PRESIDENT ROCK:

Ladies and Gentlemen, as I'm sure you're aware, the Appropriations Committee is, again, scheduled to meet at five o'clock, or thereabouts, to -- in an attempt to move along in the process. So the plan, as discussed with Senator Philip and myself - we will be on House Bills 2nd Reading for the balance of today. We will go through - starting on House Bill 2 - and carry on as far as we can get. There are seven hundred House bills on the Calendar, Ladies and Gentlemen. So I would hope that the Members would make every effort to move these bills with dispatch. My judgment is -- of the seven hundred, how many good ones, the question is. That's an inquiry of the Chair that the Chair refuses to answer. I don't want to get in trouble this early. But my guess is approximately half could be subject to an Agreed Bill List if we move them along. So I would ask the Members to lend your best effort, and let's try to move these. And then

PRESIDENT ROCK:

Senator Netsch, on Committee Amendment No. 1.

SENATOR NETSCH:

Thank -- thank you, Mr. President. House Bill 40 is the -- is the House version of the sales tax reform cleanup. The amendment that we offered in committee, really, is more of a corrective amendment. It makes clear that - in the photo processing section - that platemaking is not included within that tax base. It is identical to what we had in our bill, as we passed it out of the Senate. And I think it also confirms the Department of Revenue's interpretation of the language. I would move the adoption of Amendment No. 1.

Senator Philip, on Amendment No. 1.

SENATOR PHILIP:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. Senate Amendment No. 1 to House Bill 547 would say if you're going to allow people to shoot deer with handguns, it would be after the normal deer hunting season. Move the adoption of Amendment No. 1.

PRESIDENT ROCK:

All right. Senator Philip has moved the adoption of Amendment No. 1 to House Bill 547. Discussion? Senator O'Daniel.

SENATOR O'DANIEL:

...thank you Mr. President and members of the Senate. I rise in opposition to this amendment. When he moves the hunting season for handguns to January, this gets into very adverse weather, and it might be...the hunters wouldn't have as steady aim. It could be more dangerous. Another thing, I'm not so sure that this doesn't move into the...maybe the mating season more of the deer, and I don't think they ought to be disturbed then. I think this ought to be the...the same...same year that the...before the other

hunting season, and I don't see where there could be any problem. It's a separate season... It isn't allowed during the regular shotgun muzzle loader. Right. I'd oppose the amendment.

PRESIDENT ROCK:

Further discussion? Senator Lechowicz.

SENATOR LECHOWICZ:

Well, I believe... Will the sponsor yield to a question?

PRESIDENT ROCK:

All right. Ladies and Gentlemen, if we can have your attention, I'd ask the staff to take the conferences off the Floor. Under consideration is Amendment No. 1. Senator Philip indicates he will yield, Senator Lechowicz.

Senator Philip, do I read your amendment correctly, that it is...require a five-day hunting period for handguns for deer in this State between the period of January 1st through the 15th, set by the Director?

PRESIDENT ROCK:

Senator Philip.

That is absolutely correct.

PRESIDENT ROCK:

...You're welcome.

PRESIDENT ROCK:

Senator Philip has moved the adoption of Amendment No. 1 to House Bill 547. Senator Philip, you wish to close?

SENATOR PHILIP:

Yes, and I'm sorry, Mr. President, Ladies and Gentlemen of the Senate. And I would say this that...I think Senator Davidson and myself are the only two deer hunters on this side of the aisle. And quite frankly, I'm...I'm not sure that I agree we ought to be letting people shoot deer with handguns. I know they do it in a lot of other states. I think it happens to be a dangerous thing to do. But if you're going to do it, you should do it after the normal deer hunting season, not before. So all this does is...is...is direct the Department to do it after the normal deer hunting season.

All right. Senator Jacobs has moved the adoption of Amendment No. 1 to House Bill 565 <sic>. Discussion? Senator Hudson.

SENATOR HUDSON:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. I rise in opposition to the amendment, as presented here, to House Bill 568. House Bill 568 was heard in our Labor and Commerce Committee. It had quite a bit of discussion. Some of us considered it of dubious quality at that time. But now, what has happened is - and Senator Jacobs has been very frank about it - two other House bills, which failed to get out of committee - were of such quality that they failed to get out of committee - have apparently been, or would be, amended onto this bill, and in my opinion and that of some others, it takes a questionable -- makes a questionable bill, House Bill 568, unquestionably bad. And I hope that my colleagues, at least on this side of the aisle, will hear what I am saying. Local governments -- what the amendments do, Ladies and Gentlemen, the bill requires that the prevailing wage be paid on all projects financed in whole or part with bonds issued under the -- municipal -- under the - were bonds issued under Division 74 of the Municipal Code. More to the point, local governments here - this would affect local governments. DCCA is opposed to it, because local governments are already required to pay prevailing wages when they contract for public works, regardless of the funding source - bonds, IDFA Funds, or Build Illinois Funds. This bill is apparently designed to expand the prevailing wage cover to all Illinois projects, including projects involving loans to business. If this bill were to become law, then the cost of Build Illinois projects involving construction will be increased as much as thirty percent, and severely hinder the -- our economic development projects, or efforts. What is more, the other bill attached to this, in amendment form, removes the provision that limits an employer's liability to an employee

