Okay. If I might, Mr. President, have leave of the Body to be added as a cosponsor of HJR 88, House Joint Resolution 88.

PRESIDENT:

All right. The gentleman seeks leave to be added as a cosponsor on House Joint Resolution 88. Without objection, leave is granted. All right. If I can have the attention of the membership, we will begin on page 18 on the Calendar. There are motions in writing to accept the Governor's specific recommendations for change. The House has sent thirty-five of those bills to us. We will go through the motions on this Calendar and I have requested of the Secretary to issue a supplemental Calendar reflecting additional motions that have been filed, and we will attempt to conclude our business roughly around five o'clock. Tomorrow morning, Senator Lechowicz, I'm sure, will call our attention to a meeting of the Executive Appointments Committee and we will commence Session at...at eleven and proceed through the Calendar with respect to those motions that are a little more controversial

HB 474  
Amendatory Veto

than some of these. So we will take the order of business to accept specific recommendations for change, both on the main Calendar and on the supplemental Calendar, and with the conclusion of that, that should be right around five o'clock the way it looks. All right, if...page 18 on the Calendar. Madam Secretary, there's a motion in writing to accept the specific recommendations for change with respect to House Bill 474. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 474 in...manner and form as follows. Amendment to House Bill 474 in acceptance of Governor's recommendations. Filed by Senator Berman.

PRESIDENT:

Senator Berman.

SENATOR BERMAN:

Thank you, Mr. President. Senate...I'm sorry, House Bill 474 contained a number of items, I will not take you through all of them. The only change that was made dealt with the provision that would allow in minors' injury cases that the parents would not have to sue for their medical expenses until the Statute of Limitations ran on the minor's cause of action. The Governor amendatorily vetoed that provision, I liked the provision. I think it made sense 'cause it cuts down on the number of lawsuits, but the House decided to accept the amendatory veto. The other things are important. So I would move to accept the Governor's amendatory veto as to House Bill 474.

PRESIDENT:

Is there any discussion? Any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 474 in the manner and form just stated by Senator Berman. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all

voted who wish? Have all voted who wish? Have all voted who wish? Have all voted who wish? Senator Berman. Take the record. On that question, there are 56 Ayes, no Nays, 1 voting Present. The specific recommendations of the Governor as to...House Bill 474 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Marovitz on 548. Madam Secretary, there's a motion filed with respect to House Bill 548. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 548 in manner and form as follows. Amendment to House Bill 548 in acceptance of Governor's recommendations. Filed by Senator Marovitz.

PRESIDENT:

Senator Marovitz.

SENATOR MAROVITZ:

Thank you, very much, Mr. President and members of the Senate. I would move that the Senate accept the Governor's amendatory veto and specific recommendations for change. They were very slight in nature. The Governor made the awarding of at least one grant program under the Adolescent and Teen Suicide Prevention Program permissive rather than mandatory and changes the function of the Governor's Office of Voluntary Action by recognizing the purpose of the office and encouraging their participation in this legislation. The change allows the state to participate if resources are available. The House accepted the change 113 to nothing, and I would move that we do accept the Governor's specific recommendations for change.

PRESIDENT:

Any discussion? Is there any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 548 in the manner and

HB 736  
Spec. Recommendations  
of the Gov.

form just stated by Senator Marovitz. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Senator Topinka, the ship would not leave without you, believe me. Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 548 having received the required constitutional majority vote of Senators elected are declared accepted. 736. Madam Secretary, on the Order of Motions in Writing, there's a motion filed with respect to House Bill 736. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 736 in manner and...form as follows. Amendment to House Bill 736 in acceptance of Governor's recommendations. Filed by Senator Marovitz.

PRESIDENT:

Senator Marovitz.

