SENATOR REA:

Thank you, Madam Secretary. Herrin has had a HerrinFesta for the last several years, and each year they honor an industry, and of course this year an industry which is Olin and who's one that has played a very important part in the economy of Southern Illinois. They have played a very important part not only in providing jobs, but also the community service and other types of functions that they have provided to the whole region of Southern Illinois. And we are very happy today to be honoring them here in the Illinois Senate, and they have joined together with the City of Herrin, with the Herrin Chamber and Olin Industry for this great event. At this time, I would like to call Mel up here as the -- with Olin Industry, to make a few brief comments.

MR. MEL FINKE:

(Remarks by Mr. Mel Finke)

SENATOR REA:

Thank you and congratulations to Herrin and to Olin Industry.

This is obviously our day for special guests, and we have another group of special guests, and the Chair will yield to Senator Frank Watson.

SENATOR WATSON:

Thank you, President Rock. First of all, I'd like to have leave of the Body to allow the parents of these young people here in the gallery to take a picture or two. Do I have leave? Leave is established. You could take pictures now, if you like. Okay? All right, good. Thank you very much. We -- we have with us -- I think they're all out here. Not yet -- quite yet. But this is Hoffman, Illinois, which is located in Clinton County, and this is quite an unusual group of young ladies we have with us. This is the junior high school - Trinity Lutheran Junior High School in

Hoffman - and they won two basketball tournaments. The girls' basketball team won the State Small School Basketball Tournament, and they also won the Statewide Lutheran School Tournament. And to tell you -- and they only have eight girls in the seventh and eighth grade. Now you see more here because they've recruited sixth graders, fifth graders and on down, but they -- they beat schools that have an enrollment of four hundred in the Statewide Lutheran Tournament. It's quite an accomplishment, and we're very proud to have them here with us today. Ken Smith is the head coach and Dale Pulver is the assistant coach, and we have the principal, Ray Reichert, here with us and also Ray and Melody Ainslie. And we're very pleased to have them here with us today. I would like to take this opportunity to -- I guess we're not going to read the resolution. Mr. Secretary, can we read the resolution? I have it right here. Thank you.

Senate Resolution 1183 offered by Senator Watson.

(Secretary reads SR No. 1183)

SENATOR WATSON:

Very good. Thank you, Mr. Secretary. I -- I also want to make mention that Tom Michael, who plays for the University of Illinois basketball team, is also a resident of Hoffman. Hoffman has a rich tradition of excellence in basketball. The boys' team won the State Small School Championship several years ago. So Hoffman's producing a lot of good athletes and we're very proud of them. We've got something unusual today. As I mentioned, we have eight -- go ahead, guys. All right? We have eight girls in the seventh and eighth grade that played on the basketball team. There's five guys in the seventh and eighth grade who were cheerleaders, and we're going to ask them now -- they've got a cheer. They're going to do their -- their cheer.

PRESIDENT ROCK:

Again, if I can ask your indulgence, Ladies and Gentlemen. We have with us additional special guests, and the Chair will yield to Senator Earlean Collins for an introduction.

SENATOR COLLINS:

Thank you, Senator Rock. Ladies and Gentlemen of the Senate, we have today the distinct honor of having visiting us the Illinois State Basketball Champs, the Marshall Lady Commanders. They are the State champions, and they're a very unique team, because they have won the championship - the State championship - five times over the last ten years. And fourteen times out of fifteen years, they were the city champs. So we are honored today to have them visiting us, and I would like at this time to introduce to you the coach, a lady most certainly in her own right should be commended for her leadership and work - hard work - with these girls, Mrs. Dorothy Gaiters, who will introduce the team members to you now.

One final special guest. Senator Geo-Karis.

SENATOR GEO-KARIS:

Mr....(machine cutoff)...Ladies and Gentlemen of the Senate, there will be a Republican Caucus in the offices of Senator James "Pate" Philip immediately after you recess your meeting today. Republican Caucus, after.

