

NOVEMBER 16, 1977

1. PRESIDING OFFICER: (SENATOR DONNEWALD)

2. First Special Session to come to order. Reading of the
3. Journal.

4. SECRETARY:

5. November the 2nd, 1977. November the 3rd, 1977 and November
6. the 4th, 1977.

7. PRESIDING OFFICER: (SENATOR DONNEWALD)

8. Senator Leonard.

9. SENATOR LEONARD:

10. Mr. President, I move that the Journals just read by the
11. Secretary be approved unless some Senator has additions or
12. corrections to offer.

13. PRESIDING OFFICER: (SENATOR DONNEWALD)

14. Is there...you've heard the motion. Those in favor indicate
15. by saying Aye. Those opposed. The Ayes have it. The motion
16. carries. Senator Leonard.

17. SENATOR LEONARD:

18. Mr. President, I move that reading and approval of the
19. Journals of Monday may...November 7th, Tuesday, November 8th
20. and Wednesday, November 9th in the year 1977 be postponed
21. pending arrival of the printed Journals.

22. PRESIDING OFFICER: (SENATOR DONNEWALD)

23. You've heard the motion. Those in favor indicate by
24. saying Aye. Those opposed Nay. The Ayes have it. The motion
25. carries. Senator Rock. Senator Rock.

26. SENATOR ROCK:

27. Thank you, Mr. President. Again, I would rise to make
28. a motion to discharge the Committee on Executive from further
29. consideration of House Joint Resolution No. 1 and ask that it
30. be reassigned to the Committee on Judiciary II.

31. PRESIDING OFFICER: (SENATOR DONNEWALD)

32. You've heard the motion. Those in favor indicate by
33. saying Aye. Those opposed. The Ayes have it. The motion

1. carries. Senator Graham. For what purpose do you arise?
2. SENATOR GRAHAM:
3. I'd just like to know what the Senator's resolution
4. does?
5. PRESIDING OFFICER: (SENATOR DONNEWALD)
6. Senator Rock.
7. SENATOR ROCK:
8. It was the Senator's motion. It is not the Senator's
9. resolution and I intend to vote No.
10. PRESIDING OFFICER: (SENATOR DONNEWALD)
11. Senator Walsh.
12. SENATOR WALSH:
13. Mr. President, that House Joint Resolution 1 is now in
14. the Senate Judiciary Committee. Is that correct?
15. PRESIDING OFFICER: (SENATOR DONNEWALD)
16. Senate Judiciary I. Senator Judiciary II. I'm sorry.
17. SENATOR WALSH:
18. And...Okay and...
19. PRESIDING OFFICER: (SENATOR DONNEWALD)
20. Yes.
21. SENATOR WALSH:
22. ...that's where the bill is and the resolution is fine.
23. PRESIDING OFFICER: (SENATOR DONNEWALD)
24. Yes. Just a...Senator Graham.
25. SENATOR GRAHAM:
26. I have a sneaking suspicion this is that crazy resolution
27. of Representative Katz and I think a good place for that to be
28. would be in the Committee on Executive so we could give it a
29. real decent burial.
30. PRESIDING OFFICER: (SENATOR DONNEWALD)
31. Senator Daley.
32. SENATOR DALEY:
33. Mr. President and fellow Senators. The reason why Senator

1. Kosinski is absent is because of his wife's illness and she is
2. in the hospital.

3. PRESIDING OFFICER: (SENATOR DONNEWALD)

4. Well, the motion was made and approved and did carry on
5. a voice vote, Senator. Senator Bruce, it...it was reassigned
6. to the Committee on Judiciary II. Senator Bruce.

7. SENATOR BRUCE:

8. Well, the resolution does deal with corrections and the
9. reason it was in Executive, Senator Graham, is that late one
10. evening near midnight, I believe, it came over from the House
11. and under our rules it had to go to Executive and, I believe,
12. there are only two of us here and I was the Presiding Officer
13. and it went into Executive, but there was substantial agreement
14. that it would come out and be heard more appropriately in
15. Judiciary II. That's why it was in Executive because our rules
16. mandate it go there and that is, in fact, where it did go because
17. there wasn't anyone else on the Floor except myself and, I
18. believe, Senator Wooten was here about midnight one evening.

