20. PRESIDENT:
21. Secretary's Desk. If everybody will take a look at the
22. Calendar, we have a number of House Bills, 1st reading on page
23. 2. I wish that you would check and see if there's any bills
24. that a Senator would wish to pick up and assume a Senate sponsor-
25. ship. Just let the Secretary know and then we'll read through
26. them. Senator Nimrod, for what purpose do you arise?
27. SENATOR NIMROD:
28. Yeah, Mr. President and fellow Senators, as the technical
29. chairman of the Energy Resources Commission under Senator Knuppel,
30. I thought you might be interested in having a chance to meet a
31. few gentlemen that are with us this morning who were flying over
32. our city last night here in Springfield, and these gentlemen are
33. from NASA. They are here and performing a function of taking a

1. thermal scanning by flying airplanes over to detect heat loss,
2. and there's an experimental process that's been going on, and
3. I think that if this demonstration is finished and when the facts
4. are available to us, I think it will reveal an area which is
5. certainly is going to be very beneficial to the State and one
6. that we might consider doing for all of our cities, and that
7. is detecting the amount of heat loss that's lost so that we
8. can advise and inform the people and our local governments.
9. And if it's all right with you, Mr. President, I would ask if
10. you might introduce Mr. John Jack and Robert Bowman who are
11. engineers with NASA, and Mr. Byron Batenhower and William Swan
12. who were the pilots. They are accompanied with Doug Black
13. who is a part...who was with NASA and is on...is on leave with

32. PRESIDING OFFICER: (SENATOR ROCK)
33. On the Calendar on page 2 on the Order of Senate Bills 3rd

1. reading, Senate Bill 22. Senator Hynes.

2. SENATOR HYNES:

3. Mr. President and members of the Senate, there was an
4. agreement that this bill would be brought back for the purpose
5. of any amendments, and I believe there are amendments up on the
6. Secretary's Desk, and I would ask leave of the Body that it be
7. brought back to 2nd reading so that...

8. PRESIDING OFFICER: (SENATOR ROCK)

9. Senator Hynes...

10. SENATOR HYNES:

11. ...those amendments could be offered.

12. PRESIDING OFFICER: (SENATOR ROCK)

13. ...Senator Hynes has asked leave of the Body to bring Senate
14. Bill 22 back to the order of 2nd reading for the purpose of
15. offered amendments. Is leave granted? On the Order of Senate
16. Bills on 2nd reading is Senate Bill 22. Mr. Secretary.

17. SECRETARY:

18. Amendment...Amendment No. 1 offered by Senator Harber Hall.

19. PRESIDING OFFICER: (SENATOR ROCK)

20. Senator Harber Hall.

21. SENATOR HARBER HALL:

22. Mr. President...

23. PRESIDING OFFICER: (SENATOR ROCK)

24. Will you explain the amendment, Senator?

25. SENATOR HARBER HALL:

26. Q..This...this amendment, Mr. President, is prompted by at
27. least my concern for the best operation of the General Assembly.
28. Senate Bill 22 as you know establishes new leadership positions
29. in the majority and minority of the Senate, and I have reason
30. to believe that it would increase before it's finally passed
31. leadership positions in the House as well. Mr. President, it
32. occurred to me during the long debate and waiting and the various
33. transactions involved with the establishment of the leadership

1. in the Senate that certain matters affecting the operation of
2. the total legislative body should not be a part of deals to
3. ...to finally establish the leadership. However, things were
4. discussed and finally eventuated in the acceptance...in...in
5. the election of leadership, and a part of that was apparently
6. an agreement to broaden the leadership. In the case of the
7. majority side, the...the assistant leaderships were increased
8. from three to four and from two to three on the minority side
9. for assistant leaders. Now, Mr. President and fellow Senators,
10. in talking to Republicans, Democrats, Senators and House of
11. Representative members, I have yet to find one person who
12. believes in their heart that leadership needs or should be
13. expanded. Now, I realize that after we were down here for five
14. weeks and had not settled the President election, that certain
15. agreements were accepted and...agreed upon by a majority of
16. members and to that extent everyone would have to say they
17. would live up to the agreement, but Ladies and Gentlemen of the
18. Senate, it seems to me if the true feeling of a vast, if not
19. all of the members, is that this move is not really needed and
20. indicated that with that type of an understanding, we should
21. not proceed with this particular agreement through the changing
22. of assistant leadership positions. Therefore, and with this
23. last statement about what this would do, I am going to move for
24. the striking of the enacting clause of Senate Bill 22. I would
25. just say that if you understand as I do, and I know that you do,
26. that expanding leadership does not improve leadership. It weakens
27. leadership. We need strong leadership. We have strong leader-
28. ship, but we should not weaken that leadership by appointing
29. unneeded, unnecessary and diffusive new positions to that leader-
30. ship, so I would ask that this Body conclude this discussion and
31. this particular proposition now by joining with me in voting to
32. strike the enacting clause on Senate Bill 22.

