PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Rock.

SENATOR ROCK:

Thank you, Mr. President and Ladies and Gentlemen of the Senate. This was the amendment that was discussed in committee. It makes three changes. It add...this...this bill was introduced at the request of the State Treasurer and the three changes are, it adds an immediate effective date, it specifies that bids for State deposits shall be solicited from credit unions exceeding fifty million dollars in assets pursuant to the treasurer's agreement in committee and further sets up a system in conjunction with the superintendent of the State Lottery that instead of buying annuities they will be buying Zero Coupon Bonds. It will save...in payment of those large lottery prizes this legislation will in the opinion of the superintendent of the lottery and the State Treasury save a good deal of money for our State. I know of no objection. I'd move the adoption of Amendment No. 1.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Demuzio.

SENATOR DEMUZIO:

SB 669  
2nd Reading

Thank you, Mr. President. The committee amendment makes two changes in the bill. First, it requires the State Board of Education rather than the State Teachers' Certification Board to report the information that's outlined in this bill. It's the staff's understanding that the State Board of Education already collects the data that's required and...and if any additional information or collection mechanism needs to be established the agency clearly has more staff and resources than the State Board of...Certification Board to accomplish the task. I move the adoption of Committee Amendment No. 1.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there discussion? If not, Senator Demuzio moves the adoption of Amendment No. 1 to Senate Bill 668. Those in favor indicate by saying Aye. Those opposed. The Ayes have it. Amendment No. 1 is adopted. Any further committee amendments?

PRESIDING OFFICER: (SENATOR SAVICKAS)

SENATOR DEMUZIO:

The committee amendment deletes the requirement that the...that the director of Central Management Services adopt permanent regulation and rates if the...Travel Regulation Council fails to adopt such. Presently, under the bill, the Travel Control Council is required to adopt regulations every two years. If the council fails to adopt such the...the director of Department of Central Management Services is required to adopt emergency regulations and the rates...and then proceed to adopt permanent regulations and rates. This amendment deletes the director's authority to adopt permanent rules and regulations. I would move adoption of Committee Amendment No. 1.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Geo-Karis.

SENATOR GEO-KARIS:

Mr. President and Ladies and Gentlemen of the Senate, the amendment that I'm offering is a technical amendment suggested to me by the Legislative Reference Bureau. What it does, it deletes the word "preserve" and puts "preserve district" on line 1, page 18, and I move its passage.

2nd reading of the bill. The Committee on Finance offers one amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Hudson.

SENATOR HUDSON:

Thank you, Mr. President, members of the Senate. What Committee Amendment No. 1 does is to delete all changes to the Bank Holding Company Act, thus the commissioner's powers are not expanded as they relate to the bank holding companies. The amendment creates three new advisory committees for the commissioner which he will chair. It also changes the name of the Board of Banks and Trust Companies to the State Banking Board and adds four members. I would move adoption of the amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Hudson has moved the adoption of Committee Amendment No. 1 to Senate Bill 835. Is there any discussion? If not, those in favor signify by saying Aye. Opposed Nay. The Ayes have it. Committee Amendment No. 1 is adopted. Any further committee amendments?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator DeAngelis.

SENATOR DeANGELIS:

Thank you, Mr. President. Committee Amendment No. 1 is essentially a rewrite of the substantive parts of the bill due to some drafting errors in the original bill. I move for its adoption.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator DeAngelis moves the adoption of Committee Amendment No. 1 to Senate Bill 836. Is there any discussion? If not, those in favor signify by saying Aye. Opposed Nay. The Ayes have it...Committee Amendment No. 1 is adopted. Any further committee amendments?

Amendment No. 2 offered by Senator Sangmeister.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Sangmeister.

SENATOR SANGMEISTER:

Thank you. I believe Senator DeAngelis is indicating to me now that he is not aware of this amendment, is that cor-

rect, Senator? All we were doing is what I indicated in committee, and that is striking that line 4, that says, "an easement for other purposes." You know, we didn't know what that...is that okay? All right. Then this amendment will strike the language, "an easement for other purposes" and confine easements to their specific titles rather than the broad "an easement for other purposes." Move the adoption of the amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right. Any discussion? Senator DeAngelis.

SENATOR DeANGELIS:

Senator Sangmeister,...I have a question of Senator Sangmeister.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right. Indicates he will yield. Senator DeAngelis.

SENATOR DeANGELIS:

You are aware that...that is part of the current law right now that you're striking?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Sangmeister.

SENATOR SANGMEISTER:

Well, it can't be because it's underlined in here. Now, it may be in some other section of the Statutes. I don't know where this was...

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator DeAngelis.

