5. Amendment No. ...Amendment No. 1 by Senator Rock.
6. PRESIDENT:
7. Senator Rock.
8. SENATOR ROCK:
9. Thank you, Mr. President and Ladies and Gentlemen of the Senate.
10. House Bill 2350 which was heard in the Committee on Finance and Credit
11. Regulations concerns itself with the subject, well known in Chicago,
12. that subject which is called red-lining. The...this bill would...
13. attempted to create what's called a Fairness In Lending Act. I have,
14. by virtue of Amendment No. 1, stricken everything after the enacting
15. clause rewritten the bill to reflect certain comments and criticisms or
16. the solutions and answers thereto which were offered in the committee.
17. The amendment was drafted in accordance with the wishes of the House
18. sponsor and the Commissioner of Savings and Loan. I think that when
19. Senator Merritt and others on the committee who questioned the bill
20. have an opportunity to look at it, they will see that it is substan-
21. tially tightened up and much more workable than the...than the bill as
22. originally introduced. I would move the adoption of Amendment No. 1
23. with the understanding that I will hold the bill until everyone has
24. had a chance to really look at it.
25. PRESIDENT:
26. Any further discussion? Senator Merritt.
27. SENATOR MERRITT:
28. Mr. President and members of the Senate, Senator Rock, would you
29. be willing to hold this? This is...as you say, strikes everything
30. after the enacting clause, completely rewrites the bill. It's prac-
31. tically two pages long, and we've really haven't had a chance to look
32. at it. Would you hold it?
33. PRESIDENT:

1. Senator Rock.

2. SENATOR ROCK:

3. Well...well, what...what my suggestion is that we adopt the amend-
4. ment and move it, and in the intervening week or so before I call the
5. bill for passage, you will have adequate time, and if, in fact, some
6. further tightening up is necessary, I will assure you that I will
7. bring it back from 3rd to 2nd at any time.

8. PRESIDENT:

9. Senator Merritt.

10. SENATOR MERRITT:

11. Mr. President, Senator Rock, I...I think that I am a practicable
12. man. I understand the numbers game, and you'll get the amendment on,
13. but then would you be willing to hold it until we've had an opportunity
14. doing anything of a...till we've had an opportunity of reviewing it
15. completely?

16. PRESIDENT:

17. Senator, he's...he's just indicated that he will hold it on 3rd
18. and bring it back if you have a problem with the amendment. Senator
19. Bell.

20. SENATOR BELL:

21. Yes, Mr. President, Senator Rock, I'm just wondering if there is
22. a home rule amendment for communities where this would apply of two
23. hundred and fifty thousand or more?

24. PRESIDENT:

25. Senator Rock.

26. SENATOR ROCK:

27. Well, I never heard of a home rule amendment with respect to
28. communities of two hundred and fifty thousand or more, but no, there
29. is no restriction whatever. This is a state-wide application.

30. PRESIDENT:

31. Senator Bell.

32. SENATOR BELL:

33. Well, in other words, you're saying what's good for Cook County

1. is necessarily going to be good for the rest of the State also?

2. PRESIDENT:

3. Senator Rock.

4. SENATOR ROCK:

5. I...haven't...I have not even attempted to say that. What I have
6. said is that the rules and regulations as promulgated and enforced by
7. the Commissioner of Savings and Loan in this State apply across the
8. board to the four hundred and thirty some State chartered institutions.
9. This bill attempts to statutorily codify some of those rules and
10. regulations, and I see no reason why it should not be equally appli-
11. cable to every State chartered institution no matter what size
12. community...it sits in.

13. PRESIDENT:

14. With the understanding that the bill will be brought back for
15. any amendments to be offered, Senator Rock moves the adoption of
16. Amendment No. 1 to House Bill 2350. All in favor will say Aye.
17. Opposed Nay. The amendment is adopted. Any further amendments at
18. this time? 3rd reading. House Bill 2353, Senator Morris. Read the
19. bill.

21. House Bill 2353.

22. (Secretary reads title of bill)

23. 2nd reading of the bill. The Committee on Finance and Credit Regula-
24. tions offers one amendment.

25. PRESIDENT:

26. Senator Morris.

27. SENATOR MORRIS:

28. This amendment was designed by the Illinois Retail Merchant's
29. Association to clarify some language in the bill to make sure that in
30. this Act which is to deal with the layaway plan, any business which does
31. charge the interest on the layaway that they don't have to reprint
32. forms, etc. This is just clarifying language which was put in by the
33. Illinois Retail Merchant's Association and accepted by the House sponsor

1. and myself.

2. PRESIDENT:

3. Any further discussion? Senator Morris moves the adoption of
4. Amendment No. 1 to House Bill 2353. All in favor say Aye. Opposed
5. Nay. Ayes have it. The amendment is adopted. Any further discussion?
6. Any further amendments? 3rd reading. House Bill 2355, Senator Netsch.
7. Read the bill.

8. SECRETARY:

9. House Bill 2355.

10. (Secretary reads title of bill)

11. 2nd reading of the bill. The Committee on Insurance and Licensed
12. Activities offers one amendment.

13. PRESIDENT:

14. Senator Netsch.

15. SENATOR NETSCH:

16. Oh, yes...I'm sorry...I...I recall now. A number of the sections
17. that were being amended were left out, the way the Reference Bureau
18. originally proposed the bill, and this adds all of those references
19. that were left out in the original...version of the bill. I move its
20. adoption.

21. PRESIDENT:

22. Any further discussion? Senator Howard Mohr.

23. SENATOR MOHR:

24. Mr. President, I understand that there are some problems with
25. this committee amendment, and...would ask that the Senator hold it.
26. The...the Reference Bureau is drafting one for Senator Harris, and I
27. wonder if we could hold it and get back to it?

28. PRESIDENT:

29. Senator Netsch.

30. SENATOR NETSCH:

31. Has it to do with this amendment?

32. PRESIDENT:

33. Senator Mohr.

SENATOR MOHR:

1 Yes. This...this Committee amendment.

2 SENATOR NETSCH:

3 This is the...yeah, I had forgotten...

4 SENATOR MOHR:

5 Yes, he has a problem with the Committee Amendment, and the
6 Reference Bureau is drafting an amendment for him, and he had asked
7 that this...that this be held.

8 SENATOR NETSCH:

9 Which does something entirely different from the Committee
10 amendment, is that correct?

12 Three Floor amendments offered by Senator Knuppel.
13 PRESIDENT:
14 Senator Knuppel. Amendment No. 1.
15 SENATOR KNUPPEL:
16 Amendment No. 1 is a severability clause. It is designed to
17 provide that if there is something the matter with this bill, that the
18 balance of it will continue if one part of it is held unconstitutional
19 or invalid for any reason. I think this is always good in any new
20 Act. I move the adoption of the amendment.

31 PRESIDENT:
32 Hold it just a minute, Senator. Amendment No. 2.
33 SENATOR KNUPPEL:

1 Amendment No. 2 is designed to prevent someone from serving on both
2 a County Fair Board at the same time that he is serving on the State
3 Fair Board, the reason being that most of your county fairs are in the
4 process of running at the same time that somebody ought to be spend-
5 ing his time and attention on conducting a good State Fair. There are
6 a lot of people who have served on county fair boards who can do this
7 job, and the method that's set up for the County Fair people that
8 select them, they'll know who those people are. This amendment provides
9 that they cannot serve simultaneously on both a County Fair Board and
10 a State Fair Board. I move the adoption of the amendment.

11 PRESIDENT:

12 Any further discussion? Senator Knuppel moves the adoption of
13 Amendment No. 2 to House Bill 3028. All those in favor will say Aye.
14 Opposed Nay. The Amendment is adopted. Amendment No. 3, Senator
15 Knuppel.

16 SENATOR KNUPPEL:

17 Amendment No. 3 merely provides that the...county...counties
18 encompassed within a district for the selection of members for the
19 State Board should be compact and contiguous, so that although there are
20 twelve counties that the districts will be compact and contiguous. I
21 move the adoption of Amendment No. 3.

22 PRESIDENT:

23 Any further discussion? Senator Bell.

24 SENATOR BELL:

25 Yes...Senator Knuppel, I'm sorry, are these Committee amendments
26 that you are moving on right now or Floor amendments?

27 PRESIDENT:

28 They are...they are committee amendments.

29 SENATOR BELL:

2 PRESIDENT:

3 They're Floor amendments, yes.

4 SENATOR BELL:

5 Alright, thank you, Mr. President, then...Senator, we're getting
6 some of these amendments checked. Would you be willing to bring it
7 back from 3rd reading...if we have some questions involved?

8 PRESIDENT:

9 Senator Knuppel.

10 SENATOR KNUPPEL:

11 Sir, the State Fair is so important and...and has been so...
12 blackened in the eyes of the people, that I'd be happy to bring this
13 back, and I want to say to every member on this Floor, if you have a
14 reasonable suggestion which will improve this bill, I'll be happy to
15 bring it back for amendment, and I encourage and solicit help from
16 every member of this Floor as well as the Governor's Office in trying
17 to write a bill that will make our State Fair have the image it ought
18 to have. So, I will bring it back from 3rd reading if you have some-
19 thing to suggest.

20 SENATOR BELL:

21 Well...

22 PRESIDENT:

23 Senator Bell.

24 SENATOR BELL:

25 I...I was sure you would, Senator Knuppel, and that's why I toss
26 out the suggestion and...and indeed the State Fair situation is
27 important to all of us. Thank you.

28 PRESIDENT:

29 Any further discussion? Senator Knuppel moves the adoption of
30 Amendment No. 3 to House Bill 3028. All in favor will say Aye.
31 Opposed Nay. Amendment No. 3 is adopted. Any further amendments?
32 Any further amendments? Now, Senator Knuppel, Senator Mitchler has
33 attached to this bill a demand or request for a fiscal note. Senator

HB 102
2nd Reading

1 Knuppel may respond: --

2 SENATOR KNUPPTEL:

3 I have already requested that. I think he attached it a day or

4 two ago. I'll be happy to favor him with a...fiscal note if...if

5 it...it'll be of benefit to him. Thank you.

6 PRESIDENT:

7 Senator, you are saying that although it is not required by

8 the Statutes, inasmuch as this is not the house of origin, you will add

9 one, is that correct?

10 SENATOR KNUPPTEL:

11 I'll be happy...I...I...want this bill to pass, and I want it to

12 be signed, and I want it to become law.

13 PRESIDENT:

14 Fine. Any further amendments? 3rd reading. Several of our

15 members at the beginning of the morning Session were still in the

12 scriptions, he is in fact subject to suspension and revocation in
13 accordance with the established procedures under the aegis of the
14 Department of Registration and Education, it's merely a clarifying

11 purpose does Senator Savickas arise?

12 SENATOR SAVICKAS:

13 Point of information. Mr. President, I understand that the dress
14 code for all Senators is...tie and jacket. Is...this...provision
15 waived for House members who walk around sloppily without a tie, collar
16 open...are we to waive our rules for House members?

17 PRESIDING OFFICER: (SENATOR BRUCE)

18 The rules are the same for everyone, Senator Savickas.

19 SENATOR SAVICKAS:

20 Well, would you so inform the House members that when they attend
21 a Senate Session that they should wear a tie and jacket?

22 PRESIDING OFFICER: (SENATOR BRUCE)

23 I...as prerogative of the Chair, I would appoint you as my
24 delegate to inform the House of that action.

25 SENATOR SAVICKAS:

26 Would...would the chair...bring to...the attention Representatives
27 that stand around here...dressed...as derelicts.

28 PRESIDING OFFICER: (SENATOR BRUCE)

29 I again will allow you to make that...that task...take...take
30 that on by yourself.

31 SENATOR SAVICKAS:

32 Well, will the Sergeant-at-Arms please inform the Representatives
33 of the proper code of dress here.

1 PRESIDING OFFICER: (SENATOR BRUCE)

2 House Bill 1968. For what purpose does Senator Morris arise?

3 SENATOR MORRIS:

4 ...On a point of personal privilege. Maybe this is a good point
5 to...see if I have support here to put in an amendment to our rules or
6 whatever so we don't have to wear these ridiculous ties in this Chamber.
7 We seem more hung up about dress codes than the people in the legis-
8 lation and I would hope that Senator Savickas would join me in that,
9 and we could begin to get rid of this ridiculous and get down to the
10 business of the State.

11 PRESIDING OFFICER: (SENATOR BRUCE)

12 Fine, you may take that up with the Rules Committee. House Bill
13 1979, Senator Hickey. 1979, the appropriation for Vocational
14 Education. Oh...did I...House Bill 1968, Senator Nudelman. House

26 Senator Egan.

27 SENATOR EGAN:

28 Thank you, Mr. President, members of the Senate. Amendment No.
29 1 to House Bill 1656 brings it in exact...language as the Senate Bill
30 which already passed. I thought that it was exactly the way it was
31 when I moved it from 2nd reading and...I found that I was in error.
32 So, I would ask this amendment to make it exactly the same bill that
33 we passed out of the Senate. I ask for its adoption.

1 PRESIDING OFFICER: (SENATOR BRUCE)

2 Senator Egan moves the adoption of Amendment No. 1. Is there
3 discussion? All in favor say Aye. All opposed Nay. The amendment
4 is adopted. Any further amendments? 3rd reading. For what
5 purpose does Senator McCarthy arise?

6 SENATOR MCCARTHY:

7 I...hate to do this, but 1608 was amended...and yet there was a
8 second amendment...where...where's your disposition of 1608? Is it on
9 3rd reading?

10 PRESIDING OFFICER: (SENATOR BRUCE)

11 It's on 3rd reading.

12 SENATOR MCCARTHY:

13 Oh, I'm sorry, then I'll have to...when we come around to it again,
14 I'll have to bring it back.

15 PRESIDING OFFICER: (SENATOR BRUCE)

16 If...if you ask, Senator McCarthy, we are told we could recall that.
17 The amendment is here. We can take action immediately.

18 SENATOR MCCARTHY:

19 Well, yes, I'd like leave of the Body to bring 1608...

20 PRESIDING OFFICER: (SENATOR BRUCE)

21 Senator McCarthy asks leaves to have House Bill 1608 returned to
22 the order of second reading. Is there leave? Leave is granted. House
23 Bill 1608 on the order of 2nd reading. Amendment No. 2 by Senator
24 McCarthy.

25 SENATOR MCCARTHY:

26 Yes, Mr. President, the reason Amendment No. 2 is being offered
27 from the Floor, is that it was a committee adopted amendment, but I
28 didn't get the...amendment into the hands of the Secretary and it's
29 a noncontroversial. So, I move it as a Floor...amendment.

30 PRESIDING OFFICER: (SENATOR BRUCE)

15 Kosinski. 2099, Senator Latherow. For what purpose does Senator
16 Howard Mohr arise?

17 SENATOR MOHR:

18 Yes, Mr. President, we've gone through the Calendar once, and we're
19 on the second time around. I wonder if it wouldn't be in order to
20 have those members...make a request to move a bill that's on second
21 reading.

22 PRESIDING OFFICER: (SENATOR BRUCE)

23 Actually, Senator Mohr, it goes quicker. We're almost finished...

32 (Secretary reads title of bill)

33 3rd reading of the bill.

1 PRESIDING OFFICER: (SENATOR BRUCE)

2 Senator Davidson.

3 SENATOR DAVIDSON:

4 Mr. President and members of the Senate, this bill does two
5 things. It adds the words "or couple", it's man, woman, or couple
6 can be the Superintendent of the detention home, and strikes the
7 word "shall" and puts the word "may" in where they would have to
8 reside within this. This is a request from the Probation Department.
9 There is adults on duty 24 hours a day and this only says that a
10 person who is in the superintent of homes may live in a home rather
11 than shall, as it would be under the thing. It's a request from the
12 Probation Department. I know of no opposition to the bill.

13 PRESIDING OFFICER: (SENATOR BRUCE)

14 Is there further discussion? Senator Rock.

15 SENATOR ROCK:

16 Question, I...I...I, a question of the sponsor, Mr. President,
17 if he will yield.

18 PRESIDING OFFICER: (SENATOR BRUCE)

19 He indicates that he will yield.

20 SENATOR ROCK:

21 From whence...

22 PRESIDING OFFICER: (SENATOR BRUCE)

23 Senator Rock.

24 SENATOR ROCK:

25 From...from whence did the bill emanate? Who...who requested
26 this?

27 PRESIDING OFFICER: (SENATOR BRUCE)

28 Senator Davidson.

29 SENATOR DAVIDSON:

30 The Probation Department of the Circuit Court here in Springfield,
31 because the...man who is the Superintendent of the home is getting
32 married, and he was going to have to mandatorily live in the home and
33 this has been changed. The detention home has been changed to where it

1 is now keeping...a more reckless or more dangerous juvenile and for
2 him to stay on the job as a married person, he was going to have to
3 leave and...the request came from the Probation's Department of the
4 Judicial...7th Judicial Circuit here.

5 PRESIDING OFFICER: (SENATOR BRUCE)

6 Senator Rock.

7 SENATOR ROCK:

8 Well, the problem that I have and I frankly am not that familiar
9 with your County Detention Home here and I understand very well that
10 there is at least an...overt or inverted Home Rule Amendment on the
11 bill. The problem that I have is the...the statutory mandate that has
12 long been in existence calls for that the caring of the inmates...as in a
13 family home and to this end, the employees provided for and selected
14 to control and manage the home shall consist of and then they had
15 discreet women of good moral character or a man and you are adding "or
16 couple" to which I have no objection. The objection that I have is
17 "may reside therein". If we don't mandate some adult to reside
18 therein, who is going to reside therein and provide care as in a
19 family home? That's the problem I have.

20 PRESIDING OFFICER: (SENATOR BRUCE)

21 Senator Davidson.

22 SENATOR DAVIDSON:

23 Well, as explained to me, Senator Rock, the ones who asked for
24 the amendment, is that adults must be on duty 24 hours a day whether
25 it's the Superintendent or another hired individual and the reason
26 they requested the word...strike the word "shall" to the word "may",
27 that if the County Board or the Court wanted the person to live there,
28 then they shall, but if they wanted to give the option that they did not
29 have to live there, then they would have the option not to live there,
30 and with the statutory word "shall", the Court could not give that
31 discretion. That's why they asked the word "may".

32 PRESIDING OFFICER: (SENATOR BRUCE)

33 Senator Rock.

1 SENATOR ROCK:

2 Well, the...the problem then, it seems to me, we ought to change

7 SENATOR DAVIDSON:

8 Mr. President, let's take this out of the record and let me
9 resolve this with Senator Rock and see if we can come up on what's
10 our hangup is between us.

21 Thank you. What this bill does is it provides and retains a
22 determinology of a member of county board members from boards of
23 supervisors to county board members. This is an exact duplicate of another
24 bill that passed...the Senate several months ago. I move the...I ask for

29 is open. Have all voted who wish? Take the record. On that question,

6 SENATOR DOUGHERTY:

7 Thank you, Mr. President. House Bill 641 is an exact duplicate
8 of another bill that passed here several months ago, just provides
9 that when there's a meeting on the Board and acts on zoning that instead
10 of having the meetings at every crossroad or every township, every village
11 the meeting will be at the County Court House. Provides...just sets a
12 meeting place is all it does.

31 SENATOR MITCHLER:

32 Pardon me. This is a bill that amends the Probate Act. It
33 requires that certain notices concerning the estates which contain

1 Veterans Administration funds be sent to the Veterans Administration
2 Regional Office; presently, these are sent to the chief attorney of
3 the Administrator of Veterans Affairs. Now the...Administrator of
4 our Illinois Veterans Commission is in favor of this because it gives

23 amends an Act relating to township purchasing to require competitive
24 bidding for purchases in excess of...fifteen hundred dollars. I ask
25 for a favorable roll call.

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 Is there further debate? Senator Nimrod.

28 SENATOR NIMROD:

29 Yeah...Senator...yield to a question.

30 PRESIDING OFFICER: (SENATOR BRUCE)

31 He indicates he will yield.

32 SENATOR NIMROD:

33 Why...why...are we reducing this in...in this case for townships

1 only when this is a standard provision for local government?

2 PRESIDING OFFICER: (SENATOR BRUCE)

3 Senator Lane.

4 SENATOR LANE:

5 It's a standard provision for what, Senator?

6 PRESIDING OFFICER: (SENATOR BRUCE)

7 Senator Nimrod.

8 SENATOR NIMROD:

9 Local governments, you're taking this and reducing the Townships
10 Purchasing Act when...villages and...other areas are all at twenty-
11 five hundred. I was wondering why we're reducing this.

12 PRESIDING OFFICER: (SENATOR BRUCE)

13 Senator Lane.

14 SENATOR LANE:

15 I was unaware that municipalities were at twenty-five hundred.
16 I thought it was fifteen hundred also.

17 PRESIDING OFFICER: (SENATOR BRUCE)

18 Senator Nimrod.

19 SENATOR NIMROD:

20 I don't believe it was brought to my attention that why were
21 townships singled out for this in the provisions of the Act and if it is
22 doing that, then I would be opposed to it since I think these ought
23 to be standardized for everybody but if...if it is for everybody,
24 then I would go along with it, but my notes here say that it's only
25 townships that we're reducing.

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 Senator Lane.

28 SENATOR LANE:

29 That's what this bill is reducing, but I understand that it's my
30 impression that the municipalities are at fifteen hundred. I...

31 PRESIDING OFFICER: (SENATOR BRUCE)

32 Senator Soper.

33 SENATOR SOPER:

1 That...thank you, Mr. President. Senator Lane, we talked about
2 this, and...this is going to cost a little bit of money to do this
3 again. We just increased the...the exemption up to twenty-five
4 hundred. They have to get competitive bidding, but not publication...
5 from a thousand up to twenty-five hundred. Now, you're going to make
6 it publication at fifteen hundred...that...doesn't seem reasonable.
7 If you're going to take this when...when we just...fought this thing and..
8 found that twenty-five hundred was reasonable for all municipal organ-
9 izations. Now, you are going to single out townships who need the money
10 and...they have to come under a certain code, and they have to get
11 competitive bidding but not by...not by publication.

12 PRESIDING OFFICER: (SENATOR BRUCE)

13 Senator...

14 SENATOR SOPER:

15 I think that this is the wrong thing to do.

16 PRESIDING OFFICER: (SENATOR BRUCE)

17 Senator Wooten.

18 SENATOR WOOTEN:

19 Mr. President, on the other hand, most complaints that I...my
20 office seems to encounter about townships has to do with the fact that
21 people are just not aware of what happens. I would be very much in
22 favor of reducing this amount to fifteen hundred, simply so that we
23 have a better opportunity of knowing what the townships are doing. I...
24 I think the townships themselves would be in a little bit better stand-
25 ing with the community if this were the case.

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 Senator Clarke.

28 SENATOR CLARKE:

29 Well, I just like to point out that the a year ago we completely
30 revised the State Auditing Act. We reduced...we increased this figure
31 for State purchases from fifteen hundred to twenty-five hundred just
32 because of the inflationary factor, and the fact that so many purchases
33 are of a nominal nature and are under that amount. Now, here you're

1 going the exact opposite as I understand it, and...I don't really
2 think you ought to treat one level of government differenc^t than
3 another.

4 PRESIDING OFFICER: (SENATOR BRUCE)

5 Is there further debate? Senator Lane may close.

6 SENATOR LANE:

7 Thank you...by lowering the limits, it gives the officials better
8 control over purchases made by the township government and it passed
9 out of committee 8 to 1 and I'd appreciate a favorable roll call.

10 PRESIDING OFFICER: (SENATOR BRUCE)

11 (Machine cut off) favor vote Aye. Those opposed vote Nay. The
12 voting is open. Have all voted who wish? Take the record. On that
13 question, the Ayes are 28, the Nays are 22. House Bill 648 having

24 to the Court of Claims for an award they have already taken jurisdiction
25 over and allowed last October relating to the loss of two firemen's
26 lives in the Fox River while saving the life of another man, and it
27 is not in any other appropriations relating to the Court of Claims and
28 I ask for a favorable roll call.

8 Senator Hickey.

9 SENATOR HICKEY:

10 House Bill 650 simply says that no professional strikebreaker
11 shall be employed during a period of a lockout or a strike, however,
12 there are two other provisions which make this different than other
13 legislation. One is it says that people may be hired to keep the proper-
14 ty maintained and...and protected so that they could resume operations
15 at any time, and secondly, that this Act does not apply to a bona
16 fide permanent replacement who is hired while a strike or lockout
17 is in progress. I ask for a favorable roll call.

18 PRESIDING OFFICER: (SENATOR BRUCE)

19 Excuse me, one moment. If we could have some order please,
20 Senator Bloom has a question.

21 SENATOR BLOOM:

22 Thank you very much, Mr. President. Would the sponsor yield
23 for a question?

24 PRESIDING OFFICER: (SENATOR BRUCE)

25 Indicates that she will yield.

26 SENATOR BLOOM:

27 Alright.

28 PRESIDING OFFICER: (SENATOR BRUCE)

29 Senator Bloom.

30 SENATOR BLOOM:

31 How does this bill define what a professional strikebreaker is?

32 PRESIDING OFFICER: (SENATOR BRUCE)

33 Senator Hickey.

House Bill 650
3rd Reading
6/16/75

1 SENATOR HICKEY: -

2 A professional strikebreaker means any person who repeatedly
3 and habitually offers himself for employment on a temporary basis
4 where a lockout or strike exists to take the place of an employee
5 whose work has ceased as a direct consequence of such lockout or
6 strike.