19. PRESIDING OFFICER: (SENATOR DONNEWALD)

20. Senator Graham.

21. SENATOR GRAHAM:

22. In...in order to do that there would have to be a motion
23. to suspend the rules. How did we get that done with two
24. people here?

25. PRESIDING OFFICER: (SENATOR DONNEWALD)

26. Senator Bruce.

27. SENATOR BRUCE:

28. That...Senator Graham, that's exactly why it is in
29. Executive because our rules require that it goes directly
30. to Executive and that's why the motion was made on the Floor
31. to...to transfer it from Executive to Judiciary II. There was
32. no choice in the matter and I didn't want to try to suspend
33. the rules. We were absolutely here by ourselves. We were

1. just accepting Messages from the House and that was one of the
2. messages. So it went to Executive pursuant to the rules of the
3. Senate.

4. PRESIDING OFFICER: (SENATOR DONNEWALD)

5. Senator Graham.

6. SENATOR GRAHAM:

7. Mr. President, this resolution contains some very definite
8. language that affects this entire State of Illinois with regard
9. to conjugal visits to prisons. Now that's all the damn thing
10. does and I want it in Executive. Now how do I get it there?
11. And I don't like the way this happened and if there was a
12. vote to send it to Judiciary II I would like to...I'd like to
13. have that vote reconsidered or something. I want that bill
14. in and everybody else that has any interest in this should
15. want it in Executive, too.

16. PRESIDING OFFICER: (SENATOR DONNEWALD)

17. Well, Senator, you have a right and voted on the prevailing
18. side on that particular motion to make that motion to reconsider.

19. SENATOR GRAHAM:

20. I so moved.

21. PRESIDING OFFICER: (SENATOR DONNEWALD)

22. Just a moment. Just a moment. All right, the motion is
23. made. Senator Graham...having voted on the prevailing side
24. as to House Joint...just a moment. House Joint Resolution 1
25. be reconsidered. Now, just a moment. On that...is there debate?
26. Senator D'Arco.

27. SENATOR D'ARCO:

28. I had two resolutions that I was interested in and I asked
29. Senator Wooten if he was going to hold a meeting of Exec -
30. for the purposes of having debate on those resolutions.
31. And he indicated to me that he was not going to hold any
32. meetings on Executive in this Veto Session. Now, I think
33. this is a parliamentary tactic on the part of the certain
34. people on the Republican side to submit this resolution

1. to Exec for the purpose of Tabling the damn thing
2. because we passed it out of Judic and they're mad about
3. that. Well, it's a good resolution and we gave it ample
4. consideration in Judic and there's no reason why it
5. shouldn't be on the Calendar at the moment.

6. PRESIDING OFFICER: (SENATOR DONNEWALD)

7. Now, just a moment. Senator Netsch.

8. SENATOR NETSCH:

9. Thank you. The resolution...Senator D'Arco is
10. quite correct, that Senator Wooten had indicated that there
11. would be no meetings of Executive at the request of the
12. House sponsors who...who, incidently, were Roman
13. Kosinski as well as Harold Katz, Senator Graham, who
14. wanted the resolution heard and with, as I understand,
15. that the...certainly the tacit approval of the Department
16. of Corrections who testified before our committee this
17. morning and supported it, we asked that it be sent to
18. Judiciary. It related to subject matter that came before
19. us and it was the only opportunity for it to be heard.
20. That was the reason for it. It was not to avoid
21. Executive. It's just that Executive is simply not going
22. to meet. And so, on that basis, we did hear testimony
23. this morning and the committee did indicate its...its
24. viewpoint with respect to the resolution. I would suggest,
25. because we have already gone through all of it, Senator
26. Graham, that if you do disapprove of the resolution,
27. then that certainly can be expressed when the time comes
28. and it is called on the Floor. But it would be
29. really not fair to the sponsors in the House and certainly
30. would not be fair really to members of Executive who are
31. not going to be meeting, to send it to that committee and
32. then we would have to find the time to call a special
33. hearing and that sort of thing, which I think really would

1. just tie us up further. So, it seems to me that this is a
2. much more appropriate and expeditious way to go
3. about it.

