Mr. President and Ladies and Gentlemen of the Senate, the amendment I am offering basically amends Senate bill...House Bill 385 on page 3, line 30, by inserting "Other than a municipality with a population in excess of five hundred thousand people" after the word "township." And what it does

is, basically, it excludes the City of Chicago.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Alright. Senator Dawson moves the adoption of Amendment...Amendment No. 1 to Senate Bill 385. Is there any discussion? All those in favor signify by saying Aye...whoops, Senator Etheredge. Senator Etheredge is recognized on Amendment No. 1 to 385.

House Bill 740.

(Secretary reads title of bill)

2nd reading of the bill. The Committee on Finance offers one amendment.

PRESIDING OFFICER: (SENATOR JOHNS)

Senator Hudson.

SENATOR HUDSON:

Thank you, Mr. President, Ladies and Gentlemen of the House. House Bill 740 before amendment primarily addressed the appraisal section of the Illinois Savings and Loan Act. The original suggestion for changes coming from JCAR, Joint Committee on Administrative Rules, a new appraisal section under the amendment gives greater...specificity to the Act and is jointly supported by the Commissioner of Savings and Loan and the Illinois Savings and Loan League. Additional

obsolete sections of the Act have been stricken and updated. These changes also have the support of both the previous mentioned organizations. There's no opposition to the amendment that I know of and I would urge its adoption.

PRESIDING OFFICER: (SENATOR JOHNS)

You've heard the explanation of Amendment No. 1 to House Bill 740. Any further discussion? All those in favor say Aye. All opposed say Nay. The Ayes have it and the amendment is adopted. Amendment No. 1 to House Bill 740 is adopted. Any further amendments?

I'd answer any questions; otherwise, I'd urge its adoption.

Yes, thank you, very much, Mr. President. What this amendment does is take care of a house cleaning chore with the operation of the Joint Committee. Historically, it has gone...the chairmanship has gone from party to party. Last year we changed it so it would go from House to House. Now we find that it would probably be best to have it go from party to party. Answer your questions; otherwise, urge its adoption.

Amendment No. 1 offered by Senator Vadalabene.

PRESIDING OFFICER: (SENATOR JOHNS)

Senator Vadalabene.

SENATOR VADALABENE:

Yes, amendment to House Bill 859...and this bill...amendment was also requested in committee, provides that in order for a township to purchase a community building at the annual town meeting, a petition containing not less than ten percent of the registered voters of the township must be presented to the town clerk authorizing such action. The town clerk shall give proper notice that at the next annual town meeting, or at a special town meeting, or at a referendum in accordance with the General Election Law that the proposition shall be voted upon. It also...the amendment also provides that prior to establishing a new tax or increasing any township tax rate that may be established or increased at the annual town meeting, that a petition containing the signatures of not less than ten percent of the registered voters of the township must be presented to the town clerk authorizing such action. In no way will this alter existing tax rates. Currently as few as ten electors may show up at such meetings and increase or establish such taxes. This is only applicable to taxes established or increased at the annual town meeting, and I move for its

adoption.

PRESIDING OFFICER: (SENATOR JOHNS)

You've heard the explanation of Amendment No. 1 to House Bill 859. Any further discussion? Senator Kelly.

SENATOR KELLY:

I'd like to ask the Senator a question.

PRESIDING OFFICER: (SENATOR JOHNS)

He'll yield. Senator Vadalabene.

SENATOR KELLY:

Senator Vadalabene, I just want to ask you that at the town meeting if, let's say a hundred people attend the meeting, could they, in fact, raise the tax levy for the township?

PRESIDING OFFICER: (SENATOR JOHNS)

Senator Vadalabene.

SENATOR VADALABENE:

If...if they present it with a petition, under this amendment, they could.

PRESIDING OFFICER: (SENATOR JOHNS)

Senator Kelly.

