PRESIDING OFFICER: (SENATOR DEMUZIO)

All right, just as a matter of an announcement, the schedule today, we will Recess at the hour of ten o'clock this morning, in about twenty minutes, and we will come back at one o'clock and take up whatever additional bills have been introduced, any other business that will be before us such as committee reports; and then, hopefully, we will go as far as we can and if necessary we will Recess again and then probably come back at the hour of five to complete whatever additional business that there might be before the Senate. So, I just wanted to call everyone's attention to that so you

have some idea as to what we are about today. Senator Hall, for what purpose do you arise?

SENATOR HALL:

Well, thank you, Mr. President. I have a bill in my committee, Senate Bill 345, Appropriation II, and...and we wanted to move it to...to Appropriation I but...but hold just a second.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Well, why don't...why don't we just...we...we...we can take care of that when we come back. I think we have sort of an agreement that we're only going to take care of introduction of bills and other things and...all right, introduction of bills.

PRESIDING OFFICER: (SENATOR DEMUZZIO)

Just a reminder that if the members have bills, this is the last day, and from time to time we will be taking periods of Recess and it would make a great deal of sense for those of you during the Recess period to continue to bring your bills to the Secretary's Office or down here in front so that we can get them numbered and it would help the process to flow a lot quicker and afford us an opportunity to get out of here at an early hour this afternoon. With that understanding, introduction of bills.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Well, that pretty well catches us up for the moment. It seems to me that we ought to stand at...in Recess till the hour of four-thirty. I will point out that, again, to the members who are within the sound of my voice that perhaps you ought to get your bills down here and prefiled so that we can start getting them read into the record early so that we might have an early departure and move with some dispatch. There has been a motion filed in writing, I think it has to be read into the record today. There will be no action taken on the...on the...on the motion. It does not necessarily have to be read into the record today...the motion has been filed with the Secretary and it's so...noted for the record. All right. With...with leave of the Body, the...the Senate will stand in Recess till the hour of four-thirty today.