33. PRESIDING OFFICER: (SENATOR ROCK)

1. Senator Knuppel.

2. SENATOR KNUPPEL:

3. Well, there's much truth in what Senator Hall has spoken.
4. Two years ago we were here with a lot less of a team than we
5. have now. We're reaching the point that we have more chiefs
6. or we're going to have more chiefs than we have indians. It's
7. not just paying the salary here on the Floor. This goes to the
8. pensions of these people in the future. It's going to be quite
9. expensive to the people of the State of Illinois. However, as
10. he said, there were some arrangements made. I...I regret those.
11. I...I feel that they should not have been made. I wouldn't of
12. care if we'd stayed here for three or four more weeks. I did
13. not vote for my good friend Senator Thomas Hynes for President,
14. not because I don't like Tom, because I would have voted for
15. him if he would have needed my vote. But I voted Present to
16. illustrate my lack of confidence in the type of deals that were
17. forced on him, the type of arrangements that were forced on him
18. in order to gain the leadership position and have this Body move
19. forward. However, I...and I will be here barring some fatality
20. or something when we organize two years from now, and I want
21. tell the members of this Body that I won't vote for any further
22. expansion of leadership roles. It's a...it's a rip-off as far
23. as I'm concerned of the people. It was a necessity to get it
24. organized, and I'm telling those twelve or thirteen people who
25. were in the minority and held out so vehemently for these jobs,
26. that...that as far as I'm concerned they don't deserve it. It...
27. it's a...a ransom that has to be paid to have this Body operate,
28. and I want the people of the State to know I would have stayed
29. here till Hell froze over before I would have given one damn
30. thing, but I'll vote for this because Tommy Hynes is selected as
31. President and he needs the support of those of us who really
32. believe in Tom and think he needs to do a job, and this is the
33. first test. I'm going to vote with him even though it's against

1. my better judgement and even though I think it's extortion as
2. far as the people are going to receive these salaries and
3. positions are concerned.

4. PRESIDING OFFICER: (SENATOR ROCK)

5. Senator Vadalabene.

6. SENATOR VADALABENE:

7. Yes, thank you, Mr. President and members of the **Senate**.
8. I, too, am going to vote for this bill even though one of the
9. persons who's going to be rewarded by this legislation comes
10. from the Metro-East area. A person who dedicated himself to
11. the area that he was going to help the...the depressed area.
12. He was going to help the economic situation of the area and killed
13. a twenty million dollar project of mine of which I worked six
14. years. Now, I'm not going to be bitter about this thing, but I'm
15. going to remind the people down there in the State of Illinois
16. if you have to reward a person for...to be a majority leader in
17. the Senate for killing a twenty million dollar bill, so be it.

18. PRESIDING OFFICER: (SENATOR ROCK)

19. Any further discussion? Senator Hynes.

20. SENATOR HYNES:

21. Mr. President, I think the matter has been thoroughly
22. debated, but I would add just a couple of comments. This was a
23. ...an agreement that...that was made, but in...on the merits of
24. the question, I think that the nature of the Body, the...the
25. volume of the workload and so on justifies the addition of a
26. leader on both sides of the aisle in order to...to assist us
27. in handling our workload, and I would resist Senator Harber
28. Hall's amendment, and ask the Chair for a ruling as to how many
29. votes are required for this amendment to carry.