SENATOR DeANGELIS:

Well, Senator Sangmeister, as I said in my opening comments, we redrafted this; and for the reason that we redrafted it, we rearranged it. That's why it's underlined.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Sangmeister.

SENATOR SANGMEISTER:

I believe that is correct, but I still think that that

terminology ought to come out of there, because I think it's just too broad. Do you have a problem with that? I thought that but we kind of agreed on that in committee. All right? Okay. Move the adoption of the amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Further...all right. Further discussion? Senator Sangmeister moves the adoption of Amendment...of Amendment No. 2 to Senate Bill 836. Those in favor signify by saying Aye. Opposed Nay. The Ayes have it. Amendment No. 2 is adopted. Any further amendments?

the easement bill? What staff has done, they've gone down to the Reference Bureau and combined Amendment 1 with the Amendment 2. PRESIDENT:

Senator Marovitz on Committee Amendment No. 1.

SENATOR MAROVITZ:

Thank you, very much, Mr. President and members of the Senate. Amendment No. 1 to Senate Bill 910 deals with disclosures using to determine how well...a financial institution has served the community when it attempts to offer new services or acquire another financial institution. The...the program described in the amendment consists of two parts. First of all, the first part requires all financial institutions to make their residential, small business and agricultural loan activity a matter of public record each year. This would require including the number and amount of residential, multi-family, home improvement, agricultural and small business loans so it would enable members of the community...within which the bank operates to see how well that bank has served the community. And secondly, the second part permits members of the community to testify at a hearing on that bank service to the community whenever that bank wishes to offer new services or whenever that bank wishes to acquire another financial institution. I would ask for adoption of Amendment No. 1 to Senate Bill 910.

PRESIDENT:

Senator Jones.

SENATOR JONES:

No, I don't have any...other amendments, this is the only amendment that I have.

PRESIDENT:

Thank you, Mr. President. The bill is...as written is permissive, there's no intent to do anything otherwise.

PRESIDENT:

PRESIDENT:

PRESIDENT:

SENATOR HALL:

Thank you, Mr. President and Ladies and Gentlemen of the Senate. This amendment becomes the bill and what it does, it requires...empowers the board to make grants to minority controlled and female controlled business in those locations. I'd ask the adoption of this amendment.

PRESIDENT:

All right. Senator Hall has moved the adoption of Amendment No. 1 to Senate Bill 1129. Any discussion? Senator Lechowicz.

SENATOR LECHOWICZ:

Thank you, Mr. President. Will the sponsor of the amendment yield to a question?

PRESIDENT:

The sponsor indicates he'll yield, Senator Lechowicz.

SENATOR LECHOWICZ:

Thank you, Mr. President. I...as I read...this Amendment No. 1 on page 2, and I agree with the concept of the amendment but it also...requests that the board shall maintain an office in each of the following areas; in East St. Louis, the south part of the City of Chicago, the west part of the City of Chicago, and I was wondering, is that the normal course of action where we mandate where they have offices as well in State Government?

PRESIDENT:

Senator Hall.

SENATOR HALL:

Well, the reason it was drawn like that, Senator, was that's...that's just where most of this action would be. I have no objection to placing in other places. That was the only reason, that we're trying to...to draw it to places that were...depressed areas and that was the reason why it was drawn like that. But I have no...no quim...qualms about placing elsewhere.

PRESIDENT:

Senator Lechowicz.

SENATOR LECHOWICZ:

Well, I just wanted to bring to the attention of the Body that this amendment does more than initially it was stated, and I...I agree with the concept of the amendment but I am opposed to the designation of where...where the offices are supposed to be located in certain areas. I believe that especially in the City of Chicago we should have access for everyone to participate in this program and not saying that the office has to be on the west side or the south side; probably a centrally located office would be more beneficial for everyone concerned, and for that reason, I'm going to oppose this amendment or just going to record it as...as no.

PRESIDENT:

Further discussion on Amendment No. 1 to Senate Bill 1129? If not, Senator Hall moves the adoption of Amendment No. 1 to Senate Bill 1129. All in favor indicate by saying Aye. All opposed. The Ayes have it. The amendment is adopted. Are there further amendments?

I present to you, Lanphier High School basketball and their coach, Bob Nika. Bob, you want to come up and say a few words and introduce your team to the Senate, please. Send the cheerleaders in around the front so all these guys have an opportunity to look at something besides those ugly old men.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Netsch.

SENATOR NETSCH:

Thank you, Mr. President. Committee Amendment No. 1 is the...is reflective of some concerns that were raised by members during the course of the hearing and it was approved, I think, by parties on both sides of the aisle. This deals with a private right of action for violation of the Consumer Fraud Act. The amendment deletes the interested person concept which was a little bit of concern to others and uses the word "consumer" which is already defined in the Act, so it is a consumer who has a right to seek injunctive relief when it is turned down...earlier by the Attorney General. The...as I say, the amendment was one that was approved by both sides and I would now move its adoption.

