SENATOR BERMAN:

Thank you, Mr. President. Let me...explain Amendments 3 and 4 together and then we'll move for their adoption as committee amendments. Amendment 3 and 4 together are the proposal regarding the Continental Bank situation, and the amendments together allow for a...a bank that has assets of over one billion dollars to certify certain facts, including that the bank is experiencing liquidity difficulties, that there has been an offer for acquisition and that that offer is desirable to protect the interest of the bank's,

depositors and creditors and such bank holding company has made an offer in form and with conditions acceptable to the bank, and that there has been no offer...by an in-state Illinois bank regarding that acquisition. Further, that there is a certification by the regulatory agencies as to those facts that I've just recited, and that the Federal Banking Agency approves the proposed acquisition. The time period upon that certification then runs and under Amendment 4, there is a fourteen-day period which allows an Illinois bank to submit an offer for the acquisition of the bank which is in trouble and if that fourteen day's period passes and no Illinois offer is received, then the acquisition may proceed. There is a sunset provision in here which repeals this Act as of July 1, 1985. Together, these amendments were both...are, I think,...fair to say are the Continental Bank Amendment which is Amendment 3 as refined by Amendment No. 4 which was submitted by the Illinois Bankers Association and they represent and...in-state opportunity and if that is not available, an out-of-state opportunity for acquisition of Continental Illinois Bank. Be glad to respond to any questions, and I solicit your Aye vote on adoption of Amendment 3 and then Amendment No. 4.

PRESIDENT:

Thank you, very much, Mr. President and Ladies and Gentlemen of the Senate. This is really an...technical amendment. This bill is a bill that would...coal mine safety bill that would provide for one of the coal miners to accompany the State Mining Inspector. Unfortunately, in the bill

that's in the plural and, as a result, it is of the nature of representatives which theoretically can mean five, ten or fifteen or twenty. So, what this amendment would in fact do is to put the...the nature of the bill in the singular, therefore, indicating that it is only one miner or one representative that would accompany the coal mine inspector on its...on his inspection. Therefore, I would move for the adoption of Amendment No. 1.

Also, it was also pointed out, rightfully so, that there was a...there was not a referendum required in the issuance of the GO Bonds, and this amendment also embodies that there, in fact, would be a...front door referendum on any issuance of GO Bonds. So, it strikes eminent domain and it adds the front door referendum on the GO Bonds, and I would move its adoption.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Amendment No. 1 offered by Senator Schuneman.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Schuneman.

SENATOR SCHUNEMAN:

Thank you, Mr. President. Amendment No. 1 makes some

changes to this bill that are exactly the same as the Senate previously adopted on Senate Bill 1867. There's three changes, basically; first of all, provides that no company may write additional accident and health insurance, when the company's policyholder's surplus is below certain amounts made...without prior notification to the director of insurance. It also makes some changes in the standard Valuation and Nonforfeiture Law Act that was passed last year and also, corrects the language in the uninsured motorist property damage. All of these changes were previously adopted by the Senate in Senate Bill 1867, but that bill has been hung up in the House Rules, so we're moving to make all these changes at this time on this bill.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there any discussion? Senator D'Arco.

SENATOR D'ARCO:

Thank you. Mr. President, this is the bill that we passed out of the Senate with the uninsured property...motorist damage coverage in it, and we had some discussion then about the bill. Unfortunately, the substantive bill got hung up in Rules in the House and we, hopefully, will pass this through the Legislature and have it signed by the Governor.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there further discussion? If not, Senator Schuneman moves the adoption of Amendment No. 1 to House Bill 2896. Those in favor indicate by saying Aye. Those opposed. The Ayes have it. Amendment No. 1 is adopted. Any further amendments?

All right, the sponsor wants...the sponsor wants to deal with it. Okay, this...this amendment addresses the paper work and forms the issue, and the way bill came over from the House it said every time an agency proposed a rule under the Administrative Procedure Act that the Joint Committee's duties are to review it and to make sure that it complies with its statutory authority. As the bill came over from the House, it added a duty to the Joint Committee that they also review any possible forms that would follow the proposed rule. The amendment changes that because under the Administrative Procedure Act, the Joint Committee must every five years review all existing rules, and we feel that if you have them do it on current proposed rules it puts too much of

a burden on staff and that the more logical way to go is when the Joint Committee examines existing rules on the books, that at the same time they say to the agency, all right, fellows, let's take a look at the forms that go with it. So the amendment changes it to the five-year review process. Answer any question; otherwise, seek its adoption.