SENATOR KELLY:

Well, I think there was a bill that had a similar concept that did not receive favorable consideration and apparently this amendment is trying to take the place of the bill. Well, I just want to bring this to the attention of the members.

PRESIDING OFFICER: (SENATOR JOHNS)

Any further discussion of Amendment No. 1 to House Bill 859? If not, all those in favor say Aye. All opposed say Nay. The Ayes have it. The Amendment No. 1 to House Bill 859 is adopted. Any further amendments?

SECRETARY:

No...no further amendments.

PRESIDING OFFICER: (SENATOR JOHNS)

3rd reading. House Bill 860, Senator Davidson. House Bill 862, Senator Nedza is going to handle that bill for D'Arco. Senator Vadalabene, for your information, we're going to recall 768 after this bill so you might be prepared. You have an amendment to offer, I understand; and while we have it here, we want to do it. So, once we get through with this bill, we'll come right back to you. All right, sir? 768.

SECRETARY:

No.

PRESIDING OFFICER: (SENATOR JOHNS)

798, they tell me now. So, Senator Nedza, will you...you want 862 read? Read the bill, Mr. Secretary. Senator Grotberg.

SENATOR GROTBERG:

On a point of order, Mr. President. House...for...are we going...start now by letting each other handle each others bills? And this is no comment to Senator D'Arco or Nedza, but...if we will all start that then we can all do it, and I was the beneficiary of that in committee last week, I know what you're saying. But on the Floor...should we just ask leave as has just happened or what is the procedure? Could you get a ruling? 'Cause we'll...we'll be...I'm all for it, I'm all for it, Ed, yeah. But...

PRESIDING OFFICER: (SENATOR JOHNS)

Well, at first we didn't think there was an amendment to the bill, we could move it and get it out, but now there is one and we're going to...Senator D'Arco is here, we're going to go ahead with his bill and we'll pass Vadalabene's evidently.

SECRETARY:

Amendment No. 1 offered by Senator D'Arco.

PRESIDING OFFICER: (SENATOR JOHNS)

Senator D'Arco, would you explain the amendment, please.

SENATOR D'ARCO:

Thank you, Mr. President. It was the suggestion of the committee that we have the Criminal Sentencing Commission administer the impact note and not the administrative office of the Clerk of the Supreme Court. And with that in mind, we did that through the amendment, and I would move to adopt Amendment No. 1 to House Bill 862.

PRESIDING OFFICER: (SENATOR JOHNS)

You've heard the explanation. Any further discussion? All those in favor say Aye. All those opposed say Nay. The Ayes have it. The Amendment No. 1 to House Bill 862 is adopted. Any further amendments, Mr. Secretary?

SECRETARY:

What...what happened, Senator Vadalabene, you explained the amendment that you left up here; you did not explain the committee amendment. We adopted the committee amendment; we did not adopt your Floor amendment.

PRESIDING OFFICER: (SENATOR JOHNS)

Fair enough? We're going to...we're now working on the amendment from the committee, right, Senator...Mr. Secretary? Senator Vadalabene.

SENATOR VADALABENE:

Yes, and...

PRESIDING OFFICER: (SENATOR JOHNS)

We're going to move the bill now back to 2nd reading for the purpose of amending. We have leave of that? Leave is granted. Okay. Now it's on 2nd reading, explain Committee Amendment No., what is it? Amendment No. 1 Committee on House Bill 798. Senator Vadalabene.

SENATOR VADALABENE:

Yes, Mr. Secretary, is Committee Amendment No. 1 where it states all...of all members of the board?

SECRETARY:

That...that is all it does, yes.

SENATOR VADALABENE:

All right. Then I...I want...I guess the proper motion is to Table that one, because in Amendment No. 2 I incorporated that part of the...of the...amendment in Amendment No. 2...or Floor Amendment No. 1.

