8. Well, the amendment, in effect, becomes the

12. day care center is exempted from licensing  
13. but is required to have a license from the State  
14. to receive Federal funds, that the Department  
15. may license them. I guess some of the public

17. license, but which the Feds require license from  
18. us on so that Federal funds can be made available.