30. PRESIDING OFFICER: (SENATOR ROCK)

31. Under temporary Rule 16 of the Senate, a motion to strike
32. the enacting clause must be carried by a majority of the Senators
33. elected. The Chair will rule, therefore, that it takes thirty

1. affirmative votes for this amendment to be adopted. Any further
2. discussion? All right, the question is, the adoption of Amend-
3. ment No. 1 to Senate Bill 22. All those in favor signify by
4. saying Aye. All those opposed. The Noes have it. The amendment
5. is defeated. Does the sponsor wish a roll call? All right,
6. a roll call has been reluctantly requested by the sponsor. The
7. Secretary will call the roll. This...the adoption of Amendment
8. No. 1 will take thirty affirmative votes. Oh, we're on the
9. Board again. All right. All those in favor...the question is,
10. the adoption of Amendment No. 1. Those in favor will vote Aye.
11. Those opposed will vote Nay. The voting is open. Have all
12. voted who wish? Take the record. On that question, the Ayes
13. are 17; the Noes are 34, none Voting Present. The amendment
14. fails. Further amendments?

15. SECRETARY:

16. Amendment No. 2 offered by Senator Harber Hall.

17. PRESIDING OFFICER: (SENATOR ROCK)

18. Senator Hall.

19. SENATOR HARBER HALL:

20. Mr. President, I'm very sorry that we have to proceed
21. with Senate Bill 22, because I...I know that we all recognize
22. that these positions are really not needed. If there are nine
23. leaders needed in the Senate, they need twenty-seven in the
24. House. But that amendment didn't...my amendment didn't pass to
25. strike the enacting clause, so consider this one. It seems
26. to me, Mr. President, that if we have different levels of
27. leadership and we add leadership now with 22 that there must be
28. different responsibilities and different levels of this leader-
29. ship and I would suggest that if we...even if we can rationalize
30. that there is some value and some responsibility and some work
31. involved with the additional leadership positions that it
32. probably isn't is of as a high order as the previous assistant
33. leaders have assumed in the past. With that in mind and with a

1. conscience toward frugality in government, I would like to
2. suggest that the additional salary involved of the newly added
3. leadership positions be lower than the others and this amendment,
4. therefore, would suggest fifteen hundred dollars additional
5. compensation for each of these new leadership positions. I
6. move adoption of this amendment.

7. PRESIDING OFFICER: (SENATOR ROCK)

8. Any discussion on Amendment No. 2? Senator Hynes.

9. SENATOR HYNES:

10. Mr. President, I would oppose this amendment. I...I
11. think that if this position is to be created which I think it
12. should be, that it should be salaried at the same level as the
13. existing positions, and I would oppose this amendment.

14. PRESIDING OFFICER: (SENATOR ROCK)

15. Any further discussion? Question is, the adoption of
16. Amendment No. 2 to Senate Bill 22. All those in favor signify
17. by saying Aye. All those opposed. The Noes have it. The
18. amendment is defeated. Any further amendments?

19. SECRETARY:

20. No further amendments.

21. PRESIDING OFFICER: (SENATOR ROCK)

22. 3rd reading. Intervening business is not required. Mr.
23. Secretary, read the bill. On the Order of Senate Bills 3rd
24. reading, Senate Bill 22.

25. SECRETARY:

26. Senate Bill 22

27. (Secretary reads title of bill)

28. 3rd reading of the bill.

29. PRESIDING OFFICER: (SENATOR ROCK)

30. Mr. Sergeant-at-Arms, will you ring the bell please.

31. Senator Hynes.

32. SENATOR HYNES:

33. This is the bill which adds an Assistant Majority Leader

1. and Minority Leader position and I would urge your support
2. and a favorable roll call.