PRESIDING OFFICER: (SENATOR JOHNS)

Senator Vadalabene moves to Table Amendment No. 1 to House Bill 798. All those in favor say Aye. All opposed say Nay. The Ayes have it. Amendment No. 1 to 798 Tabled. Further amendments?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Maitland, Committee Amendment No. 1.

SENATOR MAITLAND:

Thank you, Mr. President. Amendment No. 1 to House Bill 883 sets up a definite contribution schedule for contributions to the...to the five pension funds that the State is

responsible for contributing to. And I would move for its adoption.

PRESIDING OFFICER: (SENATOR DEMUZIC)

Senator Maitland moves the adoption of Committee Amendment No. 1 to House Bill 883. Is there any discussion? All those in favor will signify by...Senator...Senator Bruce.

SENATOR BRUCE:

Since this Body borrowed seventy-five million dollars from these funds, let's see how fast we're going to pay it back.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Maitland.

SENATOR MAITLAND:

You mean in the next fiscal year? You want the percentages, Senator Bruce? I can...I can...I can read those off to you if you like. For the Legislative...for the Legislative Pension System, it will be three hundred and forty-five percent of the previous years contribution. And for the other systems, for the State Employees Retirement System, it starts out at a hundred and sixty percent for the first year, it goes up in...in yearly increments and reaches a high point in 1994 of two hundred and sixty percent. That's for the State Employees System. For the State Universities Retirement System, we start out at a hundred and six percent of the preceding years contribution and go to a high of two hundred and fifty-four percent in year 1994. For the Illinois...for the Downstate Teachers Retirement System, it starts out at a hundred and forty-five percent in 1984, goes to a high of one hundred and sixty-five percent in 1994. For the judges, it starts out at two hundred and eighty-six percent and goes to a high of three hundred and seventy-six percent. This, Senator Bruce, is the components that were...were contained in Senate Bill 1223, as I recall. That was not...was not heard on 3rd reading.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Any further discussion? Senator Bruce.

SENATOR BRUCE:

Well...I'd like to know what the cost is? And I would like to know the justification...since we took out the substantial amount of money that was taken from the Downstate Teachers System this year, what the justification is, given the size of the system that we reimburse the teachers at a rate of a hundred and forty-five percent and we reimburse the poor old tired judges at two hundred and eighty-six percent. I, you know, it just...equity is as equity does but it seems to me that to put the poor old judges at two hundred and eighty-six percent and the little old teachers at a hundred and forty-five and we've...after the end of this schedule we get them up to a hundred and sixty-five and I didn't see anybody that started less than a hundred and sixty-five. What's the rationale there?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Maitland.

SENATOR MAITLAND:

Senator Bruce, I was not in the Pension Laws Commission when...when this particular provision was...was debated. It is a...it is a...bill that came out of the Pension Laws Commission. It was an attempt to do what you and I both don't like what is happening as far as the contribution to the pension system. And this is a...an opportunity to put the Legislature, it seems to me, on...on record and ready to move forward to a very positive funding of all...all the pension systems, the five that we are responsible for.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Bruce.

SENATOR BRUCE:

How much is it going to cost next fiscal year,...the...the fiscal year starts July 1984?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Maitland.

SENATOR MAITLAND:

It's my understanding it will be in excess of seventy-two million dollars over what is...is now planned.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Eruce.

SENATOR ERUCE:

Well, we're at fifty-one percent. Are you telling me we're going to fund at fifty-one percent and go up another seventy million, or are we talking about the budget amount of 74.5 percent of payout and then going another hundred and some million?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Maitland.

SENATOR MAITLAND:

What I'm saying to you is that...that the cost of this provision right here for next year will be seventy-two million dollars above what is now in the budget.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Bruce.

SENATOR ERUCE:

Just...just so we're clear that when the budget was submitted by the Governor before the doomsday, he told us that he would fund all these systems at 74.5 percent. So it's your statement here that it is...it is at the budget amount of 74.5 percent for the five systems plus...plus a replacement of the seventy-two million dollars we stole this year. So we're...we're back to where we were in the beginning, is that right, Senator Maitland or is this just...

