A Message from the House by Mr. O'Brien, Clerk.

Mr. President - I am directed to inform the Senate the House of Representatives has adopted the following joint resolution, in the adoption of which I am instructed to ask concurrence of the Senate, to-wit:

(Secretary begins to read SJR 137)

PRESIDING OFFICER: (SENATOR BRUCE)

May we have some order, please.

SECRETARY:

(Secretary reads SJR 137)

PRESIDING OFFICER: (SENATOR BRUCE)

Senator Rock is recognized.

SENATOR ROCK:

Thank you, Mr. President and Ladies and Gentlemen of the Senate. House Joint Resolution 137 is the adjournment resolution. At the close of business tomorrow, and tomorrow, I reiterate, will be a perfunctory type session, it calls for us to return to Springfield on the 24th day of April, that is Easter Tuesday, at the hour of noon. And I would move for the suspension of the rules and the immediate consideration and adoption of House Joint Resolution 137.

PRESIDING OFFICER: (SENATOR BRUCE)

The motion is to suspend the rules. On the motion, those in favor say Aye. Opposed Nay. The Ayes have it. The rules are suspended. On the motion to adopt, discussion? Those in favor say Aye. Opposed Nay. The Ayes have it. The resolution is adopted. Senator Rock, for what purpose do you arise?

SENATOR ROCK:

Thank you, Mr. President. I've passed out a schedule for the members to outline the balance of the Session as we know it at the moment for April, May and June. I would ask the members to please take a look at it. Some have inquired...it is the worst possible schedule...that...by that I mean we

have probably scheduled more days than we will actually need, but we can determine that at the time and I hope that we do not need all these days, but it will afford the opportunity at least to make some plans. We...there are some scheduled nonsession days and hopefully we will be able to avoid the necessity of being here on Fridays, particularly in May and June, if the workload permits. I just call that to the members' attention and ask them to please take a look.

PRESIDING OFFICER: (SENATOR BRUCE)

Is there leave to go to the Order of Resolution Consent Calendar? Leave is granted. We have added Resolutions No. 36, 37, 38, 39, 40, 41, 544 and 545 and 547. Mr. Secretary, have any Senators filed objection to any of the resolutions on the Resolution Consent Calendar?

SECRETARY:

No objections have been filed, Mr. President.

PRESIDING OFFICER: (SENATOR BRUCE)

No objections having been filed, Senator Vadalabene moves the adoption of the resolutions on the Resolution Consent Calendar. On that motion, those in favor say Aye. Opposed Nay. The Ayes have it and the resolutions are adopted. Leave to go to the Order of Introduction? Introduction of bills.

PRESIDING OFFICER: (SENATOR BRUCE)

Leave to go to the Order of Conference Committee Reports? Leave is granted. We have passed a...a Senate Calendar Supplemental No. 1 which has been placed upon your desk, and on that Supplemental No. 1 Calendar appears Conference Committee report Senate Bill 388 under the sponsorship of Senator Sommer. Senator Sommer, do you have a motion?

SENATOR SOMMER:

Mr. President, I move that the Senate do adopt the Conference Committee report on Senate Bill 388. What it contains is only one item at the present time, all other things in the bill have been removed, and it contains an appropriation or an authorization for fifty million dollars to pay lottery prizes. That...that line has run down because the lottery has grown larger, with the larger prizes more people have participated. The percentage of...the percentage remains about the same but the...the prize dollars go up and they simply ran out before the end of the fiscal year. Perfectly legitimate expenditure.

PRESIDING OFFICER: (SENATOR BRUCE)

The motion is to adopt the first Conference Committee report on Senate Bill...388. Is there discussion? Discussion? The question is, shall the Senate adopt the Conference Committee report on Senate Bill 388. Those in favor vote Aye. Those opposed vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Take the record. On that question, the Ayes are 55, the Nays are none, none voting Present. The Senate does adopt the first Conference Committee report on Senate Bill 388 and the bill having

received the required constitutional majority is declared passed. (Machine cutoff)...to go to the Order of Committee Reports? Leave is granted. Committee reports.

SECRETARY:

The following members are...are appointed to the Committee on Reorganization of State Government:

Senator Marovitz, chairman; other members are Holmberg, Luft, Carroll, Buzbee, Collins, Dawson and Lechowicz. Watson is the minority spokesman; Keats, Kustra, Geo-Karis and Schuneman. Signed, Senator Gene Johns, chairman of the Committee on Committees.

PRESIDING OFFICER: (SENATOR BRUCE)

Leave to go to the Order of Motions in Writing? Leave is granted. Motions in writing.

SECRETARY:

Motion in Writing.

I move to discharge the Committee on Executive from further consideration of Executive Order No. 2 and that Executive Order No. 2 be committed to the Committee on Reorganization of State Government. Signed, Senator Marovitz.

PRESIDING OFFICER: (SENATOR BRUCE)

Senator Marovitz, on your motion.