4. PRESIDING OFFICER: (SENATOR DONNEWALD)

5. Senator...Senator Joyce. There...there is...there
6. are many Senators wishing to address themselves to this
7. particular issue so we're going to take them as they come.
8. Senator Joyce. Senator Daley.

9. SENATOR DALEY:

10. Mr. President, as I understand this House Joint
11. Resolution, this is the first time it's in this Body here.
12. and how could Judiciary hold the meeting on House Joint
13. Resolution 1? Is this the first time it's over here?

14. PRESIDING OFFICER: (SENATOR DONNEWALD)

15. That's correct.

16. SENATOR DALEY:

17. So, you can't hold the meeting? And what's wrong
18. with the Chairman of the Executive holding a meeting?
19. This is openness, this is fairness. What's wrong with it?
20. The party is open. ...a chairman cannot hear a bill
21. 'cause a bill...cause he wants to be off the Floor. He's going
22. to be out of town. What's wrong with the chairmans?

23. PRESIDING OFFICER: (SENATOR DONNEWALD)

24. You'll have to ask...

25. SENATOR DALEY:

26. If they ask me as Judiciary Committee...the President
27. of the Senate asks me to hold a hearing, I would have to
28. hold a hearing.

29. PRESIDING OFFICER: (SENATOR DONNEWALD)

30. All right. Senator Graham.

31. SENATOR GRAHAM:

32. Mr. President, now, I don't want to take exception
33. to my good friend, Senator Netsch. I talked to the Director

1. of Corrections this morning and this thing can generate
2. an expenditure of money up to two million dollars in
3. addition to the fact that we may have...have a lot more
4. people on ADC as a result of these wives going to visit
5. ...and their common law wives, or whoever, to visit these
6. people in prisons, I wonder how...how much farther down
7. that line we're going to go? Are we going to set up a
8. cocktail party for them at 4:30 in the afternoon?
9. We can't do it.

10. PRESIDING OFFICER: (SENATOR DONNEWALD)

11. Senator Soper. Just a moment. Senator Rock, for
12. what purpose do you arise?

13. SENATOR ROCK:

14. Parliamentary inquiry.

15. PRESIDING OFFICER: (SENATOR DONNEWALD)

16. State your point.

17. SENATOR ROCK:

18. What is the posture of the Body? What are we...what...

19. PRESIDING OFFICER: (SENATOR DONNEWALD)

20. At present...at present...Senator Graham...Senator...

21. SENATOR ROCK:

22. Is it...It's my motion to discharge the
23. Committee on Executive from further consideration of
24. this House Joint Resolution. Is that correct?

25. PRESIDING OFFICER: (SENATOR DONNEWALD)

26. That...that did pass, Senator, by a voice vote and
27. Senator Graham, having voted on the prevailing side, moved
28. to reconsider the vote by which that motion carried. That's
29. the posture of the House Joint Resolution 1.

30. SENATOR ROCK:

31. All right. Thank you.

32. PRESIDING OFFICER: (SENATOR DONNEWALD)

33. All right. Now, on the...Senator Soper.

1. SENATOR SOPER:

2. Thank you, Mr. President. Now, if that bill wasn't
3. assigned to Judiciary II, how did...and there was no notice,
4. we didn't waive the Six Day Notice, was this a secret...
5. secret organization? You're for openness and fairness,
6. but when it concerns yourself, Senator Netsch, you're
7. about as fair and about as open as a clam.

8. PRESIDING OFFICER: (SENATOR DONNEWALD)

9. Senator Glass. Now, just a moment. Did you question
10. Senator Netsch, Senator Soper?

11. SENATOR SOPER:

12. I sure did...

13. SENATOR NETSCH:

14. ...had already been reassigned to Judiciary. I knew
15. that the plan was that it would be reassigned there because
16. there was no scheduled meeting of Executive. If you would
17. look at your notice that you received last week, Senator
18. Soper, you would find that HJR 1 was listed on the notice
19. to be heard this morning in Judiciary II. There was no necessity
20. for waiving the Six Day Notice. We did, in fact, comply
21. with the regular notice provisions. I had thought the motion
22. had been made last Friday. I was under the impression that
23. the reassignment has already taken place so we went ahead
24. this morning and heard the testimony and took a vote on it
25. under that impression.