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Maitland.

SENATOR MAITLAND:

Senator Bruce, I...I can't tell you for sure whether this

takes it to seventy-seven percent or above, I...I can't do that now, I'm sorry. All I can tell you is it's seventy-two million dollars in excess of what was in the Governor's budget, that's what the information before me indicates.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Amendment No. 1 offered by Senator Kustra.

PRESIDING OFFICER: (SENATOR BRUCE)

Senator Kustra is recognized.

SENATOR KUSTRA:

Thank you, Mr. President and members of the...Senate. Amendment No. 1 permits school boards to adopt a resolution to eliminate the office of township school treasurer and township school trustee in counties over one million. Provides for appointed school treasurer. The resolution effective unless ten percent of the electors oppose within thirty days of publication. In other words, it's a backdoor referendum. I would ask for its favorable consideration.

PRESIDING OFFICER: (SENATOR BRUCE)

The motion is to adopt. Discussion? Senator DeAngelis.  
SENATOR DeANGELIS:

Well, I...there's a lot of controversy regarding this, I think it ought not to be in this body as an amendment. Now, there was a bill sent over from the House, I don't know where it's at, but I think it would be rather inappropriate at this time to put on an amendment of this magnitude.

PRESIDING OFFICER: (SENATOR BRUCE)

Senator Kustra.

SENATOR KUSTRA:

Thank you, Mr. President and members of the Senate. This bill was a House Bill 85, it passed the House, it had a fair hearing and it was approved by the House. It came over here, it was in the Senate Education Committee and it was never called by the Senate sponsor who picked up the bill. It's unfortunate that this is the way the Senate would have to consider this measure, but I do think since this bill received a fair hearing and was passed in the House that it should at least have an opportunity to be considered and voted on by the full Senate. This bill has received much fanfare in the media, back in Cook County and down here in committee and on the Floor. And it isn't as though anything is going to be sneaked through at the last minute. It's an issue that ought to be heard and debated on 3rd reading, and at that time this Senate can decide whether it wants to pass the measure.

PRESIDING OFFICER: (SENATOR BRUCE)

Senator Keats.

SENATOR KEATS:

I was just going to rise in support of my seatmate and say; one, the technical side, he ought to get his bill in the shape he wants it; but number two, we've passed a very similar bill although much harsher than this amendment. In fact, about thirty-four, thirty-six Senators voted for it last time when it passed the Senate last year, Don Totten was the sponsor of the bill, and that bill was a heck of a lot tougher than this amendment. So, I might throw in, it's not as if it's something we've never discussed, we've discussed it in the past. It has passed both Chambers and if the Senate sponsor wants it on his amendment, let him do it.

PRESIDING OFFICER: (SENATOR BRUCE)

Further discussion? Senator DeAngelis.

SENATOR DeANGELIS:

Well, I don't like to speak for the second time, but if the justification is because the bill passed out of the House, I have three bills that passed out of the Senate that do exactly the opposite that were never put out of the House. So...and I don't intend to amend those bills in the House. So the justification that the bill came over here with a nice roll call out of the House is never any reason for accepting an amendment here in the Senate.

PRESIDING OFFICER: (SENATOR BRUCE)

The motion is to adopt Amendment No. 1...further discussion? Those in favor say Aye. Those opposed Nay. The Ayes have it. Amendment No. 1 is adopted. Senator DeAngelis. All right. House Bill 1000. Further amendments?

SENATOR DEMUZIO:

Well, thank you, very much, Mr. President. Committee Amendment No. 1 would allow...would...would...commencing July 1st of 1984, no liquid hazardous waste will be deposited in any hazardous waste site in the State. On or before July the 1st of '84, the board shall issue regulations to promote the purposes of this Act and would include...the regulations and define the terms "liquid." It would provide that the provisions of Section 27 not apply to the regulations that were adopted by...by the board; and frankly, all it does is it bans liquid landfilling of hazardous waste by July 1st of '84, and reinserts original language of Senate Bill 171. Was

adopted back here in 1981, that prohibits landfilling of all waste by 1987 and builds in the process to insure that the ban would be implemented. I move for the adoption of Committee Amendment No. 1.