SENATOR MAROVITZ:

Thank you, once again, Mr. President and members of the Senate. I would move that the Senate accept the Governor's amendatory veto and his specific recommendations for change. This was one of the AIDS bills. The Governor's amendatory veto maintained the major provisions of this bill which are to emphasize and provide mechanisms for education, prevention and training. The sections of the bill that were deleted were, in fact, in other bills that were signed by the Governor and are now law. The confidentiality provisions of the AIDS registry are improved and the House accepted these changes 113 to nothing. I would move that we do accept the Governor's specific recommendations for change.

PRESIDENT:

Is there any discussion? Any discussion? If not, the

HB 814  
Spec. Recommendations  
of the Gov.

question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 736 in the manner and form just stated by Senator Marovitz. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 736 having received the required constitutional majority vote of Senators elected are declared accepted. 814, Senator Dunn. Madam Secretary, on the Order of Motions in Writing, a motion with respect to House Bill 814. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 814 in manner and form as follows. Amendment to House Bill 814 in acceptance of Governor's recommendations. Filed by Senator Thomas Dunn.

PRESIDENT:

Senator Dunn.

SENATOR TOM DUNN:

Thank you, Mr. President. This deals with retaliatory discharge of the employees who seek to exercise their rights in insurance that the employer provided. The Governor wanted a couple of changes. One was to substitute any insurance for just group insurance and also the prohibition only applies when the claim is legitimate. I move to accept the specific recommendations of the Governor.

PRESIDENT:

Discussion? Senator Davidson.

SENATOR DAVIDSON:

One of the amendments...amendatory vetoes in...deal with the possibility of a conflict of interest in myself, and I wish to say that...state the conflict and say that I expect to support this bill, and it's a good bill, and I appreciate

HB 887  
Aye. Resumes  
of the Gov.

a Yes vote from everybody.

PRESIDENT:

Any discussion? Discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 814 in the manner and form just stated by Senator Dunn. Those in favor will vote Aye. Opposed vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 814 having received the required constitutional majority vote of Senators elected are declared accepted. 887. On the Order of Motions in Writing, Madam Secretary, there's a motion with respect to House Bill 8-8-7. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 887 in manner and form as follows. Amendment to House Bill 8-8-7 in acceptance of Governor's recommendations. Filed by Senator Savickas.

PRESIDENT:

Senator Savickas.

SENATOR SAVICKAS:

Yes, Mr. President and members of the Chamber, I move to accept the Governor's recommendation. Basically, it changes the transfer date of the institutes from 7-1-88 to 7-1-89 and it would allow for a more satisfactory pace for the negotiations, and I think they will be completed by 7-1-88 but they're not sure and this would make an orderly transfer. Both DMHDD and the U of I and the Illinois Mental Health Institutes and the Governor's Task Force on the Future of Mental Health in Illinois support the change of the date and the House accepted the amendatory veto by a hundred and thirteen votes. I would move its...acceptance.

PRESIDENT:

Any discussion? Any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 887 in the manner and form just stated by Senator Savickas. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 8-8-7 having received the required constitutional majority vote of Senators elected are declared accepted. 971. On the Order of Motions in Writing, Madam Secretary, there's a motion with respect to House Bill 971. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 971 in manner and form as follows. Amendment to House Bill 9-7-1 in acceptance of Governor's recommendations. Filed by Senator Savickas.

PRESIDENT:

Senator Savickas.

SENATOR SAVICKAS:

Yes, Mr. President and members of the Senate, the Governor's recommendation adds orders for compliance with an individualized educational plan and the provision of counseling or support services as two additional court actions applicable to chronic truants. Evidently, the Governor's rationale is that the judiciary must have a full range of options when dealing with chronic truants. The Illinois Association for Truancy Prevention supports the Governor's recommended changes. It does not interfere with the intent of the bill and the House accepted the amendatory veto by a hundred and eleven votes.

PRESIDENT:

Discussion? Senator DeAngelis.

SENATOR DeANGELIS:

Thank you, Mr. President. Question of the sponsor, please.

PRESIDENT:

Sponsor indicates he'll yield, Senator DeAngelis.