7 PRESIDING OFFICER: (SENATOR BRUCE)

8 Senator Graham.

9 SENATOR GRAHAM:

10 Mr. President and members of the Senate, Senator Harber Hall
11 tried to get an amendment. It would have made this bill a little
12 bit better in our eyes. This is not as bad...about the only thing I
13 can say for this Strikebreaker's Bill...

14 PRESIDING OFFICER: (SENATOR BRUCE)

15 Excuse me, Senator Graham. If we could have some order? We
16 are on House Bills 3rd. Pardon me, Senator Graham.

17 SENATOR GRAHAM:

18 If there's anything good to be said about it, it isn't as bad
19 as House Bill 410. We feel that without the Harber Hall Amendment
20 that this bill is not in the best keeping with the economic climate
21 in the State of Illinois and other things that we think are right,
22 and we, on this side of the aisle, I hopefully will stand in opposi-
23 tion to the passage of House Bill 650.

24 PRESIDING OFFICER: (SENATOR BRUCE)

25 Is there further...Senator Harber Hall.

26 SENATOR HALL:

27 Mr. President, I think the members should...should be aware
28 that last year this bill was heard in the Labor Commerce Committee,
29 and it was stipulated that only if the Professional Picket's Amend-
30 ment was put in, would it even get out of Committee. With that firm
31 agreement, and it was put on that bill, it did get out of Committee...
32 Subsequently, the Professional Picket Amendment was stricken, and...
33 the bill then failed. Here we are now, we've asked to have that put

10650

1 back in, and it hasn't, so if we repeat the interest and the con-
2 cern of the Body as we did...last year, it's not to say that the
3 Body doesn't change from time to time, but I just want to draw your
4 attention that previous legislation, identical to this, has failed
5 because there wasn't an equitable amendment and provision for pro-
6 fessional pickets. I oppose this bill.

7 PRESIDING OFFICER: (SENATOR BRUCE)

8 Senator Nimrod.

9 SENATOR NIMROD:

10 Yes, Mr. President, if I might ask Senator Hickey just one
11 question?

12 PRESIDING OFFICER: (SENATOR BRUCE)

13 Indicates that she will yield. Senator Nimrod.

14 SENATOR NIMROD:

15 Can you tell me why you would not take the same definition for
16 professional pickets so we could all get behind this bill? Why you
17 would not take that and include it?

18 PRESIDING OFFICER: (SENATOR BRUCE)

19 Senator Hickey.

20 SENATOR HICKEY:

21 Yes, Senator Nimrod, and this answers the two previous Senators
22 who spoke, too. That was not offered this year. They're talking about
23 last year, and the bill didn't come over here with that on it. It
24 was offered, I know, by Senator Hall, but not pursuant to any agree-
25 ment that I'm aware of this year. We can talk about agreements last
26 year, and you know about those, I don't know about those. And I con-
27 tend that since the bill has come this way, and it is a good bill, it
28 seems to me if you vote against this bill, you must be for profess-
29 ional strikebreakers. That...there isn't anything under the sun
30 that prevents Senator Hall or you, Senator Nimrod, from having in-
31 troduced that legislation this year since it was not part of the
32 agreement this year which is a separate kind of item. It pertains
33 to a different subject, and there wasn't anything to keep you from

Blair
Berning
6/16/75

1 offering that bill, and then let that be voted up or down. That
2 really is not, while it is all, of course, in the labor field and
3 does deal with strikes, it is a separate issue. We can't go back
4 to agreements a year ago. This is the bill as it stands, and it
5 seems to me if anybody votes against this bill they must be for
6 professional strikebreakers.

7 PRESIDING OFFICER: (SENATOR BRUCE)

8 Senator Nimrod.

9 SENATOR NIMROD:

10 Thank you, Senator Hickey. I happen to be against professional
11 strikebreakers, and I happen to be against professional pickets, and
12 unless you put the two together, I'm going to oppose your bill.

13 PRESIDING OFFICER: (SENATOR BRUCE)

14 Senator Glass.

15 SENATOR GLASS:

16 Thank you, Mr. President. I would like to speak against this
17 bill also, and I think Senator Hickey in making the statement that
18 if you're against this bill, you must be against professional strike-
19 breakers is prejudicial. It seems to me this bill is patently anti-
20 business, because if you are going to treat this problem, you ought
21 to treat it across the board and fairly. I...I would also question
22 the definition of a professional striker in the bill - someone who
23 repeatedly, habitually acts as a strikebreaker. I don't know what
24 that means. How many times would they have to do so, once or twice
25 or what...what makes a habitual strikebreaker?

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 Senator...

28 SENATOR GLASS:

29 But, I do think to...to repeat that it is clearly an anti-
30 business measure and would hope this Body would defeat it.

31 PRESIDING OFFICER: (SENATOR BRUCE)

32 Senator Berning.

33 SENATOR BERNING:

HR 450
3rd Reading
6/16/75

1 Well, thank you, Mr. President, I...I have to take exception
2 to the comment of the sponsor in indicating that anyone who votes
3 against this measure is for something else, namely, a professional
4 strikebreaker. I cannot accept that without challenge. Number one,
5 I abhor discrimination in any of its phases, and in the event of a
6 strike which is fraught with all sorts of discrimination, both
7 against employers, those workers who want to work, and against the
8 public, I find it difficult, then, to say to someone who would be
9 willing to take a job that he cannot take it, because he can be
10 labeled as a strikebreaker, and consequently, we are going to tell
11 him that he has no right to seek employment. This I find difficult
12 to reconcile with our concept of individual liberty and lack of
13 support for discrimination in any of its abhorrent aspects.

14 PRESIDING OFFICER: (SENATOR BRUCE)

15 Is there further debate? Senator Dougherty.

16 SENATOR DOUGHERTY:

17 Thank you, Mr. President. I hesitate to get into this argument,
18 but for one reason, I can remember...I think of it as sort of a
19 fetish of studying the labor laws in this country and what have...
20 what has taken place down through the years, and I will like to tell
21 the members of this Body that the greatest incidence we ever had in
22 the State of Illinois took down here some fifty years ago down in
23 Herrin, Illinois where they imported a great many strikebreakers, and
24 the people down there rebelled. We had bloodshed. We had all kinds
25 of trouble, problems. There was a fellow named...an outfit in New
26 York called Schultz that that was their sole profession, strikebreak-
27 ing. They operated all over the country. Some of the greatest
28 tragedies we've ever had in this country, the labor movement, has
29 been the result of professional strikebreakers. This is one way
30 to end this fearsome thing that labor and business will have to face.
31 I would...recommend and suggest...ask my colleagues here to vote
32 for this bill. I believe it's good legislation.

33 PRESIDING OFFICER: (SENATOR BRUCE)

650
6/16/75
Brd. Presiding

1 Senator Partee.

2 SENATOR PARTEE:

3 Well, Mr. President and members of the Senate, I stand to
4 support Senator Hickey's Bill. Now, either you believe in the
5 process of unionization or you do not, and if you do, you'll support
6 the bill, because there has to be something like balance, and if a
7 corporate entity could at anytime it gets into a discussion with a
8 union, and if they are in the process of trying to resolve their
9 problems with all of the money and all of the weight being on the
10 side of the corporation, if they could then just break the strike,
11 then there would be no sense or no reason to ever employ the union-
12 ization process. So, if you want to be...if you want to kill unions,
13 if you want to say that those who hold the reigns of economics should
14 be able to say to those who seek to make a living that you could not
15 under any circumstance sit down and collectively bargain and sit down
16 and work out differences because we can just come in and have people
17 to take over your jobs, then the whole process is meaningless. It
18 is a vapid kind of consideration. A bill of this nature brings into
19 the process balance so that the negotiations will be in the spirit
20 of settlement rather than in the spirit of destruction of the work
21 force. Now, it's just that simple, it seems to me, that it brings
22 about a quality called balance to the negotiative process, and hence,
23 it is very necessary. Senator Dougherty alluded to the kinds of
24 bloody things that are going to transpire or have transpired under
25 circumstances where strikebreakers would come in and take over.
26 There have been instances in this country where strikebreakers were
27 brought into situations, and then, when the strike is over, the...the
28 corporation has no feeling, no concern about how those people are
29 going go live, where they're going to eat, how they're going to eat,
30 where they're going to go to school, their children, and it just
31 brings about a very unwholesome situation, and I stand to support
32 Senator Hickey's bill.

33 PRESIDING OFFICER: (SENATOR BRUCE)

Senator Bell.

SENATOR BELL:

1 Well, Mr. President, I'd like to respond to Senator Partee's
2 comments in reference to the fact that if you don't vote for this
3 particular bill, House Bill 650, that you are in effect against
4 unions. Now, Senator Partee, I have great respect for you, and I'm
5 really appalled at your sense of logic there, because your first
6 premise is a faulty premise, but I understand that...I understand
7 that...that's part of the debate process and does serve to cloud the
8 issues and all. I would like to mention that it seems to me that the
9 bill is inequitable when it does not allow the provision that Senator
10 Nimrod has pointed out here. If you're going to have things equal,
11 we should certainly have legislation that prohibits professional
12 pickets also. I just wanted to throw this particular thing out. One
13 other item, Senator Partee, and that is the fact that you mention
14 the significant amount of monies that corporations have available.
15 Well, the truth of the matter is that...that business in these United
16 States and certainly, specifically here in the State of Illinois,
17 is made up of many small corporations, small closed corporations, and
18 that those businesses do not have fantastic sums, and yet they may
19 come under control through the unions of the financial resources at the
20 disposal of the AF of L - CIO or the...or the Teamsters and various other
21 organizations that...that do have considerable resources that would far
22 outgun...far outgun what small business corporations may have available.
23 I'd just like to throw those comments out. Thank you.

24 PRESIDING OFFICER: (SENATOR BRUCE)

25 Is there further debate? Senator Graham is recognized pursuant
26 to our rules to speak a second time. Senator Graham.

27 SENATOR GRAHAM:

28 I...I only want to make one correction in the record. I re-
29 ferred to House Bill 410, it should have been Senate Bill 410.

30 PRESIDING OFFICER: (SENATOR BRUCE)

31 Is there further debate? Senator Hickey may close.

32 SENATOR HICKEY:

House Bill 650
Senate Resolution
6/16/75

1 Thank you, Mr. President. I'd like to point out that as I
2 mentioned earlier, but apparently everyone wasn't able to hear me,
3 that this...

4 PRESIDING OFFICER: (SENATOR BRUCE)

5 Excuse me, Senator Hickey. We can perhaps...

6 SENATOR HICKEY:

7 ...that

8 PRESIDING OFFICER: (SENATOR BRUCE)

9 ...get you some order. Senate, please come to order. Senator
10 Hickey.

11 SENATOR HICKEY:

12 ...that we have had other strikebreaker legislation before this
13 Body which has passed out that I want, particularly, the people on
14 the other side of the aisle to hear that there are two provisions
15 in this bill which the other bill did not contain, and those two
16 provisions have something to do with the hiring of bona fide replace-
17 ments during the progress of a strike or a lockout. The other bill
18 does not contain that, and I think that this certainly would make this
19 bill far more attractive to the other side of the House because of
20 that. It also does provide, and I...I do hope, Senator Berning, you
21 were able to read the amendment which I sent you which does pertain to
22 that because you spoke about not being able to hire somebody during
23 the progress of a...of a strike. This does pertain to that. It does
24 have that provision in it. And then, also, anyone may be hired to
25 see that the property is protected and maintained so that work may
26 be resumed at the end of the strike without crippling affects from
27 cessation. Those are two very valuable parts of this bill. And I,
28 again, want to reiterate that the other legislation referring to
29 pickets can be introduced in a bill of its own which pertains to
30 that subject. This subject pertains only to strikebreakers, and I
31 solicit votes from both sides of the aisle for this good piece of
32 legislation. Thank you, Mr. President.

33 PRESIDING OFFICER: (SENATOR BRUCE)

34 The question is, shall House Bill 650 pass? Those in favor

4 Bill 650 having received a constitutional majority is declared passed.
5 House Bill 655, Senator Lemke. For what purpose does Senator
6 Harris arise?

7 SENATOR HARRIS:

8 I'm recorded as president...present on the last roll call. I
9 would like for the record to show that I would have voted No, if I
10 had properly actuated my switch.

11 PRESIDING OFFICER: (SENATOR BRUCE)

18 PRESIDING OFFICER: (SENATOR BRUCE)

19 Senator Demuzio.

20 SENATOR DEMUZIO:

21 Yes...yes, Mr. President, House Bill 658 does exactly what the
22 synopsis indicates. Amends the Child Labor Laws and permits fourteen
23 and fifteen year olds to participate in Federally funded work ex-
24 perience career education programs under the direction of the State
25 Board of Education. It...also permits minors under sixteen to work
26 in accordance with the Department of Labor hours, I believe that's
27 from seven a.m. to seven p.m., and I'd ask for a favorable roll call.

28 PRESIDING OFFICER: (SENATOR BRUCE)

29 Is there further debate? The question is, shall House Bill 658
30 pass. Those in favor vote Aye. Those opposed vote Nay. The voting
31 is open. Have all voted who wish? Take the record. On that...on
32 that question, the Ayes are 54, the Nays are none, none Voting Present.
33 House Bill 658 having received the constitutional majority is declared
34 passed. House Bill 663, Senator Rock. House Bill 665, Senator Donnewald.
35 House Bill 668, Senator Harber Hall. 668, Senator Harber Hall. Read
36 the bill.

1 SECRETARY:

2 House Bill 668.

4 3rd reading of the bill.

5 PRESIDING OFFICER: (SENATOR BRUCE)

6 Senator Harber Hall.

7 SENATOR HARBER HALL:

8 Mr. President and Senators, 668 simply provides that small
9 insurance companies...county and township insurance companies, they're
10 usually very small, may invest in certain other investments other than
11 U. S. Government Bonds, they may for example...

12 PRESIDING OFFICER: (SENATOR BRUCE)

13 Excuse me, Senator Hall. If we could have some order, we have
14 several conferences. We have about six staff people on the Floor
15 having conference, if you wish, please take the Senator off the
16 Floor so we can conduct business. Excuse me, Senator Harber Hall.

17 SENATOR HARBER HALL:

18 ...they may for example invest in savings and loan associations so
19 long as their total investment is secured by government insurance.
20 I solicit your support for the bill.

21 PRESIDING OFFICER: (SENATOR BRUCE)

22 Is there further debate? The question is, shall House Bill
23 668 pass. Those in favor vote Aye. Those opposed Nay. The voting
24 is open. Have all voted who wish? Take the record. On that question,
25 the Ayes are 51, the Nays are 1, none Voting Present. House Bill 668
26 having received the constitutional majority is declared passed. House
27 Bill 674, Senator Shapiro. Read the bill. For what purpose does
28 Senator McCarthy arise?

29 SENATOR MCCARTHY:

30 On 668, my finger made a mistake. It reached...it hit red, should
31 have been green.

32 PRESIDING OFFICER: (SENATOR BRUCE)

33 The record will so show.

1 SECRETARY:

2 House Bill 674.

3 (Secretary reads title of bill)

4 3rd reading of the bill.

5 PRESIDING OFFICER: (SENATOR BRUCE)

6 Senator Shapiro.

7 SENATOR SHAPIRO:

8 Mr. President and Ladies and Gentlemen of the Senate, House
9 Bill 674 amends the downstate Police and Firemen Articles of the
10 Pension Code and provides that these Articles may not be changed,
11 altered, or amended in anyway by a unit of local government through
12 home rule powers. Now, the genesis for this particular bill is the
13 fact that in downstate Illinois, we have approximately four hundred
14 and seventy-five pension funds...police and firemen. There have
15 been several instances where downstate home rule units have attempted
16 to change their pension funds. Niles changed the composition of its
17 board of trustees and Evanston made another minor change which has
18 stood. Rosemont attempted to establish a different pension system
19 without referendum and eventually changed its mind and Monticello
20 considered setting up a pension program without providing for any
21 financing provisions. I think you can see the chaos that would be
22 caused if this bill is not enacted. With four hundred and seventy-
23 four separate pension funds, it's absolutely very necessary and I
24 would appreciate a favorable roll call. If there are any questions,
25 I will attempt to answer them.

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 Is there...Senator Knuppel.

28 SENATOR KNUPPEL:

29 If the sponsor would yield...what affect does this have on cities
30 such as Decatur, for example, as I understand, which have already
31 adopted ordinances which change the makeup of the pension system that
32 they have there?

33 PRESIDING OFFICER: (SENATOR BRUCE)

1 Senator Shapiro.

2 SENATOR SHAPIRO:

3 I...didn't get the...the entire question.

4 PRESIDING OFFICER: (SENATOR BRUCE)

5 Senator Knuppel.

6 SENATOR KNUPPEL:

7 Well, what I am trying to ask you, is...is the bill perspective
8 only, or what about those home rule units that have already adopted
9 ordinances which change? Will this...the language of this appears
10 to me to be only perspective and not retrospective with respect
11 to cities or home rule units that have already changed their procedures.

12 PRESIDING OFFICER: (SENATOR BRUCE)

13 Senator Shapiro.

14 SENATOR SHAPIRO:

15 That is correct. It is prospective. The changes that have...
16 have been made in the two units that we know of have been minor and
17 those will be allowed to stand.

18 PRESIDING OFFICER: (SENATOR BRUCE)

19 Senator Knuppel.

20 SENATOR KNUPPEL:

21 And those will be what?

22 PRESIDING OFFICER: (SENATOR BRUCE)

23 Senator Shapiro.

24 SENATOR SHAPIRO:

25 Since it is prospective, I would assume that those will be allow-
26 ed to stand to...to remain...the two changes that have been made.

27 PRESIDING OFFICER: (SENATOR BRUCE)

28 Senator Knuppel. Any further...Senator Knuppel.

29 SENATOR KNUPPEL:

30 Well, I'm...I'm just surprised that at this time when we know
31 that there are, for example, the City of Decatur as...that I have cited,
32 although the City of Springfield, there was litigation which my
33 firm handled, which went up and brought about a decision holding that

1 the home rule units could change despite the prohibition in the
2 Constitution which I think was in violation of what the Constitution
3 really intended that those cities...or those cities who have already
4 moved would...would get benefits that are not going to be open to
5 those who hereafter act. In other words, I think we've got a...
6 a situation where it leaves a...open hole. We should correct the
7 whole thing, and it seems to me that this is a vehicle that should correct
8 it, both prospectively and retrospectively, to the time the
9 Constitution was adopted.

10 PRESIDING OFFICER: (SENATOR BRUCE)

11 Is there further debate? The question is, shall House Bill 674
12 pass? Those in favor vote Aye. Those opposed vote Nay. The voting
13 is open. Have all voted who wish? Take the record. On that question,
14 the Ayes are 54, the Nays are none, 2 Voting Present. House Bill 674
15 having received the constitutional majority is declared passed. House
16 Bill 676, Senator Berning. Read the bill, Mr. Secretary.

17 SECRETARY:

18 House Bill 676.

19 (Secretary reads title of bill)

20 3rd reading of the bill.

21 PRESIDING OFFICER: (SENATOR BRUCE)

22 Senator Berning.

23 SENATOR BERNING:

24 Thank you, Mr. President. Senate Bill 676 has been proposed by
25 the Illinois State Park Lodges themselves to legalize what in many
26 instances is being done already and very simply there are frequently
27 seminars or private parties held, and the present law prohibits
28 the sale of alcoholic beverages except while a person is seated and
29 with food served to that customer. Under the bill, which incidently
30 has been amended to meet the requirements of the Committee of
31 Agriculture, we've amended it back to the original hours of from noon
32 until 10:00 p.m. and have defined what a party is, namely ten or more
33 people. As amended, it will provide the authority for the operators

1 of State Parks to cater to groups such as our Legislative Commission,
2 for instance, who is interested in food and drink in other than the
3 regular dining room. This will be of some significance to insuring
4 a greater, profitable operation both to the operator and then ultimately
5 and to the State of our...of our State Parks. I would appreciate a
6 favorable roll call, Mr. President.

7 PRESIDING OFFICER: (SENATOR BRUCE)

8 Is there further debate? The question is, shall House Bill 676
9 pass? Those in favor vote Aye. Those opposed vote Nay. The voting
10 is open. Have all voted who wish? Take the record. On that question,
11 the Ayes are 42, the Nays are 5, 2 Voting Present. House Bill 676
12 having received the constitutional majority is declared passed. House
13 Bill 679, Senator Carroll. House Bill 682, Senator Newhouse. House
14 Bill 689, Senator Dougherty.

15 SECRETARY:

16 House Bill 689.

17 (Secretary reads title of bill)

18 3rd reading of the bill.

19 PRESIDING OFFICER: (SENATOR BRUCE)

20 Senator Dougherty.

21 SENATOR DOUGHERTY:

22 Thank...thank you, Mr. President. House Bill 689 amends the...the
23 pension fund of the employees of the Chicago Park District. It provides
24 that an annuitant will receive an increment of from 2% to 3% of each
25 year of retirement. It further provides the sum of $\frac{1}{2}$ of 1% or in other
26 words one full percent will be applied to the payment of this. It
27 increases the pension allowed so widows...up to a maximum of six
28 hundred dollars and has some changes in the insurance section. This
29 is the best funding system in the pension form. 85% funded, there is
30 no increase in public contribution to it, all on behalf of the
31 employee. This is good legislation, and I'd request a favorable roll
32 call.

33 PRESIDING OFFICER: (SENATOR BRUCE)

1 Is there further debate? Senator Berning.

2 SENATOR BERNING:

3 Thank you, Mr. President, I rise in support of this measure.
4 Senator...Senator Dougherty is correct. This is perhaps an out-
5 standing example of a finely operated and well funded operation. There
6 is, of course, the potential for a precedent contained in this bill,
7 and I just alert you that we may be confronted with that, and we'll
8 have to deal with that later, but this measure deserves the support
9 of all.

10 PRESIDING OFFICER: (SENATOR BRUCE)

11 Is there further debate? The question is, shall House Bill
12 689 pass? Those in favor vote Aye. Those opposed vote Nay. The
13 voting is open. Have all voted who wish? Take the record. On that
14 question, the Ayes are 54, the Nays are none, none Voting Present.
15 House Bill 689 having received the constitutional majority is declared
16 passed. House Bill 692, Senator Savickas.

17 SECRETARY:

18 House Bill 692.

19 (Secretary reads title of bill)

20 3rd reading of the bill.

21 PRESIDING OFFICER: (SENATOR BRUCE)

22 Senator Savickas.

23 SENATOR SAVICKAS:

24 Yes, Mr. President and members of the Senate. House Bill 692
25 revises the qualifications for the executive officer of the Board of
26 Health in a public health district. It provides for the authorization
27 for the Boards of Health to charge fees for health services and permits
28 boards to enter in contracts with political subdivisions and private
29 agencies for the purchase, sale, and delivery or exchange of health
30 services. It's...derived from the standard...Stickney Public Health
31 District, one of the four special districts, which is specifically
32 authorized as State law. The other public health districts exist in
33 Champaign-Urbana, East St. Louis, and Berwyn. I would just solicit your

1 favorable...

2 PRESIDING OFFICER: (SENATOR BRUCE)

3 Is there further debate? Senator Demuzio.

4 SENATOR DEMUZIO:

5 Question.

6 PRESIDING OFFICER: (SENATOR BRUCE)

7 He indicates that he will yield. Senator Demuzio.

8 SENATOR DEMUZIO:

9 Senator Savickas, this does not relate to the county health
10 departments in rural areas...in terms of the appointment of a...of
11 an official that is...qualified as a public health administrator.
12 Is that correct?

13 PRESIDING OFFICER: (SENATOR BRUCE)

14 Senator Savickas.

15 SENATOR SAVICKAS:

16 No, it doesn't interfere with any county health department...
17 at all. What it does...most...county health departments now operate
18 with appointed public health administrators providing medical
19 supervision by extenal sources, and this would...just...allow...for
20 that provision for public health districts.

21 PRESIDING OFFICER: (SENATOR BRUCE)

22 Senator Demuzio.

23 SENATOR DEMUZIO:

24 One other question and that is rural boards and...the kind of...
25 public health districts that you're talking about, could they not
26 have not entered into third party payment agreements prior to this
27 enactment of this legislation?

28 PRESIDING OFFICE: (SENATOR BRUCE)

29 Senator Savickas.

30 SENATOR SAVICKAS:

31 I can't...I didn't hear it.

32 PRESIDING OFFICER: (SENATOR BRUCE)

33 Would you repeat the question, please? Let's have some order.

1 Senator Demuzio.

2 SENATOR DEMUZIO:

3 Couldn't the public health districts have entered into contracts
4 with third party payers in...in the past?

5 PRESIDING OFFICER: (SENATOR BRUCE)

6 Senator Savickas.

7 SENATOR SAVICKAS:

8 Well, I'll read from my memo on it. It says currently the public
9 health boards are not able to collect payments from third party
10 payers. This includes payments from the Department of Public Aid
11 for medicheck services, funding for these services is on a cost
12 reimbursement basis according to a fee schedule which physicians,
13 hospitals or other health facilities provide normal charge...normally
14 charge the individual patient. So, they would be unable currently...
15 to collect payments from third party payers.

