(Secretary reads title of bill)

2nd reading of the bill. The Committee on Judiciary offers one committee amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Barkhausen.

SENATOR BARKHAUSEN:

Mr. President and members, Senate Bill 2257 amends the Crime Victims' Compensation Act to include exploitation of a child and child pornography in the list of offenses for which victims would be eligible to recover. The committee amendment in question here removed what seemed to be the most controversial portion of the bill which was a requirement that the Attorney General's Office, which is required to administer the Act, must consult with the Department of Children and Family Services. Instead, the bill was changed to put the director of the department on the advisory committee for the administration of the compensation...Victims' Compensation Act. In addition, the...the most controversial portion was

eliminated which would have earmarked twenty-five percent of the proceeds of the fund for child victims and witnesses of these particular crimes. I...I believe the changes to the bill have eliminated all opposition and I would ask for adoption of the amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right, Senator Barkhausen has moved the adoption of Committee Amendment No. 1 to Senate Bill 2257. Is there discussion? If not, those in favor will indicate by saying Aye. Opposed Nay. The Ayes have it. Committee Amendment No. 1 is adopted. Further committee amendments?

2nd reading of the bill. The Committee on Judiciary offers one committee amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Barkhausen.

SENATOR BARKHAUSEN:

Mr. President and members, Senate Bill 2258 creates forfeiture provisions for property that...is used in...in committing the offense of keeping a place of juvenile prostitution. It was felt that the language of the original bill providing for this forfeiture was...was somewhat vague and didn't necessarily require a direct link between the crime

committed and the property used in commission of the offense. The language of the amendment...provides a...a tighter link or connection between the crime and the property used, and after the amendment was adopted, it was approved on the agreed bill list in committee. I would ask for the adoption of the amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Barkhausen has moved adoption of Committee Amendment No. 1 to Senate Bill 2258. Discussion? If not, those in favor will indicate by saying Aye. Opposed Nay. The Ayes have it. Committee Amendment No. 1 is adopted. Further committee amendments?

2nd reading of the bill. The Committee on Judiciary offers one committee amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right, Senator Netsch.

SENATOR NETSCH:

Thank you, Mr. President. The bill deals with those who may testify to post-traumatic stress syndrome...in particularly sexual assault cases. The bill had restored...or rather had eliminated a...some restrictive language that we think was...that was put in last year and really was not...did not fully cover the waterfront. The amendment simply makes it clear that any testimony by someone who is going to be testifying to post-traumatic stress syndrome would have to be qualified by the court as an expert. I would move the adoption of Committee Amendment No. 1 to Senate Bill 1789.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right, Senator Netsch has moved the adoption of Committee Amendment No. 1 to Senate Bill 1789. Discussion? (Machine cutoff)...not, those in favor will indicate by saying Aye. Opposed Nay. The Ayes have it. Committee Amendment No. 1 is adopted. Further committee amendments?

Senators Kustra and Philip offer Amendment No. 1.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Kustra.

SENATOR KUSTRA:

Thank you, Mr. President and members of the Senate. This is the amendment which deals with an agreement which we discussed in the Senate Education Committee. The bill is the bill which provides grants to schools around O'Hare for soundproofing. Problem is, where are you going to get the money to provide the grants. This particular amendment provides that each commercial airline passenger enplaning at O'Hare, Midway and Megs pays a dollar enplaning fee. All monies raised through this fee would be...disbursed through grants by the Illinois Department of Transportation's Division of Aeronautics for insulating school buildings and hospitals against noise. The grants would go to school districts and hospitals in affected areas near the above mentioned airports. I would call for...I ask for adoption of the amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

PRESIDING OFFICER: (SENATOR DEMUZIO)

Well, you know,...Senator, we...we...we weren't going to get into anything controversial today. Senator Davidson to respond.

SENATOR DAVIDSON:

She's such a charming, vivacious leader in the Senate, I've offered her a seat at the center table, first row next year and she told me she didn't want to participate, but if she's changed her mind since she chewed me out this morning before she left, when she got there and back on the Floor again and I've accepted it like a gentleman, you offer to sit at the first table, center row...or center table, first row next year. I'll take her eight dollars and fifty cents right now, cash in advance.

SENATOR POSHARD:

Yes, thank you, Mr. President and Ladies and Gentlemen of the Senate. Forgive me for the delay. This is the amendment which is agreed upon by the Department of Commerce and Community Affairs and the local labor management councils that exist throughout the state. These changes would allow the existing committees to continue to be assisted with state funding but would require them to be self-funded within five years. Without this particular legislation, the existing committees would be ineligible this year for any further assistance. I would move for passage of the amendment.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there discussion? If not, those in favor indicate by saying Aye. Those opposed. The Ayes have it. The motion carries. Amendment No. 1 is adopted. Further amendments?

Senator Geo-Karis, before there is objection, they want to know what the amendment is. Would you briefly state the amendment?

SENATOR GEO-KARIS:

The amendment simply says...it adds in Section 2, "This Act takes effect upon becoming law." That's all what the amendment...is that okay with you all? Thank you all.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Demuzio indicates that he's very well satisfied with that explanation and he will allow you to proceed. Hearing no objection, leave is granted. Madam Secretary.

SENATOR MAITLAND:

Thank you, Mr. President and members of the Senate. I ask leave of the Body to be shown as a hyphenated cosponsor on Senate Bill 1529. I have the permission of the sponsor. It was my understanding that he had made that request the other day but it does not show on the Calendar and I would appreciate that change being made.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there discussion? Hearing no objection, leave is granted. Senator Holmberg, for what purpose do you arise?

SENATOR HOLMBERG:

Thank you, Mr. President. With leave of the Body, I'd like to be added as hyphenated cosponsor on Senate Bill 1714.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there discussion? Hearing no objection, leave is granted. Senator Dudycz, for what purpose do you arise?