SENATOR DeANGELIS:

Senator Savickas, I know that this bill passed out of here, but is...is it your intention at some future date to include in this particular bill the county that has about ninety percent of the truants and that's Cook County.

PRESIDENT:

Senator Savickas.

SENATOR SAVICKAS:

Well, no, at this point, I haven't had any plans to...fine...if we can, that's fine...it's...it's a step. I haven't been requested at this point to...to do that, Senator. Maybe you and I could work together on it.

PRESIDENT:

Senator DeAngelis. Further discussion? Further discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 971 in the manner and form just stated by Senator Savickas. Those in favor will vote Aye. Opposed vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 971 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Smith. Madam Secretary, on the Order of Motions in Writing, there's a motion filed with respect to House Bill 1145. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 1145 in manner and form as follows. Amendment to House Bill 1145 in acceptance of Governor's recommendations. Filed by Senator Smith.

PRESIDENT:

Senator Smith.

SENATOR SMITH:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. House Bill 1145, the Governor recommended a technical change which gives the bill an effective date of 9-30-88. I move to accept the Governor's specific recommendations.

PRESIDENT:

Any discussion? Is there any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 1145 in the manner and form just stated by Senator Smith. Those in favor will vote Aye. Opposed vote Nay. The voting is open. All voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 58 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 1145 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Woodyard. Madam Secretary, there's a motion in writing with respect to House Bill 1187. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 1187 in manner and form as follows. Amendment to House Bill 1187 in acceptance of Governor's recommendations. Filed by Senator Woodyard.

PRESIDENT:

Senator Woodyard.

SENATOR WOODYARD:

Thank you, Mr. President and members of the Senate. I

would move to accept the Governor's specific recommendation for change on...on House Bill 1187. The...bill deals with the labeling of commodities and produce in grocery stores as Illinois grown products, and it was the opinion of the Governor that this language should be permissive rather than mandative, and I also concur with his feelings on that veto motion.

PRESIDENT:

Any discussion? Discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 1187 in the manner and form just stated by Senator Woodyard. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 1187 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Smith. Motion in writing, Madam Secretary, with respect to House Bill 1546. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 1546 in manner and form as follows. Amendment to House Bill 1546 in acceptance of Governor's recommendations. Filed by Senator Smith.

PRESIDENT:

Senator Smith.

SENATOR SMITH:

Thank you, Mr. President and Ladies and Gentlemen of the Senate. House Bill 1546, the Governor recommended thus. Requires the licensees to hold of a permit to post in an accessible place a complete and current set of licensing standards for all employees to review rather than distrib-

HB 2164  
motion

uting copies of the standard to each employee. And, secondly, he recommended that we clarify the section of the bill pertaining to documentation of the current review of licensing standards by all employees. The documentation shall be included in the records of the facility and subject to examination by authorized representatives of the DCFS. I recommend that...I move that we recommend the Governor's specific recommendations.

PRESIDENT:

Any discussion? Is there any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 1546 in the manner and form just stated by Senator Smith. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 1546 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Marovitz. Top of page 19, on the Order of Motions in Writing, Madam Secretary, there's a motion with respect to House Bill 2164. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill...2164 in manner and form as follows. Amendment to House Bill 2164 in acceptance of Governor's recommendations. Filed by Senator Marovitz.

PRESIDENT:

Senator Marovitz.

SENATOR MAROVITZ:

Thank you, very much, Mr. President and members of the Senate. I would move that the Senate do accept the Governor's specific recommendations for change. This bill

involves the compulsory retirement of firefighters and law enforcement officials and the change that the Governor made was to conform with the Federal Age, Discrimination and Employment Act which prohibits mandatory retirement in the public and private sector even if the employee has attained age seventy. The House has accepted these changes 111 to nothing, and I move that we do the same.

PRESIDENT:

Any discussion? Discussion? Senator Hudson.

SENATOR HUDSON:

Senator...would the Senator respond to a question?