16 PRESIDING OFFICER: (SENATOR BRUCE)

17 Senator Demuzio.

18 SENATOR DEMUZIO:

19 Well, apparently, it...it...it really doesn't affect the rural
20 health departments. Apparently, it only affects the public health
21 districts that you stipulated, and apparently, there are only four,
22 and therefore, I'll support the bill.

23 PRESIDING OFFICER: (SENATOR BRUCE)

24 Is there further debate? The question is shall House Bill 692
25 pass? Those in favor vote Aye. Those opposed vote Nay. The voting
26 is open. Have all voted who wish? Take the record. On that question,
27 the Ayes are 57, the Nays are none, none Voting Present. House Bill
28 692 having received the constitutional majority is declared passed. Is
29 there leave to go to the order of Senate Bill 2nd reading. Leave
30 is granted. House...Senate Bill 554, Senator Rock. Well, perhaps
31 we can come back. This is an extraordinary order of business. Senate
32 Bill 555, Senator Don Moore. Read the bill. For what purpose does
33 Senator Davidson arise?

1 SENATOR DAVIDSON:

2 Since you just reverted that, I have a proposed amendment to
3 555 which I'd like to present to the sponsor and to the Secretary
4 before you get it moved.

5 PRESIDING OFFICER: (SENATOR BRUCE)

6 It is on the order of 2nd reading. The Secretary will read
7 the bill a second time.

8 SECRETARY:

9 Senate Bill 555.

10 (Secretary reads title of bill)

11 2nd reading of the bill. The Department...I mean...the Committee on
12 Appropriations offers one amendment.

13 PRESIDING OFFICER: (SENATOR BRUCE)

14 Senator Moore.

15 SENATOR MOORE:

16 Yes, I'll yield to the Chairman of the Appropriations Committee
17 on Amendment No. 1, Senator Hynes.

18 PRESIDING OFFICER: (SENATOR BRUCE)

19 Senator Hynes.

20 SENATOR HYNES:

21 Amendment No. 1 reduces the appropriation by...for operational
22 purposes by eight million eight hundred twenty-three thousand three
23 hundred fourteen dollars. The affect of the amendment is to remove
24 all new positions requested by the Department some five hundred. I
25 would move the adoption of the amendment.

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 Senator Hynes moves the adoption of Amendment No. 1 to House Bill...
28 Senat Bill 555. Is there discussion? Senator Wooten.

29 SENATOR WOOTEN:

30 Mr. President, I just want to be sure I...it removes all new
31 positions what...what kind of positions are they?

32 PRESIDING OFFICER: (SENATOR BRUCE)

33 Senator Hynes.

1 SENATOR HYNES:

2 All of the new positions requested by the Department.

3 PRESIDING OFFICER: (SENATOR BRUCE)

4 Senator Wooten.

5 SENATOR WOOTEN:

6 That includes case workers of which we are dramatically short in
7 our area?

8 PRESIDING OFFICER: (SENATOR BRUCE)

9 Senator Hynes.

10 SENATOR HYNES:

11 That includes all new positions requested by the Department. The
12 Department currently has approximately ten thousand employees. This
13 amendment would amount to a 6.2 percent cut in its operational budget
14 which is within the guidelines or close to the guidelines...the
15 Governor has requested, although this amendment was adopted prior to
16 any such announcement. The Department also has substantial flexibility
17 in its existing organization which would permit it to shift personnel
18 as the need would arise and it is our judgement, the unanimous judge-
19 ment of the committee, that this amendment is going to result in a
20 savings to the taxpayers and will not in any way impair the efficiency
21 of the operations of the Department of Public Aid.

22 PRESIDING OFFICER: (SENATOR BRUCE)

23 Senator Wooten.

24 SENATOR WOOTEN:

25 Well, the efficiency is already dramatically impaired, there
26 simply aren't enough people to...to do the kind of investigative
27 work...the big...the big problem of public aid is should we just
28 give people money or should we have people involved with trying to
29 solve problems. I...I don't know...it...as I look at the section in
30 our area, we're too short of competent people to make real judgements.
31 We're just throwing the money away. I don't know how you solve that,
32 but it seems to me that one of the things we needed were more people,
33 and that to just say we eliminate all new request, I'm not sure that's a

1 very prudent approach to take.

2 PRESIDING OFFICER: (SENATOR BRUCE)

3 Is there further discussion of Amendment No. 1? Senator Hynes
4 moves the adoption of Amendment No. 1 to Senate Bill 555. All in
5 favor say Aye. All opposed. The amendment is adopted. Any further
6 amendments?

7 SECRETARY:

8 Amendment No. 2 offered by Senator Davidson.

9 PRESIDING OFFICER: (SENATOR BRUCE)

10 Senator Davidson.

11 SENATOR DAVIDSON:

12 Mr. President, this is a Floor amendment, not a committee amend-
13 ment, and the reason behind this, this amendment reduces the general
14 systems budget in this Senate Bill by twenty-five million three hundred
15 eighty-four thousand one hundred dollars, and the reasoning behind this
16 amendment...amendment is this, the budget as proposed for this coming
17 fiscal year is based on a spending level of 15.7 million per month for
18 general assistance. Their first four months of this Calendar year
19 shows a spending level of 13 million plus. We got better than a 2 million
20 more per month that they've budgeted in and what they have
21 been spending in the first four months of when employment was supposed
22 to be at the highest and therefore, this twenty-five million is un-
23 necessary at this time, and if later in the year, something would
24 happen that we would have to address ourselves, fine, but by one
25 stroke of the pen by adopting this amendment, gentlemen, we can give
26 the Governor one sixteenth of this three hundred million dollar re-
27 duction in his proposed budget by adopting this amendment. Now the
28 general assistance program should go down, because based on the re-
29 determination of eligibility which they are just starting on, on
30 general assistance if it has any relation to what they found on the
31 ADC which was fifteen percent or more ineligible and now have it re-
32 duced to ten, this reduction might not even be enough. It could be
33 even additional moneys found if they do the reevaluation and take the

1 people off general assistance. Now, everybody I talked to out in the
2 public, they're upset about the people on general assistance who are
3 ineligible receiveing money, and this will certainly goad the Depart-
4 ment to adjust theirselves to reevaluation of the eligibility, and I
5 urge the adoption of the amendment which will reduce the budget by
6 twenty-five million three hundred and eighty-four thousand one hundred.

7 PRESIDING OFFICER: (SENATOR BRUCE)

8 Senator Davidson has moved the adoption of the amendment. Is
9 there discussion? I have on my list Senator Demuzio, Senator Kenneth
10 Hall, Senator Moore, Senator Hynes, Senator Netsch. Senator Demuzio.

11 SENATOR DEMUZIO:

12 Well, Mr. President, this amendment is...is such that...such
13 importance that I think that every member of the Senate ought to have
14 a copy of it and I think that I would have...five people on...at
15 least on this side of the aisle that would request a copy of this
16 amendment because it is a major propotion.

17 PRESIDING OFFICER: (SENATOR BRUCE)

18 Senator Demuzio has requested the amendment be printed and
19 distributed. Is he joined...Senator Demuzio.

20 SENATOR DEMUZIO:

21 Well, I withdraw my request.

22 PRESIDING OFFICER: (SENATOR BRUCE)

23 Senator Kenneth Hall. Senator Morris.

24 SENATOR MORRIS:

25 I...I just would like to ask the sponsor one question.

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 Indicates that he will yield. Senator Morris.

28 SENATOR MORRIS:

29 I read in the newspapers over the weekend that there has been
30 a court ruling that says that people will have the option of taking
31 public aid or unemployment compensation. I also read that according
32 to those figures there may be as much as one hundred dollars a month more

1 available to a family under public aid than under unemployment and I
2 want to ask the sponsor if he has taken this into consideration at all
3 in preparation of this amendment because I understand we won't be
4 back here after this next two weeks until sometime in October and I'd
5 like to know if he's considered this possibility.

6 PRESIDING OFFICER: (SENATOR BRUCE)

7 Senator Davidson.

8 SENATOR DAVIDSON:

9 Well, in response to Senator Morris' question, I'm reducing a
10 general assistance, not the ADC and the court ruling had to do with
11 aid to dependent children not with general assistance and they even
12 ...with what you say, I would be in error on the court ruling and I
13 don't believe I am. We'll be back here in October or November and you
14 certainly have more than enough money to run this Department until
15 we're back here in the winter.

16 PRESIDING OFFICER: (SENATOR BRUCE)

17 Senator Morris. Senator Hynes.

18 SENATOR HYNES:

19 Mr. President, would the sponsor yield to a question?

20 PRESIDING OFFICER: (SENATOR BRUCE)

21 Indicates that he will yield.

22 SENATOR HYNES:

23 Have you discussed, Senator Davidson, this amendment with the
24 Department of Public Aid?

25 PRESIDING OFFICER: (SENATOR BRUCE)

26 Senator Davidson.

27 SENATOR HYNES:

28 ...and if so what response did they give you?

29 PRESIDING OFFICER: (SENATOR BRUCE)

30 Senator Davidson.

31 SENATOR DAVIDSON:

32 No, I haven't discussed this with the Department of Public Aid
33 because the information was only given to me by our staff this morning

1 that they were budgeting two million plus more per month than what
2 they were spending and this gave me an opportunity to prepare this
3 amendment to remove the twenty-five million dollars and if they're
4 spending more...if they're asking for two million more per month than
5 what they're spending, the Department of Public Aid should be in favor
6 of this if they want to help get this three hundred million dollar
7 reduction in his budget.

8 PRESIDING OFFICER: (SENATOR BRUCE)

9 Gentlemen, can we have some order? Senator Harber Hall, Senator
10 Schaffer, the group behind Senator Davidson, we're having a lot of
11 conferences on going on the Floor. Senator Hynes.

12 SENATOR HYNES:

13 Have you...have you discussed it with the Chairman of the
14 Legislative Advisory Commission?

15 PRESIDING OFFICER: (SENATOR BRUCE)

16 Senator Davidson.

17 SENATOR DAVIDSON:

18 Went back and they gave it to him and he hasn't taken a position
19 yes or no and you'll have to...you'll have to ask the Chairman of the
20 Legislative Advisory Committee his position. I don't know.

21 PRESIDING OFFICER: (SENATOR BRUCE)

22 Senator Hynes.

23 SENATOR HYNES:

24 With leave, I would like to ask Senator Moore, who is also the
25 sponsor of the bill, what his position on this amendment is and what
26 their analysis indicates as to its merits.

27 PRESIDING OFFICER: (SENATOR BRUCE)

28 That is an extraordinary procedure. Is leave granted? Leave is
29 granted. Senator Hynes.

30 SENATOR HYNES:

31 That is the question. I simply would like to know the position
32 of the Commission.

33 PRESIDING OFFICER: (SENATOR BRUCE)

1 Senator Moore, Don Moore.

2 SENATOR DON MOORE:

3 Well, I haven't discussed this with the members of the Legislative
4 Advisory Committee on Public Aid, Senator Hynes. However, I...I do
5 feel that...with...particularly with the general assistance, we are
6 gaining more and more general assistance units that are being sub-
7 sidized by the State of Illinois because of the economy as it exists
8 today. We in the suburban Cook County and collar county areas, you
9 will see some of our townships that are going to have to be calling upon
10 the State when their funds are exhausted after the...after they use
11 up their one mil levy which they're required to levy in order to
12 qualify for State funds. I think that the question of coming back with
13 a possible deficiency in October, we're having a hard enough time as
14 it is getting deficiencies through. I predict that there will be a
15 deficiency to Senate Bill 555 before the end of this fiscal year. I
16 think that the Department in their computations anticipated a eight
17 percent unemployment rate throughout the entire fiscal year. They,
18 based upon going in on a two hundred and five thousand case load, in
19 the ADC for example, we're now about two hundred and twenty thousand
20 case load. I hate to disagree with my colleague, Senator Davidson, but
21 I do feel that...to take a slash of twenty-five million in the general
22 assistance would be ill-conceived at this particular time.

23 PRESIDING OFFICER: (SENATOR BRUCE)

24 Senator Hynes.

25 SENATOR HYNES:

26 Well, I would concur in that, Mr. President. It seems to me that
27 the trend has been the other way and if anything, our question should
28 be whether the budget, as presented, is adequate in terms of the grant
29 line items and I would resist this amendment and urge all members of
30 the Senate to do so.

31 PRESIDING OFFICER: (SENATOR BRUCE)

32 Is there further discussion of the amendment? Senator Davidson
33 has moved the adoption of Amendment No. 2. All in favor say Aye.

1 All opposed No. The Noes have it. The Amendment is defeated. Any
2 further amendments? 3rd reading. House Bill 1492, Senator Welsh.
3 Read the bill.

4 SECRETARY:

5 House Bill 1492.

6 (Secretary reads title of bill)

7 2nd reading of the bill. The Committee on Appropriations offers one
8 amendment.

9 PRESIDING OFFICER: (SENATOR BRUCE)

10 Senator Welsh moves the adoption of the amendment, Amendment
11 No. 1. Is there a discussion? All in favor say Aye. All opposed.
12 The amendment is adopted. Any further amendments? 3rd reading.
13 House Bill 1498, Senator Hynes. Senate Bill 554, Senator Rock.

14 SECRETARY:

15 Senate Bill 554.

16 (Secretary reads title of bill)

17 2nd reading of the bill. The Committee on Appropriations offers
18 three amendments.

19 PRESIDING OFFICER: (SENATOR BRUCE)

20 Senator Rock.

21 SENATOR ROCK:

22 Thank you, Mr. President and Ladies and Gentlemen of the Senate.
23 Senate Bill 554 is the appropriation for the ordinary and contingent
24 expenses of the Capital Bond Development Board. Amendment No. 1 re-
25 duces the appropriation by some 3.3 million dollars to reflect the
26 failure of passage of the Governor's accelerated building program.
27 There were built into this budget certain additional new jobs and
28 other administrative expenses which by virtue of failure of that pro-
29 gram rendered...rendered that portion of the bill unnecessary and I
30 would move the adoption of Amendment No. 1.

31 PRESIDING OFFICER: (SENATOR BRUCE)

32 Senator Rock moves the adoption of Committee Amendment No. 1.
33 Is there discussion? All in favor say Aye. All opposed Nay. The

1 amendment is adopted. Committee Amendment No. 2, Senator Rock.

2 SENATOR ROCK:

3 Thank you, Mr. President and Ladies and Gentlemen of the Senate.
4 I this morning spoke with the Executive Director of the Board. He
5 indicates that he is still in the position of speaking with both Senator
6 Hynes and Senator Weaver, the Minority Spokesman, with respect to
7 Amendment No. 2 which, in fact, is a reduction by 1.4 million dollars
8 to remove 73 new positions from the Board. He feels that this will
9 severely curtail the work of the Board and I...he is hopeful, as am
10 I, that there can be some lesser compromise worked out. In the mean-
11 time, to move the bill along, I would move the adoption of Amendment
12 No. 2.

13 PRESIDING OFFICER: (SENATOR BRUCE)

14 Senator Rock moves the adoption of Committee Amendment No. 2. All
15 in favor say Aye. All opposed Nay. The Ayes have it. The amendment
16 is adopted. Amendment No. 3.

17 SENATOR ROCK:

18 Amendment No. 3, Mr. President and Ladies and Gentlemen of the
19 Senate, reflects a reduction of some two hundred thousand dollars in
20 the line item of contractual services. There are a number of members
21 of the Committee who thought that the special consultants and the
22 legal consultants, there was a disagreement as to the amount again; I'm
23 told that the Executive Director is...still trying to effect a com-
24 promise with Senators Weaver and Hynes and in the meantime, I would
25 offer amendment...offer...move the adoption of Amendment No. 3.

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 Senator Rock has moved the adoption of Committee Amendment No. 3.
28 All in favor say Aye. All opposed Nay. The Ayes have it. The amend-
29 ment is adopted. Any further amendments?

30 SECRETARY:

31 Amendment No. 4 offered by Senator Fawell.

32 PRESIDING OFFICER: (SENATOR BRUCE)

33 Senator Fawell.

34 SENATOR FAWELL:

1 Yes, Mr. President. I've talked to Senator Rock, Senator Hynes,
2 also Senator Weaver and they do not have objection to this amendment.
3 It adds sixteen thousand eight hundred dollars and provides a two
4 hundred dollar appropriation per month for the board members of CDB.
5 It is the feeling of many people that board's work has increased
6 tremendously and I think that one reason why staff has more respon-
7 sibility than they perhaps should have is because the board members
8 aren't able to get away and perform as much...put as much time in it
9 as they would like to and I would move the adoption of Amendment No.
10 4.

11 PRESIDING OFFICER: (SENATOR BRUCE)

12 Senator Fawell moves the adoption of Amendment No. 4. Is there
13 discussion? All in favor say Aye. All opposed Nay. The Ayes have it.
14 The amendment is adopted. Any further amendments? 3rd reading.
15 Senate Bill 1502, Senator Kosinski. Senator Kosinski, do you wish to
16 advance the bill? Senate Bill 1503, Senator Nimrod. Read the bill.

17 SECRETARY:

18 Senate Bill 1503.

19 (Secretary reads title of bill)

20 2nd reading of the bill. No committee amendments.

21 PRESIDING OFFICER: (SENATOR BRUCE)

22 Any amendments from the Floor? 3rd reading. House...Senate
23 Bill 1504, Senator Carroll. 1504 Senate Equalization Program as
24 relates to Cook County. For what purpose does Senator Rock rise?

25 SENATOR ROCK:

26 I just did not want us to go by without moving 635 or get off
27 this order of business.

28 PRESIDING OFFICER: (SENATOR BRUCE)

29 Senator Carroll, do you wish to advance 1504? Read the bill.

30 SECRETARY:

31 Senate Bill 1504.

32 (Secretary reads title of bill)

33 2nd reading of the bill. No. committee amendments.

1 PRESIDING OFFICER: (SENATOR BRUCE)

2 Any...any amendments from the Floor? 3rd reading. Senate
3 Bill 1502, Senator Kosinski. Read the bill.

4 SECRETARY:

5 Senate Bill 1502.

6 (Secretary reads title of bill)

7 2nd reading of the bill. No committee amendments.

8 PRESIDING OFFICER: (SENATOR BRUCE)

9 Any amendments from the Floor? 3rd reading. Senate Bill 635,
10 Senator Rock.

11 SECRETARY:

12 Senate Bill 635.

13 (Secretary reads title of bill)

14 2nd reading of the bill. The Committee on Appropriations offers
15 fourteen amendments.

16 PRESIDING OFFICER: (SENATOR BRUCE)

17 Senator Rock.

18 SENATOR ROCK:

19 Thank you, Mr. President and Ladies and Gentlemen of the Senate.
20 Are you sure it's only fourteen? I have sixteen.

21 PRESIDING OFFICER: (SENATOR BRUCE)

22 Senator Rock, a question has been asked of the Chair. Are you
23 the same one that had Senate Bill 37...

24 SENATOR ROCK:

25 Senate Bill 37, that's correct.

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 Twenty amendments. Yes, we remember you. Fourteen amendments
28 the Secretary now informs me, Senator Rock. Senator Rock.

29 SENATOR ROCK:

30 Well, there were, in fact, two that were Tabled in Committee.
31 Now, I don't know how they were reported out of Committee. There
32 six...there should be sixteen separate entities. They don't come out of

1 committee when they're reported Tabled...

2 PRESIDING OFFICER: (SENATOR BRUCE)

3 The Secretary informs us they are not reported if Tabled in
4 committee.

5 SENATOR ROCK:

6 Alright. Well, then let's...why don't we start and see how much
7 progress we can make here. Amendment...

8 PRESIDING OFFICER: (SENATOR BRUCE)

9 Chair consents to that. Senator Rock.

10 SENATOR ROCK:

11 Amendment No. 1 deletes that paragraph that we are deleting from
12 all the appropriation bills which would render a...Federal money
13 available without...legislative appropriation. We are deleting that
14 provision that is, Amendment No. 1. I...I would move the adoption of
15 Amendment No. 1.

16 PRESIDING OFFICER: (SENATOR BRUCE)

17 Senator Rock moves the adoption of Amendment No. 1. All in favor
18 say Aye. All opposed Nay. The Ayes have it. The amendment is
19 adopted. Amendment No. 2, Senator Rock.

20 SENATOR ROCK:

21 Amendment No. 2, if I can just get the Secretary's attention,
22 this is the one that says, amends Senate Bill 635 on page 12 by de-
23 leting line 30 and inserting in lieu thereof the following. Is that
24 correct?

25 PRESIDING OFFICER: (SENATOR BRUCE)

26 That is correct.

27 SENATOR ROCK:

28 Alright this is...this is the amendment that breaks out the
29 fifty-three million dollar appropriation for purchase of care ser-
30 vices; breaks it down into foster homes, counselling, homemaker,
31 subsidized adoption. It just takes that lump sum and breaks it out
32 into line items. I would move its adoption.

33 PRESIDING OFFICER: (SENATOR BRUCE)

34 Senator Rock moves the adoption of Committee Amendment No. 2.

1 All in favor say Aye. All opposed Nay. The Ayes have it. The
2 Amendment is adopted. Amendment No. 3, Senator Rock.

3 SENATOR ROCK:

4 Amendment No. 3, this is the one, Mr. Secretary that says, amend
5 Amendment No. 2 by adding on...by deleting on line 7 two one six
6 three four hundred and inserting thereof two six six three. Is that
7 correct? This amendment adds an additional half a million dollars for
8 the line item entitled homemaker services and I would move the adoption
9 of Amendment NO. 3.

10 PRESIDING OFFICER: (SENATOR BRUCE)

11 Senator Rock moves the adoption of Committee Amendment No. 3.
12 All in favor say Aye. All opposed Nay. The amendment is adopted.
13 Amendment No. 4.

14 SENATOR ROCK:

15 Amendment No. 4 was, in fact, Tabled in Committee and let me see...
16 which...my amendment No. 4 says, amend Amendment No. 2 on line 5 by
17 deleting eighteen million and inserting in lieu twenty-five million.
18 Is that the way yours reads? Well, that's the one that was supposed
19 to have been Tabled...

20 PRESIDING OFFICER: (SENATOR BRUCE)

21 Senator Rock now moves to Table...

22 SENATOR ROCK:

23 I move to Table Amendment No. 4...

24 PRESIDING OFFICER: (SENATOR BRUCE)

25 Committee...Amendment No. 4. All in favor say Aye. Opposed
26 Nay. The Ayes have it. The amendment is Tabled. Amendment No. 5.

27 SENATOR ROCK:

28 Well, I might point out that was to be Tabled because No. 14 was
29 to be offered as a substitute amendment; that's the only reason for
30 Tabling it. Alright, Amendment No. 5 amends Senate Bill 635 on page 12,
31 line 8. Is that the one? Okay. This amendment adds 1.5 million dollars
32 to the day care line item to reflect the cost of living increase and
33 other increases sought by the day care people; I would move its adoption.

1 PRESIDING OFFICER: (SENATOR BRUCE)

2 Senator Rock moves the adoption of Amendment No. 5. All in
3 favor say Aye. All opposed Nay. The Ayes have it. The amendment
4 is adopted. Amendment No. 6.

5 SENATOR ROCK:

6 Amendment No. 6 is a lengthy amendment. It amends Senate Bill
7 635 on page 2 by inserting after line 17 the following and then there
8 is a whole list of the following. Is that correct? That amendment,
9 Amendment No. 6, I would, at this time, move to Table. There is a
10 substitute amendment to be offered later. I move to Table Amendment
11 No. 6.

12 PRESIDING OFFICER: (SENATOR BRUCE)

13 Senator Rock moves to Table Amendment No. 6. All in favor say
14 Aye. All opposed Nay. The Ayes have it. The amendment is Tabled.

15 SENATOR ROCK:

16 What we can do then, I will withdraw my...or reconsider the votes
17 by which Amendment No. 6 was Tabled. It is apparently No. 13 which
18 I presume to offer later has, in fact, already by the Committee Clerk
19 been substituted and does exactly what we wish it do so I would move
20 to reconsider the vote by which Amendment No. 6 was Tabled.

21 PRESIDING OFFICER: (SENATOR BRUCE)

22 Senator Rock has moved to reconsider the vote by which Amend-
23 ment No. 6 was Tabled. All in favor say Aye. All opposed Nay. The
24 Ayes have it. The motion to Table is reconsidered. Now, on the order
25 of Amendment No. 6.

26 SENATOR ROCK:

27 Amendment No. 6, Mr. President and Ladies and Gentlemen of the
28 Senate, line item appropriates Federal funds which are...which come
29 to the Department. The difference between 6 as originally offered
30 and what was later to be called 13, was that there was...the Depart-
31 ment wished to include an additional 1.5 million dollars which the
32 Federal government says sometime in futural may or may not be avail-
33 able; we do not appropriate on an if come basis so we deleted the
34 1.5 million dollars, but what this does is take the Federal money we

1 which we are sure we are to receive from the Federal government and
2 appropriate it by line item. I would move the adoption of Amendment
3 No. 6.

4 PRESIDING OFFICER: (SENATOR BRUCE)

5 Senator Rock moves the adoption of Amendment No. 6. All in favor
6 say Aye. All opposed Nay. The Ayes have it. The amendment is
7 adopted. Amendment No. 6...7.