PRESIDENT ROCK:

All right. So everybody is aware of what -- what the proposed schedule is, I'd ask your attention for just a moment. Senator Philip and I discussed earlier - we will attempt today to deal with Senator Kelly's Executive Committee report with respect to those nominees of the Governor to whom we are to advise and consent. We will then start on the Order of Senate Bills 2nd Reading. And I'd ask the Members - every Member's aware what the heaters are and where the problems lie - let's try to do the easy ones, and just -- just move so that we can keep the Enrolling and Engrossing going at a reasonable pace. And then there has been a request to go to the Order of Conference Committee Reports. Senator Marovitz, on page 30, there's a Conference Committee Report on Senate Bill 1231. There is a matter of some urgency to the Secretary of State contained in that report. We will do that report at approximately 3:30 or quarter to four, and then we will adjourn for the day. So we'll work between now and 3:30 or so on 2nd Reading, and then we'll go to the Order of Conference Committee Reports, do that one, and then we're through for the day. We'll start again at nine o'clock tomorrow morning, with the full expectation that we will not go beyond the hour of noon. And we will again be on the Order of 2nd Reading. Messages from the House.

SENATOR TOPINKA:

Yes, Mr. President, Ladies and Gentlemen of the Senate. Basically Committee Amendment No. 1 became the bill, and provided that RTA -- RTA budget materials would be made available to the public for viewing at no cost at least three weeks prior to any public hearings. Board members would have to be present at a majority of the hearings. This also provided outlines on the Whistle Blower Protection Act, and we got rid of the potential suggestion board that the original bill had had. It was agreed to by the CTA that helped to work out the language, and to my understanding, there's no objection at this point.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right. Senator Topinka has moved the adoption of Committee Amendment No. 1 to Senate Bill 1496. Discussion? If not, those in favor will indicate by saying Aye. Opposed, Nay. The Ayes have it. Committee Amendment No. 1 is adopted. Further committee amendments?

SENATOR ROCK:

Thank you, Mr. President, Ladies and Gentlemen of the Senate.
Senate Bill 1508 will be an amendment to the Fish and Aquatic Life
Code. It concerns itself with commercial fishing in Lake
Michigan. The amendment does three things: one, it increases the
tonnage in terms of yellow perch that can be authorized to be
taken from the lake; two, it increases the number of commercial
fishing licenses from three to five; third, it increases the life
of the license from one year to a five-year period of time; and
fourth, it provides for some prequalifications that the Department
must follow when issuing the additional two licenses. I would
move for the adoption of the Committee Amendment No. 1.

Thank you, Mr. President. Committee Amendment No. 1 does five things: It eliminates the requirement that the Department of Insurance make rules under the Condominium Risk Pooling Trust Act

87th GENERAL ASSEMBLY
REGULAR SESSION

of standards of coverage in administration of such trusts. The Department has had no interest in the content of this Act. The second thing it does: It expands the annual statement requirement to companies authorized to do business in Illinois, rather than those actually doing business. The third thing is: Authorizes payment of out-of-state lodging and travel expenses for -- for financial examiners to the National Association of Insurance Commissioner recommended amounts. Number four is: It modernizes the financial reporting requirement for accident and health insurance to permit them to file reports on diskettes, and it also removes the hundred-dollar-a-day penalty for filing late reports. Last thing is: It removes the requirement that medical malpractice insurers report on claims, payment and reserves, and allows the Director to request such information. I would move for the adoption of that amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Madigan has moved the adoption of Committee Amendment No. 1 to Senate Bill 1909. Discussion? If not, those in favor will indicate by saying Aye. Opposed, Nay. The Ayes have it. Committee Amendment No. 1 is adopted. Further committee amendments?

We have to -- yet to deal with the Conference Committee Report. In addition, Senator Topinka earlier asked leave of the Body to have the Constitutional Amendment - House Joint Resolution Constitutional Amendment 2 - expedited. And so we have had, at her request and Senator Philip's request, a supplemental Calendar prepared, which will show this Constitutional Amendment on the Order of 1st Reading. The Chair will rule that a proposed amendment to the Constitution of the United States, as well as a proposed amendment to the Constitution of Illinois, does, indeed, have to be read in full on three successive days for us to take final action. In an effort to expedite at Senator Topinka's request, we will, with leave of the Body, move to the Order of Supplemental Calendar No. 1. On the Order of -- Supplemental Calendar No. 1, on the Order of Constitutional Amendments 1st Reading is found House Joint Resolution Constitutional Amendment No. 2. Mr. Secretary, read the amendment, please.

PRESIDENT ROCK:

All right. The amendment, having -- having been read a first time -- it will be moved to the Order of Constitutional Amendments 2nd Reading. Senator Demuzio, for what purpose do you arise?

SENATOR DEMUZIO:

On a point of personal privilege, Mr. President.

PRESIDENT ROCK:

State your point, please.

