 52, the Nays are none. Senate
33. Bill 150 having received a constitutional majority is declared passed.

21. Senate Bill 171, Senator Philip. Senate Bill 179, Senator Glass.

23. Donnewald. Read the bill.

25. Senate Bill 218.

26. (Secretary reads title of bill)

27. 3rd reading of the bill.

28. PRESIDENT:

29. Senator Donnewald.

30. SENATOR DONNEWALD:

31. Well, Mr. President and members of the Body, this particular
32. bill is designed in the same fashion, not by the Constitution,
33. however, but by our law, to make the succession of the county board
34. members on the same basis as the...where there is vacancy, on the

1. same basis where there was a Republican in office, a Republican
2. succeeds a...a Republican, and conversely, a Democrat succeeds
3. a Democrat. The committees of the various areas affected of the
4. ...particular political party would select. The effective date
5. is as of the next...right after the next election, whether it
6. be in April of '76 or December of '76. I would appreciate...
7. this had a unanimous vote in committee, and I would appreciate
8. the most favorable roll call.

9. PRESIDENT:

10. Any further discussion? The question is shall Senate Bill
11. 218 pass. All in favor vote Aye. Opposed will vote Nay. The
12. voting is open. Have all voted who wished? Take the record. On
13. this question, the Ayes are 49, the Nays are none. Senate Bill
14. 218 having received a constitutional majority is declared passed.
15. The Chair wishes to make an announcement. During the informative
16. period of our short calls, the Chair will go back and forward on
17. the call to accommodate the members. When this Calendar becomes
18. heavy, we will go forward only. Senate Bill 211. Senator Davidson.

19. SECRETARY:

20. Senate Bill 211.

21. (Secretary reads title of bill)

22. 3rd reading of the bill.

23. PRESIDENT:

24. Senator Davidson.

25. SENATOR DAVIDSON:

26. Mr. President, thank you for the courtesy of going back. I'd
27. been called off the Floor in emergency and apologize for it. This
28. bill is...came about due to townships who have money in a town fund
29. which have been loaning it to their road and bridge fund and then
30. have to pay it back, and the road and bridge fund is immediately
31. broke. This was a request from townships. The township officials
32. support this bill. The County Superintendent of Highways support
33. this bill. It has bipartisan support here in the Senate with Senator
34. Vadalabene and others as cosponsors, and this is so that townships

1. which have a problem of trying to meet the cost of putting road
2. oil on their roads can do it without having to levy an additional
3. tax, or if they're at their maximum road and bridge oil levy, they
4. can't change it, and road oil has gone up almost three hundred
5. percent in the intervening two years. Appreciate your favorable
6. support.

7. PRESIDENT:

8. Senator Rock.

9. SENATOR ROCK:

10. Thank you, Mr. President. I have a few questions if the
11. sponsor will yield.

12. PRESIDENT:

13. He indicates he will.

14. SENATOR ROCK:

15. Currently, Senator, can you tell me what the current practice
16. is in order to affect such a transfer?

17. SENATOR DAVIDSON:

18. Can be either one or two ways. There actually can be no transfer
19. without this bill. What the town board of auditors have done has
20. been to loan the money to the road and bridge fund and then pay it
21. back when they've got the current taxes.

22. SENATOR ROCK:

23. Well, as I understand it, Senator, correct me if I'm mistaken,
24. at the present time there is authority for such a transfer, but it's
25. highly circumscribed insofar as it requires - one, a majority vote
26. of the people of the township; two, it pertains only to surplus,
27. if any; and three, there is a necessity for repayment. By this bill,
28. we are eliminating all three of those provisions. I rise in
29. opposition, Mr. President.

30. PRESIDENT:

31. Senator Vadalabene.

32. SENATOR VADALABENE:

33. Yes, thank you, Mr. President. I rise in support of this

1. legislation for the need of it in our area. I have discussed this
2. with our road commissioners, and any excess funds that are in the
3. Township Board of...Auditors Authority, this bill would make it
4. transferable, and I would rise in support of it.