8 SENATOR ROCK:

9 Amendment No. 7, Mr. Secretary, amends Senate Bill 635 on page 1
10 be deleting lines 31 and 32. Is that correct? This amendment breaks
11 out by line item the appropriation for electronic data processing and
12 expenses for the Tri-Agency's Children's Program at the Tinley Park
13 Mental Health Center. It involves no net increase or decrease of
14 moneys; simply breaks it out in a line item; I would move the adoption
15 of Amendment No. 7.

16 PRESIDING OFFICER: (SENATOR BRUCE)

17 Senator Rock moves the adoption of Amendment No. 7. All in favor
18 say Aye. All opposed Nay. The Ayes have it. The amendment is adopt-
19 ed. Amendment No. 8.

20 SENATOR ROCK:

21 Amendment No. 8, Mr. Secretary, amends Senate Bill 635 on page 3,
22 line 10 by deleting sixteen million...million and inserting in lieu
23 thereof sixteen one forty. Is that correct? Amendment No. 8, Mr.
24 President, involves a reduction in the budget of eight hundred and
25 twenty-five thousand dollars out of the area offices and this is the
26 cut that involves approximately seventy of the two hundred and thirty-
27 two...requested new positions. I would move the adoption of Amendment
28 No. 8.

29 PRESIDING OFFICER: (SENATOR BRUCE)

30 Senator Rock moves the adoption of Amendment No. 8. All in favor
31 say Aye. All opposed Nay. The Ayes have it. The amendmet is adopted.
32 Amendment No. 9.

33 SENATOR ROCK:

34 Amendment No. 9 was again supposed to have been Tabled in Committee.

1 Was it in fact Tabled? It was not. Alright, Amendment No. 9 is...
2 amends Senate Bill 635 on page 9 line 21 by deleting 1.5 million and
3 inserting in lieu thereof 1.3 million. Is that correct? This is the
4 amendment that relates to the...to the Veteran's Home. There was...
5 there is a subsequent amendment which...which is to take its place both
6 technically and substantively. I would move to Table Amendment No. 9.

7 PRESIDING OFFICER: (SENATOR BRUCE)

8 Senator Rock moves to Table Amendment No. 9. All in favor say...
9 Senator Weaver.

10 SENATOR WEAVER:

11 Well, Senator Rock, do you intend to delete these 22 new employees
12 then in a subsequent amendment?

13 PRESIDING OFFICER: (SENATOR BRUCE)

14 Senator Rock.

15 SENATOR ROCK.

16 No.

17 PRESIDING OFFICER: (SENATOR BRUCE)

18 Senator Weaver.

19 SENATOR WEAVER:

20 So you're going to allow them...I would resist this Tabling then.

21 PRESIDING OFFICER: (SENATOR BRUCE)

22 ...Senator Rock.

23 SENATOR ROCK.

24 Senator Weaver was in committee when Senator Egan offered Amend-
25 ment No., what I thought was 16, I called it...amendment no. next, but
26 what it did was restore...of the twenty-two positions cut under Amend-
27 ment 9, Amendment No. 16 restored seventeen of those, and so the net
28 reduction is five people.

29 PRESIDING OFFICER: (SENATOR BRUCE)

30 Senator Weaver.

31 SENATOR WEAVER:

32 Well, my understanding, Senator Rock, was that these are twenty-
33 two new and vacant positions, and you're saying there's just five.

1 PRESIDING OFFICER: (SENATOR BRUCE)

2 Senator Rock.

3 SENATOR ROCK:

4 Under Amendment No. 9 as offered. The Amendment No. 9 as offered
5 did, in fact, cut twenty-two new and vacant positions from the Veteran's
6 Home in Quincy. There was some subsequent discussion and uproar,
7 frankly, and Amendment No. 16 was offered at the next week's meeting
8 by Senator Egan, and what it did, after much discussion, there was a
9 agreed amendment, No. 16, which...which, in fact, reduced by five the
10 number 5 people instead of twenty-two. Okay?

11 PRESIDING OFFICER: (SENATOR BRUCE)

12 Excuse my, Gentlemen, we are now getting a tremendous amount of
13 conferences on the Floor. Senator Weaver, do you have further dis-
14 cussion? Senator Rock has moved to Table Amendment No. 9. All in
15 favor say Aye. All opposed Nay. The Ayes have it. The amendment is
16 Tabled. Amendment No. 10.

17 SENATOR ROCK:

18 Amendment No. 10....

19 PRESIDING OFFICER (SENATOR BRUCE)

20 There's been a request for a roll call on the Tabling of Amend-
21 ment No. 9. I think that we should be provided since we're not paying
22 a great deal of attention. Senator Rock has moved to Table Amendment
23 No. 9. Senator Rock. Senator Rock.

24 SENATOR ROCK:

25 Just so long as everybody will understand what, in fact, we are
26 talking about. Amendment No. 9 is originally proposed by the members
27 of the committee, would have amended on page 9 of Senate Bill 635 the
28 portion with respect to the Illinois Veteran's Home, and the Amendment
29 No. 9 would have cut twenty-two new and vacant positions at the Veteran's
30 Home. It also cut contractual, the line item for contractual services
31 and equipment, at the Veteran's Home and at the Illinois Childrens
32 Hospital School. I am now moving to Table Amendment No. 9, just so
33 everybody understands what we're doing.

1 PRESIDING OFFICER: (SENATOR BRUCE).

2 Senator Egan.

3 SENATOR EGAN:

4 Thank you, Mr. President and members of the Senate. Just to
5 make it absolutely clear that what we're doing as a...Senator Weaver,
6 you were in Committee when...when this discussion took place and you
7 know the intention of the members of the Committee. The intention
8 was clearly to restore seventeen of the requested vacancies and new
9 positions for the reason that the Soldier's and Sailor's Home is
10 running down and they have to have them. The reason that that is
11 because there was an upgrading of the positions that were filled by
12 the professional staff, nursing staff, and many of those upgrading
13 positions which...was necessitated as a result of the...of the...of
14 the increased aids of the...of the residents. They had to pay those
15 people more money as a result of the upgrading. That left them a
16 deficiency in their budget. They did not choose to come in for a
17 deficiency. They rather asked for those positions in this new budget.
18 So it is not entirely correct that they are new positions. And further-
19 more, either we are going to close down the Soldier's and Sailor's Home
20 or we're going to fund it properly, Senator Weaver. This is essential
21 to those people. They can't...they don't have enough people to cut
22 the grass, and I was urged to defeat of this motion to Table...I
23 would urge the...the adoption of the motion to Table the Amendment...

24 PRESIDING OFFICER: (SENATOR BRUCE)

25 Senator Knuppel.

26 SENATOR EGAN:

27 ...so that we can add the proper amendment later.

28 PRESIDING OFFICER: (SENATOR BRUCE)

29 Senator Knuppel.

30 SENATOR KNUPPEL:

31 Well, the Soldier's and Sailor's Home is in my district, and I
32 agree 100% with everything that Senator Egan and Senator Rock has said.
33 This is not something that...that can be cut out and maintain the kind of

1 services...the services have deteriorated at the Soldier's and Sailor's
2 Home to such an extent that there...there's ongoing investigations
3 both by Republican Representatives and Democratic Representatives
4 with respect to the way this is being conducted. They need these funds.

5 PRESIDING OFFICER: (SEANTOR BRUCE)

6 Is there further debate? Senator Latherow.

7 SENATOR LATHEROW:

8 Thank you, Mr. President. I'd just like to recognize that there
9 is...is something that needs to be done at Soldier's and Sailor's Home
10 it's been doing nothing but deteriorating both in service and in other
11 activities during the last couple of years, and I want to see some
12 additional help go in there to take care of it and get things going
13 like they should be for the veterans and their families.

14 PRESIDING OFFICER: (SENATOR BRUCE)

15 Senator Hynes.

16 SENATOR HYNES:

17 Mr. President, I rise in support of Senator's Rock motion to
18 Table. The net affect of Tabling this amendment and then a subsequent
19 adoption of the amendment offered by Senator Egan will be a reduction
20 of five positions. A reduction that we think is reasonable and under
21 all of the circumstances. This amendment was too harsh, in our judge-
22 ment, based upon the testimony received in the committee, and it ought
23 to be Tabled.

24 PRESIDING OFFICER: (SENATOR BRUCE)

25 Is there further debate? Senator Weaver.

26 SEANTOR WEAVER:

27 Well, Mr. President, I think it should be pointed out that we have
28 given them about fifty-nine new employees over there, and be reducing
29 it by five, we're still giving them fifty-four new employees, and so
30 these twenty-two vacancies were not filled all year last year and...
31 we've...we've added to the nurse...nursing staff to take care of the
32 government programs on Medicare and Medicaid, and...I just see no reason to

1 Table this Amendment No. 9, and I would resist.

2 PRESIDING OFFICER: (SENATOR BRUCE)

3 Senator Rock may close.

4 SENATOR ROCK:

5 Well, I'm...I'm frankly appalled. I...I don't see Senator Mitchler
6 on the Floor, but I'm sure that the...oh, there he is, okay. After much
7 to do and the fact that the veterans came down upon us with both feet,
8 there was a compromise agreed amendment, at least we thought it was
9 agreed, and thus it was the consensus of the committee that Amendment
10 No. 9, as offered and adopted originally in the committee, should be in
11 fact be Tabled, and I am making that motion and renewing it at this
12 point, I move to Table Amendment No. 9.

13 PRESIDING OFFICER: (SENATOR BRUCE)

14 Senator Rock has moved to Table Committee Amendmetn No. 9 to
15 Senate Bill 635. Those in favor vote Aye. Those opposed vote Nay.
16 The voting is open. Have all voted who wish? Take the record. On that
17 question, the Ayes are 37, the Nays are 18. The motion to Table...
18 having received the majority vote is...is adopted. Amendment No. 10,
19 Senator Rock.

20 SENATOR ROCK:

21 Thank you, Mr. President. Amendment No. 10, Mr. Secretary, begins
22 by amending Senate Bill 635 on page 10 by deleting lines 30 to...
23 through 35. Is that correct? This amendment removes the seventy-two
24 thousand dollars proposed for the Evelyn Edwards Center which the de-
25 partment has indicated by agreement it wishes to phase out and close.
26 The money is simply not necessary. I would move the adoption of Amend-
27 ment No. 10.

28 PRESIDING OFFICER: (SENATOR BRUCE)

29 Senator Rock moves the adoption of Amendment No. 10...is there
30 discussion? All in favor say Aye. All opposed Nay. They Ayes have
31 it. The amendment is adopted. Amendment No. 11.

32 SENATOR ROCK:

33 Thank you, Mr. President. Mr. Secretary, Amendment No. 11 would

1 amend Amendment No. 7 to Senate Bill 635 on line 8. Is that correct?
2 This amendment was offered and adopted in committee, it merely corrects
3 a typographical error. It changes the...number...the...number 7 to
4 the correct number 1, and I would move its adoption.

5 PRESIDING OFFICER: (SENATOR BRUCE)

6 Senator Rock moves the adoption of Committee Amendment No. 11.
7 Is there discussion? All in favor say Aye. All opposed Nay. The
8 Ayes have it. The amendment is adopted. Amendment No. 12.

9 SENATOR ROCK:

10 Thank you, Mr. President and Ladies and Gentlemen of the Senate.
11 Amendment No. 12, Mr. Secretary, reads amend Amendment No. 2 to Senate
12 Bill 635 on line 9 by deleting and then there are certain deletions.
13 The sum and substance of this amendment is a net addition dollar wise
14 of sixty-four thousand dollars. There are some...transfer between line
15 items and what we come up with is...a line item called services to
16 unmarried mothers in the amount of six hundred and fifteen thousand
17 dollars. There was no objection. This was at the request of the de-
18 partment, and I would move the adoption of Amendment No. 12.

19 PRESIDING OFFICER: (SENATOR BRUCE)

20 Senator Rock moves the adoption of...No. 12. Is there discussion?
21 All in favor say Aye. All opposed Nay. The Ayes have it. The amend-
22 ment is adopted. Any...Amendment No. 13.

23 SENATOR ROCK:

24 Well, my 13 is going to be or my 14, I guess it would be your 13, it
25 would be amend Amendment No. 2 to Senate Bill 635 on page 1 line 5. Is
26 that correct? Is that the one we're talking about? By deleting eight-
27 een million and inserting in lieu thereof twenty-three million. This
28 is the increase for foster care. Is that correct, in the amount of five
29 million dollars? It would...it had come to the attention...I think
30 this amendment is also agreed; it had come to the...the attention to
31 certain members of the committee, and frankly, last year with Senator
32 Schaffer and Knuepfer, that the foster parents of our State were being
33 short...shortchanged in...in...inasmuch as they were required to...pay

1 out-of-pocket for foster care. This...this amendment adds five
2 million dollars and attempts to remedy that. I would move the
3 adoption of Amendment No. 13.

4 PRESIDING OFFICER: (SENATOR BRUCE)

5 Senator Rock moves the adoption of Amendment No. 13. All in
6 favor say Aye. All...opposed Nay. The Ayes have it. The amendment
7 is adopted. Amendment No. 14, Senator Rock.

8 SENATOR ROCK:

9 Amendment No. 14, I believe, was that offered by Senator Shapiro,
10 if I am not mistaken. That would read, Mr. Secretary, amend Senate Bill
11 635 on page 1 line 13 by deleting two million nine and inserting in lieu
12 thereof two million seven. Is that correct? This is No. 14. Amend-
13 ment No. 14 reflects a five percent cut in the department's central
14 administrative budget. This was offered on Wednesday afternoon prior
15 to the Governor's budget address. The department cannot, at this point,
16 have...have any objection. I would move the adoption of Amendment
17 No. 14.

18 PRESIDING OFFICER: (SENATOR BRUCE)

19 Senator Rock moves the adoption of Amendment No. 14. All in
20 favor say Aye. All opposed Nay. The amendment...the Ayes have it.
21 The amendment is adopted. Amendment No. 15.

22 SECRETARY:

23 Amendment No. 15 offered by Senator Egan.

24 PRESIDING OFFICER: (SENATOR BRUCE)

25 Is Senator Egan on the Floor? Amendment No. 15, Senator Egan,
26 under consideration.

27 SENATOR EGAN:

28 Yes, thank you, Mr. President and members of the Senate. We just
29 spoke at length about what this amendment does and let me just clarify
30 it even further. The...the...exactly how many new positions...these
31 are the vacant positions, I...I can't tell you at this moment. But
32 what this amendment will do will cut back from the request the total
33 number of five jobs that we felt were not necessary. Now, those jobs

1 that we feel are necessary are not only necessary, they're essential
2 to the completion of the work that is necessary just to keep that
3 Soldier's and Sailor's Home going. They are more professional nursing
4 cares that are...nursing care necessary because the increase and the
5 years that these people are...

6 PRESIDING OFFICER: (SENATOR BRUCE)

7 Excuse me, Senator Egan. We seem to be...it we could break up
8 a lot of the conferences that are occurring on the Floor? We seem to
9 have a lot of activity to the left of the Chair. Senator Egan.

10 SENATOR EGAN:

11 Yes, that...that Home has been there since the Spanish American
12 War, and...at that time, people didn't live until they were ninety-
13 five and a hundred years old. As a result, we have had a lot more
14 work to do there. Now, either we're going to close down the...
15 Soldier's and Sailor's Home or we are going to fund it properly so
16 they can keep it operating, and I would urge the adoption of Amend-
17 ment No. 15.

18 PRESIDING OFFICER: (SENATOR BRUCE)

19 Senator Egan moves the adoption of Amendment No. 15. All in
20 favor say Aye. All opposed Nay. The Ayes have it. The amendment is
21 adopted. Amendment No. 16. Any further amendments? Senator Weaver.

22 SENATOR WEAVER:

23 I'm asking that one be drafted. Senator Rock, would you be willing
24 to bring it back tomorrow? Thank you.

25 PRESIDING OFFICER: (SENATOR BRUCE)

26 He indicates he will. Senator Rock, did you seek recognition?
27 Senator Rock.

28 SENATOR ROCK:

29 Well, Senator...Senator Graham had indicated that he might have a
30 proposed amendment, I will agree at this time formally to have it moved
31 with the understanding that it can be called back and will be called
32 back.

33 PRESIDING OFFICER: (SENATOR BRUCE)

1 For what purpose does Senator Morris arise? Oh...on...on 635...
2 any further amendments? Third reading. Senator Morris.

3 SENATOR MORRIS:

4 On Senate Bill 635, I can recall the last bill that Senator Rock
5 added several amendments to, we were able to get it consolidated into
6 a more readable form. I wonder if it would possible that we have this
7 in a more readable form prior to the time we vote on it on third
8 reading. From what it says in the Calendar and what the bill now
9 apparently does is a great amount of difference, and I'd like to be
10 able to see what I am voting on in detail.

11 PRESIDING OFFICER: (SENATOR BRUCE)

12 The correct amount will be shown on tomorrow's Calendar. The
13 bill could go to Enrolling and Engrossing, but it would require
14 additional printing. ...If that is your request, we can request the
15 Secretary that it be sent to Enrolling and Engrossing and be sent to
16 us in its enrolled and engrossed form. Senator Partee.

17 SENATOR PARTEE:

18 Well now, I understand what the gentleman said, but now this is
19 a precedent which if you start is going to...just going to cause a lot
20 of confusion when we get right near the end. Suppose somebody has that
21 same request two days before we are to get out here and you don't get
22 the bill back and then you have an obligation to do the same thing.
23 What I plan to do is to get a copy of all the amendments together, look at
24 them, and look at them with the bill, and then I will have a judgement
25 as to what the bill contains, and I think anybody else who wants to can
26 do that. But for us to take the bill and to print it again with all
27 these new amendments, I think is...an expense that we can avoid.

28 PRESIDING OFFICER: (SENATOR BRUCE)

29 Perhaps when you get that...that copy prepared, a copy could be
30 transmitted to Senator Morris; that way we would both have...Senator
31 Rock.

32 SENATOR ROCK:

33 Well, I think once the fifteen amendments are gone over by anyone

1 of the members and the staff certainly has gone over them as have I
2 and the department, I think the net dollar change from the
3 hundred and thirteen million as introduced is less than four million
4 dollars. There were a lot of breakouts into line items where...where
5 the bill as introduced merely contained the lump sums. I don't think
6 the dollar amount is that...varies that greatly. Sure...I'd be...you
7 know...no problem.

8 PRESIDING OFFICER: (SENATOR BRUCE)

9 All amendments, the Secretary tells me, increases it by four million
10 four hundred and ten thousand dollars. For what purpose does Senator
11 Sommer arise?

12 SENATOR SOMMER:

13 Mr. President and members, as a matter of personal privilege.
14 I'd like to call to the attention of the members the presence of our
15 former colleague, Senator Ed Scholl, a good friend of ours and a former
16 colleague.

17 PRESIDING OFFICER: (SENATOR BRUCE)

18 Is recognized and always welcome in the Senate. Senate Bills on
19 3rd reading. Senate Bill 347, Senator Hynes. Senator Harber Hall
20 for what purpose do you arise?

21 SENATOR HARBER HALL:

22 Mr. President and fellow Senators, in the south...gallery immediately
23 to my rear, there is quite a gathering of young people who are
24 exchange students from the Country of Germany, the City of Rhinehausen.
25 I would like to have you see them and they see you as they watch our
26 legislative process in the State Senate. Would you please stand,
27 folks, from Germany?

28 PRESIDING OFFICER: (SENATOR BRUCE)

29 We would ask that they stand and be recognized by the State
30 Senate.

31 SENATOR HARBER HALL:

32 The leader comes from Senator Merritt's district, and we are
33 certainly glad to have her bring them down here to see our process.

34 PRESIDING OFFICER: (SENATOR BRUCE)

1 Senate Bill 347, Senator Hynes. Senator Hynes.

2 SENATOR HYNES:

3 I would ask leave, Mr. President, to bring it back to the order
4 of 2nd reading for the purpose of an amendment.

5 PRESIDING OFFICER: (SENATOR BRUCE)

6 Is...is leave granted? Leave is granted. 2nd reading.

7 SENATOR HYNES:

8 Before the amendment is offered if I may explain, we adopted
9 Amendment No. 2 which restored part of the personal services money
10 reduced. I proposed to Table that...reconsider the vote and Table
11 that amendment and offer Amendment No. 3 which would restore an
12 additional twenty-three thousand dollars. This will fund for the full
13 year two positions that are already on board at the...the agency and
14 have been there for two years. There are only seven employees in this
15 agency total, so I would move to reconsider the vote by which Amendment
16 No. 2 was adopted to Senate Bill 347.

17 PRESIDING OFFICER: (SENATOR BRUCE)

18 Senator Hynes moves to reconsider the vote by which Amendment
19 No. 2 was adopted. All in favor say Aye. All opposed Nay. The Ayes
20 have it. The amendment is...the vote by which the amendment was
21 adopted is reconsidered. Now, Senator Hynes moves to Table Amendment
22 No. 2. All in favor say Aye. All opposed Nay. The Ayes have it.
23 The amendment is Tabled. Amendment No. 3, Senator Hynes.

24 SENATOR HYNES:

25 This amendment, as I indicated, would restore the funds for the
26 full year for those two positions. I would move its adoption.

27 PRESIDING OFFICER: (SENATOR BRUCE)

28 Senator Rock moves the adoption of Amendment No. 3. All in favor
29 say Aye. All opposed Nay. The Ayes have it. The amendment is adopted.
30 Any further amendments? 3rd reading. Senate Bill 477. Senator Hynes,
31 Secretary's questions is do you plan to call this after intervening
32 business? Senate Bill 477, Senator Egan.

33 SENATOR EGAN:

1 Thank you, Mr. President and members of the Senate. I would
2 ask leave to bring the bill back to the order of 2nd reading for
3 amendment.

4 PRESIDING OFFICER: (SENATOR BRUCE)

5 Is leave granted? Leave is granted. The bill is on 2nd reading.
6 Senator Egan.

7 SENATOR EGAN:

8 Senator Hynes has an amendment.

9 PRESIDING OFFICER: (SENATOR BRUCE)

10 Senator Hynes.

11 SECRETARY:

12 Amendment No. 18 offered by Senator Hynes.

13 PRESIDING OFFICER: (SENATOR BRUCE)

14 Senator Hynes.

15 SENATOR HYNES:

16 This amendment would remove an additional four hundred fifty
17 thousand dollars from the appropriation bill. It would eliminate the
18 line item for purchase of telephone systems out of general revenue fund
19 money. In view of the financial pinch that the State is now feeling, it
20 is...it is our judgement that this item is not sufficiently substantial
21 and important enough in nature to remain in the budget, and I, therefore,
22 move the adoption of Amendment No. 18.

23 PRESIDING OFFICER: (SENATOR BRUCE)

24 Senator...Hynes moves the adoption of Amendment No. 18. All in
25 favor say Aye. All opposed Nay. The Ayes have it. The amendment is
26 adopted. Any further amendments?

27 SECRETARY:

28 Amendment No. 19 offered by Senator Howard Mohr...by Senator
29 Weaver I'm told now.

30 PRESIDING OFFICER: (SENATOR BRUCE)

31 Senator Weaver.

32 SENATOR WEAVER:

33 Thank you, Mr. President. This amendment would remove some of the

1. new people in this budget, a total reduction of three hundred and
2. eighteen thousand eight hundred and ninety dollars. If there is any
3. question on all ... on any of them, I can break it out into various
4. categories. Real estate division, five new stationary engineers in FY '76,
5. one radio communication consultant, one switchboard operator, and down
6. in EDP, the Department requested a hundred and forty-six thousand, eight
7. hundred for ten new people in FY '76. The amendment has already been
8. adopted and reduces this request by fifty-seven thousand. This takes
9. out the remaining new people, a hundred thousand seven hundred and fifty-
10. five dollars. In OSA the General Service request a million...thirty-
11. two thousand eight hundred. This brings the appropriation down to last
12. year's level...with inflation considered, so it's a total reduction of
13. three hundred and eighteen thousand eight hundred and ninety dollars.

14. PRESIDING OFFICER: (SENATOR BRUCE)

15. Senator Weaver moves the adoption...

16. SENATOR WEAVER:

17. I move its adoption.

18. PRESIDING OFFICER: (SENATOR BRUCE)

19. ...of Amendment No. 19 to Senate Bill 477. Is there discussion?

20. Senator Egan.

21. SENATOR EGAN:

22. Yes, Mr. President and members of the Senate. Let me say, Senator
23. Weaver, that I fully respect your attempt here and ... I just hink, how-
24. ever, that you're just slightly misdirected. We have already cut from
25. this budget four hundred thousand dollars of old jobs, and ... it brings
26. ... this amendment would bring this budget far below the fiscal year '75
27. appropriation. And I'll tell you, not all these jobs are new. You...
28. you are cutting out of the budget, for example, a nurse's job in the State
29. of Illinois in Chicago. Now, that nurse, ... heretofore, has been paid
30. from another department. I believe Public Health. So, you are going to
31. eliminate that job when it is not really new, it is only a new transfer.
32. Now, we're talking about cuts over the entire budget so that

1 we can accommodate the Governor in his request but that is not to
2 say that we must do it indiscriminately and I would think unreasonably.
3 Also, as you know, the new State Office Building has to be manned in
4 East St. Louis and if we don't offer enough help to keep that build-
5 ing going the building is liable to collapse. You've got a few new
6 jobs in the Architect's Department that...are an absolute necessity
7 when they transfer back from the Capital Development Fund...Department.
8 And so I would say, Senator Weaver, that...your attempt here to cut below
9 the two million dollars that we have already cut, and pared, and squeezed
10 is totally rejectionable by myself and I hope my colleagues and I
11 would urge that the motion to adopt this amendment is defeated because
12 it's really a grandstand.