SENATOR DEMUZIO:

Well, while we're on a -- little lull here -- while we are on a lull: For the eighteen years I have been around here in May of this week why, things sort of just come together, I guess, and we didn't want anybody to think that we hadn't remembered Senator Arthur Berman's birthday or your birthday. And we know that you are a year older, and so we wanted to take this opportunity to see how long it would go before, you know, without this slipping by. So we want to offer our happy birthday, both to you and Senator Berman.

PRESIDENT ROCK:

As Senator Palmer used to say, Senator Berman and I are a little ambivalent. We want to forget that we have a birthday, but the alternative is simply unacceptable, so we -- we'll do the best we can. Senator Macdonald, for what purpose do you arise, ma'am?

SENATOR MACDONALD:

Well, first of all, to wish you happy birthday, Mr. President.

PRESIDENT ROCK:

Thank you.

SENATOR MACDONALD:

But secondly, on a point of personal privilege.

PRESIDENT ROCK:

State your point, please.

I would like to introduce a constituent of mine who is down for the day, Mr. Stan Broten of Arlington Heights, who's sitting behind me. Would you welcome him, please?

PRESIDENT ROCK:

Will you please rise and be recognized. Welcome to Springfield. All right. Ladies and Gentlemen, the last order -- if I can have your attention, we have had a request to go to the top of page 30 on the Order of Conference Committee Reports. This will be in the order of final action - addressing the Conference Committee Report on Senate Bill 1231, and then we will have effectively concluded our business for today. We will reconvene here at nine o'clock tomorrow morning. Or actually, Senator Philip, I think, is going to call for a caucus, so we'll make it 9:30 tomorrow morning. And also let me remind all of you -- let me remind all of you, please, that we have all been cordially invited by George Ryan, the Secretary of State, to a reception in honor of Senator Janet Joyce - George's hometown Senator - this afternoon at approximately 3:30, in George's office - Room 213 of the Capitol Building. And George's letter goes on to say, "I hope you will take this opportunity to welcome Senator Joyce to the General Assembly. I know that she will make an outstanding contribution during her tenure, and will ably represent the interests of the Kankakee area." I have alerted the Secretary and his office that we would be a few minutes late, but only a few. So if we could go down there immediately after Session to accommodate Secretary of State Ryan, I know he and Senator Joyce would appreciate it. Senator Philip, for what purpose do you arise, sir?

SENATOR PHILIP:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. I would ask for a Republican Caucus in my office at 8:30 a.m. I'm going to buy breakfast.

SENATOR HALL:

We're honored today to have a group from my district - Dupo, Illinois. They're here in the balcony. And you saw all those displays down on the 1st Floor. And these are some champions. I'd like to introduce them. The gallery right behind me.

PRESIDENT ROCK:

Our guests please stand and be recognized. Welcome to Springfield. Senator Topinka, for what purpose do you arise?

SENATOR TOPINKA:

Yes. Mr. President and Ladies and Gentlemen of the Senate, I would like to have recognized and welcomed to Springfield some people who are near and dear to me, both who work for me, as well as who are constituents, and that include the Fogartys and Derricos of Elmhurst and the Stephenses of La Grange Highlands. And they're in your gallery right behind you. And if we could welcome them all to Springfield.

PRESIDENT ROCK:

Will our guests please stand and be recognized. Welcome to Springfield. All right. With leave of the Body, we'll move to page 30 on the Calendar, Ladies and Gentlemen. Senator Marovitz.

SENATOR MAROVITZ:

Thank you very much, Mr. President and Members of the Senate. The Conference Committee Report on Senate Bill 1231 is an extremely important one and very timely. Failure to pass this Conference Committee Report will result in the relocation of the American Bar Association headquarters from Chicago, where it's located now, to the State of Ohio, which already affords protections from liability for members of corporations, which is embodied in this legislation. According to counsel for the Secretary of State - for George Ryan - the language in this bill provides that members of a not-for-profit corporation shall not be personally liable for any debt or obligation of the corporation. That is a codification of existing State law now, but the ABA and their counsel said that unless we put it in the Statutes, the ABA was going to move their corporate headquarters out of the City of Chicago. Based upon corporate interpretations of similar language in other states, counsel contends that court would still be able to use their equitable powers to find liability, so they needed statutory language. And that is embodied in this legislation, so that directors and officers would not be held personally liable for the debts of these not-for-profit corporations. Another portion of the legislation deals with Airport Authorities. A municipal Airport Authority in Springfield, Rockford and DuPage County would be able to use facilities that they own to expand recreational facilities on that airport land. This clarifies existing language and would allow for the bonding for these purposes. There is a third portion of the bill which amends the Vehicle Code and allows the -- the delivery of title instruments in a reasonable period of time not to exceed twenty days, rather than the existing time, which is twenty-four hours. It provides that a person must deliver instruments of ownership relating to a

vehicle to a proper person within that -- reasonable time, not to exceed twenty days. And that's as been requested by the Secretary of State's Office. I would be happy to answer any questions on any of the issues embodied in this Conference Committee Report.