PRESIDENT:

Indicates he'll yield, Senator Hudson.

SENATOR HUDSON:

Senator Marovitz, does this include judges?

PRESIDENT:

Senator Marovitz.

SENATOR MAROVITZ:

No, it does not.

PRESIDENT:

Further discussion? Any further discussion? Senator Kelly.

SENATOR KELLY:

Yes, thank you, Mr. President. I just have a short question or two to ask Senator Marovitz.

PRESIDENT:

Indicates he'll yield, Senator Kelly.

SENATOR KELLY:

Senator Marovitz, what is the...what age would the retirement be under this bill?

PRESIDENT:

Senator Marovitz.

SENATOR MAROVITZ:

This would permit...officers and firefighters who

HB 2378  
Motion

have...have attained age sixty-three or less to be retired.

PRESIDENT:

Senator Kelly.

SENATOR KELLY:

This is compulsory that they have to retire at age sixty-three?

PRESIDENT:

Senator Marovitz.

SENATOR MAROVITZ:

This would permit those laws to be passed. It would permit compulsory retirement if...if that was...was deemed the way they wanted to go. This is what the firefighters want and what the police officers want. This is their bill.

PRESIDENT:

Further discussion? Any further discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 2164 in the manner and form just stated by Senator Marovitz. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 57 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 2164 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Woodyard, 2378, top of page 19. Motion in writing with respect, Madam Secretary, to House Bill 2378. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 2378 in manner and form as follows. Amendment to House Bill 2378 in acceptance of Governor's recommendations. Filed by Senator Woodyard.

PRESIDENT:

Senator Woodyard.

SENATOR WOODYARD:

Thank you, Mr. President and members of the Senate. This...bill deals with...it's an administration bill in the Department of Agriculture dealing with grain warehouseers and warehouses. And the amendatory veto was simply a technical cleanup of the bill, and I would move for acceptance of the Governor's recommendation for change.

PRESIDENT:

Discussion? Any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 2378 in the manner and form just stated by Senator Woodyard. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 2378 having received the required constitutional majority vote of Senators elected are declared accepted. All right. If I can have your attention, with leave of the Body, we'll move to the same order of business on the supplemental Calendar. A supplemental Calendar has been distributed. We'll move to the same order, motions in writing to accept specific recommendations for change. It's at the bottom of Supplemental Calendar No. 1. All right. Supplemental Calendar No. 1, Madam Secretary, at the bottom. On the Order of Motions in Writing, there's a motion with respect to House Bill 378. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 378 in manner and form as follows. Amendment to House Bill 3-7-8 in acceptance of Governor's recommendations. Filed by Senator Brookins.

PRESIDENT:

Senator Brookins.

*HB 748  
Ayes, Recommendations  
of the Gov.*

SENATOR BROOKINS:

Thank you, Mr. President. This is merely a technical veto...amendatory veto and I move to accept. It merely puts the words "first degree" before the word "murder" and does not change any of the substance.

PRESIDENT:

Is there any discussion? Any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 378 in the manner and form just stated by Senator Brookins. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 378 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Jacobs. Madam Secretary, on the Order of Motions in Writing, there's a motion with respect to House Bill 748. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 748 in manner and form as follows...amendment to House Bill 7-4-8 in acceptance of Governor's recommendations. Filed by Senator Jacobs.

PRESIDENT:

Senator Jacobs.

SENATOR JACOBS:

Thank you, Mr. President. I would move to accept the Governor's amendatory veto and his specific recommendations which do nothing more than...than to change the date from 1-1-88 to 1-1-89 to make for a smoother transition and would ask for support of that acceptance.

PRESIDENT:

Any discussion? Any discussion? If not, the question

is, shall the Senate accept the specific recommendations of the Governor as to House Bill 748 in the manner and form just stated by Senator Jacobs. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 58 Ayes, 1 Nay, none voting Present. The specific recommendations of the Governor as to House Bill 7-4-8 having received the required constitutional majority vote of Senators elected are declared accepted. Top of page 2 on the Supplemental Calendar. Senator Netsch on 1168. Motion in writing, Madam Secretary, with respect to House Bill 1168. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 1168 in manner and form as follows. Amendment to House Bill 1168 in acceptance of Governor's recommendations. Filed by Senator Netsch.