SENATOR LECHOWICZ:

Thank you, Mr. President. Amendment No. 2 would state that beginning in 1986 and '87 would require students to complete one semester of course instruction in computer literacy as a prerequisite in receiving a high school diploma, and I move for its adoption.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there discussion? Senator Kustra.

SENATOR KUSTRA:

Thank you, Mr. President and members of the Senate. I would just point out that this was a bill which was heard last week in the Senate Executive...Senate Education Committee. It lost in the Senate Education Committee, and I think there is serious question whether we want to add another mandate on top of those we already have. I would think this should be a roll call vote.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Further discussion? Senator Lechowicz may close.

SENATOR LECHOWICZ:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. Basically this is the same concept but a difference...the bill calls for one year of instruction and work...and working with the Illinois Education Association

they agreed to take the term of one semester in lieu of one year and that was the purpose of this amendment on this bill. I feel very strongly that this is a matter that should be discussed and really decided by the General Assembly from the standpoint that the art of education is changing. The State of New York requires one year of computer instruction before they can get a high school diploma. The Tribune and a number of...the Wall Street Journal has stated the importance of computer instruction for high school students. If you want to have people prepared to work in offices in this country, they have to have the requirements and have to have the ability to understand how to work with computers. This is a very important aspect, all...we're talking about is one semester and I move for its adoption.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there further discussion? Senator Philip.

SENATOR PHILIP:

Thank you, Mr. President and Ladies and Gentlemen of the Senate. I just would remind our members that how many times that we've had school administrators, school boards coming down to the General Assembly and saying, if you're mandating us a program you ought to pay for it. Now who's going to pay for this mandated one year...computer...quite frankly, I think it's a good idea. There's a lot of school districts that can't afford it, there's a lot of school districts that are shrinking in students, the tax base in going down and where's the money coming from? Once again, we're telling those local school districts what to do and not providing money.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Lechowicz, you're allowed to close again. Senator Lechowicz.

SENATOR LECHOWICZ:

Well, let me just address that question because I'd also

addressed in the closing before. Right now in the State of Illinois in all the expenditures...spends approximately six billion dollars in education. Out of that is 2.4 billion comes out of the State General Revenue Funds, the rest of it is primarily property taxes and Federal funds. Out of the 2.4 billion, a hundred and fifty...a hundred...one million five hundred thousand is for computer education. That's how insignificant our funding is in this area. I have written a letter to Ted Sanders. I have written other correspondence requesting that a comprehensive study be given between the private and the...and the public sector in education, the amount of money that's being spent in this State to show how...how inadequate it is in comparison to other states. That's why I think this is a very important program and deserves your support.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Lechowicz moves the adoption of Amendment No. 2 to Senate Bill 1211. Those in favor indicate by saying Aye. Those opposed. The Ayes have it. Amendment No. 2 is adopted. Any further amendments? 3rd reading.

ACTING SECRETARY: (MR. FERNANDES)

...no further amendments.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senate Bill 1213, Senator Nedza. Sorry, I did not hear him. Is he joined by...four other Senators? Obviously. On Amendment No. 2 to Senate Bill 1211, a roll call has been requested. Will all the members be in their seats. Senator Lechowicz moves the adoption of Amendment No. 2 to Senate Bill 1211. All those in favor will indicate by voting Aye. All those opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, the Ayes are 30, the Nays are 27. The amendment having received a majority vote is declared adopted. 3rd reading. Senate Bill

Any amendments from the Floor?

ACTING SECRETARY: (MR. FERNANDES)

Amendment No. 1 offered by Senator Schaffer.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Schaffer.

SENATOR SCHAPPER:

Amendment No. 1 is one of a series of amendments I have filed on some of the education "reform" bills. It simply provides, and I think some of you might be interested in this, that the school district shall be required to comply with the provisions of the Amendatory Act only if the amount they receive from the State general...State General Aid and State Grant-in-Aid from the school year...previous school year and...every year thereafter...after...exceeds the amount received from the sources from the preceding school year. In other words, if we don't pay for it, they don't have to do it. My great concern on this education reform year is that we pass a whole bunch of reforms we don't pay for, and when the smoke clears, we discover that our school districts to implement our reforms are busy hiring more administrators and paper shufflers but, in fact, have to lay off front line teachers and cut the quality of their program. So, simply what we're saying is, it's only a mandate if we pay for it; if we don't pay for it, they don't have to do it.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there discussion? If not, Senator Schaffer moves the adoption of...Senator Berman.

