otherwise we'll be here for three or four hours. So with that --
Senator Netsch, for what purpose do you arise?

SENATOR NETSCH:

Thank you, Mr. President. One of the things that I would like to announce, if I might. There was a - and is a Revenue Committee meeting scheduled for today. It was posted for two o'clock. We will not be taking any action on any bills, and with the permission of everyone involved, I would like to move it up to immediately after Session, or ten or fifteen minutes after Session. Just giving everyone time to get down there. We will be hearing from anyone who is here today to begin to get background information. We will not be acting on any legislation, and the subject matter, as you know, is property taxation. Thank you.

The redesign of the back end, the new carpeting. I think they've done an excellent job, and I would like to commend our team up in the front, Linda and Jim, and the Sergeant-At-Arms and all the other people that were involved with the renovation. Did a nice job and it's nice to see something done on time, too.