SENATOR MAROVITZ:

I would move for the adoption of this motion relative to the Governor's Executive Order No. 2 which is relative to the Department of Labor and a proposal to reorganize that department and split off the Department of Employment Security...Unemployment Security.

PRESIDING OFFICER: (SENATOR BRUCE)

All right, the...the motion is to discharge Executive Order No. 2 from the Committee on Executive and have it rereferred to the Committee on Reorganization of State Government. On the motion, discussion? Those in favor say Aye. Opposed Nay. The Ayes have it. Executive Order No. 2

is discharged and rereferred per the motion. For...for what purpose does Senator Marovitz arise?

SENATOR MAROVITZ:

For the purpose of a motion which I've spoken to the Senate...to the Senator about, and this is a motion to discharge the Committee on Executive from the consideration of House Joint Resolution 71 and have the rules suspended for immediate consideration of HJR 71.

PRESIDING OFFICER: (SENATOR BRUCE)

All right, the motion is to discharge HJR 71 from the...Senate Committee on Executive. May we have some order, please. Senator Marovitz, there's been a question. If you would just perhaps explain the nature briefly of the resolution. Senator Marovitz.

SENATOR MAROVITZ:

It's a resolution that all of us are concerned about. It passed the House of Representatives. It's relative to the Rathskeller...performance of the Rathskeller in the Capitol Building. It has passed the House. It is now ensconced, hopefully, in the Executive Committee. It will be ensconced on this Floor so that we can just...have our concern about the Rathskeller and its operation noted in the record. It has been noted in the House. The Secretary of State would be directed by this resolution to remove Heritage House from the bid list when and only when their contract expires and to rigidly enforce all provisions of their existing contract which have not been enforced heretofore with the Heritage House and in regards to their operation of the Rathskeller which has been totally abhorrent and dangerous to everyone who goes down there. In other words, it's the pits, right.

PRESIDING OFFICER: (SENATOR BRUCE)

Discussion? Discussion? The motion is to discharge and have it placed on the Calendar. Is that correct, Senator Marovitz? All right, the motion is to discharge the Commit-

tee on Executive. On that motion, discussion? Those in favor say Aye. Opposed Nay. The Ayes have it. The Committee on Executive is discharged and...and the resolution will be placed on the Calendar. For what purpose does Senator Buzbee seek recognition?

SENATOR BUZBEE:

Just to announce that five minutes after we...we complete Session the Appropriations II Committee will reconvene in...in Room 212. We anticipate being there about thirty minutes.

PRESIDING OFFICER: (SENATOR BRUCE)

All right. Senator Vadalabene.

SENATOR VADALABENE:

Yes, in regard to Senator Marovitz' motion, can we advance that to 3rd reading and vote on it now?

PRESIDING OFFICER: (SENATOR BRUCE)

Well, I think the agreement, Senator Vadalabene, is we'll put it on the Calendar for consideration. All right, on the Secretary's Desk. Senator Barkhausen.

SENATOR BARKHAUSEN:

Mr. President, I would...move to Table Senate Bill 1442, of which I am the sponsor, since it's largely a duplicate of Senate Bill 1602, sponsored by Senator Luft and myself.

PRESIDING OFFICER: (SENATOR BRUCE)

Motion is to Table Senate Bill 1442 by the sponsor. On the motion, those in favor say Aye. Opposed Nay. The Ayes have it and the bill is Tabled. Senator Marovitz, for what purpose do you seek recognition?

SENATOR MAROVITZ:

To show that not only Republicans can save the time of the Senate but Democrats as well, I would move to Table Senate Bill 293 and remove it from the Calendar.

PRESIDING OFFICER: (SENATOR BRUCE)

Motion is to Table Senate Bill 293 by the sponsor. On the

motion, those in favor say Aye. Opposed Nay. The Ayes have it and the bill is Tabled. Any further...any further business to come before the Senate? All right. Any further business? Senator...Senator Rock.

SENATOR ROCK:

Thank you, Mr. President. I would again reiterate that tomorrow the Senate will convene at nine-thirty and the Session will be brief. The Secretary of the Senate will keep his office open all day Friday until the close of business for the purpose of introduction, and those bills introduced up until the close of business on Friday will be read in appropriately on the 24th and we will deal with them in the ordinary course; but I don't think it's necessary for all of us to stay here. For those who have accepted the kind invitation of the Chicago business community, we look forward to seeing you. I have spoken with the hotel people. They encourage us to check in late on Friday afternoon or mid-Friday afternoon with the hope that we can all attend the opening reception at seven o'clock that evening. I look forward to seeing you all there.

PRESIDING OFFICER: (SENATOR BRUCE)

Motion is to...to adjourn until the hour of nine-thirty tomorrow. On the motion to adjourn, those in favor say Aye. Opposed Nay. The Ayes have it. The Senate stands adjourned until nine-thirty tomorrow morning.