PRESIDENT ROCK:

All right. The Gentleman has moved the adoption of the Conference Committee Report on Senate Bill 1231. Discussion? Senator Schaffer.

SENATOR SCHAFFER:

Mr. President, a question for the sponsor. I'm -- I'm sure I misunderstood what he said.

PRESIDENT ROCK:

Sponsor indicates he will yield, Senator Schaffer.

SENATOR SCHAFFER:

You didn't say that the Bar Association was going to leave Illinois unless we covered them from liability, did you?

PRESIDENT ROCK:

Senator Marovitz.

SENATOR MAROVITZ:

I did, in fact, say that the American Bar Association corporate headquarters were going to move their corporate headquarters, unless we clarified statutorily the question of liability of corporate officers and directors.

PRESIDENT ROCK:

Senator Schaffer.

SENATOR SCHAFFER:

Do you think they'd settle for caps?

PRESIDENT ROCK:

Senator Marovitz.

SENATOR MAROVITZ:

I don't know. We'll have to consult with the Medical Society.

PRESIDENT ROCK:

All right. Further discussion? Senator DeAngelis.

SENATOR DeANGELIS:

Question of the sponsor.

PRESIDENT ROCK:

Sponsor indicates he'll yield, Senator DeAngelis.

SENATOR DeANGELIS:

How many lawyers would leave with the ABA if they left the State?

PRESIDENT ROCK:

All right. Further discussion? Further discussion? Senator Marovitz, you wish to close?

SENATOR MAROVITZ:

No. I think that the issues are clear. There are three main issues, and I would solicit an Aye vote.

PRESIDENT ROCK:

Question is, shall the Senate adopt the Conference Committee Report on Senate Bill 1231. Those in favor will vote Aye. Opposed, vote Nay. And the voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 42 Ayes, 5 Nays, 3 voting Present. The Senate does adopt the Conference Committee Report on Senate Bill 1231, and the bill, having received the required constitutional majority, is declared passed. Ladies and Gentlemen, we made an egregious error. Senator Davidson, do you want to make your announcement with respect to tomorrow morning? Senator Davidson.

SENATOR DAVIDSON:

Ladies and Gentlemen of the Senate, those of you who purchased tickets for the Governor's Prayer Breakfast, it's tomorrow morning, 7:30 a.m. at the Holiday Inn East. Please don't ask. Those who didn't buy them are too late. We've been -- in fact,

we're fifty oversold. And Senator Berman and Senator Smith, your transportation will be there to pick you up at 7:00 a.m. at the Hilton. Please be ready.

PRESIDENT ROCK:

Senator Philip.

SENATOR PHILIP:

I -- I certainly am going to yield to the Prayer Breakfast, but I would have a Republican Caucus at nine o'clock in my office. And we will have the -- the second breakfast.

PRESIDENT ROCK:

All right. The -- we'll just back the whole thing up an hour, given the Prayer Breakfast. So Republican Caucus at nine; Session will commence roughly at ten; and again, we'll probably be out of here right about noon. If there's no further business, or further announcements -- Senator Geo-Karis.

SENATOR GEO-KARIS:

Mr. President and Ladies and Gentlemen of the Senate, at this caucus tomorrow at 9:00 a.m., Senator Philip is going to provide the coffee and rolls.

PRESIDENT ROCK:

Yeah. All right. Ladies and Gentlemen, don't forget now, Secretary of State Ryan has invited us down to 213 for a brief reception -- or a reception - it's up to him how brief it is. The Democratic Members will please, pursuant to the notice you received about the little meeting we're having, well, let's make the meeting at 4:30 in my office. So we'll afford everybody an opportunity to get down and formally say hello to George and welcome Senator Joyce. And we'll meet at 4:30 in my office. And if there is no further business to come before the Senate, Senator Vadalabene moves that the Senate stand adjourned until Thursday, May 7 - Thursday morning at the hour of ten o'clock. Ten o'clock tomorrow morning, Ladies and Gentlemen.
