STATE OF ILLINOIS  
86th GENERAL ASSEMBLY  
REGULAR SESSION  
SENATE TRANSCRIPT

27th Legislative Day

May 11, 1989

The rules changes require that subject matter of any conference committee report to be limited to the matters of difference between the Chambers, unless otherwise ordered by the Rules Committee. That is language that was suggested by the other side that was taken verbatim, and changed in Rule 43 part A, if my memory serves me correct. Also, a rules change would require that all conference committee reports will sit one full legislative day on a Member's desk before consideration, and would require a conference committee report to have the requisite number of signatures which would, in this particular instance, by rule would be six of the conferees. Another provision is that the Appropriations Conference Committee Reports shall be considered by the applicable Appropriations Committee before consideration by the entire Body, and there will be a hearing held in a hearing room with notice to the public and to Members of the Senate. Also, we have, for the edification of the Members, put into rule also that the applicable Appropriations Committee will act -- shall act on any bill at the request of the sponsor of such a bill. And that the Rules Committee makeup would be changed from eight in the majority and six in the minority. That is basically what the rules changes are. Again, the description is in front of you, and I would move this motion, Mr. Chairman -- Mr. President.

PRESIDENT ROCK:

All right. Is there any discussion? All right. Senator Demuzio has moved to amend Senate Rules 7 and 43 as indicated in the language attached. Those in favor of that motion will vote Aye. Opposed will vote Nay, and the voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 57 Ayes, no Nays, none voting Present. And the motion prevails. Senator Demuzio.

SENATOR DEMUZIO:

I have also filed a motion with respect to amending our current rules, extending the final date for reporting to the Senate the Appropriations bills from May the 11th to May 16th, and I would move that this Amendment Rule 5C would take immediately upon its adoption and I would make that motion, Mr. -- Mr. President.

PRESIDENT ROCK:

All right. Senator Demuzio has moved that Rule 5C be amended to extend the deadline for the Appropriations Committee. Those in favor of that motion will vote Aye. Opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 56 Ayes, no Nays, 1 voting Present, and the motion carries. Senator Demuzio.

SENATOR DEMUZIO:

The third motion that I have filed, I move that all bills currently on the Secretary's Desk be taken from the Secretary's Desk and be placed on the Order of 2nd Reading. I would move that this motion would take -- take effect immediately upon its adoption, and I would so move, Mr. President.

PRESIDENT ROCK:

All right. You've heard the motion. Is there any discussion? If not, all in favor will vote Aye. Opposed will vote Nay, and the voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 54 Ayes, no Nays, none voting Present. The motion carries, and it is so ordered.