PRESIDENT:

Senator Netsch.

SENATOR NETSCH:

Thank you, Mr. President...House Bill 1168 did two things; one, was it permitted the Department of Revenue to incorporate by reference certain Federal rules without having to identify them by date and name. The Governor's amendatory veto has deleted that provision because a comparable one was included in Senate Bill 1230 which the Governor has already signed. So that is essentially nonessential at the moment. A second thing that it did was to provide for the jobs tax credit, and what we had done in the bill was to authorize it to begin the year after the employment takes place for, obviously, administrative purposes. The Governor's amendatory veto, in effect, moves that back still one further year by providing that the effective date for that provision will be for tax years ending after December 31, 1988. I'm not sure

that Revenue needed all that time but I understand that they do like to have ample opportunity to accommodate to such changes in tax law, and I would therefore move that we accept the Governor's recommended changes.

PRESIDENT:

Is there any discussion? Discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 1168 in the manner and form just stated by Senator Netsch. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 1168 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Joyce. Madam Secretary, there's a motion filed with respect to House Bill 932. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 932 in manner and form as follows. Amendment to House Bill 9-3-2 in acceptance of Governor's recommendations. Filed by Jerome Joyce.

PRESIDENT:

Senator Joyce.

SENATOR JEROME JOYCE:

Thank you, Mr. President. This was a land conveyance bill. It had several transfers in it. This deletes three conveyances. These transfers existed in duplicative form in other bills and did not need to be included in 932, and I would ask for the...or I would move to accept the specific recommendations for change.

PRESIDENT:

Discussion? Any discussion? If not, the question is,

shall the Senate accept the specific recommendations of the Governor as to House Bill 932 in the manner and form just stated by Senator Joyce. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 1174 in manner and form as follows. Amendment to House Bill 1174 in acceptance of Governor's recommendations. Filed by Senator Luft.

PRESIDENT:

Senator Luft.

SENATOR LUFT:

Thank you, Mr. President. There were two provisions that the Governor recommended. One changed the effective date from 1991 to 1987...or an...an immediate effective date and, number two, it restored the requirement that names of owners of tax delinquent property be published by the county treasurer.

PRESIDENT:

Discussion? Any discussion? If not, the question is, shall the Senate accept the...I beg your pardon. If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 1174 in the manner and form just stated by Senator Luft. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who

wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 1174 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Welch, yes. Madam Secretary, on the Order of Motions in Writing, there's a motion filed with respect to House Bill 1300. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 1300 in manner and form as follows. Amendment to House Bill 1300 in acceptance of Governor's recommendations. Filed by Senator Welch.

PRESIDENT:

Senator Welch.

SENATOR WELCH:

Thank you, Mr. President. The bill that we passed allowed for a fee to the sheriff of fifty dollars for the sale of any property under ten thousand dollars at a sheriff's sale. The Governor raised it from fifty dollars to a hundred and fifty so that the local sheriffs could recover their costs and we have moved to accept those specific recommendations.

PRESIDENT:

Discussion? Any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 1300 in the manner and form just stated by Senator Welch. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 1300 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Jacobs. Motion in writing, Madam

Secretary, with respect to House Bill 1355. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 1355 in manner and form as follows. Amendment to House Bill 1355 in acceptance of Governor's recommendations. Filed by Senator Jacobs.

PRESIDENT:

Senator Jacobs.

SENATOR JACOBS:

Thank you, Mr. President. I move to accept the Governor's recommendations and the...specific recommendations. Basically all that the Governor has done with this is to delete the creation of the SBE grant program which now leaves the program intact but doesn't fund it, and I would concur with that recommendation and ask a favorable...vote.