5. PRESIDENT:

6. Senator Latherow.

7. SENATOR LATHEROW:

8. Well, Mr. President and members of the Senate, I rise in opposi-
9. tion to this bill, and I think we have to recognize possibly two
10. things. First of all, many of us know the way the costs have gone
11. that it is difficult for these townships to improve their roads.
12. We also recognize that in most of the townships and the rural
13. areas especially, they do not levy the limit in the town fund. And
14. what I can foresee happening through this legislation is in levying
15. a limit on the township...or town fund, transferring it over each
16. year whenever they decide they don't need it, into the other funds,
17. without the necessity of returning that money to the proper fund.
18. I question very, very much whether it's constitutional at all, and
19. of course, you all know I'm not an attorney, for a town government
20. to spend funds for those purposes other than which they were...were
21. levied for. I think this should be recognized at this time, and
22. I want to rise, certainly, in opposition to this legislation.

23. PRESIDENT:

24. Senator Joyce.

25. SENATOR JOYCE:

26. Mr. President and members of the Senate, I rise in support of
27. this bill, being...I was a township supervisor for six years, and
28. I realize the dire straits that the townships are in to maintain
29. the roads that they have now, and it's...it's...the funds aren't
30. there, and maybe, I don't know the constitutionality of it, but
31. it surely would be appreciated in the townships where it would be
32. in effect. Thank you.

33. PRESIDENT:

34. Senator Merritt.

1. SENATOR MERRITT:

2. Yes, Mr. President and members of the Senate, as a past county
3. board member and assistant supervisor of my township, I certainly
4. rise in support of this legislation. In my own County of Vermilion,
5. we have township after township in the rural areas where farmers
6. cannot even get to their own homes without having to go around, in
7. many instances, four, five and six miles out of their way because
8. of bridges broken down. They're currently levying clear up to the
9. limit for bridges. They have to be put on a priority program, many
10. times it's ten years before those monies accumulate, and the bridge
11. can be replaced, and the cost has...gone upward two and three times
12. in the meantime. I think this is good legislation. Its in the
13. interest, certainly, of our rural people in our townships, and I
14. support it strongly.

15. PRESIDENT:

16. Any further discussion? The question is shall Senate Bill 211
17. pass. All in favor will vote Aye. Opposed will vote Nay. The
18. voting is open. Have all voted who wish? Take the record. Senator
19. Davidson.

20. SENATOR DAVIDSON:

21. Postpone consideration.

22. PRESIDENT:

23. Senate Bill 211 in on postponed consideration. Senate Bill
24. 222, Senator Fawell.

25. SECRETARY:

26. Senate Bill 222.

27. (Secretary reads title of bill)

28. 3rd reading of the bill.

29. PRESIDENT:

30. Senator Fawell.

31. SENATOR FAWELL:

32. Mr. President and members of the Senate, this bill is simply
33. a statute of limitations insofar as annexations are concerned as
34. they pertain to park districts. It is a direct copy of what is in

1. the Municipal Code. I know of no opposition to it and would appreciate your favorable consideration.

3. PRESIDENT:

4. Any further discussion on this bill? Senator Bell.

5. SENATOR BELL:

6. Yes, Mr. President, if I might direct a question to Senator Fawell? Senator Fawell, what is the...what is the genesis of this...

9. PRESIDENT:

10. Just...just a minute, Senator Bell. Will the members be in their seats. The gentleman is entitled to order. Senator Bell.

12. SENATOR BELL:

13. Thank you, Mr. President. Senator Fawell, what is the... what is the genesis of this? What is...in other words, what is the current law, and why is the change necessary from the way it is now?

17. SENATOR FAWELL:

18. The...

19. PRESIDENT:

20. Senator Fawell.

21. SENATOR FAWELL:

22. The genesis comes from the Park District Association. As it is right now, unlike annexations to a city or village, it's an open question in regard to the...the...the legality of an annexation. So that you could have, for instance, an annexation and ten years later Chapman and Cutler in reviewing the district boundary lines still would not be able to be assured that the assessed valuation is correct because there's never been any final determination of the various annexations that take place. Years ago the cities and villages solved this by simply having a one year statute of limitation. And after the passage of that one year period, then Chapman and Cutler and others can be assured that the boundary lines are... are solid so that they can put their imprimatur on bond issues. So, that's the genesis of the bill.