3. PRESIDING OFFICER: (SENATOR ROCK)

4. Any discussion? Senator Harber Hall.

5. SENATOR HARBER HALL:

6. Ladies and Gentlemen of the Senate, Senate Bill 22 will
7. disrupt the operation of the Senate and probably the House.
8. I think the most illustrious example I could give is that by
9. adding new positions of leadership we tear down the established
10. system of leadership. It's inconceivable to me that with a
11. Body of fifty-nine that we need or can properly assimilate
12. the thinking into leadership of nine individuals. I have respect
13. for leadership, but how can I have respect for so many different
14. view points and individuals who possess this power that we vote
15. for. Can you imagine how we diffuse, how we destroy the
16. activities that we assign to leadership when we add members to
17. the team like this? Every conference, every caucus will see
18. more people with different directions and consequently it will
19. be that much harder to develop party unity, party position, and
20. party action toward anything important, so I...I feel very
21. strongly about this. I wouldn't have...I wouldn't have advanced the
22. amendments that I did, and I wouldn't be on my feet talking
23. against this if I didn't feel very personally about it. To me
24. it makes no difference in a personal basis, but I do have high
25. regard for the process, extremely high regard, and too high a
26. regard to let this bill go through without speaking out on it,
27. and I intend to vote No and I would hope the bill would be
28. killed somewhere along the line and now would be a very good
29. time to do that.

30. PRESIDING OFFICER: (SENATOR ROCK)

31. Any further discussion? Senator Nimrod.

32. SENATOR NIMROD:

33. Yes, Mr. President and fellow Senators, I can't help but

1. agree with Senator Hall. The only thing I want to point out is
2. that by voting for this bill, what we're doing is condoning the
3. actions that took place here in the selection of the leadership
4. within the Senate. And we are setting the pattern for the future
5. that anytime an individual group or minority group wants to have
6. any kind of input into the change in the procedures, customs,
7. and traditions of the operation of this Senate, all they got to
8. do is hold out, and we will just abide by them and the rest of
9. the Senate will then have to agree. It's a bad precedent, and
10. it's a sad day.

11. PRESIDING OFFICER: (SENATOR ROCK)

12. Any further discussion? Senator Chew.

13. SENATOR CHEW:

14. Thank you, Mr. President. My time down here in Spring-
15. field I would hope would be well spent. The two previous
16. speakers that have spoken in opposition to the bill and tried
17. to destroy it with amendments are merely trying to get some ink
18. for some little dinky newspaper back in some little dinky
19. community to say that I was down trying to eliminate the ex-
20. pansion of leadership. I've heard these gentlemen speak against
21. a raise for legislators. I've heard them castigate persons
22. that come in with those kind of bills and I've also observed
23. them running to the trough to collect what they said they didn't
24. want. If either one was named to the spot, they would be
25. around here trying to get votes for it, and then they would go
26. back to their little dinky communities and get their little dinky
27. newspapers and say well, it was justified, we have to travel a
28. long way, it's been cold this winter, the heating bills are up,
29. and offer all kinds of excuses that are not necessary. If I
30. lived in the districts, I would vote against them because they
31. are hypocrites and they speak with a forked tongue and they
32. are not necessary due here in the Senate and they ought to be
33. defeated in the next election, and if we get another raise,

1. I would like to offer an amendment then that those that speak
2. against it would not be entitled to it, and then you would see
3. everyone voting. We ought to be down here to try to do some-
4. thing for the benefit of the people of the State of Illinois. And
5. I might add, Mr. President, since they did get on the subject
6. about a deal. They knew very well all of the...negotiations
7. that were going on at the time. Now, if they were so against
8. it, why didn't they offer something to solve it. They sat
9. on their hands and did nothing. Now, they are trying to tell
10. Tom Hynes - oh, you can't make no...no...no commitment to any-
11. body, you can't do that, you're the President of the Senate.
12. Well, one of the qualifications for being the President of the
13. Senate is to make good your word. I wish one of you had that
14. quality.

15. PRESIDING OFFICER: (SENATOR ROCK)

16. Any further discussion? Senator Knuppel for the second
17. time.

18. SENATOR KNUPPEL:

19. Yeah, but that...not a second time, that...that was on
20. the amendment, Mr. President. I just want Senator Chew to know
21. that I don't come from a dinky community and I don't care if he
22. does come from a rinky-dink town called Chicago that...that
23. it...it ain't a damn bit more important in this State than
24. Virginia and you remember that, sonny boy.