SENATOR BERMAN:

Thank you, Mr. President. I rise in opposition to this amendment. Now let me...as I read the amendment, it requires

that the amount of previous year school aid increased by the amount of the cost of this program. Now this program under this bill, which is part of the package of bills dealing with the Hispanic Student Dropout Study Committee, calls for vocational and career counseling for minority students. Now, I understand what Senator Schaffer wants to do but he's doing it the wrong way, because there are other reasons that school aid may go up or may go down which has no relationship at all with the cost of this program. We already have on the books of the State of Illinois what Senator Schaffer is trying to do and that's called the State Mandate's Act. This amendment does nothing that adds to that...already existing Statute, the State Mandate's Act. If we're requiring, as we are in this bill, that school districts have career counseling and vocational counseling, then the State must pay for it under the existing provisions of the State Mandate's Act. Senator Schaffer's amendment would say that even if a school district deserved to go down in State aid because of a decrease in pupils or because of an increase of assessed valuation that they wouldn't have to comply with this Act even if those other things caused their State aid to go down. That's turning the whole State aid process and the Mandate's Act up on its ear. I urge a defeat of this amendment.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there further discussion? Senator Schaffer.

SENATOR SCHAFFER:

I...I expected a...skillful rebuttal and of course we had it. The simple fact of the matter is that our staff worked on this and we tried seven different approaches and there are...I don't think there is an approach that would satisfy my learned colleague from the City of Chicago. Let's just say a lot of us have just had a belly full of mandating things and not paying for them. I think the amendment would at least give a school district an out; they could say, look,

you didn't send us any money, we aren't going to do this. And I think it's appropriate and I think you're going to hear a lot about this in the course of the next few months and I think the roll calls we establish, and by the way, I would like a roll call, in the next few days and I did not, by the way, single this particular bill out as your staff knows. We filed a number of amendments to bills regardless of sponsorship or direct intent in various programs. It's time for us to stop mandating things we don't pay for and that's what this roll call is all about. If you want to mandate it and don't pay for it, fine, business as usual. If you think we ought to be responsible and if we're going to mandate it, pay for it, support the amendment.

PRESIDING OFFICER: (SENATOR SAVICKAS)

The question is on the adoption of Amendment No. 1 to Senate Bill 1217. Those in favor will vote Aye. Those opposed vote Nay. The voting is open. Have all voted who wish? (Machine cutoff)...that question the Ayes are 28, the...take the record, Mr. Secretary. On that question, the Ayes are 28, the Nays are 27, none voting Present. Amendment No. 1 having received the majority vote is declared adopted. For what purpose does Senator Rock arise?

SENATOR ROCK:

Verification of the affirmative vote.

PRESIDING OFFICER: (SENATOR SAVICKAS)

A verification of the affirmative vote has been requested. Would all the Senators please be in their seats and will the Secretary call the affirmative vote.

ACTING SECRETARY: (MR. FERNANDES)

The following voted in the affirmative: Barkhausen, Bloom, Coffey, Davidson, DeAngelis, Donahue, Dudycz, Fawell, Friedland, Geo-Karis, Hudson, Jerome Joyce, Karpriel, Keats, Kustra, Macdonald, Mahar, Netsch, Philip, Rigney, Rupp, Schaffer, Schuneman, Sommer, Topinka, Watson, Weaver, Welch.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Rock, do you question any of the affirmative votes?

SENATOR ROCK:

Senator Coffey.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is Senator Coffey on the Floor? Senator Coffey is on the Democratic side.

SENATOR ROCK:

Senator Rigney.

PRESIDING OFFICER: (SENATOR SAVICKAS)

PRESIDING OFFICER: (SENATOR SAVICKAS)

You question any...any further?

SENATOR ROCK:

Senator Jerome Joyce.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Jerome Joyce. Senator Jerome Joyce on the Floor? Strike his name off the record. Mr. Secretary. There are now 26 Ayes and 27 Nays. The motion having failed to receive the required vote is declared lost. Senator Schaffer, what purpose do you arise?

SENATOR SCHAFFER:

Oh, I thought we might look for the negatives too while we were in the mood. I don't know whether we're wasting time

or not but let's try it this first time.

PRESIDING OFFICER: (SENATOR SAVICKAS)

On the first time on a negative vote. Will all the members please be in their seats. Will the Secretary please call the negative roll.

ACTING SECRETARY: (MR. FERNANDES)

The following voted in the negative: Berman, Carroll, Chew, Collins, D'Arco, Darrow, Dawson, Degnan, Demuzio, Hall, Holmberg, Jones, Jeremiah Joyce, Kelly, Lechowicz, Lenke, Luft, Harovitz, Nedza, Newhouse, O'Daniel, Poshard, Sangmeister, Savickas, Smith, Vadalabene, Mr. President.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Schaffer, do you question any of the negative vote?

SENATOR SCHAFFER:

How about Senator Newhouse.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is Senator Newhouse on the Floor? Senator Newhouse. Strike his name from the record.

SENATOR SCHAFFER:

SENATOR SCHAFFER:

Holmberg.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Holmberg on the Floor? Senator Holmberg. Strike her name from the record. Mr. Secretary, would you give us the total. On a new and final version, we have 26 Yeas and

24 Nays, none voting Present. The amendment having received the majority vote is declared adopted. There further amendments?

ACTING SECRETARY: (MR. FERNANDES)

No further amendments. Yes...

PRESIDING OFFICER: (SENATOR SAVICKAS)

3rd reading.

ACTING SECRETARY: (MR. FERNANDES)

...no...no, I'm sorry. There is Amendment No. 2, by Senator Berman.

PRESIDING OFFICER: (SENATOR SAVICKAS)

We have Senate Bill 1217 back on the...on the Order of 2nd Reading for Amendment No. 2. Senator Berman.

SENATOR BERMAN:

This is just an effective date amendment. Move the adoption.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there discussion? If not, Senator Berman moves the adoption of Amendment No. 2 to Senate Bill 1217. Those in favor will indicate by saying Aye. Those opposed. The Ayes have it. Amendment No. 2 is adopted. Any further amendments?

ACTING SECRETARY: (MR. FERNANDES)

No further amendments.

PRESIDING OFFICER: (SENATOR SAVICKAS)

3rd reading. Senate Bill 1218, Senator Rock. Read the bill, Mr. Secretary.

ACTING SECRETARY: (MR. FERNANDES)

Senate Bill 1218.

(Secretary reads title of bill)

2nd reading of the bill. No committee amendments.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Rock.

SENATOR ROCK:

Thank you, Mr. President and Ladies and Gentlemen of the Senate. This, too, is a recommendation of the Hispanic Dropout Study Task Force, and it calls for the utilization of a tutoring program to be afforded by the private and public schools. It was intended to include both; in fact, the way the bill was drafted it was applicable only to public schools of higher learning that would afford counseling and tutoring service. Amendment No. 1 merely deletes the word "public" so it is applicable to all schools...because, in fact, this is now being done by three institutions of higher learning who are, in fact, private. And I would move the adoption of Amendment No. 1.

PRESIDING OFFICER: (SENATOR SAVICKAS)

I jumped the gun a little, we didn't ask for amendments from the Floor. I recognized Senator Rock for his explanation. Mr. Secretary, do we have amendments from the Floor?

ACTING SECRETARY: (MR. FERNANDES)

Amendment No. 1 offered by Senator Rock.

PRESIDING OFFICER: (SENATOR SAVICKAS)

And Senator Rock just gave the explanation. He now moves the adoption of Amendment No. 1 to Senate Bill 1218. Is there discussion? If not, all those in favor indicate by saying Aye. Those opposed. The Ayes have it. Amendment No. 1 is adopted. Any further amendments?

ACTING SECRETARY: (MR. FERNANDES)

Amendment No. 2 offered by Senator Schaffer.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Schaffer.

SENATOR SCHAFFER:

This is the same amendment that we offered to the previous bill, basically says if the State doesn't ante up the money, the schools are exempted from it. I could go into the same explanation, I think the same arguments are there. I think if we're going to mandate it, we ought to pay for it.

And, again, it's not singled out on any program, we filed these on all the...bills where it seemed appropriate. If we're going to have a roll call, we all might try to be here, we can cut down the verification.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there discussion? If not, Senator Schaffer...Schaffer...Senator Rock.

SENATOR ROCK:

Thank you, Mr. President. I was not aware that there was to be an amendment offered. I would have been obviously better prepared substantivewise and Bodywise. But the fact is, the amendment is equally as bad and I think the...the gentleman really overlooks what the thrust of this task force report is. I think these services can well be provided within the existing budget; they ought to be provided within the existing budget if, in fact, we are serious about reducing the dropout. Now, we are going to argue long and hard and...and I presume at great length on education reform and I think this amendment simply ought to be defeated. And I would again request a roll call.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator, if we have...three Senators that have sought recognition; Senator Berman, Collins and Nedza. Senator Berman.

SENATOR BERMAN:

Thank you. I hate to belabor it but it looks like we're going to have to play the tapes back a couple of times on...on this Floor on 2nd reading on this issue. For those of you that voted in the affirmative, let me point out to you that you are not delivering any kind of a message as far as funding of programs. What you are doing on these amendments is to say that you want to dump the entire process of equalized appropriation depending upon local wealth. When you vote Aye, what you're saying is that regardless of the amount

of money that a school district ought to receive based upon the formulas that we've adopted on this Floor, regardless of that, they ought to get extra money over and above last year's appropriation to fund this. That doesn't make any sense, that doesn't make any sense. We're already required under the Mandate's Act to fund every required mandate that we pass. That Mandate's Act applies to this bill as it did to the previous bills. And Senator Schaffer is delivering a message, it's the wrong message, and I would urge that you not support him and therefore vote No, because you are going to undermine a fine program that's embodied in these bills that Senator Nedza and his commission worked on...long and hard. And I would urge that a No vote be cast on this amendment.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Nedza.

END OF REEL

REEL #4

SENATOR NEDZA:

Thank you, Mr. President and Ladies and Gentlemen of the Senate. I thank Senator Berman for his kind remarks but I stand opposed to the amendment because what we're talking about here it's not applicable to it. We're talking about private institutions, so I don't know how you're going to demandate or mandate private institutions. This is a program which is...is presently enforced with some private institutions. You're not talking about mandating anything to them, and I urge your No vote on this amendment.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there further discussion? If not, Senator Schaffer may close.

SENATOR SCHAFFER:

Well, I...I can't help but comment on my learned colleagues from Chicago's defense of the current formula. I believe the districts he represents are over fifty percent State funded; the ones I represent go down as far as under five percent State funded. So, obviously, if anybody is going to lose money, when you're under five percent State funded, how do you lose much? If his argument has validity, I should be against the amendment and he should be for it because it protects those districts that receive a high percentage of support from the State already. Those of us who received what fell through the cracks on the way through the formula process really don't have much to gain 'cause you can...you can give us more than we got last year simply by sending us the...pop bottle returns from the State Office of Education. Quite frankly, that argument shouldn't have a whole lot of validity. The simple fact of the matter is, if

we aren't going to pay for something, we shouldn't mandate it, and this is no reflection on this bill. I happen to agree with the bill. I happen to agree with the work of the commission that drafted the bill. It's a problem that needs to be addressed, but it's also one that if we're going to mandate anything, we ought to pay for it. Certainly, if we can't find the money to pay for this mandate, then we all ought to hang our heads in shame; and if we are not prepared to find the money for this mandate, we shouldn't support it.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senate...Senator Schaffer moves the adoption of Amendment No. 2 to Senate Bill 1218. Senator, did you request a roll call or do you...just a voice vote. Those in favor indicate by saying Aye. Those opposed. Senator, it did sound like the Nays prevailed, but I will...we will have a roll call. On the question of adoption of Amendment No. 2 to Senate Bill 1218, those in favor will vote Aye. Those opposed vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Take the record. On that question, the Ayes are 27, the Nays are 27. It also would let the department make a recommendation for...to categorize the different forestry management products plans so the money can be spread equally. It would also give the landowner, a man who is paying the fee, an opportunity for a fifty percent bonus if he participates and gives him first opportunity to be considered since he's the one who paid the tax in the first place. I move the adoption of Amendment No. 1.

Any amendments from the Floor?

ACTING SECRETARY: (MR. FERNANDES)

Amendment No. 1 offered by Senator Schaffer.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Schaffer.

SENATOR SCHAFFER:

This amendment doesn't have anything to do with the other subject, I should point out very quickly. We have passed a number of these checkoff bills, and I...I will tell you, quite frankly, the first checkoff was the Nongame...Fund and I sponsored that myself. It's pretty obvious that we are going to be passing a large number of these checkoffs for very worthy causes. This amendment simply says that if a...if a...not this particular checkoff but any of the checkoffs fail to bring in a hundred thousand dollars a year, in any given year, they're off the tax form the next year. If we can't take in a hundred thousand dollars for checkoff for veterans or mental health or any of these causes, it's probably not worth the expense and confusion for the Department of Revenue to keep these things on the tax form and, frankly, if we're going to do what I think we're going to do which is have a whole page of these things, this would be a way to constantly keep the groups on their toes to make sure they take in that hundred thousand dollars before they can...so they can guarantee staying on the tax form. I think the idea has merit. I will confess to having thought of it myself. I can't blame the Department of Revenue or anyone else on it, but if we're going to do this, I think we better put a bottom line on it.

PRESIDING OFFICER: (SENATOR DEMUZIO)

...is there any discussion? Senator...Marovitz.

SENATOR MAROVITZ:

--you, Mr...Mr. President. A question of the sponsor.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Indicates he will yield. Senator Marovitz.

SENATOR MAROVITZ:

How many checkoffs do we presently have?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Schaffer.

SENATOR SCHAFFER:

Four, and this would not have affected any of them. The bottom on, I think, took in like a hundred and fifty-seven thousand dollars last year. A hundred and seventy-eight, I'm corrected. So, it's not aimed at anything in particular, it's just an arbitrary number.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Marovitz.

SENATOR MAROVITZ:

What are the four? And...and can you give me the figures for the last fiscal year?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Well, that's...Senator Schaffer.

SENATOR SCHAFFER:

I don't have them...here, which means the staff doesn't have them here, but we can give them to you, but it's nongame checkoff, veterans, child abuse and veterans' home, nongame wildlife, food and housing assistance...we...we think...the figures, we don't have them for '84, but we think...food and assistance will come in but it comes substantially above the one hundred thousand dollar figure, and in '83 the veterans' home was the lowest at a hundred and seventy some thousand. So, it's not aimed at any of these but, frankly, if we end up with twenty-eight of these things on the tax form, I suspect the effectiveness of all of those on the tax form will be diluted.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Further discussion? Senator Marovitz.

SENATOR MAROVITZ:

Well, let...let me just ask one question. I'm not arguing the merits of the thing 'cause I'm not even sure how I feel about it, but if...if we wind up with ten of them on and the eleventh doesn't reach a hundred thousand, what does it cost us to put the eleventh on?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Schaffer.

SENATOR SCHAPPER:

I think, frankly, the only way you could tell that would be at that point that you have to print an extra page on the tax form, and then I suspect it would be substantial. I would suggest to you, the implications for the...the ones that are left of having the small ones that are only taking in twenty-five or thirty thousand dollars a year probably is more negative towards those...those major things such as veterans' home and...and nongame checkoff. I think we want to avoid having six pages of checkoffs. If they can make a hundred thousand a year, fine. Now the hundred thousand dollar figure, there's nothing holy about that. If somebody's got a better criteria, I'm willing to go along with it, but that's the figure we started with.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right, further discussion? Senator Smith.

SENATOR SMITH:

Thank you, Mr. President and to members of the Senate. I did not want to put any type of a cap on this because I'm in sympathy with the work of the mentally handicapped, and the...the amendment came to me yesterday, this young lady who represented it to Schaffer, and then I went over and I talked...and I talked to some of my colleagues here. We...always monetary. We're not thinking about the cause. If people want to take monies of their own and give to these

causes, who are we, here in this legislative Body, to stop them? You're thinking in terms of yourself, but you're not thinking in terms of the cause. Now I'll go along with this amendment but I want you to know because I took the fiscal note; the fiscal note stated that...Senate Bill 1240 will have no net impact on the State revenue whatsoever and then...no, I'll go along with it, and that he's going to put a cap on it that if they don't raise monies of one hundred thousand dollars in one year, then...to eliminate that. But I'll go...no, I'll...I'll accept their amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

These were additional suggestions to make it work more sensibly. I had no problem with them and the detail of what we are doing will be explained further when the bill is called on 3rd reading. SENATOR GEO-KARIS:

Mr. President and Ladies and Gentlemen of the Senate, I have obtained the permission of the sponsor of Senate Bill 1050 to be added, myself, as an immediate cosponsor to same.

PRESIDENT:

All right, the lady seeks leave to be added as a cosponsor of 1050, Senate Bill 1050. Is leave granted? Leave is granted. Senator Nedza, for what purpose do you arise? Let me just indicate...we will handle these two resolutions; then there are committees scheduled which the chairmen, I'm sure, will announce their starting time. Tomorrow morning we will commence...there is a committee meeting at nine, so we will commence tomorrow at eleven-thirty and, hopefully, be in a position to conclude our business no later than two-thirty, and we will again be on the Order of 2nd Reading. As indicated, under the Agreed Bill process, when you return next Tuesday, there will be, I hope, an Agreed Bill List ready for your perusal and ultimate approval or disapproval. Senator Nedza, for what purpose do you arise?

SENATOR NEDZA:

Thank you, Mr. President. For a motion to discharge the Executive Committee from any consideration of...Senate Resolution 201 for its immediate consideration.