86th GENERAL ASSEMBLY  
REGULAR SESSION

for punitive damages, for underpayments under the Minimum Wage Law, to the total amount of the underpayment. That's the way it is now. And provides that the Department of Labor may make a wage claim assignment under the Minimum Wage Law in trust for an employee, and bring any action necessary to collect the claim. Now, I will repeat Ladies and Gentlemen, with these two bills that failed in committee added on to this bill, it makes this bill a bad bill. And I would urge Members on both sides of the aisle to consider these provisions and what is being done here carefully before you vote for this amendment. And I would -- I would ask at the proper time for a roll call on the -- on this particular amendment.

PRESIDENT ROCK:

All right. Senator Jacobs has moved the adoption of Amendment No. 1 to House Bill 568. Is there further discussion? If not, Senator Jacobs, you wish to close?

SENATOR JACOBS:

Thank you, Mr. President. First of all, in answer to Senator Hudson. Yeah, we -- we have put two bills on there. All we're really trying to do with these amendments is to put the language where it belongs, and that is in the prevailing wage Act. In reference to the loans and et cetera, if you refer to the Act which says "public body means a State or any officer, board or commission of State or any political subdivision, or any institution supported in whole or part by public funds authorized by law to construct public works or to enter into any contract for the construction," all we're talking about is construction in this case. As far as -- as -- as DCCA and Build Illinois is concerned, I see no reason for them to get excited, 'cause they're already covered under the current law, and should be paying prevailing wage. All we're doing here is saying, "Let's take it out of one section and put it in the section where it belongs -- prevailing

Senator Hudson, on Amendment No. 2.

SENATOR HUDSON:

Ladies -- Mr. President, Ladies and Gentlemen of the Senate. Amendment No. 2 simply takes care of a problem that was discussed at great length in the Labor and Commerce Committee the other day. There was some agreement in our business community, but this takes care of the concerns that the Association of Illinois Employers had, and it reestablishes hearing provisions under the provisions of this Act. And I would urge a -- I would urge adoption of -- of the amendment.

PRESIDENT ROCK:

All right. Senator Hudson has moved the adoption of Amendment No. 2 to House Bill 568. Discussion? Senator Jacobs.

SENATOR JACOBS:

Yes. I would like an opinion as to whether this amendment tracks the other amendment.

PRESIDENT ROCK:

All right. Senator Jacobs, it is the opinion of the Chair that the amendment does track. On Amendment No. 2. Discussion? Senator Jacobs.

SENATOR JACOBS:

Thank you. If it does track, in fact, I just might point out that in our -- in our amendment that was just passed, that this language is addressed. The hearing process is addressed, and I think to put a second amendment on it is just going to muddy it up. It becomes a repeat of what we've already done. And I ask for a roll call vote against the amendment.

PRESIDENT ROCK:

All right. Senator Hudson has moved the adoption of Amendment No. 2 to House Bill 568. Roll call has been requested. Those in favor of the amendment will vote Aye. Opposed will vote Nay. And the voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 28 voting Aye, 31 voting No, none voting Present. The amendment fails. Are there further amendments?

ACTING SECRETARY: (MR. HARRY)

PRESIDENT ROCK:

3rd Reading. ...(machine cutoff)... All right. Ladies and Gentlemen, if I can have your attention. I'd ask the Members to please be seated and I'd ask the staff to forego any further - at least momentarily - any further discussion on Legislative matters. We are honored today by the presence of the Ambassador from France to the United States of America. The honorable Emmanuel de Margerie. He has been the French Ambassador to Washington for four and a half years, and previously, I am told, was posted in London. He has visited across the rotunda with our colleagues in the House and has taken time out of what I know is a busy schedule to meet and greet us in the Senate. Ladies and Gentlemen, please welcome the Ambassador from France to the United States of America, Mr. Emmanuel de Margerie.

Amendment No. 1 offered by Senator Watson.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Watson.

SENATOR WATSON:

Yes. Thank you, Mr. President. This particular piece of legislation is identified as legislation which will effect only St. Clair County. It's primarily for the expansion of Scott Air Force Base, and to attempt to make it a dual-purpose airport. I'm in support of the dual-purpose airport, but this provision that we have before us now would take the limitations off of any bonded indebtedness for that particular county. What my amendment does, is put some restrictions back on there, and simply says that the bonded indebtedness limitations would go from approximately sixty million dollars to seventy-five million. So this particular

STATE OF ILLINOIS  
86th GENERAL ASSEMBLY  
REGULAR SESSION  
SENATE TRANSCRIPT

45th Legislative Day

amendment would put that limitation at seventy-five million dollars, versus the current figure of roughly sixty million.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Is there discussion? Senator Hall.