PRESIDING OFFICER: (SENATOR BRUCE)

The motion is to adopt Amendment No. 1. Discussion?  
Senator Coffey.

SENATOR COFFEY:

Yes, Mr. President and members of the Senate, I rise in opposition to Amendment No. 1. The legislation that...the amendment that's before us, I think, is devastating to some industry in this State. Two of those industries happen to be in my legislative district. The...the problem with the amendment that...where they want to add additional cost to the industries located in my area is when we are being asked to be...to pay for the amount of gallonage...

PRESIDING OFFICER: (SENATOR BRUCE)

For what purpose does Senator Kelly arise?

SENATOR KELLY:

Would you please take the bill out of the record, sir.

PRESIDING OFFICER: (SENATOR BRUCE)

All right. Is there leave to take it out of the record? Leave is granted. Take it out of the record. House Bill 1055, Senator Jerome Joyce. For what purpose does Senator Rock arise?

SENATOR ROCK:

Thank you, Mr. President. For those on the Floor and those in their offices or at committee meetings, I would just like to point out that it was the intent...is the intent of the Chair to work until approximately five o'clock. We have a Supplemental Calendar which I will ask the Secretary to distribute and would call the attention of the membership to a Conference Committee report which is currently sitting on each desk, I hope. It is the Conference Committee report on

Senate Bill 328. We will, at the hour of five o'clock, call that Conference Committee report at the request of the sponsor for passage, for final action. I would ask everybody to have some time if they haven't read it already to take a look at it. There are a number of supplemental and transfer appropriations included within the purview of the Conference Committee report. And when we conclude, that then we will conclude for the day and return tomorrow at 10:00 a. m.

PRESIDING OFFICER: (SENATOR HALL)

SENATOR BERMAN:

I think this was the amendment that we were going...do you have a Floor amendment? All right. I move to Table Committee Amendment No. 2. There was a last paragraph that had some objection, we adopted in committee but we said we would Table it; and Amendment 3, which is a Floor amendment does the same thing but deletes the...objectionable language, so I move to Table Committee Amendment No. 2.

3rd reading. Senator Bruce, for what purpose do you arise?

SENATOR BRUCE:

Well, I...just on this bill, now that you and Senator Berman have amended it, was anything in Amendment 2 that is...that was taken out in Amendment No. 3? The only thing that was removed is the attorney's fees? This is a very ticklish situation for many of us who are going to vote on whether or not school districts are going to change or be consolidated. And what was Amendment 3 that was not already in Amendment No. 2?

PRESIDENT:

Senator Berman.

SENATOR BERMAN:

No, if you...if you recalled, you had raised an objection in Amendment 2 to the very last paragraph of the amendment in the committee that dealt with the payment of attorney's fees. Amendment 3 is the same as the Amendment 2, adopted in committee, except the language regarding attorney's fees has been deleted.

It's so ordered. Senator Johns, for what purpose do you arise?

SENATOR JOHNS:

Mr. President, I'd like to have leave of the Body to co-sponsor...hyphenated cosponsor of House Bill 730 with Senator Buzbee. We had a related bill like that from the Senate, this is a House bill, I'd like to be in the same capacity.

PRESIDENT:

I'd like to have leave of the Body to show Senator Holmberg as the hyphenated cosponsor of House Bill 186.

PRESIDENT:

All right, with leave of the Body, we'll move to the Order of Senate Calendar Supplemental No. 1. Senator Collins, for what purpose do you arise?

SENATOR COLLINS:

Leave to go on as hyphenated cosponsors to the following bills: 375, 767, 1442 and 1530.