26. PRESIDING OFFICER: (SENATOR DONNEWALD)

27. Senator Glass.

28. SENATOR GLASS:

29. Well, thank you, Mr. President, Ladies and Gentlemen.
30. I think, as I understand this procedure, it is...it is not
31. a proper one. The bill was heard by Judiciary, but it hadn't
32. been assigned...the resolution was heard by Judiciary but it
33. hadn't been assigned to Judiciary and then a vote was taken and it

1. wasn't assigned to Judiciary. Now, I think that's a bad
2. precedent if we let it go through. If you're going to let
3. any committee hold a hearing on a bill,...

4. PRESIDING OFFICER: (SENATOR DONNEWALD)

5. The Chair thinks you're right, Senator Glass.

6. SENATOR GLASS:

7. All right. Thank you.

8. PRESIDING OFFICER: (SENATOR DONNEWALD)

9. That's precisely why Senator Rock did make the motion.
10. Senator Glass.

11. SENATOR GLASS:

12. If he's making the motion now, after it's...the hearing
13. has happened, I...what is the posture if this motion
14. prevails?

15. PRESIDING OFFICER: (SENATOR DONNEWALD)

16. It...it stays...now which motion do you refer...

17. SENATOR GLASS:

18. Well, Senator Rock's motion prevails?

19. PRESIDING OFFICER: (SENATOR DONNEWALD)

20. Senator Rock's motion has already placed the bill
21. in Judiciary II. Senator Graham has...and I've stated this
22. before, Senator Graham made the motion to reconsider the vote
23. having voted on the prevailing side, to reconsider the vote
24. by which that motion carried. That's where we are right now.
25. On the question...on...Senator Wooten.

26. SENATOR WOOTEN:

27. Mr. President, I just learned you should never
28. leave a proforma Session, no telling what's going to happen.
29. I cannot trace exactly how all this happened, but I was in
30. attendance when some kind of agreement was made which I
31. knew at the time was unusual but I thought both sides
32. had agreed to it. I was under...I was under the assumption
33. that both sides had agreed to it. There is no lack of

1. willingness on my part to hold an Executive Committee hearing.
2. It was simply that there was this one issue which could
3. probably be dealt with in another committee. I had no
4. objection to that. I have no objection to anything...any
5. procedure this Body wishes to follow, a full of the
6. Executive Committee, assign a resolution to someplace else.
7. I don't really care. I was just trying to help folks
8. get along in what I thought was an agreed situation.
9. PRESIDING OFFICER: (SENATOR DONNEWALD)
10. Well, just a moment. Senator Knuppel.

11. SENATOR KNUPPEL:

12. Well, I don't know why we should reconsider it.
13. I think we should bury it. My mother told me the more you
14. stir it the more it stinks.

15. PRESIDING OFFICER: (SENATOR DONNEWALD)

16. All right. On the question...question...Senator Graham's
17. motion having voted on the prevailing side, moves that the
18. matter be reconsidered. Those in favor vote Aye. Those
19. opposed Nay. The voting is open. Have all those voted
20. who wish? Take the record. On that question the Ayes
21. are 36, the Nays are 7. The matter is reconsidered. Now,
22. Senator Graham.

23. SENATOR GRAHAM:

24. Mr. President, I move you that this resolution be not
25. stirred very much, but it be sent to one of the Committees
26. on Executive and if it's Sam Vadalabene's committee, that's
27. all right with me. And if he wanted to do it this afternoon
28. and waive the Six Day Rule, I think we're ready.
29. I move then, that we waive the Six Day Rule and HJR 1 be
30. heard in the Committee on Executive that's meeting at
31. 4:30.

32. PRESIDING OFFICER: (SENATOR DONNEWALD)

33. Just...just a moment. Senator Rock.

1. SENATOR ROCK:

2. Well, I think the point...and really the reason
3. Senator Graham's motion prevailed, was as usual, he
4. was correct. Under our rules, these types of resolutions
5. should go to the Committee on Executive and I would
6. suggest that that's where it should go and stay.

