PRESIDENT:

Rules Committee. If I can have your attention, the Messages from the Governor which have been Journalized reflect seventy-nine total vetoes, seventy-eight amendatory vetoes, seventy-three item vetoes and two hundred and fourteen item reductions. All members who have already or will be filing motions, the Chair has asked the Secretary to make sure that those motions will appear on the Calendar on October the 18th. So, if you have motions you wish to file, try to get them in, if you will, please, by the 16th so that they can be incorporated when it...when the printing begins. Everything that was filed today and that will be filed until the 16th of October will appear on the Calendar on the 18th in the order in which they were filed. A number of members have indicated that they have filed and wish to have adopted the congratulatory resolutions. So, unless there is objection, we will dispense with the printing of the Consent Calendar, and those congratulatory resolutions that have been introduced are Senate Resolutions 310 through 329 and 331 through 338. No objections having been heard, Senator Hall moves the adoption of the Resolutions Consent Calendar, Senate Resolutions 310 through 329 and 331 through Senate Resolution 338. All in favor indicate by saying Aye. All opposed. The Ayes have it. The resolutions are adopted. Any announcements? Any further business to come before the Senate? If not, Senator Hall moves that the Senate stand adjourned until October the 18th, the 18th at the hour of noon. And we would ask all the members to be prompt, because if things work out, we'll all be going back to Chicago for the World Series Game on the 18th. The Senate stands adjourned until October the 18th, the hour of noon.