1. PRESIDENT:
2. Senator Bell.
3. SENATOR BELL:
4. Yes, the one other question was, what is the...what is the
5. current law in reference to that?
6. SENATOR FAWELL:
7. Right now it's an open question. There is...there's just no
8. statute of limitations at all, so you could have an annexation that's
9. a hundred years old and still be challenged.
10. PRESIDENT:
11. Any further discussion? The question is shall Senate Bill 222
12. pass. All in favor will vote Aye. Opposed will vote Nay. The
13. voting is open. Have all voted who wished? Take the record. On
14. this question, the Ayes are 55, the Nays are 1. Senate Bill 222
15. having received a constitutional majority is declared passed. ...
16. (Machine cut-off)...Demuzio, for what purpose do you arise?
17. SENATOR DEMUZIO:
18. A point of personal privilege, Mr. President. I'd like...
19. PRESIDENT:
20. State your point, Senator Demuzio.
21. SENATOR DEMUZIO:
22. There are a group of senior citizens that are here visiting
23. in the Senate today, in the Capitol Building. They're in the...
24. the Gallery, I'd like to introduce them. They're the senior
25. citizens from the Gillespie and Benld area. They're standing behind
26. me.
27. PRESIDENT:
28. Will the ladies and senior citizens stand and be recognized
29. by the Senate. Senate Bill 236, Senator Shapiro.
30. SECRETARY:
31. Senate Bill 236.
32. (Secretary reads title of bill)
33. 3rd reading of the bill.

1. SENATOR SHAPIRO:

2. Mr. President and Ladies and Gentlemen of the Senate, Senate
3. Bill 236 amends the Illinois Municipal Retirement Fund and the State
4. Employees Pension Fund so that when Social Security grants and cost
5. of living increase that this dollar amount of money will not be
6. deducted from the survivors benefit or the disability benefit. The
7. way the law is now construed, and by the way, these two funds share
8. with Social Security in the survivors benefit and the disability
9. benefit. The way the law is now constructed, whenever Social
10. Security grants a dollar increase, there is a corresponding dollar
11. decrease in what the State Fund contributes towards that pension.
12. It was never construed that cost of living increases should also
13. be deducted. This bill clarifies that situation so that when
14. Social Security cost of living increases are granted to our survivors
15. benefits and disability benefits in these two funds that they shall
16. not be deducted from the State's share. There is no increase cost
17. to the State Pension Funds, and I would urge a favorable roll call.
18. If there are any questions, I'll be glad to answer them.

19. PRESIDENT:

20. Any further discussion? The question is shall Senate Bill
21. 236 pass. All in favor will vote Aye. Opposed will vote Nay. The
22. voting is open. Have all voted who wish? Take the record. On
23. this question, the Ayes are 48, the Nays are none. Senate Bill
24. 236 having received a constitutional majority is declared passed.
25. Senate Bill 259, Senator Egan. Senate Bill 267, Senator Berning.

26. SECRETARY:

27. Senate Bill 267.

28. (Secretary reads title of bill)

29. 3rd reading of the bill.

30. PRESIDENT:

31. Senator Berning.

32. SENATOR BERNING:

33. Thank you, Mr. President. This bill responds to a request
34. that was presented on several occasions to the County Problems

1. Commission during its hearing...essentially in the southern part
2. of the State. Excuse me. It applies only to commission counties
3. and seeks to remedy a gross inequity insofar as the treatment
4. of county commissioners is concerned, since at the present time,
5. they are limited by statute to ten cents a mile for all necessary
6. travel, and this is in, certainly, conflict with today's economy
7. and is in conflict with the authority given to the township county
8. board members. So the bill merely allows the county commissioners
9. as a board to set their expenses, and in that sense, assume the
10. responsibility for their expenses as they determine. This has
11. the endorsement of the County Problems Commission membership. If
12. there is any other question, I'll attempt to respond.

13. PRESIDENT:

14. Senator Fawell.

15. SENATOR FAWELL:

16. Senator, what...what does the amendment do?

17. PRESIDENT:

18. Senator Berning.

19. SENATOR BERNING:

20. The...the amendment strikes the ten cent figure for mileage
21. reimbursement and allows the county board to set the expense and
22. travel allowances as they determine proper. It affects the...it
23. brings the commission counties into conformance with the other
24. counties of the State.

25. PRESIDENT:

26. Senator Fawell.

27. SENATOR FAWELL:

28. Well, that...that's what the bill does, and I...I...I have
29. no quarrel with that whatsoever. I noticed there was an amendment
30. though put on, was there not?

31. PRESIDENT:

32. Senator Berning.

33. SENATOR BERNING:

1. That was the Dougherty Amendment, the Home Rule Amendment.

2. PRESIDENT:

3. Any further discussion? The question is shall Senate Bill
4. 267 pass. All in favor will vote Aye. Opposed will vote Nay. The
5. voting is open. Have all voted who wish? Take the record. On
6. this question, the Ayes are 51, the Nays are none, 1 Voting Present.
7. Senate Bill 267 having received a constitutional majority is de-
8. clared passed. Senate Bill 366, Senator Knuppel.

9. SECRETARY:

10. Senate Bill 366.

11. (Secretary reads title of bill)

12. 3rd reading of the bill.

13. PRESIDENT:

14. Senator Knuppel.

15. SENATOR KNUPPEL:

16. Senate Bill 366 is designed to meet the emergency needs of
17. the State Fair so that we won't get into the type of a mess we
18. got into last year, so that there can be ongoing work in prepara-
19. tion for the 1975 Fair. This is a small emergency appropriation
20. to carry the Fair Agency until May 1st. The other bill is being
21. held in committee to determine what to do with it after the present
22. Grand Jury has disposed of the matter now investigating it. But
23. this is a agreed to...an amount agreed to by the...both sides of
24. the aisle in...in the subcommittee to carry the State Fair Agency
25. over until May 1st only.

26. PRESIDENT:

27. Senator Joyce.

28. SENATOR JOYCE:

29. Yes, I would...Mr. President and members of the Senate, I would
30. like to know, this fund is coming from the Premium Fund?

31. PRESIDENT:

32. Senator Knuppel.

33. SENATOR KNUPPEL:

1. That's what it says, and I assume that's where it's coming
2. from.
3. PRESIDENT:
4. Senator Joyce.
5. SENATOR JOYCE:
6. Will this be paid back to the Premium Fund?
7. PRESIDENT:
8. Senator Knuppel.
9. SENATOR KNUPPEL.
10. Not so far as I know...it's not a loan, it's an appropriation,
11. and as I understand it, it's an emergency appropriation to keep the
12. Fair there so that...that the people who get these premiums will
13. have a fair to get them at.
14. PRESIDENT:
15. Any further discussion? The question is shall Senate Bill 366
16. pass. All in favor will vote Aye. Opposed will vote Nay. The
17. voting is open. Have all voted who wish? Take the record. On this
18. question, the Ayes are 45, the Nays are 3, 3 Voting Present. Senate
19. Bill 366 having received a constitutional majority is declared
20. passed. On the order of 3rd reading, Senate Bill 69, Senator Vadala-
21. bene.
22. SECRETARY:
23. Senate Bill 69.
24. (Secretary reads title of bill)
25. 3rd reading of the bill.
26. PRESIDENT:
27. Senator Vadalabene.
28. SENATOR VADALABENE:
29. Yes, thank you, Mr. President, for calling Senate Bill 69
30. back. I was in the booth when Senate Bill 69 was called and...
31. PRESIDENT:
32. Which booth, Senator? You're...you're here now, Senator, carry
33. on.

1. SENATOR VADALABENE:

2. Telephone booth, Mr. President. Senate Bill 69 amends an act
3. authorizing township boards to acquire lands for parks. The township
4. boards under the present act cannot acquire through the Township
5. Board of Auditors not more than ten acres of land. As amended

9. PRESIDENT:

10. Any further discussion? The question is will...shall Senate

19. 3rd reading of the bill.

20. PRESIDENT:

21. Senator Vadalabene.

22. SENATOR VADALABENE:

23. Yes, thank you, Mr. President and members of the Senate. Senate
24. Bill 83 provides that a member of the board of trustees of a fire
25. protection district shall be compensated a sum not to exceed seven
26. fifty per annum which is now five hundred dollars in a...in a district
27. that has fewer than four full-time paid firemen. In a district
28. having more than three, but less than ten full-time fireman to com-
29. pensate a member of the board of trustees, a sum not to exceed eleven
30. hundred and fifty dollars which is now seven hundred and fifty dollars.
31. In addition, Mr. President and members of the Senate, in districts
32. where the fire districts provide ambulance service, the trustees
33. may be paid additional fifty percent of their annual compensation.

1. So in the first instance, seven hundred and fifty dollars would be
2. eleven hundred. In the case of eleven hundred and fifty dollars,
3. they would go to seventeen hundred dollars. In both cases, the
4. additional compensation would be paid from the revenues that are
5. derived from the Ambulance Tax Levy, and this passed Local Govern-
6. ments with a favorable vote, and I would appreciate your favorable
7. vote.