13 PRESIDING OFFICER: (SENATOR BRUCE)

14 Senator Hynes.

15 SENATOR HYNES:

16 I would join Senator Egan in opposition to this amendment. I will
17 say that the last portion of the amendment, frankly, I...I know where
18 it comes from. It...it basically arises out of the testimony we had on
19 the Capital Development Board Appropriation in committee the other day.
20 There might be some merit in that part, but it was our judgement, at this
21 late date in the Session, this is a Senate Bill and it has to be moved
22 out of here. But the...the entire amendment, we simply cannot accept,
23 and there will be an opportunity subsequently in the House if...if adjust-
24 ments are necessary on that one item. So, I would urge members to
25 oppose this amendment.

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 The...Senator Weaver may close.

28 SENATOR WEAVER:

29 Thank you, Mr. President. Well, I just would like to reiterate
30 that all of these people affected in this amendment are new people and
31 that the ninety-two thousand five hundred down in the Architect's
32 Office certainly should be cut. I...I could...maybe go along with
33 keeping the five new stationary engineers as far as a new building is

1 concerned but all the rest of them should...should be cut by this
2 amendment or by an amendment in the House and we'll so advise the
3 House.

4 PRESIDING OFFICER: (SENATOR BRUCE)

5 Senator Weaver moves the adoption of Amendment No. 19 to Senate
6 Bill 477. All in favor say Aye. All opposed Nay. The Nays have it.
7 The amendment is defeated. Any further amendments? 3rd reading.
8 Senate Bill 478, Senator Knuppel. Senate Bill 556, Senator Palmer.
9 Read the bill. Senator Palmer.

10 SENATOR PALMER:

11 We are on 3rd reading, aren't we?

12 PRESIDING OFFICER: (SENATOR BRUCE)

13 That is correct, Senator Palmer.

14 SENATOR PALMER:

15 I would like to move this bill...leave to move it to second
16 reading for the purpose of Tabling an Amendment, No. 3 and also for
17 Senator Weaver has a...an amendment to offer.

18 PRESIDING OFFICER: (SENATOR BRUCE)

19 Senator Palmer asks leave to return Senate Bill 556 to the order
20 of 2nd reading. Is leave granted? Leave is granted. Senator
21 Weaver...Senator Palmer now moves to reconsider the vote by which
22 Amendment No. 3 was adopted...

23 SENATOR PALMER:

24 ...I yield to Senator Savickas who'll move to Table Amendment No. 3.

25 PRESIDING OFFICER: (SENATOR BRUCE)

26 Well...the proper motion would be to move to reconsider the vote by
27 which Amendment No. 3 was adopted. Senator Savickas so moves. All in
28 favor say Aye. All opposed Nay. The Ayes have it. The...amendment
29 is reconsidered. Now, Senator Savickas will move to Table Amendment
30 No. 3. All in favor say Aye. All opposed Nay. The Ayes have it.
31 The amendment is Tabled.

32 SECRETARY:

33 Amendment NO. 8 offered by Senator Weaver.

1 PRESIDING OFFICER: (SENATOR BRUCE)

2 Senator Weaver.

3 SENATOR WEAVER:

4 Thank you, Mr. President. This amendment would reduce the
5 Public Health Budget by five hundred thousand four hundred and
6 seventy-eight dollars. This is a phase...a phase in amendment which
7 would allow them phasing in certain new employees, it's not the
8 amendment that I initially wanted to introduce but I would move its
9 adoption. If anybody has any questions, I'd be glad to try to answer
10 them.

11 PRESIDING OFFICER: (SENATOR BRUCE)

12 Senator Weaver moves the adoption of Amendment No. 8. Is there
13 discussion? Senator Demuzio.

14 SENATOR DEMUZIO:

15 Senator Weaver yield to a question?

16 PRESIDING OFFICER: (SENATOR BRUCE)

17 He indicates that he will yield. Senator Demuzio.

18 SENATOR DEMUZIO:

19 Senator Weaver, does this amendment do anything to reduce the
20 grants to local health departments?

21 PRESIDING OFFICER: (SENATOR BRUCE)

22 Senator Weaver.

23 SENATOR WEAVER:

24 No, it doesn't affect the grants' Section, Senator.

25 PRESIDING OFFICER: (SENATOR BRUCE)

26 Senator Demuzio.

27 SENATOR DEMUZIO:

28 This amendment then only deals with the...with the...directly with
29 the Department of Public Health and its administration?

30 PRESIDING OFFICER: (SENATOR BRUCE)

31 Senator Weaver.

32 SENATOR WEAVER:

33 Just the operations.

1 PRESIDING OFFICER: (SENATOR BRUCE)

2 Any further...further discussion? Senator Hynes.

3 SENATOR HYNES:

4 I would rise in support of this amendment. We previously
5 eliminated many of the amend almost all of the new positions in the
6 department except for those very few that we consider to be critical
7 and mandated by existing legislation. This amendment will impose a
8 reasonable phase in plan on the department and I think it is a good
9 amendment.

10 PRESIDING OFFICE: (SENATOR BRUCE)

11 Senator Weaver moves the adoption of Amendment No. 8. All in
12 favor say...Senator...Senator Demuzio.

13 SENATOR DEMUZIO:

14 Senator Weaver, does this include...the staff positions...the...
15 the State Department of Comprehensive Health Planning since they are
16 being phased into the Department of Public Health?

17 PRESIDING OFFICER: (SENATOR BRUCE)

18 Senator Weaver.

19 SENATOR WEAVER:

20 No Sir.

21 PRESIDING OFFICER: (SENATOR BRUCE)

22 Senator Demuzio.

23 SENATOR DEMUZIO:

24 Well, it was my understanding that the Department of Comprehensive
25 Health Planning was being phased in with the Department of Public
26 Health and this has no relevance at all to that...to those...to those
27 staff persons. Is that correct?

28 PRESIDING OFFICER: (SENATOR BRUCE)

29 Senator Weaver.

30 SENATOR WEAVER:

31 You are correct. They are being phased in, but they are not
32 affected by this amendment.

33 PRESIDING OFFICER: (SENATOR BRUCE)

1 Is there further discussion? The question is on the adoption of
2 Amendment No. 8. All in favor say Aye. All opposed Nay. The Ayes
3 have it. The amendment is adopted. Any further amendments?

4 SECRETARY:

5 Amendment No. 9 offered by Senator Schaffer.

6 PRESIDING OFFICER: (SENATOR BRUCE)

7 Is...is Senator Schaffer on the Floor? Senator Schaffer withdraws
8 Amendment No. 9. Are there further amendments? 3rd reading. House
9 Bill 860, Senator Regner. Senate Bill 860. Senator Regner.

10 SECRETARY:

11 Senate Bill 860.

12 (Secretary reads title of bill)

13 3rd reading of the bill.

14 PRESIDING OFFICER: (SENATOR BRUCE)

15 Senator Regner.

16 SENATOR REGNER:

17 Mr. President and members of the Senate. This bill appropriates
18 three hundred one thousand five hundred dollars to the ordinary and
19 contingent expenses of the Economic and Fiscal Commission. This is
20 a couple thousand dollars less than was appropriated last year, there are
21 no new jobs, there are no vacancies, it is the same full staff that
22 operated all last year and I ask for a favorable roll call.

23 PRESIDING OFFICER: (SENATOR BRUCE)

24 Is there a debate? The question is shall Senate Bill 860 pass?
25 Those in favor vote Aye. Those opposed vote Nay. The voting is open.
26 Have all voted who wish? The question is...on the final passgae of
27 Senate Bill 860, we are on final passage. Have all voted who wish?
28 Take the record. On that question, the Ayes are 54, the Nays are 1,
29 none Voting Present. Senate Bill 860 having received the constitutional
30 majority is declared passed. Senator Hynes, we're now ready on 347,
31 Senate Bill 347.

32 SECRETARY:

33 Senate Bill 347.

1 (Secretary reads title of bill)

2 3rd reading of the bill.

3 PRESIDING OFFICER: (SENATOR BRUCE)

4 Senator Hynes.

5 SENATOR HYNES:

6 This is the annual appropriation for the Local Law Enforcement
7 Officers' Training Board and I would ask for a favorable roll call.

8 PRESIDING OFFICER: (SENATOR BRUCE)

9 Is there further discussion? The question is shall Senate Bill
10 347 pass? Those in favor vote Aye. Those opposed vote Nay. The
11 voting is open. Have all voted who wish? Take the record. On that
12 question, the Ayes are 56, the Nays are none, none Voting Present.
13 Senate Bill 347 having received the constitutional majority is declared
14 passed. Senate Bill 477, Senator Egan.

15 SECRETARY:

16 Senate Bill 477.

17 (Secretary reads title of bill)

18 3rd reading of the bill.

19 PRESIDING OFFICER: (SENATOR BRUCE)

20 Senator Egan.

21 SENATOR EGAN:

22 Thank you, Mr. President and members of the Senate. Senate Bill
23 477 is the annual appropriation for the ordinary and contingent ex-
24 penses of the Department of General Services which has been slashed sub-
25 stantially, I'd appreciate your favorable vote.

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 Is there further debate? The question is, shall Senate Bill 477
28 pass? Those in favor vote Aye. Those opposed vote Nay. The voting
29 is open. Have all voted who wish? Take the record. On that question,
30 the Ayes are 57, the Nays are 1, none Voting Present. Senate Bill 477
31 having received the constitutional majority is declared passed. Senate
32 Bill 478, Senator Knuppel. Senate Bill 556, Senator Palmer.

33 SECRETARY:

1 Senate Bill 556.
2 (Secretary reads title of bill)
3 3rd reading of the bill.
4 PRESIDING OFFICER: (SENATOR BRUCE)
5 Senator Palmer.
6 SENATOR PALMER:
7 Senate Bill 556 is the appropriation for the Department of Public
8 Health and...I move for its adoption.
9 PRESIDING OFFICER: (SENATOR BRUCE)
10 Is there further debate? Senator Demuzio.
11 SENATOR DEMUZZIO:
12 Will the Senator yield to a question?
13 PRESIDING OFFICER: (SENATOR BRUCE)
14 He indicates that he will yield.
15 SENATOR DEMUZZIO:
16 Just a point of clarification by...in this...in this bill, Senate
17 Bill 556, there will be no reductions in the amount to...rural or...
18 or health departments that they would receive the same this year as
19 they received in previous years, is that correct?
20 PRESIDING OFFICER: (SENATOR BRUCE)
21 Senator Palmer.
22 SENATOR PALMER:
23 That is correct...Senator...Senator Demuzio.
24 PRESIDING OFFICER: (SENATOR ROCK)
25 Senator Demuzio.
26 SENATOR DEMUZZIO:
27 And that's figured on a 50¢ per capita?
28 SENATOR PALMER:
29 No, that...that...provision was...Tabled when we Tabled Amendment
30 No. 3.
31 PRESIDING OFFICER: (SENATOR ROCK)
32 Senator Demuzio.
33 SENATOR DEMUZZIO:

1 So, now Senate Bill 556 is basically the...the appropriation that...
2 the Department of Public Health wanted in the area of local health
3 department, is that correct?

4 SENATOR PALMER:

5 That is correct, Senator.

6 PRESIDING OFFICER: (SENATOR ROCK)

7 Any further discussion? The question is, shall Senate
8 Bill 556 as amended pass? Those in favor will vote Aye. Those opposed
9 will vote Nay. The voting is open. Have all voted who wish? Take
10 the record. On that question, the Ayes are 57, the Nays are none, none
11 Voting Present. Senate Bill 566 as amended having received the con-
12 stitutional majority is declared passed. Senate Bills on 3rd reading,
13 Senate Bill 958, Senator Bruce. Mr. Secretary.

14 SECRETARY:

15 Senate Bill 598.

16 (Secretary reads title of bill)

17 PRESIDING OFFICER: (SENATOR ROCK)

18 958...

19 SECRETARY:

20 Senate Bill 958.

21 (Secretary reads title of bill)

22 3rd reading of the bill.

23 PRESIDING OFFICER: (SENATOR ROCK)

24 Senator Bruce.

25 SENATOR BRUCE:

26 Thank you, Mr. President and members of the Senate. Senate Bill
27 958 does exactly what is...stated on the Calendar. It transfers
28 within funds hereto...heretofore appropriated for the State Fair Agency,
29 certain of the projects they began last year that they could not complete
30 or did not begin. This transfers the money within that. There are...
31 there are no new funds involved in Senate Bill 958, and I would ask
32 your favorable consideration.

33 PRESIDING OFFICER: (SENATOR ROCK)

1 Any discussion? The question is, shall Senate Bill 958 pass.
2 Those in favor will vote Aye. Those opposed will vote Nay. The
3 voting is open. Have all voted who wish? Take the record. On that
4 question, the Ayes are 55, the Nays are none, none Voting Present.
5 Senate Bill 958 having received the constitutional majority is declared
6 passed. For what purpose does Senator ParTEE arise?

7 SENATOR PARTEE:

8 In this vein since we are passing these appropriation bills, there
9 is a bill, an appropriation bill, on Consideration Postponed, just one
10 of them, that I'd ask to see...if we could get leave to go to that order
11 so that we could get that one out of the way.

12 PRESIDING OFFICER: (SENATOR ROCK)

13 I...I intended to that, Mr. President. We have one other bill
14 here, Senate...Senate Bill 478, which is the remaining bill.

15 SENATOR PARTEE:

16 And that is only after we get through this...this order right here.
17 478, I know is still on there...

18 PRESIDING OFFICER: (SENATOR ROCK)

19 Fine...fine...I'll do that..thank you, sir. On the order of
20 Senate Bills on 3rd reading is Senate Bill 478, Mr. Secretary.
21 Senator Knuppel.

22 SECRETARY:

23 Senate Bill 478.

24 (Secretary reads title of bill)

25 3rd reading of the bill.

26 PRESIDING OFFICER: (SENATOR ROCK)

27 Senator Knuppel.

28 SENATOR KNUPPEL:

29 Senate Bill 478 is for the fiscal year '76 and it provides the
30 appropriation necessary for the Illinois State Fair. It's been amended
31 to reduce the amount that's provided in the...appropriation by some-
32 thing like...a hundred and seventy-two thousand dollars, I believe. I...
33 request a favorable roll call.

1 PRESIDING OFFICER: (SENATOR ROCK)

2 Is there any question? The question is, shall Senate Bill 478
3 as amended pass. Those in favor will vote Aye. Those opposed will
4 vote Nay. The voting is open. Have all voted who wish? Take the
5 record. On that question, the Yeas are 56, the Nays are none, none
6 Voting Present. Senate Bill 478 as amended, having received the
7 constitutional majority is declared passed. There's been a request to
8 go out of order to the order of Consideration Postponed for the...
9 consideration of Senate Bill 510. Is leave granted? So ordered. On
10 the order of Consideration Postponed, Mr. Secretary. Senate Bill
11 510, read the bill. Doesn't have...alright...the bill has been read
12 a 3rd time. Mr. Sergeant-at-Arms, please ring the bell. Senate Bill
13 510, Senator Kenneth Hall.

14 SENATOR KENNETH HALL:

15 Thank you, Mr. Chairman and members of the Senate. Now, Mr.
16 President and members of the Senate, House...Senate Bill 510 is the
17 annual appropriation for the Department of Labor. Now, this has been
18 reduced...the amount of seven hundred and five thousand three hundred
19 dollars was taken out of the bill, and...I would ask your most favor-
20 able support in this bill.

21 PRESIDING OFFICER: (SENATOR ROCK)

22 Senator Weaver.

23 SENATOR KENNETH HALL:

24 And...

25 SENATOR WEAVER:

26 Senator Hall, does this appropriation still have all those ghost
27 employees in there, Senator Hall?

28 PRESIDING OFFICER: (SENATOR ROCK)

29 Senator Kenneth Hall.

30 SENATOR KENNETH HALL:

31 A pardon me, Senator, I...I just wasn't able to hear you.

32 PRESIDING OFFICER: (SENATOR ROCK)

33 Senator Weaver.

1 SENATOR WEAVER:

2 Senator...

3 PRESIDING OFFICER: (SENATOR ROCK)

4 Can we clear the Floor, please? Will the members be in their
5 seats?

6 SENATOR WEAVER:

7 How many, Senator Hall, how many ghost employees do you still
8 have in this appropriation bill?

9 PRESIDING OFFICER: (SENATOR ROCK)

10 Senator Hall.

11 SENATOR KENNETH HALL:

12 I...cannot honestly answer that, Senator...I really don't know.
13 There are...there are none as far as we are concerned.

14 PRESIDING OFFICER: (SENATOR ROCK)

15 Any further discussion? Senator Regner.

16 SENATOR REGNER:

17 ...Just to help Senator Kenneth Hall along, there is one whole
18 division of ghost employees, and that's the office of collective
19 bargaining which was taken out a year ago, and the Governor went ahead,
20 ran that division anyway with ghost employees. That entire appropriation
21 is still on this...this particular department bill.

22 PRESIDING OFFICER: (SENATOR ROCK)

23 Senator Hall. Oh, I thought that was a question, I beg your
24 pardon.

25 SENATOR REGNER:

26 No...no...it...

27 PRESIDING OFFICER: (SENATOR ROCK)

28 Senator Nimrod.

29 SENATOR NIMROD:

30 Yes, Mr. President. Senator Hall, I wonder if you are aware of
31 whether there are any positions in there for continued safety inspections
32 since the...Occupational Safety and Health Act has been removed from
33 their jurisdiction?

1 PRESIDING OFFICER: (SENATOR ROCK)
2 Senator Hall.
3 SENTAOR HALL:
4 Mr. President, ...I...just utterly...impossible for me to hear...
5 I just...
6 PRESIDING OFFICER: (SENATOR ROCK)
7 Alright we'll...will the members please be in their seats? Senators
8 Netsch...Senator Netsch. I know that is discriminatory, but will you
9 be in you seat. Alright, Senator Nimrod, let's start over again.
10 SENATOR NIMROD:
11 Yes, Senator Hall, since the OSHA jurisdictional . program of
12 inspection has been removed from the jurisdiction of the State does
13 the Department of Labor still provide for that particular function...
14 does this appropriation provide for that?
15 PRESIDING OFFICER: (SENATOR ROCK)
16 Senator Hall.
17 SENATOR HALL:
18 No, it does not, Senator.
19 PRESIDING OFFICER: (SENATOR ROCK)
20 Senator Nimrod.
21 SENATOR NIMROD:
22 There are no funds for any kinds of inspections, then is that
23 what you are telling me?
24 PRESIDING OFFICER: (SENATOR ROCK)
25 Senator Hall.
26 SENATOR HALL:
27 There's none. We removed the safety inspection unit.
28 PRESIDING OFFICER: (SENATOR ROCK)
29 Senator Nimrod.
30 SENATOR NIMROD:
31 Are...are you aware that the...Department of Labor is still going
32 to have the jurisdiction over State employees?
33 PRESIDING OFFICER: (SENATOR ROCK)

1 Senator Hall.

2 SENATOR HALL:

3 ...Would you repeat your question, Senator?

4 PRESIDING OFFICER: (SENATOR ROCK)

5 Senator Nimrod.

6 SENATOR NIMROD:

7 Are...are you aware that the Department of Labor is still going to
8 have the responsibilities for providing inspection and a program for the
9 State of Illinois employees?

10 PRESIDING OFFICER: (SENATOR ROCK)

11 Senator Hall.

12 SENATOR HALL:

13 Yes, I am aware.

14 PRESIDING OFFICER: (SENATOR ROCK)

15 Further discussion? Senator Harris...I saw Senator Harris with
16 his hand up...okay. Are there any...any further discussion? The
17 question is, shall Senate Bill 510, as amended, pass. Those in favor
18 will vote Aye. Those opposed will vote Nay. The voting is open. Have
19 all voted who wish? Take the record. On that question, the Ayes are
20 32, the Nays are 6, 13 Voting Present. Senate Bill 510, as amended,
21 having received the constitutional majority is declared passed. Senator
22 Howard Mohr. Senator Howard Mohr has requested a verification. Will
23 the Senator please be in their seats? Senator Howard Mohr has requested
24 a verification. Will the Senators please be in their seats? The
25 Secretary will read the affirmative votes.

26 SECRETARY:

27 The following voted in the affirmative; Brady, Bruce, Buzbee,
28 Carroll, Chew, Course, Daley, Demuzio, Donnewald, Dougherty, Egan,
29 Kenneth Hall, Hickey, Hynes, Johns, Joyce, Knuppel, Kosinski, Lane,
30 Lemke, McCarthy, Morris, Netsch, Newhouse, Palmer, Rock, Romano, Smith,
31 Vadalabene, Welsh, Wooten, Mr. President.

32 PRESIDING OFFICER: (SENATOR ROCK)

33 Senator Newhouse on the Floor? Strike his name from the roll call.

1 The roll call has been verified. The Ayes are 31, the Nays are 6,
2 13 Voting Present. Senate Bill 510, as amended, having received the
3 constitutional majority is declared passed. Senator Savickas, for
4 what purpose do you arise?

5 SENATOR SAVICKAS:

6 Just to clarify the record. I has hit the no button inadvertently,
7 I would like to recorded as voting Aye on the Department of Labor
8 budget.

9 PRESIDING OFFICER: (SENATOR ROCK)

10 The record will...will so indicate. Is there leave to return to
11 the order of House Bills on 3rd reading? Leave is granted. We are on...
12 gentlemen on page 8. We are on the top of page 8, House Bill 693...on
13 the order of House Bills on 3rd reading. 693, Senator Bloom, do you
14 wish that called? 693, Mr. Secretary, on the order of House Bills on
15 3rd reading.

16 SECRETARY:

17 House Bill 693.

18 (Secretary reads title of bill)

19 3rd reading of the bill.

20 PRESIDING OFFICER: (SENATOR ROCK)

21 Senator Bloom.

22 SENATOR BLOOM:

23 Thank you, very much, Mr. President and fellow Senators. House
24 Bill 693 is identical to Senate Bill 4 and similar to Senate Bill 1002
25 which passed this Senate. It merely permits firemen or policemen appli-
26 cants to use quote "veterans' preferences" for both original appoint-
27 ment and one promotion rather than only once for either. It changes
28 one word. I'd appreciate your favorable roll call.

29 PRESIDING OFFICER: (SENATOR ROCK)

30 Is there any discussion? The question is, shall House Bill 693
31 pass. Those in favor will vote Aye. Those opposed will vote Nay. The
32 voting is open. Have all voted who wish? Take the record. On that
33 question, the Ayes are 53, the Nays are none, none Voting Present. House

*H B 709
3rd Reading
June 16-1975*

1 Bill 693 having received the constitutional majority is declared
2 passed. ...703, no...04, no...705, Senator Berning on the Floor?
3 707, Senator McCarthy, no...709, Senator Savickas. On the order of
4 House Bills on 3rd reading, House Bill 709, Mr. Secretary, Senator
5 Savickas.

6 SECRETARY:

7 House Bill 709.

8 (Secretary reads title of bill)

9 3rd reading of the bill.

10 PRESIDING OFFICER: (SENATOR ROCK)

11 Senator Savickas.

12 SENATOR SAVICKAS:

13 Mr. President and members of the Senate, House Bill 709 is a
14 simple bill. Its background is that any gambling in the State in the
15 form of card playing is currently prohibited by Statutue, Chapter 38,
16 par. 28-1 which reads "the person commits gambling when he, 1. plays a
17 game of chance or skill for money or other things of value." House
18 Bill 709 will legalize gambling on card games played under the following
19 conditions, and there are two conditions. 1. At a person's residence
20 when no one receives any payment for providing the place for the card
21 game or the second reason on the premise of any bona fide and nonprofit
22 labor, veterans, fraternal, or other organizations having membership
23 dues when neither such organization nor any person receives any pay-
24 ment for providing the place for the card game, and the reason and the
25 theory behind Representative Giorgi's Bill is that too much time seems
26 to be devoted in...attacking the card game that is played at home by
27 participants that are not gambling in any form, but enjoying cards for
28 their own enjoyable use. We have read, we have seen on television where
29 police have broken in homes, raided apartments to find half a dozen
30 senior citizens, elderly gentlemen just playing cards spending their
31 leisurely hours. I think when the State has entered and to legalize
32 gambling in the form of lotteries and the form of all of our present...
33 horse racing that we can support ... card playing at home between

HB 709
3rd
June 16, 1975

1 individuals that are consenting to it without any profit to organized
2 crime. I would ask your support for House Bill 709.

3 PRESIDING OFFICER: (SENATOR ROCK)

4 Senator Bloom.

5 SENATOR BLOOM:

6 Does...I'd ask a question of the sponsor?

7 PRESIDING OFFICER: (SENATOR ROCK)

8 Sponsor indicates he will yield. Senator Bloom.

9 SENATOR BLOOM:

10 Does this legalize the Swedish meatball game?

11 PRESIDING OFFICER: (SENATOR ROCK)

12 Senator Savickas.

13 SENATOR SAVICKAS:

14 Well, if it is a card game, it will legalize it, if it is played
15 at home between...consenting adults for no money.

16 PRESIDING OFFICER: (SENATOR ROCK)

17 Senator Wooten.

18 SENATOR WOOTEN:

19 Senator Savickas, just a question.

20 PRESIDING OFFICER: (SENATOR ROCK)

21 Sponsor indicates he will yield. Senator Wooten.

22 SENATOR WOOTEN:

23 What is the distinction now between what this bill empowers? ...One
24 of the places where you can have card games under the bill is like a
25 labor hall. They...they have...maybe I'm speaking out of term, but it
26 seems to me that they have card games there now. Would this permit
27 betting on card games, is that the difference, betting for money.