Thank you, Mr. President. This amendment adds on a inspection and permit fee for waste disposal sites...hazardous waste disposal sites. The purpose of this amendment is to clarify something we did last year in Senate Bill 143. This amendment has been agreed to by the Chamber of commerce, as well as the Illinois Environmental Protection Agency. What the amendment does is impose a fee for permitting an inspection of hazardous waste disposal facilities. The fees will range from twenty-nine thousand dollars a year for off-site landfills to forty-eight hundred dollars a year

for deep wells. The schedule...implements the intent of Senate Bill 143 which I handled...last year. After that bill was handled, the Pollution Control Board has had difficulty setting fees, and the fees have been set now in relation to their budget which would result in situation where the fees would be up and down depending on how much we appropriated to that particular board. The...this amendment will raise about two hundred thousand dollars and it will allow for two new permit staff and four new field staff positions. According to the agency inspections would increase...an off-site inspections would increase from once every six weeks to once a week, on-site inspections from once...from twice a year to six times a year, and that's basically what it does.

Amendment No. 1 offered by Senator Bock.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Bock.

SENATOR BOCK:

Thank you, Mr. President and Ladies and Gentlemen of the Senate. Amendment No. 1 to House Bill 2775 effectively deletes everything after the enacting clause. 2775 is the...was the Intergovernmental Missing Children's Recovery Act. It amends...it is an amendment to Chapter 127 and, frankly, in looking around for Chapters 127, this popped up. This amendment, Amendment No. 1, is an amendment to the Illinois Governmental Ethics Act and it is similar to that proposed by the Attorney General of this State with respect to changes in the disclosure of economic interest law. Effectively it will establish May 1st as the deadline for filing an ethics statement under this law. It will require the Secretary of State or county clerk within seven days after May 1 to notify persons who fail to meet the May 1 deadline, and it requires such persons to file then by May 15th and subjects those who file late to a late filing fee of fifteen dollars, which it has been related will pay for the costs incumbent upon such notice by the Secretary of State or the county clerk. Further, it subjects those who fail to file by May 15th to a hundred dollar per day penalty in addition to the fifteen dollar late filing fee. It will require the Attorney General with respect to State officials and employees and the state's attorneys of the respective counties regarding local officials to bring forfeiture of office

quo warranto proceedings against persons who fail to file altogether by the 31st day of May. It will allow an additional one month grace period for filing to persons who become subject to disclosure thirty days before May 1. This is a subject that has raised, obviously, a lot of interest. It's a subject that we debated at some length back in 1973 when, in fact, it turned out that a number of candidates for local office had not, pursuant to this new...then newly enacted law, in fact, filed their ethics statements. The penalty of forfeiture of office is an extremely severe one and one that, frankly, ought to have as conditions precedent some safeguards. The Attorney General feels and I agree that it...at the very least there ought to be a subsequent notification, so that if one forgets to file, one does not necessarily forfeit one's office. I would move the adoption of Amendment No. 1.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right, Senator Rock has moved the adoption of Amendment No. 1 to House Bill 2775. Is there any discussion? Senator DeAngelis.

SENATOR SCHAFFER:

Mr. President and members of the Senate, House Bill 2711 is a supplemental which adds a...an additional twenty-two million six hundred and eighty-one thousand in GRF and other funds, transfers some nineteen million dollars and reappropriates some seventy-seven million dollars. It is of an emergency nature for the Departments of Public Aid, Mental Health, there's some additional lottery money in there and various other departments, and we do definitely need to get it to the Governor as quickly as possible.

PRESIDING OFFICER: (SENATOR DEMUZIC)

All right, is there any discussion? Any discussion? If not, the question is, shall House Bill 2711 pass. Those in

favor vote Aye. Those opposed vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, the Ayes are 54, the Nays are none, none voting Present. House Bill 2711 having received the required constitutional majority is declared passed. Senator Sommer, for what purpose do you arise?

SENATOR SOMMER:

Mr. President, due to the fact of Senator Mahar's illness, I've been asked to replace him as the sponsor on three appropriation bills. Those bills are House Bill 2634, 2644 and 2647, and I would so move.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right, you've heard the request. Senator Sommer has..has requested to replace Senator Mahar on House Bills 2634, 2644 and House Bill 2647. Is leave granted? Leave is granted. It's so ordered. Senator Eock, for what purpose do you arise?