PRESIDENT:

All right, the gentleman seeks leave to discharge the Committee on Executive from further consideration of Senate Resolution 201 for its immediate consideration and adoption. All in favor of the motion to discharge indicate by saying Aye. All opposed. The Ayes have it. The motion carries. On the Order of Resolutions, Mr. Secretary, Senate Resolution

201. Yeah, Senator Resolution 2-0-1. Senator Nedza.

SENATOR NEDZA:

Thank you, Mr. President and Ladies and Gentlemen of the Senate. Senate Resolution 21 is the product of the Senate Transportation Committee's special hearing which was called to by the President of the Senate, Senator Rock; and at the time of the hearing, we took testimony with regards to the sale of Conrail to the Norfolk and Southern. The resolution in a fact...in effect is, "Resolve that the Illinois Senate respectfully urge the Congress of the United States to study the impact...the economic impact on each affected State before approving any disposition of Conrail into select...disposition...by which Conrail will remain an independent competitive...carrier." The testimony that we...we took garnered on...on the special hearing, the report and the resolution has been distributed throughout...to all the Senators, and without any further comments, I would move its adoption.

PRESIDENT:

Any discussion on Senate Resolution 201? Senator Hall, on 201?

SENATOR HALL:

No.

PRESIDENT:

Senator Vadalabene, on 201? Senator Marovitz, on...okay. Senator DeAngelis, on 201.

SENATOR DeANGELIS:

Thank you, Mr. President. A question of the sponsor.

PRESIDENT:

Sponsor indicates he'll yield. Senator DeAngelis.

SENATOR DeANGELIS:

Have you come up with any alternatives for the salvation of Conrail?

PRESIDENT:

Senator Nedza.

SENATOR NEDZA:

Senator DeAngelis, I wouldn't presume to...to know what the Congress is doing. All we're requesting is that Congress...because of the fact in the testimony it was bore out at our meeting there were not enough facts for even the purchasers or those who were not in favor of the purchasing to garner the facts. The Justice Department was handling it. There's just not enough facts available. The economic data was not available. If you would peruse...for your perusal go through the...the synopsis of the meeting, you'll find that that's what's being held true. All we're asking them to do is to evaluate it, find out how it's going to affect the State of Illinois and...and all the other states. We're concerned with the State of Illinois.

PRESIDENT:

Senator DeAngelis.

SENATOR DeANGELIS:

I basically would not be opposed to Conrail remaining independent. In fact, it runs through my district, but this resolution says we ought to kill the deal that is being made, but there's nothing that says there's another deal out there which then means that by killing this deal you might very well kill the railroad.

PRESIDENT:

Senator Nedza.

SENATOR NEDZA:

There's a great quantity of deals. There are...a series of entities that would like to purchase, notwithstanding a public stock offering. There's a...a whole bevy of opportunities but they seem to be predetermined to go into one area and that's the reason for the resolution.

PRESIDENT:

Senator Coffey.

SENATOR COFFEY:

Thank you, Mr. President and members of the Senate. I want to rise in support of this resolution that Senator Nedza has here today. I think after the hearings that we had in Chicago in regards to this buy out or purchase, we think it's in the best interest for...at least for the present time for the Congress to take another look, to make sure they know what they're doing before they make this move; and I think this resolution is a good one, and I think we ought to support it on this side of the aisle.

PRESIDENT:

All right, Senator Nedza has moved the adoption of Senate Resolution 201. Is there any further discussion? If not, all in favor of the adoption indicate by saying Aye. All opposed. The Ayes have it. The resolution is adopted. Further resolutions, Mr. Secretary?

SECRETARY:

Senate Resolution...Senate Joint Resolution 54 offered by Senators Philip and Rock.

PRESIDENT:

Senator Philip.

SENATOR PHILIP:

Thank you, Mr. President. I ask leave to discharge the Executive Committee and the immediate consideration of Senate Joint Resolution 54.

PRESIDENT:

All right, the motion is to suspend the rules for the immediate consideration and adoption of Senate Joint Resolution 54. All in favor of the motion to suspend indicate by saying Aye. All opposed. The Ayes have it. Motion carries. Now before the Body is Senate Joint Resolution 54. Senator Philip.

SENATOR PHILIP:

Thank you, Mr. President and Ladies and Gentlemen of the

Senate. This is the Senate joint resolution we pass every two years, and it basically exempts the Space Needs Commission in regards to the Public Meetings Act in regards to real estate. As you know, we're continually buying real estate and we're...this allows us to do that in private, not out in public. We've done it for the past five or six years. I'd be happy to answer any questions and I move its favorable consideration.

PRESIDENT:

Discussion on Senate Joint Resolution 54? Roll call will be required. It will require an extraordinary vote of the Senate. Question is the adoption of Senate Joint Resolution 54. Those in favor will vote Aye. Those opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 49 Ayes, no Nays, 1 voting Present. Senate Joint Resolution 54 having received the required constitutional majority is declared adopted. Resolutions, Mr. Secretary.

SECRETARY:

Senate Resolution 203 offered by Senator Carroll. It's congratulatory.