7. PRESIDING OFFICER: (SENATOR DONNEWALD)

8. All right. Is there leave? The matter is in
9. Executive Committee. Committee Reports.

10. SECRETARY:

11. Senator Netsch, Chairman of the Committee on Judiciary
12. II, reports out House Bills 9 and 20 with the recommendation
13. Do Pass.

14. PRESIDING OFFICER: (SENATOR DONNEWALD)

15. ...further business in...Senator Joyce.

16. SENATOR JOYCE:

17. Mr. President, for the purpose of an announcement.
18. The Committee on Local Government has only one bill and it
19. appears to be noncontroversial. I wonder if we could meet
20. right here on the Floor.

21. PRESIDING OFFICER: (SENATOR DONNEWALD)

22. Just a moment. Is that...is that in regard to the
23. 1st Special Session?

24. SENATOR JOYCE:

25. No.

26. PRESIDING OFFICER: (SENATOR DONNEWALD)

27. All right. Is there further business to come before the
28. First Special Session? Senator Hynes...Senator Hynes
29. moves that the First Special Session adjourn to 12:15
30. tomorrow.

31. (SENATE RECONVENES)

32. SENATOR ROCK:

33. ...(machine cut off)...was that it seems better practice
34. to have us stand in recess. There's a possibility the House

1. may send messages over and we have yet to receive a committee
2. report from the Committee on Elections. I'm...all I'm
3. trying to do is save a Legislative day, frankly.

4. SENATOR RHOADS:

5. ... (machine cut off) ... procedurally, how... after a
6. Session has been adjourned...

7. PRESIDING OFFICER: (SENATOR DONNEWALD)

8. I'll tell you. We're doing it right now. Watch closely.
9. Senator Rock moves that having voted on the prevailing side
10. in the motion to adjourn, that the matter be reconsidered.
11. All those in favor indicate by saying Aye. Those opposed.
12. The Ayes have it. The matter is reconsidered.

13. Senator Shapiro.

14. SENATOR SHAPIRO:

15. Well, Mr. President, honestly, I don't quarrel as
16. Senator Rhoads pointed out with what's... why we're
17. doing this but it just appears to me that the... if we're
18. establishing a practice and a habit that it's a bad one.
19. We shouldn't be doing this, reconsidering a vote after
20. adjournment, I think, just opens the door for every abuse
21. in the books and I just don't think we should do it.

22. PRESIDING OFFICER: (SENATOR DONNEWALD)

23. Just a moment. Senator Egan, for what purpose
24. do you arise?

25. SENATOR EGAN:

26. Well, I would like to make an announcement, if this is
27. the proper time, otherwise...

28. PRESIDING OFFICER: (SENATOR DONNEWALD)

29. We're not finished yet, Senator Egan. Senator Rock,
30. do you wish to pursue a motion to withdraw your motion
31. to adjourn?

32. SENATOR ROCK:

33. I... you mean I've been requested to withdraw a motion

1. to reconsider the vote by which we adjourned? No, I do
2. not wish to withdraw that.

3. PRESIDING OFFICER: (SENATOR DONNEWALD)

4. That isn't...that isn't the matter. Do you wish to...
5. do you wish to withdraw the motion to adjourn?

6. SENATOR ROCK:

7. ...the motion to adjourn. I do indeed. I wish to
8. substitute a motion to stand in recess until the call of the
9. Chair.

10. PRESIDING OFFICER: (SENATOR DONNEWALD)

11. Is there debate? Just a moment. Senator Sangmeister.

12. SENATOR SANGMEISTER:

13. Mr. President, prior to doing that, Judiciary Committee
14. has reported out House Bill 20 and I would like to have that
15. bill read a second time today as long as we're back in
16. this First Special Session again.

17. PRESIDING OFFICER: (SENATOR DONNEWALD)

18. Well, we're not quite there.

19. SENATOR SANGMEISTER:

20. Oh, all right.

21. PRESIDING OFFICER: (SENATOR DONNEWALD)

22. The motion to adjourn has been withdrawn. You're
23. correct. All right. Proceed.

24. SENATOR SANGMEISTER:

25. I now move that House Bill 20 of the First Special
26. Session be read a second time.

27. PRESIDING OFFICER: (SENATOR DONNEWALD)

28. We'll have to stand at ease for that. The bill is not in
29. the possession of the Secretary. While we're at ease,
30. Senator Mitchler, for what purpose do you arise?