PRESIDENT:

Discussion? Any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 1355 in the manner and form just stated by Senator Jacobs. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. The specific recommendations of the Governor as to House Bill 1355 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Luft. Madam Secretary, on the Order of Motions in Writing, there's a motion filed with respect to House Bill 1433. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 1433 in manner and form as follows. Amendment to House Bill 1433 in acceptance of Governor's

recommendations. Filed by Senator Luft.

PRESIDENT:

Senator Luft.

SENATOR LUFT:

Thank you, Mr. President. I would move that we accept the specific recommendations of the Governor to House Bill 1433. The recommendations are as follows. It gives the Governor the power to remove any member of the License and Disciplinary Board for cause instead of requiring a recommendation of the board in public hearing, that board being the Nursing Home Administrator's License and Disciplinary Board. It allows the Department of Alcoholism and Substance Abuse or the Department of State Police to cooperate in investigations conducted by the board instead of requiring them to supply all information in their possession; changes from one to three years the period in which an applicant must pass the licensure examination before having the application denied; reduces the fee from fifty dollars to twenty dollars, removes the requirement that R & E established by rule standards for determining what constitutes for the purpose of suspension or revocation of license, the disability, physical illness and habitual use of or addicted to alcohol or drugs. I would renew my motion to accept the specific recommendations of the Governor.

PRESIDENT:

Discussion? Is there any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 1433 in the manner and form just stated by Senator Luft. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 1433 having received the

required constitutional majority vote of Senators elected are declared accepted. Senator Carroll. On the Order of Motions in Writing, Madam Secretary, there's a motion with respect to House Bill 1469. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 1469 in manner and form as follows. Amendment to House Bill 1469...in acceptance of Governor's recommendations. Filed by Senator Carroll.

PRESIDENT:

Senator Carroll.

SENATOR CARROLL:

Thank you, Mr. President and Ladies and Gentlemen of the Senate. May I move that we do accept the Governor's recommendation for change. This is in the area of family preservation services. The Governor, at the request of the department, asked for a little more discretion because a strict interpretation would have said that they...that the department would have had to have provided certain services to families whether there was a need or not. We agree with his language change and would ask for an acceptance of the Governor's amendatory veto on House Bill 1469.

PRESIDENT:

All right. Senator Carroll has moved acceptance. Discussion? Senator Fawell.

SENATOR FAWELL:

Thank you, very much. Will the sponsor yield for a question?

PRESIDENT:

Senator Fawell, Senator Carroll indicates he will yield.

SENATOR FAWELL:

Senator, do you have any idea how much this is going to cost?

PRESIDENT:

Senator Carroll.

SENATOR CARROLL:

No, I don't, not whatsoever. It was my understanding that the amendatory veto was though not aimed at cost would have, in fact, lessened the cost.

PRESIDENT:

Senator Fawell.

SENATOR FAWELL:

Don't...you don't have any...any ball park figure at all on...on...on what we're talking about?

PRESIDENT:

Senator Carroll.

SENATOR CARROLL:

Senator Fawell, at this point, no. I mean, I can get one for you. I hadn't brought down the full file or...or looked at that issue for the amendatory veto process but we will get you a number.

PRESIDENT:

Further discussion? Further discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 1469 in the manner and form just stated by Senator Carroll. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The Senate...the specific recommendations of the Governor as to House Bill 1469 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Friedland. On the Order of Motions in Writing, Madam Secretary, there's a motion filed with respect to House Bill 1484. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the

Governor as to House Bill...1484 in manner and form as follows. Amendment to House Bill 1434 in acceptance of Governor's recommendations. Filed by Senator Friedland.

PRESIDENT:

Senator Friedland.

SENATOR FRIEDLAND:

Thank you, Mr. President and Ladies and Gentlemen of the Senate. I move to accept the Governor's recommendation. This merely streamlines the reporting procedures for child abuse cases and I'd urge that we adopt this motion.