28 PRESIDING OFFICER: (SENATOR ROCK)

29 Senator Savickas.

30 SENATOR SAVICKAS:

31 At the present time, those union men and women who are waiting for
32 work, and sitting in their union hall can be arrested for illegally
33 playing cards. This will prohibit arresting of these people, in their

1 leisure hours, from being arrested for playing cards while they are not
2 playing for money or paying the union hall money to hold the card games
3 in there.

4 PRESIDING OFFICER: (SENATOR ROCK)

5 Senator Wooten.

6 SENATOR WOOTEN:

7 In other words, you can simply be arrested for playing cards...
8 there does not have to be any axchange of money, is that right?

9 PRESIDING OFFICER: (SENATOR ROCK)

10 Senator Savickas. Senator Savickas.

11 SENATOR SAVICKAS:

12 Well, in closing...

13 PRESIDING OFFICER: (SENATOR ROCK)

14 ...I thought you were answering his question. Is there any
15 further discussion? Senator McCarthy. Sponsor indicates he will yield.
16 Please speak into the microphone, Senator McCarthy.

17 SENATOR McCARTHY:

18 ...I heard Senator's Wooten question where he wanted to know
19 what...what the present law is on union people that hang around union
20 halls waiting for work play cards, and you indicated that...that they
21 were in technical violation of the law as I understand your answer.
22 I want to know the people that the private...at the private luncheon
23 clubs, the idle rich at the country club who are sitting around...
24 playing cards. Are they civilly in technical violation...

25 PRESIDING OFFICER: (SENATOR ROCK)

26 Senator Savickas.

27 SENATOR McCARTHY:

28 of...laws.

29 SENATOR SAVICKAS:

30 Yes, they're in violation. Same when you go out to a country
31 club to a little golfing, and you sit down to enjoy a glass of beer
32 and play a little cards, you are in violation. This would remove that
33 violation from the Statute, and allow you to enjoy a friendly game

765709
June 16-75

1 of cards.

2 PRESIDING OFFICER: (SENATOR ROCK)

3 Senator Carroll. Senator Carroll.

4 SENATOR CARROLL:

5 Sponsor will yield to a question?

6 PRESIDING OFFICER: (SENATOR ROCK)

7 He indicates he will yield.

8 SENATOR CARROLL:

9 Thank...well I don't find a definition of residence. I was wondering
10 if Legislator's apartments across the street at Lincoln Towers would
11 be considered residence with...under the Act.

12 PRESIDING OFFICER: (SENATOR ROCK)

13 The Chair would indicate I think that they are already exempt,
14 but go ahead Senator Savickas.

15 SENATOR SAVICKAS:

16 I would go along with the Chair on this.

17 PRESIDING OFFICER: (SENATOR ROCK)

18 Thank you very much. Senator Fawell.

19 SENATOR FAWELL:

20 I have a question also, Senaotr Savickas. Does this authorize
21 minors to be able to play at these card games, to gamble? It doesn't
22 seem to restrict it.

23 PRESIDING OFFICER: (SENATOR ROCK)

24 Senator Savickas.

25 SENATOR SAVICKAS:

26 Well,...there is no restriction as I read it in the bill, but I...
27 when we talk about minors playing cards, I imagine they play cards now...
28 They'd be subject to the same provisions as any adult...I don't know
29 where...the right as a minor or as an adult to play cards illegally
30 would be any different...all this says is that...that if you play cards
31 without any payment and you are playing at home or in these designated
32 locations, that...it is legal.

33 PRESIDING OFFICER: (SENATOR ROCK)

70 B 709
June 16-75

1 Senator Fawell.

2 SENATOR FAWELL:

3 Now, as...as I understand it though, this does...make legal
4 gambling so long as it is played at a person's residence when no one
5 charges for conducting the gambling at the residence or so long as it
6 is played at the premises of a "bona fide and nonprofit labor, veterans
7 fraternal, or other organization" again...this...the intent here is
8 to...to legalize gambling at...at these places. Is that correct?

9 PRESIDING OFFICER: (SENATOR ROCK)

10 Senator Savickas.

11 SENATOR SAVICKAS:

12 ...Senator, I did...with all the conversation here, I didn't
13 hear all of it, but I get the gist, is that the legalization of card
14 playing at union halls, at the...veterans halls, at fraternal houses...
15 so long as there is no...nobody receiving payment for providing the
16 place...for the game playing or anybody receives any money from the
17 game that this would be legal. The intent of the bill, as I say,
18 is to...remove from the Statute those...those grounds where you are
19 at home with your friends playing cards, whether it is pinochle,
20 poker or whatever, from the criminal statute...from...from arrest. I
21 don't think there is anyone here that hasn't at one time or another
22 sat down either in their office, the Chambers, or at home and played
23 cards with friends,...or in a club. I...the intent is just as I said...
24 as...I'm...I'm not a lawyer so the technicalities that may become
25 involved...I...I couldn't answer.

26 PRESIDING OFFICER: (SENATOR ROCK)

27 Senator Fawell.

28 SENATOR FAWELL:

29 The...I...I agree with much of what you say, Senator Savickas.
30 I...I think the important thing that all of us should bear in mind
31 though is that what we are doing here is making it legal for gambling
32 ...that...that otherwords a poker game can be played for

HB 709
June 16-75

1 high stakes or low stakes as long as the...the...the veterans
2 organization that has the hall isn't charging money for that particular
3 game and there is no exception here...minors can be involved in the
4 high stakes poker game as I read it. And as much as I...as much as I
5 agree with you as a practical matter, I suppose there is nobody in this
6 room that hasn't played a poker game for some stakes and been technically
7 guilty of...of violating the law. I...I don't think that this is a
8 very wise step for...for us to take, and I would rise in opposition to
9 the bill.

10 PRESIDING OFFICER: (SENATOR ROCK)

11 Can we have some order? Will the members please be in their
12 seats? Senator Schaffer.

13 SENATOR SCHAFFER:

14 Senator Savickas, if you would yield?

15 PRESIDING OFFICER: (SENATOR ROCK)

16 He indicates that he will yield. Senator Schaffer.

17 SENATOR SCHAFFER:

18 Are we talking about penny ante gambling, nickel and dime stuff,
19 or are we talking about a card game that could have...six, seven, eight
20 ten thousand dollars on the table or are we talking about both?

21 PRESIDING OFFICER: (SENATOR ROCK)

22 Senator Savickas.

23 SENATOR SAVICKAS:

24 The way I understand it and interpret it that it would be games of
25 cards played for nothing of value, so I..I am sure that if any money
26 is exchanged, any...any...anything of value is exchanged, this would be
27 ...arrestable and...it would change that intent of the law.

28 PRESIDING OFFICER: (SENATOR ROCK)

29 Senator Schaffer.

30 SENATOR SCHAFFER:

31 You mean this is just like for canasta and bridge and there is no
32 money on the table? There can't be money on the table?

33 PRESIDING OFFICER: (SENATOR ROCK)

HB 709
June 16-75

1 Senator Savickas.

2 SENATOR SAVICKAS:

3 Yes, that's my understanding, Senator. That nothing of value
4 can be passed.

5 PRESIDING OFFICER: (SENATOR ROCK)

6 Senator Schaffer.

7 SENATOR SCHAFFER:

8 Well, there seems to be an awful lot of doubt on the subject.
9 I'm trying to get a copy of the bill but isn't the way a lot of
10 people interpret it over here.

11 PRESIDING OFFICER: (SENATOR ROCK)

12 Senator Savickas.

13 SENATOR SAVICKAS:

14 I think that doubt is certainly not in my mind and certainly not
15 in those of us and those senior citizens who are now subject to arrest
16 for playing pinochle out on a park bench, those people that enjoy a
17 friendly game of cards, not for anything of value, there's certainly
18 no doubt in our minds. Of course, anytime you have lawyers that are
19 questioning any bill, there's going to be doubt, and any two lawyers
20 will cause...causes a doubt, so I would ask for a favorable roll call.

21 PRESIDING OFFICER: (SENATOR ROCK)

22 Senator Soper.

23 SENATOR SOPER:

24 Well, Mr. President and Senter Savickas. You know, Frank, I
25 have got the bill before me, and you say that when they play cards
26 there's no...nothing of value, but that's...only means there isn't
27 a house man that's taking a clip out of the game, that's what you're
28 talking about. You are...the only thing wrong with...with this bill
29 and...I'd say is this that when you...when you allow a game like this in
30 the veterans or...any other place, the fellow that comes home and he
31 has a paycheck and he goes out there, and he gets in one of these games,
32 and he loses his money, yeah, he doesn't double it,...he loses a
33 paycheck, the wife has no place to complain. And you'll find that you're

148709
June 16-75

1 doing a great disservice with this. It is alright to say you are
2 playing pinochle and so forth and I played a lot of pinochle
3 in my time, but there are certain...people that can't...can't afford
4 to lose this money and a wife complains and if she calls the veterans,
5 if she calls the...the Elks Club or so forth and says John goes out
6 there and he plays with a bunch of the boys and he hasn't brought his
7 paycheck home for about three weeks. They go over and they tell him
8 John is out of the games, and John gets out of the game but they still
9 keep on playing. Now, if you are going to make it impossible for the
10 wife to complain, what you are going to do is take one of the safe-
11 guards away from...from people who should have the right to complain
12 about these things and I'm not a...I'm not a reformer or anything else,
13 I know how these things work, but at least give a wife a chance to
14 save some of the money for the kids without putting them on relief.

15 PRESIDING OFFICER: (SENATOR ROCK)

16 Senator...

17 SENATOR SOPER:

18 The losers always say deal the cards and the winners tell jokes.

19 PRESIDING OFFICER: (SENATOR ROCK)

20 Senator Course.

21 SENATOR COURSE:

22 Senator Soper what is this game, so forth? I've never heard of that
23 of that nor have I ever played it. Would you explain that to the
24 membership?

25 PRESIDING OFFICER: (SENATOR ROCK)

26 Senator Soper.

27 SENATOR SOPER:

28 That's...that's a game that when you get into the game and the
29 fellow deals five cards, he says I've got a so far, see, and then he
30 collects the money, and then when you have the same hand, he says that
31 doesn't go this time, it's gone so far enough.

32 PRESIDING OFFICER: (SENATOR ROCK)

33 Senator Course.

SENATOR COURSE:

1 Well, Mr. President and members of the Senate, it's going to be
2 curious to see how many of our members in the...this august Body vote
3 No or vote Present, especially after I played cards with a great
4 deal of them.

5 PRESIDING OFFICER: (SENATOR ROCK)

6 Senator Morris.

7 SENATOR MORRIS:

8 Thank you. I was under the impression that...that this bill
9 would...would limit card playing to one's homes and to the veterans
10 organizations and that, but I...I have to request what...what is a,
11 you know, not for profit labor, veterans fraternal or other organiza-
12 tion? Now, what is an other organization? Does that mean that if
13 two or three of us form a non-for-profit organization and call it the
14 Good Guys Card Club, we can now have card games played there and we can
15 charge a five hundred dollar year membership, Senator Savikas?

16 PRESIDING OFFICER: (SENATOR ROCK)

17 Senator Savickas.

18 SENATOR SAVICKAS:

19 No, Senator Morris, it's not for some personal gain. It's for
20 other...other memberships, could mean senior citizens clubs...mens
21 clubs, womens clubs, church groupings. These are the non-for-profit.
22 Maybe a pinochle club...where our senior citizens play. This is what
23 we're talking about. You are going to have to remember that this does
24 not change the definition of gambling. All this says that if you play
25 cards for non-for-profit with no money passing hands, nothing of value
26 exchanging hands between the players or between the...the owner of the
27 building in which you are, that this is not gambling. I can't under-
28 stand...I...I would just call for a roll call. Let's vote it up or
29 down.

30 PRESIDING OFFICER: (SENATOR ROCK)

31 Senator Morris.

32 SENATOR MORRIS:

33 Are...are we supposed to be naive enough to believe that people
34 are going to actually get together and play cards without any kind of an

1 exchange, they're just going to have a little fun, and...and play the cards
2 with no prizes, or no gifts, or no money on the table? I mean we
3 may play for chips or matchbooks, but I can't believe that people are
4 actually going to gather together to play cards, and nongambling,
5 since there can be no real exchange even though this is an amendment
6 to the gambling section of the Criminal Code, and then we're going to
7 say, in naiveway, well, they're just going to do it for fun folks,
8 it's just...it's just going to be a good time. I think what we're
9 trying to do here is create gambling clubs so that we can run them
10 in the back room, and when...when the police officer comes in the
11 money will go off the table, but other than that, they're going to
12 be playing for money, and I think that, you know, we ought...we ought
13 to call it what it is. If we are going to legalize gambling, let's
14 legalize gambling; let's not pretend.

15 PRESIDING OFFICER: (SENATOR ROCK)

16 Any further disucssion? Senator Demuzio. You have...

17 SENATOR MORRIS:

18 I have on question to ask...

19 PRESIDING OFFICER: (SENATOR ROCK)

20 Second time only after...

21 SENATOR MORRIS: .

22 ...one question to ask of the sponsor.

23 PRESIDING OFFICER: (SENATOR ROCK)

24 ...after all others have spoken, Senator. Senator Demuzio.

25 SENATOR DEMUZIO:

26 Will the sponsor yield for one question?

27 PRESIDING OFFICER: (SENATOR ROCK)

28 Indicates he will yield. Senator Savickas...Senator Demuzio.

29 SENATOR DEMUZIO:

30 Under the bill, it says other...other organizations or clubs.
31 Would a poker club qualify?

32 PRESIDING OFFICER: (SENATOR ROCK)

33 Senator Savickas.

HB 709
June 16-75

1 SENATOR SAVICKAS:

2 I imagine if it was a non-for-profit club it would qualify.

3 PRESIDING OFFICER: (SENATOR ROCK)

4 Any further disucssion? Senator...Senator Merritt.

5 SENATOR MERRITT:

6 Senator...yes, Mr. President. Senator Savickas, if you contend
7 that these games are going to go on without any money or anything of
8 value changing hands, then why is it necessary to amend the gambling
9 sections of the Criminal Code? You wouldn't have to do that unless
10 you intended to have gambling involved in it.

11 PRESIDING OFFICER: (SENATOR ROCK)

12 Senator Savickas.

13 SENATOR MERRITT:

14 Why do you amend the gambling section of the Criminal Code?

15 PRESIDING OFFICER: (SENATOR ROCK)

16 Senator Savickas.

17 SENATOR SAVICKAS:

18 Well, not being a lawyer, it is my understanding that this is
19 the code that has to be amended. That gambling, card playing in any
20 form, with or without money, at the present time, is in violation of
21 the criminal statute, so this bill was introduced to remove from that
22 statute those groups such as your senior citizens, such as your
23 legislators that sit in their room and play a few games of poker, or
24 bridge, or gin. That this...this will remove them from possible
25 criminal violation, and as far as some of the Senators are concerned
26 about card playing, I have seen very many people including Senators
27 play gin with no money involved, just for the enjoyment of the game. I
28 don't think that...playing cards for the enjoyment is...anything wrong.

29 PRESIDING OFFICER: (SENATOR ROCK)

30 Senator Merritt has the Floor.

31 SENATOR MERRITT:

32 Well, in order to accomplish what you want to do, I don't think
33 that you have to amend the gambling section. Maybe, if you are going to

HB 709
June 16-75

1 go that far, you ought to amend the fraud statute so that you can get
2 the cheaters of the game.

3 PRESIDING OFFICER: (SENATOR ROCK)

4 Senator Nudelman.

5 SENATOR NUDELMAN:

6 Mr. President, I move the previous question.

7 PRESIDING OFFICER: (SENATOR ROCK)

8 Senator Nudelman has moved the previous question. All those in
9 favor signify by saying Aye. All those opposed. The Ayes have it.

10 Senator Savickas...Senator Soper for what purpose do you arise?

11 SENATOR SOPER:

12 Well, I don't...I...

13 PRESIDING OFFICER: (SENATOR ROCK)

14 You have already been up once.

15 SENATOR SOPER:

16 I know I have been once, but...if you can read the English
17 language, this doesn't just allow you to play cards, you know. This
18 allows you to gamble at cards, just provides that you don't...that you
19 can't collect money for holding the card game; that's all that does.

20 PRESIDING OFFICER: (SENATOR ROCK)

21 Senator Chew your...

22 SENATOR SOPER:

23 It should be explained properly.

24 PRESIDING OFFICER: (SENATOR ROCK)

25 Senator Chew your point is well taken.

26 SENATOR SOPER:

27 That's all.

28 PRESIDING OFFICER: (SENATOR ROCK)

29 The previous question has been moved. Senator Savickas may close
30 the debate.

31 SENATOR SAVICKAS:

32 Just pass the deal and we'll see what comes out.

33 PRESIDING OFFICER: (SENATOR ROCK)

16. ...Thank you, Mr. President. House Bill 714 amends the...
17. Vehicle Code. It allows persons contesting a deficiency assessment
18. to file a certified check or money order certificate of deposit or
19. surety bond for an amount agreed to by the Secretary of State...State
20. which is less than the deficiency. It...it also requires a licensee
21. to pay a fifty dollar a day auditing fee. At the present time, it's
22. twenty-five dollars. ...Auditors assess deficiencies on the basis of
23. the number of interstate trips made by a...a carrier, rather than on
24. the number of vehicles. As a result, the deficiency assessment paid
25. before a hearing is often much higher than the final...determination
26. by the hearing officer. This would allow the sum to be more commensate

2 PRESIDING OFFICER: (SENATOR BRUCE)

3 Senator Don Moore. Senator Shapiro.

4 SENATOR SHAPIRO:

5 Mr. President and Ladies and Gentlemen of the Senate, this amendment
6 is a clarifying amendment and was suggested by the Pensions Committee and
7 also provides for a procedure whereby a...an employee can pick up service
8 that they were precluded from because of their age limitation which is
9 being removed by this amendment. I urge adoption of the amendment.

10 PRESIDING OFFICER: (SENATOR BRUCE)

11 Senator Shapiro moves the adoption of Amendment No. 1. Is there
12 discussion? All in favor say Aye. All opposed Nay. The Ayes have it
13 and the amendment is adopted. Any further amendments? 3rd reading.

14 Senator Moore, will you want to call this after intervening business?

15 SENATOR MOORE:

16 Yes, we will.

18 House Bill 729, Senator Rock. Senator Rock.

19 SENATOR ROCK:

20 Thank you, Mr. President, I would ask leave to bring House Bill 729
21 back to the order of 2nd reading? I understand Senator Nimrod has an
22 amendment he wishes to offer. I would like to bring it back for that
23 purpose.

24 PRESIDING OFFICER: (SENATOR BRUCE)

25 Is leave given? Leave is given. The bill is on the order of
26 2nd reading. Amendment No. 4.

27 SECRETARY:

28 Amendment No. 4 by Senator Nimrod.

29 PRESIDING OFFICER: (SENATOR BRUCE)

30 Senator Nimrod.

31 SENATOR NIMROD:

32 Yes, Mr. President and fellow Senators and...this is...the amend-
33 ment's been cleared with Senator Rock, and we did discuss it in Committee,
34 and it would bring the definition of open space in line with the wording

1 suggested by the Department of Local Government Affairs to close any
2 potential loopholes on this application. I would move for the adoption
3 of this amendment.

4 PRESIDING OFFICER: (SENATOR BRUCE)

5 Senator...moves the adoption of Amendment No. 4. Is there
6 discussion? Senator Morris. Senator Morris.

7 SENATOR MORRIS:

8 I'm trying. Okay. I have a question of the sponsor.

9 PRESIDING OFFICER: (SENATOR BRUCE)

10 Indicates that he will yield.

11 SENATOR MORRIS:

12 I...I can't find...okay...thank you, let me read it now. Oh wow!
13 Does...is this the one that...I can't tell from reading those five
14 lines and five words, is this the one that would put golf courses under
15 the open space definition?

16 PRESIDING OFFICER: (SENATOR BRUCE)

17 Senator Nimrod.

18 SENATOR NIMROD:

19 Yes, that's what the bill does, but this amendment is a clarifying
20 amendment...actually clarifying what is devoted towards...devoted
21 primarily to or clarified must...changed to used actually and ex-
22 clusively for. And it's already in the bill.

23 PRESIDING OFFICER: (SENATOR BRUCE)

24 Senator Morris.

25 SENATOR MORRIS:

26 I don't have a copy of the bill in front of me. Could you tell
27 me what comes after the "for" that you are amending in, and I...I...I
28 just...I have a problem...I want to make sure that I am clear on this
29 when I vote on this amendment?

30 PRESIDING OFFICER: (SENATOR BRUCE)

31 Senator Nimrod.

32 SENATOR NIMROD:

33 Yeah, if...if you were concerned about that, the body of the bill
34 comes after that which gives the definition of what the area...what is

1. going to be...reinstated, and we don't affect that at all. All we
2. are doing is...changing the two words on the...definition, but if you
3. want to know what is in the bill, then I think you will have to go
4. back to that to Senator...Rock on that.

5. PRESIDING OFFICER: (SENATOR BRUCE)

6. Senator Morris.

7. SENATOR MORRIS:

8. What...what is the difference then in between "primarily" and
9. "actually and exclusively"? Could you tell me what..what the legal
10. difference is, why we are using those words?

11. PRESIDING OFFICER: (SENATOR BRUCE)

12. Senator Nimrod.

13. SENATOR NIMROD:

14. Senator Morris, it is a stricter legal definition so that we
15. can avoid any possible misunderstanding or loophole.

16. PRESIDING OFFICER: (SENATOR BRUCE)

17. Senator Morris. Senator Rock.

18. SENATOR ROCK:

19. Well, I don't have any problem with the amendment. I agreed to
20. accept it, and you know...let's...

21. PRESIDING OFFICER: (SENATOR BRUCE)

22. Senator Nimrod moves the adoption of Amendment No. 4. Is there
23. further discussion? All in favor say Aye. All opposed Nay. The Ayes
24. have it. The Amendment is adopted. Any further amendments? 3rd

32. SENATOR MOORE:

33. Thank you Mr. President and members of the Senate. House Bill 27...

1 or 727, as amended, provides that any policeman who was excluded by
2 reason of his age restriction may elect to participate in the pension
3 plan by making a written application to the Board before July 1, 1976,
4 and establishing service credits for past services by paying into the
5 pension fund before July 1, 1976. We do have a problem with many of our
6 chiefs of police who have served many years in lower ranks who go to
7 another village or city downstate, become chief; they are over the age
8 of thirty-five; they're ineligible to be in the pension. This solves
9 that problem. I know of no objection to it. I'd appreciate a favor-
10 able roll call.

11 PRESIDING OFFICER: (SENATOR BRUCE)

12 Is there further discussion? The question is, shall Senate...
13 House Bill 727 pass. Those in favor vote Aye. Those opposed vote
14 Nay. The voting is open. Have all voted who wish? Take the record.
15 On that question, the Aye are 53, the Nays are none, none Voting
16 Present. House Bill 727 having received the constitutional majority is
17 declared passed. House Bill...House Bill 729, Senator Rock. Read the
18 bill, Mr. Secretary. If you will stand at ease for one moment? Senator
19 Latherow, for what purpose do you arise?

20 SENATOR LATHEROW:

21 Mr. President, I wonder if you would skip that just...a bill or
22 two...I...sent for the bill, I don't have a copy in the book, and I'd
23 like to...look at it first?

24 PRESIDING OFFICER: (SENATOR BRUCE)

25 Senator Rock, will you hold the bill at the request of Senator
26 Latherow for a minute or two?

27 SENATOR LATHEROW:

28 Hold it...hold it and come back to it, Mr. ...

29 PRESIDING OFFICER: (SENATOR BRUCE)

30 House Bill 730, Senator Berning. Read the bill.

32 House Bill 730.

33 (Secretary reads title of bill)

1. 3rd reading of the bill.

2. PRESIDING OFFICER: (SENATOR BRUCE)

3. Senator Berning.

4. SENATOR BERNING:

5. Thank you, Mr. President. The bill does just exactly what the
6. Calendar says, except that the rate has been reduced from the original
7. bill from 9% to 8%.

8. PRESIDING OFFICER: (SENATOR BRUCE)

9. Is there further discussion? ...Senator McCarthy.

10. SENATOR MCCARTHY:

11. Wonder if the sponsor would yield to a question?

12. PRESIDING OFFICER: (SENATOR BRUCE)

13. Indicates that he will yield. Senator McCarthy.

14. SENATOR MCCARTHY:

15. Senator Berning...did you say that the Calendar is wrong?...that
16. the maximum limitation is not 9% on these tax free bonds, but rather
17. 8%?

18. PRESIDING OFFICER: (SENATOR BRUCE)

19. Senator Berning.

20. SENATOR BERNING:

21. Well, Senator, the Calendar does not state a rate, but you are
22. correct. That's what I said. The bill has been amended from 9% down
23. to 8%.