31. SENATOR MITCHLER:

32. Well, Mr. President, members of the Senate, you...
33. you adjourned the First Special Session. You went to the
34. Second Special Session. You've got a transcript of what

1. went on. You went into an entirely new Session. You cannot
2. come back and reopen another Session whether you want to do it
3. to save a Legislative day or not. Now, if you start a
4. precedent like that, and just rule from the Chair and from
5. the Floor with a majority like that over there, you're
6. abusing all of Robert's Rules of Order, all the Rules
7. of the Senate. You can't go, you adjourned the First
8. Special Session. You went into the Second Special Session,
9. conducted business, and then all at once somebody gets up
10. and starts talking about the First Special Session which is
11. adjourned until a time...

12. PRESIDING OFFICER: (SENATOR DONNEWALD)

13. That's exactly what Senator Shapiro said.

14. SENATOR MITCHLER:

15. Well don't...don't try doing that stuff. Run by the
16. rules, you'll be down here till next Christmas anyway.

17. PRESIDING OFFICER: (SENATOR DONNEWALD)

18. Senator Rhoads..

19. SENATOR RHOADS:

20. Well, inquiry of the Chair. I would like to know
21. how that's going to be Journalized. We...the gavel
22. fell, we adjourned the First Session, correct?

23. PRESIDING OFFICER: (SENATOR DONNEWALD)

24. That's correct and it was reopened.

25. SENATOR RHOADS:

26. Well, can you site some authority in the rule book
27. for reopening it? I see none. I don't see it under Rule
28. 44.

29. PRESIDING OFFICER: (SENATOR DONNEWALD)

30. The Chair has ruled. Senator Ozinga.

31. SENATOR OZINGA:

32. If my memory serves me right, wasn't that First
33. Special Session adjourned subject to the call of the Chair?

1. PRESIDING OFFICER: (SENATOR DONNEWALD)
2. Just a moment. Would you repeat, Senator Ozinga.
3. SENATOR OZINGA:
4. Wasn't the Special Session...First Special Session
5. adjourned subject...
6. PRESIDING OFFICER: (SENATOR DONNEWALD)
7. Yes.
8. SENATOR OZINGA:
9. ...to call of the Chair?
10. PRESIDING OFFICER: (SENATOR DONNEWALD)
11. No, it was not. It was adjourned and it should have
12. been call...it should have been recessed to the call of
13. the Chair. It was not. I acted hastily and I'm very sorry
14. and it's not going to happen again. Senator Rhoads.
15. SENATOR RHOADS:
16. Well, it was not to a specific time on tomorrow's date?
17. It was?
18. PRESIDING OFFICER: (SENATOR DONNEWALD)
19. Yes, it was. That has been withdrawn.
20. SENATOR RHOADS:
21. Well...I appeal the ruling of the Chair.
22. PRESIDING OFFICER: (SENATOR DONNEWALD)
23. Senator Rhoads has moved to appeal the ruling of the Chair.
24. Senator Glass, state your point.
25. SENATOR GLASS:
26. Mr. President, I...I submit and I suggest to you that
27. Senator Rhoads's point is valid, that once we have adjourned,
28. the rest...until tomorrow at 12:15, any other proceeding is,
29. in fact, a nullity and we really should recognize that and
30. I don't think there's any motion necessary. Once...once
31. we're adjourned, we're adjourned and I don't think you can
32. reopen before 12:15 tomorrow and I would ask you to so rule.
33. PRESIDING OFFICER: (SENATOR DONNEWALD)

1. Senator Soper.

2. SENATOR SOPER:

3. If that...thank you, Mr. President. If that procedure
4. is not taken, I will object to anything that takes place
5. as far as the First Special Session is concerned, we'll
6. put that on record and if you pass anything at that time,
7. it will be subject to legal...to legal notice on this
8. thing and I don't think that you want to pass any bills or
9. put any bills on 2nd or 3rd reading. I think you will
10. jeopardize them.

11. PRESIDING OFFICER: (SENATOR DONNEWALD)