25. PRESIDING OFFICER: (SENATOR ROCK)

26. Any further discussion? Senator Hynes, will please close...
27. Senator Berning, for what purpose do you arise?

28. SENATOR BERNING:

29. Thank you, Mr. President. The comments...the last two
30. comments by the last two speakers stimulated me to simply
31. observe and, Senator Chew, if it's of any interest to you, it
32. just appears to me that what we are doing here now is in a
33. sense discriminating, something I know which Senator Chew abhors.

1. But if you stop to think about it, nine of thirty-four...of
2. fifty-nine is getting close to ten...wait a minute, twenty
3. percent. So what we have done or will have done by enacting
4. this bill is provide for pay increases for twenty percent while
5. the other eighty percent of us sit idly by and watch the
6. dollars flow. It seems to me that we are in a sense discrimina-
7. ting and that's unfortunate.

8. PRESIDING OFFICER: (SENATOR ROCK)

9. Further discussion? Senator Wooten.

10. SENATOR WOOTEN:

11. Just a comment, Mr. President, to my colleagues, Nimrod
12. and Hall, that I, too, object to this, but I believe they were
13. urging us to reach an accomdation and this was part of it,
14. and so, although I do object to the increase, I'm going to vote
15. for it.

16. PRESIDING OFFICER: (SENATOR ROCK)

17. Any further discussion? Senator Hynes may close the
18. debate.

19. SENATOR HYNES:

20. Mr...Mr. President, based upon the events of the past
21. several weeks and as highlighted by the quality of the debate
22. here today, I think we're going to need this additional leader-
23. ship spot and all of the other...all of the additional help
24. that leadership can get, so I would urge your support for this
25. bill.

26. PRESIDING OFFICER: (SENATOR ROCK)

27. All right, the question is, shall Senate Bill 22 pass.
28. Those in favor will vote Aye. Those opposed will vote Nay. The
29. voting is open. We're on 3rd reading. This is passage of
30. Senate Bill 22. Have all voted who wish? Take the record.
31. On that question, the Ayes are 38, the Nays are 17, none Voting
32. Present. Senate Bill 22 having received a constitutional majority
33. is declared passed. Senator Egan, for what purpose do you arise?

1. SENATOR EGAN:

2. I make...I move to reconsider the vote by which that...

3. PRESIDING OFFICER: (SENATOR ROCK)

4. Senator Egan having voted on the prevailing side moves
5. to reconsider the vote by which Senate Bill 22 has passed.
6. Senator Netsch moves to lie that motion upon the Table. All
7. those in favor signify by saying Aye. All those opposed. The
8. Ayes have it. So ordered. On the Order of Senate Bills on 3rd
9. reading is Senate Bill...Senator Shapiro.

10. SENATOR SHAPIRO:

11. Mr. President and Ladies and Gentlemen of the Senate,
12. with the passage of Senate Bill 22 and the fact that it's
13. becoming law appears eminent and will probably happen within
14. a...relatively short time, I do wish to make an announcement
15. as to who will fill that spot on the minority side of the aisle.
16. Now, I personally was opposed to the creation of the extra
17. leadership spots, the splitting of the committees, so on and
18. so forth. I was opposed to those points for many reasons. I
19. think it's a step in the wrong direction. I think we are
20. gradually locking ourselves into a position where leadership
21. fights will be decided on who can offer the most goodies, and
22. deliver and who is the highest bidder, and I think that is a
23. wrong direction to go. However, I do have a commitment to fill
24. that spot to a person who probably worked harder than any other
25. member of this Senate to see that extra leadership spot was
26. created, so now when that...this bill becomes law, the extra
27. spot on the minority side will be filled by Senator James Soper.
28. Thank you.

29. PRESIDING OFFICER: (SENATOR ROCK)

30. All right, on the Order of Senate Bills on 3rd reading
31. is Senate Bill 78. Read the bill, Mr. Secretary

32. SECRETARY:

33. Senate Bill 78

1. (Secretary reads title of bill)

2. 3rd reading of the bill.