SENATOR EOCK:

Thank you, Mr. President and...Ladies and Gentlemen of the Senate, in the form, I guess, of an announcement. We have Appropriations scheduled to meet immediately after adjournment, and so I think it would be in our best interest to afford that committee the opportunity to meet as early as possible. We will adjourn in a few moments until noon tomorrow. Now everyone I know is anxious to get back to their district tomorrow, so we are going to plan to come into Session at noon and...and attempt to adjourn the Session as close to three o'clock as possible, so we'll not go beyond three o'clock tomorrow. In the meantime, I have distributed a copy of an amendment. There has been some obvious interest in the task force recommendations, copies of which have been received by all members I trust. The amendment that I have distributed to Senate Bill 1892 incorporates those recom-

mendations with some slight modification, but essentially it incorporates the recommendations of the task force. I have deliberately distributed these to every member today to afford the members an opportunity to take a look, to see what, if any, changes they might wish to make and Senator Philip and I have agreed tomorrow we will get to that order of business on Senate Bills 3rd reading and deal with Senate Bills 1892, 1893, 1894 and afford any member who wishes the opportunity to submit any amendments. In the meantime, I hope that you'll take the opportunity to take a look at this amendment. I will say to you, again, that it essentially incorporates the recommendations of the Governor's Task Force on Tourism, but I think rather than delay the proceedings today, we will just if...if the Body agrees get to that order first thing tomorrow, at noon tomorrow or shortly thereafter and attempt to deal with it then. In the meantime, I will be speaking with my members, I don't know that a caucus is necessary but if enough of them feel it is we'll certainly have one, but I think there's enough other work to do that members can take a look at the recommendations, form a judgment and then communicate to the sponsor. If that's acceptable to Senator Philip, I would suggest that's the way to go.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right, we've got a couple of resolutions that need to be read. Resolutions.

ACTING SECRETARY: (MR. FERNANDES)

Senate Resolution 681 offered by Senators Gec-Karis, Barkhausen, Schaffer and Keats, and it's congratulatory.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Consent Calendar.

ACTING SECRETARY: (MR. FERNANDES)

Senate Resolution 682, and it's offered by Senator Bruce.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Executive. Further business to come before the Senate?

Any announcements? Senator Egan.

SENATOR EGAN:

Yes, Mr. President and members of the Senate, the Committee on Executive has a...a number of resolutions that have been referred to the committee and we were going to try to hear them yesterday but couldn't, so the meeting is set now for ten o'clock tomorrow morning, and we...we welcome all of you.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Davidson, for what purpose do you arise?

SENATOR DAVIDSON:

There will be a Republican Caucus immediately upon adjournment in Senator Philip's Office. Please come in promptly and we'll be out in a few minutes.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Lechowicz, for what purpose do you arise?

SENATOR LECHOWICZ:

Thank you, Mr. President. For the purpose of an announcement. Based upon the previous...Senator Davidson's request of a Republican Caucus, the Appropriations I Committee will reconvene at three o'clock in Econ 212. Will that be enough time, Senator Davidson?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Davidson.

SENATOR DAVIDSON:

It's close.

SENATOR LECHOWICZ:

Three o'clock is fine then. Thank you.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right, Senator Philip, for what purpose do you arise?

SENATOR PHILIP:

Thank you, Mr. President and Ladies and Gentlemen of the Senate. I'd like the record to indicate that Senator Mahar is convalescing in the hospital. He just came out of sur-

gery this afternoon...less than a half-hour ago, and he's doing well.

PRESIDING OFFICER: (SENATOR DEMUZIC)

The record will so reflect. Senator Luft.

SENATOR LUFT:

Thank you, Mr. President. I'd ask leave to be recorded as a hyphenated sponsor of House Bill 1658.

PRESIDING OFFICER: (SENATOR DEMUZIO)

1650?

SENATOR LUFT:

1-6-5-8.

PRESIDING OFFICER: (SENATOR DEMUZIC)

All right, Senator Luft...requests leave of the Senate to be added as hyphenated cosponsor of House Bill 1658. Is leave granted? Leave is granted. It's so ordered. Any further business to come before the Senate? Senator Rock.

SENATOR ROCK:

I'd just like to announce that there will be a short, brief Rules Committee meeting in my office immediately.

PRESIDING OFFICER: (SENATOR DEMUZIC)

All right, any further business? Senator Rock now moves that the Senate stand adjourned until noon tomorrow, Thursday, June the 14th.