PRESIDENT:

Discussion? Any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 1484 in the manner and form just stated by Senator Friedland. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 1484 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Hawkinson. On the Order of Motions in Writing, Madam Secretary, there's a motion in writing with respect to House Bill 1509. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 1509 in manner and form as follows. Amendment to House Bill 1509 in acceptance of Governor's recommendations. Filed by Senator Hawkinson.

PRESIDENT:

Senator Hawkinson.

SENATOR HAWKINSON:

Thank you, Mr. President. House Bill 1509 was originally

HB 2043  
Vote Action

intended to apply to very small sanitary districts which wish to voluntarily dissolve themselves. As written and passed originally, it had far broader application than was intended by the sponsors. The Governor has accepted language suggested by the Sanitary District Association which removes the referendum provision and provides that it applies only to those sanitary districts with a population smaller than fifteen hundred persons, that the board of trustees would petition the circuit court to dissolve and provides assurance that any debts of the sanitary district would be made up, and requires that an intergovernmental agreement with a successor municipality be in place, and I would move to accept the specific recommendations of the Governor as to House Bill 1509.

PRESIDENT:

Discussion? Any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 1509 in the manner and form just stated by Senator Hawkinson. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 1509 having received the required constitutional majority vote of Senators elected are declared accepted. Senator Watson. On the Order of Motions in Writing, Madam Secretary, is House Bill...motion in writing with respect to House Bill 2043. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 2043 in manner and form as follows. An acceptance of Governor's recommendations. Filed by Senator Watson.

PRESIDENT:

HB 2044  
Spec. Recomm.  
of the Gov.

Senator Watson.

SENATOR WATSON:

Thank you, Mr. President. House Bill 2043 required the Department of Public Health to establish a registry for all Illinois sperm and tissue banks and the amendatory veto made only minor and clarifying changes. It makes an exception for organ transplants involving life or death situation; also makes it a Class 4 felony to use donated tissue or semen that has been tested positive for AIDS and it clarifies that human tissue does not include blood or...or blood components. Appreciate your support.

PRESIDENT:

Discussion? Any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 2043 in the manner and form just stated by Senator Watson. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. The specific recommendations of the Governor as to House Bill 2043 having received the required constitutional majority vote of Senators elected are declared accepted. 2044. Madam Secretary, there's a motion in writing filed with respect to House Bill 2044. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 2044 in manner and form as follows. Amendment to House Bill 2044 in acceptance of Governor's recommendations. Filed by Senator Watson.

PRESIDENT:

Senator Watson.

SENATOR WATSON:

Thank you, Mr. President. House Bill 2044 was a piece of

legislation that addressed the AIDS problem that we have in our state. It involved about six different issues. The Governor's action completely deleted the Blood Trust Program of which was in another bill, Senate Bill 972. The notification of school district language was changed and his change...changed that notification procedure. The Department of Public Health now will notify the principal of the school in which the child is enrolled, the principal then may, if he chooses, reveal the identity of that student to the school nurse and a nurse...and the student's teacher. The principal may also inform other officials of the presence of a student but cannot reveal the identity of the child. The Governor removed all the language concerning the health care worker provisions and that's the provision which said that the health care worker must notify his employer if he has AIDS; all that was eliminated. There was only a change in the marriage license procedure, an effective date of January 1st, 1988, and this was to give county clerks adequate start-up time. I would appreciate your support.

PRESIDENT:

Discussion? Any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 2044 in the manner and form just stated by Senator Watson. Those in favor will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 58 Ayes, 1 Nay, none voting Present. Madam Secretary, there's a motion filed with respect to House Bill 2209. Read the motion, please.

SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 2209 in manner and form as follows. Amendment to House Bill 2209 in acceptance of Governor's recommendations. Filed by Senator Watson.

PRESIDENT:

Senator Watson.