3. PRESIDING OFFICER: (SENATOR ROCK)

4. Senator Hynes.

5. SENATOR HYNES:

6. This is the appropriation necessary to fund the additional

7. leadership position that would be created by Senate Bill 22, and

8. I would urge your favorable support.

9. PRESIDING OFFICER: (SENATOR ROCK)

10. Is there any discussion? Question is, shall Senate Bill

11. 78. Those in favor will vote Aye. Those opposed will vote

12. Nay. The voting is open. Have all voted who wish? Have all

13. voted who wish? Take the record. On that question, the Ayes

14. are 35, the Nays are 17, 1 Voting Present. Senate Bill 78

15. having received a constitutional majority is declared passed.

16. Senator Egan moves to...having voted on the prevailing side

17. moves to reconsider the vote by which Senate Bill 78 is passed.

18. Senator Netsch moves to lie that motion upon the Table. All

19. those in favor signify by saying Aye. All those opposed. The

20. Ayes have it. So ordered. Senator Berning, for what purpose

21. do you arise?

22. SENATOR BERNING:

23. Parlimentary inquiry or informational inquiry. Is...I

24. just realized that the bill which was just passed, Senate Bill

25. 78, spells out the numbers of majority and minority leaders from...

26. going from eleven to thirteen.

27. PRESIDING OFFICER: (SENATOR ROCK)

28. That is correct. The...the appropriation bill appropriating

29. money to the Comptroller for those payments includes the House

30. leadership.

31. SENATOR BERNING:

32. That was my question.

33. PRESIDING OFFICER: (SENATOR ROCK)

1. Yes, there are just two additional. We have eleven
2. currently between the House and the Senate. Now, there are
3. two additional. All right, introduction of bills.

4. SECRETARY:

5. Senate Bill 176 introduced by Senators Morris, Sangmeister,
6. Joyce and others.

7. (Secretary reads title of bill)

8. 1st reading of the bill.

9. PRESIDING OFFICER: (SENATOR ROCK)

10. All right, at this time...all right, if I can have the
11. attention of the Body, we have had a request from the Speaker's
12. Office that the Senate present itself to the House for the
13. Joint Session as a group. So, we are asked that...it's been
14. suggested that we gather at the front door of the Chamber at
15. 11:45 sharp and march in as a Body to show that the Senate is
16. ready to do business at least. I understand that we will now
17. recess. It is now 11:15. We will recess until the hour of
18. one-thirty which will be after the Joint Session. The Joint
19. Session will commence at 11:45. Senator Hynes, is that your
20. understanding that we would meet at the front door of the House
21. at 11:45 and march on them in mass and come back into Session
22. at 1:30? All right, if there's no further business at this
23. time, the Senate will stand in recess until the hour of one-thirty.
24. Senator Hynes.

25. SENATOR HYNES:

26. Mr. President, the members of the Senate who will...who
27. have been appointed to escort the Governor are Senators Kosinski,
28. Vadalabene, Chew, Rupp and Berning.

29. PRESIDING OFFICER: (SENATOR ROCK)

30. All right, the Senate will stand in recess until the hour
31. of one-thirty.

32. (Recess)

33. (After Recess)

1. PRESIDENT:
2. The hour of one-thirty having arrived, the Senate will
3. please come to order. Resolutions.

8. PRESIDENT:
9. Senator Hall.
10. SENATOR KENNETH HALL:
11. Thank you, Mr. President and fellow members of the Senate.
12. I move for...I move for the adoption of the adjournment resolu-
13. tion.
14. PRESIDENT:
15. Senate...you...you have heard the motion...the resolution
16. and the motion of Senator Hall. For what purpose does Senator
17. Shapiro arise?
18. SENATOR SHAPIRO:
19. Could the sponsor explain the resolution again, the...
20. the dates and times?
21. PRESIDENT:
22. Will the Secretary please re-read the resolution.
23. SECRETARY:
24. (Secretary re-reads resolution)
25. PRESIDENT:
26. All right, you have heard the resolution and Senator Hall's
27. motion. Is there any discussion? If not, all those in favor

24. SENATOR SHAPIRO:
25. Mr. President and Ladies and Gentlemen of the Senate, this
26. a death resolution for a former Senator who is known to many of
27. us...those of us who served with him when we were in the House,