24. PRESIDING OFFICER: (SENATOR BRUCE)

25. Senator McCarthy.

26. SENATOR MCCARTHY:

27. And...the existing interest limitation is 6% so that when you
28. increase it to 8, you are increasing the cost to these public waterworks
29. on these revenue bonds by 33 1/3%. Is that correct?

30. PRESIDING OFFICER: (SENATOR BRUCE)

31. Senator Berning. Senator Berning.

32. SENATOR BERNING:

33. We are increasing the rate at which they may issue the bonds and

1 sell them. It depends on what did they get. They may...utilize any
2 rate up to 8%, yes.

3 PRESIDING OFFICER: (SENATOR BRUCE)

4 Senator McCarthy.

5 SENATOR MCCARTHY:

6 Mr. President, I don't want to give this speech, you know, over
7 and over and over, but we're here in the last two weeks of the
8 Session, a lot of these bills are going to come through, and here
9 the public waterworks have been able to get along, apparently, issuing
10 a maximum of 6% which roughly is the equivalent of an interest rate
11 that I'd have to pay at 12% for a private borrowing or a private in-
12 vestment to make it coefficient. This cost of the money to the water-
13 works will be reflected in the price that the water is sold to the
14 people, and if you raise the cost of money by a third, it's axiomatic
15 that when the rates on the water go up to the consumers by a third, the
16 cost of the money will be the prime, and that's funny when we're talking
17 about water, the prime reason because I remember one time someone was
18 asked to define what prime was, and he said "prime means to pour into
19 a pump to make the sucker swell so it will draw more water". I think
20 that's appropriate many times when we talk about prime and also the
21 prime rates. But I oppose this bill, or at least call it to the attention
22 of the Body to know what we're doing here, because not only does the
23 cost of the money go up by a third, the purposes for which it expended
24 are this, they say that these bonds can be issued to pay for the
25 improvement or extension of the waterworks, from time to time, including
26 engineering and all other expenses for a forty year period of time. So,
27 It means that if we pass this bill, we will be able to let the water-
28 works issue forty year bonds at 8% to pay for engineering costs and
29 all other expenses in connection thereto, including presumedly paper
30 clips, and erasers and I just point this out to the members of the
31 Body so they can vote selectively. I happen to take the position
32 that I don't think it is the most meritorious legislation that's come
33 by the Chambers this Session. Thank you very much.

1 PRESIDING OFFICER: (SENATOR BRUCE)

2 Is there further debate? The question is, shall House Bill 730
3 pass. Those in favor vote Aye. Those opposed vote Nay. The voting
4 is open. Have all voted who wish? Have all voted who wish? Take the
5 record. On that question, the Ayes are 30, the Nays are 15, none
6 Voting Present. House Bill 730 having received the constitutional
7 majority is declared passed. There's been a request for a verification.
8 Senator Chew, do wish the negatives or the affirmatives verified?

9 SENATOR CHEW:

10 The...the affirmatives.

11 PRESIDING OFFICER: (SENATOR BRUCE)

12 A request for the verification of the affirmative vote. Will the
13 members be in their seat? The Secretary will read the..those who
14 voted in the affirmative.

15 SECRETARY:

16 The following in the affirmative: Bell, Berning, Bloom, Buzbee,
17 Davidson, Donnewald, Dougherty, Glass, Graham, Harber Hall, Harris,
18 Joyce, Knuppel, Merritt, Mitchler, Howard Mohr, Don Moore, Netsch,
19 Nimrod, Philip, Regner, Rock, Roe, Romano, Schaffer, Shapiro, Sommer,
20 Soper, Weaver, Welsh.

21 PRESIDING OFFICER: (SENATOR BRUCE)

22 Is Senator Davidson...Senator Davidson is on the Floor. The roll
23 call has been verified. The Ayes are 30, the Nays are 15, none Voting
24 Present. Senate...House Bill 730 having received the constitutional
25 majority is declared passed. House Bill 742, Senator Knuppel.

28 (Secretary reads title of bill)

29 3rd reading of the bill.

30 PRESIDING OFFICER: (SENATOR BRUCE)

31 Senator Knuppel.

32 SENATOR KNUPPEL:

33 House Bill 742 does exactly what the summary says it does. There

1 used to be a provision that the Department of General Services had to
2 report biennially. It's now been changed under this Act to develop
3 a comprehensive plan to coordinate or centralize communication and
4 ...the reporting is taken care of in their annual report. This is good
5 legislation and I would recommend a favorable roll call.

6 PRESIDING OFFICER: (SENATOR BRUCE)

7 Is there further discussion? The question is, shall House Bill
8 4...742 pass? Those in favor vote Aye. Those opposed vote Nay. The
9 voting is open. Have all voted who wish? Take the record. On that
10 question, the Ayes are 50, the Nays are none, none Voting Present.
11 House Bill 742 having received the constitutional majority is declared

13 SECRETARY:

14 House Bill 751.

15 (Secretary reads title of bill)

16 3rd reading of the bill.

17 PRESIDING OFFICER: (SENATRO BRUCE)

18 Senator Harris.

19 SENATOR HARRIS:

20 (Machine cut off) Mr. President, all this bill does is provide
21 for the opportunity for persons aged 64 to make application for the
22 provisions of this Act so that when, in fact, they are 65 they will begin
23 being actual participants. The law operates now, you see, in connection
24 with real estate taxes because of the year's time lag...that they
25 begin actually receiving benefits when they are 66, I know of no
26 opposition to it, would urge favorable roll call.

27 PRESIDING OFFICER: (SENATOR BRUCE)

28 Is there further debate? Senator Hickey.

29 SENATOR HICKEY:

30 Sponsor yield for a question, please?

31 PRESIDING OFFICER: (SENATOR BRUCE)

32 He indicates that he will yield.

33 SENATOR HICKEY:

1 Is there anyway, Senator Harris, for local tax districts to
2 recover the loss that they would incur from this bill?

3 PRESIDING OFFICER: (SENATOR BRUCE)

4 Senator Harris.

5 SENATOR HARRIS:

6 Well, I don't know...I'm trying to think that thing through...
7 I don't really know of any such impact, Senator. It...there would be,
8 perhaps, one additional, very limited one, year...movement forward, but
9 that person, of course, under normal circumstances begins...begins getting
10 the refund from the Department of Revenue at age 66, so what...what
11 this would impact, in reality be, a one year acceleration for those
12 people in the existing hiatus. That's all.

13 PRESIDING OFFICER: (SENATOR BRUCE)

14 Is there further debate? The question is, shall House Bill 751
15 pass. Those in favor vote Aye. Those opposed vote Nay. The voting
16 is open. Have all voted who wish? Take the record. On that question,
17 the Ayes are 48, the Nays are 1, none Voting Present. House Bill 751
18 having received the constitutional majority is declared passed. House
19 Bill 752, Senator Berning. House Bill 754, Senator Bloom. Senator
20 Bloom, House Bill 754.

21 SECRETARY:

22 House Bill 754.

23 (Secretary reads title of bill)

24 3rd reading of the bill.

25 PRESIDING OFFICER: (SENATOR BRUCE)

26 Senator Bloom.

27 SENATOR BLOOM:

28 Thank you very much, Mr. President and fellow Senators. Basically
29 this bill would allow the Zoning Board of Appeals to hold hearings in
30 a convenient place in the areas affected rather than in the
31 individual townships. The...bill was sponsored by Representatives
32 McMaster and Tuerk, Flinn, VonBoeckman...from these counties. The

4 able roll call.

5 PRESIDING OFFICER: (SENATOR BRUCE)

6 Is...is there further debate? Senator Bell.

7 SENATOR BELL:

8 Now, is...question of the sponsor, Mr. President?

9 PRESIDING OFFICER: (SENATOR BRUCE)

10 Indicates that he will yield.

11 SENATOR BELL:

12 Senator Bloom, as I understand...as I understand the bill, you're...
13 it addresses itself to moving the place of the hearing...totally to the
14 county seat, or to the county building, is that right?

15 PRESIDING OFFICER: (SENATOR BRUCE)

16 Senator Bloom.

17 SENATOR BLOOM:

18 No, Senator. If you read the bill, you say...the hearings, it
19 changes it from each township or road district to the area affected,
20 a convenient place where the Board of Zoning Appeals would have
21 adequate facilities. Many times they are too small because you'll
22 have several hundred residents of an affected area want to show up.
23 Sometimes they are not heated, and it is...that is what the language
24 says.

25 PRESIDING OFFICER: (SENATOR BRUCE)

26 Senator Bell.

27 SENATOR BELL:

28 Well, then, it...in other words, it...they are not forced into a...
29 it's a flexibility...

30 SENATOR BLOOM:

31 Yes, it is flexible...

32 SENATOR BELL:

1 SENATOR BLOOM:

2 They are not forced to the courthouse. I realize many of our
3 courthouses downstate are over burdened and do have space problems.
4 This is why this alternative is left open.

5 PRESIDING OFFICER: (SENATOR BRUCE)

6 Is there further debate? The question is, shall House Bill 754
7 pass. Those in favor vote Aye. Those opposed vote Nay. The voting is
8 open. Have all voted who wish? Take the record. On that question...
9 on that question, the Ayes are 52, the Nays are none, 1 Voting Present.
10 House Bill 754 having received the constitutional majority is declared
11 passed. House Bill 756, Senator Hickey. Read the bill, Mr. Secretary.

16 PRESIDING OFFICER: (SENATOR BRUCE)

17 Senator Hickey.

18 SENATOR HICKEY:

19 Mr. President. This bill simply says that the Secretary of State
20 shall provide a space on the back of a driver's license where a person
21 may, if he wishes, put a decal or sticker which signifies that he is a
22 carrier of an uniform anatomical card which means that he wants to
23 specify that he is a donor of some of his...remains at death. This
24 simply says that a space shall be provided where a sticker may be put,
25 and we do have an Uniform...Anatomical Act which was passed in 1969,
26 which would cover all the rules of the...of the donation.

27 PRESIDING OFFICER: (SENATOR BRUCE)

28 Is there further debate? Senator Davidson.

29 SENATOR DAVIDSON:

30 Well, I'd like to rise in support of this legislation, but I do
31 have to throw Senator Hickey a slight curve...I would suggest to you,
32 Gentlemen, regardless of the curve I throw her that I ask for a yes

1. vote, but I would ask Senator Hickey when is the effective date so
2. that we don't have the cost of reprinting all the driver's licenses?
3. PRESIDING OFFICER: (SENATOR BRUCE)
4. Senator Hickey.
5. SENATOR HICKEY:
6. I'm sorry. Should we...get this back? Shall I hold it and get
7. it back and put an effective date on it...I didn't realize that there
8. wasn't one.
9. SENATOR DAVIDSON:
10. Thank you.
11. SENATOR HICKEY:
12. It's ok. Take it from the record, and I'll get one.
13. PRESIDING OFFICER: (SENATOR BRUCE)
14. Take it from the record. For what purpose does Senator Bell
15. arise?
16. SENATOR BELL:
17. Well, yes, Mr. President, I just wanted to ask Senator Davidson
18. whether this bill had the chiropractic amendment on it.

31. SENATOR VADALABENE:
32. Yes, thank you, Mr. President and members of the Senate. House
33. Bill 759 provides that the main office of the Illinois Liquor Control

1. Commission, the principal main office would be in Springfield, that
2. hearings would be designated by the licensees to those that would be
3. closest to the area, the Springfield area or Chicago, and that the
4. books and records be available on request of all licensees by the

19. PRESIDING OFFICER: (SENATOR BRUCE)

20. Senator Rock.

21. SENATOR ROCK:

22. Thank you Mr. President and Ladies and Gentlemen of the Senate.
23. House Bill 729, sponsored here in the Senate by myself and Senator
24. Philip is an amendment to the Revenue Act, and it provides for an
25. alternative evaluation of real estate used for open space purposes.
26. Now, there were four amendments placed on the bill. Amendment No. 1
27. ...excepted those counties over two hundred thousand...as accord the
28. constitution. That constitutional provision which allows counties over
29. two hundred thousand, if they wish, to classify real property by
30. ordinance. It excepts out of the provisions of this bill those counties
31. over two hundred thousand who have, in fact, classified by ordinance,
32. namely Cook. Secondly, there was an amendment by Senator Carroll that
33. excluded from the definition of open spaces those pieces of property

1 that are used primarily as a residence so that under this...the pro-
2 visions of this bill if, in fact, the...land owner owns 10 or more
3 acres and used it for his residence, it could not be included in this
4 ...ultimate...evaluation process. The third amendment was offered by
5 Senator Fawell, with the respect, to the rollback provision, and the
6 fourth amendment was just put on by Senator Nimrod, which again further
7 circumscribed the definition of the open space land. I think the
8 bill, as amended, in good shape. I am anxious to get it back to the
9 House for Representative Daniel's concurrence, and I would seek a
10 favorable roll call.

11 PRESIDING OFFICER: (SENATOR BRUCE)

12 Is there further debate? Senator Morris.

13 SENATOR MORRIS:

14 Senator Rock, would you yield to a question?

15 PRESIDING OFFICER: (SENATOR BRUCE)

16 Indicates that he will yield.

17 SENATOR MORRIS:

18 I don't have any problems at all with this bill, except one. In
19 fact, I support the concept of open space, but in line 25 through 26
20 on the first page, you say included in this definition of open space
21 should be public and private golf courses. My question is, why are
22 private golf courses included? I understand that a private golf course
23 is a...either profit or nonprofit corporation, but they do exclude
24 certain numbers of people, and I think that if they are going to choose
25 to be a private entity and to keep people off of their property and
26 only to use themselves as an exclusive place for people to go, why
27 should we give them a tax break?

28 PRESIDING OFFICER: (SENATOR BRUCE)

29 Senator Rock.

30 SENATOR ROCK:

31 Well, the question is, the alternate evaluation of what is open
32 space. There is no question that a golf course is, in fact, open space,
33 and as long as it is so used and not used for development purposes,
34 it should be subject, we feel, to consideration by the assessor to

1 assess it at its current use as open land, not its potential use as
2 development property.

3 PRESIDING OFFICER: (SENATOR BRUCE)

4 Senator Morris.

5 SENATOR MORRIS:

6 Does this mean if a developer purchases a piece...purchases a
7 piece of land and sits on it for 10 years, you want to give him the
8 same exemption?

9 PRESIDING OFFICER: (SENATOR BRUCE)

10 Senator Rock.

11 SENATOR ROCK:

12 No Sir, you didn't read the bill. It says when it is "used
13 actually and exclusively for" under Senator Nimrod. So if I bought a
14 golf course, for instance, and sat on it and did not use it for that
15 purpose, it would not be...I could not file this...I could not file the
16 application or would the assessor, I am sure, grant me that...is the
17 electrician off the phone?

18 PRESIDING OFFICER: (SENATOR BRUCE)

19 Senator Rock.

20 SENATOR ROCK:

21 I stopped thinking there for a moment the power went off. No...
22 I think that...the point is, that if, in fact, it's used for the pur-
23 pose it is intended to be used for...it's just exactly the opposite of
24 what your contention is. That is as long as it is used for...for the...
25 purposed stated under the definition of open spaces, we are saying that
26 upon filing the proper application, the assessor, can in fact, take
27 that open space use into account; it parallels those provisions that
28 allow for open space for agriculture purposes.

29 PRESIDING OFFICER: (SENATOR BRUCE)

30 Senator Morris.

31 SENATOR MORRIS:

32 I'll probably support the bill, but my real concern is why we
33 should give a private club any kind of a tax break. I don't know about
34 other areas of the State, but in my area there are private clubs,

1 many of them which have golf courses attached to them, which are used
2 to keep certain groups of our society out of those clubs. I think
3 that those people should not be given a tax break that they are going
4 to be given. I think that the overriding factor here is the need to
5 preserve open space, and I salute that idea, but I really wonder why
6 we in government are going to continue to give private, exclusive, little
7 clubs their way to keep certain people out. I think it is about time
8 that we tell groups that they can't have it that way. I think we
9 give them liquor licenses, and we give them tax breaks to keep people
10 out and I think one of these days, we're going to have to face a day
11 of a reckoning on something like this. The bill has a lot of merit,
12 except for those three words, and I'm going to have to ponder that
13 before I vote on it.

14 PRESIDING OFFICER: (SENATOR BRUCE)

15 Senator Latherow.

16 SENATOR LATHEROW:

17 Thank you, Mr...Mr. President. I certainly wasn't objecting to
18 the bill earlier, and...and I don't look upon this as a tax break
19 bill after I looked at it.

20 PRESIDING OFFICER: (SENATOR BRUCE)

21 Senator Schaffer.

22 SENATOR SCHAFFER:

23 Well, I rise in support of this bill. There's only one think
24 wrong with this bill, it doesn't go far enough. As far as I am
25 concerned, anytime we can encourage anybody, be it a private club,
26 a golf course, or the guy who just has a lot alongside of this house,
27 to not build on it, to keep the trees on it, to keep it green, we're
28 promoting our whole way of life. I'm sorry that...that one amend-
29 ment went on...the exempting or deleting the reference to the land
30 around someone's home because I don't really care whether it is an
31 individual or private club or a corporation or a church or who cares what,
32 if they'll keep that land open, I think that it is a plus for the
33 whole community, be it the lot alongside the house or fifty acres in-

1 volved in...a golf course. I hope Representative Daniels will not
2 concur with that amendment and we can knock it off, because I think
3 that it is very important that we preserve all or as much vacant land
4 and open space as we can and I hope this bill will get a large
5 favorable roll call.

6 PRESIDING OFFICER: (SENATOR BRUCE)

7 Senator Netsch. Senator Berning.

8 SENATOR BERNING:

9 I would just like to make an observation relative, not only to
10 this bill but to other types of exemptions that we have provided.
11 It occurs to me that we are consistently eroding the tax base for the
12 support of local levels of government and the schools are probably
13 hurt the most. It would be appropriate, in my opinion, for the
14 sponsor of this measure, as well as the rest of us, to be thinking
15 about payment in lieu of taxes with the State picking up the lost
16 revenue. I know the sponsor didn't hear what I said, but I would...I
17 will discuss it with him privately.

18 PRESIDING OFFICER: (SENATOR BRUCE)

19 Is there further debate? Senator Rock may close.

20 SENATOR ROCK:

21 Well, I...I think the issue is clear. The question is concerning
22 the...the maintaining of open spaces in...in certain counties in our
23 State. We have done this for private individuals in...in the agricultural
24 field the fact that private golf courses are included, I don't think...
25 in anyway denigrates from the...from the basic value of the bill. I
26 would urge a favorable vote.

27 PRESIDING OFFICER: (SENATOR BRUCE)

28 The question is, shall House Bill 729 pass? Those in favor vote
29 Aye. Those opposed vote Nay. The voting is open. Have all voted
30 who wish? Take the record. On that question, the Ayes are 54, the
31 Nays are 2, none Voting Present. House Bill 729 having received the

14 SENATOR BELL:

15 If I might address a few questions, Mr. President, to the sponsor
16 of the bill.

17 PRESIDING OFFICER: (SENATOR BRUCE)

18 Indicates he will yield, Senator Bell.

19 SENATOR BELL:

20 Senator Lemke, is it...is it true that the bill as it is presently
21 in position here in the Senate, if it passes, that it will allow this
22 benefit only until July 1st, 1977?

7. SENATOR LEMKE:

8. His benefits under the group policy will carry over for a six
9. month period. He is going to pay the cost, and not the employer for
10. these benefits. The problem you have is...it...it's involuntary or
11. laid off. It's the employer that's terminating him, and he has no
12. way...he's caught without any group insurance, and this way it allows
13. him to...to prolong those group insurances until he...for a six month
14. period...and having benefits because if he doesn't have...group in-
15. surance then more...more than likely...he has a problem paying the

18. Senator Bell...Senator Lemke...

19. SENATOR LEMKE:

20. ...I think it is a good measure to protect the man that has

23. PRESIDING OFFICER: (SENATOR BRUCE)

24. Senator Bell.

25. SENATOR BELL:

26. Well, I agree with you Senator Lemke. It addresses itself to a
27. problem that we...that we currently have in our society today and that
28. is those persons that are laid off, and...there should be some way to
29. continue on their...their group benefits, but I would like to mention
30. here that there is a particular problem in reference to the legislation
31. in that that the employer for the first thirty days or the first month
32. that that employee is off, that the employer, Senator Lemke, is that
33. not true, that the employer would have to stand the cost of the...

HB 761

1 would have to pay the premium for that laid off employee?

2 PRESIDING OFFICER: (SENATOR BRUCE)

3 Senator Lemke.

4 SENATOR LEMKE:

5 No, that's not true. The employee will pay the...his share
6 of the benefits...his share of the premium.

7 PRESIDING OFFICER: (SENATOR BRUCE)

8 Senator Bell.

9 SENATOR BELL:

10 Well, I...I don't think that is in the bill, and I'd like to see
11 it...I'd like to see it because our staff analysis indicates here that
12 the employer must stand that cost himself for the first thirty days,
13 and that after the first thirty days, the employee comes into the
14 picture.

15 PRESIDING OFFICER: (SENATOR BRUCE)

16 Senator Harris.

17 SENATOR HARRIS:

18 Well, Mr. President, I think the members ought to be aware of the
19 prospective affect of this very important amendment to the Insurance
20 Code as it relates to group insurance coverage. Now, group insurance
21 is a limited form of coverage that provides for administrative efficien-
22 cies that...and broad selection of the risks which result in the lower-
23 ing of the cost of offering the coverage. The mandate that coverage
24 must continue at group rates for individuals who leave employment,
25 whether the reason for the leaving of employment is the result of the
26 employee's action or involuntary result, is not distinguished. The
27 fact is that all group policies prospectively will have this mandated
28 provision in the Illinois law that the existing group rate must be
29 continued for a period of six months, and that keeping track of in-
30 dividuals, no matter where they might be located, is a requirement of
31 the carrier, will add significantly to the administrative costs of group
32 insurance. Now, the purpose for which this bill was introduced is
33 laudable and understandable. Its actual long-run affect will be to

HB 761
3rd reading
June 16, 1975

1 increase the cost of group coverage very significantly. Further, and
2 this gets into some technicality, but further, the fact that an employee
3 has six months after employment to make a determination whether, in fact,
4 his acceptability is questionable insofar as a change of insurability
5 might be concerned will develop an increased adverse selection prob-
6 ability which in turn be calculated into increased cost. I think that
7 the membership ought to be mindful of those eventful results. I think
8 the purpose might be understandable, but I think its affect will be
9 to increase group coverage costs in Illinois.

10 PRESIDING OFFICER: (SEANTOR BRUCE)

11 Senator Demuzio.

12 SENATOR DEMUZIO:

13 Sponsor yield to a question?

14 PRESIDING OFFICER: (SENATOR BRUCE)

15 Indicates that he will yield.

16 SENATOR DEMUZIO:

17 To clear up a point for me,...and employee is terminated, he
18 immediately begins to pick up the full monthly premium for that six
19 month period of time, is that correct?

20 PRESIDING OFFICER: (SENATOR BRUCE)

21 Senator Lemke.

22 SENATOR LEMKE:

23 That's correct. Some policies have a provision where his in-
24 surance carries over for thirty days after, but this would extend that
25 to six months now, and he would pick up the full cost of that premium.

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 Senator Demuzio.

28 SENATOR DEMUZIO:

29 Well, I think that this is a...a good bill...it allows the indi-
30 vidual an opportunity to...to get insurance, to make his selection,
31 there's a potential for that person to return back to his employment,...
32 he has...an opportunity for him to come...to come back if he is laid off,

27. 3rd reading of the bill.

28. PRESIDING OFFICER: (SENATOR BRUCE)

29. Senator Morris.

30. SENATOR MORRIS:

31. This is really a bill just aimed at clarifying some language and
32. some definitions. It...defines more clearly that the Department of
33. Conservation officers do have the power to enforce regulations on snow-

1 mobiles on State property. It also broadens the definition of areas
2 where a snowmobile may not operate to include the areas, in corporate
3 highways, in other words, cities or villages or unincorporated...in-
4 corporated areas that they may adopt an ordinance that allows the
5 snowmobile to operate within fifteen feet of the road if they would
6 so choose. Right now, they are not allowed to operate in those areas
7 by our State law. This gives the municipalities some...some leeway
8 and some power in how they would decide to operate. It's a pretty
9 simple bill. I'll answer any questions. I'd... appreciate a favorable
10 roll call.

11 PRESIDING OFFICER: (SENATOR BRUCE)

12 Senator Roe.

13 SENATOR ROE:

14 ...Senator Morris, does this bill give the exclusive jurisdiction
15 to the Department of Conservation...for snowmobile offenses?

16 PRESIDING OFFICER: (SENATOR BRUCE)

17 Senator Morris.

18 SENATOR MORRIS:

19 Not as I understand it. It leaves it up, if you'll look in lines
20 twelve through twenty-five on page one, it is the duty of all Conserva-
21 tion Police Officers and other employees of the Department designated
22 by the Director to enforce this Act and then leaving in the old
23 language, it includes sheriffs, deputy sheriffs, and other police
24 officers to arrest any person, etc. etc., so it doesn't take away the
25 authority of the others.

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 Senator Roe...is there further debate? Senator Bell.