SENATOR HALL:

Well, I want to ask the sponsor -- I'm a cosponsor on this. I had no knowledge that you were going to put an amendment on this. Senator Dunn, are you accepting this amendment?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Dunn.

SENATOR R. DUNN:

Thank -- thank you, Mr. President. We heard this bills in committee, and at that time, why, there was some discussion about it. But in order to build the Scott Air Base, and have joint-use facility, Chapman and Cutler - I understand - the bonding people, had suggested that - that limit be eliminated, so that they could adequately fund this. And I -- I would like to reject the amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Hall.

SENATOR HALL:

Well. That -- I rise in opposition to the amendment, simply because, of course, I realize this is in Senator Watson's district. And what we're attempting to do, as he says, that we're going to get joint-use of Scott Air Base. Now, I realize that there's a difference of opinion on -- on this thing. But if we're ever going to realize an airport on this side of the river - St. Louis is landlocked - it can't go anywhere. We definitely need a downstate airport. So it's -- it's not the best thing in the world, but I think that the people in the area, and the county, and all those things are this -- it's -- so I have to support Senator Ralph Dunn on this, in opposition to his amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

There further discussion? Senator Watson may close.

SENATOR WATSON:

Well, thank you, Mr. President, and it is unusual that the delegation from southwestern Illinois is divided. Generally we -- we fight for our particular area of the State, and I will fight with them for the airport. But I do think what the legislation would do is unreasonable, and that's to take off the bonding indebtedness limitation. No other county, from what I understand, has that authority currently in this State. Now all I'm trying to do is simply say that, "Okay, if you have to increase your bonding indebtedness, let's make it reasonable. Let's make it something that will, hopefully, protect the taxpayers of St. Clair County from a situation in which they may have to pay for an airport that maybe, really, they don't necessarily want." But I support the airport, and I -- I'm not trying to -- to do anything but protect the taxpayers of that particular county. And I certainly would appreciate the support of the Membership on this amendment. Thank you.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Watson has moved the adoption of Amendment No. 1 to House Bill 628. Those in favor will indicate by saying Aye. Opposed, Nay. Amendment is defeated. Further -- well, speak up. I -- I'm not reading lips today. So let's -- all right. Senator Watson has moved the adoption of Amendment No. 1 to House Bill 628. Those in favor will vote Aye. Those opposed, Nay. 2nd Reading of the bill. The Committee on Judiciary offers one amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Marovitz.

SENATOR MAROVITZ:

Thank you very much, Mr. President, Members of the Senate. Amendment No. 1 deals with the Parentage Act, and requires the court to provide a continuance, sufficient to obtain representation, if an issue is raised which is statutorily precluded from allowable representation by the appointed public defender, or by the State's Attorney. I would ask for adoption.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Marovitz has moved the adoption of Committee Amendment No. 1. Is there discussion? If not -- beg your pardon, Senator Hawkinson.

SENATOR HAWKINSON:

Thank you, Mr. Chairman. Will the sponsor yield for a question?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Sponsor indicates he will yield. Senator Hawkinson.

SENATOR HAWKINSON:

Senator, normally - unless I'm mistaken - when you have a child support proceeding, with the State's Attorney, the issues of visitation and custody are -- are not germane, and are not allowable in a support proceeding. So I'm wondering what kinds of issues could arise that would require representation by a private attorney.

PRESIDING OFFICER: (SENATOR DEMUZIO)

STATE OF ILLINOIS

Senator Marovitz.

SENATOR MAROVITZ:

Some times these issues, that you mentioned, are raised. And the public defender, or the State's Attorney, or the attorney that's involved, has to stand moot - cannot even -- cannot even answer these - or ask for a continuance, basically. Because they're only limited to representation in the parentage or support matters.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Hawkinson.

SENATOR HAWKINSON:

But in that situation the judge, on his own, or the State's Attorney, would indicate that those are not proper -- properly before the court, and they'd have to be raised by a separate but -- separate proceeding, and don't have any effect on the support that is owed. And, so I guess I don't understand the need -- need for the amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Marovitz.

SENATOR MAROVITZ:

This -- this came from the Legal Assistance Foundation. There have been problems in this regard. I mean -- I -- I shared the same concern and questions with them. They said, "We've had cases like this; there have been problems; we just want to clarify it for the court."

PRESIDING OFFICER: (SENATOR DEMUZIO)

Thank you, Mr. President and Ladies and Gentlemen of the Senate. Committee Amendment No. 1 is to revise the income standard, in relation to co-payments for those people who are under the Community Care Program - for those who are seniors and disabled. Basically, it -- it now equates to the federal standard, by this amendment, of what is the poverty level, raising it from four hundred and twenty-six dollars a month, to a number like four hundred and eighty dollars a month. This is the federal standard, and the State has not raised it since 1982. And I would move adoption of Committee Amendment No. 1.