SENATOR WATSON:

Yes, thank you, Mr. President. House Bill 2209 amends the Vehicle Code. This was clean-up legislation which was offered by a number of the divisions of the Secretary of State's Office. The Governor wished to alter the description of a person who does not have a driver's license because of alcohol or drug dependency. I know of no objection and appreciate your support.

PRESIDENT:

Any discussion? Is there any discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 2209 in the manner and form just stated by Senator Watson. Those in favor will vote Aye. I move to accept the specific recommendations of the Governor as to House Bill 2304 in manner and form as follows. Amendment to House Bill 2304 in acceptance of Governor's recommendations. Filed by Senator Holmberg.

PRESIDENT:

HB 2322  
Ayes. Recommendations.  
of the Gov.

Senator Holmberg.

SENATOR HOLMBERG:

Thank you, Mr. President. House Bill 2304 establishes lifetime hunting, fishing and combines sportsmen's licenses and creates the Fish and Wildlife Endowment Fund into which the license fees are deposited to be used for DOC fish and wildlife purposes. The Governor merely clarified that interest accrues to the Endowment Fund and that the Department of Conservation can spend that interest, and I would accept the Governor's changes.

PRESIDENT:

Any discussion? Discussion? If not, the question is, shall the Senate accept the specific recommendations of the Governor as to House Bill 2304 in the manner and form just stated by Senator Holmberg. PRESIDENT:

Senator Jacobs.

SENATOR JACOBS:

Thank you, Mr. President. I move to accept the amendatory recommendations and to agree with the specific recommendations. The...this amendatory veto removes the provision of the Quad-City Regional Economic Development Authority, removes from that the provision pertaining to civic centers which is what we requested. I would appreciate an Aye vote.

PRESIDENT:

Senator Philip.

SENATOR PHILIP:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. House Bill 2532 as it passed the Senate allowed counties under one million to use motor fuel tax for the purpose of bonds for highway, road and bridge construction and maintenance. There was a problem, this is a...a Chapman and Cutler amendment and what it specifically says is that money is subject to the county board's appropriation process. Be happy to ask any questions.

PRESIDENT:

Senator DeAngelis.

SENATOR DeANGELIS:

Thank you, Mr. President. House Bill 2808 made numerous changes in the Department of Mental Health and DD Code. SECRETARY:

I move to accept the specific recommendations of the Governor as to House Bill 2842 in manner and form as follows. Amendment to House Bill 2842 in acceptance of Governor's recommendations. Filed by Senator Schaffer.

PRESIDENT:

Senator Schaffer.

SENATOR SCHAFFER:

Mr. President, House Bill 2842 would...would require the Department of Mental Health and Developmental Disabilities to create a family support subsidy program to provide assistance to those families that choose to care at home for severely and profoundly retarded persons. The Governor's amendatory veto simply makes the language permissive. Obviously, we're not in a time of excess state funds and the Governor did not want a mandatory program, but this still allows the program to be in place and allows the department to implement it as funds become available.

PRESIDENT:

PRESIDENT:

Consent Calendar. Ladies and gentlemen, if I can have your attention, Senator Philip and I earlier agreed that we would handle the motions to accept the specific recommendations on the basis they were probably, as it turned out they were noncontroversial. What remains are the motions to override and the motions to restore and I think we are better advised to handle those tomorrow. So we will begin on the Calendar at eleven o'clock tomorrow with those as the first order of business. Senator Lechowicz, announcements? Senator Lechowicz.

SENATOR LECHOWICZ:

Yeah, Madam Secretary, how about that resolution of Senator Keats'? Senate Resolution...well, we'll have to have the Secretary get it, you should have alerted them. We'll do it first thing tomorrow, it's not a problem. Senator Netsch, for what purpose do you arise?

SENATOR NETSCH:

Thank you. Just an announcement, Mr. President. The Illinois Economic and Fiscal Commission will meet at 8:00 a.m. in Room 400 to discuss the...and hear the pension funding projections and review the legislative capital plan analysis. 8:00 a.m. Thank you.