28 SENATOR BELL:

29 Well, as...as minority spokesman of the Committee, I'm rising
30 to support Senator Morris in this bill. It had no problem in
31 Committee and...I would urge our members to...vote Aye for the bill.

32 PRESIDING OFFICER: (SENATOR BRUCE)

33 Is there further discussion? The question is, shall House Bill
34 77...Senator Latherow, excuse me.

1 SENATOR LATHEROW:

2 Well, I...Mr. President, I'd just for the membership to recognize
3 the fact that the Director of the Department of Conservation could
4 authorize anyone...any employee of that Department. Now, think of that.
5 Now that Department has set forth quite a energetic way to train their
6 officers that we have for years cllled game wardens and now...call
7 them the law enforcement officers, conservation police, and now we
8 begin to give the Director the privilege of putting every person in
9 that Department under that same provision. Now, I think you
10 better take a second at this before you give that particular provision
11 to anyone.

12 PRESIDING OFFICER: (SENATOR BRUCE)

13 Is there further debate? Senator Morris may close..

14 SENATOR MORRIS:

15 I would just urge support of this and answer to what Senator
16 Latherow has said. It's true it does give the Director that authority,
17 but in the State of Illinois we don't have a great number of game
18 wardens, so to speak. I know in the area that I'm from, we have a
19 major State Park, and there are not just the horses, so to speak, in
20 the game warden's area to do this. By enforcement, it means getting the
21 people who are using the snowmobiles to tear up the ecology off of the
22 place they shouldn't be and it is a matter of getting them, and
23 getting them shaped up and off the land. I think it is good bill and
24 I would encourage a favorable roll call.

25 PRESIDING OFFICER: (SENATOR BRUCE)

26 The question is, shall House Bill 771 pass. Those in favor vote
27 Aye. Those opposed vote Nay. The voting is open. Have all voted
28 who wish? Take the record. Motion to postpone consideration. The
29 bill will be placed on the order of Postponed Consideration. House
30 Bill 772, Senator Carroll.

31 SECRETARY:

32 House Bill 772.

33 (Secretary reads title of bill)

1. 3rd reading of the bill.

2. PRESIDING OFFICER: (SENATOR BRUCE)

3. Senator Carroll.

4. SENATOR CARROLL:

5. Thank you, Mr. President and members of the Senate. This would
6. allow credit unions to merge in cases of liquidation even though that
7. liquidation was not because of the parent-type organization going
8. under, but where they have wanted to liquidate one and allow another
9. to pick it up. ...If there are any questions, I'd be glad to answer
10. them. I would ask for a favorable roll call.

11. PRESIDING OFFICER: (SENATOR BRUCE)

12. Is there further discussion? The question is, shall House Bill
13. 772 pass? Those in favor vote Aye. Those opposed vote Nay. The
14. voting is open. Have all voted who wish? Take the record. On that
15. question, the Ayes are 50, the Nays are none, 1 Voting Present. House
16. Bill 772 having received the constitutional majority is declared passed.
17. House Bill 773, Senator Carroll. Read the Bill, Mr. Secretary.

21. 3rd reading of the bill.

22. PRESIDING OFFICER: (SENATOR BRUCE)

23. Senator Carroll.

24. SENATOR CARROLL:

25. Thank you, Mr. President. And House Bill 773 allows...deals with
26. the loan limits allowable by credit unions...I am standing, Senator
27. Palmer...and would allow...a change in the values of secured loans,
28. would allow them to expend a little bit more money on mortgages at
29. rates lower than the existing usury and the other technical aspects
30. of it on percentages, I would answer any questions and ask for a
31. favorable roll call.

32. PRESIDING OFFICER: (SENATOR BRUCE)

33. Is there discussion? Senator Merritt.

1 SENATOR MERRITT:

2 Yes, Mr. President and members of the Senate. I am not
3 necessarily rising in total opposition of the bill but I think when
4 you vote upon this, that you are embarking upon a new course for
5 credit unions in that they can make a mortgage loan up to a maximum
6 of fifty thousand dollars which they have never had the privilege
7 of doing before. I can well understand that under certain circum-
8 stances where some of their loans get in default or into serious
9 trouble and the person has...and that particular borrower has or
10 member has property otherwise, real estate, that might be desirable
11 to get it under a first mortgage loan but you can well understand in
12 some small credit unions ten of these type loans would amount to a half
13 a million dollars, twenty of them would amount to a million dollars. I
14 think if there were some further defaults made, it could jeopardize
15 their financial situation. I say that I don't necessarily oppose it,
16 but it is a new concept and I think maybe you ought to think twice
17 over it.

18 PRESIDING OFFICER: (SENATOR BRUCE)

19 Is there further discussion? The question is shall House Bill
20 773 pass. Those in favor vote Aye. Those opposed vote Nay. The
21 voting is open. Have all voted who wish? Take the record. On that
22 question the Ayes are 48, the Nays are none, 5 Voting Present. House
23 Bill 773 having received the constitutional majority is declared passed.
24 House Bill 780, Senator Netsch. Read the bill, Mr. Secretary.

25 SECRETARY:

26 House Bill 780.

27 (Secretary reads title of bill)

28 3rd reading of the bill.

29 PRESIDING OFFICER: (SENATOR BRUCE)

30 Senator Netsch.

31 SENATOR NETSCH:

32 Mr. Chairman, this bill, which was requested by the Department of
33 Public Health, deals with the so-called ambulatory surgical treatment

1 centers. It authorizes the department on a twenty-four hour prior
2 written notice to close one of the centers when it finds that they
3 have...finds conditions of eminent and serious menace to the public
4 health or that there has been a conviction of a violation of the
5 license itself. There are provisions attempting to preserve the rights
6 of those involved, for example, the...a hearing may be requested with-
7 in a specified period of time, ten days, and when requested the depart-
8 ment is required to respond within another specified period of time,
9 at seven days so that there is a possibility, perhaps of eight days of
10 closing before the hearing is finally held. Once that is...once that
11 occurs, the hearing proceeds in due course. It does grow out of what
12 has been a major problem for the department with respect to some of
13 these treatment centers where they have found conditions which are
14 unacceptable and have not been able to get quick enough action. It is
15 intended as a public health, a safety device and is very important
16 in the department's estimation.

17 PRESIDING OFFICER: (SENATOR BRUCE)

18 Is there debate? Senator Chew.

19 SENATOR CHEW:

20 Yeah, Mr. President. Rather than to take up a lot time with the
21 Senate, I...I certainly couldn't understand why this is necessary. To
22 me it's discriminatory. I would just say that it's...it's a terrible
23 bill, it should not pass out of the Senate, it shouldn't have been
24 introduced. Now, she says the Department of Health requested it. Well,
25 if we were to give every agency that make requests what they want, they
26 all would be at home, you know, enjoying their pay. So, I am going ask
27 a No vote on 780, and I...

28 PRESIDING OFFICER: (SENATOR BRUCE)

29 Senator Knuppel.

30 SENATOR KNUPPEL:

31 Well, as far as I'm concerned, these are those...ambulatory centers
32 we set up...set up to perform abortions two years ago, they can
33 close them all without any hearings as far as I am concerned, I'd

1 be tickled to death. I think it is a good...bill, and we ought to
2 vote Yes. Let's close them.

3 PRESIDING OFFICER: (SENATOR BRUCE)

4 Senator Partee.

5 SENATOR PARTEE:

6 Well the bill has language on line 13 that I would need some
7 explanation of before I could vote on it. It says that when a...an
8 inspector, that means one inspector, can determine that the center
9 constitutes an eminent and serious menace to the health or safety.
10 I do not know what an eminent or serious menace is and there does
11 not seem to be a definition in the bill of such a condition. Now,
12 this is a...a matter where a business is to be closed on the statement
13 of one person that it contains something that's not defined. ...A
14 lot of people work in these places and just to walk in...one guy
15 walk in to close it without any definition, I think is...something that
16 bothers me.

17 PRESIDING OFFICER: (SENATOR BRUCE)

18 Senator Netsch. Senator Don Moore.

19 SEANTOR DON MOORE:

20 Yes, I can only concur with what Senator Partee said. I, for one,
21 do not want to give the Department of Public Health, or an inspector
22 or an employee of it, the sole discretion to determine what quote
23 "an eminent and serious menace to the health or safety of the patients
24 thereof" close quote is. In addition to that, I am violently opposed
25 to the revocation without a hearing. I think that this is against
26 the principles that we've tried to establish that you're still
27 innocent until you are proven guilty. There should be a provision of
28 a hearing here, and I agree with Senator Chew, this bill never should
29 have been introduced. It's a bad bill and I urge a No vote.

30 PRESIDING OFFICER: (SENATOR BRUCE)

31 Senator Harris.

32 SENATOR HARRIS:

33 Mr. President, as we've experienced the development of legislation

1 this Session, one thing that continues to express itself to me is the
2 reaching out for regulatory power and in this case, judicial decision
3 making authority by the Department of Public Health. I respect the
4 professionals in that department, but I'm really concerned and perhaps
5 even disturbed by what I conclude is, is somewhat insidious growth and
6 reaching out by that department. Here is a case in the instant
7 legislation where administrative personnel with no requirement for
8 legal training to make what I perceive to be a judicial determination
9 without the requirement for a hearing and I just think this is a
10 dangerous precedent. The membership ought to be on notice about it,
11 and vote accordingly, which insofar as my conclusion is concerned, will
12 be to vote No.

13 PRESIDING OFFICER: (SENATOR BRUCE)

14 Senator Howard Mohr.

15 SENATOR HOWARD MOHR:

16 Well, I would...I would echo, Mr. President the views that
17 were stated by the previous speakers, and I'm...I'm appalled, as some-
18 one once said in this Chamber, that people that are talking about
19 protecting the poor consumer would come in with a bill, that, in fact,
20 is not going to give the consumer any protection. I think it is a bad
21 bill anytime you are able to close a place without a hearing. I just
22 think that...that should encourage us all to vote No on this particular
23 bill.

24 PRESIDING OFFICER: (SENATOR BRUCE)

25 Is there further debate? Senator Netsch may close.

26 SENATOR NETSCH:

27 Mr. President, I would call attention to what we are talking about
28 in the context of this bill and these are basically the abortion clinics.
29 There have been found in several of them, which have been newly opened,
30 particularly in the Chicago area, some conditions which are totally
31 inconsistent with the standards that were intended to be adopted by this
32 General Assembly when we authorized the licensing of those abortion
33 clinics. The Department has found that it must be able, in order to

1 protect human life, to move somewhat more quickly than the existing
2 law permits it to do. I would point out very strongly that this does
3 not do away with the requirement for a hearing. What it does do is,
4 in effect, to compress the time period. The department must still
5 serve a twenty-four hour prior written notice. It must still...offer
6 an opportunity for hearing. The only thing that it is permitted to
7 do is to impose a temporary and short-lived closing while it has a
8 chance to reinspect and to provide for the hearing itself. There is
9 a very significant human factor involved in this. There have been
10 conditions which are unconscionable which have been found at some of
11 these abortion clinics, and this is the department's response to attempt
12 to prevent the danger to human life that has resulted from some of
13 those poorly operated clinics. I emphasize, it does not do away with
14 the requirement for a hearing. It simply compresses the time schedule.
15 PRESIDING OFFICER: (SENATOR BRUCE)

16 The question is, shall House Bill 780 pass. Those in favor vote
17 Aye. Those opposed vote Nay. The voting is open. Have all voted who
18 wish? Take the record. On that question, the Ayes are 23, the Nays
19 are 13, 1 Voting Present. House Bill 780 having failed to receive a
20 constitutional majority is declared lost. House Bill 784, Senator
21 Vadalabene.

22 SECRETARY:

23 House Bill 784.

24 (Secretary reads title of bill)

25 3rd reading of the bill.

26 PRESIDING OFFICER: (SENATOR BRUCE)

27 Senator Vadalabene.

28 SENATOR VADALABENE:

29 Thank you, Mr. President and members of the Senate. The purpose
30 of House Bill 784 is to clarify the official names and locations of the
31 Department of Conservation property. Bills similar to this have
32 been introduced and passed in previous Sessions of the General Assembly.
33 They are necessary in order to keep the Statutes up to date with

HB 787
3rd Reading
6-16-75

1 their expansion of the State's recreation system, and I would
2 appreciate a favorable vote.

3 PRESIDING OFFICER: (SENATOR BRUCE)

4 Is there further debate? The question is, shall House Bill 784
5 pass. Those in favor vote Aye. Those opposed vote Nay. The voting
6 is open. Have all voted who wish? Take the record. On that question
7 the Ayes are 50, the Nays are none, 2 Voting Present. House Bill 784
8 having received the constitutional majority is declared passed. House
9 Bill 787, Senator Nimrod. Read the bill, Mr. Secretary.

10 SECRETARY:

11 House Bill 787.

12 (Secretary reads title of bill)

13 3rd reading of the bill.

14 PRESIDING OFFICER: (SENATOR BRUCE)

15 Senator Nimrod.

16 SENATOR NIMROD:

17 Thank you, Mr. President and fellow Senators. This bill provides
18 that townships may do with their general revenue funds to acquire up
19 to fifty acres for purposes of parks or golf courses. This was requested
20 for particular townships that involve areas in DuPage County where they
21 are closing some of these nine hole golf courses and the townships
22 want a right to pick them up. The bill was amended...to be able to
23 only provide for those townships between one hundred thousand and four
24 hundred thousand in population in conformance with the committee request.
25 I would be glad to answer any questions, otherwise I would ask for a
26 favorable roll call.

27 PRESIDING OFFICER: (SENATOR BRUCE)

28 Is there further...is there further discussion? Senator Philip.

29 SENATOR PHILIP:

30 Yes, I've got a question of the sponsor.

31 PRESIDING OFFICER: (SENATOR BRUCE)

32 He indicates that he will yield.

33 SENATOR PHILIP:

1 Yeah, I have an amendment...Senator Nimrod. I wonder if you
2 would hold this on 3rd and move it back to 2nd so I can put the amend-
3 ment on?

4 PRESIDING OFFICER: (SENATOR BRUCE)

5 Senator Nimrod.

6 SENATOR NIMROD:

7 Senator Philip, I certainly would be happy to do that as you
8 desire, and if you would like, I'll take it out of the record.

9 PRESIDING OFFICER: (SENATOR BRUCE)

10 Senator Nimrod, do you wish to proceed? Is there further debate?
11 The question is, shall House Bill 787 pass. Those in favor vote Aye.
12 Those opposed vote Nay. The voting is open. Have all voted who wish?
13 Take the record. On that question, the Ayes are 43, the Nays are 7,
14 3 Voting Present. House Bill 787 having received the constitutional
15 majority is declared passed. Messages from the House.

16 SECRETARY:

17 A Message from the House by Mr. O'Brien, Clerk.

18 Mr. President - I am directed to inform the Senate that the

20 No. 1 to a bill with the following title, excuse me, Senate Bill 66...
21 and they have appointed their Committee an Conference. Senator Graham
22 is the Senate sponsor.

23 PRESIDING OFFICER: (SENATOR BRUCE)

24 Senator Graham.

25 SENATOR GRAHAM:

26 ...can't find me. Mr. President and members of the Senate, I
27 move that we refuse to exceed to the House and ask that a Committee on
28 Conference be appointed.

29 PRESIDING OFFICER: (SENATOR BRUCE)

30 I think, Senator Graham, that you wish to move to accede...

31 SENATOR GRAHAM:

29. PRESIDING OFFICER: (SENATOR BRUCE)
30. Those will be referred to the Secretary's Desk. Motions in
31. Writing.
32. SECRETARY:
33. A Motion in Writing.

1. I move to discharge the Committee on Finance and Credit Regula-
2. tions for further consideration of House Bill 2196, and that bill be
3. placed on the Senate Calendar on the order of House Bills on 2nd read-
4. ing. Signed by Senator Philip.

5. PRESIDING OFFICER: (SENATOR BRUCE)

6. Senator Philip...do you wish to proceed now or...set that over
7. for a later date? Do you have a...date in mind?

8. SENATOR PHILIP:

9. No...no I haven't changed my mind I want to set it over for a
10. later date though.

11. PRESIDING OFFICER: (SENATOR BRUCE)

12. We have to set your date...specify a date...if you could indicate
13. to the Secretary or the Chair?

14. SENATOR PHILIP:

15. Alright, I like to set it over for Wednesday.

16. PRESIDING OFFICER: (SENATOR BRUCE)

17. Wednesday, the 18th. Be set for discussion on Wednesday, June the
18. 18th.

19. SECRETARY:

20. A Motion in Writing. I move that the Committee on Judiciary be
21. discharged from further consideration of House Bill 1470 and that that
22. bill be placed on the Calendar on the order of 2nd reading. Dated
23. June 16th...1975. Signed by Senator Rock.

24. PRESIDING OFFICER: (SENATOR BRUCE)

25. For what purpose does Senator McCarthy arise?

26. SENATOR MCCARTHY:

27. Well, not particularly on Senator Rock's bill, but I might as
28. well raise it on his because I'm going to raise it anyway because I
29. think we ought to know. It is, with particular reference, with Senator
30. Philip's...

31. PRESIDING OFFICER: (SENATOR BRUCE)

32. Gentlemen, excuse me, Senator McCarthy. We'll be out of here in
33. twenty-three minutes if we can keep order. Senator McCarthy.

1 SENATOR MCCARTHY:

2 ...I rise on a point of order, particularly with reference to
3 Senator Philip's motion. My point of order is this. The bill was
4 heard in committee. The bill was not reported from committee Friday
5 favorably. Now, my point of order is, I...as I understand under the
6 Senate rules, bills not reported out of committee by last Friday cannot
7 be reported out of committee. Now, therefore, it would strike me that
8 we run across a problem because here's a motion to discharge the
9 committee. Well, even...let's assume...let's assume that such a motion
10 would be supported. Doesn't the previous rule obviate such a point and...
11 I am just wondering if you can't look at that and maybe save us a little
12 time?

13 PRESIDING OFFICER: (SENATOR BRUCE)

14 Senator McCarthy, I would point...make two points to your...your
15 statement of the rules. First of all, it's joint rules, not our Senate
16 rules, House-Senate rules, and you...the bills could be reported out
17 of committee, but they could not be considered by this Body pursuant to
18 the rules. Committee could take action, but they...they...would remain
19 on the Calendar and not be considered pursuant to the joint rules of
20 the House and Senate.

21 SENATOR MCCARTHY:

22 Well...is...is...

23 PRESIDING OFFICER: (SENATOR BRUCE)

24 Senator Philip...Senator McCarthy...

25 SENATOR PHILIP:

26 Well, Mr. ...

27 SENATOR MCCARTHY:

28 ...that motion in order?

29 PRESIDING OFFICER: (SENATOR BRUCE)

30 What is your motion, Senator McCarthy, at this time?

31 SENATOR MCCARTHY:

32 I don't have any motion, because I don't...I just arose...on a
33 point of order and that is, is the written motion to discharge a bill

1 from further consideration and place it on the Calendar on the
2 order of 2nd reading. Is that in order in view of our heretofore
3 adopted rules, both joint and in the Chamber?

4 PRESIDING OFFICER: (SENATOR BRUCE)

5 We alone could not make that decision. The House by three-fifths
6 vote and the Senate by three-fifths could suspend the rules...

7 SENATOR MCCARTHY:

8 I understand that...

9 PRESIDING OFFICER: (SENATOR BRUCE)

10 ...but the rules state, Senator McCarthy, if I might read it for
11 the membership. "June 13th-final date for standing committees of
12 each House to complete all action on bills originating in the other
13 House." It...it says no more. Senator Philip, for what purpose do
14 you arise?

15 SENATOR PHILIP:

16 Yeah, I'd like to make this comment. That...that the President has
17 already ruled. He ruled we would hear this motion to discharge on
18 Wednesday so we are already past that fact.

19 PRESIDING OFFICER: (SENATOR BRUCE)

20 Well, if...if...if, Senator McCarthy is making a point whether that
21 motion is in order, it would be the ruling of the Chair that the motion
22 to discharge would be in order. The effect of that motion would be
23 another point that can be debated on...on the 18th. Motions in Writing.
24 Senator Merritt.

25 SENATOR MERRITT:

26 Mr. President, as a member of that committee, also, I quite agree
27 with Senator McCarthy said.

28 PRESIDING OFFICER: (SENATOR BRUCE)

29 Well, Senator Merritt, we are on the order of Motions in Writing.
30 Senator Philip has...has filed a motion; we have taken action, set it
31 for debate on the 18th. If your comments go to that, ...perhaps it
32 would be best to wait until the 18th to discuss it. We were on Senator
33 Rock's Motion in Writing which has been read. Senator Rock.

1 . SENATOR ROCK:

2 I would request, Mr. President, that the motion be placed on
3 the Calendar and would be arguable on June the 19th, which is a day
4 following Senator Philip.

5 PRESIDING OFFICER: (SEANTOR BRUCE)

6 Senator Rock has asked that the motion be set for discussion and
7 debate on the 19th day of June. Is there leave? Leave is granted.
8 Motions in Writing.

9 SECRETARY:

10 A Motion in Writing. Having voted on the prevailing side, I
11 move to reconsider the vote by which House Bill 709 was passed.
12 Signed Senator Glass.

13 PRESIDING OFFICER: (SENATOR BRUCE)

14 Is Senator Glass on the Floor? Senator Glass.

15 SENATOR GLASS:

16 Well, thank you, Mr. President. It is my intention to move for
17 reconsideration on this bill, and I have talked to the House sponsor
18 about amending the bill to limit it to card playing in the home. I...
19 I can proceed with this tomorrow. He has indicated to me that he is
20 agreeable to that amendment, and I have talked...talked to the Senate
21 sponsor, but I would like leave to have this motion heard tomorrow.

22 PRESIDING OFFICER: (SENATOR BRUCE)

23 Senator Glass, I was...distracted. You wish to discuss that
24 tomorrow?

25 SENATOR GLASS:

26 I would like to go ahead with the motion tomorrow. I'll have an
27 amendment ready for the bill, and I have talked to the House and Senate
28 sponsor on it.

29 PRESIDING OFFICER: (SENATOR BRUCE)

30 Senator Glass, I would point out that tomorrow is a day which will
31 be consumed with a great deal of discussion on the Equal Rights Amendment.
32 Do you wish to set it tomorrow for sure? The Chair does not wish to
33 dissuade you.

1 SENATOR GLASS:
2 No, it...Wednesday is fine, if that is alright.

3 PRESIDING OFFICER: (SENATOR BRUCE)
4 June 18th. Is leave? Leave is granted. Senator Daley.

5 SENATOR DALEY:
6 Mr. President and fellow Senators. In reagrds to a House Bill 780,
7 which I was not on the Floor, someone inadvertently voted me No on
8 House Bill 780. I would like it...to make it a record that I would have
9 voted Aye for House Bill 780.

10 PRESIDING OFFICER: (SENATOR BRUCE)
11 The record will so show. Conference Committee Reports. Gentle-
12 men, I would alert you that we are on Conference Committee. This
13 could very well be final passage.

14 SECRETARY:
15 House Bill 1173. Conference Committee Report...copies have been
16 handed out to all Senators and...

17 PRESIDING OFFICER: (SENATOR BRUCE)
18 Gentlemen, can we have some order, please?

19 SECRETARY:
20 The...the Conference Committee on the Senate side was Senator,
21 Weaver, Hynes, Egan, Regner, and Buzbee.

22 PRESIDING OFFICER: (SENATOR BRUCE)
23 Senate Bill 1173, Senator Buzbee.

24 SENATOR BUZBEE:
25 Mr. President, this is the transfer of funds in the Department
26 of Mental Health and the Conference Committee worked out an agreeable
27 compromise. I believe we are cutting the eight thousand dollars as...
28 we had originally done in the Senate and...the House side has agreed
29 and...so I would ask for a favorable roll call.

30 PRESIDING OFFICER: (SENATOR BRUCE)
31 Is this House Bill 1173 or Senate.

32 SENATOR BUZBEE:
33 House Bill 1173.

1 . PRESIDING OFFICER: (SENATOR BRUCE)

2 House Bill 1173. Is there further debate? On final passage the
3 question is, shall the Senate adopt the Conference Committee Report
4 on House Bill 1173. Those in favor vote Aye. Those opposed vote Nay.
5 The voting is open. Have all voted who wish? Have all voted who wish?
6 Take the record. On that question, the Ayes are 53, the Nays are none,
7 none Voting Present. The Senate adopts the Conference Committee Report
8 on House Bill 1173, and the bill having received the required consti-
9 tutional majority is declared passed. The Senate will stand at ease
10 for one moment, the machine is...Motions in Writing.

11 SECRETARY:

12 Motions in Writing. I move to take House Bill 2044 from the
13 Table. Signed June the 16th, 1975. Senator James Donnewald.

14 PRESIDING OFFICER: (SENATOR BRUCE)

15 Senator Donnewald, when would you like to have the motion heard?

16 SENATOR DONNEWALD:

17 Whatever is fair.

18 PRESIDING OFFICER: (SENATOR BRUCE)

19 We have set several for the 18th; it makes it easier on the Chair...

20 SENATOR DONNEWALD:

21 Fine.

22 PRESIDING OFFICER: (SENATOR BRUCE)

23 ...if we could move them all at the same time.

24 SENATOR DONNEWALD:

25 Very good.

26 PRESIDING OFFICER: (SENATOR BRUCE)