PRESIDENT:

All right, the Senator has requested leave to be shown as cosponsor of those four bills. Is leave granted? Leave is granted. It's so ordered. On the Order of Senate Calendar Supplemental No. 1, Senator Mahar, the Conference Committee report on Senate Bill 328. Senator Mahar.

SENATOR MAHAR:

Thank...thank you...thank you, Mr. President.

PRESIDENT:

Senator, can you use a different microphone? Apparently that...

SENATOR MAHAR:

Thank you, Mr. President and members of the Senate. I would move to accept Conference Committee Report No. 1 on Senate Bill 328. It's a bill that now has...started out as a simple transfer for the council and now has twenty-two parts to it. It's a total supplemental of eleven million ten thousand five hundred dollars of which 1.6 million is GRF and 9.9 million two hundred and seventy-five thousand dollars is Federal funds. Each member has received a breakdown on your...on your desk and which I think is quite self-explanatory. I'll be happy to try to answer any questions.

PRESIDENT:

All right, any discussion? Senator Sommer.

SENATOR SCHMER:

Mr. President and members, you'll notice that I didn't sign this, and I'll tell you why. Included therein is a hundred and twenty-five thousand dollars for Mr. Hart, again. To date, in two previous bills, we'd...with this, we will have paid the gentleman two hundred and seventy thousand dollars for legal fees in...in regard to redistricting. Now, that's one thing; but I have in hand here a Court of Claims opinion dated June 9th which awards him another two hundred and sixteen thousand dollars, giving a total in...in the event that this bill passes and the Court of Claim thing passes of four hundred and eighty-seven dollars and some three hundred and sixty-one...four hundred and eighty-seven thousand three hundred and sixty-one dollars and twenty cents. Almost a half a million dollars have been paid to this one lawyer to represent various people in regard to redistricting. For...for that reason, I don't support the Conference Committee report and thought it's my obligation to...to bring it to the attention of the membership.

PRESIDENT:

Further discussion? Senator Smith.

SENATOR SMITH:

I'd like to ask permission, please, to leave...to ask that Senator Dawson would become the hyphenated sponsor on House Bill 207.

PRESIDENT:

207, the Senator...

SENATOR SMITH:

...and also that Senator Newhouse would become a sponsor.

PRESIDENT:

207...show Senators Dawson and Newhouse. Leave granted? Leave is granted. Further discussion on the Conference Committee report on Senate Bill 328? Senator Mahar, you wish to close?

SENATOR MAHAR:

Yes, thank you, Mr. President. While I agree with Senator Sommer is in the amount that's being paid to Mr. Hart is probably a little bit high, I want call the Body's attention to the fact that we have eleven million dollars of much needed funds for many agencies. This Conference Committee report has been bounding around for a couple of weeks now and things have been added to it and we have some agencies that are missing their payrolls because of it, and so I would ask a favorable vote.

PRESIDENT:

Question is, shall the Senate adopt the Conference Committee report on Senate Bill 328. Those in favor will vote Aye. Those opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, the Ayes are 36, the Nays are 17, 2 voting Present. The Senate does adopt the Conference Committee report on Senate Bill 328, and the bill having received the required constitutional majority is declared passed. Any further business to come before the Senate? Any announcements? Senator Lechowicz.

SENATOR LECHOWICZ:

Thank you, Mr. President and Ladies and Gentlemen of the Senate. The Capital Subcommittee will meet immediately after adjournment in Room 627-C, and we will review House Bills 900, 901 and 2100; and I would encourage Senator Hall, Sangmeister, Bloom and Senator Kent to please be there promptly. Thank you, very much.

PRESIDENT:

Further announcements? Senator Marovitz.

SENATOR MAROVITZ:

Thank you, Mr. President. I would request leave of the Body to have Senator Ierke shown as a hyphenated principal

sponsor on House Bill 64 so that the bill would read Marovitz-Lemke.

PRESIDENT:
