SENATOR SEVERNS:

Thank you, Mr. President, Members of the Senate. I rise on a point of personal privilege.

PRESIDING OFFICER: (SENATOR DEMUZIO)

State your point.

SENATOR SEVERNS:

It's my honor today to have joining us a second group from Decatur Caterpillar Company, with Chuck Hippler at the helm. I would like the Senate to join me in welcoming them to the Senate today. They're in the President's Gallery.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Will our guests in the President's Gallery please rise. Welcome to the Senate. Senate Bill 100. Senator Zito. Senate Bill 721. Senator Lechowicz. Madam Secretary, Page 10, on the Order of Concurrence, is Senate Bill 721.

SECRETARY HAWKER:

House Amendment No. 3 to Senate Bill 721.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Lechowicz.

SENATOR LECHOWICZ:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. House Bill -- Senate Bill 721, as amended in the House, allows IDA to take advantage of a new HUD Program in which monies from HUD can be loaned to not-for-profit and limited-profit entities for development of residential real estate property for low and moderate incomes. It also fixes a flaw in the Illinois Affordable Housing Act passed last year. A borrower would be able to set uniform rents for housing for units financed by the Illinois

Affordable Housing Act. Such rents cannot exceed thirty percent of the maximum amount HUD regulations allow as income for low- and very low-income households. This is a standard HUD provision. I know of no opposition to this amendment, and I move for your adoption.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Is there discussion? If not, the question is shall the -- the question is, shall the Senate concur with House Amendment 3 to Senate Bill 721. Those in favor will vote Aye. Those opposed, Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, the Ayes are 53, the Nays are none, 1 voting Present. The Senate does concur with House Amendment 3 to Senate Bill 721, and the bill, having received the required constitutional majority, is declared passed. 722. Senator Lechowicz. Senate Bill 722, Madam Secretary.

SECRETARY HAWKER:

House Amendment No. 1 to Senate Bill 722.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator -- Senator Lechowicz.

SENATOR LECHOWICZ:

Thank you, Mr. President. This amendment that was amended in the House corrects the language in both the Rural Bond Act and the Upper Illinois River Valley Development Authority Act relating to the notice of the Illinois Housing Development Authority. This amendment now gives IDA thirty days, as opposed to ten days, to indicate its willingness to fund a housing project. The amendment also corrects an error in the Act as to allow the Rural Bond Bank or the Upper Illinois River Valley Development Authority to finance the housing project if IDA declines to do so. That's what this amendment does, and I move for its -- its total concurrence.

SECRETARY HAWKER:

House Amendments 1, 2, 3, 4 and 5 to Senate Bill 1051.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Luft.

SENATOR LUFT:

Thank you, Mr. President. I would move that the Senate do concur in Amendments 1, 2, 3, 4 and 5. House Amendment No. 1 made technical changes, and it required saving banks to meet the IRS code asset test. It also permitted saving banks to invest in marketable investment securities, excluding stocks. It removed duplicate provisions creating the office of Commissioner, and permits the Commissioner to waive notice requirements for savings and loans for the purpose of changing their charter to a savings bank. House Amendment No. 2 reduces, from one half to forty percent, the maximum number of directors that can be salary employees of the savings bank, and requires the Commissioner to conduct an examination more often than eighteen months if a required report from a saving bank indicates a material change in the financial condition, and if the condition is grounds for taking custody of the saving bank, such examination will so

commence immediately. Amendment No. 3 is technical. It just removes unnecessary underscoring. No. 4 is technical - makes a grammatical and stylistic change. No. 5 removes the immunity from liability provided to the Commissioner's temporary Commissioner, Deputy Commissioners, and all appointed appointees thereof, from criminal prosecution. I'd try to answer any question. Otherwise, I move for the adoptions of 1, 2, 3, 4 -- House Amendments 1, 2, 3, 4 and 5 to Senate Bill 1051.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right. Is there discussion? Senator Keats.

SENATOR KEATS:

Thank you, Mr. President. I'll be very brief on this. This particular bill is a bill of some significance. It is not as controversial among us, but a bill of some significance in helping Illinois' financial infrastructure. And a great deal of work has been done on it, both when we were out of Session and now. So I won't say more to take up time, but just so everyone realizes, this is a bill of some significance in the State of Illinois, and shows, at the national level, that states are innovative enough to show our own problems without the Federal Government screwing things up worse. I would hope you would vote for it.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Further discussion? Senator Severns.

SENATOR SEVERNS:

Thank you, Mr. President. Would the sponsor yield for a question?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Sponsor indicates he will yield. Senator Severns.

SENATOR SEVERNS:

During our committee hearings, we debated the proposed salary increase by the Commissioner. We decided in committee that that increase was not to be approved at this time. Does this amendment

When it passed the Senate overwhelmingly, it didn't detail that it would remain within the Department of Community Affairs. Senator Macdonald.

SENATOR MACDONALD:

Yes. If you remember, Senate Bill 1905 was the -- considered a taxpayer's bill, and it has to do with double-barreled bonds. And this amendment, in the House, merely gave the petitioners an extra nine days to acquire signatures for a referendum on a bond issue. In fact, it's from twenty-one to thirty days. It also reduces the required number of petition signatures from fifteen percent of the registered voters to the greater of 7.5 or two hundred registered voters -- whichever is the less. It also protects the validity of the bonds issued before the effective date of this Act. And it changes the immediate effective date from 1 -- well, it changes it from 1/1/91 to become immediately effective. So I think it is a -- even strengthens the bill, and with it as it is now, it has the approval of the -- both the Illinois Association of Park Districts and also the Illinois Municipal League. So, I urge your acceptance of this amendment.

PRESIDENT ROCK:

All right. The Lady has moved concurrence in House Amendment No. 2 to Senate Bill 1905. Discussion? Senator Netsch.

SENATOR NETSCH:

Thank you, Mr. President. A question to the sponsor, if I might. I understand the amendment that we are now concurring in, which does kind of tighten up the backdoor referendum requirements -- and I think that is good. If I remember correctly, the basic bill itself really begins -- or not begins, but does put some additional constraints, if you will, on the use of the so-called double-barreled bonds by requiring that the ordinance identify the revenue sources and some other provisions of that sort. Is that correct? Is that a fair statement, Senator Macdonald?

PRESIDENT ROCK:

SENATOR NETSCH:

Thank you. There's -- there's nothing inherently wrong about double-barreled bonds. Basically what they are are bonds that use a couple of revenue sources, and -- and to the extent that they are using non-property tax revenue sources, that is all to be desired. I think some of the concern was that perhaps the -- they were a little too loose in their potential as we originally passed that Act, and so anything which does at least make sure that they are going to be used with caution, I think is -- is all to the good. And I think this bill does contribute to that. Thank you.

SENATOR WELCH:

I'm sorry I came back. This is the Legislative Reference Bureau bill. And what they did was -- they put an amendment on in the House to include additional titles of Acts. This is the bill that's going to give every law a different title, so it'll be referred to in the Statute easier and be easier referred to by computers. So I would move for concurrence with that amendment.

We will shortly move to that order - that's on the Order of Secretary's Desk, Non-concurrence. And so the motion will be to refuse to recede and ask for the committee of conference to be appointed. Or if there's a Motion to Recede, that will be final action. Madam Secretary, in the meantime, let's do resolutions. Resolutions.

May I ask what the resolution is?

PRESIDENT ROCK:

Certainly. Senator Joyce.

Thank you, Senator. Senator Karpziel, that's about what I was -- that is what I was about to do. This resolution would establish a study commission to look at the tuition procedure in our -- in higher education in the State of Illinois. And it urges -- urges the universities to restrain from increasing tuition during the pendency of this study at the undergraduate level. And it is my sense that all parties involved understand the problem and acquiesce to this process.

We will go through this order of business and then we will recess. The Republicans have requested a caucus, immediately after the recess is called, in Senator Philip's Office. We will come back to -- into Session at about four o'clock, the reason being, obviously, that every message that we send, both to non-concur and to refuse to recede, a piece of paper has to go over to the House, the House has to act on it and send a piece of paper back. There's no sense, in my judgment, in sitting around waiting for paper to flow. We'll come back when the paper -- hopefully by that time the paper will be here. So we'll go through Supplemental No. 1. SENATOR JACOBS:

...we're taking the bill back to its original form, which was on the Agreed Bill List. And -- and all it really does is -- is give -- it's a bill that's in agreement by the State Police, the Secretary of State, everyone else, the towing vehicles, and it -- it allows -- if you remember, there was some -- well, I'll be honest with you. We didn't -- I don't what it does. It was a bill that was on the Agreed Bill List, so I -- I really am not that prepared on it, Doc. It just -- it just deals with salvage cars and it deals with the towing, et cetera. And it's agreed upon by all parties. That's all I can really tell you.

we've had towing bills around here that tend to be agreed to by everyone. But "everyone" tends to mean the big guys in the business, and some of those bills wind up eliminating the little guys from the business who really aren't part of these trade groups that make agreements down here. Is there anything in this bill, at this time, that would affect small town towing operation?

PRESIDENT ROCK:

Senator Jacobs.

SENATOR JACOBS:

No -- Senator Schuneman, no, there is not. Now let me give you a little better description of the bill, and I think that might help us all, because I didn't have the file available. What it does - it allows the towing operator that towed an abandoned vehicle seven years of age or newer, that has not been claimed by the registered owner within thirty days, to bid on the vehicle at a public auction. And it allows the abandoned vehicle, seven years or older, for which a registered owner cannot be identified, and that cannot -- that have not been claimed within ten days, to be disposed of as salvage as will junk -- as well as junk.

PRESIDENT ROCK:

Senator Schuneman.

SENATOR SCHUNEMAN:

Thank you. Just let me raise the issue to you, Senator, if I may. You're familiar with some of the smaller communities that -- that I'm particularly concerned about. And I would ask you to -- to bear that in mind as these bills go through the process.

PRESIDENT ROCK:

Senator Rea.

SENATOR REA:

What the bill does now, or at least is supposed to be doing, is that in designated health care shortage areas, that the OB physicians and family practice physicians practicing in those areas may pursue training that is included under the Family Practices Residency Act.

PRESIDENT ROCK:

Senator Topinka. All right. Further discussion? Is there any further discussion? Senator Rea, you wish to close?

SENATOR REA:

Just ask for an Aye vote.

PRESIDENT ROCK:

All right. The Gentleman -- the question is, shall the Senate recede from Senate Amendment No. 1 to House Bill 3675. Those in favor vote Aye. Opposed, vote Nay. The voting's open. All voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 53 Ayes, no Nays, none voting Present. The Senate does recede from Senate Amendment No. 1 to House Bill 3675. And the bill, having received the required constitutional majority, is declared passed.

with restrictions - had to be a fifty-million-dollar project - a thousand jobs involved. It's the one in dealing with the Citicorp negotiations that are going on now between St. Clair County and Citicorp. The -- we had Amendment No. 2 to the bill, which was some clean-up language, which really is no problem, and the House concurred with. They did not concur with Senate Amendment No. 1, which was -- added Will County as a new authority. So I agree with House action and ask for your support.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right. This is final action. Is there discussion? Senator Netsch. Excuse me.

Thank you, Mr. President. Senator Watson, if I might -- a question. Just a...

PRESIDING OFFICER: (SENATOR DEMUZIO)

Excuse me, Senator Netsch. Senator Watson, you are moving to recede. Is that correct? Senator Netsch.

SENATOR NETSCH:

On that basis, a question, just to be clear. There had been additions made, I think both here and in the House. Do I understand that what we are doing by this final action is restoring the bill to its original form so that it applies only to Madison and St. Clair Counties, to -- Will County is added by Senator Dunn, and that it does have that clean-up language on the interplay of TIF and enterprise zones that was requested by the -- the county clerks?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Watson.

SENATOR WATSON:

Yes. The answer to that is yes, except that Will County is no longer a part of the bill. Will County was Senate Amendment No. 1, and the House refused to concur, and we agree, and are

Senator Netsch.

SENATOR NETSCH:

Then -- then just to be clear once more. So it -- all of the substantive language applies only to Madison and St. Clair Counties, plus that one Section that -- that cleaned up the -- the interplay of enterprise zone tax abatement tips and so forth requested by the county clerks. Is that still a part of the bill?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Watson.

SENATOR WATSON:

Yes. That's in Senate Amendment No. 2, and that is a part of the bill. And we agree with that, and the House did also.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Further discussion? If not, Senator Watson moves that the Senate -- the Senate recede from Senate Amendment No. 1 to House Bill 3914. Those in favor will indicate -- those in favor will vote Aye. Those opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record.
